Record Number of WHS Seniors Honored in 2023 National Merit Scholarship Program

A record high number of Wayzata High School students were named Semifinalists in the 2023 National Merit Scholarship Program. Congratulations to the following 39 WHS students for being named among only 16,000 semifinalists from across the country.

High school juniors entered the 2022 National Merit Scholarship Program by taking the 2021 Preliminary SAT/National Merit Scholarship Qualifying Test, which served as an initial screen of program entrants. The nationwide pool of Semifinalists, representing less than one percent of U.S. high school seniors, includes the highest-scoring entrants in each state.

These academically-talented high school seniors have an opportunity to continue in the competition for 7,500 National Merit Scholarships worth nearly \$30 million that will be offered next spring.

Amy Swenson, enrichment coordinator at Wayzata High School, will introduce each of the National Merit Semifinalists and share the names of the teachers being recognized by these students.

Wayzata is filled with amazing teachers and staff as evidenced by a summary of the words and thoughts of our National Merit Semifinalists who had these things to say about why this group of teachers was important to them.

- *...she supported my dreams both in and outside of the classroom and taught me to not be afraid of dreaming high and far. I want to thank her for always pushing me to become the best version of myself.*
- *...she created a class where I truly felt comfortable. She ensured that each one of her students had the resources and help necessary for success.*
- *...he told the best stories and I appreciated his enthusiasm and kindness. He always put 100% into everything he did, including pushing students to grow. He always had faith in us!*
- *...I loved all of his crazy, beautiful, insightful stories and his patience, kindness and care made the classroom a safe place to grow.*
- *...she/he pushed me to go beyond my comfort zone and set high expectations for myself.*
- *...she was always passionate about what she was teaching and her excitement was contagious. She cared about each of her students individually and treated them like family.*
- *...she/he always had faith in my abilities, pushing me to pursue opportunities that would stretch me.*

- *...he was one of the first people who believed I could be a leader. He pushed me to be stubborn and resilient and considerate.*
- *...he helped me to cultivate my love for learning and he taught me that my words were powerful.*
- *...she nurtured my intellectual vitality.*
- *...she instigated illuminating and thoughtful conversations in the classroom. She caused me to become a deeper and more creative thinker.*
- *...he believed that I would succeed and I have carried that with me ever since.*
- *...thank you for believing in me even when I didn't believe in myself!*

Congratulations to this year's National Merit Semifinalists and Esteemed Teachers! You make a difference and your efforts are deeply appreciated!

ITEM Employee of the Month

COMMENTS BY: Chace B. Anderson, Superintendent

WPS Employee of the Month - November 2022

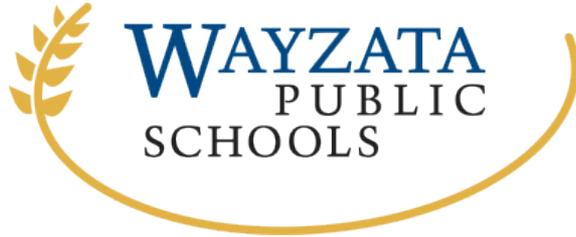

Marc DeVoe
Physical Education Teacher- East Middle School

Wayzata East Middle School is pleased to present Marc DeVoe as the November Employee of the Month. Marc has taught in Wayzata since 2005 and has been with East since 2008. Marc teaches physical education and is the athletic coordinator for East. He has served in a variety of leadership roles and consistently volunteers to support student experiences.

His colleague Scott Critzer shared the following about Marc, "I see Marc going above and beyond as a staff member at East. He does this quietly and without need for recognition. I see Marc designing and implementing engaging lessons for all his PE classes. I see him teaching through the window in my classroom. I see Marc after school leading the girls' tennis team. I see him working with the students as I walk to my car each night. I see Marc leading the 6th grade track meet. Just last week I saw him out on the track giving guidance to a few students. I know that Marc also helps with the cafeteria supervision. Marc is deserving of this recognition for Employee of the Month!"

A key element to student success is the sense of belonging at school. Marc is a true expert at making this happen for students. In the halls and in the lunchroom Marc is engaging with students and calling them each by name. He knows what interests they have and he is quick to match their interest or ability with a suggestion for an after-school program that may interest them.

Marc DeVoe exemplifies what a middle school teacher should be. He puts the students first, understands their needs, stays focused on his curriculum, finds innovative ways to engage students and is tirelessly committed to students and Wayzata East Middle School.

How Much Physical Activity Does a Middle Schooler Need?

Center for Disease Control and Prevention Recommendations for Adolescents

60 minutes or more of moderate-to-vigorous intensity physical activity each day.

- Aerobic activity: Most of the daily 60 minutes should include activities like walking, running, or anything that makes their hearts beat faster. At least 3 days a week should include vigorous-intensity activities.
- Muscle-strengthening: Includes activities like climbing or doing push-ups, at least 3 days per week.
- Bone-strengthening: Includes activities such as jumping or running, at least 3 days per week.

Movement to Support Learning

Researched based support that promotes the importance of intentional movement every day for students.

- “Physical activity has a positive influence on memory, concentration and classroom behavior.”
- “By showing that exercise sparks the master molecule of the learning process, Cotman nailed down a direct biological connection between movement and cognitive function.”
- “It turns out that moving our muscles produces proteins that travel through the bloodstream and into the brain, where they play pivotal roles in the mechanisms of our highest thought processes.”
 - Spark: The Revolutionary New Science of Exercise and the Brain. John J. Ratey
- “Physical activity in youth has also been associated with positive psychosocial traits, including self-efficacy, self-concept and self-worth, social behaviors, and goal orientation.”

Wayzata East Physical Education Program Highlights

- Intentional physical education for every student at every level.
- Personalized programming
- MN Physical Education standards based curriculum
- Emphasis on self-assessment for ownership of learning
- Strong student-teacher relationship connections and support.

EMS Physical Education Captain's Award

The Captain's Award is given to the outstanding students who embrace the qualities of a "whole athlete", much like a team captain, during their time in the East Middle School Physical Education Program. These students enhance the experience and environment around them by demonstrating high levels of leadership and kindness. They are inclusive to all students regardless of their abilities, approach challenges with a positive attitude and overcome those challenges with hard work and determination. These students strive to mentor others by lifting those around them with encouragement, excitement and an open mind, all while ensuring the rigor of each sport and activity is preserved. These students seek to demonstrate dedication to continued growth in fitness, sport and activity through increased physical engagement in class, as well as any additional opportunities that are available.

The Relationship: Physical Education and Health

National Health Education Standards

SHAPE America is a proud member of the coalition that developed the National Health Education Standards (NHES), which were released in 1995 and revised in Spring 2007. In 2020, SHAPE America obtained the copyright to the National Health Education Standards. SHAPE America's National Health Education Standards Task Force is currently revising and updating the standards.

Standard 1: Students will comprehend concepts related to health promotion and disease prevention to enhance health.

Standard 2: Students will analyze the influence of family, peers, culture, media, technology, and other factors on health behaviors.

Standard 3: Students will demonstrate the ability to access valid information and products and services to enhance health.

Standard 4: Students will demonstrate the ability to use interpersonal communication skills to enhance health and avoid or reduce health risks.

Standard 5: Students will demonstrate the ability to use decision-making skills to enhance health.

Standard 6: Students will demonstrate the ability to use goal-setting skills to enhance health.

Standard 7: Students will demonstrate the ability to practice health-enhancing behaviors and avoid or reduce health risks.

Standard 8: Students will demonstrate the ability to advocate for personal, family, and community health.

National Physical Education Standards

SHAPE America's National Standards & Grade-Level Outcomes for K-12 Physical Education define what a student should know and be able to do as result of a highly effective physical education program. States and local school districts across the country use the National Standards to develop or revise existing standards, frameworks and curricula.

Standard 1: The physically literate individual demonstrates competency in a variety of motor skills and movement patterns.

Standard 2: The physically literate individual applies knowledge of concepts, principles, strategies and tactics related to movement and performance.

Standard 3: The physically literate individual demonstrates the knowledge and skills to achieve and maintain a health-enhancing level of physical activity and fitness.

Standard 4: The physically literate individual exhibits responsible personal and social behavior that respects self and others.

Standard 5: The physically literate individual recognizes the value of physical activity for health, enjoyment, challenge, self-expression and/or social interaction.

2022-23 School Year Financial Report Analysis

For the Month Ended September 30, 2022

Excellence. For each and every student.

Statement of Revenues Analysis

This analysis reflects revenue received by the month end noted above. State Aid revenues are close in line with the prior years. Property Tax revenue has been recorded as deferred revenue and will be recognized in the December Statement of Revenues as has been the past practice. Similar to prior reporting months, deviations in revenue from prior years include Federal Aids and Miscellaneous Local Revenue. The significant increase over the prior years in Federal continue to be the fact that CARES Act dollars are allowed to carry over to multiple fiscal years along with additional CARES dollars continuing to flow into the district. As pointed out in prior months, there is an increase in Miscellaneous Local Revenue that includes an Insurance Recovery of almost \$300,000. This pushed the comparative percentage upwards from the prior fiscal year. Food Service revenue is up slightly due to additional Supply Chain funding and full paid meals. In addition, the district is seeing revenue more in line with pre-pandemic times as it relates to fees the district collects for school activities along with Community Education following a similar patten for the before and after school child care programs.

Statement of Expenditures Analysis

The analysis of the expenditures reflects the actual expenditures and does not include outstanding encumbrances. As you can see from the Statement of Expenditures, the overall expenditures are similar in several of the prior years especially as it relates to Salaries and Benefits. Supplies & Materials along with Other Expenditures can vary significantly from year to year based on the timing of purchases during the fiscal year depending on the needs of the staff, buildings, and departments. The variation in Capital Expenditures was driven mainly by more projects being conducted in the prior fiscal year along with the timing of the purchases during the year.

Resolution Canvassing Returns of Votes of School District General Election

Due to a vacancy, a Special Election was held in conjunction with the State General Election on November 8, 2022, for the purpose of electing one school board member for a one year term which expires January 1, 2024.

The candidate with the highest number of votes is:

Sheila Prior 9,773 votes

In a Special Election, the candidate is seated after the School Board has canvassed the results, a 7 day contest ends after canvassing, all paperwork has been submitted, and the candidate takes the oath of office. With this time frame, the earliest a candidate will be seated is November 22, 2022.

Recommended Action: Approve the resolution canvassing returns of votes of School District Special Election held in conjunction with the State General Election.

AGENDA SECTION: Election of Officers

ITEM: Board Treasurer

COMMENTS BY: Sarah Johansen

State law requires that school boards elect a chair, a clerk, and a treasurer from among the school board members. Upon the certification of the results of the November 2022 special election, Jay Hesby, who was elected as the 2022 Board Treasurer, will not be able to complete his term. The Board must therefore nominate and elect a new Treasurer to serve the duration of the term, until the new slate of Board officers is elected in January 2023.

The Board Chair will preside over the election of the Treasurer.
