Kimberly Lane Elementary School is proud to recognize **Carol Talus**, Health Paraprofessional, as Wayzata's April Employee of the Month and has provided the following comments regarding Carol's wonderful work.

Great employees do exemplary work with no attention to themselves and Carol does that every day. Carol joined Kimberly Lane's staff several years ago as a paraprofessional working primarily with first graders. Everyone noted and admired her ability to connect with kids. The teaching team Carol worked with raved about her work.

Two years ago our health paraprofessional job opened and an easy decision was made to hire Carol. Her work tending to all the health needs of our students is amazing. Carol is perfect in her role blending tender loving care and sometimes tough love, with grace and dignity. Students, staff and parents respect her professionalism and all of us at Kimberly Lane are grateful to work with her each and every day.

Congratulations Carol!

1. **Approval of Central Middle School Site Plan**

It is a pleasure to have members of Central Middle School Site Council with us this evening to present their proposed 2010-2012 site plan. Steve Root, principal, attended the March 28 Board Work Session to preview the agreement, answer questions, and accept suggestions.

The proposed plan has been reviewed by the Superintendent, Executive Directors of Teaching and Learning, Finance & Business, Human Resources, and by the Wayzata Education Association leadership to ensure compliance with statutes, contracts, policies, and administrative regulations.

As the plan has been found to be in compliance, it is hereby recommended for School Board approval. We congratulate the Central Middle School Site Plan team for their fine work on this collaborative process.

Mr. Root will introduce members of the team and discuss highpoints of the Site Plan.
