VI.A. Activity Director Discussion: Fall sports are completed and Winter sports are beginning. Already, Chase County Schools (CCS) has had two Junior High wrestling meets at Sutherland and Hershey, with 17 students participating. High School girls started conditioning this week with practice beginning Monday, November 17th. Preliminary numbers for High School- 27 girls' basketball, 31 boys basketball, 15 wrestlers, and 28 for One Act with crew members included. Mr. Hauxwell attended the NSIAAA conference Nov. 8-10th in Kearney. Conference topics of included Social Media, "Why We Play" and the potential to provide a deep and lasting positive impact on the students who participate, and Bullying and Sexual Harassment. He noted locker room and travel supervision, facility safety, liability coverage under the Recreation Activity Act, and officiating recruiting were also discussed. The District 5 Meeting is in McCook Wednesday November 12. Hauxwell noted he will be looking at and voting on upcoming proposals, with no major items of note, other than season dates and language.

VI.B. Principals Discussion: Elementary Principal, Mrs. Stewart began her report with several highlight videos from within the classroom of students' hands on science learning under the new curriculum, as well as a brief presentation in the classroom by 5th grade teacher, Janet Sheaffer. Stewart mentioned the ELL and Migrant family event held Nov. 6 at CCS was attended by twelve parents and about fifteen children. Stewart added that the RTI team leaders went to an intensive professional development seminar in Des Moines, IA. In addition, fourth grade teachers attended a narrative writing seminar and will be sharing at the next staff meeting. The Elementary assembly to show case student achievement and positive behavior will be held Nov. 21. Stewart

has been working on teacher evaluations, using the Nebraska Framework for Effective Teaching, which she will continue during November. Other dates she noted was the Veteran's Day program held November 11, National Young Readers Week Nov. 10-14, and November 17, Stewart will take the Principal's challenge and read to students all day. She mentioned an elementary art mural project and contest Ms. Tomaso has begun the award ceremony she attended for Mrs. Schuller, PE Teacher of the Year, and lastly the Honor Choir performance in Lincoln. In closing, she highlighted that nearly all elementary teachers were able to meet with 80% or more of their students' parents during parent-teacher conferences.

High School Principal Sorensen opened noting that between October 22nd and 30th thirteen high school teachers attended PLC workshops in Trenton. Subject areas included Industrial Technology, Family Consumer Science, Ag., Foreign Language, English, SPED/Title I, Math, Business and Science. Other professional development included two teachers attending the Fall NETA Conference in Kearney, one attended a state standards math conference, and our music teachers will be attending the Nebraska Music Educators Conference in November. Sorensen noted on the average high school parent attendance at parent-teacher conferences was approximately 10-15%, with the exception of junior high teachers, where the percentages were a little higher at 25-30%. Lastly he noted the career fair held November 6th in the CCS gym. Approximately 21 businesses attended, while students in grades 10-12 each spent approximately 30 minutes talking to the presenters regarding potential careers. Lastly, Sorensen sought Board thoughts regarding the possible sale of the Wellington field goal posts after he had been approached by Grand Island Northwest, however, the Board decided they were not interested in the sale.

VI.C. Student Board Member Discussion: Student Board Member Jessica Hartman highlighted the new internet is a much appreciated improvement, while expressing continued concern for the student parking lot. Board Member Stromberger inquired as to the surface and Supt. Schoeppey noted it just requires continual, monthly, maintenance. Board Member Smith inquired regarding the National FFA trip, and Hartman highlighted that the Sr. Parliamentary Pro and Marketing Plan teams were the first local teams ever to be on the National final four stage.

VI.D. Superintendent Discussion: Supt. Schoeppey began noting the dual credit (DC) courses currently offered at CCS and then DC enrollment verses total enrollment in each. Class offerings include Personal Finance (13 DC of 27), Art Appreciation (4 DC of 9), Advanced Biology (8 DC of 9), Public Speaking (8 DC of 8), Advanced Welding (1 DC of 3), Expository Writing Online (1 DC of 1), and Intro to Sociology Online (1 DC of 1). He further noted the in upper level math & science courses the following enrollments: Physics-3, Trigonometry-18, Sr. Math-6, and Chemistry-7. Schoeppey believes that GPA concern is a related issue as to why more students do not take advanced and or DC courses. Discussion has been held regarding weighting the advanced courses. Schoeppey noted such a weighting would also result in the determination of one valedictorian and one salutatorian. In regards to the ESU technology recommendations from the last Board meeting, Schoeppey has discussed with Jerel Fortkamp, on-site Allo Consultant, as to what Fortkamp is able to do, verses what will need to be outsourced. At this point, Fortkamp has created 3 networks but to date no filters on any network have been implemented. Filters will be the next phase. Schoeppey gave a brief update on Sch. B of the negotiated agreement, noting the committee continues to meet and discuss further. Schoeppey also noted the NASB conference will be next week, and he and two Board members will be in attendance. Lastly, Schoeppey wanted to thank Sandy O'Neil and FBLA for an exceptional Veteran's Day program, congratulate Mr. Vlasin & Mr. Speck for the National FFA success, and Mrs. Schuller and Mr. Zuege, respectively, on a best record for VB and Cross Country ending the season 5th in the state. Activities Director's Report

So far the gym logo is holding up, which is hopeful that it will hold up. At this time last year there were 10 to 12 paint chips on the longhorn in the middle of the gym where it was starting to come up.

Congratulations to Jill, Bauerle, Jodie Liess, and the Cast and Crew for their third place finish at districts in Play Production. The cast did a great job and it was fun to watch the play evolve as it went along. Chase County School was represented very well.

The biggest concern at this point in time is the bleachers. We were able to manage and make it through the volleyball season. After the game on Thursday night, we were unable to get them to go back in. At this point they have remained out and will probably stay that way until Christmas break.

If you have any questions about my report, please email me at thauxwell@ccschools.cc

I hope you all have an enjoyable Holiday's with your family and thanks for all you do for Chase County Schools.

Elementary Principal's Report Susie Stewart, December 8, 2014

I. Book Fair is being held this week, sponsored by the PTO.

II. ELL School Improvement meeting was held. Chase County School works to improve education for English Language Learners. Mr. Hansen has been implementing new strategies in the ELL program that include Rich Oral Academic Language. At the meeting, data was presented on student achievement. Students will be working on learning vocabulary that pertains to the NeSA tests for reading and math.

III. Chase County Elementary teachers are working in (PLCs), a collegial group united in their commitment to a learning outcome. The 5 attributes essential to PLCs

1. Supportive and shared leadership
2. Collective creativity
3. Shared values and vision
4. Supportive conditions
5. Shared personal practice

Our vision is to provide enriching academic rigor, based on trust and a shared commitment that all students learn the essential standards for success.

Teachers have had training on PLC norms and "I can statements" which are student friendly learning goals. Teachers will also be using student assessments to check for mastery of the learning goals.

IV. Elementary assembly was held on Nov. 21. Students in grades 4-6 were recognized for honor roll. The next assembly will be Dec. 15 at 12:30.

V. Teachers are using the NeSA reading and math practice assessments for grades 3-6. Teachers are using the assessment results to guide instruction and provide extra support for those students who need it.

VI. Classified staff evaluations will continue, throughout December. Next semester, non tenured teacher evaluations will continue.

It is my recommendation to adopt the Marzano or Danielson Framework for teacher evaluations and begin work on a new evaluation tool for next year.

VII. RTI (Response to Intervention) is meeting Dec. 16 to update RTI information. The team provides instructional guidance within an RTI model based on individual student goals and changes in student performance. (i.e., rate, level, consistency) over time as determined by progress monitoring assessments. Students are identified as meeting, exceeding, or at risk, at current rate of progress.

VIII. The new I-Pads and I-Pad carts are in use in grades 3,4,5,6.

IX. Elementary Christmas Concert will be Dec. 9 at 6:00 PM

X. 4th, 5th and 6th graders will attend a movie on Dec. 19 at the movie theater sponsored by the PTO.

XI. Mrs. Stewart attended the Principal's Conference in Kearney Dec. 4 & 5. Featured speakers included: Kim Ratz- *"Success is Liking What You Do"* and Amanda Karhuse,- *"Update on Federal Education Policy: How Does Washington Affect Your School?"*

Nebraska will be submitting a waiver for NCLB-AYP in April of 2015. 43 states have waivers. NE, MT, ND, and VT do not. This means we will have to adopt a quality teacher evaluation.

Three things to include in the evaluation:

- *Nebraska Effective practice for teachers*
- *Professional development*
- *Student Learning Objectives*

(CCES received an Award of Excellence for our RTI work)

TOPIC: COMMITTEE ON AMERICANISM

It is my findings that the textbooks used in the teaching of American History and Government should be approved for use in the Chase County Schools. Further, the teachers employed by the district have a suitable character and knowledge and acceptance of the American form of government.

I conclude the above information to be accurate to the best of my knowledge.

Sincerely,

Brad Schoeppey, Ed.D.
Superintendent
Chase County Schools

6 orderly, just and expeditious resolution of disputes which may
7 result from the interpretation or implementation of this

11 processing of such disputes.
- 12 Section 3 – TERM OF AGREEMENT – This agreement will be in effect
13 from August 1, 2015 until July 31, 2016 In the event that the
14 school year begins without a successor agreement, this
15 agreement will remain in effect until July 31, 2017 unless a
16 successor agreement is ratified prior to July 31, 2016 by
17 Board and Association.

Article II – Recognition

- 18 Section 1 – The Board agrees to hereby recognize the Association as the sole
19 and exclusive negotiating agent for the purpose of collective
20 negotiations in matters relating to terms and conditions of
21 employment on behalf of all contracted certificated personnel.
22 As defined in Article I, Section 1.

Article III – Negotiations Procedure

- 23 Section 1 – The parties agree to enter into professional negotiations in
24 accordance with statutes in a good faith attempt to reach
25 agreement on all matters concerning the terms and conditions of
26 employment. Any agreement so negotiated shall be
27 reduced to writing, and be officially ratified by both parties. In
28 the case of impasse, it shall be resolved as provided by law.
- 28 Section 2 – Neither party shall have any control over the selection of the

29 negotiating representatives of the other party, nor shall they
30 attempt to influence and/or exert pressures on the membership of
31 the other party by any means. This negotiating committee is to
32 be comprised of eight (8) members; four (4) members to
33 represent the Board and four (4) members to represent the
34 Association. At least one (1) member of each negotiation
35 faction should serve on the committee the following year.

36 Section 3 – The parties mutually pledge that their representatives shall have
37 the necessary power and authority to make proposals, consider
38 other proposals and make counter-proposals in the course of
39 negotiations.

40 Section 4 – Meetings shall be held at a mutually satisfactory time and place
41 and shall be closed to the press and public. All proceedings
42 shall be maintained by a mutually appointed recorder. All
43 minutes shall be provided to the negotiation representatives by
44 this recorder. One member of the negotiation representatives
45 shall be elected by the representatives to preside at all
46 negotiation meetings.

47 Section 5 – During negotiations, the Board and the Association shall present
48 relevant data, exchange points of view and make proposals.
49 Each party shall promptly make available to the other, upon
50 request, information within its possessions which is relevant to
51 the subjects under discussion. Either party may, if it desires,
52 utilize the services of outside consultants and may call upon
53 professional and lay representatives to assist with negotiations.

54 Section 6 – Before the Board adopts a change in Board policy, listed in the
55 policy book, which affects terms and conditions of employment,
56 it shall notify the Association Advisory committee that it is
57 considering such a change. The association shall have the right
58 to negotiate with the Board for a mutually acceptable change in
59 said policy, provided that it files such a request with the Board
60 within twenty (20) days after receipt of said notice has been
61 verified. Any agreement so reached shall be reduced to writing,
62 ratified, and become an addendum to this agreement.

63 Section 7 – The Board and the Association agree to begin negotiations for a
64 Successor Agreement, in accordance with the procedure set
65 forth in State law, in a good faith effort by both parties to reach

66 continuing agreement on matters currently in the negotiated
67 agreement and any other matters appropriate for collective
68 negotiations which may then be of mutual concern or interest.

Adopted

I. Definitions

- A. Grievance: Any claim or claims by a teacher, group of teachers, or the Association of an alleged violation, misinterpretation, or misapplication of terms and conditions of employment.
- B. Grievant: Teacher, group of teachers, or the Association making the claim as provided in Paragraph I.A.
- C. Time Limits: All time limits herein shall consist of teacher working days except when a grievance is submitted after the end of the school year; then time limits shall consist of all week days Monday through Friday, except holidays. The number of days indicated at each level should be considered maximum and every effort shall be made at all levels to expedite the process. Failure of any grievant to comply with the time limits contained herein shall constitute a waiver of right to appeal to the next step. Failure of the Board or its representatives to comply with the time limits at any level shall permit the grievant to appeal the grievance to the next level. All grievances must be dealt with in the contract year during which the alleged grievance took place.
- D. Grievance Meetings or Hearings: All meetings and hearings under this procedure up to and including Step 2 shall be conducted in private and shall include only the administration's representatives and the grievant and his/her designated representatives. If the grievant chooses to represent himself/herself, the Association shall have the right to be present as provided in Section II of this procedure. All parties shall have the right to record the proceedings of any hearing or meeting at

all formal levels of the grievance procedure. Hearings before the board shall be closed, at the discretion of the grievant.

II. Association Representation

A grievant shall have the right to have Association representatives present to represent the grievant at each level of the grievance procedure. Where a grievant chooses to represent himself/herself, the Association, at its discretion, may have representatives present for any meetings, appeals, or other proceedings relating to a grievance which has been formally presented. Nothing herein shall be construed as limiting the right of any teacher to discuss his/her grievance informally with his/her immediate superior and having the grievance adjusted informally. The Association shall be notified in writing of the issues and the settlements before any settlement becomes effective for any filed grievance. The grievant shall acknowledge in writing that a settlement has been reached. The settlement shall not be inconsistent with the terms of the negotiated agreement.

Under this provision, the Board of Education recognize the Grievance Committee of the association and its grievance representatives as parties in interest to any grievance proceedings as provided above.

III. Reprisals

No reprisals of any kind shall be taken against any employee who utilizes this grievance procedure, whether member or non-member of the Association, by the Association or the District.

IV. Withdrawal of a Grievance

An employee may withdraw his/her grievance at any level of the procedure without fear of reprisal from any party. Where the Association feels that the issues involved should be resolved, the Association may assume the grievance at the point discontinued by the individual and proceed through the remainder of the procedure.

V. Advanced Step Filing

The grievance shall be initially filed at the level where the decision resulting in the grievance was made.

VI. The Procedure

The parties believe that it is usually most desirable for an employee and his immediate superior to resolve problems through free and informal communications. When requested by the teacher, a representative of the

association may assist in this resolution. However, when the grievance remains unresolved, then the grievance may be processed as follows:

Step 1

Except as otherwise provided in Article V, Advanced Step Filing, the employee or the Association may present the grievance in writing to the employee's principal who will arrange for a meeting of the parties in interest within five (5) days from the date of the hearing to provide the grievant and the Association his/her written decision.

Step 2

Except as otherwise provided in Article V, Advanced Step Filing, the grievant or the Association shall refer the grievance to the superintendent or his/her official designee within five (5) days of the receipt of the answer in Step 1. The superintendent shall arrange for a hearing with the grievant and the Association's representatives to take place within five (5) days of his/her receipt of the appeal. Each party shall have the right to include in his representation such witnesses deemed necessary to develop the facts pertinent to the grievance. The superintendent will have five (5) days from the date of the hearing to provide the grievant and the Association his/her written decision.

Step 3

Except as otherwise provided in Article V, Advanced Step Filing, if the grievance is not resolved at Step 2, the grievant or the Association shall refer the grievance in writing to the Board president who shall have ten (10) days from the date the appeal is received in which to schedule a hearing on the grievance before the Board of Education. The hearing shall be scheduled within twenty (20) days of receipt of the appeal. Each party shall have the right to include in its representation such witnesses as it deems necessary to develop facts pertinent to the grievance. The Board will have five (5) days from the date of the hearing to notify, in writing, the grievant and the Association of the Board's decision.

Step 4

If the Association is not satisfied with the disposition of the grievance at Step 3, or if a written decision has not been rendered within the time provided, the Association within thirty (30) days of the Board's reply may notify the Board, in writing, of its intent to submit the grievance to arbitration. The arbitrator shall be chosen by the parties and shall be a person mutually acceptable to the Board and the Association. If the Board of Education and the Association are unable to agree on an arbitrator

within ten (10) days after receipt of notice, an arbitrator shall be sought from the American Arbitration Association. The arbitrator shall make a recommendation to resolve the grievance. No evidence or positions shall be submitted to the arbitrator by either party which was not previously disclosed to the other party. The cost of the arbitrator shall be equally borne by the Board and the Association. All other expenses shall be borne by the party incurring the expense.

Nothing in Step 4 shall prevent an individual grievant from submitting a grievance to arbitration. Under such circumstances the selection of the arbitrator shall be shared equally by the Board and the individual.
