 - (2) A business in which the employee or a member of his or her immediate family is a stockholder in a closed corporation with stock worth one thousand dollars or more, or the employee or his or her immediate family owns more than a five percent equity interest or is a stockholder of publicly traded stock worth more than ten thousand dollars or more at fair market value, or which represents more than ten percent equity interest. This shall not apply to publicly traded stock under a trading account if the employee reports the name and address of the company and stockbroker.
 - b. A business association shall be defined to include an individual as a partner, limited liability company member, director or officer, or a business in which the individual or member of the immediate family is a stockholder.
 - c. Immediate family member or member of the immediate family shall mean a child residing in an individual's household, a spouse of an individual, or an individual claimed by that individual or that individual's spouse as a dependent for federal income tax purposes
2. Contracts with the School District.
 - a. No employee or member of his or her immediate family shall enter into a contract valued at two thousand dollars or more,

in any one year, with this school district unless the contract is awarded through an open and public process that (1) includes prior public notice and (2) allows the public to inspect during the school district's regular business hours the proposals considered and the contract awarded.

- b. The existence of any conflict of interest in any contract in which the employee has an interest and in which the school district is a party, or the failure to make public the employee's interest known, may render a contract null and void.
 - c. The prohibition of a conflict of interest or requirement for public notice shall apply when the employee, or his or her immediate family has a business association with the business involved in the contract or will receive a direct pecuniary fee or commission as a result of the contract.
3. Employing Members of the Immediate Family.
- a. An employee may employ or recommend or supervise the employment of an immediate family member if:
 - (1) The employee does not abuse his or her position.
 - (a) Abuse of official position shall include, but not be limited to, employing an immediate family member:

 - (3) The employee makes a full disclosure on the record to the governing body of the school district and to the secretary of the board.

- (4) The board approves the employment or supervisory position.
 - b. The employee shall not terminate the employment of another employee so as to make funds or a position available for the purpose of hiring an immediate family member.
4. Gifts, Loans, Contributions, Rewards, or Promises of Future Employment
- a. No employee shall offer or give to the following persons anything of value, including a gift, loan, contribution, reward, or promise of future employment, based upon an agreement that a vote, official action, or judgment would be influenced thereby:

 - (3) a business with which an individual listed in Subparagraph (1) or (2) above is associated.
 - b. No employee shall solicit or accept anything of value, including a gift, loan, contribution, reward, or promise of future employment based on an agreement that the vote, official action, or judgment of the employee would thereby be influenced.
 - c. An employee shall not use or authorize the use of his or her public employment or any confidential information received through the public employment to obtain financial gain, other than compensation provided by law, for himself or herself or a member of his or her immediate family, or a business with which he or she is associated.
 - d. An employee shall not use or authorize the use of personnel, resources, property, or funds under that person's official care and control other than in accordance with prescribed constitutional, statutory, and regulatory procedures or use such items for personal financial gain, other than compensation provided by law.

5. Conflict of Interest Relating to Campaigning or Political Issues

- a. Except as provided below, an employee shall not authorize the use of school district personnel, property, resources, or funds for the purpose of campaigning for or against the nomination or election of a candidate or the qualification, passage, or defeat of a ballot question.
- b. This does not prohibit an employee from making school district facilities available to a person for campaign purposes if the identity of the candidate or the support for or opposition to the ballot question is not a factor in making the facilities available or a factor in determining the cost or conditions for use.
- c. This does not prohibit an employee from discussing and voting upon a resolution supporting or opposing a ballot question.
- d. This does not prohibit an employee under the direct supervision of a public official from responding to specific inquiries by the press or the public as to the board's opinion regarding a ballot question or from providing information in response to a request for information.
- e. An employee may present his or her personal opinion regarding a ballot question or respond to a request for information related to a ballot question; but in so doing, the person should clearly state that the information being presented is his or her personal opinion and is not to be considered as the official position or opinion of the school district. However, this shall not be done during a time that the individual is engaged in his or her official duties.

6. Conflict. To the extent that there is a conflict between this policy and the Nebraska Political Accountability and Disclosure Act ("Act"), the Act shall control.

- Mid-year MAPS testing took place on December 9-13. Mid-year Dibels testing will take place on December 16-20th. The results of the MAPS assessment were available to teachers 24 hours after the assessment was taken. Student’s projected goals for the assessment were distributed prior to taking the test. They will be looking at their results and then setting goals for the spring. Teachers will also be looking at the data if they used the MAPS for their SLO. Dibels results will be analyzed to determine the needs for changes in intervention and to measure progress on the individual reading plans.
- Teachers in K-8 ELA have worked to complete their priority standards and ensure they are aligned to our table of specs for the NSCAS tested grades. We have surveyed the teachers regarding our current ELA and Math resources. Tyler Cronin spoke with K-8 teachers about best practices in math instruction and Makenzie Carstens share instructional shifts taking place in ELA.
- I will share my assessment plan.
- The school improvement team presented on December 2nd to the whole staff. We discussed the external visit and what they should expect. We gave an overview of what the team has gathered in regard to evidence to support the seven standards in the Nebraska Frameworks. The staff gave us feedback using the rubric provided in the Nebraska Frameworks. They completed this prior to the staff development day. Attached is a copy of the rubric.

Board Report
January 2019
Dean Friedel, Principal PC Jr/Sr

Registration – Drop and add was completed on 1/9.

EDFI – Mrs. Long, Mrs. Lee and I attended the EDFI workshop in NP on 1/7. Still a work in progress to get the Power School to work with the NDE program.

Saturday School – I have started using the Saturday School method of making up attendance time. Some are making up time from last semester. Hopefully this will help reduce the number of absences.

Safety Response Protocol – Staff at the Jr/Sr high have been trained in SRP by Mrs. Johnson. Student training will be on the 23rd.

Evaluations – I have two tenured to complete and the second round of probies to get evaluated this semester.

APL Training – Feb. 5-6 our staff who attended in November will be participating in the second round of the training. It is \$ well spent. Staff are using some of the techniques and are pleased with the results.

Odysseyware – This is a credit recovery program for students. We have had it in the past but have changed staff 4 times in 5 years. We are in the process of training Mr. Hunt on the program and hope to have it up and running in a couple of weeks. It is web-based and students have to be self-motivated to make the program work for them.

Curriculum Report

School Board Meeting – Jan. 21, 2019

Submitted By: Deanne Bishop – Curriculum Coordinator

OUTLINE

1. Textbook Purchase Update

1. Textbook Purchase Update

Per our 7-year cycle of standards/maps/curricular purchases, this spring the following content areas and teachers have the opportunity to purchase new textbooks and/or curricular resources for their classes.

Law: Business Law - Renee Seiler, Criminal Law - Ryan Boldt

Public Safety: PK-6 Counselor - Geraldean Walker, 7-12 Counselor - Alex Johnson

Speech: Intro To Speech - Ronda Baumfalk

Spanish: Spanish I and Spanish II - Jeremy Struckman

I have been working one-on-one with the staff members to address their needs. For those who want to purchase new materials, I am in the process of contacting companies' reps to send us sample copies to review. Ideally, teachers will use February to review the sample copies, and purchase orders can be filled out in early-March. Compared to previous years, this year's curricular expenditures should be lower based on our cycle and teachers' needs.

Technology Report

January 2019

Submitted by Renee Seiler

New Gym Projection

- Patrons like the big screen so far
- Some feedback:
 - Needs to be bigger
 - Need to shut off the light by the upper left corner
 - Need to drop it lower
 - Need to move the flag and put it where the flag it
 - Need to put it above the east scoreboard
 - Love it! Leave it alone!

Advertising

- Three businesses are currently advertising (Tjaden Ranch, WinDesigns, Pankonin Kennels)
- Pinnacle Bank asked to be put on the list for 2019-2020 school year

BrightLink Projectors

- 3 Laser Projectors were purchased with REAP funds
- All 3 have been installed (Shayne, Penny and Deanne are test driving them for us)

PROS

- Use existing white boards (as long as they are flat – cannot be warped)
- Interactive (touch, pen or dry erase markers)
- Use existing Promethean software
- Runs approximately \$1800 with mounting arm

CONS

- Difficult to install
- Requires a minimum of 27 inches from top of whiteboard to ceiling for unit to fit/work
- Difficult to calibrate / requires continuous calibration
- Pens need to be charged
- Very sensitive

Promethean ActivBoard

20/20 Technologies dropped off a Promethean ActivBoard for us to try. *** DEMO***

PROS

- Still used Promethean software that we currently have
- 4K Technology with a 20+ year life (new memory board can be replaced for \$250 for additional years)
- No projectors are required (saves the district \$500-600 per unit)
- No HDMI or VGA cords are required (saves the district \$50 per unit)
- No bulbs to replace (saves the district \$150 per bulb)
- Can be portable or fixed on the wall
- Can adjust the height for grade level or disability
- Can add a camera for DL (could free up the DL room for another use)
- Completely Wireless if we so choose
- Screen share from laptops
- Comes with 1 full day of FREE training by Promethean ActivBoard staff

CONS

- Initial cost is more than a regular promethean (I'm looking into costs if purchased outright with volume discounts vs leasing for 5 years with option to buy for \$1 at the end of the lease)

SUBJECT: Special Education Contracts for the 2019-2020 School Year

NOTE: PLEASE RETURN BY FEBRUARY 28, 2019

Enclosed are copies of contracts for Special Education programs. The contract blanks have been filled in showing contract costs for the school year beginning September 1, 2019 for the 2019-2020 school year. The contracts are being extended based on December 1 enrollment in Special Education programs being contracted from ESU 16 in the 2018-2019 school year.

Contracts must be returned by February 28, 2019 to Educational Service Unit 16 signed by the Board or officer of the school district designated by the Board. The new contract format requires the administrative representative to sign in two locations. The administrative representative will need to sign the main contract and exhibit A. A copy of the signed contract will then be signed by the ESU16 Board or designated representative and returned to your district. **Note: No notary is required.**

Exhibits are for your file. The Educational Service Unit 16 Board needs this information to determine staff requirements for the requested contracted programs in Special Education for school districts requesting the Special Education appropriate programs.

Each school district approves all purchases for instructional material and equipment. All material approved will become and remain the property of the school district, except for \$400.00 allocated to regional purchase. All supplies and equipment will be reimbursed an estimated 50% excess cost to the school district for Level I programs. In-service is required, but will only be spent as approved by your school district.

If you have any questions concerning any of your special education contracts with ESU 16, or would like one of us to speak to your board in regards to the change of reimbursement for Special Education and the IDEA Part B Poverty and Enrollment dollars, we would be happy to.
