2019-2022
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and JourneyEd.com ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 249 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on August 1, 2019 ("Effective Date") and shall continue until 12:00 midnight (CST) on July 31, 2022, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Brown County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of

injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $2,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member

related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: _46-3753365__.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

17. **Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

Cooperative: Nebraska ESUCC Cooperative Purchasing

Lincoln, NE 68508

Contractor: JourneyEd.com, Inc.
_5212 Tennyson Parkway Suite 150_____
Plano, TX 75024

Notice is effective only if the party giving the Notice has complied with this section.

18. **Warranties and Specifications**. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, or the Cooperative upon request.

19. **Entire Agreement.** The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. **Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. **Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. **Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. **Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. **Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or

delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

27. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as my from time to time be provided by written instrument signed by both parties.

30. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

31. Attachments. Attachments to this Agreement include the following:

EXHIBIT "B"

1. Contractor's Pricing

Contractor's Pricing Model under this Agreement is:

The pricing model, as set forth in this Agreement, will extend purchase prices for products as defined by Exhibit A to Members based on a cost plus markup percentage. JourneyEd will offer a 5% discount on the MSRP for all items and Professional Development. The contract markup will be calculated by Contractor's standard cost plus specified percentage for each product category as identified in Exhibit A. A fee of 2% will be provided to the Cooperative based on total cost of products sold at the end of each quarter.

Contractor's standard costs are defined as the acquisition cost for each available product, as presented in the publisher's current price list to Contractor, from the authorized distributor or direct from the vendor (varies by publisher) at the time of purchase.

Non-standard costs may become available as negotiated by Contractor with each publisher on behalf of an individual purchasing Member. These costs may result from programs including but not limited to, volume, tiered pricing, publisher rates, promotional offerings, incentives, and registration programs. In the case of such deviations, the cost plus markup percentage defined above may be replaced with a new markup negotiated between the Contractor and Member. These deviations will be handled on a case by case basis with the Contractor.

2. Payment Terms/ Payment Schedule

A. Members will pay Contractor for all undisputed amounts for the goods and/or services identified in Exhibit A and provided by Contractor under this Agreement within thirty (30)) days of receipt of invoice, provided that goods/services have been accepted by the Member as hereinafter provided.

B. The procedure for billing and payment for services or products and deliverables shall be as specified in this exhibit.

3. <u>Acceptance of Services or Products</u>:

A. The Contractor shall deliver any goods, perform any services or both in accordance with the schedule set forth in any RFP, the time specified in a purchase order issued by the Cooperative, ESU, or Member, or this Agreement

(whichever is later).

B. Unless otherwise agreed to by the parties, the Contractor shall provide written notification of completion of any deliveries, or performances of services or both, to the Member ("Delivery Notice").

C. Members shall have thirty (30) days from the date of receipt of the Delivery Notice to provide the Contractor with written notification of acceptance or rejection due to unsatisfactory performance or nonconforming goods.

D. If the Member issues a rejection notice, the Contractor shall as quickly as is practicable, correct or replace all deficiencies at its expense. The Cooperative shall not unreasonably withhold or delay its acceptance or rejection.

4. <u>Title and Risk of Loss:</u>

A. Title and risk of loss for goods shall remain with the Contractor until goods are accepted by the Member, ESU, or Cooperative.

B. Insurance during shipment and until the goods are accepted by the Cooperative, ESU, or Member is the responsibility of the Contractor.

2019-2022
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and Renaissance Learning Inc. ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 249 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Cooperative will take as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume for myON reader and/or myON book line items, less freight of all goods and services and excluding annual support, professional services, and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be taken by the Cooperative before they submit myON purchase orders on behalf of Members as detailed in Exhibit B.

4. **Term.** This Agreement is effective on August 1, 2019 ("Effective Date") and shall continue until 12:00 midnight (CST) on July 31, 2022, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Brown County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of

injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $2,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member

related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: 41-1723924.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

17. **Notice.** Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

18. **Warranties and Specifications**. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, or the Cooperative upon request.

19. **Entire Agreement.** The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. **Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. **Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. **Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. **Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. **Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. **Assignment.** This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. **Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

27. **Captions.** The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. **Rights and Remedies Cumulative.** Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. **Relationship Among Parties.** This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as my from time to time be provided by written instrument signed by both parties.

30. **Rules of Construction.** The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

31. **Attachments.** Attachments to this Agreement include the following:

SAFE AND SECURE ELECTRONICS RECYCLING

Guaranteed security when you recycle your electronic and IT assets.

The proper recycling of electronics, or e-scrap, can be profitable for you and good for our environment. Yet, how do you know the **vital information** stored in your electronics will never be seen? Sadoff E-Recycling & Data Destruction follows the **strictest controls** in the industry, including data destruction confirmation service, to **protect your reputation**.

Last time we checked, ONLY the "Sadoff Secure Checklist" is this comprehensive:

- Chain-of-custody process
- Proof of destruction
- Serial number destruction documentation
- Identity theft protection (FACTA)
- Litigation protection (HIPPA, GLIBBA, FACTA)
- Pickup services available
- On-site data destruction

If it's not "Sadoff Secure," you're vulnerable.

Asset Recovery Services

Sadoff E-Recycling and Data Destruction offers comprehensive asset recovery services. Our systematic handling and processing enables customers to destroy data, remove assets from their live environment, and manage logistics and final disposition of assets. Depending on customer requirements, assets can be tracked by individual asset, pallet, or load.

IT Asset Refurbishment

Sadoff E-Recycling and Data Destruction can provide parts-harvesting services where components and parts are recovered from your IT and communications assets and redistributed as spares or parts for servicing and maintenance, or resold to return maximum value to your business.

Decommissioning Services

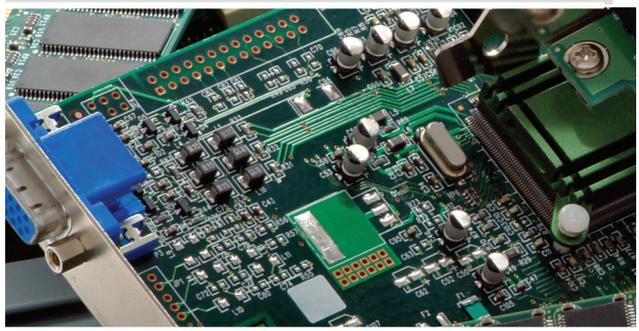

Sadoff E-Recycling and Data Destruction offers a complete suite of decommissioning and commissioning services. From small office projects to complex facility projects, Sadoff E-Recycling and Data Destruction can help with planning, organization, modelling for asset disposition, transition plans, de-installation of assets, harvesting of hardware and software assets, and a completely secure chain of custody. Such services are generally tailored to specific client requirements.

SERVICE

Sadoff E-Recycling and Data Destruction is a Sadoff Iron and Metal Company. We are ISO Certified and we adhere to all R2 and NAID standards for data destruction, security, and record keeping. Your data security is our highest priority.

LOGISTICS

As a Sadoff Iron and Metal company, we are well known within the industry for our prompt, professional service. We have dedicated dispatch and logistics departments. We can arrange logistics solutions to meet your needs, including but not limited to, spotting containers, secure destruction bins, and pickups at your locations.

ASSET RECOVERY

Systematic handling and processing enables you to destroy data, remove assets from your live environment, and manage logistics and final disposition of assets. Assets can be tracked by individual asset, pallet, or load.

Onsite Data Destruction

Optional service to ensure all digital data is destroyed prior to leaving your site.

Collection

Assets packed and loaded at your location. Specific handling is based on your data security, compliance, and cost requirements.

Secure Transport

Unbroken chain of custody achieved through multiple transportation options, including a SEDD-owned fleet of trucks.

Receiving

Assets are received and weighed against original bill of lading.

Processing

Our secure facilities offer a full range of asset recovery, asset refurbishment, parts recovery, redeployment, resale, and responsible recycling.

IT ASSET REFURBISHMENT

SEDD can provide parts harvesting services where components and parts are recovered from your IT and communications assets and redistributed as spares, parts for servicing and maintenance, or resold to return maximum value to your business. Reusing components and parts saves you money by reducing new component purchases, and it has a positive impact on the sustainable use of resources within product lifecycles.

Parts we recover:

- Memory and hard drives
- CPUs / GPUs
- Printed circuit boards
- Video and graphics cards
- Laptop batteries

100% DATA SECURITY

All memory components and devices recovered by SEDD are securely data-wiped using industry and government recognized software.

FOCUS MATERIAL MANAGEMENT PLAN

PURPOSE:
Sadoff E-Recycling and Data Destruction manages, both on-site and in the selection of downstream vendors, the R2 Focus materials that pass through the facility or control in a manner protective of worker health and safety, public health, and the environment and performs due diligence on downstream vendors to which it ships these materials.
Sadoff E-Recycling and Data Destruction analyzes and plans how the R2 Focus Materials (FMs) that pass through its facility or control will be properly managed both on site and throughout the Recycling Chain.
Sadoff E-Recycling and Data Destruction has developed this FM Management Plan to demonstrate how Sadoff E-Recycling and Data Destruction and its downstream vendors conform to the requirements set forth in Provision 5.0 of R2 practices.

Removal of FMs

1) Prior to shredding, materials recovery, energy recovery, incineration, or land disposal of equipment or components, FMs (as well as toner and toner cartridges) shall be removed using safe and effective mechanical processing or manual dismantling, with two exceptions:
    a. Items containing mercury if they are too small to remove safely at reasonable cost, and workers are protected from the risks posed by the mercury during and subsequent to any processing or manual dismantling of the equipment containing it, and the equipment and components containing such items are sent to materials recovery facilities that are properly licensed to receive, and that utilize technology designed to safely and effectively manage, equipment or components containing such mercury-containing items.
    b. CRTs, batteries, and circuit boards contained in equipment or components destined for materials recovery need not be removed prior to shredding and/or materials recovery if the shredding and/or materials recovery occurs in facilities that are properly licensed to receive, and that utilize technology designed to safely and effectively manage, equipment or components containing these FMs.

Processing, Recovery, and Treatment of FMs

1) Sadoff E-Recycling and Data Destruction sends removed FMs to processing, recovery, or treatment facilities that are properly licensed to receive, and that utilize technology designed to safely and effectively manage, the FMs. This includes:
    a. Toner and toner cartridges, though not an FM, shall be recycled through the OEM or other qualified toner recycler unless it is not economically feasible.

Prohibition on Energy Recovery, Incineration, and Land Disposal of FMs

1) Sadoff E-Recycling and Data Destruction does not utilize energy recovery, incineration, or land disposal as a management strategy for FMs or equipment and components containing FMs (Unless applicable law requires the use of one of these technologies [e.g., thermal destruction of PCBs]). However, if circumstances beyond the control of the Sadoff E-Recycling and Data Destruction disrupt its normal management of an FM, it may consider these technologies to the extent allowed under applicable law.

Focus Material Requirements

1. Batteries

Batteries are included in many types of electronic devices including computers, camera, cell phones, household electronics and remotes.

- Alkaline batteries contain zinc, and manganese dioxide.
- Lead acid batteries contain lead and highly corrosive sulfuric acid electrolyte solution.
- Lithium batteries contain lithium, a metal which is reactive with water, and may cause
  serious fires.
- Nickel-cadmium (NiCad) batteries contain cadmium, a metal that is toxic to humans when
  inhaled or ingested.

Batteries are removed from all material, stored properly and are sent to a downstream vendor that is properly licensed to receive and handle batteries.

2. Cellphones

Cellphones may contain batteries and circuit boards which require specific handling due to focus materials. Cellphones are not dismantled or processed onsite, however, we have established relationships for the proper handling and disposal of cellphones.

3. Focus Materials / Non-Conforming Materials

Sadoff E-Recycling and Data Destruction does not accept or process the following R2 Focus Materials and considers them non-conforming waste: Items containing polychlorinated biphenyls (PCBs), Items containing mercury, CRTs and CRT glass, batteries and whole and shredded circuit boards, except for whole and shredded circuit boards that do not contain lead solder, and have undergone safe and effective mechanical processing, or manual dismantling, to remove mercury and batteries. We have, however, established relationships for the proper handling and disposal of these materials if they are inadvertently received as part of a shipment.

4. Non-Focus Materials Requiring Specific Management

As an R2:2013 electronics recycler, we manage print cartridges in accordance with Provision 2

through print cartridge remanufacturers, recyclers, or Original Equipment Manufacturers (OEM),

in facilities that meet all applicable regulatory requirements to receive these print cartridges, and that use technology designed to safely and effectively manage print cartridges, including both ink and toner.

Focus Material Identification, Storage and Shipping Requirements

Sadoff E-Recycling and Data Destruction identifies, stores, and ships focus materials according to the following procedures;

WIN100 E Recycling Buying, WIN101 Collecting Eligible Electronic Device, WIN102 Focus material Packaging, WIN103 Collect Tower Computer, WIN104 Collect Laptop Computer, WIN106 Process server, WIN107 Process Hard Drive, WIN108 Process Network Switch, WIN109 Process Tower Computer, WIN110 Process Laptop, WIN113 Qualifying and Testing Items

Downstream Vendor Requirements

Selection and Ongoing Due Diligence of Downstream Vendors for FMs

1) For shipments of removed FMs, and shipments of equipment and components containing FMs, Sadoff E-Recycling and Data Destruction

shall select both domestic and international downstream vendors that possess and conform to:

a. Sadoff E-Recycling and Data Destruction R2:2013 Focus Material (FM) Management Plan,
b. A documented system to manage environmental, health, and safety risks and legal requirements. The management system shall include at a minimum the components of Provision 3 (Legal Requirements and Provision 4 (On-Site Environmental, Health, and Safety), and
c. Comply with all applicable environmental and health and safety legal requirements and maintain a current list of its environmental permits and copies of each, and
d. this Section and Section below, or allow the R2:2013 electronics recycler to confirm this information with each of its relevant downstream vendors, thereby establishing that each facility in the Recycling Chain conforms to these subsections, and
e. If the downstream vendor is sending any of Sadoff E-Recycling and Data Destruction focus material for Reuse (not recycling or recovery), they must agree to R2 Provision 6, and
f. Conform to Provision 7 (Tracking Throughput), documenting the flow of all FMs down the Recycling Chain, and
g. Conform to Provision 10 (Physical Security), ensuring security of the equipment down the recycling chain.

2) Sadoff E-Recycling and Data Destruction confirms, at least annually and documents, through audits or other similarly effective means, that each downstream facility to which Section (e) applies continues to conform to the requirements of Section (e) for as long as it receives FMs directly or indirectly from the R2:2013 electronics recycler.

3) When Sadoff E-Recycling and Data Destruction uses an R2:2013 certified downstream facility, then verification of conformance to 5(e)(1) and 5(e)(6) satisfies the due diligence requirements of 5(e) and 5(f).

Collectible Electronics - includes items that are rare, vintage, and that are no longer manufactured or supported by original manufacturers.

Downstream Vendors - include any entity to which a recycler transfers used or end-of-life electronic equipment, components, or materials including reuse, refurbishing, demanufacturing, processing, materials recovery, energy recovery, incineration, and disposal facilities.

Electronic Equipment - also referred to as "equipment and components", includes computers and peripheral equipment – central processing units (CPU's); monitors; printers; keyboards; scanners; storage devices; servers; networking systems; copiers; fax machines; imaging systems; printing systems; telephones; televisions; video cassette recorders; camcorders; digital cameras; control boxes; stereo systems; compact disc players; radios; cell phones; pagers; personal digital assistants (PDAs); calculators; organizers; and game systems and its accessories. It furthermore includes any types of equipment that are designed primarily to store or convey information electronically, and any accessories to such equipment.

Focus Materials - also referred to as "FMs", are materials in end-of-life electronic equipment that warrant greater care during recycling, refurbishing, materials recovery, energy recovery, incineration, and/or disposal due to their toxicity or other potential adverse worker health and safety, public health, or environmental effects that can arise if the materials are managed without appropriate safeguards.

Focus Materials contain:

- Polychlorinated biphenyls (PCBs), or
- Mercury, or
- CRT glass, except for glass with lead content less than 5 parts per million, and clean of phosphors, CRT fines, coatings, and frit, or
- Batteries, or
- Whole or shredded circuit boards, except for whole and shredded circuit boards that do not contain lead solder, and have undergone safe and effective mechanical processing, or manual dismantling, to remove mercury and batteries.

Equipment, components, or materials (whole or shredded) that have undergone safe and effective mechanical processing or manual dismantling to remove FMs, yet still retain de minims amounts of FMs, are not subject to the R2:2013 requirements that are triggered by the presence of FMs.

Key Functions - are the originally-intended functions of a unit of equipment or component, or a subset thereof, that will satisfactorily serve the purpose(s) of someone who will reuse the unit.

Recyclers - includes, but need not be limited to organizations that perform the following related to electronics:

- Collect
- Refurbish

- Recycle
- Resell
- Demanufacture
- Recover Assets
- Broker

As well as leasing companies that engage in these activities.

Recycling Chain - refers to all the downstream vendors that handle end-of-life equipment, components, or materials that have passed through an R2:2013 electronics recycler's facility or control. It includes, but does not extend beyond materials recovery facilities, and conforms to Provision 5 (c) or 5 (d). For equipment and components that are sold or donated for reuse, it does not extend beyond the entity that conforms to Provision 6 (c) or (d).

Specialty Electronics - are rare and specialized equipment that is not generally available in retail. For example, medical, diagnostic, laboratory, or other devices, which are customized for a specific purpose.

OFAC NOTICE: The Office of Foreign Assets Control (OFAC) administers and enforces sanctions policy, based on Presidential declarations of "national emergency." OFAC has identified and listed numerous Foreign agents, Front organizations, Terrorists, Terrorist organizations, and Narcotics traffickers as "Specially Designated Nationals and Blocked Persons." This list can be located on the United States Treasury's web site – http://www.treas.gov/ofac. In accordance with OFAC regulations, if it is determined that you or any other insured, or any person or entity claiming the benefits of this insurance, has violated U.S. sanctions law or is a Specially Designated National or Blocked Person, as identified by OFAC, this insurance will be considered a blocked or frozen contract and all provisions of this insurance are immediately subject to OFAC. When an insurance policy is considered to be such a blocked or frozen contract, no payments nor premium refunds may be made without authorization from OFAC. Other limitations on the premiums and payments also apply.

The U.S. Foreign Account Tax Compliance Act, commonly known as “FATCA”, became the law in the U.S. in March of 2010 and becomes effective July 1, 2014. Pursuant to FATCA, brokers, producers, agents and/or clients may need to obtain withholding certificates from insurance companies. For information on how to obtain the applicable withholding certificate from Chubb U.S. insurance companies, please go to http://www2.chubb.com/us-en/u-s-foreign-account-tax-compliance-act-fatca.aspx.

Please read this binder carefully, as the limits, coverage and other terms and conditions may vary significantly from those requested in your submission and/or from the expiring policy. Terms and conditions that are not specifically mentioned in this binder are not included. The terms and conditions of this binder supersede the submitted insurance specifications and all prior proposals and binders. Actual coverage will be provided by and in accordance with the policy as issued.

The insurer is not bound by any statements made in the submission purporting to bind the insurer unless such statement is reflected in the policy or in an agreement signed by someone authorized to bind the insurer.

This binder has been constructed on reliance of the data provided in the submission. A material change or misrepresentation of that data voids this binder.

eDELIVERY NOTICE: Acceptance of this quote indicates the insured’s consent to accept delivery of the policy by electronic means, including delivery of the policy as an e-mail attachment. We will deliver the policy to the email address shown above. If the insured would like to withdraw their consent to electronic delivery and exclusively receive a printed paper copy of the policy, please contact the undersigned.

COVERAGE IS NOW BOUND; THEREFORE, THE PREMIUM INDICATED ON THE BINDABLE QUOTATION MUST BE REMITTED TO US WITHIN THIRTY (30) DAYS FROM THE DATE OF THE INVOICE AS OUTLINED ON YOUR AGENCY’S MONTHLY STATEMENT BILL.

Thank you for placing your business with us. For underwriting questions or concerns, please contact Annalisa Ahumada at 312-775-7847 (phone) or Annalisa.Ahumada@chubb.com (email).

POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM INSURANCE COVERAGE

You are hereby notified that under the Terrorism Risk Insurance Act, as amended, you have a right to purchase insurance coverage for losses resulting from acts of terrorism. *As defined in Section 102(1) of the Act*: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury---in consultation with the Secretary of Homeland Security, and the Attorney General of the United States---to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

YOU SHOULD KNOW THAT WHERE COVERAGE IS PROVIDED BY THIS POLICY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM, SUCH LOSSES MAY BE PARTIALLY REIMBURSED BY THE UNITED STATES GOVERNMENT UNDER A FORMULA ESTABLISHED BY FEDERAL LAW. HOWEVER, YOUR POLICY MAY CONTAIN OTHER EXCLUSIONS WHICH MIGHT AFFECT YOUR COVERAGE, SUCH AS AN EXCLUSION FOR NUCLEAR EVENTS. UNDER THE FORMULA, THE UNITED STATES GOVERNMENT GENERALLY REIMBURSES 85% THROUGH 2015, 84% BEGINNING ON JANUARY 1, 2016; 83% BEGINNING ON JANUARY 1, 2017, 82% BEGINNING ON JANUARY 1, 2018; 81% BEGINNING ON JANUARY 1, 2019 and 80% BEGINNING ON JANUARY 1, 2020, OF COVERED TERRORISM LOSSES EXCEEDING THE STATUTORILY ESTABLISHED DEDUCTIBLE PAID BY THE INSURANCE COMPANY PROVIDING THE COVERAGE. THE PREMIUM CHARGED FOR THIS COVERAGE IS PROVIDED BELOW AND DOES NOT INCLUDE ANY CHARGES FOR THE PORTION OF LOSS THAT MAY BE COVERED BY THE FEDERAL GOVERNMENT UNDER THE ACT.

YOU SHOULD ALSO KNOW THAT THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A $100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS $100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED $100 BILLION, YOUR COVERAGE MAY BE REDUCED.

We are providing you with the terrorism coverage required by The Act. The premium for the coverage is set forth below.

Terrorism Risk Insurance Act premium: $718

☒***THIS PREMIUM DOES NOT INCLUDE A CHARGE FOR TERRORISM COVERAGE. SUCH COVERAGE WAS REJECTED BY THE INSURED***

NON-DISCLOSURE and CONFIDENTILITY AGREEMENT

This Agreement is made and entered into as of the _____ day of _____, _____ ("Effective Date") by and between _____, a Wisconsin corporation located at _____ (referred to herein as "Company") and Sadoff Iron & Metal Company, located at 240 W Arndt Street, Fond du Lac, WI 54936-1138 (referred to herein as "Recipient").

NOW THEREFORE, in consideration of the mutual promises and covenants set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Company and Recipient agree as follows:

1. **Definition of Confidential Information:** As used herein, the term "Confidential Information" shall mean all Information concerning Company's business and operations, whether provided orally or in writing, including, but not limited to, trade secrets, financial information, trade dress, software technical information, proprietary operating procedures, designs, improvements, know-how, methods of business operation, business plans, business and marketing concepts, financial projections and pricing data, sales information, profit data and information regarding business partners, suppliers, vendors, distributors, and customers.

This Agreement shall not apply to any information which (i) is or becomes generally available to the public through no wrongful act of the Recipient; (ii) is developed by recipient independent from any disclosures made hereunder by the Company; (iii) is received by Recipient from a bona fide third-party having the lawful right to disclose such information; or (iv) is compelled by legal process, court order, or in order to comply with a legal requirement.

2. **Protection of Confidential Information:** With respect to any Confidential Information received by it from Company, Recipient agrees:

(a) To hold such Confidential Information in confidence and use it only for the purposes of discussing and evaluating the desirability of a potential business relationship between Company and Recipient;

(b) To use the same methods and degree of care to prevent disclosure of such Confidential Information as it uses to prevent disclosure of its own proprietary and Confidential Information, and, in no event less than a reasonable degree of care to prevent disclosure of such Confidential Information;

(c) Not to disclose any Confidential Information to any third-party (other than to its Directors, Officers, Employees, Financial Advisors, and Attorneys who have a need to know such

Confidential Information, all of whom shall be informed of the confidential nature of the Confidential Information);

(d) To promptly return all Confidential Information received by it, regardless of media or form, to Company at the written request of Company and to retain no reproductions, copies, extracts, or summaries of any Confidential Information; and

(e) To promptly notify Company if the Confidential Information is required to be disclosed pursuant to any court or government action, or legal requirement, prior to any such disclosure being made.

3. **Entire Agreement/Modifications:** This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes any and all prior or contemporaneous oral or written agreements and representations relating thereto. It shall be binding upon the successors and assigns of each party. It may not be changed, modified or amended except by the express written agreement of the parties.

4. **Injunctive Relief:** Recipient agrees that the actual or threatened disclosure or use of Confidential Information, except as authorized under this Agreement, would not be compensable by monetary damages and would cause irreparable injury to Company and that Company shall, in addition to its other available legal or equitable remedies, be entitled to immediate relief if any court of competent jurisdiction to prevent such unauthorized disclosure or use. In addition, Recipient hereby agrees to reimburse Company for its reasonable costs and expenses, including attorney's fees, incurred by Company in enforcing its rights hereunder.

5. **Governing Law:** This Agreement shall be governed by and construed in accordance with the laws of the State of Wisconsin without regard to conflicts of laws principles.

6. **Obligations/Implied Rights:** Nothing in this Agreement shall constitute or imply any promise of commitment between the parties to enter into a cooperation, joint venture or any other type of agreement or business relationship. No license of any intellectual property rights of Company is either granted or implied by the conveying of Confidential Information by Company to Recipient. None of the Confidential Information which may be disclosed or exchanged shall constitute any representation, warranty, assurance, guarantee, or inducement by Company to Recipient of any kind.

7. **Ownership:** All Confidential Information of Company disclosed, delivered to, or acquired by Recipient from Company hereunder shall be and remain the sole property of Company.

8. **Authority:** Each individual signing this Agreement warrants and represents that he/she has full power and proper authority to sign this Agreement and to bind the party for which he/she purports to act.

9. **Counterparts:** This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original, and all such counterparts shall constitute one instrument. Any executed copy of this Agreement may be transmitted by one party to the other via facsimile, and such executed facsimile copy shall be deemed to be an original.

10. **Successor and Assigns:** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Recipient shall not assign this Agreement without the prior written consent of the Company.

IN WITNESS WHEREOF, Company and Recipient have executed this Agreement as of the effective date.

A SADOFF IRON & METAL COMPANY

Mark Lasky - CEO
Sadoff Iron & Metal Company
July 24, 2017

2019-2022
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the ESUCC and Sadoff E-Recyling and Data Destruction ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 245 school districts and more than 300,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to ESUCC as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. Term. This Agreement is effective on May 7, 2019 ("Effective Date") and shall continue until 12:00 midnight (CST) on May 6, 2022, unless terminated earlier as provided by this Agreement or by law.

5. Governing Law; Designation of Forum. This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Student Privacy Protections.

A. **Definition of Data.** Data include all Personally Identifiable Information (PII), Member Data, and other non-public information. Data include, but are not limited to, student data, metadata, and user content.

B. **Definition of Member Data.** Member Data includes all PII and other information that is not intentionally made generally available by ESUCC or its Members on public websites or publications, including but not limited to business, administrative and financial data, intellectual property, and student and personnel data and metadata.

C. **Definition of Personally Identifiable Information.** Personally Identifiable Information includes but is not limited to: personal identifiers such as name, address, phone number, date of birth, Social Security number, and student or personnel identification number; "personal information" as used in Neb. Rev. Stat. § 84-712.05 and personally identifiable information contained in student education records as that term is defined in the Family Educational Rights and Privacy Act, 20 USC 1232g.

D. **Definition of User.** User means a participant, instructor, or administrator of ESUCC or its Members who are authorized with login credentials by ESUCC or its Members to use the goods and/or services provided by this Agreement.

E. **Data De-Identification.** Contractor may use deidentified Data for product development, research, or other purposes. De-identified Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.

F. **Marketing and Advertising.** Contractor will not use any Data to advertise or market to students or their parents. Advertising or marketing may be directed to the ESUCC, Members, or their school districts only if student information is properly de-identified."

G. **Modification of Terms of Service.** Contractor will not change how Data are collected, used, or shared under the terms of this Agreement in any way without

advance notice to and consent from the ESUCC, the Members, and the affected school district(s).

H. **Data Collection.** Contractor will only collect Data necessary to fulfill its duties as outlined in this Agreement.

I. **Data Use.** Contractor will use Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement.

J. **Data Mining.** Contractor is prohibited from mining Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.

K. **Data Sharing.** Data cannot be shared with any additional parties without prior written consent of the User except as required by law.

L. **Data Transfer or Destruction.** Contractor will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the Contractor may have transferred Data, are destroyed or transferred to the ESUCC under the direction of the ESUCC when the Data are no longer needed for their specified purpose, at the request of the Member.

M. **Rights and License in and to Data**. Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give Contractor any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.

N. **Access.** Any Data held by Contractor will be made available to a Member upon request by the Member.

O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Data from unauthorized access, disclosure, and use. Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Contractor will also have a written incident response plan, to include prompt notification of the Member in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.

P. **Response to Legal Orders, Demands or Requests for Data.** Except as otherwise expressly prohibited by law, Contractor will:

(1) Promptly notify ESUCC and Members of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking Data;
(2) Consult with ESUCC and Members regarding its response;

(3) Cooperate with ESUCC's and Member's reasonable requests in connection with efforts by them to intervene and quash or modify the legal order, demand or request; and

(4) Upon ESUCC's or a Member's request, provide them with a copy of its response.

7. Termination.

A. ESUCC may terminate this Agreement in whole or part if funding from federal, state, or other sources for ESUCC or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. ESUCC shall notify the Contractor as soon as practicable if funds to meet ESUCC's or Members' obligations become unavailable. The determination of ESUCC as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. ESUCC may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. ESUCC may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to ESUCC all papers, materials and other property

of ESUCC then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to ESUCC.

8. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless ESUCC and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against ESUCC or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

9. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned ESUCC representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling ESUCC to terminate this Agreement immediately.

10. Public Records. The Contractor acknowledges that ESUCC must comply with Neb. Rev. Stat. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

11. Publicity. ESUCC does not endorse the goods or services of the Contractor. Except for listing ESUCC as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of ESUCC.

12. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on ESUCC, ESU, or Member premises or at ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on ESUCC, ESU, or Member property or at ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all ESUCC, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on ESUCC, ESU, or Member premises or at ESUCC, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. ESUCC may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

13. Nondiscrimination. The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

14. Independent Contractor. Contractor is an independent contractor under this contract and is not an ESUCC, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

15. Employment Eligibility Verification. The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

16. Taxpayer Identification. Contractor's federal employer identification number is: _____

17. Sales Tax. ESUCC, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. ESUCC, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

18. Notice. Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

Notice is effective only if the party giving the Notice has complied with this section.

19. Warranties and Specifications. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, or ESUCC upon request.

20. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

21. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

22. **Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

23. **Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

24. **Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

25. **Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of ESUCC, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

26. **Assignment.** This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of ESUCC.

27. **Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of ESUCC.

28. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

29. Rights and Remedies Cumulative. Any enumeration of ESUCC's rights and remedies set forth in this Agreement is not exhaustive. ESUCC's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the ESUCC's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

30. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as my from time to time be provided by written instrument signed by both parties.

31. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

32. Attachments. Attachments to this Agreement include the following:

1.0 INTRODUCTION

Hussey Seating Company is seeking Pre-Check (PC) approval from the California Department of State Architects (DSA) of a newly designed telescopic seating system. Criterium - Mooney Engineers has been retained by Hussey Seating Company to monitor and provide independent observation of the testing process for the 30 tier, wall attached bleacher system. This report should be reviewed in conjunction with the summary of test data collected and documented by both Hussey Seating Company and HITEC Corporation. The on-site observations were performed by and this report written by David A. Price, P.E. Also present during the testing process were Robert Robbins, P.E., and Michael Nelson, P.E., both employed by Hussey Seating Company.

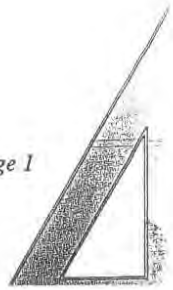

The evaluations provided by Criterium - Mooney Engineers are based on visible evidence observed at the time of the testing process. No disassembly of components or testing was performed by Criterium - Mooney Engineers.

The scope of this test report does not include a comprehensive evaluation for code compliance or government regulation compliance. It is our responsibility to evaluate conditions relevant to the purpose of making independent observations. We are not, however, responsible for conditions that could not be seen or were not within the scope of our services at the time the observations were made. This report is not to be considered a guarantee of condition and no warranty is implied.

For purposes of this report, all directions (left, right, rear, etc.) are taken from the viewpoint of an observer standing in front of the telescopic seating (when fully extended) and facing it.

2.0 EXECUTIVE SUMMARY

David Price of Criterium - Mooney Engineers witnessed the full-scale testing of the MAXAM 30 tier, wall attached bleacher system. The loads applied were 200% of the live loads specified in Table 16 A-B, labeled "Special Loads" of the 1998 California Building Code. Based on our on-site observations, the bleacher system successfully resisted the applied loads in that: 1) the assembly did not yield to a point that prevented the telescopic operation of the test bleacher; and, 2) individual components did not yield to a point that would have prevented the expeditious egress of anyone using the seating equipment. Accessories including center handrail, end handrail, and portable steps were also tested. These components also successfully resisted the applied loads.

3.0 TESTING PROCEDURES

The testing of the seating equipment was performed based on the following process which identifies the key parameters by which observations were made and test data was recorded.

3.1 Testing Basis

3.1.1 1998 California Building Code and IR33-1 ("Design and Construction of Bleachers 20 Feet or Less in Height"). The forces applied to the telescopic seating equipment were based on the design live loads specified in table 16A-B-"Special Loads" of the 1998 California Building Code (see Appendix B). Specifically, the requirement for bleachers is the application of 120 pounds per square foot vertical load, 24 pounds per foot applied parallel to seat boards at the standard level, and 10 pounds per foot applied perpendicular to seat boards at the standard level. The code does not require that sway loads act simultaneously with other lateral loads. Both the vertical and horizontal loads imposed on the bleacher during the test were 200% of the code specified design live loads. This is in accordance with IR33-1, Paragraph (l). The copy of IR33-1 was the most recent version at the time the testing was performed.

3.1.2 Hussey Seating Company Test Procedure. A specific test procedure was developed by Hussey Seating Company on January 13, 1999 and is also contained in Appendix B. This procedure was reviewed by the Department of State Architects (DSA) and approval for the test procedure was granted on March 12, 1999. The test procedure is similar to the one accepted by the DSA in 1992 except that more rigorous measurement of field data was performed during the current testing process by the application of highly sensitive strain gauges. As can be seen, loads applied to the seating equipment were 200% of the design live loads specified by the California Building Code.

Several items of clarification should be noted when reviewing the test procedure in Appendix B. These are as follows:

3.1.2.1 The bleacher system is no longer referred to as Model 2600 but has since been renamed "MAXAM" and will be submitted for PC approval as such.

3.1.2.2 The Free Standing, Reverse Fold and Portable bleachers were not field tested and will be submitted for PC approval at a later date.

3.1.2.3 The additive front to rear sway load was applied when testing rows 28, 29 and 30 only.

3.1.2.4 On page 2 of the Hussey test procedure the "Rows to be tested" were modified slightly as follows:

13, 14 & 15 (instead of 14, 15 & 16)
17, 18 & 19 (instead of 18, 19 & 20).

3.1.2.5 Test #4 was not performed. The bleacher remained attached to wall during all tests.

3.1.2.6 Test #5 was performed on rows with wood seats only. Injection-molded and extruded plastic seats were not tested.

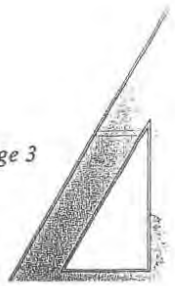

3.1.2.7 On page 2 of the Hussey test procedures, the loads shown under the section labeled "Accessories to be Tested" are design loads. The actual test loads were 200% of the design loads shown.

3.1.3 Tiers Tested. Tiers 2, 14, 18 and 29 were tested and are considered representative of other tiers. The adjacent tier above and below the tested tier were also tested to model interactive affects of adjacent tiers. In other words, when testing tier 2, loads were also applied to tier 1 and to tier 3.

3.2 Seating Equipment to be Tested

3.2.1 30-Tier Bleacher. The tests were performed on the 30-tier wall-attached bleacher configuration (Photo #1). The bleacher was 25'-6" long and approximately 22 feet tall. Typically, the wall-attached bleacher was not fully extended during the individual portions of the test. It is our opinion that this is a conservative approach to the testing process in that once the bleachers are fully extended, the tiers in the fully extended position will help improve the overall stability of the structure.

3.2.2 Accessories. Accessories for the seating equipment were also tested including the handrails along the center aisle the side rails at each end of the bleacher, and the steps which are a separate components added to the bleacher.

3.3 The Pass/Fail Criteria

3.3.1 Restacking of Seating Equipment. The primary criteria that was used to identify passing of a particular test was that (a) no components or assembly of components would be permitted to yield to a point that it would prevent the telescopic moving or opening of the test bleacher, and (b) no component or assembly would be permitted to break.

3.3.2 Permanent Yielding of Steel Components. During certain portions of various tests, some steel components yielded and did not rebound back to the original shape after the test was over. This occurred at the aisle rail and the front (or free) end of the channel at the base of the column, which houses the wheels. In addition to the pass/fail criteria identified above, engineering judgment was used as to whether or not the yielded component in any way jeopardized the stability of the structure or the expeditious egress of anyone using the seating equipment.

3.4 Material Test Reports

Independent material testing of the steel components was performed by New Hampshire Materials Laboratory during fabrication of the structure. A copy of the materials test reports is contained in Appendix D. As can be seen, the tensile strength of the materials used was typically in excess of 60 ksi and that the samples were each shown to pass the bending test.

3.5 Additional Consultant

The services of HITEC Corporation were retained by Hussey Seating Company during the testing process. HITEC provided strain gauge and thermocouple installation along with data collection during each of the testing procedures (Photo #2). In additional to external observations made during the testing process, it was thought that this additional technology would help ensure that localized areas where potential yielding could occur would be more easily identified and with a greater level of accuracy. It is my understanding that HITEC provided strain (deformation) information to the Hussey engineers and that this information has since been converted to localized stresses by Hussey Seating Company. During the initial phases of the test procedures, I conferred with Bob Robbins as to logical placement for the strain gauge instruments so that information could be obtained at what appeared to be worst case locations on the seating equipment.

3.6 Criterium - Mooney Engineers - Scope of Services

The scope of services Criterium - Mooney Engineers provided for monitoring the testing of the MAXAM bleacher is contained in Appendix F.

3.7 Measurement and Recording of Test Data

3.7.1 Dynamometers. Dynamometers were used to identify loads being applied to the structure. The dynamometers typically had a capacity of 2,000 pounds each (Photo #3). During portions of the test where more than 2,000 pounds needed to be applied to a specific point, additional cables and dynamometers were installed so that no dynamometer was required to exceed its rated capacity. Calibration for the dynamometers was performed by others, a copy of which is shown in Appendix D. After the tests were completed, each of the dynamometers was again tested to verify its accuracy. A copy of this second series of tests (performed in August, 1999) is also contained in Appendix D.

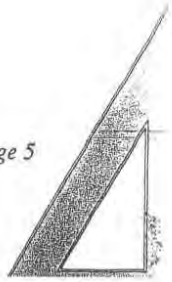

3.7.2 Strain Gauges and Thermocouples. As noted earlier, strain gauges and thermocouples were placed at various points within the structure at areas where it is anticipated that localized yielding of steel materials may occur.

3.7.3 Deflections. Both horizontal and vertical deflections were recorded by Hussey Seating Company for each test. Horizontal deflections were measured during the application of lateral loads to the structure. A simple system using a plumb bob and a piece of paper upon which notations could be recorded was used to identify the horizontal deflections at each increment when load was applied to the structure (Photo #4). Vertical measurements were also taken during each load test. Vertical deflections were recorded at the midspan between the supports and also at the end of the cantilever. Measurements were taken as each increment in load was applied to the structure.

3.7.4 Temperature. During most of the test, the indoor air temperature was recorded. As can be seen in the attached test reports, the temperature rarely fell below 40° within the testing facility even though some of the tests were performed during the winter months.

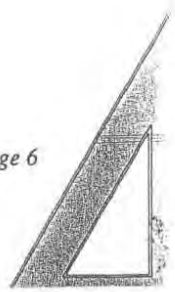

3.8 Testing Facility

A new testing facility was erected for the purpose of testing the 30-tier bleacher system. The structure consisted of structural steel framing and was enclosed in plastic sheeting to ensure that both the seating equipment and the testing equipment remained dry and out of the weather during the testing process. The facility was marginally heated and, for this reason, the air temperature ranged typically from approximately 40° to 70°F.

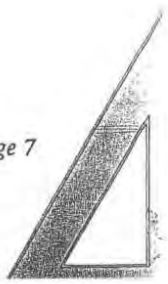

4.0 OBSERVATIONS AND EVALUATION

Typically, I was not on-site to observe the incremental application of the gravity loads to the bleacher system. The primary reason is that the gravity loads were left in place at the full 200% loading during application of the lateral load tests. It is my opinion that application of the lateral loads simultaneous with the gravity loads represents a "worst case" scenario experienced by the structural system. For this reason, the following inspection reports identify the dates and times I was on site observing lateral load tests. Observations and evaluations are contained within the test report. It should be noted that gravity loads of 200% were in place during each of the following tests unless noted otherwise.

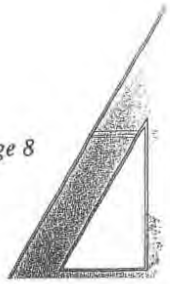

1. Test: Gravity Load Test
   Date: March 3, 1999
   Time: 10:00 a.m.
   Weather Condition: Overcast
   Exterior Temperature: 32°F±
   Interior Temperature: 40°F±
   Site Contact: Bob Robbins
   Observations and Evaluations:
   1. HITEC on-site monitoring strain gauges and continuing with installation.
   2. Scaffolding (for safety) being installed underneath the structure.
   3. Tape measure being installed at cantilevered end and midspan of seating area for measurement of vertical deflection.
   4. Plumb bob at the cantilevered end being installed so that horizontal deflection can be identified.
   5. The initial installation of both testing equipment and data collection equipment was performed in a logical sequence.

2. Test: Sidesway Lateral Load and Front Lateral Load Test Applied at the 14th Tier.
Date: March 5, 1999.
Time: 10:00 a.m.
Weather Condition: Clear
Exterior Temperature: 30°F±
Interior Temperature: 40°F±
Site Contact: Bob Robbins
Observations and Evaluations:

1. Steel bars are stacked four high for modeling the 200% gravity loads (Photo #5). Steel bars measure to be 1½ inches thick by 5 inches wide by 13 inches long.
2. Lateral loads being applied by three Dillon dynamometers.
3. Wheels underneath the columns were noted to be flattened to some extent due to the combination of both the 200% vertical load and the lateral sway loads. However, at the conclusion of the test, it did not appear that permanent damage was induced to the wheels.
4. The sidesway loads were applied at four incremental levels. Deflections were noted at five periods during the testing process. First an initial reading was made prior to application of lateral loads, followed by deflections recorded as each of the incremental loads was applied to the structure. This process was typical during each of the lateral load tests performed on the structure. During the sidesway lateral load test, a total maximum load of 1,224 pounds was ultimately applied horizontally at the 14th tier. For the front sway load test, a total of 255 pounds was applied at each of two locations on the structure located approximately where the riser and the column intersect.
5. It should be noted that the 14th tier was chosen because this represents the location where the 3" x 1½" tube steel column is the longest. From the 15th tier and higher, a larger column tube was used. Therefore, the 14th tier was examined primarily because if a problem were to occur at the smaller, it would occur when the 14th tier reaches its maximum load.
6. Upon removal of the 200% design load, it was seen that the structure resisted the loads in an adequate manner, and I did not see evidence of permanent yielding of components. Furthermore, there was no permanent deformation evidenced at the lower flange of the rear riser or the upper flange of the nose beam.

7. Displacements for Sidesway Load Test at Tier 14

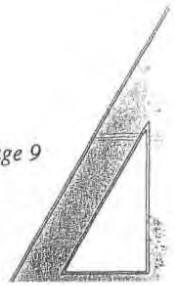

Sidesway Load	Vertical Displacement at Midspan	Vertical Displacement at Cantilevers	Approximate Horizontal Displacement
306 lb.	0"	0"	.06"
612 lb.	.13"	.16"	0.10"
920 lb.	.31"	.06"	0.2"
1224 lb.	.13"	-.03"	0.4"

Note: Negative vertical displacement means upward movement.

8. Displacements for Front-to-Rear Lateral Load Test

Front Load	Vertical Displacement at Midspan	Vertical Displacement at Cantilevers	Approximate Horizontal Displacement
130 lb.	0"	0"	0.2"
260 lb.	-.13"	.03"	1.0"
390 lb.	-.19"	.03"	1.5"
520 lb.	0"	.06"	2.3"

Note: Negative vertical displacement means upward movement.

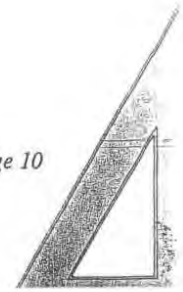

3. Test: Sidesway Lateral Load and Front Lateral Load Test at Tier 18.
Date: March 9, 1999.
Time: 9:00 a.m.
Weather Condition: Sunny
Exterior Temperature: 25°F±
Interior Temperature: 40°F±; later increased to 57°
Site Contact: Bob Robbins
Observations and Evaluations:

1. The test proceeded smoothly during both the lateral sidesway and also the front lateral load test. Safety scaffolding was in place below highly loaded areas prior to application of lateral loads (Photo #6).
2. The primary observed deformation during the test was located down at the base of the structure where a channel structure houses the two wheels which support the column at the 18th tier. During the sidesway lateral test, the channel housing was noted to be deformed. The deformation was at the front end of channel structure (housing the two wheels) and appeared to be permanent in that it did not completely rebound to its original shape after the load was removed. Later it was discussed that localized deformation could be reduced somewhat by introducing additional stiffeners inside the channel housing for the wheels.
3. It is my understanding that the final design will include these stiffeners. Even without the stiffeners, however, I did not see evidence of components which were broken and it is not felt that the observed deformation in the housing would jeopardize the stability of the structure or expeditious egress of anyone using the seating equipment.
4. Sidesway Displacements at Tier 18 Date: 3/9/99

Sidesway Load	Vertical Displacement at Midspan	Vertical Displacement at Cantilevers	Approximate Horizontal Displacement
306 lb.	0.94"	0.94"	.06"
612 lb.	0.94"	0.94"	0.3"
920 lb.	0.94"	0.94"	0.4"
1224 lb.	1.0"	0.94"	0.6"

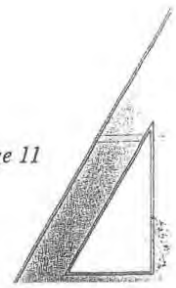

Note: Negative vertical displacement means upward movement.

5. Front Lateral Load Displacements at Tier 18 Date: 3/9/99

Front Load	Vertical Displacement at Midspan	Vertical Displacement at Cantilevers	Approximate Horizontal Displacement
130 lb.	0"	0"	0.4"
260 lb.	0"	0"	1.4"
390 lb.	-.19"	-	2.5"
520 lb.	-.50"	0"	2.9"

Note: Negative vertical displacement means upward movement.

4. Test: Sidesway Lateral Load Test at Tier 29.
Date: March 15, 1999
Time: 1:30 p.m.
Weather Condition: Snow
Exterior Temperature: 30°F±
Interior Temperature: 41°F±
Site Contact: Bob Robbins and Mike Nelson
Observations and Evaluations:

1. Sidesway test at Tier 29 proceeded smoothly and the load was applied at four incremental steps (Photo #7). The maximum lateral load applied to the structure was again 1,224 pounds.
2. It should also be noted that the structure was connected to the primary building frame which certainly helped provide resistance to the loads. The connection between the building frame and the telescopic seating is developed by a standard component referred to as a "wall buck."
3. The structure successfully resisted the imposed loads.
4. Sidesway Displacements at Tier 29 Date: 3/15/99

Sidesway Load	Vertical Displacement at Midspan	Vertical Displacement at Cantilevers	Approximate Horizontal Displacement
306 lb.	-.13"	0"	.03"
612 lb.	-.13"	-.03"	.03"
920 lb.	-.13"	-.03"	.03"
1224 lb.	-.13"	-.06"	.06"

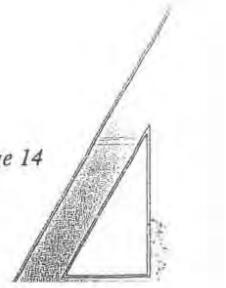

Note: Negative vertical displacement means upward movement.

5. Test: Sidesway Lateral Load Test on Row 2
Date: March 19, 1999
Time: 3:20 p.m.
Weather Condition: Sunny
Exterior Temperature: 30°F±
Interior Temperature: 55°F±
Site Contact: Bob Robbins and Kerry Briggs
Observations and Evaluations:

1. The side lateral load test proceeded smoothly.
2. It should also be noted that Tier 1 consisted of a series of shorter tiers such that wheelchairs could also be included at the front of the seating equipment.
3. The length of the front tier consisted of one segment which was 7'-6" long, a middle segment approximately 10'-6" long, and another end segment 7'-0" long.
4. Each of the segments on the front row or tier had lateral load applied to it. The 7'-6" long segment had a lateral load of 360 pounds (maximum), the middle, 504 pounds and the other end segment 336 pounds. Both the second and third tier each had a total 1,224 pounds applied.
5. Vertical deflections could easily be seen due to gravity loads (Photos #9 and #10) but essentially did not change during lateral load test.
6. The test proceeded smoothly and no apparent permanent deformations were noted.
7. Both horizontal and vertical displacements were so small during the test they were virtually negligible and therefore were not recorded.

6. Test: Front Sway Load Test on Tier 1, 2 and 3
Date: March 23, 1999
Time: 12:00 p.m.
Weather Condition: Sunny
Exterior Temperature: 40°F±
Interior Temperature: 55°F±
Site Contact: Mike Nelson
Observations and Evaluations:

1. The test proceeded smoothly.
2. Front lateral loads were applied at each of the tiers and separate loads were applied for tier 1 for each of the shorter segments.
3. No problems or significant deformations were noted.

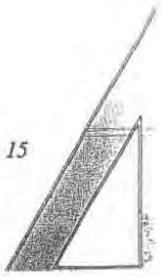

7. Test: Vertical Load Test on the Seat Components and Floor Components
Date: March 30, 1999
Time: 9:00 a.m.
Weather Condition: Sunny
Exterior Temperature: 52°F±
Interior Temperature: 60°F±
Site Contact: Bob Robbins and Mike Nelson
Observations and Evaluations:

1. The seat components consist of what appear to be a select grade of southern yellow pine, both wood risers and seats.
2. Vertical loads were applied continuously along the wooden materials consisting of nine steel bars per foot. The floor simultaneously had a load applied of approximately eight steel bars per square foot.
3. A builder's string was extended along the front of the wood seats so that relative deflections could be measured along the wooden seats. A maximum difference in deflection between the support and the cantilevered end was measured to be approximately ¾ inch. The difference in elevation between the supports and the midspan between the supports was approximately ⅜ inch.
4. No observed distress was noted in the wood components.
5. The measured deflections relative to a taut, horizontal string line were as follows:

Left Cantilever	Left Support	Midspan	Right Support	Right Cantilever
.81"	.13"	.31"	0"	.81"

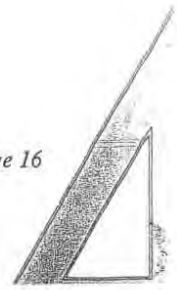

Note: A positive displacement represents a downward direction of movement.

8. Test: Front Lateral Load Test on Tiers 27, 28 and 29
Date: April 2, 1999
Time: 4:30 p.m.
Weather Condition: Clear and sunny
Exterior Temperature: 60°F±
Interior Temperature: 63°F±
Site Contact: Bob Robbins and Mike Nelson
Observations and Evaluations:

1. It is understood that the wall bucks are intended to help provide stability to the 30-tier bleacher system (Photo #11).
2. Because of how the bleacher is constructed, the loads will accumulate at the cantilevered ends of the riser and also at midspan since these are the locations of where the "stops" occur at each tier level.
3. A maximum horizontal cumulative load was applied at tier 28 as follows: At the end of each cantilever a maximum horizontal load of 2,000 pounds was applied. At midspan between the supports a maximum load of 4,000 pounds was applied at tier 28.
4. At tier 29 and tier 30, lesser loads were applied with the intent of modeling the additional horizontal load due to just these two tiers only. The maximum load applied at two locations on tier 29 was 296 pounds (approximately 600 pounds total) and the maximum load applied at two locations on tier 30 was 256 pounds (approximately 500 pounds total).
5. The test proceeded smoothly and no permanent damage to structural components was observed.
6. It should be noted that this test included an "upper stop bracket" at the top of the uppermost columns which helped in transferring horizontal loads directly to the wall bucks at the top of the structure. A second test was performed during which the "upper stop brackets" were removed to see if they were truly a necessary part of the structure and it was found that indeed they are necessary.
7. The horizontal displacements at the cantilevered end were recorded as follows:

Front Load	Approximate Horizontal Displacement
Quarter Load	.3"
Half Load	.5"
Three-Quarter Load	.8"
Full Load	1.0"

9. Test: Center Handrail and End Rail Test
Date: June 4, 1999
Time: 1:30 p.m.
Weather Condition: Sunny
Exterior Temperature: 70°F
Interior Temperature: 72°F
Site Contact: Bob Robbins and Kerry Briggs
Observations and Evaluations:

A. Center Handrail

1. The center handrail used at the step location was tested by applied 200% of the design loads or, in other words, 400 pounds total load. This was applied at four incremental steps.
2. The front load test at the center handrail was performed without incident and deflections were measured both before and at the end of the test (Photo #13).
3. A side load test was performed on the handrail and again the maximum load of 400 pounds was induced after four incremental steps. Permanent deformation of the steel, however, did take place (Photo #14).
4. No components were broken and I did not see evidence of cracked welds during the side load test. The 400 pound load was sustained for a period of time indicating that the component was fully able to sustain this load. It is felt that although the structure did certainly undergo some permanent yielding due to the tubular shape of the handrail, it was still fully capable of supporting the loads induced and required by the code. As to why the steel handrail deformed and then stopped deforming, it is felt that the tubular shape was able to increase its stiffness as it deformed and therefore the deformation stopped and it was able to fully resist the load.
5. Front Load Test Displacements.

Front Load	Approximate Horizontal Displacement
100 lb.	.6"
200 lb.	2.1"
300 lb.	4.6"
400 lb.	8.1"
0 lb. (end of test)	3.8"

6. Side Load Test Displacements.

Side Load	Approximate Horizontal Displacement
100 lb.	.75"
200 lb.	1.88"
300 lb.	3.63"
400 lb.	7.25"
0 lb. (end of test)	3.8"

B. Side Rail

1. Side lateral loads and front lateral loads were also applied to the side or end rail and although some deflection was noted, it appeared that the end rail essentially had a full rebound and no permanent yielding or deformation of components on the side rail were noted (Photo #15).
2. Side Load Test Displacement on End Rail with Side Load Placed at Top of End Rail Front Post.

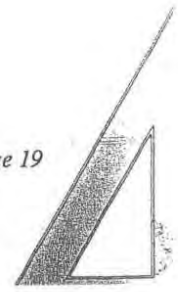

Side Load	Approximate Horizontal Displacement
100 lb.	.88"
200 lb.	1.56"
300 lb.	2.38"
400 lb.	3.25"
0 lb. (end of test)	.12"

3. Side Load Test Displacement on End Rail with Side Load Placed at Top of End Rail Back Post.

Side Load	Approximate Horizontal Displacement
100 lb.	.25"
200 lb.	1.0"
300 lb.	1.63"
400 lb.	3.0"
0 lb. (end of test)	0.75"

4. Front Load Test Displacement on End Rail.

Front Load	Approximate Horizontal Displacement
100 lb.	2.13"
200 lb.	4.38"
300 lb.	6.88"
400 lb.	8.5"
0 lb. (end of test)	0.5"

5.0 CONCLUSION

Based on visual observations, the 30-tier full-scale bleacher system successfully resisted the test loads applied to the structure. The test loads consisted of 200% of the live loads specified by the most recent edition of the California Building Code. During some instances, localized yielding or steel components was noted. This occurred at the aisle rail and the front (or free) end of the channel at the base of the column which houses the two wheel. It is not felt that these instances represent a compromise to the overall safety of the structure.

These conclusions are based on visual evidence available at the time the tests were performed. If you have any questions regarding this report, please do not hesitate to contact us.

Sincerely,

David A. Price, P.E.

[1]See Section 1607A for live load reductions.
[2]See Section 1607A.3.3, first paragraph, for area of load application.
[3]Assembly areas include such occupancies as dance halls, drill rooms, gymnasiums, playgrounds, plazas, terraces and similar occupancies that are generally accessible to the public.
[4]When snow loads occur that are in excess of the design conditions, the structure shall be designed to support the loads due to the increased loads caused by drift buildup or a greater snow design as determined by the *enforcement agency*. See Section 1614A. For special-purpose roofs, see Section 1607A.4.4. CA
[5]Exit facilities shall include such uses as corridors serving an occupant load of 10 or more persons, exterior exit balconies, stairways, fire escapes and similar uses.
[6]Individual stair treads shall be designed to support a 300-pound (1.33 kN) concentrated load placed in a position that would cause maximum stress. Stair stringers may be designed for the uniform load set forth in the table.
[7]See Section 1607A.3.3, second paragraph, for concentrated loads. See Table 16A-B for vehicle barriers.
[8]Residential occupancies include private dwellings, apartments and hotel guest rooms *and dormitories*. CA
[9]Restroom loads shall not be less than the load for the occupancy with which they are associated, but need not exceed 50 pounds per square foot (2.4 kN/m²).

[1]The tabulated loads are minimum loads. Where other vertical loads required by this code or required by the design would cause greater stresses, they shall be used.

[2]Pounds per lineal foot (× 14.6 for N/m).

[3]Lateral sway bracing loads of 24 pounds per foot (350 N/m) parallel and 10 pounds per foot (145.9 N/m) perpendicular to seat *boards at the standard level. Sway loads need not be applied simultaneously with other lateral loads. Allowable stresses for allowable stress design may be increased one third when considering sway loads acting alone or when combined with vertical loads* and footboards.

[4]Does not apply to ceilings that have sufficient total access from below, such that access is not required within the space above the ceiling. Does not apply to ceilings if the attic areas above the ceiling are not provided with access. This live load need not be considered as acting simultaneously with other live loads imposed upon the ceiling framing or its supporting structure.

[5]*Not adopted by the State of California.*

[6]The impact factors included are for cranes with steel wheels riding on steel rails. They may be modified if substantiating technical data acceptable to the building official is submitted. Live loads on crane support girders and their connections shall be taken as the maximum crane wheel loads. For pendant-operated traveling crane support girders and their connections, the impact factors shall be 1.10.

[7]This applies in the direction parallel to the runway rails (longitudinal). The factor for forces perpendicular to the rail is 0.20 × the transverse traveling loads (trolley, cab, hooks and lifted loads). Forces shall be applied at top of rail and may be distributed among rails of multiple rail cranes and shall be distributed with due regard for lateral stiffness of the structures supporting these rails.

[8]A load per lineal foot (× 14.6 for N/m) to be applied horizontally at right angles to the top rail.

[9]Intermediate rails, panel fillers and their connections shall be capable of withstanding a load of 25 pounds per square foot (1.2 kN/m²) applied horizontally at right angles over the entire tributary area, including openings and spaces between rails. Reactions due to this loading need not be combined with those of Footnote 8.

[10]A horizontal load in pounds (N) applied at right angles to the vehicle barrier at a height of 18 inches (457 mm) above the parking surface. The force may be distributed over a 1-foot-square (304.8-millimeter-square) area.

[11]The mounting of handrails shall be such that the completed handrail and supporting structure are capable of withstanding a load of at least 200 pounds (890 N) applied in any direction at any point on the rail. These loads shall not be assumed to act cumulatively with Item 9.

[12]Vertical members of storage racks shall be protected from impact forces of operating equipment, or racks shall be designed so that failure of one vertical member will not cause collapse of more than the bay or bays directly supported by that member.

The minimum vertical design live load shall be as follows:

Paper media:

12-inch-deep (305 mm) shelf *33 pounds per lineal foot (482 N/m)*
15-inch-deep (381 mm) shelf *41 pounds per lineal foot (599 N/m), or*
33 pounds per cubic foot (5.2 kN/m³) per total volume of the rack or cabinet, whichever is less.

Film media:

18-inch-deep (457 mm) shelf *100 pounds per lineal foot (1460 N/m), or*
50 pounds per cubic foot (7.85 kN/m³) per total volume of the rack or cabinet, whichever is less.

Other media:

20 pounds per cubic foot (3.14 kN/m³) or 20 pounds per lineal foot (292 N/m), whichever is less, but not less than actual loads.

[13]The 250-pound (1.11 kN) load is to be applied to any single fire sprinkler support point but not simultaneously to all support joints.

IR 33-1
Rev. 9/90
Secs. 2308(c), 2907(i), 3323 & 3324, T-24

INTERPRETATION OF REGULATIONS
(Title 21 and Part 2 of Title 24, CCR)

DESIGN AND CONSTRUCTION OF BLEACHERS 20 FEET OR LESS IN HEIGHT

(a) General. Bleachers are required to be designed and constructed in accordance with the provisions of Title 24 and the following interpretations are intended for use in achieving that compliance. The provisions of this IR apply solely to the design of bleachers with an overall height of 20 feet or less, and in no instance should be considered as a precedent for, or be used in the design of other types of structures.

(b) Definitions.

(1) Bleachers more than 5 rows of seats above grade are considered "school buildings" and are subject to Office of the State Architect (OSA), approval.

(2) Permanent bleachers are seating facilities which remain at a location for more than 90 days.

(3) Portable bleachers refer to seating facilities located outside of a building and not attached to permanent foundations. The maximum height of any portable bleachers may not exceed 11 rows or 9 feet above grade to the top seating board.

(4) Folding and telescoping seating facilities are structures used for tiered seating whose overall size and shape may be reduced without being dismantled for purposes of moving or storing.

(c) Footings. Footings for open air seating facilities are required to comply with Title 24, Section 2907(i).

Exception: Temporary open air portable bleachers may be supported upon treated wood sills or steel plates placed directly upon the ground surface, provided soil pressure does not exceed 1000 psf.

NOTE: This interpretation is intended for use by the plan review and field engineers of OSA/SSS and/or OSHPD to indicate an acceptable method for achieving compliance with applicable codes and regulations. Its purpose is to promote more uniform statewide criteria for use in plan review and supervision of construction of public school, health care, and essential services projects. Other methods proposed by design professionals to solve a particular problem will be considered by OSA/SSS and/or OSHPD and reviewed for code and regulation co

(d) Relocation. OSA approval is for the specific location originally shown only. Any subsequent move to another location voids the approval and will require submittal of an application for approval at the new site.

(e) Design. (L = unsupported length of member).

(1) Slender Columns. Columns having an L/r range from 200 to 300 may be used with the following restrictions.

(A) Maximum Allowable Axial Load. The maximum permitted axial load is 2,000 lbs.

(B) Allowable Stresses. The column will be checked for combined direct plus bending stress using the formula:

$$f=a/F=a + f=b/0.60\ F=y << 1.0$$

For a vertical column the additional bending will be computed by assuming a 20 lb. concentrated horizontal load applied half way between lateral supports (so as to produce maximum moment). For inclined or horizontal struts the additional bending will be computed for a 20 lb concentrated horizontal load or 150 lb. concentrated vertical load applied at mid-span, whichever gives the larger bending stress. The allowable column stress will be determined from the formula:

$$F=a = \frac{\pi^2 E}{(L/r)<2} \left(\frac{35}{(L/r-125)} \right)$$

This formula is indicated graphically in Figure 1 of this IR.

(C) Lateral Stays for Columns. Columns should be stayed laterally by direct connected compression struts in two directions at the points of lateral support.

(2) Effective Lengths of Compression Members in X-Braces. Where a compression member is stayed by a tension member in the same plane, the length of the compression member will be limited to a maximum L/r of 200 based on the distance between the tension support and the end connection.

(f) Tests on Steel. OSA will require steel tests in accordance with Section 2727, Title 24, CCR, subject to the following modifications:

(1) Small Shapes and Bars. Shapes less than 1 square inch in cross section and bars other than flats less than 1/2 inch thickness or diameter will not require the tension test, but will require a bend test.

(2) Steel Tubing. Steel tubing used in bleachers is required to be made from new billets. Each size of tubing used on any project will be tested and required to conform to the following properties:

Minimum yield point	35,000 psi
Minimum ultimate tensile strength	60,000 psi
Elongation 15% minimum in two inch guage length	

(3) Test List and Test Methods. OSA and the structural engineer should agree on a list of parts which are to be tested. The engineer should notify the manufacturer of this list of steel requiring testing.

Either of the following methods of testing may be used:

(A) The structural engineer will request the bleacher manufacturer to send him samples of parts, which OSA and the engineer list as being subject to test. The manufacturer will certify that these samples are from the same steel purchased for the bleacher. The structural engineer will have this steel tested locally, at the manufacturer's expense, and submit reports to OSA.

(B) The bleacher contractor will furnish to the State, via the structural engineer, periodic reports of stock steel purchased for use in bleachers, and include in the report the mill test report of the steel purchased and one tension and bend test made by an independent laboratory for each 10 tons purchased. When mill test reports cannot be furnished, one tension and bend test will be made for each 5 tons of steel. A current report should be included with each project submitted for State approval.

(g) Qualification of Welders and Inspection of Welding. Either of the following methods (1) or (2) may be used to satisfy the requirements of Section 2727, Title 24, CCR.

EXCEPTION: This provision need not apply to tack welds not later incorporated into finished welds carrying calculated stress.

(1) Verified Reports. With each bleacher, the manufacturer will send OSA a verified report made by a qualified professional engineer, stating the following:

"Welds on this bleacher have been made by operators who have been previously qualified by tests, as prescribed in the Qualification Section of the Structural Welding Code of the American Welding Society, to perform the type of work required.

I have selected a person qualified to act as welding inspector. I certify him to be experienced in inspection of arc welds on work requiring unquestioned reliability, and that he has the ability to distinguish between sound and unsound welding."

With each bleacher, the welding inspector will send OSA a verified report stating:

"I have checked the equipment and find it adequate and have checked the ability of the welders and found them satisfactory.

I have inspected all the welding and found it proper and in conformity with the plans and specifications and Chapter 27, Title 24, CCR. I have used all necessary tests to assure myself of the adequacy of the welding."

(2) Local Welding Inspection. A local qualified welding inspector, approved by OSA will inspect the welding after delivery in California, and will submit a verified report stating:

"I have inspected all the welding and found it proper and in conformity with the plans and specifications and Chapter 27, Title 24, CCR. I have used all necessary tests to assure myself of the adequacy of the welding.

The manufacturer will pay the cost of inspection and necessary removal and retouching of paintwork.

(h) Lumber. Any one of the following three methods may be used to satisfy the requirements.

(1) Method I. The bleacher manufacturer may send OSA a lumber inspection certification by an approved grading agency, and a notarized certificate, signed by an official of the bleacher manufacturing company, stating that the lumber used in the bleacher is the same as that covered by the lumber inspection certificate.

(2) Method II. The bleacher manufacturer may send OSA a notarized certificate, signed by the official of the bleacher manufacturing company, stating that the official has personally inspected the lumber prior to processing or painting, and that it was grade marked by an approved grading agency and is in accordance with the approved plans and specifications. He shall list the grades indicated by the grade marks and note the maximum slope of grain if it is specified to be more restrictive than the grading rules requirement.

(3) Method III. A qualified professional engineer may certify that the lumber used in the bleachers conform to the grades and other requirements called for in the approved plans and specifications.

When lumber is fabricated by gluing, certification of quality control and inspection of glue joints by an approved inspection agency will be submitted with the above certifications. Note that all methods of glue fabrication of lumber must be previously approved by OSA and the certification must state that all conditions of the approval have been complied with.

(i) Concrete. The requirements governing the quality of concrete may be satisfied by one of the following:
(Also see Section 2604, Title 24, CCR.)

(1) A report of strength tests of two identical cylinders taken for each day's pour; one tested at the age of seven days and the other at 28 days. The report should indicate strengths equal to or exceeding the specified strength required for the project; and should include a bonded weighmaster's affidavit.

(2) The above test report and affidavit are not required when the following provisions of bleacher pier footings are complied with and not listed on the structural test and inspection list.

Bleacher Pier Footings. Concrete may be placed in bleacher pier footings without continuous inspection by the inspector of record providing the thickness of such footings is not less than 1/2 the width or length of the footings, whichever results in the greater thickness. Test cylinders will not be required for such concrete. However, a definite mix should be specified or the concrete mix design should be approved by the architect or structural engineer prior to the placing of concrete.

(j) Other Materials. Certification and testing of materials other than the preceding should be in accordance with the appropriate sections of Title 24, CCR and/or as determined by OSA.

(l) General Affidavit Requirements. All verified reports and certificates will be filed in duplicate and must bear original signatures. They must be notarized or the original signature of the person making the report or certificate must be preceded by the statement:

"I certify (or declare) under penalty of perjury that I have read the above report and know of the contents thereof, and that all of the above statements are true."

(k) Load Tests. When load tests are made as a basis for approval of bleachers by OSA, test loads will be applied in not less than four, approximately equal increments, without shock to the structure and in a manner to avoid arching of the loading materials or stiffening of the structure. The load test procedure must by approved by OSA prior to testing. The strength of the material in the test bleacher should not exceed the minimum specified strength by more than 5 percent.

(l) Test Load Factors. When load tests are made to check design or as a basis for approval of bleachers, the test load should be not less than twice the design vertical load combined with twice the design lateral load.

Dear Mr.Price:

Re: Hussey Seating Company – Bleacher Testing Plan

We have reviewed the Test Protocol for the Hussey Model 2600 Bleacher as requested in your letter dated February 1,1999. It is our understanding this test procedure will be used for partial acceptance of future bleacher PreCheck (PC) submittals to this office.

The testing procedure is similar to the one accepted by this office in 1992 for PC- 203. The acceptance of this test plan is based on the test being conducted under the observation of Criterium-Mooney Engineers. The approval of the future PC submittal will be subject to DSA review of test reports as well as substantiating structural calculations.

Please note all projects submitted to DSA after July 1,1999 must conform to the 1998 California Building Code.

We regret the delay in responding to your letter. If you have any questions or need further information, please contact me at (213) 897-3995.

Sincerely,

Jack E. Bruce, Regional Manager

RE: California DSA certification of 30 tier bleacher

Dave,

Based on our conversation last Wednesday, January 6th, I have pulled together the following information which should be forwarded to your California office to get the ball rolling. Included are proposed test procedures based on testing done in 1992, description of variations between test bleacher and actual production product, and rationale for using strain gauges in lieu of meeting the 5% above minimum yield strength for raw materials as stated in IR-33. Material test reports have also been included to further substantiate the need to exempt ourselves from the 5% over minimum yield requirement.

Obviously, the most important element at this time is DSA's approval of our test plan. Until they give us the "green light" to do our testing we will not be able to proceed. Having established this, it is imperative that your California affiliate get answers as to whether our approach will be acceptable to DSA.

Below you will find explanations of how the bleacher we intend to test differs from what we plan to produce and a description of our rationale for considering this a worse case:

1. Noses & Risers; The main load carrying beams of each row, have been manufactured as break-formed shapes with butt welds to produce a 25'-6" length. The position of the butt weld was determined to be as close as possible to the point of zero moment so as to forego any bending stress through the weld. In the future, we would produce these as roll-formed shapes which would be continuous in length. Since there will be no weld joints in our noses or risers in the actual production product we feel that testing of the welded components would represent a worst case scenario.
2. Strain Gauges; The use of strain gauges is being considered since the material properties of the load bearing elements has been demonstrated as being significantly higher than the minimum specification; at times as much as 20% higher. With strain gauges in place we will be able to quantify the stress levels and compare them with the allowables as predicated by AISC or AISI, whichever is the predominant authority. Although our test bleacher has been constructed of materials in excess of 5% above minimum yield, the use of strain gauges would allow us to determine the stress levels we should reasonably expect if the material were to be within specification.

HUSSEY SINCE 1835

As discussed, our calculations will be done using either CFS (section properties), ANSYS (truss analysis), or conventional hand calculations. The latest editions of AISC, AISI and UBC will be used as the basis of our calculations; Title 24 will be 1997. These will be included in our formal submission to DSA. For now however, we will not be submitting any calculations until we know whether or not DSA will accept our intention of testing the prototype bleacher.

Our goal is to minimize the time required to gain DSA approval. If any of the information above is unclear, or you require additional clarification, please feel free to contact me at your earliest convenience.

Sincerely,
Hussey Seating Company

PS - I have also included two copies installation and technical information regarding the strain gauges we plan to use for your reference and to be forwarded to DSA.

HUSSEY SEATING COMPANY PROCEDURE FOR LOAD TEST OF MODEL 2600 BLEACHER

Bleacher types to be tested:

Model 2600	30 Tier	Wall Attached
Model 2600	20 Tier	Free Standing
Model 2600	20 Tier	Reverse Fold
Model 2600	15 Tier	Portable

Test Bleacher size and configuration:
26" row spacing; 9 5/8" rise; 25'-6" long section

Test to be conducted by Hussey Seating Company, Inc. and observed by the independent engineering firm Criterium Engineers.

Test Criterion: No component or assembly shall yield to a point that it would prevent the telescopic operation of the test bleacher.

Plan, cross section and detailed part drawings of equipment to be tested will be present at test site at all times.

Telescopic Seating design loads:

Live Load:	100 psf over entire projected area
Seat and Foot area:	120 plf
Side Sway:	24 plf parallel to deck
Front-to-Rear Sway:	10 plf perpendicular to deck

All test loads, gravity, side sway and front-to-rear sway shall be applied at 2x design load (200%) on the designated rows.

Test will be performed on basic bleacher without seats with the exception of seat and foot area test. Designated 25'-6" long deck units will receive 11,050 lb. gravity load in 3 row increments. While the 11,050 lb. gravity load is still in place each row will be loaded with 1224 lb. per row side sway load. Side sway load will then be removed and then 510 lb. per row front-to-rear sway load will be applied. Front-to-rear sway load on tiers above three will be applied as the additive sum of rows below the row being tested with the additive sum being applied to the first row of three.

NOTE: Side Sway and Front-to-Rear Sway loads will not be applied simultaneously.

Load will be applied using steel blocks measuring 13" x 5" x 1 ½" thick. Steel blocks weigh approximately 27 lbs. each. Statistical sampling will be done in order to obtain an average weight per block.

Rows to be selected based on changes in column cross section, bracing scheme, and overall height (maximum slenderness ratio).

Rows to be tested:

1, 2 & 3	Modular ADA spaces, Powered Frames (un-braced) and 1st slant column
14, 15 & 16	Column size changes at tier 15, longest 3" column is on row 14
18, 19 & 20	Bracing scheme change from single tension brace to double tension brace with additional lateral (compressive) brace to limit slenderness ratio.
28, 29 & 30	Longest columns, lateral brace and last row of test bleacher

Test #1: Gravity load @ 200% design load

Test #2: Gravity load with Side Sway load @ 200% design load

Test #3: Gravity load with Front-to-Rear Sway load @ 200% design load

Test #4: Same as #1 - #3 with bleacher detached from wall attachment

Test #5: Seat and Foot area
- 3 rows with wood seats
- 3 rows with injection molded plastic seats
- 3 rows with extruded plastic seats

Note: Seat and foot area tests will be conducted with 240 lbs. per linear foot; i.e. 2x design load.

Accessories to be tested:

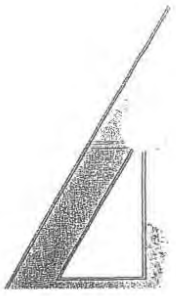

- Aisle Steps — Loads to aisle steps will be identical to bleacher test loads, i.e.
  Live Load: 100 psf over entire projected area
  Side Sway: 24 plf parallel to deck
  Front-to-Rear Sway: 10 plf perpendicular to deck

- Aisle Rails & Sockets — 200 lb. Concentrated load at any point and in any direction per UBC 1997 Table 16-B Special Loads #11 (Handrails)

- End Rails & Sockets — 50 plf applied horizontally at right angles to top rail
  25 psf applied horizontally at right angles to intermediate rails, panel fillers and their connections per UBC 1997 Table 16-B Special Loads #9 (Balcony railings and guardrails)

APPENDIX C

1992 PC203 TEST PROCEDURE

Previously Approved Procedure

October 28, 1992

HUSSEY SEATING COMPANY PROCEDURE FOR LOAD TEST OF MODEL 2600 BLEACHER

Bleacher types to be tested:

Model 2600	30 Tier	Wall attached
Model 2600	30 Tier	Free Standing
Model 2600	30 Tier	Reverse Fold
Model 2600	15 Tier	Portable

Test stand size and configuration:

26" row spacing ; 9 5/8" rise ; 20'-0 long section

Test to be conducted by Hussey Seating Company, Inc. and observed and documented by the independent testing laboratory of New Hampshire Materials Laboratory, Inc.

Test Criterion: No component or assembly shall yield to a point that it would prevent the telescopic operation of test stand.

Plan, cross section and detailed part drawings of equipment to be tested will be present at test site at all times.

Telescopic Seating design loads:

Over the horizontal projection	=	100 psf
Seat and foot area	=	120 plf
Sway load parallel to deck	=	24 plf
Sway load perpendicular to deck	=	10 plf

All test loads, gravity, side sway & front to rear sway to be 2 x design load (200%) on denoted 3 row increments.

Test will be performed on basic stand without seats. Designated 20'-0 long deck units will receive a 8667 lb. gravity load in 3 row increments. While 8667 lb. gravity load is applied a 960 lb. per row side sway load will be applied to the 3 rows. Remove side sway load. Apply a 400 lb. per row front to rear sway load to the top 3 rows without stand being attached to the wall to test stands independent understructure. Apply 1300 lb. front to rear sway load to row 28 & 5300 lb. load to row 27, with stand attached to wall, to test maximum force through stand to wall attachment.

NOTE: Side & front to rear sway test will not be performed in unison.

Load will be applied using steel blocks measuring 13" by 5" by 1.5" thick. Steel blocks weigh 25.5 lbs. each.

Area or rows to be tested are selected due to deck overhang, center span, change in understructure size, shape or configuration. Rows to be tested:

- Rows 1, 2 & 3 : greatest overhang
- Rows 4, 5 & 6 : column and brace size change
- Rows 13, 14 & 15 : brace size change and tension brace added
- Rows 18, 19 & 20 : largest center span, double stack truss area, column and change style of bracing
- Rows 23, 24 & 25 : top brace size change
- Rows 27, 28 & 29 : longest column, top of unit

Test #1: Gravity load @ 200% design load

Test #2: Side sway load @ 200% design load

Test #3: (a) Front to rear load @ 200% design load
(b) Same as above except on rows 27, 28, and 29. The stand will be detached from the simulated wall before the 27, 28 & 29 sway force is applied. This shows that at the highest test area the stand's structure is self supporting.
(c) Reattach top of stand to wall. Apply the following loads to row 27, 28, & 29. 30 seating rows x 400 lb. = 12000 lb. (By previous test result appendix B 7-4-81 load distribution is 55% at top & 45% at the bottom of the structure.) 12000 x 55% = 6600 load at wall attachment. Load to be applied with 5300 lb. to row 27 & 1300 lb. to row 28. (Division of loads above was so not to exceed available test pulleys & cables) see attached sketch.

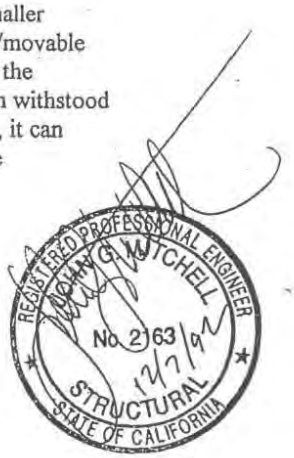

Test #4: Seat Tests

a. 3 Rows - with wood seat with half nosing
b. 3 Rows - with wood seat and center aisle with full nosing
c. 3 Rows - with comfort curve seats with full nosing (injection molded plastic seats)

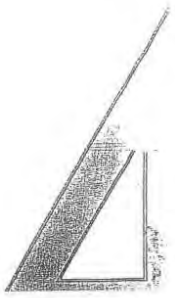

Seat tests will be conducted with 240 lbs. per linear foot of seat and 240 lbs. per linear foot of foot area.

NOTE: The standard wall attached 29/30 seat frame is smaller in structure & construction than the free standing/movable top frames & the reverse fold top frames. Where the standard, wall attached, 29 tier frame construction withstood the loads, when detached from the simulated wall, it can be calculated that the stronger frame is acceptable without testing.

MATERIAL TEST REPORTS AND CALIBRATION OF DYNAMOMETERS

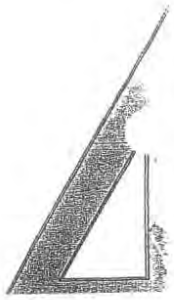

I. Material Test Reports

The following material test report was provided to Criterium - Mooney Engineers by Hussey Seating company. Further description of which bleacher components the tested materials represent can be found in the test report for the Wall-Attached MAXAM Telescopic Seating Equipment prepared by Hussey Seating Company.

II. Dynamometer Calibration

The following calibration reports for dynamometers were provided to Criterium - Mooney Engineers by Hussey Seating Company. Since reports were not provided for all dynamometers, it was felt that the dynamometers should be checked again for accuracy by an independent testing company after completion of the field testing for the MAXAM bleacher. The results of the tests can be found in the test report for the Wall-Attached MAXAM Telescopic Seating Equipment prepared by Hussey Seating Company.

MAINE TEST NUMBER 181 ME

2 ea.500lb cast iron weights
SN: 101 - 102

SUBMITTED BY

All-tech Weighing Systems, Inc.
905 Forest Avenue
Portland, ME 04104

The mass standards described above have been compared with standards of the State of Maine, by modified substitution, and were found to be, or adjusted to within class "F" tolerance.

Standards of the state of Maine are traceable to the National Institute of Standards and Technology through NBS Test No. 39760. The Maine Laboratory is accredited by NIST, OWM, under the "Laboratory Metrology Program", at mass echelon II for 1997. Measurements by this laboratory are traceable to the National Standards at NIST.

The mass standards described above were found to have mass values at the time of test as indicated in the following tabulation. Weights received in an out of tolerance condition show a value in the "before" column.

Serial no.	Nominal	Corr. lbs	Uncert. lbs.	Tol. lbs	Before Adj.
101	500 lb	-0.006	0.009	0.05	
102	500 lb	-0.05	0.009	0.05	

The uncertainties shown with reported values are expressed as the sum of the following sources

of inaccuracy: (1) a systematic error relative to the reference standard used, and (2) random error determined by the standard deviation of the measurement process. All mass values have been determined as "conventional mass" with respect to stainless steel with a density of 8.0 g/cm^3 at 20 degrees C.

Environmental conditions and data reduction sheets are on file at the laboratory.

Calibrations performed by this laboratory comply with the requirements of MIL-STD-45662A, and ANSI/NCSL Z540-1, (latest revision).

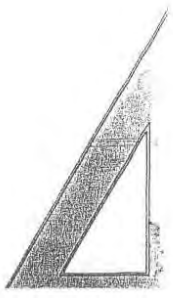

Date Received: 5/15/97
Date of Test: 6/3/97
Calibration cycle: annual

• **Comments:** Following is a "Resume" describing HiTEC's background and history. Also attached is some literature describing our Field Engineering Services. As I mentioned, I am the application engineer who will be supervising our installation. Field technicians are selected based on their certifications for the types of sensors to be installed.

HiTEC will be providing strain gage and thermocouple installation and data collection equipment to Hussey Seating. The stress calculations resulting from the strain data collected will be the responsibility of Hussey Seating. While HiTEC does have a Professional Engineer on staff in the capacity of Manager of Engineering Services who can provide a comprehensive stress analysis report, it is not HiTEC's intention to provide this service at this time.

Please let me know if the information attached is what you are looking for.

Respectfully,

Chris Abbott

HITEC Corporation was established in 1971 to provide a wide range of specialized services for high temperature and extreme environment sensor measurements. These services include: strain gages of all types, thermocouples, temperature, flow and pressure measurement installations for probes, rake leading edge instrumentation, extreme environment installations, research and development efforts, consulting, field and OEM services.

HITEC Corporation was founded by personnel coming from BLH Electronics, Pratt and Whitney Aircraft, Trans-Sonics, and Teledyne CAE. These key people were the inventors of HT free filament strain gages and developers of the Rokide flame spray process for sensor installation and other sensor advances.

Through the twenty-five years of its existence, HITEC Corporation has continued to be on the leading edge of sensor technology and has maintained close ties to other leaders in the field.

HITEC Corporation has recently installed an entirely new laboratory facility for temperature, pressure and flow sensor development and installation, incorporating advanced concepts in machining and brazing techniques. Significant pressure vessel and flow test equipment has been built to our design for support of these techniques. EDM, lathe and milling machining capabilities are available in house.

Specific advances contributed by the founders of HITEC Corporation include:

Invention of the HT free filament wire strain gage.

Development of the Rokide flame spray process for sensor attachment.

Development of high purity Rokide rod.

Development of a wire strain gage for dynamic measurements to 2400°F.

Development of improved manufacturing processes for leading edge vane pressure, flow, and temperature sensors.

Complete facilities include:

20,000 Sq. ft of manufacturing and laboratories temperature and humidity controlled
8,000 Sq. ft of engineering and administrative office
Technical Library
Computers including CAD/CAM, FEA
Flame Spray Facility – powder and Rokide
Grit blast, vapor blast, parts cleaning
Curing and temperature cycling ovens, up to 180 cubic ft
Two ton overhead crane, forklifts
Transducer and temperature calibration instrumentation
20,000 lb dead weight testing machine
60,000 lb hydraulic testing machine
200,000 lb hydraulic testing machine
10,000 ft. lbs torque testing capability
Fatigue machine
Fully equipped and certified mechanical/electrical inspection and calibration equipment
Research and development library
Machine shop – Brazing, EDM, grinding, lathe turning, milling (cnc/conventional), sheet metal, welding (gas, TIG, and Arc)

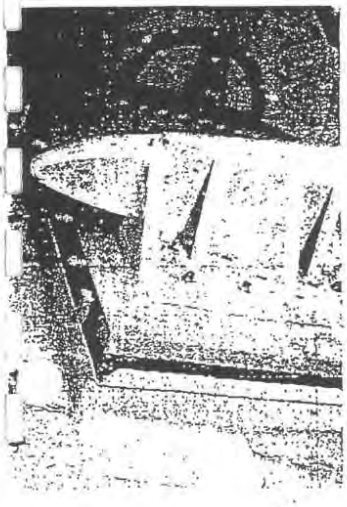

FIELD ENGINEERING SERVICES

Let HITEC install your strain gages at your location

FIELD INSTRUMENTATION SERVICES

HITEC Corporation's engineers and technicians are available to assist in a variety of instrumentation services. From strain gage installations to developing reports, **HITEC Corporation** can support your testing needs. **HITEC Corporation** maintains extensive strain gage inventory and instrumentation for static and dynamic testing. Our inventory includes standard gage configurations and prewired weldables to satisfy your immediate field job requirements.

HITEC Corporation has over 25 years experience in field strain gage testing. Types of testing **HITEC Corporation** has done includes:

**Suspension* cable load monitoring systems

**Bridge* load monitoring systems

**Field* Measurement of residual stresses on bridges, railroad components and molded metal components

**Hydrostatic* testing of pressure vessel covers, valves, temporary steam generator covers

**Proof* load testing of aircraft engine oil pumps

**Gas* pipeline long term monitoring systems

**Wheel* Rim-strain monitoring using slip rings

**Chemical* plant pipe testing

**Tie Bars* instrumentation to set clamp force on injector mold machines

**Primary Telescope Mirror* stress monitoring during rotation

**Aircraft Light Assembly* measuring critical strains through resonance frequencies

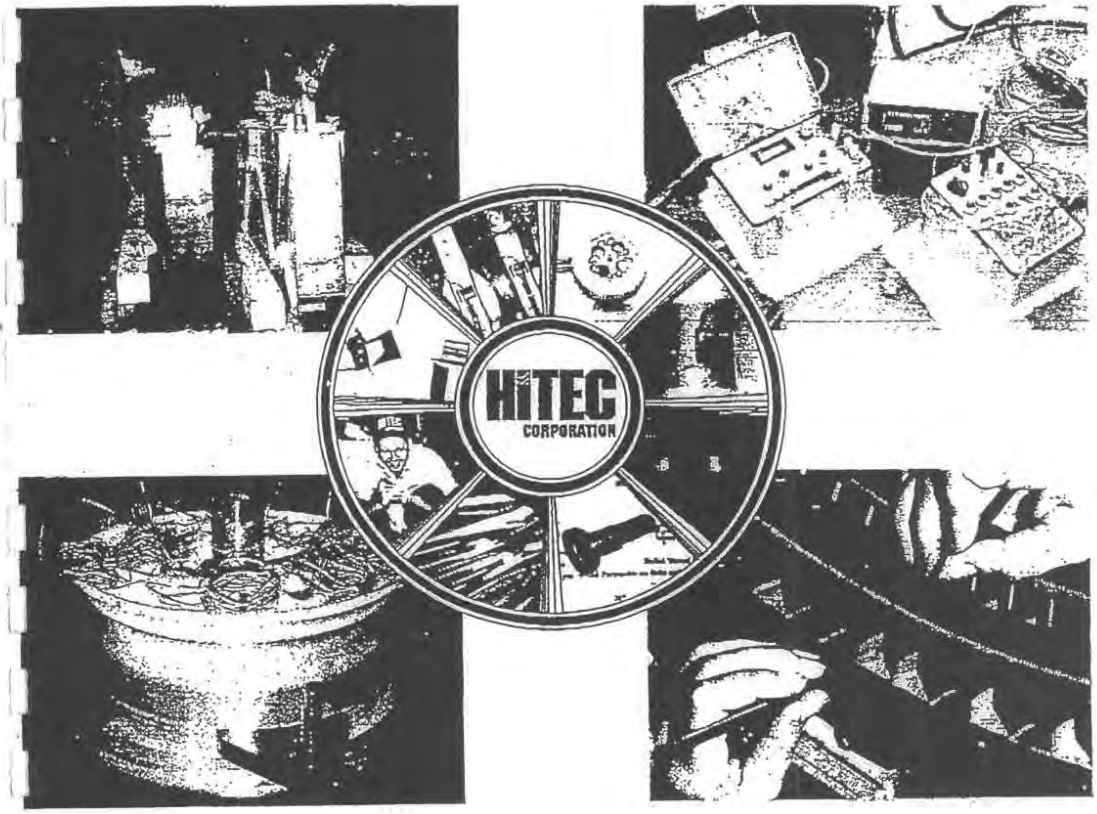

**Plus* hundreds more

Re:	HiTEC Info – Hussey Gage Installation	**CC:**	P.O.

☐ **Urgent** ☐ **For Review** ☐ **Please Comment** ☐ **Please Reply** ☐ **Please Recycle**

• **Comments:** It was a pleasure to meet you this week up in Maine. As you requested, I am faxing you the final drafts of the documents we reviewed with Bob Robbins on site.

Following are copies of the Instrumentation Summary Sheets and working drawings related to the strain gages installed at Hussey Seating. The Summary Sheets define the sensor ID's and describe the types of installation materials used. The sketches indicate the locations referred to on the summary sheets. The drawings only roughly indicate the locations and the Summary Sheets roughly describe the locations. As we discussed when we met on site, Mike Nelson or someone from Hussey will be taking actual location measurements.

I hope you find this information useful.

Respectfully,

Chris Abbott

THE TOTAL PACKAGE

From our XtremeLogo™ bleacher graphics that make your gym come alive to our Clarin® portable logo chairs, the Total Package Graphics Program helps create the ultimate gymnasium. Inspire your team, students and community with vibrant colored rails, spirited CourtSide™ Contour Backrests, integral CourtSide seat graphic logos, vivid Safety End Closure Curtain graphics, exciting Media Platform Rail Sleeve graphics, and our sleek new StepSigns™ and CourtSigns™. The customization options are nearly endless!

"The bleachers have generated a great deal of school pride with our student body. The kids are so proud when players from opposing schools come into the gym and comment on how beautiful the bleachers are. They've turned a nice gym into a state of the art gym...it's stunning!"

XtremeLogo
The cornerstone of the Total Package Graphics Program, the XtremeLogo places your school's mascot or logo on a grand scale in the center of your bleacher sections. Using a proprietary graphic transfer process, your XtremeLogo is permanently bonded to the CourtSide bleacher seats – no peeling, scuffing or scratching. Whether the bleachers are opened or closed, your logo will impress.

Clarin Portable Sideline Chairs
The choice of colleges and pro teams nationwide, Clarin portable chairs offer state-of-the-art logo customization for backs, seats and even seat gussets. Durable, full-color imprints of your mascot, logo, and spirit message give big-league sideline impact. Clarin's proven worry-free dependable performance is legendary, delivering decades of service with the flexibility of interchangeable seats and backs.

CourtSide™ Graphic Logos
CourtSide gym seat modules offer a spot for every fan to see your school's logo or mascot at the end of each seating area. These durable, full-color custom graphic logos can even be individually customized for section designation.

StepSigns™
These ultra-durable full-color signs are pre-applied to the front of bleacher aisle steps during manufacturing. Offering full-color to single color imprinting, they are a great place to remind students, fans and competitors of your school motto or spirit message.

CourtSigns™
Featuring the same material and imprinting options as StepSigns, CourtSigns are pre-applied to the bleacher skirt boards during manufacturing. Their longer runs and placement make them ideal for ringing the court with your school name.

Media Platform
The rail sleeves of both detachable or permanently installed Media Platforms are the perfect spot to bring together your full-color logo, mascot, school name and spirit message to top off your bleachers with a message visible from anywhere in your gym.

THE TOTAL PACKAGE (cont.)

Portable Chair Storage Carts
Put an end to haphazard sideline chair storage with our specially engineered Clarin® chair storage carts. Make set-up and break down a breeze by using stacking, hanging, flat or studio carts to keep your chairs organized and all in one place.

Backrests and Seat Spacers
Contrasting color CourtSide™ CB contoured bleacher backrests deliver truly comfortable bleacher seating and turn up the spirit. They can be incorporated anywhere on your bleachers, with or without seat spacers.

Safety End Closure Curtain
MAXAM® bleacher end curtains boost gym security while displaying your school pride. Vibrant full-color customization can run all the way off the edges in large full-bleed designs to wow people with your spirit as soon as they walk in the door.

Auto-Rotating Center Aisle Rails
This Patent pending rail is permanently mounted to the bleacher, and automatically rotates to the proper open or closed position as you operate the bleacher with the push of a button. No tools, no labor, no more missing or improperly positioned rails.

Colored Rails
Your bleacher aisle, end, front and rear rails carry on your school's color scheme in one or more colors. Choose from a variety of standard color options or custom color matching to bring out school pride with a punch of color.

XTREMELOGOS™

FLEX-ROW™

Flex-Row is the crowning achievement of MAXAM®. It paves the way for your facility to easily accommodate the most challenging team sport and public access seating requirements. Create an endless variety of configurations to accommodate constantly changing needs like team seating, wheelchair access and scorer's tables.

Over time, seating codes, standards and regulations change. Why not give telescopic users the maximum flexibility to respond? Flex-Row™ is the answer, a bold stroke in quick utility.

In its unused position, Flex-Row maintains a standard telescopic bleacher appearance. In only minutes, you can easily re-configure your first bleacher row into any number of lock-in layouts to provide a variety of ADA solutions instead of just one. From a single wheelchair with a seated companion all the way up to a group of several wheelchairs, Flex-Row can handle them all.

Standard open bleacher arrangement

Open bleachers using Flex-Row to create ADA seating and scorer's table areas

Closed bleachers using Flex-Row for practice team seating

Easy-access activator, no remote or operation pendant required

Flex-Row also can open up bleacher cut-outs to provide a space for portable team sideline seating and scorer's tables. No matter what the use, Flex-Row features fully enclosed skirting to provide an added measure of safety for fans and students while keeping debris out from under the bleachers. Your Flex-Row can even include backrests to create VIP sideline seating that is fully retractable, or to provide integral visiting team seating.

Flex-Row keeps delivering benefits after the game too. When the entire bank of bleachers is closed, Flex-Row can be pulled out to provide the day-to-day gymnasium seating demanded by coaches, teams and P.E. classes. In these situations, Flex-Row naturally limits student climbing behaviors by providing a convenient place to sit and put book bags.

No matter what the use, you do not need keys, special tools, power, remotes or pendants to operate Flex-Row. The concealed mechanism is easy to operate with just a pull of a lever by your facility staff, coaches or even your faculty.

BLEACHER SEATING SOLUTION

Hussey's telescopic bleachers can be topped with a variety of different seating solutions. Choices range from classic wood benches to individual polymer seat modules, backrests, seat spacers and even cup holder options. With all of the seating and row spacing options available for MAXAM®, you can leave cookie-cutter bleachers behind and get the perfect bleacher system to match your facility's specific needs.

CourtSide CB Contoured Backrests

CourtSide XT Seat Spacer
U.S. Patent US8528971B2

A New Dimension of Comfort

Comfortable bleachers are no longer a dream, courtesy of Hussey's CourtSide™ modular gym seat line. Seat modules, contour backrests and patent seat spacers are just the ticket for seating spectators in truly comfortable bleacher seats – a welcome surprise for your fans.

CourtSide is completely modular, and using any piece of the CourtSide line will deliver an enhanced level of comfort to your bleacher seats. You can use all three types of modules throughout your gym, or mix and match to create different levels of seating within the same bleacher bank. Easily create a first row of integrated team seating, or build a section of reserved VIP seating for season ticket sales to your boosters.

Hussey's Courtside modular gym seat line includes two sizes of contoured seat modules, CourtSide CB contoured backrests, and CourtSide XT Seat Spacers, either with or without cup holders.

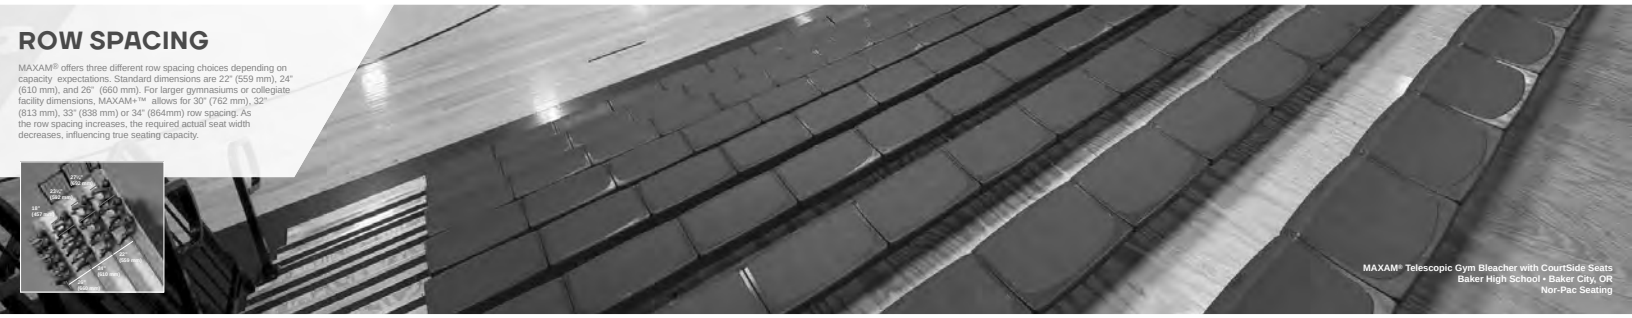

CourtSide CB backrests are ergonomically designed for maximum comfort. While cheering on the team, spectators can lean back and enjoy ideal low- and mid-back support. CB backrests are also designed for maximum fan safety and easy bleacher cleaning. One person can raise or lower up to seven interconnected backrests at a time, which minimizes labor and operational costs.

Courtside XT seat spacers increase personal space by nearly 25%. This truly comfortable individual seat space better accommodates larger people who appreciate extra elbow room. Cup holder versions are available so you can maximize fan comfort and convenience.

Like all Hussey products, our CourtSide comfort features are engineered for quality and ease of use.

ROW SPACING

MAXAM® offers three different row spacing choices depending on capacity expectations. Standard dimensions are 22" (559 mm), 24" (610 mm), and 26" (660 mm). For larger gymnasiums or collegiate facility dimensions, MAXAM+™ allows for 30" (762 mm), 32" (813 mm), 33" (838 mm) or 34" (864mm) row spacing. As the row spacing increases, the required actual seat width decreases, influencing true seating capacity.

Seating Options

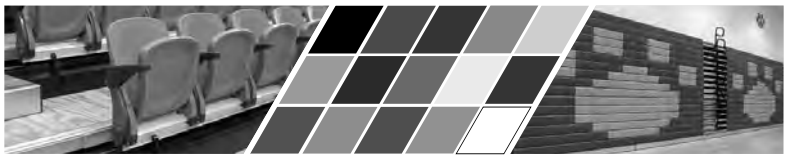

CourtSide™ XCS12
The world's only ergonomically designed gym seat module, the CourtSide XCS12 provides an individualized compound contoured seat that incorporates modern styling, dual texturing and waterfall edges. 12" (305 mm) wide and manufactured from 100% recyclable materials, the CourtSide is the perfect blend of ergonomic comfort, modern design, performance and value.

CourtSide XC10
CourtSide XC10 incorporates a unique fore to aft contoured seat and a gradual "waterfall" curve on the forward edge that reduces pressure to the sensitive region of the thighs regardless of the leg position. 10" (254 mm) wide. 100% recyclable.

Classic Wood
All our wood boards are finger-jointed Southern Pine Grade "B&B", the finest available. Each is triple sanded and finished with two separately UV cured coats of urethane.

Fold-Down Bleacher Chairs
Do you need fold-down chairs on your telescopic seating? Look no further than our MAXAM+™ telescopic platforms with 30" to 34" (762 mm - 864 mm) row spacing. Our comfortable and stylish Metro™ chairs are available on just a few rows or your entire MAXAM+ system. Metro, Gallery 3™, and Premia™ chairs are available in upholstered or all-polymer versions, and fold and store in the unit when closed.

Standard Colors
The CourtSide™ XC10 and XCS12 are available in 15 standard colors. For accent lines, attention-grabbing signature logos or sticking with a solid color theme, CourtSide is your ideal seat. Production plastic and powder coat colors can vary from printed samples shown, so Hussey makes sample chips available upon request. Custom color matches are also available.

Signature Logo Program
Your local Hussey dealer will work with your community or school to develop a logo design that makes everyone proud. With the MAXAM Signature Logo Program, it is easy to create the most colorful and spirited bleacher logo design.

WALL ATTACHED

Our most popular telescopic gym seating solution. Wall attached systems are supplied in 3 to 30 tier banks, are extremely adaptable, and efficiently recover floor space, allowing you to easily get the most out of your facility at all times.

Reverse-Fold Closed

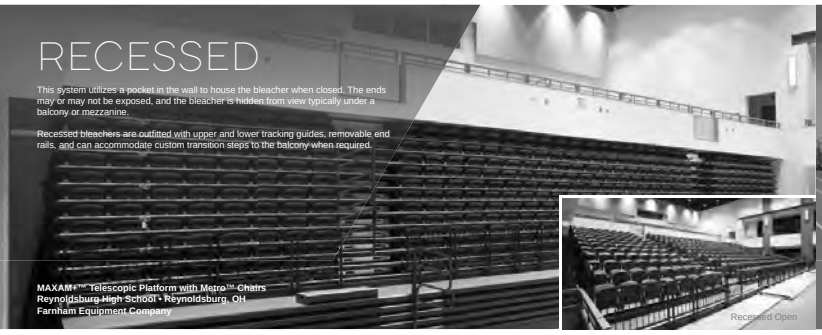

Reverse-Fold Open

Reverse-Fold Delayed Action
Further increase your usable space by up to 3' (914 mm) with MAXAM's delayed action feature. The entire closed bleacher stack moves forward on a linkage to recover additional floor space.

RECESSED

This system utilizes a pocket in the wall to house the bleacher when closed. The ends may or may not be exposed, and the bleacher is hidden from view typically under a balcony or mezzanine.

Recessed bleachers are outfitted with upper and lower tracking guides, removable end rails, and can accommodate custom transition steps to the balcony when required.

PORTABLE & FREESTANDING

Portable
These bleacher sections allow you to easily move and store bleachers where you want them. Create any number of custom seating layouts for different events. Units may be equipped with locking floor pintels for extra safety and security.

Freestanding
With a heftier rear column that's permanently secured to the floor, these bleachers provide design flexibility for buildings that can't support wall loading or where wall loading is marginal.

Traveling Units

A hybrid of recessed and portable banks, traveling units use integral power to drive the entire bank from one setup position to another. Set-up time is greatly reduced compared to individual portable sections.

MAXAM 1™

One minute – one person. We engineered MAXAM 1™ Portable Bleachers to be operated by a single person. Just extend each of the traction arms, tip the unit, give it a gentle push to lock it down, and it is ready to go. Gas struts provide a controlled descent and lift assistance to ensure easy operation. No more waiting for a crew or scheduling extra labor – just keep saving labor time and cost for the entire life of your seats.

One answer – anywhere.
MAXAM 1™ Portable Bleachers fit in just about anywhere – schools, colleges, fitness clubs, retail & corporate training areas, recreation facilities, community centers, sports fields and playgrounds. Handling larger groups is easy – simply connect multiple units together. You can even use it outdoors temporarily in protected areas*. Get creative, and think outside the gym!

UNDERSTRUCTURE

Performance, Flexibility and Safety

A. Posi-Lock™ LX
These automatic row locks prevent accidental closure when the system is in use. This patented, innovative, low-profile design minimizes the chance of accidental damage, ensuring consistent operation.

B. Nose & Riser Beam
These rolled form structural members provide continuous deck support, and are through-bolted to the frame and stabilizers. These designs deliver unparalleled strength, durability and rigidity.

C. Continuous Positive Interglide
This interlocking glide system is a rigid, one-piece formed design which tracks better and operates easier than systems with 1/2" (13 mm) row to row engagement. The 10" (254 mm) minimum interlock provides the industry's most rigid, stable design. Our wheels are 5" (127 mm), resulting in less rolling friction.

D. Captive Interlock & Adjustable Row Stops
The Captive Interlock System engages and aligns deck to deck. In addition, MAXAM® can be configured for three different row-spacing setups—adjustable on-site if required. MAXAM incorporates three stabilizer assemblies per section to provide improved tracking and stability.

E. Independently Locking Flex-Row™
Each Flex-Row is equipped with an independent self-locking mechanism to deliver maximum flexibility, performance and safety.

F. Full-Length Captured Decking
Decking is captive in the riser beam and rests on the nose, firmly secured by the seat bracket. This system provides a stiff, secure walking surface with no exposed hardware. MAXAM is the only telescopic gym seat that utilizes transverse decking, using decking materials in accordance with their industry span rating. Thoroughly load tested and independently verified, MAXAM's continuous full-length deck support system provides an enhanced level of performance, safety and stability.

G. Slant Frame Design
Load-tested and certified for 30 tier single stack sections up to 25' 6" (7772 mm), our slant frame design delivers improved cantilever strength and capacity. It also simplifies the installation process, reducing downtime for the facility. Critical support areas are all fastened with bolts, lock washers and hex nuts. Only MAXAM incorporates a steel to steel connection where the frame meets the wall, creating a stronger union and a safer gym seat.

H. Tension Bracing
Through bolted to the frame to provide additional stability. All bracing is coined to remove sharp edges, and all ends are rounded for safety.

Rail Options

New Auto-Rotating Center Aisle Rails
Hussey's breakthrough center handrail design ensures your patrons will always find a secure hand hold while moving up or down the aisles – while dramatically reducing the labor of properly opening or closing your gym bleacher. This Patent pending rail is permanently mounted to the bleacher, and automatically rotates to the proper open or closed position as you operate the bleacher with the push of a button.

Colored Rails (Left)
Carry your color scheme throughout the facility with one or more of our palette of standard colors to show your school spirit. Aisle rails, end rails and front or rear rails can all be customized to match your school colors. Ask your Hussey dealer for more information.

Center Aisle Hand Rails
Safety rails include fixed, folding and removable options and feature a safe, fully closed design.

Fixed Front and Rear Rails
An ideal solution for truncations, elevated front aisles, freestanding, portables and reverse fold systems. All rails maintain a consistent design appearance.

Media Platform

Perfect for videotaping, photography, radio broadcasting or team talent scouting, the Hussey Media Platform creates a workable space for covering all the action. Optional rail sleeves can be customized to promote school spirit or generate revenue.

Fold & Stow Center Aisle Hand Rail
Requires no tool and stores on the deck in the bleacher's closed position. Rail rotates and snaps into place.

Self-Storing End Rails
This stylish self-storing rail is designed to meet the most stringent codes for rail loading and sphere passage. Add 12" (305 mm) to bank length for each railed end.

Other Options

Safety End-Closure Curtains
Prevent unauthorized access to the underside of the bleacher, misuse that can result in injury, vandalism and potential liability risk. With Hussey Safety End-Closure Curtains, you can boost gym security while displaying your school pride. Built school-tough, they work beautifully and securely on new or existing bleachers. And Hussey offers the capability for full-bleed designs—including photographs. When paired with the CourtSide™ graphic logo, you can carry your school's identity throughout the gym.

CourtSide
Graphic Logo

Aisle Steps
Intermediate steps at each vertical aisle are mounted to the deck providing code-compliant rises and tread depth. Steps are fitted with non-skid strips and offer rounded edges to enhance safety.

Power Assist
Portable power permits one person to open and close manual sections by moving the tractor from section to section. Operates on standard 115 volt 20 amp service.

Integral Power
MAXAM®'s Powered Frame design applies force where needed—at the frames—and allows for better tracking over uneven floors. With five power options available, you buy only the power you need.

Elevated Front Aisle
Elevated front aisles start at various heights and run the length of the first row of the bleacher. EFA's improve sight lines and are ideal installations for hockey rinks and more. All can be outfitted with front rails, end rails, front panels or access stairs. An ideal solution to facilitate egress and accommodate your individual building requirements. Access stairs can be added as an option.

Motion Monitor
Audio-visual warning for an integrally powered unit that provides a flashing light with self-contained warning horn. Rated at 85 dB, it activates when bleachers are in motion.

Limit Switch
Limit switches ensure the motor stops once the bank is completely open or closed.

Sustainability

At Hussey Seating, respecting the landscape we live in—and the hard work and well-being of the people we work with—has always been in our DNA and part of our heritage. Our commitment to environmentally friendly business practices has taken many forms over the years as standards and technology have changed.

FSC www.fsc.org PROF C105028 The mark of responsible forestry

In the 1970s, when the rest of the nation began to become more environmentally aware, we had already laid walking trails and planted a tree farm on our beautiful Maine campus. Today, going green means developing environmentally friendly paints and finishes, sourcing sustainable woods and metals, going beyond local and national regulations in clean manufacturing and waste disposal, and making deliveries on time while reducing our carbon footprint. We reduced our air emissions by 90% while tripling our seating business, so we know green business is good business.

Hussey seating solutions come in a wide range of colors—but every day our seats get greener. If you'd like to learn more about our sustainability efforts, please visit our website at **www.husseyseating.com/sustainability**

A New Dimension of Comfort

With the wide variety of seating solutions that MAXAM+™ can support, a comfortable seating solution is just around the corner. All seats are available in both telescopic and fixed versions, allowing an aesthetic continuity throughout a facility.

Easily fitting into both new and existing facility dimensions—our telescopic seating systems allow easy adjustment and make future maintenance, chair replacement and upgrading a breeze. State-of-the-art composite finishes and fully integrated systems allow maximum seating—while providing patrons with a singularly comfortable seating experience.

A-B Quattro Classic Series
Shown as a Forward Fold. Available in nose mount, fixed, and portable stacking options. The Quattro Classic Series blends the comfort of a premium auditorium chair with the flexibility of telescopic seating platform, making these high value locations truly the best seats in the house. Designed to decrease labor costs and changeover time, platforms with Quattro Classic can efficiently change from stored to event-ready with each staff member operating rows of up to 14 chairs at a time for a single operator.

C. Gallery 3
Shown as Fold Down Upholstered. Gallery 3's contemporary European styling gives your facility a fresh look and enhances the experience of your patrons.

With multiple chair widths available, your attendees will enjoy even lengthy performances. Available in manual, lift-assist, and semi-automatic, these rail mounted seats with a surprisingly slim envelope can be event ready with minimal effort.

MAXIMUM SEATING OPTIONS

Ranging from fold-down chairs and benches to polymer gym-seat modules, MAXAM+™ telescopic platforms can support a wide variety of audience seating options.

CourtSide™ Modular Gym Seats
Designed to fit anywhere on your MAXAM+ units, CourtSide is completely modular. CourtSide seat modules, backrests and seat spacers are just the ticket for seating spectators in truly comfortable bleacher seats – a welcome surprise for your fans. You can use all three types of modules throughout your gym, or mix and match to create different levels of seating within the same bleacher bank. Easily create a first row of integrated team seating, or build a section of reserved VIP seating for season ticket sales to your boosters.

Seating Options

Metro Upholstered and Polymer
Metro's innovative and distinctive design incorporates both comfort and style. The entire seat is molded using advanced engineering polymers, and is available in 18", 19", 20", 21", and 22" (450 mm, 475 mm, 500 mm, 525 mm, and 550 mm) standard widths (or any variation in-between). Metro has a full line of arm options including polymer, upholstered and wood, as well as cup holders, and many other accessories.

Premia Upholstered
With a sprung foam seat and back, the fully upholstered Premia chair offers big comfort in a small package. This low-maintenance chair with folding backrest offers an innovative way to provide ergonomic comfort in a compact individual chair with semi-automatic operation.

Seating Customization

Premia Polymer
The same design as the Premia Upholstered, the Premia Polymer is an affordable alternative with the increased durability that Polymer offers. No sacrifice to design is necessary as Polymer options come in 19 different colors to match your desired color palette.

Upholstered Bench Seats | Club Bench
The Club Bench closes into a small space, allowing for a minimum rise per row of just under 10½" (260 mm). The manual folding, preformed plywood seat and back come with your choice of upholstery. Also available without the backrest.

CourtSide 12 and 10 with Backrests
Ergonomically designed for maximum comfort to provide ideal low- and mid-back support. Also engineered for maximum fan safety and easy bleacher cleaning. One person can raise or lower up to seven interconnected backrests at a time to minimize labor and operational costs.

THE TOTAL PACKAGE

From our brand new XtremeLogo™ bleacher graphics that make your gym come alive to our Clarin® portable logo chairs, the Total Package Graphics Program helps create the ultimate gymnasium. Inspire your team, students and community with vibrant colored rails, spirited CourtSide™ Contour Backrests, integral CourtSide seat graphic logos, vivid Safety End Closure Curtain graphics, exciting Media Platform Rail Sleeve graphics, and our sleek new StepSigns™ and CourtSigns™. The customization options are nearly endless!

"The bleachers have generated a great deal of school pride with our student body. The kids are so proud when players from opposing schools come into the gym and comment on how beautiful the bleachers are. They've turned a nice gym into a state of the art gym...it's stunning!"

XtremeLogo
The cornerstone of the Total Package Graphics Program, the XtremeLogo places your school's mascot or logo on a grand scale in the center of your bleacher sections. Using a proprietary graphic transfer process, your XtremeLogo is permanently bonded to the CourtSide bleacher seats – no peeling, scuffing or scratching. Whether the bleachers are opened or closed, your logo will impress.

Clarin Portable Sideline Chairs
The choice of colleges and pro teams nationwide, Clarin portable chairs offer state-of-the-art logo customization for backs, seats and even seat gussets. Durable, full-color imprints of your mascot, logo, and spirit message give big-league sideline impact. Clarin's proven worry-free dependable performance is legendary, delivering decades of service with the flexibility of interchangeable seats and backs.

CourtSide™ Graphic Logos
CourtSide gym seat modules offer a spot for every fan to see your school's logo or mascot at the end of each seating area. These durable, full-color custom graphic logos can even be individually customized for section designation.

StepSigns™
These ultra-durable full-color signs are pre-applied to the front of bleacher aisle steps during manufacturing. Offering full-color to single color imprinting, they are a great place to remind students, fans and competitors of your school motto or spirit message.

CourtSigns™
Featuring the same material and imprinting options as StepSigns, CourtSigns are pre-applied to the bleacher skirt boards during manufacturing. Their longer runs and placement make them ideal for ringing the court with your school name.

Media Platform
The rail sleeves of both detachable or permanently installed Media Platforms are the perfect spot to bring together your full-color logo, mascot, school name and spirit message to top off your bleachers with a message visible from anywhere in your gym.

THE TOTAL PACKAGE (cont.)

Portable Chair Storage Carts
Put an end to haphazard sideline chair storage with our specially engineered Clarin® chair storage carts. Make set-up and break down a breeze by using stacking, hanging, flat or studio carts to keep your chairs organized and all in one place.

Backrests and Seat Spacers
Contrasting color CourtSide™ CB contoured bleacher backrests deliver truly comfortable bleacher seating and turn up the spirit. They can be incorporated anywhere on your bleachers, with or without seat spacers.

Safety End Closure Curtain
MAXAM® bleacher end curtains boost gym security while displaying your school pride. Vibrant full-color customization can run all the way off the edges in large full-bleed designs to wow people with your spirit as soon as they walk in the door.

Auto-Rotating Center Aisle Rails
This Patent pending rail is permanently mounted to the bleacher, and automatically rotates to the proper open or closed position as you operate the bleacher with the push of a button. No tools, no labor, no more missing or improperly positioned rails.

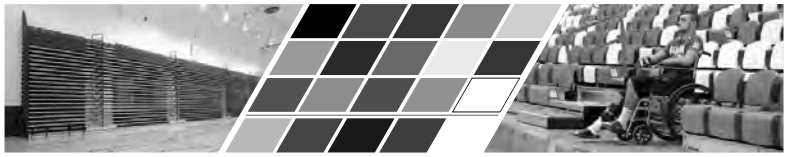

Colored Rails
Your bleacher aisle, end, front and rear rails carry on your school's color scheme in one or more colors. Choose from a variety of standard color options or custom color matching to bring out school pride with a punch of color.

SEATING CUSTOMIZATION

Signature Logo Program
Your local Hussey dealer will work with your community or school to develop a logo design that makes everyone proud. With the MAXAM+ Signature Logo Program, it is easy to create the most colorful and spirited bleacher logo design.

Standard Colors
The CourtSide™ XC10 and XCS12 are available in 15 standard colors (top 3 rows) and Metro is available in all 19. For accent lines, attention-grabbing signature logos or sticking with a solid color theme, select CourtSide or Metro as your ideal seat. Production polymer and powder coat colors can vary from printed samples shown, so Hussey makes sample chips available upon request. Custom color matches are also available.

Flex-Row™
Create an endless variety of lock-in configurations to accommodate constantly changing needs like team seating, wheelchair access and scorer's tables. Available with CourtSide™, Metro™, Club Bench and Gallery 2 seating.

UNDERSTRUCTURE

Performance, Flexibility and Safety

A. Posi-Lock™ LX
These automatic row locks prevent accidental closure when the system is in use. This patented, innovative, low-profile design minimizes the chance of accidental damage, ensuring consistent operation.

B. Nose & Riser Beam
These rolled form structural members provide continuous deck support, and are through-bolted to the frame and stabilizers. These designs deliver unparalleled strength, durability and rigidity.

C. Continuous Positive Interglide
This interlocking glide system is a rigid, one-piece formed design which tracks better and operates easier than systems with 1/2" (13 mm) row to row engagement. The 10" (254 mm) minimum interlock provides the industry's most rigid, stable design. Our wheels are 5" (127 mm), resulting in less rolling friction.

D. Captive Interlock & Adjustable Row Stops
The Captive Interlock System engages and aligns deck to deck. In addition, MAXAM® can be configured for three different row-spacing setups—adjustable on-site if required. MAXAM incorporates three stabilizer assemblies per section to provide improved tracking and stability.

E. Full-Length Captured Decking
Decking is captive in the riser beam and rests on the nose, firmly secured by the seat bracket. This system provides a stiff, secure walking surface with no exposed hardware. MAXAM is the only telescopic gym seat that utilizes transverse decking, using decking materials in accordance with their industry span rating. Thoroughly load tested and independently verified, MAXAM's continuous full-length deck support system provides an enhanced level of performance, safety and stability.

F. Slant Frame Design
Load-tested and certified for 30 tier single stack sections up to 25' 6" (7772 mm), our slant frame design delivers improved cantilever strength and capacity. It also simplifies the installation process, reducing downtime for the facility. Critical support areas are all fastened with bolts, lock washers and hex nuts. Only MAXAM incorporates a steel to steel connection where the frame meets the wall, creating a stronger union and a safer gym seat.

G. Tension Bracing
Through bolted to the frame to provide additional stability. All bracing is coined to remove sharp edges, and all ends are rounded for safety.

Rail Options

New Auto-Rotating Center Aisle Rails
Hussey's breakthrough center handrail design ensures your patrons will always find a secure handhold while moving up or down the aisles – while dramatically reducing the labor of properly opening or closing your gym bleacher. This Patent pending rail is permanently mounted to the bleacher, and automatically rotates to the proper open or closed position as you operate the bleacher with the push of a button.

Colored Rails (Left)
Carry your color scheme throughout the facility with one or more of our palette of standard colors to show your school spirit. Aisle rails, end rails and front or rear rails can all be customized to match your school colors. Ask your Hussey dealer for more information.

Center Aisle Hand Rails
Safety rails include fixed, folding and removable options and feature a safe, fully closed design.

Fixed Front and Rear Rails
An ideal solution for truncations, elevated front aisles, freestanding, portables and reverse fold systems. All rails maintain a consistent design appearance.

Media Platform

Perfect for videotaping, photography, radio broadcasting or team talent scouting, the Hussey Media Platform creates a workable space for covering all the action. Optional rail sleeves can be customized to promote school spirit or generate revenue.

Fold & Stow Center Aisle Hand Rail
Requires no tool and stores on the deck in the bleacher's closed position. Rail rotates and snaps into place.

Self-Storing End Rails
This stylish self-storing rail is designed to meet the most stringent codes for rail loading and sphere passage. Add 12" (305 mm) to bank length for each railed end.

Other Options

Power Assist
Portable power permits one person to open and close manual sections by moving the tractor from section to section. Operates on standard 115 volt 20 amp service.

Integral Power
MAXAM®'s Powered Frame design applies force where needed—at the frames—and allows for better tracking over uneven floors. With five power options available, you buy only the power you need.

Elevated Front Aisle
Elevated front aisles start at various heights and run the length of the first row of the bleacher. EFA's improve sight lines and are ideal installations for hockey rinks and more. All can be outfitted with front rails, end rails, front panels or access stairs. An ideal solution to facilitate egress and accommodate your individual building requirements. Access stairs can be added as an option.

Safety End-Closure Curtains
Prevent unauthorized access to the underside of the bleacher, misuse that can result in injury, vandalism and potential liability risk. With Hussey Safety End-Closure Curtains, you can boost gym security while displaying your school pride. Built school-tough, they work beautifully and securely on new or existing bleachers. And Hussey offers the capability for full-bleed designs—including photographs. When paired with the CourtSide™ graphic logo, you can carry your school's identity throughout the gym.

CourtSide

Aisle Steps
Intermediate steps at each vertical aisle are mounted to the deck providing code-compliant rises and tread depth. Steps are fitted with non-skid strips and offer rounded edges to enhance safety.

Motion Monitor
Audio-visual warning for an integrally powered unit that provides a flashing light with self-contained warning horn. Rated at 85 dB, it activates when bleachers are in motion.

Limit Switch
Limit switches ensure the motor stops once the bank is completely open or closed.

WALL ATTACHED

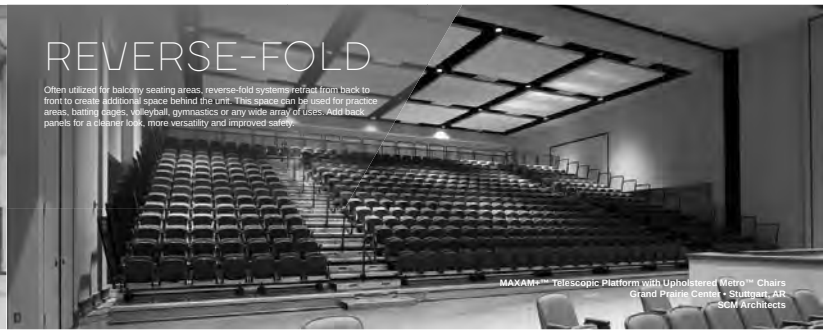

Our most popular telescopic gym seating solution. Wall attached systems are supplied in 3 to 30 tier banks, are extremely adaptable, and efficiently recover floor space, allowing you to easily get the most out of your facility at all times.

Wall Attached Closed

Pendant Control
Pendant controls allow the operator to see the entire bank as it opens and closes—an important safety precaution. The pendant control can be easily removed to prevent unauthorized use.

Wireless Remote Control
All of the built-in safety features of our standard pendant control, with the additional convenience and freedom of movement offered by wireless operation.

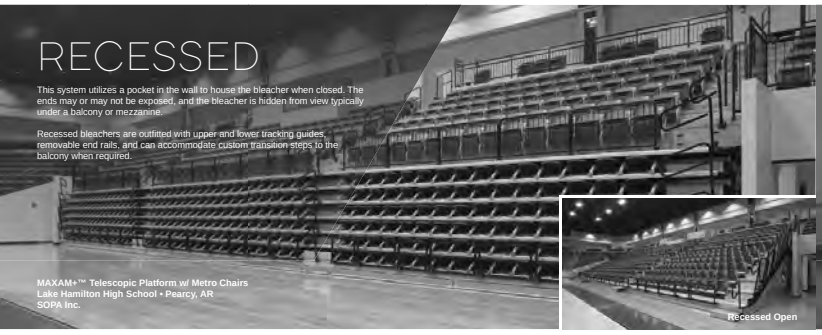

Reverse-Fold Closed

Reverse-Fold Delayed Action
Further increase your usable space by up to 3' (914 mm) with MAXAM's delayed action feature. The entire closed bleacher stack moves forward on a linkage to recover additional floor space.

RECESSED

This system utilizes a pocket in the wall to house the bleacher when closed. The ends may or may not be exposed, and the bleacher is hidden from view typically under a balcony or mezzanine.

Recessed bleachers are outfitted with upper and lower tracking guides, removable end rails, and can accommodate custom transition steps to the balcony when required.

PORTABLE & FREESTANDING

Portable
These bleacher sections allow you to easily move and store bleachers where you want them. Create any number of custom seating layouts for different events. Units may be equipped with locking floor pintels for extra safety and security.

Freestanding
With a heftier rear column that's permanently secured to the floor, these bleachers provide design flexibility for buildings that can't support wall loading or where wall loading is marginal.

Traveling Units

A hybrid of recessed and portable banks, traveling units use integral power to drive the entire bank from one setup position to another. Set-up time is greatly reduced compared to individual portable sections.

Portable Closed

Portable Dolly
Most economical for large number of small portable sections. Two dollies are required to move one section. Maximum section weight of 4000 lbs (1800 kgs).

Integral Dolly
Ideal for high tier units, the integral lifting mechanism allows your staff to move multiple portable sections without additional equipment. Four mechanical screw jacks lift the unit and 12 large wheels allow for effortless transportation of your bleacher. Maximum section weight of 7000 lbs (3150 kgs).

MXP TELESCOPIC PLATFORM

Featuring an amazingly stable and durable telescopic platform that accommodates Hussey's premium seating styles, MXP is expertly engineered for arenas to save time and labor costs while providing the most comfortable and luxurious telescopic platform seating experience available.

Integrated Program Supports
MXP platforms offer nearly endless customization options for professional arena needs. Adding Integrated Program Supports to an MXP platform allows the section to be truncated at any row. You get the flexibility of choosing how many rows each section needs, on-demand. Engaging this feature is quick and easy with no extra personnel, parts or labor required, and the section is completely stable no matter where it is truncated.

Heavy-Duty Arena Features
MXP platforms focus on delivering on-the-spot configuration flexibility. Completely independent powered sections accommodate nearly any concert configuration easily and change over quickly. Railings can be customized to attach to any row within sections for maximum flexibility and to deliver the crowd control often required by popular tours. Best of all, railings store right on each section to eliminate loose parts and storage hassles.

Professional Grade Style, Comfort & Functionality

MXP platforms are designed to support fully upholstered chairs – even premium VIP chairs from our Quattro® Collections.

Accommodating up to a 39 ⅞" (1M) premium seat back, your patrons will love the look and feel of MXP. With deeper row spacing, more legroom and our premium upholstered chair options, telescopic seating has never been more comfortable.

Plus, our new chair mounting system delivers the most stable, solid telescopic seating experience available today - one with the feel of a fixed auditorium chair and the flexibility of a telescopic platform.

No matter what chair you choose, it folds flat into the telescopic platform. MXP platforms and the chairs it supports are professional arena grade – designed to withstand the rigors of multiple changeovers a day.

MXP™ Seat Options

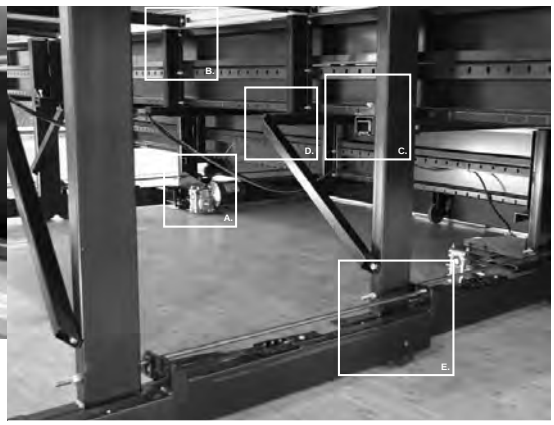

Quattro® Nose-Mount Seating
Our Quattro nose-mount chairs can be raised and lowered in pairs, with the armrest locking into place providing an exceptionally solid, stable seat.

Quattro Forward-Fold Seating
Setup and changeover is fast and easy with a single operator by simply unlocking our Quattro forward-fold upholstered chair rows and raising or lowering up to 14 seats at a time.

Metro Semi-Automatic Seating
Our Metro seats can be configured for true semi-automatic operation of up to 14 chairs at once. The chairs automatically lower as the system is closed and when opened, the operator provides a manual assist to lock the chairs into place.

MXP™ Understructure

Flexibility, Safety, Performance & Reliability

The understructure of any telescopic platform is the backbone of the system, and MXP's understructure is engineered to provide maximum flexibility, safety, performance and reliability. Utilizing Hussey's proven vertical frame design, MXP accommodates rises from 4"-24" (102-610 mm), row spacing from 32" - 39 3/8" (813mm - 1M) in 1" (25 mm) increments, and tapered sections up to 22 ½ degrees, providing maximum seating configuration flexibility.

A. Soft-Start Steerable Power
The most efficient system in the industry, our Soft-Start Steerable Power system utilizes existing power sources, has a controlled start to prevent wear and tear on the system and your facility, and allows a single operator to steer the section and fine-tune its final position.

B. Fully Captive Interlocks
Providing the ultimate in safety and performance, fully captive upper and lower interlocks ensure the frames can never separate. Plus, the upper interlocks provide a stable, locked deck when loaded so your audience will feel as safe and stable on the 30th row as on the first.

C. Adjustable Cantilevers
Creating an exceptionally quiet deck and better overall operational performance, the adjustable cantilevers eliminate friction points during open/close.

D. Tubular Knee Bracing
Designed to withstand heavy use and heavy loads, the tubular knee braces provide a safe, rigid walking surface.

E. Lower Captive Interlocks
The lower interlock design nests completely,permitting a zero-offset between tiers that minimizes the closed footprint of the system. Pre-tension guide rods cannot be bent or disengaged resulting in smooth, reliable operation every time.

Sustainability

At Hussey Seating, respecting the landscape we live in—and the hard work and well-being of the people we work with—has always been in our DNA and part of our heritage. Our commitment to environmentally friendly business practices has taken many forms over the years as standards and technology have changed.

FSC www.fsc.org PWOY C104458 The mark of responsible forestry

In the 1970s, when the rest of the nation began to become more environmentally aware, we had already laid walking trails and planted a tree farm on our beautiful Maine campus. Today, going green means developing environmentally friendly paints and finishes, sourcing sustainable woods and metals, going beyond local and national regulations in clean manufacturing and waste disposal, and making deliveries on time while reducing our carbon footprint. We reduced our air emissions by 90% while tripling our seating business, so we know green business is good business.

Hussey seating solutions come in a wide range of colors—but every day our seats get greener. If you'd like to learn more about our sustainability efforts, please visit our website at **www.husseyseating.com/sustainability**

Hussey Seating Company™

The Hussey Seating Company story dates back to 1835 with William Hussey's tremendously successful plow design, and thus, the Hussey Plow Company was born. As times changed over the next sixty years, the family set about reinventing the business, evolving into the company that is now seating the world. Today, under the sixth generation of family leadership, Hussey Seating Company is proud to be known as the leading manufacturer of seating solutions throughout the world – in stadiums, arenas, schools, universities, colleges, places of worship and anywhere people gather.

PROJECT:
(Name, location or address, and Project number, if any)

AEPA IFB #019-A - Telescopic Bleachers & Stadium Seating, Waterford, MI

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

Equal Employment Opportunity and Affirmative Action Statement of Policy
41 C.F.R. 60-300.44(a)

It is the policy of Hussey Seating not to discriminate or allow the harassment of employees or applicants on the basis of gender, race, color, religious creed, national origin, physical or mental disability, and/or protected veteran status with regard to any employment practices, including recruitment, advertising, job application procedures, hiring, upgrading, training, promotion, transfer, compensation, job assignments, benefits and/or other terms, conditions, or privileges of employment, provided the individual is qualified, with or without reasonable accommodations, to perform the essential functions of the job. This policy applies to all jobs at the Company. The Company will continue to take affirmative action to employ and advance in employment women, minorities, individuals with disabilities, and protected veterans and to treat qualified individuals without discrimination based upon their gender, race, physical or mental disability, or protected veteran status, in all employment practices as follows:

Employment decisions at the Company are based on legitimate job-related criteria. All personnel actions or programs that affect qualified individuals, such as employment, upgrading, demotion, transfer, recruitment, advertising, termination, rate of pay or other forms of compensation, and selection for training, are made without discrimination based upon the individual's gender, race, physical or mental disability, protected veteran status, or other protected characteristics. Employees and applicants with disabilities and disabled veterans are encouraged to inform Human Resources if they need a reasonable accommodation to perform a job for which they are otherwise qualified. The Company makes, and will continue to make, reasonable accommodations to the known physical or mental limitations of an otherwise qualified applicant or employee to promote the employment of qualified individuals with disabilities and disabled veterans, unless such accommodations would impose an undue hardship on the operations of the Company's business.

Hussey Seating is fully committed to principals of equal employment opportunity and affirmative action. As Director of Human Resources, I support the successful implementation of the Company's Affirmative Action Programs. I have appointed Cynthia Talbot, Affirmative Action Officer for the Company, with responsibility for implementation of the Company's affirmative action activities. The Affirmative Action Officer has the full support of top management and the staff necessary to fully implement this Program. All managers and supervisors will take an active part in the Company's AAP to ensure that all qualified employees and prospective employees are considered and treated in a non-discriminatory manner with respect to all employment decisions. Furthermore, Hussey Seating will solicit the cooperation and support of all employees for the Company's policy and our AAPs.

Our AAPs include an audit and reporting system, which, among other things, uses metrics and other information to measure the effectiveness of the AAPs. The Affirmative Action Officer has been assigned responsibility for periodically reviewing progress in the compliance and implementation of the policy of affirmative action for women, minorities, individuals with disabilities, and protected veterans. In accordance with public law, the Company's program of affirmative action for qualified individuals with disabilities and the program of affirmative action for protected veterans are available for inspection in the Human Resources Department, Monday through Friday, from 9:00 to 5:00 upon request.

In addition, employees and applicants will not be subjected to harassment, intimidation, threats, coercion, or discrimination because they have engaged in, or may have engaged in, activities such as filing a complaint, assisting or participating in an investigation, compliance review or hearing, or opposing any act or practice made unlawful, or exercising any other right protected by Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans Readjustment Assistance Act of 1974, as amended, Executive Order 11246, and/or any other federal, state or local law or regulation regarding Equal Employment Opportunity.

GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union of the contractor's commitments under this chapter and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to meet targeted county employment goals established in accordance with N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, and labor unions, that it does not discriminate on the basis of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability,

nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

Letter of Federal Affirmative Action Plan Approval

Certificate of Employee Information Report

Employee Information Report Form AA302 (electronically provided by the Division and distributed to the public agency through the Division's website at www.state.nj.us/treasury/contract_compliance)

The contractor and its subcontractors shall furnish such reports or other documents to the Division of Purchase & Property, CCAU, EEO Monitoring Program as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Purchase & Property, CCAU, EEO Monitoring Program for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27**.

Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program, may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) **EXHIBIT B** (Continued)

(B) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(C) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:

(l) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and nondiscrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

(i) The contactor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction

trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below. (iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(D) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7. The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program, and to the public agency

EXHIBIT B (Continued)

compliance officer. The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the job programs for outreach and training of minorities and women.

(E) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq. ATTACHMENT B – NEW JERSEY ANTI-DISCRIMINATION PROVISIONS N.J.S.A. 10:2-1 ET SEQ.

Pursuant to N.J.S.A. 10:2-1, if awarded a contract, the contractor agrees that:
a. In the hiring of persons for the performance of work under this contract or any subcontract hereunder, or for the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under this contract, no contractor, nor any person acting on behalf of such contractor or subcontractor, shall, by reason of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex, discriminate against any person who is qualified and available to perform the work to which the employment relates;

b. No contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee engaged in the performance of work under this contract or any subcontract hereunder, or engaged in the procurement, manufacture, assembling or furnishing of any such materials, equipment, supplies or services to be acquired under such contract, on account of race, creed, color, national origin, ancestry, marital status, gender identity or expression, affectional or sexual orientation or sex;

c. There may be deducted from the amount payable to the contractor by the contracting public agency, under this contract, a penalty of $50.00 for each person for each calendar day during which such person is discriminated against or intimidated in violation of the provisions of the contract; and

d. This contract may be canceled or terminated by the contracting public agency, and all money due or to become due hereunder may be forfeited, for any violation of this section of the contract occurring after notice to the contractor from the contracting public agency of any prior violation of this section of the contract. No provision in this section shall be construed to prevent a board of education from designating that a contract, subcontract or other means of procurement of goods, services, equipment or construction shall be awarded to a small business enterprise, minority business enterprise or a women's business enterprise pursuant to P.L.1985, c.490 (C.18A:18A-51 et seq.).

Environmental Initiatives

Describe how your products and/or services support environmental goals.

The following is from our website | https://www.husseyseating.com/sustainability

Green business is good business

Today, going green means developing environmentally friendly paints and finishes, sourcing sustainable woods and metals, going beyond local and national regulations in clean manufacturing and waste disposal, and making deliveries on time while reducing our carbon footprint. We reduced our air emissions by 90% while tripling our seating business, so we know green business is good business. Hussey seating solutions come in a wide range of colors—but every day our seats get greener.

In the last several years, Hussey Seating has committed to further reducing hazardous pollutants and reducing waste. These environmentally friendly changes include:

- *Banning use of all CFCs in spray mechanisms*
- *Reducing production of VOCs from 100 tons in 1996 to less than five tons today*
- *Reducing xyelene use from two tons to .06 tons per year*
- *Switching to environmentally friendly paints and glues*
- *Recycling 83% of non-hazardous solid waste, while the rest is disposed of at a licensed waste-to-energy facility*
- *Reducing the amount of hazardous waste generated by 85%, and*

- *Reducing energy consumption by switching to environmentally friendly lighting and greener, more efficient motors.*

At Hussey Seating, our commitment to sustainability goes beyond environmental awareness. As a thriving, family-owned business with deep roots in our native state of Maine, Hussey Seating is also helping to sustain our local and national economy.

Hussey Seating Company is dedicated to providing great jobs, making great products and supporting and a wonderful way of life.

Describe the business's "green" objectives (i.e. LEED, reducing footprint, etc.).

Our products are designed and manufactured with our environment and global vision to planet earth's management in mind. We leverage design and material selections focused on product deconstruction as a primary goal at end of product life cycle. All the chosen materials can be simply recycled at the end of products life and recycled into a new product without going into a landfill. We also design products of high quality which outlast our competitors, most of our Telescopic Bleachers Systems life extend beyond 25+ years to minimize waste in the throwaway society we live in today.

Our product line also carries complete USGBC LEED documentation for ease of customer use as required on LEED certified projects.

The following is from our website | https://www.husseyseating.com/environmental-data

Our commitment to sustainable building practices is based in fact

When it's time to close out your project for environmental certification, you want hard data, not wishful thinking. Our commitment to sustainable building practices means we've documented the recycled material content and indoor air quality characteristics for our products down to the part level, including packaging, for every product configuration we offer.

Independent Subcontractors, Distributors, Installers, etc.

If the Bidder is not the sole provider of all goods and services provided under this contract, the following **must be answered**:

Selection Criteria for Independent Providers: Describe the criteria and process by which the business selects, certifies and approves subcontractors, distributors, installers and other independent services.

We strive to have the Best Exclusive Dealer Network in the World. We have many long term exclusive dealer relationships with a handful that extend 50+ years with Hussey Seating. Our goal is to bring in local experts that can extend our way of business & culture to their local communities in which they co-exist with our customers to provide the best support that should be expected in any business. We demand and measure finical stability & professionalism at all levels in their organizations from top management, sales, project management, assembly & installation to after-sale service and maintenance for the life of the product.

We manage these exclusive dealers with a direct sales team of Dealer Sales Managers whom work hand and hand in the territories providing us direct oversight, management and access to the global markets in which we choose to do business.

Today our exclusive dealer network is our most valuable asset to our business success which has been privately held, family owned and operated for 183 years… as we have been located and engaged with our customers in North Berwick, Maine Since 1835!

Current Subcontractors, Distributors, Installers, Etc.: Provide a list of current subcontractors, distributors, installers and other independent service providers who are contracted to perform the type of work outlined in this bid in the member agency states (listed in Part A of this IFB). Include, if applicable, contractor license or certificate information and the state(s) wherein they are eligible to provide services on behalf of the business.

All applicable contractor licenses and or certificate information will be provided as States adopt AEPA #019-A Telescopic Bleachers & Stadium Seating for their use and require documentation.

If YES, and your business is awarded an AEPA contract, explain which contract your business will lead with in marketing and sales representative presentations (sales calls)?
What we have learned over the years is that procurement customer's decided on not only the use of a contract to leverage as a vehicle to purchase desired products, yet they also heavily influence which contract they will use and or not use. Our strategy is to educate the procurement professionals what vehicles we have available for them to make their purchase easy. We work towards educating them as to what products are available on what contracts to help place them at ease during the purchasing process. This has been successful over the years and eliminates any feelings that they are being steered or directed one-way or another into a contract they may not be familiar and or comfortable with.

As part of our training and communication program we will make our exclusive dealers and end users / procurement professionals knowledgeable of the available purchasing vehicles we offer and what product solutions are included in each.

If an AEPA contract is approved and awarded by the Member Agencies, as a Vendor Partner, I agree to:

Responsibilities of an AEPA Vendor Partner	**Yes,** indicate with an "X"	**No,** indicate with an "X"
1. Designate and assign a dedicated senior-level contract manager (one authorized to make decisions) to each of the Member Agency accounts. This employee will have a complete copy and must have working knowledge of the AEPA contract.	X	
2. Train and educate sales staff on what the AEPA contract is: including pricing, who can order from the contract (by state), terms/conditions of the contract, and the respective ordering procedures for each state. It is expected that Vendor Partners will lead with AEPA contracts.	X	
3. Develop a marketing plan to support the AEPA contract in collaboration with respective AEPA Member Agencies. The marketing plan should include, but not be limited to, a website presence, electronic mailings, sales flyers, brochures, mailings, catalogs, etc.	X	
4. Create an AEPA-specific sell sheet with a space to add a Member Agency logo and contact information for use by the Member Agencies and the Vendor Partner's local sales representatives to market within each state.	X	
5. On a quarterly basis, complete the sales and administrative fee report (see attached PDF example) and submit to each Member Agency along with the respective administrative fees to be paid. If there are no sales, the Vendor Partner is required to submit a $0 report to the AEPA Member Agency.	X	
6. On a quarterly basis, complete the online Vendor Partner sales report for each Member Agency.		X
7. Have ongoing communication with the Bid Oversight Chairperson, AEPA Member Agencies and the Member Agencies Participating Entities.	X	
8. Attend two (2) AEPA meetings each year (see Part A)	X	
9. Participate in national and local conference trade shows to promote the AEPA contracts including, but not limited to the Association of School Business		X

Officials (ASBO), the National Institute of Governmental Purchasing (NIGP), and the National Association of Educational Procurement (NAEP).		
10. Increase sales over the term of the contract with all participating AEPA Member Agencies.	X	

Exceptions

Instructions:

1. If "no" is marked with an "X" below, complete this form by signing it at the bottom.
2. If "yes" is marked with an "X" below, insert answers into the form shown below, providing narrative explanations of exceptions. *(To insert more rows, hit the tab key from the last field in the last row and column.)*
3. If adding pages, the bidder's name and identifying information as to which item the response refers must appear on each page.
4. Exceptions to local, state or federal laws cannot be accepted under this bid.

	No, this bidder does not have exceptions to the Terms and Conditions incorporated in Parts A and B of this IFB.
X	**Yes**, this bidder has the following exceptions to the Terms and Conditions incorporated in Parts A and/or B of this IFB.

IFB Section and Page Number	Outline Number	Term and Condition	Exception
PART A | p.10	A.6	On a quarterly basis, complete the online Vendor Partner sales report for each Member Agency.	We take exception to item 6. As this is the same information being reported to Member Agencies on item 5. 5.On a quarterly basis, complete the sales and administrative fee report (see attached PDF example) and submit to each Member Agency along with the respective administrative fees to be paid. If there are no sales, a $0 report is required. This is a redundant requirement.
PART A | p.10	A.9	9. Trade show support: Strongly encourage participation in national and local conference trade shows to promote the AEPA contracts including, but not limited to the Association of School Business Officials (ASBO), the National Institute of Governmental Purchasing (NIGP), and the National Association of Educational Procurement (NAEP).	We take exception to trade show support with the term including & we will propose we provide trade show support as outlined in the Exhibit B – Marketing Plan as we currently do not participate in the procurement shows that are strongly encouraged.
PART B | p.4	6.6	Vendor Partner must maintain a toll free technical support line open 8 a.m. Eastern Time zone until 5 p.m., Pacific Time zone, Monday through Friday. Calls must be answered by a live US technician.	Technical support will be available from Hussey Seating Corporate | M-F | from 8:00AM – 4:30 PM EST & 8:00 AM – 5:00 PM in each Member Agency's Local Time Zone via Hussey's Exclusive Dealer Network.
PART B | p.4	7.1.1	The telescopic bleacher shall incorporate a locking system permitting the use of one, several, or all rows, each locked in the extended position.	Telescopic bleachers systems are required to fully open to lock into proper proposition to transfer front to back sway load. Our standard system can be used full open or use one row open yet several rows open require additional engineering to provide proper locking. This statement holds true for any and all telescopic seating systems. We can make the following statement and meet the proper safety requirements | The telescopic bleacher shall incorporate a locking system permitting the use of one, or all rows, each locked in the extended

			position. [We would strongly recommend striking the term several.] We understand that customers use their systems as described yet it creates an unsafe environment for the patrons and increases rick and liability for the facilities and school districts / member agencies.
PART B | p.4	7.1.2	Free-Standing (floor attached). Attached permanently to the floor, available in manual or power operation opening in a forward motion. A 10-1/4" rise is required for 20 rows, a 11-1/2" rise for 17 rows, and a rise of 16" is required on 12 rows.	Hussey Seating Company has the following comparable rises and Free-Standing Limitations for safety. 9 5/8" rise | 15 rows MAX for safety. 11 5/8" rise | 12 rows MAX for safety. 16" rise | 7 rows MAX for safety.
PART B | p.5	7.1.11	Nosing and rear riser shall be continuous formed galvanized steel members. Rear riser shall be a slant-away design to provide adequate foot room.	We take exception to this requirement as Hussey's telescopic systems leverage a vertical face riser design for additional strength and live loading transfer.
PART B | p.5 & p.6	7.1.12	A full range of outer backs shall be offered, including upholstered, hardwood veneer, laminated, and plastic; available with either exposed or hidden fasteners; back height may vary from 29" to 39.5", according to chair design. Seats shall be standard or fully enveloped. End panels shall be veneered, upholstered, laminated, or custom ordered; aisle lights may be conventional (on the side of an end panel), teardrop or strip (under the armrest).	Hussey will list our standard telescopic chair & bench seating solutions and options on the price list as this specification listing is about fixed auditorium seating solutions.
PART B | p.6	7.1.13	For rust resistance, steel understructure shall be finished on all surfaces with (Federal Specification TT-E-508) semi-gloss enamel. Tubular steel, which cannot be painted inside, is unacceptable.	Hussey's Seating Systems use tubular steel and do not finish the inside of the tube. Yet Hussey's standard product warrant cover the structural frames for 10 years. Reference warranty for complete details.
PART B | p.9	7.3.3	All installations must be installed by licensed factory-certified installers.	We take exception as there are no licensed factory-certified installers. We always use installers which are factory-certified installers. This was a program created by Hussey Seating Company to improve telescopic safety around the world.

Deviations

Instructions:

1. If "no" is marked with an "X" below, complete this form by signing it at the bottom.

Part F.2A– Project Quote Telescopic Seating (Indoor)

AEPA IFB #019.5-A

Bidding Company Name:	***Enter company name here***
INSTRUCTIONS: In the form below, develop a sample quote using the requirements as stated. **Assume the project will take place in** Omaha, Nebraska**.** Pricing should reflect the discounts in F.2 and any applicable multipliers. Include any additional options as a separate line item.	Part F.2A is a REQUIRED FORM if responding to Telescopic Bleachers (Indoor)

Quote Specifications for Pricing Scenario:

Model: Telescopic Seating

Type: Wall Attached

Quantity: Provide two (2) identical banks of wall attached, 9 rows high

Dimensions: 11.5" rise per row, 24" row spacing

Propulsion: Integral Friction Power. An integral automatic electromechanical propulsion system to open and close telescopic seating system. Operation shall assure full visual control of the seating bank. System shall incorporate two (2) friction drive roller assemblies as an integral part of both first row vertical column assemblies. Each section of bleacher shall have a power system that shall consist of two (2) vertical column roller assemblies which shall include wide cast drive wheels for a minimum of four friction roller contact points per section of bleacher. Each roller shall have a specially formulated rubber covering to grip the floor as the units roll in and out. The two friction roller assemblies are linked together by a continuous drive shaft driven by a 1/2 H.P. 208 volt 3-phase motor that shall enable the rollers to work simultaneously, resulting in a more efficient operation with allowance for minor variations in the floor surface. All floor friction power systems shall be controlled by a dual directional, removable walk along pendant which plugs into the front of the first row to give the operator proper position for visual control. The entire power system shall be U.L. Recognized. A 208 volt 3-phase power source, including conduit, wiring, and safety disconnect must be provided by others. Motors, housing, and wiring shall be installed by certified personnel.

Foot Level Aisles: Center Aisle. Provide a permanently attached self-storing aisle rail which is designed to eliminate all labor associated with set up and storage of the aisle rails. List deviation if rails must be rotated or require hardware to be loosened or tightened for proper rail operation. Intermediate Steps. Provide manufacturers' standard intermediate step as necessary per applicable code.

ADA Accessibility: Notchouts. Provide manufacturers' standard permanent handicap notchouts located at each end of lower level bleachers. Fascia panels shall have manufacturer's standard polydeck finish to match deck board surface. Notchouts shall include fixed 36" high steel rails, (no exceptions) with vertical intermediate members to fill design criteria. Recoverable Notchouts. Provide recoverable handicap notchouts located as shown on drawings. Operation of the notchout from either mode shall be accomplished by activating a single pull rod located in the front kickboard. The locking linkage shall engage a continuous locking angle and lock the notchout in either recovered or handicap mode. Recoverable seating utilizing cables or any requirement for tools to change modes will not be acceptable.

Self Storing End Rails: Provide steel self-storing 42" high self-storing end guard rails with tubular supports and vertical intermediate members to comply with all code requirements. Rails shall be fitted to each exposed bank end from third row and above with all steel to steel connections. Finish shall be a black polyester powder coat.

Aisle Recovery: Provide the manufacturer's standard system to move the entire stack towards the balcony edge and recover floor space behind the bleacher system.

Last Row Seat Level Filler Board: Provide and install a properly supported, flush mounted board between the last row seat and the wall. The board shall match the deck board surface and prevent debris from collection between seat and wall.

Operational Controller (pendant switch): Provide 2 of the manufacturers' standard pendant controls plugged into a receptacle for extension and retraction. The receptacles shall be mounted behind the first row kickboard.

Timer's Table: Provide 1 of the manufacturers' standard timer tables that can be utilized at any location. Remove the legs for on-deck storage.

Vinyl Curtain: Provide manufacturers' standard vinyl end curtains to close off under the bleacher units in the extended position.

Supplemental Deck Supports (L-Brackets): Provide supplementaldeck supports per section of understructure, wall attached deck supports per section for lower level row bleachers. Brackets shall be fabricated from 3"x1.5"x3/16" Steel C-Channel. Brackets shall be anchored to wall and support the nose beam(s).

Continuous Wheel Channel: Wheel channels shall consist of a one piece formed steel channel welded to the base of a vertical column. Wheel channels accommodate 8 to 12 wheels per row for maximum weight distribution and operating ease. The number of wheels increases as the number of rows increase.

Wheels: shall be not less than 4" diameter x 1" non-marring soft rubber face to protect wood or synthetic floor surfaces. Wheels shall have molded-in sintered iron oil impregnated bushings to fit a minimum 3/8" diameter axle secured with E-type snap rings.

Columns: Electrically welded closed rectangular steel tube, 2" x 3" minimum size, fitted with a rear welded gusset at the wheel channel.

Row Interlocks: Join each row structure front to rear by means of two (2) interacting steel connections, plus automatic gravity row locks where Engineering determines they are required. Lower track guides shall be an external superslide rod to guarantee positive engagement of vertical supports without binding and assures smooth operation over uneven floor conditions. Superslide shall be mounted to the side of the wheel channels to limit the possibility of damage. Upper track guides shall completely interlock adjacent understructure support. A welded stop to ensure correct extension of bleacher unit on deck support. Use of bolt and nut stops is not acceptable, due to risk of loosening.

Diagonal Braces: Structural formed steel truss fitted to rows 4 and beyond. Bracing shall be attached to the rear riser at optimum locations to insure structural integrity. Bracing shall be designed and shaped to support a minimum load of 1000 LBS of both compression and tension forces created when the bleacher is loaded.

Deck Supports: Shall be of structural steel, 11 gauge spaced not greater than 60" on center for maximum deck stiffness. Every deck support not attached to a vertical post shall have an integral nylon roller to avoid steel to steel friction points for more efficient operation. Rollers less than 1 ½"diameter not permitted.

Decking: Shall be fabricated from a minimum 5/8" AC grade plywood, interior type with exterior glue, 5-ply, all plies with plugged crossbands, produced in accordance with National Bureau of Standards PS-1-83. Decking to match wood seats and fascia; mixed lumber species unacceptable. Decking shall be through-bolted fore/aft to deck stiffeners, doublers and frame cantilevers with locking hardware. Attachment by the use of self-tapping fasteners or retained by friction is unacceptable. Deck end overhang shall not exceed vertical column location by more than 4'-0".

Welds: All welds shall be made at the factory by welders that are qualified in accordance with AWS D1.3 for the equipment and process used.

Nosing and Rear Risers: 1) Nosing and rear riser shall be continuous formed galvanized steel members. Rear riser shall be a slant-away design to provide adequate foot room

Splice Plates: Each section joint shall be tied together with two structural steel members per row, employing a minimum of four steel to steel through bolt connections at the nose beam and a minimum of eight steel to steel through bolt connections at the lower steel rear riser. Gauge of splice plates to match the gauge of the nose beam and rear riser. Splice plates employing steel to plywood deck board attachments will not be acceptable. In order to minimize deflections and keep rows in alignment during operation, splice connections shall transfer both axial loads (tension/compression) and bending. With bid, provide illustration of section joint construction.

Fasteners: All structural connections shall be made with S.A.E. grade 5 or better stress rated bolts. The use of self-tapping bolts is not acceptable.

Platform Finish: Steel Understructure abraded, cleaned and finished with water base acrylic paint.

Seating: One piece individual seating modules constructed of injection molded high-density polyethylene. Provide 12" depth. Seats shall be continuour depth of not less than 11.5" to form a continuous bench seat. List deviation to any seating providing varition to this specification. Each seating module shall have two longitudinal and five transverse internal ribs to provide additional structural integrity and resistance to impact. Each module shall have a full 1/2" interlock to the adjacent module both around the perimeter and along the internal ribs to eliminate pinching hazards and assure proper alignment. A steel-to-steel attachment of each module to a minimum of 12 guage galvanized steel nose beam shall be provided for maximim rigidity. All mounting hardare shall be concealed. End caps shall be provided at the ends of each bank of seating as well as each aisle. Selection from manufacturers' standard colors.

List any deviations from the above specifications in the Notes section below. Per the solicitation requirements, shipping must be included on the quote. Shipping to Omaha, Nebraska .

Form F.2A –Lot 2 Water Park Items Price Schedule
AEPA IFB #019.5-B Category Name

INSTRUCTIONS: Complete the following information for **all items listed below**. These are higher usage items and it is anticipated that deeper discounts will be bid for these items. In the event a new catalog or manufacturer's price list changes during the contract term, the Bid Discount Percentage would not exceed the bid discount percentage. ***Please be sure to set the 'Print Area' PRIOR to submitting your bid response.***

NOTE: The Net Effective Price MUST be consistent with the percentage discounts listed on the **F.1** tab. Failure to have price correspond may be cause for rejection of your offer.

Form F.2A – Lot 2 is a REQUIRED FORM only for Bidders submitting under this Lot

BOND AMOUNT: $100,000 One Hundred Thousand Dollars and 00/100

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

Our unique playground equipment has been enriching children's play for nearly half a century. Why? Because at KOMPAN, we know that a well-designed playground can be both beautiful, fun, and designed to promote child development. Playgrounds can thereby, in an attractive way, significantly improve children's health, learning, and social interaction. In fact, play is nothing short of fundamental to a better life.

We believe that every child's future depends on play driven experiences that help them grow and develop safely, and challenge them to explore the world.

In addition to playgrounds, KOMPAN today is also an innovation leader in outdoor sport and fitness where we apply our experience and insight into making exercise attractive.

Recently, KOMPAN has also developed an indoor furniture and equipment range, based on a beautiful design with a new creative flexible furniture solution.

DISCLAIMER

For the sake of clarity and user friendliness, KOMPAN has published this Annual Review with highlights from the calendar year 2015.

The annual report for KOMPAN Holding A/S for the financial year 2015, pursuant to section 149 of the Danish Financial Statements Act, is available at The Danish Business Authority.

2015 HIGHLIGHTS

In 2015, KOMPAN continued the multi-year strategy of substantial increased investments in product innovation and in expanding our sales and distribution network. As a consequence, the number of employees increased from approx. 800 to approx. 900 and the Group achieved a record level of revenue and order intake. Earnings were, as expected, negatively impacted by the above strategic investments. Growth is expected to continue in 2016.

OPERATIONAL HIGHLIGHTS

- KOMPAN introduced a new fitness training concept, designed to activate communities. The new holistic and innovative training approach consists of 3 layers:
  1) Aesthetic and cleverly designed next generation fitness products suitable for all ages and abilities,
  2) integrated digital training support and
  3) an onsite trainer program.

- KOMPAN went indoor with focus on quality, design, and a new flexible furnishing concept, based around specially designed indoor solutions, which support children's well-being and motivate them to play and learn. The new award winning concept has been very well received in the markets.

- A new ORGANIC Robinia design was launched - inspired by the organic shapes of nature itself and with all the uniqueness of the winding Robinia tree which has a high content of naturally occuring preservatives, so it does not need to be treated with chemicals for rot, etc. To ensure the best quality throughout the manufactoring process, KOMPAN has built a new world class factory in Brno, the Czech Republic focusing only on the production of ORGANIC Robinia, where we employ quality carpenters and other craftsmen and women.

- In May 2015, KOMPAN Commercial Systems (Belgium) merged with L&Bee (Poland and Belgium), both servicing restaurants and other retail customers. The merger brought together the best of two worlds: a high-performance production site in Poland, and an advanced design studio and customer service department in Liege (Belgium). The combined business furthermore has a highly experienced sales team supported by a dense global network of service teams.

FINANCIAL HIGHLIGHTS

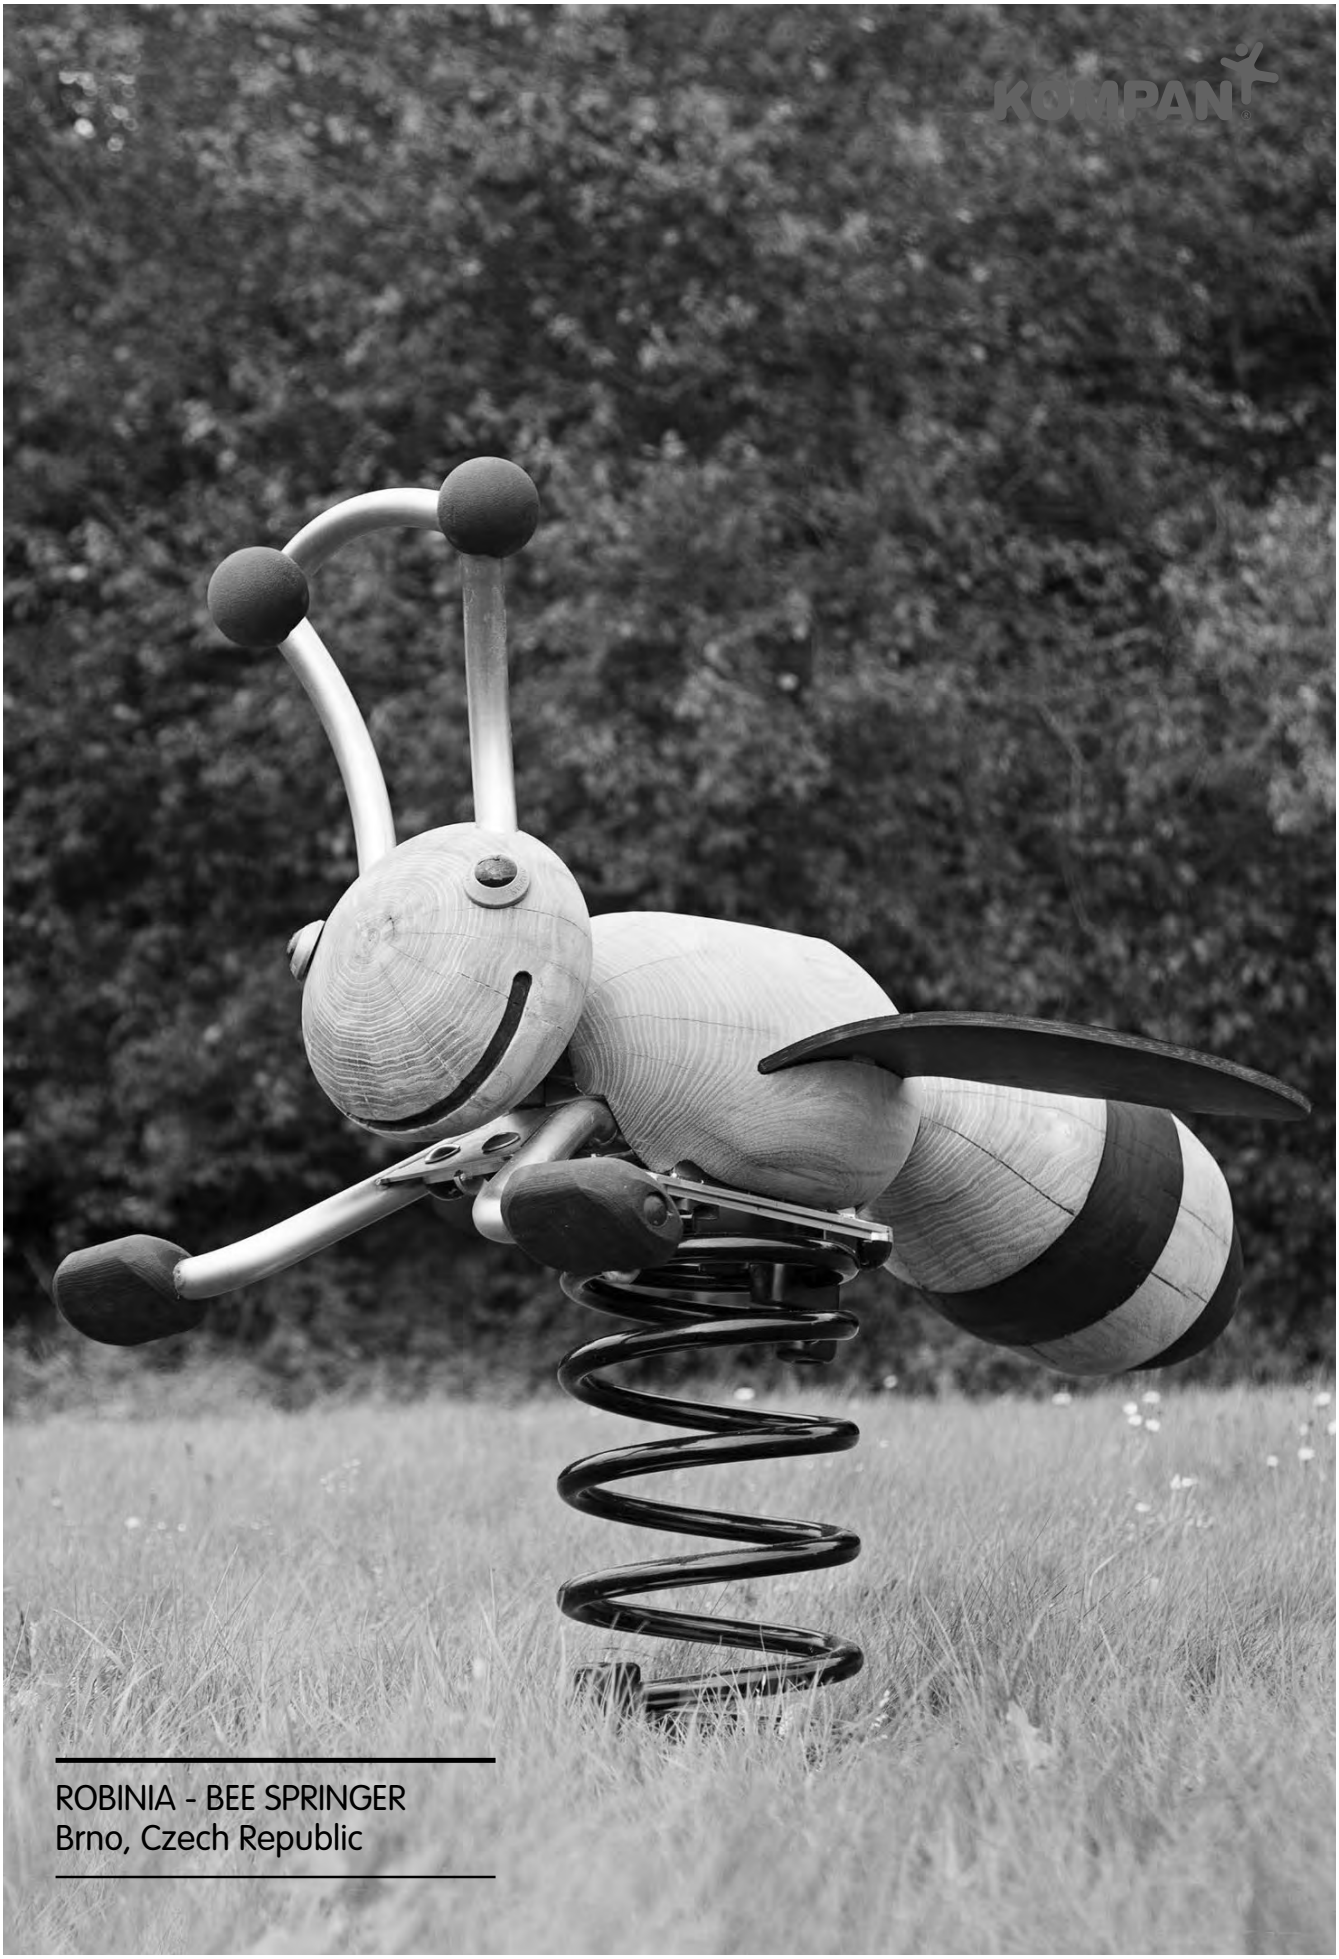

- Revenue grew by 5% to DKK 1,419m, a new record.

- The multiyear strategy of increased investment in our sales and distribution network as well as increased investment in our product development continued, leading to a significant increase in the cost base. EBITA before special items therefore decreased, as expected, from DKK 190m to DKK 127m.

- Cash flow from operating activities was stable and amounted to DKK 129m.

2016 OUTLOOK

- KOMPAN will continue the multiyear strategy of increased investment in our product development and investment in our sales and distribution network. KOMPAN expects topline to continue to grow in 2016 and earnings to be slightly higher than 2015, still impacted by the increased level of investments.

KOMPAN LAUNCHES NEW AND INNOVATIVE ORGANIC ROBINIA

Increased customer demand for natural playground solutions makes KOMPAN build a new factory, dedicated to ORGANIC Robinia

Over the past few years, KOMPAN has seen growing demand and interest in its Robinia products. In response and because only the best is good enough for our customers and users, we have built our new factory exclusively dedicated to products made of Robinia wood.

Our new ORGANIC Robinia designs are inspired by the organic shapes of nature itself and all the uniqueness of the winding Robinia tree. By taking a holistic approach to create the play area, we stimulate children's interest in nature and introduce an understanding of nature into their lives.

KOMPAN Robinia play equipment is the embodiment of our passion for superiority - design, environmental consciouness, quality, and safety.

The new facilities secure that we meet both our own and our customers' high standards. We select the finest Robinia wood and use only the most durable heart wood in our production. And we make sure to live up to the highest safety standards globally.

Having enriched children's play for more than 45 years, we know that real play value matters. Based on knowledge from our KOMPAN Play Institute we make sure children get the most out of their time on our playgrounds, by incorporating age appropriate play and child development into our designs and solutions. All our products bear the fruits of intensive scientific research and knowledge of child development anchored in the internationally recognised KOMPAN Play Institute. What is more and also unique is that our solutions are tested and thoroughly reviewed by age relevant teams of children before they are approved for manufacturing.

The KOMPAN ORGANIC Robinia range can be ordered in FSC™-certified wood. Its aim is to preserve forests through the promotion of responsible forestry. KOMPAN ORGANIC Robinia solutions are available both as untreated wood, brown pigmented (transparent) or with painted parts. The paint we use is an environmental friendly water based acrylic paint that meets European Standard EN71-3 as well as the American CPSIA requirements.

NEW TRAINING CONCEPT DESIGNED TO ACTIVATE COMMUNITIES

PATENT PENDING 15176288.7

KOMPAN has a vision to get an inactive world moving. Through product and concept development, KOMPAN has incorporated what is needed to overcome physical activity barriers, resulting is an intelligent 3 layer training solution

Based on customer and user insights, a deep understanding of global health issues, fitness trends and knowledge from our professionals working with training and physical activity at the KOMPAN Fitness Institute, KOMPAN has developed a new holistic and innovative training approach, consisting of 3 layers:

1) Aesthetic and cleverly designed next generation fitness products and solutions, suitable for all ages and abilities
2) Integrated digital training support
3) Onsite trainer program

The modular and inclusive training solutions are perfect for everyone no matter their fitness level, if the training is performed individually or in a group, with or without guidance.

With the new KOMPAN fitness app the concept provides a location specific training manual, complete with easy instructions, training programs, and nutrition plans to enhance training effects and keep up motivation.

Adding an onsite trainer takes the solution to the next level. The trainer increases the opportunity to encourage less physically active citizens, keeping them motivated and encouraged to be more physically active.

KOMPAN HAS MOVED INDOORS

With a full range of design furniture and equipment for learning and play

KOMPAN has been supplying playgrounds for children all over the world for nearly half a century. Now we are taking a big step and going indoors with a new furnishing concept. The concept is based on our tradition of beautiful design and solutions that support children's well-being and motivate them to learn and play.

FLEXIBLE FURNITURE IS THE FUTURE

The time children spend in the nursery and kindergarten is one of their most important learning periods. Leading experts agree on this. And, at a time when we constantly acquire new knowledge of children's well-being and development, there is no doubt that flexible furnishings and products that are easy to change and adapt to new situations are very important.

At KOMPAN, we have much experience of creating beautifully designed, yet challenging and dynamic settings, because these stimulate children to use their bodies, play, work together and learn new things. In developing the product range, we have utilised our long tradition of working closely together with researchers and carers.

NEW AWARD WINNING AND PATENT PENDING INDOOR CONCEPT - KOMPAN FLEX SYSTEM

OFFERS ENDLESS POSSIBILITIES BY COMBINING VARIOUS MODULES

The FLEX system has been developed to reinforce various skills in children. The flexible modular design means that modules and accessories can change functions in the course of a day. Children and adults can create dynamic environments for themselves, stimulating creativity and imagination and increasing the motivation to build new, exciting, and challenging activity zones.

AGE APPROPRIATE PLAY – TESTED AND APPROVED BY SCHOOL-AGE CHILDREN

Children's motivation to play is at the heart of KOMPAN's play designs. This is the prerequisite for their physical, social-emotional, cognitive, and creative development

MOMENTS SCHOOL-AGE

To make sure that the play and activity solutions are fun and have physical as well as social holding power the KOMPAN MOMENTS school age designs are tested by children and evaluated by them, their teachers and the KOMPAN Play Institute during the development process.

The decrease in physical fitness and motor skill proficiency impacts children's social capabilities as well as learning capabilities negatively, research shows.

This is why the motivation of active play for school-age children is more important than ever. Apart from being fun, play helps children develop fundamental physical, social, and learning skills.

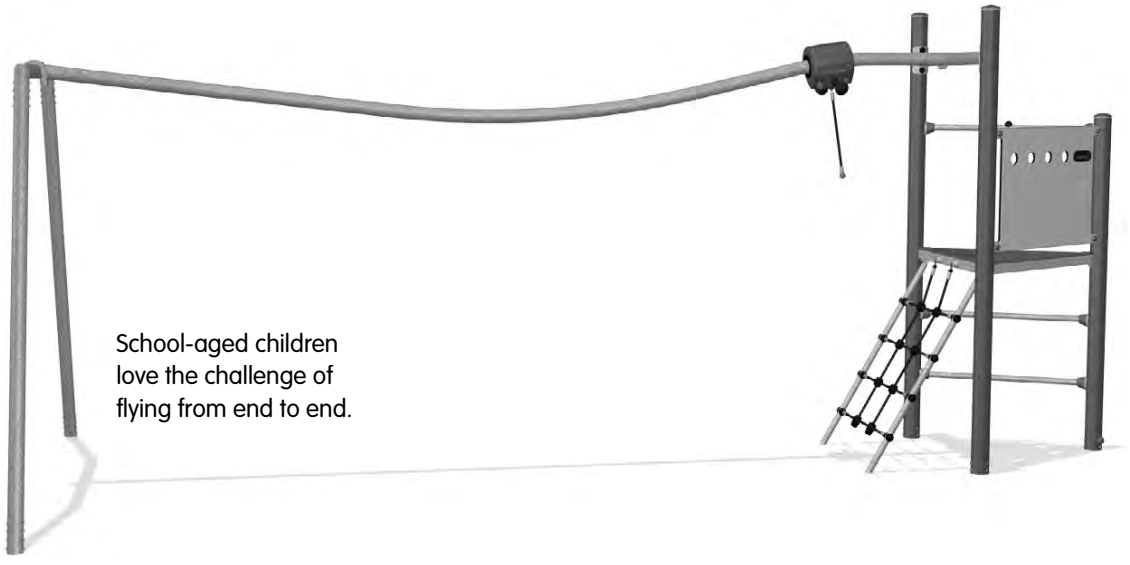

KOMPAN's new school age assortment is designed to provide age appropriate play for school-age children. Numerous physical activities and play panels are created in close cooperation with the KOMPAN Play Institute, verified by user group interaction and incorporated in the new play structures.

The assortment contains a number of products in different sizes including challenging Mega Deck play structures. Some new products are also predesigned to provide accessibility for disabled children so they may participate in play with others on the playground.

All standard products are available in three different color lines, two different post materials, three types of roofs, several slide options, and all possible types of anchoring. Play activities can be selected to match individual preferences. For urban settings, we have designed a special vandalism proof material combination.

NEW ACTIVITIES AND ADD ON FEATURES

KOMPAN's focus is always to create a challenging and an attractive playground with holding power that ensures children revisit the site frequently. KOMPAN's new School-Age range is good news for a frequently inactive age group.

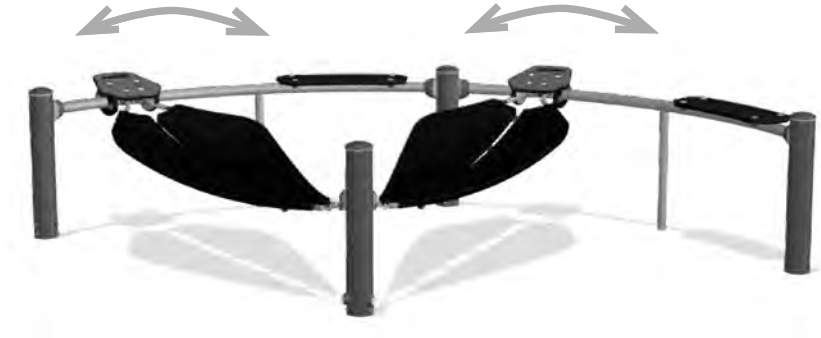

School-aged children love the challenge of flying from end to end.

INTEGRATED SHADING

KOMPAN has designed an integrated shading solution that enlarges the covered area considerably. Integrated shades are available for the large square floor size and the Mega Deck platform. The shades are made of polyester and tensioned by adjustable brackets. The polyester shades are quite robust and it is only necessary to take them down if there is heavy wind.

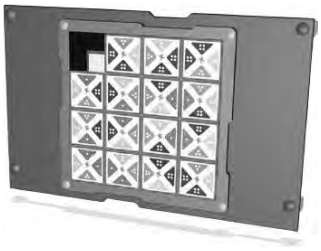

MOVABLE HAMMOCKS

ENVIRONMENTAL, SOCIAL AND GOVERNANCE

In 2015, KOMPAN continued implementation of our business ethics policy, including the anti-bribery policy in connection with our global expansion. Furthermore, KOMPAN maintained and strengthened our industri leading environmental profile.

SOCIAL RESPONSIBILITY

KOMPAN's core business is based on a key principle in the UN's Convention on the Rights of the Child: children have the right to play. Corporate social responsibility has been an integral part of KOMPAN's business since inception, and the Group has always addressed the needs of children based on a strong belief that responsibility and profitability can go hand in hand.

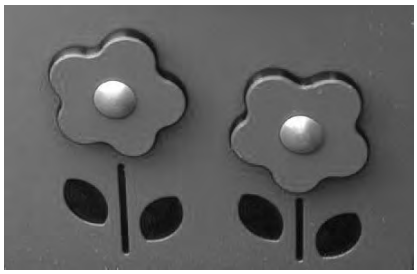

As part of daily business, KOMPAN strives to always comply with relevant legislation and the UN Global Compact principles. As part of the efforts to adhere to the principles of the UN Global Compact, KOMPAN has introduced anti-corruption measures, clearly emphasising that the Group does not accept any kind of undue payment in any business transaction. In 2015, KOMPAN continued the implementation of our business ethics policy including the anti-bribery policy, which covers bribery, facilitation payments, gifts and entertainment, as well as political and charity contributions for the growing KOMPAN Group.

THE GLOBAL COMPACT

WE SUPPORT

ENVIRONMENTAL FOCUS

As a manufacturer of outdoor playground and fitness equipment, KOMPAN has an integrated approach to environmental considerations. KOMPAN maintained and strengthened its environmental profile by continuing the efforts to produce sustainable products with a long lifespan and low maintenance requirements, minimise resource waste and reduce environmental hazards. The majority of production is based on recycled raw materials, and KOMPAN's production materials include FSC™-certified wood and recyclable aluminium and steel. In the years to come, KOMPAN will focus even more on how we can minimize the waste of resources and reduce environmental hazards.

ECOCORE™

- Core produced from 100% recycled material
- Recyclable after use
- Supported by our lifetime warranty

The Group's respective production plants are certified and controlled to ensure the highest standards in terms of quality, environment and working environment, as well as compliance with requirements concerning active substances in accessible components. To supplement KOMPAN's own control systems, third-party testing is carried out.

For further information about KOMPAN's CSR activities, please see the 2015 Global Compact communications on progress report available at: www.KompanGroup.com/corporate-responsibility/

Every year 150 million people play and exercise at a KOMPAN playground or sportsground. Our unique concept of playing, learning and engaging communities to be physically active are the cornerstone of our philosophy.

For the last four decades, we have played a dominant role and co-created solutions with architects, city leaders, educators, housing associations and the leisure industry. We are present in more than 40 countries and the 1,100 people at KOMPAN are committed to innovate engaging, fun and uniquely designed play and exercise solutions that make people at all ages and abilities want to play, learn and connect.

We continue to claim the position as the world's leading brand in playground and sportsground solutions.

DISCLAIMER

For the sake of clarity and user friendliness, KOMPAN has published this Annual Review with highlights from the calendar year 2016.

The annual report for KOMPAN Holding A/S for the financial year 2016, pursuant to section 149 of the Danish Financial Statements Act, is available at The Danish Business Authority.

2016 HIGHLIGHTS

In 2016, KOMPAN continued the multi-year strategy of substantial investments in product innovation and in expanding our sales and distribution network. The Group achieved a record level of revenue and order intake and increased the number of average full time employees by 15% to now more than 1,000 employees. Earnings are still impacted by the substantial expansion, and KOMPAN expects to continue its above growth in 2017.

OPERATIONAL HIGHLIGHTS

- KOMPAN introduced the Mini series of play structures that are age-appropriate for toddlers and pre-schoolers, that afford maximum play value and that have an inclusive design. The Mini assortment is a result of collaboration between designers, researchers and safety specialists and is an example of our market-leading innovation and design.
- KOMPAN continues the innovative organic Robinia journey launching new amazing Castles and Ships, taking our portfolio of ORGANIC ROBINIA to a new level.
- KOMPAN Sport & Fitness added Street Workout providing new and relevant training solutions for all ages. Our vision with getting an inactive world moving has not changed – and launching our Street Workout states that we will continue.
- KOMPAN launched SIMPLY Play - a new design with fun activities for the midmarket. SIMPLY Play covers basic individual structures and larger play structures. Sometimes all you need is a playground that children will just enjoy. KOMPAN's extensive knowledge within play is used to make SIMPLY Play a flexible and solid choice which is unbeatable value for money.
- In October, KOMPAN acquired the service company Repcon B.V. including its subsidiary Repcon GmbH. The acquisition allows us to take a step closer to our customers providing full service solutions.

FINANCIAL HIGHLIGHTS

- Revenue grew by 6.0% to a new record of DKK 1.504m.
- EBITA before special items increased from DKK 127m to DKK 137m. Earnings were, as expected, still impacted by investments in product development and investments in our sales and distribution network.
- Cash flow from operations was stable and amounted to DKK 125.9m.

2017 OUTLOOK

- KOMPAN will continue the multi-year strategy of increased investments in product innovation and investments in our sales and distribution network. KOMPAN expects topline growth to continue in 2017 and earnings to increase, although still impacted by the level of investments.

MOMENTS MINI

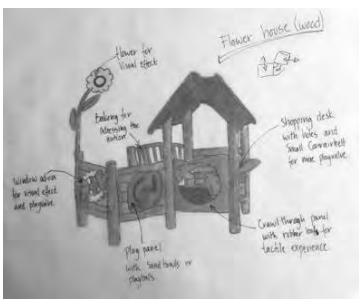

At KOMPAN, the process of designing new playground equipment is a long journey characterised by innovation, research and testing and the Mini assortment is an example of our market-leading innovation and design.

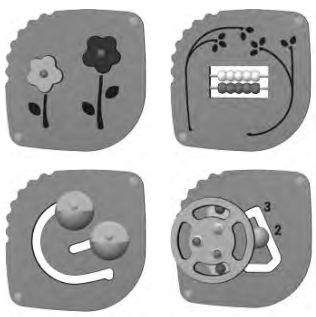

Through this process, designs are refined and fine-tuned until they offer children maximum play and developmental value. The new MOMENTS Mini line is a perfect example of this working process. From start to finish, KOMPAN's designers, researchers and safety specialists collaborated to create a series of play structures that are age-appropriate for toddlers and pre-schoolers, that afford maximum play value and have an inclusive design.

MAXIMUM PLAY VALUE FOR 1-6 YEAR-OLDS
Children develop at an extraordinary rate during the first years of life, and play is an essential part of this process. When children are born, their brains weigh only 25% of their adult weight. During the first years of life, the brain grows quickly and undergoes a "wiring" process. The development of motor skills, sensory skills, thinking skills – even empathy – are dependent on how well the brain develops in early childhood. Play is the motor of development.

The KOMPAN Play Institute documented the developmental value of the MOMENTS Mini line in a study that compared toddler and preschoolers' play on a Mini play structure to play on a grassy field. Three main findings emerged from the research:

1. The play structure promoted more dramatic play – a more complex form of play
2. The play structure facilitated higher and more complex language use during play
3. Lesser developed children benefited highly from playing on the structure

Thus, the MOMENTS Mini line offers the opportunity to invest in children's futures with world-class playground equipment that provides maximum play value.

A PERFECT SOLUTION FOR DEVELOPING TODDLER AND PRESCHOOL CHILDREN
Completely customizable & market leading quality, MOMENTS Mini brings customisation to a new level. The customer is able to choose between a number of options including slides, play panels, post material and more – getting the play structure that perfectly fits the user's needs.

KOMPAN CONTINUES THE INNOVATIVE ORGANIC ROBINIA JOURNEY

Launching new amazing castles and ships our portfolio of ORGANIC Robinia is taken to a new level.

Our new ORGANIC Robinia designs are inspired by the organic shapes of nature itself and all the uniqueness of the winding Robinia tree. By taking a holistic approach to create the play area, we stimulate children's interest in nature and introduce an understanding of nature into their lives. KOMPAN Robinia play equipment is the embodiment of our passion for superiority - design, environmental consciousness, quality and safety.

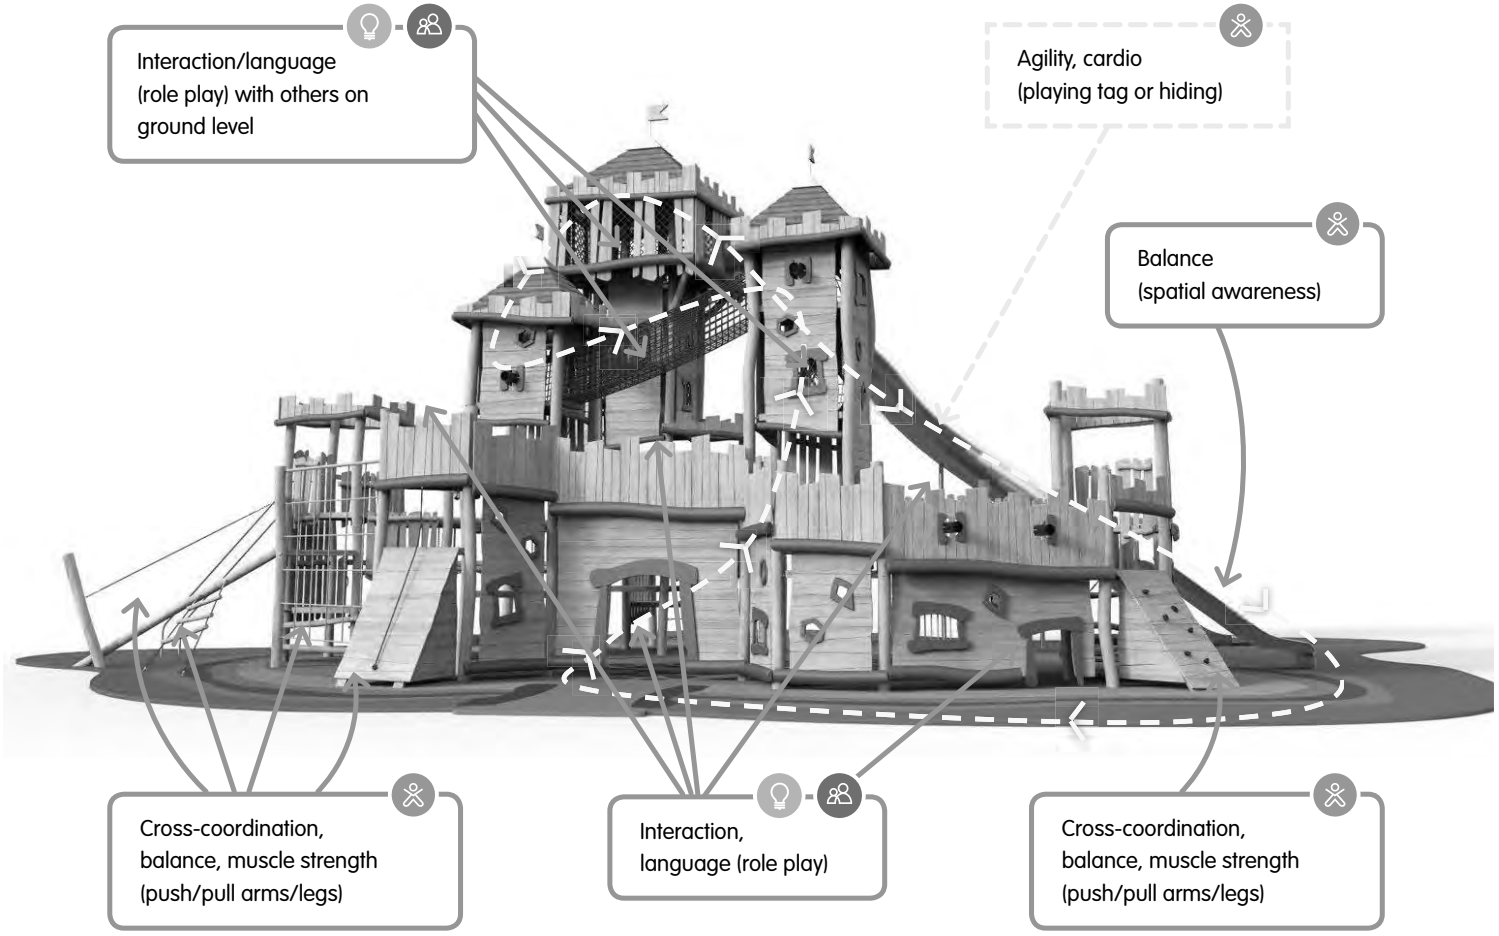

CONCEPT & DESIGN IDEA

Design scope was to create visually impressive and beautiful castles made from natural organic materials, that have not been treated with chemicals. Importantly for KOMPAN, the castles are also designed with play value in focus, so that the castles support age appropriate activities and development. This in order to secure that children of all ages stay engaged and fully utilise the many features within the castles for long periods of time, beyond simply being taken in by the initial wow effect.

From the outside, the castle looks massive with lots of access points. The backside is open and transparent to see the play taking place. From the first upper level, there are numerous exits down or more ways to continue the climb to the higher levels. The tall towers are interconnected by fully closed net bridges or curved 180° steel tube meshes. The reward for making it to the enlarged top princess chamber is a spectacular view and the opportunity to take a fantastic ride down the enormous multiple curved tubular slide.

The Robinia castles will give any park a regal touch: the castles are architecture for the play princes and princesses – and possibly even some kings and queens. With their scale, the Robinia Castles allow for a wide range of ages playing together and inviting the whole family for a royal play day.

PLAY INSTITUTE INSIGHT

AGE APPROPRIATE PLAY

The Castle concept is designed for children from 4 up to 15 years.

CASTLE, medium

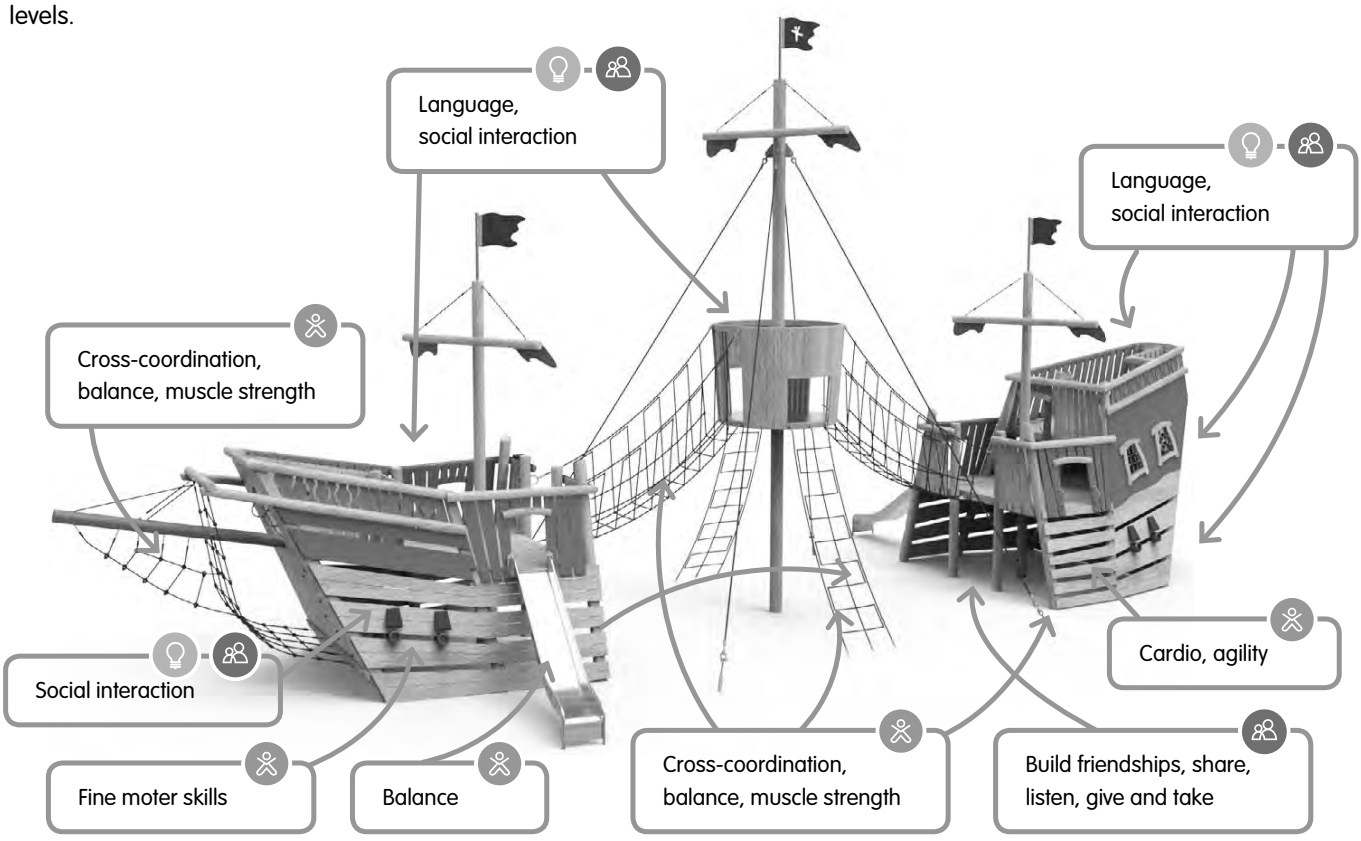

TALL CASTLE, small

THE KOMPAN ARMADA

The fleet is designed to give the children sense of wonder while playing with and within the ship. The rooms below the decks have multiple access and exits, which boost the play experience. The new ships are designed with age appropriate challenging activities that support all competences of play. The ships can be designed with build-in sand play features and/or balancing extensions out from the ship core. The ships can also be designed as inclusive with access to the upper deck levels.

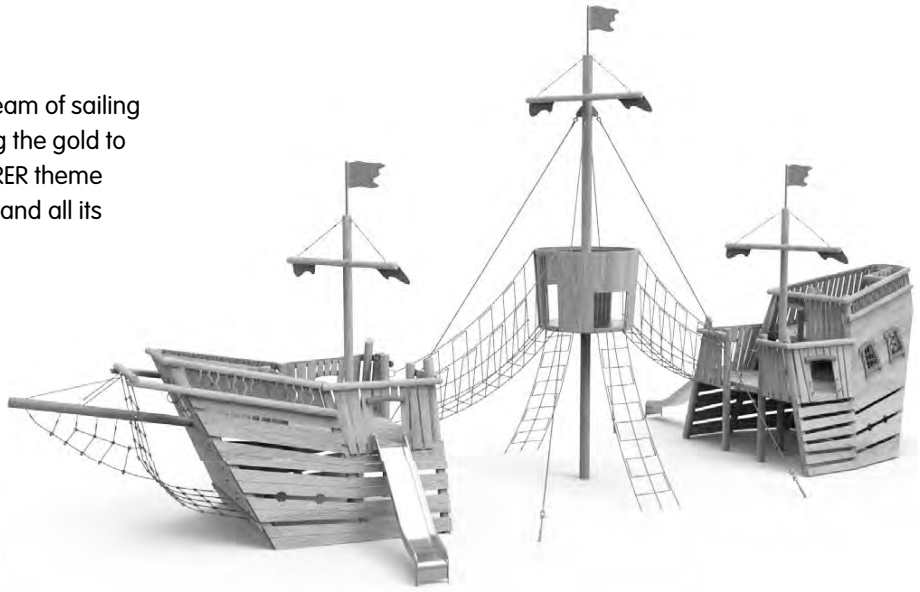

In front of the ship – climbing challenge

Inside the ship – small benches and tables

The PIRATE theme is about the dream of sailing out to treasure islands and finding the gold to live happily ever after. The EXPLORER theme enables the kids to see the world and all its beauty.

The Robinia ships make a fleet of unbeatable imaginative play motivators. From the small chalup boat to the huge schooner, these ships were crafted for play sailors with an imagination to take them anywhere.

THE COROCORD DOME ASSORTMENT GETS A NEW FAMILY MEMBER – OCEAN DOME

Dive freely into a new adventure world. An underwater world formed by rope structures in deep ocean blue and colourful membranes. Discover this world like a fish and pass the existing coral reefs, seaweed and starfish on your way to the surface and towards the horizon on top of the wave. Various imaginative stories and adventures are waiting to be explored by playing in and on the Ocean Dome. Let your imagination run wild!

The framed 3D net construction offers compact bouncy climbing for many users balancing and working their way to the top and down, around and through the meshwork of the net. Balancing trains the vestibular system and improves the sense of balance and motor stability of the child. Children can play for hours climbing or hang out in this thematic net structure. Climbing develops cross-body coordination, hand/eye coordination, agility and spatial awareness, and provides the children with leveled play challenges. The vertical climb takes you to the curly climber, and the rubber mats offer a bouncy, trampoline like break on the way up or down.

Products installed in foreshore areas are subject to constant extreme corrosive atmosphere. Ocean Dome is therefore also avaiable in a blue painted version, special designed for installation in foreshore areas.

"The system can be used by anyone. This includes children, the disabled and the elderly. It is simple, straightforward, and is freely available. At the same time, it is located in an area where many people do not traditionally work out. So the whole idea is to try to get more people to exercise." ***Carl Christian Ebbesen, Mayor of Culture and Leisure in Copenhagen***

KOMPAN SPORT & FITNESS NOW ADDS STREET WORKOUT

– providing new and relevant training solutions for all ages. Our vision to get an inactive world moving has not changed – and launching our Street Workout is another step in this development.

STREET WORKOUT

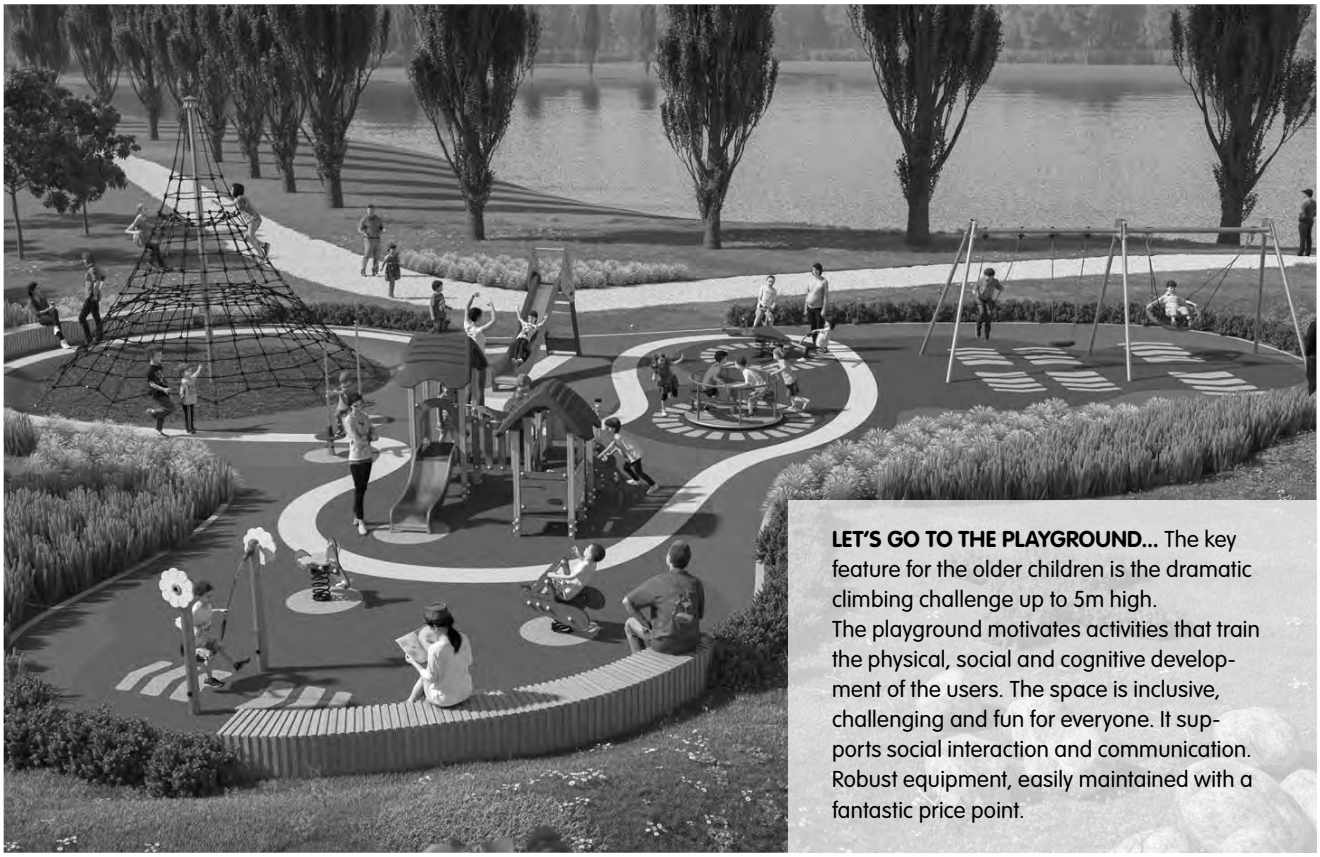

A physical activity that symbolises freedom of movement and encourages socialising. It is a combination of athletics, calisthenics and other sports, and is mostly performed in public spaces. The assortment is of course available as individual products, but we have also developed total solutions based on insight and knowledge from our KOMPAN Sport & Fitness institute.

FUNCTIONAL TRAINING

Functional training originates from physiotherapy and is based on the philosophy, that the human body is built to move. That is why functional training is designed to improve natural movement patterns, that you already do or may need in your daily life - like running, lifting or jumping. The training usually takes place outdoors and is based on the classic exercises, which include squats and is done with or without paraphernalia as kettlebells, ropes and medicine balls.

FUNKTIONAL TRAINING app

- KOMPAN Outdoor Fitness Concept is functional and beneficial training for all – beginners to advanced – men and women.
- The characteristic is an iconic and beautiful design using only high-end materials ensuring popular fitness stations, made from long life materials.
- KOMPAN Fitness App. for smartphones, which guides, inspires and motivates, has been developed to also cover our new Street Workout.
- Find exercise for a specific site in the App with map function.

LET'S GO TO THE PLAYGROUND... The key feature for the older children is the dramatic climbing challenge up to 5m high.
The playground motivates activities that train the physical, social and cognitive development of the users. The space is inclusive, challenging and fun for everyone. It supports social interaction and communication. Robust equipment, easily maintained with a fantastic price point.

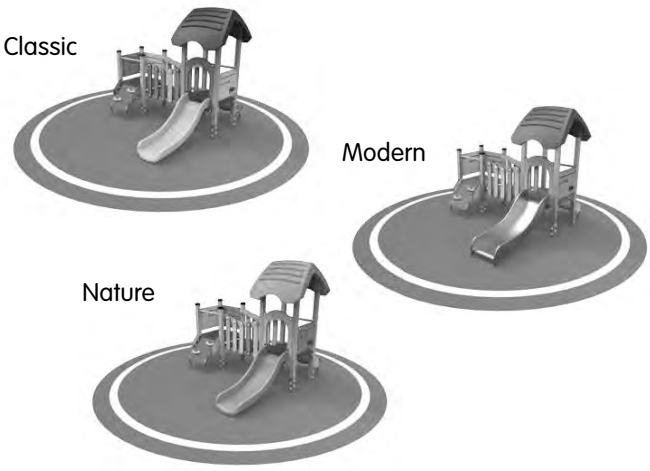

SIMPLY PLAY

New design with fun activities for the midmarket - combine the products to suit you.

SIMPLY Play covers basic individual structures and larger play structures. Sometimes all you need is a playground, that children will just enjoy. KOMPAN's extensive knowledge within play is used to make SIMPLY Play a flexible and solid choice.

The products are suitable for both younger and older children. All structures can be customised to match individual preferences. The combination of colour is predefined in classic, nature and modern. EcoTech roofs can be added or removed on all towers. Slide colours are predefined for the colour lines. All panels are made of recycled EcoCore™ HDPE.

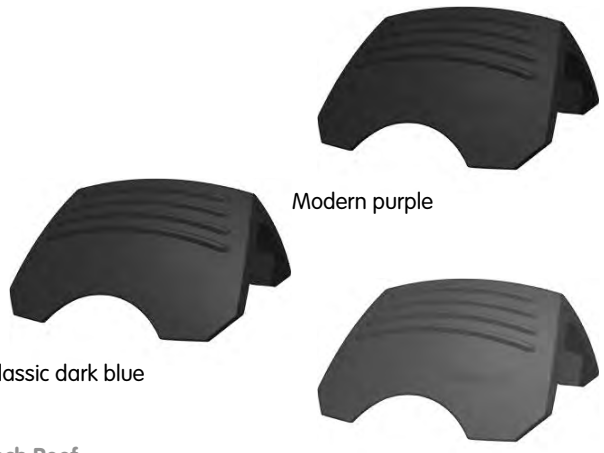

WHEN I GROW UP! The play structure and swing assist in developing motor skills that lay the fundamentals for learning. The police car encourages role play and storytelling. Play value covers the physical, social-emotional and cognitive areas. An inclusive space with varied play opportunities for all children.

ECOTECH ROOF DESIGN

New design with fun activities for the midmarket - combine the products to suit you.

SIMPLY Play roofs are based on revised technology in roto-moulding and recycled EcoCore™ raw materials, that are 100% recyclable also after use. The uniquely designed curved geometry, reinforced by visual shapes and a scratch-resistant grained texture, results in high strength and durable roofs.

ENVIRONMENTAL, SOCIAL AND GOVERNANCE

In 2016, KOMPAN continued implementation of our business ethics policy, including the anti-bribery policy in connection with our global expansion. Furthermore, KOMPAN maintained and strengthened our industri leading environmental profile.

SOCIAL RESPONSIBILITY

KOMPAN's core business is based on a key principle in the UN's Convention on the Rights of the Child: children have the right to play. Corporate social responsibility has been an integral part of KOMPAN's business since inception, and the Group has always addressed the needs of children based on a strong belief that responsibility and profitability can go hand in hand.

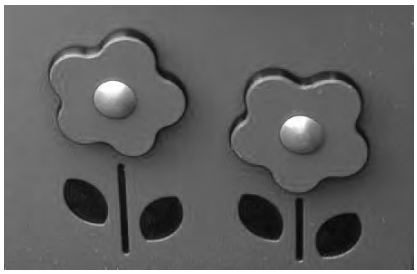

As part of daily business, KOMPAN strives to always comply with relevant legislation and the UN Global Compact principles. As part of the efforts to adhere to the principles of the UN Global Compact, KOMPAN has introduced anti-corruption measures, clearly emphasising that the Group does not accept any kind of undue payment in any business transaction. In 2016, KOMPAN continued the implementation of our business ethics policy including the anti-bribery policy, which covers bribery, facilitation payments, gifts and entertainment, as well as political and charity contributions for the growing KOMPAN Group.

THE GLOBAL COMPACT

WE SUPPORT

ENVIRONMENTAL FOCUS

As a manufacturer of outdoor playground and fitness equipment, KOMPAN has an integrated approach to environmental considerations. KOMPAN maintained and strengthened the environmental profile by continuing the efforts to produce sustainable products with a long lifespan and low maintenance requirements, minimise resource waste and reduce environmental hazards. The majority of production is based on recycled raw materials, and KOMPAN's production materials include FSC™-certified wood and recyclable aluminium and steel. In the years to come, KOMPAN will focus even more on how we can minimise the waste of resources and reduce environmental hazards.

ECOCORE™

- Core produced from 100% recycled material
- Recyclable after use
- Supported by our lifetime warranty

The Group's respective production plants are certified and controlled to ensure the highest standards in terms of quality, environment and working environment, as well as compliance with requirements concerning active substances in accessible components. To supplement KOMPAN's own control systems, third-party testing is carried out.

For further information about KOMPAN's CSR activities, please see the 2016 Global Compact communications on progress report available at: www.KompanGroup.com/corporate-responsibility/

Play is instinctively human. When we are children, play is how we have fun, learn, socialise, and are physically active. As we get older, it's really the same - play is key to a long and happy life. Through our inventions, we have set new global standards for ways to play, seeking to create the world's best playground and sport & fitness solutions.

We do this because we have a passion to create healthier and happier communities by inspiring people across the world to play more. We do it the KOMPAN way, where product development is based on thorough research, extensive user involvement, and close collaboration with experts through the KOMPAN Play Institute and KOMPAN Sport & Fitness Institute. We then tailor the right solutions to the specific user and customer requirements. This creates products that motivate people of all ages and abilities to play more, be more physically active, and learn and socialise more - while always having fun.

We never compromise on safety and our choice of the highest quality materials creates extremely durable solutions that stand the test of time and weather. We are also conscious that our designs should be beautiful - both in their own right and as a contribution to their architectural and natural surroundings.

Today, digital technologies change the way we live our lives. This includes why, how, and where we play and are physically active as individuals, families, and communities. We take responsibility for driving this change, as we have historically - to continuously lead the industry and reinvent play for everyone's benefit.
Let's play!

DISCLAIMER

For the sake of clarity and user friendliness, KOMPAN has published this Annual Review with highlights from the calendar year 2017.

The annual report for KOMPAN Holding A/S for the financial year 2017, pursuant to section 149 of the Danish Financial Statements Act, is available at The Danish Business Authority.

2017 HIGHLIGHTS

In 2017, KOMPAN continued the multi-year strategy of substantial investments in product innovation and in expanding our sales and distribution network, that started in 2015. The Group delivered a record level of revenue and grew by 11 percent. Earnings are still impacted by the substantial expansion, and KOMPAN expects to continue the investments and growth in 2018.

OPERATIONAL HIGHLIGHTS

- KOMPAN introduced Cube Towers pushing forward with design innovation and provoking unbeatable imaginative play. Climbing is traditionally a favorite activity amongst children, and this new design honours that.
- KOMPAN presented new pirate ships and castles built on a rock solid structure, maintenance free and made from recycled and recyclable materials. KOMPAN castles and ships are equipped with a host of adventurous activities, that can accommodate every site and age range and provide countless hours of fairy tales and adventures.
- KOMPAN Sport & Fitness added the Obstacle Course, that takes us back to our roots with natural movement for increased health and happiness. Launching our Obstacle Course confirms our vision of getting an inactive world moving.
- KOMPAN continues to expand our portfolio of Organic Robinia hard wood equipment with the uniqueness of our classic and modern playgrounds.
- KOMPAN successfully consolidated the production in Sweden into the main production facility in the Czech Republic.

FINANCIAL HIGHLIGHTS

- Revenue grew by 11.0% to a new record of DKK 1,670m.
- EBITDA excluding items affecting comparability increased from DKK 161m to DKK 178m. Earnings were still impacted by investments in product development and investments in our sales and distribution network, as expected.
- Cash flow from operations grew and increased from DKK 126m to DKK 158m. The increase in cash flow was driven by higher earnings and net working capital improvements.

2018 OUTLOOK

- KOMPAN will continue the multi-year strategy of increased investments in product innovation and investments in our sales and distribution network. KOMPAN expects topline growth to continue in 2018 and earnings to increase, although still impacted by the high level of investments.

ROBINIA SHIPS AND CASTLES

The organic Robinia ships make a fleet of unbeatable imaginative play motivators. From the yoal to the huge schooner, these ships were crafted for play sailors with an imagination to take them anywhere.

KOMPAN reinvents nature play with market leading play capacity.

KOMPAN has focused on getting play back to nature with the launch of Organic Robinia hard wood equipment. In doing so, we have brought the uniqueness of our classic and modern playgrounds into these designs.

The KOMPAN Organic Robinia designs thus provide market leading Stay and Develop factors, where users improve their language skills and logical thinking. Our challenging track ride, for instance, develops muscle strength and collaborative interpersonal skills with lots of fun. In addition, our Organic Robinia design has built-in unique sensory play - take the desk and crane, for example.

Our design sets new standards for the use of Robinia, as it is modular, providing endless ways of combining towers, slides and swings, to mention just a few options. This gives us a cost-effective way of tailoring solutions to our customers.

The environmentally friendly Robinia wood has a high content of naturally occurring preservatives. That is why it does not need to be treated with chemicals for rot, while having an extreme resistance to splintering, humidity damage, and water penetration.

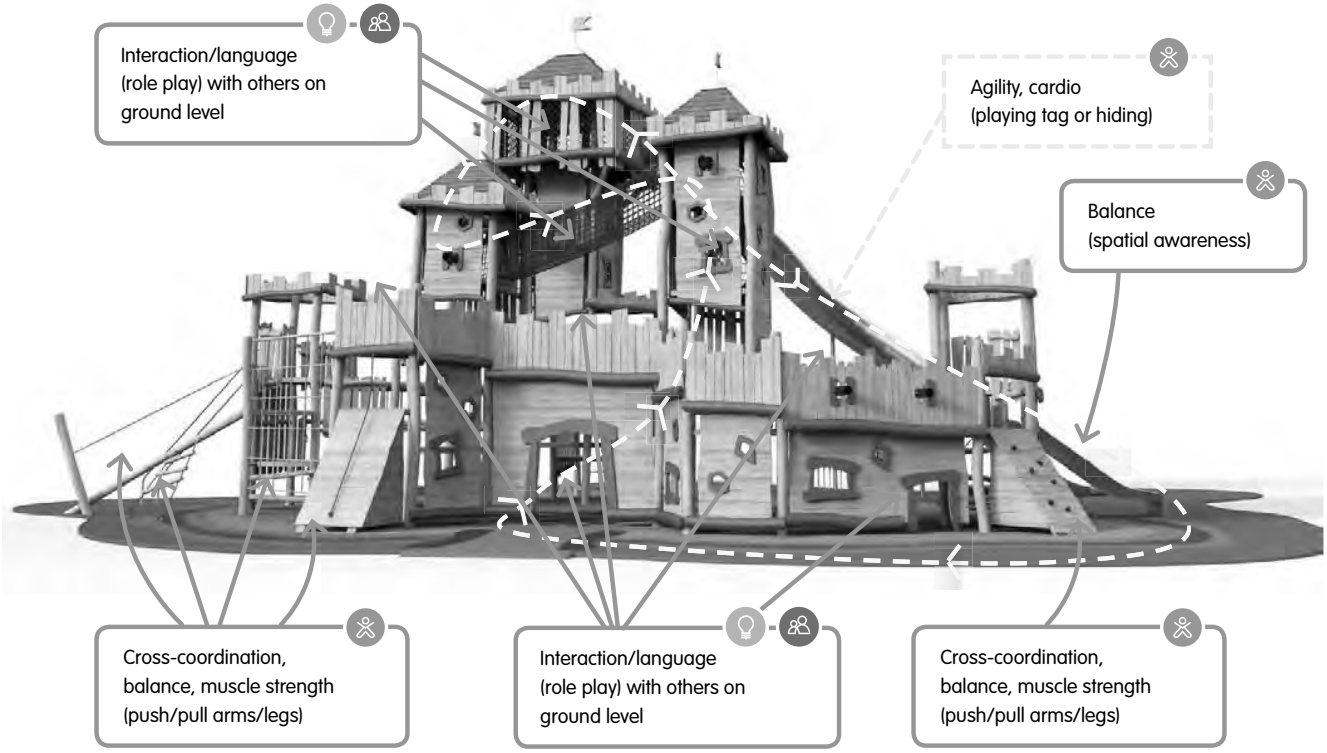

PLAY INSTITUTE INSIGHT

The organic Robinia castle concept is designed for children from 4 all the way up to 15 years with age appropiate play across all ages.

PHYSICAL
Joy of movement: motor skills, muscle, cardio, and bone density

COGNITIVE
Joy of learning: curiosity, understanding of causal relationships, and knowledge of the world

SOCIAL/EMOTIONAL
Joy of being together: teamwork, tolerance, and sense of belonging

MOMENTS™ MINI

At KOMPAN, the process of designing new playground equipment is a long journey characterised by innovation, research and testing. The Mini assortment is an example of our market leading innovation and design. A perfect solution for developing toddler and preschool children.

In addition to age-appropriate size and scaling, the Mini portfolio also features a number of new play-based learning panels. The panels support a number of skills and competences such as fine and gross motor skills, cross-coordination, abstract thinking and emotional development.

MOMENTS™ COMBINATION SYSTEM

Our newly designed combination system offers a large variety of play activities and material option to fulfil individual requirements in any playground setting, which we specifically configure together with each customer.

NEW PIRATE SHIPS AND CASTLES

Daredevils and pirates take notice!

"If ye playground be in dire need of an overhaul and barnacles have settled on your springers, look no further than these amazing new ships from KOMPAN." Built on a rock solid structure equipped with a host of adventurous activities both topside and below deck, you will find all you need for children to create their own high seas adventures right here.

Below deck and accessible to the generally younger audience, you will find numerous activities built around the Stay and Develop factors, that allow children to pass time while confined to the brig – or searching for treasure below the surface of the sea or in the cargo hold.

Above deck, your little brigands can swing from the deck with all the rush and excitement provided by our track-ride or have them scale the ropes to take our exhilarating more than 6 meter long steel slide.

With all the stuff to explore and try, the stories can go far and wide across the seven seas! Expect your little pirates to try all their parlaying skills when negotiating, to stay for just a few more minutes. And who knows, even all you landlubber grown-ups could end up being carried away by the high tide of seafaring adventure and fun. There is no reason for you not to get into the action.

Built from recycled and recyclable materials, that are durable and maintenance free, expect your seafaring adventures to be safe and reliable – and for the ships to look great for years to come.

Ready the turrets! Man the ramparts!

"A KOMPAN castle is no cause for distress – be you damsel or otherwise!" Get ready for action and adventures fit for Queens and Kings! Packed with fun on all levels, stories, nooks and crannies! Explore the dungeons, prison cells, and caves below – or swing from the ramparts to defend your castle from the dragon.

Climb the giant spider web in the cavern below the massive keep, or sign up for guard duty as you patrol the ramparts keeping an eye out for Robin Hood and his band of merrymen. In the cellars you will find loads of activities built around our Stay and Develop concept – redesigned and configured to support all sorts of role playing action and fun.

From the ramparts you can swoop across the moat using anything from a slide to our super fun track ride. And just as important, we have a whole complement of nets and climbing activities ready for you to scale the castle walls as you sneak into the castle to meet the wizard and steal away his formula for gold!

From the smallest gatehouse to the largest keep, KOMPAN castles can accommodate every site and age range and provide countless hours of fairy tales and adventures – all while you can rest assured, that the maintenance free products, made from recycled and recyclable materials, keeps your KOMPAN castle safe, reliable, and as good as new for years to come.

INNOVATIVE DYNAMIC CAROUSELS

KOMPAN carousels add innovation to the joy of spinning.

The universal design of KOMPAN carousels attracts even teenage users and provides inclusive play opportunities for children with disabilities. Apart from being great fun, the spinners help children practice and improve their sense of balance while building their muscle strength and bone density. It's great exercise, and supports children in navigating the world securely with improved physical literacy and resilience. KOMPAN Play Institute interviews with older children state, that spinning until they get dizzy is one of their favorite play activities.

TIPI CAROUSEL

- Inclusive spinning for all users and play positions: standing, sitting, and lying
- Benefits social play, allowing room for many, of all ages and abilities
- Benefits physical literacy and health training motor skills, muscles, cardio, and bone density
- Life lasting quality: lifetime sealed bearing construction

TWIN RING SKY CAROUSEL

- Invites a wide user range, with two gripping heights and step support
- Designed to benefit upper body muscle strength, motor skills, cardio, and bone density
- Benefits social play, allowing room for many
- Life lasting quality: lifetime sealed bearing construction

NEW SAFER PORTAL SWINGS

Unlimited flexibility and modularity.

Thrill is a main motivator of physical play, and swings are truly thrilling. Learning to swing takes practice, but once learned, brings children hours of joy. Additionally, it will train the vestibular system for coordination and sense of balance. These fundamental motor skills are crucial for children to develop in order to move around and manage the world around them.

Portal swings are a modern update on a traditional favourite, constructed from galvanised steel. The swings are available in three heights: 2.0m for preschool, 2.5m and 3.0m for school age playgrounds. This highly modular system makes it possible to offer multi-bay swings with as many additional bays as you wish. Each section can be equipped with standard, toddler, cradle, or bird's nest seats. Anti-wrap suspensions are available for both standard and cradle seats.

NEW BIRDS NEST ROPE SEATS

- Improved seat comfort with new rope connectors
- Reinforced seat and swing ropes
- Red, black, or sand coloured cords in seat

NEW BIRDS NEST SHELL SEATS

- Safe, weight reduced seat
- Second to none user comfort
- Integrated handles and drain openings
- Grey, green, dark blue, or lime green colour options

COROCORD CUBE TOWERS

The Corocord Cube Tower stands 6.9m high. The three cubes design features each level rotated around a central axis to create protruding play corners and various view sheds. Climbing is traditionally a favorite activity for children and this design honors that, whilst continuing to push forward with design innovation, provoking unbeatable imaginative play.

Within each of the three cubes, an exciting invitation to climb, explore and socialize awaits all. The ultimate goal being to reach the top.

The Cube Tower design truly makes for one exhilarating viewing platform over the community, allowing the children to generate a sense of ownership and belonging. Corocord designs for the teens and grown-ups too - this means you! You are never too old to play, climb up, and help your child spot their landmarks.

Other features include two slide options from different heights, giving children a chance to grow their confidence over time, double swings, and shade protection.

OBSTACLE COURSES

We used to run, walk, jump, crawl and climb as a natural activity. In the past it was incorporated in everyday activities, but modern life has changed and much of our time is now spend in front of a screen and makes us static. Obstacle courses take us back to our roots with natural movement for increased health and happiness.

The new modern obstacle course is designed to have fun for people of all ages and abilities. It challenges and develops both mental and physical strength. Scalable difficulty levels make it work for young and old, strong and unfit. One course, one objective, many routes to get there.

The fun element is the motivation, that gets people starting over and over again. Apart from pure sport, playful exercise is rare, but obstacle courses create that element.

Do it together, do it with your children and teach them, that an active lifestyle is a fun lifestyle. In fact, once you introduce them to the courses, the bonus will be for you to keep up!

EASY ACCESS

High structures for upper body exercises are easily accessible for users of all heights. Access pods make it easy to get up and reach the exercise structure.

DYNAMIC EXERCISE WITH MULTIPLE DIFFICULTY LEVELS

Obstacles are designed for people of all ages and abilities. Each obstacle has both an easy and hard exercise, so anyone can be challenged.

DURABLE STEEL DESIGN GUARANTEED

The galvanised and powder coated steel construction requires no maintenance and we provide KOMPAN lifetime warranty. The solid structure has made it possible to create new dynamic and challenging obstacles and still maintain a high level of safety.

NEW MULTISPORT

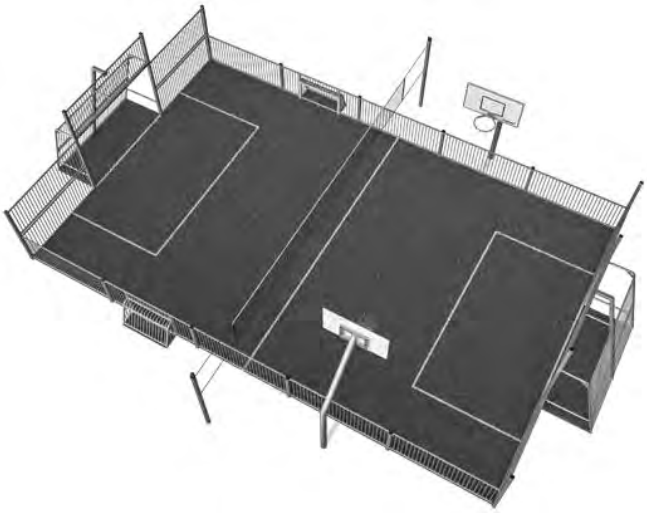

In 2018, KOMPAN introduces a flexible system with high play value for fun sport.

The dream starts in the local park. Practice makes perfect, and maybe someone from your community becomes the next famous ball player.

Ball sports have fascinated many people throughout time, and it still does. Some people follow a sport, and many are also active themselves. With the right area and surrounding, people can have fun and imagine playing at Wembley or Madison Square Garden.

Based on the latest sports development and safety standards, KOMPAN Multisport is designed to make dedicated room for popular sports such as football, basketball, hockey, volley-ball, tennis, badminton, and handball, even when very little space is available.

CONFIGURE YOUR CUSTOM DESIGN

Stand out or blend in with your unique multisport design. The design is based on a flexible system, that fits into any environment and purpose.

The system is supported by a configurator, that quickly configures size, style, play value, choice of materials, and accessibility. In summary, design your own dream stadium.

ENVIRONMENTAL, SOCIAL, AND GOVERNANCE

In 2017, KOMPAN continued implementation of our business ethics policy, including the anti-bribery policy in connection with our global expansion. Furthermore, KOMPAN maintained and strengthened our industri leading environmental profile.

SOCIAL RESPONSIBILITY

KOMPAN's core business is based on a key principle in the UN's Convention on the Rights of the Child: children have the right to play. Corporate social responsibility has been an integral part of KOMPAN's business since inception, and the Group has always addressed the needs of children based on a strong belief that responsibility and profitability can go hand in hand.

As part of daily business, KOMPAN strives to always comply with relevant legislation and the UN Global Compact principles. As part of the efforts to adhere to the principles of the UN Global Compact, KOMPAN has introduced anti-corruption measures, clearly emphasising, that the Group does not accept any kind of undue payment in any business transaction. In 2017, KOMPAN continued the implementation of our business ethics policy including the anti-bribery policy, which covers bribery, facilitation payments, gifts and entertainment, as well as political and charity contributions for the growing KOMPAN Group.

THE GLOBAL COMPACT

WE SUPPORT

ENVIRONMENTAL FOCUS

As a manufacturer of outdoor playground and sport & fitness solutions, KOMPAN has an integrated approach to environmental considerations. KOMPAN maintained and strengthened the environmental profile by continuing the efforts to produce sustainable products with a long lifespan and low maintenance requirements, minimise resource waste and reduce environmental hazards. The majority of production is based on recycled raw materials, and KOMPAN's production materials include FSC™ certified wood, and recyclable aluminium and steel. In the years to come, KOMPAN will focus even more on how we can minimise the waste of resources and reduce environmental hazards.

ECOCORE™

- Core produced from 100% recycled material
- Recyclable after use
- Supported by our lifetime warranty

The Group's respective production facilities are certified and controlled to ensure the highest standards in terms of quality, environment, and working environment, as well as compliance with requirements concerning active substances in accessible components. To supplement KOMPAN's own control systems, third-party testing is carried out.

For further information about KOMPAN's CSR activities, please see the 2017 Global Compact communications on progress report available at:

Cooperative Marketing: Describe ways in which this business can collaborate with AEPA Member Agencies in marketing the bid. Submit a marketing plan, titled Exhibit B – Marketing Plan, that would entail at a minimum, the following with their response: process on how the contract will be launched to current and potential agencies, the ability to produce and maintain in full color print advertisements in camera-ready electronic format, including company logos and contact information, anticipated contract announcements, planned advertisements, industry periodicals, other direct or, indirect marketing activities promoting the AEPA awarded contract, and how the contract award will be displayed/linked on the Bidder's website.
Click or tap here to enter text.

When this framework agreement is completed, Kompan will announce the partnership via our website and social media channels, as well as purchase advertising in 1-2 emails in 2019 and participate in the Product Expo. We will also create collateral that our sales reps can co-brand with the AEPA logo for in person conversations.

1. Warranty coverage

This warranty applies to KOMPAN's products for the time periods described for each product type above and with the limitations described in this warranty. The warranty period applies from the date of purchase by the first customer. This warranty covers only defects in materials. KOMPAN's liability under this warranty is limited to repair or replacement of defective products, without charge, at KOMPAN's discretion. Defective electronic components will be delivered and changed by a KOMPAN ICON Professional installer free of charge

2. Limited warranty coverage of labor

In cases where KOMPAN invoices for installation, the labor warranty with respect to failure due to installation defects is limited to 1 year commencing on the date of completed installation.

3. Warranty applies only if products have been properly installed and maintained

The warranty only applies if KOMPAN's products have been installed according to the instructions provided by KOMPAN, and maintained correctly according to the KOMPAN Maintenance Manual. The warranty for ICON electrical components is dependent on those products being installed by an ICON trained and approved installer.

4. No coverage for accidents, wear, tear, cosmetic issues, misuse or vandalism

This warranty does not cover any damage caused by accident, improper care, negligence, and normal wear and tear, surface corrosion on metal parts, discolored surfaces and other cosmetic issues or failures due to misuse or vandalism. Natural changes in wood over time are considered cosmetic issues and are not covered.

5. Products installed near water

Products installed in direct contact with chlorinated water or saltwater (Waterparks), or products installed with occasional contact with such water or installed so close to the shore that they are subjected to salt spray are not covered by the KOMPAN warranty for any defects caused by corrosion.

Products installed in coastal areas, within 200 meters of the shore, will only be covered by the warranty for half the period of the standard product warranty in relation to defects caused by corrosion. KOMPAN’s lifetime warranty if applicable is limited to a 10 year warranty in relation to such products.

** KOMPAN’s LIFETIME warranty is in effect for the lifetime of the product until the product is uninstalled and/or taken out of use.*

In addition, KOMPAN’s general terms & delivery conditions apply and supplement this warranty.

Our unique playground equipment has been enriching children's play for nearly half a century. Why? Because at KOMPAN, we know that a well-designed playground can be both beautiful, fun, and designed to promote child development. Playgrounds can thereby, in an attractive way, significantly improve children's health, learning, and social interaction. In fact, play is nothing short of fundamental to a better life.

We believe that every child's future depends on play driven experiences that help them grow and develop safely, and challenge them to explore the world.

In addition to playgrounds, KOMPAN today is also an innovation leader in outdoor sport and fitness where we apply our experience and insight into making exercise attractive.

Recently, KOMPAN has also developed an indoor furniture and equipment range, based on a beautiful design with a new creative flexible furniture solution.

DISCLAIMER

For the sake of clarity and user friendliness, KOMPAN has published this Annual Review with highlights from the calendar year 2015.

The annual report for KOMPAN Holding A/S for the financial year 2015, pursuant to section 149 of the Danish Financial Statements Act, is available at The Danish Business Authority.

2015 HIGHLIGHTS

In 2015, KOMPAN continued the multi-year strategy of substantial increased investments in product innovation and in expanding our sales and distribution network. As a consequence, the number of employees increased from approx. 800 to approx. 900 and the Group achieved a record level of revenue and order intake. Earnings were, as expected, negatively impacted by the above strategic investments. Growth is expected to continue in 2016.

OPERATIONAL HIGHLIGHTS

- KOMPAN introduced a new fitness training concept, designed to activate communities. The new holistic and innovative training approach consists of 3 layers:
  1) Aesthetic and cleverly designed next generation fitness products suitable for all ages and abilities,
  2) integrated digital training support and
  3) an onsite trainer program.

- KOMPAN went indoor with focus on quality, design, and a new flexible furnishing concept, based around specially designed indoor solutions, which support children's well-being and motivate them to play and learn. The new award winning concept has been very well received in the markets.

- A new ORGANIC Robinia design was launched - inspired by the organic shapes of nature itself and with all the uniqueness of the winding Robinia tree which has a high content of naturally occuring preservatives, so it does not need to be treated with chemicals for rot, etc. To ensure the best quality throughout the manufactoring process, KOMPAN has built a new world class factory in Brno, the Czech Republic focusing only on the production of ORGANIC Robinia, where we employ quality carpenters and other craftsmen and women.

- In May 2015, KOMPAN Commercial Systems (Belgium) merged with L&Bee (Poland and Belgium), both servicing restaurants and other retail customers. The merger brought together the best of two worlds: a high-performance production site in Poland, and an advanced design studio and customer service department in Liege (Belgium). The combined business furthermore has a highly experienced sales team supported by a dense global network of service teams.

FINANCIAL HIGHLIGHTS

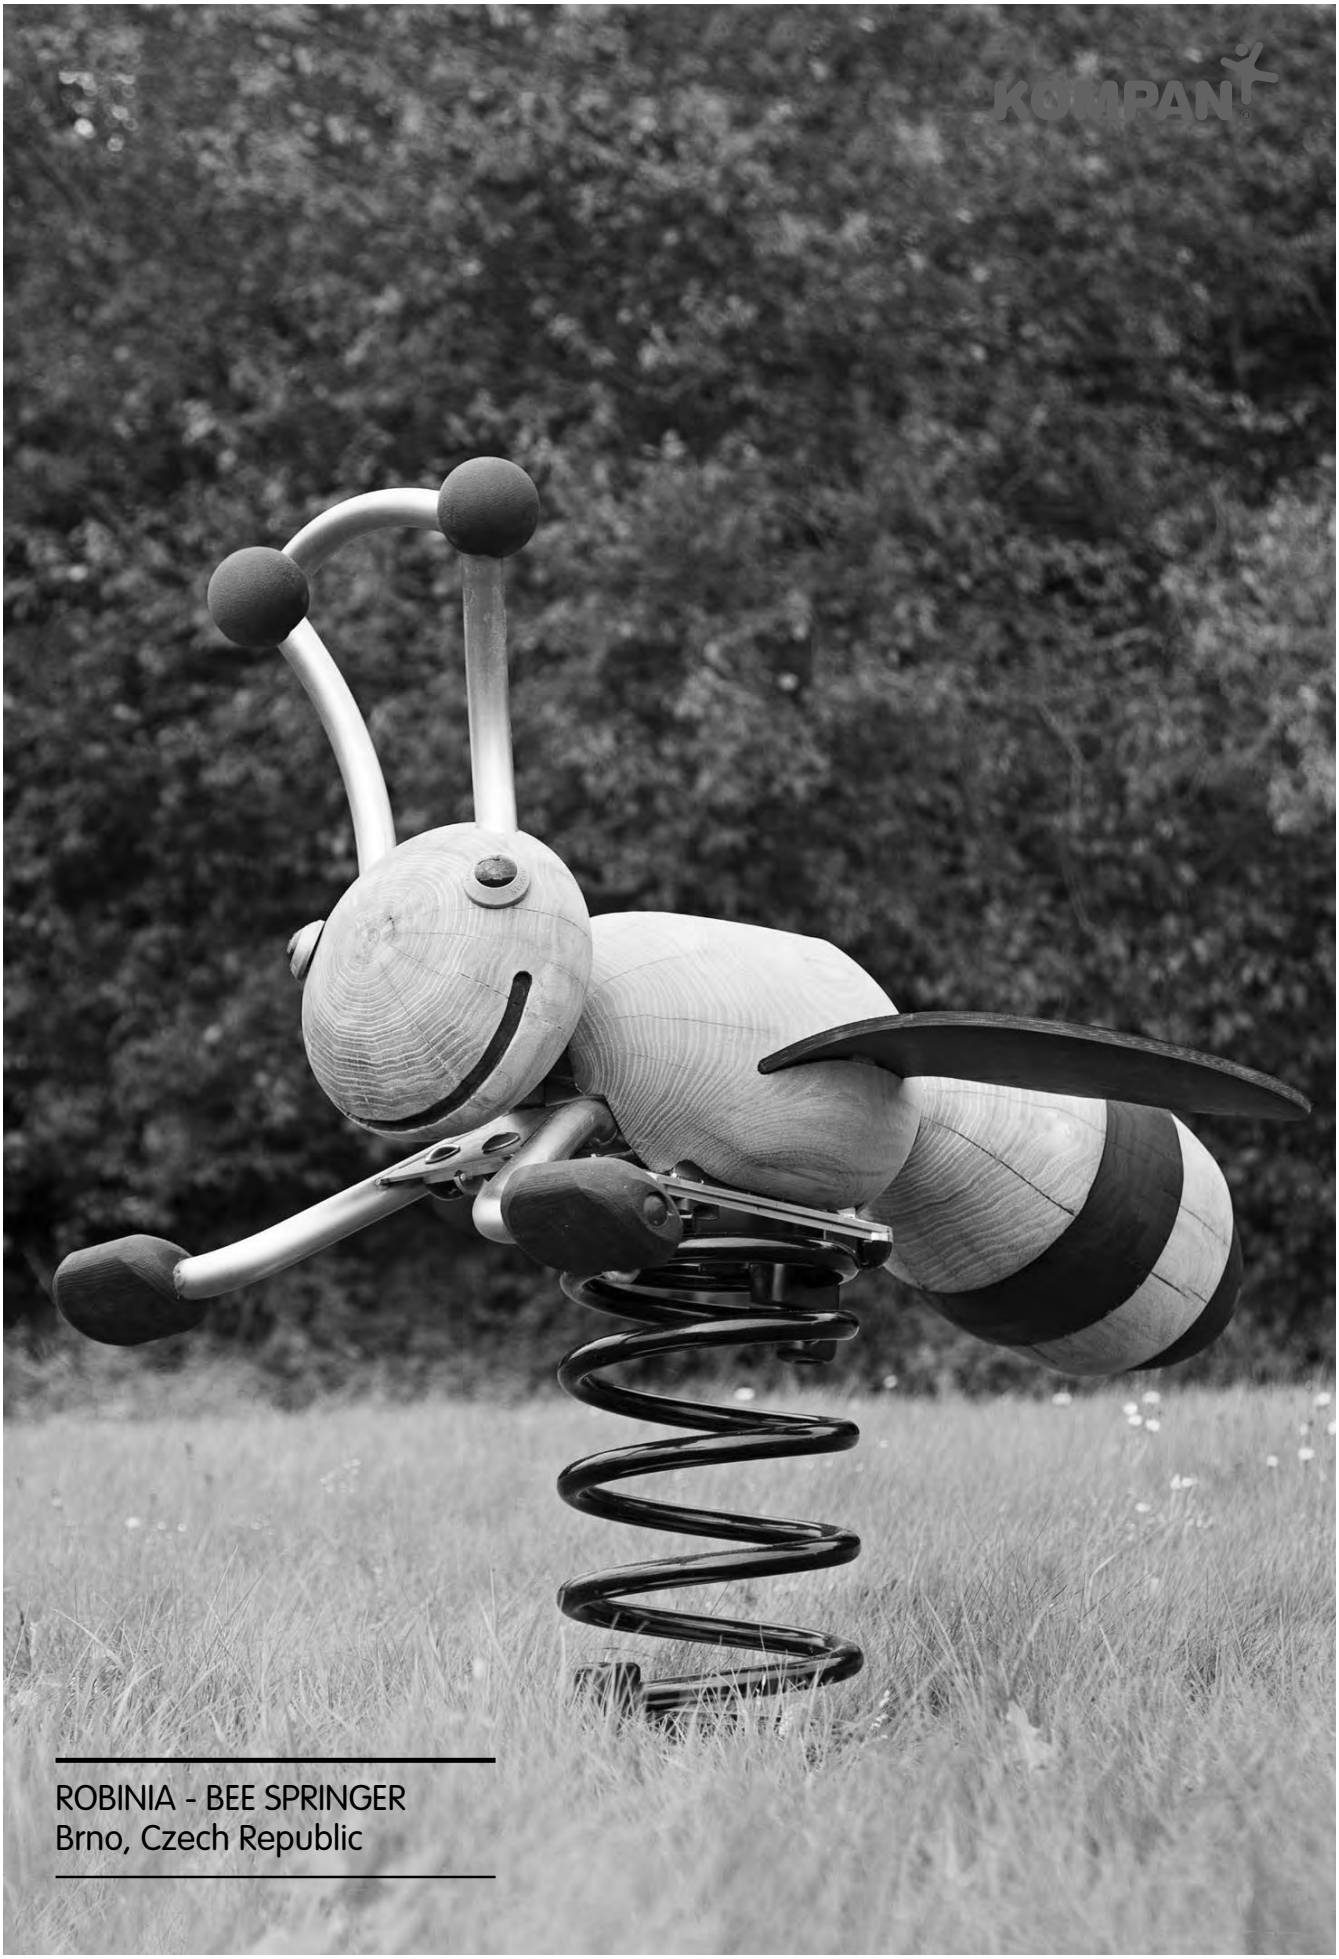

- Revenue grew by 5% to DKK 1,419m, a new record.

- The multiyear strategy of increased investment in our sales and distribution network as well as increased investment in our product development continued, leading to a significant increase in the cost base. EBITA before special items therefore decreased, as expected, from DKK 190m to DKK 127m.

- Cash flow from operating activities was stable and amounted to DKK 129m.

2016 OUTLOOK

- KOMPAN will continue the multiyear strategy of increased investment in our product development and investment in our sales and distribution network. KOMPAN expects topline to continue to grow in 2016 and earnings to be slightly higher than 2015, still impacted by the increased level of investments.

KOMPAN LAUNCHES NEW AND INNOVATIVE ORGANIC ROBINIA

Increased customer demand for natural playground solutions makes KOMPAN build a new factory, dedicated to ORGANIC Robinia

Over the past few years, KOMPAN has seen growing demand and interest in its Robinia products. In response and because only the best is good enough for our customers and users, we have built our new factory exclusively dedicated to products made of Robinia wood.

Our new ORGANIC Robinia designs are inspired by the organic shapes of nature itself and all the uniqueness of the winding Robinia tree. By taking a holistic approach to create the play area, we stimulate children's interest in nature and introduce an understanding of nature into their lives.

KOMPAN Robinia play equipment is the embodiment of our passion for superiority - design, environmental consciouness, quality, and safety.

The new facilities secure that we meet both our own and our customers' high standards. We select the finest Robinia wood and use only the most durable heart wood in our production. And we make sure to live up to the highest safety standards globally.

Having enriched children's play for more than 45 years, we know that real play value matters. Based on knowledge from our KOMPAN Play Institute we make sure children get the most out of their time on our playgrounds, by incorporating age appropriate play and child development into our designs and solutions. All our products bear the fruits of intensive scientific research and knowledge of child development anchored in the internationally recognised KOMPAN Play Institute. What is more and also unique is that our solutions are tested and thoroughly reviewed by age relevant teams of children before they are approved for manufacturing.

The KOMPAN ORGANIC Robinia range can be ordered in FSC™-certified wood. Its aim is to preserve forests through the promotion of responsible forestry. KOMPAN ORGANIC Robinia solutions are available both as untreated wood, brown pigmented (transparent) or with painted parts. The paint we use is an environmental friendly water based acrylic paint that meets European Standard EN71-3 as well as the American CPSIA requirements.

KOMPAN has a vision to get an inactive world moving. Through product and concept development, KOMPAN has incorporated what is needed to overcome physical activity barriers, resulting is an intelligent 3 layer training solution

Based on customer and user insights, a deep understanding of global health issues, fitness trends and knowledge from our professionals working with training and physical activity at the KOMPAN Fitness Institute, KOMPAN has developed a new holistic and innovative training approach, consisting of 3 layers:

1) Aesthetic and cleverly designed next generation fitness products and solutions, suitable for all ages and abilities
2) Integrated digital training support
3) Onsite trainer program

The modular and inclusive training solutions are perfect for everyone no matter their fitness level, if the training is performed individually or in a group, with or without guidance.

With the new KOMPAN fitness app the concept provides a location specific training manual, complete with easy instructions, training programs, and nutrition plans to enhance training effects and keep up motivation.

Adding an onsite trainer takes the solution to the next level. The trainer increases the opportunity to encourage less physically active citizens, keeping them motivated and encouraged to be more physically active.

KOMPAN HAS MOVED INDOORS

With a full range of design furniture and equipment for learning and play

KOMPAN has been supplying playgrounds for children all over the world for nearly half a century. Now we are taking a big step and going indoors with a new furnishing concept. The concept is based on our tradition of beautiful design and solutions that support children's well-being and motivate them to learn and play.

FLEXIBLE FURNITURE IS THE FUTURE

The time children spend in the nursery and kindergarten is one of their most important learning periods. Leading experts agree on this. And, at a time when we constantly acquire new knowledge of children's well-being and development, there is no doubt that flexible furnishings and products that are easy to change and adapt to new situations are very important.

At KOMPAN, we have much experience of creating beautifully designed, yet challenging and dynamic settings, because these stimulate children to use their bodies, play, work together and learn new things. In developing the product range, we have utilised our long tradition of working closely together with researchers and carers.

NEW AWARD WINNING AND PATENT PENDING INDOOR CONCEPT - KOMPAN FLEX SYSTEM

OFFERS ENDLESS POSSIBILITIES BY COMBINING VARIOUS MODULES

The FLEX system has been developed to reinforce various skills in children. The flexible modular design means that modules and accessories can change functions in the course of a day. Children and adults can create dynamic environments for themselves, stimulating creativity and imagination and increasing the motivation to build new, exciting, and challenging activity zones.

AGE APPROPRIATE PLAY – TESTED AND APPROVED BY SCHOOL-AGE CHILDREN

Children's motivation to play is at the heart of KOMPAN's play designs. This is the prerequisite for their physical, social-emotional, cognitive, and creative development

MOMENTS SCHOOL-AGE

To make sure that the play and activity solutions are fun and have physical as well as social holding power the KOMPAN MOMENTS school age designs are tested by children and evaluated by them, their teachers and the KOMPAN Play Institute during the development process.

The decrease in physical fitness and motor skill proficiency impacts children's social capabilities as well as learning capabilities negatively, research shows.

This is why the motivation of active play for school-age children is more important than ever. Apart from being fun, play helps children develop fundamental physical, social, and learning skills.

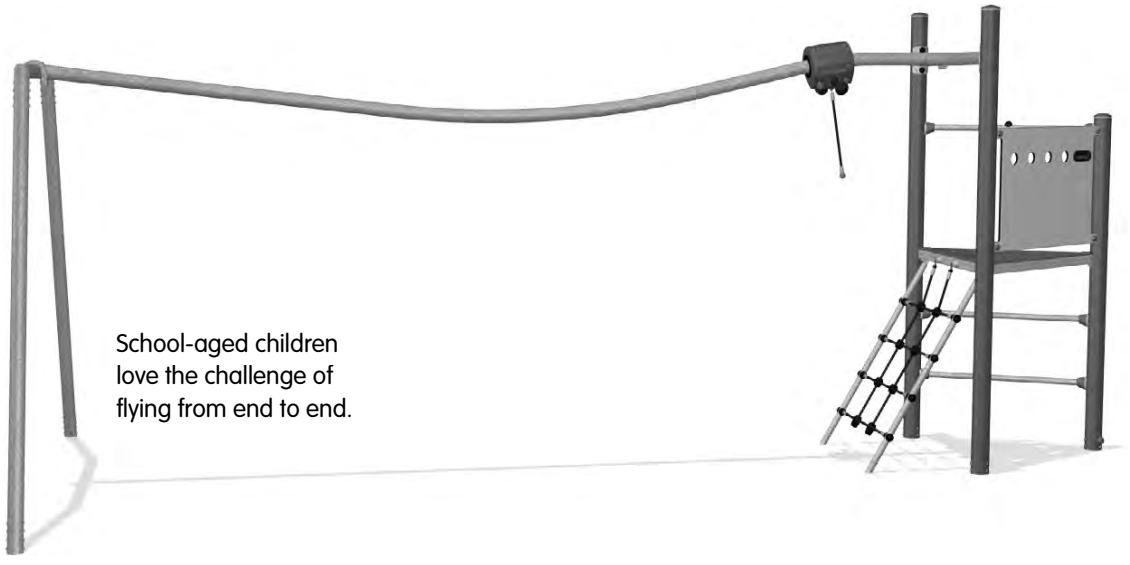

KOMPAN's new school age assortment is designed to provide age appropriate play for school-age children. Numerous physical activities and play panels are created in close cooperation with the KOMPAN Play Institute, verified by user group interaction and incorporated in the new play structures.

The assortment contains a number of products in different sizes including challenging Mega Deck play structures. Some new products are also predesigned to provide accessibility for disabled children so they may participate in play with others on the playground.

All standard products are available in three different color lines, two different post materials, three types of roofs, several slide options, and all possible types of anchoring. Play activities can be selected to match individual preferences. For urban settings, we have designed a special vandalism proof material combination.

NEW ACTIVITIES AND ADD ON FEATURES

KOMPAN's focus is always to create a challenging and an attractive playground with holding power that ensures children revisit the site frequently. KOMPAN's new School-Age range is good news for a frequently inactive age group.

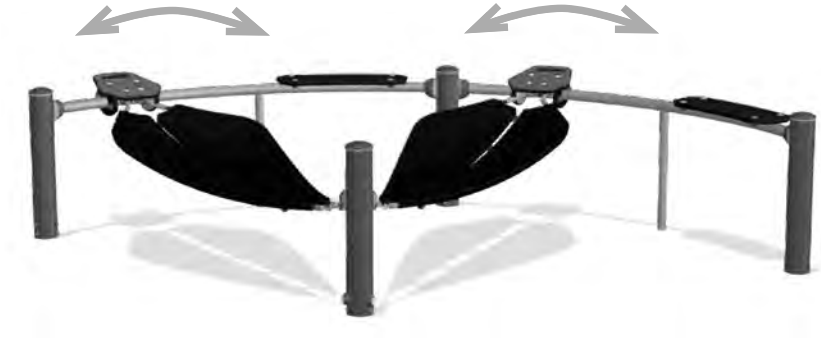

School-aged children love the challenge of flying from end to end.

INTEGRATED SHADING

KOMPAN has designed an integrated shading solution that enlarges the covered area considerably. Integrated shades are available for the large square floor size and the Mega Deck platform. The shades are made of polyester and tensioned by adjustable brackets. The polyester shades are quite robust and it is only necessary to take them down if there is heavy wind.

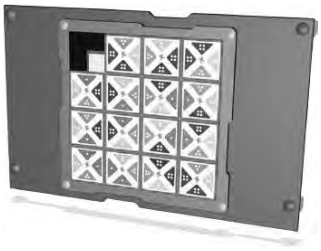

MOVABLE HAMMOCKS

Large two piece moulded PUR hammock that can be moved from side to side by the users.

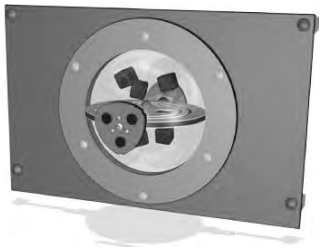

A fun and changeable meeting and hang out place.

NEW PLAY PANELS FOR YOUNGER SCHOOL-AGE CHILDREN

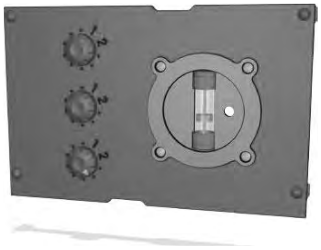

SLIDE-A-PUZZLE

New domino pattern that ensures hours of focused play.

ENVIRONMENTAL, SOCIAL AND GOVERNANCE

In 2015, KOMPAN continued implementation of our business ethics policy, including the anti-bribery policy in connection with our global expansion. Furthermore, KOMPAN maintained and strengthened our industri leading environmental profile.

SOCIAL RESPONSIBILITY

KOMPAN's core business is based on a key principle in the UN's Convention on the Rights of the Child: children have the right to play. Corporate social responsibility has been an integral part of KOMPAN's business since inception, and the Group has always addressed the needs of children based on a strong belief that responsibility and profitability can go hand in hand.

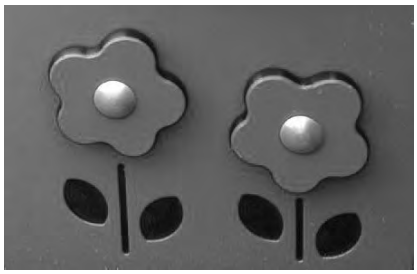

As part of daily business, KOMPAN strives to always comply with relevant legislation and the UN Global Compact principles. As part of the efforts to adhere to the principles of the UN Global Compact, KOMPAN has introduced anti-corruption measures, clearly emphasising that the Group does not accept any kind of undue payment in any business transaction. In 2015, KOMPAN continued the implementation of our business ethics policy including the anti-bribery policy, which covers bribery, facilitation payments, gifts and entertainment, as well as political and charity contributions for the growing KOMPAN Group.

THE GLOBAL COMPACT

WE SUPPORT

ENVIRONMENTAL FOCUS

As a manufacturer of outdoor playground and fitness equipment, KOMPAN has an integrated approach to environmental considerations. KOMPAN maintained and strengthened its environmental profile by continuing the efforts to produce sustainable products with a long lifespan and low maintenance requirements, minimise resource waste and reduce environmental hazards. The majority of production is based on recycled raw materials, and KOMPAN's production materials include FSC™-certified wood and recyclable aluminium and steel. In the years to come, KOMPAN will focus even more on how we can minimize the waste of resources and reduce environmental hazards.

ECOCORE™

- Core produced from 100% recycled material
- Recyclable after use
- Supported by our lifetime warranty

The Group's respective production plants are certified and controlled to ensure the highest standards in terms of quality, environment and working environment, as well as compliance with requirements concerning active substances in accessible components. To supplement KOMPAN's own control systems, third-party testing is carried out.

For further information about KOMPAN's CSR activities, please see the 2015 Global Compact communications on progress report available at: www.KompanGroup.com/corporate-responsibility/

Every year 150 million people play and exercise at a KOMPAN playground or sportsground. Our unique concept of playing, learning and engaging communities to be physically active are the cornerstone of our philosophy.

For the last four decades, we have played a dominant role and co-created solutions with architects, city leaders, educators, housing associations and the leisure industry. We are present in more than 40 countries and the 1,100 people at KOMPAN are committed to innovate engaging, fun and uniquely designed play and exercise solutions that make people at all ages and abilities want to play, learn and connect.

We continue to claim the position as the world's leading brand in playground and sportsground solutions.

DISCLAIMER

For the sake of clarity and user friendliness, KOMPAN has published this Annual Review with highlights from the calendar year 2016.

The annual report for KOMPAN Holding A/S for the financial year 2016, pursuant to section 149 of the Danish Financial Statements Act, is available at The Danish Business Authority.

2016 HIGHLIGHTS

In 2016, KOMPAN continued the multi-year strategy of substantial investments in product innovation and in expanding our sales and distribution network. The Group achieved a record level of revenue and order intake and increased the number of average full time employees by 15% to now more than 1,000 employees. Earnings are still impacted by the substantial expansion, and KOMPAN expects to continue its above growth in 2017.

OPERATIONAL HIGHLIGHTS

- KOMPAN introduced the Mini series of play structures that are age-appropriate for toddlers and pre-schoolers, that afford maximum play value and that have an inclusive design. The Mini assortment is a result of collaboration between designers, researchers and safety specialists and is an example of our market-leading innovation and design.
- KOMPAN continues the innovative organic Robinia journey launching new amazing Castles and Ships, taking our portfolio of ORGANIC ROBINIA to a new level.
- KOMPAN Sport & Fitness added Street Workout providing new and relevant training solutions for all ages. Our vision with getting an inactive world moving has not changed – and launching our Street Workout states that we will continue.
- KOMPAN launched SIMPLY Play - a new design with fun activities for the midmarket. SIMPLY Play covers basic individual structures and larger play structures. Sometimes all you need is a playground that children will just enjoy. KOMPAN's extensive knowledge within play is used to make SIMPLY Play a flexible and solid choice which is unbeatable value for money.
- In October, KOMPAN acquired the service company Repcon B.V. including its subsidiary Repcon GmbH. The acquisition allows us to take a step closer to our customers providing full service solutions.

FINANCIAL HIGHLIGHTS

- Revenue grew by 6.0% to a new record of DKK 1.504m.
- EBITA before special items increased from DKK 127m to DKK 137m. Earnings were, as expected, still impacted by investments in product development and investments in our sales and distribution network.
- Cash flow from operations was stable and amounted to DKK 125.9m.

2017 OUTLOOK

- KOMPAN will continue the multi-year strategy of increased investments in product innovation and investments in our sales and distribution network. KOMPAN expects topline growth to continue in 2017 and earnings to increase, although still impacted by the level of investments.

MOMENTS MINI

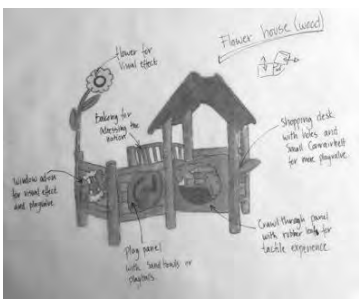

At KOMPAN, the process of designing new playground equipment is a long journey characterised by innovation, research and testing and the Mini assortment is an example of our market-leading innovation and design.

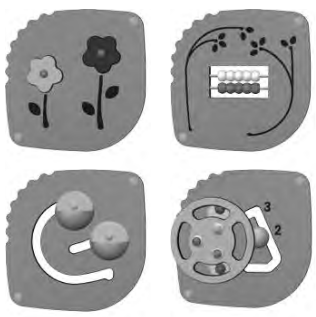

Through this process, designs are refined and fine-tuned until they offer children maximum play and developmental value. The new MOMENTS Mini line is a perfect example of this working process. From start to finish, KOMPAN's designers, researchers and safety specialists collaborated to create a series of play structures that are age-appropriate for toddlers and pre-schoolers, that afford maximum play value and have an inclusive design.

MAXIMUM PLAY VALUE FOR 1-6 YEAR-OLDS
Children develop at an extraordinary rate during the first years of life, and play is an essential part of this process. When children are born, their brains weigh only 25% of their adult weight. During the first years of life, the brain grows quickly and undergoes a "wiring" process. The development of motor skills, sensory skills, thinking skills – even empathy – are dependent on how well the brain develops in early childhood. Play is the motor of development.

The KOMPAN Play Institute documented the developmental value of the MOMENTS Mini line in a study that compared toddler and preschoolers' play on a Mini play structure to play on a grassy field. Three main findings emerged from the research:

1. The play structure promoted more dramatic play – a more complex form of play
2. The play structure facilitated higher and more complex language use during play
3. Lesser developed children benefited highly from playing on the structure

Thus, the MOMENTS Mini line offers the opportunity to invest in children's futures with world-class playground equipment that provides maximum play value.

A PERFECT SOLUTION FOR DEVELOPING TODDLER AND PRESCHOOL CHILDREN
Completely customizable & market leading quality, MOMENTS Mini brings customisation to a new level. The customer is able to choose between a number of options including slides, play panels, post material and more – getting the play structure that perfectly fits the user's needs.

KOMPAN CONTINUES THE INNOVATIVE ORGANIC ROBINIA JOURNEY

Launching new amazing castles and ships our portfolio of ORGANIC Robinia is taken to a new level.

Our new ORGANIC Robinia designs are inspired by the organic shapes of nature itself and all the uniqueness of the winding Robinia tree. By taking a holistic approach to create the play area, we stimulate children's interest in nature and introduce an understanding of nature into their lives. KOMPAN Robinia play equipment is the embodiment of our passion for superiority - design, environmental consciousness, quality and safety.

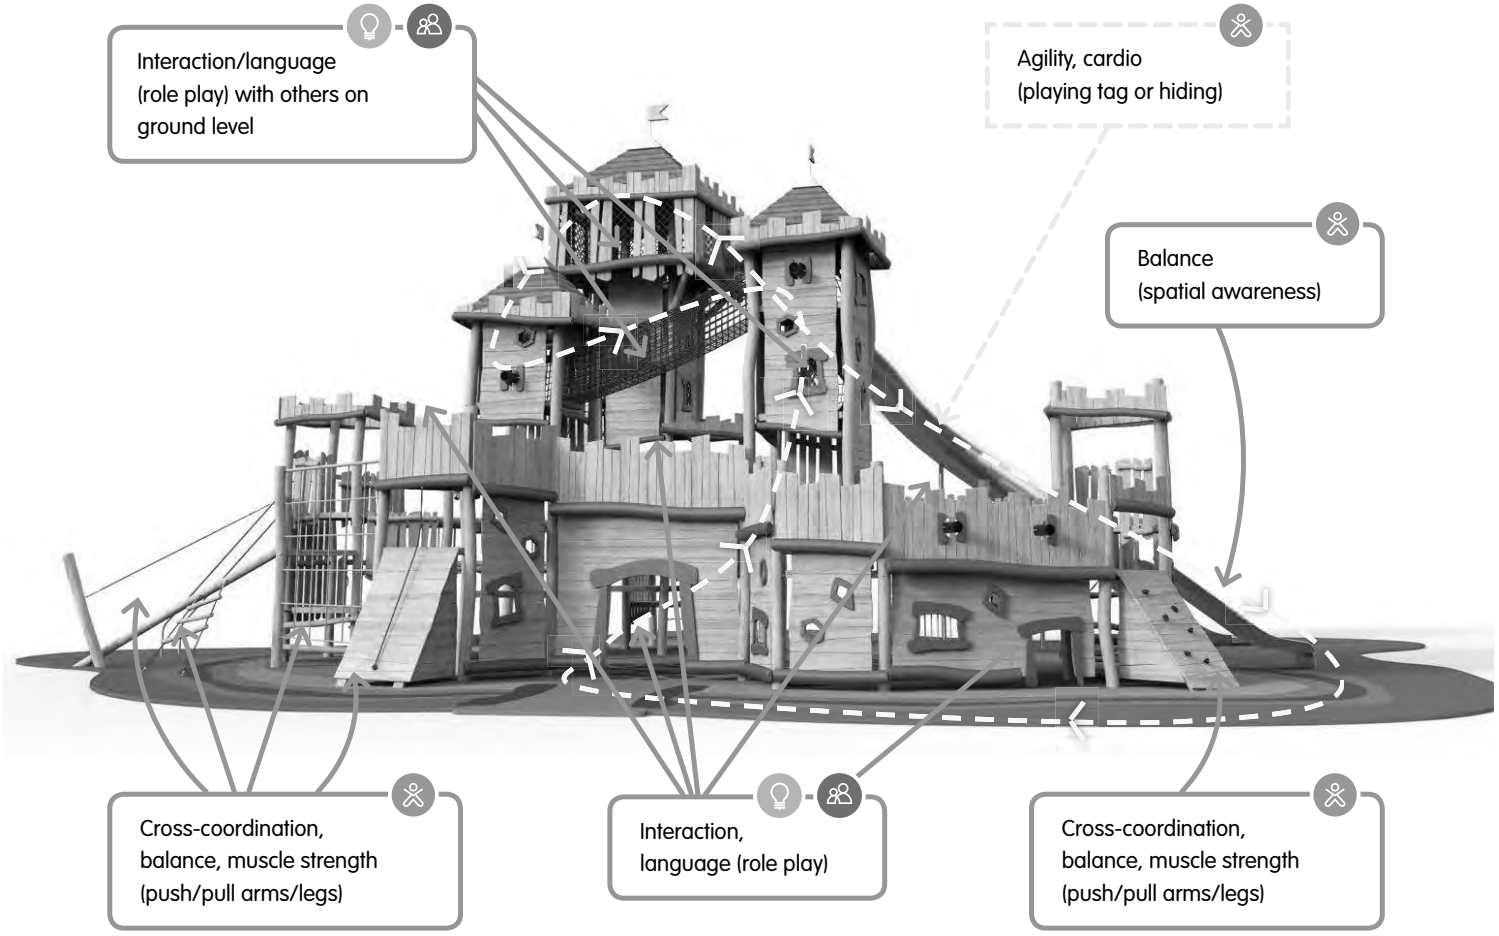

CONCEPT & DESIGN IDEA

Design scope was to create visually impressive and beautiful castles made from natural organic materials, that have not been treated with chemicals. Importantly for KOMPAN, the castles are also designed with play value in focus, so that the castles support age appropriate activities and development. This in order to secure that children of all ages stay engaged and fully utilise the many features within the castles for long periods of time, beyond simply being taken in by the initial wow effect.

From the outside, the castle looks massive with lots of access points. The backside is open and transparent to see the play taking place. From the first upper level, there are numerous exits down or more ways to continue the climb to the higher levels. The tall towers are interconnected by fully closed net bridges or curved 180° steel tube meshes. The reward for making it to the enlarged top princess chamber is a spectacular view and the opportunity to take a fantastic ride down the enormous multiple curved tubular slide.

The Robinia castles will give any park a regal touch: the castles are architecture for the play princes and princesses – and possibly even some kings and queens. With their scale, the Robinia Castles allow for a wide range of ages playing together and inviting the whole family for a royal play day.

PLAY INSTITUTE INSIGHT

AGE APPROPRIATE PLAY

The Castle concept is designed for children from 4 up to 15 years.

TALL CASTLE, small

THE KOMPAN ARMADA

The fleet is designed to give the children sense of wonder while playing with and within the ship. The rooms below the decks have multiple access and exits, which boost the play experience. The new ships are designed with age appropriate challenging activities that support all competences of play. The ships can be designed with build-in sand play features and/or balancing extensions out from the ship core. The ships can also be designed as inclusive with access to the upper deck levels.

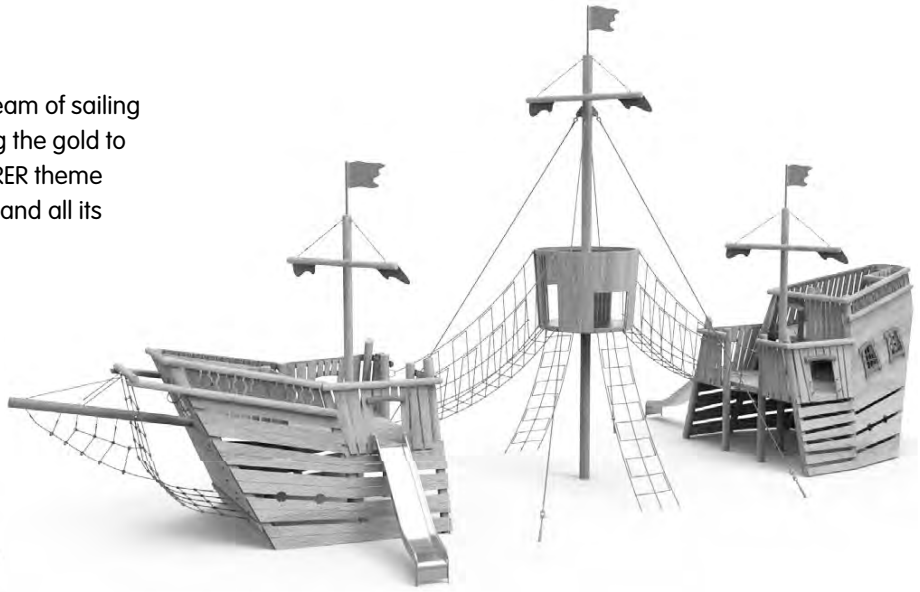

In front of the ship – climbing challenge

Inside the ship – small benches and tables

The PIRATE theme is about the dream of sailing out to treasure islands and finding the gold to live happily ever after. The EXPLORER theme enables the kids to see the world and all its beauty.

The Robinia ships make a fleet of unbeatable imaginative play motivators. From the small chalup boat to the huge schooner, these ships were crafted for play sailors with an imagination to take them anywhere.

THE COROCORD DOME ASSORTMENT GETS A NEW FAMILY MEMBER – OCEAN DOME

Dive freely into a new adventure world. An underwater world formed by rope structures in deep ocean blue and colourful membranes. Discover this world like a fish and pass the existing coral reefs, seaweed and starfish on your way to the surface and towards the horizon on top of the wave. Various imaginative stories and adventures are waiting to be explored by playing in and on the Ocean Dome. Let your imagination run wild!

The framed 3D net construction offers compact bouncy climbing for many users balancing and working their way to the top and down, around and through the meshwork of the net. Balancing trains the vestibular system and improves the sense of balance and motor stability of the child. Children can play for hours climbing or hang out in this thematic net structure. Climbing develops cross-body coordination, hand/eye coordination, agility and spatial awareness, and provides the children with leveled play challenges. The vertical climb takes you to the curly climber, and the rubber mats offer a bouncy, trampoline like break on the way up or down.

Products installed in foreshore areas are subject to constant extreme corrosive atmosphere. Ocean Dome is therefore also avaiable in a blue painted version, special designed for installation in foreshore areas.

"The system can be used by anyone. This includes children, the disabled and the elderly. It is simple, straightforward, and is freely available. At the same time, it is located in an area where many people do not traditionally work out. So the whole idea is to try to get more people to exercise." ***Carl Christian Ebbesen, Mayor of Culture and Leisure in Copenhagen***

KOMPAN SPORT & FITNESS NOW ADDS STREET WORKOUT

– providing new and relevant training solutions for all ages. Our vision to get an inactive world moving has not changed – and launching our Street Workout is another step in this development.

STREET WORKOUT

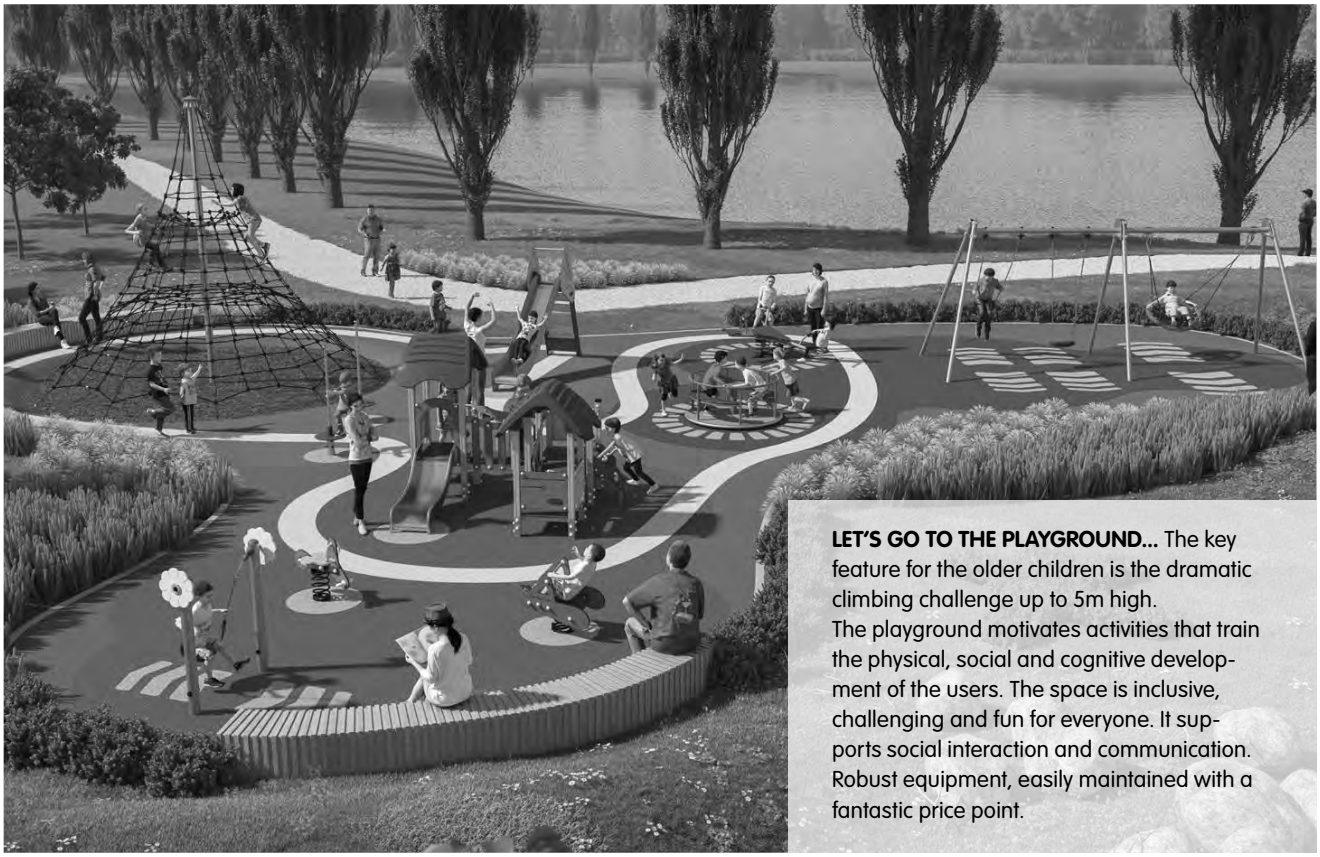

A physical activity that symbolises freedom of movement and encourages socialising. It is a combination of athletics, calisthenics and other sports, and is mostly performed in public spaces. The assortment is of course available as individual products, but we have also developed total solutions based on insight and knowledge from our KOMPAN Sport & Fitness institute.

FUNCTIONAL TRAINING

Functional training originates from physiotherapy and is based on the philosophy, that the human body is built to move. That is why functional training is designed to improve natural movement patterns, that you already do or may need in your daily life - like running, lifting or jumping. The training usually takes place outdoors and is based on the classic exercises, which include squats and is done with or without paraphernalia as kettlebells, ropes and medicine balls.

FUNKTIONAL TRAINING app

- KOMPAN Outdoor Fitness Concept is functional and beneficial training for all – beginners to advanced – men and women.
- The characteristic is an iconic and beautiful design using only high-end materials ensuring popular fitness stations, made from long life materials.
- KOMPAN Fitness App. for smartphones, which guides, inspires and motivates, has been developed to also cover our new Street Workout.
- Find exercise for a specific site in the App with map function.

LET'S GO TO THE PLAYGROUND... The key feature for the older children is the dramatic climbing challenge up to 5m high.
The playground motivates activities that train the physical, social and cognitive development of the users. The space is inclusive, challenging and fun for everyone. It supports social interaction and communication. Robust equipment, easily maintained with a fantastic price point.

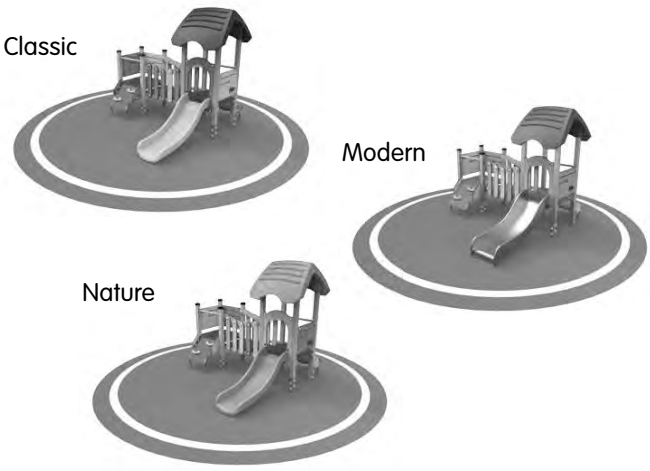

SIMPLY PLAY

New design with fun activities for the midmarket - combine the products to suit you.

SIMPLY Play covers basic individual structures and larger play structures. Sometimes all you need is a playground, that children will just enjoy. KOMPAN's extensive knowledge within play is used to make SIMPLY Play a flexible and solid choice.

The products are suitable for both younger and older children. All structures can be customised to match individual preferences. The combination of colour is predefined in classic, nature and modern. EcoTech roofs can be added or removed on all towers. Slide colours are predefined for the colour lines. All panels are made of recycled EcoCore™ HDPE.

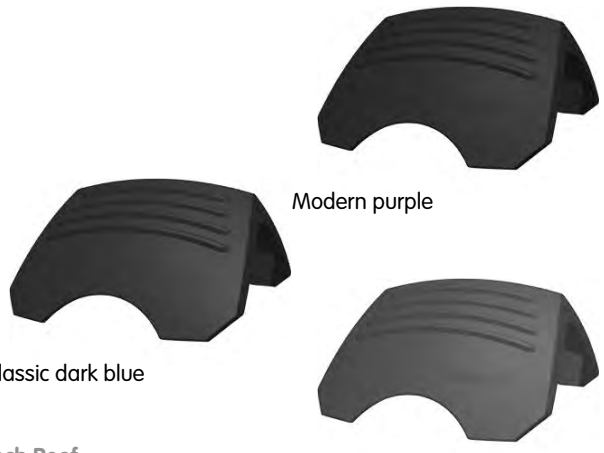

WHEN I GROW UP! The play structure and swing assist in developing motor skills that lay the fundamentals for learning. The police car encourages role play and storytelling. Play value covers the physical, social-emotional and cognitive areas. An inclusive space with varied play opportunities for all children.

ECOTECH ROOF DESIGN

New design with fun activities for the midmarket - combine the products to suit you.

SIMPLY Play roofs are based on revised technology in roto-moulding and recycled EcoCore™ raw materials, that are 100% recyclable also after use. The uniquely designed curved geometry, reinforced by visual shapes and a scratch-resistant grained texture, results in high strength and durable roofs.

- ✓ **Visual impressive design**
- ✓ **Durable all-weather material**
- ✓ **Scratch resistant texture**
- ✓ **Low maintenance**
- ✓ **One piece**

ENVIRONMENTAL, SOCIAL AND GOVERNANCE

In 2016, KOMPAN continued implementation of our business ethics policy, including the anti-bribery policy in connection with our global expansion. Furthermore, KOMPAN maintained and strengthened our industri leading environmental profile.

SOCIAL RESPONSIBILITY

KOMPAN's core business is based on a key principle in the UN's Convention on the Rights of the Child: children have the right to play. Corporate social responsibility has been an integral part of KOMPAN's business since inception, and the Group has always addressed the needs of children based on a strong belief that responsibility and profitability can go hand in hand.

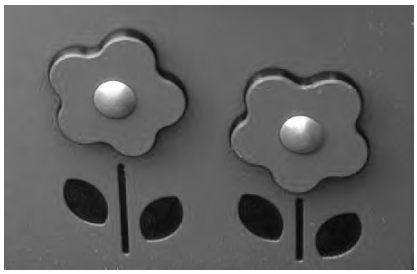

As part of daily business, KOMPAN strives to always comply with relevant legislation and the UN Global Compact principles. As part of the efforts to adhere to the principles of the UN Global Compact, KOMPAN has introduced anti-corruption measures, clearly emphasising that the Group does not accept any kind of undue payment in any business transaction. In 2016, KOMPAN continued the implementation of our business ethics policy including the anti-bribery policy, which covers bribery, facilitation payments, gifts and entertainment, as well as political and charity contributions for the growing KOMPAN Group.

THE GLOBAL COMPACT

WE SUPPORT

ENVIRONMENTAL FOCUS

As a manufacturer of outdoor playground and fitness equipment, KOMPAN has an integrated approach to environmental considerations. KOMPAN maintained and strengthened the environmental profile by continuing the efforts to produce sustainable products with a long lifespan and low maintenance requirements, minimise resource waste and reduce environmental hazards. The majority of production is based on recycled raw materials, and KOMPAN's production materials include FSC™-certified wood and recyclable aluminium and steel. In the years to come, KOMPAN will focus even more on how we can minimise the waste of resources and reduce environmental hazards.

ECOCORE™

- Core produced from 100% recycled material
- Recyclable after use
- Supported by our lifetime warranty

The Group's respective production plants are certified and controlled to ensure the highest standards in terms of quality, environment and working environment, as well as compliance with requirements concerning active substances in accessible components. To supplement KOMPAN's own control systems, third-party testing is carried out.

For further information about KOMPAN's CSR activities, please see the 2016 Global Compact communications on progress report available at: www.KompanGroup.com/corporate-responsibility/

Play is instinctively human. When we are children, play is how we have fun, learn, socialise, and are physically active. As we get older, it's really the same - play is key to a long and happy life. Through our inventions, we have set new global standards for ways to play, seeking to create the world's best playground and sport & fitness solutions.

We do this because we have a passion to create healthier and happier communities by inspiring people across the world to play more. We do it the KOMPAN way, where product development is based on thorough research, extensive user involvement, and close collaboration with experts through the KOMPAN Play Institute and KOMPAN Sport & Fitness Institute. We then tailor the right solutions to the specific user and customer requirements. This creates products that motivate people of all ages and abilities to play more, be more physically active, and learn and socialise more - while always having fun.

We never compromise on safety and our choice of the highest quality materials creates extremely durable solutions that stand the test of time and weather. We are also conscious that our designs should be beautiful - both in their own right and as a contribution to their architectural and natural surroundings.

Today, digital technologies change the way we live our lives. This includes why, how, and where we play and are physically active as individuals, families, and communities. We take responsibility for driving this change, as we have historically - to continuously lead the industry and reinvent play for everyone's benefit.
Let's play!

DISCLAIMER

For the sake of clarity and user friendliness, KOMPAN has published this Annual Review with highlights from the calendar year 2017.

The annual report for KOMPAN Holding A/S for the financial year 2017, pursuant to section 149 of the Danish Financial Statements Act, is available at The Danish Business Authority.

2017 HIGHLIGHTS

In 2017, KOMPAN continued the multi-year strategy of substantial investments in product innovation and in expanding our sales and distribution network, that started in 2015. The Group delivered a record level of revenue and grew by 11 percent. Earnings are still impacted by the substantial expansion, and KOMPAN expects to continue the investments and growth in 2018.

OPERATIONAL HIGHLIGHTS

- KOMPAN introduced Cube Towers pushing forward with design innovation and provoking unbeatable imaginative play. Climbing is traditionally a favorite activity amongst children, and this new design honours that.
- KOMPAN presented new pirate ships and castles built on a rock solid structure, maintenance free and made from recycled and recyclable materials. KOMPAN castles and ships are equipped with a host of adventurous activities, that can accommodate every site and age range and provide countless hours of fairy tales and adventures.
- KOMPAN Sport & Fitness added the Obstacle Course, that takes us back to our roots with natural movement for increased health and happiness. Launching our Obstacle Course confirms our vision of getting an inactive world moving.
- KOMPAN continues to expand our portfolio of Organic Robinia hard wood equipment with the uniqueness of our classic and modern playgrounds.
- KOMPAN successfully consolidated the production in Sweden into the main production facility in the Czech Republic.

FINANCIAL HIGHLIGHTS

- Revenue grew by 11.0% to a new record of DKK 1,670m.
- EBITDA excluding items affecting comparability increased from DKK 161m to DKK 178m. Earnings were still impacted by investments in product development and investments in our sales and distribution network, as expected.
- Cash flow from operations grew and increased from DKK 126m to DKK 158m. The increase in cash flow was driven by higher earnings and net working capital improvements.

2018 OUTLOOK

- KOMPAN will continue the multi-year strategy of increased investments in product innovation and investments in our sales and distribution network. KOMPAN expects topline growth to continue in 2018 and earnings to increase, although still impacted by the high level of investments.

ROBINIA SHIPS AND CASTLES

The organic Robinia ships make a fleet of unbeatable imaginative play motivators. From the yoal to the huge schooner, these ships were crafted for play sailors with an imagination to take them anywhere.

KOMPAN reinvents nature play with market leading play capacity.

KOMPAN has focused on getting play back to nature with the launch of Organic Robinia hard wood equipment. In doing so, we have brought the uniqueness of our classic and modern playgrounds into these designs.

The KOMPAN Organic Robinia designs thus provide market leading Stay and Develop factors, where users improve their language skills and logical thinking. Our challenging track ride, for instance, develops muscle strength and collaborative interpersonal skills with lots of fun. In addition, our Organic Robinia design has built-in unique sensory play - take the desk and crane, for example.

Our design sets new standards for the use of Robinia, as it is modular, providing endless ways of combining towers, slides and swings, to mention just a few options. This gives us a cost-effective way of tailoring solutions to our customers.

The environmentally friendly Robinia wood has a high content of naturally occurring preservatives. That is why it does not need to be treated with chemicals for rot, while having an extreme resistance to splintering, humidity damage, and water penetration.

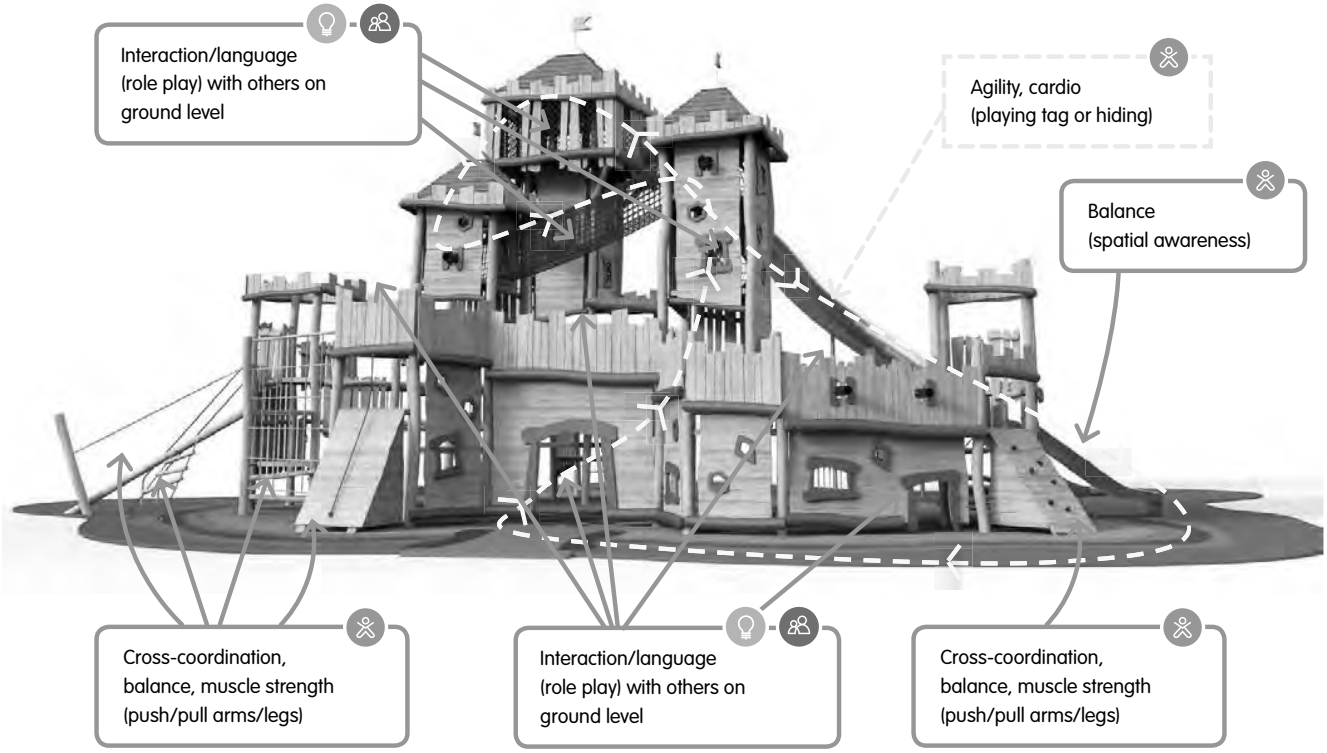

PLAY INSTITUTE INSIGHT

The organic Robinia castle concept is designed for children from 4 all the way up to 15 years with age appropiate play across all ages.

PHYSICAL
Joy of movement: motor skills, muscle, cardio, and bone density

COGNITIVE
Joy of learning: curiosity, understanding of causal relationships, and knowledge of the world

SOCIAL/EMOTIONAL
Joy of being together: teamwork, tolerance, and sense of belonging

MOMENTS™ MINI

At KOMPAN, the process of designing new playground equipment is a long journey characterised by innovation, research and testing. The Mini assortment is an example of our market leading innovation and design. A perfect solution for developing toddler and preschool children.

In addition to age-appropriate size and scaling, the Mini portfolio also features a number of new play-based learning panels. The panels support a number of skills and competences such as fine and gross motor skills, cross-coordination, abstract thinking and emotional development.

MOMENTS™ COMBINATION SYSTEM

Our newly designed combination system offers a large variety of play activities and material option to fulfil individual requirements in any playground setting, which we specifically configure together with each customer.

NEW PIRATE SHIPS AND CASTLES

Daredevils and pirates take notice!

"If ye playground be in dire need of an overhaul and barnacles have settled on your springers, look no further than these amazing new ships from KOMPAN." Built on a rock solid structure equipped with a host of adventurous activities both topside and below deck, you will find all you need for children to create their own high seas adventures right here.

Below deck and accessible to the generally younger audience, you will find numerous activities built around the Stay and Develop factors, that allow children to pass time while confined to the brig – or searching for treasure below the surface of the sea or in the cargo hold.

Above deck, your little brigands can swing from the deck with all the rush and excitement provided by our track-ride or have them scale the ropes to take our exhilarating more than 6 meter long steel slide.

With all the stuff to explore and try, the stories can go far and wide across the seven seas! Expect your little pirates to try all their parlaying skills when negotiating, to stay for just a few more minutes. And who knows, even all you landlubber grown-ups could end up being carried away by the high tide of seafaring adventure and fun. There is no reason for you not to get into the action.

Built from recycled and recyclable materials, that are durable and maintenance free, expect your seafaring adventures to be safe and reliable – and for the ships to look great for years to come.

Ready the turrets! Man the ramparts!

"A KOMPAN castle is no cause for distress – be you damsel or otherwise!" Get ready for action and adventures fit for Queens and Kings! Packed with fun on all levels, stories, nooks and crannies! Explore the dungeons, prison cells, and caves below – or swing from the ramparts to defend your castle from the dragon.

Climb the giant spider web in the cavern below the massive keep, or sign up for guard duty as you patrol the ramparts keeping an eye out for Robin Hood and his band of merrymen. In the cellars you will find loads of activities built around our Stay and Develop concept – redesigned and configured to support all sorts of role playing action and fun.

From the ramparts you can swoop across the moat using anything from a slide to our super fun track ride. And just as important, we have a whole complement of nets and climbing activities ready for you to scale the castle walls as you sneak into the castle to meet the wizard and steal away his formula for gold!

From the smallest gatehouse to the largest keep, KOMPAN castles can accommodate every site and age range and provide countless hours of fairy tales and adventures – all while you can rest assured, that the maintenance free products, made from recycled and recyclable materials, keeps your KOMPAN castle safe, reliable, and as good as new for years to come.

INNOVATIVE DYNAMIC CAROUSELS

KOMPAN carousels add innovation to the joy of spinning.

The universal design of KOMPAN carousels attracts even teenage users and provides inclusive play opportunities for children with disabilities. Apart from being great fun, the spinners help children practice and improve their sense of balance while building their muscle strength and bone density. It's great exercise, and supports children in navigating the world securely with improved physical literacy and resilience. KOMPAN Play Institute interviews with older children state, that spinning until they get dizzy is one of their favorite play activities.

TIPI CAROUSEL

- Inclusive spinning for all users and play positions: standing, sitting, and lying
- Benefits social play, allowing room for many, of all ages and abilities
- Benefits physical literacy and health training motor skills, muscles, cardio, and bone density
- Life lasting quality: lifetime sealed bearing construction

TWIN RING SKY CAROUSEL

- Invites a wide user range, with two gripping heights and step support
- Designed to benefit upper body muscle strength, motor skills, cardio, and bone density
- Benefits social play, allowing room for many
- Life lasting quality: lifetime sealed bearing construction

NEW SAFER PORTAL SWINGS

Unlimited flexibility and modularity.

Thrill is a main motivator of physical play, and swings are truly thrilling. Learning to swing takes practice, but once learned, brings children hours of joy. Additionally, it will train the vestibular system for coordination and sense of balance. These fundamental motor skills are crucial for children to develop in order to move around and manage the world around them.

Portal swings are a modern update on a traditional favourite, constructed from galvanised steel. The swings are available in three heights: 2.0m for preschool, 2.5m and 3.0m for school age playgrounds. This highly modular system makes it possible to offer multi-bay swings with as many additional bays as you wish. Each section can be equipped with standard, toddler, cradle, or bird's nest seats. Anti-wrap suspensions are available for both standard and cradle seats.

NEW BIRDS NEST ROPE SEATS

- Improved seat comfort with new rope connectors
- Reinforced seat and swing ropes
- Red, black, or sand coloured cords in seat

NEW BIRDS NEST SHELL SEATS

- Safe, weight reduced seat
- Second to none user comfort
- Integrated handles and drain openings
- Grey, green, dark blue, or lime green colour options

COROCORD CUBE TOWERS

The Corocord Cube Tower stands 6.9m high. The three cubes design features each level rotated around a central axis to create protruding play corners and various view sheds. Climbing is traditionally a favorite activity for children and this design honors that, whilst continuing to push forward with design innovation, provoking unbeatable imaginative play.

Within each of the three cubes, an exciting invitation to climb, explore and socialize awaits all. The ultimate goal being to reach the top.

The Cube Tower design truly makes for one exhilarating viewing platform over the community, allowing the children to generate a sense of ownership and belonging. Corocord designs for the teens and grown-ups too - this means you! You are never too old to play, climb up, and help your child spot their landmarks.

Other features include two slide options from different heights, giving children a chance to grow their confidence over time, double swings, and shade protection.

OBSTACLE COURSES

We used to run, walk, jump, crawl and climb as a natural activity. In the past it was incorporated in everyday activities, but modern life has changed and much of our time is now spend in front of a screen and makes us static. Obstacle courses take us back to our roots with natural movement for increased health and happiness.

The new modern obstacle course is designed to have fun for people of all ages and abilities. It challenges and develops both mental and physical strength. Scalable difficulty levels make it work for young and old, strong and unfit. One course, one objective, many routes to get there.

The fun element is the motivation, that gets people starting over and over again. Apart from pure sport, playful exercise is rare, but obstacle courses create that element.

Do it together, do it with your children and teach them, that an active lifestyle is a fun lifestyle. In fact, once you introduce them to the courses, the bonus will be for you to keep up!

EASY ACCESS

High structures for upper body exercises are easily accessible for users of all heights. Access pods make it easy to get up and reach the exercise structure.

DYNAMIC EXERCISE WITH MULTIPLE DIFFICULTY LEVELS

Obstacles are designed for people of all ages and abilities. Each obstacle has both an easy and hard exercise, so anyone can be challenged.

DURABLE STEEL DESIGN GUARANTEED

The galvanised and powder coated steel construction requires no maintenance and we provide KOMPAN lifetime warranty. The solid structure has made it possible to create new dynamic and challenging obstacles and still maintain a high level of safety.

NEW MULTISPORT

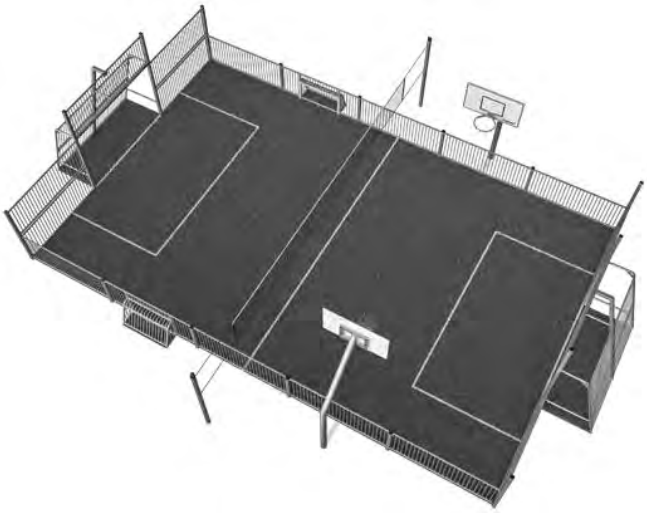

In 2018, KOMPAN introduces a flexible system with high play value for fun sport.

The dream starts in the local park. Practice makes perfect, and maybe someone from your community becomes the next famous ball player.

Ball sports have fascinated many people throughout time, and it still does. Some people follow a sport, and many are also active themselves. With the right area and surrounding, people can have fun and imagine playing at Wembley or Madison Square Garden.

Based on the latest sports development and safety standards, KOMPAN Multisport is designed to make dedicated room for popular sports such as football, basketball, hockey, volley-ball, tennis, badminton, and handball, even when very little space is available.

CONFIGURE YOUR CUSTOM DESIGN

Stand out or blend in with your unique multisport design. The design is based on a flexible system, that fits into any environment and purpose.

The system is supported by a configurator, that quickly configures size, style, play value, choice of materials, and accessibility. In summary, design your own dream stadium.

ENVIRONMENTAL, SOCIAL, AND GOVERNANCE

In 2017, KOMPAN continued implementation of our business ethics policy, including the anti-bribery policy in connection with our global expansion. Furthermore, KOMPAN maintained and strengthened our industri leading environmental profile.

SOCIAL RESPONSIBILITY

KOMPAN's core business is based on a key principle in the UN's Convention on the Rights of the Child: children have the right to play. Corporate social responsibility has been an integral part of KOMPAN's business since inception, and the Group has always addressed the needs of children based on a strong belief that responsibility and profitability can go hand in hand.

As part of daily business, KOMPAN strives to always comply with relevant legislation and the UN Global Compact principles. As part of the efforts to adhere to the principles of the UN Global Compact, KOMPAN has introduced anti-corruption measures, clearly emphasising, that the Group does not accept any kind of undue payment in any business transaction. In 2017, KOMPAN continued the implementation of our business ethics policy including the anti-bribery policy, which covers bribery, facilitation payments, gifts and entertainment, as well as political and charity contributions for the growing KOMPAN Group.

THE GLOBAL COMPACT

ENVIRONMENTAL FOCUS

As a manufacturer of outdoor playground and sport & fitness solutions, KOMPAN has an integrated approach to environmental considerations. KOMPAN maintained and strengthened the environmental profile by continuing the efforts to produce sustainable products with a long lifespan and low maintenance requirements, minimise resource waste and reduce environmental hazards. The majority of production is based on recycled raw materials, and KOMPAN's production materials include FSC™ certified wood, and recyclable aluminium and steel. In the years to come, KOMPAN will focus even more on how we can minimise the waste of resources and reduce environmental hazards.

ECOCORE™

- Core produced from 100% recycled material
- Recyclable after use
- Supported by our lifetime warranty

The Group's respective production facilities are certified and controlled to ensure the highest standards in terms of quality, environment, and working environment, as well as compliance with requirements concerning active substances in accessible components. To supplement KOMPAN's own control systems, third-party testing is carried out.

These can be easily quoted at time of project planning implementation. Typical installation cost as a percentage of project equipment retail can be in the range of +- 27%- 38% prior to standard discounts that can be applied.

Uniform Guidance "EDGAR" Certification Form
2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All bidders submitting proposals must complete this EDGAR Certification form regarding the bidder's willingness and ability to comply with certain requirements, which may be applicable to specific agency purchases using federal grant funds.

For each of the items below, the Bidder will certify its agreement and ability to comply, where applicable, by having the bidder's authorized representative check, initial the applicable boxes, and sign the acknowledgement at the end of this form. If a bidder fails to complete any item of this form, AEPA will consider and may list the response, as the bidders is unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the bidder using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding bidder default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the bidder and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the bidder. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay bidder for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the bidder's return policy. If the participating agency has paid the bidder for goods and services provided as the date or termination, bidder shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the bidder, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Bidder agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and bidder agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, bidder agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of $2,000, bidder shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, bidder is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. In addition, bidder shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Bidder agrees that, for any purchase to which this requirement applies, the award of the purchase to the bidder is conditioned upon bidder's acceptance of wage determination.

Bidder further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of $100,000 that involve the employment of mechanics or laborers, bidder agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, bidder is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of the 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous or dangerous. These requirements do not apply to the purchase of supplies, materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement

If the participating agency's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experiments, developmental or research work under the "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7. Clean Air Act and Federal Water Pollution Control Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended, contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, bidder agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689), a contract award (see 2 CFR 180.222) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Bidder certifies that the bidder is not current listed and further agrees to immediately notify AEPA and all participating agencies with pending purchases or seeking to purchase from the bidder if bidder is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under stat statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352), bidders that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that take place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

10. Procurement of Recovered Materials

For participating agency purchases utilizing Federal funds, bidder agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recover, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price

For purchases using federal funds in excess of $150,000, a participating agency may be required to negotiate profit as a separate element of the price. See 2 CFRR 200.323(b). When required by a participating agency, bidder agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, bidder agrees that the total price, including profit, charged by the bidder to the participating agency shall not exceed the awarded pricing, including any applicable discount, under the bidders contract with AEPA.

12. General Compliance with Participating Agencies

In addition to the foregoing specific requirements, bidder agrees, in accepting any purchase order from a participating agency, it shall make a good faith effort to work with participating agency to provide such information and to satisfy requirements as may apply to a particular purchase or purchases including, but not limited to, applicable record keeping and record retention requirements as noted in the Federal Acquisition Regulation, FAR 4.703(a).

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

KNOW ALL MEN BY THESE PRESENTS, that ATLANTIC SPECIALTY INSURANCE COMPANY, a New York corporation with its principal office in Minnetonka, Minnesota, does hereby constitute and appoint: April D. Perez, each individually if there be more than one named, its true and lawful Attorney-in-Fact, to make, execute, seal and deliver, for and on its behalf as surety, any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof; provided that no bond or undertaking executed under this authority shall exceed in amount the sum of: **sixty million dollars ($60,000,000)** and the execution of such bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof in pursuance of these presents, shall be as binding upon said Company as if they had been fully signed by an authorized officer of the Company and sealed with the Company seal. This Power of Attorney is made and executed by authority of the following resolutions adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the President, any Senior Vice President or Vice-President (each an "Authorized Officer") may execute for and in behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and affix the seal of the Company thereto; and that the Authorized Officer may appoint and authorize an Attorney-in-Fact to execute on behalf of the Company any and all such instruments and to affix the Company seal thereto; and that the Authorized Officer may at any time remove any such Attorney-in-Fact and revoke all power and authority given to any such Attorney-in-Fact.

Resolved: That the Attorney-in-Fact may be given full power and authority to execute for and in the name and on behalf of the Company any and all bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof, and any such instrument executed by any such Attorney-in-Fact shall be as binding upon the Company as if signed and sealed by an Authorized Officer and, further, the Attorney-in-Fact is hereby authorized to verify any affidavit required to be attached to bonds, recognizances, contracts of indemnity, and all other writings obligatory in the nature thereof.

This power of attorney is signed and sealed by facsimile under the authority of the following Resolution adopted by the Board of Directors of ATLANTIC SPECIALTY INSURANCE COMPANY on the twenty-fifth day of September, 2012:

Resolved: That the signature of an Authorized Officer, the signature of the Secretary or the Assistant Secretary, and the Company seal may be affixed by facsimile to any power of attorney or to any certificate relating thereto appointing an Attorney-in-Fact for purposes only of executing and sealing any bond, undertaking, recognizance or other written obligation in the nature thereof, and any such signature and seal where so used, being hereby adopted by the Company as the original signature of such officer and the original seal of the Company, to be valid and binding upon the Company with the same force and effect as though manually affixed.

IN WITNESS WHEREOF, ATLANTIC SPECIALTY INSURANCE COMPANY has caused these presents to be signed by an Authorized Officer and the seal of the Company to be affixed this eighth day of December, 2014.

AEPA IFB 0189.5-B Playground & Recreational Equipment Contract

PLAYCRAFT SYSTEMS WARRANTY

Playcraft Systems®, warrants its products to be free from defects in materials or workmanship, when properly used, serviced and installed in accordance with published specifications, for a period of one (1) year from date of final acceptance by AEPA member.
Playcraft Systems® further warrants as follows:

LIFETIME LIMITED WARRANTY
on all stainless steel hardware, metal posts, aluminum posts, aluminum caps and aluminum clamps against structural failure due to natural deterioration or corrosion, or defects in materials or workmanship.

TWENTY-FIVE (25) YEAR LIMITED WARRANTY
on all cast aluminum Spring Rider castings against structural failure due to defects in materials or workmanship.

FIFTEEN (15) YEAR LIMITED WARRANTY
on all metal rails, metal slides, handles, rungs, loops and walls, all Play-Tuff™ coated perforated steel decks, steps, and bridges, all rotationally molded and HDPE sheet plastic components, excluding recycled plastic components, against structural failure due to defects in materials or workmanship.

TEN (10) YEAR LIMITED WARRANTY
on all shade canopy fabric made of UV Stabilized HDPE monofilament yarn and tape against significant fading.

TEN (10) YEAR LIMITED WARRANTY
on all Play-Cord™ against cable breakage and Play-Cord™ connectors against breakage and failure due to defects in materials or workmanship.

FIVE (5) YEAR LIMITED WARRANTY
on all Playcraft System® powder coating and Play-Tuff™ coating against cracking and/or peeling due to normal climatic exposure.

THREE (3) YEAR LIMITED WARRANTY
on all springs, moving swing parts, swing seats and other swing components, as well as all recycled plastic components against failure due to defects in materials or workmanship.

TWO (2) YEAR LIMITED WARRANTY
on any other moving parts not specifically covered above against failure due to defects in materials or workmanship.

ONE (1) YEAR LIMITED WARRANTY
on any other product or part not specifically covered above against failure due to defects in materials or workmanship.

All warranties above commence on the date of final acceptance by AEPA member. For the purpose of this warranty, the term LIFETIME encompasses no specific number of years, but rather that Playcraft Systems® warrants to its original customer, for as long as the original customer owns the Products and uses the Products for their intended purpose, that any Products and all components will be free from defects in materials or workmanship.

The warranty stated above is valid only if the products and finishes: (1) are assembled and installed in conformity with the layout plan and installation instructions furnished by Playcraft Systems®; (2) have been maintained and inspected in accordance with Playcraft Systems® maintenance information and other normal and prudent practices; (3) have been subjected to normal use for the purpose for which the products were designed and intended; (4) have not been subjected to misuse, abuse, vandalism, accident or neglect; (5) have not been altered in any manner including, but not limited to, incorporating unauthorized or unapproved parts; and (6) have not been modified, altered, or repaired by persons other than Seller's designees in any respect which, in the judgment of Seller, affects the condition or operation of the equipment.

This warranty does not cover: (1) cosmetic damages or defects resulting from scratches, dents, marring, rough handling, improper installation methods, fading, discoloring or weathering; (2) damage due to extreme or prolonged exposure to "Environmental Factors", such as wind-blown sand, salt water, salt spray and airborne emissions from industrial sources (sulfur, acids, chemicals, or corrosive agents, other than normal photochemical smog); (3) damage caused by environmental hazards and "Acts of God", such as hail, flooding, lightning, tornadoes, sandstorms, earthquakes, windstorms, and other extreme weather conditions; or (4) normal wear and tear. No warranty is made with regard to gloss retention or uniformity of gloss and color retention. If any products covered by this warranty fail within the time period applicable to a defective product, Playcraft Systems® shall, upon being notified of the defect in writing, at its sole option, either repair the defective products or replace the defective products within 30 days of receipt of the written notification.

Repair or replacement as provided in this section shall be the purchaser's exclusive remedy and purchaser expressly agrees that Playcraft

Systems® shall not be responsible for any other damages, losses, or costs, including consequential and incidental damages, claimed by purchaser. Playcraft Systems® shall deliver the repaired or replacement products to the purchaser free of charge, but shall not provide labor, reimbursements for labor or reimburse any other costs associated with the removal or disposal of the defective products and/or the installation of any replacement products. Notwithstanding the previous sentence, Playcraft Systems® shall not pay for any costs of shipping replacement parts outside of the continental United States. Any products replaced or repaired consistent with this paragraph shall be guaranteed for the balance of the original warranty period.

THIS WARRANTY IS EXCLUSIVE AND IS IN LIEU OF ALL OTHER WARRANTIES, WHETHER EXPRESSED OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE REMEDIES PROVIDED HEREIN SHALL BE THE EXCLUSIVE AND SOLE REMEDIES OF THE ORIGINAL PURCHASER. PLAYCRAFT SYSTEMS® IS NOT LIABLE FOR ANY SPECIAL, DIRECT, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHICH MAY ARISE FROM THE PURCHASE, USE OR MISUSE OF ITS PRODUCTS. SOME STATES DO NOT ALLOW THE EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS EXCLUSION MAY NOT APPLY. PLAYCRAFT SYSTEMS® NEITHER ASSUMES NOR AUTHORIZES ANY OTHER PERSON TO ASSUME OR IMPLY ANY OTHER LIABILITY IN CONNECTION WITH THE SALE OR USE OF THE EQUIPMENT SOLD.
To make a claim under the terms of this warranty, purchaser must submit a written statement detailing the nature of the warranty claim, including an itemization of each defective condition, along with a copy of the original invoice, maintenance records and supporting photographs to Playcraft Systems®, 123 North Valley Drive, Grants Pass, Oregon 97526.

Due to our on-going commitment to product development and Improvement, Playcraft Systems® reserves the right to change, modify or discontinue certain products without notice (Rev. O).

Exhibit B – Marketing Plan

Playcraft Systems upon award of the AEPA IFB #019.5-B Playground & Recreational Equipment will create a press release announcing the award as well as feature the information on our website. Direct mail campaigns announcing approved purchasing through AEPA will be utilized by Playcraft consultants to inform participating agencies. Social media outlets may also be used for the announcement.

We will strive to promote the AEPA contract through educating our consultant network on its benefits. Our consultants can then present the contract to their customers and eligible entities. In our industry, the ability to surpass the bidding process can greatly benefit any entity by bypassing additional costs required for bid writings and the costs needed during the duration of the bid. Playcraft will provide all entities several marketing promotions that describe all these benefits.

With the expansion of our Marketing/Graphics Department, we are well positioned to increase the visibility of the playground component of the AEPA contract. We have dramatically increased our production of marketing materials and the AEPA logo will be prominently featured. The contract will be marketed through all channels available to us – distributors, social media, paid media, trade shows, website, and our PlayDesigner software.

We also have a “how to buy” section on our website which showcases purchasing opportunities. AEPA will be prominently featured. In addition, our consultants may display the AEPA logo on their website which will link back to Playcraft Systems website to provide further information. Also, each sale generated through AEPA will be announced to all our consultants through our website with the advantages of AEPA reiterated each time.

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to the Procurement Code, Sections 13-1-28, et seq., NMSA 1978 and NMSA 1978, § 13-1-191.1 (2006), as amended by Laws of 2007, Chapter 234, any prospective contractor seeking to enter into a contract with any state agency or local public body must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars ($250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

"**Applicable public official**" means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"**Campaign Contribution**" means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of

individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"Family member" means spouse, father, mother, child, father-in-law, mother-in-law, daughter- in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

"Pendency of the procurement process" means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

"Prospective contractor" means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.

"Representative of a prospective contractor" means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

Kyle Fauley	Sales/Marketing Manager – Playcraft Systems	541-955-9199 x125	Kyle.fauley@playcraftsystems.com

Marketing Activities: Describe how this business marketed its products and services to schools, nonprofit organizations and other public sector audiences in Fiscal Year 2017– 2018 (July 1 – June 30). List all conventions, conferences and other events at which this company exhibited.

Playcraft Systems is marketed and sold through an experienced, highly trained representative network. Our consultants conduct their own marketing strategies with support from Playcraft's Marketing Team. Catalogs and national campaign flyers are provided for their use, and each consultant firm determines their own participation in state and local conferences/conventions. On a national level, Playcraft Systems attends annual conferences for the National Recreation and Park Association, American Society of Landscape Architects, and National League of Cities. Playcraft Systems has also been featured in the NRPA Parks & Rec magazine.

Cooperative Marketing: Describe ways in which this business can collaborate with AEPA Member Agencies in marketing the bid. Submit a marketing plan, titled Exhibit B – Marketing Plan, that would entail at a minimum, the following with their response: process on how the contract will be launched to current and potential agencies, the ability to produce and maintain in full color print advertisements in camera-ready electronic format, including company logos and contact information, anticipated contract announcements, planned advertisements, industry periodicals, other direct or, indirect marketing activities promoting the AEPA awarded contract, and how the contract award will be displayed/linked on the Bidder's website.

Playcraft Systems upon award of the AEPA IFB #019.5-B Playground & Recreational Equipment will create a press release announcing the award as well as feature the information on our website. Direct mail campaigns announcing approved purchasing through AEPA will be utilized by Playcraft consultants to inform participating agencies. Social media outlets may also be used for the announcement.

We will strive to promote the AEPA contract through educating our consultant network on its benefits. Our consultants can then present the contract to their customers and eligible entities. In our industry, the ability to surpass the bidding process can greatly benefit any entity by bypassing additional costs required for bid writings and the costs needed during the duration of the bid. Playcraft will provide all entities several marketing promotions that describe all these benefits.

With the expansion of our Marketing/Graphics Department, we are well positioned to increase the visibility of the playground component of the AEPA contract. We have dramatically increased our production of marketing materials and the AEPA logo will be prominently featured. The contract will be marketed through all channels available to us – distributors, social media, paid media, trade shows, website, and our PlayDesigner software.

We also have a "how to buy" section on our website which showcases purchasing opportunities. AEPA will be prominently featured. In addition, our consultants may display the AEPA logo on their website which will link back to

Playcraft Systems website to provide further information. Also, each sale generated through AEPA will be announced to all our consultants through our website with the advantages of AEPA reiterated each time.

Sales Training: Explain how your business will educate your salesforce staff on the AEPA contract including timing, methods, etc.

Playcraft Systems Annual Consultant Summit for 2019 will be held at our manufacturing facility March 1, 2019. Most all consultants will be in attendance. This will be the perfect opportunity for our contract manager to introduce the AEPA contract, and its benefits. Pricing, member agencies and entities who can use the contract (by state), terms and conditions of the contract, and ordering procedures will be topics of discussion. In addition, we will create a press release announcing the award as well as feature the information on our website.

Environmental Initiatives

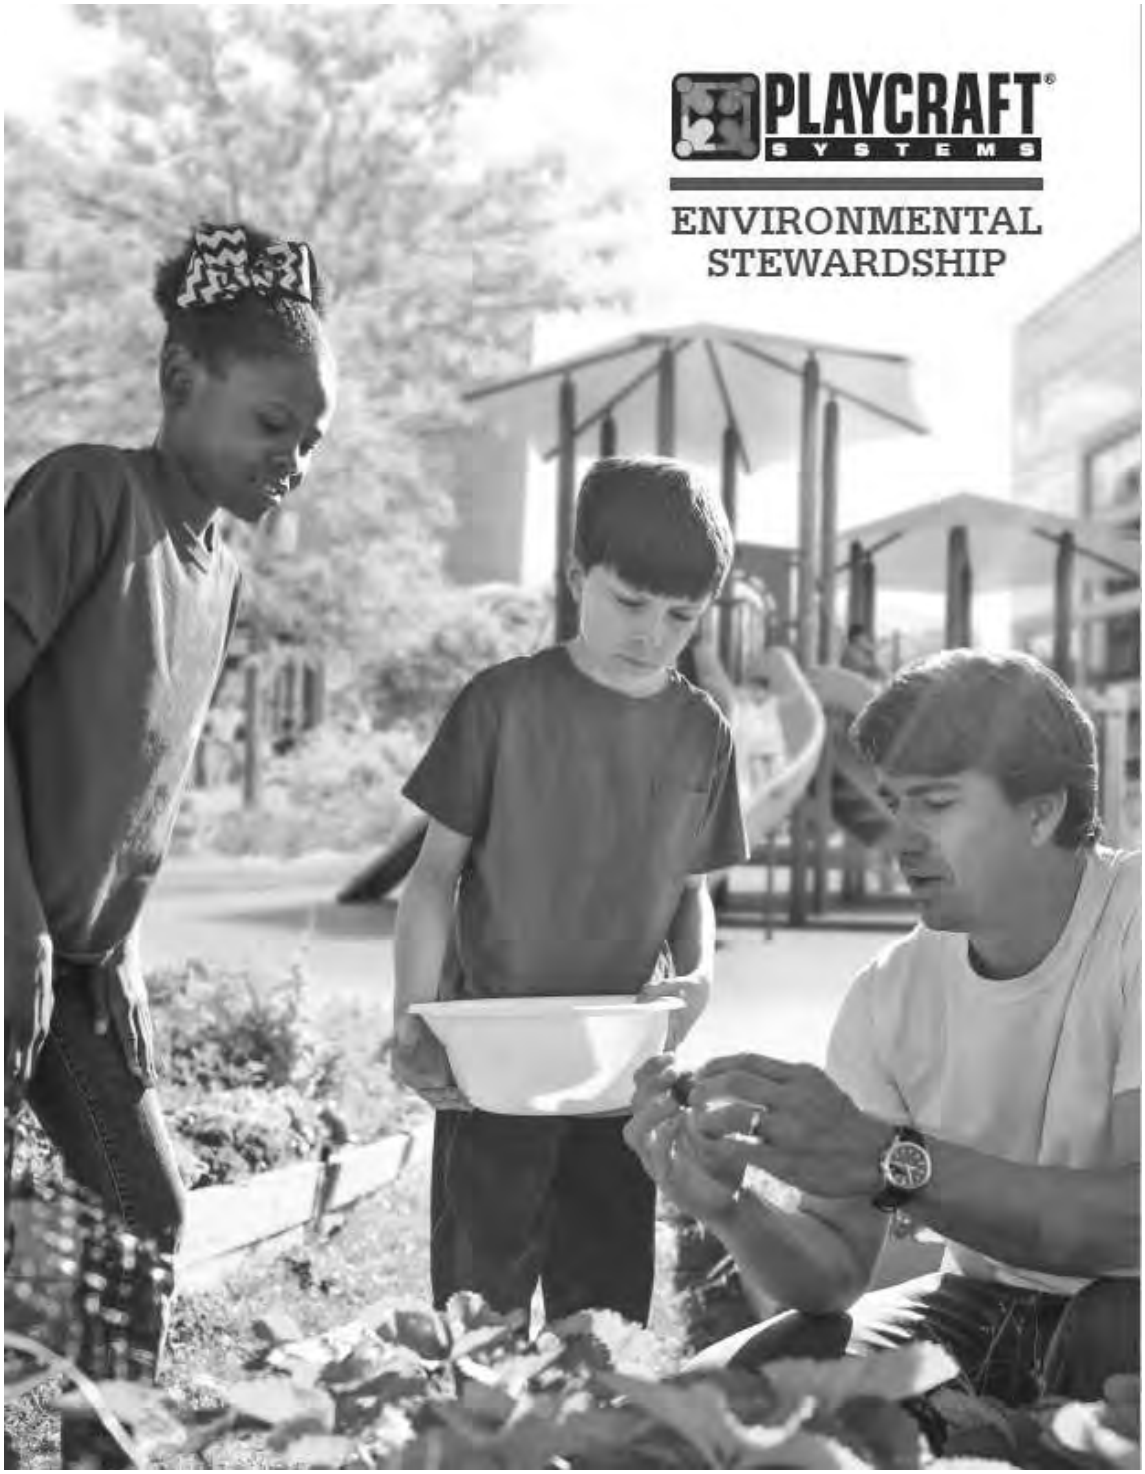

Describe how your products and/or services support environmental goals.

Living and playing within Oregon's forests and landscapes has inspired our unwavering appreciation for the environment. We firmly believe that Playcraft's stewardship of our surroundings is a reflection of ourselves and the responsibility we embrace to protect the lands we share. Playcraft Systems is committed to creating the best playground equipment available for the health of our children, our communities, and our environments.

Playcraft is resolute in the pursuit of improving resource conservation through efficient design and operational waste reduction. Our products are designed to a standard that meets or exceed industry parameters which creates a durable product which shows in the longevity of its life cycle. Parts are manufactured with energy efficient machinery, resourceful energy and waste management techniques, and waste recycled without sacrificing safety or durability.

Describe the business's "green" objectives (i.e. LEED, reducing footprint, etc.).

Based in southern Oregon, environmental factors are a high concern for Playcraft Systems. We take pride in developing state of the art manufacturing processes that cut back on our carbon footprint. This includes, but not limited to, motion sensored factory floor lighting, recycled water for machinery, mass paper and plastic recycling, and reuse of scrap material. Please see our green initiatives in the flyer below.

PLAYCRAFT
SYSTEMS
ENVIRONMENTAL
STEWARDSHIP

Earth Friendly Manufacturing Techniques & Recycling

Playcraft Systems, is committed to creating the best playground equipment available for the health of our children, our communities, and the environment. We employ the latest, most modern equipment and earth-friendly manufacturing processes, and we always use materials with the highest recycled and/or recyclable content possible without sacrificing safety, durability or quality. Our West Coast facility location, near six of the "top ten greenest U.S. cities", places us in close proximity to recycling facilities and to our suppliers of recycled materials. In addition, we manufacture virtually all of our finished products in-house, which saves transportation costs, and helps to reduce our overall carbon footprint.

Recycled/Recyclable Materials

The use of recycled materials is an important decision, and Playcraft Systems is an industry leader in making environmentally-responsible material choices. We were among the first to offer phthalate-free Play-Tuff™ coatings, and to exceed the guidelines found in the Consumer Product Safety Improvement Act (CPSIA).

Certification Assistance

There are a variety of certification programs and incentives available to encourage sustainable building practices. Playcraft Systems can assist your organization in taking advantage of these programs by providing playground equipment which far exceeds the minimum recycled-content amounts needed to qualify for many of these incentives and credits.

Energy-efficient Manufacturing

The way that parts are designed and machinery is used can have a dramatic impact on the energy resources consumed during the manufacturing process. Playcraft Systems has invested heavily in new energy-efficient equipment and lighting throughout our state-of-the-art manufacturing facility in rural Southern Oregon.

Reduced Manufacturing Waste

Playcraft Systems currently recycles virtually all scrap materials produced in our plant, including plastics, metals, and paper. In addition, we continue to find ways to reduce the amount of scrap we produce through improved manufacturing processes.

Playcraft Systems is an advocate of responsible environmental practices, with the goal of balancing the needs of the present with the goals of the future.

Independent Subcontractors, Distributors, Installers, etc.

If the Bidder is not the sole provider of all goods and services provided under this contract, the following **must be answered**:

Selection Criteria for Independent Providers: Describe the criteria and process by which the business selects, certifies and approves subcontractors, distributors, installers and other independent services.

Playcraft Systems utilizes an exclusive sales distribution model - our sales consultants can exclusively promote, market, and sell Playcraft Systems' products within their territory. Playcraft Systems is completely involved in the selection and support of all our principle sales agencies and the sales consultants who are employed by these exclusive agencies. Selection is determined by several factors including sales performance, customer base, customer service and customer relationship policies, amount of sales coverage within their territory, financial strength, and installation capabilities. Each exclusive sales agency is responsible for securing their own installation capabilities (whether direct employees or sub-contractors). Each installation company shall complete and achieve certification through Playcraft Systems' Playground Certification Program. Once certified, each installation company is also required to maintain their certification through bi-annual reviews.

Current Subcontractors, Distributors, Installers, Etc.: Provide a list of current subcontractors, distributors, installers and other independent service providers who are contracted to perform the type of work outlined in this bid in the member agency states (listed in Part A of this IFB). Include, if applicable, contractor license or certificate information and the state(s) wherein they are eligible to provide services on behalf of the business.

Uniform Guidance "EDGAR" Certification Form
2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All bidders submitting proposals must complete this EDGAR Certification form regarding the bidder's willingness and ability to comply with certain requirements, which may be applicable to specific agency purchases using federal grant funds.

For each of the items below, the Bidder will certify its agreement and ability to comply, where applicable, by having the bidder's authorized representative check, initial the applicable boxes, and sign the acknowledgement at the end of this form. If a bidder fails to complete any item of this form, AEPA will consider and may list the response, as the bidders is unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the bidder using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding bidder default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the bidder and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the bidder. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay bidder for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the bidder's return policy. If the participating agency has paid the bidder for goods and services provided as the date or termination, bidder shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the bidder, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Bidder agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and bidder agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, bidder agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of $2,000, bidder shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, bidder is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. In addition, bidder shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Bidder agrees that, for any purchase to which this requirement applies, the award of the purchase to the bidder is conditioned upon bidder's acceptance of wage determination.

Bidder further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of $100,000 that involve the employment of mechanics or laborers, bidder agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, bidder is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of the 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous or dangerous. These requirements do not apply to the purchase of supplies, materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement

If the participating agency's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experiments, developmental or research work under the "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7. Clean Air Act and Federal Water Pollution Control Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended, contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, bidder agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689), a contract award (see 2 CFR 180.222) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Bidder certifies that the bidder is not current listed and further agrees to immediately notify AEPA and all participating agencies with pending purchases or seeking to purchase from the bidder if bidder is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under stat statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352), bidders that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that take place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

10. Procurement of Recovered Materials

For participating agency purchases utilizing Federal funds, bidder agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recover, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price

For purchases using federal funds in excess of $150,000, a participating agency may be required to negotiate profit as a separate element of the price. See 2 CFRR 200.323(b). When required by a participating agency, bidder agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, bidder agrees that the total price, including profit, charged by the bidder to the participating agency shall not exceed the awarded pricing, including any applicable discount, under the bidders contract with AEPA.

12. General Compliance with Participating Agencies

In addition to the foregoing specific requirements, bidder agrees, in accepting any purchase order from a participating agency, it shall make a good faith effort to work with participating agency to provide such information and to satisfy requirements as may apply to a particular purchase or purchases including, but not limited to, applicable record keeping and record retention requirements as noted in the Federal Acquisition Regulation, FAR 4.703(a).

By initialing the table (1-12) and signing below, I certify that the information in this form is true, complete and accurate and that I am authorized by my business to make this certification and all consents and agreements contained herein.

Bid Affidavit

Instructions: This form must be signed by the business's authorized representative and notarized below. If awarded, the Bidder is required to produce a copy of this document for each Member Agency with which it contracts.

1. The undersigned, is duly authorized to represent the persons, business and corporations joining and participating in the submission of the foregoing bid (such persons, business and corporations hereinafter being referred to as the bidder), being duly sworn, on his/her oath, states that to the best of his/her belief and knowledge no person, business or corporation, nor any person duly representing the same joining and participating in the submission of the foregoing bid, has directly or indirectly entered into any agreement or arrangement with any other bidders, or with any official of the ***Member Agency***, or any employee thereof, or any person, business or corporation under contract with the ***Member Agency*** whereby the bidder, in order to induce the acceptance of the foregoing bid by the ***Member Agency***, has paid, or is to pay to any other bidder, or to any of the aforementioned persons, anything of value whatever, and that the bidder has not, directly nor indirectly entered into any arrangement, or agreement, with any other bidder or bidders which tends to or does lessen or destroy free competition in the letting of the contract sought for by the foregoing bid.
2. This is to certify that the bidder, or any person on his/her behalf, has not agreed, connived, or colluded to produce a deceptive show of competition in the manner of the bidding, or award of the referenced contract.
3. Acceptance of Bid & Contract Award

Association of Educational Purchasing Agencies

Instructions: PART I of this form is to be completed by the Bidder and signed by its Authorized Representative. PART II will be completed by the AEPA Member Agency only upon the occasion of the bid award. If approved by AEPA, the Bidder is required to produce a copy of the document for each of the AEPA Member Agency with which it contracts.

PART I: BIDDER

In compliance with the Invitation for Bid (IFB), the undersigned warrants that I/we have examined all Instructions to Bidders, associated documents, and being familiar with all of the conditions of the bid, hereby offer and agree to furnish all labor, materials, supplies and equipment incurred in compliance with all terms, conditions, specifications and amendments associated with this IFB and any written exceptions to the bid. Signature also certifies understanding and compliance with the certification requirements of the AEPA Member Agency's Terms and Conditions and/or Special Terms and Conditions. The undersigned understands that their competence, ability, capacity and obligations to offer and provide the proposed tangible personal property, professional services, construction services and other services on behalf of the Bidder Partner as well as other factors of interest to the AEPA Member Agency as stated in the evaluation section, will be a consideration in making the award.

PART II: AWARDING MEMBER AGENCY

Your bid response for the above identified bid is hereby accepted. As a Bidder Partner you are now bound to offer and provide the products and services identified within this IFB, your response and approved by AEPA, including all terms, conditions, specifications, exceptions and amendments. As Bidder Partner, you are hereby not to commence any billable work or provide any products or services under this contract until an executed purchase order is received from the AEPA Member Agency or Participating Entities. The intent of this contract is to constitute the final and complete agreement between the AEPA Member Agency and Bidder Partner, and no other agreements, oral or otherwise, regarding the subject matter of this contract, shall bind any of the parties hereto. No change or modification of this contract shall be valid unless in writing and signed by both parties to this contract. If any provision of this contract is deemed invalid or illegal by any appropriate court of law, the remainder of this contract shall not be affected thereby. The initial term of this contract shall be for up to fifteen (15) months and will commence on the date indicated below and continue until February 28, 2020, unless terminated, canceled or extended. By mutual written agreement as warranted, the contract may be extended month by month up to six (6) months or for three (3) additional 12-month periods.

The Contractor and Surety are bound to the Owner in the amount set forth above, for the payment of which the Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, as provided herein. The conditions of this Bond are such that if the Owner accepts the bid of the Contractor within the time specified in the bid documents, or within such time period as may be agreed to by the Owner and Contractor, and the Contractor either (1) enters into a contract with the Owner in accordance with the terms of such bid, and gives such bond or bonds as may be specified in the bidding or Contract Documents, with a surety admitted in the jurisdiction of the Project and otherwise acceptable to the Owner, for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof; or (2) pays to the Owner the difference, not to exceed the amount of this Bond, between the amount specified in said bid and such larger amount for which the Owner may in good faith contract with another party to perform the work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect. The Surety hereby waives any notice of an agreement between the Owner and Contractor to extend the time in which the Owner may accept the bid. Waiver of notice by the Surety shall not apply to any extension exceeding sixty (60) days in the aggregate beyond the time for acceptance of bids specified in the bid documents, and the Owner and Contractor shall obtain the Surety's consent for an extension beyond sixty (60) days.

If this Bond is issued in connection with a subcontractor's bid to a Contractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

When this Bond has been furnished to comply with a statutory or other legal requirement in the location of the Project, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To Management
Romtec, Inc
Roseburg, OR 97471

We have reviewed the accompanying financial statements of Romtec, Inc. (a corporation), which comprise the balance sheet as of March 31, 2017 and 2016, and the related statements of income and retained earnings and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information contained in Schedules 1 through 4 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(A) Nature of Business – Romtec, Inc. primarily manufactures and sells outdoor restroom facilities for parks and other uses. Romtec, Inc.'s facilities are located in Glide, Oregon, and it sells its products for use principally within the United States.

(B) Inventory – Inventories are stated at cost determined on the first-in, first-out method.

(C) Goodwill / Covenant Not To Compete – Romtec, Inc. has two goodwill accounts. One for the goodwill associated with the purchase of intellectual property, which it amortizes over an estimated life of 15 years. The other goodwill account was created on December 30, 2013, as part of a Purchase Agreement with the original owner of Romtec, Inc., David Bogan, and Romtec, Inc. does not amortize this goodwill. See Note 15 for further explanation. Management has elected not to test goodwill for impairment. This is a departure from generally accepted accounting principles which require that goodwill be tested annually for impairment and not be amortized. The covenant not to compete is also being amortized over 15 years.

(D) Fixed Assets – Fixed assets are stated at cost. For financial reporting purposes, depreciation is computed using the straight-line method of cost recovery. Recovery rates are based on the following

	Years
Leasehold Improvements	7-39
Equipment and Furniture	5-7
Automobiles	5
Computer Software	3

(E) Allowance for Doubtful Accounts – Management believes the accounts receivable to be fully collectible and, accordingly, has established no reserve for bad debts.

(F) Advertising Costs – Romtec, Inc. expenses all advertising costs when incurred and does not have any direct-response advertising requiring capitalization.

(G) Cash Equivalents – For purposes of the statement of cash flows, Romtec, Inc. considers all short-time securities purchased with a maturity of three months or less to be cash equivalents.

(H) Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(I) Reconciliation of Book Income to Taxable Income

Total	$ 312,246.83	$ 303,950.91

NOTE 4: REVOLVING LINE OF CREDIT

Romtec, Inc. has an agreement for a line of credit with Oregon Pacific Bank which provides for working capital financing. The line of credit agreement contains certain financial covenants.

2017	2016
$927,737.42	$999,090.07

The revolving line of credit for $1,000,000 has an interest rate of Wall Street Journal prime rate plus .25% subject to 4.50% floor rate. The line of credit is secured by all accounts receivable, inventory and general intangibles of both Romtec, Inc. and Romtec Utilities, Inc. Guaranteed by Romtec Utilities, Inc. and David Bogan, Timothy D. Bogan and Sarah Bogan-Grant each 50% of outstanding debt not to exceed $250,000. The line renews and is due on July 1, 2018.

NOTE 5: INCOME TAXES

For income tax purposes, Romtec, Inc. uses accelerated depreciation, as well as the election to expense the cost of assets acquired up to maximum amounts allowed under section 179 and 168(k), resulting in the use of less tax depreciation. The tax amortization/depreciation taken in excess of book amortization/depreciation was $235,322 and $157,575 as of March 31, 2017, and March 31, 2016, respectively. This difference is mostly due to the amortization of goodwill as discussed in Note 15.

Temporary income tax reporting differences consists of the book and tax depreciation differences and an inventory adjustment for capitalization of indirect expenses under section 263A. No provision has been made for deferred income taxes occurring as a result of these temporary differences. The amount of deferred income taxes has not been determined.

Romtec, Inc. had federal tax expense of $35,626 and state tax expense of $7,399 for the year ended March 31, 2017. At March 31, 2016, the federal tax expense was $0 and the state tax expense was $3,150.

NOTE 7: **RELATED PARTY TRANSACTIONS**

(A) Romtec, Inc. entered into a new lease agreement beginning January 1, 2014, to rent office and yard space from Bogan Siblings, LLC at the rate of $3,569.00 per month. On August 1,

2015, the rent amount changed to $2,498.30 per month. Bogan Siblings, LLC consists of Bogan family members who own stock in Romtec, Inc.

(B) Romtec Inc. received $496,740.55 and $534,060.71 from Romtec Utilities, Inc. for shared costs in the years ending March 31, 2017, and March 31, 2016, respectively. Of this amount $216,000.00 was for management fees, $291,407.37 was for shared salary, $21,593.64 was for AZ lease reimbursements, and $16,239.54 was for various overhead costs, offset by a reimbursement to Romtec Utilities, Inc. of $48,500.00 for prepaid contract fees. On April 1, 2015, the management fee agreement was amended to a flat $20,000 per month paid to Romtec, Inc. by Romtec Utilities, Inc. for management fees excluding payroll allocated monthly. On January 1, 2016, this allocation was reduced to $18,000 per month. Romtec Utilities, Inc. is a related party by reason of Bogan family shareholders owning stock in both Romtec, Inc. and Romtec Utilities, Inc.

(C) On January 1, 2016, Bogan Siblings, LLC began paying Romtec, Inc. $250.00 per month for management fees. On October 31, 2016, a decision was made to reverse all management fees due from Bogan Siblings, LLC and cease the monthly accrual. Bogan Siblings, LLC is a related party by reason of Bogan family shareholders owning stock in Romtec, Inc.

(D) Romtec, Inc. paid $187,335.32 to Romtec Utilities, Inc. which was for direct purchases of fabricated materials from the fabrication shop.

(E) Romtec entered into a 10 year prepaid lease with David Bogan on March 31, 2010, for office space located in Yuma, Arizona. $215,936.00 was prepaid during the fiscal year ending March 31, 2010, and will be amortized to expense over the 10 year lease term.

(F) Romtec, Inc., Romtec Utilities, Inc., and Bogan Siblings, LLC are under common control and the existence of that control could result in operating results or financial position of the entity significantly different from those that would have been obtained if the entities were autonomous.

NOTE 8: LEASES

(A) Buildings:

1. Romtec, Inc. leased office space from David Bogan in Yuma, Arizona, during the fiscal year ending March 31, 2017. The lease is prepaid in the amount of $149,355.59 and will expire on 03/31/2020. $21,594.00 will be amortized to lease expense annually over the term of the lease.
2. Romtec, Inc. entered into an agreement to lease office and manufacturing facilities in Glide, Oregon, from Bogan Siblings, LLC effective January 1, 2014. The members of Bogan Siblings, LLC consist of the Bogan family members who have stock ownership in Romtec, Inc. The monthly rental payment under the lease agreement is $3,569.00. On August 1, 2015, the monthly rent was reduced to $2,498.30. Total rents paid under this lease in the fiscal year ending March 31, 2017, amounted to $29,979.60.

(B) Equipment Items:

1. Romtec, Inc. leased one vehicle during the fiscal year ending March 31, 2017. The total monthly lease payments for all vehicles in the fiscal year amounted to $8,853 Future minimum lease payments are as follows:

Year Ending March 31st:	
2018	$ 63,022
2019	61,424
2020	61,424
2021	61,424
2022	61,424
	$ 308,718

NOTE 9: EMPLOYEE BENEFITS

(A) Eligible Romtec, Inc. employees participate in the Romtec, Inc. Profit Sharing Prototype Plan (401k) and a new plan document was created on April 1, 2014, by Guardian Retirement Plan Solutions. This plan is a "safe harbor" plan that requires Romtec, Inc. to contribute 3% of eligible employee compensation to a participant account regardless of employee deferred contributions. The employee may contribute up to the maximum amount allowed by law to the plan. Depending on overall economic factors and at the discretion of the Board of Directors, Romtec, Inc. may elect to make a profit sharing contribution on behalf of the eligible participants. For the year ended March 31, 2017, the Safe Harbor contributions by Romtec Inc. amounted to $43,150.04 and the year-end profit sharing contribution amounted to $13,878.81. For the year ending March 31, 2016, the Safe Harbor Contribution was $41,682.88 and the profit sharing contribution was $0.

(B) Romtec, Inc. provides its eligible employees with a $50,000 life insurance policy through LifeMap Insurance Company. Eligible employees are also provided with long term disability insurance through USAble Life Assurance Company. Employees are covered at 60% for a maximum of $6,000.00. Romtec, Inc. also provides medical insurance, paid time off and holiday plans for its eligible employees. Employees are required to pay medical premiums for any dependents. A Dental and Vision plan is offered, and employees are required to pay all premiums. A Section 125 flexible spending plan also supplements the health plans.

NOTE 10: CONCENTRATIONS OF CREDIT RISK

Romtec, Inc. grants credit to its customers during the normal course of business. Romtec, Inc. performs ongoing credit evaluations of its customers' financial condition and generally requires bonding or prepayment from its non-government customers.

NOTE 11: CONCENTRATIONS OF SUPPLIERS AND CUSTOMERS

Romtec, Inc. has six main suppliers of building parts which are made from Company owned molds or patterns. During the year, management was able to increase the number of suppliers from three in the prior year to six at the end of the reporting period. This increase did not result

in an adverse effect on the timeliness of manufacturing or loss in sales as may have been expected.

NOTE 12: COMMON STOCK

	Shares Issued And Outstanding March 31, 2013	Shares Redeemed and Retired	Shares Issued and Outstanding March 31, 2014
Class A voting shares, no par value (500 shares authorized)	370	99	271
Class B nonvoting shares, no par value (2,000 shares authorized)	1,080	0	1,080

NOTE 13: LONG-TERM LIABILITY TO RELATED PARTY

Effective September 30, 2004, Romtec, Inc. entered into an employment agreement with Sarah Bogan. The employment agreement cancelled the Deferred Compensation payable to Sarah Bogan. This resulted in a gain on cancellation of debt in the amount of $756,319 as reflected in Other Income. The employment agreement between Romtec, Inc. and Sarah Bogan provides for a salary and benefits that total approximately the same monthly amount as was being paid under the Deferred Compensation payable. The employment agreement is to terminate 20 years from the date of the employment agreement or death of the employee. See Note 15 for further discussion regarding related party long-term liabilities.

NOTE 14: LITIGATION WITH THE CITY OF PORTLAND, OREGON

Effective February 7, 2014, Romtec, Inc. entered into a settlement agreement with the City of Portland, Oregon. This settlement agreement resolved pending litigation centered on whether or not Romtec, Inc.'s product "The Sidewalk Restroom" infringed on the copyright of the city's "Portland Loo". All claims and actions were dismissed upon execution of this settlement agreement. Both Romtec, Inc. and the City of Portland are free to continue to manufacture and market their respective products. As a condition of the settlement agreement, Romtec, Inc. has agreed to pay a royalty to the City of Portland equal to 8% of the net invoiced revenues received from the sale of The Sidewalk Restroom from the date of the agreement, until the agreement expires on February 6, 2039. To date, there has been one sale of this model, and royalties of $6,051.79 were payable to the City of Portland as of March 31, 2017.

NOTE 15: PURCHASE AGREEMENT

On December 30, 2013, Romtec, Inc. entered into a Purchase Agreement with David Bogan. The Purchase Agreement resulted in a goodwill covenant in the amount of $2,315,000 and redemption of stock of $500,000.00. In addition, a promissory note

was created On December 31, 2013, in the amount of $2,815,000.00. See Note 6 for promissory note terms and remaining balance.

In accordance with generally accepted accounting principles, Romtec, Inc. has elected not to amortize the goodwill for book purposes. However, for tax purposes this amount will be amortized over a period of 15 years, which results in no tax liability in the current year.

NOTE 16: ALLOWANCE FOR WARRANTY AND ERRORS & OMMISSIONS

Effective March 31, 2015, Romtec established an Allowance for Warranty and Errors & Omissions account. The purpose of this account is to fund future costs related to the one-year warranty that Romtec, Inc. offers with the building packages it sells. Prior to the establishment of this account, when a warranty issue arose, Romtec, Inc. would have to absorb costs related to prior year sales in the current year. The intent going forward is to properly match warranty expenses with the related revenue in the same fiscal year.

For the year ending March 31, 2017, this allowance account was eliminated. After careful review of warranty expenses and exposure issues, management concluded that warranty costs were immaterial and the use of an allowance account is unnecessary.

Note 17: SUBSEQUENT EVENT

Subsequent events were evaluated through October 31, 2017, and no events were identified that were required to be presented.

Oregon Pacific Bank

September 26, 2018

To: AEPA
Association of Educational Purchasing Agencies
2111 Pontiac Lake Road
Waterford, Michigan 48328

RE: Romtec, Inc.

Gentlemen,

This is a letter of reference and assurance that our good customer Romtec, Inc. and the Bogan family have a long history of successful business designing pre-engineered layouts and structures that can be assembled on site as well as a variety of structures from kiosks to log pavilions, control sheds to concession stands, storage rooms and gatehouses.

The company is well known as the leading supplier of pre-engineered public restrooms. The company is also known nationally, and especially in the west, for its quality designs, fast lead times and the ability to get projects approved and installed quickly.

Oregon Pacific Bank enjoys a significant and meaningful business relationship having provided credit and account services. The Bank provides credit at a medium-seven figure with deposit accounts averaging a medium six figures. All accounts have been managed as agreed. We would not hesitate to entertain additional financial accommodations for the company.

Oregon Pacific Bank holds this customer and the principals in high regard.

Sincerely and with regard,

Charley Thompson

Cooperative Marketing Plan

There are many opportunities for cooperative marketing campaigns between the Association of Educational Purchasing Agencies and Romtec and Romtec Utilities to market our products through the AEPA contract. Romtec and Romtec Utilities developed these channels, platforms, and lists over many years to represent an active base of purchasers and project managers in our market.

Email

Romtec, Romtec Utilities and AEPA will utilize segmented email campaigns to market our availability on the AEPA contract to purchasers. Additionally, Romtec and Romtec Utilities can develop cobranded marketing pieces that can be attached to various email communications with customers. These attachments would market the benefits of the AEPA contract in addition to the Romtec and Romtec Utilities product lines. Increasing the following and support for purchasing contracts is a great way for Romtec and Romtec Utilities to continue to sell to schools and other institutes of education. Our client email list included many organizations directly involved in this market, and will benefit by learning about the procurement of Romtec and Romtec Utilities products through the AEPA contract.

Direct Mail

Romtec, Romtec Utilities and AEPA can utilize direct mail marketing to purchasers. Direct mail pieces are typically cobranded (example shown above), utilizing a single piece to market for both Romtec and Romtec Utilities and AEPA. Direct mail campaigns can also be developed to include separate promotional pieces for both Romtec and Romtec Utilities and AEPA. Romtec is able to produce informational sheets to accompany product catalogs that provide detail information about the AEPA. This sheet or its design could also be available from the AEPA to be printed and mailed by Romtec and Romtec Utilities. The intent of direct mail campaigns is to market each agency with a tangible a permanent material ad that will have a tangible value to the recipient. Product catalogs are retained by many purchasers as a valuable reference for current or future products.

Targeted PPC Ads

Romtec and Romtec Utilities utilize “pay-per-click” or PPC advertising campaigns. These campaigns allow our ads to be displayed to specific audiences related to search terms and browsing behavior. Additionally, this allows Romtec and Romtec Utilities to remarket to website visitors with ads that display across the internet. PPC advertising allows for very specific ad targeting. Romtec and Romtec Utilities can segment our audience to target specific internet traffic as related to search terms, browsing behavior, or even location to display ads only to people who work in or for an educational institution. Then we can develop a specific ad with written copy that specifies the AEPA contract. This will expose branding to education professionals searching for Romtec and Romtec Utilities products to ads with promotion of the AEPA contract. For the most ad relevance, these ads will link to a contracts page on the Romtec and Romtec Utilities websites specifically mentioning the AEPA contract.

Website Content Development

One aspect of PPC advertising is relevance as determined by search engine optimization (SEO) and keyword density. This is best affected by development of website content for the Romtec and Romtec Utilities websites and also the AEPA website. This is a great way to boost the performance of a PPC campaign, but this same tactic can also generate traffic that is organic in nature. Romtec, Romtec Utilities, and AEPA can work together to develop organic linking through each website. Backlinks are a valuable tactic for increasing performance on search engines, and each organization (Romtec, Romtec Utilities, and AEPA) would benefit from developing targeted links to the website of each other. Additionally if there is an availability for guest blogging or other opportunities for shared content, this strategy is successful for developing strong backlinks and SEO.

Sales Promotional Materials

Romtec and Romtec Utilities utilize an internal sales team that primarily works through inside sales; however, outside sales is a growing model that is working with our current sales team. Our outside sales strategies benefit from educational materials that can be distributed during face-to-face sales meetings with clients and potential clients. Romtec and Romtec Utilities can employ the existing travel of our outside sales efforts to distribute any currently available materials about AEPA contacts. Additionally, Romtec can provide similar cobranded pieces and materials that are developed for email and direct mail campaigns. This makes the most use of the materials and gets marketing information directly into the hands of the people who need it.

1. Member Agency (State) Terms and Conditions 1
2. Common Terms and Conditions 1
3. Member Agency General Overview Summary 2
4. State Specific Terms and Conditions 3

1. Member Agency (State) Terms and Conditions

A single IFB is being published and distributed on behalf of the Member Agencies in many states. Differences in contract implementation and operation will exist between the Member Agencies. Each state may have special laws relating to this procurement that must be adhered to in addition to the previously stated constraints. *When Member Agency/State Specific Terms and Conditions differ from the General Terms and Conditions, the Member Agency/State Specific Terms and Conditions will prevail.*

2. Common Terms and Conditions

Active Promotion of Contract: Agencies require that the Vendor Partner take ownership and actively promote the contract in cooperation with the AEPA Member Agency to all of the Agencies' qualified Participating Entities.

Sales to Participating Entities: AEPA Member Agencies require that all awarded Vendor Partners offer the Member Agency contract opportunity to all qualified Participating Entities of the cooperative.

Legal Obligations: All Vendor Partners shall comply with all applicable Federal, State and Local Laws, Codes and Regulations while fulfilling the contract. It is the Bidder's responsibility to be aware of and comply with all state and local laws governing this procurement. Applicable laws, codes, and regulations (etc.) must be followed even if not specifically identified herein.

Administrative Fees: AEPA Member Agencies charge Vendor Partners an administrative fee (a percentage of sales in their respective state or states that they extend the AEPA pricing to). Administrative Fees are generally paid to each Member Agency on a quarterly basis. Additional details of how these fees are charged may be found under each state's Terms and Conditions.
A summary of each State's Administrative Fee, any special terms and conditions, and special ordering process requirements is listed here for the convenience of the Bidders.

4. State Specific Terms and Conditions

1. California, Monterey County Office of Education dba CalSave

1) Governing Law and Venue

The laws of the State of California govern the Contract and prevail in the interpretation and administration of the Contract. California-specific Terms and Conditions prevail over any General Terms and Conditions. Each and every provision of law and clause required by law to be included in the Contract shall be deemed to be inserted herein, and the Contract shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction.

The venue for any litigation arising out of or related to the Contract shall be with either the Superior Court in and for the County of Monterey, State of California or the Federal District Court for the Northern District of California, San Jose Division.

2) Authority

For California, this bid is issued under the authority of the elected Monterey County Superintendent of Schools, who administers the Monterey County Office of Education (MCOE), located at 901 Blanco Circle, Salinas California, 93912. In this document, MCOE may be referred to as Agency, being distinct from other parties who may use this contract who are hereinafter referred to as Local Education Agencies (LEAs), regardless of their hierarchy or their political and organizational status as schools or municipalities.

3) CalSAVE, Administration, and Agent

Contracts awarded and Awarded Contractors/Vendors will automatically be part of the CalSAVE program, and by bidding a vendor must agree to participate. CalSAVE is the cooperative purchasing program founded by the Monterey County Office of Education and administered by the Epylon Corporation under a contract with MCOE, in cooperation with the California County Superintendents Educational Services Association (CCSESA). MCOE is the lead agency for all Contracts, and the Monterey County Superintendent of Schools is the authority for the solicitation, evaluation and award of all contracts. Epylon serves as MCOE's agent, but only the Monterey County Superintendent of Schools has the authority to award contracts. Correspondence and communication related to the contract award or administration of the program should be directed to Epylon, 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.
MCOE reserves the right to change agents or to change the contact name of existing Agent's personnel administering the contract. If Agent or Agent's personnel change, Awarded Contractors/Vendors will be notified with new instructions.

4) Transaction Fees

Transaction Fees are the funding source for the operation of the self-supporting CalSAVE cooperative purchasing program. Awarded Contractors/Vendors shall be required to pay a Transaction Fee for all purchases by LEAs made through the awarded Contract. For the purpose of this bid through Monterey County Office of Education and all Contracts awarded using this document, the Transaction Fee shall be 2 percent of Net Sales, which means gross sales less returns and cancelled orders within 30 days, shipping and sales and other taxes (excluding taxes based on net income). Transaction Fees will not be charged to or paid by the buyers themselves. Neither Awarded Contractor/Vendor nor its designated authorized reseller(s) shall include any additional amount corresponding to the Transaction Fees in the awarded Contract prices. This Transaction Fee applies to all orders, regardless of the method used to submit the order, or the quantity or dollar amount of the order.

Epylon will collect the Transaction Fee on behalf of the CalSAVE program. The Contractor/Vendor will make all participation fee payments within two weeks after sending the quarterly report. Checks are to be made payable to the Epylon Corporation and sent to 630 San Ramon Valley Blvd., Suite 210, Danville, CA 94526.

5) Non-Conforming Jurisdictions

Notwithstanding Section A.4 (immediately above) no Transaction Fee is authorized to be charged to Awarded Contractors/Vendors for sales within any jurisdiction where prohibited by law or local- government policy. Instead, the cost of products, services, licenses and goods sold under this contract in such jurisdictions shall be the same as for all school districts in all other counties of California. However, any LEA using this contract where Section 4 fees are not permitted shall be required to pay a 2 percent fee for use of the contract, imposed by MCOE on the authority of Public Contract Code Section 20118 and 20652, which allows MCOE to charge reasonable costs to the public corporation or agency for furnishing the services incidental to the purchase of items under contract.

6) Reports

The Contractor/Vendor will compile a quarterly report listing each purchase made by participating Agencies under this contract, and send them by the 15th of April, July, October, and January to Racquel Landolf with the e-mail address of

rlandolf@epylon.com. These reports shall be in Microsoft Excel format and shall have file names that identify the contractor/vendor and the month being reported. The file at a minimum shall include the fields listed below and shall allow for sorting on any of these fields:

- Date of Order
- Name of Participating Agency (LEA)
- Description of Item Purchased
- Manufacturer's SKU Number
- Quantity
- Contract Unit Price
- Extended Price
- List Price Before AEPA Discount

7) Length of Term

The term of the agreement shall commence on the date of the award and continue as stipulated in General Terms and Conditions, unless terminated, canceled or extended. Contract may be terminated by MCOE if LEAs have not used the contract in any 12-month period, or if orders from participating LEAs do not total
$10,000 in any 12- month period. California statutory term limits and extensions shall apply.

8) Marketing and Advertising under this Agreement

Vendor will actively promote the use of this contract by LEAs in California. Vendor must comply with the marketing plan offered as part of its bid submission. Unless other arrangements are made with the CalSAVE administrator, vendor is also required to perform the following:

a. Vendor will include the approved CalSAVE logo, web address, and toll free number in all print electronic mail and other advertising and promotion intended for release to California K-12 schools, excluding national marketing releases.

b. The CalSAVE logo and associated CalSAVE information shall be of a clearly readable size and in appropriate proportion to other elements in the printed material.

c. Vendor agrees to provide CalSAVE with a copy or proof sheet of the advertisement or promotion material. Vendor will provide CalSAVE with date of release and name of publication, journal, etc.

d. Vendor shall place a supplied CalSAVE vendor sign on booths, tables, etc. of any or all exhibits for which the vendor displays/participates at California tradeshows, conventions and the like. Vendor will supply in advance scheduled exhibit dates. Vendor agrees to make available at the exhibit CalSAVE supplied brochures or other promotion materials.

e. Vendor agrees to insert the approved CalSAVE logo, web address, and toll free number on the vendor's web site promoting or a specific CalSAVE landing page and providing a link to the CalSAVE website.

f. Vendor will supply product catalog information, product description, pricing, etc., in a spreadsheet format as specified by CalSAVE for inclusion on the CalSAVE website.

g. Vendor agrees to cooperate in developing appropriate website content to promote its products, services and their advantages to school districts.

h. Requested materials will be submitted to CalSAVE within 30 days.

A. <u>Additional Member Agency Terms and Conditions for Non-Construction Products and Services</u>

1) Conformance to Public Contract Code 20111

An award by the Monterey County Superintendent of Schools under this solicitation will be for the purchase of equipment, materials, supplies, services or repairs to be furnished, sold, or leased in accordance with Public Contract Code 20111 and 20650. Awards shall include allowance for installation and assembly services incidental and necessary to the use of the equipment, materials, supplies and repairs purchased or leased.

2) Conformance to Public Contract Code 20118 and 20652

All public agencies (LEAs) are authorized by law to purchase off a contract awarded by an agency that has itself gone to bid, including all K-12 schools districts, community college districts, special districts and JPAs serving education, pursuant to Public Contract Code Sections 20118 and 20652. Using these statutes, the Monterey County Office of Education hereby declares its intent and authorization to make all contracts awarded under this contract "piggybackable" by other agencies in the state. The Agency waives any right to receive payment from other California agencies making purchases off the awarded contracts and those agencies will make payment directly to the vendors. Any legislative changes to Public Contract Codes 20118 and 20652 during the term of the contract(s) with Award Vendor(s) shall apply to the contract(s) immediately when such changes become law.

3) Additional Piggyback and Standard School Supply and Equipment Authority

The Monterey County Office of Education declares that items, materials, personal property, equipment and licenses under Contract as a result of this Invitation to Bid will qualify as items to be included within its Standard School Supply and Equipment List. Because many County Offices of Education have banded together to create both the EdBuy and the CalSAVE programs for the purpose of collectively creating both a standard School Supply & Equipment List and cooperative contracts, the items solicited and awarded through this bid may also constitute a portion of an official Standard School Supply and Equipment List for other participating County Offices of Education and County Superintendents of Schools. Purchases by other County Offices of Education and LEAs may be made, not only in accordance with Public Contract Code 20118 and 20652, but also in accordance with Education Code 38110 and 38112 dealing with cooperatives and Standard School Supplies & Equipment.

B. **Additional Member Agency Terms and Conditions for Construction Products and Services**

1) Intended for Personal Property

An award by the Monterey County Superintendent of Schools under this solicitation will be for the purchase of equipment, materials, supplies, services or repairs to be furnished, sold, or leased in accordance with Public Contract Code 20111 and 20650. Awards shall include allowance for installation and assembly services incidental and necessary for use of the equipment, materials, supplies and repairs purchased or leased. When any services or repairs fall into a category of Public Works as defined in Public Contract Code 22002, an LEA may use this California contract only up to $14,999 for labor and services, but for an unlimited dollar amount for any supplies, materials, equipment or personal property to be staged and ready for use in a local Public Works project.

2) Public Works Limitations

When Public Works services cost $15,000 or more, an LEA, under most situations, must bid itself independently for the services and labor related to the public work, but may use this contract for the contracted supplies, material or equipment related to the project. If circumstances allow, LEAs may also combine this competitively bid contract with other alternative authorities for Public Works projects as may be allowed by law, such as Public Contract Code 22030, Education Code17406 or Government Code 1466. LEAs should consult with their own legal counsel to see if such statutes apply to their Public Works projects.

C. Procedure for Processing Orders

1) Start date

Once the award is made to the Contractor/Vendor and signatures have been placed on the contract from both parties, the Awarded Contractor/Vendor is authorized to begin selling to eligible Agencies. MCOE will begin informing LEAs of the Contract once the Contract has been signed.

2) Prices and Requests for Quotes

The Awarded Contractor/Vendor, in cooperation with MCOE's agent, must make provision for LEAs to quickly ascertain bid prices by posting prices, posting a link or contact for prices, distributing catalogs and price lists, responding to requests for quotations, or participating in eCommerce.

The 2 percent Transaction Fee on all sales is a cost of doing business to the vendor and the requirement for the fee is publicly disclosed in these bid documents for the edification of all buying agencies and LEAs. Transaction fees should not appear as a line item on a quotation or on listed bid pricing. The final price quoted or displayed must be inclusive of the participation fee on all pricing and quotations.

3) Submission of Orders and Delivery

After entering into an agreement with MCOE, an LEA electing to use this Contract will enter into a separate contract with the Vendor by way of a purchase order or separate contracting document ("Separate Contract"). Purchase orders will be issued by participating LEAs to contractor/vendor.

LEAs will fax or mail purchase orders directly to the CalSAVE office fax at (866) 488-3729), unless other arrangements have been made and agreed to by the CalSAVE Administrator. LEAs may also use Epylon eCommerce software for transmission of purchase orders. Standard business practice is for all purchase orders received by 3:00 p.m. Pacific Time to be logged and forwarded to the appropriate vendor on the same day received, unless unusual circumstances occur. It is the responsibility of the awarded/Vendor contractor to track any purchase order received directly from an LEA and to include that order on quarterly reports.

Awarded Contractor/Vendor will deliver goods, services and corresponding invoices directly to the participating LEAs and receive payments directly from the participating LEAs as per bid specifications.

D. Agencies Allowed to Purchase under the Member Agency

1) Other Agencies' Right to Purchase.

CalSAVE is a self-supporting contracting program led by the Monterey County Office of Education. Contracts are made available to all California public school districts, private and non-public schools registered with a county office of education or state Department of Education, charter schools, community college districts, eligible state agencies, non-profits (particularly those such as PTAs buying on behalf of schools or government), and any other agency allowed by law – all referred to as LEAs.

Subject to the following terms and conditions, the Monterey County Office of Education (MCOE) consents to LEAs purchasing items at the same unit price(s) or pricing formula under the terms and conditions of this Contract, as may be authorized by Sections 20118 and 20652 of the Public Contract Code or other legal authority:

a) Any other agency (LEA) authorized by law to use this Contract for its own purchase(s) from the Awarded Contractor/Vendor or their authorized resellers shall by default enter into a standard agreement with MCOE, which *inter alia* will include the terms, conditions, and information set forth in this paragraph *a* and paragraphs *b* through i below.

After entering into a standard agreement with MCOE, an Other Agency electing to use this Contract will enter into a separate contract or purchase order ("Separate Contract") with the contractor/vendor. The Separate Contract is subject to and includes and/or incorporates all applicable terms of this Contract and the specific requirement that the Awarded Contractor/Vendor comply with the provisions set forth in the paragraph regarding payment of the 2 percent Transaction Fee (or the non-conforming jurisdiction fee) to be collected by the Epylon Corporation. MCOE will not be a party to any Separate Contract, but will be considered a third party beneficiary of such Separate Contract.

a) The Awarded Contractor/Vendor understands and agrees that failure or refusal to comply with the provisions set forth in this agreement regarding payment of the 2 percent Transaction Fee in conjunction with any Separate Contract or any other use of this Contract by an "Other Agency" is grounds for cancellation of the Contract. The Contractor/Vendor also understands and agrees that if the Contract is cancelled for this or any other reason, MCOE may give notice of such cancellation by any other means appropriate to inform LEAs of that cancellation.

b) The MCOE waives any right it may have to require any LEA using this Contract to draw its warrants for the purchase(s) in its favor and consents to each agency making such payment(s) directly to the contractor/vendor.

c) Sales tax and freight/shipping charges included in the Contract apply to the MCOE only. Additional sales tax and freight/shipping charges may be required on purchases by any LEA and are outside the scope of this Contract, unless specifically addressed elsewhere in Part A or Part B of the Terms and Conditions.

d) This Contract and any Separate Contract are for the purchase of the items covered by Contract. An LEA may, however, exercise its authority under Education Code section 17597 or 81645 or other legal authority to sell and lease back any item owned by, or to be owned by, it pursuant to any Separate Contract. The contractor/vendor agrees to take any and all actions requested by any LEA that are necessary to effect any such transfer, by way of example only, accepting payment under the Separate Contract from any third party to whom any such transfer is made.

e) Both the contractor/vendor and any LEA using this Contract agree that the MCOE makes no representation that use of this Contract by any Other Agency is, in fact, authorized by law. In this regard, the MCOE suggests that, at a minimum, Contractor/Vendor and any LEA considering such use consult with their own legal counsels before doing so.

f) Both the contractor/vendor and any LEA using this Contract agree to defend, indemnify and hold the MCOE, the Monterey County Superintendent of Schools, and the Monterey County Board of Education and its members, as well as all of their respective officers, employees and agents, free and harmless from any claims, liabilities, costs, penalties, or interest arising out of any such use.

g) MCOE reserves the right to cancel the whole or any part of this contract due to failure by the contractor to carry out any obligation, term or condition of the contract. MCOE will issue written notice to the contractor for acting or failing to act in any of the following:

a. The vendor fails to adequately perform the services set forth in the contract

b. The vendor fails to make progress in the performance of the contract and/or gives MCOE reason to believe that the contractor will not or cannot perform to the requirements of the contract

c. The contractor fails to observe any of the terms and conditions of the contract

d. The contract fails to pay Transaction Fees

e. The contractor fails to follow the established procedure for purchase orders, invoices and receipt of funds as stipulated by the MCOE. MCOE shall follow the following procedure if the contract is to be terminated:

- Step 1 - Issue a warning letter of concern outlining the violations and length of time to correct the problem(s).
- Step 2 - Issue a letter of intent to cancel the contract, if the problem(s) is not resolved by a given date.
- Step 3 - Issue letter to cancel the contract. Upon receipt of the written notice of concern, the contractor shall have ten (10) business days to provide a satisfactory response to MCOE.

Failure on the part of the contractor to address adequately all issues of concern may result in contract cancellation.

2) Other Agencies, Constitutionally Independent Agencies, and Out-of-State Agencies

Other agencies and out-of-state agencies and LEAs may use the contract as allowed by California Government Code Section 6502, which says, "If authorized by their legislative or other governing bodies, two or more public agencies by agreement may jointly exercise any power common to the contracting parties, even though one or more of the contracting agencies may be located outside this state. It shall not be necessary that any power common to the contracting parties be exercisable by each such contracting party with respect to the geographical area in which such power is to be jointly exercised. For purposes of this section, two or more public agencies having the power to conduct agricultural, livestock, industrial, cultural, or other fairs or exhibitions shall be deemed to have common power with respect to any such fair or exhibition conducted by any one or more of such public agencies or by an entity created pursuant to a joint powers agreement entered into by such public agencies."

2. Colorado, Colorado BOCES Association (CBA)

A. Additional Agency Terms and Conditions

Advertising: CBA will require a marketing flier, in electronic format, and timely updates from each vendor promoting the contract and AEPA/CBA relationship. CBA will assist in the development of the marketing flier and other appropriate materials which will include logos representing the vendor/AEPA/CBA. This flier will be for distribution and dissemination to all qualified customers through the CBA website and other appropriate and available methods.

Sales to Qualified Customers: Boards of Cooperative Educational Services (BOCES) in Colorado are legislatively created cooperative organizations directed by Colorado state statute 22-105 to serve all qualified agencies in a cooperative manner. BOCES are governed by publicly elected officials and by state and federal laws. No agency is obligated to use these services and contracts, but they find the benefits of low price and the satisfied bidding process most advantageous. Qualified agencies in Colorado include all public or private educational institutions, K-12 and higher education, all non-profit organizations, and all county or local governmental agencies. CBA requires that all participating vendors offer the Agency contract opportunities to all qualified customers.

*A. **Procedure for Processing Orders:*** Once the award is made to the vendor.

- CBA will inform its members of the contract by:
  - ***i.*** Including the contract in the agency database that is available on the CBA website
  - ***ii.*** Announcing the award through normal communication channels, CBA member presentations as well as regular electronic and direct mail communications.
  - ***iii.*** Offering the opportunity to the vendor to publish their marketing information on the CBA website link to cooperative purchasing opportunities.
- A listing of CBA members, institutional names, contact names, addresses and phone numbers is available to the vendors through the CBA website. At this point the vendor must contact the members and qualified customers; and the customers have the right to contact the vendors directly. Note: CBA requires the awarded vendors to take ownership and actively promote the contract in cooperation with CBA to all members and qualified customers.
- When the customer identifies a desired product or service as available through the AEPA/CBA contract and agrees on price as presented to the customer by the awarded AEPA/CBA vendor, the customer then issues to the vendor a purchase order for that item or service.
- The awarded price must include an additional two percent (2%) administrative fee in the total cost (not as a separate line item), based on the total cost of goods and services including installation. This fee is to be forwarded by the vendor to CBA after the sale and payment is made to the vendor. Payment shall be made to CBA on a quarterly basis along with the complete sale report as specified in the general terms and conditions.
- The sale and transaction may continue without delay or anticipation of the CBA denial of said transaction.
- The administrative fee percentage (2%) is based on the total sale of goods and services including installation and must be included in the original cost quoted to the customer. In the event of a lease, the total administrative fee for the value of goods and services shall be paid to CBA by the vendor at the front end of the lease.
- Vendor makes all deliveries and installation of products and services. CBA does not warehouse items nor provide services.

3. Connecticut, Capitol Region Education Council (CREC)

A. ADDITIONAL MEMBER AGENCY GENERAL TERMS AND CONDITIONS

Applicability of Contract Provisions to Connecticut Participants - The Capitol Region Education Council (CREC) is the AEPA Member Agency. Any entity that uses the contract awarded by CREC under this document is referred to as a "Participant." The bidder that is awarded the contract by CREC is referred to as the "Contractor."

Modification to Bid Language in the AEPA Invitation for Bid - The Bidder by submitting its bid hereby declares that this Bid is made without any connection with any other person or persons making any proposal for the same items, that it is in all respects fair and without collusion or fraud and that no person acting for or employed by CREC or a Participant is directly or indirectly interested in the proposal or in the goods or services to which it relates, or in any portion of the profits therefrom.

Modifications and Additions to Contract Language in the AEPA Invitation for Bid

A. Event of default and termination of Contract:

CREC shall have the right to cancel the contract based upon a default by Contractor. A Participant shall have the right to cancel its purchase arrangement based on a default by the Contractor with regard to such purchase arrangement. In addition, CREC and each Participant reserves the right to withhold payments for goods and services that are not in compliance with the terms of the contract or if the Contractor is in default. Any of the following shall be a default under the contract: 1) The Contractor fails to adequately perform the services set forth in the contract; 2) Contractor fails to deliver all or any part of the goods, or delivers defective goods; 3) The Contractor fails to make progress in the performance of the contract and/or does not deliver within the agreed-upon schedules; 4) The Contractor fails to observe any of the terms and conditions of the contract, including, without limitation, assigning the contract and/or failing to deliver required insurance or performance bonds; 5) The Contractor fails to follow the established procedure for purchase orders, invoices and receipt of funds as stipulated by the Participant; or 6) the Contractor has become insolvent, makes an assignment for the benefit of creditors, files a voluntary petition in bankruptcy or is subject to an involuntary petition in bankruptcy not discharged within thirty (30) days. CREC and each Participant shall follow the following procedure if the contract or purchase order is to be terminated:

Step 1 – Issue a warning letter of concern outlining the violations and length of time to correct the problem(s). The length of time to correct the problem shall be determined by CREC or the Participant, as applicable, in its sole discretion, based on the problem.

Step 2 – Issue a letter of intent to cancel the contract or purchase order, if the problem(s) is not resolved by the given date.

Step 3 – Issue the letter to cancel contract or purchase order.

Upon receipt of the written notice of concern, the Contractor shall have ten (10) business days to provide a satisfactory response to CREC and the Participant that provided the notices. Failure on the part of the Contractor to address adequately all issues or concerns may result in contract cancellation. The remedy to terminate and withhold payments is in addition to any other remedies CREC and the Participants may have. In the event of Contract termination by a Participant, such Participant's payment obligation shall cease as of the final date on which services in accordance with this Contract are last performed by the Contractor. Upon termination of this Contract under this section, the Contractor (and its surety) will be responsible for all of such Participant's expenses, losses and damages incurred in replacing Contractor for the remainder of the term of the Contract.

B. Assignment:

Contractor shall not subcontract, assign, transfer, convey, sublet or otherwise dispose of its/his/her contractual duties to any other person, firm, or corporation, without the previous written consent of CREC and any Participant that has an outstanding open purchase order or financing arrangement. If the Contractor wants to assign its/his/her right to payment of the Contract, Contractor shall notify CREC and any Participant that has an outstanding open purchase order or financing arrangement immediately, in writing, of such assignment of right to payment. In no case shall such assignment of Contract relieve the Contractor from its/his/her obligations or change the terms of the Contract.

C. Indemnification:

Contractor shall indemnify, defend, keep and save harmless CREC, each Participant and its respective agents, officials, employees and volunteers (each an "Indemnified Party") against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses (including attorneys' fees) which result from, arise out of, or in connection with the performance, or breach of performance, under the Contract of Contractor and any of its/his/her employees, agents or personnel. The Contractor shall at its/his/her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and if any judgment shall be rendered against the Indemnified Party in any such action, the Contractor shall, at its/his/her own expense, satisfy and discharge the same. Contractor expressly

understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Indemnified Party as herein provided.

D. Participant Policies:
The Contractor must be familiar with a Participant's policies or regulations which affect the services provided under this Contract and that have been or will be distributed during the term of this Contract. Policies and regulations include but are not limited to school district or organization policies, town policies, charters, and ordinances.
As each municipality, board of education, governmental agency, educational institution, and non- profit organization in the State of Connecticut may have or may be required to have, individual policies and procedures for the procurement of goods and services; and as one of the aforementioned institutions/agencies may be dependent upon the policies/procedures of another institution or agency, it is required for the Contractor to be familiar with the policies of the Participant that impact the purchase. In limited situations, there may be State statutes which govern the allow ability of purchases to be reimbursed by State funding. The Participant should obtain its own legal advice on these statutes prior to purchasing under a contract.

E. Performance Bonds:
Each Participant may require a performance bond in the case of services to be performed under the Contract if required. The Contractor shall furnish to the Participant a Surety Performance Bond ("Performance Bond") with an option to renew each succeeding year of the Contract in a form satisfactory to the Participant assuring the faithful performance of the Contract. The Bond shall be equal to one hundred percent (100%) of each year's estimated Contract price as reviewed and agreed upon by the Participant, and shall be continued for the life of the Contract in amounts equal to one hundred percent (100%) of each year's estimated Contract price as reviewed and agreed upon by the Participant. The Contractor must send such Performance Bond to the Participant prior to the commencement of any services under the Contract. Each such Performance Bond shall be furnished by a surety company acceptable to the Participant and licensed or authorized to do business in Connecticut and New England. Failure to deliver the bond shall be considered a default under the Contract, at the discretion of and upon notice by the Participant.

F. Governing law:
This Contract shall be governed by, and construed and enforced in accordance with, the laws of the State of Connecticut without regard to its conflicts of laws principles.

Conflict of Interest

The Contractor shall disclose any relationship with a CREC employee that would not be considered an "arms-length" or independent transaction, as described below. This disclosure must be made in writing to CREC for an evaluation. CREC will respond to this disclosure in writing.

A CREC employee (including independent contractors for purposes of this definition) placing an order or recommending a vendor must disclose any relationship with that vendor which would not be considered an "arms-length" or independent transaction. This disclosure must be made in writing to CREC for an evaluation. CREC will respond to this disclosure in writing.

For a transaction to be considered "arms-length" or "independent", a CREC employee should not be influenced, dependent upon, guided or controlled by a vendor into choosing that vendor, or item to purchase; nor should it appear to a third party that a CREC employee made a purchasing decision which appears to be based upon a personal relationship between the CREC employee and vendor.

The following are examples when a transaction is NOT considered arms-length or independent: (1) when there exists a personal relationship between a CREC employee and a vendor, (2) when there exists the potential for a personal benefit to a CREC employee, or (3) the parties to a business deal are dependent upon one another for "something" other than the purchase itself.

In addition, the Contractor shall, if given a copy of the potential Participant's conflict of interest policy, follow the process in that policy, or otherwise disclose to a potential Participant any relationship that would not be considered an "arms-length" or independent transaction with that Participant, as described above. This disclosure must be made in writing to the chief official (for example, the Superintendent at a board of education) at the potential Participant. Determination of the existence of a conflict of interest does not prohibit CREC and/or a Participant from entering into the contract and purchase order, respectively.

Financing Arrangements - Any financing arrangements (including lease purchasing arrangements) will be made directly between the Contractor and a Participant. Financing arrangements may be subject to additional laws, rules and regulations, terms and conditions not described in this document and are subject to separate negotiation with each Participant that is interested in such an arrangement. Each Participant should seek its own legal advice prior to entering into a financing arrangement. CREC must receive a report annually summarizing the executed lease purchases along with the summary of the customer purchases. CREC will not collect lease payments or be involved in the terms and conditions of the lease. All lease arrangements are between the Contractor and the Participant only.

Affirmative Action - The Contractor must have an employment policy that there shall be no discrimination against anyone on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, physical disability or sexual orientation in the hiring, upgrading, demotions, recruitment, termination and selections for training, in any manner prohibited by the laws of the United States or of the State of Connecticut. The Contractor further agrees to be an "affirmative action-equal opportunity employer."

Independent Contractor - The Contractor shall not be held or deemed in any way to be the agent or employee of CREC and/or a Participant. It is the intention of the parties that the Contractor shall be and is to be considered an independent contractor.

Incorporation of Bid Documents - The bid documents, including all appendices executed by Contractor that have been accepted by CREC (the "Bid") are specifically incorporated into this Contract.

Freedom of Information Act - The Contractor acknowledges that CREC and some Participants are subject to the Freedom of Information Act, Connecticut General Statutes Sections 1-200 et seq., and submitted to CREC and/or such Participants may be made available to the public under the provisions of the Freedom of Information Act.

Marketing and Advertising - Contractor agrees to provide CREC with a copy or proof sheet of all advertisements, customer communications or promotional material for prior approval.

C. Additional Member Agency Terms And Conditions For Construction Products And Services

CT Commission on Human Rights and Opportunities:
Municipal Public Works contracts funded in whole or in part by the State of Connecticut are subject to contract compliance requirements and set-aside goals as follows:

The contractor who is selected to perform this State project must comply with CONN. GEN. STAT. §§ 4a- 60, 4a-60a, 4a-60g, and 46a-68b through 46a-68f, inclusive, as amended by June 2015 Special Session Public Act 15-5.

State law requires a minimum of twenty-five (25%) percent of the state-funded portion of the contract for award to subcontractors holding current certification from the Connecticut Department of Administrative Services ("DAS") under the provisions of CONN. GEN. STAT. § 4a-60g. (25% of the work with DAS certified Small and Minority owned businesses and 25% of that work with DAS certified Minority, Women and/or Disabled owned businesses.) The contractor must demonstrate good faith effort to meet the 25% set-aside goals.

For municipal public works contracts and quasi-public agency projects, the contractor must file a written or electronic non-discrimination certification with the Commission on Human Rights and Opportunities. Forms can be found at: http://www.ct.gov/opm/cwp/view.asp?a=2982&q=390928&opmNav_GID=1806

D. Procedures For Processing Orders

Purchase orders will not be accepted or processed by CREC. All business will be contracted directly with the Participant, which will issue a purchase order and provide payment for the applicable good or service directly to the Contractor. To the extent not otherwise described in this document, once a purchase order is issued by a Participant to a Contractor, all of the provisions of the contract shall benefit and be enforceable by such Participant, unless specifically identified as applying to CREC only.

E. Agencies Allowed To Purchase Under The Member Agency

There are 169 school districts in Connecticut and all are eligible for membership. No district is obligated to use these services. Additional members may include other public educational institutions, public colleges or universities, community colleges, vocational or technical schools, municipal governments, and other governmental, quasi-governmental, or non-profit organizations.

Work in Other States

CREC is making the CT AEPA contract available for vendors to use in all New England states – CT, ME, NH, RI, VT – and New York, and any other state without AEPA member representation. Our contract is also available in MA for vendors who TEC has been unable to sign with.

Sales made in any of these states using the AEPA contract are to be reported to CREC, with the 2.0% administrative fee made payable to CREC. The Contractor must advise CREC its intent to use the contract in any of these states.

All Terms and Conditions for Connecticut apply to work in these states. It is the Contractor's obligation to ensure that the purchaser fully understands the AEPA contract, including whether it is allowable under applicable state regulations.

4. Florida, Panhandle Area Education Consortium/Florida Buy Purchasing Program

A. Additional Agency Terms and Conditions

Vendor Contact: Vendor will designate to the Panhandle Area Educational Consortium (PAEC), one individual who will represent them during the agreement period. This contact person will correspond with each ordering member for technical assistance, problems, or questions that may arise, including instructions if different contacts for different geographical areas are needed. This information will be distributed to all school districts upon award of this bid. Vendors may use this contract to sell products or services in addition to school districts to any government agency, non-profit organizations or institutions.

Vendor agrees to abide by all federal, state and local laws and regulations. It is the responsibility of the Vendor to determine applicability and requirements of any such laws and to abide by them.

B. Procedures For Processing Orders

Once the award is made to the Vendor, PAEC will inform all school districts of the contract by:

1. Including the award information on the PAEC Web site at www.floridabuy.org
2. Announcing the award in its PAEC Horizon and FEC newsletters
3. Announcing the award via electronic mail to all members
4. Advertising promotional information over the Florida Education Channel

Any members, contact names, addresses and phone numbers will be available at the PAEC Florida Buy Web site www.floridabuy.org. At this point, the Vendor may contact the members and the members may contact the Vendor. The member will identify a desired product or service available through the AEPA contract and agrees on the price and conditions as presented to the member by the awarded AEPA Vendor. The member then issues to the Vendor a purchase order for that item or service. The purchase order must include an additional (2%) administrative fee built into the total invoiced cost, based on the total costs of good, services and installation. A final copy of the customer purchase order or sales summary must be sent to PAEC by the Vendor after completion of the service or installation. The Vendor has (30) thirty days to forward this purchase order. This will insure compliance of the contract.

Vendor makes all deliveries and installations of products and services. PAEC does not warehouse items. All participating Vendors agree to and are subject to audit proceedings of the AEPA sales to members.

The Vendors price will include a (2%) administrative fee that the Vendor shall collect from the member and remit to PAEC on a quarterly basis. The Vendor will produce and provide to PAEC quarterly reports ending March 31, June 30, September 30 and December 31 throughout the contract period. The reports shall identify the Vendor and the quarter being reported, shall include a minimum of the fields listed below:

1. Date of Order
2. School district
3. List or academic price sales totals
4. PAEC price sales totals
5. Member savings total

Quarterly reports and administrative fee payments to PAEC are due the 15th of the succeeding month, and all checks are to be made payable to the Panhandle Area Educational Consortium and sent to: PAEC, 753 West Blvd, Chipley, Florida 32428 and Attention: Finance Department. PAEC may designate another agent for collecting and administrative fee that will be negotiated with Vendor for e-commerce transactions.

C. Agency Members Purchasing Under The Member Agency

The Panhandle Area Educational Consortium is a fourteen member consortium that includes a voluntary purchasing program developed for schools in Florida. All other school districts in Florida are participating members in the programs of the Panhandle Area Educational Consortium (PAEC), including participation in the statewide cooperative purchasing program. Agencies that use this contract will be in compliance with FS1001.42. PAEC was established to provide easily accessible information for our member and participating public school districts and the communities we serve. Since the creation of PAEC in 1967, our school districts have benefitted from shared services made available through leading edge technology. While school districts access our teaching and learning, training and technology, and business operations services in varying degrees of need, all come for the mutually beneficial purpose of reaching their goals together.

Vendor will also submit an annual sales report identifying all member purchases.

D. Additional Terms and Conditions.

1. All terms and conditions may be modified and revised by PAEC Florida Buy with the written consent of both PAEC Florida Buy and the Awardee.

2. PAEC Florida Buy, at its discretion, may offer the use of the awarded agreement to governmental entities such as state agency purchasing programs, to extend the use of the contract to eligible users. This option will be referred to as an Interlocal Agreement. Under such conditions, the participating agency may, with written consent from the Awardee, modify and revise the terms and conditions of the master agreement.

3. Other state and public agency purchasing program agreements may require additional administrative fees, associated with sales, to be paid by the Awardee for the management of the contract. The Awardee will be notified in writing and will have the option of accepting or rejecting the Interlocal Agreement program fees.

4. No right or interest in the Contract shall be assigned or transferred by the Contractor without the prior written consent of the PAEC Florida Buy program. No delegation of any duty of the Contractor shall be assigned without prior written permission of PAEC Florida Buy. If the original Vendor/Contractor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor in interest must guarantee to perform all obligations under this Contract. PAEC Florida Buy reserves the right to reject the acquiring person or entity as a Vendor/Contractor. A change of name agreement will not change the contractual obligations of the Vendor/Contractor.

5. The Awardee, may, upon entering into negotiations with qualified buyers, amend their prices to offer volume discounts below the lowest unit rates established in the pricing portion of this agreement.

5. Indiana, Wilson Education Service Center (WESC)

A. Additional Agency Terms and Conditions

Participating entities and approved vendors must be in full compliance with statutory requirements of all applicable federal, state, and local laws, rules, regulations, and ordinances including applicable public works and prevailing wage projects. All provisions required thereby to be included herein and are hereby incorporated for reference. This contract shall be construed in accordance with and governed by the laws of the State of Indiana. Awarded pricing must be made available to all participating entities regardless of size.

B. Procedure for Processing Orders

Wilson Education Service Center will inform all public school corporations, private/parochial schools, charter schools, nonprofit entities, municipalities, other governmental entities and higher education entities of contract awards via web sites and various marketing strategies. Vendors will have the primary responsibility to market contracts to eligible buyers within Indiana. After contracts are awarded and product information is available on our e-procurement sites vendors are free to contact eligible buyers and vice versa.

The Wilson Education Service Center utilizes an e-procurement facilitation system as the only mechanism for ordering and the primary method of marketing. Vendors are required to use the IAESC Procurement System and GovPro systems upon award. A 2.2% administrative fee will be assessed on gross monthly sales for IAESC Procurement (used by schools) and a 3.2% administrative fee will be assessed on gross monthly sales on GovPro (all other entities) after a 1% price increase. Acceptance of a purchase order not transmitted electronically will constitute grounds for termination of bid award. Vendors shall not include Shipping and Handling Charges, Federal Excise Tax, or State Sales Tax on invoices. Taxes do not apply to purchases by the participating entities. All participating entities have a "Not for Profit Tax Exemption Certificate" which will be furnished by the buyer upon request by the vendor. Quantities shipped in excess of quantities designated in the Purchase Order, or unapproved product substitutions will be returned at the vendor's expense.

C. Members Purchasing Under the Agency

All public school corporations, private/parochial schools, charter schools, nonprofit entities, municipalities, other governmental entities and higher education entities are eligible buyers. The Wilson Education Center as established by Indiana Code 20-1-11.3- 1 with Inter-local Agreement Powers as established by Indiana Code 36-1-7-2 represents all eligible buyers in this program within Indiana.

Public works projects have specific limitations using cooperative purchasing in Indiana as referenced in Indiana IC 36-1-12-4.9. For the routine operation, routine repair, or routine maintenance of existing structures, buildings, or real property the cost of the public work must be less than one hundred fifty thousand dollars ($150,000).

6. Iowa, AEA Purchasing

A. Additional Member Agency General Terms and Conditions that apply for all categories

Right to Assign

AEA Purchasing specifically reserves the right, in its sole discretion, to assign and transfer its interest in the Contract with the Vendor Partner, consistent with the terms and conditions of said Contract, to any organization, along with all corresponding duties, responsibilities, and obligations of both parties, and under the terms provided herein.

B. Additional Member Agency Terms and Conditions for Non-Construction Products and Services None.

C. Additional Member Agency Terms and Conditions for Construction Products and Services

AEA Purchasing may participate in Construction Products and Services bids through AEPA on a limited basis due to the restrictions mandated in the Iowa Code, Chapter 26 and 573.

D. Procedure for Processing Orders

AEA Purchasing's eligible clients follow a standard or electronic ordering process. The awarded Contractor will invoice and deliver products and services directly to AEA Purchasing's eligible clients. All invoices for payment shall be sent directly to the AEA Purchasing eligible client ordering under the terms and conditions of this agreement. The AEA Purchasing eligible client will make payment directly to the awarded Contractor(s). AEA Purchasing does not process any orders.

E. Agencies Allowed to Purchase under the Member Agency

- K-12 Public & Private Schools
- Area Education Agencies
- Colleges & Universities
- Public Libraries
- City, County & State Government
- Non-Profit Education Organizations

7. Kansas, Greenbush-Southeast Kansas Education Service Center (SEKESC)

A. Additional Member Agency General Terms and Conditions that apply for all categories

Kansas Mandatory Contract Provisions

Terms Herein Controlling Provisions: It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of the contract in which this attachment is incorporated. Any terms that conflict or could be interpreted to conflict with this attachment are nullified.

Kansas Law and Venue: This contract shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit in connection with this contract shall reside only in courts located in the State of Kansas.

Termination Due To Lack Of Funding Appropriation: If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges hereunder, State may terminate this agreement at the end of its current fiscal year. State agrees to give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided State under the contract. State will pay to the contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement by State, title to any such equipment shall revert to contractor at the end of the State's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.

Disclaimer Of Liability: No provision of this contract will be given effect that attempts to require the State of Kansas or its agencies to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The liability of the State of Kansas is defined under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).

Anti-Discrimination Clause: The contractor agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration; (f) if it is determined that the contractor has violated applicable provisions of ADA, such violation shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration.
Contractor agrees to comply with all applicable state and federal anti-discrimination laws.
The provisions of this paragraph number 5 (with the exception of those provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of such contract or whose contracts with the contracting State agency cumulatively total $5,000 or less during the fiscal year of such agency.

Acceptance Of Contract: This contract shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given.

Arbitration, Damages, Warranties: Notwithstanding any language to the contrary, no interpretation of this contract shall find that the State or its agencies have agreed to binding arbitration, or the payment of damages or penalties. Further, the State of Kansas and its agencies do not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages available to the State of Kansas or its agencies at law, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

Representative's Authority To Contract: By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.

Responsibility For Taxes: The State of Kansas and its agencies shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.

Insurance: The State of Kansas and its agencies shall not be required to purchase any insurance against loss or damage to property or any other subject matter relating to this contract, nor shall this contract require them to establish a "self-insurance" fund to protect against any such loss or damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.), the contractor shall bear the risk of any loss or damage to any property in which the contractor holds title.

Information: No provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.

The Eleventh Amendment: "The Eleventh Amendment is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment."

Campaign Contributions / Lobbying: Funds provided through a grant award or contract shall not be given or received in exchange for the making of a campaign contribution. No part of the funds provided through this contract shall be used to influence or attempt to influence an officer or employee of any State of Kansas agency or a member of the Legislature regarding any pending legislation or the awarding, extension, continuation, renewal, amendment or modification of any government contract, grant, loan, or cooperative agreement.

Assignment - SEKESC Right to Assign
In the event of a cancellation, the SEKESC specifically reserves the right, in its sole discretion, to assign and transfer its interest in any contract, consistent with the terms and conditions of any contract, to any organization, along with all corresponding duties, responsibilities for both parties and provisions contained herein.

Purchase Orders
Any purchase order issued by SEKESC, or one of its eligible entities, is cancelable under provisions of K.S.A. 10-1113. All purchase orders shall be issued by the SEKESC or its participating eligible entities desiring to acquire the products or services under the contract. Said purchase order shall include adequate reference to identify the bid to which it relates.

Marketing

- Awarded Vendor will proactively market the awarded contract to all eligible entities. The SEKESC will enhance the Awarded Vendor's marketing efforts through communication and meetings with eligible entities, participation in marketing events and tradeshows, through its website and social media resources and through day-to-day customer support activities.
- Awarded Vendor will train its professional staff and sales force in the provisions and benefits of the awarded contract. The SEKESC will enhance such effort by providing joint trainings and participating in joint sales calls as needed.
- The SEKESC and Awarded Vendor will jointly design presentations, documents, and other promotional material to assist in the promotion of the awarded contract.
- Awarded Vendor will include the SEKESC (Greenbush) logo on all sales materials targeted to eligible entities for the awarded contract. The SEKESC hereby grants to Awarded Vendor a non-exclusive, revocable, non-transferable, permission to use the SEKESC (Greenbush) name and logo during the term of this Agreement. Likewise, during the term of this agreement, the Awarded Vendor grants the SEKESC (Greenbush) permission to reproduce their name and logo in connection with marketing and promotion of the awarded contract.

B. Additional Member Agency Terms and Conditions for Non-Construction Products and Services
SEKESC has no additional terms and conditions for non-construction products and services.

C. Additional Member Agency Terms and Conditions for Construction Products and Services
Kansas Mandatory Contract Provisions
K.S.A. 44-1030. State and local government contracts; mandatory provisions. (a) Except as provided by subsection (c), every contract for or on behalf of the state or any county or municipality or other political subdivision of the state, or any agency of or authority created by any of the foregoing, for the construction, alteration or repair of any public building or

public work or for the acquisition of materials, equipment, supplies or services shall contain provisions by which the contractor agrees that:

(1) The contractor shall observe the provisions of the Kansas act against discrimination and shall not discriminate against any person in the performance of work under the present contract because of race, religion, color, sex, disability, national origin or ancestry;

(2) in all solicitations or advertisements for employees, the contractor shall include the phrase, "equal opportunity employer," or a similar phrase to be approved by the commission;

(3) if the contractor fails to comply with the manner in which the contractor reports to the commission in accordance with the provisions of K.S.A. 44-1031 and amendments thereto, the contractor shall be deemed to have breached the present contract and it may be canceled, terminated or suspended, in whole or in part, by the contracting agency;

(4) if the contractor is found guilty of a violation of the Kansas act against discrimination under a decision or order of the commission which has become final, the contractor shall be deemed to have breached the present contract and it may be canceled, terminated or suspended, in whole or in part, by the contracting agency; and

(5) the contractor shall include the provisions of subsections (a)(1) through (4) in every subcontract or purchase order so that such provisions will be binding upon such subcontractor or vendor.

(b) The Kansas human rights commission shall not be prevented hereby from requiring reports of contractors found to be not in compliance with the Kansas act against discrimination.

(c) The provisions of this section shall not apply to a contract entered into by a contractor:

(1) Who employs fewer than four employees during the term of such contract; or

(2) whose contracts with the governmental entity letting such contract cumulatively total $5,000 or less during the fiscal year of such governmental entity.

K.S.A. 60-1111. Public works bond. (a) Bond by contractor. Except as provided in this section, whenever any public official, under the laws of the state, enters into contract in any sum exceeding $100,000 with any person or persons for the purpose of making any public improvements, or constructing any public building or making repairs on the same, such officer shall take, from the party contracted with, a bond to the state of Kansas with good and sufficient sureties in a sum not less than the sum total in the contract, conditioned that such contractor or the subcontractor of such contractor shall pay all indebtedness incurred for labor furnished, materials, equipment or supplies, used or consumed in connection with or in or about the construction of such public building or in making such public improvements.

A contract which requires a contractor or subcontractor to obtain a payment bond or any other bond shall not require that such bond be obtained from a specific surety, agent, broker or producer. A public official entering into a contract which requires a contractor or subcontractor to obtain a payment bond or any other bond shall not require that such bond be obtained from a specific surety, agent, broker or producer.

(b) Filing and limitations. The bond required under subsection (a) shall be filed with the clerk of the district court of the county in which such public improvement is to be made. When such bond is filed, no lien shall attach under this article. Any liens which have been filed prior to the filing of such bond shall be discharged. Any person to whom there is due any sum for labor or material furnished, as stated in subsection (a), or such person's assigns, may bring an action on such bond for the recovery of such indebtedness but no action shall be brought on such bond after six months from the completion of such public improvements or public buildings.

(c) In any case of a contract for construction, repairs or improvements for the state or a state agency under K.S.A. 75-3739 or 75-3741, and amendments thereto, a certificate of deposit payable to the state may be accepted in accordance with and subject to K.S.A. 60-1112, and amendments thereto. When such certificate of deposit is so accepted, no lien shall attach under this article. Any liens which have been filed prior to the acceptance of such certificate of deposit shall be discharged. Any person to whom there is due any sum for labor furnished, materials, equipment or supplies used or consumed in connection with or for such contract for construction, repairs or improvements shall make a claim therefor with the

director of purchases under K.S.A. 60-1112, and amendments thereto.

D. Procedure for Processing Orders

The SEKESC utilizes the following ordering/delivery procedures:

- Purchase orders will be issued by the individual eligible entity.
- Vendors must issue invoices directly to the ordering eligible entity as specified on each purchase order.
- Delivery of all items included in this solicitation will be made to the locations within each eligible entity as will be specified on the purchase order.
- Each order shall contain a packing slip of its contents to assist in prompt processing of payments to Vendor.

Additionally

- Awarded Vendor agrees to demonstrate the benefit of the pricing agreement with the SEKESC over alternative options, including competitive solicitation pricing.
- Awarded Vendor agrees to proactively offer terms and pricing under this agreement to eligible entities and a more effective alternative to the cost and time associated with alternate bids and solicitation.
- When responding to third party procurement solicitations, Awarded Vendor may:
  - Choose not to respond and make this agreement available as an alternative and comparison to the agency's solicitation responses.
  - Respond with pricing, terms, and conditions of this agreement. If awarded the contract, sales will be reported as defined in the solicitation.
  - Provide lower prices when the competitive process requires without being required to extend the lower pricing to all eligible entities. In such case, if Awarded Vendor is awarded the contract, the sales will be reported as defined in the solicitation.
  - Respond to the solicitation with higher pricing than is available through this agreement and if an alternative response is permitted, may offer the pricing under this agreement as an alternative for consideration. If Awarded Vendor is awarded the contract with alternative SEKESC pricing, the resulting sales will be reported as defined in the solicitation.
- Provide notification to the SEKESC of the response to a solicitation, including but not limited to the name of the soliciting agency, general description of scope, timeline, and resulting award or non-award. Such notification shall be submitted to Tina Smith at tina.smith@greenbush.org within 5 business days of the proposal submission and resulting award information within 5 business days of agency's notification to Awarded Vendor.

E. Agencies Allowed to Purchase under the Member Agency

Eligible Entities: Entities eligible to purchase from Southeast Kansas Education Service Center (Greenbush) cooperative purchasing contracts include but may not be limited to:

- K-12 Public Schools
- K-12 Private Schools
- Colleges & Universities
- City, County, and State Governments
- Public Libraries

Non-profit organizations holding form #501C3

8. Kentucky, Green River Regional Educational Cooperative (GRREC)

A. Additional Member Agency General Terms and Conditions that apply for all categories

The Green River Regional Educational Cooperative, Inc. (GRREC) is one of eight educational cooperatives in Kentucky, all of which are participants in the AEPA bids. GRREC serves as contact agency for all AEPA correspondence for all eight educational cooperatives. For the Kentucky Educational Cooperatives, the collective bidding process is conducted consistent with KRS Chapter 45A, the Kentucky Model Procurement Code. Contracts with GRREC shall include the provision granting GRREC employees the right to access to the Contractor's records.

Vendor Contact: Vendor will designate to GRREC one individual who will represent them to Kentucky Bidding Cooperative members during the agreement period. This contact person will correspond with each ordering member for technical assistance, problems, or questions that may arise. Include instructions if different contacts for different geographical areas are needed; this information will be distributed to Kentucky Bidding Cooperative members upon award of this bid.

The following Federal Clauses are required as a part of KY bid documents:

1. CLEAN AIR/CLEAN WATER
   - A. Vendor Partner agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251 et seq). Vendor Partner agrees to report each violation to the USDA and the appropriate EPA Regional Office.
   - B. Vendor Partner agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. Vendor Partner agrees to report each violation to the USDA and the appropriate EPA Regional Office.
2. SUSPENSION AND DEBARMENT
   Vendor Partner understands that a contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." By signing and submitting its bid or proposal, the bidder or proposer certifies as follows: The certification in this clause is a material representation of fact relied upon by GRREC. If it is later determined that Vendor Partner knowingly rendered an erroneous certification, in addition to remedies available to GRREC, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Vendor Partner agrees to comply with the requirements of 2 CFR 180.220 while the above-referenced contract is valid. Vendor Partner further agrees to include a provision requiring such compliance in its lower tier covered transactions.
3. LOBBYING
   Vendor Partner will comply with the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352) and the New Restrictions on Lobbying and has signed and attached to this Addendum the Certificate Regarding Lobbying and, if applicable, the Disclosure of Lobbying Activities (Forms SF-LLL) and annually will sign and submit a certificate, if applicable, Form SF-LLL to GRREC.
4. PROCUREMENT OF RECOVERED MATERIALS PURSUANT TO 2 C.F.R. § 200.322
   Vendor Partner agrees to comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act.
5. BUY AMERICAN
   "Domestic Commodity or Product" are defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States using substantial agricultural commodities that are produced in the United States. "Substantial" means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically.

   Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

   The Buy American provision (7 CFR Part 210.21(d)) is one of the procurement standards School Food Authorities ("SFAs") must comply with when purchasing commercial food products served in the school meals programs.

   Buy American: AEPA Member Agencies or Participating Entities participating in the federal school meal programs are required to purchase domestic commodities and products for school meals to the maximum extent practicable. Domestic commodity or product means an agricultural commodity that is produced in the US and a food product that is processed in the US substantially (at least 51 percent) using agricultural commodities that are produced in the US.

   Federal regulations require that all foods purchased for Child Nutrition Program be of domestic origin to the maximum extent practicable. While rare, two (2) exceptions may exist when: the product is not produced or

Manufactured in the US in sufficient, reasonable and available quantities of a satisfactory quality, such as bananas and pineapple; and competitive proposals reveal the cost of a domestic product is significantly higher than a non-domestic product.

ALL products that are normally purchased by Vendor Partner as non-domestic and proposed as part of this contract must be identified with the country of origin. Vendor Partner shall outline their procedures to notify GRREC when products are purchased as non-domestic.

Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by GRREC, prior to the delivery of the product to the AEPA Member Agency or Participating Entities. Any non-domestic product delivered to the AEPA Member Agencies or Participating Entities, without the prior, written approval of GRREC will be rejected.

Vendor Partner must affirm its willingness to assert its best and reasonable efforts to ensure compliance with this federal rule.

6. COST REIMBURSEMENT CONTRACTS

Solicitation Requirements for cost reimbursable contracts:

A. Allowable costs will be paid from the nonprofit school food service account to the contractor net of all discounts, rebates and other applicable credits accruing to or received by the contractor or any assignee under the contract, to the extent those credits are allocable to the allowable portion of the costs billed to the school food authority;

B. Contractor will separately identify for each cost submitted for payment to the school food authority the amount of that cost that is allowable (can be paid from the nonprofit school food service account) and the amount that is unallowable (cannot be paid from the nonprofit school food service account); or (B) Contractor will exclude all unallowable costs from its billing documents and certify that only allowable costs are submitted for payment and records have been established that maintain the visibility of unallowable costs, including directly associated costs in a manner suitable for contract cost determination and verification;

C. Contractor's determination of its allowable costs will be made in compliance with the applicable Departmental and Program regulations and Office of Management and Budget cost circulars;

D. Contractor will identify the amount of each discount, rebate and other applicable credit on bills and invoices presented to the school food authority for payment and individually identify the amount as a discount, rebate, or in the case of other applicable credits, the nature of the credit;

E. Contractor must identify the method by which it will report discounts, rebates and other applicable credits allocable to the contract that are not reported prior to conclusion of the contract; and

F. Contractor must maintain documentation of costs and discounts, rebates and other applicable credits, and must furnish such documentation upon request to the school food authority, the State agency, or the Department.

B. Additional Member Agency Terms and Conditions for Construction Products and Services

The Contractor and subcontractors shall pay all laborers, workmen and mechanics performing work under this contract not less than the rate of wages set forth in the prevailing wage schedule incorporated in the contract conditions as determined by the Kentucky Department of Labor in accordance with the provisions of KRS 337.505 through KRS 337.550.

Bidders are informed that construction contracts of the Commonwealth of Kentucky and political subdivisions are not exempt from the provisions of the Kentucky Sales and/or Use Tax. Current sales and/or Use Tax shall be provided for and included in the bid amount as no adjustments will be permitted nor made after receipt of bids.

1. It should be noted that where performance bonds are required, it should include both performance and payment bonds.
2. State Prevailing Wages shall apply for projects of $250,000.00 or more, or Davis Bacon wages (when federal funds are utilized) if higher than State Prevailing Wages.
3. All work shall be in accordance with necessary approvals from the Kentucky Department of Housing, Buildings and Construction and the Kentucky Building Code.
4. All processes of the project comply with 702 KAR 4:160, the Capital Construction Process, including necessary approvals from the Kentucky Department of Education.
5. Performance and payment bond on AIA document 312 must be provided for all projects that exceed $25,000. (Also provide that the Surety shall comply with state requirements.)
6. In accordance with 702 KAR 4:160, AIA and KDE documents be utilized on all projects including but limited to:

a. A 101 Standard form of Agreement between Owner and Contractor (including KDE amendments)
b. A201 General Conditions of the Standard Form of Agreement between Owner and Contractor (including KDE amendments)
c. AIA A701 Instructions to bidders, with KDE amendment and KDE Form of proposal (may require editing AEPA instructions to bidders to eliminate conflicts).
d. KDE purchase Order (for direct purchase of materials with tax number, to exempt materials from state sales tax)
e. If applicable, where architectural services are provided by the Owner, Form B141, Standard Form of Agreement between Owner and Architect

7. Architectural services shall be provided in accordance with KRS 322.360 and other relevant Kentucky Revised Statutes by the vendor or the Owner at the Owner's preference.

C. Procedure for Processing Orders

Once the award is made to the Contractor/vendor, GRREC and Kentucky's other cooperatives will inform their members (school districts and other entities) of the contract by: 1) including the contract in the Current Bids section on their websites and 2) publishing the contract information in catalogs disseminated to all members. A list of members, contact names, addresses and phone numbers is made available to the Contractor. At this point the Contractor/vendor contacts the members and members may contact the Contractor/vendor. When the member identifies a product or service, it will issue a purchase order for that item to the vendor. The vendor's price will include a two percent (2%) administrative fee that the vendor will collect from the member and remit to GRREC on a quarterly basis. Municipal and county governments, and other governmental, quasi-governmental, or nonprofit organization price will reflect a two percent (2%) administrative fee. On the occasion that an AEPA contract awarded by Kentucky is utilized by public school and public non-school entities in other states, purchases in these instances will also reflect a two percent (2%) administrative fee. The vendor will also compile and provide to GRREC a quarterly report showing all purchases made by Kentucky members (with specific detail as to what purchases were made by which members) under this contract. Further, if no purchases are made in any given quarter, the Vendor shall remit a "No Activities" statement to GRREC for that quarter. The vendor will also produce and provide to GRREC an annual summary report for all purchases made under this contract for a period of beginning with the award of the contract through December 31st and all consecutive annual periods if contract is extended. The vendor will make all administrative fee payments to the GRREC by the 15th of the month following the end of the quarter (i. e. April 15th, July 15th, October 15th and January 15th). All checks are to be made payable to GRREC and sent to GRREC, 230 Technology Way, Bowling Green, KY 42101 and Attention: Bids Coordinator. GRREC may designate another agent for collecting an administrative fee that will be negotiated with vendor for e-commerce transaction. GRREC will share information from the quarterly and annual reports and distribute the administrative fee among the other KY Educational Cooperatives according to membership.

D. Members Purchasing under the Agency

Currently there are 8 Bidding Cooperatives in Kentucky and all are participating in this invitation through GRREC's solicitation. There are 170+ independent and county school districts and all are eligible for membership in a Bidding Cooperative and approximately 98% of the districts are members of one of the cooperatives. No district is obligated to use these services. Additional members may include other public educational institutions in the state, public colleges or universities, community colleges, vocational or technical schools, municipal and county governments, and other governmental, quasi- governmental, or non- profit organizations. Kentucky currently shares its AEPA contracts with the following states: AL, GA, LA, MS, NC, SC, and TN. Only those districts or institutions listed on an approved Bidding Cooperative membership list are eligible to purchase under these contracts. This list may change during the contract period.

E. The successful bidder agrees to have each employee who will work on school premises in the District submit to a national and state criminal history background check and have each employee obtain a letter from the Cabinet for Health and Family Services stating the employee has no findings of substantiated child abuse or neglect pursuant to the requirements of KRS 160.380(7). The successful bidder agrees to obtain this information at no additional cost to the District and shall supply this information to the District prior to each employee working on school premises in the District.

9. Massachusetts, The Education Cooperative

A. Additional Member Agency General Terms and Conditions that apply for all categories:

4. The total cost of TEC's program is funded through the administrative fee paid to TEC quarterly by the participating Contractors/Vendors. The administrative fee is based upon the total sale or lease of goods and services, including installation, if included, this fee shall be included in all price quotations to Participants and shall not be printed as a line item on the quotation.

E. Agencies Allowed to Purchase under the Member Agency

Any school district, municipality or non-profit tax exempt entity with a principal place of business in Massachusetts which sign the Participation Agreement attached hereto shall be entitled to participate.

10. Michigan, Oakland Schools, (OS)

A. Additional Member Agency General Terms and Conditions that apply for all categories:

1. Advertising
   OS will require a marketing flier, brochure, or other similar marketing vehicle, in electronic format, from each Contractor promoting the available contract with the Contractor, and/or a web page or link. OS may assist in the development of the marketing flier and material (if requested by Contractor), but in all cases shall have authority to review and approve any marketing materials. If a web site is used, the link will be made available from the OS web page. Any web page or link, or other marketing tool shall be dedicated to AEPA information only.
2. Pricing
   OS requires that Contractors must offer prices lower than what they would offer on any single school district contract in Michigan; on other cooperative purchasing contracts available to Michigan public educational institutions, colleges and/or universities, County Government offices, cities, townships, and villages; or State of Michigan purchasing contracts.
3. Conflict of Interest
   Contractor shall disclose in writing to Buyer any conflicts of interest with Board members, administrators, and or employees of any Participating Entity (as defined below). A conflict of interest may include, but is not limited to, a financial ownership interest in, or employment with Contractor or Subcontractor by a Participating Entity' Board member, administrator, or employee or their family member. A "family member" means a person's spouse or spouse's sibling or child; a person's sibling or sibling's spouse or child; a person's child or child's spouse; or a person's parent or parent's spouse, and includes these relationships as created by adoption or marriage. Determination of the existence of a conflict of interest does not prohibit the Participating Entity from entering into a contract with the Contractor (MCL 380.634; MCL 15.322 et seq).
4. Termination of Buyer's Purchase Order
   Default is defined as the failure of a Contractor to fulfill the contract, including but not limited to, not honoring bid prices, failure to deliver on time, or the unauthorized substitution of items or failure to comply with any or all of the specifications and/or terms and conditions contained in this solicitation or the contract/purchase order of a Participating Entity. Should the Contractor fail to satisfactorily resolve the default, the contract/purchase order may be terminated with thirty (30) days written notice. In that event, the Contractor shall be held liable to the Participating Entity for all costs and expenses incurred by the Participating Entity arising out of said default. Notwithstanding the foregoing, each Participating Entity may terminate their contract/purchase order, with or without cause, or discontinue purchasing from the Contractor at any time.
5. IRAN ECONOMIC SANCTIONS ACT
   Public Act 517 of 2012, commonly known as the "Iran Economic Sanctions Act" (the "Act"). The Act provides that beginning April 1, 2013, an "Iran Linked Business" is not eligible to submit a bid on a request for proposal with a "public entity" (Oakland Schools). The Act also requires that a person that submits a proposal in response to an Oakland Schools request for proposal must certify to the public entity that it is not an Iran Linked Business. This requirement applies to all requests for proposals issued by Oakland Schools, and not just to construction projects.

   The Act defines an Iran Linked Business as:
   - i A person engaging in investment activities in the energy sector of Iran, including a person that provides oil or liquefied natural gas tankers or products used to construct or maintain pipelines used to transport oil or liquefied natural gas for the energy sector of Iran;
   - ii A financial institution that extends credit to another person, if that person will use the credit to engage in investment activities in the energy sector of Iran.

   If the Oakland Schools determines, using credible information available to the public, that a person or entity has submitted a false certification, Oakland Schools must provide written notice to the person or entity of its determination and of its intent not to enter into or renew the contract. The notice must include information on how to contest the determination. The notice must also specify that the individual or entity may become eligible for future contracts with the public entity if the activities that caused it to be an Iran Linked Business are ceased.
6. Quality of Goods
   Bidder shall only bid new (not used or refurbished) items only. Seller warrants that all supplies, materials and equipment and services covered by a contract/purchase order with a Participating Entity will: (a) conform to the specifications, drawings, written instructions, samples, or descriptions;
   (b) Be of good quality and workmanship; (c) be free of defects in design, materials and workmanship;
   (d) Be merchantable; (e) be fit for particular purposes applicable to the design, function or use of the supplies, materials and equipment.
7. Taxes

The Participating Entities are exempt from State Sales Taxes and such taxes shall not be included in any solicitation prices. Exemption certificates will be provided upon request.

8. Shipping Costs
   Prices for all supplies, materials and equipment **MUST include total freight, insurance and delivery** charges to the ordering destination ("FOB Destination").
9. Delivery
   Delivery must be made as instructed on the contract/purchase order with the Participating Entity. All services must be delivered as specified by the Participating Entity.
10. Hazardous Materials
    If any hazardous chemicals are supplied under a contract/purchase order arising out of this solicitation, a Material Safety Data Sheet (MSDS) shall accompany the delivery of any hazardous chemicals supplied by the Contractor. All MSDS sheets shall be sent to the attention of the Participating Entity. Ref: State of Michigan Act 154, Section 14, P.A. 1974 as amended. Copies of MSDS for all purchased hazardous materials must be provided prior to delivery of any items by the Contractor. Additionally, the MSDS needs to be attached to the invoice and all products delivered must be labeled according to Section 14 of Act 154, of the public Acts of 1974, as amended. Any appropriate products not labeled will be refused and the Contractor will be responsible for additional freight charges. Payment may be withheld until the Participating Entity receives the MSDS.
11. Acceptance
    Inspection and acceptance of supplies, materials and/or equipment will be made after delivery at destinations specified on the contract/purchase order with the Participating Entity, unless otherwise stated. Final inspection shall be acceptance except in regard to latent defects, fraud or such gross mistakes as to amount to fraud. Final inspection and acceptance or rejection of the supplies, materials and/or equipment will be made as promptly as practicable, but failure to inspect and accept or reject supplies, materials and/or equipment shall not impose liability on the Participating Entity for such supplies, materials and/or equipment that are not in accordance with the specifications of this solicitation or the contract/purchase order of the Participating Entity.
12. Modifications to Contracts
    No modifications to a contract/purchase order with a Participating Entity shall be binding upon such Participating Entity unless agreed to in writing signed by an authorized representative of the Participating Entity.
13. Indemnification
    Contractor agrees to indemnify, defend and hold harmless OS, each Participating Entity and each Other Agency, including their Board of Educations or governing body, in their official and individual capacities, employees, agents, successors and assignees, from and against any and all costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of the: (i) negligent act or omission or willful misconduct of the Contractor, its officers, directors, employees, successors, assignees, Contractors and agents; (ii) any breach of the terms of the contract between the Participating Entity and the Contractor; or (iii) any breach of any representation or warranty by Contractor under the contract with a Participating Entity or this solicitation.
14. Anti-discrimination
    The Contractor hereby agrees to comply with all federal, state and municipal equal opportunity and antidiscrimination guidelines and regulations, and covenants that the Contractor will not discriminate against an employee or applicant for employment with respect to hire, tenure terms, conditions or privileges of employment, or in a manner directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, marital status or disability. Failure on the part of the Contractor to comply with said guidelines and regulations shall, upon reasonable notice, constitute grounds for a Participating Entity to revoke and otherwise terminate the contract and all obligations of the Participating Entity hereunder.
15. Local Contract Terms and Conditions
    For procurements of supplies, materials, equipment and/or services resulting from this solicitation, it is clearly understood and agreed to by the Contractor that any clause, term, or condition not addressed in this solicitation, but required by a Participating Entity, shall be adhered to by said Contractor.
16. Governing Law
    Any contract arising out of this solicitation shall be governed by and construed under the laws of the State of Michigan. In the event of any legal action to enforce or interpret any contract arising out of this solicitation, the sole and exclusive venue shall be the state or federal court of the local jurisdiction where the Participating Entities located.

B. Additional Member Agency Terms and Conditions for Non-Construction Products and Services: Special Bid Requirements for Supplies, Materials and Equipment: All supplies, materials, and equipment sold or leased to Michigan intermediate school districts or K-12 public school districts must be in accordance with MCL 380.623a and 380.1274, respectively. The procurement of supplies, materials and/or equipment in a single transaction costing more than the State of Michigan Competitive Bidding threshold set forth in MCL 380.623a and 380.1274 by an intermediate school districts or K-12 public school districts requires the district to obtain competitive bids and the purchase must be approved by the

district's Board of Education. Participating Entities, other than from K-12, choosing to purchase from awarded AEPA contracts are subject to their own respective laws, and/or local policy, procedures, and/or Charters.

C. Additional Member Agency Terms and Conditions for Construction Products and Services:

Special Bid Requirements for Construction, Renovation and Remodeling: All Contractors understand and agree that the use of AEPA contracts is not intended for use by Michigan intermediate school districts or public K-12 school districts for construction, renovation or remodeling projects under MCL 380.1267 and agree to comply with all applicable standards and statutes for said construction projects. Participating Entities, other than from K-12, choosing to purchase from awarded AEPA contracts are subject to their own respective laws, and/or local policy, procedures, and/or Charters.

D. Procedure for Processing Orders

1. Once the award is made to a Contractor, OS will inform the Participating Entities and Other Agencies of the award by announcing the award through its general and usual methods of disseminating information.
2. OS requires the awarded Contractor to take ownership and actively promote the contract in cooperation with OS to all qualified Participating Entities and Other Agencies.
3. Oakland Schools follows the AEPA Standard Ordering Process (see Part A, III. General Terms and Conditions for All Agencies, "Ordering Procedures").
4. Administrative Fee:

   a. Contractors shall be required to pay a two percent (2%) administrative fee (the "Fee") based on the total cost of goods or services purchased, including installation and freight, if applicable. In the event of a lease arrangement, the total Fee for the value of goods leased shall be paid to OS by the Contractor at the front end of the lease. Contractor or its designated authorized reseller(s) shall not include any additional amount corresponding to the Fee in the bid responses or awarded prices. **Administrative fee payments and sales reports are to be submitted to Oakland Schools on a quarterly basis.**

E. Agencies Allowed to Purchase under the Member Agency:

OS serves all local school districts located in Oakland County, Michigan. In addition to, and in accordance with the terms and conditions set forth in this solicitation, all **public school districts, private schools, public school academies and intermediate school districts** in the State of Michigan shall be permitted to use AEPA solicitations approved by OS. In accordance with the terms and conditions set forth in this solicitation, **colleges, universities, counties, cities, townships, villages, and non-profit organizations** may also use select AEPA solicitations. It should be clearly understood that OS is assisting these Participating Entities as a service to procure selected supplies, materials and equipment and services desired by the Participating Entity. Both the Contractor and any Participating Entity using this solicitation agree that the OS makes no representation that use of this solicitation by any Participating Entity is, in fact, in compliance with rules, regulations, policy or procedures of the Participating Entity. In this regard, the OS strongly suggests that, at a minimum, the Contractor and any Participating Entity considering such use consult with their own legal counsels before doing so. All Participating Entities using AEPA solicitations shall be responsible for adhering to their own applicable rules, regulations, policies, procedures and state statutes, etc., which may govern the use of cooperative purchasing contracts within their respective jurisdictions.

11. Minnesota, Cooperative Purchasing Connection (CPC)

A. General Terms and Conditions that apply for all categories

1. Hazardous Substances: All hazardous products purchased by members shall include a Safety Data Sheet (SDS) with the delivery.
2. Lease and Rental Agreements: Vendor may allow CPC participating agencies to enter into rental, lease, or lease purchase agreements, providing such agreements are in compliance with Minnesota Statutes and guidelines. CPC must receive a report annually summarizing the executed lease purchases along with a summary of the agencies' purchases. CPC will not collect lease payments or be involved in the terms and conditions of the lease. All lease arrangements are between the vendor and the CPC participating agency. Vendor agrees that leases will be in compliance with the Uniform Commercial Code. A two percent (2.0%) administrative fee must be included in the lease cost based on the total value of the goods and applicable services purchased. This fee is referred to under ordering process.
3. CPC Training Seminar: Contracted vendors and their participating sub-contractors are required to participate in an online CPC training session (CPC 101) that is designed to educate the vendor (and sub-contractors) on the purpose and nature of CPC. A contracted vendor will not be marketed to CPC participating agencies until they have completed the CPC 101 training.

B. ***Additional Participating Agency Terms and Conditions for Non-Construction Products and Services***

If requested by CPC, the contracted vendor will work with CPC to develop an order form, or order forms, containing the most commonly purchased items, that CPC can utilize to market the contracted vendor to its participating agencies.

C. ***Additional Participating Agency Terms and Conditions for Construction Related Products and Services***

Upon acceptance and approval of the Vendor's offer by AEPA, CPC will independently consider the offer and conduct a conference call with the Vendor to determine if the Vendor is able to meet the necessary requirements for construction related products and services and to enter and execute a contract in the state of Minnesota. The contracted vendor will be required to work with CPC's participating agencies and require that an architect's signature or certification is noted on the specifications as required by **Minnesota Statute §326.12 subd. 3**. With certain exceptions, **Minnesota Rules part 1800.5200, subpart 1**, requires a licensed architect or engineer to prepare and certify specifications for building alterations or renovations. Once CPC and the Vendor are able to confirm that business is able to be conducted in Minnesota, CPC will make a final decision to complete the contract execution process.

For all quotes provided to participating agencies, for construction related projects, products and services, the contracted vendor must also send a duplicate quote to CPC. The quote provided to CPC must include the contact information of the participating agency.

D. Procedure for Contract Award, Notification and Processing Orders

Once the award is recommended by the AEPA Review Committee, CPC considers the recommendation based on the value of the potential contract for its participating agencies. Participating agency is defined as any city, county, public or private educational agency, nonprofit or governmental agency that is a participant of CPC as described in Section E. In the event of an award by the Board of Directors, CPC will inform its members of the award and contract by the following methods along with contract instructions and ordering process.

1. The contract opportunity is listed and promoted on the CPC website (**www.purchasingconnection.org**).
2. Announcing the award in CPC newsletters.
3. CPC will publish the contract and marketing information through a hard copy marketing flier and electronic email. Contracts are promoted through PDF and a hard copy product catalog distributed at statewide trade shows and agency meetings on a regular basis. CPC will require a marketing flier, brochure, or other similar marketing pieces, in an editable, electronic format, from each vendor promoting the available contract with the vendor, and/or a web page or link. CPC may assist in the development of the marketing flier and material (if requested by vendor), but in all cases shall have authority to review and approve any marketing materials. If a web site is used, the link will be made available from the CPC web page. Any web page or link, or other marketing tool shall be dedicated to AEPA information only.
4. When the member identifies a desired product or service, the member and the vendor may negotiate with each other to establish a description of items and/or services. The vendor shall quote a price to the member, in writing, using AEPA established discounts and including the two percent (2%) administrative fee in the quoted price. The administrative fee shall be based upon the total cost of goods and/or services including installation costs. The administrative fee shall not be listed as a separate line item on the quote. When a member decides to purchase through the CPC-AEPA contract, the member issues the purchase order directly to the vendor. The purchase order must include the total invoiced cost, based on

The total cost of goods, service, and installation, including the 2% administrative fee.

5. Notification will be made to the vendor in the event the purchase order is not in compliance with the contract and adjustments will be made at that time. NDESC and the vendor will mutually resolve any issues with regard to past purchases. The purchase orders are to continue to be processed and viewed as approved unless notified by NDESC otherwise. All sales and transactions may continue without delay or in anticipation of the NDESC purchase order verification.
6. Once all the items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, the vendor then files a copy of the final invoice, which is available to NDESC by request in support of the quarterly sales summary. The invoice is to be marked "Copy".
7. Vendor makes all deliveries and installations of products and services. CPC does not warehouse items or provide installation services.
8. CPC's participating agencies purchasing construction related products and/or services may, as required by statute, or at their discretion, require the vendor to post a performance bond.
9. This administrative fee is to be paid by the vendor to CPC, quarterly, within 20 working days after the end of each fiscal quarter. The AEPA vendor shall also submit to CPC a sales report, in Excel format, listing the following information:
    - Name of service cooperative region
    - Name of purchasing agency
    - Address of purchasing agency
    - Date of sale
    - Standard sale price
    - Sale price with AEPA discount
    - Administrative fee generated by sale
    - Savings generated by sale

    This report shall include all sales made and payments received by the vendor in said quarter. The sales report shall be emailed to Melissa Mattson at **mmattson@lcsc.org** and copied to Lori Mittelstadt at **lmittelstadt@lcsc.org.** The administrative fee payment shall be delivered to Melissa Mattson, CPC, 1001 E. Mt. Faith, Fergus Falls, MN 56537. The check shall be made out to Lakes Country Service Cooperative.
10. In the event of a lease, the total administrative fee for the value of goods shall be paid to CPC by the vendor at the front end of the lease. CPC reserves the right to review all purchase orders, lease documents and invoices to insure contract compliance.
11. CPC requires that all participating vendors offer the contract opportunity to all CPC participating agencies. Participating agencies is defined under Section E (below).

E. Agencies Allowed to Purchase under the Member Agency

In Minnesota, the Service Cooperatives, organized pursuant to Minnesota Statute 123A.21, are public, nonprofit cooperatives designed to provide a variety of services to their participating agencies, including, but not limited to, cooperative purchasing services. The service cooperatives currently provide purchasing contracts to over 3,000 participating agencies (schools, cities, counties, other governmental organization and nonprofit agencies) in Minnesota and South Dakota through the Cooperative Purchasing Connection. Participation with CPC is required for contract participation.

F. Governing Law

The laws of the State of Minnesota govern all contracts resulting from this IFB. Each and every provision of law and clause required by law to be included in a contract shall be deemed to be inserted herein and the contract shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction.

12. Missouri, Cooperating School Districts of the Greater St. Louis Area, (CSD)

A. Additional Agency Terms and Conditions

Lease and Rentals: Vendor may allow CSD members to enter into rental, lease, or lease purchase agreements, providing such agreements are in compliance with Missouri statutes and State Department of Education policies, rules and regulations. CSD must receive a copy of the executed leasing documents prior to processing a purchase order. CSD will not collect lease payments. Bidder agrees that leases will be in compliance with the Uniform Commercial Code. All terms of leasing must be included in the proposal, with interest rates described as related to a government standard. Bidder must indicate in its response to this solicitation if the shipping costs for the return of leased or rented equipment are the responsibility of the CSD member, and what that cost will be. No sale of a contract to a third party will be made without first informing CSD and the CSD member of the sale. If Bidder sells a lease contract to a third party, the cost of return must not be greater than the cost of return to the original vendor. A 2% administrative fee must be included in the lease cost based on the total value of the goods purchased. This fee is referred to under ordering process.

B. Procedure for Processing Orders

(1.) Once the award is made to the vendor, CSD will inform its members of the contract by announcing the award in its periodic newsletter and other CSD member presentations as well as regular electronic and direct mail communications to members.

(2.) CSD may require a marketing flier from each vendor promoting the contract and AEPA relationship. CSD will assist in the development of the marketing flier and material. This flier will be for distribution as well as posted on the CSD online catalog and disseminated to all members. At this point the vendor must contact the members and members may contact the vendor. Note: CSD requires the awarded vendor to take ownership and actively promote the contract in cooperation with CSD to all qualified customers.

(3.) When the member identifies a desired product or service as available through the AEPA contract and agrees on price as presented to the member by the awarded AEPA vendor, the member then issues to the vendor a purchase order for that item or service.

(4.) The purchase order must include an additional two percent (2%) administrative fee in the total cost, based on the total cost of goods and service including installation and freight if applicable. This fee is to be forwarded by the vendor to CSD after the sale and payment is made to vendor. Payment shall be made to CSD on a quarterly basis along with complete sales history during that period.

(5.) When all the items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, vendor then forwards a copy of the invoice to CSD. The invoice is to be marked "Copy". The invoice shall include the additional 2% administrative fee to the total amount invoiced based on the goods and services as defined and provided by the vendor. The administrative fee percentage is based on the total sale of goods and services including installation and freight if applicable. In the event of a lease, the total administrative fee for the value of goods shall be paid to CSD by the vendor at the front end of the lease.

(6.) Vendor makes all deliveries and installations of products and services. CSD does not warehouse items nor provide services.

(7.) All participating vendors agree to and are subject to audit proceedings of AEPA member sales.

C. Members Purchasing Under the Agency

We take great pride in the fact that the Business Services Division of CSD is providing a complete line of purchasing services to our 56 member school districts and over 265 additional school districts and educational institutions throughout Missouri and Illinois. For those of you who have not participated in the past with the Business Services Division, it is important to note that we serve students in 321 public, private and parochial schools within our service area. CSD was created in 1928 with its primary focus aimed at improving educational opportunities for all students. Our goal is to promote efficient use of educational dollars, and simultaneously provide an ongoing market for those vendors doing business with CSD. The Cooperating School Districts of Greater St Louis serves schools and political subdivisions in the following states: Illinois, Wisconsin, Oklahoma, Arkansas, North and South Carolina, South Dakota.

D. Governing Law

Any municipality or political subdivision of this state, as herein defined, may contract and cooperate with any other municipality or political subdivision, or with an elective or appointive official thereof, or with a duly authorized agency of the United States, or of this state, or with other states or their municipalities or political subdivisions, or with any private person, firm, association or corporation for the planning, development, construction, acquisition or operation of any public improvement or facility, or for a common services; provided, that the subject and purposes of any such contract or cooperative action made and entered into by such municipality or political subdivision shall be within the scope of the powers of such municipality or political subdivision . If such contract or cooperative action shall be entered into between a municipality or political subdivision and an elective or appointive official of another municipality or political subdivision, said contract or cooperative action must be approved by the governing body of the unit of government in which such elective or appointive official resides.

13. Montana, Montana Cooperative Services (MCS)

A. .Additional Agency Terms and Conditions

Advertising: MCS will require a marketing flier in electronic form from each vendor promoting the contract or a web page of contact. MCS will assist in the development of the marketing flier and material. This flier will be for distribution and used as a page on the MCS web site. If a web site is used, a link will be established on the MCS web page.

Price and Packaging Information: It is mandatory that all bidders include both the LIST PRICE and BID PRICE on each item for consideration. Failure to include both prices could disqualify the bid. Complete Product Specification Sheets or brochures must be submitted when requested. Failure to provide said specification sheets could disqualify the bid.

B. Procedure for Processing Orders

(1) Once the award is made to the vendor, MCS will inform its members of the contract by:

(a) Including the contract in the agency database that is available on the MCS website.

(b) Announcing the award in its periodic newsletter and other MCS member presentations as well as regular electronic and direct mail communications to members.

(2) When the member identifies a desired product or service as available through the Agency contract and agrees on price as presented to the member by the awarded Agency vendor, the member then issues to the vendor a purchase order for that item or service.

(3) An additional two percent (2%) administrative fee is to be included in the cost, based on the total cost of goods and services, including installation. This fee is to be forwarded by the vendor to MCS after the sale and payment is made to the vendor.

(4) When all the items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, the vendor then forwards a copy of all sales to MCS. These sales are to be reported on a quarterly basis and include purchaser and sales.

(5) Vendor makes all deliveries and installation of products and services. MCS does not warehouse items nor provide services.

(6) MCS requires that all participating vendors offer the contract opportunity to all qualified membership. Qualified membership is defined under E.

C. Agencies allowed to Purchase under the Member Agency

MCS is a Montana based, legislatively created, cooperative organization formed under Montana state statute section 20-9-204 Senate Bill # 329 allowing services to all qualified agencies in a cooperative manner. No agency is obligated to use these services and contracts, but they will find the benefits of low price advantageous.

Qualified agencies include all public educational institutions to include universities, community colleges, technical colleges, state and private schools, charter schools, as well as all cities, counties, governmental agencies and all nonprofit organizations.

14. Nebraska, Educational Service Unit Coordinating Council (ESUCC)

A. Additional Agency Terms and Conditions

1) Bid Award Determination: The bidder hereby agrees to these bidding conditions by virtue of submitting this signed document on or before the Bid Opening date as specified below.

2) Natural Gas Contractors: Any bids relating to natural gas shall be based upon an awareness of NEB. REV. STAT. § 75-501, adopted in conformity with Rules, Regulations, and Interpretations of Federal Agencies with authority to regulate pipeline common carriers and interstate commerce.

3) Performance Bonds: Upon execution of a contract between an ESUCC member and the prime contractor for construction or public improvement, performance and payment bonds shall be provided the member. Such bonds may be required for non-construction contracts. If so required, a performance bond in an amount equal up to 100% of the price specified in the contract between the member and a surety company authorized to do business in Nebraska shall be executed by the prime contractor. Performance bonds between the member and the prime contractor shall be on standard forms. If so required, a payment bond in an amount equal up to 100% of the price specified in the contract between the member and a surety company authorized to do business in Nebraska, shall be executed by the prime contractor. This bond will protect all persons supplying labor and material to the prime contractor for the performance of the work provided in the contract. Payment bonds between the member and the prime contractor shall be on the standard form. The prime contractor shall deliver copies of both the performance and payment bonds to ESUCC at the time the contract between the member and the prime contractor is executed. All suits for nonpayment or nonperformance shall be filed as allowed under Nebraska law. The prime contractor will be responsible for providing ESUCC with copies of all contracts and bonds in accordance with ESUCC procedures.

4) Insurance: Contractors shall secure and keep in force during the term of any awarded agreement the following insurance coverages from insurance companies authorized to do business in Nebraska:

- Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person for any number of claims arising out of a single occurrence and $5,000,000 for all claims arising out of a single occurrence.
- Automobile liability, including Owned (if any), Hired, and Non-Owned automobiles, with minimum liability limits of $1,000,000 per person for any number of claims arising out of a single occurrence and $5,000,000 for all claims arising out of a single occurrence.
- Workers compensation coverage meeting all statutory requirements.

5) Special Bid Security: ESUCC reserves the right to reject any or all bids in whole or in part; to waive any formalities or irregularities in any bids, and to accept the bids, which in its discretion, may be for the best interest of ESUCC. Nothing in the solicitation for bids or acceptance of bids is to be construed as an assertion that zoning or other land use authority is appropriate to the placement of any portable classrooms, the subject of any bids hereto. As to whose duty it is to ascertain whether zoning and land use is appropriate as to any portable classrooms upon which any vendor is the successful bidder, shall be set forth in the bid specifications by the vendor. Any deviation from housing and urban development standards or uniform building code standards that may be a term of the bid by any vendor shall be clearly set forth in the bid. Whether or not any portable or other building as bid includes architectural or engineering services as required by NEB. REV. STAT. § 81-3445 or if the building is exempt under NEB. REV. STAT. § 81-3449 because it is a public work not to exceed $100,000.00 or whether the building is not exempt, the bid shall include specific statements as to how the aforementioned statutes will be complied with. NEB. REV. STAT. § 73-101 provides for the manner and methods which public letting will occur. Section 73-106 exempts the expenditure of funds for construction, remodeling, or repair of any school owned building or for site improvement, if the contemplated expenditure for the complete project does not exceed $100,000.00. The granting of a bid to a vendor does not absolve the bidder from also complying with NEB. REV. STAT. § 73-101 and NEB. REV. STAT. § 73-106 of the Nebraska statutes. Any bid accepted by ESUCC shall also be subject to NEB. REV. STAT. § 73-102 which requires a contractor to file a statement that the vendor or bidder is complying with and will continue to comply with fair labor standards in the pursuit of his business and in the execution of the contract on which he is bidding. A form statement to that effect is available from Mr. Craig Peterson at Nebraska ESUCC Cooperative Purchasing.

6) Debarment and Suspension: Contractors shall comply with Executive Orders 12549 and 12689 as applicable. Contractors may be debarred for a period of two (2) years, unless earlier modified by the Special Awards Committee of ESUCC for any of the following conduct: (a.) Repeatedly not following the bid process. (b.) Repeatedly submitting non-responsive bids. (c.) Any behavior, which has as its effect injuring the integrity of the bid process. (d.) Failure to deliver goods pursuant to a successful bid. (e.) Repeated lack of acceptable handling and delivery of goods pursuant to a successful bid. (f.) Repeatedly not meeting delivery deadlines. (g.) Repeated failure to timely rectify damages of goods, or shortages of goods when it is the responsibility of the contractor to take such action. (h.) Conviction of a crime of dishonesty. (i.) Debarment or suspension by any agency or

Federal Agency by the contractor or any of its key employees. (j.) Other conducts which materially and adversely affects the services of ESUCC Cooperative Purchasing program.

7) Statement Filed: A bidder who is awarded a contract for any goods or services pursuant to this IFB shall file with ESUCC a statement as required by NEB. REV. STAT. § 73-102.

8) Nondiscrimination: The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of any awarded bid or agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

9) Employment Eligibility Verification: The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with any awarded bid or agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

10) Federal Funding. It is understood that purchases may be funded in whole or in part with funds allocated by the Federal government, including the U.S. Department of Education and is therefore subject to those regulations, restrictions, and conditions normally associated with federally funded programs and any other requirements that the state or federal government may prescribe including, but not necessarily limited to, the following:

- **Equal Employment Opportunity:** The Bidder shall comply with the Equal Employment Opportunity Clause required under Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60).
- **Copeland "Anti-Kickback" Act:** The Bidder shall comply with the Copeland "Anti-Kick Back" Act (40 U.S.C. 3145), as supplemented in Department of Labor regulations (29 CFR 3).
- **Lobbying:** The Bidder agrees and understands that under the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) that Bidders that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352.
- **Contract Work Hours and Safety Standards Act:** The Bidder agrees to comply with the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR part 5).
- **Patent Rights:** The USDOE's and any other federal agency's requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course or under this Agreement include, but are not necessarily limited to, 34 CFR Part 80.
- **Copyrights and Right in Data:** The USDOE's and any other federal agency's requirements and regulations pertaining to copyrights and rights in data include, but are not necessarily limited to, 34 CFR Part 80.
- **Access to Documents:** The Parties and their grantees, the USDOE and/or other federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives shall have access to any books, documents, papers, and records of the Bidder which are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcriptions.
- **Energy Policy and Conservation Act:** The parties shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).
- **Clean Air and Federal Water Pollution Control Acts:** The parties shall comply with all applicable standards, orders, or regulations issued under the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387).
- **Buy American:** To the maximum extent practicable, the Bidder will purchase domestic commodities or products produced in the United States or processed substantially using commodities produced in the United States
- **Minority Business Owners:** The ESUCC will contract with minority-owned businesses, women's business enterprises, and labor surplus firms when possible. Steps to ensure compliance with this provision will include:
  - .1 Qualified small, minority, and women's businesses on solicitation lists so that when such businesses are potential vendors, they are included in ESUCC solicitations.
  - .2 Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation for such businesses.
  - .3 Establishing delivery schedules, where requirement permits, which encourage such enterprises
  - .4 Use services of Small Business Administration, Minority Development Agency, or similar state agency to maximize participation.

.5 Require prime Bidder, if subcontracts are to be let, to follow the above steps

11) Governing Law and Venue: All bids and contracts shall be governed by and construed in accordance with the laws of the State of Nebraska. The venue for any litigation arising out of or related to a bid or contract will be in any eligible state or federal court of Nebraska.

12) Public Records: The Contractor acknowledges that the ESUCC and its affiliated schools and members must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include any bid documents or contracts and all records created and maintained in relation to them.

13) Conflict of Interest: By submitting a proposal, Contractor certifies that there does not now exist any relationship between the Contractor and any person or entity which is or gives the appearance of a conflict of interest related to this Request for Proposal. The Bidder certifies that it shall not take any action or acquire any interest, either directly or indirectly, which will conflict in any manner or degree with the performance of its services hereunder or which creates an actual or appearance of conflict of interest. The Bidder certifies that it will not employ any individual known by Bidder to have a conflict of interest.

The Contractor shall not, at any time, recruit or employ any employee or agent who has worked on the Request for Proposal or project, or who had any influence on decisions affecting the Request for Proposal or project.

The submission of the offer did not involve collusion or other anti-competitive practices. Neither signatory nor any person on his behalf, has not agreed, connived or colluded to produce a deceptive show of competition in the matter of the bidding or award of a contract under this solicitation. The Contractor, by submitting a bid, certifies that it has not had a contract with education organizations in State of Nebraska terminated early. If Contractor has had a contract terminated early within the State of Nebraska, Contractor must provide the contract number, along with an explanation of why the contract was terminated early. Contractor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the submitted offer. Contractor certifies that Contractor and Contractor's employees, officers, and associates directly involved in obtaining contracts with the State of Nebraska, ESUCC, or any subdivision of the state have not been convicted of false pretenses, attempted false pretenses, or conspiracy to commit false pretenses, bribery, attempted bribery or conspiracy to bribe under the laws of any state or federal government for acts or omissions after January 1, 1985 ESUCC may cancel any contract if it is found that gratuities in the form of entertainment, gifts or otherwise, were offered or given by Contractor or any agent or representative of Contractor, to any employee of ESUCC with a view toward securing a contract or with respect to the performance of this contract. Paying the expenses of normal business meals, which are generally made available to all eligible school and government employees, shall not be prohibited by this paragraph. Samples of software, equipment or hardware provided to ESUCC for demonstration or evaluation are not considered gratuities.

14) Indemnification: Contractor agrees to indemnify, defend, and hold harmless the ESUCC and/or its member agencies against any and all claims, suits, and/or judgments, including costs, expenses, damages, and reasonable legal fees based upon and arising from Contractor's violation of the rights of others and/or by reason of a breach of any term or condition. Contractor represents and warrants that the contents of any bids or contracts and all figures, illustrations, photographs, charts, and other supplementary material herein are original and do not libel anyone or infringe upon any patent, copyright, proprietary right, or any other right whatsoever of any other party.

B. Procedure for Processing Orders

ESUCC affiliated schools or members send their purchase orders directly to the vendor, the vendor ships directly to the school/member, and direct bills the schools/members the cost of merchandise plus the ESUCC 2% administrative fee. Vendors must provide a quarterly report to ESUCC Cooperative Purchasing. The report will include: Date of sales, school name, ESU affiliation, selling price, list price and savings. The ESUCC Cooperative Purchasing administrative Fee of 2% will accompany each quarterly report.

C. Members Purchasing Under the Agency

ESUCC represents 17 Educational Service Units statewide who in turn service Nebraska school districts with over 300,000 students. ESUCC is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district, sanitary and improvement district, or other Municipal Corporation or political subdivision of the State of Nebraska.

D. Procedure for Processing Orders

All purchase orders will be submitted directly from the purchasing entity to the vendor. ESUCC will not facilitate the processing of purchase orders unless the offering is service related. If it is a service related purchase then the purchase order shall be submitted by ESUCC.

E. Agencies Allowed to Purchase under the Member Agency

Purchases through ESUCC contracts are to be primarily for K-12. However other state entities may use the ESUCC contracts. All inquiries to purchase on the behalf of a non-profit group not in state statute or receiving state funding must be approved by ESUCC.

15. New Jersey, The Educational Services Commission of New Jersey (ESCNJ)

A. Additional Agency Terms and Conditions

Applicability of Contract Provisions to New Jersey Participants

ESCNJ is the AEPA Member Agency. Any entity that uses the contract awarded by ESCNJ under this document is referred to as a "New Jersey Participant." To be a New Jersey Participant the entity must be a member of the ESCNJ Cooperative Pricing System. The bidder that is awarded the contract by ESCNJ is referred to as the "Contractor."

Once a contract is awarded by ESCNJ, a New Jersey Participant may enter into a purchase order agreement directly with the Contractor. To the extent not otherwise described below or in this document, once a purchase order is issued by a New Jersey Participant to a Contractor, all of the provisions of the contract shall benefit and be enforceable by such New Jersey Participant, unless specifically identified as applying to ESCNJ only.

1. The Bidder by submitting its bid hereby declares that this Bid is made without any connection with any other person or person making any proposal for the same items, that it is in all respects fair and without collusion or fraud and that no person acting for or employed by ESCNJ or a New Jersey Participant is directly or indirectly interested in the proposal or in the goods or services to which it relates, or in any portion of the profits there from.
2. **Event of default and termination of Contract:**
   ESCNJ shall have the right to cancel the contract based upon a default by Contractor. A New Jersey Participant shall have the right to cancel its purchase arrangement based on a default by the Contractor with regard to such purchase arrangement. In addition, ESCNJ and each New Jersey Participant reserves the right to withhold payments for goods and services that are not in compliance with the terms of the contract or if the Contractor is in default. Any of the following shall be a default under the contract: 1) The Contractor fails to adequately perform the services set forth in the contract; 2) Contractor fails to deliver all or any part of the goods, or delivers defective goods; 3) The Contractor fails to make progress in the performance of the contract and/or does not deliver within the agreed-upon schedules; 4) The Contractor fails to observe any of the terms and conditions of the contract, including, without limitation, assigning the contract and/or failing to deliver required insurance or performance bonds; 5) The Contractor fails to follow the established procedure for purchase orders, invoices and receipt of funds as stipulated by the New Jersey Participant; or 6) the Contractor has become insolvent, makes an assignment for the benefit of creditors, files a voluntary petition in bankruptcy or is subject to an involuntary petition in bankruptcy not discharged within thirty (30) days. ESCNJ and each New Jersey Participant shall follow the following procedure if the contract or purchase order is to be terminated:

   Step 1 - Issue a warning letter of concern outlining the violations and length of time to correct the problem(s). The length of time to correct the problem shall be determined by ESCNJ or the New Jersey Participant, as applicable, in its sole discretion, based on the problem.

   Step 2 - Issue a letter of intent to cancel the contract or purchase order, if the problem(s) is not resolved by the given date.

   Step 3 - Issue the letter to cancel contract or purchase order.

   Upon receipt of the written notice of concern, the Contractor shall have ten (10) business days to provide a satisfactory response to ESCNJ and the New Jersey Participant that provided the notices. Failure on the part of the Contractor to address adequately all issues or concerns may result in contract cancellation.

   The remedy to terminate and withhold payments is in addition to any other remedies ESCNJ and the New Jersey Participants may have. In the event of Contract termination by a New Jersey Participant, such New Jersey Participant's payment obligation shall cease as of the final date on which services in accordance with this Contract are last performed by the Contractor. Upon termination of this Contract under this section, the Contractor (and its surety) will be responsible for all of such New Jersey Participant's expenses, losses and damages incurred in replacing Contractor for the remainder of the term of the Contract.

3. **Assignment:**
   Contractor shall not subcontract, assign, transfer, convey, sublet or otherwise dispose of its/his/her contractual duties to any other person, firm, or corporation, without the previous written consent of ESCNJ and any New Jersey Participant that has an outstanding open purchase order or financing arrangement. If the Contractor wants to assign its/his/her right to payment of the Contract, Contractor shall notify ESCNJ and any New Jersey Participant that has an outstanding open purchase order or financing arrangement immediately, in writing, of such assignment of right to payment. In no case shall such assignment of Contract relieve the Contractor from its/his/her obligations or change the terms of the Contract.

4. **Indemnification:**
Contractor shall indemnify, defend, keep and save harmless ESCNJ, each New Jersey Participant and its respective agents, officials, employees and volunteers (each an "Indemnified Party") against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses (including attorneys' fees) which result from, arise out of, or in connection with the performance, or breach of performance, under the Contract of Contractor and any of its/his/her employees, agents or personnel. The Contractor shall, at its/his/her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising there from or incurred in connection therewith; and if any judgment shall be rendered against the Indemnified Party in any such action, the Contractor shall, at its/his/her own expense, satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Indemnified Party as herein provided.

5. **New Jersey** Participant Policies:
The Contractor must be familiar with a New Jersey Participant's policies or regulations which affect the services provided under this Contract and that have been or will be distributed during the term of this Contract. Policies and regulations include, but are not limited to, New Jersey Public Contracts Law, school district policies, municipality policies, charters school policies, and county ordinances.

As each board of education, municipality governmental agency, educational institution in the State of New Jersey may have or may be required to have individual policies and procedures for the procurement of goods and services; and as one of the aforementioned institutions/agencies may be dependent upon the policies/procedures of another institution or agency, it is required for the Contractor to be familiar with the policies of the New Jersey Participant that impact the purchase. In limited situations, there may be State statutes which govern the allowability of purchases to be reimbursed by State funding. The New Jersey Participant should obtain its own legal advice on these statutes prior to purchasing under a contract.

The following documentation will be required prior to the award of any contract for New Jersey Participants:

1. New Jersey Business Registration Certificate - Before award in NJ, not at time of bid

6. **Performance Bonds:**
Each New Jersey Participant may require a performance bond in the case of services to be performed under the Contract if required. The Contractor shall furnish to the New Jersey Participant a Surety Performance Bond ("Performance Bond") with an option to renew each succeeding year of the Contract in a form satisfactory to the New Jersey Participant assuring the faithful performance of the Contract. The Bond shall be equal to one hundred percent (100%) of each year's estimated Contract price as reviewed and agreed upon by the New Jersey Participant, and shall be continued for the life of the Contract in amounts equal to one hundred percent (100%) of each year's estimated Contract price as reviewed and agreed upon by the New Jersey Participant. The Contractor must send such Performance Bond to the New Jersey Participant prior to the commencement of any services under the Contract. Each such Performance Bond shall be furnished by a surety company acceptable to the New Jersey Participant and licensed or authorized to do business in New Jersey. Failure to deliver the bond shall be considered a default under the Contract, at the discretion of and upon notice by the

New Jersey Participant.

7. **Governing Law:**
This Contract shall be governed by, and construed and enforced in accordance with, the laws of the State of New Jersey without regard to its conflicts of laws principles.

8. **Financing Arrangements:**
Any financing arrangements (including lease purchasing arrangements) may be made directly between the Contractor and a New Jersey Participant or with the free ESCNJ Leasing Program. Financing arrangements may be subject to additional laws, rules and regulations, terms and conditions not described in this document and are subject to separate negotiation with each New Jersey Participant that is interested in such an arrangement. Each New Jersey Participant should seek its own legal advice prior to entering into a financing arrangement. ESCNJ must receive a report annually summarizing the executed lease purchases along with the summary of the customer purchases. ESCNJ will not collect lease payments or be involved in the terms and conditions of the Contractor lease. All lease arrangements are between the Contractor and the New Jersey Participant only.

9. **Affirmative Action:**
The Contractor/Vendor must have an employment policy that there shall be no discrimination against anyone on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, mental retardation, physical disability or sexual orientation in the hiring, upgrading, demotions, recruitment, termination and selections for training, in any manner prohibited by the laws of the United States or of the State of New Jersey. The Contractor/Vendor further agrees to be an "affirmative action-equal opportunity employer." The Contractor/Vendor must provide one of the following: "Letter of Federal Affirmative Action Plan Approval", "Certificate of Employee Information Report" or a completed "Employee Information Report Form AA302" prior to award bid.

10. **Independent Contractor:**
The Contractor shall not be held or deemed in any way to be the agent or employee of ESCNJ and/or a New Jersey Participant. It is the intention of the parties that the Contractor shall be and is to be considered an independent contractor.

11. **Incorporation of Bid Documents:**
The bid documents, including all appendices executed by Contractor that have been accepted by ESCNJ (the "Bid") are specifically incorporated into this Contract.

12. **New Jersey Public Records Act:**
The Contractor acknowledges that ESCNJ and New Jersey Participants are subject to the New Jersey Public Records Act, New Jersey Public Contracts Law and information submitted to ESCNJ and/or such New Jersey Participants may be made available to the public under the provisions of the this Act.

Marketing and Advertising under this Contract - applicable to Member Agency (ESCNJ) contract only:

1. Contractor agrees to provide ESCNJ with a copy or proof sheet of all advertisements, customer communications or promotional material for approval. Contractor will provide ESCNJ with date of release and name of publication, journal, etc. if applicable.
2. Contractor will include the approved ESCNJ logo, web address, bid #, bid title, bid term, NJ State Approved Co-op #65MCESCCPS and contact information in all print, electronic mail and other advertising and promotion intended for release in New Jersey.
3. The ESCNJ logo and information shall be of a clearly readable size and in appropriate proportion to other elements in the print material.
4. Contractor agrees to make available ESCNJ supplied brochures or other promotional materials on booths, tables, etc. of any or all exhibits for which the Contractor displays/participates at tradeshows, conventions and the like. Contractor will supply scheduled exhibit dates in advance.
5. Contractor agrees to insert the approved ESCNJ logo, web address, NJ State Approved Co-op #65MCESCCPS bid #, bid term and contact information on the Contractor's website promoting and providing a link to the ESCNJ website. Contractor will also provide ESCNJ with text, links and logos to be posted on the ESCNJ website.

B. **Procedures for Processing Orders**
1. Once the award is made to the Contractor, ESCNJ will inform the potential New Jersey Participants of the Contract, including a webpage dedicated to the contract on the ESCNJ website. At this point, the Contractor may directly contact any potential New Jersey Participant and any potential New Jersey Participant may directly contact the Contractor.
2. Purchase orders will not be accepted or processed by ESCNJ. All business will be contracted directly with the New Jersey Participant, which will issue a purchase order and provide payment for the applicable good or service directly to the Contractor.

3. The total cost of ESCNJ's program is funded through a 2.2% participation fee paid to ESCNJ quarterly by the participating Contractors. The administrative fee percentage is based upon the total sale or lease of goods and services, including installation, if included. This fee shall be included in all price quotations to New Jersey Participants and shall not be printed as a line item on the quotation.
4. Along with the participation fee, the Contractor will produce and provide to ESCNJ quarterly reports ending March 31, June 30, September 30 and December 31 throughout the contract period. The reports shall be in Microsoft Excel and be available in electronic form, shall identify the Contractor and the quarter being reported, shall be delivered to ESCNJ on the 15th of the month, shall include a minimum of the fields listed below and shall allow for sorting on any of these fields:
    1. Date of order.
    2. The name of the New Jersey Participant.
    3. ESCNJ Bid Number
    4. ESCNJ Co-op Number (New Jersey State Approved Cooperative Pricing System #65MCESCCPS)
    5. List (or academic) price sales totals.
    6. New Jersey Participant price sales totals.
    7. New Jersey Participant savings totals to be sent to the ESCNJ in summary and to each individual New Jersey Participant.
5. Quarterly reports and administrative fee payments are to be made payable to ESCNJ and sent to ESCNJ, 1660 Stelton Road, Piscataway, NJ 08854, Attn: Patrick M. Moran, or such other address that ESCNJ will provide from time to time.
6. If no purchases are made in any given quarter, the Contractor shall remit a "No Activities" statement to ESCNJ for that quarter. The Contractor will also produce and provide to ESCNJ an annual summary report for all purchases made under each contract awarded by ESCNJ pursuant to this document for a period beginning with the award of the contract and ending December 31st and all consecutive annual periods, if the contract is extended.
7. New Jersey School Districts and other eligible New Jersey Participants are normally exempt from sales tax. The Contractor/Vendor should confirm this exemption and collect a tax-exempt letter from each New Jersey Participant.

C. Members Purchasing Under the Agency

There are 678 operating school districts in New Jersey and all are eligible for membership. No district is obligated to use these services. Additional New Jersey Participants may include other public educational institutions, public colleges or universities, community colleges, vocational or technical schools, municipal governments, and other governmental, quasi-governmental, or non-profit organizations. The ESCNJ Cooperative Pricing System currently has 1,200+ New Jersey Participants located in all 21 Counties of the State of New Jersey.

CONFLICT OF INTEREST

An ESCNJ employee (including independent contractors for purposes of this definition) placing an order or recommending a vendor must disclose any relationship with that vendor which would not be considered an "arms-length" or independent transaction. This disclosure must be made in writing to the Business Administrator and/or Chief Financial Officer for an evaluation. The Business Administrator and/or the Chief Financial Officer will respond to this disclosure in writing.

For a transaction to be considered "arms-length" or "independent", an ESCNJ employee should not be influenced, dependent upon, guided or controlled by a vendor into choosing that vendor, or item to purchase; nor should it appear to a third party that an ESCNJ employee made a purchasing decision which appears to be based upon a personal relationship between the ESCNJ employee and vendor.

The following are examples when a transaction is NOT considered arms-length or independent: (1) when there exists a personal relationship between an ESCNJ employee and a vendor, (2) when there exists the potential for a personal benefit to an ESCNJ employee, or (3) the parties to a business deal are dependent upon one another for "something" other than the purchase itself.

The Contractor shall disclose any relationship with an ESCNJ employee that would not be considered an "arms-length" or independent transaction, as described above. This disclosure must be made in writing to the Business Administrator and/or the Chief Financial Officer for an evaluation. The Business Administrator and/or the Chief Financial Officer will respond to this disclosure in writing.

In addition, the Contractor shall, if given a copy of the potential New Jersey Participant's conflict of interest policy, follow the process in that policy, or otherwise disclose to a potential New Jersey Participant any relationship that would not be considered an "arms-length" or independent transaction with that New Jersey Participant, as described above. This disclosure must be made in writing to the chief official (for example, the Superintendent at a board of education) at the potential New Jersey Participant.

Determination of the existence of a conflict of interest does not prohibit ESCNJ and/or a New Jersey Participant from entering into the contract and purchase order, respectively.

American Goods - American Goods Clause—N.J.S.A. 18A:18A-20 - American goods and products to be used where possible
All contracts for work for which it will pay any part of the cost or work which by contract it will ultimately own and maintain, that only manufactured and farm products of the United States, wherever available, to be used in such work.

4. Non-Profit, Non-Public Educational Institutions and other Non-Profit Organizations (Section 501(c)(3) of the Internal Revenue Code, Federal Tax Code) is defined as charitable, religious, educational, public service, support and scientific organizations, entities, corporations that qualify as exempt organizations under Section 501(c)(3) of the Internal Revenue Code, or corresponding section of the Federal Tax Code.

CES Supplemental Packet: Upon acceptance and approval of the Vendor's offer by AEPA, CES will independently consider the offer and issue a Vendor's supplemental packet requesting specific information necessary to enter and execute a contract in the state of New Mexico including information relating to: the Vendor's qualifications; ability to conduct business in the

state of New Mexico; and who will be coordinating, promoting, receiving, and processing orders; and providing the prime Contractor's goods and services in New Mexico. Once the prime Contractor provides this information, CES will review, seek clarification (if needed), and conduct a Vendor conference to complete the contract execution process.

CFR - Code of Federal Regulations www.gpoaccess.gov/cfr/index.html

Civil and Criminal Penalties: The New Mexico Procurement Code, Sections 13-1-21 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for illegal bribes, gratuities and kickbacks.

Confidential Information and Disclosure of Proposal Contents: For the purposes of this procurement, the provisions of the "New Mexico Inspection of Public Records Act" (NMSA 1978, Chapter 14, Article 2) will be in effect. Pursuant to this Act, all proceedings, records, contracts, and other public documents relating to this procurement shall be open to public inspection. Proposers are reminded, that while trade secrets and other proprietary information they submit in conjunction with this procurement may not be subject to public disclosure, protections must be claimed by the proposer at the time of submission of its Technical Proposal. Proposers should refer to the New Mexico Inspection of Public Records Act for further clarification.

The designation of certain information as trade secrets and/or privileged or confidential proprietary information shall only apply to the technical portion of your proposal. Your cost proposal will not be considered confidential under any circumstance. Any proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.

The Proposer must clearly designate the part of the proposal that contains a trade secret and/or privileged or confidential proprietary information as "confidential" in order to claim protection, if any, from disclosure. The proposer shall provide a sheet with the following legend, specifying the specific section(s) of his proposal sought to be restricted in accordance with the conditions of the legend:

"The data contained in pages____of the proposal have been submitted in confidence and contain trade secrets and/or privileged or confidential information and such data shall only be disclosed for evaluation purposes, provided that if a contract is awarded to this Proposer as a result of or in connection with the submission of this proposal, CES and its Members and Participating Entities shall have the right to use or disclose the data therein to the extent provided in the contract. This restriction does not limit CES and its Members and Participating Entities the right to use or disclose data obtained from any source, including the proposer, without restrictions."

Further, to protect such data, each page containing such data shall be specifically identified and marked "CONFIDENTIAL". Within the required electronic submission, any item marked as confidential will need to be submitted in a separate folder marked "Confidential information".

The CES Executive Director will review the statement and will determine in writing whether the information will be withheld. If the Executive Director determines that the information should be disclosed, the Offeror will be informed in writing of such determination. Offeror may object in writing within five (5) days after notification of determination, no disclosure will be made and the bid response may be rejected.

Contractor Invoice: The Contractor will send an invoice to CES or a CES Member after the delivery of goods and/or services. Goods and services will be invoiced at applicable contract prices, depending on the purchasing process utilized for the procurement, and must not exceed the amount of the agency's purchase order. If it is a CES purchase, the invoice will be less the CES' two percent (2%) administration fee. If it is a CES Member's purchase, the invoice will be for the full amount.

Disclosure of Confidential Information: Any confidential information provided to the Contractor by CES, its Members or Participating Entities or developed by the Contractor based on information provided by CES, its Members or Participating Entities in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Contractor without the prior written approval of CES, its Members or Participating Entities. Upon termination of this Agreement, Contractor shall deliver all confidential material in its possession to CES, its Members or Participating Entities within thirty (30) business days of such termination. Contractor acknowledges that failure to deliver such confidential information to CES, its Members or Participating Entities will result in direct, special and incidental damages.

Eligible Agencies: consist of any CES Member, Participating Entity or External Procurement Unit. CES reserves the right to reject any purchase authorizations it receives under its cooperative purchasing program from New Mexico eligible agencies without cause.

Execution of Contract and Compliance with Bid Instructions: By submitting a bid, the Offeror acknowledges its understanding of the instructions to bidders, the New Mexico additional Terms and Conditions, and its willingness to comply with the requirements of the bid documents as it relates to offering and providing their products and services within the state of New Mexico.

Indemnification: The Contractor shall indemnify and hold harmless CES, its CES Member and Participating Entities (its officers and employees) against liability, claims, damages, losses, or expenses arising out of bodily injury to persons or damage to property caused by, or resulting from, Contractor's and/or its employees own negligent act(s) or omissions(s) while the Contractor, and/or its employees, perform(s) or fails to perform its obligations and duties under the terms and conditions of this agreement. This safe and harmless and indemnification clause is subject to the immunities, provisions, and limitations of the Tort Claims Act (41-4-1, et seq., N.M.S.A. 1978 comp.) and any amendments thereto. It is specifically agreed between the parties executing this agreement that it is not intended by any of the provisions of any part of the agreement to create the public or any Member thereof a third party beneficiary or to authorize anyone not a party to the agreement to maintain a lawsuit(s) for wrongful death(s) bodily and/or personal injury(ies) to person(s), damage(s) to property(ies) and/or any other claim(s) whatsoever pursuant to the provisions of this agreement. Vendor shall provide all insurance necessary to employees on the work site, including, but not limited to, workman's compensation.

Indemnification Intellectual Property: The Contractor shall defend, at its own expense, CES, its Members and Participating Entities against any claim that any product or service provided under this Agreement infringes any patent, copyright or trademark, and shall pay all costs, damages and attorney's fees that may be awarded as a result of such claim. In addition, if any third party obtains a judgment against CES, its Members and Participating Entities based upon Contractor's trade secret infringement relating to any product or services provided under this Agreement, the Contractor agrees to reimburse CES, its Members and Participating Entities for all costs, attorneys' fees and the amount of the judgment. To qualify for such defense and/or payment, CES, its Members and Participating Entities shall:

1. Give the Contractor written notice, within forty-eight (48) hours, of its notification of any claim;
2. Allow the Contractor to manage the defense and settlement of the claim as permitted by law; and
3. Cooperate with the Contractor, in a reasonable manner, to facilitate the defense or settlement of the claim.

CES, its Members and Participating Entities Rights: If any product or service becomes, or in the Contractor's opinion is likely to become, the subject of a claim of infringement, the Contractor shall, at its sole expense:

1. Provide CES, its Members and Participating Entities the right to continue using the product or service and fully indemnify CES, its Members and Participating Entities against all claims that may arise out of CES, its Members and Participating Entities use of the product or service;
2. Replace or modify the product or service so that it becomes non-infringing; or
3. Accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to the Contractor. The Contractor's obligation will be void as to any product or service modified by CES, its Members and Participating Entities to the extent such modification is the cause of the claim

Insurance: On contract award, the Contractor will, at its own expense, purchase and maintain insurance that will protect it from claims that may arise out of or as a result from its activities under this contract, where those activities are performed by it, by any Subcontractor, by anyone directly or indirectly employed by any of the Contractors or by anyone for whose acts the Contractor may be liable during the entire performance period of this contract. The Contractor must furnish a Certificate of Insurance to the CES procurement officer prior to official award. If policy changes occur during the life of the contract, it is the Contractor's responsibility to provide updated proof of coverage to the CES procurement officer.

1. Will provide to CES proof of coverage under the Workman's Compensation Insurance, as required by the Labor Laws and New Mexico Statutes.
2. Bidders will submit a certificate of general liability insurance for personal injury, occupational disease, sickness or death, and property damage. Insurance will include "occurrence" claim provisions. Minimum acceptable coverage is one million dollars ($1,000,000) combined single limit for bodily injury and property damage, or seven hundred fifty thousand dollars ($750,000) bodily injury and two hundred fifty thousand dollars ($250,000) property damage (each occurrence). **The Offeror will name CES and the CES Member as co-insured up to the limits of the Tort Claims Act.**

3. Will provide to CES a certificate of comprehensive vehicle liability insurance, for both owned and non-owned vehicles, shall be one million dollars ($1,000,000) per occurrence combined single limit for both personal injury and property damage.
4. If required for professional services, will provide a certificate of errors and omissions insurance for damages caused by an error, omission, or any negligent acts caused by the Contractor and its Subcontractors in the performance under this agreement. Combined singled limit per occurrence is one million dollars ($1,000,000) and the annual aggregate limit of not less than two million dollars ($2,000,000). The bidder will provide "tail" coverage at the completion of any contract entered into by CES or its Members for a minimum of 12 months, or the maximum time period reasonably available in the marketplace. The Contractor shall furnish certification of "tail" coverage as described following contract completion. This will be a condition of the final acceptance of work or services.
5. In addition, Contractor must provide, upon request, identical certification of insurance to any CES Member or Participating Entity using this contract. Prior to commencing any work, all Subcontractors must procure and maintain at its own expense until final acceptance of the work, written insurance coverage, and insurer's acceptance to the prime Contractor. All Subcontractors will provide workers' compensation insurance, which waives all subrogation rights against the prime Contractor and CES/CES Member/Participating Entities.

Lease and Rentals: The offeror can allow CES Members and Participating Entities to enter into rent, lease, or purchase agreements, providing such agreements are in compliance with New Mexico statutes, rules, and regulations. CES must receive a copy of the executed leasing documents prior to processing a purchase order. CES will not collect lease payments. The offeror must agree that leases will be in compliance with the Uniform Commercial Code. All terms of leasing must be included in the proposal with interest rates described as related to a government standard. The offeror must indicate if the shipping costs for the return of leased or rented equipment are the responsibility of the CES Member and what that cost will be. No sale of a contract to a third party will be made without informing CES and the CES Member of the transfer. If the offeror sells a lease contract to a third party, the cost of return must not be greater than the cost of return to the original Contractor.

As required by New Mexico law, the lease agreement with the CES Member or Participating Entity will need to contain a termination provision for Non-Appropriation of Funds. In the event no funds or insufficient funds are appropriated and budgeted by CES, its Members or Participating Entities (Lessee) governing body or are otherwise unavailable in any fiscal year for the payment of lease and other amounts due under any lease, the lease shall terminate on the last day of the fiscal period for which appropriations were received or other amounts are available to pay amounts due under the lease without penalty or expense to the Lessee. It is the decision of CES, its Members, or Participating Entities to determine the sufficiency of funds, which determination shall be accepted by the Lesser and is final. The Lessee shall give the Lesser or its Assignee written notice at least thirty (30) days in advance of such occurrence.

Legal Remedies: All claims and controversies are subject to the New Mexico Procurement Code, NMSA 1978, and Sections 13-1-21 through 13-1-199.

Licenses: The Contractor will maintain in current status all federal, state and local licenses, bonds and permits required for the performance and delivery of any and all products and services offered. Any Contractor or subcontractor providing construction services must hold a current and appropriate Contractor's license, as required by New Mexico Construction Industries and Manufactured Housing Division and New Mexico statutes. It is the responsibility of the Contractor to ensure that any subcontractors hold and maintain the appropriate licenses. The Contractor will submit copies of licenses and any subcontractors' licenses to CES prior to the start of any work.

Liens: All materials and services will be free of all liens.

Liquidated Damages: The CES Member or Participating Entity has the right to assess liquated damages to the Contractor (and his Surety); and the Contractor shall be liable for the amount of liquidated damages as determined on a specific project-by project basis. Such liquidated damages are intended to represent estimated actual damages and are not intended as a penalty, and Contractor shall pay them to Owner without limiting Owner's right to terminate this agreement for default as provided elsewhere herein. The liquated damages are assessed per calendar day of delay until the work is determined by CES and its Member or Participating Entity to be substantially complete.

Local Representation: Depending on the type and level of products and services offered, the Vendor must demonstrate their sales, support, and service staff are physically located where they can respond to and deliver services in a timely and cost effective manner.

Manufacture Endorsement: The Contractor must demonstrate it is an authorized distributor of the products and services offered, has access to manufacturer's technical support and warrantee services, and possesses the certifications required to install, configure, and maintain the products offered within the state of New Mexico.

Marketing: Once the award is made to the Contractor, CES will, in conjunction with the Contractor, develop a marketing strategy on how the contract will be presented to its Members and Participating Entities. CES informs its Members and Participating Entities of the contract by: 1) including the contract in the agency database that is available on the CES website, 2) announcing the award in its periodic newsletter, 3) publishing the contract information in a catalog disseminated to all Members, and 4) attending a number of conferences and promoting its existing contracts. A list of Members' and Participating Entities' names, contact names, addresses, and phone numbers can be viewed or downloaded by going to CES' website (www.ces.org).

Multiple Awards: AEPA approved Vendors must service a required number of the AEPA Member States which does not allow New Mexico or regional Vendors to participate. CES has determined that it is in its Members and Participating Entities best interest, and in order to provide local Vendors the opportunity, CES conducts public solicitations for local and/or regional Vendors in some of the same product and service areas. Therefore, CES may have existing CES contracts in place with local or regional Vendors.

New Mexico Procurement Code: Sections 13-1-21 through 13-1-199 NMSA 1978 may be cited as the "Procurement Code".

Offer Acceptance Period to Execute a Contract with CES: In order to allow CES the opportunity to evaluate the bids approved by AEPA, CES requires that the AEPA approved Vendor submit to CES a complete electronic copy of its response to AEPA's solicitation with original signatures within fifteen (15) days of CES request. CES will issue its supplemental packet within thirty (30) days after receipt and review of the approved Vendor response. The approved Vendor will have fifteen (15) days to return the CES supplemental packet. After CES receives the request information in the supplemental packet, CES issue a contract for the products and services as approved by AEPA.

Offeror's Support for CES Prices:
Because the resulting CES awarded contracts are based on publically solicited sealed bids, CES Members and Participating Entities are exempt from having to issue their own individual solicitation. The additional value CES brings to the transactions is its oversight, support services, and assurance that the procurement complies and adheres to the New Mexico Procurement Code.

CES' current Members and Participating Entities exceed 420 educational and governmental agencies in the State of New Mexico. The awarded Vendor receives services from CES in the form of assistance in collections, joint marketing, mediation services to settle disputes and use of its facilities to hold events.

For CES to comply with the intent of State of New Mexico cooperative purchasing statute, CES requires that Vendors offer prices lower than what they would offer to a single CES Member, other cooperative purchasing contracts available to New Mexico public institutions, and agencies, or state purchasing contracts for equal or less volume. Vendors that awarded a CES contract under this solicitation must lead with and/or offer their CES contract. As the agencies' first option, however, it is understood that it has the option to use whatever procurement method they choose.

Ordering Process: CES currently offers two (2) procurement/purchasing options:

1. Traditional Method
    a. The Contractor provides a written quote or proposal to the CES customer. When a final quote or proposal is agreed upon, a copy is provided to CES. When preparing a quote or proposal under a CES awarded contract, the Contractor must clearly identify and separate supplies, materials, equipment, and services into individual line items as they appear on the Contractor's awarded price schedule. Stated prices must include the CES two percent (2%) administrative fee.
    b. The CES Member or Participating Entity issues a purchase order to CES based on the quote or proposal provided referencing the Contractor's CES contract number.
    c. When CES receives the Member's or Participating Entity's purchase order, it verifies the quote or proposal with the Contractor's CES contract pricing to ensure compliance. CES issues a purchase order to the Contractor for the contract pricing less two percent (2%) CES administrative fee.
    d. The Contractor provides the items or services and invoices CES for an amount not to exceed the amount of CES' purchase order to the Contractor. Invoices must only be issued to CES.
    e. CES verifies the Contractor's invoice received and issues a CES invoice to its Member or Participating Entity.
    f. The Member or Participating Entity pays CES, and CES pays the Contractor for items and services delivered and accepted by the CES Member or Participating Entity and retains its 2% percent administrative fee.
2. Ecommerce (online ordering) Method:

a. This allows the CES Members or Participating Entities to log on to the Contractor's website which contains only those products and services covered under the Contractor's awarded contract.
b. The Contractor delivers the product/services, sends an invoice to the Member/Participating Entity, the CES Member or Participating Entity pays the Contractor, and the Contractor rebates to CES the two percent (2%) administrative fee.

Ownership of Materials and Documents: CES, its Members or Participating Entities shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "**materials**") which are originated or created through Contractor's work pursuant to this Contract. Contractor, for valuable consideration herein provided, shall execute all **documents** necessary to assign and transfer to, and vest in CES, its Members or Participating Entities all Contractor's rights, title and interest in and to such original **materials**, including any copyright, patent and trade secret rights which arise pursuant to Contractor's work under this Contract.

Patent and Copyright Infringement: Contractor will, at their expense, defend CES and its Members and Participating Entities against any claim that any equipment or software supplied hereunder (even if such equipment or software are modified by CES or its Members, subject to the last paragraph of this section) infringe a patent or copyright in the United States, or a U.S. Territory, and will pay all costs, damages and attorney's fees that a court finally awards as a result of such a claim. To qualify for such a defense and payment, CES must:

1. Give Contractor prompt written notice of any such claim after becoming aware of such claim.
2. Allow Contractor to control and fully cooperate with Contractor in the defense and all related settlement negotiations.

CES will be reimbursed for all expenses incurred by CES in fully cooperating with Contractor as specifically requested by contract. CES is not required to incur any expenses specified in this paragraph, which are not reimbursable, by the Contractor. If any CES Member and Participating Entities are involved by any party in any way, the same provisions that apply to CES in this paragraph will apply to the CES Member or Participating Entity. Contractor's obligation under this section is conditioned on CES' agreement that if the subject of such a claim, CES will permit the Contractor, at its expense and option, either to procure the right for CES and its Members or Participating Entity to continue using the equipment and/or software, or to replace or so modify with equipment or software which are functionally equivalent so that they become non-infringing. If neither of the foregoing alternatives is available on terms which are reasonable in Contractor's judgment and satisfactory to CES, CES will request its Members or Participating Entity to return the equipment or software on written request by Contractor at Contractor's expense.

Contractor agrees to refund CES, its Members or Participating Entities a refund for returned equipment as depreciated unless otherwise mutually agreeable in writing. The depreciation will be an equal amount per year over six (6) years. In the event that Contractor's written request for return is made after full depreciation, the Contractor will pay CES, or its Members who purchased the equipment, an amount equivalent to the fair market value of the returned equipment. If CES, or any of its Members or Participating Entities, fails to return the equipment, the Contractor is not obligated to that Member under this clause.

Contractor will have no obligation with respect to any such claim based upon a Member's or Participating Entity's modification of the equipment or software or combination, operation or use with apparatus, data or programs not furnished by Contractor. However, one Member's or Participating Entity's action will not preclude Contractor's obligation to others not having modified their equipment or software.

Payment of Administrative Fee: When a CES Members or Participating Entities issue payment directly to the Contractor for goods and services received and accepted. The Contractor will, upon receipt of payment from a CES Member or Participating Entity, issue payment to CES for a administrative fee in an amount equal to two percent (2%) of the total invoice amount.

Payment Processing: All payments must be invoiced through CES, unless online ordering is approved by CES. If any payment is delayed beyond 45 days from the due date, the Contractor agrees not to charge CES interest on the late payment. Any late charges will be the total responsibility of the procurement unit. The Contractor can extend any due date to avoid the requirement to pay interest. Acceptance of final payment is a waiver of all claims, with the exception of unsettled claims previously made in writing.

Price List: The AEPA Vendor will submit to CES and/or its Members and Participating Entities (if requested) or make available on its website all applicable pricing for all products and services proposed, approved, and awarded under this solicitation. Price lists submitted must be in accordance and comply with the AEPA's terms, conditions, and the requirements of the CES purchasing process utilized to facilitate eligible procurement agencies' staff to place and process orders. When utilizing any of the pricing methodologies identified and required within this solicitation, such discounts and pricing will include the CES two (2%) percent administrative fee, must be submitted in the format required, and can be audited by CES.

Price Quote or Proposal: When preparing a quote or proposal under a CES awarded contract, the Contractor must clearly identify and break out supplies, materials, equipment and services into individual line items as they appear on the Contractor's awarded price schedule or pricing methodology. Stated prices must include the CES two percent (2%) administrative fee and any required New Mexico Gross Receipts Tax.

Progress Payments Processing: All progress payments must be invoiced through CES. It is the responsibility of the procurement unit and/or its designee to review and approve any estimates of work completed. If the procurement unit or their designee issues a written statement to the Contractor that the estimate of work is not approved and certified, the procurement unit may withhold an amount from the progress payment determined to be reasonably sufficient to cover the deficiency set forth in the written finding. In such cases, the Contractor agrees to hold CES harmless for any deficiency of payment. If any payment is delayed beyond 45 days from the due date, the Contractor agrees not to charge CES interest on the late payment. Any late charges will be the total responsibility of the procurement unit. The Contractor can extend any due date to avoid the requirement to pay interest. Acceptance of final payment is a waiver of all claims, with the exception of unsettled claims previously made in writing.

Provisions Required by Law: Each and every provision of law and any clause required by law to be in the contract will be read and enforced as though it were included herein, and, if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon application of either party, the contract will forthwith be physically amended to make such insertion or correction.

Shipping Terms: Prices that include shipping to any location in the State of New Mexico, delivered to the specific receiving point as identified in the purchase order issued by CES, its Members or Participating Entities to the Contractor. The Contractor will retain title and control of all goods until they are delivered and received. All risk of transportation and all related charges will be the responsibility of the Contractor. The receiving agency will notify CES, the Contractor and/or Freight Company promptly of any damaged goods, and will assist the Freight Company/Contractor in arranging for inspection. No F.O.B. vessel, car or other vehicle terms will be accepted.

Stored Materials: Upon prior written agreement between the Contractor and CES Member or Participating Entity, payment may be made for materials not incorporated in the work, but delivered and suitably stored at the site or some other location, for installation at a later date. An inventory of the stored materials must be provided to CES Member or Participating Entity prior to payment. Such materials must be stored and protected in a secure location and be insured for their full value by the Contractor against loss and damage. Contractor agrees to provide proof of insurance coverage and/or addition of CES Member or Participating Entity as an additional insured upon agency's request. Additionally, if stored offsite, the materials must also be clearly identified as property of a CES Member or Participating Entity and be separated from other materials. The buying agency must be allowed reasonable opportunity to inspect and take inventory of stored materials, on or offsite, as necessary.

Until final acceptance by the CES Member or Participating Entity, it shall be the Contractor's responsibility to protect all materials and equipment. The Contractor warrants and guarantees that title for all work, materials and equipment shall pass to CES Member or Participating Entity upon final acceptance. Payment for stored materials shall not constitute final acceptance of such materials.

Subcontractors: If it is necessary for the Offeror to contract with third party firms to provide various goods and services, the following will apply:

1. Subcontractor Information
    a. The name of each subcontractor who will be performing work or rendering service.
    b. Address of the place of business
    c. Any license number required by New Mexico Law
    d. Type of work or services to be performed by the subcontractor.
2. CES and its' Eligible Agencies reserves the right to approve, reject or replace any subcontractor proposed by the Offeror.
3. Any agreements with subcontractors shall incorporate by reference for each individual project contract.
4. No subcontracts will be entered into for any services that required a New Mexico Business, Professional or Occupational Licenses (Chapter 60 and 61 NMSA 1978).
5. A subcontractor may submit a written request to CES asking to be notified by CES within five (5) days from any payment made to the Contractor. It is the responsibility of the Contractor to inform all suppliers and subcontractors that this contract is a cooperative purchasing contract and that the CES Eligible Agency must make payments to CES before CES can issue payments. The Contractor must provide CES with a list of all subcontractors and suppliers information utilized for any individual project performed under any contract that is a result of this solicitation.

Taxes: Prices offered will not include applicable State of New Mexico Gross Receipts Tax (NMGRT). All applicable NMGRT must be listed as a separate line item on all invoices. No gross receipts taxes can be collected on delivery charges to the agency's location.

1. There is no NM State Gross Receipt Taxes NMGRT applied to the price of non-construction supplies, materials, and equipment.
2. There will be NM State Gross Receipt Taxes NMGRT applied to any non-construction services and professional services based on the location of the provider.
3. There will be NM State Gross Receipt Taxes NMGRT applied to any construction product and/or service based on the physical location of the construction site.
4. Indian Reservation or Tribal Tax: If goods or services are delivered to locations on a Indian reservation or purchased by tribal governments, they are subject to tribal taxes.
5. A Bidder will be required to provide tax indemnification number (CRS) issued by New Mexico Taxation and Revenue Department at time of contract award.

Termination for Convenience: CES can, by written notice stating the effective date, terminate the contract issued for convenience in whole or in part, at any time. CES shall pay Offeror as full compensation for performance until such termination as follows:

1. The unit or pro-rata order price for the delivered and accepted portion; and
2. A reasonable amount, not otherwise recoverable from other sources by Offeror as approved by CES with respect to the undelivered or unaccepted portion of the service, provided compensation shall in no event exceed the total contract price.

Termination for Default: CES reserves the right to terminate in whole or any part of the contract due to the failure of the Contractor to carry out any obligation, term or condition of the contract. CES may issue written notice to the Contractor for acting or failing to act under the following conditions.

1. The Contractor provides material that does not meet the specifications of the contract.
2. The Contractor fails to complete the services set forth in the specifications of the contract.
3. The Contractor fails to complete the work required or to furnish the materials required within the specified time.
4. The Contractor fails to make progress in the performance of the contract and/or gives CES cause to believe that the contractor will not or cannot perform the requirements of the contract.
5. The Contractor fails to observe any or all of the terms and conditions of the contract.
6. The Contractor accepts purchase orders, based on this contract, directly from a CES Member or Participating Entity and then invoices them directly.
7. Any other conditions that, in the opinion of CES, warrants such action.

Upon receipt of a written notice, the Contractor will have ten (10) days to provide a satisfactory response in writing to CES. Failure on the part of the Contractor to satisfactorily respond can result in CES terminating the contract.

Termination for Gratuity: CES shall, by written notice, cancel this contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor, to any employee of CES with a view toward securing a contract or the respect to the performance of the contract. Paying the expenses of normal business meals, which are generally made available to all eligible school and government employees, shall not be prohibited by this paragraph. Samples of software, equipment, or hardware provided to CES for demonstration, evaluation, or loan purposes are not considered gratuities.

Termination for Non-Performance or Contractor Deficiency: CES can terminate any contract if CES Members have not used the contract in any 12-month period, or if purchase orders total less than $10,000 per year. CES reserves the right to cancel the whole or any part of this contract due to failure by Contractor to carry out any obligation, term or condition of the contract. CES may issue a written notice to Contractor for acting or failing to act in any of the following:

1. Providing material that does not meet the specifications of the contract;
2. Failing to adequately perform the services set forth in the scope of work, specifications or contract;
3. Failing to complete required work or furnish required materials within a reasonable amount of time;
4. Failing to make progress in performance of the contract and/or giving CES reason to believe that contractor will not or cannot perform the requirements of the contract;
5. Performing work or providing services under the contract prior to receiving a purchase order from CES for such work;

6. Accepting purchase orders based on this contract from CES Members and/or invoicing CES Members directly.
7. Fails to observe any or all of the terms and conditions of the contract.
8. Any other conditions that, in the opinion of CES, warrants such action.

Upon receipt of a written notice, contractor will have ten (10) days to provide a satisfactory response to CES. Failure to adequately address all issues of concern may result in contract cancellation. Upon cancellation under this paragraph, all goods, materials, work, documents, data, and reports prepared by Contractor under the contract will become the property of the CES Member on demand.

Termination for Non-Appropriation: Any individual Member's or Participating Entities' project may be terminated if insufficient appropriations or authorizations do not exist due to changes in state or federal law, or because of court order, or because of insufficient appropriations made available to Members or Participating Entities governing board and/or the New Mexico State Legislature. Such termination will be effected by sending fifteen (15) days written notice to the Contractor. The CES Members or Participating Entities decision as to whether sufficient appropriations and authorizations are available shall be accepted by the Contractor and shall be final.

C. Construction Terms and Conditions – <u>For construction products and services</u>.

Additional Contract: For any contract entered into by CES, contractor and CES Member or Participating Entity based on this IFB, the terms and conditions of the IFB will prevail. A contract between the CES Member or Participating Entity and the Contractor for construction will be an industry standard agreement. The parties may agree to use the American Institute of Architects (AIA) General Conditions of Contract for Construction Form A201 as a guide.

Additional New Mexico Public School Facilities Authority (NMPSFA) Terms and Conditions: Any construction project involving funds provided by NMPSFA will require the Contractor to adhere to NMPSFA's additional terms, conditions and requirements.

Bid Security: The New Mexico Procurement Code, 13-1-146 NMSA 1978, requires bid security for construction and construction related services. CES has determined that, for any such IFB issued by AEPA, it will require a bid bond, or other acceptable bid security in the amount of twenty-five thousand dollars ($25,000). The bid security must provided by bid due date, and must accompany the bidder's response. Acceptable bid security is a one-time bid bond underwritten by a surety company licensed to issue bid bonds in New Mexico in accordance with the New Mexico Insurance Code and be a surety listed in the US Treasury Circular 570, a certified cashier's check, or an irrevocable letter of credit.

Bonds:
1. Upon execution of a contract between a CES Member/Participating Entity and the prime Contractor for a project with a value twenty-five thousand ($25,000) or more, will provide performance and payment bonds from a surety company authorized to do business in New Mexico in accordance with the New Mexico Insurance Code and be a surety listed in the US Treasury Circular 570.
2. The prime Contractor will execute a performance bond in an amount equal to one hundred percent (100%) of the price specified in the contract between the CES Member or Participating Entity and the prime Contractor by a surety company authorized to do business in New Mexico in accordance with the New Mexico Insurance Code and be a surety listed in the US Treasury Circular 570. Performance bonds between the CES Member or Participating Entity and the prime Contractor will be on standard AIA or similar forms.
3. All suits for nonpayment or nonperformance will be filed as allowed under New Mexico law.
4. Any Subcontractor providing or performing one hundred and twenty-five thousand dollars ($125,000) or more of work for an individual project, must submit to the prime Contractor a performance and payment bond equal to one hundred percent (100%) of the subcontract cost from a surety company authorized to do business in New Mexico in accordance with the New Mexico Insurance Code and be a surety listed in the US Treasury Circular 570.

Contractor Public Works Registration Requirement: As defined in New Mexico Public Works Minimum Wage Act 13-4-13.1 NMSA 1978. In order to be considered for award of any portion of a public works project greater than Sixty Thousand Dollars ($60,000) or a public works project that is subject to the Public Works Minimum Wage Act [13-4-10 to 13-4-17, NMSA 1978], the Contractor, serving as a prime Contractor or not, shall be registered with the New Mexico Department of Workforce Solutions.

Quotes and Cost Proposals: All cost quotes and proposals submitted to a CES Member or Participating Entity will be based on or more of the pricing methodology described within each category or lot of this IFB.

Licenses: The prime Contractor and any Subcontractors shall possess the appropriate New Mexico Construction Industries Division (NMCID) Contractor's license required to provide the construction products services covered by this solicitation. Copies of the prime Contractor's licenses shall accompany their response to AEPA. The Contractor and any Subcontractors must maintain and keep current all licenses during the term of the contract. In any offer using Subcontractors, the Subcontractor must hold and maintain the appropriate New Mexico Construction Industries Division licenses.

New Mexico Building Codes: The Contractor when providing construction services must adhere to the most current version of the New Mexico Building Codes.

New Mexico Construction Industries Division: New Mexico Construction Industries Division (NMCID) is a state agency that is responsible for and enforce all licensing requirements for any one engaged in construction-related contracting in New Mexico. This includes general construction work, electrical, mechanical, and plumbing and LP gas. The activities that are considered to be contracting in New Mexico are defined in the Construction Industries Licensing Act, NMSA 1978, Section 60-13-3.

New Mexico Public School Facilities Authority: New Mexico Public School Facilities Authority (NMPSFA) is the administrative unit created by the New Mexico legislature to carry out and act on behalf of the Public School Capital Outlay Council to administer, coordinate and provide general oversight for "state-funded construction", which is defined as a building or appurtenance to a building that is built in whole or in part with state capital outlay monies. As part of their oversight function, NMPSFA will receive and review construction project documents and coordinate with other state agencies such as NMCID, Environment Department, Department of Energy, Minerals and Natural Resources, State Fire Marshal's Office, etc., to ensure compliance with all applicable adequacy standards, rules, regulations, building, plumbing, electrical, fire prevention, and mechanical codes adopted by the state, county, city, town or fire district in which the construction project is located.

New Mexico Public Works Act: Sections 13-4-1 through 13-4-43 NMSA 1978 may be cited as part of the "Procurement Code".

New Mexico Wage Rate Documentation:
The New Mexico Department of Workforce Solutions (NMDWS) and CES requires that certain forms be completed for every construction project in excess of $60,000.

1. CES will submit for the wage decision and, upon receipt of the decision, will provide to the prime Contractor.
2. Prior to starting a construction project, the prime Contractor is responsible for completing and submitting Notification of Award, Statement of Intent to Pay Prevailing Wages, and Affidavit of Wages Paid to the NMDWS and must provide a copy to CES.
3. CES will not make any payments to the contractor until copies of the Notification of Award, Statement of Intent to Pay Prevailing Wages and Payment and Performance Bonds are received by CES. Final payment will not be released until CES receives a copy of the Affidavit of Wages Paid.

New Mexico Workforce Solutions: This is state agency responsible for the overseeing, administering, issuing, implementing and ensuring that all employers, Contractors, and Subcontractors follow and comply with New Mexico and Federal labor laws, rules, regulations, policies, and procedures governing employment and the general workforce.

New Mexico Workforce Solutions Contractor Registration Requirement: In order to submit a bid or response to a request for proposal valued at more than sixty thousand dollars ($60,000) or to be considered for an award of any portion of a public works project greater than sixty thousand dollars ($60,000) and for a public works project that is subject to the Public Works Minimum Wage Act (13-4-10 NMSA 1978), the contractor, serving as a prime contractor or subcontractor, shall be registered with the New Mexico Department of Workforce Solutions, Public Works (13-4-14.1 NMSA 1978) before CES can issue a purchase order.

Payment Retention, Progress Payments:

1. In order to comply with New Mexico Statutes Annotated 1978, Article 28 Retainage, 57-28-1 to 57-28-11, CES will not retain any funds on progress payments during any construction projects. The prime contractor agrees to only request payment for goods and services delivered, received and accepted by the Member/Participating Entity.
2. Final payment of a contract, for which progress payments have been made, will not be made until the project is totally completed (including punch list items and close out document delivered), and the final application for payment is signed by the CES Member/Participating Entity, received and audited by CES.

3. If the Member/Participating Entity and the prime contractor agree to retainage or a substitute security, the agreement must be in full compliance with New Mexico Procurement Code and applicable laws. If a substitute security or retainage is agreed upon, written notice must be provided to all parties prior to the issuing of a CES purchase order.
4. If the CES Member, Participating Entity, or their designee issues a written statement to the contractor that the estimate of work is not approved and certified, an amount from the progress payment determined to be reasonably sufficient to cover the deficiency set forth in the written finding maybe withheld. In such cases, the contractor agrees to hold CES harmless for any deficiency of payment. If any payment is delayed beyond forty-five (45) days from the due date, the contractor agrees not to charge CES interest on the late payment

Quality Control Issues:

1. During the course of the contract, the Member's/Participating Entity's contact person may secure samples according to Construction Industries Division guidelines or industry standards of materials being used from containers at the job site and submit them to an independent laboratory for comparison to specified material.
   a. Should test results prove that a material is not functionally equal to or better than specified, the prime Contractor will pay for all testing and any cost incurred to have materials installed to replace those found not to comply with the specifications and remove and dispose of the materials not complying.
   b. Should test results prove that materials tested were functionally equal to the specified material, the prime Contractor will be notified of the results.
2. Should the Member/Participating Entity and the Contractor encounter a situation and/or condition that they cannot agree on or resolve during the execution of the project and/or during the project close-out process, CES has consultants under contract that either of the parties can engage to review, investigate, evaluate, and issue a written report on their findings and propose recommendations/solutions for addressing the concerns and issues.

R.S. Means

When providing R.S. Means costs as part of a project's proposal, the following items apply.

1. Contractor must use the current year and standard cost data. Only the following cost data titles will beaccepted:
   a. Building Construction Cost Data Book
   b. Facilities Construction Cost Data
   c. Facilities Maintenance & Repair Cost Data
   d. Site Work & Landscape Cost Data Book
2. All work proposed under R.S. Means must use R.S. Means format, even if subcontractors are used. Subcontractor's invoices must tie to the R.S. Means spreadsheet.
3. An R.S. Means spreadsheet must be submitted to substantiate the quote given to the AEPA Member Agency. The spreadsheet columns must reveal the full R.S. Means number and a sufficient amount of the description. This also applies to any change orders.
4. Pricing must be done by Location Codes. National Average will not be allowed. In order to choose the "closest" location code, the first three (3) numbers of the zip code will be used to determine the city location index in the AEPA Member Agency State.
5. The AEPA contract holder factor, bonding cost, AEPA discount and taxes if applicable must be shown as separate line items at the bottom of the R.S. Means spreadsheet. This information can be shown on a separate summary sheet. The summary sheet must start with the R.S. Means spreadsheet total and show the detail for each of the items stated above. This detail will be provided to AEPA State Agency and AEPA Customer as required.
6. All change orders which list items covered by R.S. Means must be supported by an R.S. Means spreadsheet.

Site Cleanup: Contractor will clean up and remove all debris resulting from its work as required by the CES Member or Participating Entity. The contractor shall comply with all laws and regulations governing disposal of construction and hazardous materials. Upon completion of the work, the premises will be left in a neat, unobstructed condition with everything in good repair and order.

Site Examination: Contractor shall familiarize itself with the site, in order to anticipate unseen problems that may develop as the work progresses. Failure to have visited the site before submitting a job order proposal shall in no way relieve the contractor from furnishing any materials or performing any work required to complete the project in accordance with the contract documents, without additional cost to the CES Member/Participating Entity.

Site Preparation: Prior to a purchase order being issued by a CES Member or Participating Entity, the size, location and site conditions that exist at the time the contractor takes possession and/or control must be clearly identified and stated in

writing. The contractor will not begin a project for which the site is not prepared or in the condition agreed upon in writing by the CES Member or Participating Entity, unless contractor decides to accept the site as is and is willing to perform the preparation work necessary at no cost, or until the CES Member or Participating Entity has included the cost of site preparation in a purchase order to CES. Site preparation may include, but is not limited to, moving furniture, clearing the site, securing the site, installing wiring for networks or power and similar pre-installation requirements.

State Wage Rates: It is the contractor's responsibility to be acquainted with the New Mexico Department of Labor's rules, regulations, procedures and requirements relating to state wage rates, and to comply with state and federal regulations regarding payment of wages on public projects. The contractor will pay state wage rates for every job performed under this contract with a total project cost of more than Sixty Thousand Dollars ($60,000) on an individual basis. The contractor will pay all mechanics and laborers employed on the site of the project by the contractor, unconditionally and not less often than once a week, and without subsequent unlawful deduction or rebate on any account, the full amounts accrued at time of payment, computed at wage rates not less than those stated in the advertised specifications.

Subcontractors: If it is necessary for the Offeror to contract with third party firms to provide various goods and services, the following will apply:

1. In awarding subcontracts, the contractor agrees that any subcontract competitively solicited by contractor will not be awarded solely upon membership, non-membership or affiliation in a union or professional association or other organized group or agency, but on a competitive bid and ability to meet the specifications and comply with the requirements of the individual project.
2. In accordance with the "Subcontractor Fair Practices Act", 13-4-31 to 13-4-42, NMSA 1978, the following information is required to be submitted with any job order project:
    a. The name of each subcontractor who will be performing work or rendering service on the public works project and whose total contract will be the greater of:
        i. Five Thousand Dollars ($5,000); or
        ii. One/half of one percent of the total project (to be estimated by the architect and/or engineer of record).
        iii. Address of the place of business
        iv. Subcontractor license number
        v. Type of work or services to be performed by the subcontractor.
    b. Pursuant to Section 13-4-38, et., NMSA, 1978, if an Offeror fails to list a subcontractor in excess of the listing threshold on any job order contract, and they do not state that the provider is a sole source or that they will put all work that exceeds the threshold to individual bid each time, they are stipulating that they are fully qualified to perform the proposed products and services themselves and that they will perform all work themselves. After the specific job order contract award, any change in subcontractors must be approved by CES and the CES Eligible Agency, otherwise, the Offeror will be guilty of violation of the Subcontractors Fair Practices Act and subject to the penalties provided therein
3. Subcontractor must be registered with New Mexico Department of Workforce Solutions, Public Works section (13-4-14.1 NMSA 1978).
4. CES, its' Members or Participating Entities reserves the right to approve or reject any subcontractor listed in the Offeror's project proposal.
5. Subcontractors will need to provide performance and payment bonds to prime contractor if the subcontract is greater than $125,000 (13-1-148.1 NMSA 1978).
6. The contractor will not enter into any subcontract subject to this solicitation without prior notification and approval from CES or its' Member or Participating Entity. Any such subcontract shall incorporate by reference the terms and conditions of this solicitation and each individual project contract.
7. No subcontracts will be entered into with any unlicensed party. Contractor must use subcontractors openly, include such arrangements in the proposal and certify upon request that such use complies with the rules of the NMCID and the New Mexico Public Works Act (13-4-1 to 13-4-43 NMSA 1978) and New Mexico Procurement Code (13-1-1 to 13-1-199 NMSA). No subcontracting costs can be hidden in a cost proposal to CES.
8. Subcontractor Payment: Contractor agrees to pay subcontractors in a timely manner and in accordance with the New Mexico Prompt Payment Act (57-28-5 NMSA 1978). If contractor receives a progress payment from CES, the contractor will pay subcontractor(s) their correct proportion of the amount paid. CES will contract to provide release of liens from subcontractors within fifteen (15) days of date of payment. Failure to pay subcontractors for work faithfully performed and properly invoiced can result in the suspension or cancellation of this contract.
9. The Contractor must agree to pay all subcontractor or material suppliers for work completed, accepted and billed within seven (7) days of their receipt of the progress payment from CES, unless otherwise agreed on in writing between the parties.

10. A subcontractor may submit a written request to CES asking to be notified by CES within five (5) days from payment of each progress payment made to the Contractor. It is the responsibility of the Contractor to inform all suppliers and subcontractors that this contract is a cooperative purchasing contract and that the CES Eligible Agency must make payments before CES can issue progress payments. The Contractor must provide CES with all subcontractors and suppliers information utilized for any individual project performed under this RFP.
11. Subcontractor's labor used must be of a standing or affiliation that will permit the work to be carried on harmoniously, without delay and will not cause any disturbance, interference or delay to the progress of the project. Subcontractor and lower-tier subcontractors will not employ anyone whose employment might be objected to by prime contractor or Member.

17. North Dakota, North Dakota Educators Service Cooperative (NDESC)

A. Additional Agency Terms and Conditions

1. Hazardous Substances: All hazardous products purchased by members shall include a Safety Data Sheet (SDS) with the delivery.
2. Lease and Rentals: Vendor may allow NDESC members to enter into rental, lease, or lease purchase agreements, providing such agreements are in compliance with North Dakota Statutes and guidelines as well as the State Department of Education policies, rules and regulations. NDESC will not collect lease payments or be involved in the terms and conditions of the lease. All lease arrangements are between the Vendor and the NDESC member. Vendor agrees that leases will be in compliance with the Uniform Commercial Code. A two percent (2%) administrative fee must be included in the lease cost based on the total value of the goods and applicable services purchased. This fee is referred to under ordering process.
3. Training Seminar: The contracted Vendor and their participating sub-contractors are required to participate in an online training session that is designed to educate the vendor and subcontractor on the purpose and nature of NDESC. The contracted Vendor will not be marketed to NDESC participating agencies until they have completed the training seminar.

B. ***Additional Participating Agency Terms and Conditions for Non-Construction Products and Services*** If requested by CPC, the contracted Vendor will work with CPC to develop an order form, or order forms, containing the most commonly purchased items, that CPC can utilize to market the Vendor to its participating agencies.

C. Additional Participating Agency Terms and Conditions for Construction Related Products and Services

Upon acceptance and approval of the Vendor's offer by AEPA, NDESC will independently consider the offer and conduct a conference call with the Vendor to determine if the Vendor is able to meet the necessary requirements for construction related products and services, according to Chapter 48-01.2 of the North Dakota Century Code, and to enter and execute a contract in the state of North Dakota. Once NDESC and the Vendor are able to confirm that business is able to be conducted in North Dakota, NDESC will make a final decision to complete the contract execution process.

For all quotes provided to participating agencies, for construction related projects, products and services, the contracted vendor must also send a duplicate quote to CPC. The quote provided to CPC must include the contact information of the participating agency.

D. Procedure for Contract Award, Notification and Processing Orders

Once the award is recommended by the AEPA Review Committee, NDESC considers the recommendation based on the value of the potential contract for its qualified members. Member is defined in Section C. In the event of an award by the NDESC Board of Directors, NDESC will inform its members of the award and contract by the following methods along with contract instructions and ordering process.

1. The contract opportunity is listed and promoted on the NDESC website.
2. Announcing the award in NDESC newsletters.
3. NDESC will publish the contract and marketing information through a hard copy marketing flier and electronic email. Contracts are promoted through PDF and hard copy product catalog distributed at statewide trade shows and member meetings on a regular basis. NDESC will require a marketing flier, brochure, or other similar marketing pieces, in an editable, electronic format, from the Vendor promoting the available contract with approve any marketing materials. If a web site is used, the link will be made available from the NDESC web page. Any web page or link, or other marketing tools shall be dedicated to AEPA information only.
4. When the member identifies a desired product or service, the member and the Vendor may negotiate with each other to establish a description of items and/or services. The Vendor shall quote a price to the member, in writing, using AEPA established discounts and including the two percent (2%) administrative fee in the quoted price. The administrative fee shall be based upon the total cost of goods and/or service including installation costs. The administrative fee shall not be listed as a separate line item on the quote. When a member decides to purchase through the NDESC-AEPA contract, the member issues the purchase order directly to the vendor. The purchase order must include the total invoiced cost, based on the total cost of goods, service, and installation, including the two-percent (2%) administrative fee.
5. Notification will be made to the Vendor in the event the purchase order is not in compliance with the contract and adjustments will be made at that time. NDESC and the Vendor will mutually resolve any issues with regard to past purchases. The purchase orders are to continue to be processed and viewed as approved unless notified by NDESC otherwise. All sales and transactions may continue without delay or in anticipation of the NDESC purchase order verification.
6. Once all the items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, the Vendor then files a copy of the final invoice, which is available to NDESC by request in

Support of the quarterly sales summary. The invoice is to be marked "Copy".

7. Vendor makes all deliveries and installations of products and services. NDESC does not warehouse items or provide services.
8. NDESC's participating agencies purchasing construction related products and/or services may, as required by statute, or at their discretion, require the Vendor to post a performance bond.
9. This administrative fee is to be paid by the vendor to NDESC quarterly within 20 working days after the end of each fiscal quarter. The AEPA vendor shall also submit to NDESC a sales report, in Excel format, listing the following information:
    - Name of service cooperative region
    - Name of purchasing agency
    - Address of purchasing agency
    - Date of sale
    - Standard sale price
    - Sale price with AEPA discount
    - Administrative fee generated by sale
    - Savings generated by sale

    This report shall include all sales made and payments received by the vendor in said quarter. The sales report shall be e-mailed to Jane Eastes at jeastes@lcsc.org and copied to Lori Mittelstadt at lmittelstadt@lcsc.org. The administrative fee payment shall be delivered to Jane Eastes, NDESC, 1001 E. Mt. Faith, Fergus Falls, MN 56537. The check shall be made out to NDESC.
10. In the event of a lease, the total administrative fee for the value of goods shall be paid to NDESC by the Vendor at the front end of the lease. NDESC reserves the right to review all purchase orders and lease documents to insure contract compliance.
11. NDESC requires that all participating vendors offer the contract opportunity to all NDESC qualified members. Qualified membership is defined under section E (below).
12. NDESC has designated Lakes Country Service Cooperative (LCSC), 1001 E. Mt. Faith, Fergus Falls, MN as its purchasing agent. All vendors agree to work with LCSC on all purchasing issues related to NDESC.

E. Members Purchasing Under the Agency

The NDESC has been established pursuant to the provisions of Chapter 54-40.3 of the North Dakota Century Code, as amended. The purpose of NDESC is to assist in meeting those specific needs of the members which are determined to be better provided by a cooperative effort, including without limitation the joint purchasing of programs, goods, and services which are deemed to be priority needs of the members. NDESC currently has approximately 200 participating agencies. Qualified agencies of NDESC include all North Dakota public schools, private schools and higher education institutions and any other North Dakota political subdivisions eligible to enter into a joint powers agreement with NDESC.

F. Governing Law

The laws of the State of North Dakota govern the Contract. Each and every provision of law and clause required by law to be included in the Contract shall be deemed to be inserted herein and the Contract shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction.

18. OHIO COUNCIL OF EDUCATIONAL PURCHASING CONSORTIA (OCEPC) 2019

A. General Terms and Conditions that apply for all Categories:

1. Compliance with Laws/Forum Designation

Contractor shall comply with Federal, State, and Local Laws, Codes and Regulations while fulfilling the contract. It is the Contractor's responsibility to be aware of and comply with all state and local laws governing this procurement. Applicable laws, codes, and regulations (etc.) must be followed even if not specifically identified herein. Contractor shall verify to the Ohio Council of Educational Purchasing Consortia (OCEPC), its Member Agencies and other qualifying purchasers that the Contractor is complying with all Federal, State and Local Laws, Codes and Regulations while fulfilling the contract. Moreover, this contract shall be governed by and construed in accordance with the laws of the State of Ohio without giving effect to its principles of conflict of law. Legal proceedings arising under this contract shall be brought in an Ohio Court of Common Pleas of the County where the Member Agency's main office is located.

2. Delinquent Tax Affidavit

Contractor shall provide an affidavit relating to delinquent taxes as may be required by Ohio Revised Code Section 5719.042.

3. Secretary of State Registration

Contractor shall meet and maintain all registration requirements as necessary to conduct business in the State of Ohio, including but not limited to registration with the Ohio Secretary of State.

4. Findings for Recovery

Contractor warrants and represents that it is not subject to a finding for recovery under Ohio Revised Code Section 9.24, or that Contractor has taken the appropriate remedial steps required under Ohio Revised Code Section 9.24, or otherwise qualifies under Ohio Revised Code Section 9.24.

5. Ohio Workers Compensation Insurance

Contractor, and any subcontractors hired by Contractor shall, at their own expense, maintain in force for the duration of the project workers' compensation and employer's liability insurance as required by the laws of the State of Ohio.

6. Project Personnel, Student Safety and Background Checks

Member Agency shall have the right to reject the participation of any personnel of Contractor in the performance of the services if, in relation to the work assigned to them, the Member Agency deems such personnel to lack the skill, experience and expertise required to perform the services or if Member Agency considers their performance to be substandard or otherwise detrimental to the proper completion of the services. Contractor will advise Member Agency promptly of any change in the project manager or other key personnel assigned to the performance of the services.

Contractor acknowledges that the safety of the Member Agency's students, employees, officials and guests is of the utmost importance. Contractor will endeavor to ensure that its officers, employees, agents, representatives, and consultants will take no action that would jeopardize the safety of the Member Agency's students, employees, officials, or guests. The Member Agency reserves the right to require Contractor's officers, employees, agents, representatives and consultants to wear identification and stay in designated work areas at all times while on the Member Agency's property. The Member Agency shall have the right to effect the immediate removal of any person associated in any way with Contractor from Member Agency property for failure to wear identification, for being outside a designated work area, for fraternizing with or engaging in any improper behavior directed toward or in the vicinity of students, employees, officials, or guests of the Member Agency or for any other good cause.

Contractor shall perform or cause to be performed an Ohio Bureau of Criminal Investigation and Identification and Federal Bureau of Investigation criminal background check of any personnel that will be performing the services within the proximity of minors. Contractor shall notify the Member Agency of any proposed employee who has been convicted, pled guilty or pled "no contest" to a criminal offense, and the Member Agency reserves the right to reject the proposed employee with a criminal background. No person shall be employed by Contractor who has been found guilty of any of the criminal offenses enumerated in Ohio Revised Code Section 3319.39 without prior approval of the Member Agency.

7. Independent Contractor

Contractor shall be an independent contractor and neither Contractor nor any of its subcontractors, nor the employees of any thereof, shall be deemed to be the servants, employees, or agents of Member Agency. Contractor shall be responsible for paying all costs related to its employees and managers performing the services. Contractor shall remain liable and responsible to Member Agency for all of its obligations under this contract, regardless of whether the services are performed by the Contractor or a subcontractor of any tier.

8. Ownership of Instruments of Service

Drawings, data and other documents prepared by, or with the cooperation of, the Contractor pursuant to this contract shall become, upon payment of all undisputed compensation due the Contractor from the Member Agency, the property of the Member Agency. Such drawings, data or other documents may be used by the Member Agency or others employed by the Member Agency without compensation to the Contractor.

9. Audit

Member Agency may audit and inspect Contractor's records and accounts at any time during the Contractor's performance of the services and for a period of two (2) years following the completion or termination of the services for the purpose of verifying any invoice and underlying documentation presented by Contractor, it being understood that Contractor agrees to preserve all such documents through such two- (2) year period.

10. Notices

Unless otherwise expressly provided in this contract, all notices and other communications given under the contract shall be in writing and shall be deemed effective upon receipt by the addressee at its address as set forth in the contract or at such other address as such party shall have notified the other in writing.

11. Non-Appropriation

If the Member Agency fails to appropriate sufficient monies in any fiscal year for payments due under the contract and other funds are not available for such payments, then a "Non-Appropriation" shall be deemed to have occurred. If a Non-Appropriation occurs, then Member Agency will give Contractor prompt notice of such Non-Appropriation. This contract shall thereupon terminate without penalty or expense to the Member Agency.

12. No Personal Liability

It is understood and agreed that under no circumstances will the Member Agency's board members, officers, employees, or agents be personally liable for any obligations or claims arising out of or related to the contract.

13. Miscellaneous

Headings and titles of articles, paragraphs and other subparts of this contract are for convenience of reference only and shall not be considered in interpreting the text of this contract. This contract and any appendices constitute the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements or understandings with respect thereto. No contract amendments can be made without the approval of the AEPA membership.

B. Non-Construction Products and Services:

1. Bus Purchases - For the purchase of school buses, the successful Contractor shall provide bonds required by Ohio Revised Code Sections 153.54 and 153.571.

C. Construction Products and Services:

For construction improvements, the following shall apply:

1. The successful Contractor shall provide such bonds required by Ohio Revised Code Sections 153.54 and 153.571.
2. Progress payments and retainage shall be in accordance with the provisions of the Ohio Revised Code including Ohio Revised Code Sections 153.12 and 153.14.
3. In the event that the agreement is subject to the prevailing wage requirements of either Ohio Revised Code Chapter 4115 or the Davis-Bacon Act, then the contract between the Member Agency and the Contractor shall contain the applicable rates and such terms and provisions as may be required by law.
4. Contractor shall comply with all applicable licensing requirements, including those of the Ohio Construction Industry Licensing Board.

D. Procedures for Processing Orders:

The OCEPC will keep informed its Member Agencies and other qualified purchasers of contract information via web site and through other marketing strategies. A list of OCEPC Member Agencies along with addresses, phones, contacts, etc. will be made available to successful Contractors. After contracts are awarded, Contractors may contact the OCEPC Member Agencies and other qualifying purchasers concerning their products and services.

Participating Member Agencies and other qualified purchasers will submit all purchase orders directly to the Contractor.

The Contractor price shall include a two percent (2%) administrative fee that the Contractor will collect from the Member Agency or other qualified purchaser. Administrative fees are to be remitted to the OCEPC on April 15, July 15, October 15 and January 15 of every calendar year with checks payable to the Southwestern Ohio Educational Purchasing Council, 303 Corporate Center Dr. Suite 208, Vandalia, OH 45377.

The Contractor will compile a quarterly report showing all purchases made by the OCEPC Member Agencies and other qualified purchasers under this contract at the conclusion of each calendar quarter. These reports shall be attached to the administrative fee remittance.

E. Agencies Allowed to Purchase under Member Agency:

All member cooperatives of the OCEPC and their individual Member Agencies are eligible to participate and purchase from the awarded AEPA contracts. All Ohio K-12 school districts, including Boards of Developmental Disabilities, Educational Service Centers, and Instructional Technology Centers, are eligible to participate and purchase from the awarded AEPA contracts. In addition, all colleges and universities, state, cities, counties, townships and other governmental agencies are eligible to participate if the AEPA contracts satisfy their individual procurement requirements.

19. Oregon, Intermountain Educational Service District (IMESD)

A.Additional Agency Terms and Conditions

Intermountain Education Service District ("IMESD") is an educational service district organized under the laws of the STATE OF OREGON. Pursuant to Oregon Law ORS 279A and IMESD is authorized to cooperate with other entities and in such regard is authorized to cooperate with them in the purchasing of goods and services pursuant to these contract documents. As other entities cooperate with IMESD to take advantage of the goods and services made available pursuant to these contract documents, the terms and conditions of any such sales shall be in accordance with the contract documents.

Additionally Senate Bill 3184 enables Oregon's Education Service Districts to offer the services they provide to component school districts to other organizations. For the past 10 years, the InterMountain ESD (formerly Umatilla-Morrow ESD) has been a leader in expanding revenue available for schools and IMESD programs by providing these services outside of 19 local school districts. *(Reference: ORS334.185)*

Under Oregon public contracting rules, each individual public agency will have its own local rules it must adhere to, in addition to statewide public contracting laws. InterMountain Education Service District does not presume that its cooperative purchasing program will necessarily comply with every agency's internal public contracting rules. We always advise potential customers to review the bid solicitation carefully and recommend review by their legal department and/or procurement personnel to assure that contracting laws are complied with.

ADVERTISING AND MARKETING: Bidders must demonstrate they possess the necessary resources and have a proven track record to market, offer, obtain, deliver, install and provide the sales and technical support services to IMESD and its participating agencies within the state of Oregon in a timely and cost effective manner.

APPLICABLE LAW AND VENUE: Any dispute arising out of any of the contract documents, or out of their performance, shall be decided by ligation in the Circuit Court of the State of Oregon in the county of Owner's residence, the parties consenting to jurisdiction in said court and permanently waiving jurisdiction in any other court, state or federal. In the event of litigation the prevailing party shall be entitled to an award of reasonable attorney's fees and costs at trial and upon any appeal thereof. In the event that the successful bidder breaches a term of condition of a contract awarded, the IMESD may terminate the contract. In addition to the right to terminate due to the successful bidder's breach, and all other rights and remedies contained in other provisions, the IMESD reserves all its rights and remedies at law and in equity available due to the breach.

HAZARDOUS CHEMICALS: The Successful bidder shall supply current MSDS for all products as required below even if these sheets have been supplied in previous years.
The agencies participating on IMESD agreement will need MSDS and labels for certain products defined as hazardous chemicals by the State of Oregon in accordance with ORS 654.025(2) and 656.726(3). The successful bidder has the responsibility to determine such products and to provide MSDS and labels for such products. The MSDS shall be received by the IMESD by or at the time of the initial shipment of such products. These requirements have been determined by the State of Oregon Workers Compensation Department, and published as Oregon Administrative Rules 437, Division 2 Hazard Communication. This document is available from Hazard Communication Coordinator, Accident Prevention Division, State of Oregon, Labor and Industries Building, 350 Winter St. NE, Salem, OR 97310, phone: (503) 378-3272 or (800) 922-2689 any local Accident Prevention Division Office.

HOLD HARMLESS: Bidders shall indemnify, hold harmless, and defend the IMESD from any and all liabilities, settlements, losses, penalties, costs, expenses, attorney fees (including attorney fees on appeal) in collection with any action, suit or claim based upon or allegedly based upon, resulting from or allegedly resulting from the successful bidder's negligence, omission, activities or services provided pursuant to a contract awarded to such bidder.

LAW OF THE STATE OF OREGON: Any contract between the IMESD and a bidder shall be entered into within the State of Oregon, and the laws of said state, whether substantive or procedural, shall apply to the contract.

In addition to any requirements listed, vendor shall comply with all, current, applicable state, federal and local laws, regulations and ordinances. If through mistake or otherwise any such provision is omitted then submission by either IMESD or the vendor-partner the contract shall be amended to make such inclusion or correction. IMESD Also reserves the right to amend the contract resulting from state law changes. Vendor- partners will be sent written notification of such changes.

SEVERABILITY: The parties agree that if any term or provision of a resultant contract is declared by a court of competent jurisdiction to be illegal or in conflict with any law the validity of the remaining terms and provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular term or provision held to be invalid.

TAXES: Taxes, whether State or Federal, shall not be included in bid prices. Our Employer Identification No: 93-6000924 indicated our tax exemption status as a political subdivision. Contractor must certify compliance with the Oregon tax laws in accordance with ORS 305.385 when applicable.

C. Additional Agency Terms and Conditions – Construction Products and Services

1. Prevailing wage rates/Davis-Bacon

As set forth in the conditions below, if this is a public works project (as defined below) Oregon State prevailing wage rates will apply unless exempted. If federal funds are being used, Bidders must take into account the need to comply with the Davis-Bacon Act. If both the federal and state prevailing wages are required the Contractor is required by law to pay the greater of the applicable prevailing wage. Pursuant to ORS 279C.365 no bid will be considered unless the bid contains a statement by the Bidder as a part of its bid that the provision of ORS279C.840 will be complied with.

(a) If contract is $50,000.00 or under and there are no federal funds involved the contract is exempted from prevailing wages pursuant to ORS 279C.810(2) (a).

(b) If contract exceeds $50,000.00 and there are no federal funds involved, existing prevailing wage rate of the State of Oregon will apply. No worker may be paid by any Contractor or Subcontractor a wage less than the wage required by ORS 279C.840. Every subcontract shall include the requirements of this section. Prevailing wages, state and federal, can be seen at the websites referred to in Section 6(a), Additional Requirements of Oregon Law for Public Contracts, Public Works, and Improvements and Miscellaneous Provisions.

(c) If contract exceeds $50,000.00 and/or federal funds are involved, unless otherwise exempted by law, Contractor shall comply with ORS 279C.800 to 279C.870 relating to the payment of prevailing wages; Contractor shall also comply with the federal Davis-Bacon Act to the extent applicable. No worker may be paid by any Contractor or Subcontractor a wage less than the wage required by ORS 279C840 and if the state and federal prevailing wage laws both apply, Contractor shall pay as wages the great of the applicable prevailing wage. Every Subcontractor shall include the requirements of this section. Additional Requirements of Oregon Law for Public Contracts,

2. Residence status of Bidder

Each Bidder must identify in its bid whether the Bidder is a resident Bidder, as defined in ORS 279A.120.

The following agencies, as well as others, may have pertinent regulations:

Federal: Army Corps of Engineers, Federal Energy Regulatory Commission, Environmental Protection Agency, Dept. of Human and Health Services, Dept. of Interior including but not limited to the US Fish and Wildlife Service, Department of Labor, and Water Resources Council.

State: Columbia River Gorge Commission, Department of Energy, Department of Environmental Quality, Department of Fish and Wildlife, Department of Human Resources, Soil and Water Conservation Commission, and Oregon Water Resources Department.

Local: City and County wherein the project is to be undertaken. Tribal: Confederated Tribes of the Umatilla Indian Reservation.

(5) In relation to ORS 279B.230 and 279C.530, Contractor shall comply in their entirety, and in this regard:

(a) Contractor shall promptly, as due, make payment to any person, co-partnership, association or corporation, furnishing medical, surgical and hospital care or other needed care and attention, incident to sickness or injury, to the employees of Contractor, of all sums which the Contractor agrees to pay for such services and all monies and sums which the Contractor collected or deducted from the wages of employees pursuant to any law, contract or agreement for the purpose of providing or paying for such service.

(b) All employers, including Contractor, that employ subject workers who work under this contract in the State of Oregon shall comply with ORS 656.017 and provide the required workers compensation coverage, unless such employers are exempt under ORS 656.126. Contractor shall ensure that each of its Subcontractors complies with these requirements.

(6) (a) If the contract is for public works and is over $50,000, Contractor, unless otherwise exempted by law, shall comply with ORS 279C.800 to 279C.870 relating to the payment of prevailing wages; Contractor shall also comply with the federal Davis-Bacon Act to the extent applicable. The prevailing rates of wage, state and federal, made available on the internet are hereby incorporated by reference; they may be seen at various sites including at www.boli.state.or.us/BOLI/WHD/PWR and www.access.gpo.gov/davisbacon/or.html. If the state and federal prevailing wage laws both apply, Contractor shall pay as wages the greater of the applicable prevailing wage. Contractor shall comply with all wage reporting and certification requirements of the prevailing wage laws and/or the Davis-Bacon Act, as applicable.

(b) Before starting Work the Contractor shall file with the Construction Contractors Board, and maintain in full force and effect, the separate public works bond required by Oregon Laws 2005, Chapter 360, and OAR 839-025-0015, unless otherwise exempt under those provisions. The Contractor shall also include in every subcontract a provision requiring the Subcontractor to have a public works bond filed with the Construction Contractors Board before starting Work, unless otherwise exempt, and shall verify that the Subcontractor has filed a public works bond

(7) The following apply to contracts for public improvements:

(a) Contractor shall comply with ORS 279C.580, dealing with Contractor's relations with Subcontractors. Without limiting the generality of the foregoing, in this regard Contractor shall include a clause in each subcontract for property or services entered into by the Contractor and a first-tier Subcontractor, including a material supplier, for the purposes of performing the contract:

(i) that obligates the Contractor to pay the first-tier Subcontractor for satisfactory performance under its subcontract within ten days out of such amounts as are paid to the Contractor by the Owner; and

(ii) that obligates the Contractor, if payment is not made within thirty days after receipt of payment from the Owner, to pay to the first-tier Subcontractor an interest penalty on amounts due in the case of each payment not made in accordance with the payment clause required by the preceding paragraph. The interest penalty shall be for the period beginning on the day after the required payment date and ending on the date on which payment of the amount due is made, and shall be computed at the rate specified in ORS 279C.515(2).

(b) Contractor shall include in each of its subcontracts, for the purpose of performance of work in relation to project, a provision requiring the first-tier Subcontractor to include a before clause and an interest penalty clause conforming to the foregoing standards in each of its contracts and to require each of its Subcontractors to include such clauses in their subcontracts with each lower-tier Subcontractor or supplier.

(c) Nothing stated herein shall be construed to preclude the negotiations allowed pursuant to ORS 279C.580(5).

(8) If any work supplied pursuant to the contract requires licensing with the Construction Contractors Board or the State Landscape Contractors Board, Contractor must be so licensed in order to submit a bid for the contract, and Contractor and all relevant Subcontractors must remain licensed during the period required for performance. Contractor certifies that all Subcontractors and workers will be properly licensed to perform the work required by this Contract before their commencement of work.

(9) If this contract is for public improvements, then retainage in the amount of 5% of the amount due shall be withheld in accordance with Oregon laws, including ORS 279C.550 et seq.

(10) If this contract is for a public improvement, and unless exempted by resolution of the Owner, Contractor shall comply with ORS 279C.380 and execute and deliver to Owner a good and sufficient performance bond and payment bond to be approved by Owner in a sum equal to the contract price. By way of supplement to, and equally binding as, all of the foregoing:

(10.1) Contractor shall comply with all federal, state and local laws, codes, regulations and ordinances applicable to the Work and the Contract. Failure to comply with such requirements shall constitute a breach of Contract and shall be grounds for Contract termination. Without limiting the generality of the foregoing, Contractor expressly agrees to comply with the following as applicable: I) Title VI and VII of Civil Rights Act of 1964, as amended; (ii) Section 503 and 504 of the Rehabilitation Act of 1973, as amended; (iii) the Health Insurance Portability and Accountability Act of 1996; (iv) the Americans with Disabilities Act of 1990, as amended; (v) ORS Chapter 659A; as amended (vi) all regulations and administrative rules established pursuant to the foregoing laws; and (vii) all other applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations. Owner's performance under the Contract is conditioned upon Contractor's compliance with the provisions of ORS 279C.505, 279C.510, 279C.515, 279C.520, and 279C.530, which are incorporated by reference herein.

(10.2) Contractor shall comply with all applicable requirements of federal and state civil rights and rehabilitation statutes, rules and regulations; and

(a) Contractor shall not discriminate against Disadvantaged, Minority, Women or Emerging Small Business enterprises, as those terms are defined in ORS 200.005, in the awarding of subcontracts (ORS 279A.110).

(b) Contractor shall maintain, in current and valid form, all licenses and certificates required by law, regulation, or this Contract when performing the Work.

(10.3) Unless contrary to federal law, Contractor shall certify that it shall not accept a bid from Subcontractors to perform Work as described in ORS 701.005 under this Contract unless such Subcontractors are registered with the Construction Contractors Board in accordance with ORS 701.035 to 701.055 at the time they submit their bids to the Contractor.

(10.4) Unless contrary to federal law, Contractor shall certify that each landscape Contractor, as defined in ORS 671.520(2), performing Work under this Contract holds a valid landscape Contractor's license issued pursuant to ORS 671.560.

(10.5) The following notice is applicable to Contractors who perform excavation Work. ATTENTION: Oregon law requires you to follow rules adopted by the Oregon Utility Notification Center. Those rules are set forth in OAR952-001-0010 through OAR 952-001-0090. You may obtain copies of the rules by calling the center at (503)232-1987.

(11) Contractor must certify compliance with the Oregon tax laws in accordance with ORS 305.385 when applicable.

(12) Upon receipt by Contractor of any notice or claim, pursuant to ORS 279C.600 et seq (concerning action against bonds) Contractor shall immediately notify Owner in writing.

(13) Unless agreed to by Owner in writing, Contractor may not assign, transfer, dispose of, or delegate its duties under the contract.

(14) Contractor shall be responsible for compliance with all local, state, tribal, and federal laws, applicable to any aspect of the work to be performed. It shall be Contractor's responsibility to determine the applicability and requirements of any such laws and to abide by them. Contractor shall indemnify, defend, and hold harmless Owner for any default or breach of Contractor in this regard.

(15) The submission of a bid for this contract is certification by Contractor that Contractor has not discriminated and will not discriminate in violation of ORS 279A.110 against any minority, women, or emerging small business enterprises in obtaining any required subcontracts.

(16) If this contract is a public improvement contract for demolition, Contractor shall salvage or recycle constructions and demolition debris if feasible and cost-effective.

(17) If this contract is a public improvement contract for lawn and landscape maintenance, Contractor shall compost or mulch yard waste material at an approved site, if feasible and cost-effective.

(18) Any dispute arising out of any of the contract documents, or out of their performance, shall be decided by litigation in the Circuit Court of the State of Oregon in the county of Owner's residence, the parties consenting to jurisdiction in said court and permanently waiving jurisdiction in any other court, state or federal. In the event of litigation the prevailing party shall be entitled to an award of reasonable attorney's fees and costs at trial and upon any appeal thereof.

D. Procedures for Processing Orders

Once the award is made to the vendor, IMESD will market these contracts by: 1) including the contract on the IMESD website, 2) announcing the award in flyers, and 3) attending vendor events throughout school year. A list of schools, contact names, addresses and phone number can be accessed through the Oregon Department of Education website. At this point the vendor contacts schools and schools may contact the vendor. When the school/agency identifies a product or services and agrees on price it issues to Vendor a purchase order for that item or service, referencing the AEPA Bid number. The purchase order must include an additional one percent (2%) administrative fee in the total to be forwarded by the vendor to IMESD after the sale. All participating vendors agree to and are subject to audit proceedings of IMESD member sales.

Upon receipt of the purchase order, the vendor provides the goods or service listed on the purchase order. It is important to remember the vendor makes delivery to the member unless other arrangements are made in cooperation with IMESD. When all items and services on the purchase order have been delivered to the member in a complete and satisfactory manner, vendor then invoices the member for the goods and service. This invoice includes the additional one percent (2%) administrative fee to the total amount invoiced of the goods or service provided by the vendor. This percent is based on the total sales of goods or services. The member then pays the vendor including the one percent (2%) administrative fee. IMESD then invoices the Vendor for the 2% administrative fee based on the sale of goods and services collected by the vendor.

C. Agency Members Purchasing under the UMESD

The InterMountain Education Service District (IMESD) participates in a national non-profit organization, the Association of Educational Purchasing Agencies (AEPA), which is a procurement vehicle. The mission of IMESD's involvement with AEPA is to cooperatively serve Oregon state agencies members through a continuous effort to explore and solve present and future purchasing needs. AEPA goals include working to secure multi-state volume purchasing contracts with benefits that are measureable, cost-effective and continuously exceed our state member's expectations. InterMountain Education Service District is the member agency representing Oregon in AEPA through an IMESD board approved Memorandum of Understanding between all participating states that are all political subdivisions related to K-12 education. All AEPA bids have been advertised by IMESD in Oregon. Pursuant to Oregon Law, ORS 279A, InterMountain Education Service District is authorized to offer these contracts to other government entities including school districts, state universities, community colleges, special districts, local and state government.

There is no fee or annual dues to become an IMESD agency member to purchase. InterMountain Education Service District's Contract management efforts re funded by a nominal administrative fee paid by the vendor based on sales volume.

20. Pennsylvania, Central Susquehanna Intermediate Unit dba Keystone Purchasing Network

A. Additional Member Agency General Terms and Conditions that apply to all categories

KPN is a cooperative purchasing program operated by the Central Susquehanna Intermediate Unit under Pennsylvania's inter-governmental cooperation laws and includes members in several east coast states that currently include Pennsylvania, Maryland, the District of Columbia, New York and Delaware, as well as members from other states. All such members of KPN shall be referred to in these state-specific terms and conditions as "Member." Additionally, any bidder that is awarded a contract shall be referred to in these state-specific terms and conditions as "Vendor" or "Contractor."

Vendor agrees that, in the provision of supplies, and in the performance of the work and services required under the contract, Vendor shall abide by all Federal, Pennsylvania state, and local laws, regulations and ordinances that may apply, including, but not limited to, those listed below. Vendor shall also abide by the state and local laws, regulations and ordinances of other states and municipalities where a Member is located, including, without limitation, any states and municipalities where new Members are added as KPN Members throughout the term of the applicable contract.

1. **Marketing and Advertising under this Agreement.** Vendor will actively promote the resulting contract in Pennsylvania, Maryland, Delaware and New York States. Vendor will comply with the AEPA Marketing program along with the requirements listed below.

    a. Vendor will include the approved KPN logo, web address, contract number and toll free number in all print, electronic mail and other advertising and promotion intended for release to PA, MD, DE and NY excluding national marketing releases.
    b. The KPN logo and associated KPN information shall be of a clearly readable size and in appropriate proportion to other elements in the printed material.
    c. Vendor agrees to provide KPN with a copy or proof sheet of the advertisement or promotion material. Vendor will provide KPN with date of release and name of publication, journal, etc.
    d. Vendor shall place a supplied KPN vendor sign on booths, tables, etc. of any or all exhibits for which Vendor displays/participates at tradeshows, conventions and the like. Vendor will supply in advance scheduled exhibit dates. Vendor agrees to make available at the exhibit KPN supplied brochures or other promotion materials.
    e. Vendor agrees to insert the approved KPN logo, web address, contract number and toll free number on Vendor's website promoting the KPN contract or a specific KPN landing page and providing a link to the KPN website.
    f. Vendor will supply product catalog information, product description, pricing, etc., in a spreadsheet format as specified by KPN for inclusion on the KPN website.
    g. Vendor agrees to cooperate in developing appropriate website content to promote its products, services and their advantages to KPN Members.
    h. Requested materials will be submitted to KPN within thirty (30) days.

2. **Pricing and Ordering.** Vendor will provide all pricing information in an electronic format and/or setup an electronic ordering system that would show the current contract prices along with the KPN administrative fee of two percent (2%) or as adjusted by KPN. In the case of electronic ordering, KPN must have administrative reporting capabilities with an online ordering system. The KPN administrative fee will apply to all purchases, installation, total lease, total rental prices and all construction and installation and annual maintenance fees and will be included in the net price offered to the Member.

3. **Criminal Background Reports and Child Abuse Clearances.** Unless Member stipulates in writing otherwise, the background checks required pursuant to 24 P.S. § 1-111 and 23 Pa.C.S. § 6344, each as amended from time to time, shall be submitted to Member for review and approval prior to Contractor or any of Contractor's employees commencing work under the Contract. Contractor shall be required to obtain Criminal History Reports (24 P.S. § 1-111), Child Abuse Clearances (23 Pa.C.S. § 6344) and an Employment Background Review (24 P.S. §1-111.1) for any individual Contractor intends to utilize in conjunction with the Contract. No Criminal History Report or Child Abuse Clearance submitted may be more than fifty-five (55) months old at the time of submission and will expire at the point it is sixty (60) months old. The Member shall follow the regulations promulgated by the State Board of Education concerning the confidentiality of the Criminal History Reports, Child Abuse Clearances and Employment Background Review. In compliance with 24 P.S. § 1-111, as amended, and 23 Pa.C.S. § 6344, Contractor shall be required to:

    a. Present the original Criminal History Reports, Child Abuse Clearances and Employment Background Reviews to Member's administrative designee prior to the beginning of work under the contract for copying and

evaluation of the suitability of each such individual based upon the applicable statute, as amended. The Member shall retain a copy of the official background check information and shall note on that copy the date on which the original document was inspected and the name of the administrator who viewed the original. This copy shall be retained in Member's records, with the original being returned to the Contractor.

b. Follow the same procedure described above prior to performing any work under the contract if any new employees are added to the workforce during the course of the work.
c. Cover all costs for the Criminal History Reports, Child Abuse Clearances and Employment Background Review.

Upon review of the Criminal History Reports, Child Abuse Clearance or Employment Background Review for any particular individual, Member may determine that utilizing the individual pursuant to the contract is inappropriate. At that point, Member shall notify Contractor in writing and Contractor shall then assign a different, cleared individual without delay to the role that otherwise would have been filled by the excluded individual. Similarly, Contractor shall also assign a different, cleared individual without delay if a previously cleared individual fails to submit new Criminal History Reports or Child Abuse Clearances prior to the expiration of the old report(s).

A. ADDITIONAL GENERAL TERMS AND CONDITIONS FOR CONSTRUCTION PRODUCTS AND SERVICES

The following items refer to all projects involving construction or construction related services:
Vendor agrees that, in performance of the work and services required under the contract, Vendor shall abide by all Federal, Pennsylvania state, and local laws, regulations and ordinances that may apply, including, but not limited to, those listed below. Vendor shall also abide by the state and local laws, regulations and ordinances of other states and municipalities where a Member is located. It is the responsibility of the Vendor to determine applicability and requirements of any such laws and to abide by them. Additionally, Vendor has the sole responsibility for compliance with all other matters in conjunction with the services to be performed under the contract and in the Invitation for Bid.

1. **Performance and Labor and Material Payment Bonds.** The Contractor shall provide a performance bond and a labor and material payment bond, each in the amount of one hundred percent (100%) of the contract price, before the award of the contract. (§§ 756 and 757 of the Public School Code of 1949, as amended, and the Public Works Contractors Bond Law of 1967)
2. **Discrimination Prohibited.** According to 62 Pa.C.S.A. § 3701, the Contractor agrees that:
    a. In the hiring of employees for the performance of work under the contract or any subcontract, no Contractor, Subcontractor or any person acting on behalf of the Contractor or Subcontractor shall by reason of gender, race, creed or color discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
    b. No Contractor or Subcontractor or any person on their behalf shall in any manner discriminate against or intimidate any employee hired for the performance of work under the contract on account of gender, race, creed or color.
    c. The contract may be canceled or terminated by the government agency and all money due or to become due under the contract may be forfeited for a violation of the terms or conditions of that portion of the contract.
3. **Human Relations Act.** The provisions of the Pennsylvania Human Relations Act, Act 222 of October 27, 1955 (P. L. 744) (as amended June 24, 1997, 43 P.S. § 951, et. seq.) of the Commonwealth of Pennsylvania prohibit discrimination because of race, color, familial status, religious creed, ancestry, age, sex, national origin, handicap or disability, use of guide or support animals because of the blindness, deafness or physical handicap of the user or because the user is a handler or trainer of support or guide animals by employers, employment agencies, labor organizations, Contractors and others. The Contractor shall agree to comply with the provisions of this Act as amended that are made part of this specification. Your attention is directed to the language of the Commonwealth's non-discrimination clause in 16 Pa. Code § 49.101.
4. **Competent Workmen.** For school district projects where the total estimated cost is twenty-five thousand dollars ($25,000.00) or less, § 7-752 of the Public School Code of 1949 requires that no person shall be employed to do work under such contract except competent and first class workmen and mechanics. No workmen shall be regarded as competent first class, within the meaning of this act, except those who are duly skilled in their respective branches of labor, and who shall be paid not less than such rates of wages and for such hours' work as shall be the established and current rates of wages paid for such hours by employers of organized labor in doing of similar work in the district where work is being done.
5. **Pennsylvania Prevailing Wage Rates.** Projects where the total estimated cost is greater than twenty-five thousand dollars ($25,000.00), paid for in whole or in part out of funds of a public body, except for maintenance work or work performed under a rehabilitation program or manpower training program must specify "Prevailing Wages." Further information on implementation of the act, definition of maintenance work and prevailing wage rates may be requested

from the Pennsylvania Department of Labor and Industry (800-932-0665 or 717-787-4763). When applicable, use Davis-Bacon wage rates for federally assisted projects. This regulation and the general Pennsylvania prevailing minimum wage rates, (Act 442 of 1961, P.L. 987, amended), as determined by the Secretary of Labor and Industry, which shall be paid for each craft or classification of all workers needed to perform the contract during the anticipated term therefore in the locality in which public work is performed, are made part of this specification.

a. The general prevailing minimum wage rates including contributions for employee benefits as shall have been determined by the Secretary of Labor and Industry (hereinafter "Secretary"), which must be paid to the workmen, employed in the performance of the Contract.
b. The Contractor shall pay no less than the wage rates as determined in the decision of the Secretary and shall comply with the conditions of the Pennsylvania Prevailing Wage Act approved August 15, 1961 (Act No. 442), as amended August 9, 1963 (Act No. 342), and the Regulations issued pursuant thereto, to assure the full and proper payment of said rates.
c. These Contract provisions shall apply to all work performed on the Contract by the Contractor and to all work performed on the contract by all Subcontractors.
d. The Contractor shall insert in each of his subcontracts all of the stipulations contained in these requiredprovisions.
e. No workmen may be employed on the Work except in accordance with the classifications set forth in the decision of the Secretary. In the event that additional or different classifications are necessary the procedure set forth in the Regulations shall be followed.
f. All workmen employed or working on the Work shall be paid unconditionally, regardless of whether any contractual relationship exists or the contractual relationship which may be alleged to exist between any Contractor, Subcontractor and workmen, not less than once a week without deductions or rebate, on any account, either directly or indirectly, except authorized deductions, the full amount due at the time of payment, computed at the rates applicable to the time worked in the appropriate classification. Nothing in this Contract, the Act or the Regulations shall prohibit the payment of more than the general prevailing minimum wage rates as determined by the Secretary to the workmen on the Work.
g. The Contractor and each Subcontractor shall post for the entire period of construction the wage determination decisions of the Secretary, including the effective date of any changes thereof, in a prominent and easily accessible place or places at the site of the work and at such place or places used by them to pay workmen their wages. The posted notice of wage rates must contain the following information:
    i. Name of project.
    ii. Name of public body of which it is constructed.
    iii. The crafts and classifications of workmen listed in the Secretary's general prevailing minimum wage rate determination for the particular project.
    iv. The general prevailing minimum wage rates determined for each craft and classification and the effective date of any changes.
    v. A statement advising workmen that if they have been paid less than the general prevailing minimum wage rate for their job classification or that the Contractor and/or Subcontractor are not complying with the Act or the Regulations in any manner whatsoever, they may file a protest with the Secretary within three (3) months of the date of the occurrence, objecting to the payment to the Contractor to the extent of the amount or amounts due or to become due to them as wages for work performed on the Project. Any workmen paid less than the rate specified in the Contract shall have a civil right of action for the difference between the wage paid and wages stipulated in the Contract, which right of action must be exercised within six (6) months from the occurrence of the event creating such right.
h. The Contractor and all Subcontractors, shall keep an accurate record showing the name, craft and/or classification, number of hours worked per day, and the actual hourly rate of wage paid (including employee benefits) to each workman employed by him in connection with the Work and such record must include any deductions from each workman. The record shall be preserved for two (2) years from the date of payment and shall open at all reasonable hours to the inspection of the Owner and to the Secretary or his duly authorized representative.
i. Apprentices shall be limited to such numbers as shall be in accordance with a bona fide apprenticeship program registered with and approved by the Pennsylvania Apprenticeship and Training Council and only apprentices whose training and employment are in full compliance with the provisions of the Apprenticeship and Training Act approved July 14, 1961 (Act No. 304) and the Rules and Regulation issued pursuant thereto shall be employed on the Work. Any workmen using the tools of a craft that does not qualify as an apprentice within the provisions of this submission shall be paid the rate predetermined for journeyman in that particular craft and/or classification.

j. Wages shall be paid without any deductions except authorized deductions. Employers not party to a contract requiring contributions for employee benefits which the Secretary has determined to be included in the general prevailing minimum wage rate shall pay the monetary equivalent thereof directly to the workman.

k. Payment of compensation to workmen for work performed on public work on a lump sum basis, or a piece work system, or a price certain for the completion of a certain amount of work, or the production of a certain result shall be deemed a violation of the Act and the Regulations, regardless of the average hourly earnings resulting there from.

l. Each Contractor and each Subcontractor shall file a statement each week and a final statement at the conclusion of the Work on the Contract with Owner, under oath, and in form satisfactory to the Secretary, certifying that all workmen have been paid wages in strict conformity with the provisions of the Contract as prescribed by the Regulations, or if any wages remain unpaid, to the amount of wages due and owing to each workman respectively.

m. The provision of the Act and the Regulations are incorporated by reference in the Contract.

n. The current prevailing wage threshold for Pennsylvania is twenty-five thousand dollars ($25,000.00). However, the threshold may be increased during the term on the contract by legislated action. Vendor will then be required to adjust labor rate for job under the new threshold.

6. **E-Verify.** The Vendor and its subcontractors (as such term is defined in the act) are required to comply with the Public Works Employment Verification Act, Act No. 127, July 5, 2012 (formerly Senate Bill 637). All bidders shall submit with their Bid a Public Works Employment Verification Form (the "Verification Form") to CSIU - KPN in the form published by the Commonwealth of Pennsylvania, Department of General Services. Per the act, the Verification Form is to be obtained from the Secretary of the Pennsylvania Department of General Services. The Verification Form is presently available on the Department of General Services website. Per the act, the Verification Form shall include a certification that the information in the statement is true and correct and that the individual signing the statement understands that the submission of false or misleading information in connection with the verification shall subject the individual and the public works contractor or subcontractor, as the case may be, to sanctions provided by law; and the verification form shall be signed by a representative of the public works contractor or subcontractor, as applicable, who has sufficient knowledge and authority to make the representations and certifications contained in the statement. Prior to award of a contract or purchase order by a Member to the Vendor for a particular project, the Vendor shall submit to the Member a Verification Form. Per the act, the Vendor's subcontractors shall provide to the Member, and Vendor shall cause its subcontractors to provide to the Member, their Verification Forms prior to commencing work on the Member's project.

7. **Standard of Quality.** The various materials and products specified in the specifications by name or description are given to establish a standard of quality and of cost for bid purposes. It is not the intent to limit the Bidder, the bid or the evaluation of the bid to any one material or product specified but rather to describe the minimum standard. When proprietary names are used, they shall be followed by the words "or alternatives of the quality necessary to meet the specifications". A bid containing an alternative, which does not meet the specifications, may be declared non-responsive. A bid containing an alternative may be accepted but, if an award is made to that Bidder, the Bidder will be required to replace any alternatives, which do not meet the specifications.

8. **Provisions for the Use of Steel and Steel Products Made in the U.S.** In accordance with Act 3 of the 1978 General Assembly of the Commonwealth of Pennsylvania, if any steel or steel products are to be used or supplied in the performance of the contract, unless such steel products are included in the applicable list of exempt products, only those produced in the United States as defined therein shall be used or supplied in the performance of the contract or any subcontracts thereunder in accordance with Act 161 of 1982, cast iron products shall also be included and produced in the United States. Act 141 of 1984 further defines "steel products" to include machinery and equipment. The act also provides clarifications and penalties.

9. **Prohibition on Cash Allowance.** Cash allowances are prohibited.

10. **Time(s) of Completion of the Project.** Vendor shall complete all work within one hundred eighty (180) days after entry into a contract with the individual Member. Member and Vendor may agree in writing on a lesser number of workdays depending on the scope of the project.

11. **Owner's Compliance in Retaining Payments.** Unless a Member stipulates otherwise, Payment Retentions and Progress Payments shall be as follows: Ten percent (10%) of all contract payments shall be retained by the Member as assurance of proper performance of the Contractor. Contractor agrees to identify the amount of the invoices sent to the Member, then send copies of the invoices to KPN. When fifty percent (50%) of the work is completed, as determined by the Member, one-half (1/2) of the amount retained shall be paid to the Contractor, if the Contractor requests release of retainage, provided that the Contractor is making satisfactory progress and there is no specific cause for greater withholding. After the work is fifty percent (50%) completed, no more than five percent (5%) of the amount of any subsequent progress payments shall be retained, unless the governing board of the Member determines that satisfactory progress is not being made, at which point ten percent retention shall be reinstated. If the Member and the

Contractor agree to a substitute security, the agreement must be in full compliance with Pennsylvania law (or such other applicable state law). If the substitute security is agreed to, the Contractor must provide KPN and the Member with a signed and acknowledged waiver of any right or power of the obligor to set-off any claim against KPN, the Member, or the Contractor, in relationship to the security assigned. The Contractor, as authorized above, will pay any interest due a Subcontractor or material supplier. A Subcontractor to the Contractor may request, in writing, that the Subcontractor be notified by KPN within five (5) days of payment of each progress payment made to the Contractor. It is the responsibility of the Contractor to inform all suppliers and Subcontractors that this contract is a cooperative purchasing contract. Once all bonds are in place, the Contractor and the authorized agent of the Member will agree in writing upon a schedule of payments based on identifiable milestones. Retaining of payments must be done in accord with 62 Pa.C.S.A. § 3921.

12. **Final Payment**. A contract containing a provision for retainage as provided in § 3921 (relating to retainage) shall contain a provision requiring the architect or engineer to make final inspection within thirty (30) days of receipt of the request of the Contractor for final inspection and application for final payment. If the work is substantially completed, the architect or engineer shall issue a certificate of completion and a final certificate for payment, and the government agency shall make payment in full within forty-five (45) days except as provided in § 3921, less only one and one-half times the amount required to complete any then-remaining uncompleted minor items, which amount shall be certified by the architect or engineer and, upon receipt by the government agency of any guarantee bonds which may be required, in accordance with the contract, to insure proper workmanship for a designated period of time. The certificate given by the architect or engineer shall list in detail each uncompleted item and a reasonable cost of completion. Final payment of any amount withheld for the completion of the minor items shall be paid upon completion of the items in the certificate of the engineer or architect.
13. **Workers' Compensation Act.** The Contractor shall accept, insofar as the work covered by their contract is concerned, the provisions of the Workers' Compensation Act 44 of 1993, and any supplements of amendments thereof, including any which may hereafter be passed, and shall insure the Contractor's full liability there under for all parts of their contract being performed by the Contractor, the Contractor's partners, associates, employees or those of any the Contractor may employ herein, or file with the Entity a certificate of exemption from insurance from the Bureau of Workers' Compensation of the Department of Labor and Industry.
14. The Contractor shall, at all times, indemnify and save harmless the school entities of and from all claims for Workers' Compensation which may be made by any of the employees of the Contractor or by any of the employees to whom the Contractor may have let the performance of any part of the work embraced by their contract and the Contractor shall appear for and defend the school entities against any and all such claims. The Contractor shall be covered by Employers' Liability Insurance with a minimum limit of two hundred fifty thousand dollars ($250,000.00) for each employee, a two million dollar ($2,000,000.00) policy limit and two hundred fifty thousand dollars ($250,000.00) for each accident.
15. **Antibid-rigging Act (Non Collusion).** In accordance with the Commonwealth of Pennsylvania's Antibid-Rigging Act, 62 Pa. C.S.A.§ 4501 et seq., the Contractor shall execute and submit with the bid a Non-Collusion Affidavit required by KPN. If Contractor is a joint venture, each party to the joint venture must be identified in the bid documents, and an Affidavit must be submitted separately on behalf of each party.
16. **Prevention of Environmental Pollution.** Section 3301 of the Pennsylvania Commonwealth Procurement Code requires that all invitations for Bids and requests for proposals for construction projects issued by any governmental agencies shall set forth any provision of Federal and State statutes, rules, and regulations dealing with prevention of environmental pollution and the preservation of public natural resources that affect the Project. A notice of said provisions prepared by the Pennsylvania Department of Environmental Resources ("Notice") under Act 247 of 1972, 52 P.S. § 1612 (repealed) is available from Jeffrey L. Kimball, Cooperative Purchasing Services Director at the Keystone Purchasing Network, mailing address: 90 Lawton Lane, Milton, Pennsylvania 17847; phone: 570-523-1155, ext.2130; and e-mail: jkimball@csiu.org. Said Notice is hereby incorporated by reference. Contractor is hereby notified and agrees to comply with the terms of all statutes, rules and regulations enumerated in the Notice.
17. **Architectural Services.** For those Members who are Pennsylvania public school districts, and whose projects require architectural or engineering services, your attention is directed to § 7-751.1 of the Pennsylvania Public School Code (24 P.S. § 7-751.1), which requires a public school district to engage an architect/engineer that is independent from the Vendor's architect/engineer.
18. **Multiple Prime Contractors.** For those Members who are Pennsylvania public school districts, your attention is directed to § 7-751 of the Pennsylvania Public School Code (24 P.S. § 7-751), which requires a public school district to use separate prime contractors for plumbing, heating and ventilating, and electrical work. To the extent a school district's project extends beyond general construction services, the school district will need to separately bid plumbing, heating and ventilating, and electrical work, and should consult with its individual solicitor for compliance with § 7-751. For other Members who are subject to multiple prime requirements under applicable bidding laws, such Members should consult with their individual solicitors for compliance with said requirements.

B. PROCEDURE FOR PROCESSING ORDERS

Once the award is made to the Vendor, KPN will inform its Members of the contract by: (1) including the contract in the agency database that is available on the KPN website, (2) announcing the award in its periodic newsletter, and (3) publishing the contract information in a catalog disseminated to all Members. A list of Members, institution names, contact names, addresses and phone numbers will be made available to the Vendor in an electronic format. At this point the Vendor contacts the Members and Members may contact the Vendor. When the Member identifies a product or service it issues a purchase order for that item to the Vendor. The Vendor's price to the Member will include the following administrative fees: currently two percent (2%) on all supplies, equipment and construction, rental or lease, annual subscription fee, etc.; and other administrative fees as approved by KPN, which will be collected by Vendor from the Member. KPN reserves the right to adjust the administrative fee at any time during the duration of the contract and any renewal period or to modify the administrative fee based on volume of purchase. If the administrative fee is reduced due to the size of the project the Vendor will show the adjustment on the quote. The Vendor will compile a quarterly report showing all purchases made by KPN Members under this contract. The Vendor will also produce an annual report for all purchases made under the contract for a period beginning with the award of the contract through December 31 and all consecutive twelve (12) month periods if the contract is extended. The Vendor will make all administrative fee payments to KPN by the fifteenth (15th) of the succeeding month of each three (3) month period (quarterly) after they have received payment from the Member. All checks are to be made payable to the Central Susquehanna Intermediate Unit (CSIU) and sent to Keystone Purchasing Network, 90 Lawton Lane, Milton, Pennsylvania 17847, and Attention: Jeff Kimball. All reporting of purchases will be broken down by entity as well as by state, and will show purchaser, total dollar and date of purchase. These reporting requirements may change during the contract period.

C. AGENCIES ALLOWED TO BECOME MEMBERS OF KPN

KPN is a cooperative purchasing program operated by the Central Susquehanna Intermediate Unit under Chapter 19, Intergovernmental Relations, of the Pennsylvania Commonwealth Procurement Code, 62 Pa.C.S. §§ 1901 et. seq., as the same may be amended from time to time (the "Procurement Code"). Pursuant to the Procurement Code, Pennsylvania public school districts are eligible to become Members of KPN. Other organizations, whether such organizations are located inside or outside of the Commonwealth of Pennsylvania, may be eligible to become Members of KPN. Other organizations located inside and outside of the Commonwealth of Pennsylvania that may be eligible to become Members include: state purchasing agencies, political subdivisions, public authorities, tax-exempt, nonprofit educational or public health institutions and organizations, nonprofit fire companies, nonprofit rescue companies, nonprofit ambulance companies, and to the extent provided by law, any other entity, including a council of governments or an area government, which expends public funds for the procurement of supplies, services and construction.

Any eligible organization desiring to become a Member of KPN must complete a Membership Application Form, and, per the KPN Terms of Membership Agreement incorporated therein, certify that they are an eligible organization. Each organization must determine for itself whether it is an eligible organization as defined by the Procurement Code and by the Member's home state. The CSIU relies on these certifications and by entering into the Membership Agreement, the Member does attest and affirm that it is an eligible organization under the Procurement Code and the applicable laws and regulations in the Member's home state. Membership by eligible organizations from other states is permitted only if such membership is permissible under various intergovernmental cooperative purchasing laws and regulations from Pennsylvania and the Member's home state.

No Member is obligated to use a contract, but Members find the benefits of low price and not needing to go through a separate bidding process very advantageous. Only those Members listed on an approved KPN membership list are eligible to purchase under a contract. This list may change during the contract period and currently includes Members from Pennsylvania, Maryland, New Jersey, New York, Delaware, the District of Columbia and other Northeast and Mid-Atlantic states. Vendors may choose to offer the contract in other non-AEPA Member states where cooperative purchasing laws allow.

As Members from other states are added to the membership of KPN, the Vendor agrees to abide by all state and local laws, regulations and ordinances that may apply to any purchase of products, services or construction by these Members in their home state. KPN reserves the right to market any AEPA contract under any cooperative program name that it may choose in the future on a national basis in any non-AEPA Member state.

21. TexBuy, a Cooperative Purchasing Shared Services Cooperative Sponsored by the Region 16 Education Service Center

A. Additional Agency Terms and Conditions

(1) **TexBuy funding:** The total cost of the TexBuy program is funded through a participation fee up to two percent (2%) paid to TexBuy by the Contractors. This fee shall be included in all pricing to TexBuy and its participating agencies. The fee is based on actual Contractor sales. TexBuy does not charge any fees to participating government agencies.

(2) **Tax exempt status:** All government agencies participating in TexBuy are exempt from payment of taxes under Texas Tax Code §151.309 for the purchase of tangible personal property.

(3) **Minority and Women Business Enterprise (MWBE) participation:** It is the policy of some TexBuy participants to involve MWBE Contractors in the purchase of goods and services. Contractors shall indicate on the proposal form whether or not they are an MWBE.

(4) **Bid awards** shall not consider whether a vendor is a member of or has another relationship with any organization and bid specifications (and subsequent contracts) shall not deny or diminish the right of a person to work because of the person's membership or other relationship status with respect to any organization in accordance with Texas Education Code §44.043.

(5) **Felony Conviction Notice** (TexBuy Contractors will be required to sign a standard affidavit required by the State of Texas): Texas Education Code, Section 44.034, Notification of Criminal History, Subsection (a), states "a person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony." Subsection (b) states "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract." This notice is not required of a publicly held corporation.

(6) **SB 9: Criminal History and Background Checks,** in accordance with Texas Education Code Chapter 22, shall be required should any employee or agent of a contractor awarded a bid have "continuing duties related to the contracted services" with a school district and that employee or agent will have "direct contact with students" (as those terms are defined in 19 Texas Administrative Code §153.1101).

(7) **Debarment and Suspension:** Under Executive Order 12549 in the Federal Register and Rules and Regulations, TexBuy and TexBuy participants shall not do business with a vendor that has been debarred, suspended, or is otherwise ineligible for participation in Federal Assistance Programs.

(8) **Conflict of Interest:** In accordance with Texas Local Government Code Chapter 176, vendors/contractors who have a business relationship as defined by Section 176.001(1-a) with a local government entity and meet the requirements under section 176.006(a) must file a Conflict of Interest Questionnaire (Form CIQ) with the local government entity when:

(a.) The vendor/contractor has entered into a contract with the local government entity or the local government entity is considering entering into a contract with the vendor.
(b.) AND the vendor provides certain income or gifts to a Local Government Officer (LGO) or first-degree relatives as defined in the Texas Government Code
(c.) OR a family relationship exists between the LGO and the vendor's employees or agents as defined in the Texas Government Code.

(9) **EDGAR Certification (Education Department General Administrative Regulations):** In accordance with Federal Regulations under 2 CFR § 200.318(c)(1) – When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may

apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (also known as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting Proposals must complete this EDGAR Certification Form regarding the Offeror's willingness and ability to comply with certain requirements which may be applicable to specific TexBuy member purchases using federal grant funds. This completed form will be made available to TexBuy members for their use while considering their purchasing options when using federal grant funds. Members may also require Vendors to enter into ancillary agreements, in addition to the TexBuy's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

(10) **Antitrust Certification:** In accordance with Texas Government Code 2155.005, a local government entity shall not enter into contract with a vendor/contractor that has violated any provision of the Texas Antitrust laws referenced in Texas Business & Commerce Code Chapter 15 or any Federal antitrust laws.

(11) **H.B. 89 Verification:** In accordance with chapter 2270 of the Texas Government code, a local government entity (city, school district, special district, etc) may not enter into a contract with a for-profit company unless the local government entity obtains written verification that the company does not and will not boycott Israel during the term of the contract.

(12) **S.B. 252 Certification:** In accordance with chapter 2252, section 2252.152 of the Texas Government Code, a vendor must not be listed on the website of the Comptroller of the State of Texas concerning the listing of companies that are identified under Section 806.051, section 807.051 or Section 2235.153 as affiliated with Iran, Sudan or any Foreign Terrorist organization.

B. Additional Agency Terms and Conditions for Non-Construction Products and Services

(1) **State of Texas Franchise Tax:** By signature hereon, the bidder certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Texas Tax Code.

(2) **Agricultural products**, including textiles and other similar products, are not to be made available to Texas school districts through the agreement, unless such products produced, processed, or grown in the state of Texas are given a preference in accordance with Texas Education Code §44.042.

C. Additional Agency Terms and Conditions for Construction Products and Services as required by law in the State of Texas:

(1) **Architectural and Engineering Services**: The Texas Professional Services Procurement Act, Chapter 2254 of the Texas Government Code states that by law, local government entities within the State of Texas procuring construction related services through a TexBuy contract such as Job Order Contracts, or a contract for the installation of equipment or materials (e.g, athletic fields and surfaces) may need to procure certain aspects of the services provided using a separate procurement process outside of the TexBuy contract depending on the nature and scope of the services. The "Professional Services" prohibited under the Act include (but is not limited to) professional engineering, architecture, accounting, landscape architecture, land surveying, and real estate appraisal services. Additionally, the Texas Interlocal Cooperation Act provides that a governmental entity may not use an interlocal contract with a purchasing cooperative to purchase engineering or architectural services (Texas Government Code, Section 791.011(h)).

(a.) Architecture: If plans and specifications must be prepared by an architect for a new building having construction costs exceeding $100,000 or an alteration or addition to an existing building having construction costs exceeding $50,000, it must be procured separately. (An "alteration" or "addition" for purposes of this requirement requires the removal, relocation, or addition of a wall or partition or alteration or addition of an exit)

(b.) Engineering: If the goods or services purchased through a TexBuy contract will involve engineering services in which public health/welfare/safety is involved, the plans for structural, mechanical,

electrical, electronic, fire suppression, geotechnical system, foundation design, surface water drainage, plumbing and certain roof modifications and estimates must be prepared by an engineer and the engineering construction must be performed under the direct supervision of an engineer. Therefore, these services must be procured separately. There are two (2) exceptions to the rule: 1) If the project involves mechanical or electrical engineering and will cost $8,000 or less, or 2) if the project does not require mechanical or electrical engineering and will cost $20,000 or less.

(c.) Independent Testing: If acceptance of a facility by a public entity involves independent testing of construction materials engineering and/or verification testing services, the testing services should be procured under the Professional Services Procurement Act and may not be procured under a TexBuy contract.

(d.) Written Certification: The member entity procuring construction-related goods and services through TexBuy in the amount that exceeds $50,000 must designate a person to certify, in writing, that the project does not require the preparation of plans or specifications by an architect or engineer OR that an architect or engineer has prepared the plans or specifications.

(2) **Certification of Residency (TexBuy Contractors will be required to sign a standard affidavit required by the State of Texas):** The State of Texas has a law concerning non-resident Contractors. This law can be found in Texas Government Code under Chapter 2252, Subchapter A. This law makes it necessary for TexBuy to determine the residency of its Contractors. In part, this law reads as follows:

(a.) **Section: 2252.001**

"Non-resident bidder" refers to a person who is not a resident. "Resident bidder" refers to a person whose principal place of business is in this state, including a Contractor whose ultimate parent company or majority owner has its principal place of business in this state."

(b.) **Section: 2252.002**

"A governmental entity may not award a governmental contract to a non-resident bidder unless the nonresident underbids the lowest bid submitted by a responsible resident bidder by an amount that is not less than the amount by which a resident bidder would be required to underbid the nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located."

(3) **Security**

(a.) **Bid Security**, when required by Texas Law, shall be furnished with the bid. The Bid Security shall consist of a certified check, cashier's check or a bid bond in the amount of ten percent (10%) of the total bid (or as otherwise stated in the RFB) that shall be a guarantee to furnish Performance and Payment Bonds. Bid Security shall be to TexBuy.

(b.) **The Successful Bidder's Security** will be retained until the Contract is signed and the required Performance and Payment Bonds have been furnished. If any bidder refuses to enter into a contract within 30 days or fails to furnish the required bonds, TexBuy will retain the Bid Security as liquidated damages, but not as a penalty.

(c.) **Performance Bonds** when required by Texas Law, shall be furnished by the successful bidder in an amount equal to one hundred percent (100%) of the total amount of the contract sum, underwritten by such Surety Company as the Participating Agency may approve, conditioned upon the faithful performance of the work in accordance with the plans, specifications, and contract documents. Said bond shall be solely for the protection of the Participating Agency.

(d.) **Payment Bonds** when required by Texas Law shall be furnished by the successful bidder, in the amount of the contract, solely for the protection of all claimants supplying labor and material as hereinafter defined, in the prosecution of the work provided in said contract, for the use of each claimant.

(e.) **Prevailing Wage** must be paid to any contractors or subcontractors or their employees or agents in performing any work under the awarded bid.

(f.) **Criminal History Background Checks** in accordance with Texas Education Code §22.0834 shall be required should any employee or agent of a contractor awarded a bid have "continuing duties related to the contracted services" with a school district and that employee or agent will have "direct contact with students" (as those terms are defined in 19 Texas Administrative Code 153.1101).

(3) **Insurance:** The Contractor shall file with the Participating Agency's designee, Insurance Certificates, as described herein, evidencing the coverage required, and shall be supplied within ten (10) calendar days after receipt of the written "Notice of Award". In no instance shall the Contractor begin work prior to the filing of the insurance requirements. Failure to do so shall be grounds to void the contract. The Participating Agency's designee shall be given ten (10) days notice prior to the cancellation or change of any of the required insurance coverage. The Participating Agency shall be named as Certificate Holder.

(a.) Contractor's Liability Insurance: Produce and maintain in force the following kinds of insurance of companies acceptable to the Owner. Minimum Limits of Liability are stated.

Contractor's Liability Insurance:

Employer's Insurance Workers' Compensation—Statutory Employer's Liability

Bodily Injury by Accident Each Occurrence—$100,000.00

Each Occurrence—$500,000.00

Property Damage Each Occurrence—$250,000.00

(b.) Owner's Insurance: Carry and pay for Owner's Protective Liability Insurance in the same amounts as specified above for the Contractor's General Liability. Name the Architect, Engineers, and Consultants as additional insured if applicable.

(c.) Comprehensive Catastrophic Liability: excess over the above liability policies in the amount of $2,000,000.00 each occurrence. (Combined Limit)

(4) **Legal Advice:** Because of the variety of laws and potential high-risk exposure associated with construction-related purchasing, TexBuy members have been advised to consult with the entity's legal counsel before entering into a contract in which they procure any construction-related goods or services using any purchasing method, including TexBuy Purchasing Cooperative.

D. Procedure for Processing Orders

(1) Purchase orders are issued by participating agencies to the Contractor.

(2) "Automated contracts" may be negotiated with TexBuy that provide for purchase orders to be sent directly to the Contractor with reports of usage submitted periodically to TexBuy.

(3) Contractors deliver goods/services directly to the participating agency and then invoice the participating agency. The Contractor receives payment directly from the participating agency.

(4) TexBuy shall receive quarterly reports from the Contractor reflecting total sales made through the TexBuy contract with the Contractor. The Contractor shall remit payment of their participation fee up to two percent (2%) to TexBuy at net thirty-day (30) terms.

E. Members Purchasing Under the Agency

TexBuy is operated by Region 16 Education Service Center, Amarillo, Texas and is available for use by all public and private schools, colleges, universities, cities, counties and other government agencies in the State of Texas.

22. Virginia, Fairfax County Public Schools

Additional Agency Terms and Conditions that apply to all categories

AUTHORITY-The Purchasing Agent has the sole responsibility and authority for negotiating, placing and when necessary modifying every solicitation, contract and purchase order (except for capital construction projects) issued by the County of Fairfax. In the discharge of these responsibilities, the Purchasing Agent may be assisted by assigned Buyers. Unless specifically delegated by the County Purchasing Agent, no other County officer or employee is authorized to order supplies or services, enter into purchase negotiations or contracts, or in any way obligate the government of the County of Fairfax for indebtedness. Any purchase ordered or contract made which is contrary to these provisions and authorities shall be of no effect and void and the County shall not be bound thereby.

NOTE: Fairfax County does not discriminate against faith-based organizations, in accordance with the *Code of Virginia*, § 2.2-4343.1, or against a Bidder or Bidder because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment in the performance of its procurement activity.

GENERAL

1. **DEFINITIONS-**
   AGENCY: Any Department, Agency, Authority, Commission, Board or other unit in the Administrative Service of the County.
   BIDDER/BIDDER: Any individual, company, firm, corporation, partnership or other organization bidding on solicitations issued by the Purchasing Agent and offering to enter into contracts with the County. The term "Bidder" will be used throughout this document and shall be construed to mean "Bidder" where appropriate.
   CONTRACTOR: Any individual, company, firm, corporation, partnership or other organization to whom an award is made by the County.
   COUNTY: County of Fairfax.
   GOODS: All material, equipment, supplies, printing, and automated data processing/information technology hardware and software.
   PURCHASING AGENT: The Purchasing Agent employed by the Board of Supervisors of Fairfax County, Virginia.
   SERVICES: Any work performed by an independent Contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials and supplies.
   STATE: Commonwealth of Virginia.
2. **FUNDING**-A contract shall be deemed binding only to the extent of appropriations available to each Agency for the purchase of goods and services.
3. **CONTRACT ALTERATIONS**-No alterations in the terms of a contract shall be valid or binding upon the County unless made in writing and signed by the Purchasing Agent or his or her authorized agent.
4. **SUBLETTING OF CONTRACT OR ASSIGNMENT OF CONTRACT FUNDS**-It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his or her contractual duties to any other person, firm or corporation, without the previous written consent of the Purchasing Agent. If the Contractor desires to assign his or her right to payment of the contract, Contractor shall notify the Purchasing Agent immediately, in writing, of such assignment of right to payment. In no case shall such assignment of contract relieve the Contractor from his or her obligations or change the terms of the contract.
5. **NEW GOODS, FRESH STOCK**-All Contractors, unless otherwise specifically stated, shall provide new commodities, fresh stock, latest model, design or pack.
6. **INSPECTION-ACCEPTANCE**-For determining acceptance of supplies in accordance with the provisions of the prompt payment discount paragraph, inspection and acceptance shall be accomplished only after examination (including testing) of supplies and services to determine whether the supplies and services conform to the contract requirements. Acceptance shall occur only after receipt and inspection provided such inspection, as appropriate, is accomplished within a reasonable time.
   DELIVERY/SERVICE FAILURES-Failure of a Contractor to deliver goods or services within the time specified, or within reasonable time as interpreted by the Purchasing Agent, or failure to make replacements/corrections of rejected articles/services when so requested, immediately or as directed by the Purchasing Agent, shall constitute authority for the Purchasing Agent to purchase in the open market articles/services of comparable grade/quality to replace the services, articles rejected, and/or not delivered. On all such purchases, the Contractor shall reimburse the County, within a reasonable time specified by the Purchasing Agent, for any expense incurred in excess of contract prices. Such purchases shall be deducted from the contract quantities if applicable. Should public necessity demand it, the County reserves the right to use or consume articles delivered or services performed which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Agent.
7. **GUARANTEES & WARRANTIES**-All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Purchasing Agent before final payment on the contract is made. Unless otherwise stated, manufacturer's standard warranty applies.
8. **INSPECTIONS**-Inspection and acceptance of materials or supplies will be made after delivery at destinations herein specified unless otherwise stated. If inspection is made after delivery at destination herein specified, the County will bear

the expense of inspection except for the value of samples used in case of rejection. Final inspection shall be conclusive except in regard to latent defects, fraud or such gross mistakes as to amount to fraud. Final inspection and acceptance or rejection of the materials or supplies will be made as promptly as practicable, but failure to inspect and accept or reject materials or supplies shall not impose liability on the County for such materials or supplies as are not in accordance with thespecifications.

9. **POINT OF DESTINATION**-All materials shipped to the County must be shipped F.O.B. DESTINATION unless otherwise stated in the contract or purchase order. The materials must be delivered to the "Ship to" address indicated on the purchaseorder.
10. **ADDITIONAL CHARGES**-Unless bought F.O.B. "shipping point" and Contractor prepays transportation, no delivery charges shall be added to invoices except when express delivery is authorized and substituted on orders for the method specified in the contract. In such cases, difference between freight or mail and express charges may be added to invoice.
11. **TERMINATION OF CONTRACTS**-Contracts will remain in force for full periods specified and/or until all articles ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall have been met, unless:
    a. Terminated prior to expiration date by satisfactory deliveries of entire contract requirements, or upon termination by the County for Convenience or Cause.
    b. Extended upon written authorization of the Purchasing Agent and accepted by Contractor, to permit ordering of unordered balances or additional quantities at contract prices and in accordance with contract terms.
12. **TERMINATION FOR CONVENIENCE**-A contract may be terminated in whole or in part by the County in accordance with this clause whenever the County Purchasing Agent shall determine that such a termination is in the best interest of the County. Any such termination shall be effected by delivery to the Contractor at least five (5) working days prior to the termination date of a Notice of Termination specifying the extent to which performance shall be terminated and the date upon which termination becomes effective. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit on unperformed services.
13. TERMINATION OF CONTRACT FOR CAUSE-
    a. If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner his or her obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the County shall thereupon have the right to terminate, specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the contract shall, at the option of the County, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents.
14. Notwithstanding the above, the Contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of contract by the Contractor for the purpose of set off until such time as the exact amount of damages due to the County from the Contractor is determined.
15. **CHANGES**-Should it become proper or necessary in the execution of this contract to make any change in design, or to make any alterations which will increase the expense, the Purchasing Agent shall determine an equitable adjustment. No payment shall be made to the Contractor for any extra material or services, or of any greater amount of money than stipulated to be paid in the contract, unless some changes in or additions to the contract requiring additional outlay by the Contractor shall first have been expressly authorized and ordered in writing by contract amendment or otherwise furnished by the Purchasing Agent.
16. **GENERAL GUARANTY**-Contractor agrees to:
    a. Save the County, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or uncopyrighted composition; secret process, patented or unpatented; invention; article or appliance furnished or used in the performance of a contract for which the Contractor is not the patentee, assignee, licensee or owner.
    b. Protect the County against latent defective material or workmanship and to repair or replace any damages or marring occasioned in transit or delivery.
    c. Furnish adequate protection against damage to all work and to repair damages of any kind to the building or equipment, to his or her own work or to the work of other Contractors, for which his or her workers are responsible.
    d. Pay for all permits, licenses and fees and give all notices and comply with all laws, ordinances, rules and regulations of the County.
    e. Protect the County from loss or damage to County owned property while it is in the custody of the Contractor.
17. **SERVICE CONTRACT GUARANTY**-Contractor agrees to:
    a. Furnish services described in the solicitation and resultant contract at the times and places and in the manner and subject to conditions therein set forth provided that the County may reduce the said services at any time.
    b. Enter upon the performance of services with all due diligence and dispatch, assiduously press to its complete performance, and exercise therein the highest degree of skill and competence.
    c. All work and services rendered in strict conformance to all laws, statues, and ordinances and the applicable rules,

regulations, methods and procedures of all government boards, bureaus, offices and other agents.

d. Allow services to be inspected or reviewed by an employee of the County at any reasonable time and place selected by the County. Fairfax County shall be under no obligation to compensate Contractor for any services not rendered in strict conformity with the contract.

Stipulate that the presence of a County Inspector shall not lessen the obligation of the Contractor for performance in accordance with the contract requirements, or be deemed a defense on the part of the Contractor for infraction thereof. The Inspector is not authorized to revoke, alter, enlarge, relax, or release any of the requirements of the contract documents. Any omission or failure on the part of the Inspector to disapprove or reject any work or material shall not be construed to be an acceptance of any such defective work or material. Notification of an omission or failure will be documented by the Purchasing Agent.

18. **INDEMNIFICATION**-Contractor shall indemnify, keep and save harmless the County, its agents, officials, employees and volunteers against claims of injuries, death, damage to property, patent claims, suits, liabilities, judgments, cost and expenses which may otherwise accrue against the County in consequence of the granting of a contract or which may otherwise result therefrom, if it shall be determined that the act was caused through negligence or error, or omission of the Contractor or his or her employees, or that of the Subcontractor or his or her employees, if any; and the Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith; and if any judgment shall be rendered against the County in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same. Contractor expressly understands and agrees that any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify, keep and save harmless and defend the County as herein provided.

19. **NON-DISCRIMINATION**-During the performance of this contract, the Contractor agrees as follows:

a. The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

b. The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.

c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

d. The Contractor will include the provisions of the foregoing paragraphs a, b, and c above in every subcontract or purchase order of over $10,000 so that the provisions will be binding upon each Subcontractor or vendor.

e. Contractor and Subcontractor hereunder shall, throughout the term of this contract, comply with the Human Rights Ordinance, Chapter 11 of the Code of the County of Fairfax, Virginia, as reenacted or amended.

20. **DRUG FREE WORKPLACE**-During the performance of a contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract of over $10,000, so that the provisions will be binding upon each Subcontractor or vendor. For the purposes of this section, "drug- free workplace" means a site for the performance of work done in conjunction with a specific contract awarded to a Contractor in accordance with this section, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.

21. OFFICIALS NOT TO BENEFIT-

a. Each Bidder or Bidder shall certify, upon signing a bid or proposal, that to the best of his or her knowledge no Fairfax County official or employee having official responsibility for the procurement transaction, or member of his or her immediate family, has received or will receive any financial benefit of more than nominal or minimal value relating to the award of this contract. If such a benefit has been received or will be received, this fact shall be disclosed with the bid or proposal or as soon thereafter as it appears that such a benefit will be received. Failure to disclose the information prescribed above may result in suspension or debarment, or rescission of the contract made, or could affect payment pursuant to the terms of the contract.

b. Whenever there is reason to believe that a financial benefit of the sort described in paragraph "a" has been or will be received in connection with a bid, proposal or contract, and that the Contractor has failed to disclose such benefit or has inadequately disclosed it, the County Executive, as a prerequisite to payment pursuant to the contract, or at any other time, may require the Contractor to furnish, under oath, answers to any interrogatories related to such possible

benefit.

c. In the event the Bidder or Bidder has knowledge of benefits as outlined above, this information should be submitted with the bid or proposal. If the above does not apply at time of award of contract and becomes known after inception of a contract, the Bidder or Bidder shall address the disclosure of such facts to the Fairfax County Purchasing Agent, 12000 Government Center Parkway, Suite 427, Fairfax, Virginia 22035-0013. Relevant Invitation/Request for Proposal Number (see cover sheet) should be referenced in the disclosure.

LICENSE REQUIREMENT-All firms doing business in Fairfax County, shall obtain a license as required by Chapter 4, Article 7, of The Code of the County of Fairfax, Virginia, as amended, entitled "Business, Professional and Occupational Licensing (BPOL) Tax." Questions concerning the BPOL Tax should be directed to the Department of Tax Administration, telephone (703) 222-8234 or visit: http://www.fairfaxcounty.gov/dta/business_tax.htm. The BPOL Tax number must be indicated in the space provided on the Cover Sheet, "Fairfax License Tax No." when appropriate.

22. **REGISTERING OF CORPORATIONS**-Any foreign corporation transacting business in Virginia shall secure a certificate of authority as required by Section 13.1-757 of the Code of Virginia, from the State Corporation Commission, Post Office Box 1197, Richmond, Virginia 23209. The Commission may be reached at (804) 371-9733. The consequences of failing to secure a certificate of authority are set forth in Virginia Code Section 13.1-758.

23. **COVENANT AGAINST CONTINGENT FEES**-The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For violation of this warranty, the County shall have the right to terminate or suspend this contract without liability to the County or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

24. OFFICE OF SMALL BUSINESS-

a. It is the policy of the County of Fairfax as declared by the Fairfax County Board of Supervisors' adoption of a Small and Minority Business Enterprise Program, April 6, 1981, that Fairfax County and its employees undertake every effort to increase opportunity for utilization of small or minority businesses in all aspects of procurement to the maximum extent feasible.

b. In connection with the performance of this contract, the Contractor agrees to use his or her best effort to carry out this policy and to insure that small and minority businesses shall have the maximum practicable opportunity to compete for subcontract work under this contract consistent with the efficient performance of this contract.

c. As used in this contract the term "small business" means a corporation, partnership, or sole proprietorship, or other legal entity formed for the purpose of making a profit, which is independently owned and operated, has either fewer than 100 employees, or less than $1,000,000 in annual receipts.

d. As used in this contract, the term "minority business" means a business enterprise that is at least 51 percent owned and controlled by a minority person or persons. Such persons include African Americans, Hispanic Americans, Asian Americans, American Indians, Eskimos and Aleuts; women regardless of race or ethnicity; and persons with a physical impairment that substantially limits one or more of the major life activities of such individuals, a record of such impairment, or who are regarded as having such an impairment.

e. Contractors may rely on oral or written representations by Subcontractors regarding their status as small and/or minority business enterprises in lieu of independent investigation.

f. Where Federal grants or monies are involved it is the policy of Fairfax County, through its agents and employees, to comply with the requirements set forth in the U.S. Office of Management and Budget Circular No. A-102, uniform administrative requirements for Grants and Cooperative Agreements with State and Local Governments, as they pertain to small and minority business utilization.

PAYMENTS

25. **TAX EXEMPTION**-The County is exempt from the payment of any federal excise or any Virginia sales tax. The price bid must be net, exclusive of taxes. However, when under established trade practice any federal excise tax is included in the list price, a Bidder may quote the list price and shall show separately the amount of federal tax, either as a flat sum or as a percentage of the list price, which shall be deducted by the County. Fairfax County's Federal Excise Tax Exemption Number is 54-74-0127K. Contractors located outside the Commonwealth of Virginia are advised that when materials are picked up by the County at their place of business, they may charge and collect their own local/state sales tax. Materials used in the performance of construction contracts are subject to Virginia Sales/Use Tax as described in Section 630-10-27J of the Virginia Retail Sales and Use Tax Regulations.

26. **PAYMENT**-Payment shall be made after satisfactory performance of the contract, in accordance with all of the provisions thereof, and upon receipt of a properly completed invoice. Fairfax County reserves the right to withhold any or all payments or portions thereof for Contractor's failure to perform in accordance with the provision of the contract or any modifications thereto.

27. **PARTIAL PAYMENTS**-Unless otherwise specified, partial payments will be made upon acceptance of materials or services so invoiced if in accordance with completion date. However, up to 5 percent (5%) of the value of the entire order may be retained until completion of contract.

28. **PAYMENT FOR EQUIPMENT, INSTALLATION, AND TESTING**-When equipment requires installation (which shall also be interpreted to mean erection and/or setting up or placing in position, service, or use) and test, and where such installation or testing is delayed, payment may be made on the basis of 50% of the contract price when such equipment is delivered on the site. A further allowance of 25% may be made when the equipment is installed and ready for test. The balance shall be paid after the equipment is tested and found to be satisfactory. If the equipment must be tested, but installation is not required to be made by the Contractor or if the equipment must be installed but testing is not required, payment may be made on the basis of 75% at the time of delivery and the balance shall be paid after satisfactory test or installation is completed.

REMEDIES

29. **INELIGIBILITY-**

a. Any person or firm suspended or debarred from participation in County procurement shall be notified in writing by the County Purchasing Agent.
   1. The Notice of Suspension shall state the reasons for the actions taken and such decision shall be final unless the person or firm appeals within thirty (30) days of receipt of the Notice by instituting legal action as provided in the Code of Virginia.
   2. The Notice of Debarment shall state the reasons for the actions taken and the decision shall be final unless the person or firm appeals within thirty (30) days of receipt of the notice by instituting legal action as provided in the Code of Virginia.

b. The County Purchasing Agent shall have the authority to suspend or debar a person or firm from bidding on any contract for the causes stated below:
   1. Conviction for commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract;
   2. Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a County Contractor;
   3. Conviction under the state or federal antitrust statutes arising out of the submission of bids or proposals;
   4. Violation of contract provisions, as set forth below, of a character which is regarded by the County Purchasing Agent to be so serious as to justify suspension or debarment action:
      (a) failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or
      (b) a recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the Contractor shall not be considered to be a basis for suspension or debarment;
   5. Any other cause the County Purchasing Agent determines to be so serious and compelling as to affect responsibility as a Contractor, such as debarment by another governmental entity for any cause listed herein, or because of prior reprimands;
   6. The Contractor has abandoned performance or been terminated for default on any other Fairfax County project;
   7. The Contractor is in default on any surety bond or written guarantee on which Fairfax County is an obligee.

c. If, upon appeal, it is determined that the action taken by the County Purchasing Agent was arbitrary or capricious, or not in accordance with the Constitution of Virginia, statutes or regulations, the sole relief available to the person or firm shall be restoration of eligibility. The person or firm may not institute legal action until all statutory requirements have been met.

30. CONTRACTUAL DISPUTES-

a. Any dispute concerning a question of fact as a result of a contract with the County which is not disposed of by agreement shall be decided by the County Purchasing Agent, who shall reduce his decision to writing and mail or otherwise forward a copy thereof to the Contractor within thirty (30) days. The decision of the County Purchasing Agent shall be final and conclusive unless the Contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. A Contractor may not institute legal action, prior to receipt of the public body's decision on the claim, unless the public body fails to render such decision within the time specified.

b. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty days after final payment; however, written notice of the Contractor's intention to file such claim shall have been given at the time

of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

31. LEGAL ACTION-No Bidder, Bidder, potential Bidder or Bidder, or Contractor shall institute any legal action until all statutory requirements have been met.

C – Member Purchasing

32. COOPERATIVE PURCHASING-The County may participate in, sponsor, conduct or administer a cooperative procurement agreement on behalf of or in conjunction with one or more other public bodies, or public agencies or institutions or localities of the several states, of the United States or its territories, or the District of Columbia, for the purpose of combining requirements to increase efficiency or reduce administrative expenses in any acquisition of goods and services. Except for contracts for architectural and engineering services, a public body may purchase from another public body's contract even if it did not participate in the request for proposal (RFP) or invitation for bid (IFB), if the RFP or IFB specified that the procurement was being conducted on behalf of other public bodies. Nothing herein shall prohibit the assessment or payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement. As authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases, any county, city, town, or school board may purchase goods and nonprofessional services from a U.S. General Services Administration contract or a contract awarded by any other agency of the U.S. government. Bidders are advised that the *resultant* contract(s) may be extended, with the authorization of the Bidder, to other public bodies, or public agencies or institutions of the United States to permit their use of the contract at the same prices and/or discounts and terms of the resulting contract. If any other public body decides to use the final contract, the Contractor(s) must deal directly with that public body concerning the placement of orders, issuance of purchase orders, contractual disputes, invoicing and payment. The County of Fairfax acts only as the "Contracting Agent" for these public bodies. It is the Contractors responsibility to notify the public body(s) of the availability of the contract(s). Other public bodies desiring to use this contract will need to make their own legal determinations as to whether the use of this contract is consistent with their laws, regulations, and other policies. Each public body has the option of executing a separate contract with the Contractor(s). Public bodies may add terms and conditions required by statute, ordinances, and regulations, to the extent that they do not conflict with the contracts terms and conditions. If, when preparing such a contract, the general terms and conditions of a public body are unacceptable to the Contractor, the Contractor may withdraw its extension of the award to that public body.

23. Washington, King County Directors' Association (KCDA)

(General Contracts and Construction/Public Works Projects)

A. KCDA Additional General Terms and Conditions

General Intent: KCDA may participate in all or any part of the goods and services listed in this IFB, upon completion of contracts currently in effect, whichever is deemed in the best interest of KCDA members. KCDA cannot be restricted by the successful bidder from choosing which parts of these contracts to use.

Both the Contractor and KCDA member using this Contract agree that it is the member's responsibility to perform due diligence as to the legality of their usage of this contract. In this regard, KCDA suggests that, at a minimum, Contractor and member considering such usage consult with their legal counsel before doing so.

Advertising/Marketing:

KCDA requires all vendors to develop a marketing program to include printed, web-based, e-mail, telemarketing and other methods approved by KCDA.

All promotional marketing materials must have the prior approval of KCDA before distribution and must include the KCDA logo and other contract information.

KCDA staff will work jointly with all vendors and their representatives to market the AEPA contracts to KCDA members and prospective members. Vendors may be requested to make joint presentations to KCDA or its members in either a one to one or a group setting. Some group presentations may be done in conjunction with other vendors.

Displaying exhibits at various statewide conferences are encouraged. Contractor agrees to make available KCDA supplied brochures or other promotional materials at these events. Contractor will provide KCDA with scheduled exhibit dates in advance.

Contractor agrees to insert the approved KCDA logo, web address and contact information on the Contractor's website promoting and providing a link to the KCDA website. Contractor will also provide KCDA with text, links and logos to be posted on the KCDA website.

Assignment:

Contractor shall not subcontract, assign, transfer, convey, sublet or otherwise dispose of contractual duties to any other person, firm or corporation without the previous written consent of KCDA and any member that has an outstanding open purchase order or financing arrangement. In no case shall such assignment of Contract relieve the Contractor from obligations or change the terms of the Contract.

Cancellation/Default/Termination:

KCDA reserves the right to cancel the whole or any part of this contract due to the failure by the Contractor to carry out any obligation, term or condition of the contract. KCDA will issue written notice to the contractor for acting or failing to act in any of the following:

- The Contractor fails to adequately perform the services set forth in the contract
- The Contractor fails to make progress in the performance of the contract and/or gives KCDA reason to believe the Contractor will not or cannot perform to the requirements of the contract
- The Contractor fails to observe any of the terms and conditions of the contract
- The Contractor fails to pay any applicable administrative fees.
- The Contractor fails to follow the established procedure for purchase orders, invoices and receipt of funds as stipulated by KCDA.

If the contract is to be terminated KCDA shall do the following:

Step 1 – Issue a warning Letter of Concern outlining the violations and length of time to correct the problem(s). Upon receipt of the letter, the Contractor shall have ten (10) business days to provide a satisfactory response to KCDA. Failure on the part of the Contractor to address adequately all issues of concern may result in contract cancellation.

Step 2 – Issue a letter of intent to cancel the contract if the problems(s) are not resolved by the date specified.

Step 3 – Issue a letter to terminate the contract.

Compliance with Laws

In addition to any requirements set forth herein, vendor shall comply with all applicable state, federal and local laws, rules, regulations and ordinances.

Contract Amendments:
KCDA reserves the right to amend the contract resulting from state law changes or internal boilerplate changes due to state law changes. Contractors/Vendors will be sent written notification of the changes.

Employees who have been Convicted of Crimes Against Children:
The Contractor, or any subcontractors, shall not utilize any employee at a school site or allow any contact between school children and any employee when an employee has plead guilty to or been convicted of any felony crime involving the physical neglect of a child under Chapter 9A.42RCW, the physical injury or death of a child under Chapter 9A.32 or 9A.36RCW (except motor vehicle violations under Chapter 46.61 RCW), sexual exploitation of a child under Chapter 9S.444 RCW where a minor is the victim, promoting prostitution of a minor under Chapter 9A.88 RCW, the sale or purchase of a minor child under 9A.88 RCW, or violation of similar laws of another jurisdiction.

Contractors/Vendors who have regularly scheduled unsupervised access to children, and/or who hire employees who will have regularly scheduled unsupervised access to children, shall perform a record check through the Washington State Patrol criminal identification system under RCW 43.43.830-43.43.834, 10.97.0303 and 10.97.050, and through the Federal Bureau of Investigation before hiring the employee. The record check shall include a fingerprint check using a complete Washington State criminal identification fingerprint card. The Contractor shall provide a copy of the record to the person applying for employment to the school location. If the Contractor or applicant has had a record check within the previous two years, the Contractor may waive the requirement. The Contractor shall determine whether the applicant or the Contractor shall pay costs associated with the record check.

In addition, pursuant to RCW 9.96A.020 and 1993 Chapter Law 71, a person is disqualified from employment by school districts, and their Contractor from hiring employees who will have regularly scheduled unsupervised access to children because of a prior guilty plea or conviction of a felony crime specified under RCW 28A.400.322, or a violation of similar laws of another jurisdiction, even if the time elapsed since the guilty plea or conviction is ten years or more.

Governing Law and Venue/Legal Litigation:
All applicable local, state and federal laws and regulations will apply to any purchases of equipment, service or public works in any of the states KCDA currently services, as well as any other non-AEPA states where members may be added to KCDA membership throughout the term of these contracts. The laws of the State of Washington govern the Contract. Each and every provision of law and clause required by law to be included in the Contract shall be deemed to be inserted herein and the Contract shall be read and enforced as though it were included. If through mistake or otherwise any such provision is not included, or is not currently included, then upon application of either party the Contract shall be physically amended to make such inclusion or correction. Venue for any litigation arising out of or related to the Contract shall take place in the State of Washington.

Hazardous Materials:
If any hazardous chemicals/materials are supplied under a contract/purchase order arising out of this solicitation, a Safety Data Sheet (SDS) shall accompany the delivery of any hazardous chemicals/materials supplied by the vendor. All SDA sheets shall be sent to KCDA and the KCDA member. Any products not appropriately labeled will be refused and the vendor will be responsible for additional freight charges.

Indemnification/Hold Harmless:
The Contractor agrees to defend, indemnify and hold harmless KCDA and the member agency, and their respective officers, officials, employees and volunteers from any and all claims, injuries, damages, losses or suits including attorney fees arising out of or resulting from the acts, errors or omissions in performance of this Agreement, except for injuries and damages caused by the sole negligence of KCDA or the member agency. Should a court of competent jurisdiction determine that this Agreement is subject to RCW 4.24.115, then, in the event of liability for damages arising out of bodily injury to persons or damages to property caused by or resulting from the concurrent negligence of the Contractor, KCDA or the member agency and their respective officers, officials, employees, and volunteers, the Contractor's liability , including the duty and cost to defend, hereunder shall be only to the extent of the Contractor's negligence. It is further specifically and expressly understood that the indemnification provided herein constitutes the Contractor's waiver of immunity under Industrial Insurance, Title 51 RCW, solely for the purpose of this indemnification. Use of this contract certifies that the waiver of immunity specified by this provision was mutually negotiated by the parties. The provisions of this section shall survive the expiration or termination of the Agreement.

Independent Contractor:
The Contractor shall not be held or deemed in any way to be the agent or employee of KCDA and /or a KCDA member. It is the intention of the parties that the Contractor shall be and is to be considered an independent Contractor.

Minority and Women Owned Businesses:
KCDA encourages all minority and women owned businesses to participate in the bid process. Washington State law does not allow KCDA to provide any financial advantage for minority and women owned businesses who participate, however, KCDA believes that a diverse range of suppliers benefits all.

Quality of Goods:
Bidder shall bid and provide new (not used or refurbished) items only. Seller warrants all supplies, materials and equipment and services covered by a contract/purchase order with KCDA or with a KCDA member will:
(a) conform to the specifications, drawings, written instructions, samples, or descriptions; (b) be of good quality and workmanship;(c) be free of defects in design, materials and workmanship; (d) be merchantable;
(e) be fit for particular purposes applicable to the design, function or use of the supplies, materials and equipment.

Taxes:
The KCDA Members and Associate Members are to be taxed.

Term of Contract:
The term of the agreement shall commence on the date of the award and continue as stipulated in the General Terms and Conditions, unless terminated, canceled or extended.

Use of Tobacco on School Districts/Public Agency Premises:
RCW 28A.210.310 prohibits the use of tobacco in any form on school district property. Smoking or other use of tobacco will not be permitted at the job site.

B. Procedure for Processing Orders Order Procedure
After entering into an agreement with KCDA, KCDA will confirm the directions for placement of orders with the Contractor, and will post directions on the KCDA website for both Contractor and members. These directions will also be posted on each awarded Contractors/Vendors website.

- Once the award is made to the Contractor, KCDA will inform members of the contract.
- At this point the Contractor may directly contact members or the member may contact the Contractor.
- A list of members, addresses and phone numbers is available to the Contractor upon request.
- Before a Contractor may enter into business with a KCDA member, they need to verify membership through the KCDA website, which can be viewed under Membership.

Invoicing/Reporting
- KCDA will contact Contractors/Vendors about invoicing procedures.
- KCDA is funded through a service fee paid to KCDA by the participating Contractors/Vendors. The service fee percentage is based upon the total sale of goods and services, including installation, if applicable. This fee shall be reflected in all price quotations under the KCDA agreement. The service fee will be 2%. Do not print the service fee as a separate line item on the quotation.
- The Contractor will compile an electronic quarterly report listing each purchase made by participating members. Within 30 days after each quarterly period the report will be sent to the e- mail address of the KCDA Purchasing Manager, Judy Isaac jisaac@kcda.org and Director of Finance, Robert Payne rpayne@kcda.org
- These reports shall be in Microsoft Excel format and shall have file names that identify the Contractor and the quarterly period being reported. They shall include the following fields and allow for sorting on any of the fields: Date of order, name of member, item purchased, quantity, unit price, extended price, member PO #, Contractor order number.
- KCDA reserves the right to change the contact name of existing KCDA personnel administering the contract. If there are personnel changes, reports and payments will be sent to the new contact(s) specified.

C. Agencies Allowed to Purchase under KCDA
King County Director's Association (KCDA) is a member owned purchasing cooperative representing 294 Washington State school districts. In addition, KCDA provides purchasing and procurement services for more than 1,200 public agencies and political subdivisions in Washington and other states, including but not limited to Alaska, Idaho, and Montana. KCDA also provides purchasing services for accredited private K-12 schools in Washington State.

A listing of all KCDA members is available on the KCDA website, www.kcda.org.

D. KCDA Additional Terms & Conditions for Construction Products and Services

Contractor agrees that, in performance of the services required under this agreement, Contractor shall abide by all federal, state, local and Washington law and regulations that may apply to construction and public works. It is the responsibility of the Contractor to determine applicability and requirements of any such laws and to abide by them.

- **Bid Bond:** The bid must be accompanied by a bid bond using the KCDA form included in these contract provisions, issued by a surety licensed to do business in the State of Washington and made out to King Count Directors Association in an amount not less than 5% of the amount of the bid as identified in Part B, Section 4 of the solicitation. A Power of Attorney must accompany the bid bond and must appoint the surety's true and lawful attorney-in-fact to make, execute, seal and deliver the bid guarantee bond. Failure to submit the required bid security with the Bid shall render the bid non- responsive and the bid shall be rejected.
- **Public Works:** State of Washington statute requires workers be paid prevailing wages when employed on public works projects and on public building service maintenance contracts. (RCW 39.04.010, RCW 39.12.010 and 020) It is the contractor's responsibility to be acquainted with and comply with State regulations regarding payment of prevailing wages on public works projects. Prevailing Wages are established by the Washington State Department of Labor and Industries and can be obtained on the web at http://www.lni.wa.gov/TradesLicensing/PrevWage/WageRates/default.asp or by contacting Labor and Industries at 360-902-5335. KCDA serves all counties in Washington State. The County in which the project is located will be identified once a member initiates a request for the service, and the effective wage rate to be applied to a specific project is to be based on the date of this bid during the original contract term, and if contract extensions are granted, the prevailing wage rate in affect at the time of the latest extension. A copy of the applicable prevailing wage rates are also available for viewing at the office of KCDA. Upon request KCDA will mail a hard copy of the applicable prevailing wages.
- **Application:** The Public Works Act regulates wages paid to workers, laborers and mechanics performing public work. It does not apply to work that is clerical, executive administrative or professional in nature. It does not apply to work of a secretary, engineer or administrator, unless they are performing construction work, alteration work, repair work, etc. Prevailing wage application depends on the work that is performed, regardless of the worker's job title. (RCW 39.12.020 and WAC 296-128-510 through 530). Definition: Public Works is all work, construction, alteration, repair or improvement that is executed at the cost of the state or any other local public agency. This includes, but is not limited to, demolition, remodeling, renovation, road construction, building construction, ferry construction and utilities construction. (RCW 39.04.010). Public Building Service Maintenance Contracts: Prevailing wages are also required on all public building service maintenance (janitorial) contracts. (RCW 39.12.020). **Contractors bidding a Public works project exceeding $1,000,000.00 must declare who their HVAC, Plumbing and Electrical subcontractors will be and submit this information with bid documents in order for the bid to be responsive (RCW 39.30.060).** Such projects also have special considerations pertaining to prefabricated materials (RCW 39.04.370) and use of apprentices (39.04.320).
- **Reciprocity:** In accordance with RCW 39.04.380 any bidding process for public works in which a bid is received from a nonresident contractor from a state that provides a percentage bidding preference, a comparable percentage disadvantage must be applied to the bid of that nonresident contractor. This does not apply to public works procured pursuant to RCW 39.04.155, 39.04.280 or other procurement exempt from competitive bidding.
- **Prevailing Wage:** Definition: Prevailing Wage is the hourly wage, usual benefits and overtime, paid in the largest city in each county, to the majority of workers, laborers and mechanics. The rate is established by the Department of Labor and Industries for each trade and occupation employed in the performance of public work. <u>If Federal funds are used, bidders must comply with provisions of Davis-Bacon Act</u>.
- **Basic procedures:** A Statement of Intent to Pay Prevailing Wages and Affidavit of Wages Paid must be filed and approved for the contractor and all subcontractors. No payments can be made until all Contractors/Vendors have submitted an approved intent form. KCDA cannot release retainage until all Contractors/Vendors have an approved Affidavit of Wages Paid form certified by the Industrial Statistician. (RCW 39.12.030, 040, 042). Costs for filing shall be the responsibility of the Contractor. Once the work is successfully completed, KCDA will release 95% of the project cost and withhold 5% retainage for as dictated by law. The final 5% will be paid when the following is completed: acceptance of project completion to the satisfaction of the KCDA ordering member, followed by receipt of approved Affidavit of Wages Paid Forms, Releases from Washington State Department of Labor & Industries, Employment Security Department and the Department of Revenue.
- **Federally Funded Projects:** In addition to the Federal Requirements of Section III General Terms and Conditions, Davis-Bacon prevailing wage requirements apply to public works construction contracts of $2000 or more when a project includes any federal funding of any amount. When there is a difference between applicable state and federal prevailing wages for a particular classification of labor, contractors and subcontractors are required to pay the higher of the two prevailing wages. Applicable federal prevailing wage determinations can be found at http://www.wdol.gov/. Contractors/Subcontractors must be knowledgeable and adhere to all federal prevailing wage requirements, including but not limited to paying workers weekly and providing certified weekly payrolls for the contractor and subcontractors of any tier as required in the Davis-Bacon Act and applicable U.S. Department

of Labor regulations. Falsification of any prevailing wage payroll records may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of Title 18 and section 231 of Title 31 of the United States Code. Contractor shall inform all subcontractors of the Davis-Bacon requirements and the prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses. Contractor must coordinate all requirements related to federal funded projects with the KCDA member Agency.

- **Responsible Bidder**

Before award, the bidder must meet the following state responsibility criteria and, if applicable, supplemental responsibility criteria to be considered a responsible bidder. The bidder is required to submit documentation demonstrating compliance with the criteria.

Low Responsible Bidder

A. State Responsibility Criteria. The Bidder must meet the following state responsibility criteria:

1. At the time of submittal of bid to AEPA, the contractor must hold a current Washington State Contractors. License in the name of the company signing the bid. Failure to have the license prior to submitting the bid is a violation of chapter 18.27 RCW and is a gross misdemeanor.
2. Have a current Washington State Unified Business Identifier (UBI) number.
3. Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065(3).
4. If applicable:
    a. Have Industrial Insurance (workers' compensation) coverage for the Bidder's employees working in Washington State, as required in Title 51 RCW;
    b. Have a Washington State Employment Security Department number, as required in Title 50 RCW; and
    c. Have a Washington State Department of Revenue state excise tax registration number, as required in Title 82 RCW.

B. Supplemental Bidder Responsibility Criteria. If supplemental criteria apply to this project, the criteria are included in "Attachment A." The Bidder may make a written request to modify any or all of the supplemental criteria. Modification of supplemental criteria shall be at KCDA's discretion. Any modifications to the supplemental criteria shall be made by addenda prior to bid opening.

Subcontractor Responsibility:

The contractor shall include the language of this section in each of its first tier subcontracts, and shall require each of its subcontractors to include the same language of this section in each of their subcontracts, adjusting only as necessary the terms used for the contracting parties. The requirements of this section apply to all subcontractors regardless of tier. At the time of subcontract execution, the Contractor shall verify that each of its first tier subcontractors meets the following bidder responsibility criteria:

1. At the time of bid submittal, have a current certification of registration in compliance with chapter 18.27 RCW.
2. Have a current Washington State Unified Business Identifier (UBI) number.
3. Not be disqualified from bidding on any public works contract under RCW 39.06.010 or 39.12.065(3).
4. If applicable:
    a. Have Industrial Insurance (workers' compensation) coverage for the Bidder's employees working in Washington State, as required in Title 51 RCW;
    b. Have a Washington State Employment Security Department number, as required in Title 50 RCW; and
    c. Have a Washington State Department of Revenue state excise tax registration number, as required in Title 82 RCW
5. Have an electrical contractor license, if required by Chapter 19.28 RCW;
6. Have an elevator contractor license, if required by Chapter 70.87 RCW;

- **Bonds- Payment & Performance:**

The prime Contractor shall provide a Performance and Payment Bond at 100% of the contract price to the KCDA member with a copy to KCDA before work begins. The only exception is for contracts of thirty-five thousand ($35,000) dollars or less. In this instance, at the option of the Contractor, the member may in lieu of the bond retain fifty percent of the contract amount for a period of thirty days after date of final acceptance, or until receipt of all necessary releases from the Department of Revenue and the Department of Labor and Industries and settlement of any liens filed under Chapter 60.28 RCW, whichever is later. The bond shall be issued by a surety company authorized to do business in the State of Washington and shall be on standard forms used for public projects (RCW 39.08.010) and as directed by the KCDA member. Performance and Payment bonds for KCDA members outside Washington must be provided by

companies licensed to provide bonds for public entities in the member's state.

- **Licenses:** The prime contractor shall possess and maintain in current status all federal, state, and local licenses, bonds, and permits required for the performance and delivery of any and all products and services offered in its response to the bid solicitation. Before submitting a bid, Bidders must hold a current, valid contractor's license as required in Washington. The contractor's license must be in the name of the legal entity submitting and signing the bid. A bider may not substitute a contractor's license held by a subcontractor or joint venture. Bidders submitting bids in Washington State without a valid contractor's license in the name of the Bidder are in violation of RCW 18.27.010. It is the responsibility of the prime contractor to ensure any subcontractors performing under this contract hold and maintain appropriate licenses. The contractor shall verify that appropriate licenses are in place at the time of response to this bid. Copies of licenses must be submitted to the member prior to performing the work. The Contractor agrees to keep and ensure subcontractors keep any required license, permit or bond current and in compliance with Washington rules, regulations and statutes, as well as in states outside Washington in which contractor performs work under this contract. For work performed for any Washington State school district, public agency or municipality, the Contractor must comply with the bidder responsibility requirements of RCW 39.04.350 prior to the KCDA member awarding a contract. The contractor must verify the responsibility of all subcontractors used in accordance with RCW 39.06.020.
- **Permits:** The acquisition of all permits as well as any drawings needed to obtain those permits is the responsibility of the successful Contractor/Bidder unless otherwise acknowledged by the KCDA member.
- **Certificate of Insurance:** A certificate of insurance demonstrating current coverage of the types and amounts of insurance required by KCDA and the KCDA member must be provided to KCDA and the KCDA member prior to performance of any work. In addition, the Commercial General Liability policies must be endorsed to name KCDA and the KCDA member as additional insureds. Such policies must be further endorsed to provide that the insurance is primary as respects KCDA and the KCDA member, and that any other insurance maintained by KCDA and the KCDA member shall be excess and not contributing insurance with the Contractor's insurance. These endorsements must be provided along with the certificate of insurance. KCDA and the KCDA member must both approve the certificate of insurance and endorsements.
- **Acceptable Pricing Method:** KCDA is unable to accept Alternative Costing Method quotations except in certain limited instances, (i.e. sole source) in which KCDA and Contractor may mutually determine the Alternative Costing Method is acceptable. This will be the exception rather than the rule. RS Means or line item bid pricing is acceptable.
- **Progress Payments:** The Contractor shall be paid, upon submission of a proper Payment Request, the prices stipulated herein for work performed (less deductions, if any), in accordance with all payment and retainage instructions herein. Submitted Payment Requests must contain the following minimum information:
    a. Contract Number
    b. Bid item ID, bid quantity, unit, unit price and description as appropriate
    c. Sales Tax as applicable

  The Payment Request will be reviewed by the Member before payment is made. If the Member is in disagreement with the Payment Request, KCDA will issue a notice requesting a revised Payment Request. In accordance with RCW 51.12.050, KCDA reserves the right to deduct from the payment any outstanding industrial insurance premiums owed by the Contractor or Subcontractors.
- **Payment Retainage:** In accordance with RCW 60.28 a contract retainage of not to exceed five percent of the moneys earned by the contractor toward completion of a public improvement contract shall be withheld and reserved as a trust fund for the protection and payment of 1) the claims of any person arising under the contract, and 2) the state with respect to taxes imposed pursuant to Titles 50, 51 and 82 RCW which may be due from such contractor. Upon completion of a contract, the member agency shall notify the Department of Revenue, the Employment Security Department, and the Department of Labor and Industries of the completion of contracts over thirty-five thousand dollars. KCDA will issue payment on the retainage amount forty-five days after notice from the KCDA Member Agency that the contract has been accepted as complete or upon receipt of all necessary releases, whichever is later.

24. West Virginia, Mountain State Educational Services Cooperative (MSESC)

A. General Terms and Conditions that apply for all Categories:

1. Compliance with Laws/Forum Designation

Contractor shall comply with Federal, State, and Local Laws, Codes and Regulations while fulfilling the contract. No person shall be employed by Contractor who has been found guilty of any of the criminal offenses enumerated in West Virginia State Code without prior approval of the Member Agency.

6. Independent Contractor

Contractor shall be an independent contractor and neither Contractor nor any of its subcontractors, nor the employees of any thereof, shall be deemed to be the servants, employees, or agents of Member Agency. Contractor shall be responsible for paying all costs related to its employees and managers performing the services. Contractor shall remain liable and responsible to Member Agency for all of its obligations under this contract, regardless of whether the services are performed by the Contractor or a subcontractor of any tier.

7. Ownership of Instruments of Service
Drawings, data and other documents prepared by, or with the cooperation of, the Contractor pursuant to this contract shall become, upon payment of all undisputed compensation due the Contractor from the Member Agency, the property of the Member Agency. Such drawings, data or other documents may be used by the Member Agency or others employed by the Member Agency without compensation to the Contractor.

8. Audit
Member Agency may audit and inspect Contractor's records and accounts at any time during the Contractor's performance of the services and for a period of two (2) years following the completion or termination of the services for the purpose of verifying any invoice and underlying documentation presented by Contractor, it being understood that Contractor agrees to preserve all such documents through such two- (2) year period.

9. Notices
Unless otherwise expressly provided in this contract, all notices and other communications given under the contract shall be in writing and shall be deemed effective upon receipt by the addressee at its address as set forth in the contract or at such other address as such party shall have notified the other in writing.

10. Non-Appropriation and Other Contract Terms Applicable to Member Agencies as Political Subdivisions of the State
If the Member Agency fails to appropriate sufficient monies in any fiscal year for payments due under the contract and other funds are not available for such payments, then a "Non-Appropriation" shall be deemed to have occurred. If a Non-Appropriation occurs, then Member Agency will give Contractor prompt notice of such Non-Appropriation. This contract shall thereupon terminate without penalty or expense to the Member Agency other than for goods and services already provided.

11. No Personal Liability
It is understood and agreed that under no circumstances will the Member Agency's board members, regional council members, officers, employees, or agents be personally liable for any obligations or claims arising out of or related to the contract.

12. Price Quotation
Contractors must quote to a Member Agency the pricing listed in the current contract awarded by the Association of Educational Purchasing Agencies. Vendor will follow the procedures for price reductions to AEPA Member Agencies and Participating Entities set forth in the AEPA general terms area, and conditions. The price quotation must be submitted to a Member Agency and Participating Entity in writing, and any other expenses that the Contractors intend to charge a Member Agency or Participating Entity must be separately itemized on the quotation page in bold font with a good faith estimate of the dollar amount of each item, such as use tax if applicable. The failure to list an item or include a good faith estimate of the dollar amount on the quotation page will preclude a Contractor from charging the same.

13. Miscellaneous
Headings and titles of articles, paragraphs and other subparts of this contract are for convenience of reference only and shall not be considered in interpreting the text of this contract. This contract and any appendices constitute the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior agreements or understandings with respect thereto and all agreements or understandings with a Member Agency. No contract amendments can be made without the approval of the AEPA membership.

CAMPAIGN CONTRIBUTION DISCLOSURE FORM

Pursuant to the Procurement Code, Sections 13-1-28, et seq., NMSA 1978 and NMSA 1978, § 13-1-191.1 (2006), as amended by Laws of 2007, Chapter 234, any prospective contractor seeking to enter into a contract with any state agency or local public body must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars ($250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

"**Applicable public official**" means a person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"**Campaign Contribution**" means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of

individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"Family member" means spouse, father, mother, child, father-in-law, mother-in-law, daughter- in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

"Pendency of the procurement process" means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

"Prospective contractor" means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.

"Representative of a prospective contractor" means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

Environmental Initiatives

Describe how your products and/or services support environmental goals.

Romtec specializes in the design, supply, and installation of site-built buildings and structures for any application, including eco-friendly buildings. When designing these buildings, we examine the structure, accessories, building materials, and even the building orientation to see how we can increase energy efficiency. Utilizing environmentally friendly designs is the best way to maximize our customer's building efficiency and save money.

Describe the business's "green" objectives (i.e. LEED, reducing footprint, etc.).

Romtec has a lot of experience with creating environmentally friendly buildings with green options. Romtec can design and supply our structures with water conserving fixtures, energy efficient electrical components, and many other options. All of these options help earn points toward our customer's LEED certification.

Green building design can include a number of elements that depend on each particular project. Any Romtec building can be designed to be constructed SIPs, or Structural Insulated Panels. SIPS two layers of sheathing that sandwich a foam core. Typically, the most economical SIPs use OSB, Oriented Strand Board, sheathing with a polystyrene core.

These materials are low cost and can be manufactured quickly and efficiently. One quality that makes SIPs a green building material is that the manufacturing of SIPs generates very little waste. The OSB and foam that is cut out for doors, windows, or etcetera can all be recycle into new SIPs. Another environmentally-friendly quality of SIPs is that they have superior insulation (R-values) to stick-frame and concrete walls, requiring less energy for heating and air conditioning.

1. Designate and assign a dedicated senior-level contract manager (one authorized to make decisions) to each of the Member Agency accounts. This employee will have a complete copy and must have working knowledge of the AEPA contract.	x	
2. Train and educate sales staff on what the AEPA contract is: including pricing, who can order from the contract (by state), terms/conditions of the contract, and the respective ordering procedures for each state. It is expected that Vendor Partners will lead with AEPA contracts.	x	
3. Develop a marketing plan to support the AEPA contract in collaboration with respective AEPA Member Agencies. The marketing plan should include, but not be limited to, a website presence, electronic mailings, sales flyers, brochures, mailings, catalogs, etc.	x	
4. Create an AEPA-specific sell sheet with a space to add a Member Agency logo and contact information for use by the Member Agencies and the Vendor Partner's local sales representatives to market within each state.	x	
5. On a quarterly basis, complete the sales and administrative fee report (see attached PDF example) and submit to each Member Agency along with the respective administrative fees to be paid. If there are no sales, the Vendor Partner is required to submit a $0 report to the AEPA Member Agency.	x	
6. On a quarterly basis, complete the online Vendor Partner sales report for each Member Agency.	x	
7. Have ongoing communication with the Bid Oversight Chairperson, AEPA Member Agencies and the Member Agencies Participating Entities.	x	
8. Attend two (2) AEPA meetings each year (see Part A)	x	
9. Participate in national and local conference trade shows to promote the AEPA contracts including, but not limited to the Association of School Business Officials (ASBO), the National Institute of Governmental Purchasing (NIGP), and the National Association of Educational Procurement (NAEP).	x	
10. Increase sales over the term of the contract with all participating AEPA Member Agencies.	x

Part E – Signature Forms

AEPA IFB 019.5-B
Playground & Recreational Equipment

Instructions

Contained herein are forms that require a signature from an authorized person at your company. All items found within this document are **mandatory**. Failure to sign the required areas, sections, or signature lines will allow AEPA to consider your company's proposal as **non-responsive**.

To submit the required signed forms, follow these steps:

1. Read the documents in their entirety.
2. Complete all forms and sign when required.
3. Once signed, place notary stamp in the delegated area on the Bid Affidavit.
4. Return the forms and pages in their correct order and scan one (1) single PDF format titled ***"Part E – Signature Forms – Name of Bidding Company"*** (i.e. one PDF document for all signature forms).
5. Submit Part E, along with other required documents in Public Purchase.

AEPA does not allow electronic signatures.

*Note, a bid checklist has been provided to review with your submission.

The following sections will need to be completed prior to submission as one (1), single PDF titled "Part E – Signature Forms – Name of Bidding Company".

Uniform Guidance "EDGAR" Certification Form – ****signature required***
Bid Affidavit – ****signature required***
Acceptance of Bid & Contract Award – ****signature required***

Uniform Guidance "EDGAR" Certification Form
2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All bidders submitting proposals must complete this EDGAR Certification form regarding the bidder's willingness and ability to comply with certain requirements, which may be applicable to specific agency purchases using federal grant funds.

For each of the items below, the Bidder will certify its agreement and ability to comply, where applicable, by having the bidder's authorized representative check, initial the applicable boxes, and sign the acknowledgement at the end of this form. If a bidder fails to complete any item of this form, AEPA will consider and may list the response, as the bidders is unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the bidder using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding bidder default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the bidder and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the bidder. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay bidder for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the bidder's return policy. If the participating agency has paid the bidder for goods and services provided as the date or termination, bidder shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the bidder, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Bidder agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and bidder agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, bidder agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of $2,000, bidder shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, bidder is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. In addition, bidder shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Bidder agrees that, for any purchase to which this requirement applies, the award of the purchase to the bidder is conditioned upon bidder's acceptance of wage determination.

Bidder further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of $100,000 that involve the employment of mechanics or laborers, bidder agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, bidder is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of the 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous or dangerous. These requirements do not apply to the purchase of supplies, materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement

If the participating agency's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experiments, developmental or research work under the "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7. Clean Air Act and Federal Water Pollution Control Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended, contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, bidder agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689), a contract award (see 2 CFR 180.222) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Bidder certifies that the bidder is not current listed and further agrees to immediately notify AEPA and all participating agencies with pending purchases or seeking to purchase from the bidder if bidder is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under stat statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352), bidders that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that take place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

10. Procurement of Recovered Materials

For participating agency purchases utilizing Federal funds, bidder agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recover, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price

For purchases using federal funds in excess of $150,000, a participating agency may be required to negotiate profit as a separate element of the price. See 2 CFRR 200.323(b). When required by a participating agency, bidder agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, bidder agrees that the total price, including profit, charged by the bidder to the participating agency shall not exceed the awarded pricing, including any applicable discount, under the bidders contract with AEPA.

12. General Compliance with Participating Agencies

In addition to the foregoing specific requirements, bidder agrees, in accepting any purchase order from a participating agency, it shall make a good faith effort to work with participating agency to provide such information and to satisfy requirements as may apply to a particular purchase or purchases including, but not limited to, applicable record keeping and record retention requirements as noted in the Federal Acquisition Regulation, FAR 4.703(a).

Part F.2A –Lot 2 Water Park Items Price Schedule
AEPA IFB #019.5-B Category Name

INSTRUCTIONS: Complete the following information for all items listed below. These are higher usage items and it is anticipated that deeper discounts will be bid for these items. In the event a new catalog or manufacturer's price list changes during the contract term, the Bid Discount Percentage would not exceed the bid discount percentage.
Please be sure to set the 'Print Area' PRIOR to submitting your bid response.

NOTE: The Net Effective Price MUST be consistent with the percentage discounts listed on the **F.1** tab. Failure to have price correspond may be cause for rejection of your offer.

Part F.2A – Lot 2 is a REQUIRED Part only for Bidders submitting under this Lot

Instructions: This form must be signed by the business's authorized representative and notarized below. If awarded, the Bidder is required to produce a copy of this document for each Member Agency with which it contracts.

1. The undersigned, is duly authorized to represent the persons, business and corporations joining and participating in the submission of the foregoing bid (such persons, business and corporations hereinafter being referred to as the bidder), being duly sworn, on his/her oath, states that to the best of his/her belief and knowledge no person, business or corporation, nor any person duly representing the same joining and participating in the submission of the foregoing bid, has directly or indirectly entered into any agreement or arrangement with any other bidders, or with any official of the ***Member Agency***, or any employee thereof, or any person, business or corporation under contract with the ***Member Agency*** whereby the bidder, in order to induce the acceptance of the foregoing bid by the ***Member Agency***, has paid, or is to pay to any other bidder, or to any of the aforementioned persons, anything of value whatever, and that the bidder has not, directly nor indirectly entered into any arrangement, or agreement, with any other bidder or bidders which tends to or does lessen or destroy free competition in the letting of the contract sought for by the foregoing bid.
2. This is to certify that the bidder, or any person on his/her behalf, has not agreed, connived, or colluded to produce a deceptive show of competition in the manner of the bidding, or award of the referenced contract.
3. This is to certify that neither I, nor to the best of my knowledge, information and belief, the bidder, nor any officer, director, partner, member or associate of the bidder, nor any of its employees directly involved in obtaining contracts with the ***Member Agency***, or any subdivision of the state has been convicted of false pretenses, attempted false pretenses, or conspiracy to commit false pretenses, bribery, attempted bribery or conspiracy to bribe under the laws of any state or federal government for acts or omissions after January 1, 1985.
4. This is to certify that the bidder, or any person on his behalf has examined and understands the terms, conditions, scope of work and specifications, and other documents of this solicitation and that any and all exceptions have been noted in writing and have been included with the bid submittal.
5. This is to certify that if awarded a contract, the bidder will provide the equipment, commodities, and/or services to members and affiliate members of the Agency in accordance with the terms, conditions, scope of work and specifications and other documents of this solicitation in the following pages of this bid.
6. This is to certify that the bidder is authorized by the manufacturer(s) to sell all proposed products on a national basis.
7. This is to certify that we have completed, reviewed, approved and have included all information that is required of these bid forms.

Acceptance of Bid & Contract Award

Association of Educational Purchasing Agencies

Instructions: PART I of this form is to be completed by the Bidder and signed by its Authorized Representative. PART II will be completed by the AEPA Member Agency only upon the occasion of the bid award. If approved by AEPA, the Bidder is required to produce a copy of the document for each of the AEPA Member Agency with which it contracts.

PART I: BIDDER

In compliance with the Invitation for Bid (IFB), the undersigned warrants that I/we have examined all Instructions to Bidders, associated documents, and being familiar with all of the conditions of the bid, hereby offer and agree to furnish all labor, materials, supplies and equipment incurred in compliance with all terms, conditions, specifications and amendments associated with this IFB and any written exceptions to the bid. Signature also certifies understanding and compliance with the certification requirements of the AEPA Member Agency's Terms and Conditions and/or Special Terms and Conditions. The undersigned understands that their competence, ability, capacity and obligations to offer and provide the proposed tangible personal property, professional services, construction services and other services on behalf of the Bidder Partner as well as other factors of interest to the AEPA Member Agency as stated in the evaluation section, will be a consideration in making the award.

PART II: AWARDING MEMBER AGENCY

Your bid response for the above identified bid is hereby accepted. As a Bidder Partner you are now bound to offer and provide the products and services identified within this IFB, your response and approved by AEPA, including all terms, conditions, specifications, exceptions and amendments. As Bidder Partner, you are hereby not to commence any billable work or provide any products or services under this contract until an executed purchase order is received from the AEPA Member Agency or Participating Entities. The intent of this contract is to constitute the final and complete agreement between the AEPA Member Agency and Bidder Partner, and no other agreements, oral or otherwise, regarding the subject matter of this contract, shall bind any of the parties hereto. No change or modification of this contract shall be valid unless in writing and signed by both parties to this contract. If any provision of this contract is deemed invalid or illegal by any appropriate court of law, the remainder of this contract shall not be affected thereby. The initial term of this contract shall be for up to fifteen (15) months and will commence on the date indicated below and continue until February 28, 2020, unless terminated, canceled or extended. By mutual written agreement as warranted, the contract may be extended month by month up to six (6) months or for three (3) additional 12-month periods.

Hussey Seating Company:

The Hussey Seating Company, herein Hussey, is a private family owned company that began work in 1835. Within the past three (3) calendar year, Hussey has averaged over $86 million dollars in sales through channels such as K-12, Higher Education, Cities, Counties, States and other Nonprofit organizations.

Hussey itself has a dedicated sales force along with service and distribution centers supported across the United States. Though Hussey has its own direct sales channel, Hussey will lead this contract with both their sales channel as well as through their network of preferred dealers as outlined in their response. This methodology allows Hussey to cover a global network as their preferred dealers are known as local experts in seating solutions.

DocuSign Envelope ID: D1B502FE-C118-4EF2-9E84-43FA2AE25B06

For each AEPA Participating Agency, Hussey has provided contact information for the preferred dealers who will cover their states/locations and utilize the AEPA contract. These dealers will receive marketing support from Hussey pertaining to promotional materials and training in regards to the terms and conditions of AEPA and the potential awarding AEPA Participating Agency.

Competitiveness – Hussey is offering pricing that is equal to that offered to a single agency, large school district or regional cooperative. Hussey also currently holds competitive contracts with Sourcewell and the States of Alabama, Mississippi and Arkansas. Hussey's strategy will be to educate purchasing agencies on the contract options available to them to make their purchase easy.

Pricing – Hussey is offering AEPA Participating Agencies a discount of 40% off list price on all telescopic seating solutions. Hussey's pricing schedule is inclusive of a seating solution, including row spacing, seating, integrated power, end rails, decking, a 10-year warranty, delivery, installation, along with prevailing and non-prevailing wage rates. Pricing incentives have been offered based on the number of gross seats installed, this volume discount is shown in Part F – Pricing Schedule – Telescopic. Hussey is also including in their discount, various add-ons such as, but not limited to: upgraded seating features, self-storing features, customized colors, logos and graphics, end curtains, service and maintenance packages, along with demolition and removal services.

Proposed Motion:

It is recommended by the Oversight Committee that AEPA approve the bid from Hussey Seating Company for a recommended contract by our participating member agencies.

Vendors recommended with reason for recommendation:

Romtec, Inc- **Romtec, Inc. met the qualifications for the Shade/Shelter component of #019.5B. The committee verified the reasonableness of the vendor based on a 5% discount for the product.**

Kompan, Inc-Kompan Inc met the Playground and Recreational Equipment component of #019.5B. The committee verified the reasonableness of the vendor based a 9% discount of the catalog pricing. The committee determined Kompan offerings are different from Playcraft Systems, LLC and will offer the members another option.

Playcraft Systems-Playcraft Systems LLC met the Playground and Recreational Equipment component of #019.5B. The committee verified the reasonableness of the vendor based on a 10% discount of the catalog pricing. The committee determined Playcraft Systems LLC's offerings were different from Kompan and will offer members another option. *

**Please note that an irregularity occurred during the bid opening for Playcraft Systems LLC. A pdf of the properly signed and dated (February 12th) bid bond was included in the bid upload, however the hard copy of the bid bond was lost by the Post Office, most likely due to an incorrect zip code in the bid documents. Upon advice of the AEPA legal counsel, we requested and received, 1) a new, signed hard copy of the bid bond, and 2) a letter from the employee who mailed the bid bond stating that she mailed it February 13th. The letter was signed by a witness who watched her mail the bid bond and both signatures were notarized. Each AEPA Member Agency should take this into account and make a decision regarding award according to your state procurement law.*

Proposed Motion:

It is recommended by the Oversight Committee that AEPA reject the bids from BCI Burke, Diversified Metal Fabricators, PS Commercial Play LLC, and School Specialty.

Proposed Motion:

It is recommended by the Oversight Committee that AEPA recommend the bids from Romtec, Inc, Kompan Inc, and Playcraft Systems LLC for contract award by our participating member agencies.
