2022-2025
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and _NetSupport Inc_ ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on Jan 26th, 2022 ("Effective Date") and shall continue until 12:00 midnight (CST) on Jan 26th, 2025, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

De-identified Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.

F. **Marketing and Advertising.** Contractor will not use any Data to advertise or market to students or their parents. Advertising or marketing may be directed to the Cooperative, ESUCC, Members, or their school districts only if student information is properly de-identified."

M. **Rights and License in and to Data**. Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give Contractor any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.

N. **Access.** Any Data held by Contractor will be made available to a Member upon request by the Member.

O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Data from unauthorized access, disclosure, and use. Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Contractor will also have a written incident response plan, to include prompt notification of the Member in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.

P. **Response to Legal Orders, Demands or Requests for Data.** Except as otherwise expressly prohibited by law, Contractor will:

(1) Promptly notify the Cooperative and Members of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking Data;
(2) Consult with the Cooperative and Members regarding its response;

(3) Cooperate with the Cooperative's and Member's reasonable requests in connection with efforts by them to intervene and quash or modify the legal order, demand or request; and

The determination of the Cooperative as to the insufficiency of funds is conclusive.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or

The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative, ESUCC, and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative, ESUCC, or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

9. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

10. Public Records. The Contractor acknowledges that the Cooperative, ESUCC, ESUs, and Members must comply with Neb. Rev. Stat. § 84-712 through § 84-713 and

release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESUCC, ESU, or Member property or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESUCC, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

13. Nondiscrimination. The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

14. Independent Contractor. Contractor is an independent contractor under this contract and is not a Cooperative, ESUCC, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

15. Employment Eligibility Verification. The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, ESUCC, or the Cooperative upon request.

20. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

21. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

22. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

23. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

24. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

25. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

26. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

27. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

28. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

29. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

30. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

31. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

32. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

SOFTWARE LICENSE AGREEMENT

NetSupport End User License Agreement (EULA)

Please read this agreement before using your copy of this NetSupport Software application. This is a legal agreement between you and NetSupport Limited. If you do not wish to be bound by the terms of this license agreement you must not load, activate, or use the software.

TERM: Subject to termination under Termination Clause below the license shall be perpetual unless the purchase has been made for a subscription of the software; in which case, the term shall be outlined on the quote and license details, typically last twelve (12) months.

GRANT OF LICENSE: Subject to the payment of the applicable license fees, and subject to your abidance by the terms and conditions of this agreement, NetSupport Ltd hereby grants to you a non-exclusive, non-transferable right to use one copy of the specified version of the software which you have acquired.

USE: The software is licensed with volume use terms specified in the applicable order acknowledgement, product invoice, license certificate or product packaging. You may make, install, and use as many additional copies of the software on the number of devices as the terms specify. You must have a reasonable mechanism in place to ensure that the number of devices on which the software has been installed does not exceed the number of licenses you have obtained.

SERVER USE: To the extent that the applicable order acknowledgement, product invoice, product packaging or license certificate sets forth, you may use the software on a device or on a Server within a multi-user or networked environment ("Server Use"). A separate license is required for each device or "seat" that may connect to the software at any time, regardless of whether such licensed devices or seats are connected to the software concurrently or are actually using the software at any particular time. Your use of software or hardware that reduces the number of devices or seats that connect to and use the software directly or simultaneously (e.g., "multiplexing" or "pooling" software or hardware) does not reduce the number of licenses required. Specifically, you must have that number of licenses that would equal the number of distinct inputs to the multiplexing or pooling software or

hardware “front end”). If the number of devices or seats that can connect to the software can exceed the number of licenses you have obtained, then you must have a reasonable mechanism in place to ensure that your use of the software does not exceed the use limits specified for the license you have obtained.

RESTRICTIONS: Neither you nor any reseller may rent, lease, sell licensed copies [on approval], or otherwise transfer the right to use this software to another person, except that you may sell or give away your original copy, as long as you do not keep any copies. The software may not be modified, disassembled or reverse engineered except with the prior written consent of NetSupport Ltd.

LIMITED WARRANTY: NetSupport Ltd warrants that the software will perform substantially in accordance with the accompanying documentation for a period of ninety (90) days from the date of purchase. NetSupport’s entire liability and your exclusive remedy shall be either a) the replacement of the defective software or b) return of the price paid. This remedy shall be at NetSupport’s option and subject to proof of purchase from an authorized source.
Any implied warranties including any warranties of quality or fitness for a particular purpose are limited to the terms of the express warranties. NetSupport Ltd. shall not in any event be liable for loss of profits, data, or information of any kind or for special, incidental, consequential, indirect, or other similar damages arising from any breach of these warranties or use of the software even if they have been advised of the possibility of such damages. Some countries do not allow the limitation or exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty does not affect your statutory rights, and you may have other rights that vary from country to country. In any event NetSupport’s maximum liability shall not exceed the price paid by the end-user / licensee.

TERMINATION: You may terminate this license and this Agreement at any time by destroying the program and its documentation, together with any copies in any form. NetSupport Ltd. may terminate this license forthwith by notice in writing to you if you commit any serious breach of any term of this license and (in the case of a breach capable of being remedied) shall have failed within 30 days after receipt of a request in writing from NetSupport Ltd. so to do, to remedy the breach (such request to contain a warning of NetSupport’s intention to terminate). Upon termination you will

destroy or return to NetSupport Ltd the original and all copies of the software and will confirm in writing to NetSupport Ltd that this has been done.

2022-2024
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and _____ ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on _____, 2022 ("Effective Date") and shall continue until 12:00 midnight (CST) on _____, 2025, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State

of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but

not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. **Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. **Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

Complete product specification sheets or brochures must be provided to Members, ESUs, or the Cooperative upon request.

19. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective

only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

27. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this

Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

30. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

31. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

2021-2024
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and DreamBox Learning, Inc ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on January 28, 2022 ("Effective Date") and shall continue until 12:00 midnight (CST) on December 31, 2024, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State

of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 30 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but

not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

Upon request, The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as requested in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as

defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. **Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. **Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: 27-2358787.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or

Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

24. Force Majeure. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative, provided however in the event of the sale or transfer of substantially all of its assets, or a sale, merger or change ofcontrol either party may assign any or all rights and obligations contained herein without consent.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

30. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and Renaissance Learning, Inc. ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on _February 1_____, 2022 ("Effective Date") and shall continue until 12:00 midnight (CST) on __July 1_____, 2024, unless terminated earlier as provided by this Agreement or by law.

5. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State

of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but

not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

9. Public Records. The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

10. **Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

11. **Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

12. **Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

13. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

14. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

15. **Taxpayer Identification.** Contractor's federal employer identification number is: 39-1559474.

16. **Sales Tax.** The Cooperative, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUs and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

20. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

21. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective

only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

23. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

27. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this

Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

30. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.
