Student in Need of a Surrogate Parent

A 12th grade special education student whose parental rights have been terminated by the Court was living in a homeless shelter during April through October 2021 after unsuccessful foster placements. The student did not have any trusted adults or family members in their life to act on their behalf, and the county social worker could not act as a legal guardian during this time because the county had been a party to the case that terminated the parents' parental rights.

The Role of the Surrogate Parent

Surrogate parents are appointed by the District to represent a child with a disability who has, or may need, special education services. A surrogate parent is appointed under three conditions: the parent is unknown or unavailable, the pupil is a ward of the state, or the parent requests a surrogate parent in writing. The power to appoint a surrogate parent is based on the fact that a parent cannot be identified or located, or is unavailable. *See* 34 C.F.R. § 300.519; *see also* Minn. R. 3525.2440.

Requirements of the Surrogate Parent

To serve as a surrogate parent, an individual must meet the following conditions:

- Is not an employee of the District, Minnesota Department of Education, or any other agency that is involved in the education or care of the child;
- Has no personal or professional interest that conflicts with the interest of the child the surrogate parent represents; and
- Has knowledge and skills that ensure adequate representation of the child.

The law also requires the District ensure that the surrogate has the necessary knowledge and skills necessary to adequately represent the student. Minn. R. 3525.2455. The District must either make information and training available to the surrogate parent, or ensure you are appointing a surrogate parent who has:

- Knowledge of state and federal requirements;
- Knowledge of district structure and procedures;
- An understanding of the nature of the pupil's disability and needs; and
- An ability to effectively advocate for an appropriate educational program for the pupil.

Appointment of the Surrogate Parent

Bonnie Johnson was appointed on April 21, 2021 to serve as the surrogate parent. Ms. Johnson has retired from the District and was not paid to act as a surrogate parent, has no personal or professional interest that conflicts with the child she represents, and possesses the knowledge and skill to represent the student's special education needs.

Removal of the Surrogate Parent

The District was notified that the student had moved into a foster placement on October 1, 2021 and their foster parent has agreed to fulfil the parental role for educational decision making. The student is no longer in need of the services of a surrogate parent and Ms. Johnson has been notified that the Board would be removing her from this role at the November 8, 2021 school board meeting.

AGENDA SECTION: Swearing In of Appointed School Board Member

COMMENTS BY: Andrea Cuene, School Board Chair

At the August 31, 2021 and September 9, 2021 special meetings, School Board Chair Andrea Cuene announced Board Director Seanne Falconer’s intent to resign from the School Board effective September 10, 2021. Seanne Falconer’s resignation is the result of relocating outside of the school district. Seanne Falconer served the District as a School Board Director from January 1, 2020 through September 9, 2021.

After discussing the available options and considering the many recent leadership changes within the District, the Board’s preference was to explore the option of appointing a former School Board member who would be willing to serve from October 28, 2021 through January 9, 2023. Chair Cuene was given the responsibility to contact former School Board members who have served in recent years to assess their interest in serving during the time period described above. A permanent School Board member for this vacancy will be elected through a Special School Board Election to be held on November 8, 2022.

It was recommended that former School Board Director Jay Hesby be appointed to fill the School Board vacancy effective October 28, 2021. Mr. Hesby’s term will continue through calendar year 2022 and up to such time when the School Board Director elected on the November 8, 2022 Special Election assumes duties on January 9, 2023. Mr. Hesby previously served on the School Board from January 2008 through December 2015. Mr. Hesby was administered the oath of office at the Wayzata Public Schools district office on October 28, 2021.

School Board Chair, Andrea Cuene, will administer the attached “School Board Member Oath of Office” to publicly affirm Mr. Hesby’s appointment.

No School Board action is required.

SCHOOL BOARD MEMBER OATH OF OFFICE

It is an honor to be appointed to guide the education of our community's children. As you recite the oath of office, you assume a tremendous responsibility as a director of our School District with the duties empowered by the Minnesota Legislature. This power puts you and the other members of the School Board in the position of being both morally and legally responsible for equitable, quality education of every student in the District.

In carrying out this responsibility, you will be asked to fulfill the roles of vision, structure, accountability, and advocacy. In providing vision, the Board, with extensive participation of the community, envisions the community's educational future and then formulates the goals, defines the outcomes and sets the course for our public schools.

To achieve the vision, the Board establishes a structure and creates an environment designed to ensure all students the opportunity to attain their maximum potential through a sound organizational framework.

Because as a Board you must be accountable to the community, you must ensure a continuous assessment of student achievement and all conditions affecting the education of our children.

As Board members, you serve as education's key advocate on behalf of students and our community schools to advance the vision for our schools.

Furthermore, you must strive to work together and with the staff to lead the District toward fulfilling the vision you have created, fostering excellence for every student in the areas of academic skills and knowledge, citizenship and personal development.

Having signed the acceptance of office and oath of office, I hereby request that you now publicly affirm your commitment to the oath of office:

I swear/affirm that I, Jay Hesby, will support the Constitution of the United States and of this state, and that I will discharge faithfully the duties of the office of School Board member of Independent School District No. 284 to the best of my judgment and ability.

Naomi Shadis - Kimberly Lane Elementary

("Shadis" rhymes with "radish")

Kimberly Lane Elementary is proud to announce that our media specialist, Naomi Shadis, is being honored as Wayzata Public Schools' Employee of the Month. She is a literacy and equity leader for students, families and colleagues in our school community.

Her first year in Wayzata Public Schools Naomi led the enormous project of setting up and opening our beautiful, newly renovated Media Commons. She touched each of our 17,000 books at least three times during the reorganization in order to make our new space child-centered, functional and accessible. She gained over \$10,000 in grant money to get flip bins so our emerging readers can "shop" for books by seeing the front covers, as well as purchasing more diverse book titles so our books may be both mirrors and windows for our students into different cultures.

She personalizes her teaching to reach each and every student. For instance, last year -- in addition to teaching both in-person and Distance Choice classes - she excelled as a "personal shopper" for students, picking out book titles for each child. Students sent Naomi short videos in Seesaw of their book requests. Sometimes Naomi needed to do some creative detective work to figure out that the "fickles" book request was actually a request for a book on "vehicles." Her tenacity and student-centered approach led to an annual circulation of 32,469 books -- an average of over 55 books per student. What an amazing accomplishment to keep our students engaged, reading and growing especially with 40% of Kimberly Lane's student population never stepping foot on campus since they participated in Distance Choice last year. On top of that, she led this effort during a year where there were no parent volunteers. Once again, her commitment to an outstanding learning experience was extraordinary.

In addition to teaching, she serves on our PTA's Diversity, Equity and Inclusion committee; participates and presents regularly at PTA meetings and staff meetings; serves as Kimberly Lane's Equity Community Representative; and regularly coaches teachers on available resources.

Naomi's kind presence warms our community. She is quick with a compliment, congratulations and celebration. She approaches each day with professionalism, integrity, and a contagious positive outlook. Naomi makes Kimberly Lane Elementary a great place to learn and to work. Thank you, Naomi.

COMMENTS BY: Chace B. Anderson, Superintendent

Record High: Thirty-five Wayzata High School Seniors Named 2022 National Merit Scholar Semifinalists

Every year, about 1.6 million juniors from across the nation enter the National Merit Scholar Program by taking the Preliminary SAT/National Merit Scholarship Qualifying Test, which serves as an initial screening of program entrants. The nationwide pool of Semifinalists, representing less than one percent of U.S. high school seniors, includes the highest-scoring entrants in each state. These academically-talented high school seniors have an opportunity to continue in the competition for 7,500 National Merit Scholarships worth nearly \$30 million that will be offered next spring.

A record high number of Wayzata High School students were named Semifinalists in the 2022 National Merit Scholarship Program. These 35 WHS students are being named among only 16,000 semifinalists from across the country. From the approximately 16,000 semifinalists, about 15,000 are expected to advance to the finalist level in February. All National Merit Scholarship winners will be selected from this group of finalists and will be announced beginning in April.

WHS National Merit Semifinalists Recognize Teachers Who Made a Difference

It is a long-standing tradition at Wayzata High School that our National Merit Semifinalists identify a significant K-8 teacher and a significant 9-12 teacher who have played an important role in their learning. This year's Semifinalists selected the individuals included in the list below as their esteemed teacher nominees and awarded them with a lapel pin in October to commemorate their appreciation.

Wayzata is filled with amazing teachers and staff as evidenced by a summary of the words and thoughts of our National Merit Semifinalists who had these things to say about why this group of teachers was important to them:

- She/He helped me to focus my interests and transform it into my passion. As a result, I found my voice.
- My teacher(s) pushed me to do more than I thought I was capable of. I believed in myself because they believed in me!
- I appreciate their constant, unwavering support and guidance! I knew I mattered!
- They were able to build a community! For the first time, I felt welcomed, I felt I belonged!
- I admired their hard work, their dedication and their passion for teaching and more importantly, their students' learning.
- The lessons they taught me went beyond the subject matter. I aspire to be the kind of person they are!

Amy Swenson, enrichment coordinator at Wayzata High School, will introduce each of the National Merit Semifinalists and share the names of the teachers being recognized by these students. Congratulations to this year's National Merit Semifinalists and Esteemed Teachers! Each of you makes a difference and your efforts are deeply appreciated!

2021-22 School Year Financial Report Analysis

For the Month Ended September 30, 2021

Excellence. For each and every student.

Statement of Revenues Analysis

This analysis reflects revenue received by the month end noted above. Overall revenues are consistent with prior years with the exception of the Community Services Fund and Debt Service Fund.

Community Services Fund: Community Services Fund revenue through September 30, 2021 was \$2,366,868 compared to \$1,182,835 the prior year. The favorable increase is due to less strict COVID-19 social distancing requirements than the prior year, yielding increased revenues from fee for service programs. Also, revenues from state aids within the Community Services Fund are higher than the prior year due to payment timing differences.

Debt Service Fund: On June 28, 2021 the School Board approved the sale of bonds to refund the Series 2014A and Series 2014B General Obligation bonds. The District received the proceeds of the refunding bonds, the Series 2021A Taxable General Obligation School Building and Alternative Facilities Refunding Bonds, on July 22, 2021. The proceeds received by the District totaled \$137,249,726 and will be used to refund all maturities of the 2014A and 2014B bonds in February 2023, generating savings for taxpayers of the District in future years.

Statement of Expenditures Analysis

This analysis reflects expenditures incurred by the month end noted above and does not include encumbrances. Overall expenditures are consistent with prior years with the exception of the following items:

General Fund: Instructional supply, material, and technology expenditures were \$1,214,665 through September 30th compared to \$660,334 the previous year. The increase is mainly attributable to the return to in-person instruction at all grade levels. Significant variances in long-term facilities maintenance expenditures (capital expenditures) are expected and occur due to the irregular schedule of construction projects, which results in disbursement timing differences.

Food Service Fund: Food and milk expenditures through September 30th were \$213,110 compared to \$108,485 the previous year, an increase of 96.4%. The increase is primarily attributed to the return to in-person instruction and timing of food purchases and inventory.

Debt Service Fund: Year-to-date expenditures in the Debt Service Fund are lower than the previous year by \$1,361,513 due to the bond refunding described above. The escrow established for the refunding paid for all or part of the August 2014A & 2014B debt service payments.

Permanent Fund Balance Transfer – ECFE to Community Ed

The Community Services Fund recorded a deficit of \$1,262,663 to the Community Education Fund Balance for the fiscal year ended June 30, 2021. The deficit was mainly attributed to the reduction of revenues due to the COVID-19 pandemic. The commissioner’s guidance for the Transfer of Funds for Emergency is provided under Minnesota Laws, Chapter 116, House File 4415, Article 3, Section 8 Fund Transfers: Fiscal Years 2020 and 2021 only, Subdivision 1 states:

Fund and account transfers allowed. Notwithstanding Minnesota Statutes, section 123B.80, subdivision 3, for fiscal years 2020 and 2021 only, a school district, charter school or cooperative unit may transfer any funds not already assigned to or encumbered by staff salary and benefits, or otherwise encumbered by federal law from any accounts or operating fund to the undesignated balance in any other operating fund. A fund transfer is allowed if the transfer meets the following criteria from Minnesota Laws 2020, Chapter 116/House File 4415 Article 3, Section 8:

Further guidance requires 1. The transfer does not increase state aid obligations to the district or school or result in additional property tax authority for the district. 2. A transfer is limited to the operating funds of a school district 3. A school board must approve any fund or account transfer before the reporting deadline for the respective fiscal year. 4. A school district must maintain accounting records for the purposes of this section that are sufficient to document both the specific funds transferred and use of those funds. The accounting records are subject to auditor review. 5. Any execution of this flexibility must not interfere with or jeopardize funding per federal requirements. 6. Any transfer must not interfere with the equitable delivery of distance learning or social distancing models.

District Administration recommends a permanent transfer of \$175,000 from the Early Childhood Family Education Fund Balance to the Community Education Fund Balance for June 30, 2021.

Recommended Action: Approve the resolution authorizing the June 30, 2021 permanent funds transfer from Early Childhood Family Education Fund Balance to the Community Education Fund Balance in the amount of \$175,000. This transfer does not result in an increase to state aid obligations or additional property tax authority, nor does it jeopardize any federal funding requirement or interfere with an equitable delivery of distance learning or socially distanced learning models..

CERTIFICATION OF MINUTES RELATING
TO THE RESOLUTION OF THE
FUND BALANCE TRANSFER FROM EARLY CHILDHOOD FAMILY EDUCATION FUND
BALANCE TO THE COMMUNITY EDUCATION FUND BALANCE

BODY: BOARD OF EDUCATION INDEPENDENT SCHOOL DISTRICT 284, WAYZATA,
MINNESOTA

KIND, DATE, TIME AND PLACE OF MEETING: A regular meeting held on November 8, 2021, at 7:00
o'clock p.m., at Wayzata City Hall.

MEMBERS PRESENT:

**RESOLUTION REDUCING THE DEFICIT IN THE COMMUNITY EDUCATION FUND BY
MEANS OF A TRANSFER FROM THE EARLY CHILDHOOD FAMILY EDUCATION FUND
BALANCE ON JUNE 30, 2021**

Whereas: The Community Education Fund Balance recorded a deficit of \$1,484,885 as of June 30, 2021

Whereas: *Notwithstanding Minnesota Statutes, section 123B.80, subdivision 3, for fiscal years 2020 and 2021 only, a school district, charter school or cooperative unit may transfer any funds not already assigned to or encumbered by staff salary and benefits, or otherwise encumbered by federal law from any accounts or operating fund to the undesignated balance in any other operating fund. A fund transfer is allowed if the transfer meets the following criteria from Minnesota Laws 2020, Chapter 116/House File 4415 Article 3, Section 8:*

Whereas: 1. The transfer does not increase state aid obligations to the district or school or result in additional property tax authority for the district. 2. A transfer is limited to the operating funds of a school district 3. A school board must approve any fund or account transfer before the reporting deadline for the respective fiscal year. 4. A school district must maintain accounting records for the purposes of this section that are sufficient to document both the specific funds transferred and use of those funds. The accounting records are subject to auditor review. 5. Any execution of this flexibility must not interfere with or jeopardize funding per federal requirements. 6. Any transfer must not interfere with the equitable delivery of distance learning or social distancing models.

Whereas: The transfer will comply with all of the above noted requirements.

Therefore: The Board of Education approves the resolution of the permanent fund transfer from Early Childhood Family Education Fund Balance as of June 30, 2021 in the amount of \$175,000.00 to the Community Education Fund Balance.
