Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if:

(a) Reasonable advance publicized notice is given as provided in subsection (1) of this section;

(b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used;

(c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference;

(d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and

(e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing.

Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if:

(a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county;

(b) Reasonable advance publicized notice is given as provided in subsection (1) of this section which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section;

(c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or entity or pool or at a place which will accommodate the anticipated audience;

(d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recordation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used;

(e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call;

(f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site;

(g) The telephone conference call lasts no more than five hours; and

(h) No more than one-half of the board's, council's, governing body's, committee's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call.

Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act;

(f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and

(g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Notes:	The Educational Service Unit Coordinating Council (ESUCC) is a Nebraska political subdivision tasked with coordinating statewide efforts to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit (ESU). The ESUCC is composed of one administrator from each of the 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students. The ESUCC's duties include, but are not limited to: (a) Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state; (b) Administration of statewide initiatives and provision of statewide services; and (c) Coordination of distance education. More information about the ESUCC can be found at http://www.esucc.org. ESUCC Cooperative Purchasing is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of the State of Nebraska. In a continuing effort to provide quality food products and food related services to ESUCC affiliated schools and members, ESUCC will accept sealed Bid Proposals for the Food Program. The Food Program has been in existence since 2001 (20 years). ESUCC represents 17 ESU’s statewide, who in turn service approximately 244 school districts offering food programs. The Food Program award will provide ESU affiliated schools and members the opportunity to purchase food and related items on a weekly or monthly basis. This RFP is based on a need for ESUCC to provide the economic benefits of volume purchasing and reduction in administrative costs for the best use of Federal, State, and local funds through cooperative purchasing by schools and members. Although Bidders may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to ESUCC members will not be considered. The vendor agrees this offer is made exclusively to Educational Service Unit Coordinating Council (ESUCC), ESUCC affiliated schools only, a bid for other non-K12 members will be solicited separately.

FOOD PROGRAM

REQUEST FOR PROPOSALS (RFP)

BID: RFP-2021-FDPRG

1. Overview

1.1 The Educational Service Unit Coordinating Council (ESUCC) is a Nebraska political subdivision tasked with coordinating statewide efforts to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit (ESU). The ESUCC is composed of one administrator from each of the 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students. The ESUCC's duties include, but are not limited to: (a) Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state; (b) Administration of statewide initiatives and provision of statewide services; and (c) Coordination of distance education. More information about the ESUCC can be found at http://www.esucc.org.

1.2 ESUCC Cooperative Purchasing is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of the State of Nebraska.

1.3 In a continuing effort to provide quality food products and food related services to ESUCC affiliated schools and members, ESUCC will accept sealed Bid Proposals for the Food Program. The Food Program has been in existence since 2001 (20 years). ESUCC represents 17 ESU's statewide, who in turn service approximately 244 school districts offering food programs. The Food Program award will provide ESU affiliated schools and members the opportunity to purchase food and related items on a weekly or monthly basis.

1.4 This RFP is based on a need for ESUCC to provide the economic benefits of volume purchasing and reduction in administrative costs for the best use of Federal, State, and local funds through cooperative purchasing by schools and members. Although Bidders may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to ESUCC members will not be considered. The vendor agrees this offer is made exclusively to Educational Service Unit Coordinating Council (ESUCC), ESUCC affiliated schools, and members.

2. Objectives.

2.1 To establish a state-wide Food Program which:

2.1.1 Allows Vendor or Vendors to provide food supplies and services and increase food service value to ESUCC affiliated schools and members with significant cost savings, quality food items, and exceptional service to the member schools participating in the program.

2.1.2 Provides an open and free competition that ensures fair and ethical bidding practices

2.1.3 Vendors should respond to as many areas in the bid as possible. If a vendor does not provide a particular product line or service, please "no bid" that item. ESUCC will consider all offers. However, vendors with the ability to supply more than one product line are preferred. The scope of work and minimum specifications defines the quality and characteristics of the desired supplies and/or equipment. Vendors may offer alternate solutions that meet the quality and performance characteristics in the specifications. ESUCC shall review such offers and be the final judge on the acceptance of any alternate specifications.

2.1.4 To accept a Bidder proposal based on price, incentive, service area and service.

3. Definitions.

3.1 **Days:** Periods of time, stated as a number of days, shall be in calendar days, not business days.

3.2 **Past performance information:** Past Performance Information (PPI) is relevant information regarding a Bidder's actions under previously awarded contracts to schools and local, state or federal agencies. It includes Bidder's record of performance under such contracts including, but not limited to conformance to the terms, conditions, specifications and scope of work of the contracts, responsiveness to, and correction of, contract claims and controversies, and satisfaction of the contracting entities. PPI shall be a factor in evaluation and award.

3.3 **Clarifications:** Communication with Bidder for the sole purpose of elimination minor irregularities, informalities, or apparent clerical mistakes in the proposal. It is achieved by explanation or substantiation, either in response to an inquiry from ESUCC or as initiated by Bidder. Clarification does not give Bidder an opportunity to revise or modify its proposal, except to the extent that correction of apparent

clerical mistakes results in a revision. Should any clarifications/questions be needed during the response process please submit these through ESU Coordinating Councils sourcing solution Ion Wave or send an email to: craig.peterson@esucc.org.

3.4 **Discussions.** Discussions occur when oral or written communications between ESUCC and Bidder are conducted for the purpose of clarifications involving information essential for determining the acceptability of a proposal or that provides Bidder an opportunity to revise or modify its proposal. ESUCC will not help Bidder bring its proposal up to the level of other proposals through discussions. ESUCC will not indicate to Bidder a cost or price that it must meet to obtain further consideration nor will it provide any information about other Bidders' proposals or prices. After the initial receipt of proposals, ESUCC reserves the right to conduct discussions with those Bidders whose proposals are determined to be reasonably susceptible of being selected for award.

3.5 **Line Item.** Exhibit B – "Vendor Bid Response" tab "G.2.1 Required Items" provides required line items to be bid by vendors and "G.2.2 Full Catalog Pricing" for all items to be included under contract. If a Bidder does not stock an exact item alternates may be bid but must meet minimum specifications, exceptions must be clearly noted and Bidder shall submit specification information. The committee will use its discretion to determine viable comparison.

3.6 **Weighted Average.** For objective comparisons, evaluation in the "Price" Section may be calculated using a "weighted average" computation. The base of the "weighted average" calculation will be previous usage volume figures for line items sold under contract. A sample "weighted average" calculation is included in this bid. (Exhibit "G") Point Award detail explanations may be found in "Exhibit D – Evaluation Points".

Points will be awarded by calculation and/or evaluation of each section and category resulting in a ranking of the top four Bidders in each section or category. Points are awarded according to ranking. The scoring schedules are detailed in "Exhibit D – Evaluation Points".

3.10 **Fixed Fee.** Dollar Amount Bidders add to "Landed Cost" to cover all operating, marketing, service, profit and delivery expenses.

4.3 ESUCC anticipates considerable activity resulting from this solicitation. However, no commitment of any kind is made concerning quantities actually to be acquired. ESUCC does not guarantee usage. Usage depends on the actual needs of members and marketing by Bidder. Actual use of any contract will be at the sole discretion of ESUCC Cooperative Purchasing members.

4.4 ESUCC reserves the right to award multiple contracts by Service Area. Service areas include East and West as defined in Exhibit C – County Listing. Fourteen counties may be included in either the East or West region defined as "Both Region Counties" in Exhibit C – County Listing.

4.5.4 The designated CPI Index for this bid will be for All Urban Consumers during the 12-month period (May-May) of the previous year for the group Food and Beverages. However, no contract extension exists unless and until Bidder is so notified by ESUCC.

The total gross dollar volume will include all of the product line items and any other products (full house), edible and inedible, purchased by participating schools/members. Administrative Fees shall be submitted by the 15th day of the month following the reporting month. 4.7 The requirements contained in the Request for Proposal becomes a part of the terms and conditions of any resulting contract from this RFP. Any deviations from the RFP must be clearly defined by the Bidder in its proposal and, if accepted by the ESUCC, will become part of the contract. Any specifically defined deviations must not be in conflict with the basic nature of the Request for Proposal, mandatory requirements, or applicable state or federal laws or statutes. "Deviation", for the purposes of this RFP, means any proposed changes or alterations to either the possible contractual language or deliverables within the scope of this RFP. The EUSCC discourages deviations and reserves the right to reject proposed deviations.

4.8 Formation of contract: A response to this solicitation is an offer to contract with ESUCC based upon the terms, conditions, scope of work, ESUCC contract and specifications contained in this request. A proposal does not become a contract unless and until ESUCC accepts it. A contract is formed when the ESUCC Executive Director signs the award document.

4.9 Multiple awards: ESUCC has a large number of members located across the state. To assure that any contract meets the requirements of all members, ESUCC reserves the right to award multiple contracts. Bidder should consider the fact that ESUCC may make multiple awards. 4.11 Bidder shall assign no right or interest in this contract without prior written permission from ESUCC. No delegation of any duty of Bidder shall be made without prior written permission from ESUCC. ESUCC shall not unreasonably withhold approval and shall notify Bidder of its decision within fifteen (15) days of receipt of written notice from Bidder.

4.12 Vendors receiving contracts under this solicitation are independent Bidders. Neither party to the contract, nor any member, shall be deemed to be the employee of another party to the contract.

4.13 Whenever one party to the contract has a good faith reason to question the other party's intent to perform, he may demand that the other party file written assurance of its intent to perform. If a demand is made and no written assurance is given within ten (10) days, the demanding party may treat this failure as an anticipator repudiation of the contract.

5. Response to Errors; Revisions. The Bidder shall not take advantage of any errors and/or omissions in this Request for Proposal or possible resulting contract. The Bidder must promptly notify the EUSCC of any errors and/or omissions that are discovered. The ESUCC reserves the right to reject any or all proposals, in whole or in part, or to award to multiple Bidders in whole or in part. The ESUCC reserves the right to waive any deviations or errors that are not material, do not invalidate the legitimacy of the application and do not improve the Bidders competitive position. The ESUCC reserves the right to reject any or all applications and re-advertise for proposals; and further reserves the right to waive any informality or irregularity. All decisions will be made in a manner deemed in the best interest of the ESUCC on behalf of Nebraska schools and its members.

6.3 **New products:** New products that meet the scope of work may be added to the contract. Pricing shall be equivalent to the "Landed Cost" plus "Fixed Fee Mark-up" for products. Event Information

Number: 2021-ESUCC-Food Addendum 1
Title: RFP-2021-FDPRG
Type: Competitive Sealed Proposal
Issue Date: 3/3/2021
Deadline: 4/12/2021 04:00 PM (CT)
Notes: The Educational Service Unit Coordinating Council (ESUCC) is a Nebraska political subdivision tasked with coordinating statewide efforts to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit (ESU). The ESUCC is composed of one administrator from each of the 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students. The ESUCC's duties include, but are not limited to: (a) Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state; (b) Administration of statewide initiatives and provision of statewide services; and (c) Coordination of distance education. More information about the ESUCC can be found at http://www.esucc.org.

ESUCC Cooperative Purchasing is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of the State of Nebraska.

In a continuing effort to provide quality food products and food related services to ESUCC affiliated schools and members, ESUCC will accept sealed Bid Proposals for the Food Program. The Food Program has been in existence since 2001 (20 years). ESUCC represents 17 ESU's statewide, who in turn service approximately 244 school districts offering food programs. The Food Program award will provide ESU affiliated schools and members the opportunity to purchase food and related items on a weekly or monthly basis.

This RFP is based on a need for ESUCC to provide the economic benefits of volume purchasing and reduction in administrative costs for the best use of Federal, State, and local funds through cooperative purchasing by schools and members. Although Bidders may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to ESUCC members will not be considered. The vendor agrees this offer is made exclusively to Educational Service Unit Coordinating Council (ESUCC), ESUCC affiliated schools only, a bid for other non-K12 members will be solicited separately.

Management of contracts, supply chain, reporting and incentives for both ESU and the member districts. Benefits are offered through consistency in price, manufacturer programs and rebates earned by the schools themselves. Additionally, we have a dedicated team of specialists and sales support that includes Dietitian's, Protein specialist, Produce specialist, Chef's and Marketing that are all available for individual or group support for participating schools. The bid this year has been enhanced with a wider breadth of deviated prices (contracts) than in bids past. We also have reduced our case fee for this bid and removed the small delivery fee. AGREEMENT FOR Food

THIS AGREEMENT is entered into by and between the Nebraska Educational Service Unit Coordinating Council ("ESUCC"), and Sysco Lincoln ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a monthly basis beginning two months from the Effective Date of this Agreement for all transactions completed and paid during said month.

4. **Term.** This Agreement is effective on the 1st day of August 2021 ("Effective Date") and shall continue until 12:00 midnight (CST) on the

31st day of July 2022, unless terminated earlier as provided by this Agreement or by law. ESUCC reserves the option to negotiate three (3) one-year extensions. Extension negotiations will be for the Bidders "Fixed Fee" amount only. All other terms, conditions and submittals of the original agreement will be unchanged.

5. Governing Law; Designation of Forum. This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The ESUCC may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The ESUCC shall notify the Contractor as soon as practicable if funds to meet the ESUCC's obligations become unavailable. The determination of the ESUCC as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The ESUCC may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;

(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The ESUCC may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the ESUCC all papers, materials and other property of the ESUCC then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the ESUCC.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the ESUCC and its officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the ESUCC in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence.

C. If applicable, workers compensation coverage meeting all statutory requirements.

The insurance coverages listed above must meet the following additional requirements:

1) Any deductible or other similar obligation under the policies shall be the sole responsibility of the Contractor. The amount of any deductible is subject to approval by the ESUCC.
2) This insurance may be in policy or policies of insurance, primary and excess, including the so-called umbrella or catastrophe form and must be placed with insurers rated "A-" or better by A.M. Best Company, Inc., provided any excess policy follows form for coverage Less than an "A-" rating must be approved by the ESUCC. The policies shall be in form and terms approved by the ESUCC.
3) The insurance required in this agreement, through a policy or endorsement, shall include a provision that the policy and endorsements may not be canceled or modified without thirty (30) days' prior written notice to the undersigned ESUCC representative.
4) The Contractor shall furnish a certificate of insurance to the undersigned ESUCC representative prior to commencement of this Agreement.
5) Failure to provide insurance as required in this agreement is a material breach of contract entitling the ESUCC to terminate this Agreement immediately.

9. **Public Records.** The Contractor acknowledges that the ESUCC must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. **Publicity.** The ESUCC does not endorse the goods or services of the Contractor. 11. **Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all Subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on ESUCC or Member premises or at ESUCC or Member related functions. The Contractor and all Subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on ESUCC or Member property or at ESUCC or Member related functions. The Contractor and all Subcontractors, if any, also shall adhere to all ESUCC's or Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on ESUCC or Member premises or at ESUCC or Member related functions. Failure to comply with this provision may be considered a material breach. The ESUCC or Member may suspend or terminate the Contractor, Subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all Subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

REQUEST FOR PROPOSALS (RFP)

BID: RFP-2021-FDPRG

1. Overview

1.1 The Educational Service Unit Coordinating Council (ESUCC) is a Nebraska political subdivision tasked with coordinating statewide efforts to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit (ESU). The ESUCC is composed of one administrator from each of the 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students. The ESUCC's duties include, but are not limited to: (a) Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state; (b) Administration of statewide initiatives and provision of statewide services; and (c) Coordination of distance education. More information about the ESUCC can be found at http://www.esucc.org.

1.2 ESUCC Cooperative Purchasing is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of the State of Nebraska.

1.3 In a continuing effort to provide quality food products and food related services to ESUCC affiliated schools and members, ESUCC will accept sealed Bid Proposals for the Food Program. The Food Program has been in existence since 2001 (20 years). ESUCC represents 17 ESU's statewide, who in turn service approximately 244 school districts offering food programs. The Food Program award will provide ESU affiliated schools and members the opportunity to purchase food and related items on a weekly or monthly basis.

1.4 This RFP is based on a need for ESUCC to provide the economic benefits of volume purchasing and reduction in administrative costs for the best use of Federal, State, and local funds through cooperative purchasing by schools and members. Although Bidders may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to ESUCC members will not be considered. The vendor agrees this offer is made exclusively to Educational Service Unit Coordinating Council (ESUCC), ESUCC affiliated schools, and members.

2. Objectives.

2.1 To establish a state-wide Food Program which:

2.1.1 Allows Vendor or Vendors to provide food supplies and services and increase food service value to ESUCC affiliated schools and members with significant cost savings, quality food items, and exceptional service to the member schools participating in the program.

2.1.2 Provides an open and free competition that ensures fair and ethical bidding practices

However, vendors with the ability to supply more than one product line are preferred. The scope of work and minimum specifications defines the quality and characteristics of the desired supplies and/or equipment. Vendors may offer alternate solutions that meet the quality and performance characteristics in the specifications. ESUCC shall review such offers and be the final judge on the acceptance of any alternate specifications.

2.1.4 To accept a Bidder proposal based on price, incentive, service area and service.

3. Definitions.

3.1 **Days:** Periods of time, stated as a number of days, shall be in calendar days, not business days.

3.2 **Past performance information:** Past Performance Information (PPI) is relevant information regarding a Bidder's actions under previously awarded contracts to schools and local, state or federal agencies. It includes Bidder's record of performance under such contracts including, but not limited to conformance to the terms, conditions, specifications and scope of work of the contracts, responsiveness to, and correction of, contract claims and controversies, and satisfaction of the contracting entities. PPI shall be a factor in evaluation and award.

3.3 **Clarifications:** Communication with Bidder for the sole purpose of elimination minor irregularities, informalities, or apparent clerical mistakes in the proposal. It is achieved by explanation or substantiation, either in response to an inquiry from ESUCC or as initiated by Bidder. Clarification does not give Bidder an opportunity to revise or modify its proposal, except to the extent that correction of apparent

clerical mistakes results in a revision. Should any clarifications/questions be needed during the response process please submit these through ESU Coordinating Councils sourcing solution Ion Wave or send an email to: craig.peterson@esucc.org.

3.4 **Discussions.** Discussions occur when oral or written communications between ESUCC and Bidder are conducted for the purpose of clarifications involving information essential for determining the acceptability of a proposal or that provides Bidder an opportunity to revise or modify its proposal. ESUCC will not help Bidder bring its proposal up to the level of other proposals through discussions. ESUCC will not indicate to Bidder a cost or price that it must meet to obtain further consideration nor will it provide any information about other Bidders' proposals or prices. After the initial receipt of proposals, ESUCC reserves the right to conduct discussions with those Bidders whose proposals are determined to be reasonably susceptible of being selected for award.

Event Information

Number: 2021-ESUCC-Food Addendum 1
Title: RFP-2021-FDPRG
Type: Competitive Sealed Proposal
Issue Date: 3/3/2021
Deadline: 4/12/2021 04:00 PM (CT)
Notes: The Educational Service Unit Coordinating Council (ESUCC) is a Nebraska political subdivision tasked with coordinating statewide efforts to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit (ESU). The ESUCC is composed of one administrator from each of the 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students. The ESUCC's duties include, but are not limited to: (a) Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state; (b) Administration of statewide initiatives and provision of statewide services; and (c) Coordination of distance education. More information about the ESUCC can be found at http://www.esucc.org.

ESUCC Cooperative Purchasing is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of the State of Nebraska.

In a continuing effort to provide quality food products and food related services to ESUCC affiliated schools and members, ESUCC will accept sealed Bid Proposals for the Food Program. The Food Program has been in existence since 2001 (20 years). ESUCC represents 17 ESU's statewide, who in turn service approximately 244 school districts offering food programs. The Food Program award will provide ESU affiliated schools and members the opportunity to purchase food and related items on a weekly or monthly basis.

This RFP is based on a need for ESUCC to provide the economic benefits of volume purchasing and reduction in administrative costs for the best use of Federal, State, and local funds through cooperative purchasing by schools and members. Although Bidders may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to ESUCC members will not be considered. The vendor agrees this offer is made exclusively to Educational Service Unit Coordinating Council (ESUCC), ESUCC affiliated schools only, a bid for other non-K12 members will be solicited separately.

The pricing submitted is based on the cost landed into the Lincoln distribution facility for the East Region. The West region will follow the same agreements and fee per case. Management of contracts, supply chain, reporting and incentives for both ESU and the member districts. Benefits are offered through consistency in price, manufacturer programs and rebates earned by the schools themselves. Relevant reporting on market trends, new items, recipe ideas and virtual presentations in lieu of large in person events (if unable with DHM). Additionally, we have a dedicated team of specialists and sales support that includes Dietitian's, Protein specialist, Produce specialist, Chef's and Marketing that are all available for individual or group support for participating schools. The bid this year has been enhanced with a wider breadth of deviated prices (contracts) than in bids past. We also have reduced our case fee for this bid and removed the small delivery fee. Part E – Signature Forms

AEPA 021.5-D
Mobile & Cellular Connectivity Solutions

Instructions

Contained herein are forms that **require a signature** from an authorized person at your company. All items found within this document are **mandatory**. Failure to sign the required areas, sections, or signature lines will allow AEPA to consider your company's proposal as **non-responsive**.

To submit the required signed forms, follow these steps:

1. Read the documents in their entirety.
2. Complete all forms and sign when required.
3. Once signed, place notary stamp in the delegated area on the Bid Affidavit.
4. Return the forms and pages in their correct order and scan one (1) single PDF format titled ***"Part E – Signature Forms – Name of Bidding Company"*** (i.e. one PDF document for all signature forms).
5. Submit Part E, along with other required documents in Public Purchase.

*Note, a bid checklist has been provided to review with your submission.

The following sections will need to be completed prior to submission as one (1), single PDF titled "Part E – Signature Forms – Name of Bidding Company".

Uniform Guidance "EDGAR" Certification Form – ***signature required***
Bid Affidavit – ***signature required***
Acceptance of Bid & Contract Award – ***signature required***

Uniform Guidance "EDGAR" Certification Form
2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Respondent agrees that such provision applies to any participating agency purchase or contract that meets the definition of

"federally assisted construction contract" in 41 CFR Part 60-1.3 and Respondent agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, Respondent agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of $2,000, Respondent shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Respondent is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. Also, Respondent shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Respondent agrees that, for any purchase to which this requirement applies, the award of the purchase to the Respondent is conditioned upon Respondent's acceptance of wage determination.

Respondent further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Uniform Guidance "EDGAR" Certification Form
2 CFR Part 200

This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

Also, Respondent shall pay wages not less than once a week.

Uniform Guidance "EDGAR" Certification Form
2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Respondent agrees that such provision applies to any participating agency purchase or contract that meets the definition of

"federally assisted construction contract" in 41 CFR Part 60-1.3 and Respondent agrees that it shall comply with such provision.

In accordance with the statute, Respondent is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. Also, Respondent shall pay wages not less than once a week. .

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Respondent agrees that, for any purchase to which this requirement applies, the award of the purchase to the Respondent is conditioned upon Respondent's acceptance of wage determination.

The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of $100,000 that involve the employment of mechanics or laborers, Respondent agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Uniform Guidance "EDGAR" Certification Form
2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

3. Equal Employment Opportunity

Uniform Guidance "EDGAR" Certification Form
2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Respondent agrees that such provision applies to any participating agency purchase or contract that meets the definition of

"federally assisted construction contract" in 41 CFR Part 60-1.3 and Respondent agrees that it shall comply with such provision.

In accordance with the statute, Respondent is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. Also, Respondent shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Respondent agrees that, for any purchase to which this requirement applies, the award of the purchase to the Respondent is conditioned upon Respondent's acceptance of wage determination.

Respondent further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

Uniform Guidance "EDGAR" Certification Form

2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Respondent agrees that such provision applies to any participating agency purchase or contract that meets the definition of

"federally assisted construction contract" in 41 CFR Part 60-1.3 and Respondent agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, Respondent agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of $2,000, Respondent shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Respondent is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. Also, Respondent shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Respondent agrees that, for any purchase to which this requirement applies, the award of the purchase to the Respondent is conditioned upon Respondent's acceptance of wage determination.

Respondent further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of $100,000 that involve the employment of mechanics or laborers, Respondent agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, Respondent is required to compute the wages of every mechanic and laborer based on a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. The requirements of the 40 U.S.C. 3704 applies to construction work and provides that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchase of supplies, materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement

If the participating agency's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experiments, developmental or research work under the "funding agreement," the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7. Clean Air Act and Federal Water Pollution Control Act

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, Respondent agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689), a contract award (see 2 CFR 180.222) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Respondent certifies that the Respondent is not currently listed and further agrees to immediately notify AEPA and all participating agencies with pending purchases or seeking to purchase from the Respondent if Respondent is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under state statutory or regulatory authority other than Executive Order 12549.

Each tier must also disclose any lobbying with non-Federal funds that take place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price

For purchases using federal funds in excess of $150,000, a participating agency may be required to negotiate profit as a separate element of the price. See 2 CFRR 200.323(b). When required by a participating agency, Respondent agrees to provide information and negotiate with the participating agency regarding profit as a separate element of the price for a particular purchase. However, Respondent agrees that the total price, including profit, charged by the Respondent to the participating agency shall not exceed the awarded pricing, including any applicable discount, under the Respondent's contract with AEPA.

12. General Compliance with Participating Agencies

In addition to the foregoing specific requirements, Respondent agrees, in accepting any purchase order from a participating agency, it shall make a good faith effort to work with a participating agency to provide such information and to satisfy requirements as may apply to a particular purchase or purchases including, but not limited to, applicable record keeping and record retention requirements as noted in the Federal Acquisition Regulation, FAR 4.703(a).

2021-2024
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and B&H Photo and Electronics Corp ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on June 1, 2021 ("Effective Date") and shall continue until 12:00 midnight (CST) on May 31, 2024, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State

of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but

not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. **Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. **Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Impero Inc. ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

This fee will be submitted to ESUCC on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on June 30, 2021 ("Effective Date") and shall continue until 12:00 midnight (CST) on June 30,, 2024, unless terminated earlier as provided by this Agreement or by law.

Exhibit “A” is amended to add the following goods or services of Unified Administration: eFinancePlus includes the following as a Base:

Unified Administration: Financial Accounting

Easily manage all your day-to-day financial accounting and purchasing processes with one click. This true fund accounting solution adheres to all GAAP, GASB, and GAAFR requirements, and its real-time database maintains fiscal, purchasing, and budgeting information. Most importantly, it provides simple-to-use processing centers and helpful wizards to make it easy for district staff to manage daily fiscal operations.

Unified Administration: General Ledger

General Ledger is accurate, complete, and flexible – it consistently receives high marks from auditors about its capabilities, reports, and processes. The solution automatically handles routine operations so that district administrators can concentrate on the decision points. Improve the efficiency of your business operations with default templates for journal entries, easy reversals, ability to work in multiple periods, simple displays and drill downs, and the ability to attach and view documents associated with transactions.

Unified Administration: Project Accounting

Track grants and projects across multiple fiscal years to get a full picture of how much money has been received and spent. An automated link to the general ledger chart of accounts allows district

administrators to default specific projects within organizations to ensure these transactions are not missed. This solution is also capable of defining and adding district-defined fields to track detail information on projects and grants.

Unified Administration: Budgeting

Make your budgeting process easier by using your current year's fiscal information as a starting point to create next year's budget. Simple steps allow the budget administrator to pull year-to-date actuals, estimate costs to the end of the year, and produce multiple versions of what next year's budget may look like. You can assume business as usual and apply decreases or increases by buildings, accounts, across the board, or individual line items. As soon as you get the version you are satisfied with, put it in the hands of your administrators to adjust as needed. Many features are available for capturing and automating all details of your budget process. For example, you can easily tie personnel details to budgeted line items. Shortcuts like these allow you to efficiently manage your budgeting process from start to finish. When your budgeting process is complete, simply click a button to start your new year with the approved budget.

Unified Administration: Purchasing

Purchasing makes it easier to request, approve, and order items, ensuring your district stays within its allotted budget. Quickly enter requisitions with full access to available vendors, commodities (NIGP or your own), budget balances, and more. Immediately pre-encumber requests and add attachments (photos, documents, etc.) as supporting documentation. Based on established parameters, the system will automatically notify all approvers by email with a direct link to the approval screen to review requisitions. Purchasing staff can view all approvals and attachments and, with one step, convert requisitions into purchase orders and encumber the funds. Every step along the way, personnel can choose to receive email notifications on the progress of their purchases. Send purchase orders to vendors via hard copy, email, or fax. When the item arrives, you can record it was received, which notifies Accounts Payable. All items purchased from certain accounts or over a site-defined dollar threshold will automatically create a Fixed Asset record and place it in a file for review with all associated purchasing and accounts payable information. In addition, you may choose to allow your staff to use our convenient procurement card solution. eFinancePlus purchasing features are designed to make it easier for staff to request, approve and order items so they can continue with their jobs while ensuring your district stays within the allotted budget.

Unified Administration: Payroll and Benefits Management

Payroll is fast, efficient, accurate, and versatile enough to handle the complexities of district payrolls. A unique payroll wizard guides personnel step-by-step through the processes of a pay run, timecard entry, calculating and running reports, and more.

Unified Administration: Accounts Payable

Whether you want to enter a batch or post directly online, you can choose how to pay your outstanding invoices. It is easy to pay existing encumbrances - all you have to do is choose a purchase order, have the details default, adjust any differences, and click OK. If it is a new invoice, simply put the details in the system and charge to the appropriate accounts. If you want to keep a copy of the invoice and detail

information, you can attach these documents in any format for future reference. An optional approval process is available for payable entries.

Unified Administration: Fixed Assets

Create new or automatically generate asset records for newly purchased items over a district-defined dollar amount or from specific capital accounts. For automatically generated records, Fixed Assets creates a batch file for personnel to review and add necessary detail information about the asset. It tracks all information for depreciation costs to post to the general ledger and adheres to specific reporting requirements, such as GASB. The solution also allows administrators to attach supporting documentation— photos, leases, insurance or maintenance agreements—to the asset record and easily communicate with appraisal companies.

Unified Administration: Fixed Assets Communicator

This automated interface identifies differences between your system and the appraisal company and allows administrators to update the details in your fixed asset files.

Unified Administration: Personnel Budgeting

Easily and automatically feed positions and employees' salary and benefit information into a budgeting environment and use this information to create unlimited versions of next year's budget. Utilize capabilities to increase employees' salaries for the rest of the current year and provide increases for next year to create an accurate budget. Fringe benefits can also be included. Additionally, changes that you made to existing, new, or vacant positions can be applied to next year's Position Control tracking.

Unified Administration: Personnel

Given the proper security, district staff members have access to all the information they need to know about an employee. This allows them to easily answer employee or supervisor questions regarding absences, training, certifications, emergency contact information, and much more. Historical information is available on previous positions, salaries, and change in status for all employees. An online wizard guides your staff through an easy step-by-step process for setting up a new employee in the system. In addition, the system has efficient tracking of highly qualified teachers. With our forms-based Workflow, district staff can easily initiate request for hire or termination and employees can submit requests for leave of absence, all with easy-to-setup approval hierarchies, and approval history audit.

Unified Administration: Workflow

Manage employee leave requests without impact on your HR or Payroll staff! eFinancePlus provides the district's employees with an intuitive and informative Employee Leave Request form to submit leave requests and notifications. Employees see their leave banks, outstanding requested and approved leave requests, and can make informed decisions about their leave. Requests are routed to supervisors and/or others in the district. Approved leave requests optionally update the Attendance records or Employee Timesheets.

Provide HR and managers with an Employee Termination Request and manage the request, approval, and notification process through workflow. Upon approval, the employee record will be updated with the termination information.

The New Hire Recommendation & Notification workflow allows your hiring managers to submit applicants for recommendation to hire for review and approval by your HR department. Upon approval, notifications can be sent to for example your IT department to create employee email addresses and logins, etc.

Workflow manages the routing of requisitions, purchase orders, and change orders through the approval process, notifying the requester as progress is made. The approval process is also supported for accounts payable, budget adjustments, and budget transfers. The approval path can be defined based on the department, account code, and dollar amount.

Unified Administration: Reporting

eFinancePlus provides you with hundreds of out-of-the-box reports. Simply select which report you need and our print wizard allows you to specify the reporting criteria, sort options, and whether you want to view the report online, send to a printer, or save as a .pdf to send as an email attachment. An online status bar shows progress of the report as it is executing. This includes state compliance reporting.

eFinancePlus integrates with Cognos reporting tools, which provide end users with extremely intuitive query and report writing capabilities. It also provides technology staff with the ability to develop more extensive and complex reports when needed. Easily and quickly create any query or report through point and click processes. All the PLUS 360 database fields are presented to the end user in easy-to-understand language. An exhaustive list of selection capabilities, filtering options, sorting features, and calculation types allow users to create any simple list or complex report. Reports can be presented as tabular lists or quickly converted to graphical displays such as pie charts, bar graphs, or trend lines, or all the above. They can also be output in a variety of formats including .pdf, .html, Excel, Word, or ASCII files. Reports can be deployed over the web and scheduled to run on specific dates and times to give staff quick access to the information they need, when they need it.

Unified Administration: Payroll and Benefits Management

Payroll is fast, efficient, accurate, and versatile enough to handle the complexities of district payrolls. A unique payroll wizard guides personnel step-by-step through the processes of a pay run, timecard entry, calculating and running reports, and more.

Unified Administration: Salary Projections

Quickly assess the impact of labor proposals. Salary Projections makes it easy to take an existing employee or a group of employees and calculate in percentage, dollar amount, or both, an increase or decrease to those employees' schedule. Comprehensive reports provide you with all the information

that you need; the number of employees attached to a schedule, their existing individual and total costs, and the future impact if the increase would be passed on the individual line item and total budget. Easily identify your bottom line costs during this period and re-run those calculations as many times as you need until you come to an agreement. Easily carry an approved schedule over into the payroll process to start the next cycle with a new schedule.

Exhibit "A" is amended to add the following goods or services of Unified Administration: eFinancePlus includes the following as optional:

Unified Administration: Time & Attendance

Employee leave requests are routed to the appropriate individuals for approval and then posted to the time sheet. Attendance provides flexibility to accrue leave based on years of service, hours worked, or timeframe and it even tracks employee's leave balances and detail information about leave taken.

Unified Administration: Employee Benefits

Provides employees with anytime, anywhere access to their payroll and personnel information through this convenient web portal. Define what information can be viewed—demographics, benefit statements, benefit enrollment, attendance history, deduction/benefit history, payroll checks, certifications, and skills. Allow employees to update specific personal information and route those changes to appropriate personnel for review and approval. (i.e. demographics, benefit statements, benefit enrollment, attendance history, deduction/benefit history, payroll checks, certifications and skills.)

Unified Administration: Employee Mobile App (Included with Employee Benefits)

Save time and increase engagement with the Mobile Employee App. Designed to meet today's users in their world, the employee app allows the District to provide useful links and communications while giving on-the-go access for employees to check deductions and benefits, submit leave requests, see their pay, deductions, direct deposits and much more.

Unified Administration: Miscellaneous Billing

Generate a onetime invoice or set up recurring invoices, either way it's easy. Simply enter the customer's name and the system will search for a match and display the customer information. If no match is found, you can quickly add the customer. Select the services provided such as gym rentals, day care, etc., from a drop down list of your typically provided services. The system will prompt you for details based upon the type of service, drop in the standard fees, and track potential penalties or interest. Produce bills directly from the system and your staff has the ability to take payments over the counter or through the mail with our Central Receipting.

Unified Administration: Central Receipting/Accounts Receivable/Cash Receipts

Easily generate a onetime invoice or set up recurring invoices. The solution will prompt you for details based upon the type of service, drop in the standard fees, and track potential penalties or interest. Produce bills and take payments over the counter or through the mail with Central Receipting.

Unified Administration: Purchasing Card Interface

The Purchasing Card (PCard) Interface enables your district to efficiently administer credit card use for employees. Easily assign employees to PCards and specify their roles as administrators, primary cardholders, or card users. When a PCard purchase is made, a vendor transaction is automatically created, reducing the burden on staff.

Unified Administration: PunchOut

PunchOut streamlines the purchasing process by enabling your organization to shop directly on a vendor's web catalog using negotiated pricing and catalogs. When a user checks out from the website, PunchOut seamlessly imports their shopping cart as an eFinancePlus requisition to be automatically pre-encumbered and follow the district's standard workflow approval routing. The online shopping can be initiated by authorized employees and allows the details of the online shopping to be returned to the eFinancePlus purchasing option as a requisition ready for your organization's approval and processing. PunchOut incorporates numerous features which allow your organization's users to connect to a vendor's shopping site and have the items selected turned into requisitions and eventually returned to the vendor for fulfillment.

Unified Administration: Warehouse Inventory

Fully integrated with the general ledger and purchasing systems, Warehouse Inventory provides the capability to requisition from stock, process approvals, generate pick pack lists, and reorder quantities. Personnel requesting items can view up-to-date quantity information, costs, and item details. The eFinancePlus Warehouse Inventory System is a web-based software system designed to assist you in managing your warehouse activities. The system enables you to process a full range of inventory transactions, from receiving new stock through the filling of requests. At the same time, the software incorporates various controls to maintain proper inventory levels and track warehouse costs. The system interfaces with the eFinancePlus Purchasing System for receiving shipments that originated with purchase orders. It also allows posting departmental expenses and revenues to the eFinancePlus Fund Accounting System.

Unified Administration: Position Control

Have a clear picture of your budgeted staffing status when reviewing that next hiring request. With our Position Control system, you can accurately account for and easily identify all the budgeted positions within your organization, how many full-time equivalents (FTEs) are assigned to positions, and a description of the duties. This will allow you to track through the years, personnel that held these positions and details regarding their job. Position Control provides tight controls on what positions are being hired and moved within the district, enforces and facilitates budget code assignments, and ensures your district operates within its budget.

Unified Administration: Student Activities

The Student Activities module processes and tracks fiscal activity for clubs and organizations in the school district. Now you can easily support clubs with the ability to do things such as print checks at the school building as well as print checks separately for student clubs and organizations. Districts can set security options to limit which checks can be printed by designated users while tracking receipts by source of funds. You can only allow authorized users to reconcile bank accounts. Also, review financial activities and current balances by club or organization. If needed districts can define multiple clubs and organizations that share a single bank account. This all integrates with the General ledger.

SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and Softchoice Corporation ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on August 1, 2021 ("Effective Date") and shall continue until 12:00 midnight (CST) on July 31, 2024, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State

of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but

not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. **Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. **Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: 13-3827773.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

17. Notice. Each party giving any Notice ("Notice") under this Agreement must give written Notice by personal delivery, registered or certified Mail (in each case, return receipt requested and postage prepaid), or nationally recognized overnight courier (with all fees prepaid.) Notice shall be sent to the following addressees at the following addresses:

18. Warranties and Specifications. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, or the Cooperative upon request.

19. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective

only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

27. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this

Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

30. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

31. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.
