Board & Administrator

FOR SCHOOL BOARD MEMBERS

February 2020 Vol. 33, No. 10

Editor: Jeff Stratton

Avoid superintendent evaluation pitfalls

Here are some superintendent evaluation pitfalls to avoid:

- Placing undue focus on good or bad incidents. It's too easy to get hung up on a single issue and spend too much time on it.
- Basing the evaluation only on recent performance. Evaluations that reflect only the performance within a few weeks of the evaluation's due date are unfair to the superintendent. This will happen if the board isn't constantly reminded that the superintendent's evaluation is a year-long process and a professional responsibility.
- Allowing board members' personal agendas into the process. It's important for the board to be as objective as possible.
- Including issues outside of the superintendent's purview.
- "Springing" the evaluation on the superintendent. The superintendent should be given the opportunity to see his appraisal prior to it being made public.
- Using the evaluation as the single communication vehicle with the superintendent. The board needs to communicate with the superintendent about his performance throughout the year. ■

Case study: Choosing the graduation speaker

Here's a hot-button scenario with the potential to get constituents irate and generate board member confusion about their roles.

Seniors at a high school have always been allowed to choose a speaker for graduation ceremonies. This year, they voted to choose a popular former teacher to return as their speaker.

The problem is the former teacher left when his contract was terminated for "unprofessional conduct with a female student." It was never made clear why he left. But all board members, the superintendent, and principals are aware of what happened.

The high school principal told the students they must choose another speaker. But the students demanded the former teacher.

Before the upcoming board meeting, one board member brings up the topic and said he thinks the board should make the decision on the potentially explosive matter.

What would your board do?

Solution: Make sure the principal and superintendent handle the matter first. If the principal makes a decision you don't agree with, your board can always vote to instruct the superintendent to override it. ■

Recognition of Students (To begin with the graduating Class of 2021)

The purpose of this policy is to recognize academic achievement in such a way that it celebrates those who have reached academic distinction upon completion of their high school courses. Candidates for recognition must have completed classes at Boone Central High School for their entire senior year.

Boone Central School District will recognize the outstanding achievement of graduating seniors in the following manner:

Summa Cum Laude - A graduating senior with a weighted cumulative GPA greater than or equal to 99% will be recognized as a Summa Cum Laude student

Magna Cum Laude - A graduating senior with a weighted cumulative GPA greater than or equal to 97% but less than 99% will be recognized as a Magna Cum Laude student.

Cum Laude - A graduating senior with a weighted cumulative GPA greater than or equal to 95% but less than 97% will be recognized as a Cum Laude student.

(Graduating seniors will be recognized at the commencement ceremony in the program and with colored cords.)

Weighted Cumulative GPA – The average of all credits on the high school transcript using a 100-point scale with the following advanced courses weighted (final semester grade multiplied by 1.05).

- English 12, American History, Government/Modern Problems, Pre-Calculus, Calculus, Advanced Biology, Chemistry, Anatomy/Physiology, and Physics.

Students' grade point average (GPA) at Boone Central is a weighted GPA and is maintained for the duration of a student's high school career (9th through 12th grades.) Courses taken prior to 9th grade will be considered for GPA purposes only if they are equivalent to a high school course. For example, Algebra I taken as an 8th grader.

Speakers

Another purpose of the policy is the selection of the two graduation speakers. Any senior graduating Cum Laude or higher can submit a 3 to 5-minute speech to the high school principal. Speeches will be reviewed and ranked by a committee without knowledge of the speech's authors. Members of the speaker selection committee will be determined by the principal and/or senior class sponsor. The highest two ranked speeches will be selected for the authors to read at the commencement ceremony. The order of the two speeches will be determined by the principal and/or senior class sponsor.

The Master or Mistress of Ceremony will be the senior class President. In the event the class President is also a graduation speaker, the MC duties will be assigned to the Vice-President. If both of the above officers are also graduation speakers, the senior class Secretary will serve as MC.

Elementary Principal's Update

1. MAP WINTER BENCHMARK

- a. Grades K-5 completed our NWEA MAP Winter Benchmark in January. Our biggest emphasis for this benchmark was growth. We challenged our students to grow at least 10 points from Fall Benchmark to Winter Benchmark. The subjects we measured were ELA & Math. Grades K-5 had over 224 scores over the ten point growth. These students will be presented with a medal during an assembly on February 14th. We will also be looking at this data during PLC's this month. This data will help us place students correctly during our E & I (Enrichment & Intervention) time. The grade level breakdown is below.

Grade Level (# of Students in Class)	Math # of Students	Reading # of Students	Average Points Expected (Growth)
Kindergarten (30)	17	20	Reading: 10.3 Math: 11.4
First (47)	27	31	Reading: 10.8 Math: 11.4
Second (32)	19	21	Reading: 9.5 Math: 9.5
Third (32)	16	14	Reading: 7.3 Math: 7.8
Fourth (51)	15	15	Reading: 5.4 Math: 6.8
Fifth (35)	20	9	Reading: 4.2 Math: 5.8

2. Classroom Updates:

- a. 3rd grade had a Virtual Field Trip from Scott Aquarium at Omaha's Henry Doorly Zoo & Aquarium and the Mesozoic fossil gallery at the University of Nebraska Lincoln-Morrill Hall. Students were able to explore marine life, habitats and adaptations. Students were engaged and were able to travel without leaving the classroom to learn about sharks! With generous support from the Rogers Foundation, more than 95 classrooms were able to participate in today's presentation!

- b. The BCES Student Council challenged each classroom to a Penny War! Our students also teamed up with US92 in their Quest For A Million Pennies and donating to St. Jude Children's Research Hospital! US92 came to our Rockin' Rally on the 31st for the announcement of our winning classroom and to collect the funds. All classrooms who donated to the cause in area schools will be put in a drawing to win a pizza party from US92. The winning class was Ms. Jonston's preschool class. Over \$2300 was raised over the two weeks our classrooms participated. A job well done!

- c. Our classrooms celebrated the hundredth day of school during the month of January. The students brought a 100 items of their choice to help celebrate the special day. Students had a lot of fun!

3. Rockin' Rally:

- a. We had our 5th Rockin' Rally of the year on January 31st. We honored a Kind Cardinal from each grade. Students were also

honored for being Rockin' Readers. We finished our assembly with a group of students demonstrating good *teamwork*.

4. Upcoming Dates:

- PT Conferences: Wednesday, Feb. 12th (1:00-8:00 pm)
- Rockin' Rally: Friday, February 28th

a. Up next: K-12 Reading & Language Arts

i. Timeline:

1. Review & Recommend (Spring 2020)
2. Propose & Approve (Fall of 2020)
3. Order & Train (March 2021)
4. Implement (Fall of 2021)

2. Course Proposal Process

a. Approved Proposals from this school year- *a lot of these changes are a result of changes to our career academies. Dropping career readiness and replacing it with advanced courses within each academy that will include job shadowing, project based learning, & possibly certifications will better meet needs discussed during our PLC time.*

i. CTE

1. Intro to Const. Design is now Intro to STS

a. Name Change. Change to a semester

2. More STS will be coming...

3. Media Production

a. New Course to replace Career Readiness for the Technology Pathway.

4. Health III

a. Name change. Length change from semester to year (replaces career readiness as the advanced course for our Health Pathway)

ii. Ag & Animal Science

1. Biotechnology

a. New Course to replace Career Readiness for the Agronomy & Animal Science Pathway

iii. Business

1. Personal Finance

a. New Course. Graduation Requirement beginning with the class of 2024 (replaces a tech requirement, so students will be required to take one tech course not two).

b. Family & Consumer Science

i. Education Pathway- added to our FaCS offerings

1. Intro to Education & Training

A student who wishes to graduate from high school in less time than the ordinary eight (8) semester, grade 9-12 sequence, may request permission to complete graduation requirements on an alternate schedule.

The student and parents/guardians will consult with high school guidance personnel to develop a graduation plan. The student's intention to accomplish this shall be stated in writing to the principal. The student's parent or legal guardian must submit a letter in support of the student's request for early graduation, and such letter is to accompany the student's written request. The request letters to the principal are to be submitted no later than six months prior to the anticipated completion of the required high school program. (Upon receiving the request letter from a student for early graduation the School Board will evaluate/consider each case on an individual basis.)

A student who graduates early must complete all graduation requirements established by the board. The student who chooses early graduation will be allowed to participate in the spring graduation ceremonies. In all other school activities the early-out graduate will be treated as a graduated student.

It is recommended that when a student graduates early, the student either gets the diploma or a notice from the school district that the student has graduated. The board should determine in policy how an early graduate will be treated after the student graduates. The board should determine whether the early graduate will be allowed to participate in activities and, if so, which activities.

GRADUATION REQUIREMENTS FOR EXCEPTIONAL NEEDS STUDENTS

The Board of Education recognizes the need to provide alternative opportunities for students with unusual needs. These students may need programs beyond the scope of the usual high school offerings.

The Board authorizes the Superintendent to establish regulations to award appropriate credit for programs designed for these students.

These programs may include: evening high school, special education, approved correspondence or extension programs, summer school, work study programs, advanced placement courses, cooperative programs with area colleges for credit, vocational cooperative education programs, or other programs approved by the Superintendent of Schools.

The Board directs the Superintendent to develop administrative regulations which will insure that each student will pursue a complete and diversified educational program within the guidelines of this policy.

Recognition of Students (To begin with the graduating Class of 2021)

The purpose of this policy is to recognize academic achievement in such a way that it celebrates those who have reached academic distinction upon completion of their high school courses. Candidates for recognition must have completed classes at Boone Central High School for their entire senior year.

Boone Central School District will recognize the outstanding achievement of graduating seniors in the following manner:

Summa Cum Laude - A graduating senior with a weighted cumulative GPA greater than or equal to 99% will be recognized as a Summa Cum Laude student

Magna Cum Laude - A graduating senior with a weighted cumulative GPA greater than or equal to 97% but less than 99% will be recognized as a Magna Cum Laude student.

Cum Laude - A graduating senior with a weighted cumulative GPA greater than or equal to 95% but less than 97% will be recognized as a Cum Laude student.

(Graduating seniors will be recognized at the commencement ceremony in the program and with colored cords.)

Weighted Cumulative GPA – The average of all credits on the high school transcript using a 100-point scale with the following advanced courses weighted (final semester grade multiplied by 1.05).

- English 12, American History, Government/Modern Problems, Pre-Calculus, Calculus, Advanced Biology, Chemistry, Anatomy/Physiology, and Physics.

Students' grade point average (GPA) at Boone Central is a weighted GPA and is maintained for the duration of a student's high school career (9th through 12th grades.) Courses taken prior to 9th grade will be considered for GPA purposes only if they are equivalent to a high school course. For example, Algebra I taken as an 8th grader.

Speakers

Another purpose of the policy is the selection of the two graduation speakers. Any senior graduating Cum Laude or higher can submit a 3 to 5-minute speech to the high school principal. Speeches will be reviewed and ranked by a committee without knowledge of the speech's authors. Members of the speaker selection committee will be determined by the principal and/or senior class sponsor. The highest two ranked speeches will be selected for the authors to read at the commencement ceremony. The order of the two speeches will be determined by the principal and/or senior class sponsor.

The Master or Mistress of Ceremony will be the senior class President. In the event the class President is also a graduation speaker, the MC duties will be assigned to the Vice-President. If both of the above officers are also graduation speakers, the senior class Secretary will serve as MC.
