204 SCHOOL BOARD MEETING MINUTES

I. PURPOSE

The purpose of this policy is to establish procedures relating to the maintenance of records of the school board and the publication of its official proceedings.

II. GENERAL STATEMENT OF POLICY

It is the policy of the school district to maintain its records so that they will be available for inspection by members of the general public and to provide for the publication of its official proceedings in compliance with law.

III. MAINTENANCE OF MINUTES AND RECORDS

A. The clerk or designee shall keep and maintain permanent records of the school board, including records of the minutes of school board meetings and other required records of the school board. All votes taken at meetings required to be open to the public pursuant to the Minnesota Open Meeting Law shall be recorded in a journal kept for that purpose. Public records maintained by the school district shall be available for inspection by members of the public during the regular business hours of the school district. Minutes of meetings shall be available for inspection at the administrative offices of the school district after they have been prepared. Minutes of a school board meeting shall be approved or modified by the school board at a subsequent meeting, which action shall be reflected in the official proceedings of that subsequent meeting.

B. Recordings of Closed Meetings

1. All closed meetings, except those closed as permitted by the attorney-client privilege, must be electronically recorded at the expense of the school district. Recordings of closed meetings shall be made separately from the recordings of an open meeting, to the extent such meetings are recorded. If a meeting is closed to discuss more than one (1) matter, each matter shall be separately recorded.
2. Recordings of closed meetings shall be preserved by the school district for the following time periods:
 - a. Meetings closed to discuss labor negotiations strategy shall be

- preserved for two (2) years after the contract is signed.
- b. Meetings closed to discuss security matters shall be preserved for at least four (4) years.
 - c. Meetings closed to discuss the purchase or sale of property shall be preserved for at least eight (8) years after the date of the meeting.
 - d. All other closed meetings shall be preserved by the school district for at least three (3) years after the date of the meeting.
 - e. Following the expiration of the above time periods, recordings of closed meetings shall be maintained as set forth in the school district's Records Retention Schedule.
3. Recordings of closed meetings shall be classified by the school district as protected non-public data that is not accessible by the public or any subject of the data, with the following exceptions:
- a. Recordings of labor negotiations strategy meetings shall be classified as public data and made available to the public after all labor contracts are signed by the school district for the current budget period.
 - b. Recordings of meetings related to the purchase or sale of property shall be classified as public data and made available to the public after all real or personal property discussed at the meeting has been purchased or sold or the school district has abandoned the purchase or sale.
 - c. Recordings of any other closed meetings shall be classified and/or released as required by court order.
4. Recordings of closed meetings shall be maintained separately from recordings of open meetings, to the extent recordings of open meetings are maintained by the school district, with the exception of recordings that have been classified as public data as set forth in Section III.B.3. above. Recordings of closed meetings classified as non-public data also shall be maintained in a secure location, separate from recordings classified as public data.
5. Recordings of closed meetings shall be maintained in a manner to easily identify the data classification of the recording. The recordings shall be identified with at least the following information:
- a. The date of the closed meeting;

- b. The basis upon which the meeting was closed (i.e.: labor negotiations strategy, purchase or sale of real property, educational data, etc.); and
 - c. The classification of the data.
6. Recordings of closed meetings related to labor negotiations strategy and the purchase or sale of property shall be maintained and monitored in a manner that reclassifies the recording as public upon the occurrence of an event reclassifying that data as set forth in Section III.B.3. above.

IV. PUBLICATION OF OFFICIAL PROCEEDINGS

- A. The school board shall cause its official proceedings to be published once in the official newspaper of the school district and added to the school district website within thirty (30) days of the meeting at which the proceedings occurred; however, if the school board conducts regular meetings not more than once every thirty (30) days, the school board need not publish the minutes until ten (10) days after they have been approved by the school board.
- B. The proceedings to be published shall be sufficiently full to fairly set forth the proceedings. They must include the substance of all official actions taken by the school board at any regular or special meeting, and at minimum must include the subject matter of a motion, the persons making and seconding the motion, a listing of how each member present voted on the motion, the character of resolutions offered including a brief description of their subject matter and whether adopted or defeated. The minutes and permanent records of the school board may include more detail than is required to be published with the official proceedings. If the proceedings have not yet been approved by the school board, the proceedings to be published may reflect that fact.
- C. The proceedings to be published may be a summary of the essential elements of the proceedings, and/or of resolutions and other official actions of the school board. Such a summary shall be written in a clear and coherent manner and shall, to the extent possible, avoid the use of technical or legal terms not generally familiar to the public. When a summary is published, the publication shall clearly indicate that the published material is only a summary and that the full text is available for public inspection at the administrative offices of the school district and that a copy of the proceedings, other than attachments to the minutes, is available without cost at the offices of the school district or by means of standard or electronic mail.

209 CODE OF ETHICS

I. PURPOSE

The purpose of this policy is to assist the individual school board member in understanding ~~his or her~~ **their** role as part of a school board and in recognizing the contribution that each member must make to develop an effective and responsible school board.

II. GENERAL STATEMENT OF POLICY

Each school board member shall follow the code of ethics stated in this policy.

A. AS A MEMBER OF THE SCHOOL BOARD, I WILL:

1. Attend school board meetings.
2. Come to the meetings prepared for discussion of the agenda items.
3. Listen to the opinions and views of others (including, but not limited to, other school board members, administration, staff, students, and community members).
4. Vote my conscience after informed discussion, unless I abstain because a conflict of interest exists.
5. Support the decision of the school board, even if my position concerning the issue was different.
6. Recognize the integrity of my predecessors and associates and appreciate their work.
7. Be primarily motivated by a desire to provide the best possible education for the students of my school district.
8. Inform myself about the proper duties and functions of a school board member.

B. IN PERFORMING THE PROPER FUNCTIONS OF A SCHOOL BOARD MEMBER, I WILL:

1. Focus on education policy as much as possible.
2. Remember my responsibility is to set policy – not to implement policy.
3. Consider myself a trustee of public education and do my best to protect, conserve, and advance its progress.
4. Recognize that my responsibility, exercised through the actions of the school board as a whole, is to see that the schools are properly run – not to run them myself.
5. Work through the superintendent – not over or around the superintendent.
6. Delegate the implementation of school board decisions to the superintendent.

C. TO MAINTAIN RELATIONS WITH OTHER MEMBERS OF THE SCHOOL BOARD, I WILL:

1. Respect the rights of others to have and express opinions.
2. Recognize that authority rests with the school board in legal session – not with the individual members of the school board except as authorized by law.
3. Make no disparaging remarks, in or out of school board meetings, about other members of the school board or their opinions.
4. Keep an open mind about how I will vote on any proposition until the board has met and fully discussed the issue.
5. Make decisions by voting in school board meetings after all sides of debatable questions have been presented.
6. Insist that committees be appointed to serve only in an advisory capacity to the school board.

D. IN MEETING MY RESPONSIBILITIES TO MY COMMUNITY, I WILL:

1. Attempt to appraise and plan for both the present and future educational needs of the school district and community.
2. Attempt to obtain adequate financial support for the school district's programs.
3. Insist that business transactions of the school district be ethical and open.

4. Strive to uphold my responsibilities and accountability to the taxpayers in my school district.

E. IN WORKING WITH THE SUPERINTENDENT OF SCHOOLS AND STAFF, I WILL:

1. Hold the superintendent responsible for the administration of the school district.
2. Give the superintendent authority commensurate with ~~his or her~~ **their** responsibilities.
3. Assure that the school district will be administered by the best professional personnel available.
4. Consider the recommendation of the superintendent in hiring all employees.
5. Participate in school board action after considering the recommendation of the superintendent and only after the superintendent has furnished adequate information supporting the recommendation.
6. Insist the superintendent keep the school board adequately informed at all times.
7. Offer the superintendent counsel and advice.
8. Recognize the status of the superintendent as the chief executive officer and a non-voting, ex officio member of the school board.
9. Refer all complaints to the proper administrative officer or insist that they be presented in writing to the whole school board for proper referral according to the chain of command.
10. Present any personal criticisms of employees to the superintendent.
11. Provide support for the superintendent and employees of the school district so they may perform their proper functions on a professional level.

F. IN FULFILLING MY LEGAL OBLIGATIONS AS A SCHOOL BOARD MEMBER, I WILL:

1. Comply with all federal, state, and local laws relating to my work as a school board member.
2. Comply with all school district policies as adopted by the school board.

3. Abide by all rules and regulations as promulgated by the Minnesota Department of Education and other state and federal agencies with jurisdiction over school districts.
4. Recognize that school district business may be legally transacted only in an open meeting of the school board.
5. Avoid conflicts of interest and refrain from using my school board position for personal gain.
6. Take no private action that will compromise the school board or administration.
7. Guard the confidentiality of information that is protected under applicable law.

205 OPEN MEETINGS AND CLOSED MEETINGS

I. PURPOSE

- A. The school board embraces ~~the philosophy of openness~~ **accountability and transparency** in the conduct of its business, in the belief that openness produces better programs, more ~~efficiency in~~ **efficient** administration of programs, and an organization more responsive to public interest and less susceptible to private interest. The school board shall conduct its business under a presumption of openness. At the same time, the school board recognizes and respects the privacy rights of individuals as provided by law. The school board also recognizes that there are certain exceptions to the Minnesota Open Meeting Law as recognized in statute where it has been determined that, in limited circumstances, the public interest is best served by closing a meeting of the school board.
- B. The purpose of this policy is to provide guidelines to assure the rights of the public to be present at school board meetings, while also protecting ~~the~~ **an** individual's rights to privacy under law, and to close meetings when the public interest so requires as recognized by law.

II. GENERAL STATEMENT OF POLICY

- A. Except as otherwise expressly provided by statute, all meetings of the school board, including executive sessions, shall be open to the public.
- B. Meetings shall be closed only when expressly authorized by law.

III. DEFINITION

“Meeting” means a gathering of at least a quorum ~~or more of~~ **school board** members ~~of the school board~~, or quorum of a committee or subcommittee of school board members, at which members discuss, decide, or receive information as a group on issues relating to the official business of the school board. The term does not include a chance or social gathering or the use of social media by members of a public body so long as the social media use is limited to exchanges with all members of the general public. For purposes of the Open Meeting Law, social media does not include e-mail.

IV. PROCEDURES

A. Meetings

1. Regular Meetings

A schedule of the regular meetings of the school board shall be kept on file at its ~~primary~~ **the school district** offices. If the school board decides to hold a regular meeting at a time or place different from the time or place stated in its **regular meeting** schedule, it shall give the same notice of the meeting as for a special meeting.

2. Special Meetings

a. For a special meeting, the school board shall post written notice of the date, time, place, and purpose of the meeting on the principal bulletin board of the school district or on the door of the school board's usual meeting room if there is no principal bulletin board. The school board's actions at the special meeting are limited to those topics included in the notice.

b. The notice shall also be mailed or otherwise delivered to each person who has filed a written request for notice of special meetings. **This notice shall be posted and mailed or delivered at least three days before the date of the meeting.**

c. ~~This notice shall be posted and mailed or delivered at least three days before the date of the meeting.~~ As an alternative to mailing or otherwise delivering notice to persons who have filed a written request, the school board may publish the notice once, at least three days before the meeting, in the official newspaper of the school district or, if none, in a qualified newspaper of general circulation within the area of the school district.

d. A person filing a request for notice of special meetings may limit the request to particular subjects, in which case the school board is required to send notice to that person only concerning those particular subjects.

e. The school board will establish an expiration date on requests for notice of special meetings and require refiling once each year. Not more than 60 days before the expiration date of request for notice, the school board shall send notice of the refiling requirement to each person who filed during the preceding year.

3. Emergency Meetings

a. An emergency meeting is a special meeting called because of

circumstances that, in the **school board's** judgment ~~of the school board~~, require immediate consideration.

- b. If matters not directly related to the emergency are discussed or acted upon, the minutes of the meeting shall include a specific description of those matters.
- c. The school board shall make good faith efforts to provide notice of the emergency meeting to each news medium that has filed a written request for notice if the request includes the news medium's telephone number.
- d. Notice of the emergency meeting shall be given by telephone or any other method used to notify the members of the school board.
- e. Notice shall be provided to each news medium which has filed a written request for notice as soon as reasonably practicable after notice has been given to the school board members.
- f. Notice shall include the subject of the meeting.
- g. Posted or published notice of an emergency meeting shall not be required.
- h. The notice requirements for an emergency meeting as set forth in this policy shall supersede any other statutory notice requirement for a special meeting that is an emergency meeting.

4. Recessed or Continued Meetings

If a meeting is a recessed or continued session of a previous meeting, and the time and place of the meeting was established during the previous meeting and recorded in the minutes of that meeting, then no further published or mailed notice is necessary.

5. Closed Meetings

The notice requirements of the Minnesota Open Meeting Law apply to closed meetings.

6. Actual Notice

If a person receives actual notice of a meeting of the school board at least **twenty-four (24)** hours before the meeting, all notice requirements are satisfied with respect to that person, regardless of the method of receipt of notice.

7. ~~Health Pandemic or Declared Emergency~~ **Meetings during Pandemic or Chapter 12 Emergency**

In the event of a health pandemic or an emergency declared under ~~Minn. Stat. Ch.~~ **Minnesota Statutes chapter** 12, a meeting may be conducted by telephone or ~~other electronic means~~ **interactive technology** in compliance with ~~Minn. Stat. §~~ **Minnesota Statutes section** 13D.021.

8. **Meetings by Interactive Techonlogy**

A meeting may be conducted by ineractive technology, Zoom, Skype, or other similar electronic means in compliance with Minnesota Statutes section 13D.02.

B. Votes

The votes of school board members shall be recorded in a journal **or minutes** kept for that purpose, ~~and t~~. The journal **or any minutes used to record votes of a meeting must be open** ~~shall be available~~ to the public during all normal business hours at the administrative offices ~~of the school district~~.

C. Written Materials

1. In any open meeting, a copy of any printed materials, including electronic communications, relating to the agenda items **of the meeting** prepared or distributed by **or at the direction of** the school board or its employees and distributed to or available to all school board members shall be available in the meeting room for inspection by the public while the school board considers their subject matter.
2. This provision does not apply to materials not classified by law as public, or to materials relating to the agenda items of a closed meeting.

D. ~~Data~~ **Open Meetings and Data**

1. Meetings may not be closed ~~merely because the~~ **to discuss** data ~~to be discussed~~ **that** are not public data, **except as provided under Minnesota law.**
2. Data that are not public data may be discussed at an open meeting if the disclosure relates to a matter within the scope of the school board's authority and is reasonably necessary to conduct the business or agenda item before the school board.
3. Data discussed at an open meeting retain the data's original classification;

however, a record of the meeting, regardless of form, shall be public.

E. Closed Meetings

1. Labor Negotiations Strategy

- a. The school board may, by a majority vote in a public meeting, decide to hold a closed meeting to consider strategy for labor negotiations, including negotiation strategies or developments or discussion and review of labor negotiation proposals, **conducted pursuant to Minnesota's Public Employment Labor Relations Act (PELRA)**.
- b. The time and place of the closed meeting shall be announced at the public meeting. A written roll of school board members and all other persons present at the closed meeting shall be made available to the public after the closed meeting. The proceedings **of a closed meeting to discuss negotiation strategies** shall be tape recorded, and the tape recording shall be preserved for two years after the contract discussed at the meeting is signed. The recording shall be made available to the public after all labor contracts are signed by the school board for the current budget period.

2. Sessions Closed by Bureau of Mediation Services

All negotiations, mediation sessions, **meetings**, and hearings between the school board and its employees or their respective representatives are public meetings. ~~These~~ **Mediation** meetings may be closed only by the Commissioner of the Bureau of Mediation Services (BMS). The use of recording devices, stenographic records, or other recording methods is prohibited in mediation meetings closed by the BMS.

3. Preliminary Consideration of **Allegations or** Charges

The school board shall close one or more meetings for preliminary consideration of allegations or charges against an individual subject to its authority. If the school board members conclude that discipline of any nature may be warranted as a result of those specific charges or allegations, further meetings or hearings relating to those specific charges or allegations held after that conclusion is reached must be open. A meeting must also be open at the request of the individual who is the subject of the meeting. A closed meeting **for this purpose** must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

4. Performance Evaluations

The school board may close a meeting to evaluate the performance of an individual who is subject to its authority. The school board shall identify the individual to be evaluated prior to closing a meeting. At its next open meeting, the school board shall summarize its conclusions regarding the evaluation. A meeting must be open at the request of the individual who is the subject of the meeting. A closed meeting **for this purpose** must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

5. Attorney-Client **Privilege** Meeting

A meeting may be closed if permitted by the attorney-client privilege. Attorney-client privilege applies when litigation is imminent or threatened, or when the school board needs advice above the level of general legal advice, *i.e.*, **for example**, regarding specific acts and their legal consequences. A meeting may be closed to seek legal advice concerning litigation strategy, but the mere threat that litigation might be a consequence of deciding a matter one way or another does not, by itself, justify closing the meeting. The motion to close the meeting must specifically describe the matter to be discussed at the closed meeting, subject to relevant privacy and confidentiality considerations under state and federal law. The law does not require that such a meeting be recorded.

6. Dismissal Hearing

- a. A hearing on ~~the~~ dismissal of a licensed teacher shall be public or private at the teacher's discretion. A hearing regarding placement of teachers on unrequested leave of absence shall be public.
- b. A hearing on dismissal of a student pursuant to the Pupil Fair Dismissal Act shall be closed unless the pupil, parent or guardian requests an open hearing.
- c. To the extent a teacher or student dismissal hearing is held before the school board and is closed, the closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

7. Meetings to Discuss Certain Not Public Data

- a. Any portion of a meeting must be closed if the following types of

data are discussed:

- (1)~~a.~~ data that would identify alleged victims or reporters of criminal sexual conduct, domestic abuse, or maltreatment of minors or vulnerable adults;
 - (2)~~b.~~ active investigative data collected or created by a law enforcement agency;
 - (3)~~c.~~ educational data, health data, medical data, welfare data, or mental health data that are not public data; or
 - (4)~~d.~~ an individual's personal medical records.
- b.~~e.~~ A closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

8. Purchase and Sale of Property

- a. The school board may close a meeting:
 - (1) to determine the asking price for real or personal property to be sold by the school district;
 - (2) to review confidential or nonpublic appraisal data; and
 - (3) to develop or consider offers or counteroffers for the purchase or sale of real or personal property.
- b. Before closing the meeting, the school board must identify on the record the particular real or personal property that is the subject of the closed meeting.
- c. The closed meeting must be tape recorded at the expense of the school district. The tape must be preserved for eight years after the date of the meeting and be made available to the public after all real or personal property discussed at the meeting has been purchased or sold or the school board has abandoned the purchase or sale. The real or personal property that is the subject of the closed meeting must be specifically identified on the tape. A list of school board members and all other persons present at the closed meeting must be made available to the public after the closed meeting.

- d. An agreement reached that is based on an offer considered at a closed meeting is contingent on its approval by the school board at an open meeting. The actual purchase or sale must be approved at an open meeting and the purchase price or sale price is public data.

9. Security Matters

- a. The school board may close a meeting to receive security briefings and reports, to discuss issues related to security systems, to discuss emergency response procedures, and to discuss security deficiencies in or recommendations regarding public services, infrastructure, and facilities, if disclosure of the information discussed would pose a danger to public safety or compromise security procedures or responses.
- b. Financial issues related to security matters must be discussed and all related financial decisions must be made at an open meeting.
- c. Before closing a meeting, the school board must refer to the facilities, systems, procedures, services, or infrastructures to be considered during the closed meeting.
- d. The closed meeting must be tape recorded at the expense of the school district and the recording must be preserved for at least four years.

10. Other Meetings

Other meetings shall be closed as provided by law, except as provided above. A closed meeting must be electronically recorded at the expense of the school district, and the recording must be preserved for at least three years after the date of the meeting. The recording is not available to the public.

F. Procedures for Closing a Meeting

The school board shall provide notice of a closed meeting just as for an open meeting. A school board meeting may be closed only after a majority vote at a public meeting. Before closing a meeting, the school board shall state on the record the specific authority permitting the meeting to be closed and shall describe the subject to be discussed.

706 ACCEPTANCE OF GIFTS

I. PURPOSE

The purpose of this policy is to provide guidelines for the acceptance of gifts by the school board.

II. GENERAL STATEMENT OF POLICY

Audit Provisions - Audit based on Payroll

The premium quoted is the minimum and deposit premium and is a fully earned premium. The policy is auditable at expiration and there may be charges for additional exposures; however the premium will never fall below the minimum and deposit premium shown above.

Premiums are calculated based on the insurance company's rules and rates. Premiums shown as advance or deposit premiums are subject to audit and adjustment at the close of each audit period. If the advance premium is less than the earned premium as determined by the audit, the insured pays the difference. If the advance premium is more than the earned premium as determined by the audit, the insurance company returns the difference to the insured. The insured must keep records of the information needed for the audit and the premium calculations and send copies to the insurance company when it requests them.

Excluded coverage or other coverages sought may be available: please discuss with USI

Other exclusions and policy limitations may apply. Please refer to the actual policies for specific terms, conditions, limitations, exclusions and sublimits that will govern in the event of a loss.

Agency Bill Payment Options

We sincerely appreciate the opportunity to service your insurance needs. We believe good credit relationships are established by making our clients aware in advance of the terms of our payment procedures.

OUR BASIC PAYMENT PLAN IS THAT ALL PAYMENTS ARE DUE ON OR BEFORE THE EFFECTIVE DATE OF COVERAGE. THERE ARE THREE METHODS OF PAYMENT AVAILABLE:

-CASH ON EFFECTIVE DATE
-PREMIUM FINANCING BY A PREMIUM FINANCE COMPANY
-INSURANCE COMPANY PAYMENT PLAN, IF AVAILABLE

Please note that USI Insurance Services LLC and its subsidiaries and affiliates do not provide customer financing.

In some instances, you will receive invoices covering additions or changes to your coverage, endorsements. These invoices are payable upon receipt. You will receive a monthly statement of your account as a reminder as we realize that it is occasionally possible to miss a payment through oversight. Accounts with payments past due are subject to cancellation for non-payment. This is a serious situation as your insurer may refuse to reinstate coverage even if payment is made later. Accounts are subject, but not limited to, reasonable attorney fees, interest, collection fees and/or court costs incurred in connection with collection of past due balances.

PAYMENTS: Please remember to return the remittance copy of the invoice with your payment in the provided envelope. Otherwise, all payments will be applied to your oldest balance or left as unapplied if we cannot identify the applicable invoice being paid.

CREDITS: Credit invoices may be applied against other invoices due us. Please indicate in your remittance or contact us as to where to apply credit invoices on your account.

These payment procedures will apply for any and all policy renewals or future business written.

If you have any questions concerning our payment procedures or any other matters pertaining to account payments, please contact your insurance representative.

USI Disclosures

Direct Bill DISCLOSURE: The Insurance Company operates independently for the financing of your insurance premium. Your agreement to finance this premium is directly with the insurance company and not USI Insurance Services.

If payment is not received by the due date, the insurance company could cancel your insurance policy(s) for non-payment of premium. The insurance company has the right to honor the cancellation date and **NOT** offer reinstatement or rewrite the insurance coverage.

We are not in a position to make monthly reminders or verify that your payment was received. Please take the necessary action to avoid possible cancellation of your insurance policy(s) which you are paying directly to the insurance company.

Information Concerning Our Fees: As a licensed insurance producer, USI is authorized to confer with or advise our clients and prospective clients concerning substantive benefits, terms or conditions of insurance contracts, to sell insurance and to obtain insurance coverages for our clients. You have agreed to pay compensation to USI, for the placement of insurance, pursuant to a written agreement. We may also receive from insurers and insurance intermediaries (which may include USI affiliated companies) additional compensation (monetary and non-monetary) based in whole or in part on the insurance contract we sell, which is contingent on volume of business and/or profitability of insurance contracts we supply to them and/or other factors pursuant to agreements we may have with them relating to all or part of the business we place with those insurers or through those intermediaries. Some of these agreements with insurers and/or intermediaries include financial incentives for USI to grow its business or otherwise strengthen the distribution relationship with the insurer or intermediary. Such agreements may be in effect with one or more of the insurers with whom your insurance is placed, or with the insurance intermediary we use to place your insurance. You may obtain information about the nature and source of such compensation expected to be received by us, and, if applicable, compensation expected to be received on any alternative quotes pertinent to your placement upon your request.

Document Delivery DISCLOSURE: USI strives to make your interactions with us easy and efficient. Therefore, we intend to deliver your policy and all policy-related documents electronically through our InsurLink client portal or through email. If you do not wish to receive these documents electronically or if you would like a paper copy of any or all documents at no cost to you, please notify your client service representative in writing. If your email or electronic contact information changes, please notify your client service representative in writing.

Reviewing Client Contracts DISCLOSURE: As a service to our clients, upon their request, USI will review those portions of your contract regarding the insurance and indemnity requirements as they relate to your insurance program and provide comments and/or recommendations based upon such review. This service should not be taken as legal advice and it does not replace the need for review by the insured's own legal counsel.

Insurance Carrier Ratings

As a service to our clients, USI is furnishing an assessment by a financial rating service of the insurance companies included in our proposal. We are including the legends used by this service.

All ratings are subject to periodic review, therefore, it is important to obtain updated ratings from each service. Should you desire further information concerning the financial statements of any of the insurance companies being proposed, so that you can make your own assessment of the financial strength of the companies being offered, it is available from USI at your request.

USI has made no attempt to determine independently the financial capacity of the insurance companies that we are including in our proposal as we believe the nationally recognized services are better equipped to comment.

THIS AGREEMENT ("Agreement") entered into this 12 day of MAY, 2025, by and between Independent School District #199 ("ISD 199"), and Intermediate School District #917 ("ISD 917").

WHEREAS, ISD 917 is an intermediate school district organized according to Minnesota Statutes, Chapter 136D, and its mission includes providing special education and related services to students; and

WHEREAS, ISD 917 provides an early childhood mental health program to eligible students of its member districts; and

WHEREAS, ISD 199 agrees to provide for purchase by ISD 917 an appropriately licensed early childhood special education teacher for the early childhood mental health program;

NOW THEREFORE IT IS AGREED:

1. EMPLOYMENT

Erin Lencowski, an early childhood special education teacher for ISD 199, has been hired to provide services to students receiving early childhood special education services in the mental health program provided by ISD 917 for the 2025-2026 school year.

Erin Lencowski will be a full-time teacher of ISD 199 entitled to all salary and benefits as described in the master agreement between ISD 199 and the Inver Grove Heights Education Association representing teachers and is subject to the policies, regulations, benefits, and laws applicable to School Board employees.

2. REIMBURSEMENT OF SALARY AND BENEFITS

The parties agree that, during the term of this Agreement, ISD 917 will reimburse ISD 199 the full cost of salary and benefits. ISD 917 agrees to remit payment in two equal installments payable mid-year and prior to June 15 based on billing from ISD 199.

Additional compensation for professional development paid hourly at the employee's hourly rate will be billed by ISD 199 to ISD 917 separately. In addition, mileage paid at the federal mileage rate incurred by the employee will be billed by ISD 199 to ISD 917 separately.

Costs for substitutes for the early childhood special education teacher will be incurred by and paid for by ISD 917 directly.

ISD 917 assumes liability for the acts and omissions of its employees, but does not assume any liability for the acts or omissions of the employees, agents and assigns of ISD 199. ISD 917 and ISD 199 agree that they will at all times during the term of the Agreement, have and keep in force a liability policy that names the other as an additional insured. Limits will include one million dollars (\$1,000,000.00) for each occurrence with two million dollars (\$2,000,000.00) aggregate. Each agrees to provide a Certificate of Insurance to the other upon request.

ISD 917 shall have no obligation to provide any ISD 199 employee with benefits or privileges of any kind or nature including, without limitation, insurance benefits, pension benefits, worker's compensation benefits or any other benefits ISD 917 provides to its employees. ISD 199 has exclusive control and the right to hire and discharge any of its employees rendering services under this Agreement. Education Identity and Access Management Board Resolution

The Minnesota Department of Education (MDE), Professional Educator Licensing Standards Board (PELSB), and Office of Higher Education (OHE) require annual designation of an Identified Official with Authority (IOWA) for each local educational agency that uses the Education Identity and Access Management (EDIAM) system. The IOWA is responsible for authorizing, reviewing, and recertifying user access for their local educational agency in accordance with the State of Minnesota Enterprise Identity and Access Management Standard, which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The IOWA will authorize user access to State of Minnesota Education secure systems in accordance with the user's assigned job duties, and will revoke that user's access when it is no longer needed to perform their job duties.

Your school board or equivalent governing board must designate an IOWA to authorize user access to State of Minnesota Education secure websites for your organization. This EDIAM board resolution must be completed and submitted to the Minnesota Department of Education annually, as well as any time there is a change in the assignment of the Identified Official with Authority.

It is strongly recommended that only one person at the local educational agency or organization (the superintendent or exec. director) is designated as the IOWA. The IOWA will grant the IOWA Proxy role(s).

Re: Administrative variance

The Board of School Administrators requires that the school board is provided notice when a variance is being sought for an administrative license. It is a requirement under the rules that were effective June 1, 2020 that anyone in an administrative role with evaluative responsibilities must be a licensed administrator.

To that end, we are seeking a variance for administrative licensure for Courtney Robinson. Courtney will be serving in the role of assistant principal/special education coordinator with Steph Betley as her supervisor for our TESA program. Courtney was one of two applicants we interviewed for the position of assistant principal/special education coordinator. Courtney was most qualified for the position for which she was hired based on her experience as an existing employee with Intermediate School District 917 and her personal experience working in the TESA program in Bloomington. Courtney is anticipated to be awarded her Principal license by the end of the year (December, 2025) and her Director of Special Education license in Spring of 2026.

BOSA is expected to review this application in June.

LANGUAGE ACCESS PLAN

I. Purpose

Intermediate School District 917's Language Access Plan is designed to ensure compliance with state and federal language access requirements and alignment with our district core values, particularly communication, equity, diversity, and empathy. The goal of this plan is to remove barriers and increase access for students and adults who communicate in a language other than English or require additional assistance due to a disability to meaningful information sharing and collaborative discussions with students and families about student progress and performance, program placements, services, individualized education program process, and decision-making. Per MN Statute 123B.32, this plan provides a roadmap that will help staff navigate the process of setting deadlines, priorities, and identifying responsible personnel for policy and procedures development; hire, contract, assess, and ensure quality control of language assistance services; provide notice of services; provide training of staff; and conduct ongoing monitoring and evaluation.

II. The Plan

A. Language Identification

- During enrollment, parents and guardians specify their preferred language and it is recorded within the student information system. This information can be updated by contacting the school. Schools use this information to identify language services.
- All families complete the Minnesota Language Survey (MNLS) during enrollment.

B. Use of Trained or Certified Spoken Language Interpreters for Communication to Ensure Meaningful Participation in the IEP Process for Families Who Communicate in a Language other than English or Require Additional Assistance Due to a Disability

- ISD 917 uses a variety of tools and strategies to meaningful information sharing and collaborative discussions with students and families about student progress and performance, program placements, services, individualized education program process, and decision-making, including:

- Professional Interpreters (i.e. remote and in-person) are available for communications related to conferences, special education meetings and communications, and phone conversations between staff and parents/guardians.
 - For in person meetings, staff members can request interpretation for a parent/guardian meeting by contacting your program administrative assistant and provide the date, time, location, and meeting purpose.
 - Written translation (Prior Written Notices)
 - ASL Interpretation at events
 - TransAct
 - Language Line
 - Translation of online enrollment is available in Infinite Campus. From the 'User Menu' (top right-hand corner of the screen), select 'Language' to change the language that will be displayed. The translations available include Somali and Spanish. This is only available on enrollment forms.
 - Translation of the district website is available by clicking "Language" at the top of the screen and choosing the family's preferred language.
- C. Notification of Family Rights and Communications
- The Language Access Plan will be included in all student and staff handbooks/culture guides and published on the district website. Families can request services by contacting the program administrative assistant at their child's school.
- D. Communications
- This document will be included in all student and staff handbooks/culture guides and published on the district website.
- E. Identification and Assessment of Language Assistance and Accommodation Needs
- During enrollment, parents and guardians specify their preferred language and any accommodations needed due to disabilities. These are recorded within the student information system and can be updated by contacting their child's school. Schools use this information to identify language and disability services.

- All families complete the Minnesota Language Survey (MNLS) during enrollment.
- F. Emergency Communication Protocols
- In the case of emergencies, such as severe weather, emails will be sent out to parents/guardians in English, Spanish, and Somali, via Infinite Campus.
- G. Artificial Intelligence (AI) Translation Services
- When the district uses AI to translate documents and flyers, these materials will provide a call back number so students and parents can contact someone at the school if they have questions.
- H. Implementation
- The Executive Director of Students Services and Director of Teaching and Learning will be responsible for overseeing, developing, and modifying the language access plan, and establishing and implementing operational procedures.
- I. Appeal Process
- If a family/guardian faces challenges with any of the above or have feedback/suggestions for improvement, they can contact the Executive Director of Student Services at melissa.schaller@isd917.org.
- J. School Board Governance
- The ISD 917 School Board will review this plan every two years and update as necessary.

III. Definitions

- A. American Sign Language (ASL) – A visually perceived language based on a naturally evolved system of articulated hand gestures and their placement relative to the body, along with non-manual markers such as facial expressions, head movements, shoulder raises, mouth morphemes, and movements of the body.
- B. Relay – Telephone accessibility services to people who are deaf, deafblind, hard of hearing, or speech disabled.
- C. Screen Reader – Software programs that allow blind or visually impaired users to read the text that is displayed on the computer screen with a speech synthesizer or braille display.
- D. Interpretation – The act of listening to a communication in one language (source language) and orally converting it to another language (target language). Interpreter must retain the same meaning

Executive Director of Student Services
Board Update
June 2025

Collaboration: Working together to achieve more collectively.

- Application to Present: A group of ISD 917 Board Certified Behavior Analysts (BCBAs) and Registered Behavior Technicians (RBTs) will be applying to present on ISD 917's innovative school-based RBT model at the MN School Behavioral Health Conference in November 2025. The team would like to share data and successes with the model, processes they've created, virtual trainings and tools that have been helpful, roadblocks that required creative solutions, and plans for the future.

Empathy: Considering and respecting the perspective and needs of member districts, students, families and staff.

- Intakes: From 5/1/2025 through 6/2/2025 (22 school days), ISD 917 offered intakes to 11 students, or 11% of the students on the combined setting IV programs waitlist. 11 students from four of the nine-member districts were offered intakes. (Randolph currently has zero students on the waitlist.) Districts 192(3), 197(1), 199(2), and 271(5) were offered multiple intakes.

Of the 10 intakes that have been offered from 5/1/2025 through 6/2/2025:

- 8 intakes offered between 5/30 and 6/2 have been scheduled
- 5 intakes offered between 5/30 and 6/2 have been completed
- 2 of the offered intakes are planned for June
- 2 intake offer was declined due to the parents' refusal
- 1 intake offer was swapped

Including intakes offered before 5/30/2025

- 11 Intakes total occurred between 5/30 and 6/2
- 15 total intakes are or were scheduled between 5/1/2025 and 6/9/2025 (several were scheduled before 5/1/25 or were rescheduled)
- There were 6 additional intakes planned from 3/31/2025-4/30/2025 that occurred in May
- 1 Completed intake resulted in a parent refusal, and the member district is in conciliation with the parent.

From 5/1/2025 to 6/2/2025, there were 23 new Setting IV/III referrals. 16 of these referrals have been placed on a waitlist. Of the 7 remaining referrals, we are awaiting additional referral information pertinent to the determination of program placement (i.e., Diagnostic Assessments review(1) and observation(1), and time to review the student's paperwork to determine placement(5))

Finally, **8** new students physically began attending programming in ISD 917 setting IV programs from 5/1/2025 to 6/2/2025, and **8** more students are expected to start at the start of the 25-26 school year. Additional intakes are still being scheduled for either July or August for the fall starts.

Innovation: Ongoing improvement of programs and services.

- Conscious Discipline Training: We are sending a group of four staff from D/HH and the TEA programs to the five-day intensive Conscious Discipline Institute in Woodbury, MN, June 22-27. Staff will do a deep dive into the adult-first mindsets that allow educators to self-regulate through stress and crisis,

create trust and consistency with students, and build strong relationships. These are the contexts in which students are comfortable taking academic, social, and emotional risks, which are key to academic learning and personal growth.

Stewardship: Managing financial and human resources carefully and responsibly.

- Hiring: We continue to pursue candidates to fill our open positions. At this time we have nine open teaching positions. TESA at DCTC, Cedar, CEC, and LEC each have one open position while AEC has five open positions. Principals are beginning interviews with international candidates in addition to other recruitment efforts. Additionally, we have an opening for a school psychologist. We are considering the balance between our tenured and non tenured staff at our sites in addition to balancing international teachers and individuals participating in our ITRAC program. We've developed a [simple spreadsheet](#) to visualize the support our administrators will need to provide to their direct teaching staff in the upcoming school year reflective of their experience in Intermediate School District 917.

We continue to work to develop strategies to recruit for open education support professional (ESP) positions. Our Human Resources department is considering staffing agencies we utilize in addition to directly hiring ESPs to ensure more targeted fulfillment efforts. We are utilizing a [tracking system](#) in the new school year to ensure we are completing onboarding requirements consistently and also develop a picture of the mobility of our ESPs. As an example of the mobility of our ESPs, Amy Swaney at Concord Education Center, onboarded 70 new ESPs this school year and 21 remain in their positions at this time. A great deal of time and effort has been spent ensuring that we have the appropriate staffing to provide educational opportunities for the students that we serve.

Communication: Multi-dimensional, transparent conversation focused on sharing information and creating a positive learning and working environment.

- District Update: If you did not have the opportunity to read the latest District Update, you can access it [here](#).

Integrity: Aligning our actions with our values and beliefs.

- Calendar Options Exploration: This school year a committee convened to explore calendar options. We studied options our district may consider focused on our core values, most specifically innovation, integrity, and stewardship. There are several specific reasons calendar options may be appropriate that align with our core values including:
 - More consistent services for students, especially those marginalized, including access to food.
 - Consistency in mental health services for students.

- To prevent regression and recoupment of skills through an extended summer break, especially for students receiving special education services.
- Promoting staff wellness by implementing a year-round school schedule that includes balanced and consistent breaks throughout the year.

There were two options for consideration as detailed below:

- 45-15 day calendar: This calendar spreads the school year over a longer period of time by having school for 45 days and then having a 15 day break.
- 4 days/week calendar: Unlike some districts undertaking this type of calendar, this calendar does not shorten the school week and extend the school day, but rather shortens the school week and extends the school year by having a four day week instead of a five day week with the length of the school day remaining the same.

Overall, there was not support for an alternative calendar. See the information below from our surveys.

Thank you to members of our committee: Kristin Baker, Erin Hale-Sanford, Jennifer Kerkhoff, Jen Klaustermeier, Kristin Kustrich, Marci Levy-Maguire, Sharri McGibbon, Cheryl Novine, and Amanda Peters.

Personalization: Building on the strengths and addressing the unique needs of individual students.

- Ukeru at CASE: This year, the CASE team at Alliance Education Center piloted Ukeru, a trauma-informed, restraint-free approach to crisis intervention. Their commitment, collaboration, and unwavering support for one another made the implementation a tremendous success, helping to create a safer and more supportive environment for both students and staff. The team celebrated their accomplishments with a lighthearted and meaningful end-of-year event, where Ukeru trainers Sara and Lauren presented personalized “Dundie Awards” to each staff member, recognizing the unique contributions that made this pilot so impactful. We are excited to build on this momentum as we expand Ukeru to the rest of the building next year. Bravo to the CASE team for leading the way!

Equity: Intentionally providing opportunities while removing barriers at all levels of the organization.

- ITRAC: We have 4 new apprentices and journey workers who will participate in Cohort 2 of the ITRAC program starting this fall! We are excited to participate in another cohort and prepare future teachers.

Diversity: Appreciating and valuing everyone’s unique selves.

- Leah Harris, Occupational Therapist: Leah Harris, Occupational Therapist, was nominated for and awarded the Fieldwork Educator/Capstone mentor award from St. Catherine University for her commitment and positive impact to graduate OT students' learning. Leah was recognized at the Occupational Therapy Department's 80th Anniversary event on June 6th, 2025.
