**RESOLUTION AWARDING THE SALE, DETERMINING  
THE FORM AND DETAILS, AUTHORIZING  
THE EXECUTION, DELIVERY AND REGISTRATION, AND PROVIDING  
FOR THE PAYMENT OF \$109,645,000 GENERAL OBLIGATION  
SCHOOL BUILDING BONDS, SERIES 2014A**

BE IT RESOLVED by the School Board of Independent School District No. 284, State of Minnesota, as follows:

**Section 1. Authorization and Sale.**

**1.01 Authorization.** At a meeting held March 24, 2014, this Board determined to sell and issue general obligation bonds of Independent School District No. 284 (the "Issuer" or the "District") in the total aggregate principal amount of \$109,645,000 (the "Bonds"), which were authorized by the voters of the District at the special election held February 25, 2014, for the acquisition and betterment of school sites and facilities. In the Terms of Proposal, the District reserved the right, after proposals were opened and prior to award, to increase or decrease the principal amount of the individual maturity values of the Bonds offered for sale, with the increase or decrease to occur in multiples of \$5,000 in any of the maturities.

**1.02 Sale.** The Board, having been advised by Ehlers & Associates, Inc., its independent financial advisor, has determined that this issue shall be privately sold after receipt of written proposals, as authorized pursuant to Minnesota Statutes, Section 475.60, Subdivision 2, as amended. The Board has publicly received and considered all proposals presented in conformity with the Terms of Proposal contained in the Official Statement, which are hereby ratified and confirmed in all respects and are incorporated herein by reference as though fully specified in this paragraph. The most favorable of such proposals is \_\_\_\_\_ ascertained \_\_\_\_\_ to \_\_\_\_\_ be \_\_\_\_\_ that \_\_\_\_\_ of \_\_\_\_\_ (the "Purchaser") to purchase the Bonds at a price of \$\_\_\_\_\_, plus interest accrued to settlement, and upon the further terms and conditions set forth in the Terms of Proposal contained in the Official Statement and this resolution. Said proposal is hereby accepted and the sale of the Bonds is hereby awarded to said Purchaser.

**1.03 Execution of Documents; Return of Good Faith Deposits.** The Chair and Clerk are authorized and directed to endorse an acceptance on both copies of the most favorable proposal and to send one copy to the Purchaser. The Treasurer is directed to retain the good faith deposit of the Purchaser pending delivery of the Bonds and payment therefor, and the good faith deposits of other proposal makers shall forthwith be returned to them.

**1.04 Compliance with Law.** All acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to happen and to be performed precedent to the issuance of the Bonds having been done, having happened and having been performed in regular and due form, time and manner as required by law, it is necessary for this Board to establish the form and terms of the Bonds, to provide for the security thereof, and to provide for the issuance of the Bonds forthwith.

**1.05 Minnesota School District Credit Enhancement Program.** (a) The District hereby covenants and obligates itself to notify the Commissioner of Education of a potential default in the payment of principal and interest on the Bonds and to use the provisions of Minnesota Statutes, Section 126C.55 to guarantee payment of the principal and interest on the Bonds when due. The District further covenants to deposit with the Bond Registrar or any successor paying agent three (3) days prior to the date on which a payment is due an amount sufficient to make that payment or to notify the Commissioner of Education that it will be unable to make all or a portion of that payment. The Bond Registrar for the Bonds is authorized and directed to notify the Commissioner of Education if it becomes aware of a potential default in the payment of principal or interest on the Bonds or if, on the day two (2) business days prior to the date a payment is due on the Bonds, there are insufficient funds to make that payment on deposit with the Bond Registrar. The District understands that as a result of its covenant to be bound by the provisions of Minnesota Statutes, Section 126C.55, the provisions of that section shall be binding as long as any Bonds of this issue remain outstanding.

(b) The District further covenants to comply with all procedures now or hereafter established by the Departments of Management and Budget and Education of the State of Minnesota pursuant to Minnesota Statutes, Section 126C.55, subdivision 2(c) and otherwise to take such actions as necessary to comply with that section.

## **Section 2. Bond Terms.**

**2.01 Designation; Registration; Denomination; Maturities.** The \$109,645,000 aggregate principal amount of general obligation bonds sold on this date shall be designated General Obligation School Building Bonds, Series 2014A, shall be dated May 22, 2014, as the date of original issue, and shall be issued forthwith on or after such date using a global book-entry system. The Bonds shall be issued as fully registered bonds and shall be numbered R-1 upward, in the denomination of \$5,000 each or any integral multiple thereof of a single maturity. The Bonds shall mature on February 1 in the years and amounts set forth below, and shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, or, if no interest has been paid or provided for, from the date of original issue until paid or duly called for redemption at the rates per annum set forth below opposite such years and amounts, as follows:

<u>Year</u>	<u>Amount</u>	<u>Interest Rate</u>	<u>Year</u>	<u>Amount</u>	<u>Interest Rate</u>
-------------	---------------	--------------------------	-------------	---------------	--------------------------

In the Terms of Proposal, the District reserved the right, after proposals were opened and prior to award, to increase or decrease the principal amount of the individual maturity values of the Bonds offered for sale, with the increase or decrease to occur in multiples of \$5,000 in any of the maturities. The amounts specified above are hereby adopted and approved as so adjusted. The Bonds maturing in the years \_\_\_\_ and \_\_\_\_ are term bonds subject to mandatory redemption in the years and principal amounts as specified in paragraph 2.04(b).

These maturities, together with the maturities of all other outstanding general obligation bonds of the Issuer, meet the requirements of Minnesota Statutes, Section 475.54.

**2.02 Interest Payments.** Interest shall be payable semiannually on each February 1 and August 1 to maturity (each an "Interest Payment Date"), commencing February 1, 2015. Interest will be calculated on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the MSRB. Interest will be payable in the manner set forth in the form of Global Certificate or Replacement Bond and Paragraph 4.06 of this resolution.

**2.03 Use of Global Book-Entry System.**

**(a) Description of System.** In order to issue obligations in "global book-entry form", the obligations are issued in certificated form in large denominations, are registered on the books of the Issuer in the name of a depository or its nominee, and are immobilized and held in safekeeping by the depository. The depository, as part of the computerized National Securities Clearance and Settlement System (the "National System"), registers transfers of ownership interests in the obligations by making computerized book entries on its own books and distributing payments on the obligations to its participants shown on its books as the owners of such interests. These participants, which include financial institutions for whom the depository effects book-entry transfers of securities deposited and immobilized with the depository, and other banks, brokers and dealers participating in the National System will do likewise if not the beneficial owners of the obligations.

**(b) Designation of Depository; Approval of Blanket Issuer Letter of Representations.** The Depository Trust Company ("DTC") of New York, New York, a Securities and Exchange Commission designated depository, a limited purpose New York trust company, a member of the Federal Reserve System, and a "clearing corporation" within

the meaning of the New York Uniform Commercial Code, is hereby designated as the depository (the "Depository") with respect to the Bonds issued hereunder in global book-entry form. There has been submitted to this Board a form of letter of representations (the "Blanket Issuer Letter of Representations") between the Issuer and the Depository setting forth various matters relating to the Depository and its role with respect to the Bonds. This Blanket Issuer Letter of Representations is hereby approved. The Chair or the Clerk is hereby authorized and directed to execute the Blanket Issuer Letter of Representations in substantially the form attached hereto as EXHIBIT C, if such a letter of representations has not already been executed, with only such variations therein as may be required to complete the Blanket Issuer Letter of Representations, or which are not, in the opinion of Bond Counsel, materially adverse to the interests of the Issuer. Execution of the Blanket Issuer Letter of Representations by such official shall be conclusive evidence as to the necessity and propriety of such changes and their approval by Bond Counsel. So long as DTC is the Depository or it or its nominee is the Holder of any Global Certificate, the District shall comply with the provisions of the Blanket Issuer Letter of Representations, as it may be amended or supplemented by the District from time to time with the agreement or consent of DTC.

**(c) Global Certificates.** Upon their original issuance, the Bonds will be issued in the form of a single Global Certificate for each maturity which shall represent the aggregate principal amount of the Bonds due on a particular maturity date (the "Global Certificates"). The Global Certificates will be originally issued and fully registered as to principal and interest in the name of Cede & Co., as nominee of DTC. The Global Certificates will be deposited with the Depository by the Purchaser and will be immobilized as further provided herein. No beneficial owners of interest in the Bonds will receive certificates representing their respective interests in the Bonds except as provided below in clause (e) of this Paragraph 2.03. Except as so provided, during the term of the Bonds, beneficial ownership (and subsequent transfers of beneficial ownership) of interests in the Global Certificates will be reflected by book entries made on the records of the Depository and its participants and other banks, brokers, and dealers participating in the National System. The Depository's book entries of beneficial ownership interest are authorized to be in integral increments of \$5,000, despite the larger authorized denominations of the Global Certificates. Payment of principal of, premium, if any, and interest on the Global Certificates will be made to the Bond Registrar as paying agent, and in turn by the Bond Registrar to the Depository or its nominee as registered owner of the Global Certificates. The Depository, according to the laws and rules governing it, will receive and forward such payments on behalf of the beneficial owners of the Global Certificates.

**(d) Immobilization of Global Certificates by the Depository.** Pursuant to the request of the Purchaser to the Depository, immediately upon the original delivery of the Bonds the Purchaser will deposit the Global Certificates representing all of the Bonds with the Depository. The Global Certificates shall be in typewritten form or otherwise as acceptable to the Depository, shall be registered in the name of the Depository or its nominee and shall be held immobilized from circulation at the offices of the Depository on behalf of

the Purchaser and subsequent Bondholders. The Depository or its nominee will be the sole Holder of record of the Global Certificates and no investor or other party purchasing, selling or otherwise transferring ownership of interests in any Bond is to receive, hold or deliver any Global Certificates so long as the Depository holds the Global Certificates immobilized from circulation, except as provided below in clause (e) of this Paragraph 2.03.

**(e) Transfer or Exchange of Global Certificates; Substitute Depository; Replacement Bonds.**

Global Certificates evidencing the Bonds may not, after their original delivery, be transferred or exchanged except:

(i) Upon exchange of a Global Certificate after a partial redemption, if authorized in Paragraph 2.04 of this resolution;

(ii) To any successor of the Depository (or its nominee) or any substitute depository (a "Substitute Depository") designated pursuant to subclause (iii) of this clause (e); provided that any successor of the Depository or any Substitute Depository must be both a "clearing corporation" as defined in the Minnesota Uniform Commercial Code, Minnesota Statutes, Section 336.8-102, and a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended;

(iii) To a Substitute Depository designated by and acceptable to the Issuer upon (a) the determination by the Depository that the Bonds shall no longer be eligible for its depository services or (b) a determination by the Issuer that the Depository is no longer able to carry out its functions; provided that any Substitute Depository must be qualified to act as such, as provided in subclause (ii) of this clause (e); or

(iv) In the event that (a) the Depository shall resign or discontinue its services for the Bonds or be declared no longer able to carry out its functions and the Issuer is unable to locate a Substitute Depository within two (2) months following the resignation or discontinuance or determination of noneligibility, or (b) the Issuer determines in its sole discretion that (1) the continuation of the book-entry system described herein might adversely affect the interests of the beneficial owners of the Bonds, or (2) it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, then the Issuer shall notify the Holders of its determination and of the availability of Replacement Bonds to Holders. The Issuer, the Bond Registrar and the Depository shall cooperate in providing Replacement Bonds to Holders requesting the same and the registration, transfer and exchange of such Bonds shall thereafter be conducted as provided in Paragraph 4.04 of this resolution.

In the event of the designation of a Substitute Depository as authorized by this clause (e), the Bond Registrar, upon presentation of the Global Certificates, shall register their transfer to the Substitute Depository, and the Substitute Depository shall be treated as the

Depository for all purposes and functions under this resolution. The Blanket Issuer Letter of Representations shall not apply to the Substitute Depository unless the Issuer and the Substitute Depository so agree, and the execution of a similar agreement is hereby authorized.

**2.04 Redemption. (a) Optional Redemption.** The Issuer may elect on February 1, 2023, and on any date thereafter, to prepay Bonds due on or after February 1, 2024, at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the Issuer shall determine the order of redemption of Bonds; and if only part of the Bonds having a common maturity date are called for prepayment, the Global Certificates to be prepaid may be prepaid in \$5,000 increments of principal and, if applicable, the specific Replacement Bonds to be prepaid shall be chosen by lot by the Bond Registrar as provided below. Bonds or portions thereof called for redemption shall be due and payable on the designated redemption date, and interest thereon shall cease to accrue from and after the redemption date.

**(b) Mandatory Redemption.** (1) The Bonds maturing in the year \_\_\_\_\_ shall be subject to mandatory redemption at a redemption price equal to the principal amount of the Bonds to be so redeemed plus interest accrued thereon to the date fixed for redemption, on February 1 in the years and principal amounts set forth below:

<u>Year</u>	<u>Amount</u>
	\$

The procedures for such mandatory redemption shall be the same as specified in this Paragraph 2.04 for optional redemption.

In the event that any Bonds maturing in the year \_\_\_\_\_ are optionally redeemed pursuant to Paragraph 2.04(a) above and cancelled by the Bond Registrar and not reissued, the Bonds maturing in the year \_\_\_\_\_ so redeemed and cancelled may be applied by the Issuer as a credit against the Bonds to be mandatorily redeemed pursuant to this Paragraph 2.04(b), such credit to be equal to the principal amount of the Bonds maturing in the year \_\_\_\_\_ so optionally redeemed or cancelled. The Issuer may apply these Bonds so optionally redeemed and cancelled as a credit against the Bonds to be mandatorily redeemed pursuant to this Paragraph 2.04 only if it has notified the Bond Registrar not less than thirty-five (35) days prior to the applicable mandatory redemption date of its election to apply such Bonds as a credit and designating the redemption date to which it is to apply.

(2) The Bonds maturing in the year \_\_\_\_ shall be subject to mandatory redemption at a redemption price equal to the principal amount of the Bonds to be so redeemed plus interest accrued thereon to the date fixed for redemption, on February 1 in the years and principal amounts set forth below:

<u>Year</u>	<u>Amount</u>
	\$

The procedures for such mandatory redemption shall be the same as specified in this Paragraph 2.04 for optional redemption.

In the event that any Bonds maturing in the year \_\_\_\_ are optionally redeemed pursuant to Paragraph 2.04(a) above and cancelled by the Bond Registrar and not reissued, the Bonds maturing in the year \_\_\_\_ so redeemed and cancelled may be applied by the Issuer as a credit against the Bonds to be mandatorily redeemed pursuant to this Paragraph 2.04(b), such credit to be equal to the principal amount of the Bonds maturing in the year \_\_\_\_ so optionally redeemed or cancelled. The Issuer may apply these Bonds so optionally redeemed and cancelled as a credit against the Bonds to be mandatorily redeemed pursuant to this Paragraph 2.04 only if it has notified the Bond Registrar not less than thirty-five (35) days prior to the applicable mandatory redemption date of its election to apply such Bonds as a credit and designating the redemption date to which it is to apply.

**(c) Redemption of Global Certificates.** Upon a partial redemption in the aggregate principal amount of a Global Certificate which results in the stated amount thereof being reduced, the Holder may in its discretion make a notation of such redemption on the panel provided on the Global Certificate stating the amount so redeemed, or may return the Global Certificate to the Bond Registrar in exchange for a new Global Certificate authenticated by the Bond Registrar, in proper principal amount. Such notation of redemption, if made by the Holder, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of such Global Certificate outstanding, unless the Bond Registrar has signed the appropriate column of the panel.

**(d) Redemption of Replacement Bonds.** To effect a partial redemption of Replacement Bonds having a common maturity date, the Bond Registrar, prior to giving a notice of redemption, shall assign to each Replacement Bond having a common maturity date a distinctive number for each \$5,000 of the principal amount of such Replacement Bond. The Bond Registrar shall then select by lot from the numbers so assigned to such Replacement Bonds, using such method of selection as it shall deem proper in its discretion,

as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Replacement Bonds to be redeemed. The Replacement Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Replacement Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 of principal amount for each number assigned to it and so selected. If a Replacement Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or the Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and the Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of such Replacement Bond, without service charge, a new Replacement Bond or Bonds of the same series having the same stated maturity and interest rate and of any authorized denomination or denominations, as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Replacement Bond so surrendered.

**(e) Notice of Redemption of Global Certificates and Replacement Bonds.** The Bond Registrar shall call Bonds for redemption and payment as herein provided upon receipt by the Bond Registrar of a request of the Issuer. The request shall be in written form. The request shall specify the principal amount of Bonds to be called for redemption, the redemption date and the redemption price.

Published notice of redemption shall in each case be given in accordance with law, and mailed notice of redemption shall be given to the paying agent and to each affected Holder. If and when the Issuer shall call any of the Bonds for redemption and payment prior to the stated maturity thereof, the Bond Registrar shall give written notice in the name of the Issuer of its intention to redeem and pay such Bonds at the office of the Bond Registrar. The Notice of Redemption shall be given by first class mail, postage prepaid, mailed not less than thirty (30) days prior to the redemption date, to each Holder of Bonds to be redeemed, at the address appearing in the records of the Bond Registrar. For the purpose of giving notice of the redemption of Global Certificates, the Holder of the Global Certificates shall be the Depository or its nominee. In connection with any such notice, the "CUSIP" numbers assigned to the Bonds shall be used. All notices of redemption shall state:

- (i) The redemption date;
- (ii) The redemption price;
- (iii) If less than all outstanding Bonds are to be redeemed, the identification (and, if the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;

(iv) That on the redemption date, the redemption price will become due and payable upon each such Bond, and that interest thereon shall cease to accrue from and after said date; and

(v) The place where such Bonds are to be surrendered for payment of the redemption price (which shall be the office of the Bond Registrar).

### **Section 3. Form of Bonds.**

The Bonds to be issued hereunder shall be in the form of Global Certificates unless and until Replacement Bonds are made available as provided herein.

**3.01 Global Certificates.** The Global Certificates to be issued hereunder, together with the Bond Registrar's Certificate of Authentication, the Register of Partial Payments, the form of Assignment, and the registration information thereon, shall be in substantially the form set forth in EXHIBIT A hereto, which exhibit is incorporated herein by reference as though fully specified in this paragraph, and may be typewritten rather than printed.

**3.02 Replacement Bonds.** If the Issuer has notified Holders that Replacement Bonds have been made available as provided in Paragraph 2.03(e) of this resolution, then for every Bond thereafter transferred or exchanged (including an exchange to reflect the partial prepayment of a Global Certificate not previously exchanged for Replacement Bonds), the Bond Registrar shall deliver a bond in the form of a Replacement Bond rather than a Global Certificate, but the Holder of a Global Certificate shall not otherwise be required to exchange the Global Certificate for one or more Replacement Bonds since the Issuer recognizes that some Holders may prefer the convenience of the Depository's registered ownership of the Bonds even though the entire issue is no longer required to be in global book-entry form. The Replacement Bonds, together with the Bond Registrar's Certificate of Authentication, the form of Assignment and the registration information thereto, shall be in substantially the form set forth in EXHIBIT B hereto, which exhibit is incorporated herein by reference as though fully specified in this paragraph.

### **Section 4. Execution; Delivery; Registration.**

**4.01 Appointment of Registrar.** Bond Trust Services Corporation in Roseville, Minnesota, is appointed to act as the bond registrar and transfer agent (the "Bond Registrar") and shall do so until a successor Bond Registrar is duly appointed, all pursuant to a contract the Issuer and the Bond Registrar shall execute which is consistent herewith and which the chair and clerk are hereby authorized to execute and deliver. A successor Bond Registrar shall be a bank or trust company eligible for designation as bond registrar pursuant to Minnesota Statutes, Chapter 475. The terms of the appointment of the successor Bond Registrar and its duties shall be specified in a contract between the Issuer and such successor Bond Registrar that is consistent herewith and that the Chair and Clerk are hereby authorized to execute and deliver. The Bond Registrar, which may act through an agent, shall also serve

as paying agent until and unless a successor paying agent is duly appointed. The Bond Registrar shall pay principal and interest on the Bonds to the registered Holders (or record Holder) of the Bonds in the manner set forth in the form of Global Certificate or Replacement Bond, as applicable, and Paragraph 4.06 of this resolution. The Issuer agrees to pay the reasonable and customary charges for the services of such Bond Registrar.

**4.02 Execution of Bonds.** The Bonds shall be executed on behalf of the Issuer by the manual signatures of the Chair and Clerk of the School Board; provided, however that both of such signatures may be printed facsimiles, in which event the Bonds shall also be executed manually by the authenticating agent as provided in Minnesota Statutes, Section 475.55. In the event of disability or resignation or other absence of either such officer, the Bonds may be signed by the manual or facsimile signature of that officer who may act on behalf of such absent or disabled officer. In case either such officer whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if that officer had remained in office until delivery. If the Issuer has adopted a corporate seal, it shall be omitted on the Bonds as permitted by law.

**4.03 Authentication; Date of Registration.** No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this resolution unless and until a Certificate of Authentication on such Bond, substantially in the form set forth in the form of Global Certificate or Replacement Bond, shall have been duly executed by the manual signature of an authorized representative of the Bond Registrar. Certificates of Authentication on different Bonds need not be signed by the same person. The Bond Registrar shall authenticate each Bond by execution of the Certificate of Authentication on the Bond and shall date each Bond in the space provided as of the date on which the Bond is registered. For purposes of delivering the original Bonds (Global Certificates) to the Purchaser, the Bond Registrar shall insert as the date of registration the date of original issue; and the executed Certificate of Authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution.

**4.04 Transfer or Exchange.** The Issuer will cause to be kept at the principal office of the Bond Registrar a bond register in which, subject to such reasonable regulations as the Bond Registrar may prescribe, the Bond Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged as herein provided.

A Global Certificate shall be registered in the name of the payee on the books of the Bond Registrar by presenting the Global Certificate for registration to the Bond Registrar, whose representative will endorse his or her name and note the date of registration opposite the name of the payee in the certificate of registration on the Global Certificate. Thereafter a Global Certificate may be transferred by delivery with an assignment duly executed by the Holder or the Holder's legal representative, and the Issuer and Bond Registrar may treat the Holder as the person exclusively entitled to exercise all the rights and powers of an owner

until a Global Certificate is presented with such assignment for registration of transfer, accompanied by assurance of the nature provided by law that the assignment is genuine and effective, and until such transfer is registered on said books and noted thereon by the Bond Registrar, all subject to the terms and conditions provided in this resolution and to reasonable regulations of the Issuer contained in any agreement with, or notice to, the Bond Registrar.

Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, the Issuer shall execute (if necessary), and the Bond Registrar shall authenticate, date (in the space designated Date of Registration) and deliver, in the name of the designated transferee or transferees, one or more new Bonds of any authorized denomination or denominations of a like aggregate principal amount, having the same stated maturity and interest rate, as requested by the transferor; provided, however, that no Bond may be registered in blank or in the name of "bearer" or similar designation.

When any Bond is presented to the Bond Registrar for transfer, the Bond Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Bond Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

At the option of the Holder of a Replacement Bond, Replacement Bonds may be exchanged for Replacement Bonds of any authorized denomination or denominations of a like aggregate principal amount and stated maturity, upon surrender of the Replacement Bonds to be exchanged at the principal office of the Bond Registrar. Whenever any Replacement Bonds are so surrendered for exchange, the Issuer shall execute (if necessary), and the Bond Registrar shall authenticate, date (in the space designated Date of Registration) and deliver the Replacement Bonds which the Holder making the exchange is entitled to receive. Global Certificates may not be exchanged for Global Certificates of smaller denominations.

All Bonds surrendered upon any exchange or transfer provided for in this resolution shall be promptly canceled by the Bond Registrar and thereafter disposed of as directed by the Issuer.

All Bonds delivered in exchange for or upon transfer of Bonds shall be valid general obligations of the Issuer evidencing the same debt, shall be entitled to the same benefits under this resolution as the Bonds surrendered for such exchange or transfer, and shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bonds.

Transfer of a Bond may be made on the Issuer's books by the registered owner in person or by the registered owner's attorney duly authorized in writing. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, in form satisfactory to the Bond Registrar, duly executed

by the registered owner thereof, with signature guaranteed, or by the registered owner's attorney duly authorized in writing, and shall include written instructions as to the details of the transfer of the Bond.

The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of any Bond and any legal or unusual costs regarding transfers and lost bonds.

Transfers shall also be subject to reasonable regulations of the Issuer contained in any agreement with, or notice to, the Bond Registrar, including regulations which permit the Bond Registrar to close its transfer books between record dates and payment dates.

**4.05 Mutilated, Lost, Stolen or Destroyed Bonds.** In case any Bond shall become mutilated or be lost, stolen or destroyed, the Bond Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond lost, stolen or destroyed, upon payment of the reasonable expenses and charges of the Bond Registrar in connection therewith; and, in the case of a Bond lost, stolen or destroyed, upon filing with the Registrar of evidence satisfactory to it that such Bond was lost, stolen or destroyed, and of the ownership thereof, and upon furnishing to the Bond Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the Issuer and the Bond Registrar shall be named as obligees. All Bonds so surrendered to the Bond Registrar shall be canceled by it and evidence of such cancellation shall be given to the District. If the mutilated, lost, stolen or destroyed Bond has already matured, it shall not be necessary to issue a new Bond prior to payment.

**4.06 Interest Payments; Record Dates.** Interest on any Global Certificate shall be paid as provided in the first paragraph thereof and interest on any Replacement Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered (the "Holder") on the registration books of the Issuer maintained by the Bond Registrar and in each case at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Holder thereof as of the Regular Record Date, and shall be payable to the person who is the Holder thereof at the close of business on a date fixed for the payment of such defaulted interest (the "Special Record Date"). The Special Record Date shall be fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest, and notice of the Special Record Date shall be given by the Bond Registrar to the Holders not less than ten (10) days prior thereto. The term "Holder" shall also include those lawfully entitled to take actions on behalf of the beneficial owners of the Bonds for purposes of any consent or approvals given by Holders.

If the date for payment of the principal of, premium, if any, or interest on this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the City of New York, New York, or the city where the principal office of the Bond Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date of payment.

**4.07 Persons Deemed Owners.** The Issuer and the Bond Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of principal of and premium, if any, and interest (subject to the payment provisions in Paragraph 4.06 above), on such Bond and for all other purposes whatsoever, whether or not such Bond shall be overdue, and neither the Issuer nor the Bond Registrar shall be affected by notice to the contrary.

For the purposes of all actions, consents and other matters affecting Holders of Bonds issued under this Resolution as from time to time supplemented, other than payments, redemptions, and purchases, the Issuer may (but shall not be obligated to) treat as the Holder of a Bond the beneficial owner of the Bond instead of the person in whose name the Bond is registered. For that purpose, the Issuer may ascertain the identity of the beneficial owner of the Bond by such means as the Bond Registrar in its sole discretion deems appropriate, including but not limited to a certificate from the Depository or other person in whose name the Bond is registered identifying such beneficial owner.

**4.08 Delivery.** The Bonds when so prepared and executed shall be delivered by the Treasurer of the Issuer to the Purchaser thereof upon receipt of the purchase price, and the Purchaser shall not be obliged to see to the proper application thereof.

## **Section 5. Debt Redemption Fund and Tax Levies.**

**5.01 Debt Redemption Fund.** The Bonds and the interest thereon shall be payable from the Debt Redemption Fund of the Issuer, which shall be maintained by the Treasurer separate and apart from all other funds of the Issuer so long as any Bonds issued hereunder may be outstanding and unpaid. Money in the Debt Redemption Fund shall be used for no purpose other than payment of principal and interest on obligations of the Issuer, including Bonds issued pursuant to this resolution. If any payment of principal or interest on the Bonds shall become due when there is not sufficient money in the Debt Redemption Fund to make such payment, the Treasurer shall pay the same from the General Fund of the Issuer, and the General Fund shall be reimbursed for such advances out of the proceeds of the taxes levied for the payment of such Bonds. The proceeds of all taxes levied pursuant to this resolution, any amount in excess of \$109,645,000 received from the Purchaser of the Bonds, and all moneys received for or appropriated to the payment of the Bonds and interest thereon shall be paid into the Debt Redemption Fund.

**5.02 Pledge of Full Faith and Credit; Tax Levies.** For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith and credit and taxing powers of the Issuer shall be and are hereby irrevocably pledged. In order to provide the moneys for the payment thereof required by Minnesota Statutes, Section 475.61, there is hereby levied upon all of the taxable property in the Issuer a direct annual ad valorem tax which shall be spread upon the tax rolls, as a part of other general taxes of the Issuer, for collection in the years and in the amounts as specified on the levy computation sheet attached hereto as EXHIBIT D and incorporated herein by reference as though fully specified in this paragraph. The tax levies provided in this paragraph are such that, if collected in full they, together with estimated collections of other revenues pledged for the payment of the Bonds, will produce at least five percent (5%) in excess of the amounts needed to meet when due the principal and interest payments on the Bonds.

Said tax levies shall be irrevocable as long as any of said Bonds are outstanding and unpaid, provided that the Issuer reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61.

**5.03 Investment Restrictions.** No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (2) in addition to the above in an amount not greater than the lesser of five percent (5%) of the proceeds of the Bonds or \$100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Construction Fund or Debt Redemption Fund (or any other District account which will be used to pay principal or interest to become due on the Bonds payable therefrom) in excess of amounts which under then applicable federal arbitrage restrictions may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in those funds shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

**5.04 Construction Fund.** The proceeds of the bonds not appropriated to the Debt Redemption Fund as provided in Paragraph 5.01 shall be credited to the Issuer's Construction Fund and be used to pay costs incurred in the acquisition and betterment of the school sites and facilities authorized by the electors.

## **Section 6. Exemption from Rebate Requirements.**

**6.01 Declaration of Exemption.** For purposes of compliance with the requirements of Section 148(f)(4)(C) of the Code, the Board hereby determines and declares that:

- (a) The Issuer is a governmental unit with general taxing powers;
- (b) The Bonds are not "private activity bonds" as defined in Section 141 of the Code;
- (c) Ninety-five percent of the net proceeds of the Bonds are to be used for the local government purposes of the Issuer; and
- (d) The Issuer will expend the Bond proceeds in such a manner and at such times as necessary to qualify for an exemption from the rebate requirements of the Code pursuant to Section 148(f)(4)(C) of the Code, as amended.
- (e) The Issuer reserves the right to treat the acquisition expenditures and the construction expenditures or portions thereof as separate issues for purposes of Section 148(f)(4)(C) of the Code. If it does so, it shall specify the expenditure limitations for each issue in greater detail in the arbitrage certification executed by the Chair and Clerk.

In order to account for the expenditure of the proceeds of the Bonds, all proceeds credited to the Construction Fund shall be maintained in one or more separate Construction Fund bookkeeping accounts in the financial records of the Issuer. All proceeds of the Bonds shall be expended from said accounts prior to any other moneys of the Issuer on hand and legally available for said expenditures. The books and accounts of the Issuer shall be maintained in such a manner as to demonstrate compliance with the expenditure requirements of Section 148(f)(4)(C) of the Code, as amended.

**6.02 Payment of Rebate.** Notwithstanding the intention of the Issuer to expend the Bond proceeds to meet the expenditure requirements of Section 148(f)(4)(C) of the Code, as amended, if the Issuer fails to meet the expenditure requirements specified in that amended provision, the Issuer agrees to make such calculations and to make such rebate payments to the United States as and when required by said Section 148 and the regulations promulgated thereunder. In construing this Section 6, all terms used herein shall have the meanings provided in Section 148 of the Code and the regulations promulgated thereunder.

**6.03 Opinion of Counsel.** Notwithstanding any other provision of this Section 6, any requirement imposed hereunder or under Paragraph 5.03 hereof may be deemed inapplicable and of no force or effect if an opinion of Counsel is rendered to the Issuer by nationally recognized bond counsel to the effect that the failure to impose such requirement will not adversely effect the tax-exempt status of interest on the Bonds.

## **Section 7. Certifications, Designations, Defeasance, Arbitrage, Reporting.**

**7.01 Filing of Resolution; County Auditor Certificate.** The Clerk is hereby authorized and directed to file with the County Auditor of each county in which the Issuer is located in whole or in part a certified copy of this resolution, together with such other information as said County Auditor shall require, and to obtain from said County Auditor a certificate that the tax required by law for the payment of said Bonds has been levied, and that said Bonds have been entered upon the County Auditor's Bond Register.

**7.02 Defeasance.** When all of the Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution shall cease. The Issuer may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The Issuer may also discharge all Bonds of said issue at any time by irrevocably depositing in escrow with the Bond Registrar, for the purpose of paying all principal and interest due on such Bonds to maturity, or if prepayable, to an earlier date on which they may be called for redemption, a sum of cash or securities of the types described in Minnesota Statutes, Section 475.67, as amended, in such aggregate amount, bearing interest at such rates and maturing or callable at the Issuer's option on such dates as shall be required to provide funds sufficient for this purpose.

**7.03 Nondesignation as Qualified Tax-Exempt Obligations.** The Board finds that the reasonably anticipated amount of qualified tax-exempt obligations (other than private activity bonds) which will be issued by the Issuer during calendar year 2014 will exceed \$10,000,000. Thus, the Bonds of this issue are not designated as "Qualified Tax-Exempt Obligations" for the purposes of Section 265 of the Code relating to the deduction of interest expenses allocable to the Bonds by financial institutions.

**7.04 Authentication of Transcript.** The officers of the Issuer and each said County Auditor are hereby authorized and requested to prepare and furnish to the Purchaser of said Bonds, and to the attorneys approving legality of the issuance thereof, certified copies of all proceedings and records of the Issuer relating to said Bonds and to the financial condition and affairs of the Issuer, and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of said Bonds as they appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the Issuer as to the facts recited therein.

**7.05 Covenant to Continue Tax Exemption.** The Issuer covenants and agrees with the Holders from time to time of the Bonds herein authorized, that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest payable on the Bonds to become subject to taxation under the United States Internal Revenue Code, the regulations promulgated thereunder, or any other applicable

federal tax law or regulation; and that it will take, or it will cause its officers, employees or agents to take, all affirmative actions within its powers which may be necessary to ensure that such interest will not become subject to taxation under the Internal Revenue Code. The term "Internal Revenue Code" or "Code" as used herein includes the Internal Revenue Code of 1986, as amended, and all regulations, amended regulations and proposed regulations issued thereunder, as now existing or as hereafter amended or proposed.

**7.06 Arbitrage Certification.** The Chair and School District Clerk, being the officers of the Issuer charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser an arbitrage certification in order to satisfy the provisions of the Code and the regulations promulgated thereunder.

**7.07 Official Statement.** The Official Statement relating to the Bonds, on file with the Clerk and presented to this meeting, is hereby approved and deemed final, and the furnishing thereof to prospective purchasers of the Bonds is hereby ratified and confirmed, insofar as the same relates to the Bonds and the sale thereof.

**7.08 Information Reporting.** For purposes of compliance with the provisions of Section 149(e) of the Code, the Issuer shall submit to the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, a statement concerning the Bond issue which meets the requirements of Section 149(e) (2).

**7.09. Payment of Issuance Expenses.** The District authorizes the Purchaser to forward the amount of Bond proceeds allocable to the payment of issuance expenses to KleinBank, Chaska, Minnesota, on the closing date for further distribution as directed by the District's financial advisor, Ehlers & Associates, Inc.

**7.10 Temporary Period.** The board hereby determines and declares that a period longer than the three year temporary period authorized by Treas. Reg. 1.148-2(e)(2)(i) is necessary to complete the capital projects funded by the Bonds. The School District has received a letter from the project architect certifying to this fact. Therefore, pursuant to Treas. Reg. 1.148-2(e)(2)(ii), the board declares that a five year temporary period is necessary and shall be applicable to the expenditure of Bond proceeds from this issue.

**7.11 Continuing Disclosure.** The Chair and the School District Clerk are authorized and directed to execute and deliver a Continuing Disclosure Certificate to assist the Participating Underwriters in complying with SEC Rule 15c2-12(b)(5) for full disclosure (The "Rule"). The Continuing Disclosure Certificate shall be entered into for the benefit of the Holders of the Bonds and shall constitute the written undertaking required by the Rule to provide or cause to be provided to the MSRB, in an electronic format through the use of the Electronic Municipal Market Access system ("EMMA"), the annual financial information specified therein and to give notice of the occurrence of the Listed Events specified therein,

each in the manner specified therein, as required by the Rule. The provisions of the Continuing Disclosure Certificate are incorporated herein as though fully specified in this paragraph.

**7.11 Nonbook-Entry Option.** Notwithstanding any contrary provision of this resolution, if the option to allow the Bonds to be issued in a nonbook-entry format was included in the Terms of Proposal and if the Purchaser specified on the proposal form that the Bonds are not to be issued in global book-entry form, they shall then be issued in nonbook-entry format in registered form in the name of the Purchaser.

This Bond will bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, or, if no interest has been paid or provided for, from the date of original issue hereof. The principal of and premium, if any, on this Bond are payable by wire transfer (or other agreed means of payment) on each payment date no later than 12:00 noon (New York, New York time) upon presentation and surrender hereof at the principal office of Bond Trust Services Corporation in Roseville, Minnesota (the "Bond Registrar"), acting as paying agent, or any successor paying agent duly appointed by the Issuer; provided, however, that upon a partial redemption of this Bond which results in the stated amount hereof being reduced, the Holder may in its discretion be paid without presentation of this Bond, and may make a notation on the panel provided herein of such redemption, stating the amount so

redeemed, or may return the Bond to the Bond Registrar in exchange for a new Bond in the proper principal amount. Such notation of redemption, if made by the Holder, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of this Bond outstanding, unless the Bond Registrar has signed the appropriate column of the panel. Interest on this Bond will be paid on each Interest Payment Date (by 12:00 noon, New York, New York time) by wire transfer (or other agreed means of payment) to the person in whose name this Bond is registered (the "Holder" or "Bondholder") on the registration books of the Issuer maintained by the Bond Registrar and at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any interest not so timely paid or duly provided for shall cease to be payable to the person who is the Holder hereof as of the Regular Record Date, and shall be payable to the person who is the Holder hereof at the close of business on a date fixed for the payment of such defaulted interest (the "Special Record Date"). The Special Record Date shall be fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest, and notice of the Special Record Date shall be given by the Bond Registrar to the Holders not less than ten (10) days prior thereto. The principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America.

**Date of Payment Not Business Day.** If the date for payment of the principal of, premium, if any, or interest on this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the City of New York, New York, or the city where the principal office of the Bond Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date of payment.

**Optional Redemption.** The Issuer may elect on February 1, 2023, and on any date thereafter, to prepay Bonds due on or after February 1, 2024, at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the Issuer shall determine the order of redemption of Bonds; and if only part of the Bonds having a common maturity date are called for prepayment, Bonds shall be prepaid in \$5,000 increments of principal. Bonds or portions thereof called for redemption shall be due and payable on the designated redemption date, and interest thereon shall cease to accrue from and after the redemption date.

**Mandatory Redemption.** The Bonds maturing in the year \_\_\_\_ shall be subject to mandatory redemption, pursuant to the procedures specified herein and at a redemption price equal to the principal amount of the Bonds so redeemed plus interest accrued on the principal amount to be redeemed to the date fixed for mandatory redemption, on February 1 in the years and in the principal amounts set forth below (subject to certain credits as provided in the Resolution):

**Notice of Redemption.** Published notice of redemption shall in each case be given in accordance with law, and mailed notice of redemption shall be given to the paying agent and to each affected Holder of the Bonds. For this purpose, the Depository shall be the "Holder" as to Bonds registered in the name of the Depository or its nominee. In the event any of the Bonds are called for redemption, written notice thereof will be given by first class mail, postage prepaid, mailed not less than thirty (30) days prior to the redemption date to each Holder of Bonds to be redeemed, at the address appearing in the records of the Bond Registrar. In connection with any such notice, the "CUSIP" numbers assigned to the Bonds shall be used.

**Replacement or Notation of Bonds after Partial Redemption.** Upon a partial redemption of this Bond which results in the stated amount hereof being reduced, the Holder may in its discretion make a notation on the panel provided herein of such redemption, stating the amount so redeemed. Such notation of redemption, if made by the Holder, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of this Bond outstanding, unless the Bond Registrar has signed the appropriate column of the panel. Otherwise, the Holder may surrender this Bond to the Bond Registrar (with, if the Issuer or the Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and the Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of this Bond, without service charge, a new Bond of the same Issue having the same stated maturity and interest rate and of the authorized denomination in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

**Issuance; Purpose.** This Bond is one of an issue in the total aggregate principal amount of \$109,645,000. The Bonds are all of like date of original issue and tenor, except as to number, denomination, maturity, redemption privilege and interest rate. All are issued to finance the acquisition and betterment of school sites and facilities, and all are issued pursuant to resolutions duly adopted by the School Board and authority conferred by more than the requisite majority vote of the qualified electors of the Issuer voting on the question of their issuance at an election duly and legally called and held therein on February 25, 2014, and pursuant to and in full conformity with the Constitution and laws of the State of Minnesota thereunto enabling.

**General Obligation.** This Bond constitutes a general obligation of the Issuer, and to provide moneys for the prompt and full payment of the principal and interest when the same become due, the full faith and credit and taxing powers of the Issuer have been and are hereby irrevocably pledged.

**Minnesota School District Credit Enhancement Program.** The Issuer has covenanted and obligated itself to be bound by the provisions of Minnesota Statutes, Section 126C.55 and to use the provisions of that statute to guarantee the payment of the principal and interest on the Bonds when due.

**Denominations; Exchange; Resolution.** The Bonds are issuable originally only as Global Certificates in the denomination of the entire principal amount of the issue maturing on a single date. Global Certificates are not exchangeable for fully registered Bonds of smaller denominations except in the event of a partial redemption as above provided or in exchange for Replacement Bonds if then available. Replacement Bonds, if made available as provided below, are issuable solely as fully registered Bonds in the denomination of \$5,000 and integral multiples thereof of a single maturity and are exchangeable for fully registered Bonds of other denominations in equal aggregate principal amounts and in authorized denominations at the principal office of the Bond Registrar, but only in the manner and subject to the limitations provided in the Resolution. Reference is hereby made to the Resolution for a description of the rights and duties of the Bond Registrar. Copies of the Resolution are on file in the principal office of the Bond Registrar.

**Replacement Bonds.** Replacement Bonds may be issued by the Issuer in the event that (a) The Depository Trust Company ("DTC") of New York, New York (the "Depository") shall resign or discontinue its services for the Bonds or be declared no longer able to carry out its functions and the Issuer is unable to locate a Substitute Depository within two (2) months following the resignation or discontinuance or determination of noneligibility, or (b) the Issuer determines in its sole discretion that (1) the continuation of the book-entry system described in the Resolution might adversely affect the interests of the beneficial owners of the Bonds, or (2) it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds. The Issuer shall notify the Holders of its determination and of the availability of Replacement Bonds to Holders.

**Transfer.** This Bond shall be registered in the name of the payee on the books of the Issuer by presenting this Bond for registration to the Bond Registrar, whose representative will endorse his or her name and note the date of registration opposite the name of the payee in the certificate of registration attached hereto. Thereafter this Bond may be transferred by delivery with an assignment duly executed by the Holder or the Holder's legal representative, and the Issuer and Bond Registrar may treat the Holder as the person exclusively entitled to exercise all the rights and powers of an owner until this Bond is presented with such assignment for registration of transfer, accompanied by assurance of the nature provided by law that the assignment is genuine and effective, and until such transfer is registered on said books and noted hereon by the Bond Registrar, all subject to the terms and conditions provided in the Resolution and to reasonable regulations of the Issuer contained in any agreement with, or notice to, the Bond Registrar.

**Fees Upon Transfer or Loss.** The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of this Bond and any legal or unusual costs regarding transfers and lost Bonds.

**Treatment of Registered Owner.** The Issuer and Bond Registrar may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes whatsoever, whether or not this Bond shall be overdue, and neither the Issuer nor the Bond Registrar shall be affected by notice to the contrary.

## ON REVERSE OF BOND

**Issuance; Purpose.** This Bond is one of an issue in the total aggregate principal amount of \$109,645,000. The Bonds are all of like date of original issue and tenor, except as to number, denomination, maturity, redemption privilege and interest rate. All are issued to finance the acquisition and betterment of school sites and facilities, and all are issued pursuant to resolutions duly adopted by the School Board and authority conferred by more than the requisite majority vote of the qualified electors of the Issuer voting on the question of their issuance at an election duly and legally called and held therein on February 25, 2014, and pursuant to and in full conformity with the Constitution and laws of the State of Minnesota thereunto enabling.

**General Obligation.** This Bond constitutes a general obligation of the Issuer, and to provide moneys for the prompt and full payment of the principal and interest when the same become due, the full faith and credit and taxing powers of the Issuer have been and are hereby irrevocably pledged.

**Minnesota School District Credit Enhancement Program.** The Issuer has covenanted and obligated itself to be bound by the provisions of Minnesota Statutes, Section 126C.55 and to use the provisions of that statute to guarantee the payment of the principal and interest on the Bonds when due.

**Date of Payment Not Business Day.** If the date for payment of the principal of, premium, if any, or interest on this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the City of New York, New York, or the city where the principal office of the Bond Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date of payment.

**Optional Redemption.** The Issuer may elect on February 1, 2023, and on any date thereafter, to prepay Bonds due on or after February 1, 2024, at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the Issuer shall determine the order of redemption of Bonds; and if only part of the Bonds having a common maturity date are called for prepayment, Bonds shall be prepaid in \$5,000 increments of principal. Bonds or portions thereof called for redemption shall be due and payable on the designated redemption date, and interest thereon shall cease to accrue from and after the redemption date. Published notice of redemption shall, in each case, be given in accordance with law, and mailed notice of redemption shall be given to the paying agent and to each Registered Holder of the Bonds.

To effect a partial redemption of the Bonds having a common maturity date, the Bond Registrar, prior to giving a notice of redemption, shall assign to each Bond having a common maturity date a distinctive number for each \$5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot from the numbers so assigned to such Bonds, using such method of selection as it shall deem proper in its discretion, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed.

The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or the Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and the Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute and the Bond Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds of the same series having the same stated maturity and interest rate and of any authorized denomination or denominations, as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

**Mandatory Redemption.** The Bonds maturing in the year \_\_\_\_ shall be subject to mandatory redemption, pursuant to the procedures specified herein and at a redemption price equal to the principal amount of the Bonds so redeemed plus interest accrued on the principal amount to be redeemed to the date fixed for mandatory redemption, on February 1 in the years and in the principal amounts set forth below (subject to certain credits as provided in the Resolution):

<u>Year</u>	<u>Amount</u>
	\$

The Bonds maturing in the year \_\_\_\_ shall be subject to mandatory redemption, pursuant to the procedures specified herein and at a redemption price equal to the principal amount of the Bonds so redeemed plus interest accrued on the principal amount to be redeemed to the date fixed for mandatory redemption, on February 1 in the years and in the principal amounts set forth below (subject to certain credits as provided in the Resolution):

<u>Year</u>	<u>Amount</u>
	\$

**Not Qualified Tax-Exempt Obligations.** The Bonds of this issue have not been designated by the Issuer as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, relating to the deduction of interest expenses allocable to the Bonds by financial institutions.

**Denominations; Exchange; Resolution.** The Bonds are issuable solely as fully registered Bonds in the denomination of \$5,000 and integral multiples thereof of a single maturity and are exchangeable for fully registered bonds of other denominations in equal aggregate principal amounts and in authorized denominations at the principal office of the Bond Registrar, but only in the manner and subject to the limitations provided in the Resolution. Reference is hereby made to the Resolution for a description of the rights and duties of the Bond Registrar. Copies of the Resolution are on file in the principal office of the Bond Registrar.

**Transfer.** This Bond is transferable by the Holder in person or by the Holder's attorney duly authorized in writing at the principal office of the Bond Registrar upon presentation and surrender hereof to the Bond Registrar, all subject to the terms and conditions provided in the Resolution and to reasonable regulations of the Issuer contained in any agreement with the Bond Registrar. Thereupon the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver, in exchange for this Bond, one or more new fully registered bonds in the name of the transferee (but not registered in blank or to "bearer" or similar designation), of an authorized denomination, in aggregate principal amount equal to the principal amount of this Bond, of the same maturity, and bearing interest at the same rate.

**Fees Upon Transfer or Loss.** The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of this Bond and any legal or unusual costs regarding transfers and lost Bonds.

FOR THE PAYMENT OF \$27,160,000 GENERAL OBLIGATION  
ALTERNATIVE FACILITIES BONDS, SERIES 2014B**

BE IT RESOLVED by the School Board of Independent School District No. 284,

State of Minnesota, as follows:

**Section 1. Authorization and Sale.**

**1.01 Authorization.** At a meeting held March 10, 2014, this Board determined to sell and issue general obligation bonds of Independent School District No. 284 (the "Issuer" or the "District") in the total aggregate principal amount of \$27,160,000 (the "Bonds"). Said bonds shall be issued to fund the acquisition and betterment of projects included in the District's ten-year plan approved by the Commissioner of Education pursuant to Minnesota Statutes, Section 123B.59, subdivision 3. In the Terms of Proposal, the District reserved the right, after proposals were opened and prior to award, to increase or decrease the principal amount of the individual maturity values of the Bonds offered for sale, with the increase or decrease to occur in multiples of \$5,000 in any of the maturities. The Board has caused the Notice of Intent to Issue Bonds to Finance Certain Projects included in the District's approved ten-year plan to be published in the official newspaper of the District as required by Minnesota Statutes, Section 123B.59, subdivision 3, clause (b).

**1.02 Sale.** The Board, having been advised by Ehlers & Associates, Inc., its independent financial advisor, has determined that this issue shall be privately sold after receipt of written proposals, as authorized pursuant to Minnesota Statutes, Section 475.60, Subdivision 2, as amended. The Board has publicly received and considered all proposals presented in conformity with the Terms of Proposal contained in the Official Statement, which are hereby ratified and confirmed in all respects and are incorporated herein by reference as though fully specified in this paragraph. The most favorable of such proposals is ascertained to be that of \_\_\_\_\_ (the "Purchaser") to purchase the Bonds at a price of \$ \_\_\_\_\_, plus interest accrued to settlement, and upon the further terms and conditions set forth in the Terms of Proposal contained in the Official Statement and this resolution. Said proposal is hereby accepted and the sale of the Bonds is hereby awarded to said Purchaser.

**1.03 Execution of Documents; Return of Good Faith Deposits.** The Chair and Clerk are authorized and directed to endorse an acceptance on both copies of the most favorable proposal and to send one copy to the Purchaser. The Treasurer is directed to retain the good faith deposit of the Purchaser pending delivery of the Bonds and payment therefor, and the good faith deposits of other proposal makers shall forthwith be returned to them.

**1.04 Compliance with Law.** All acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to happen and to be performed precedent to the issuance of the Bonds having been done, having happened and having been performed in regular and due form, time and manner as required by law, it is necessary for this Board to establish the form and terms of the Bonds, to provide for the security thereof, and to provide for the issuance of the Bonds forthwith.

**1.05 Minnesota School District Credit Enhancement Program.** (a) The District hereby covenants and obligates itself to notify the Commissioner of Education of a potential default in the payment of principal and interest on the Bonds and to use the provisions of Minnesota Statutes, Section 126C.55 to guarantee payment of the principal and interest on the Bonds when due. The District further covenants to deposit with the Bond Registrar or any successor paying agent three (3) days prior to the date on which a payment is due an amount sufficient to make that payment or to notify the Commissioner of Education that it will be unable to make all or a portion of that payment. The Bond Registrar for the Bonds is authorized and directed to notify the Commissioner of Education if it becomes aware of a potential default in the payment of principal or interest on the Bonds or if, on the day two (2) business days prior to the date a payment is due on the Bonds, there are insufficient funds to make that payment on deposit with the Bond Registrar. The District understands that as a result of its covenant to be bound by the provisions of Minnesota Statutes, Section 126C.55, the provisions of that section shall be binding as long as any Bonds of this issue remain outstanding.

(b) The District further covenants to comply with all procedures now or hereafter established by the Departments of Management and Budget and Education of the State of Minnesota pursuant to Minnesota Statutes, Section 126C.55, subdivision 2(c) and otherwise to take such actions as necessary to comply with that section.

**1.06 Alternative Facility Bonding and Levy Program.** The District hereby covenants and obligates itself to comply with the provisions of Minnesota Statutes, Section 123B.59, and any continuing obligations specified therein, including the requirements relating to annually updating its ten-year plan, submitting its facility maintenance plan to the Commissioner biennially or as otherwise required, and accounting as required thereunder.

**Section 2. Bond Terms.**

**2.01 Designation; Registration; Denomination; Maturities.** The \$27,160,000 aggregate principal amount of general obligation bonds sold on this date shall be designated General Obligation Alternative Facilities Bonds, Series 2014B, shall be dated May 22, 2014, as the date of original issue, and shall be issued forthwith on or after such date using a global book-entry system. The Bonds shall be issued as fully registered bonds and shall be numbered R-1 upward, in the denomination of \$5,000 each or any integral multiple thereof of a single maturity. The Bonds shall mature on February 1 in the years and amounts set forth below, and shall bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, or, if no interest has been paid or provided for, from the date of original issue until paid or duly called for redemption at the rates per annum set forth below opposite such years and amounts, as follows:

<u>Year</u>	<u>Amount</u>	<u>Interest Rate</u>	<u>Year</u>	<u>Amount</u>	<u>Interest Rate</u>
-------------	---------------	----------------------	-------------	---------------	----------------------

In the Terms of Proposal, the District reserved the right, after proposals were opened and prior to award, to increase or decrease the principal amount of the individual maturity values of the Bonds offered for sale, with the increase or decrease to occur in multiples of \$5,000 in any of the maturities. The amounts specified above are hereby adopted and approved as so adjusted. The Bonds maturing in the years \_\_\_\_ and \_\_\_\_ are term bonds subject to mandatory redemption in the years and principal amounts as specified in paragraph 2.04(b).

These maturities, together with the maturities of all other outstanding general obligation bonds of the Issuer, meet the requirements of Minnesota Statutes, Section 475.54.

**2.02 Interest Payments.** Interest shall be payable semiannually on each February 1 and August 1 to maturity (each an "Interest Payment Date"), commencing February 1, 2015. Interest will be calculated on the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the MSRB. Interest will be payable in the manner set forth in the form of Global Certificate or Replacement Bond and Paragraph 4.06 of this resolution.

### **2.03 Use of Global Book-Entry System.**

**(a) Description of System.** In order to issue obligations in "global book-entry form", the obligations are issued in certificated form in large denominations, are registered on the books of the Issuer in the name of a depository or its nominee, and are immobilized and held in safekeeping by the depository. The depository, as part of the computerized National Securities Clearance and Settlement System (the "National System"), registers transfers of ownership interests in the obligations by making computerized book entries on its own books and distributing payments on the obligations to its participants shown on its books as the owners of such interests. These participants, which include financial institutions for whom the depository effects book-entry transfers of securities deposited and immobilized with the depository, and other banks, brokers and dealers participating in the National System will do likewise if not the beneficial owners of the obligations.

**(b) Designation of Depository; Approval of Blanket Issuer Letter of Representations.** The Depository Trust Company ("DTC") of New York, New York, a Securities and Exchange Commission designated depository, a limited purpose New York trust company, a member of the Federal Reserve System, and a "clearing corporation" within the meaning of the New York Uniform Commercial Code, is hereby designated as the depository (the "Depository") with respect to the Bonds issued hereunder in global book-entry form. There has been submitted to this Board a form of letter of representations (the "Blanket Issuer Letter of Representations") between the Issuer and the Depository setting forth various matters relating to the Depository and its role with respect to the Bonds. This Blanket Issuer Letter of Representations is hereby approved. The Chair or the Clerk is hereby authorized and directed to execute the Blanket Issuer Letter of Representations in substantially the form attached hereto as EXHIBIT C, if such a letter of representations has not already been executed, with only such variations therein as may be required to complete the Blanket Issuer Letter of Representations, or which are not, in the opinion of Bond Counsel, materially adverse to the interests of the Issuer. Execution of the Blanket Issuer Letter of Representations by such official shall be conclusive evidence as to the necessity and propriety of such changes and their approval by Bond Counsel. So long as DTC is the Depository or it or its nominee is the Holder of any Global Certificate, the District shall comply with the provisions of the Blanket Issuer Letter of Representations, as it may be amended or supplemented by the District from time to time with the agreement or consent of DTC.

**(c) Global Certificates.** Upon their original issuance, the Bonds will be issued in the form of a single Global Certificate for each maturity which shall represent the aggregate principal amount of the Bonds due on a particular maturity date (the "Global Certificates"). The Global Certificates will be originally issued and fully registered as to principal and interest in the name of Cede & Co., as nominee of DTC. The Global Certificates will be deposited with the Depository by the Purchaser and will be immobilized as further provided

herein. No beneficial owners of interest in the Bonds will receive certificates representing their respective interests in the Bonds except as provided below in clause (e) of this Paragraph 2.03. Except as so provided, during the term of the Bonds, beneficial ownership (and subsequent transfers of beneficial ownership) of interests in the Global Certificates will be reflected by book entries made on the records of the Depository and its participants and other banks, brokers, and dealers participating in the National System. The Depository's book entries of beneficial ownership interest are authorized to be in integral increments of \$5,000, despite the larger authorized denominations of the Global Certificates. Payment of principal of, premium, if any, and interest on the Global Certificates will be made to the Bond Registrar as paying agent, and in turn by the Bond Registrar to the Depository or its nominee as registered owner of the Global Certificates. The Depository, according to the laws and rules governing it, will receive and forward such payments on behalf of the beneficial owners of the Global Certificates.

**(d) Immobilization of Global Certificates by the Depository.** Pursuant to the request of the Purchaser to the Depository, immediately upon the original delivery of the Bonds the Purchaser will deposit the Global Certificates representing all of the Bonds with the Depository. The Global Certificates shall be in typewritten form or otherwise as acceptable to the Depository, shall be registered in the name of the Depository or its nominee and shall be held immobilized from circulation at the offices of the Depository on behalf of the Purchaser and subsequent Bondholders. The Depository or its nominee will be the sole Holder of record of the Global Certificates and no investor or other party purchasing, selling or otherwise transferring ownership of interests in any Bond is to receive, hold or deliver any Global Certificates so long as the Depository holds the Global Certificates immobilized from circulation, except as provided below in clause (e) of this Paragraph 2.03.

**(e) Transfer or Exchange of Global Certificates; Substitute Depository; Replacement Bonds.**

Global Certificates evidencing the Bonds may not, after their original delivery, be transferred or exchanged except:

(i) Upon exchange of a Global Certificate after a partial redemption, if authorized in Paragraph 2.04 of this resolution;

(ii) To any successor of the Depository (or its nominee) or any substitute depository (a "Substitute Depository") designated pursuant to subclause (iii) of this clause (e); provided that any successor of the Depository or any Substitute Depository must be both a "clearing corporation" as defined in the Minnesota Uniform Commercial Code, Minnesota Statutes, Section 336.8-102, and a qualified and registered "clearing agency" as provided in Section 17A of the Securities Exchange Act of 1934, as amended;

(iii) To a Substitute Depository designated by and acceptable to the Issuer upon (a) the determination by the Depository that the Bonds shall no longer be eligible for its depository services or (b) a determination by the Issuer that the Depository is no longer able to carry out its functions; provided that any Substitute Depository must be qualified to act as such, as provided in subclause (ii) of this clause (e); or

(iv) In the event that (a) the Depository shall resign or discontinue its services for the Bonds or be declared no longer able to carry out its functions and the Issuer is unable to locate a Substitute Depository within two (2) months following the resignation or discontinuance or determination of noneligibility, or (b) the Issuer determines in its sole discretion that (1) the continuation of the book-entry system described herein might adversely affect the interests of the beneficial owners of the Bonds, or (2) it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, then the Issuer shall notify the Holders of its determination and of the availability of Replacement Bonds to Holders. The Issuer, the Bond Registrar and the Depository shall cooperate in providing Replacement Bonds to Holders requesting the same and the registration, transfer and exchange of such Bonds shall thereafter be conducted as provided in Paragraph 4.04 of this resolution.

In the event of the designation of a Substitute Depository as authorized by this clause (e), the Bond Registrar, upon presentation of the Global Certificates, shall register their transfer to the Substitute Depository, and the Substitute Depository shall be treated as the Depository for all purposes and functions under this resolution. The Blanket Issuer Letter of Representations shall not apply to the Substitute Depository unless the Issuer and the Substitute Depository so agree, and the execution of a similar agreement is hereby authorized.

**2.04 Redemption. (a) Optional Redemption.** The Issuer may elect on February 1, 2023, and on any date thereafter, to prepay Bonds due on or after February 1, 2024, at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the Issuer shall determine the order of redemption of Bonds; and if only part of the Bonds having a common maturity date are called for prepayment, the Global Certificates to be prepaid may be prepaid in \$5,000 increments of principal and, if applicable, the specific Replacement Bonds to be prepaid shall be chosen by lot by the Bond Registrar as provided below. Bonds or portions thereof called for redemption shall be due and payable on the designated redemption date, and interest thereon shall cease to accrue from and after the redemption date.

**(b) Mandatory Redemption.** (1) The Bonds maturing in the year \_\_\_\_\_ shall be subject to mandatory redemption at a redemption price equal to the principal amount of the Bonds to be so redeemed plus interest accrued thereon to the date fixed for redemption, on February 1 in the years and principal amounts set forth below:

Paragraph 2.04 only if it has notified the Bond Registrar not less than thirty-five (35) days prior to the applicable mandatory redemption date of its election to apply such Bonds as a credit and designating the redemption date to which it is to apply.

**(c) Redemption of Global Certificates.** Upon a partial redemption in the aggregate principal amount of a Global Certificate which results in the stated amount thereof being reduced, the Holder may in its discretion make a notation of such redemption on the panel provided on the Global Certificate stating the amount so redeemed, or may return the Global Certificate to the Bond Registrar in exchange for a new Global Certificate authenticated by the Bond Registrar, in proper principal amount. Such notation of redemption, if made by the Holder, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of such Global Certificate outstanding, unless the Bond Registrar has signed the appropriate column of the panel.

**(d) Redemption of Replacement Bonds.** To effect a partial redemption of Replacement Bonds having a common maturity date, the Bond Registrar, prior to giving a notice of redemption, shall assign to each Replacement Bond having a common maturity date a distinctive number for each \$5,000 of the principal amount of such Replacement Bond. The Bond Registrar shall then select by lot from the numbers so assigned to such Replacement Bonds, using such method of selection as it shall deem proper in its discretion, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Replacement Bonds to be redeemed. The Replacement Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Replacement Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 of principal amount for each number assigned to it and so selected. If a Replacement Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or the Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and the Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of such Replacement Bond, without service charge, a new Replacement Bond or Bonds of the same series having the same stated maturity and interest rate and of any authorized denomination or denominations, as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Replacement Bond so surrendered.

**(e) Notice of Redemption of Global Certificates and Replacement Bonds.** The Bond Registrar shall call Bonds for redemption and payment as herein provided upon receipt by the Bond Registrar of a request of the Issuer. The request shall be in written form. The request shall specify the principal amount of Bonds to be called for redemption, the redemption date and the redemption price.

Published notice of redemption shall in each case be given in accordance with law, and mailed notice of redemption shall be given to the paying agent and to each affected Holder. If and when the Issuer shall call any of the Bonds for redemption and payment prior to the stated maturity thereof, the Bond Registrar shall give written notice in the name of the Issuer of its intention to redeem and pay such Bonds at the office of the Bond Registrar. The Notice of Redemption shall be given by first class mail, postage prepaid, mailed not less than thirty (30) days prior to the redemption date, to each Holder of Bonds to be redeemed, at the address appearing in the records of the Bond Registrar. For the purpose of giving notice of the redemption of Global Certificates, the Holder of the Global Certificates shall be the Depository or its nominee. In connection with any such notice, the "CUSIP" numbers assigned to the Bonds shall be used. All notices of redemption shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;
- (iv) that on the redemption date, the redemption price will become due and payable upon each such Bond, and that interest thereon shall cease to accrue from and after said date; and
- (v) the place where such Bonds are to be surrendered for payment of the redemption price (which shall be the office of the Bond Registrar).

### **Section 3. Form of Bonds.**

The Bonds to be issued hereunder shall be in the form of Global Certificates unless and until Replacement Bonds are made available as provided herein.

**3.01 Global Certificates.** The Global Certificates to be issued hereunder, together with the Bond Registrar's Certificate of Authentication, the Register of Partial Payments, the form of Assignment, and the registration information thereon, shall be in substantially the form set forth in EXHIBIT A hereto, which exhibit is incorporated herein by reference as though fully specified in this paragraph, and may be typewritten rather than printed.

**3.02 Replacement Bonds.** If the Issuer has notified Holders that Replacement Bonds have been made available as provided in Paragraph 2.03(e) of this resolution, then for every Bond thereafter transferred or exchanged (including an exchange to reflect the partial prepayment of a Global Certificate not previously exchanged for Replacement Bonds), the Bond Registrar shall deliver a bond in the form of a Replacement Bond rather than a Global

Certificate, but the Holder of a Global Certificate shall not otherwise be required to exchange the Global Certificate for one or more Replacement Bonds since the Issuer recognizes that some Holders may prefer the convenience of the Depository's registered ownership of the Bonds even though the entire issue is no longer required to be in global book-entry form. The Replacement Bonds, together with the Bond Registrar's Certificate of Authentication, the form of Assignment and the registration information thereto, shall be in substantially the form set forth in EXHIBIT B hereto, which exhibit is incorporated herein by reference as though fully specified in this paragraph.

#### **Section 4. Execution; Delivery; Registration.**

**4.01 Appointment of Registrar.** Bond Trust Services Corporation in Roseville, Minnesota, is appointed to act as the bond registrar and transfer agent (the "Bond Registrar") and shall do so until a successor Bond Registrar is duly appointed, all pursuant to a contract the Issuer and the Bond Registrar shall execute which is consistent herewith and which the chair and clerk are hereby authorized to execute and deliver. A successor Bond Registrar shall be a bank or trust company eligible for designation as bond registrar pursuant to Minnesota Statutes, Chapter 475. The terms of the appointment of the successor Bond Registrar and its duties shall be specified in a contract between the Issuer and such successor Bond Registrar that is consistent herewith and that the Chair and Clerk are hereby authorized to execute and deliver. The Bond Registrar, which may act through an agent, shall also serve as paying agent until and unless a successor paying agent is duly appointed. The Bond Registrar shall pay principal and interest on the Bonds to the registered Holders (or record Holder) of the Bonds in the manner set forth in the form of Global Certificate or Replacement Bond, as applicable, and Paragraph 4.06 of this resolution. The Issuer agrees to pay the reasonable and customary charges for the services of such Bond Registrar.

**4.02 Execution of Bonds.** The Bonds shall be executed on behalf of the Issuer by the manual signatures of the Chair and Clerk of the School Board; provided, however that both of such signatures may be printed facsimiles, in which event the Bonds shall also be executed manually by the authenticating agent as provided in Minnesota Statutes, Section 475.55. In the event of disability or resignation or other absence of either such officer, the Bonds may be signed by the manual or facsimile signature of that officer who may act on behalf of such absent or disabled officer. In case either such officer whose signature or facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of the Bonds, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if that officer had remained in office until delivery. If the Issuer has adopted a corporate seal, it shall be omitted on the Bonds as permitted by law.

**4.03 Authentication; Date of Registration.** No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this resolution unless and until a Certificate of Authentication on such Bond, substantially in the form set forth in the form of Global Certificate or Replacement Bond, shall have been duly executed by the manual

signature of an authorized representative of the Bond Registrar. Certificates of Authentication on different Bonds need not be signed by the same person. The Bond Registrar shall authenticate each Bond by execution of the Certificate of Authentication on the Bond and shall date each Bond in the space provided as of the date on which the Bond is registered. For purposes of delivering the original Bonds (Global Certificates) to the Purchaser, the Bond Registrar shall insert as the date of registration the date of original issue; and the executed Certificate of Authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution.

**4.04 Transfer or Exchange.** The Issuer will cause to be kept at the principal office of the Bond Registrar a bond register in which, subject to such reasonable regulations as the Bond Registrar may prescribe, the Bond Registrar shall provide for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged as herein provided.

A Global Certificate shall be registered in the name of the payee on the books of the Bond Registrar by presenting the Global Certificate for registration to the Bond Registrar, whose representative will endorse his or her name and note the date of registration opposite the name of the payee in the certificate of registration on the Global Certificate. Thereafter a Global Certificate may be transferred by delivery with an assignment duly executed by the Holder or the Holder's legal representative, and the Issuer and Bond Registrar may treat the Holder as the person exclusively entitled to exercise all the rights and powers of an owner until a Global Certificate is presented with such assignment for registration of transfer, accompanied by assurance of the nature provided by law that the assignment is genuine and effective, and until such transfer is registered on said books and noted thereon by the Bond Registrar, all subject to the terms and conditions provided in this resolution and to reasonable regulations of the Issuer contained in any agreement with, or notice to, the Bond Registrar.

Upon surrender for transfer of any Bond at the principal office of the Bond Registrar, the Issuer shall execute (if necessary), and the Bond Registrar shall authenticate, date (in the space designated Date of Registration) and deliver, in the name of the designated transferee or transferees, one or more new Bonds of any authorized denomination or denominations of a like aggregate principal amount, having the same stated maturity and interest rate, as requested by the transferor; provided, however, that no Bond may be registered in blank or in the name of "bearer" or similar designation.

When any Bond is presented to the Bond Registrar for transfer, the Bond Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Bond Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

At the option of the Holder of a Replacement Bond, Replacement Bonds may be exchanged for Replacement Bonds of any authorized denomination or denominations of a like aggregate principal amount and stated maturity, upon surrender of the Replacement Bonds to be exchanged at the principal office of the Bond Registrar. Whenever any Replacement Bonds are so surrendered for exchange, the Issuer shall execute (if necessary), and the Bond Registrar shall authenticate, date (in the space designated Date of Registration) and deliver the Replacement Bonds which the Holder making the exchange is entitled to receive. Global Certificates may not be exchanged for Global Certificates of smaller denominations.

All Bonds surrendered upon any exchange or transfer provided for in this resolution shall be promptly canceled by the Bond Registrar and thereafter disposed of as directed by the Issuer.

All Bonds delivered in exchange for or upon transfer of Bonds shall be valid general obligations of the Issuer evidencing the same debt, shall be entitled to the same benefits under this resolution as the Bonds surrendered for such exchange or transfer, and shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Bonds.

Transfer of a Bond may be made on the Issuer's books by the registered owner in person or by the registered owner's attorney duly authorized in writing. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, in form satisfactory to the Bond Registrar, duly executed by the registered owner thereof, with signature guaranteed, or by the registered owner's attorney duly authorized in writing, and shall include written instructions as to the details of the transfer of the Bond.

The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of any Bond and any legal or unusual costs regarding transfers and lost bonds.

Transfers shall also be subject to reasonable regulations of the Issuer contained in any agreement with, or notice to, the Bond Registrar, including regulations which permit the Bond Registrar to close its transfer books between record dates and payment dates.

**4.05 Mutilated, Lost, Stolen or Destroyed Bonds.** In case any Bond shall become mutilated or be lost, stolen or destroyed, the Bond Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond lost, stolen or destroyed, upon payment of the reasonable expenses and charges of the Bond Registrar in connection therewith; and, in the case of a Bond lost, stolen or destroyed, upon filing with the Registrar of evidence satisfactory to it that such Bond was lost, stolen or

destroyed, and of the ownership thereof, and upon furnishing to the Bond Registrar of an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the Issuer and the Bond Registrar shall be named as obligees. All Bonds so surrendered to the Bond Registrar shall be canceled by it and evidence of such cancellation shall be given to the District. If the mutilated, lost, stolen or destroyed Bond has already matured, it shall not be necessary to issue a new Bond prior to payment.

**4.06 Interest Payments; Record Dates.** Interest on any Global Certificate shall be paid as provided in the first paragraph thereof and interest on any Replacement Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond is registered (the "Holder") on the registration books of the Issuer maintained by the Bond Registrar and in each case at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any such interest not so timely paid or duly provided for shall cease to be payable to the person who is the Holder thereof as of the Regular Record Date, and shall be payable to the person who is the Holder thereof at the close of business on a date fixed for the payment of such defaulted interest (the "Special Record Date"). The Special Record Date shall be fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest, and notice of the Special Record Date shall be given by the Bond Registrar to the Holders not less than ten (10) days prior thereto. The term "Holder" shall also include those lawfully entitled to take actions on behalf of the beneficial owners of the Bonds for purposes of any consent or approvals given by Holders.

If the date for payment of the principal of, premium, if any, or interest on this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the City of New York, New York, or the city where the principal office of the Bond Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date of payment.

**4.07 Persons Deemed Owners.** The Issuer and the Bond Registrar may treat the person in whose name any Bond is registered as the owner of such Bond for the purpose of receiving payment of principal of and premium, if any, and interest (subject to the payment provisions in Paragraph 4.06 above), on such Bond and for all other purposes whatsoever, whether or not such Bond shall be overdue, and neither the Issuer nor the Bond Registrar shall be affected by notice to the contrary.

For the purposes of all actions, consents and other matters affecting Holders of Bonds issued under this Resolution as from time to time supplemented, other than payments, redemptions, and purchases, the Issuer may (but shall not be obligated to) treat as the Holder of a Bond the beneficial owner of the Bond instead of the person in whose name the Bond is registered. For that purpose, the Issuer may ascertain the identity of the beneficial owner of

the Bond by such means as the Bond Registrar in its sole discretion deems appropriate, including but not limited to a certificate from the Depository or other person in whose name the Bond is registered identifying such beneficial owner.

**4.08 Delivery.** The Bonds when so prepared and executed shall be delivered by the Treasurer of the Issuer to the Purchaser thereof upon receipt of the purchase price, and the Purchaser shall not be obliged to see to the proper application thereof.

## **Section 5. Debt Redemption Fund and Tax Levies.**

**5.01 Debt Redemption Fund.** The Bonds and the interest thereon shall be payable from the Debt Redemption Fund of the Issuer, which shall be maintained by the Treasurer separate and apart from all other funds of the Issuer so long as any Bonds issued hereunder may be outstanding and unpaid. Money in the Debt Redemption Fund shall be used for no purpose other than payment of principal and interest on obligations of the Issuer, including Bonds issued pursuant to this resolution. If any payment of principal or interest on the Bonds shall become due when there is not sufficient money in the Debt Redemption Fund to make such payment, the Treasurer shall pay the same from the General Fund of the Issuer, and the General Fund shall be reimbursed for such advances out of the proceeds of the taxes levied for the payment of such Bonds. The proceeds of all taxes levied pursuant to this resolution, any amount in excess of \$27,160,000 received from the Purchaser of the Bonds, and all moneys received for or appropriated to the payment of the Bonds and interest thereon shall be paid into the Debt Redemption Fund.

**5.02 Pledge of Full Faith and Credit; Tax Levies.** For the prompt and full payment of the principal of and interest on the Bonds as the same respectively become due, the full faith and credit and taxing powers of the Issuer shall be and are hereby irrevocably pledged. In order to provide the moneys for the payment thereof required by Minnesota Statutes, Sections 123B.59 and 475.61, there is hereby levied upon all of the taxable property in the Issuer a direct annual ad valorem tax which shall be spread upon the tax rolls, as a part of other general taxes of the Issuer, for collection in the years and in the amounts as specified on the levy computation sheet attached hereto as EXHIBIT D and incorporated herein by reference as though fully specified in this paragraph. The tax levies provided in this paragraph are such that, if collected in full they, together with estimated collections of other revenues pledged for the payment of the Bonds, will produce at least five percent (5%) in excess of the amounts needed to meet when due the principal and interest payments on the Bonds.

Said tax levies shall be irrevocable as long as any of said Bonds are outstanding and unpaid, provided that the Issuer reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61.

**5.03 Investment Restrictions.** No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (2) in addition to the above in an amount not greater than the lesser of five percent (5%) of the proceeds of the Bonds or \$100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Construction Fund or Debt Redemption Fund (or any other District account which will be used to pay principal or interest to become due on the Bonds payable therefrom) in excess of amounts which under then applicable federal arbitrage restrictions may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in those funds shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

**5.04 Construction Fund.** The proceeds of the bonds not appropriated to the Debt Redemption Fund as provided in Paragraph 5.01 shall be credited to the Issuer's Construction Fund and be used to pay costs incurred for projects and related financing costs included in the ten-year plan of the District approved by the Commissioner pursuant to Minnesota Statutes, Section 123B.59.

## **Section 6. Exemption from Rebate Requirements.**

**6.01 Declaration of Exemption.** For purposes of compliance with the requirements of Section 148(f)(4)(C) of the Code, the Board hereby determines and declares that:

- (a) The Issuer is a governmental unit with general taxing powers;
- (b) The Bonds are not "private activity bonds" as defined in Section 141 of the Code;
- (c) Ninety-five percent of the net proceeds of the Bonds are to be used for the local government purposes of the Issuer; and
- (d) The Issuer will expend the Bond proceeds in such a manner and at such times as necessary to qualify for an exemption from the rebate requirements of the Code pursuant to Section 148(f)(4)(C) of the Code, as amended.
- (e) The Issuer reserves the right to treat the acquisition expenditures and the construction expenditures or portions thereof as separate issues for purposes of Section

148(f)(4)(C) of the Code. If it does so, it shall specify the expenditure limitations for each issue in greater detail in the arbitrage certification executed by the Chair and Clerk.

In order to account for the expenditure of the proceeds of the Bonds, all proceeds credited to the Construction Fund shall be maintained in one or more separate Construction Fund bookkeeping accounts in the financial records of the Issuer. All proceeds of the Bonds shall be expended from said accounts prior to any other moneys of the Issuer on hand and legally available for said expenditures. The books and accounts of the Issuer shall be maintained in such a manner as to demonstrate compliance with the expenditure requirements of Section 148(f)(4)(C) of the Code, as amended.

**6.02 Payment of Rebate.** Notwithstanding the intention of the Issuer to expend the Bond proceeds to meet the expenditure requirements of Section 148(f)(4)(C) of the Code, as amended, if the Issuer fails to meet the expenditure requirements specified in that amended provision, the Issuer agrees to make such calculations and to make such rebate payments to the United States as and when required by said Section 148 and the regulations promulgated thereunder. In construing this Section 6, all terms used herein shall have the meanings provided in Section 148 of the Code and the regulations promulgated thereunder.

**6.03 Opinion of Counsel.** Notwithstanding any other provision of this Section 6, any requirement imposed hereunder or under Paragraph 5.03 hereof may be deemed inapplicable and of no force or effect if an opinion of Counsel is rendered to the Issuer by nationally recognized bond counsel to the effect that the failure to impose such requirement will not adversely effect the tax-exempt status of interest on the Bonds.

## **Section 7. Certifications, Designations, Defeasance, Arbitrage, Reporting.**

**7.01 Filing of Resolution; County Auditor Certificate.** The Clerk is hereby authorized and directed to file with the County Auditor of each county in which the Issuer is located in whole or in part a certified copy of this resolution, together with such other information as said County Auditor shall require, and to obtain from said County Auditor a certificate that the tax required by law for the payment of said Bonds has been levied, and that said Bonds have been entered upon the County Auditor's Bond Register.

**7.02 Defeasance.** When all of the Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution shall cease. The Issuer may discharge its obligations with respect to any Bonds which are due on any date by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full with interest accrued from the due date to the date of such deposit. The Issuer may also discharge all Bonds of said issue at any time by irrevocably depositing in escrow with the Bond Registrar, for the purpose of paying all principal and interest due on such Bonds to maturity, or if prepayable, to an earlier date on which they may be called for redemption, a sum of cash or securities of the types described in Minnesota Statutes, Section

475.67, as amended, in such aggregate amount, bearing interest at such rates and maturing or callable at the Issuer's option on such dates as shall be required to provide funds sufficient for this purpose.

**7.03 Nondesignation as Qualified Tax-Exempt Obligations.** The Board finds that the reasonably anticipated amount of qualified tax-exempt obligations (other than private activity bonds) which will be issued by the Issuer during calendar year 2014 will exceed \$10,000,000. Thus, the Bonds of this issue are not designated as "Qualified Tax-Exempt Obligations" for the purposes of Section 265 of the Code relating to the deduction of interest expenses allocable to the Bonds by financial institutions.

**7.04 Authentication of Transcript.** The officers of the Issuer and each said County Auditor are hereby authorized and requested to prepare and furnish to the Purchaser of said Bonds, and to the attorneys approving legality of the issuance thereof, certified copies of all proceedings and records of the Issuer relating to said Bonds and to the financial condition and affairs of the Issuer, and such other affidavits, certificates and information as may be required to show the facts relating to the legality and marketability of said Bonds as they appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the Issuer as to the facts recited therein.

**7.05 Covenant to Continue Tax Exemption.** The Issuer covenants and agrees with the Holders from time to time of the Bonds herein authorized, that it will not take, or permit to be taken by any of its officers, employees or agents, any action which would cause the interest payable on the Bonds to become subject to taxation under the United States Internal Revenue Code, the regulations promulgated thereunder, or any other applicable federal tax law or regulation; and that it will take, or it will cause its officers, employees or agents to take, all affirmative actions within its powers which may be necessary to ensure that such interest will not become subject to taxation under the Internal Revenue Code. The term "Internal Revenue Code" or "Code" as used herein includes the Internal Revenue Code of 1986, as amended, and all regulations, amended regulations and proposed regulations issued thereunder, as now existing or as hereafter amended or proposed.

**7.06 Arbitrage Certification.** The Chair and School District Clerk, being the officers of the Issuer charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser an arbitrage certification in order to satisfy the provisions of the Code and the regulations promulgated thereunder.

**7.07 Official Statement.** The Official Statement relating to the Bonds, on file with the Clerk and presented to this meeting, is hereby approved and deemed final, and the furnishing thereof to prospective purchasers of the Bonds is hereby ratified and confirmed, insofar as the same relates to the Bonds and the sale thereof.

REGISTERED OWNER: CEDE & CO., AS NOMINEE OF THE DEPOSITORY TRUST COMPANY, NEW YORK, NEW YORK

PRINCIPAL AMOUNT: \_\_\_\_\_ DOLLARS

**KNOW ALL PERSONS BY THESE PRESENTS** that Independent School District No. 284, State of Minnesota, a duly organized and existing independent school district, whose administrative offices are located in Wayzata, Minnesota (the "Issuer"), certifies that it is indebted and for value received promises to pay to the registered owner specified above or on the Certificate of Registration attached hereto, or registered assigns, in the manner hereinafter set forth, the principal amount specified above, on the maturity date specified above or, if this Bond is redeemable as stated below, on a date prior thereto on which it shall have been duly called for redemption, and to pay interest thereon semiannually on February 1 and August 1 of each year (each, an "Interest Payment Date") commencing February 1, 2015, at the rate per annum specified above, calculated on the basis of a 360-day year of twelve 30-day months, until the principal sum is paid or has been provided for. This Bond will bear interest from the most recent Interest Payment Date to which interest has been paid or duly provided for, or, if no interest has been paid or provided for, from the date of original issue hereof. The principal of and premium, if any, on this Bond are payable by wire transfer (or other agreed means of payment) on each payment date no later than 12:00 noon (New York, New York time) upon presentation and surrender hereof at the principal office of Bond Trust Services Corporation in Roseville, Minnesota (the "Bond Registrar"), acting as paying

agent, or any successor paying agent duly appointed by the Issuer; provided, however, that upon a partial redemption of this Bond which results in the stated amount hereof being reduced, the Holder may in its discretion be paid without presentation of this Bond, and may make a notation on the panel provided herein of such redemption, stating the amount so redeemed, or may return the Bond to the Bond Registrar in exchange for a new Bond in the proper principal amount. Such notation of redemption, if made by the Holder, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of this Bond outstanding, unless the Bond Registrar has signed the appropriate column of the panel. Interest on this Bond will be paid on each Interest Payment Date (by 12:00 noon, New York, New York time) by wire transfer (or other agreed means of payment) to the person in whose name this Bond is registered (the "Holder" or "Bondholder") on the registration books of the Issuer maintained by the Bond Registrar and at the address appearing thereon at the close of business on the fifteenth day of the calendar month next preceding such Interest Payment Date (the "Regular Record Date"). Any interest not so timely paid or duly provided for shall cease to be payable to the person who is the Holder hereof as of the Regular Record Date, and shall be payable to the person who is the Holder hereof at the close of business on a date fixed for the payment of such defaulted interest (the "Special Record Date"). The Special Record Date shall be fixed by the Bond Registrar whenever money becomes available for payment of the defaulted interest, and notice of the Special Record Date shall be given by the Bond Registrar to the Holders not less than ten (10) days prior thereto. The principal of and premium, if any, and interest on this Bond are payable in lawful money of the United States of America.

**Date of Payment Not Business Day.** If the date for payment of the principal of, premium, if any, or interest on this Bond shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the City of New York, New York, or the city where the principal office of the Bond Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such date shall have the same force and effect as if made on the nominal date of payment.

**Optional Redemption.** The Issuer may elect on February 1, 2023, and on any date thereafter, to prepay Bonds due on or after February 1, 2024, at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the Issuer shall determine the order of redemption of Bonds; and if only part of the Bonds having a common maturity date are called for prepayment, Bonds shall be prepaid in \$5,000 increments of principal. Bonds or portions thereof called for redemption shall be due and payable on the designated redemption date, and interest thereon shall cease to accrue from and after the redemption date.

**Mandatory Redemption.** The Bonds maturing in the year \_\_\_\_ shall be subject to mandatory redemption, pursuant to the procedures specified herein and at a redemption price equal to the principal amount of the Bonds so redeemed plus interest accrued on the principal amount to be redeemed to the date fixed for mandatory redemption, on February 1 in the years and in the principal amounts set forth below (subject to certain credits as provided in the Resolution):

**Notice of Redemption.** Published notice of redemption shall in each case be given in accordance with law, and mailed notice of redemption shall be given to the paying agent and to each affected Holder of the Bonds. For this purpose, the Depository shall be the "Holder" as to Bonds registered in the name of the Depository or its nominee. In the event any of the Bonds are called for redemption, written notice thereof will be given by first class mail, postage prepaid, mailed not less than thirty (30) days prior to the redemption date to each Holder of Bonds to be redeemed, at the address appearing in the records of the Bond Registrar. In connection with any such notice, the "CUSIP" numbers assigned to the Bonds shall be used.

**Replacement or Notation of Bonds after Partial Redemption.** Upon a partial redemption of this Bond which results in the stated amount hereof being reduced, the Holder may in its discretion make a notation on the panel provided herein of such redemption, stating the amount so redeemed. Such notation of redemption, if made by the Holder, shall be for reference only, and may not be relied upon by any other person as being in any way determinative of the principal amount of this Bond outstanding, unless the Bond Registrar

has signed the appropriate column of the panel. Otherwise, the Holder may surrender this Bond to the Bond Registrar (with, if the Issuer or the Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and the Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of this Bond, without service charge, a new Bond of the same Issue having the same stated maturity and interest rate and of the authorized denomination in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

**Issuance; Purpose.** This Bond is one of an issue in the total aggregate principal amount of \$27,160,000. The Bonds are all of like date of original issue and tenor, except as to number, denomination, maturity, redemption privilege and interest rate. All are issued to finance the acquisition and betterment of projects included in the District's ten-year plan approved by the Commissioner of Education pursuant to Minnesota Statutes, Section 123B.59, and all are issued pursuant to resolutions duly adopted by the School Board, and pursuant to and in full conformity with the Constitution and laws of the State of Minnesota thereunto enabling.

**General Obligation.** This Bond constitutes a general obligation of the Issuer, and to provide moneys for the prompt and full payment of the principal and interest when the same become due, the full faith and credit and taxing powers of the Issuer have been and are hereby irrevocably pledged.

**Minnesota School District Credit Enhancement Program.** The Issuer has covenanted and obligated itself to be bound by the provisions of Minnesota Statutes, Section 126C.55 and to use the provisions of that statute to guarantee the payment of the principal and interest on the Bonds when due.

**Denominations; Exchange; Resolution.** The Bonds are issuable originally only as Global Certificates in the denomination of the entire principal amount of the issue maturing on a single date. Global Certificates are not exchangeable for fully registered Bonds of smaller denominations except in the event of a partial redemption as above provided or in exchange for Replacement Bonds if then available. Replacement Bonds, if made available as provided below, are issuable solely as fully registered Bonds in the denomination of \$5,000 and integral multiples thereof of a single maturity and are exchangeable for fully registered Bonds of other denominations in equal aggregate principal amounts and in authorized denominations at the principal office of the Bond Registrar, but only in the manner and subject to the limitations provided in the Resolution. Reference is hereby made to the Resolution for a description of the rights and duties of the Bond Registrar. Copies of the Resolution are on file in the principal office of the Bond Registrar.

**Replacement Bonds.** Replacement Bonds may be issued by the Issuer in the event that (a) The Depository Trust Company ("DTC") of New York, New York (the "Depository") shall resign or discontinue its services for the Bonds or be declared no longer able to carry out its functions and the Issuer is unable to locate a Substitute Depository within two (2) months following the resignation or discontinuance or determination of noneligibility, or (b) the Issuer determines in its sole discretion that (1) the continuation of the book-entry system described in the Resolution might adversely affect the interests of the beneficial owners of the Bonds, or (2) it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds. The Issuer shall notify the Holders of its determination and of the availability of Replacement Bonds to Holders.

**Transfer.** This Bond shall be registered in the name of the payee on the books of the Issuer by presenting this Bond for registration to the Bond Registrar, whose representative will endorse his or her name and note the date of registration opposite the name of the payee in the certificate of registration attached hereto. Thereafter this Bond may be transferred by delivery with an assignment duly executed by the Holder or the Holder's legal representative, and the Issuer and Bond Registrar may treat the Holder as the person exclusively entitled to exercise all the rights and powers of an owner until this Bond is presented with such assignment for registration of transfer, accompanied by assurance of the nature provided by law that the assignment is genuine and effective, and until such transfer is registered on said books and noted hereon by the Bond Registrar, all subject to the terms and conditions provided in the Resolution and to reasonable regulations of the Issuer contained in any agreement with, or notice to, the Bond Registrar.

**Fees Upon Transfer or Loss.** The Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the transfer or exchange of this Bond and any legal or unusual costs regarding transfers and lost Bonds.

**Treatment of Registered Owner.** The Issuer and Bond Registrar may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes whatsoever, whether or not this Bond shall be overdue, and neither the Issuer nor the Bond Registrar shall be affected by notice to the contrary.

**Authentication.** This Bond shall not be valid or become obligatory for any purpose or be entitled to any security unless the Certificate of Authentication hereon shall have been executed by the Bond Registrar by the manual signature of one of its authorized representatives.

**Not Qualified Tax-Exempt Obligations.** The Bonds of this issue have not been designated by the Issuer as "qualified tax-exempt obligations" for purposes of Section 265(b) (3) of the Internal Revenue Code of 1986, as amended, relating to the deduction of interest expenses allocable to the Bonds by financial institutions.

**IT IS HEREBY CERTIFIED AND RECITED** that all acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to happen and to be performed, precedent to and in the issuance of this Bond in order to make it a valid and binding general obligation of the Issuer enforceable in accordance with its terms, have been done, have happened and have been performed in regular and due form, time and manner as required by law, and this Bond, together with all other debts of the Issuer outstanding on the date of original issue hereof and the date of its actual original issuance and delivery, does not exceed any constitutional or statutory limitation of indebtedness.

**IN WITNESS WHEREOF**, Independent School District No. 284 (Wayzata Public Schools), State of Minnesota, by its School Board, has caused this Bond to be executed in its behalf by the facsimile signatures of the Chair and Clerk, the Issuer having no seal or said seal having been intentionally omitted as permitted by law.

**Optional Redemption.** The Issuer may elect on February 1, 2023, and on any date thereafter, to prepay Bonds due on or after February 1, 2024, at a price of par plus accrued interest. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or the Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and the Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute and the Bond Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds of the same series having the same stated maturity and interest rate and of any authorized denomination or denominations, as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

**Mandatory Redemption.** The Bonds maturing in the year \_\_\_\_ shall be subject to mandatory redemption, pursuant to the procedures specified herein and at a redemption price equal to the principal amount of the Bonds so redeemed plus interest accrued on the principal amount to be redeemed to the date fixed for mandatory redemption, on February 1 in the years and in the principal amounts set forth below (subject to certain credits as provided in the Resolution):

**Denominations; Exchange; Resolution.** The Bonds are issuable solely as fully registered Bonds in the denomination of \$5,000 and integral multiples thereof of a single maturity and are exchangeable for fully registered bonds of other denominations in equal aggregate principal amounts and in authorized denominations at the principal office of the Bond Registrar, but only in the manner and subject to the limitations provided in the Resolution. **AGENDA ITEM: Approval of Transportation Contract - Regular to and From Transportation - First Student, Inc.**

**COMMENTS BY: Mr. Jim Westrum, Executive Director of Finance and Business Services**

**Approval of Transportation Contract - Regular to and From Transportation - First Student, Inc.**

The District has negotiated rates with First Student, Inc., our current busing contractor, to continue providing regular education to and from transportation. The terms of the contract are two years (14-15 & 15-16) with a district option for an additional two years (16-17 & 17-18).

As part of the new contract, First Student is proposing to convert the new buses to propane as an alternative fuel option. This conversation will take place over four years with the number of buses being replaced each year as follows: 16, 23, 23 & 24). After four years the entire daily regular education fleet would be propane with diesel buses being used as back-up or long trip solution.

The proposed contract is currently under legal review.

**RECOMMENDED ACTION:** Approve the Transportation Contract - Regular to and From Transportation - First Student, Inc. and authorize the Board Chair and the Superintendent to execute the contract.

Dear Mr. Westrum,

We did not get a great response to the Transportation RFP, but we are quite happy with the results provided by the vendors who did offer pricing. During the RFP process, we had six companies interested in the providing service, and received multiple questions from several companies. However, at the RFP opening only two companies provided proposals. After considering why this happened, I believe that the current pricing for Wayzata Schools is at a price point that is considerably lower than what others were willing to provide costing at, and therefore they did not offer a proposal at all instead of offering one containing significant increases.

We did an analysis of the pricing in Wayzata last fall, and found out that the school district is currently operating at a cost that is approximately 12% lower than similar school districts. At that time, we decided to attempt to negotiate with First Student to see if we could continue to operate at rates that were under market. Unfortunately, our attempt to negotiate resulted in the First Student offering a contract with a 15.5% increase the first year. This offer is what resulted in us going through the RFP process.

The school district has very good pricing for the special ed routes using MTI bus company for a 2+2 year contract, and has good pricing from First Student on a 2+2. Combined pricing will offer the following results for the district:

<b>TERM</b>	<b>FY 15</b>	<b>FY 16</b>	<b>FY 17</b>	<b>FY 18</b>
2+2	\$7,220,152 (7.8%)	\$7,533,560 (4.3%)	\$7,704,697 (2.3%)	\$7,879,803 (2.3%)

The costs listed above include a new fleet of gas-powered vehicles for your special education routes, and a conversion to a propane-powered fleet over the next 4-years for your regular education buses. Under this proposal the current diesel fleet would continue to be used and would be replace on the following schedule:

2014-15	16 new vehicles
2015-16	23 new vehicles
2016-17	23 new vehicles
2017-18	24 new vehicles

These new propane powered vehicles cost over \$90,000, so you can see that the investment in capital equipment that First Student will be making for the Wayzata school district will be significant over the life of this contract.

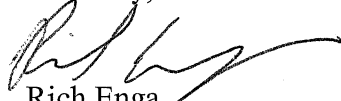

The primary advantages are that they are very good for the environment, they start very well at extremely cold temperatures, and over the life of a bus they save significantly on the cost of fuel.

The contractor who provided the best pricing for the special education routes is MTI. This company provided some special ed routes to the school district many years ago. MTI is currently under contract to provide all of the buses for the Hopkins school district, and the special education buses for the St. Louis Park school district. Their bus terminal is located very close to the district on the North East corner of the intersection of highways 55 and 169. This location should help the district attract school bus drivers because they have been more successful getting applicants that live in that area than at your current terminal location. We did check references on MTI, and their current customers are quite happy with their service.

Based on the costing provided, I would recommend that the Wayzata School District award transportation contracts to First Student for Regular Ed Transportation and MTI for Special Ed Transportation for the next two years with an option for an additional two years. I also recommend waiving the performance bond requirement for both companies.

Please let me know if you need any additional information regarding this RFP.

Sincerely,

Rich Enga

**AGENDA ITEM: Approval of Transportation Contract - Special Transportation - MTI**

**COMMENTS BY: Mr. Jim Westrum, Executive Director of Finance and Business Services**

**Approval of Transportation Contract - Special Transportation - MTI**

On April 1, 2014 the district received two proposals for Special Transportation services during the 2014-15 & 2015-16 school years with a district option to extend the contract for an additional 2 years.

Mainline Transportation, Inc. (MTI) provided the most cost effective solution. MTI's solution is to provide a new gasoline powered fleet for service in Wayzata Public Schools.

The proposed contract is currently under legal review.

**RECOMMENDED ACTION:** Approve the Transportation Contract - Special Transportation - MTI and authorize the Board Chair and the Superintendent to execute the contract.

**AGENDA ITEM: Approval of Purchase of Land**

**COMMENTS BY: Mr. Jim Westrum, Executive Director of Finance and Business Services**

**Approval of the Purchase of Land**

At the District’s March 10, 2014 Regular School Board meeting, the Board passed a resolution allowing the Superintendent and the Executive Director of Finance and Business Services to sign and enter into a purchase agreement for the acquisition of land for the purpose of building a new elementary school.

The Director of Administrative Services and Executive Director of Finance and Business Services have entered into a purchase agreement for the purchase of land that will allow the District to begin planning for the proposed elementary school that was approved by voters on February 25, 2014.

The District’s legal counsel has reviewed the purchase agreement and is currently performing due diligence procedures. If satisfactory results are obtain, the purchase agreement calls for a closing on or before June 2, 2014.

The Facility Committee of the Board discussed multiple options for the acquisition of land and concur with the recommended site(s) and plan for land acquisition presented to the entire Board for consideration and approval.

The Board met in a closed session on Monday, April 28, 2014 at 3:30 p.m. to discuss strategies related to the acquisition of property and deem this purchase to be economically advisable.

**RECOMMENDED ACTION:** Approve the Purchase Agreement by and between (to be provided at the meeting), and Independent School District 284.
