Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

- (1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and
- (b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;
- (2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and
- (3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

- (1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:
 - (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;
 - (b) Discussion regarding deployment of security personnel or devices;
 - (c) Investigative proceedings regarding allegations of criminal misconduct;
 - (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;
 - (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or
 - (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

- (2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

- (3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.
- (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

- (5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

This is the portion of the meeting when members of the public may speak to the board about matters of public concern.

- **Getting Started:** When you have been recognized, please identify yourself, including an address and the name of any organization you represent. The board may waive the address requirement to protect the security of the individual.

The Board requests that you follow the policy and procedures before addressing these matters with the Board. Board members will generally not respond to any questions you ask or comments about individual staff members or students.
- **General Rules:** This is a public meeting for the conduct of business. Comments from the audience while others are speaking will not be tolerated. Lewd, obscene, profane, slanderous, threatening and hostile conduct or statements and fighting words (words whose mere utterance entails a call to violence) will not be tolerated.

Use of School Property

1. Use of Specific Facilities by Application and Agreement
 - a. The district permits non-commercial use of the following facilities by individual patrons for their personal health and wellness: weight room. The district understands that it would not be feasible to require a patron to apply to use facilities like the weight room on every occurrence. The facility uses defined in this paragraph are an exception to the general facility use requirements contained in this policy for ease of administration and efficiency. All other facility uses must comply with the other provisions of this policy.
 - b. These particular facilities may be used upon only one application and upon signing the district's written waiver and agreement.
 - c. Use of these facilities is governed by this and other district policy and the agreement signed by the user. A copy of each agreement will be maintained in the district's central office.
2. General Facilities Use Guidelines
 - a. School facilities may be used by various education and community organizations and individuals when it is in the interest of the general public.
 - b. School facilities may not be used for personal profit and other commercial purposes. The district opens its facilities to district patrons for the benefit of the public, not commercial uses. Due to the complications created by groups or individuals using district facilities for commercial purposes, these uses are prohibited. Booster clubs and other organizations raising money purely for the support of student groups, as defined below, and not for personal profit are not considered commercial uses but must comply with the district's policies which apply to these groups.
 - c. Any person or group using school facilities must assure that it will be responsible for maintaining order, protecting property, and providing security and safety.

- d. Only those organizations and persons who are known to school officials, who have financial resources sufficient to cover all rentals and possible damages, and who are willing to discharge such obligations shall be permitted to use the school facilities and equipment.
- e. The rental fees for using the school facilities will be as follows:
Gym - \$250 & Commons/Kitchen Area - \$75.
- f. Non-curricular student groups or non-student groups (as those terms are defined below) that wish to use the facility must submit a facility use application which may be obtained from the district's central office. The application must be received by the superintendent prior to the approval of any facility use.
- g. The shop and weight room may not be used by students when school is not in session, unless supervised by a district staff member or a responsible adult upon approval of the superintendent. Use of the shop and weight room in violation of this provision may lead to the students being denied access to these facilities or other consequences permitted by board policy and Nebraska law.
- h. Any person or group using the school facilities, for any purpose, must comply with all of the district's policies, rules, and regulations.

3. Definitions

- a. "Curriculum-related student groups" shall mean students participating in school-sponsored activities, supervised by district staff, related to the curriculum, and recognized by the board.
- b. "Extracurricular student groups" shall mean students participating in an extracurricular activity, sponsored by the district, supervised by district staff, and recognized by the board, such as athletic teams and academic teams which are not otherwise categorized as "curriculum-related student groups."
- c. "Non-curriculum related student groups" shall mean all other groups comprised primarily of students who attend the district participating in activities such as Boy Scouts, Girl Scouts, 4-H, political groups, religious groups, and other similar youth groups.

 - iii.) Curriculum-related and Extracurricular student groups have priority over non-curriculum related student groups and non-student groups.
- b. Non-curriculum related student groups
 - i. Non-curriculum related student groups may use the school

building during non-instructional time. Such use shall be without charge.

- (1) Such uses shall occur while the building is normally open and there is a minimum of interference with custodians or other student and staff facility use.
- (2) These groups may use the school buildings in the evening for meetings if the group is sponsored by an adult and the adult (1) files the application to use the facilities on behalf of the group and (2) assumes responsibility for cleanup and placing the area back in the condition it was in prior to use.

ii. Non-curriculum related student groups must apply for use of the facilities and secure the superintendent's permission before using school facilities.

iii. Non-curriculum related student groups may meet only on school premises at times and places determined by the superintendent.

iv. Non-curriculum related student groups must meet each of the following conditions to secure the superintendent's permission to use school facilities:

- (2) The district has facilities available to accommodate the group.
- (3) The use is voluntary and for the general benefit of the student participants.
- (4) The use will not substantially interfere with the orderly conduct of educational activities and other programs within the school.

5. Use of facilities by non-student groups

a. The superintendent may authorize the use of any school facilities

for non-school activities by non-student groups.

- b. In addition to the guidelines listed elsewhere in this policy and other board policies or administrative protocol, the superintendent will consider the following when making determinations regarding use of district facilities by non-student groups:
 - i. The local education association may hold meetings when classes are not in session and staff members are not on duty.
 - ii. Non-student groups which provide education-related programming and services for students and staff may be given priority of use over other outside groups. The superintendent has sole discretion in determining whether proposed uses relate sufficiently to the district's educational standards and programs.
 - iii. Non-student groups which provide programming and services for community members and others living within the district may be given priority of use over other outside groups.
- c. Denial of access
 - i. The superintendent may limit or deny access to school buildings, grounds, and activities to any person whom the superintendent deems to be using the facilities inappropriately and contrary to the district's mission.
 - ii. Upon determining that a person or group has engaged in, or is engaging in conduct that constitutes grounds for exclusion under this policy, the superintendent shall take such action as he or she determines appropriate, including directing the person to cease engaging in the conduct or to leave the school premises or activity immediately. The superintendent may request assistance from law enforcement authorities to remove an offending person from the school grounds. A person who enters school premises in violation of these conditions shall be deemed to be trespassing.

- iii. The superintendent shall have the authority to fix the time when, and the conditions under which, the offending person may return to school premises.
- 6. Students, staff, and community members may use or lease school equipment for non-school use only if they have received the prior permission of the superintendent.
- 7. Proof of Insurance
 - a. When any non-curriculum related or non-student group utilizes school district facilities, the group submitting the facility use application may be asked to provide proof of insurance up to the current tort claims limits applicable to political subdivision in the State of Nebraska. Currently, those limits are \$1,000,000 per person for any number of claims arising out of a single occurrence and \$5,000,000 for all claims arising out of a single occurrence.
 - b. The district may require the non-curriculum related or non-student group to include the district as an additional insured on any such policies and may refuse access to its facilities until proof of satisfaction of this requirement is submitted to the superintendent.
- 8. No Fees for Admission
 - a. Non-curriculum related and non-student groups may not charge a fee to participate in or be a spectator at any recreational activity, event, or other such gathering occurring on district grounds unless approved in advance by the superintendent.
 - b. If the district retains control over the area of the premises in which the non-curricular and non-student group desires to use, meaning the district provides supervision, staffing, custodial services, or otherwise maintains its control during the group's use of the facilities, the group may not charge a fee for admission under any circumstances.
 - c. Non-curricular and non-student groups may charge for parking or vehicle entry onto the premises unless otherwise prohibited by the superintendent.

Naming School Facilities and Property

The purpose of this policy is to establish the criteria and procedures for naming and renaming school district facilities or property.

Authority. The board shall have the authority to name all school district facilities or property. The board reserves the right to refuse to name any facility or piece of property and to make name changes at any time.

Definition. "Facilities or property" means any physical structure owned by the school, including any new, existing, or leased building; a wing of a building; any room; or other significant features or portion thereof such as a fountain, monument, plaza, garden, landscaped area, street, running course, running track, playing field, practice field, playing court, practice court, bench, or stage.

Committee or Administrative Review. Prior to formal naming action by the board, the matter may be referred to the superintendent or a school committee for consideration, review, and recommendation to the board.

Naming Criteria. The district may name facilities or property after the community, subdivision, or street on which the school is located; the geographic location of the school; or any significant landmark. The district may name facilities or property for an individual, family, or entity meeting at least one of the following criteria:

1. A faculty member, staff member, board member, alumni, volunteer, or other community member who has made an outstanding contribution to education, humanity, or community; or have displayed outstanding leadership; or be a person of historical significance; and who has been deceased for at least five years;
2. Financial donors who make a significant financial contribution to the school generally or to a specific school activity or program; and
3. Financial donors who make a significant financial contribution toward the construction of a new facility/property or facility/property renovation.

The district will not grant a naming right without the informed consent of the named party or his/her/its authorized representative.

Due Diligence Review. The board or its designee shall conduct a due diligence review of any proposed facility or property name to consider whether it is and will continue to be a positive and appropriate reflection on the school,

whether the name conforms with the purpose and mission of the school, and whether there are any conflict of interest issues. The board or its designee shall also consult with district legal counsel to ensure that any proposed name complies with applicable policies, laws, and regulations and to determine if any proposed name would have an adverse impact on existing or future tax-exempt bond issues.

Renaming Facilities. Once established, the name of school district facilities or property generally shall not be changed absent compelling reason to do so as determined by the board. Compelling reasons include, but are not limited to, the person or entity or any of its officers, agents, or employees committing any act or doing anything which might tend to bring the person or entity or any of its officers, agents, or employees into public disrepute, contempt, scandal, or ridicule, or which might tend to reflect unfavorably on the district or if the continued use of the name is contrary to the educational mission of the district. The named party may, without refund of any consideration paid or provided, terminate his/her/its acceptance of the naming rights prior to the scheduled termination date upon request to and approval of the board. If the request is granted, the named party shall be solely responsible for all costs of removal of the names.

Current Facilities or Property. Facility and property names that exist at the time this policy is adopted shall remain in effect, subject to future renaming consistent with this policy.
