Board of Education
Regular Meeting – May 12, 2025

AGENDA SECTION: Approval of Agenda and Consent Agenda Items

ITEM: Approval of Agenda and Consent Agenda Items

COMMENTS BY: Milind Sohoni, Board Chair

Consent Agenda items are considered to be routine in nature and will be enacted by one motion. There will be no separate discussion of these items unless a Board member or citizen so requests, in which event, the item will be removed as a Consent Agenda item and addressed. Consent Agenda items are as follows:

- A. Approval of Minutes
 - 1. Regular Meeting 4.14.25
 - 2. Special Regular Meeting Minutes 4.29.25
- B. Finance and Operations Recommendations
 - 1. Monthly Reports
 - i. Gifts and Bequests- April 2025
 - ii. Check Report- April 2025
 - iii. Wire, EFT & ACH Report- March 2025
- C. Human Resource Recommendations
 - 1. Monthly Recommendations
 - 2. University Agreements
 - i. Augsburg Agreement

Recommended Action: Approve the full agenda as presented, and the consent agenda items.

Simson	Kathryn	0.5000	East Middle School	Enrichment Specialist
Skindingsrd	Thomas	1.0000	High School	SPSVC - Teacher
Stordahl	Claire	1.0000	East Middle School	FACS Teacher
Zagrodnik	Jonathan	0.3330	High School	Social Studies

RECOMMENDED ACTION: Adopt the resolution relating to the termination and non-renewal of the teaching contract of the named probationary teachers. Confirm the non-renewal of One-Year-Only and LTR contracts of the named probationary teachers from the 2024-25 school year.

Motion by: _____ ROLL CALL Passed _____

Second by: _____ Failed _____

Abstentions: _____

INDEPENDENT SCHOOL DISTRICT 284
Wayzata, Minnesota

BOARD OF EDUCATION

Regular Meeting – May 12, 2025

Member _____ introduced the following resolution and moved its adoption:

RESOLUTION RELATING TO THE TERMINATION
AND NONRENEWAL OF THE TEACHING CONTRACT
OF _____, A
PROBATIONARY TEACHER.

WHEREAS, _____ is a probationary teacher in Independent School District 284.

BE IT RESOLVED, by the School Board of Independent School District 284, that pursuant to Minnesota Statutes 122A.40, Subdivision 5, that the teaching contract of _____, a probationary teacher in Independent School District 284, is hereby terminated at the close of the current 2024-25 school year.

BE IT FURTHER RESOLVED that the School Board has reviewed and hereby approves the written notice of nonrenewable for said teacher. The notice to said teacher states the reasons for the nonrenewal. The School Board Chair is direct to sign the written notice on behalf of the Board. The reasons for nonrenewal are classified as private personnel data under the Minnesota Government Data Practices Act, unless the nonrenewal represent the final disposition of disciplinary action. The written notice shall be sent to said teacher regarding termination and nonrenewal of his/her contract as provided by law, and that said notice shall be in substantially the following form:

NOTICE OF TERMINATION
AND NONRENEWAL

.

Dear _____ :

You are hereby notified that at the regular meeting of the School Board of Independent School District 284 held on May 12, 2025, a resolution was adopted by a majority vote to not to renew your contract for the 2025-26 school year. Said action of the Board is taken pursuant to M.S. 122A.40, Subd. 5.

The School Board decided not to renew your contract because *(Reasons will include one or more of the following: 1 - Performance expectations for the 2024-25 school year were not met. 2 - The District is reducing its teaching staff. 3 - You did not have the necessary licensure for continued employment in your position)*. Appropriate supervision was provided to you during your probationary employment in the form of three evaluations conducted by your building principal or special education supervisors. This supervision provided the District with sufficient opportunity to evaluate your performance.

Yours very truly,

SCHOOL BOARD OF
INDEPENDENT SCHOOL DISTRICT 284

Milind Sohoni
Chair of the School Board

The motion for the adoption of the foregoing resolution was duly seconded by _____ and upon vote being taken thereon, the following voted in favor thereof:

and the following voted against the same:
whereupon said resolution was declared duly passed and adopted.

INSTITUTIONAL AFFILIATION AGREEMENT

(Education Clinical Experience Students)

THIS INSTITUTIONAL AFFILIATION AGREEMENT (the "Agreement") is entered into this (the "Effective Date") by and among Augsburg University, a Minnesota nonprofit corporation with its principal offices at 2211 Riverside Avenue South, Minneapolis, MN 55454 ("Augsburg"), and Wayzata Public Schools with its principal offices at 210 County Road 101 N, P.O. Box 660, Wayzata, MN 55391.

Recitals

A. Augsburg operates a state approved teacher education program and desires for its education students (the "Students") to have clinical experiences at the School and to observe, provide instructional services and otherwise receive instruction, training and observational experiences at the School in accordance with Augsburg's academic and educational curriculum objectives under the supervision of one or more qualified faculty members of Augsburg and School staff members with appropriate experience (the "Program"). Such clinical experience could be at the undergraduate or graduate level and include, but not be limited to, pre-student teaching experience, student teaching placements, practicum, internship, or clinical learning.

B. School provides education services and desires to promote clinical experience opportunities for qualified Students in a manner consistent with School's mission, policies and procedures.

C. Augsburg and School desire to enter into this Agreement for the purpose of defining their respective rights and obligations regarding the Students' Program.

In consideration of the foregoing recitals and the mutual covenants contained herein the parties hereby agree as follows:

AGREEMENT

1. General.

1.1. Augsburg and the School shall mutually agree on the number of Students that will participate in the Program.

1.2. Augsburg and the School shall mutually coordinate the curriculum, scheduling and implementation of the Program. Each party shall immediately notify the other party of any changes in School Representative (as defined in Section 2.2), Augsburg Representative (as defined in Section 3.4), or other assigned staff or problems with the curriculum that may affect the learning experiences of Students. School shall have final approval authority for the schedule of Students' participation in the Program.

1.3. During clinical experience as defined in Recital A of this contract, the Augsburg student may complete clinical experience hours as an employee of the school if one of the following applies:

- (a.) The student is working as a paraprofessional in the school, and the student's placement responsibilities and paraprofessional responsibilities have been determined by the clinical experience coordinator, faculty supervisor, cooperating teacher, and clinical experience student and approved by the appropriate clinical experience coordinator.
- (b.) The student has appropriate licensure (short-term substitute teacher, long-term substitute teacher, Tier 2 teaching license, Tier 3 teaching license) and is the teacher-of-record while following Standard 14 of Unit and Program Rule 4576 regarding the supervision of student teachers who are teachers-of-record.

Students deemed employees of the school may be entitled to compensation, benefits, workers' compensation coverage, and professional liability, health, and unemployment insurance from the School.

Students who are not deemed employees of the School are present at the School solely as part of their course of study with Augsburg. Students not employed by the school shall not be entitled to compensation, benefits, workers' compensation coverage, or professional liability, health or unemployment insurance from School.

Any change in employment during the clinical experience period is determined by the School. The student is responsible for notifying the appropriate Augsburg clinical coordinator of any changes in their employment status within the clinical experience school.

1.4. Neither party shall discriminate on the basis of race, color, religion, national origin, gender, age, military status, sexual orientation, marital status, or physical or mental disability. Both parties shall comply with federal and state laws and regulations, including the Americans with Disabilities Act and the Rehabilitation Act of 1973, and the Educational Rights and Privacy Act of 1974 governing the privacy of student records.

1.5. Neither party, nor either party's employees, staff members, faculty members or Students, shall engage in or allow harassing, intimidating or demeaning behavior or create a hostile work environment (collectively "Prohibited Behavior") while participating in the Program or against a participant of the Program. School and Augsburg shall investigate all claims of Prohibited Behavior and shall take corrective action against any person engaging in verifiable acts of Prohibited Behavior.

2. School Rights and Responsibilities. Throughout the term of this Agreement, School shall:

2.1. Remain a duly organized School in good standing, maintain the School in accordance with the laws of Minnesota and the United States, and maintain current applicable and required accreditation.

2.2. Designate a representative to serve as liaison to Augsburg (the "School Representative") and notify Augsburg of any change in such designation.

2.3. Provide the Augsburg Representative (defined in Section 3.4) with a copy of School policies and procedures which relate to the Program or make such material accessible to the Augsburg Representative and Students.

2.4. Provide each Student with an orientation or documentation of policies and procedures that address School policies and procedures.

2.5. Permit Students to use its ancillary facilities, such as parking, library, and cafeteria, and other facilities as reasonably required for the Program; Students utilizing the ancillary facilities shall not be charged any fees beyond the normal charges assessed to employees utilizing these same ancillary facilities.

2.6. Provide each Student, Augsburg Representative or other faculty members participating in the Program with personal protective equipment when such equipment is required to be worn or used in accordance with School's policies and procedures or at the direction of School's administrative personnel.

2.7. Arrange for appropriate supervision of each Student by one or more qualified School staff members with appropriate licensure, privileges/credentials and experience, and provide the Student opportunities to participate in teaching and learning to accomplish the Program objectives under supervision of the designated practicing teacher. School acknowledges that the Student is in a learning status and shall not require Student to render services lacking in educational value or outside the Student's capabilities. School also acknowledges that all teaching and learning of Students providing direct instruction is the responsibility of School.

2.8. Have the right to refuse to accept any Student or immediately remove any Student who, as determined in School's sole discretion, has failed to follow School's policies and procedures, exhibits unprofessional or disruptive behavior, presents a threat to School safety or welfare, or whose performance is otherwise unsatisfactory. Except in emergencies or as otherwise provided in this Agreement, the School shall consult with the Augsburg Representative prior to any such removal. Notwithstanding the removal of any Student, this Agreement shall remain in full force and effect for the other Students.

2.9. Have the right to exclude from the Program any Student who does not provide all information required under the School's policies and procedures in a timely manner.

2.10. Treat all records and data regarding a Student, whether such records or data are received from Augsburg or the Student or are generated by the School, as records and data subject to the provisions of Minnesota Statutes Section 13.04 et seq., Minnesota Rules part 1205.0100 et seq., 20 U.S.C 1232g and 34 C.F.R Section 99.1 et seq. The School shall comply with the provisions of these State and Federal statutes and regulations as applied to records and data regarding any Student placed at the School pursuant to this agreement as though such statutes and regulations were fully applicable to the School.

2.11. As necessary for Augsburg's accreditation, permit inspection of any facilities used for the Program at reasonable times and upon reasonable notice.

2.12. In the event of a Student illness during a clinical experience, provide appropriate emergency care within the capacity and capability of the School; provided, however, that the Student or the Student's health insurer shall be responsible for the cost of such care.

2.13. Maintain professional liability insurance that covers the School in the minimum amount of \$1,000,000 per occurrence and \$3,000,000 annual aggregate and maintain commercial general liability insurance that covers the School in the minimum amount of \$1,000,000 per occurrence and \$1,000,000 annual aggregate. School shall provide Augsburg with original certificates of insurance evidencing such coverage upon request. School shall notify Augsburg promptly of any cancellation or material modification of insurance coverage.

2.14. School shall obtain Augsburg's prior written approval before publishing any material relating to School's, Augsburg's or a Student's participation in the Program. Augsburg shall not unreasonably deny permission to publish material about the Program. This obligation shall survive termination of this Agreement.

3. Augsburg Rights and Responsibilities. Throughout the term of this Agreement, Augsburg shall:

3.1. Operate the Program in accordance with accreditation standards applicable to Augsburg, applicable state and federal laws, rules and regulations, the School's bylaws, rules, policies and procedures, and applicable standards of state licensing.

3.2. Provide, at least seven (7) days prior to a Student starting the Program, the name of the Student participating in the Program and all information and documentation required by this Agreement and School's policies and procedures regarding the Program.

3.3. Designate one or more qualified faculty members or clinical instructors (each an "Augsburg Representative") to serve as liaison to School and to provide academic and educational supervision of the Students participating in the Program. Augsburg shall notify School of any change in Augsburg Representative.

3.4. Provide the academic objectives and guidance for planning, directing and evaluating the Students' learning experience. Augsburg shall assure that each Student has the educational background necessary to participate in the Program. Augsburg shall have control over all phases of the administration of the Program, curriculum content, evaluation, faculty appointments, admission requirements, promotion and graduation, and such other matters as are internal to Augsburg.

3.5. Immediately remove any Student from the Program at School's request in accordance with Section 2.8 and the remaining terms and conditions of this Agreement.

3.6. Provide School with copies of the applicable Augsburg handbooks and educational objectives upon reasonable request by the School.

3.7. Make all reasonable efforts to ensure that each Student and Augsburg Representative shall:

- (a) Comply with Augsburg's handbooks and educational objectives, and the School's rules, policies, procedures and regulations, including without limitation the policies and procedures regarding the Program and the School's policies on student privacy and applicable licensing and accreditation standards.
- (b) Provide information to and cooperate with the School's quality improvement, risk management and peer review processes as reasonably requested from time to time by the School for matters involving the Program.
- (c) Receive and provide School with documentation of training from Augsburg on student privacy standards, and receive and document additional training from School on School's student privacy policies as volunteer members of the School's workforce.
- (d) Obtain School's prior written approval before publishing any material relating to Augsburg's or a Student's participation in the Program. School shall not unreasonably deny permission to publish material about the Program. This obligation shall survive termination of this Agreement.

3.8. Provide professional liability insurance that covers each Student's clinical activities in the School in the minimum amount of \$1,000,000 per occurrence and \$3,000,000 annual aggregate, and provide commercial general liability insurance in the minimum amount of \$1,000,000 per occurrence and \$1,000,000 annual aggregate. Augsburg agrees to maintain workers' compensation insurance for its faculty, Students and any other employees participating in the Program at the School. Augsburg shall provide certificates evidencing such coverage upon request, naming School as an additional insured. Augsburg shall notify School promptly of any cancellation or material reduction of insurance coverage. In the event the insurance is canceled in whole or in part or as to any insured, the School may immediately terminate this Agreement in whole or in part or require that an uninsured Student be removed immediately from participation in the clinical experience. This Section shall survive termination of this Agreement.

3.9 Pay the cooperating teacher an amount not to exceed \$200 per 12-week placement for each **student teacher** placed in the School.

4. Responsibility for Claims.

4.1. Augsburg shall indemnify School and hold School harmless for and against any and all losses, claims, actions, damages, liabilities, and expenses (including reasonable legal fees and disbursements) caused by or attributable to any breach by Augsburg of this Agreement, or any alleged negligent or intentional act or omission of Augsburg or any of its agents, Students or employees in the performance of its obligations under this Agreement.

4.2. School shall indemnify Augsburg and hold Augsburg harmless for and against any and all losses, claims, actions, damages, liabilities, and expenses (including reasonable legal fees and disbursements) caused by or attributable to any breach by School of this Agreement, or any alleged negligent or intentional act or omission of School or any of its agents or employees in the performance of its obligations under this Agreement.

4.3. Each party to this Agreement shall give the other party prompt written notice of any and all claims brought or actions filed against it or against its agents or employees with respect to the subject matter of this Agreement.

5. Term and Termination of Agreement.

This Agreement shall be effective June 30, 2025 and shall remain in effect until June 30, 2027. Notwithstanding the above, this Agreement may be terminated by either party at any time, without cause, upon sixty (60) days prior written notice. Provided, however, such termination shall not take effect with respect to Students already participating in the Program until such Students have completed the Program. This Agreement shall immediately terminate if either party is excluded from participation in any federally funded program or fails to maintain, in good standing, its licensure, certification or institutional accreditation, as applicable, to operate its School or program.

6. Notices.

Whenever notice is required or permitted under this Agreement, it shall be given by certified or registered mail, return receipt requested, to the parties at the addresses as set forth below or to such other address and to the attention of such other person(s) or officer(s) as either party may designate by written notice.

7. Governing Law.

This Agreement shall be governed, construed and enforced in accordance with the laws of the State of Minnesota, without regard to its conflict of laws provisions.

8. Assignment.

Neither party shall assign or transfer, in whole or in part, this Agreement or any rights, duties or obligations under this Agreement without the prior written consent of the other party. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

9. Waiver of Breach.

The waiver by either party of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach by either party. No waiver shall be effective unless it is in writing and signed by the waiving party.

10. Severability.

Every provision of this Agreement is intended to be severable. If any term or provision hereof is held to be illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity or the legality of the remainder of this Agreement.

11. Counterparts.

This Agreement and amendments thereto may be executed in multiple copies, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

12. Third Party Beneficiary.

This Agreement is solely for the benefit of the parties and their respective successors and permitted assigns, and no other person (including, but not limited to, a Student) has any right, benefit, priority or interest under or because of the existence of this Agreement.

13. Entire Agreement.

This Agreement supersedes all previous contracts related to the Program. Neither party shall be entitled to benefits other than those specified herein. No oral statements or prior written material not specifically incorporated herein shall be of any force and effect and no changes or additions hereto shall be recognized unless incorporated herein by written amendment(s), such amendment(s) to become effective on the date stipulated in such amendment(s). Both parties specifically acknowledge that, in entering into and executing this Agreement, they rely solely upon

the representations and agreements contained in this Agreement and no others. This Agreement is not conditioned upon School's execution of any other contract or agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

Regular Meeting – May 12, 2025

AGENDA SECTION: Reports from Organizations

ITEM: Wayzata High School Student Council Representative

COMMENTS BY: Milind Sohoni, Board Chair

This section of the agenda provides an opportunity for a Wayzata High School Student Council Representative to report on information and events at Wayzata High School.

- Peyton Moidl, Student Council Vice President

Board of Education
Regular Meeting – May 12, 2025

AGENDA SECTION: Recognitions

ITEM: Chace B. Anderson, Superintendent

COMMENTS BY: _____

WAYZATA HIGH SCHOOL ATHLETIC TRAINER CHRIS THEIN NAMED FRED ZAMBERLETTI AWARD WINNER

The Minnesota Chapter of the National Football Foundation is excited to announce that Wayzata High School athletic trainer Chris Thein has been named this year’s recipient of the Fred Zamberletti Award. Thein will be recognized during this summer’s Minnesota Football Honors television show.

“Chris has helped countless athletes achieve their optimal performance, recover and get back on the field safely. His attention to detail and passion for serving student-athletes shines across the local community,” said Todd Fultz, President of the Minnesota Chapter of the National Football Foundation. “We are very excited to honor Chris during the Minnesota Football Honors television show.”

Chris Thein is a licensed Athletic Trainer and Nationally Registered Emergency Medical Technician with Twin Cities Orthopedics. He has served as the athletic trainer for Wayzata High School for the past 26 years. Thein is also a certified American Red Cross and American Heart Association Basic Life Supporter for M Health Fairview Emergency Response Training.

The Fred Zamberletti Award honors the late Fred Zamberletti, the Minnesota Vikings’ first head athletic trainer. While working for the organization, Zamberletti became an athletic training pioneer. After his long career as the Vikings’ head athletic trainer, he was named the team’s coordinator for medical services (1998-2001) and senior consultant/team historian (2002-2018).

Congratulations Chris, on this highly prestigious award!

AGENDA SECTION: Recognitions

ITEM: WHS Scholastic Arts Award

COMMENTS BY: Chace B. Anderson, Superintendent

Scholastic Art Awards is the nation’s longest-running, most prestigious recognition program for creative teens.

The Scholastic Art Awards are open to all art students age 13 or older in grades 7 - 12 from public, private and home schools and community programs serving eligible student populations.

By participating in the Scholastic Art Awards, students receive opportunities for recognition, digital exhibition, and scholarships.

This year Wayzata High School had several students enter their artwork, and many received recognition for their efforts and talents.

It is my pleasure to introduce to you the following students who received Gold Medal:

- Magdalena Luehmann
- Olivia Schiller
- Riya Senthil
- Kingdon Bondy
- Ruby Rolfe
- Kara Bolognino

ITEM: Employee of the Month

COMMENTS BY: Chace B. Anderson, Superintendent

Wayzata Public Schools
May 2025 Employees of the Month
Korey Riley and Annie Stokes
Gleason Lake Elementary

Korey has been with the district for the past seven years, during which she has served as a special education teacher at both Wayzata West Middle School and Gleason Lake. Annie has been our behavior support paraprofessional for the past six and a half years, following three years in other paraprofessional roles. Both Korey and Annie bring exceptional dedication, compassion, expertise, and care to their work, enriching our school community in innumerable ways.

Korey is a compassionate educator who creates an inclusive, supportive environment where all students can thrive. She adapts lessons to meet diverse needs, ensuring that every student receives a high-quality education in a safe and welcoming space.

Her colleagues shared the following:

Korey's collaboration with her special education teammates and paraprofessionals has been vital in building a strong, supportive learning environment. She provides ongoing guidance and training to paraprofessionals, helping them effectively implement instructional strategies. This teamwork fosters personalized support, allowing students to thrive both academically and socially.

Annie is known for her dependability, flexibility, and calm demeanor. She responds to student support walkie calls throughout the day, always with patience and a problem-solving mindset. Annie consistently goes above and beyond to meet the needs of our school.

Here's what staff members had to say:

Annie is someone we can all count on—steady, reliable, and always ready to lend a listening ear. Her calm presence makes even the busiest days more manageable, and her quiet leadership brings out the best in all of us. Annie exemplifies what it means to be a team player. Her kindness, thoughtfulness, and consistency make our school a better place.

Korey and Annie have played key roles in supporting our students' growth, development, and confidence. We deeply appreciate their positive energy, influential leadership, and steadfast dedication to the success and well-being of our entire school community.

Congratulations to Korey Riley and Annie Stokes—our well-deserving Wayzata Employees of the Month!

Regular Meeting – May 12, 2025

AGENDA SECTION: Recognitions

ITEM: Retiree Recognitions

COMMENTS BY: Chace B. Anderson, Superintendent

Tonight we would like to recognize the following employees who announced their retirement in 2024-25. We would like to thank them for their years of service to Wayzata Public Schools and wish them well in their future endeavors.

<u>Name</u>	<u>Position</u>	<u>Years of Service</u>
Ron Tudahl	Custodian, High School	26 Years
Gwyn Rasmussen	Teacher, Birchview	20 Years
Penny Blankenship	Community Ed Registration and Finance Specialist	16 Years

School Spotlight - Gleason Lake Elementary
Board Meeting
May 12, 2025

District Strategic Directions

1. Ensure a high-quality daily experience for each and every student.
2. Deliver high-quality instruction that leads to high academic achievement for all students.

Gleason Lake School Growth Plan

Academic Achievement Goal

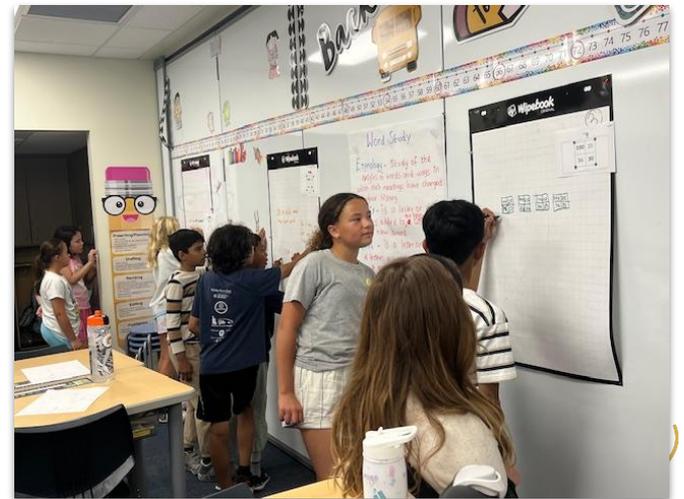

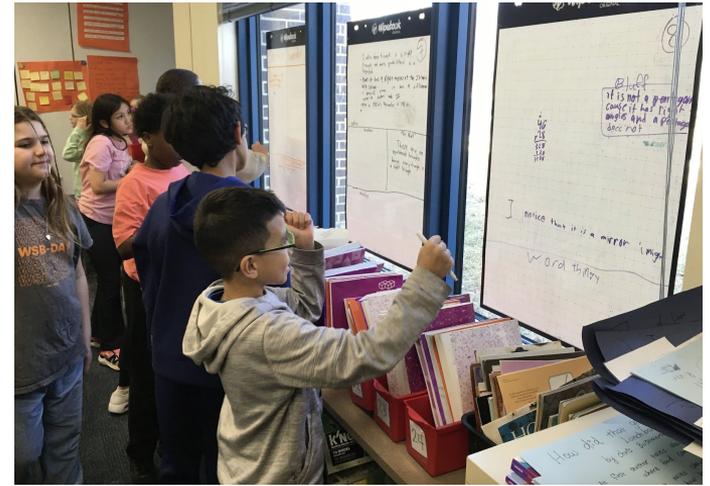

By May 31, 2025, the percentage of all students in Grades K-5 at GL elementary whose Fall to Spring growth is in the “Typical Growth” or “aggressive Growth” range on the Fastbridge early Reading and aReading test will increase from 58.3% in Spring 2024 to 61.3% in Spring 2025.

Student Experience Goal

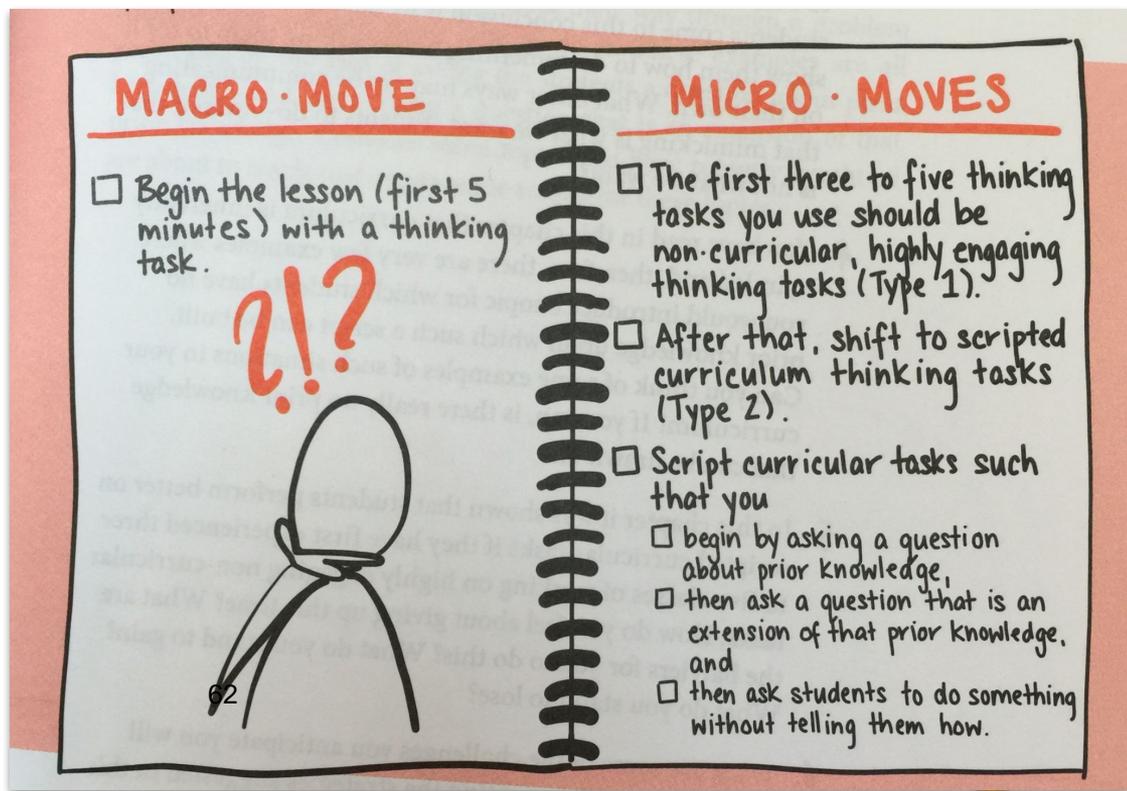

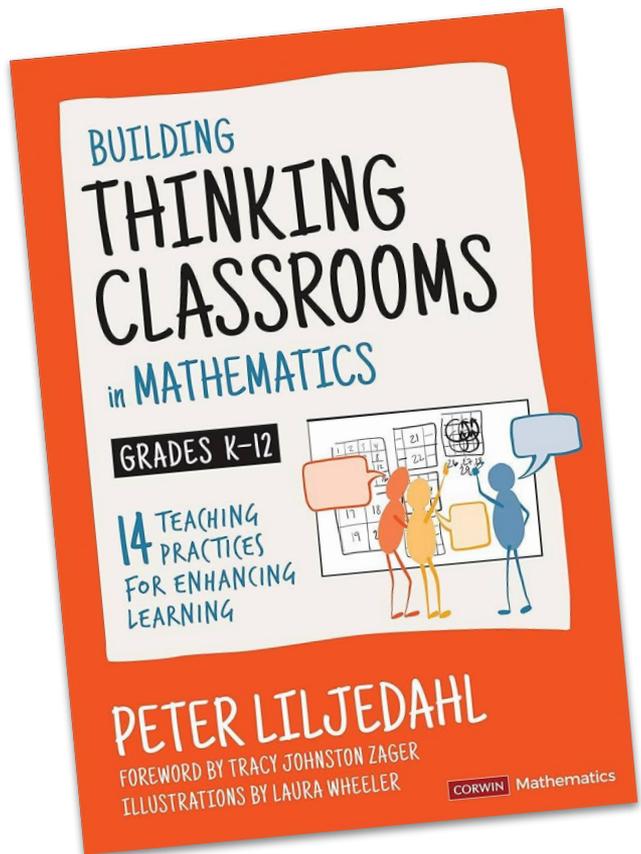

We will increase the number of students who responded ‘yes’ in response to the question, ‘In school, we have discussions where everyone can share their thoughts and learn from each other’ from 72% to 74%.

Tonight's Purpose

1. Discover how our students make their thinking visible and learn from one another
2. Understand the critical role of Tier 1 instruction in supporting student success
3. Learn how we effectively utilize our resources to support student learning

Building Thinking Classrooms Background

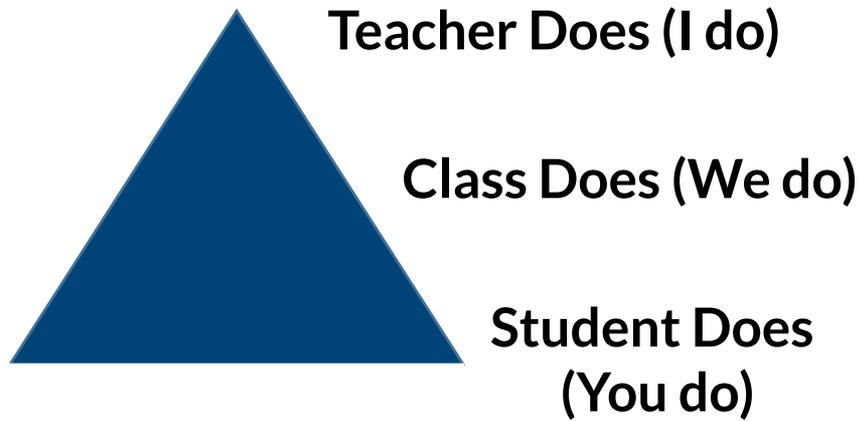

“Thinking is a necessary precursor to learning, and if students are not thinking, they are not learning.”

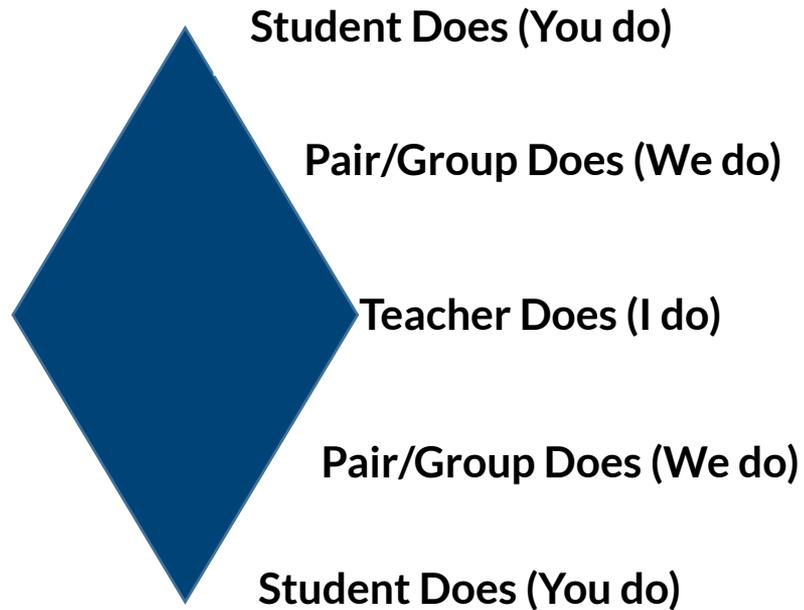

“If we want our students to think, we need to give them something to think about.”

“If we are thinking we will be engaged. And if we are engaged, we are thinking.”

Building Thinking Classroom in Mathematics - Peter Liljedahl

TIME

Visibly Random Groups

② Visibly Random Groups

- Randomly assigned
eg playing cards
- Daily & in front of students
- 2 or 3 students / group

- Sit & stand together

- Reduces social barriers
- Does not send implicit messages about who is capable/not capable
- Increases overall engagement
- Smoother/quicker transitions
- Make it student driven
- Embedded SEL

Vertical Non-Permanent Surfaces

③ Vertical NonPermanent Surfaces

- Vertical
- Erasable

WHITEBOARD

CHALKBOARD

WINDOW

- 1 marker or chalk per group
↳ promotes discussion

Consider what procedures or agreements might be needed:

- No erasing
- Move the marker
- All voices heard
- Try/show multiple strategies

Family Partnership Lead

Collaborate and co-teach with licensed staff to leverage student strengths and knowledge in an effort to support the child's academic growth focusing on culturally responsive teaching practices.

**Co-teach
Lessons**

**Circle
Practice**

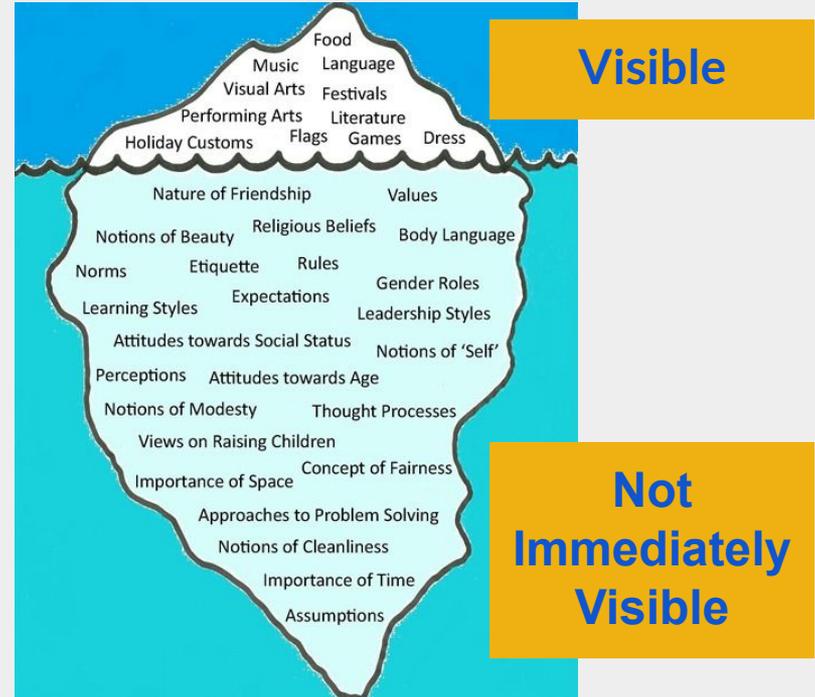

**Basic
Needs
Lessons**

**Culturally
Responsive
Strategies**

Connecting with families – supports building the bridge between school and home

What is culture?

Culture is the abstract, learned, shared rules, and standards for generating behavior and understanding experience.

Board of Education
Regular Meeting – May 12, 2025

AGENDA SECTION: Audience Opportunity to Address the Board

ITEM: Audience Opportunity to Address the Board

COMMENTS BY: Milind Sohoni, Board Chair

This section of the agenda provides an opportunity for members of the audience to address the School Board. Speakers will be allotted approximately three minutes.

Please note that this time is provided for citizens to address the Board; this is not an appropriate venue for a discussion or debate. If the speaker would like follow-up contact from the School Board, they may leave their contact information with the administrative assistant.

Board of Education
Regular Meeting – May 12, 2025

AGENDA SECTION: Superintendent’s Reports and Recommendations

ITEM: Policy Approvals

COMMENTS BY: Chace B. Anderson, Superintendent

Attached for review are the following policies for your consideration.

The policies and regulations were reviewed as part of the regular review cycle and using the Minnesota School Board Association Model Policy (where available), by District Administration and other district stakeholders, where necessary. A final review was completed by the Policy Committee of the School Board.

Policy Approvals:

- 606- Instructional Arrangements- Class Size
- 608- Literacy and the Read Act
- 626- Nonpublic Student Participation
- 631- Technology Acceptable Use and Safety
- 914- Relations with Community Organizations
- 915- Relations with Religious Organizations

RECOMMENDED ACTION: Approve the above policies as presented in the attachments.

Motion by: _____ **Yes:** _____ **Passed:** _____

Second by: _____ **No:** _____ **Failed:** _____

Abstentions: _____

606 INSTRUCTIONAL ARRANGEMENTS - CLASS SIZE

I. PURPOSE

The purpose of this policy is to provide guidance regarding instructional arrangement and class size.

II. GENERAL STATEMENT OF POLICY

Within the limits of available resources the School Board is committed to maintaining professional staffing levels which provide for reasonable class sizes throughout the district. The Board expects that the administration will undertake staffing decisions with sufficient flexibility to permit a range of staff assignments dependent upon circumstances. The goal includes both sound education and cost effective instruction.

LAST REVIEWED: May 12, 2025

608 LITERACY AND THE READ ACT

I. PURPOSE

The purpose of this policy is to align with Minnesota law established in the READ Act and on other topics related to reading.

II. GENERAL STATEMENT OF POLICY

The School Board recognizes the centrality of reading in a student's educational experience.

III. DEFINITIONS

- A. "Evidence-based" means the instruction or item described is based on reliable, trustworthy, and valid evidence and has demonstrated a record of success in increasing students' reading competency in the areas of phonological and phonemic awareness, phonics, vocabulary development, reading fluency, and reading comprehension. Evidence-based literacy instruction is explicit, systematic, and includes phonological and phonemic awareness, phonics and decoding, encoding, fluency, vocabulary, oral language, and comprehension that can be differentiated to meet the needs of individual students. Evidence-based instruction does not include the three-cueing system, as defined in subdivision 16.
- B. "Fluency" means the ability of students to read text accurately, automatically, and with proper expression.
- C. "Foundational reading skills" include phonological and phonemic awareness, phonics and decoding, and fluency. Foundational reading skills appropriate to each grade level must be mastered in kindergarten, grade 1, grade 2, and grade 3. Struggling readers in grades 4 and above who do not demonstrate mastery of grade-level foundational reading skills must continue to receive explicit, systematic instruction to reach mastery.
- D. "Literacy specialist" means a person licensed by the Professional Educator Licensing and Standards Board as a teacher of reading, a special education teacher, or a

kindergarten through grade 6 teacher, who has completed professional development approved by the Minnesota Department of Education (MDE) in structured literacy. A literacy specialist employed by the department under Minnesota Statutes, section 120B.123, subdivision 7, or by a district as a literacy lead, is not required to complete the approved training before August 30, 2025.

- E. "Literacy lead" means a literacy specialist with expertise in working with educators as adult learners. A district literacy lead must support the district's implementation of the READ Act; provide support to school-based coaches; support the implementation of structured literacy, targeted instructional matches, curriculum delivery, and teacher training; assist with the development of personal learning plans; and train paraprofessionals and other support staff to support classroom literacy instruction. A literacy lead may be employed by one district, jointly by two or more districts, or may provide services to districts through a partnership with the regional service cooperatives or another district.

- F. "Multitiered system of support" or "MTSS" means a systemic, continuous improvement framework for ensuring positive social, emotional, behavioral, developmental, and academic outcomes for every student. The MTSS framework provides access to layered tiers of culturally and linguistically responsive, evidence-based practices and relies on the understanding and belief that every student can learn and thrive. Through an MTSS at the core (Tier 1), supplemental (Tier 2), and intensive (Tier 3) levels, educators provide high quality, evidence-based instruction and intervention that is matched to a student's needs; progress is monitored to inform instruction and set goals; and data is used for educational decision making.

- G. "Oral language," also called "spoken language," includes speaking and listening, and consists of five components: phonology, morphology, syntax, semantics, and pragmatics.

- H. "Phonemic awareness" means the ability to notice, think about, and manipulate individual sounds in spoken syllables and words.

- I. "Phonics instruction" means the explicit, systematic, and direct instruction of the relationships between letters and the sounds they represent and the application of this knowledge in reading and spelling.

- J. "Progress monitoring" the regular and systematic collection of data about student progress. Progress monitoring, a type of formative assessment, is used to assess student academic performance, to quantify a student's rate of improvement or responsiveness to instruction, and to evaluate the effectiveness of instruction. Progress monitoring can be implemented with individual students or an entire class.

- K. "Reading comprehension" means a function of word recognition skills and language comprehension skills. It is an active process that requires intentional thinking during which meaning is constructed through interactions between the text and reader. Comprehension skills are taught explicitly by demonstrating, explaining, modeling, and implementing specific cognitive strategies to help beginning readers derive meaning through intentional, problem-solving thinking processes.

- L. "Structured literacy" means an approach to reading instruction in which teachers carefully structure important literacy skills, concepts, and the sequence of instruction to facilitate children's literacy learning and progress. Structured literacy is characterized by the provision of systematic, explicit, sequential, and diagnostic instruction in phonemic awareness, phonics, fluency, vocabulary and oral language development, and reading comprehension.

- M. "Three-cueing system," also known as "meaning structure visual (MSV)," means a method that teaches students to use meaning, structure and syntax, and visual cues when attempting to read an unknown word.

- N. "Vocabulary development" means the process of acquiring new words. A robust vocabulary improves all areas of communication, including listening, speaking, reading, and writing. Vocabulary growth is directly related to school achievement and is a strong predictor for reading success.

IV. READING SCREENER; PARENT NOTIFICATION AND INVOLVEMENT

- A. The school district must administer an approved evidence-based reading screener to students in kindergarten through grade 3 within the first six weeks of the school year, and again within the last six weeks of the school year. The screener must be one of the screening tools approved by the Minnesota Department of Education (MDE).

- B. The school district must identify any screener it uses in the district’s annual literacy plan, and submit screening data with the annual literacy plan by June 15.
- C. Schools, at least biannually after administering each screener, must give the parent of each student who is not reading at or above grade level timely information about:
 - a. the student's reading proficiency as measured by a screener approved by MDE;
 - b. reading-related services currently being provided to the student and the student's progress; and
 - c. strategies for parents to use at home in helping their student succeed in becoming grade-level proficient in reading in English and in their native language.
- D. The school district may not use this section to deny a student's right to a special education evaluation.

V. IDENTIFICATION AND REPORT

- A. Students enrolled in kindergarten, grade 1, grade 2, and grade 3, including multilingual learners and students receiving special education services, must be universally screened for mastery of foundational reading skills, including phonemic awareness, phonics, decoding, fluency, oral language, and for characteristics of dyslexia as measured by a screening tool approved by MDE. The screening for characteristics of dyslexia may be integrated with universal screening for mastery of foundational skills and oral language.
- B. The school district must submit data on student performance in kindergarten, grade 1, grade 2, and grade 3 on foundational reading skills, including phonemic awareness, phonics, decoding, fluency, and oral language to MDE in the annual local literacy plan submission due on June 15.
- C. Students in grades 4 and above, including multilingual learners and students receiving special education services, who do not demonstrate mastery of foundational reading skills, including phonemic awareness, phonics, decoding, fluency, and oral language, must be screened using a screening tool approved by MDE for characteristics of dyslexia and must continue to receive evidence-based instruction, interventions, and progress monitoring until the students achieve grade-level proficiency. A parent, in consultation with a teacher, may opt a student out of the literacy screener if the parent and teacher decide that continuing to screen would not be beneficial to the student. In such

limited cases, the student must continue to receive progress monitoring and literacy interventions.

- D. Reading screeners in English, and in the predominant languages of school district students where practicable, must identify and evaluate students' areas of academic need related to literacy. The school district also must monitor the progress and provide reading instruction appropriate to the specific needs of multilingual learners. The school district must use an approved, developmentally appropriate, and culturally responsive screener and annually report summary screener results to the MDE Commissioner by June 15 in the form and manner determined by the MDE Commissioner.
- E. The school district must include in its literacy plan a summary of the district's efforts to screen, identify, and provide interventions to students who demonstrate characteristics of dyslexia as measured by a screening tool approved by MDE. With respect to students screened or identified under paragraph (a), the report must include:
 - a. a summary of the school district's efforts to screen for dyslexia;
 - b. the number of students universally screened for that reporting year;
 - c. the number of students demonstrating characteristics of dyslexia for that year; and
 - d. an explanation of how students identified under this subdivision are provided with alternate instruction and interventions under Minnesota Statutes, section 125A.56, subdivision 1.

VI. INTERVENTION

- A. For each student identified under the screening identification process, the school district shall provide reading intervention to accelerate student growth and reach the goal of reading at or above grade level by the end of the current grade and school year.
- B. The school district must implement progress monitoring, as defined in Minnesota Statutes, section 120B.1118, for a student not reading at grade level.
- C. The school district must use evidence-based curriculum and intervention materials at each grade level that are designed to ensure student mastery of phonemic awareness, phonics, vocabulary development, reading fluency, and reading comprehension. Starting July 1, 2023, if the school district purchases new literacy curriculum, or literacy intervention or

supplementary materials, the curriculum or materials must be evidence-based as defined in Minnesota Statutes, section 120B.1118.

- D. If a student does not read at or above grade level by the end of the current school year, the school district must continue to provide reading intervention until the student reads at grade level. School district intervention methods shall encourage family engagement and, where possible, collaboration with appropriate school and community programs that specialize in evidence-based instructional practices and measure mastery of foundational reading skills, including phonemic awareness, phonics, decoding, fluency, and oral language.
- E. By the 2025-2026 school year, intervention programs must be taught by an intervention teacher or special education teacher who has successfully completed training in evidence-based reading instruction approved by MDE. Intervention may include but is not limited to requiring student attendance in summer school, intensified reading instruction that may require that the student be removed from the regular classroom for part of the school day, extended-day programs, or programs that strengthen students' cultural connections.
- F. The school district must determine the format of the personal learning plan in collaboration with the student's educators and other appropriate professionals. The school must develop the learning plan in consultation with the student's parent or guardian. The personal learning plan must include targeted instruction that is evidence-based and ongoing progress monitoring, and address knowledge gaps and skill deficiencies through strategies such as specific exercises and practices during and outside of the regular school day, group interventions, periodic assessments or screeners, and reasonable timelines. The personal learning plan may include grade retention, if it is in the student's best interest; a student may not be retained solely due to delays in literacy or not demonstrating grade-level proficiency. A school must maintain and regularly update and modify the personal learning plan until the student reads at grade level. This paragraph does not apply to a student under an individualized education program.

VII. LOCAL LITERACY PLAN

- A. The school district must adopt a local literacy plan to have every child reading at or above grade level every year beginning in kindergarten and to support multilingual learners and students receiving special education services in achieving their individualized reading goals. The school district must update and submit the plan to the Commissioner of MDE by June 15 each year. The plan must be consistent with the READ Act, and include the following:

- a. a process to assess students' foundational reading skills, oral language, and level of reading proficiency and the screeners used, by school site and grade level, under Minnesota Statutes, section 120B.123;
- b. a process to notify and involve parents;
- c. a description of how schools in the school district will determine the targeted reading instruction that is evidence-based and includes an intervention strategy for a student and the process for intensifying or modifying the reading strategy in order to obtain measurable reading progress;
- d. evidence-based intervention methods for students who are not reading at or above grade level and progress monitoring to provide information on the effectiveness of the intervention;
- e. identification of staff development needs, including a plan to meet those needs;
- f. the curricula used by school site and grade level;
- g. a statement of whether the school district has adopted an MTSS framework;
- h. student data using the measures of foundational literacy skills and mastery identified by MDE for the following students:
 - i. students in kindergarten through grade 3;
 - ii. students who demonstrate characteristics of dyslexia; and
 - iii. students in grades 4 to 12 who are identified as not reading at grade level; and
 - iv. the number of teachers and other staff that have completed training approved by the department.

B. The school district must post its literacy plan on the official school district website and submit it to the Commissioner of MDE using the template developed by the Commissioner beginning June 15, 2024.

VII. STAFF TRAINING

- A. Beginning July 1, 2024, a school district must provide access to the training required under Minnesota Statutes, section 120B.123, subdivision 5, to:
 1. intervention teachers working with students in kindergarten through grade 12;
 2. all classroom teachers of students in kindergarten through grade 3 and children in prekindergarten programs;
 3. special education teachers;
 4. curriculum directors;

- 5. instructional support staff who provide reading instruction; and
- 6. employees who select literacy instructional materials for a district.

- B. The school district must provide training from a menu of approved evidence-based training programs to all reading intervention teachers, literacy specialists, and other teachers and staff identified in Minnesota Statutes, section 120B.12, subdivision 1, paragraph (b), by July 1, 2025; and by July 1, 2027, to other teachers in the school district, prioritizing teachers who work with students with disabilities, English learners, and students who qualify for the graduation incentives program under Minnesota Statutes, section 124D.68. The Commissioner of MDE may grant a school district an extension to these deadlines.
- C. By August 30, 2025, the school district must employ or contract with a literacy lead, or be actively supporting a designated literacy specialist through the process of becoming a literacy lead. The school board may satisfy the requirements of this subdivision by contracting with another school board or cooperative unit under Minnesota Statutes, section 123A.24 for the services of a literacy lead by August 30, 2025. The school district literacy lead must collaborate with school district administrators and staff to support the school district's implementation of requirements under the READ Act.

IX. STAFF DEVELOPMENT

- A. The school district must provide training programs on evidence-based reading instruction to teachers and instructional staff in accordance with subdivision 1, paragraph (b). The training must include teaching in the areas of phonemic awareness, phonics, vocabulary development, reading fluency, reading comprehension, and culturally and linguistically responsive pedagogy.
- B. The school district shall use the data under Article V. above to identify the staff development needs so that:
 - a. elementary teachers are able to implement explicit, systematic, evidence-based instruction in the five reading areas of phonemic awareness, phonics, fluency, vocabulary, and comprehension with emphasis on mastery of foundational reading skills as defined in Minnesota Statutes, section 120B.1118 and other literacy-related areas including writing until the student achieves grade-level reading and writing proficiency;
 - b. elementary teachers have sufficient training to provide students with evidence-based reading and oral language instruction that meets students'

- developmental, linguistic, and literacy needs using the intervention methods or programs selected by the school district for the identified students;
 - c. licensed teachers employed by the school district have regular opportunities to improve reading and writing instruction;
 - d. licensed teachers recognize students' diverse needs in cross-cultural settings and are able to serve the oral language and linguistic needs of students who are multilingual learners by maximizing strengths in their native languages in order to cultivate students' English language development, including oral academic language development, and build academic literacy; and
 - e. licensed teachers are well trained in culturally responsive pedagogy that enables students to master content, develop skills to access content, and build relationships.
- C. The school district must provide staff in early childhood programs sufficient training to provide children in early childhood programs with explicit, systematic instruction in phonological and phonemic awareness; oral language, including listening comprehension; vocabulary; and letter-sound correspondence.

X. LITERACY INCENTIVE AID USES

- A. The school district must use its literacy incentive aid to support implementation of evidence-based reading instruction. The following are eligible uses of literacy incentive aid:
- 1. training for kindergarten through grade 3 teachers, early childhood educators, special education teachers, reading intervention teachers working with students in kindergarten through grade 12, curriculum directors, and instructional support staff that provide reading instruction, on using evidence-based screening and progress monitoring tools;
 - 2. evidence-based training using a training program approved by MDE;
 - 3. employing or contracting with a literacy lead, as defined in Minnesota Statutes, section 120B.1118;
 - 4. materials, training, and ongoing coaching to ensure reading interventions under Minnesota Statutes, section 125A.56, subdivision 1, are evidence-based; and costs of substitute teachers to allow teachers to complete required training during the teachers' contract day.

626 NONPUBLIC STUDENT PARTICIPATION

I. PURPOSE

The purpose of this policy is to provide guidance for the participation of nonpublic students in school activities.

II. GENERAL STATEMENT OF POLICY

In accordance with the statutory discretionary authority provided to school boards regarding District resident students who are not enrolled in the public schools, the School Board of Wayzata Public Schools establishes the following as policy of District 284:

- A. Participation in curricular programs may or may not be allowed based on class size, staffing, facility availability and other factors as determined by the Superintendent or the Superintendent's designee.
- B. Shared time students will not be included in the school district population for mandated state testing.
- C. Nonpublic school students may participate on the same basis as public school students in activities and athletics sponsored by Community Education, but except as noted below, may not participate in extracurricular or co-curricular activities at either the elementary, middle school, or high school levels.
- D. By Minnesota statute resident pupils who receive instruction in a home school (where five or fewer students receive instruction) may fully participate in extracurricular activities of the school district on the same basis as other public school students.
- E. State and district-wide tests administered through District 284 will be made available, upon request, to nonpublic students at a time and place to be determined by the Superintendent or designee.

631 TECHNOLOGY ACCEPTABLE USE AND SAFETY POLICY

I. PURPOSE

The purpose of this policy is to set forth policies and guidelines for access to the school district's technologies, use of personal and district-owned devices within the district, use of the district's technology system, and the acceptable and safe use of the Internet, including electronic communications.

II. GENERAL STATEMENT OF POLICY

In making decisions regarding student, employee, parent, and community access to the school district technology system, resources, and the Internet, including electronic communications, the school district considers its own stated educational mission, goals, and objectives. Electronic information research skills are now fundamental to the preparation of citizens and future employees. Access to the school district technology system and to the Internet enables students and employees to explore thousands of libraries, databases, bulletin boards, and other resources while exchanging messages with people around the world. The school district expects that staff will blend thoughtful use of the school district technology system and the Internet throughout the curriculum and will provide guidance and instruction to students in their use.

III. LIMITED TO AN EDUCATIONAL PURPOSE

The school district is providing students and employees with access to the school district technology system, which includes Internet access. The purpose of the system is more specific than providing students and employees with general access to the Internet. The school district technology system is limited to an educational purpose, which includes the use of the system for classroom activities, educational research, and professional or career development activities. Users are expected to use the technology system and the Internet access through the district system to further educational and personal goals consistent with the mission of the school district and school policies. Uses that might be acceptable on a user's private personal account on another system may not be acceptable on this limited-purpose system.

The school district technology system is the property of the Wayzata Public Schools School District. At no time does the District relinquish its exclusive control of electronic technologies. Inappropriate use of District electronic technologies, including interfering with technology system functions, may result in the limitation or revocation of access.

Employees may use the district technology system for reasonable personal use, except for activities denied or prohibited in these regulations. Reasonable use is defined as use that does not interfere with professional responsibilities. If there is a question regarding reasonable personal use, please contact your supervisor or principal.

IV. USE OF SYSTEM IS A PRIVILEGE

The use of the school district technology system and access to the Internet is a privilege, not a right. Depending on the nature and degree of the violation and the number of previous violations, unacceptable use of the school district technology system or the Internet may result in one or more of the following consequences: suspension or cancellation of use or access privileges; payments for damages and repairs; discipline under other appropriate school district policies, including suspension, expulsion, exclusion, or termination of employment; or civil or criminal liability under other applicable laws.

914 RELATIONS WITH COMMUNITY ORGANIZATIONS

I. PURPOSE

The purpose of this policy is to define the parameters of the relationship between community organizations, the school district, and individual schools.

II. GENERAL STATEMENT OF POLICY

- A. The School Board recognizes that the community service responsibilities of a district rightfully extend beyond provision of academic instruction to youth. It is aware that such responsibilities sometimes entail cooperation with governmental and community agencies in offering types of services for which schools are especially qualified or equipped. Such services may include but are not limited to charitable solicitations, disease immunizations, and health and safety screening programs.
- B. The superintendent or designee is directed to evaluate each request for the district to facilitate or support externally sponsored public services. The superintendent or designee should approve only those in which community interest is favorably balanced against the time and personnel resources which the district directs to such facilitation or support. All approved community services should be implemented in a manner which will minimize diversion from the district's primary instructional mission.

915 RELATIONS WITH RELIGIOUS ORGANIZATIONS

I. PURPOSE

The purpose of this policy is to define the parameters of the relationship between religious organizations, the school district, and individual schools.

II. GENERAL STATEMENT OF POLICY

- A. The School Board is aware of the important community service role played by religious organizations, and it desires to cooperate with such institutions in ways which are fully consistent with public law. It directs the superintendent to develop procedures which facilitate such cooperation to the end that the best interests of students are thereby served.

2024-25 School Year Financial Report Analysis

Excellence. For each and every student.

For the Month Ended March 31, 2025

Statement of Revenues Analysis

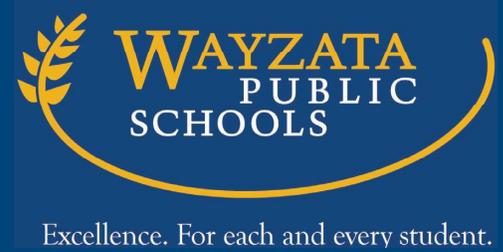

This analysis reflects revenue received by the month end noted above. These numbers are representative of the first nine fiscal months of the FY 2024-25. State Aid revenues are right in-line with prior fiscal year. Property Taxes are slightly up from prior years but within expectations. Deviations in revenue from prior years include Federal Aids and Miscellaneous Local Revenue which can vary year to year and are also impacted by FY24 accrued revenues as draws are completed. As a reminder, Federal funds are drawn after the expenditures take place which can happen after the fiscal year closes. The district still had a very small portion of CARES Act dollars to spend down by 9/30/2024 and draw by December 2024. The deviations in Food Service are related to FY2023-24 accruals and also related the Free Lunch program from MDE. Community Education revenue is right in-line from the prior fiscal years. The budgets for the revenues analysis have been updated to FY 2024-25 revised budgets that were approved by the board.

Statement of Expenditures Analysis

This analysis reflects actual expenditures and does not include outstanding encumbrances along with representing the first nine fiscal months of the FY 2024-25. Overall expenditures are relatively similar to prior years. Salaries are right in line with prior years shown and benefits are slightly higher than prior years percentages but still in line with expectations and budget planning. As is usually always the case, variations compared to prior years are primarily driven by the timing of payments, timing of projects, timing of purchases of supplies, materials, and capital expenditures along with the timing of payments for purchased services. The budgets for the expenditures analysis have been updated to FY 2024-25 revised budgets that were approved by the board.

BOARD OF EDUCATION
Regular Meeting – May 12, 2025

AGENDA SECTION: Administrative Reports and Recommendations

ITEM: Finance and Operations Recommendations

COMMENTS BY: David Draskovich, Director of Finance

Intermediate School District 287 Long-Term Facilities Maintenance FY2027

The 2015 legislative session established the Long-term Facilities Maintenance Revenue Program for School Districts, replacing the Health and Safety Revenue, Deferred Maintenance Revenue, and Alternative Facilities Bonding and Levy programs beginning with fiscal year (FY) 2017.

Annually, Intermediate School District 287 must have a ten-year capital plan adopted by its board and each member district's school board. Intermediate School District 287 approves the levy a year in advance to accommodate several of its member districts who levy a year in advance.

Recommended Action: Approve Intermediate School District 287's Long-Term Facilities Maintenance capital expenditure plan for fiscal years 2027 through 2036 and adopt the resolution affirming Wayzata Public Schools' portion of the FY2026-2027 expenditures in the amount of \$180,147.11.

RESPONSIVE. INNOVATIVE. SOLUTIONS.

District 287 Long-Term Facilities Maintenance (LTFM) 10 Year Plan – 2026-27 Talking Points

April 10, 2025

Author

Brian Schultz, Executive Director of Business Services

Background

- This is the beginning of the LTFM approval process. Our costs will go on member district 2026 levies and fund expenses in FY27 or future year projects (funds are held in a restricted reserve for LTFM project costs if unspent) – this is done early due to timing of levy process.
- Since intermediate districts do not have a dollar limit in statute, District 287 & BDAC have agreed to maintain a stable levy amount (approx. \$6.2M) between our combined LTFM levy and lease levy as a limit.
 - This helps keep a stable and consistent levy for member district taxpayers
 - Allows District 287 the flexibility to increase LTFM funds when our lease levy decreases, which is occurring in FY27. If we need additional lease levy funds in the future, we would reduce our LTFM levy to continue to maintain a stable levy amount for member districts.
 - District 287 gets a funding source to maintain aging buildings while giving member districts a neutral impact to their budgets.
- The proportionate share allocated to member districts is determined using 1/3rd APU's and 2/3rds on a 3-year weighed program usage formula.

FY27 Expenditure Plan Details

- Health and Safety Expenditures - \$148,676
- Deferred Maintenance Expenditures - \$108,000 (unspent funds will be held in restricted reserve)
- Debt Service Payments on - \$781,620
 - 2017B Facilities Maintenance Bonds – used to renovate Ann Bremer Education Center
 - 2022A Facilities Maintenance Bonds – used for multiple projects throughout the district (roofing, HVAC, boilers, lighting, parking lots, windows and foundations)

Approval Process

- District 287 School Board approved the 10 Year Application and Member District Allocation on April 10, 2025.
- Each member district school board will act (approve a LTFM resolution) on including their proportionate share of District 287's 10 Year Plan in their Long-Term Facilities Maintenance Levy.
- By July 31, 2025, all 12 board approvals and supporting documents must be submitted to MDE.

EXTRACT OF MINUTES OF MEETING
OF SCHOOL BOARD OF
SCHOOL DISTRICT No. 284
(Wayzata Public Schools)
STATE OF MINNESOTA

Pursuant to due call and notice thereof, a School Board meeting of School District No. 284, State of Minnesota, was held on _____, at _____ m., for the purpose, in part, of approving the Intermediate School District No. 287's Long-Term Facility Maintenance budget and authorizing the inclusion of a proportionate share of Intermediate School District's long-term facility maintenance projects and related debt service payments in the district's application for long-term facility maintenance.

_____ introduced the following resolution and moved its adoption:

**RESOLUTION APPROVING INTERMEDIATE SCHOOL DISTRICT
NO. 287'S LONG-TERM FACILITY MAINTENANCE PROGRAM
BUDGET AND AUTHORIZING THE INCLUSION OF A
PROPORTIONATE SHARE OF THOSE PROJECTS IN THE DISTRICT'S
APPLICATION FOR LONG-TERM FACILITY MAINTENANCE
REVENUE**

BE IT RESOLVED by the School Board of District No. 284, State of Minnesota, as follows:

1. The School Board of Intermediate School District 287 has approved a long-term facility maintenance program budget for its facilities for the 2026-27 (fiscal year 2027) school year in the amount of \$1,702,120.00 of which District No. 284's proportionate share is \$180,147.11, consisting of \$97,422.87 for pay as you go projects and \$82,724.24 for debt service payments on the 2017B Facilities Maintenance Bonds and the 2022A Facilities Maintenance Bonds. The various components of this program budget are attached as Exhibit A hereto and are incorporated herein by reference. Said budget is hereby approved. (Exhibit A)
2. Minnesota Statutes, Section 123B.53, Subdivision 1, as amended, provides that if an intermediate school district's long-term facility maintenance budget is approved by the school boards of each of the intermediate school district's member school districts, each member district may include its proportionate share of the costs of the intermediate school district program in its long-term facility maintenance revenue application.
3. The proportionate share of the costs of the intermediate school district's long term facility maintenance program for each member school district to be included in its application shall be determined by multiplying the total

cost of the intermediate school district long-term facility maintenance program times a three year weighted average adjusted pupil units formula. For 2026-27, (FY 2027) the long-term facility maintenance costs shall be funded through annual levy. The inclusion of this proportionate share in the district's long-term facility maintenance revenue application for FY 2027 is hereby approved, subject to approval by the Commissioner of Education. Upon receipt of the proportionate share of long-term facility maintenance revenue attributable to the intermediate school district program, the district shall promptly pay to the intermediate school district the applicable aid or levy proceeds.

4. Pursuant to Minnesota Statutes Section 123B.595, Subdivision 3, the intermediate district issued \$5,065,000 Facilities Maintenance Bonds, Series 2017B. Such bonds are payable from long-term maintenance revenue transferred by each member district. This district hereby covenants to adopt in each fiscal year during the term of such bonds, a resolution authorizing the inclusion in the application for long-term facilities maintenance revenue the District's proportionate share for such fiscal year of debt service on such bonds.
5. Pursuant to Minnesota Statutes Section 123B.595, Subdivision 3, the intermediate district issued \$4,750,000 Facilities Maintenance Bonds, Series 2022A. Such bonds will be payable from long-term maintenance revenue transferred by each member district. This district hereby covenants to adopt in each fiscal year during the term of such bonds, a resolution authorizing the inclusion in the application for long-term facilities maintenance revenue the District's proportionate share for such fiscal year of debt service on such bonds.

The motion for the adoption of the foregoing resolution was duly seconded by _____ and, upon vote being taken thereon, the following voted in favor thereof:

And the following voted against the same:

Whereupon said resolution was approved and adopted by the school board of Independent School District No. 284.

STATE OF MINNESOTA

COUNTY OF HENNEPIN

I, the undersigned, being the duly qualified and acting Clerk of School District No. 284, State of Minnesota, hereby certify that I have carefully compared the attached and foregoing extract of minutes of a meeting of School District No. 284, held on the date therein indicated, with the original of said minutes on file in my office, and the same is a full, true and complete transcript insofar as the same relates to the approval of Intermediate School District No. 287's long-term facility maintenance program budget and authorizing the inclusion of a proportionate share of the Intermediate School District's long-term facility maintenance projects in the district's application for long-term facility maintenance revenue.

WITNESS MY HAND officially as such Clerk this _____ day of _____, 2025.

Clerk

School District No. _____

BOARD OF EDUCATION

Regular Meeting – May 12, 2024

AGENDA SECTION: Approval of Agenda and Consent Agenda Items

ITEM: Finance and Business Services Recommendations

COMMENTS BY: David Draskovich, Director of Finance

OPEB Investment Policy Statement and Appointment of OPEB Committee Members

The Other Post-Employment Benefits (OPEB) Committee utilizes an investment policy statement to guide their investment strategies. The OPEB committee, along with the assistance of an investment advisor, invests funds placed in the irrevocable trust for post-employment pension obligations. On an annual basis, the School Board is requested to review the policy statement and reaffirm their guidance to this committee.

The OPEB Committee is currently comprised of:

- Members of the Finance subcommittee of the School Board, two members of the Citizens Financial Advisory Council (CFAC), Wayzata Education Association (WEA) President, and District Administration

Also in attendance at committee meetings are representatives from the School Board appointed investment advisor, PFM Asset Management, a wholly owned subsidiary of U.S. Bank.

Recommended Action: Reaffirm the attached investment policy statement to be used as guidance for OPEB investment strategies.

The Independent School District 284 (Wayzata Public Schools) (“the District”) has established the Independent School District 284 (Wayzata Public Schools) Other Post-Employment Benefits Trust (the “Trust”). This Trust is intended to provide funding of non-pension post-employment health care, dental and life benefits (“OPEB”) for those employees who meet the age and service requirements outlined in the plan document. The Trustees of the Trust hereby adopt this Investment Policy Statement (“Policy Statement”) for the following purposes:

PURPOSE

The main investment objective of the Trust is to achieve long-term growth of Trust assets by maximizing long-term rate of return on investments and minimizing risk of loss to fulfill Wayzata Public Schools’ current and long-term OPEB obligations.

The purpose of the Policy Statement is to achieve the following:

1. Document investment objectives, performance expectations, and investment guidelines for Trust assets.
2. Establish an appropriate investment strategy for managing all Trust assets, including an investment time horizon, risk tolerance ranges, and asset allocation to provide sufficient diversification and overall return over the long-term time horizon of the Trust.
3. Establish investment guidelines to control overall risk and liquidity.
4. Establish periodic performance reporting requirements to monitor investment results and confirm that the investment policy is being followed.
5. Comply with fiduciary, prudence, due diligence and legal requirements for Trust assets.

INVESTMENT AUTHORITY

The District's School Board has appointed an OPEB Oversight Board (the "Trust Board") to oversee certain policies and procedures related to the operation and administration of the Trust pursuant to Minnesota State Statute 356A. The Board will have authority to implement the investment policy and guidelines in the best interest and purpose of the Trust.

In implementing this Policy Statement, the Board believes it may delegate certain functions to:

1. An investment advisor (“Advisor”) to assist the Trust Board in the investment process and to maintain compliance with this Policy Statement. The Advisor may assist the Trust Board in establishing investment policy objectives and guidelines. The Advisor will adjust asset allocation for the Trust subject to the guidelines and

limitations set forth in this Policy Statement. The Advisor will also select investment managers (“Managers”) and strategies consistent with its role as a fiduciary for the Trust. The investment vehicles allowed may include mutual funds, commingled trusts, separate accounts, limited partnerships and other investment vehicles deemed to be appropriate by the Advisor. The Advisor is also responsible for monitoring and reviewing investment managers; measuring and evaluating performance; and other tasks as deemed appropriate in its role as Advisor for Trust assets. The Advisor may also select investments with discretion to purchase, sell, or hold specific securities, that will be used to meet the Trust’s investment objectives. The Advisor shall never take possession of securities, cash or other assets of the Trust, all of which shall be held by the custodian. The Advisor must be registered with the Securities and Exchange Commission.

2. A custodian selected by the Trust to maintain possession of physical securities and records of street name securities owned by the Trust, collect dividend and interest payments, redeem maturing securities, and effect receipt and delivery following purchases and sales. The regular custodian will perform regular accounting of all assets owned, purchased, or sold, as well as movement of assets into and out of the Trust.
3. A trustee appointed by the Trust, such as a bank trust department, if the Trust does not have its own Trustees, to assume fiduciary responsibility for the administration of Trust assets; provided, however, that if the School Board shall have appointed an investment advisor, then any trustee appointed under this paragraph shall have no authority with respect to selection of investments.
4. Specialists such as attorneys, auditors, actuaries, and retirement plan consultants to assist the Trust Board in meeting its responsibilities and obligations to administer Trust assets prudently.

STATEMENT OF INVESTMENT OBJECTIVES

The investment objectives of the Trust are as follows:

1. To invest assets of the Trust in a manner consistent with the following fiduciary standards: (a) all transactions undertaken must be for the sole interest of Trust beneficiaries, and (b) assets are to be diversified in order to minimize the impact of large losses from individual investments.
2. To provide for funding and/or anticipated withdrawals on a continuing basis for payment of benefits and reasonable or related expenses of operation of the Trust.
3. To conserve and enhance the value of Trust assets in real terms over the long-term through asset appreciation and income generation, while maintaining an investment risk profile as approved by the School Board.

4. To minimize principal fluctuations over the Time Horizon (as defined below).
5. To achieve a long-term level of return commensurate with contemporary economic conditions and equal to or exceeding the investment objective set forth in this Policy Statement under the section labeled "Performance Expectations".

INVESTMENT GUIDELINES

Within this section of the Policy Statement, several terms will be used to articulate various investment concepts. The descriptions are meant to be general and may share investments otherwise considered to be in the same asset class. They are:

"Growth Assets" - a collection of investments and/or asset classes whose primary risk and return characteristics are focused on capital appreciation. Investments within the Growth Assets category can include income and risk mitigating characteristics, so long as the predominant investment risk and return characteristic is capital appreciation. Examples of such investments or asset classes are: domestic and international equities or equity funds, private or leveraged equity, and certain real estate investments.

"Income Assets" - a collection of investments and/or asset classes whose primary risk and return characteristics are focused on income generation. Investments within the Income Assets category can include capital appreciation and risk mitigating characteristics, so long as the primary investment risk and return characteristic is income generation. Examples of such investments or asset classes are: fixed income securities, guaranteed investment contracts, and certain real estate investments.

"Real Return Assets" - a collection of investments and/or asset classes whose primary risk and return characteristics are focused on real returns after inflation. Investments within the Real Return category can include inflation protected securities, commodities, and certain real estate investments.

Time Horizon

The Trust's investment objectives are based on a long-term investment horizon ("Time Horizon") of five years or longer. Interim fluctuations should be viewed with appropriate perspective. The Board has adopted a long-term investment horizon such that the risks and duration of investment losses are carefully weighed against the long-term potential for appreciation of assets.

Liquidity and Diversification

In general, the Trust may hold some cash, cash equivalent, and/or money market funds for near-term Trust benefits and expenses (the "Trust Distributions") as directed by and in coordination with the Trust Board. Remaining assets will be invested in longer-term investments and shall be diversified with the intent to minimize the risk of long-term investment losses. Consequently, the total portfolio will be constructed and maintained to provide diversification with regard to the concentration of holdings in individual issues, issuers, countries, governments, or industries.

Asset Allocation

The School Board believes that to achieve the greatest likelihood of meeting the Trust's investment objectives and the best balance between risk and return for optimal diversification, assets will be invested in accordance with the targets for each asset class as follows to achieve an average total annual rate of return that is equal to or greater than the Trust's target rate of return over the long-term, as described in the section titled, "Performance Expectations".

<u>Asset Classes</u>	<u>Asset Weightings</u>	
	<u>Range</u>	<u>Target</u>
Growth Assets	Range 50 - 70%	
Domestic Equity	19% - 59%	39%
International Equity	1% - 41%	21%
Other	0% - 20%	0%
Income Assets	Range 30 - 50%	
Fixed Income	20% - 60%	36%
Other	0% - 20%	0%
Real Return Assets	0% - 20%	0%
Cash Equivalents	0% - 20%	4%

The Advisor and each Manager will be evaluated against their peers on the performance of the total funds under their direct management.

Rebalancing Philosophy

The asset allocation range established by this Policy Statement represents a long-term perspective. As such, rapid unanticipated market shifts or changes in economic conditions may cause the asset mix to fall outside Policy Statement ranges. When allocations breach the specified ranges, the Advisor will rebalance the assets within the specified ranges. The advisor may also rebalance based on market conditions.

Risk Tolerance

Subject to investment objectives and performance expectations, the Trust will be managed in a style that seeks to minimize principal fluctuations over the established Time Horizon.

Performance Expectations

Over the long-term, five years or longer, the performance objective for the Trust will be to achieve an average total annual rate of return that is equal to or greater than the Trust's actuarial discount rate. Additionally, it is expected that the annual rate of return on Trust assets will be commensurate with the then prevailing investment environment. Measurement of this return expectation will be judged by reviewing returns in the context of industry standard benchmarks, peer universe comparisons for individual Trust investments and blended benchmark comparisons for the Trust in its entirety.

SELECTION OF INVESTMENT MANAGERS

The Advisor shall prudently select appropriate Managers to invest the assets of the Trust. Managers must meet the following criteria:

- The Manager must provide historical quarterly performance data compliant with Global Investment Performance Standards (GIPS®), Securities & Exchange Commission (“SEC”), Financial Industry Regulatory Agency (“FINRA”) or industry recognized standards, as appropriate.
- The Manager must provide detailed information on the history of the firm, key personnel, support personnel, key clients, and fee schedule (including most-favored-nation clauses). This information can be a copy of a recent Request for Proposal (“RFP”) completed by the Manager or regulatory disclosure.
- The Manager must clearly articulate the investment strategy that will be followed and document that the strategy has been successfully adhered to over time.
- The investment professionals making the investment decisions must have a minimum of three (3) years of experience managing similar strategies either at their current firm or at previous firms.
- Where other than common funds such as mutual funds or commingled trusts are utilized, the Manager must confirm receipt, understanding and adherence to this Policy Statement and any investment specific policies by signing a consent form provided to the Manager prior to investment of Trust assets.

GUIDELINES FOR PORTFOLIO HOLDINGS

Direct Investments by Advisor

Every effort shall be made, to the extent practical, prudent and appropriate, to select investments that have investment objectives and policies that are consistent with this Policy Statement (as outlined in the following sub-sections of the “Guidelines for Portfolio Holdings”). However, given the nature of the investments, it is recognized that there may be deviations between this Policy Statement and the objectives of these investments. As soon as the deviation comes to the attention of the Advisors, the Advisor will take corrective action and make appropriate changes as soon as possible.

Limitations on Managers’ Portfolios

Equities:

No more than the greater of 5% or weighting in the relevant index (Russell 3000 Index for U.S. issues and MSCI ACWI ex-U.S. for non-U.S. issues) of the total equity portfolio valued at market may be invested in the common equity of any one corporation; ownership of the shares of one company shall not exceed 5% of those outstanding; and not more than 40% of equity valued at market may be held in any one sector, as defined by the Global Industry Classification Standard (GICS).

Domestic Equities: Other than the above constraints, there are no quantitative guidelines as to issues, industry or individual security diversification. However, prudent diversification standards should be developed and maintained by the Manager.

International Equities: The overall non-U.S. equity allocation should include a diverse global mix that is comprised of the equity of companies from multiple countries, regions and sectors.

Fixed Income:

Fixed income securities of any one issuer shall not exceed 5% of the total bond portfolio at time of purchase. The 5% limitation does not apply to issues of the U.S. Treasury or other Federal Agencies. The overall rating of the fixed income assets as calculated by the Advisor shall be investment grade, based on the rating of one Nationally Recognized Statistical Rating Organization (“NRSRO”). In accordance with Minnesota State Statute 356A total fixed income assets rated below investment grade will be limited to 5% of the total portfolio. Additionally, any below investment grade strategies will be brought to the Trust Board to review prior to implementation.

Other Assets (Alternatives):

Alternatives may consist of non-traditional asset classes such as hedge funds, private equity, real estate and commodities, when deemed appropriate. Any illiquid or non-publically traded investments, such as hedge funds or private funds, must have prior notification and explicit approval from the Trust Board before asset acquisitions. The Trust Board may defer to the School Board for additional prior approval. The total allocation to this category may not exceed 20% of the overall portfolio.

Hedge Funds: Primary objective shall be to enhance the risk-return profile of the overall portfolio. This can be accomplished by using a combination of hedge fund strategies that may enhance returns at a reasonable level of risk or reduce volatility while providing a reasonable level of return. These asset classes may differ from traditional public market asset classes due to the use of certain strategies including short-selling, leverage, and derivatives. Hedge funds may also invest across asset classes. The use of direct hedge funds and fund-of-hedge funds are allowed. For purposes of asset allocation targets and limitations, single strategy hedge funds will be categorized under the specific asset class of the fund. For example, a long/short U.S. equity fund will be categorized as “Other” in the Growth Assets category while a long/short credit fund will be categorized as “Other” in the Income Assets category. Multi-strategy hedge funds that cannot be easily categorized under one asset class will be included in “Other” under either the Growth Assets or Income Assets category depending on the risk-return profile of the strategy.

Private Equity: Private equity is less liquid than publicly traded equity securities and can provide returns that are greater than what is available in publicly traded markets. The private equity portfolio may include investments in a variety of commingled/partnership and direct investment vehicles including, but not limited to, venture capital, buyout, turnaround, mezzanine, distressed security, and special situation funds. The private equity portfolio is recognized to be long-term in nature and highly illiquid. Due to their higher risk, private equity investments are expected to provide higher returns than publicly traded equity securities. For purposes of asset allocation targets and limitations, these funds will be categorized as “Other” under the Growth Assets category.

Real Estate: Consists of publicly traded Real Estate Investment Trust (“REIT”) securities and/or non-publicly traded private real estate and shall be diversified across a broad array of property types and geographic locations. Investments of this type are designed to provide a stable level of income combined with potential for price appreciation, particularly in periods of unexpected inflation. For private real estate, the illiquid, long-term nature should be considered. For purposes of asset allocation targets and limitations, publicly traded REITs will be categorized as “Other” under the Growth Assets category. Depending on the investment characteristics of a private real estate fund, the fund will be categorized as “Other” under either the Income Assets category, for example, a core real estate fund, or under the Growth Assets category, for example, an opportunistic real estate fund where capital gains are expected to make up a significant portion of the total return.

Inflation Hedge: Shall consist of pooled vehicles holding among other assets: Treasury Inflation Protected Securities (“TIPS”), commodities or commodity contracts, index-linked derivative contracts, certain real estate or real property funds and the equity of companies in businesses thought to hedge inflation. Inflation hedge assets will be reported in the Real Return Assets category.

Cash Equivalents:

Cash equivalents shall be held in funds complying with Rule 2(a)-7 of the Investment Company Act of 1940.

Portfolio Risk Hedging

Portfolio investments designed to hedge various risks including volatility risk, interest rate risk, etc. are allowed to the extent that the investments are not used for the sole purpose of leveraging Trust assets. One example of a hedge vehicle is an exchange traded fund (“ETF”) which takes short positions. Any “ETF” or hedge vehicle acquisitions must have prior notification and explicit approval from the Trust Board.

Prohibited Investments

Except for purchase within authorized investments, securities having the following characteristics are not authorized and shall not be purchased: letter stock and other unregistered securities, direct commodities or commodity contracts, or private placements (with the exception of Rule 144A securities). Further, derivatives, options, or futures for the sole purpose of direct portfolio leveraging are prohibited. Direct ownership of real estate, natural resource properties such as oil, gas or timber and the purchase of collectibles is also prohibited.

Safekeeping

All assets of the Trust shall be held by a custodian approved by the School Board for safekeeping of Trust assets. The custodian shall produce statements on a monthly basis, listing the name and value of all assets held, and the dates and nature of all transactions in accordance with the terms in the Trust Agreement. Investments of the Trust not held as liquidity or investment reserves shall, at all times, be invested in interest-bearing accounts. Investments and portfolio securities may not be loaned.

CONTROL PROCEDURES

Review of Investment Objectives

The Advisor shall review annually and report to the School Board the appropriateness of this Policy Statement for achieving the Trust's stated objectives. It is not expected that this Policy Statement will change frequently. In particular, short-term changes in the financial markets should not require an adjustment in this Policy Statement.

Review of Investment Performance

The Advisor shall report on a quarterly basis to the Trust Board to review the investment performance of the Trust. In addition, the Advisor will be responsible for keeping the Trust Board advised of any material change in investment strategy, Managers, and other pertinent information potentially affecting performance of the Trust.

The Advisor shall compare the investment results on a quarterly basis to appropriate benchmarks, as well as market indices in both equity and debt markets. Examples of benchmarks and indexes that will be used include the Russell 3,000 Index for broad U.S. equity strategies; S&P 500 Index for large cap U.S. equities, Russell 2000 Index for small cap equities, MSCI ACWI ex-U.S. Index for broad based non-U.S. equity strategies; MSCI Europe, Australia, and Far East Index (EAFE) Index for developed markets, international equities, Barclays Capital Aggregate Bond Index for fixed income securities, and the U.S. 91 Day T-bill for cash equivalents. The Russell 3000 Index will be used to benchmark the U.S. equities portfolio; the MSCI ACWI ex-U.S. Index will be used to benchmark the non-U.S. equities portfolio; the Barclays U.S. Aggregate Bond Index will be used to benchmark the fixed income portfolio. The categories "Other" will be benchmarked against appropriate indices depending on the specific characteristics of the strategies and funds used.

Voting of Proxies

The Trust Board recognizes that proxies are a significant and valuable tool in corporate governance. The voting rights of individual stocks held in separate accounts or collective, common, or pooled funds will be exercised by the investment managers in accordance with their own proxy voting policies. The voting rights of funds will be exercised by the Advisor.

ADOPTION OF INVESTMENT POLICY STATEMENT

Any changes and exceptions to this Policy Statement will be made in writing and adopted by the School Board. Once adopted, changes and exceptions will be delivered to each Manager, as appropriate, by the Advisor.

Approved by the Wayzata Public Schools School Board.
