BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

(a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.

(b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

restrictions upon, the President. The President-Elect shall perform such other duties as from time to time may be assigned by the President or by the Council.

(c) Past-President. In the absence of the President or the President-Elect or in the event of his or her death, inability, or refusal to act, the Past-President shall perform the duties of the President. When so acting the Past-President, shall have all the powers of, and be subject to all the restrictions upon, the President. The Past-President shall perform such other duties as from time to time may be assigned by the President or by the Council.

(d) Secretary. The Secretary shall prepare minutes of the meetings of the Council, serve as the custodian of the Council's records, keep a current roster of the physical and e-mail addresses of all Council members, and perform all duties incident to the office of Secretary, and perform such other duties as from time to time may be assigned by the President or by the Council.

(e) Treasurer. The Treasurer shall have charge and custody of and be responsible for, all funds and securities of the Council, receive receipts for all securities and monies due and payable to the Council from any source whatsoever and give such receipts to the Council, deposit all such monies in the name of the Council in such banks, trust companies, or in other depositories designated by the Council, and perform all the duties incident to the office of Treasurer and perform such other duties as from time to time may be assigned by the President or by the Council. If required by the Council, the Treasurer shall give a bond for the faithful discharge of his or her duties in such sum and with such surety or sureties as the Council shall determine.

(f) Executive Committee. The Executive Committee shall meet as needed to prepare for Council meetings, to formulate recommendations for the Council, and for such other reasons as deemed appropriate by the President or as directed by the Council.

Article IV. Administration.

Section 1. Reimbursement for Expenses. Council members and Council employees shall be entitled to reimbursement for actual expenses incurred in the performance of their duties as allowed by NEB. REV. STAT. § 79-1217 and other laws and applicable regulations as they may be amended from time to time. No request for reimbursement shall be submitted by an individual for an expense which has been paid by an educational service unit, other educational agency, or political subdivision. No charge for mileage shall be allowed when such mileage accrues while using an automobile owned by the State of Nebraska or one of its political subdivisions.

Section 2. Budget. The Council shall annually adopt a budget as required by the Nebraska Budget Act. Fiscal agents shall, pursuant to the agency agreement between the fiscal agent and the ESUCC, segregate funds contributed to a project from other funds maintained by the fiscal agent, either by maintaining a separate account of the Council designated for such a purpose or by maintaining a segregated fund within the budget of the educational service unit serving as fiscal agent. The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

Section 3. Agency Agreements and Fiscal Agents. The Council may enter into agency agreements with individual educational service units or other public or private entities. The purpose of such agreements will be for the Council to delegate to the agent entity the authority and responsibility to oversee particular statewide cooperative projects. The agency agreement shall specify whether the agent entity will also serve as the fiscal agent for the project.

Section 4. Powers. The Council shall have the power to:

(a) Purchase and/or lease supplies, materials and equipment and enter into a contract with any person, firm, corporation or other entity.

(b) Accept for any of its purposes and functions any and all donations, grants of money, equipment, supplies, materials and services, conditional or otherwise from any person or entity, and receive, utilize, and dispose of the same. The nature, amount, and conditions, if any, attendant upon any donation or grant accepted

pursuant to this section shall be detailed in the annual report of Council.

(c) Employ, compensate, evaluate and discharge staff limited only to those persons necessary to carry out its duties and functions;

(d) Establish committees as it deems necessary for the purpose of advising the Council on any and all matters pertaining the Council's duties or activities;

(e) Indemnify or reimburse any person in the same manner as an educational service unit board is authorized to do pursuant to NEB. REV. STAT. § 79-1217 as may be amended from time to time;

(f) Take any other action authorized, either explicitly or implicitly, by Nebraska law, including any action that may be necessary to perform its duties and functions as provided in these Bylaws.

Section 5. Annual Plan. The Council shall develop a written document outlining the programs, services and other projects which the Council will operate each year ("Annual Plan"). The Council will annually review the Annual Plan and may amend it as the Council deems necessary.

Section 6. Advisory Committees. The Council may solicit input from advisory committees comprised of teachers, administrators, board members, staff development staff, and other individuals. The role of these committees shall be advisory only, and no recommendation or proposal by any advisory committee shall be final until acted upon and adopted by the Council.

Article V. Other Matters.

Section 1. Fiscal Year. The fiscal year of the Council shall begin on ~~July 1~~ September 1 and end on ~~June 30~~. August 31. (Amended March 3, 2010)

Section 2. Liability Insurance. The Council shall obtain adequate insurance to cover itself, its members and its agents, employees, volunteers, or other persons in performing duties to the Council. Adequate shall mean an amount, if available, which will satisfy the maximum claims that could be made under Nebraska's Political Subdivision Tort Claims Act.

Section 3. Amendment. These Bylaws may be amended from time to time as deemed necessary by a majority of the Council. All such amendments must be in writing, appended to this document and signed by the Council Secretary.

Section 4. Intellectual Property. All rights to any intellectual property (copyright, trademark, patent, etc.) created in connection with any project reflected in the addenda to these Bylaws shall be owned by the Council.

These Bylaws were adopted by the Educational Service Unit Coordinating Council at a meeting lawfully held pursuant to the Nebraska Open Meetings Act this _____ day of July, 2008.

NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b) (i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site.

(ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by:

(A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site; or

(B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting.

(iii) In the case of a public body not described in subdivision (1) (b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(c) In addition to a method of notice required by subdivision (1)(b) (i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) (a) The following entities may hold a meeting by means of virtual conferencing if the requirements of subdivision (2)(b) of this section are met:

(i) A state agency, state board, state commission, state council, or state committee, or an advisory committee of any such state entity;

(ii) An organization, including the governing body, created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act;

(iii) The governing body of a public power district having a chartered territory of more than one county in this state;

(iv) The governing body of a public power and irrigation district having a chartered territory of more than one county in this state;

(v) An educational service unit;

(vi) The Educational Service Unit Coordinating Council;

(vii) An organization, including the governing body, of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act;

(viii) A community college board of governors;

(ix) The Nebraska Brand Committee;

(x) A local public health department;

(xi) A metropolitan utilities district;

(xii) A regional metropolitan transit authority;

(xiii) A natural resources district; and

(xiv) The Judicial Resources Commission.

(b) The requirements for holding a meeting by means of virtual conferencing are as follows:

(i) Reasonable advance publicized notice is given as provided in subsection (1) of this section, including providing access to a dial-in number or link to the virtual conference;

(ii) In addition to the public's right to participate by virtual conferencing, reasonable arrangements are made to accommodate the public's right to attend at a physical site and participate as provided in section 84-1412, including reasonable seating, in at least one designated site in a building open to the public and identified in the notice, with: At least one member of the entity holding such meeting, or his or her designee, present at each site; a recording of the hearing by audio or visual recording devices; and a reasonable opportunity for input, such as public comment or questions, is provided to at least the same extent as would be provided if virtual conferencing was not used;

(iii) At least one copy of all documents being considered at the meeting is available at any physical site open to the public where individuals may attend the virtual conference. The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act; and

(iv) Except as otherwise provided in this subdivision or subsection (4) of section 79-2204, no more than one-half of the meetings of the state entities, advisory committees, boards, councils, organizations, or governing bodies are held by virtual conferencing in a calendar year. In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, the organization may hold more than one-half of its meetings by virtual conferencing if such organization holds at least one meeting each calendar year that is not by virtual conferencing. The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by virtual conferencing if the governing body's quarterly meetings are not held by virtual conferencing.

(3) Virtual conferencing, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by virtual conferencing. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness to appear before the public body by means of virtual conferencing.

(7) (a) Notwithstanding subsections (2) and (5) of this section, if an emergency is declared by the Governor pursuant to the Emergency Management Act as defined in section 81-829.39, a public body the territorial jurisdiction of which is included in the emergency declaration, in whole or in part, may hold a meeting by virtual conferencing during such emergency if the public body gives reasonable advance publicized notice as described in subsection (1) of this section. The notice shall include information regarding access for the public and news media. In addition to any formal action taken pertaining to the emergency, the public body may hold such meeting for the purpose of briefing, discussion of public business, formation of tentative policy, or the taking of any action by the public body.

(b) The public body shall provide access by providing a dial-in number or a link to the virtual conference. The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act. Reasonable arrangements shall be made to accommodate the public's right to hear and speak at the meeting and record the meeting. Subsection (4) of this section shall be complied with in conducting such meetings.

(c) The nature of the emergency shall be stated in the minutes. Complete minutes of such meeting specifying the nature of the emergency and any formal action taken at the meeting shall be made available for inspection as provided in subsections (5) and (6) of section 84-1413.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, a camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings, including meetings held by virtual conferencing. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an instate location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and

(f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the instate location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

(7) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public web site the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the web site at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the web site at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public web site for at least six months.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

ESU Share Out Topics
Discussion on parochial/private/home schools and services provided and the contracts used.

Petitions and Communications to the Board

Learning Community Update
No report given.

State Board of Education and Nebraska Department of Education Report
Micki Charf was present to give NDE updates. She announced she will be replacing Don Loeske. NDE is looking at doing a technical amendment to Rule 10.

NDE Mental Health Team
Amber Hartsock was present to discuss Project AWARE. This grant is to increase awareness of mental health issues among school-aged children. The School Mental Health Project provides access to comprehensive mental health services for students, staff and communities. Mental Health conference will be June 1-2, 2022 at the Embassy Suites in LaVista.

Association of Education Service Agency's Report
Susan Leddick passed away on December 22. Doreen Marvin and Joan Wade will be doing our Bold Step review process with us in April. There will be a Federal Advocacy meeting on January 18-19, 2022.

Executive Reports
Executive Director Report
Seim Johnson has a draft audit ready but they are awaiting the letter from legal. Tyler Dahlgreen will be present at PDO to work on an article for NCSA. SRS continues to work on the 504 plan and are working to clean up the old data files.

ESUCC Redesign: Update
ESU Standards
Any team lead for an external review for this year, received an email that shared the Google Folder to house the documents/resources.

Joint Decision Making Parameters
No report given.

SIMPL Inventory & Value Add Combined
The committee met on December 13, to review the PDO work from September and upcoming work that will happen this week. Discussion on rates for each ESU, this should be your rates for each ESU.

Value Proposition
No report given.

Executive Committee Report
The President shared discussions in committee. He reviewed the information from Resolute Guard on their Continuous Improvement Plan. There will be a short survey coming out for everyone to see interest in hiring a grant writer. The Executive Committee is also working to finalize the MSA for 2022-23. Discussion regarding the committee structure and times of the committee meetings.

Approve Claims, Financials Statements, and Assets for Month of November
The Treasurer reviewed the claims, financial statements, and assets for the month of November and recommended for approval.

Approve Claims, Financials Statements, and Assets for Month of November Passed with a motion by Geraldine Erickson (ESU 17) and a second by Corey Dahl (ESU 08).

NEW ESU Chief Administrators

The new administrator at ESU 11 will be Mr. John Poppert. Discussion on open superintendent positions in NE. There was a share out on salary increases for 2022-23. Hanover Research was also discussed by the Board.

Leadership and Learning

Nothing to report

Adjournment

Meeting adjourned at 11:28 AM.

Headspace & EHA Wellness

- In a study with university students, **3 weeks of Headspace resulted in 23% more compassionate behavior.***
- In another study with students, **3 weeks of Headspace resulted in 57% less aggressive behavior.***
- In a study examining Headspace impact on mind-wandering and distraction, **4 weeks of Headspace resulted in 14% increase in focus**.*
- **Headspace decreases stress.** An internal study that was published in the top mindfulness journal found that only **10 days of Headspace reduced stress by 14%.***

Headspace & EHA Wellness

- **Headspace can make people kinder to others.** Separate studies conducted by Northeastern University found that 3 weeks of Headspace increased compassion by 23% and reduced aggression by 57%.
  - In addition, an internal study found 10 days of Headspace reduced irritability by 27%.
  - **And, Headspace can make people kinder to themselves.** A study with health professionals found that only 10 days of Headspace improved self-compassion. *
- **Headspace can make people happier overall.** A study with students found that just 10 days of Headspace increased positivity and well-being. *

Are there any studies that have looked at the impact of Headspace on health?

Yes! The Headspace science team is committed to studying the impact and efficacy of the app on various mental and physical health outcomes. Thus far, Headspace has been shown to reduce stress and symptoms of depression and anxiety among employed adults, and improve the quality of life for asthma and cancer patients, as well as caregivers. Currently underway are studies investigating the impact of Headspace on smoking cessation and outcomes in chronic disease populations.

More information about the published pilot studies using Headspace:

- In a study with university students, 3 weeks of Headspace resulted in 23% more compassionate behavior.*
- In another study with students, 3 weeks of Headspace resulted in 57% less aggressive behavior.*
- In a study examining Headspace impact on mind-wandering and distraction, 4 weeks of Headspace resulted in 14% increase in focus.*
- **Headspace decreases stress.** An internal study that was published in the top mindfulness journal found that only 10 days of Headspace reduced stress by 14%.*
- **Headspace can make people kinder to others.** Separate studies conducted by Northeastern University found that 3 weeks of Headspace increased compassion by 23% and reduced aggression by 57%. Educational Service Unit Coordinating Council:
La Vista, Nebraska

Report on the Financial Statements

We have audited the accompanying cash basis financial statements of the governmental activities and the major fund of Educational Service Unit Coordinating Council (ESUCC) as of and for the year then ended August 31, 2021 and the related notes to the financial statements, which collectively comprise ESUCC's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash-basis financial position of the governmental activities and the major fund of ESUCC as of August 31, 2021, and the respective changes in cash basis financial position for the year then ended in accordance with the cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise ESUCC's basic financial statements. Management's Discussion and Analysis, the Budgetary Comparison Schedule – Budget and Actual – General Fund and the Notes to the Budgetary Comparison Schedule on pages 3 through 7, 18 and 19 are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Management's Discussion and Analysis, Budgetary Comparison Schedule – Budget and Actual – General Fund, and Notes to the Budgetary Comparison Schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 11, 2022, on our consideration of ESUCC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ESUCC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ESUCC's internal control over financial reporting and compliance.

Seim Johnson, LLP

Omaha, Nebraska,
January 11, 2022.

Management of the Educational Service Unit Coordinating Council (ESUCC) provides the following discussion and analysis of the ESUCC's financial performance, as reflected in the financial report for the fiscal year ended August 31, 2021. Please read it in conjunction with the ESUCC's basic financial statements, which follow.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the ESUCC's financial statements. The provisions of Statement No. 34 (Statement 34) of the Governmental Accounting Standards Board (GASB), "Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments," established standards for external financial reporting for all State and local government entities. These standards require three components for the ESUCC's basic financial statements: 1) government-wide financial statements; 2) fund financial statements; and 3) notes to the financial statements. This report also contains other information (Budgetary Comparison Schedule, and Notes to the Budgetary Schedule) in addition to the basic financial statements. These components are described below:

Government-Wide Financial Statements

These statements are intended to provide a broad view of the ESUCC's operations in a manner similar to the private sector, providing both a short-term and a long-term view of the ESUCC's financial position. The ESUCC prepared its government-wide statements on the cash basis of accounting. Under the cash basis, receipts are recognized when collected rather than when earned, and disbursements are recognized when paid rather than when incurred. Accordingly, the ESUCC's government-wide financial statements are not intended to present the financial position and results of operations in conformity with generally accepted accounting principles (GAAP) accepted in the United States of America. The government-wide financial statements include two statements, the Statement of Net Position and the Statement of Activities.

The *Statement of Net Position* on page 8 presents all of the ESUCC's assets on the cash basis, as described above.

The *Statement of Activities* on page 9 presents information showing how the ESUCC's net position changed during the reported year. Changes reported are on the cash basis, as described above. The statement of activities demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include: (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Appropriations and other items not properly included among program receipts are reported, instead, as general receipts.

Fund Financial Statements

This is the second set of financial statements presented in the report. Under GAAP, these statements would be different from the government-wide statements in that these statements would use a different accounting approach and focus on the near-term inflows and outflows of ESUCC operations.

The ESUCC has only one fund, the General Fund. GAAP classifies funds into three categories – Governmental Funds, Proprietary Funds, and Fiduciary Funds. The General Fund of an entity is classified as a Governmental Fund, as it accounts for all basic services. The Fund Financial Statements, which can be found on pages 10 and 11, provide detailed information about the ESUCC's General Fund. A fund is a method of accounting that uses a set of accounts to maintain accountability and control over specific sources of funding and spending for a particular activity or objective. GAAP requires governmental funds to use the modified accrual basis of accounting.

The five projects that make up the General Fund in addition to ESUCC Administration are: ESU Professional Development Organization (ESUPDO); Nebraska ESU Cooperative Purchasing Unit (Coop); Distance Education; Instructional Materials (I-Mat); and Special Education.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in all of the basic financial statements. The notes can be found beginning on page 12.

Other Information

Following the basic financial statements and the accompanying notes thereto is additional information that further explains and supports the information in such financial statements. The other information consists of the Budgetary Comparison Schedule – Budget and Actual – General Fund and notes. This information can be found beginning on page 19.

FINANCIAL AND OPERATING HIGHLIGHTS

The ESUCC's Net Position for the fiscal year ended August 31, 2021, compared to the fiscal year ended August 31, 2020, increased by $3,074,296. This increase is primarily due to the fact that the ESUCC had a large decrease in current year disbursements compared to the prior year. The table on the following page provides a more detailed picture of the changes in net position.

FINANCIAL ANALYSIS OF ESUCC AS A WHOLE

Net Position

The ESUCC's assets totaled $4,496,706 at August 31, 2021, as compared to $1,422,413 at August 31, 2020. Due to the preparation of the financial statements on a cash basis for fiscal years ended August 31, 2021, and August 31, 2020, there were no liabilities as of August 31, 2021, and as of August 31, 2020.

Unrestricted net position is all other net position that does not meet the definition of "restricted" or "invested in capital assets, net of related debt." The ESUCC's unrestricted net position totaled $4,496,706 as of August 31, 2021.

Net Position
As of August 31,

	Cash Basis 2021	Cash Basis 2020
ASSETS:		
Cash and Cash Equivalents	$ 4,496,706	1,422,413
Total Assets	4,496,706	1,422,413
NET POSITION:		
Unrestricted	4,496,706	1,422,413
Total Net Position	$ 4,496,706	1,422,413

As of August 31, 2021, and as of August 31, 2020, the ESUCC's assets consisted of cash and cash equivalents. The ESUCC did not have any liabilities as of August 31, 2021, and as of August 31, 2020.

The ESUCC's net position was $4,496,706 and $1,422,413 as of August 31, 2021 and 2020, respectively. The ESUCC's net position may vary based on receipts and disbursements in Cooperative Purchasing as well as other ESUCC projects.

Changes in Net Position

The condensed financial information below was derived from the Government-Wide Statement of Activities and reflects how the ESUCC's net position changed during the year. Following the table is management's analysis of the changes in net position for the fiscal year ended August 31, 2021.

Changes in Net Position

	Fiscal Year Ended August 31, 2021 Cash Basis	Fiscal Year Ended August 31, 2020 Cash Basis
Receipts:		
Program Receipts		
Charges for Services	$ 1,881,689	1,872,937
Operating Grants and Contributions	12,717,214	398,998
General Receipts:		
State Appropriations	548,300	543,072
Interest and other receipts	4,612	10,463
Total Receipts	15,151,815	2,825,467
Disbursements:		
ESU Professional Development	10,241,775	503,783
Distance Education Council	332,643	271,036
Special Education	511,144	491,711
Instructional Materials	106,235	224,357
Nebraska ESU Cooperative	885,435	922,157
Total Disbursements	12,077,232	2,413,044
Change in Net Position	3,074,583	412,423
Net Position - Beginning	1,422,123	1,009,700
Net Position - Ending	$ 4,496,706	1,422,123

Receipts

The largest single source of receipts for the ESUCC is operating grants and contributions. Operating grants and contributions for the fiscal year ended August 31, 2021 were $12,717,214 and for the fiscal year ended August 31, 2020 were $398,995. This is primarily due to a contract with the State of Nebraska Department of Education for GEER funds to provide infrastructure (Internet access) and devices to those in need. In the final analysis, the infrastructure and devices ensured learning could occur during the coronavirus pandemic as well as into the future.

The second largest source of receipts for the ESUCC is charges for services. Charges for services are primarily receipts generated by the Nebraska ESU Cooperative Purchasing Unit for services provided to ESUs and school districts and program receipts for the various projects. Charges for services or the fiscal year ended August 31, 2021 were $1,881,689 and for the fiscal year ended August 31, 2020 were $1,872,937.

Disbursements

The largest purpose of disbursements for the ESUCC was for goods and services disbursed by the ESU Professional Development Organization (ESUPDO), which provides training for ESU employees statewide. Disbursements for these services for the fiscal year ended August 31, 2021 were $10,241,775, and for the fiscal year ended August 31, 2020 were $503,783. This increase is primarily due to the purchase of infrastructure (Internet access) and devices for school districts by the utilization of GEER funds.

The second largest purpose of disbursements for the ESUCC was for the Nebraska ESU Cooperative Purchasing, which were then provided to ESUs and school districts. Disbursements for these services for the fiscal year ended August 31, 2021 were $885,435, and for the fiscal year ended August 31, 2020 were $922,157. These disbursements can and do fluctuate based on purchases made by school districts and ESUs.

The remaining disbursements for the ESUCC relate primarily to the various other programs managed by the ESUCC. Disbursements for various programs for the fiscal year ended August 31, 2021 were $950,022, and for the fiscal year ended August 31, 2020 were $987,104. The decrease in these programs was caused primarily by a decrease in Instructional Materials (I-Mat) program purchases.

ANALYSIS OF ESUCC'S GENERAL FUND VARIATIONS

The table below provides a comparison of budgeted receipts and disbursements to actual receipts and disbursements.

	Budget	Actual	Positive (Negative) Variance
Beginning Balance	$ 1,422,123	1,422,123	--
Total Receipts	22,481,952	15,151,815	(7,330,137)
Total Disbursements	22,481,952	12,077,232	10,404,720
Net Increase	--	3,074,583	3,074,583
Ending Balance	$ 1,422,123	4,496,706	3,074,583

The largest variance between budgeted and actual receipts was State Grants, which were budgeted to be $17,675,000 but actually amounted to $12,717,214. The majority of this variance resulted from ESUCC only receiving $12,717,414 of the $16,700,000 GEER funding during the year. ESUCC has until September 30, 2022 to utilize the GEER funding.

The largest variances between budgeted and actual disbursements were due to GEER program purchases, which had budgeted $16,400,000 but only incurred actual costs of $9,720,809.

FACTORS THAT WILL AFFECT THE FUTURE

There are always some factors that impact the ESUCC and the services the organization delivers. At this writing, the pandemic continues to create uncertainty, and such uncertainty is exacerbated by rising inflation.

The ESUCC relies on robust sales to help fund its overall operations. To increase sales, a large number of bidders of products and services is required to facilitate low prices. Supply chain issues coupled with the aforementioned inflation have had an impact the number of businesses that have placed bids for products and services that benefit Nebraska schools and ESUs. It is nearly impossible to prognosticate the impact these ongoing issues will have.

Finally, the ESUs look forward to expanding their statewide projects and outreach that includes our dedication to high quality instructional materials (and supports) as well as distant education opportunities.

CONTACTING ESUCC'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens and taxpayers a general overview of the ESUCC's finances and to demonstrate the ESUCC's accountability for the money with which it is entrusted. If you have questions about this report or need additional financial information, contact Kraig Lofquist, Educational Service Unit Coordinating Council Executive Director, 6949 South 110th Street, LaVista, Nebraska, 68128. The telephone number is (402) 597-4915, and the email address is klofquist@esucc.org.

(1) Description of Organization and Summary of Significant Accounting Policies

The following describes the organization and the summary of the significant accounting policies of Educational Service Unit Coordinating Council (ESUCC).

A. Organization

ESUCC was created to coordinate statewide activities of Nebraska's 17 Educational Service Units (ESUs). The governing body for ESUCC consists of an Administrator representative from each of the 17 ESUs and an Executive Director. ESUCC was created by Legislator Bill (LB) 603 (2007) and officially came into existence, according to statute, on July 1, 2008. Neb. Rev. Stat. § 79-1246(1) (Reissue 2014) outlines ESUCC's general responsibilities and duties as follows:

ESUCC shall work toward statewide coordination to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit. ESUCC's duties include, but are not limited to:

- Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state.
- Administration of statewide initiatives and provision of statewide services; and
- Coordination of distance education.

Prior to the creation of ESUCC by the Nebraska Legislature, the 17 ESUs worked in partnership to provide statewide activities. Based on the above statutory authority, ESUCC decided that all statewide activities offered in partnership by the ESUs would be placed under the umbrella of ESUCC. ESUCC contracts with Educational Service Unit No. 17 (ESU 17) to provide all staff for ESUCC. This is accomplished annually by ESU 17 developing employment contracts with all ESUCC project employees, including the Executive Director of ESUCC. Thus, all ESUCC project employees and ESUCC Executive Director are ESU 17 employees. Through an interlocal agreement, ESUCC reimburses ESU 17 for all salaries and benefits for these employees.

The following is a brief description of each statewide project budgeted for and administered by ESUCC:

- ESU Professional Development Organization (ESUPDO): The ESUPDO serves as a collaborative effort to provide training for ESU employees statewide. Professional development is among the core services identified by State statute for ESUs.
- Distance Education: Distance Education originated with the Distance Education Council, which was formed by legislation in 2006 and has since evolved into a program under ESUCC. Neb. Rev. Stat. § 79-1248 (Reissue 2014) includes, among the powers and duties of ESUCC, various responsibilities pertaining to the operation of the State's distance education network.
- Nebraska ESU Cooperative Purchasing (Coop): Coop provides cooperating purchasing services to Educational Service Unit Member schools throughout the State of Nebraska.
- Instructional Materials (I-Mat): I-Mat is a statewide project that purchases rights to media materials and makes them available through local ESUs in a variety of formats.
- Special Education (SPED) Projects: The purpose of the SPED Projects is for participating parties to pool their resources in connection with the special education services and for the training of special education teachers and other staff members employed by educational institutions within the State of Nebraska.

- BlendEd Initiative (Technology Direction): In May 2013, the position of Technology Director was formed to coordinate this work across ESUCC project areas. Projects involved in this effort are the Distance Education and I-Mat, including Learning Object Repository. Blended education calls for making strategic choices about when face-to-face (synchronous) instruction is needed and when and how online (asynchronous) instruction can be best used to provide elements of student control over time, place, path, and pace and provide more equity, efficiency, and flexibility.

B. Reporting Entity

ESUCC is a governmental entity established under and governed by the laws of the State of Nebraska. In evaluating how to define ESUCC for financial reporting purposes, all potential component units have been considered. The basic – but not the only – criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, and the ability to influence significant operations and accountability for fiscal matters.

Based upon the above criteria, the accompanying financial statements include all funds for which ESUCC has oversight responsibility. ESUCC does not have any component units and has only one fund – the General Fund. ESUCC is not considered a component unit of any other governmental entity.

C. Basis of Accounting

ESUCC prepares its financial statements on the cash basis of accounting. Under the cash basis of accounting, receipts are recognized when collected rather than when earned, and disbursements are recognized when paid rather than when incurred. Accordingly, the financial statements are not intended to present the financial position and changes in financial position in accordance with accounting principles generally accepted in the United States of America.

D. Basis of Presentation

ESUCC's basic financial statements include both government-wide (reporting ESUCC as a whole) and fund financial statements (reporting ESUCC's major funds).

Government-Wide Financial Statements

The government-wide financial statements categorize activities as governmental or business-type and exclude any fiduciary activities. Governmental activities, which normally are supported by tax and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services. ESUCC does not report any business-type or fiduciary activities.

The statement of net position – cash basis presents ESUCC's nonfiduciary assets and liabilities, with the difference reported as net position. Net position is reported in the following categories:

Restricted – Net position is reported as restricted when constraints placed on net position use are either externally imposed by creditors, grantors, contributors, or laws and regulations of other governments or are imposed by law through constitutional provisions or enabling legislation.

Unrestricted – Net position reported as unrestricted does not meet the definition of restricted net position.

ESUCC first applies restricted resources when an expense incurred for purposes for which both restricted and unrestricted resources are available.

The statement of activities – cash basis demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included as program revenue are reported instead as general receipts.

Fund Financial Statements

The accounts of ESUCC are organized on the basis of funds. ESUCC's fund financial statements consists of one fund, the General Fund, described below.

General Fund - The General Fund represents the operating fund of ESUCC. It is used to account for all financial resources.

E. Cash and Cash Equivalents

ESUCC's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. A portion of ESUCC's cash balances are pooled and invested in the Nebraska Federal Investment Trust (NFIT). NFIT deposits and investments include certificates of deposit, demand deposit accounts, repurchase agreements, and government agency securities. These investments are valued at amortized cost, which approximates fair value due to the short-term nature of the investments.

F. Fund Balance

Fund balance of ESUCC is classified in the governmental fund financial statements as follows:

Nonspendable fund balance consists of amounts that cannot be spent because they are either (a) not in a spendable form or (b) legally or contractually required to be kept intact.

Restricted fund balance consists of amounts that are restricted for specific purposes. These restrictions are either imposed by 1) externally imposed by creditors, grantors contributors, or laws or regulations of other governments or 2) imposed through constitutional provisions or enabling legislation.

Committed fund balance consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal actions of the Coordinating Council, ESUCC's highest level of decision making authority. These amounts cannot be used for any other purpose unless the Coordinating Council removes or changes the specific use by taking the same type of action it used to commit those amounts.

Assigned fund balance consists of amounts that are constrained by ESUCC intended to be used for specific purposes, but are neither restricted nor committed.

Unassigned fund balance is the residual classification for the general fund. The general fund is the only fund to report a positive unassigned fund balance.

Fund balance of ESUCC is classified in the governmental fund financial statements as unassigned fund balance, the residual classification of fund balance for the general fund, as ESUCC has no fund balance that is restricted, committed or assigned for a specific purpose.

G. Budget Process

Prior to September 20, the Council Members of ESUCC prepare and legally adopt an operating budget prepared on the cash receipts and disbursements basis for the fiscal year commencing September 1. Once approved by the Council Members, total expenditures cannot legally exceed total appropriations at the fund level without holding a public budget hearing and obtaining approval from the Council.

H. Capital Assets

Capital assets are recognized as disbursements at the time of purchase by ESUCC and are not capitalized in the government-wide or fund financial statements.

I. Use of Estimates

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

J. Risk Management

ESUCC is exposed to various risks of loss related to torts; theft; damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. ESUCC carries commercial insurance for risks of loss including workers' compensation. ESUCC assumes liability for any deductibles and claims in excess of coverage limitations. Significant coverage includes:

		Maximum Coverage
General Liability	$	2,000,000
Umbrella Liability Coverage		1,000,000
Automobile Liability		1,000,000
Worker's Compensation Insurance		500,000
Transportation Coverage		300,000
Electronic Data Processing Equipment		200,000

No insurance claims resulting from these risks were filed during the fiscal year by ESUCC. Settled claims resulting from these risks have not exceeded the above coverage in the past three years.

K. Subsequent Events

ESUCC has considered events occurring through January 11, 2022 for recognition or disclosure in the financial statements as subsequent events. That date is the date the financial statements were available to be issued.

(2) Deposits and Pooled Investments

Nebraska Revised Statute §79-1043 provides that ESUCC may, by and with the consent of the Council, invest the funds of ESUCC in securities, including repurchase agreements, the nature of which individuals of prudence, discretion and intelligence acquire or retain in dealing with the property of another.

ESUCC's bank accounts and pooled investments are held by ESUCC's agents in ESUCC's name in accordance with State statutes. The accounts and pooled investments are fully insured or collateralized through joint custody security arrangements or, in the case of U.S. government instruments, are registered in ESUCC's name.

(3) Contracted Employees

ESUCC contracts with ESU 17 through an interlocal agreement to provide staffing for ESUCC. Thus, all of ESUCC project employees and ESUCC Executive Director are ESU 17 employees. Through the interlocal agreement, ESUCC agrees to reimburse ESU 17 for all salaries and benefits for these employees. To better reflect the nature of these disbursements, salaries and benefits in the amount of $1,402,656 is classified as purchased services for contracted employees on the Statement of Receipts, Disbursements, and Changes in Fund Balance – Cash Basis.

(4) Nebraska School Employees Retirement System

Benefits provided by ESUCC under the interlocal agreement with ESU 17 includes retirement benefits, as ESU 17 employees are eligible to be members of the Nebraska School Employees Retirement System. Thus, ESU 17 contributes to the NPERS on behalf of ESUCC from retirement contributions collected from ESUCC.

Plan Description

The Nebraska School Employees Retirement System is a cost – sharing multiple – employer defined benefit pension plan administered by the Nebraska Public Employees Retirement System (NPERS). NPERS provides retirement and disability benefits to plan members and beneficiaries. The School Employees Retirement Act establishes benefit provisions.

In 1945, the Nebraska Legislature enacted the law establishing a retirement plan for school employees of the State. During the NPERS fiscal year ended June 30, 2020, there were 265 participating school districts. These were the districts that had contributions during the fiscal year. All regular public school and educational service unit employees in Nebraska, other than those who have their own retirement plans (Class V school districts, Nebraska State Colleges, University of Nebraska, Community Colleges), are members of the plan.

Normal retirement is at age 65. For an employee who became a member before July 1, 2013, the monthly benefit is equal to the greater of: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to $3.50 per year of service; or 2) the monthly average of the three 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2.0%, and an actuarial factor based on age.

For an employee who became a member on or after July 1, 2013, the monthly benefit is equal to the greater of the following: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to $3.50 per year of service; or 2) the average of the five 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2%, and an actuarial factor based on age.

Benefit calculations vary with early retirement. Employees' benefits are vested after five years of plan participation or when termination occurs at age 65 or later.

For school district and educational service unit employees who became members prior to July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost of living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 2.5%. The current benefit paid to a retired member or beneficiary is adjusted so that the purchasing power of the benefit being paid is not less than 75% of the purchasing power of the initial benefit.

For school district and educational service unit employees who became members on or after July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost-of-living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 1%. There is no purchasing power floor for employees who fall under this tier.

Contributions

The State's contribution is based on an annual actuarial valuation. In addition, the State contributes an amount equal to 2% of the compensation of all members. This contribution is considered a nonemployer contribution since school district and educational service unit employees are not employees of the State. The employee contribution was equal to 9.78% from July 1, 2019, to June 30, 2020. The employer contribution is 101% of the employee contribution. For the fiscal year ended August 31, 2021, ESUCC's contributions to the Plan amounted to $117,322.

(5) Unemployment Compensation Insurance

ESUCC has adopted the reimbursable option of the State of Nebraska's Unemployment Compensation Insurance Program. Under this option, a claimant would receive unemployment compensation from the State. ESUCC is liable to reimburse the State the actual amount of the claim(s).

(6) Lease Commitments

ESUCC leases office facilities under operating leases. Rental expenditures relating to these leases for the year ended August 31, 2021 amounted to $15,697. The future minimum annual lease payments amount to $14,926 for the year ended August 31, 2022.

(7) Accounts Receivable

At August 31, 2021, ESUCC had $122,140 in accounts receivable for services performed under various agreements. In accordance with the cash basis of accounting, these receivables are not recognized in the financial statements. They are recognized as receipts when funds are received.

(8) Related Parties

The governing body for ESUCC consists of the Administrator from each of the 17 ESUs across the State of Nebraska. ESUCC coordinates statewide activities and provides services for the 17 ESUs through service agreements. In turn, ESUCC collects fees from each of the ESUs for services provided.

(9) CARES Act Funding

On March 10, 2020, the World Health Organization declared the coronavirus outbreak to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law that provides $30 billion for an Education Stabilization Fund (ESF) to award relief funds to schools and institutes of higher education in response to the coronavirus. The ESF allocated approximately $151 million to the state of Nebraska. The ESF is to be used to enhance technology infrastructure, build supports for planning for possible interruptions upon returning to school, ensure student nutritional needs are met, provide professional learning to support an inclusive remote learning environment and engagement, and create or expand mental, behavioral, and social emotional supports. ESUCC was awarded $16,700,000 of Governor's Emergency Education Relief (GEER) funds under the ESF for the purpose of providing infrastructure and devices to close the digital gap and ensure continuity of learning. ESUCC received $12,717,214 of the funds during the year ended August 31, 2021. ESUCC has the ability to commit, or obligate, the remaining GEER funds through September 30, 2022.

See accompanying independent auditor's report

Notes to the Budgetary Comparison Schedule
For the Year Ended August 31, 2021

Basis of Budgeting – ESUCC prepares its budget on the cash basis, which is consistent with the financial statement presentation.

Budget Process and Property Taxes – ESUCC follows these procedures in establishing the budgetary data reflected in the accompanying schedule:

- Public hearings are conducted at public meetings to obtain taxpayer comments.
- Prior to September 20, the budget is legally adopted by the Council through passage of a resolution. Total disbursements may not legally exceed total appropriations. Appropriations lapse at year end, and any revisions thereto require Council approval.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Educational Service Unit Coordinating Council
LaVista, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the cash basis financial statements of the governmental activities and major fund of the Educational Service Unit Coordinating Council (ESUCC), as of and for the year ended August 31, 2021, and the related notes to the financial statements, which collectively comprise ESUCC's basic financial statements, and have issued our report thereon dated January 11, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered ESUCC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ESUCC's internal control. Accordingly, we do not express an opinion on the effectiveness of ESUCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ESUCC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SOLUTIONS WITH VISION

To the Council Members
Educational Service Unit Coordinating Council:
La Vista, Nebraska

Dear Council Members:

We are pleased to present this report related to our audit of the financial statements of Educational Service Unit Coordinating Council (ESUCC) as of and for the year ended August 31, 2021. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for ESUCC's financial reporting process.

This report is intended solely for the information and use of the Coordinating Council and management, and is not intended to be, and should not be, used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have regarding this report. We appreciate the opportunity to continue to be of service to ESUCC.

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States have been described to you in our arrangement letter dated August 31, 2021. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated August 31, 2021, regarding the planned scope and timing of our audit and have discussed with you our identification of, and planned audit response to, significant risks of material misstatement.

The following individuals were assigned to your audit and spend most of their professional time serving governmental and not-for-profit industry clients:

	Years of Service
Darren R. Osten	26
Weston S. Shepard	3
Meredith M. Reehl	2
Maricruz Mora	1

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. Management has selected to report under the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The use of the cash basis of accounting is permissible by the State of Nebraska Department of Education for educational service units. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Changes in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by ESUCC. ESUCC did not adopt any significant new accounting policies during the current period, nor have there been any changes in existing significant accounting policies during the current period.

Significant or Unusual Transactions

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Audit Adjustments and Uncorrected Misstatements

Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by ESUCC are included in the Summary of Recorded Audit Adjustments.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Departure From the Auditor's Standard Report

Our report includes an other matter paragraph to identify supplementary information presented to supplement the financial statements for purposes of additional analysis. Our opinion is not modified with respect to these matters.

Observations About the Audit Process

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Letter Communicating Internal Control Related Matters and Constructive Suggestions

Please refer to the internal control related matters and constructive suggestions letter attached as Exhibit A.

Significant Written Communications Between Management and Our Firm

In connection with our audit, we received representation letters from management confirming it has the primary responsibility for the fair presentation in the financial statements in conformity with accounting principles generally accepted in the United States of America. The representation letters reduce to writing the more significant oral representations made by management during the course of the audit. A copy of these representation letters can be provided upon request.

Quality Review

A copy of our most recent quality review is attached to this correspondence.

REPORT ON THE FIRM'S SYSTEM OF QUALITY CONTROL

December 18, 2020

To the Partners of
Seim Johnson, LLP
and the Peer Review Committee of the Nevada Society
of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Seim Johnson, LLP(the firm) in effect for the year ended June 30, 2020. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act; and audits of employee benefit plans.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Seim Johnson, LLP in effect for the year ended June 30, 2020, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Seim Johnson, LLP has received a peer review rating of *pass*.

Internal Control Related Matters and Constructive Suggestions

January 11, 2022

To the Council Members
Educational Service Unit Coordinating Council
La Vista, Nebraska

In planning and performing our audit of the financial statements of Educational Service Unit Coordinating Council (ESUCC) as of and for the year ended August 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered ESUCC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ESUCC's internal control. Accordingly, we do not express an opinion on the effectiveness of ESUCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following are descriptions of identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

Financial Statement Preparation

Many organizations rely on the auditor to assist with the preparation of the footnotes to the annual financial statements. Auditing standards emphasize that the auditor cannot be part of the system of internal control over financial reporting.

Preparation of ESUCC's basic financial statements and notes to the financial statements thereto requires a high degree of technical expertise and substantial experience in preparing such statements and notes. We understand ESUCC has made a conscious decision, based on cost benefit considerations, to not prepare the financial statements and related notes. We believe that this is not an uncommon situation for an organization such as yours. As a result, this could cause the ESUCC's basic financial statements to be misstated and not be detected by the ESUCC's personnel. We recommend management mitigate this situation by having a heightened awareness of the transactions being reported.

Segregation of Duties Over Financial Reporting

One important aspect of internal control over financial reporting is segregation of duties among employees to prevent an individual employee the ability to circumvent the system of internal control. In reviewing the financial reporting preparation process and controls, due to a limited number of administrative personnel, a lack of segregation of duties exists. In order to have proper segregation of duties, ideally, the following four items should be performed by separate individuals:

- *Authorization:* the process of reviewing and approving transactions.
- *Custody:* having access to or control over any physical asset (cash, checks, equipment, supplies, or materials) and intangible assets such as computer systems and data.

- *Recordkeeping:* the process of creating and maintaining departmental records (e.g. revenues, expenditures, etc.). These may be manual records or records maintained in automated computer systems.
- *Reconciliation:* verifying the processing or recording of transactions to ensure that all transactions are value, properly authorized, and properly recorded on a timely basis. This includes following-up on any differences or discrepancies identified.

Proper segregation of duties ensures an adequate internal control structure and, without this segregation, a greater risk of fraud and defalcation may exist. While we realize that it is not always economically feasible to employ additional personnel for the purpose of greater segregation of duties, we recommend ESUCC continue to review internal control policies and procedures and job assignments to ensure an adequate internal control structure.

The following are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving ESUCC's policies and procedures:

Governor's Emergency Education Relief Fund

ESUCC has received funding from the Governor's Emergency Education Relief (GEER) Fund through the Education Stabilization Fund (ESF) created by the CARES Act that was signed into law. The ESF was initially allocated $30 billion by the CARES Act, of which the state of Nebraska was allocated $151 million. The GEER funding was allocated to ESUCC for the purpose of providing infrastructure and devices to schools to close the digital gap and ensure continuity of learning. The GEER funding is available to be used for allowable expenditures through September 30, 2022. Total GEER funding allocated to ESUCC totaled $16.7 million. We recommend management monitor the timing of the obligation of the different GEER funds to ensure used within the period of availability and adhere to the allowable activities for use of GEER funds permitted by the State of Nebraska Department of Education.

This communication is intended solely for the information and use of the Coordinating Council, management within the organization, and the Nebraska Department of Education, and is not intended to be, and should not be, used by anyone other than these specified parties. We would be pleased to answer any questions you may have regarding the comments and suggestions contained in the preceding paragraphs.

Sincerely,

SEIM JOHNSON, LLP

Independent Auditor's Report

To the Governing Board
Educational Service Unit Coordinating Council:
La Vista, Nebraska

Report on the Financial Statements

We have audited the accompanying cash basis financial statements of the governmental activities and the major fund of Educational Service Unit Coordinating Council (ESUCC) as of and for the year then ended August 31, 2021 and the related notes to the financial statements, which collectively comprise ESUCC's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash-basis financial position of the governmental activities and the major fund of ESUCC as of August 31, 2021, and the respective changes in cash basis financial position for the year then ended in accordance with the cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise ESUCC's basic financial statements. Management's Discussion and Analysis, the Budgetary Comparison Schedule – Budget and Actual – General Fund and the Notes to the Budgetary Comparison Schedule on pages 3 through 7, 18 and 19 are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Management's Discussion and Analysis, Budgetary Comparison Schedule – Budget and Actual – General Fund, and Notes to the Budgetary Comparison Schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 11, 2022, on our consideration of ESUCC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ESUCC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ESUCC's internal control over financial reporting and compliance.

Seim Johnson, LLP

Omaha, Nebraska,
January 11, 2022.

Management of the Educational Service Unit Coordinating Council (ESUCC) provides the following discussion and analysis of the ESUCC's financial performance, as reflected in the financial report for the fiscal year ended August 31, 2021. Please read it in conjunction with the ESUCC's basic financial statements, which follow.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the ESUCC's financial statements. The provisions of Statement No. 34 (Statement 34) of the Governmental Accounting Standards Board (GASB), "Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments," established standards for external financial reporting for all State and local government entities. These standards require three components for the ESUCC's basic financial statements: 1) government-wide financial statements; 2) fund financial statements; and 3) notes to the financial statements. This report also contains other information (Budgetary Comparison Schedule, and Notes to the Budgetary Schedule) in addition to the basic financial statements. These components are described below:

Government-Wide Financial Statements

These statements are intended to provide a broad view of the ESUCC's operations in a manner similar to the private sector, providing both a short-term and a long-term view of the ESUCC's financial position. The ESUCC prepared its government-wide statements on the cash basis of accounting. Under the cash basis, receipts are recognized when collected rather than when earned, and disbursements are recognized when paid rather than when incurred. Accordingly, the ESUCC's government-wide financial statements are not intended to present the financial position and results of operations in conformity with generally accepted accounting principles (GAAP) accepted in the United States of America. The government-wide financial statements include two statements, the Statement of Net Position and the Statement of Activities.

The *Statement of Net Position* on page 8 presents all of the ESUCC's assets on the cash basis, as described above.

The *Statement of Activities* on page 9 presents information showing how the ESUCC's net position changed during the reported year. Changes reported are on the cash basis, as described above. The statement of activities demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include: (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Appropriations and other items not properly included among program receipts are reported, instead, as general receipts.

Fund Financial Statements

This is the second set of financial statements presented in the report. Under GAAP, these statements would be different from the government-wide statements in that these statements would use a different accounting approach and focus on the near-term inflows and outflows of ESUCC operations.

The ESUCC has only one fund, the General Fund. GAAP classifies funds into three categories – Governmental Funds, Proprietary Funds, and Fiduciary Funds. The General Fund of an entity is classified as a Governmental Fund, as it accounts for all basic services. The Fund Financial Statements, which can be found on pages 10 and 11, provide detailed information about the ESUCC's General Fund. A fund is a method of accounting that uses a set of accounts to maintain accountability and control over specific sources of funding and spending for a particular activity or objective. GAAP requires governmental funds to use the modified accrual basis of accounting.

The five projects that make up the General Fund in addition to ESUCC Administration are: ESU Professional Development Organization (ESUPDO); Nebraska ESU Cooperative Purchasing Unit (Coop); Distance Education; Instructional Materials (I-Mat); and Special Education.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in all of the basic financial statements. The notes can be found beginning on page 12.

Other Information

Following the basic financial statements and the accompanying notes thereto is additional information that further explains and supports the information in such financial statements. The other information consists of the Budgetary Comparison Schedule – Budget and Actual – General Fund and notes. This information can be found beginning on page 19.

FINANCIAL AND OPERATING HIGHLIGHTS

The ESUCC's Net Position for the fiscal year ended August 31, 2021, compared to the fiscal year ended August 31, 2020, increased by $3,074,296. This increase is primarily due to the fact that the ESUCC had a large decrease in current year disbursements compared to the prior year. The table on the following page provides a more detailed picture of the changes in net position.

FINANCIAL ANALYSIS OF ESUCC AS A WHOLE

Net Position

The ESUCC's assets totaled $4,496,706 at August 31, 2021, as compared to $1,422,413 at August 31, 2020. Due to the preparation of the financial statements on a cash basis for fiscal years ended August 31, 2021, and August 31, 2020, there were no liabilities as of August 31, 2021, and as of August 31, 2020.

Unrestricted net position is all other net position that does not meet the definition of "restricted" or "invested in capital assets, net of related debt." The ESUCC's unrestricted net position totaled $4,496,706 as of August 31, 2021.

Net Position
As of August 31,

	Cash Basis 2021	Cash Basis 2020
ASSETS:		
Cash and Cash Equivalents	$ 4,496,706	1,422,413
Total Assets	4,496,706	1,422,413
NET POSITION:		
Unrestricted	4,496,706	1,422,413
Total Net Position	$ 4,496,706	1,422,413

As of August 31, 2021, and as of August 31, 2020, the ESUCC's assets consisted of cash and cash equivalents. The ESUCC did not have any liabilities as of August 31, 2021, and as of August 31, 2020.

The ESUCC's net position was $4,496,706 and $1,422,413 as of August 31, 2021 and 2020, respectively. The ESUCC's net position may vary based on receipts and disbursements in Cooperative Purchasing as well as other ESUCC projects.

Changes in Net Position

The condensed financial information below was derived from the Government-Wide Statement of Activities and reflects how the ESUCC's net position changed during the year. Following the table is management's analysis of the changes in net position for the fiscal year ended August 31, 2021.

Changes in Net Position

	Fiscal Year Ended August 31, 2021 Cash Basis	Fiscal Year Ended August 31, 2020 Cash Basis
Receipts:		
Program Receipts		
Charges for Services	$ 1,881,689	1,872,937
Operating Grants and Contributions	12,717,214	398,998
General Receipts:		
State Appropriations	548,300	543,072
Interest and other receipts	4,612	10,463
Total Receipts	15,151,815	2,825,467
Disbursements:		
ESU Professional Development	10,241,775	503,783
Distance Education Council	332,643	271,036
Special Education	511,144	491,711
Instructional Materials	106,235	224,357
Nebraska ESU Cooperative	885,435	922,157
Total Disbursements	12,077,232	2,413,044
Change in Net Position	3,074,583	412,423
Net Position - Beginning	1,422,123	1,009,700
Net Position - Ending	$ 4,496,706	1,422,123

Receipts

The largest single source of receipts for the ESUCC is operating grants and contributions. Operating grants and contributions for the fiscal year ended August 31, 2021 were $12,717,214 and for the fiscal year ended August 31, 2020 were $398,995. This is primarily due to a contract with the State of Nebraska Department of Education for GEER funds to provide infrastructure (Internet access) and devices to those in need. In the final analysis, the infrastructure and devices ensured learning could occur during the coronavirus pandemic as well as into the future.

The second largest source of receipts for the ESUCC is charges for services. Charges for services are primarily receipts generated by the Nebraska ESU Cooperative Purchasing Unit for services provided to ESUs and school districts and program receipts for the various projects. Charges for services or the fiscal year ended August 31, 2021 were $1,881,689 and for the fiscal year ended August 31, 2020 were $1,872,937.

Disbursements

The largest purpose of disbursements for the ESUCC was for goods and services disbursed by the ESU Professional Development Organization (ESUPDO), which provides training for ESU employees statewide. Disbursements for these services for the fiscal year ended August 31, 2021 were $10,241,775, and for the fiscal year ended August 31, 2020 were $503,783. This increase is primarily due to the purchase of infrastructure (Internet access) and devices for school districts by the utilization of GEER funds.

The second largest purpose of disbursements for the ESUCC was for the Nebraska ESU Cooperative Purchasing, which were then provided to ESUs and school districts. Disbursements for these services for the fiscal year ended August 31, 2021 were $885,435, and for the fiscal year ended August 31, 2020 were $922,157. These disbursements can and do fluctuate based on purchases made by school districts and ESUs.

The remaining disbursements for the ESUCC relate primarily to the various other programs managed by the ESUCC. Disbursements for various programs for the fiscal year ended August 31, 2021 were $950,022, and for the fiscal year ended August 31, 2020 were $987,104. The decrease in these programs was caused primarily by a decrease in Instructional Materials (I-Mat) program purchases.

ANALYSIS OF ESUCC'S GENERAL FUND VARIATIONS

The table below provides a comparison of budgeted receipts and disbursements to actual receipts and disbursements.

	Budget	Actual	Positive (Negative) Variance
Beginning Balance	$ 1,422,123	1,422,123	--
Total Receipts	22,481,952	15,151,815	(7,330,137)
Total Disbursements	22,481,952	12,077,232	10,404,720
Net Increase	--	3,074,583	3,074,583
Ending Balance	$ 1,422,123	4,496,706	3,074,583

The largest variance between budgeted and actual receipts was State Grants, which were budgeted to be $17,675,000 but actually amounted to $12,717,214. The majority of this variance resulted from ESUCC only receiving $12,717,414 of the $16,700,000 GEER funding during the year. ESUCC has until September 30, 2022 to utilize the GEER funding.

The largest variances between budgeted and actual disbursements were due to GEER program purchases, which had budgeted $16,400,000 but only incurred actual costs of $9,720,809.

FACTORS THAT WILL AFFECT THE FUTURE

There are always some factors that impact the ESUCC and the services the organization delivers. At this writing, the pandemic continues to create uncertainty, and such uncertainty is exacerbated by rising inflation.

The ESUCC relies on robust sales to help fund its overall operations. To increase sales, a large number of bidders of products and services is required to facilitate low prices. Supply chain issues coupled with the aforementioned inflation have had an impact the number of businesses that have placed bids for products and services that benefit Nebraska schools and ESUs. It is nearly impossible to prognosticate the impact these ongoing issues will have.

Finally, the ESUs look forward to expanding their statewide projects and outreach that includes our dedication to high quality instructional materials (and supports) as well as distant education opportunities.

CONTACTING ESUCC'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens and taxpayers a general overview of the ESUCC's finances and to demonstrate the ESUCC's accountability for the money with which it is entrusted. If you have questions about this report or need additional financial information, contact Kraig Lofquist, Educational Service Unit Coordinating Council Executive Director, 6949 South 110th Street, LaVista, Nebraska, 68128. The telephone number is (402) 597-4915, and the email address is klofquist@esucc.org.

(1) Description of Organization and Summary of Significant Accounting Policies

The following describes the organization and the summary of the significant accounting policies of Educational Service Unit Coordinating Council (ESUCC).

A. Organization

ESUCC was created to coordinate statewide activities of Nebraska's 17 Educational Service Units (ESUs). The governing body for ESUCC consists of an Administrator representative from each of the 17 ESUs and an Executive Director. ESUCC was created by Legislator Bill (LB) 603 (2007) and officially came into existence, according to statute, on July 1, 2008. Neb. Rev. Stat. § 79-1246(1) (Reissue 2014) outlines ESUCC's general responsibilities and duties as follows:

ESUCC shall work toward statewide coordination to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit. ESUCC's duties include, but are not limited to:

- Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state.
- Administration of statewide initiatives and provision of statewide services; and
- Coordination of distance education.

Prior to the creation of ESUCC by the Nebraska Legislature, the 17 ESUs worked in partnership to provide statewide activities. Based on the above statutory authority, ESUCC decided that all statewide activities offered in partnership by the ESUs would be placed under the umbrella of ESUCC. ESUCC contracts with Educational Service Unit No. 17 (ESU 17) to provide all staff for ESUCC. This is accomplished annually by ESU 17 developing employment contracts with all ESUCC project employees, including the Executive Director of ESUCC. Thus, all ESUCC project employees and ESUCC Executive Director are ESU 17 employees. Through an interlocal agreement, ESUCC reimburses ESU 17 for all salaries and benefits for these employees.

The following is a brief description of each statewide project budgeted for and administered by ESUCC:

- ESU Professional Development Organization (ESUPDO): The ESUPDO serves as a collaborative effort to provide training for ESU employees statewide. Professional development is among the core services identified by State statute for ESUs.
- Distance Education: Distance Education originated with the Distance Education Council, which was formed by legislation in 2006 and has since evolved into a program under ESUCC. Neb. Rev. Stat. § 79-1248 (Reissue 2014) includes, among the powers and duties of ESUCC, various responsibilities pertaining to the operation of the State's distance education network.
- Nebraska ESU Cooperative Purchasing (Coop): Coop provides cooperating purchasing services to Educational Service Unit Member schools throughout the State of Nebraska.
- Instructional Materials (I-Mat): I-Mat is a statewide project that purchases rights to media materials and makes them available through local ESUs in a variety of formats.
- Special Education (SPED) Projects: The purpose of the SPED Projects is for participating parties to pool their resources in connection with the special education services and for the training of special education teachers and other staff members employed by educational institutions within the State of Nebraska.

- BlendEd Initiative (Technology Direction): In May 2013, the position of Technology Director was formed to coordinate this work across ESUCC project areas. Projects involved in this effort are the Distance Education and I-Mat, including Learning Object Repository. Blended education calls for making strategic choices about when face-to-face (synchronous) instruction is needed and when and how online (asynchronous) instruction can be best used to provide elements of student control over time, place, path, and pace and provide more equity, efficiency, and flexibility.

B. Reporting Entity

ESUCC is a governmental entity established under and governed by the laws of the State of Nebraska. In evaluating how to define ESUCC for financial reporting purposes, all potential component units have been considered. The basic – but not the only – criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, and the ability to influence significant operations and accountability for fiscal matters.

Based upon the above criteria, the accompanying financial statements include all funds for which ESUCC has oversight responsibility. ESUCC does not have any component units and has only one fund – the General Fund. ESUCC is not considered a component unit of any other governmental entity.

C. Basis of Accounting

ESUCC prepares its financial statements on the cash basis of accounting. Under the cash basis of accounting, receipts are recognized when collected rather than when earned, and disbursements are recognized when paid rather than when incurred. Accordingly, the financial statements are not intended to present the financial position and changes in financial position in accordance with accounting principles generally accepted in the United States of America.

D. Basis of Presentation

ESUCC's basic financial statements include both government-wide (reporting ESUCC as a whole) and fund financial statements (reporting ESUCC's major funds).

Government-Wide Financial Statements

The government-wide financial statements categorize activities as governmental or business-type and exclude any fiduciary activities. Governmental activities, which normally are supported by tax and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services. ESUCC does not report any business-type or fiduciary activities.

The statement of net position – cash basis presents ESUCC's nonfiduciary assets and liabilities, with the difference reported as net position. Net position is reported in the following categories:

Restricted – Net position is reported as restricted when constraints placed on net position use are either externally imposed by creditors, grantors, contributors, or laws and regulations of other governments or are imposed by law through constitutional provisions or enabling legislation.

Unrestricted – Net position reported as unrestricted does not meet the definition of restricted net position.

ESUCC first applies restricted resources when an expense incurred for purposes for which both restricted and unrestricted resources are available.

The statement of activities – cash basis demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included as program revenue are reported instead as general receipts.

Fund Financial Statements

The accounts of ESUCC are organized on the basis of funds. ESUCC's fund financial statements consists of one fund, the General Fund, described below.

General Fund - The General Fund represents the operating fund of ESUCC. It is used to account for all financial resources.

E. Cash and Cash Equivalents

ESUCC's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. A portion of ESUCC's cash balances are pooled and invested in the Nebraska Federal Investment Trust (NFIT). NFIT deposits and investments include certificates of deposit, demand deposit accounts, repurchase agreements, and government agency securities. These investments are valued at amortized cost, which approximates fair value due to the short-term nature of the investments.

F. Fund Balance

Fund balance of ESUCC is classified in the governmental fund financial statements as follows:

Nonspendable fund balance consists of amounts that cannot be spent because they are either (a) not in a spendable form or (b) legally or contractually required to be kept intact.

Restricted fund balance consists of amounts that are restricted for specific purposes. These restrictions are either imposed by 1) externally imposed by creditors, grantors contributors, or laws or regulations of other governments or 2) imposed through constitutional provisions or enabling legislation.

Committed fund balance consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal actions of the Coordinating Council, ESUCC's highest level of decision making authority. These amounts cannot be used for any other purpose unless the Coordinating Council removes or changes the specific use by taking the same type of action it used to commit those amounts.

Assigned fund balance consists of amounts that are constrained by ESUCC intended to be used for specific purposes, but are neither restricted nor committed.

Unassigned fund balance is the residual classification for the general fund. The general fund is the only fund to report a positive unassigned fund balance.

Fund balance of ESUCC is classified in the governmental fund financial statements as unassigned fund balance, the residual classification of fund balance for the general fund, as ESUCC has no fund balance that is restricted, committed or assigned for a specific purpose.

G. Budget Process

Prior to September 20, the Council Members of ESUCC prepare and legally adopt an operating budget prepared on the cash receipts and disbursements basis for the fiscal year commencing September 1. Once approved by the Council Members, total expenditures cannot legally exceed total appropriations at the fund level without holding a public budget hearing and obtaining approval from the Council.

H. Capital Assets

Capital assets are recognized as disbursements at the time of purchase by ESUCC and are not capitalized in the government-wide or fund financial statements.

I. Use of Estimates

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

J. Risk Management

ESUCC is exposed to various risks of loss related to torts; theft; damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. ESUCC carries commercial insurance for risks of loss including workers' compensation. ESUCC assumes liability for any deductibles and claims in excess of coverage limitations. Significant coverage includes:

		Maximum Coverage
General Liability	$	2,000,000
Umbrella Liability Coverage		1,000,000
Automobile Liability		1,000,000
Worker's Compensation Insurance		500,000
Transportation Coverage		300,000
Electronic Data Processing Equipment		200,000

No insurance claims resulting from these risks were filed during the fiscal year by ESUCC. Settled claims resulting from these risks have not exceeded the above coverage in the past three years.

K. Subsequent Events

ESUCC has considered events occurring through January 11, 2022 for recognition or disclosure in the financial statements as subsequent events. That date is the date the financial statements were available to be issued.

(2) Deposits and Pooled Investments

Nebraska Revised Statute §79-1043 provides that ESUCC may, by and with the consent of the Council, invest the funds of ESUCC in securities, including repurchase agreements, the nature of which individuals of prudence, discretion and intelligence acquire or retain in dealing with the property of another.

ESUCC's bank accounts and pooled investments are held by ESUCC's agents in ESUCC's name in accordance with State statutes. The accounts and pooled investments are fully insured or collateralized through joint custody security arrangements or, in the case of U.S. government instruments, are registered in ESUCC's name.

(3) Contracted Employees

ESUCC contracts with ESU 17 through an interlocal agreement to provide staffing for ESUCC. Thus, all of ESUCC project employees and ESUCC Executive Director are ESU 17 employees. Through the interlocal agreement, ESUCC agrees to reimburse ESU 17 for all salaries and benefits for these employees. To better reflect the nature of these disbursements, salaries and benefits in the amount of $1,402,656 is classified as purchased services for contracted employees on the Statement of Receipts, Disbursements, and Changes in Fund Balance – Cash Basis.

(4) Nebraska School Employees Retirement System

Benefits provided by ESUCC under the interlocal agreement with ESU 17 includes retirement benefits, as ESU 17 employees are eligible to be members of the Nebraska School Employees Retirement System. Thus, ESU 17 contributes to the NPERS on behalf of ESUCC from retirement contributions collected from ESUCC.

Plan Description

The Nebraska School Employees Retirement System is a cost – sharing multiple – employer defined benefit pension plan administered by the Nebraska Public Employees Retirement System (NPERS). NPERS provides retirement and disability benefits to plan members and beneficiaries. The School Employees Retirement Act establishes benefit provisions.

In 1945, the Nebraska Legislature enacted the law establishing a retirement plan for school employees of the State. During the NPERS fiscal year ended June 30, 2020, there were 265 participating school districts. These were the districts that had contributions during the fiscal year. All regular public school and educational service unit employees in Nebraska, other than those who have their own retirement plans (Class V school districts, Nebraska State Colleges, University of Nebraska, Community Colleges), are members of the plan.

Normal retirement is at age 65. For an employee who became a member before July 1, 2013, the monthly benefit is equal to the greater of: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to $3.50 per year of service; or 2) the monthly average of the three 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2.0%, and an actuarial factor based on age.

For an employee who became a member on or after July 1, 2013, the monthly benefit is equal to the greater of the following: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to $3.50 per year of service; or 2) the average of the five 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2%, and an actuarial factor based on age.

Benefit calculations vary with early retirement. Employees' benefits are vested after five years of plan participation or when termination occurs at age 65 or later.

For school district and educational service unit employees who became members prior to July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost of living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 2.5%. The current benefit paid to a retired member or beneficiary is adjusted so that the purchasing power of the benefit being paid is not less than 75% of the purchasing power of the initial benefit.

For school district and educational service unit employees who became members on or after July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost-of-living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 1%. There is no purchasing power floor for employees who fall under this tier.

Contributions

The State's contribution is based on an annual actuarial valuation. In addition, the State contributes an amount equal to 2% of the compensation of all members. This contribution is considered a nonemployer contribution since school district and educational service unit employees are not employees of the State. The employee contribution was equal to 9.78% from July 1, 2019, to June 30, 2020. The employer contribution is 101% of the employee contribution. For the fiscal year ended August 31, 2021, ESUCC's contributions to the Plan amounted to $117,322.

(5) Unemployment Compensation Insurance

ESUCC has adopted the reimbursable option of the State of Nebraska's Unemployment Compensation Insurance Program. Under this option, a claimant would receive unemployment compensation from the State. ESUCC is liable to reimburse the State the actual amount of the claim(s).

(6) Lease Commitments

ESUCC leases office facilities under operating leases. Rental expenditures relating to these leases for the year ended August 31, 2021 amounted to $15,697. The future minimum annual lease payments amount to $14,926 for the year ended August 31, 2022.

(7) Accounts Receivable

At August 31, 2021, ESUCC had $122,140 in accounts receivable for services performed under various agreements. In accordance with the cash basis of accounting, these receivables are not recognized in the financial statements. They are recognized as receipts when funds are received.

(8) Related Parties

The governing body for ESUCC consists of the Administrator from each of the 17 ESUs across the State of Nebraska. ESUCC coordinates statewide activities and provides services for the 17 ESUs through service agreements. In turn, ESUCC collects fees from each of the ESUs for services provided.

(9) CARES Act Funding

On March 10, 2020, the World Health Organization declared the coronavirus outbreak to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law that provides $30 billion for an Education Stabilization Fund (ESF) to award relief funds to schools and institutes of higher education in response to the coronavirus. The ESF allocated approximately $151 million to the state of Nebraska. The ESF is to be used to enhance technology infrastructure, build supports for planning for possible interruptions upon returning to school, ensure student nutritional needs are met, provide professional learning to support an inclusive remote learning environment and engagement, and create or expand mental, behavioral, and social emotional supports. ESUCC was awarded $16,700,000 of Governor's Emergency Education Relief (GEER) funds under the ESF for the purpose of providing infrastructure and devices to close the digital gap and ensure continuity of learning. ESUCC received $12,717,214 of the funds during the year ended August 31, 2021. ESUCC has the ability to commit, or obligate, the remaining GEER funds through September 30, 2022.

See accompanying independent auditor's report

Notes to the Budgetary Comparison Schedule
For the Year Ended August 31, 2021

Basis of Budgeting – ESUCC prepares its budget on the cash basis, which is consistent with the financial statement presentation.

Budget Process and Property Taxes – ESUCC follows these procedures in establishing the budgetary data reflected in the accompanying schedule:

- Public hearings are conducted at public meetings to obtain taxpayer comments.
- Prior to September 20, the budget is legally adopted by the Council through passage of a resolution. Total disbursements may not legally exceed total appropriations. Appropriations lapse at year end, and any revisions thereto require Council approval.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Educational Service Unit Coordinating Council
LaVista, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the cash basis financial statements of the governmental activities and major fund of the Educational Service Unit Coordinating Council (ESUCC), as of and for the year ended August 31, 2021, and the related notes to the financial statements, which collectively comprise ESUCC's basic financial statements, and have issued our report thereon dated January 11, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered ESUCC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ESUCC's internal control. Accordingly, we do not express an opinion on the effectiveness of ESUCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ESUCC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SOLUTIONS WITH VISION

To the Council Members
Educational Service Unit Coordinating Council:
La Vista, Nebraska

Dear Council Members:

We are pleased to present this report related to our audit of the financial statements of Educational Service Unit Coordinating Council (ESUCC) as of and for the year ended August 31, 2021. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for ESUCC's financial reporting process.

This report is intended solely for the information and use of the Coordinating Council and management, and is not intended to be, and should not be, used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have regarding this report. We appreciate the opportunity to continue to be of service to ESUCC.

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States have been described to you in our arrangement letter dated August 31, 2021. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated August 31, 2021, regarding the planned scope and timing of our audit and have discussed with you our identification of, and planned audit response to, significant risks of material misstatement.

The following individuals were assigned to your audit and spend most of their professional time serving governmental and not-for-profit industry clients:

	Years of Service
Darren R. Osten	26
Weston S. Shepard	3
Meredith M. Reehl	2
Maricruz Mora	1

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. Management has selected to report under the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The use of the cash basis of accounting is permissible by the State of Nebraska Department of Education for educational service units. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Changes in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by ESUCC. ESUCC did not adopt any significant new accounting policies during the current period, nor have there been any changes in existing significant accounting policies during the current period.

Significant or Unusual Transactions

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Audit Adjustments and Uncorrected Misstatements

Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by ESUCC are included in the Summary of Recorded Audit Adjustments.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Departure From the Auditor's Standard Report

Our report includes an other matter paragraph to identify supplementary information presented to supplement the financial statements for purposes of additional analysis. Our opinion is not modified with respect to these matters.

Observations About the Audit Process

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Letter Communicating Internal Control Related Matters and Constructive Suggestions

Please refer to the internal control related matters and constructive suggestions letter attached as Exhibit A.

Significant Written Communications Between Management and Our Firm

In connection with our audit, we received representation letters from management confirming it has the primary responsibility for the fair presentation in the financial statements in conformity with accounting principles generally accepted in the United States of America. The representation letters reduce to writing the more significant oral representations made by management during the course of the audit. A copy of these representation letters can be provided upon request.

Quality Review

A copy of our most recent quality review is attached to this correspondence.

REPORT ON THE FIRM'S SYSTEM OF QUALITY CONTROL

December 18, 2020

To the Partners of
Seim Johnson, LLP
and the Peer Review Committee of the Nevada Society
of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Seim Johnson, LLP(the firm) in effect for the year ended June 30, 2020. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act; and audits of employee benefit plans.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Seim Johnson, LLP in effect for the year ended June 30, 2020, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Seim Johnson, LLP has received a peer review rating of *pass*.

Internal Control Related Matters and Constructive Suggestions

January 11, 2022

To the Council Members
Educational Service Unit Coordinating Council
La Vista, Nebraska

In planning and performing our audit of the financial statements of Educational Service Unit Coordinating Council (ESUCC) as of and for the year ended August 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered ESUCC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ESUCC's internal control. Accordingly, we do not express an opinion on the effectiveness of ESUCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following are descriptions of identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

Financial Statement Preparation

Many organizations rely on the auditor to assist with the preparation of the footnotes to the annual financial statements. Auditing standards emphasize that the auditor cannot be part of the system of internal control over financial reporting.

Preparation of ESUCC's basic financial statements and notes to the financial statements thereto requires a high degree of technical expertise and substantial experience in preparing such statements and notes. We understand ESUCC has made a conscious decision, based on cost benefit considerations, to not prepare the financial statements and related notes. We believe that this is not an uncommon situation for an organization such as yours. As a result, this could cause the ESUCC's basic financial statements to be misstated and not be detected by the ESUCC's personnel. We recommend management mitigate this situation by having a heightened awareness of the transactions being reported.

Segregation of Duties Over Financial Reporting

One important aspect of internal control over financial reporting is segregation of duties among employees to prevent an individual employee the ability to circumvent the system of internal control. In reviewing the financial reporting preparation process and controls, due to a limited number of administrative personnel, a lack of segregation of duties exists. In order to have proper segregation of duties, ideally, the following four items should be performed by separate individuals:

- *Authorization:* the process of reviewing and approving transactions.
- *Custody:* having access to or control over any physical asset (cash, checks, equipment, supplies, or materials) and intangible assets such as computer systems and data.

- *Recordkeeping:* the process of creating and maintaining departmental records (e.g. revenues, expenditures, etc.). These may be manual records or records maintained in automated computer systems.
- *Reconciliation:* verifying the processing or recording of transactions to ensure that all transactions are value, properly authorized, and properly recorded on a timely basis. This includes following-up on any differences or discrepancies identified.

Proper segregation of duties ensures an adequate internal control structure and, without this segregation, a greater risk of fraud and defalcation may exist. While we realize that it is not always economically feasible to employ additional personnel for the purpose of greater segregation of duties, we recommend ESUCC continue to review internal control policies and procedures and job assignments to ensure an adequate internal control structure.

The following are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving ESUCC's policies and procedures:

Governor's Emergency Education Relief Fund

ESUCC has received funding from the Governor's Emergency Education Relief (GEER) Fund through the Education Stabilization Fund (ESF) created by the CARES Act that was signed into law. The ESF was initially allocated $30 billion by the CARES Act, of which the state of Nebraska was allocated $151 million. The GEER funding was allocated to ESUCC for the purpose of providing infrastructure and devices to schools to close the digital gap and ensure continuity of learning. The GEER funding is available to be used for allowable expenditures through September 30, 2022. Total GEER funding allocated to ESUCC totaled $16.7 million. We recommend management monitor the timing of the obligation of the different GEER funds to ensure used within the period of availability and adhere to the allowable activities for use of GEER funds permitted by the State of Nebraska Department of Education.

This communication is intended solely for the information and use of the Coordinating Council, management within the organization, and the Nebraska Department of Education, and is not intended to be, and should not be, used by anyone other than these specified parties. We would be pleased to answer any questions you may have regarding the comments and suggestions contained in the preceding paragraphs.

Sincerely,

SEIM JOHNSON, LLP

Darren R. Osten

WITHDRAWALS OUTSTANDING $_____

BALANCE $_____

SHOULD AGREE WITH YOUR REGISTER BALANCE AFTER DEDUCTING SERVICE CHARGE (IF ANY) SHOWN ON THIS STATEMENT.

Please examine immediately and report if incorrect. If no reply is received within sixty (60) days the account will be considered correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1) Tell us your name and account number (if any).
2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the result within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

DEPOSITS NOT SHOWN ON THIS STATEMENT (IF ANY) $_____

_____

_____

TOTAL $_____

SUBTRACT -

WITHDRAWALS OUTSTANDING $_____

BALANCE $_____

SHOULD AGREE WITH YOUR REGISTER BALANCE AFTER DEDUCTING SERVICE CHARGE (IF ANY) SHOWN ON THIS STATEMENT.

Please examine immediately and report if incorrect. If no reply is received within sixty (60) days the account will be considered correct.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Telephone or write us at the telephone number or address located on the front of this statement as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1) Tell us your name and account number (if any).
2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the result within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Independent Auditor's Report

To the Governing Board
Educational Service Unit Coordinating Council:
La Vista, Nebraska

Report on the Financial Statements

We have audited the accompanying cash basis financial statements of the governmental activities and the major fund of Educational Service Unit Coordinating Council (ESUCC) as of and for the year then ended August 31, 2021 and the related notes to the financial statements, which collectively comprise ESUCC's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash-basis financial position of the governmental activities and the major fund of ESUCC as of August 31, 2021, and the respective changes in cash basis financial position for the year then ended in accordance with the cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise ESUCC's basic financial statements. Management's Discussion and Analysis, the Budgetary Comparison Schedule – Budget and Actual – General Fund and the Notes to the Budgetary Comparison Schedule on pages 3 through 7, 18 and 19 are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Management's Discussion and Analysis, Budgetary Comparison Schedule – Budget and Actual – General Fund, and Notes to the Budgetary Comparison Schedule is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 11, 2022, on our consideration of ESUCC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of ESUCC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering ESUCC's internal control over financial reporting and compliance.

Seim Johnson, LLP

Omaha, Nebraska,
January 11, 2022.

Management of the Educational Service Unit Coordinating Council (ESUCC) provides the following discussion and analysis of the ESUCC's financial performance, as reflected in the financial report for the fiscal year ended August 31, 2021. Please read it in conjunction with the ESUCC's basic financial statements, which follow.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the ESUCC's financial statements. The provisions of Statement No. 34 (Statement 34) of the Governmental Accounting Standards Board (GASB), "Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments," established standards for external financial reporting for all State and local government entities. These standards require three components for the ESUCC's basic financial statements: 1) government-wide financial statements; 2) fund financial statements; and 3) notes to the financial statements. This report also contains other information (Budgetary Comparison Schedule, and Notes to the Budgetary Schedule) in addition to the basic financial statements. These components are described below:

Government-Wide Financial Statements

These statements are intended to provide a broad view of the ESUCC's operations in a manner similar to the private sector, providing both a short-term and a long-term view of the ESUCC's financial position. The ESUCC prepared its government-wide statements on the cash basis of accounting. Under the cash basis, receipts are recognized when collected rather than when earned, and disbursements are recognized when paid rather than when incurred. Accordingly, the ESUCC's government-wide financial statements are not intended to present the financial position and results of operations in conformity with generally accepted accounting principles (GAAP) accepted in the United States of America. The government-wide financial statements include two statements, the Statement of Net Position and the Statement of Activities.

The *Statement of Net Position* on page 8 presents all of the ESUCC's assets on the cash basis, as described above.

The *Statement of Activities* on page 9 presents information showing how the ESUCC's net position changed during the reported year. Changes reported are on the cash basis, as described above. The statement of activities demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include: (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Appropriations and other items not properly included among program receipts are reported, instead, as general receipts.

Fund Financial Statements

This is the second set of financial statements presented in the report. Under GAAP, these statements would be different from the government-wide statements in that these statements would use a different accounting approach and focus on the near-term inflows and outflows of ESUCC operations.

The ESUCC has only one fund, the General Fund. GAAP classifies funds into three categories – Governmental Funds, Proprietary Funds, and Fiduciary Funds. The General Fund of an entity is classified as a Governmental Fund, as it accounts for all basic services. The Fund Financial Statements, which can be found on pages 10 and 11, provide detailed information about the ESUCC's General Fund. A fund is a method of accounting that uses a set of accounts to maintain accountability and control over specific sources of funding and spending for a particular activity or objective. GAAP requires governmental funds to use the modified accrual basis of accounting.

The five projects that make up the General Fund in addition to ESUCC Administration are: ESU Professional Development Organization (ESUPDO); Nebraska ESU Cooperative Purchasing Unit (Coop); Distance Education; Instructional Materials (I-Mat); and Special Education.

Notes to the Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in all of the basic financial statements. The notes can be found beginning on page 12.

Other Information

Following the basic financial statements and the accompanying notes thereto is additional information that further explains and supports the information in such financial statements. The other information consists of the Budgetary Comparison Schedule – Budget and Actual – General Fund and notes. This information can be found beginning on page 19.

FINANCIAL AND OPERATING HIGHLIGHTS

The ESUCC's Net Position for the fiscal year ended August 31, 2021, compared to the fiscal year ended August 31, 2020, increased by $3,074,296. This increase is primarily due to the fact that the ESUCC had a large decrease in current year disbursements compared to the prior year. The table on the following page provides a more detailed picture of the changes in net position.

FINANCIAL ANALYSIS OF ESUCC AS A WHOLE

Net Position

The ESUCC's assets totaled $4,496,706 at August 31, 2021, as compared to $1,422,413 at August 31, 2020. Due to the preparation of the financial statements on a cash basis for fiscal years ended August 31, 2021, and August 31, 2020, there were no liabilities as of August 31, 2021, and as of August 31, 2020.

Unrestricted net position is all other net position that does not meet the definition of "restricted" or "invested in capital assets, net of related debt." The ESUCC's unrestricted net position totaled $4,496,706 as of August 31, 2021.

Net Position
As of August 31,

	Cash Basis 2021	Cash Basis 2020
ASSETS:		
Cash and Cash Equivalents	$ 4,496,706	1,422,413
Total Assets	4,496,706	1,422,413
NET POSITION:		
Unrestricted	4,496,706	1,422,413
Total Net Position	$ 4,496,706	1,422,413

As of August 31, 2021, and as of August 31, 2020, the ESUCC's assets consisted of cash and cash equivalents. The ESUCC did not have any liabilities as of August 31, 2021, and as of August 31, 2020.

The ESUCC's net position was $4,496,706 and $1,422,413 as of August 31, 2021 and 2020, respectively. The ESUCC's net position may vary based on receipts and disbursements in Cooperative Purchasing as well as other ESUCC projects.

Changes in Net Position

The condensed financial information below was derived from the Government-Wide Statement of Activities and reflects how the ESUCC's net position changed during the year. Following the table is management's analysis of the changes in net position for the fiscal year ended August 31, 2021.

Changes in Net Position

	Fiscal Year Ended August 31, 2021 Cash Basis	Fiscal Year Ended August 31, 2020 Cash Basis
Receipts:		
Program Receipts		
Charges for Services	$ 1,881,689	1,872,937
Operating Grants and Contributions	12,717,214	398,998
General Receipts:		
State Appropriations	548,300	543,072
Interest and other receipts	4,612	10,463
Total Receipts	15,151,815	2,825,467
Disbursements:		
ESU Professional Development	10,241,775	503,783
Distance Education Council	332,643	271,036
Special Education	511,144	491,711
Instructional Materials	106,235	224,357
Nebraska ESU Cooperative	885,435	922,157
Total Disbursements	12,077,232	2,413,044
Change in Net Position	3,074,583	412,423
Net Position - Beginning	1,422,123	1,009,700
Net Position - Ending	$ 4,496,706	1,422,123

Receipts

The largest single source of receipts for the ESUCC is operating grants and contributions. Operating grants and contributions for the fiscal year ended August 31, 2021 were $12,717,214 and for the fiscal year ended August 31, 2020 were $398,995. This is primarily due to a contract with the State of Nebraska Department of Education for GEER funds to provide infrastructure (Internet access) and devices to those in need. In the final analysis, the infrastructure and devices ensured learning could occur during the coronavirus pandemic as well as into the future.

The second largest source of receipts for the ESUCC is charges for services. Charges for services are primarily receipts generated by the Nebraska ESU Cooperative Purchasing Unit for services provided to ESUs and school districts and program receipts for the various projects. Charges for services or the fiscal year ended August 31, 2021 were $1,881,689 and for the fiscal year ended August 31, 2020 were $1,872,937.

Disbursements

The largest purpose of disbursements for the ESUCC was for goods and services disbursed by the ESU Professional Development Organization (ESUPDO), which provides training for ESU employees statewide. Disbursements for these services for the fiscal year ended August 31, 2021 were $10,241,775, and for the fiscal year ended August 31, 2020 were $503,783. This increase is primarily due to the purchase of infrastructure (Internet access) and devices for school districts by the utilization of GEER funds.

The second largest purpose of disbursements for the ESUCC was for the Nebraska ESU Cooperative Purchasing, which were then provided to ESUs and school districts. Disbursements for these services for the fiscal year ended August 31, 2021 were $885,435, and for the fiscal year ended August 31, 2020 were $922,157. These disbursements can and do fluctuate based on purchases made by school districts and ESUs.

The remaining disbursements for the ESUCC relate primarily to the various other programs managed by the ESUCC. Disbursements for various programs for the fiscal year ended August 31, 2021 were $950,022, and for the fiscal year ended August 31, 2020 were $987,104. The decrease in these programs was caused primarily by a decrease in Instructional Materials (I-Mat) program purchases.

ANALYSIS OF ESUCC'S GENERAL FUND VARIATIONS

The table below provides a comparison of budgeted receipts and disbursements to actual receipts and disbursements.

	Budget	Actual	Positive (Negative) Variance
Beginning Balance	$ 1,422,123	1,422,123	--
Total Receipts	22,481,952	15,151,815	(7,330,137)
Total Disbursements	22,481,952	12,077,232	10,404,720
Net Increase	--	3,074,583	3,074,583
Ending Balance	$ 1,422,123	4,496,706	3,074,583

The largest variance between budgeted and actual receipts was State Grants, which were budgeted to be $17,675,000 but actually amounted to $12,717,214. The majority of this variance resulted from ESUCC only receiving $12,717,414 of the $16,700,000 GEER funding during the year. ESUCC has until September 30, 2022 to utilize the GEER funding.

The largest variances between budgeted and actual disbursements were due to GEER program purchases, which had budgeted $16,400,000 but only incurred actual costs of $9,720,809.

FACTORS THAT WILL AFFECT THE FUTURE

There are always some factors that impact the ESUCC and the services the organization delivers. At this writing, the pandemic continues to create uncertainty, and such uncertainty is exacerbated by rising inflation.

The ESUCC relies on robust sales to help fund its overall operations. To increase sales, a large number of bidders of products and services is required to facilitate low prices. Supply chain issues coupled with the aforementioned inflation have had an impact the number of businesses that have placed bids for products and services that benefit Nebraska schools and ESUs. It is nearly impossible to prognosticate the impact these ongoing issues will have.

Finally, the ESUs look forward to expanding their statewide projects and outreach that includes our dedication to high quality instructional materials (and supports) as well as distant education opportunities.

CONTACTING ESUCC'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens and taxpayers a general overview of the ESUCC's finances and to demonstrate the ESUCC's accountability for the money with which it is entrusted. If you have questions about this report or need additional financial information, contact Kraig Lofquist, Educational Service Unit Coordinating Council Executive Director, 6949 South 110th Street, LaVista, Nebraska, 68128. The telephone number is (402) 597-4915, and the email address is klofquist@esucc.org.

(1) Description of Organization and Summary of Significant Accounting Policies

The following describes the organization and the summary of the significant accounting policies of Educational Service Unit Coordinating Council (ESUCC).

A. Organization

ESUCC was created to coordinate statewide activities of Nebraska's 17 Educational Service Units (ESUs). The governing body for ESUCC consists of an Administrator representative from each of the 17 ESUs and an Executive Director. ESUCC was created by Legislator Bill (LB) 603 (2007) and officially came into existence, according to statute, on July 1, 2008. Neb. Rev. Stat. § 79-1246(1) (Reissue 2014) outlines ESUCC's general responsibilities and duties as follows:

ESUCC shall work toward statewide coordination to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit. ESUCC's duties include, but are not limited to:

- Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state.
- Administration of statewide initiatives and provision of statewide services; and
- Coordination of distance education.

Prior to the creation of ESUCC by the Nebraska Legislature, the 17 ESUs worked in partnership to provide statewide activities. Based on the above statutory authority, ESUCC decided that all statewide activities offered in partnership by the ESUs would be placed under the umbrella of ESUCC. ESUCC contracts with Educational Service Unit No. 17 (ESU 17) to provide all staff for ESUCC. This is accomplished annually by ESU 17 developing employment contracts with all ESUCC project employees, including the Executive Director of ESUCC. Thus, all ESUCC project employees and ESUCC Executive Director are ESU 17 employees. Through an interlocal agreement, ESUCC reimburses ESU 17 for all salaries and benefits for these employees.

The following is a brief description of each statewide project budgeted for and administered by ESUCC:

- ESU Professional Development Organization (ESUPDO): The ESUPDO serves as a collaborative effort to provide training for ESU employees statewide. Professional development is among the core services identified by State statute for ESUs.
- Distance Education: Distance Education originated with the Distance Education Council, which was formed by legislation in 2006 and has since evolved into a program under ESUCC. Neb. Rev. Stat. § 79-1248 (Reissue 2014) includes, among the powers and duties of ESUCC, various responsibilities pertaining to the operation of the State's distance education network.
- Nebraska ESU Cooperative Purchasing (Coop): Coop provides cooperating purchasing services to Educational Service Unit Member schools throughout the State of Nebraska.
- Instructional Materials (I-Mat): I-Mat is a statewide project that purchases rights to media materials and makes them available through local ESUs in a variety of formats.
- Special Education (SPED) Projects: The purpose of the SPED Projects is for participating parties to pool their resources in connection with the special education services and for the training of special education teachers and other staff members employed by educational institutions within the State of Nebraska.

- BlendEd Initiative (Technology Direction): In May 2013, the position of Technology Director was formed to coordinate this work across ESUCC project areas. Projects involved in this effort are the Distance Education and I-Mat, including Learning Object Repository. Blended education calls for making strategic choices about when face-to-face (synchronous) instruction is needed and when and how online (asynchronous) instruction can be best used to provide elements of student control over time, place, path, and pace and provide more equity, efficiency, and flexibility.

B. Reporting Entity

ESUCC is a governmental entity established under and governed by the laws of the State of Nebraska. In evaluating how to define ESUCC for financial reporting purposes, all potential component units have been considered. The basic – but not the only – criterion for including a potential component unit within the reporting entity is the governing body's ability to exercise oversight responsibility. The most significant manifestation of this ability is financial interdependency. Other manifestations of the ability to exercise oversight responsibility include, but are not limited to, the selection of governing authority, the designation of management, and the ability to influence significant operations and accountability for fiscal matters.

Based upon the above criteria, the accompanying financial statements include all funds for which ESUCC has oversight responsibility. ESUCC does not have any component units and has only one fund – the General Fund. ESUCC is not considered a component unit of any other governmental entity.

C. Basis of Accounting

ESUCC prepares its financial statements on the cash basis of accounting. Under the cash basis of accounting, receipts are recognized when collected rather than when earned, and disbursements are recognized when paid rather than when incurred. Accordingly, the financial statements are not intended to present the financial position and changes in financial position in accordance with accounting principles generally accepted in the United States of America.

D. Basis of Presentation

ESUCC's basic financial statements include both government-wide (reporting ESUCC as a whole) and fund financial statements (reporting ESUCC's major funds).

Government-Wide Financial Statements

The government-wide financial statements categorize activities as governmental or business-type and exclude any fiduciary activities. Governmental activities, which normally are supported by tax and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services. ESUCC does not report any business-type or fiduciary activities.

The statement of net position – cash basis presents ESUCC's nonfiduciary assets and liabilities, with the difference reported as net position. Net position is reported in the following categories:

Restricted – Net position is reported as restricted when constraints placed on net position use are either externally imposed by creditors, grantors, contributors, or laws and regulations of other governments or are imposed by law through constitutional provisions or enabling legislation.

Unrestricted – Net position reported as unrestricted does not meet the definition of restricted net position.

ESUCC first applies restricted resources when an expense incurred for purposes for which both restricted and unrestricted resources are available.

The statement of activities – cash basis demonstrates the degree to which the direct disbursements of a given function or segment are offset by program receipts. Direct disbursements are those that are clearly identifiable with a specific function or segment. Program receipts include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included as program revenue are reported instead as general receipts.

Fund Financial Statements

The accounts of ESUCC are organized on the basis of funds. ESUCC's fund financial statements consists of one fund, the General Fund, described below.

General Fund - The General Fund represents the operating fund of ESUCC. It is used to account for all financial resources.

E. Cash and Cash Equivalents

ESUCC's cash and cash equivalents are considered to be cash on hand, demand deposits and short-term investments with original maturities of three months or less from the date of acquisition. A portion of ESUCC's cash balances are pooled and invested in the Nebraska Federal Investment Trust (NFIT). NFIT deposits and investments include certificates of deposit, demand deposit accounts, repurchase agreements, and government agency securities. These investments are valued at amortized cost, which approximates fair value due to the short-term nature of the investments.

F. Fund Balance

Fund balance of ESUCC is classified in the governmental fund financial statements as follows:

Nonspendable fund balance consists of amounts that cannot be spent because they are either (a) not in a spendable form or (b) legally or contractually required to be kept intact.

Restricted fund balance consists of amounts that are restricted for specific purposes. These restrictions are either imposed by 1) externally imposed by creditors, grantors contributors, or laws or regulations of other governments or 2) imposed through constitutional provisions or enabling legislation.

Committed fund balance consists of amounts that can only be used for specific purposes pursuant to constraints imposed by formal actions of the Coordinating Council, ESUCC's highest level of decision making authority. These amounts cannot be used for any other purpose unless the Coordinating Council removes or changes the specific use by taking the same type of action it used to commit those amounts.

Assigned fund balance consists of amounts that are constrained by ESUCC intended to be used for specific purposes, but are neither restricted nor committed.

Unassigned fund balance is the residual classification for the general fund. The general fund is the only fund to report a positive unassigned fund balance.

Fund balance of ESUCC is classified in the governmental fund financial statements as unassigned fund balance, the residual classification of fund balance for the general fund, as ESUCC has no fund balance that is restricted, committed or assigned for a specific purpose.

G. Budget Process

Prior to September 20, the Council Members of ESUCC prepare and legally adopt an operating budget prepared on the cash receipts and disbursements basis for the fiscal year commencing September 1. Once approved by the Council Members, total expenditures cannot legally exceed total appropriations at the fund level without holding a public budget hearing and obtaining approval from the Council.

H. Capital Assets

Capital assets are recognized as disbursements at the time of purchase by ESUCC and are not capitalized in the government-wide or fund financial statements.

I. Use of Estimates

The preparation of financial statements in conformity with the cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

J. Risk Management

ESUCC is exposed to various risks of loss related to torts; theft; damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. ESUCC carries commercial insurance for risks of loss including workers' compensation. ESUCC assumes liability for any deductibles and claims in excess of coverage limitations. Significant coverage includes:

		Maximum Coverage
General Liability	$	2,000,000
Umbrella Liability Coverage		1,000,000
Automobile Liability		1,000,000
Worker's Compensation Insurance		500,000
Transportation Coverage		300,000
Electronic Data Processing Equipment		200,000

No insurance claims resulting from these risks were filed during the fiscal year by ESUCC. Settled claims resulting from these risks have not exceeded the above coverage in the past three years.

K. Subsequent Events

ESUCC has considered events occurring through January 11, 2022 for recognition or disclosure in the financial statements as subsequent events. That date is the date the financial statements were available to be issued.

(2) Deposits and Pooled Investments

Nebraska Revised Statute §79-1043 provides that ESUCC may, by and with the consent of the Council, invest the funds of ESUCC in securities, including repurchase agreements, the nature of which individuals of prudence, discretion and intelligence acquire or retain in dealing with the property of another.

ESUCC's bank accounts and pooled investments are held by ESUCC's agents in ESUCC's name in accordance with State statutes. The accounts and pooled investments are fully insured or collateralized through joint custody security arrangements or, in the case of U.S. government instruments, are registered in ESUCC's name.

(3) Contracted Employees

ESUCC contracts with ESU 17 through an interlocal agreement to provide staffing for ESUCC. Thus, all of ESUCC project employees and ESUCC Executive Director are ESU 17 employees. Through the interlocal agreement, ESUCC agrees to reimburse ESU 17 for all salaries and benefits for these employees. To better reflect the nature of these disbursements, salaries and benefits in the amount of $1,402,656 is classified as purchased services for contracted employees on the Statement of Receipts, Disbursements, and Changes in Fund Balance – Cash Basis.

(4) Nebraska School Employees Retirement System

Benefits provided by ESUCC under the interlocal agreement with ESU 17 includes retirement benefits, as ESU 17 employees are eligible to be members of the Nebraska School Employees Retirement System. Thus, ESU 17 contributes to the NPERS on behalf of ESUCC from retirement contributions collected from ESUCC.

Plan Description

The Nebraska School Employees Retirement System is a cost – sharing multiple – employer defined benefit pension plan administered by the Nebraska Public Employees Retirement System (NPERS). NPERS provides retirement and disability benefits to plan members and beneficiaries. The School Employees Retirement Act establishes benefit provisions.

In 1945, the Nebraska Legislature enacted the law establishing a retirement plan for school employees of the State. During the NPERS fiscal year ended June 30, 2020, there were 265 participating school districts. These were the districts that had contributions during the fiscal year. All regular public school and educational service unit employees in Nebraska, other than those who have their own retirement plans (Class V school districts, Nebraska State Colleges, University of Nebraska, Community Colleges), are members of the plan.

Normal retirement is at age 65. For an employee who became a member before July 1, 2013, the monthly benefit is equal to the greater of: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to $3.50 per year of service; or 2) the monthly average of the three 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2.0%, and an actuarial factor based on age.

For an employee who became a member on or after July 1, 2013, the monthly benefit is equal to the greater of the following: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to $3.50 per year of service; or 2) the average of the five 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2%, and an actuarial factor based on age.

Benefit calculations vary with early retirement. Employees' benefits are vested after five years of plan participation or when termination occurs at age 65 or later.

For school district and educational service unit employees who became members prior to July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost of living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 2.5%. The current benefit paid to a retired member or beneficiary is adjusted so that the purchasing power of the benefit being paid is not less than 75% of the purchasing power of the initial benefit.

For school district and educational service unit employees who became members on or after July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost-of-living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 1%. There is no purchasing power floor for employees who fall under this tier.

Contributions

The State's contribution is based on an annual actuarial valuation. In addition, the State contributes an amount equal to 2% of the compensation of all members. This contribution is considered a nonemployer contribution since school district and educational service unit employees are not employees of the State. The employee contribution was equal to 9.78% from July 1, 2019, to June 30, 2020. The employer contribution is 101% of the employee contribution. For the fiscal year ended August 31, 2021, ESUCC's contributions to the Plan amounted to $117,322.

(5) Unemployment Compensation Insurance

ESUCC has adopted the reimbursable option of the State of Nebraska's Unemployment Compensation Insurance Program. Under this option, a claimant would receive unemployment compensation from the State. ESUCC is liable to reimburse the State the actual amount of the claim(s).

(6) Lease Commitments

ESUCC leases office facilities under operating leases. Rental expenditures relating to these leases for the year ended August 31, 2021 amounted to $15,697. The future minimum annual lease payments amount to $14,926 for the year ended August 31, 2022.

(7) Accounts Receivable

At August 31, 2021, ESUCC had $122,140 in accounts receivable for services performed under various agreements. In accordance with the cash basis of accounting, these receivables are not recognized in the financial statements. They are recognized as receipts when funds are received.

(8) Related Parties

The governing body for ESUCC consists of the Administrator from each of the 17 ESUs across the State of Nebraska. ESUCC coordinates statewide activities and provides services for the 17 ESUs through service agreements. In turn, ESUCC collects fees from each of the ESUs for services provided.

(9) CARES Act Funding

On March 10, 2020, the World Health Organization declared the coronavirus outbreak to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law that provides $30 billion for an Education Stabilization Fund (ESF) to award relief funds to schools and institutes of higher education in response to the coronavirus. The ESF allocated approximately $151 million to the state of Nebraska. The ESF is to be used to enhance technology infrastructure, build supports for planning for possible interruptions upon returning to school, ensure student nutritional needs are met, provide professional learning to support an inclusive remote learning environment and engagement, and create or expand mental, behavioral, and social emotional supports. ESUCC was awarded $16,700,000 of Governor's Emergency Education Relief (GEER) funds under the ESF for the purpose of providing infrastructure and devices to close the digital gap and ensure continuity of learning. ESUCC received $12,717,214 of the funds during the year ended August 31, 2021. ESUCC has the ability to commit, or obligate, the remaining GEER funds through September 30, 2022.

See accompanying independent auditor's report

Notes to the Budgetary Comparison Schedule
For the Year Ended August 31, 2021

Basis of Budgeting – ESUCC prepares its budget on the cash basis, which is consistent with the financial statement presentation.

Budget Process and Property Taxes – ESUCC follows these procedures in establishing the budgetary data reflected in the accompanying schedule:

- Public hearings are conducted at public meetings to obtain taxpayer comments.
- Prior to September 20, the budget is legally adopted by the Council through passage of a resolution. Total disbursements may not legally exceed total appropriations. Appropriations lapse at year end, and any revisions thereto require Council approval.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Educational Service Unit Coordinating Council
LaVista, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the cash basis financial statements of the governmental activities and major fund of the Educational Service Unit Coordinating Council (ESUCC), as of and for the year ended August 31, 2021, and the related notes to the financial statements, which collectively comprise ESUCC's basic financial statements, and have issued our report thereon dated January 11, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered ESUCC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ESUCC's internal control. Accordingly, we do not express an opinion on the effectiveness of ESUCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether ESUCC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SOLUTIONS WITH VISION

To the Council Members
Educational Service Unit Coordinating Council:
La Vista, Nebraska

Dear Council Members:

We are pleased to present this report related to our audit of the financial statements of Educational Service Unit Coordinating Council (ESUCC) as of and for the year ended August 31, 2021. This report summarizes certain matters required by professional standards to be communicated to you in your oversight responsibility for ESUCC's financial reporting process.

This report is intended solely for the information and use of the Coordinating Council and management, and is not intended to be, and should not be, used by anyone other than these specified parties. It will be our pleasure to respond to any questions you have regarding this report. We appreciate the opportunity to continue to be of service to ESUCC.

Generally accepted auditing standards (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America and *Government Auditing Standards* issued by the Comptroller General of the United States have been described to you in our arrangement letter dated August 31, 2021. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated August 31, 2021, regarding the planned scope and timing of our audit and have discussed with you our identification of, and planned audit response to, significant risks of material misstatement.

The following individuals were assigned to your audit and spend most of their professional time serving governmental and not-for-profit industry clients:

	Years of Service
Darren R. Osten	26
Weston S. Shepard	3
Meredith M. Reehl	2
Maricruz Mora	1

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. Management has selected to report under the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The use of the cash basis of accounting is permissible by the State of Nebraska Department of Education for educational service units. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Changes in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by ESUCC. ESUCC did not adopt any significant new accounting policies during the current period, nor have there been any changes in existing significant accounting policies during the current period.

Significant or Unusual Transactions

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Audit Adjustments and Uncorrected Misstatements

Audit adjustments, other than those that are clearly trivial, proposed by us and recorded by ESUCC are included in the Summary of Recorded Audit Adjustments.

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Departure From the Auditor's Standard Report

Our report includes an other matter paragraph to identify supplementary information presented to supplement the financial statements for purposes of additional analysis. Our opinion is not modified with respect to these matters.

Observations About the Audit Process

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Letter Communicating Internal Control Related Matters and Constructive Suggestions

Please refer to the internal control related matters and constructive suggestions letter attached as Exhibit A.

Significant Written Communications Between Management and Our Firm

In connection with our audit, we received representation letters from management confirming it has the primary responsibility for the fair presentation in the financial statements in conformity with accounting principles generally accepted in the United States of America. The representation letters reduce to writing the more significant oral representations made by management during the course of the audit. A copy of these representation letters can be provided upon request.

Quality Review

A copy of our most recent quality review is attached to this correspondence.

REPORT ON THE FIRM'S SYSTEM OF QUALITY CONTROL

December 18, 2020

To the Partners of
Seim Johnson, LLP
and the Peer Review Committee of the Nevada Society
of Certified Public Accountants

We have reviewed the system of quality control for the accounting and auditing practice of Seim Johnson, LLP(the firm) in effect for the year ended June 30, 2020. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act; and audits of employee benefit plans.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Seim Johnson, LLP in effect for the year ended June 30, 2020, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Seim Johnson, LLP has received a peer review rating of *pass*.

Internal Control Related Matters and Constructive Suggestions

January 11, 2022

To the Council Members
Educational Service Unit Coordinating Council
La Vista, Nebraska

In planning and performing our audit of the financial statements of Educational Service Unit Coordinating Council (ESUCC) as of and for the year ended August 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered ESUCC's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of ESUCC's internal control. Accordingly, we do not express an opinion on the effectiveness of ESUCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following are descriptions of identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

Financial Statement Preparation

Many organizations rely on the auditor to assist with the preparation of the footnotes to the annual financial statements. Auditing standards emphasize that the auditor cannot be part of the system of internal control over financial reporting.

Preparation of ESUCC's basic financial statements and notes to the financial statements thereto requires a high degree of technical expertise and substantial experience in preparing such statements and notes. We understand ESUCC has made a conscious decision, based on cost benefit considerations, to not prepare the financial statements and related notes. We believe that this is not an uncommon situation for an organization such as yours. As a result, this could cause the ESUCC's basic financial statements to be misstated and not be detected by the ESUCC's personnel. We recommend management mitigate this situation by having a heightened awareness of the transactions being reported.

Segregation of Duties Over Financial Reporting

One important aspect of internal control over financial reporting is segregation of duties among employees to prevent an individual employee the ability to circumvent the system of internal control. In reviewing the financial reporting preparation process and controls, due to a limited number of administrative personnel, a lack of segregation of duties exists. In order to have proper segregation of duties, ideally, the following four items should be performed by separate individuals:

- *Authorization:* the process of reviewing and approving transactions.
- *Custody:* having access to or control over any physical asset (cash, checks, equipment, supplies, or materials) and intangible assets such as computer systems and data.

- *Recordkeeping:* the process of creating and maintaining departmental records (e.g. revenues, expenditures, etc.). These may be manual records or records maintained in automated computer systems.
- *Reconciliation:* verifying the processing or recording of transactions to ensure that all transactions are value, properly authorized, and properly recorded on a timely basis. This includes following-up on any differences or discrepancies identified.

Proper segregation of duties ensures an adequate internal control structure and, without this segregation, a greater risk of fraud and defalcation may exist. While we realize that it is not always economically feasible to employ additional personnel for the purpose of greater segregation of duties, we recommend ESUCC continue to review internal control policies and procedures and job assignments to ensure an adequate internal control structure.

The following are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving ESUCC's policies and procedures:

Governor's Emergency Education Relief Fund

ESUCC has received funding from the Governor's Emergency Education Relief (GEER) Fund through the Education Stabilization Fund (ESF) created by the CARES Act that was signed into law. The ESF was initially allocated $30 billion by the CARES Act, of which the state of Nebraska was allocated $151 million. The GEER funding was allocated to ESUCC for the purpose of providing infrastructure and devices to schools to close the digital gap and ensure continuity of learning. The GEER funding is available to be used for allowable expenditures through September 30, 2022. Total GEER funding allocated to ESUCC totaled $16.7 million. We recommend management monitor the timing of the obligation of the different GEER funds to ensure used within the period of availability and adhere to the allowable activities for use of GEER funds permitted by the State of Nebraska Department of Education.

This communication is intended solely for the information and use of the Coordinating Council, management within the organization, and the Nebraska Department of Education, and is not intended to be, and should not be, used by anyone other than these specified parties. We would be pleased to answer any questions you may have regarding the comments and suggestions contained in the preceding paragraphs.

Sincerely,

SEIM JOHNSON, LLP

1. Call to Order

Notice to visitors: To be heard at this meeting, the "Request to be Heard" form, must be completed and submitted to the Secretary to the Executive Director of ESUCC. The President of the Board of ESUCC will call upon visitors wishing to address the Board in the order they were submitted or by subject.

Pursuant to Section 84-1411 of the Nebraska Statutes, notice of this meeting was given by advertisement on the ESUCC website, NE Public Meeting site, and host site**.**

Open Meetings Law: Pursuant to Section 84 - 1412 of the Nebraska Statutes, the public is hereby informed that a current copy of the Nebraska Open Meetings Act is posted in this meeting room.

Closed Session:
The council may enter closed session during the meeting when it determines that doing so is appropriate and is authorized by the provisions of the Open Meetings Act.

Call to order at 11:30 AM.

Staff: Kraig Lofquist, Deb Hericks, Priscilla Quintana, Scott Isaacson, Rhonda Eis, Andrew Easton

2. Roll call

3. Agenda Item

3.1. GEER Fund Update
Technology Director shared an update on the Geers funding.

3.2. Future Ready Digital Learning Collaborative (FRDLC)
Roughly $4.5 - 5 million remaining GEER I funds will need to be focused on short-term items and those which can be contracted and paid by September, 2022. The Future Ready Nebraska Council met on January 25, 2022. At that meeting the Infrastructure, Data, Privacy and Security work group met and developed three goals and related action steps which can be supported with these funds:

1. All students will have access to Internet resources and digital devices during the school day and during non-school hours to achieve equity of access.
    1. Collect accurate data from households through districts' ADVISER digital equity responses, automated speed test agents and other means to determine which are un(der)-served with broadband Internet access.
    2. Continue to encourage use of ConnectEd Nebraska (eduroam) across the state.
2. Provide solutions and practices protecting the privacy and security of student data and network infrastructure while ensuring compliance with applicable laws and regulations.
    1. Implement multi-factor authentication.
    2. Implement a cybersecurity awareness curriculum and program (Proofpoint).
    3. Implement external network vulnerability testing and consulting.
    4. Promote and provide professional development around best practices for student privacy and policies.
3. Promote and train on the effective use of data to support instruction and educational decision-making.
    1. Build collaboration between the Data Visualization and Use Innovation Network, Data Cadre, ESUs and school districts who are already doing good work with data utilization.
    2. Provide a professional development course in Canvas for statewide access. This course has been developed by the Data Cadre. The process forward to access remaining GEER I funding is:

The GEER I funds were already officially allocated by the Governor at the start of the previous GEER process which ESUCC developed and operated. The Governor's staff wants to review and approve the updated plan before additional funds are spent. Dorann Avey, Tom Rolfes, Kristen Yates and Scott Isaacson are working with Jen Utemark at the NDE to secure this approval.

1. The existing contract between the NDE and the ESUCC will need to be reviewed and amended to support this change in work.

2. We will need to work quickly to contract and begin work and implementation of the components funded in this way to obligate and pay out the funds by September, 2022.

3.3. Hanover Research Discussion
Discussion who is using the Hanover Research product and to what extent. Will ask Lane if there can just be an ESUCC level license.

3.4. MSA 2022-2023
To be approved in February

3.4.1. NOC 2022-2023 Budget Requests

NOC members voted unanimously to change the budget to 100% flow through services and training with the understanding that it would also reduce the MSA. They would be invoiced for training as needed throughout the year.

Reviewed the NOC Budget requests.

3.4.2. TLT Affiliate 2022-2023 Budget Requests
$1500 for DigCit
$750 for MarshallMemo
Fall Training $3000
Spring Training $4000

Total = $9250
Reviewed the TLT Budget requests.

3.5. SIMPL Report
SIMPL has had the following updates in the last month.

- Value add update calculations have been updated to reflect the decisions of the Joint Bold Step Committee. The data shows savings from Staff Development and Technology. This cost savings data is only available to logged in persons.
- Nearly all service numbering migrations have taken place.
- Using the unified service catalog, data has been added to the service implementation report that leverages this consistency to showcase ESUs mental health support for schools. Also,
- ESU staff continue to collaborate and explore the data sets provided by SIMPL. The next meeting will be February 11.

SIMPL has had the following updates in the last month.

- ESU staff continue to collaborate and explore the data sets provided by SIMPL. The next meeting will be February 11.

3.6. Staff Reports

3.6.1. Scott Isaacson
The Technology Director gave an update on other areas. SRS is working on the process of managing forms. The 504 Plan has been sent out to the SRS Advisory group to go through and test and the group met and discussed some needed changes. This will be moving into production and go out for more testing from there. The Advisory Committee also discussed the funding for SRS in the MSA. Project Para includes courses in Canvas and being able to have registration and reporting. This will be available next week to begin adding new users. We will transition everyone to a new system this summer. NVIS is ready to be tested in April.

3.6.2. Andrew Easton
The Digital Learning Coordinator gave updates on his work with social professional development. They continue to work on getting teachers ready for the special project on social studies this summer. He continues to work to be more consistent in posting to all social media sites.

3.6.3. Rhonda Eis
The Project Coordinator gave updates on our Sora library. We have a remaining credit that should take us through this summer and plan to add funds to the library next budget year through the MSA. OER has been renewed for another year. The cost is split between ESUCC and NDE.

4. Next Meeting Agenda Items
Hanover Research

5. Adjournment
Meeting adjourned at 12:55 PM.

Committee Report

PROJECT NAME: Digital Learning - Instructional Materials
PROJECT COORDINATOR: Rhonda Eis
REPORT PERIOD: February 2022

ESUCC PD Library – Sora App

- 313 titles - 228 ebooks & 85 audiobooks
- Start Up Funds in 2019 - $15,313
    - $15,000 + $313 (OverDrive Promotion Credit)
- Credit Used (12/20/2019 thru 1/24/2022) - $12,755
    - Remaining Credit - $2,558
- Future funds
    - Will not need to invoice for this budget year
    - Next invoice in the fall 2022 - per 2022-23 MSA

Year	# Titles Purchased	Credit Used
2019-20	207	$7,089
2020-21	60	$2,334
2021-22	84	$3,332

Notes: Some of the recent purchases have been to renew books that had a 12 or 24 month access. Our total count in the library is 313. (85 audiobooks/228 ebooks)

Open Education Resources (OER) Project - Nebraska OER Hub

- Renewed January 2022 - Tier 1: Basic/SAML - $2,000 - cost split 50/50 with NDE
- Information provided by Dorann Avey (NDE) at the January TLT meeting
    - Content area creation/curation workshops may resume in the summer or next school year
        - Funds are available from NDE if an ESU has teachers who want to build content for the hub, contact Dorann for more information

TLT Updates

- February 9 & 10 Training was postponed due to Covid restrictions on tours. To be rescheduled later this spring.
    - UNMC IExcel VizHub - equipped with 2D/3D and AR/VR
    - UNO Biomechanics Lab - Center for Research in Human Movement Variability
    - AR/VR uses in the classroom using the iPad at ESU 3

Committee Report

PROJECT NAME: Digital Learning, Distance Learning, and Remote Learning

PROJECT DIRECTOR: Andrew Easton

REPORT PERIOD: January 2021

COMMITTEE REPORT: DIGITAL LEARNING COORDINATOR

Blended Learning/Personalized Professional Development Support

- Finalized the **PD for Me** one-pagers (a part of the Rule 84 work) to be distributed during the week of 1/31-2/4
    - January (December) Contributions By Topic
        - Gamification and Game-Based Learning (Andrew Easton)
        - Engaging Students with Choice and Voice - Digital Age Pedagogy (Nick Ziegler)
        - Universal Design for Learning + Blended Learning for All Learners (Eileen Heller)
        - Generational Awareness (Otis Pierce)
        - Five Quick Checks for Understanding (Lynne Herr)
    - In total, TLT has contributed nine topics and SDA contributed six topics out of the 15 needed for these mailers.
- Attended and collaborated with TLT Leadership at their PDO planning meeting.
- Attended and collaborated with the blended learning workgroup.
    - Met with Eileen Heller and Jody Bauer to discuss facilitating a vision, mission, and purpose for this group that expands blended learning to also encompass personalized learning, UDL, and makes connections to MTSS
    - This workgroup will rebrand and focus on creating content to share within TLT, all of PDO, and across our digital presence
- Continued conversations with Lori Broady, Mark Brady, Deb Paulman, Craig Hicks, Dawn Ferreyra, and Nick Ziegler regarding the TLT/SS SDA cadre's work with HQIM for SS in grades 4-8.
    - Statewide Social Studies Inquiry Supports
    - Special Project Proposal (Revised)
    - John Hopkins Social Studies Summary Analysis
    - **We have 34 teachers who have filled out our survey and 26 who have applied. We anticipate closing the acceptance window in early March.**

- Promoted this initiative with an episode of TheGoodLifeEDU Podcast

Collaborations

- Collaborated in planning for the 2022 Future Ready Conference.
  - Day one, John Spencer keynote, Day two, 2-3 Nebraska-based presenters.
- Co-facilitated the quarterly Future Ready Counsel meeting with Dorann Avey and Otis Pierce where we rewrote the five-year goals for Future-Ready Nebraska.
- Collaborated with Rhonda Eis on updating the ESUCC site.
- Ongoing collaboration with Brooke Kavan (ESU 7) and Kristen Slechta (ESU 9) on developing #SocialPD stories.

NVIS Efforts: Distance Learning and VFT

- Progress on the NVIS update has been put on pause until other initiatives are completed.
- During PDO, I designed the activity for the DL Coordinators to help create onboarding materials for distance learning courses and designed and led a similar initiative with a separate VFT group.
- At PDO, surveyed DL Coordinators regarding our potentially scheduling a VFT field visit day in May.
- Distance Learning courses were up in the 2020-2021 school year
  - 16.8% increase in the number of districts participating.
  - 8.3% increase in courses offered.
  - DEU dollars dropped from $964.91 (19-20) to $844.28 (20-21)

Professional Development

- AESA Virtual Federal Advocacy Committee Meetings (1/18-19/22)
- Listened in on a number of Legislative proceedings and Committee sessions

Professional Development Presentations

- None this month

Promotional Work

- Created 11 #WhatInspirESU Quote Graphics
- Created 10 The Good Life EDU Podcast video promo pieces
- Created 11 Did You Know? Graphics Promoting VFTs
- Created 2 new #SocialPD Stores
  - Handwriting by Caryn Ziettlow
  - Civil Discourse by Lori Broady
- Loaded posts into Tweetdeck and the Meta Business Suite so that we have content across Facebook, Twitter, and Instagram 5 out of 7 days for the next six weeks.
- Created three episodes of **The Good Life EDU** podcast.
  - Shows:

        - ***What Is Passion-Based Teaching?***, Andi McNair of ESC Region 12 in Texas and author of *Genius Hour* and *A Meaningful Mess*
        - ***The ESUCC Social Studies Special Project***, Lori Broady ESU 4 and Nick Ziegler ESU 5
        - ***The ESUs' Impact Series: Episode 4* on Special Education Services**, Joe Haney ESU 9, Sally Schreiner ESU 4, Jean Anderson ESU 10, and Brittany Shackleton ESU 2
        - **Broke 10,000 total downloads**

- Invested in Twitter promotional efforts.

Future Ready Digital Learning Collaborative

February, 2022 Update

Roughly $4.5 - 5 million remaining GEER I funds will need to be focused on short-term items and those which can be contracted and paid by September, 2022. The Future Ready Nebraska Council met on January 25, 2022. At that meeting the Infrastructure, Data, Privacy and Security work group met and developed three goals and related action steps which can be supported with these funds:

1. All students will have access to Internet resources and digital devices during the school day and during non-school hours to achieve equity of access.
    a. Collect accurate data from households through districts' ADVISER digital equity responses, automated speed test agents and other means to determine which are un(der)-served with broadband Internet access.
    b. Continue to encourage use of ConnectEd Nebraska (eduroam) across the state.
2. Provide solutions and practices protecting the privacy and security of student data and network infrastructure while ensuring compliance with applicable laws and regulations.
    a. Implement multi-factor authentication.
    b. Implement a cybersecurity awareness curriculum and program (Proofpoint).
    c. Implement external network vulnerability testing and consulting.
    d. Promote and provide professional development around best practices for student privacy and policies.
3. Promote and train on the effective use of data to support instruction and educational decision-making.
    a. Build collaboration between the Data Visualization and Use Innovation Network, Data Cadre, ESUs and school districts who are already doing good work with data utilization.
    b. Provide a professional development course in Canvas for statewide access. This course has been developed by the Data Cadre.

The process forward to access remaining GEER I funding is:

1. The GEER I funds were already officially allocated by the Governor at the start of the previous GEER process which ESUCC developed and operated. The Governor's staff wants to review and approve the updated plan before additional funds are spent. Dorann Avey, Tom Rolfes, Kristen Yates and Scott Isaacson are working with Jen Utemark at the NDE to secure this approval.
2. The existing contract between the NDE and the ESUCC will need to be reviewed and amended to support this change in work.
3. We will need to work quickly to contract and begin work and implementation of the components funded in this way to obligate and pay out the funds by September, 2022.

GEERS - Summary of Actual Receipts & Expenditures

Scott Isaacson Staff Report

February, 2022

SRS

The SRS team is focused on completing the 504 plan support companion to SRS. Initial versions of the electronic 504 forms are available on a testing site for SRS advisory board members to review and test. On January 31, 2022, advisory board members met to walk through the forms and provide feedback to the development team. This was a very positive and constructive meeting and resulted in very precise changes to language and structure of the forms. From the comments at the meeting, we feel this will be a very useful tool for our member districts. We are aiming to complete work on the system and have it available for early adopters during the summer of 2022, with more extensive review and testing before then.

Looking forward, we are investing in optimizing the database and software code of SRS behind the scenes so that it performs at its best and is even more extensible into the future.

SRS Cost Structure

We are proposing generally a 5% cost increase to the SRS cost structure as shown in this table:

2022-2023 – no increase	**2023-2024**	**Tier**
$174	$183	<100
$452	$475	100-249
$901	$946	250-499
$2,705	$2,840	500-999
$3,607	$3,787	1000-1999
$4,508	$4733	2000-3999
$8,584	$9013	4000-17999

It is also proposed that each ESU's portion of the cost be raised from $5500 to $5700 annually in the ESUCC-ESU master services agreement. The increase is needed due to routine increases in most operating expenses such as health insurance, salaries, and software licenses needed to develop, maintain and host the software. The 2022-2023 tier-based costs will be

billed in May, 2022 and the 2023-2024 tier-based costs will be billed in May, 2023. The ESU flat-rate costs are billed in September of each year.

SRS is in a better place than it was 2-3 years ago. Helpdesk requests are caught up and answered normally within the same day. When problems are identified through your input or helpdesk requests, they are addressed quickly. Improved testing and quality control processes are in place to ensure that the SRS software continues to improve and perform as expected when updates are released. Looking forward, we are investing in optimizing the database and software code of SRS behind the scenes so that it performs at its best and is even more extensible into the future.

We are excited to complete and release the 504 plan companion to SRS and feel it will be of great value to our member school districts. It is our understanding that the cost of the 504 system will need to be accounted differently at all levels --- ESUCC, ESUs and school districts, to ensure that non-IDEA funds are used to develop and support it. We have invested in developing the initial version and will release it for early adopters at no cost for some period of time (to be discussed by this advisory board, probably the 2022-2023 school year). Around December, 2022, we will need to work together to project and establish a maintenance and improvement cost for the 504 system to keep it on a solid footing along with SRS.

Project PARA

The new Project PARA software is in final review and testing and is planned to be opened for new user registrations by February 11, 2022. This includes software to accept user registrations, Canvas courses with the paraeducator content, and data collection and reporting of coursework in progress and completed. Users of the existing Project PARA software will be transitioned to the new system in the summer of 2022.

NVIS

During the SRS/504 and Project PARA work, NVIS has been worked in the background/fill-in when other work is blocked. It is also nearly finalized and will take focus as those projects move into testing and release. The new NVIS is scheduled to be released by April 1, 2022.

PDO Training Form

Contact Person/Affiliate Chair: Ryan McDowell

1. Call to Order

Notice to visitors: To be heard at this meeting, the "Request to be Heard" form, must be completed and submitted to the Secretary to the Executive Director of ESUCC. The President of the Board of ESUCC will call upon visitors wishing to address the Board in the order they were submitted or by subject.

Pursuant to Section 84-1411 of the Nebraska Statutes, notice of this meeting was given by advertisement on the ESUCC website, NE Public Meeting site and host site**.**

Open Meetings Law: Pursuant to Section 84 - 1412 of the Nebraska Statutes, the public is hereby informed that a current copy of the Nebraska Open Meetings Act is posted in this meeting room.

Closed Session:

The council may enter closed session during the meeting when it determines that doing so is appropriate and is authorized by the provisions of the Open Meetings Act.

The meeting was called to order at 1:45 PM.

Staff: Kraig Lofquist, Deb Hericks, Priscilla Quintana, Scott Isaacson

2. Roll Call

3. Agenda Item

3.1. EHA presentation
Linda Kenedy was present to share updates from EHA utilizing Headspace.

3.2. SEBL Update
The JEM team were present to share updates on Social Emotional and Behavioral Learning.

3.3. Special Populations

3.3.1. NDE Special Education Update
Amy Rhone was present to give updates from NDE Special Education Department. NE Part B and C State Performance Plan/Annual Performance Report has been submitted. Working on the annual risk analysis (NECounts Risk Anaylisis). The equity team is working on disproportionate representation, significant disproportionality, discipline. Created a guidance document for developing local policies and procedures that are required for the implementation of Special Education Part B regulations in Nebraska's public schools. NASES/NDE Joint Conference will be on February 17th/18th in Lincoln, NE. This summer they are planning an ESU SPED/Superintendent Road-Show across the state.

3.3.2. ESPD Report
GEraldine Erickson gave the report for ESPD. They are working with their districts disproportionally.

3.3.3. Mental Health and Wellness

3.3.3.1. NDE Mental Health Grant
Nothing to report.

3.3.4. ESSER - Preschool Program
Nothing to report.

3.3.5. UNL Psychology/Counselor Grant
Beth Doll is requesting help in identifying 2-3 people who could provide an ESU perspective into the questions that we're asking and how these are phrased? And by helping us create a list of rural school psychologists and school counselors who could be invited to participate in the survey?

Beth Doll is requesting help in identifying 2-3 people who could provide an ESU perspective on the questions that will be asked and how these are phrased? Send the names of likely people to the Executive Director.

3.3.6. SRS Staff Report
The Technology Director gave an update from the SRS Department. The team has been working on the development of the 504 plans into SRS. They have met with the Advisory team to go through the forms and discuss the information within the forms. The advisory committee also discussed the MSA SRS fees for 2022-2023. They are proposing an increase of $200 in the Admin fee and also a 5% increase in the tier structure.

3.4. PDO (Professional Development Organization)

3.4.1. High Quality Instructional Materials Support (HQ-IM)
Cory Epler was present to give updates on HQIM. Discussion on the school calendar and modifying instructional time, be sure to leverage HQIM support to ensure student learning. A team came together to plan/design the maximization of student learning and learning acceleration. There is a statewide contract for Zearn Math and there will be some additional accounts available for next year. The work with CSI schools are 27 of the lowest schools in the state. ESUs are also used to support this process.

3.4.2. PDO Workgroups Rule 84 Updates
Mark Brady was present to give an update from the Educator Effectiveness Work Group.

3.4.3. SDA Report
Please review the SDA report notes.

3.4.4. TLT Special Project and Social Studies Cadre
Special Project work with Social Studies is working on securing the teachers to help the work this summer.

3.4.5. PDO Meetings

3.4.6. NDE Updates
Talking points will be coming out soon.

3.4.7. Monthly Talking Points

4. MSA 2022-2023
To be approved in February

4.1. ESPD Affiliate 2022-2023 Budget Requests
ESPD would like to continue with their request for $2000 to have "legal" attend their meetings. In the past, it has been KSB that attended their meetings.

4.2. SDA Affiliate 2022-2023 Budget Requests
SDA November Meeting - $8100 plus onsite fee (Instructional Coaching)
SDA April Training - $0 plus onsite fee (NDE Working with Designation Schools)
SDA Strategist Meeting $500 - plus onsite fees (Resources)
SDA Main Idea - $750 (Resource)

Total - $9350 plus onsite registrations fees

4.3. MSA PDO Fees
Last year's fee was $3,653. If nothing changes between now and next month, the fee will be $1,962.

4.4. SRS Fees/Tier Structure
Recommend increase of SRS Admin Fee from $5500 to $5700 and a 5% increase in tier structure.

2022-2023 - no increase	2023-2024	Tier
$174	$183	<100
$452	$475	100-249
$901	$946	250-499
$2,705	$2,840	500-999
$3,607	$3,787	1000-1999
$4,508	$4733	2000-3999
$8,584	$9013	4000-17999

CLIENT SERVICES AGREEMENT
#636

ESU Coordinating Council 6949 So. 110th Street LaVista, NE 68128	and	INSTRUCTIONAL COACHING GROUP PO BOX 35 North Loup, NE 68859

The Instructional Coaching Group looks forward to partnering with you! Please read this agreement in its entirety before signing.

THIS AGREEMENT is made and entered into by and between Instructional Coaching Group, LLC (Jim Knight or Individual Consultant and ESU Coordinating Council.

IT IS THE PURPOSE OF THIS AGREEMENT to provide ESU Coordinating Council with Instructional Coaching Professional Development.

This agreement supersedes all other agreements made between ESU Coordinating Council and the Instructional Coaching Group.

THEREFORE, IT IS MUTUALLY AGREED THAT:

STATEMENT OF WORK
Instructional Coaching Group, LLC, shall furnish the necessary personnel, equipment and/or service(s) and otherwise do all things necessary for or incidental to the performance of the work required in the provision of Instructional Coaching Professional Development.

All parties understand that the resources and training received are the intellectual property of Instructional Coaching Group and are not to be replicated in any way.

If the work referenced below is for offsite virtual training, Instructional Coaching Group will conduct each workshop through the Zoom platform. The sessions cannot be recorded and are the intellectual property of Instructional Coaching Group.

PERIOD OF PERFORMANCE
Subject to its other provision, the period of performance of this contract shall commence on November 8, 2022.

SCHEDULED DATES ARE AS FOLLOWS:

DATE	SCOPE	PRESENTER	COST
November 8, 2022	Coaching for Positive Classsrooms (in-person)	Michelle Thomas	$6,500

These dates can be amended with the agreement of both parties.

PAYMENT
The parties have determined that the cost of accomplishing the work herein will be $6,500 (see above schedule.) This does not include the cost of resources. Payment for satisfactory performance of the work shall not exceed this amount unless the parties mutually agree in writing to a higher amount. Work will be invoiced following the first day of work listed above.

Materials are not included in the above pricing.

Required Resources:

Coaching for Positive Classrooms Workbook: $20/per person

BILLING PROCEDURE

Instructional Coaching Group, LLC, will send invoice(s) to:

ESU Coordinating Council	Attn: Deb Hericks	dhericks@esucc.org

Payment to the Instructional Coaching Group, LLC, for approved and completed work will be made within 30 days of the event. Invoices with unpaid balances that extend beyond 30 days will be charged an additional $250 fee for every month it goes unpaid. Payment made before the engagement date is preferred, but not required. This policy will be enforced.

Please send all payments to:
Instructional Coaching Group
Attn: Ruth Ryschon
P.O. Box 35
North Loup, NE 68859

CONTRACT ALTERATIONS AND AMENDMENTS

This contract may be amended by mutual agreement of the parties. Such amendments shall not be binding unless they are in writing and signed by personnel authorized to bind each of the parties.

TERMINATION

Either party may terminate this Contract or a scheduled event upon 40 days prior written notification to the other party. If this Contract is so terminated, the parties shall be liable only for the performance rendered or costs incurred in accordance with the terms of this Contract prior to the effective date of termination. If this contract is terminated within 20 days of the event date the party will have one calendar year to make up the contracted work. In the event of cancellation, all nonrefundable travel expenses incurred will be charged.

ICG associates/consultants will do everything within their power to get to their contracted commitments, but from time to time, travel cancellations do occur due to weather or mechanical issues that are beyond their control. In these instances, ICG is not responsible for any expenses that may have been incurred by the contractee. In an event of this nature, ICG will work with the contractee to reschedule the event as soon as possible, to the satisfaction of both parties. If any travel expenses have been incurred by the consultant (flight change fees, hotel stays), the contractee is responsible for reimbursing these costs. This policy will be enforced.

ALL WRITINGS CONTAINED HEREIN

This contract contains all the terms and conditions agreed upon by the parties. No other understandings, oral or otherwise, regarding the subject matter of this Contract shall be deemed to exist or to bind any of the parties hereto.

IN WITNESS WHEREOF, the parties have executed this Contract.

Are there any studies that have looked at the impact of Headspace on health?

Yes! The Headspace science team is committed to studying the impact and efficacy of the app on various mental and physical health outcomes. Thus far, Headspace has been shown to reduce stress and symptoms of depression and anxiety among employed adults, and improve the quality of life for asthma and cancer patients, as well as caregivers. Currently underway are studies investigating the impact of Headspace on smoking cessation and outcomes in chronic disease populations.

More information about the published pilot studies using Headspace:

- In a study with university students, 3 weeks of Headspace resulted in 23% more compassionate behavior.*
- In another study with students, 3 weeks of Headspace resulted in 57% less aggressive behavior.*
- In a study examining Headspace impact on mind-wandering and distraction, 4 weeks of Headspace resulted in 14% increase in focus.*
- **Headspace decreases stress.** An internal study that was published in the top mindfulness journal found that only 10 days of Headspace reduced stress by 14%.*
- **Headspace can make people kinder to others.** Separate studies conducted by Northeastern University found that 3 weeks of Headspace increased compassion by 23% and reduced aggression by 57%. In addition, an internal study found 10 days of Headspace reduced irritability by 27%. **And, Headspace can make people kinder to themselves.** A study with health professionals found that only 10 days of Headspace improved self-compassion. *
- **Headspace can make people happier overall.** A study with students found that just 10 days of Headspace increased positivity and well-being. *

*The Headspace science team is committed to conducting research on our product to ensure it delivers benefits to our users. While the research is in progress, it's important to note that Headspace is not intended to diagnose, treat, cure, or prevent any disease or medical condition. Check out www.headspace.com/science for more info on the research.

NDE Mental Health Grant Scope of Work

EXPECTATIONS:

1. ESU will send at least one staff member to the School Mental Health Institute to become a trainer of the Comprehensive School-Based Mental Health Program Curriculum
2. ESU will plan for and host a School Mental Health Institute each project year for at least 2 schools/districts in their service area
3. ESU will recruit schools/districts in their service area to attend these Institutes
4. ESU will provide ongoing Technical Assistance to schools/districts participating in the School Mental Health Institutes
5. ESU will participate in data collection related to the grant

DELIVERABLES:

1. At least one ESU staff member will participate in the virtual 3-day School Mental Health Institute, in its entirety, to become a trainer of the Comprehensive School-Based Mental Health Program Curriculum. This Institute is scheduled for September 28-30, 2021, from 8am-3pm Central Time.
2. Designated ESU staff member(s) will attend all scheduled Technical Assistance meetings with the State School Mental Health Team, school districts and/or Mid-America Mental Health Technology and Transfer Center (MHTTC). Dates and time for these meetings are to be determined, and should last approximately one hour.
3. Collect and report the data to the Project Evaluation Team. Data will be reported to the Project Evaluation Team at the conclusion of each School Mental Health Institute attended or hosted, and as requested.
4. By March 1, 2022, ESU will complete the SHAPE System Assessment and share results with the NDE School Mental Health Team
5. By March 1, 2022, ESU will submit a plan to host a School Mental Health Institute to the State Mental Health Team. The plan will include:
    a. How many schools/districts will be invited to attend the Institute
    b. The ESUs' plan for recruiting schools/district to attend the Institute
    c. The proposed dates for the Institute
    d. ESUs plan for providing ongoing Technical Assistance to schools/districts that participate in the Institute
6. By July 31, 2022, ESU will host a School Mental Health Institute for at least 2 districts/schools in their service area
7. Provide ongoing Technical Assistance to schools/districts participating in the School Mental Health Institutes

Financial Support for ESUs

The NDE will provide financial support to ESUs to support this work in the following manner:

- Attend School Mental Health Institute hosted by the NDE and MHTTC - $5,000 to be paid after attending the Institute in its entirety
- Attend all Technical Assistance calls hosted by the NDE and MHTTC - $5,000 to be paid after completion of all Technical Assistance calls
- Create and submit to the NDE School Mental Health Team a plan for how and when ESU will host its own School Mental Health Institute - $45,000 to be paid after submission of plan
- Host School Mental Health Institute for at least 2 school districts/buildings within service area - $45,000 to be paid upon completion of Institute
    - ESU will be paid $12,000 for each district/school that completes Institute

Financial Support for School Districts

The NDE will also provide financial support on a one-time basis to districts/schools who participate in an ESU hosted School Mental Health Institute. After completion of an ESU hosted School Mental Health Institute, the ESU will submit to the NDE School Mental Health Team the Action Plans and Budgets created by each district/school. The NDE will allocate funds needed for district/school to the ESU upon receipt of these documents. The ESU will then distribute these funds to the identified district/school.

The district/school participating in the School Mental Health Institute may choose up to 2 areas of financial support from the list provided below. Areas chosen must correspond with goals selected from the school/district's Action Plan.

Stipends for school staff to attend training – to be paid after completion of School Mental Health Institute	$150 per staff person on the team
Stipends for school staff to attend monthly Technical Assistance (TA) Meetings – to be paid after completion of all TA Meetings	$150 per staff person to attend all TA Meetings
Universal Screener for students	Limited to $5 per student that will be screened
Telehealth equipment	up to $2,000
Evidence Based Curriculum to help support the work	up to $10,000
FTE/contract position for Mental Health Therapist	up to $30,000
Tier 2 interventions- small group intervention	up to $10,000 for staff time
Development of Calm Corners	up to $6,000

Expectations for Districts that participate in School Mental Health Institutes

Below are a set of expectations for each school district that participates in a School Mental Health Institute.

The purpose of all activities or services is to:

- Enhance the Local Education Agency's (LEA) ability to identify and immediately respond to the mental health needs of students

- Increase the continuum of school-based and community-based mental health services available to students at the LEA Site.

The District will achieve these purposes by:

1. Establishing a School Mental Health Team consisting of 3-7 members
    a. At least 1 must be an administrator; other potential team members include school counselor, school social worker, school psychologist, teacher, school nurse and/or parent or family member
2. School Mental Health Team attending a School Mental Health Institute hosted by ESU. During this 3-day Institute, participants will learn how to develop a Comprehensive School-Based Mental Health Program, utilizing modules co-developed by the Mental Health Technology Transfer Center and the National Center for School Mental Health;
3. Developing an Action Plan for creating a Comprehensive School-Based Mental Health Program at school/district and implement Action Plan throughout the upcoming school year
4. Maintaining the School Mental Health Team, which continues to meet on a regular basis to plan and implement the necessary infrastructure to achieve the goals established in the Site's Action Plan.
5. The School Mental Health Team participating in regularly scheduled Technical Assistance meetings with the ESU
6. Participating in data collection related to the grant, as requested by the Project Evaluation Team
7. Participating in site-specific technical assistance provided by the Project Evaluation Team, tailored to the types of questions the LEA Site seeks to answer through evaluation data.
8. Working collaboratively with the State Mental Health Team, local Educational Service Unit (ESU), University of Nebraska Public Policy Center and key project partners to coordinate the project's implementation.
9. Submitting a ***Sustainability Plan*** to maintain the LEA Site's Comprehensive School-Based Mental Health Program.

SRS Staff Report

February, 2022

504 Plan Support

The SRS team is focused on completing the 504 plan support companion to SRS. Initial versions of the electronic 504 forms are available on a testing site for SRS advisory board members to review and test. On January 31, 2022, advisory board members met to walk through the forms and provide feedback to the development team. This was a very positive and constructive meeting and resulted in very precise changes to language and structure of the forms. From the comments at the meeting, we feel this will be a very useful tool for our member districts. We are aiming to complete work on the system and have it available for early adopters during the summer of 2022, with more extensive review and testing before then.

SRS Cost Structure

We are proposing generally a 5% cost increase to the SRS cost structure as shown in this table:

2022-2023 – no increase	**2023-2024**	**Tier**
$174	$183	<100
$452	$475	100-249
$901	$946	250-499
$2,705	$2,840	500-999
$3,607	$3,787	1000-1999
$4,508	$4733	2000-3999
$8,584	$9013	4000-17999

It is also proposed that each ESU's portion of the cost be raised from $5500 to $5700 annually in the ESUCC-ESU master services agreement. The increase is needed due to routine increases in most operating expenses such as health insurance, salaries, and software licenses needed to develop, maintain and host the software. The 2022-2023 tier-based costs will be billed in May, 2022 and the 2023-2024 tier-based costs will be billed in May, 2023. The ESU flat-rate costs are billed in September of each year.

SRS is in a better place than it was 2-3 years ago. Helpdesk requests are caught up and answered normally within the same day. When problems are identified through your input or helpdesk requests, they are addressed quickly. Improved testing and quality control processes are in place to ensure that the SRS software continues to improve and perform as expected when updates are released. Looking forward, we are investing in optimizing the database and software code of SRS behind the scenes so that it performs at its best and is even more extensible into the future.

We are excited to complete and release the 504 plan companion to SRS and feel it will be of great value to our member school districts. It is our understanding that the cost of the 504 system will need to be accounted differently at all levels --- ESUCC, ESUs and school districts, to ensure that non-IDEA funds are used to develop and support it. We have invested in developing the initial version and will release it for early adopters at no cost for some period of time (to be discussed by this advisory board, probably the 2022-2023 school year). Around December, 2022, we will need to work together to project and establish a maintenance and improvement cost for the 504 system to keep it on a solid footing along with SRS.

Coop Directors report to ESUCC Board
submitted by: Craig Peterson
February 3, 2022

1. **Consent Agenda Items for Coop**
    a. I took the liberty after last months discussion to ask Justin Knight their take on consent agenda items and approving Coop Contracts. His response was:
    "In terms of your question about approving all contracts via a consent agenda, in my opinion, the proposal you presented ("Approve AEPA agreements and Extensions as listed in Agenda Item# and have the Executive Director sign contracts with each vendor, upon a favorable review by the ESUCC Attorney") with each contract listed in the consent agenda and the rationale provided for each contract would be permissible under the law. Per a well-respected education law treatise: "Within an agenda may be a consent agenda. This is a list of "unopposed business items awaiting a deliberative assembly's vote or automatic adoption … approved without debate unless a member objects." This practice has become common." Rapp, 1 Ed. Law § 3.06(5)(d)(ii). Under Nebraska's Open Meetings Act, as long as the agenda clearly lays out the agreements to be considered as part of the consent agenda (such as listing each of them), and there is a record of the ESUCC Board approving them (such as in the Board minutes), then, in my opinion, you could permissibly approve all contracts by consent agenda. Anecdotally, I believe that larger school districts use the consent agenda for this very purpose -- to expedite non-controversial business items to spend more time discussing more substantive topics."
2. **Annual/Paper Buy**
    a. **Definition of the Annual Buy:** This is a line item bid were vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,600 items are published and distributed schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.
    b. **2022 ESUCC-Annual Buy**
        i. Training's have been conducted across 8 dates
            1. 84 individuals registered for training
            2. Representing 64 School Districts
    c. Annual Buy Catalog creation – This process consumes a large amount of time for Coop staff during the months of January and February. It began January 10th with extracts from IonWave (Sourcing Software) being provided and all three Coop staff members working continuously throughout January leading up to the opening of the Paper

catalog on February 2 and the Annual Buy catalog on February 16. Staff review previous year's descriptions against this year's awards and if the Manufacturer numbers are the same they copy the product description used last year and paste it into the catalog file. If it doesn't match then we create a new description for it.

d. 2022 Paper & Annual Buy Key dates for schools
    i. Paper Buy Catalog Opens - February 2, 2022
    ii. Paper Buy Order Deadline Schools/Members – March 9, 2022
    iii. Annual Buy Catalog Opens - February 16, 2022
    iv. First Day for 400 Paper delivery - April 11, 2022
    v. Annual Buy Teacher/Staff deadline – April 8, 2022
    vi. First Day for Annual Buy delivery - May 23, 2022
    vii. Delivery Deadline for 400 Paper - June 14, 2022
    viii. Delivery Deadline Annual Buy Items - July 22, 2022

3. Special Buys

a. **Definition Special Buy:** Contracts are negotiated agreements with exclusive pricing to ESUCC Cooperative Purchasing members. These contracts may range from one to three years. Within the agreement, terms shall be explicitly defined as to both parties' expectations and the scope of the agreement.

i. Sysco Extension

1. I met with the Sysco team about the extension on January 28th. We discussed the opportunity with AEPA for Kitchen Equipment through their sister company called Supplies on the Fly. Zach was going to visit with Supplies on the Fly and make them aware of this opportunity.

ii. **NetSupport Inc.**

1. NetSupport School is the market-leading classroom management and instruction solution, providing a wealth of monitoring, control, collaboration and assessment features to help maximize the benefits of technology-led teaching – supporting all students' learning styles.
2. Working seamlessly across all types of platforms and devices – and specifically designed in consultation with teachers to meet their needs in the classroom

iii. Voss Lighting

1. This contract expires August 31, 2022 and is an extension to the 2016 RFP where we only had one vendor (Voss Lighting) respond to the RFP. Current contract includes Lighting bulbs and ballasts. New contract would include indoor/outdoor fixtures and other services not currently under contract. The Special Buy contract versus an extension of the RFP means a difference of 1.5% in Administrative fees. Current Admin fees collected are at 3.5% and a Special Buy agreement would be at 2%.
2. Discussions with Voss about creating a Facility Managers discussion group where they are able to discuss different issues in each district and solutions. This would also give the ESUCC a method to communicate

with these contacts, a group we currently do no have from either NDE, NCSA, or conference contacts for facility managers.

iv. **Syscloud Addendum**
    1. The addendum will add Google Classroom Backup under contract.

v. **Dreambox/Reading Plus**
    1. With the acquisition of Reading Plus by Dreambox Learning we will have both companies offering under one contract.
    2. Dreambox is a K–8 math skills progam.
        a. Helps teachers identify learning gaps
        b. Data dashboard tracks progress for both teachers and administrators.
        c. Personalized lessons for each student, lesson differentiation
        d. Immersive and interactive math lessons
        e. On-demand or live courses for educators

4. AEPA

a. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 29 states. AEPA is a voluntary run organization and asks for volunteers from the membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.

i. **Spring Meeting**
    1. The 2022 Spring meeting will be held in Orlando, Florida. It is planned that all Coop staff will travel to the meeting. Staff will then have time to visit with each contracted vendor during vendor round tables where sales and/or marketing is discussed.
    2. 2022.5 solicitation awards
        a. Career Tech Ed
        b. Kitchen Supplies

5. Additional Information

a. **Amazon Business**
    i. I met over Zoom with Frank Krimowski and Neha Verma on January 27. They will in turn meet with their management team this week. Both told me they are close in making a decision about the discussed contract.

b. **Zoom communications with the following vendors/organizations throughout the Month:**

1. Zoom call with Staples state representative to discuss reorganization of their staff
2. Zoom call with IonWave to discuss future bid extracts and our timeline with IonWave developers.
3. In person meeting with Dreambox/Reading Plus sales representative Rachel Ring.
4. LastPass webinar
5. Call with AEPA Executive Committee to discuss website updates
6. Zoom Call with Renaissance Sales representative for Nebraska Heather Miller to discuss updates and adding product to the ESUCC Marketplace.
7. Zoom call with Voss Lighting (Mike Little and Randy Herrick) to discuss Marketing and contract renewal.
8. Call with Amazon Business to discuss contract and clarify questions with Frank Krimowski and Neha Verma
