Hi Ben,

Thank you so much for taking the time to share your experience with Mardo and letting us know the care and foresight he demonstrated.

I have copied our Superintendent, Christopher Montini, so that he is also aware.

Best,

Dear Members of the Woodbridge School District Board of Education,

My name is Ben Carmeli, I'm a 6th grader at Beecher currently, and my family has been part of the Woodbridge School District community for the last 16 years. I had hoped to speak during public comment at the meeting on May 19th but was unable to attend.

I would like to take this opportunity to commend our bus driver, Mardo, for his quick thinking and attentiveness. Earlier this month, while traveling down Rimmon Road near the Naugatuck State Forest area—around where Rimmon and Clinton Road meet—Mardo suddenly stopped the bus. We soon realized a car was speeding dangerously, passing other vehicles in the opposite lane, and was on course to collide with our bus. Thanks to Mardo's vigilance and swift action, a serious accident was averted, ensuring the safety of many children during their daily commute.

Unfortunately, I will not be able to attend the June 15th meeting, but I sincerely hope that Mardo's dedication and care are recognized and rewarded in some way.

Thank you for your time and consideration.

Sincerely,
Ben Carmeli

CAPSS SUPERINTENDENT / STUDENT AWARDS – Superintendent Montini presented awards to 6th grade student leaders---Angelina Frabrizio, Ofek Koblentz, Elliot Melo, Charlotte Miller, Charlotte Numberg and Ivy Qin. These students are our vision to inspire future leaders to positively impact our world. This award is designed to honor students who excel in three categories: community service and/or service to others; academic prowess relative to their ability; and leadership to their school community.

MOTION #1 – RECESS A brief recess was convened at 7:20 PM (*Piascyk/Strambler Unanimous*). Chair Lawrence called the meeting back to order (7:26 PM).

CORRESPONDENCE – several emails were received regarding the BRS and Amity Middle School promotion ceremonies.

PUBLIC COMMENT

Alison Valsamis spoke regarding the BRS and Amity Middle School promotion ceremonies being scheduled too close together and on the same day.

The Aponte Family (Nova, Claire, Daniella, Roberto) expressed their disappointment regarding the BRS and Amity Middle School promotion ceremonies being scheduled too close together and on the same day.

Student Council Update – Ms. Nakouzi, Kerry Hopkins, Forest London, Neve Martin-Tolev and Ivy Qin, Grade 5/6 students highlighted the various activities and fund-raising events conducted during the past year inclusive of bake sales, painting at the Senior Center, presents for children in need at Christmas, Cupcake Wars, Math Night guides and participation in the Ronald McDonald tree event to benefit the Children’s Hospital.

MOTION #2 – CONSENT AGENDA Move that we approve the consent agenda as presented. (*Conaster/Piascyk Unanimous*)

Superintendent Report – Superintendent Montini noted enrollment remains steady at 875, with Kindergarten registration hovering around 84, which is lower than the 115 projection. Also stated was the celebration of teacher/staff appreciation by the PTO and the collaboration and recognition of student / staff partnerships. The Town approved the 2026/27 budget at the annual Town meeting with a final BRS budget of \$19,060,938. Also highlighted was the additional supplemental funding to the Town’s general fund from the State in support of education for both Amity and BRS in the amount of \$26,948 and \$13,949 for municipal aid for a total of \$40,897. The 2025/26 favorable surplus will be reviewed at the June 15 meeting along with reconciliation of the 2026/27 budget. Board members were asked to complete the Board Self-Evaluation document and return it to either the WBOE Chair, Superintendent Montini or the Board Clerk.

Superintendent Montini noted that in collaboration with Amity, our 6th grade promotion ceremony was rescheduled to 11:30 AM to ensure parents had ample time to attend both the Amity Middle School ceremony at 8:45 AM and BRS. In addition, parking spots will also be available for those parents as well. Generally, each ceremony is an hour in duration. As the last day is a contractual minimum day, 11:30 is the latest to ensure there is adequate dismissal time for other students.

Summer Programming – Superintendent Montini outlined the schedules for ESY, which will run Monday thru Thursday – from June 29 – July 30 with 2 co-directors Melissa Caporossi and Jenn Winslow, one social worker, one psychologist, 10

teachers and one speech/language pathologist. SEP will increase to five days from June 29 – July 31 and currently has 445 registrations with 80 different course options.

BRS Update – Ms. Sherman noted the Amity senior interns will be in district through June 3. Also noted was the Town collaboration with the Historical Society, Grade 6 students and Library Media Specialist Larissa Crocco on the Whitney Stone project at the Darling House, Artsweek and School Lunch Hero Day. Board members were invited to attend the dedication at the Darling House on June 13 at 2:00.

BRS Building Committee – Ms. Piascyk noted this committee held its inaugural meeting on May 4 with voting members inclusive of Marty Halprine, Gene Chiapetta, Steven Lawrence, Lanna Moore, Justin Rehm, and herself. Marty was elected Chair and Lynn Vice Chair. Non-voting members are Superintendent Montini, Vito Esparo, Donna Coonan, Teresa Ramia (WEA), Analisa Sherman, Tony Genovese, Tom Handler (BOF) and Maria Madonick (BOS). The newsletter and survey explaining the reasons for building a new school have been mailed to Woodbridge households. All residents are urged to complete the survey to help guide the work of the committee and to share their perspectives on priorities.

Superintendent Montini presented the additional funding request from Antinozzi and Associates regarding the inclusion of additional PK programming into the schematics and Education Specifications. The inclusion of PK allows for additional reimbursement potential.

Woodbridge Public School's 2025-2026 Budget Narrative

May 31, 2026

The attached financial reports represent 11 months (92%) of the fiscal year.

100 Series Salaries - Salaries represent 61% of the budget. Our certified salaries surplus increased by \$4K due to relieving future encumbrances for staff out on leave. The non-certified surplus grew by \$5K this month due to reduced encumbrances staff out on unpaid leaves.

200 Series Benefits – Benefits are 21% of our budget and are based on the elections of last year's staff. The estimated surplus in this category changed materially from the prior month. The savings in payroll taxes and CMERS continues to inch up each month that staff remain out on leave. Our estimates of health insurance improved by \$49K as multiple reimbursements were posted from former staff utilizing COBRA and staff members estimated to come onto insurance not materializing.

300 Series Purchased Professional Services- This category represents 3% of our budget and includes legal, audit and other expenses that are generated on a month-by-month basis. The overall deficit in this category decreased by \$4K. Our estimated expenses for contracted Paras has not materialized.

400 Series Purchased Property Services - Utility budgets are 4% of the total budget. This category is overall deficit in this category decreased by \$6K. Electricity expense came in higher but that increase was offset slightly by special services consultant expenses coming in lesser than previously estimated.

500 Series Other Purchased Services - This category is 9% of our budget and includes student transportation, tuition, interns, liability insurance and items that do not fall within the professional services/property services categories. The overall estimated deficit increased to \$149K this month. The district agreed to incur additional architectural and cost estimating services as well as a communication consultant and we increased our future estimated fuel expenses. Due to our overall surplus position, we are planning to secure some shredding services over the summer.

600 Series Materials and Supplies – These supplies account for 2% of our budget. With the exception of custodial/maintenance supplies, this category is direct support for classroom instruction. In light of the overall surplus position, we are estimating placing a large order of stripper and waxer for the summer and possibly purchasing an additional Raptor module to facilitate utilizing volunteers in the school.

700 Series Furniture and Equipment - This category represents 6/10 of one percent of the budget and we decreased our surplus estimate by \$4K from the prior month. We now plan to use some of the special services equipment budget to purchase a classroom sound amplification system.

800 Series Dues and Fees – This budget category is small but important as it links staff to professional organizations that help keep them up-to-date in their respective academic fields.

900 Series Misc. Expenses - The primary expense in this category is the Ezra Nurse, a non-public health expense we are required by law to maintain.

State and Local Government Addendum

Reference: Application No. 1080234

This State and Local Government Addendum (this "Addendum") is made part of the Agreement related to the above referenced application number ("Agreement") between **LEAF Capital Funding, LLC** ("we" "us" and "ours") and Woodbridge School District ("you" and "your"). Capitalized terms used but not defined will have the meaning given to them in the Agreement. If there is any conflict between the terms of this Addendum and the terms of the Agreement, the terms of this Addendum will control and prevail. The parties hereby agree as follows:

1. Funding Intent. You reasonably believe that funds can be obtained sufficient to make all Payments set forth in the Agreement and any other amounts owed during the term of the Agreement. You agree that your chief executive or administrative officer (or your administrative office that has the responsibility of preparing the budget submitted to your governing body, as applicable) will provide for funding for such payments in your annual budget request submitted to your governing body. You covenant that you will do all things lawfully within your power to obtain, maintain and properly request and pursue funds from which the Payments may be made, including making provisions for such payments to the extent necessary in each budget submitted for the purpose of obtaining funding, using your best efforts to have such portion of the budget approved and exhausting all available administrative reviews and appeals in the event such portion of the budget is not approved. If your governing body chooses not to appropriate funds for such payments, you agree that your governing body will evidence such nonappropriation by omitting funds for such payments due during the applicable fiscal period from the budget that it adopts. You and we agree that your obligation to make payments under the Agreement will be your current expense and will not be interpreted to be a debt in violation of applicable law or constitutional limitations or requirements. Nothing contained in the Agreement will be interpreted as a pledge of your general tax revenues, funds or moneys.

2. Nonappropriation of Funds. If (a) sufficient funds are not appropriated and budgeted by your governing body in any fiscal period for Payments set forth in the Agreement or any other amounts owed to us and (b) you have exhausted all funds legally available for such payments due under the Agreement (together, a "Non-Appropriation Event"), then you will give us not less than ninety (90) days written notice (a "Termination Notice") and the Agreement will terminate as of the last day of your fiscal period for which funds for such payments are available ("Termination Date"). Such termination is without any expense or penalty, except for the portions of such payments and those expenses associated with your return of the Equipment in accordance with the Agreement for which funds have been budgeted or appropriated or are otherwise legally available. You agree that, to the extent permitted by law, you will not terminate the Agreement if any funds are appropriated by you or to you for the acquisition or use of equipment or services performing functions similar to the Equipment during your fiscal period in which such termination would occur. You shall (i) on or before the Termination Date, return the Equipment in accordance with the return requirements set forth in the Agreement, (ii) provide in the Termination Notice a certification of a responsible official that a Non-Appropriation Event has occurred, (iii) deliver to us, upon our request, an opinion of your counsel (addressed to us) verifying that the Non-Appropriation Event as set forth in the Termination Notice has occurred, and (iv) pay us all sums payable to us under the Agreement up to and including the Termination Date. You acknowledge and agree that, in the event of the termination of the Agreement and the return of the Equipment as provided for herein, you shall have no interest whatsoever in the Equipment or proceeds thereof and we shall be entitled to retain for our own account the proceeds resulting from any disposition or re-leasing of the Equipment along with any advance rentals, security deposits or other sums previously paid by you pursuant to the terms of the Agreement.

3. Authority and Authorization. You represent and agree that: (a) you are a state or a political subdivision or agency of a state; (b) the entering into and performance of the Agreement is authorized under your state laws and Constitution and does not violate or contradict any judgment, law, order, or regulation, or cause any default under any agreement to which you are party; (c) you have complied with all bidding requirements and, where necessary, have properly presented the Agreement for approval and adoption as a valid obligation on your part; and (d) you have sufficient appropriated funds or other moneys available to pay all amounts due under the Agreement for your current fiscal period. Upon our request, you agree to provide us with an opinion of counsel as to clauses (a) through (d) above, an incumbency certificate, and other documents that we request, with all such documents being in a form satisfactory to us.

4. Government Use. You agree that (a) you will comply with all information reporting requirements of the Internal Revenue Code of 1986, as amended, including but not limited to the execution and delivery to us of information statements requested by us, and (b) the use of the Equipment is essential for your proper, efficient and economic operation, you will be the only entity to use the Equipment during the term of the Agreement and you will use the Equipment only for your governmental purposes. Upon our request you will provide us with an essential use letter in a form satisfactory to us as to clause (b) above.

5. Insurance. You agree to provide and maintain at your own expense (a) property insurance against the loss, theft, destruction of, or damage to, the Equipment for its full replacement value, naming us as loss payee, and (b) public liability and third party property insurance, naming us as an additional insured. You will give us certificates or other evidence of such insurance on the Equipment at such times as we request. All insurance obtained from a third party insurer will be in a form, amount and with companies acceptable to us, and will provide that we will be given 30 days' advance notice of any cancellation or material change of such insurance. If you do not provide us with proof of such insurance, we may secure insurance on the Equipment to cover our interests (and only our interests). If we obtain such insurance, you will pay us an additional amount for the cost of such insurance and an administrative fee, the cost of which may be more than the cost to obtain your own insurance and on which we may make a profit.

6. Indemnification. With respect to any claims, actions, or suits that are made against us as a result of your actions, omissions, negligence or willful misconduct ("Claims"), to the extent permitted by law, you agree to reimburse us for, and if we request, defend us against, any such Claims.

7. Choice of Law. Regardless of any conflicting provision in the Agreement, **THE AGREEMENT WILL BE GOVERNED BY THE LAWS OF THE STATE IN WHICH YOU ARE LOCATED.**
