NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

2025-2029 – ESUCC Food Agreement

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Sysco Lincoln, ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and

Members. This fee will be submitted to the Cooperative on a monthly basis beginning two months from the Effective Date of this Agreement for all transactions completed and paid during said month.

4. **Term.** This Agreement is effective on the 1st day of August 2025 ("Effective Date") and shall continue until 12:00 midnight (CST) on the 31st day of July 2026, unless terminated earlier as provided by this Agreement or by law. ESUCC reserves the option to negotiate three (3) one-year extensions. Extension negotiations will be for the Bidders "Fixed Fee" amount only. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

5. **Duration of Services Purchased.** If this Agreement, for any reason, terminates before the service end date of any agreement or license between a Member and the Contractor, the Contractor shall continue, maintain, and make such Services available to such Member until the agreed upon date between the Contractor and Member or until the term for the service expires. For example, if the Contracted Services allow a member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.

6. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

7. **Termination.**

A. The ESUCC may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The ESUCC shall notify the Contractor as soon as practicable if funds to meet the ESUCC's obligations become

unavailable. The determination of the ESUCC as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The ESUCC may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;

(2) Makes a general assignment for the benefit of creditors;

(3) Files a voluntary petition of bankruptcy;

(4) Suffers or permits the appointment of a receiver for its business or assets;

(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or

(6) Has wound up or liquidated, voluntarily or otherwise.

E. The ESUCC may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the ESUCC all papers, materials and other property of the ESUCC then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the ESUCC.

8. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the ESUCC and its officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the ESUCC in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

9. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

10. Public Records. The Contractor acknowledges that the ESUCC must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

11. Publicity. The ESUCC does not endorse the goods or services of the Contractor. Except for listing the ESUCC as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the ESUCC.

12. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all Subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined

by Nebraska law, during the performance of this Agreement while on ESUCC or Member premises or at ESUCC or Member related functions. The Contractor and all Subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on ESUCC or Member property or at ESUCC or Member related functions. The Contractor and all Subcontractors, if any, also shall adhere to all ESUCC's or Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on ESUCC or Member premises or at ESUCC or Member related functions. Failure to comply with this provision may be considered a material breach. The ESUCC or Member may suspend or terminate the Contractor, Subcontractor, or both if it violates these laws, regulations, or policies or this provision.

13. **Nondiscrimination.** The Contractor and all Subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

14. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a ESUCC employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

15. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any Subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the Subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

16. **Taxpayer Identification.** Contractor's federal employer identification number is: 47-0445654

20. Order of Preference.

The RFP and any requirements therein are hereby incorporated into the Agreement. In the case of any inconsistency or conflict among the specific provisions of this Agreement (including any amendments accepted by both the ESUCC and the Contractor attached hereto), the RFP (including any subsequent addenda) (Exhibit C), and Contractor's Response (Exhibit D), any inconsistency or conflict shall be resolved as follows:

A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

22. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

24. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the ESUCC, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

25. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the ESUCC.

26. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the ESUCC.

27. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not

constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

28. Rights and Remedies Cumulative. Any enumeration of the ESUCC's rights and remedies set forth in this Agreement is not exhaustive. The ESUCC's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the ESUCC's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer-employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as my from time to time be provided by written instrument signed by both parties.

REQUEST FOR PROPOSALS (RFP)

BID: RFP-2025-FDPRG

1. Overview

1.1 The Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Cooperative Purchasing Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

1.2 ESUCC Cooperative Purchasing is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district,

1.3 In a continuing effort to provide quality food products and food related services to ESUCC affiliated schools and members, ESUCC will accept sealed Bid Proposals for the Food Program. The Food Program has been in existence since 2001 (24 years). ESUCC represents 17 ESU's statewide, who in turn service approximately 244 school districts offering food programs. The Food Program award will provide ESU affiliated schools and members the opportunity to purchase food and related items on a weekly or monthly basis.

1.4 This RFP is based on a need for ESUCC to provide the economic benefits of volume purchasing and reduction in administrative costs for the best use of Federal, State, and local funds through cooperative purchasing by schools and members. Although Bidders may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to ESUCC members will not be considered. The vendor agrees this offer is made exclusively to Educational Service Unit Coordinating Council (ESUCC), ESUCC affiliated schools, and members.

ESUCC
FOOD PROGRAM

REQUEST FOR PROPOSALS (RFP)

BID: RFP-2025-FDPRG

1. Overview

1.1 The Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Cooperative Purchasing Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

1.2 ESUCC Cooperative Purchasing is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of the State of Nebraska.

1.3 In a continuing effort to provide quality food products and food related services to ESUCC affiliated schools and members, ESUCC will accept sealed Bid Proposals for

the Food Program. The Food Program has been in existence since 2001 (24 years). ESUCC represents 17 ESU's statewide, who in turn service approximately 244 school districts offering food programs. The Food Program award will provide ESU affiliated schools and members the opportunity to purchase food and related items on a weekly or monthly basis.

1.4 This RFP is based on a need for ESUCC to provide the economic benefits of volume purchasing and reduction in administrative costs for the best use of Federal, State, and local funds through cooperative purchasing by schools and members. Although Bidders may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to ESUCC members will not be considered. The vendor agrees this offer is made exclusively to Educational Service Unit Coordinating Council (ESUCC), ESUCC affiliated schools, and members.

The Bidder must promptly notify the EUSCC of any errors and/or omissions that are discovered. Tips for evaluating a Manufacturer's Product Formulation Statement can be found at https://www.fns.usda.gov/cn/labeling/tips-evaluating-pfs

Title:	RFP-2025-FDPRG
Type:	Competitive Sealed Proposal
Issue Date:	2/3/2025
Deadline:	3/5/2025 04:00 PM (CT)
Notes:	The Educational Service Unit Coordinating Council (ESUCC) is a Nebraska political subdivision tasked with coordinating statewide efforts to provide the most cost-effective services for the students, teachers, and school districts in each educational service unit (ESU). The ESUCC is composed of one administrator from each of the 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students. The ESUCC's duties include, but are not limited to: (a) Preparation of strategic plans to assure the cost-efficient and equitable delivery of services across the state; (b) Administration of statewide initiatives and provision of statewide services; and (c) Coordination of distance education. More information about the ESUCC can be found at http://www.esucc.org. ESUCC Cooperative Purchasing is authorized to coordinate purchases for public school districts, nonpublic school systems, other ESUs, and other public agencies, including any county, city, village, school district, or agency of the state government, any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of the State of Nebraska.

In a continuing effort to provide quality food products and food related services to ESUCC affiliated schools and members, ESUCC will accept sealed Bid Proposals for the Food Program. The Food Program has been in existence since 2001 (24 years). ESUCC represents 17 ESU's statewide, who in turn service approximately 244 school districts offering food programs. The Food Program award will provide ESU affiliated schools and members the opportunity to purchase food and related items on a weekly or monthly basis.

This solicitation is based on a need for ESUCC to provide the economic benefits of volume purchasing and reduction in administrative costs for the best use of Federal, State, and local funds through cooperative purchasing by schools and members. Although Bidders may restrict sales to certain public units (for example, state agencies or local government units), any contract that prohibits sales from being made to ESUCC members will not be considered. The vendor agrees this offer is made exclusively to Educational Service Unit Coordinating Council (ESUCC), ESUCC affiliated schools only, a bid for other non-K12 members will be solicited separately.

2025-2028
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Voss Electric dba ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a calendar quarter basis beginning from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on April 15, 2025 ("Effective Date") and shall continue until 12:00 midnight (CST) on August 31, 2028, unless terminated earlier as provided by this Agreement or by law. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

5. **Duration of Services Purchased.** If this Agreement, for any reason, terminates before the service end date of any agreement or license between a Member and the Contractor, the Contractor shall continue, maintain, and make such Services available to such Member until the agreed upon date between the Contractor and Member or until the term for the service expires. For example, if the Contracted Services allow a member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.

6. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

A. **Definition of Data.** Data include all Personally Identifiable Information (PII), Member Data, and other non-public information. Data include, but are not limited to, student data, metadata, and user content.

B. **Definition of Member Data.** Member Data includes all PII and other information that is not intentionally made generally available by the Cooperative, ESUCC, ESUs, or its Members on public websites or publications, including but not limited to business, administrative and financial data, intellectual property, and student and personnel data and metadata.

C. **Definition of Personally Identifiable Information.** Personally Identifiable Information includes but is not limited to: personal identifiers such as name, address, phone number, date of birth, Social Security number, and student or personnel identification number; "personal information" as used in Neb. name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.

F. **Marketing and Advertising.** Contractor will not use any Data to advertise or market to students or their parents. Advertising or marketing may be directed to the Cooperative, ESUCC, Members, or their school districts only if student information is properly de-identified."

L. **Data Transfer or Destruction.** Contractor will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the Contractor may have transferred Data, are destroyed or transferred to the Cooperative under the direction of the Cooperative when the Data are no longer needed for their specified purpose, at the request of the Member.
M. **Rights and License in and to Data**. Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give Contractor any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.
N. **Access.** Any Data held by Contractor will be made available to a Member upon request by the Member.
O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Contractor will also have a written incident response plan, to include prompt notification of the Member in

the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.

P. **Response to Legal Orders, Demands or Requests for Data.** Except as otherwise expressly prohibited by law, Contractor will:

(4) Upon the Cooperative's or a Member's request, provide them with a copy of its response.

8. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;

(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

H. Termination Specific to ESUCC Special Buy 2022-2024 Contract.

Notwithstanding any other provision in this Agreement, the Cooperative and Vendor choose to terminate the Special Buy contract, identified as contract number ESUCC Special Buy 2022-2024, originally signed by both parties on March 10 and including all subsequent amendments signed on November 22, 2024 (Vendor) and November 24, 2024 (ESUCC), in whole or in part.

9. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative, ESUCC, and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative, ESUCC, or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

10. Tariffs. In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff (or other similar government-mandated price adjustment) that goes into effect after the execution of this contract, the contract price/sum, time of performance, or contract requirements may, by mutual agreement, be equitably adjusted by written amendment of the contract. A change in price of an item of material or good will be considered significant when the price of an item increases 5 percent between the date of execution of the contract and the date of catalog publishing February 1, 2025 as a direct result of a tariff or other government-mandate. The price amendment must be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit to the benefit of the vendor. The vendor must provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC will have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract during the term of the contract, bid award and/or re-award the item to the next low bid.

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

12. Public Records. The Contractor acknowledges that the Cooperative, ESUCC, ESUs, and Members must comply with Neb. Rev. Stat. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

33. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

2025-202
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and _____ ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.

3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a calendar quarter basis beginning from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on _____, 2025 ("Effective Date") and shall continue until 12:00 midnight (CST) on _____, 202__, unless terminated earlier as provided by this Agreement or by law. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

5. **Duration of Services Purchased.** If this Agreement, for any reason, terminates before the service end date of any agreement or license between a Member and the Contractor, the Contractor shall continue, maintain, and make such Services available to such Member until the agreed upon date between the Contractor and Member or until the term for the service expires. For example, if the Contracted Services allow a member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.

6. **Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

7. **Student Privacy Protections.**

A. **Definition of Data.** Data include all Personally Identifiable Information (PII), Member Data, and other non-public information. Data include, but are not limited to, student data, metadata, and user content.

B. **Definition of Member Data.** Member Data includes all PII and other information that is not intentionally made generally available by the Cooperative, ESUCC, ESUs, or its Members on public websites or publications, including but not limited to business, administrative and financial data, intellectual property, and student and personnel data and metadata.

C. **Definition of Personally Identifiable Information.** Personally Identifiable Information includes but is not limited to: personal identifiers such as name, address, phone number, date of birth, Social Security number, and student or personnel identification number; "personal information" as used in Neb. Rev. Stat. § 84-712.05 and personally identifiable information contained in student education records as that term is defined in the Family Educational Rights and Privacy Act, 20 USC 1232g.

D. **Definition of User.** User means a participant, instructor, or administrator of the Cooperative, ESUCC, or its Members who are authorized with login credentials by the Cooperative or its Members to use the goods and/or services provided by this Agreement.

E. **Data De-Identification.** Contractor may use deidentified Data for product development, research, or other purposes. De-identified Data will have all

direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.

F. **Marketing and Advertising.** Contractor will not use any Data to advertise or market to students or their parents. Advertising or marketing may be directed to the Cooperative, ESUCC, Members, or their school districts only if student information is properly de-identified."
G. **Modification of Terms of Service.** Contractor will not change how Data are collected, used, or shared under the terms of this Agreement in any way without advance notice to and consent from the Cooperative, the Members, and the affected school district(s).
H. **Data Collection.** Contractor will only collect Data necessary to fulfill its duties as outlined in this Agreement.
I. **Data Use.** Contractor will use Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement.
J. **Data Mining.** Contractor is prohibited from mining Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.
K. **Data Sharing.** Data cannot be shared with any additional parties without prior written consent of the User except as required by law.
L. **Data Transfer or Destruction.** Contractor will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the Contractor may have transferred Data, are destroyed or transferred to the Cooperative under the direction of the Cooperative when the Data are no longer needed for their specified purpose, at the request of the Member.
M. **Rights and License in and to Data**. Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give Contractor any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.
N. **Access.** Any Data held by Contractor will be made available to a Member upon request by the Member.
O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Data from unauthorized access, disclosure, and use. Contractor will conduct periodic risk assessments and remediate any

identified security vulnerabilities in a timely manner. Contractor will also have a written incident response plan, to include prompt notification of the Member in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.

P. **Response to Legal Orders, Demands or Requests for Data.** Except as otherwise expressly prohibited by law, Contractor will:

(1) Promptly notify the Cooperative and Members of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking Data;
(2) Consult with the Cooperative and Members regarding its response;
(3) Cooperate with the Cooperative's and Member's reasonable requests in connection with efforts by them to intervene and quash or modify the legal order, demand or request; and
(4) Upon the Cooperative's or a Member's request, provide them with a copy of its response.

8. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;

(4) Suffers or permits the appointment of a receiver for its business or assets;
(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

9. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative, ESUCC, and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the Cooperative, ESUCC, or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

10. **Tariffs.** In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff (or other similar government-mandated price adjustment) that goes into effect after the execution of this contract, the contract price/sum, time of performance, or contract requirements may, by mutual agreement, be equitably adjusted by written

amendment of the contract. A change in price of an item of material or good will be considered significant when the price of an item increases 5 percent between the date of execution of the contract and the date of catalog publishing February 1, 2025 as a direct result of a tariff or other government-mandate. The price amendment must be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit to the benefit of the vendor. The vendor must provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC will have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract during the term of the contract, bid award and/or re-award the item to the next low bid.

11. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $5,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

12. Public Records. The Contractor acknowledges that the Cooperative, ESUCC, ESUs, and Members must comply with Neb. Rev. Stat. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

13. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

14. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. The

Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESUCC, ESU, or Member property or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESUCC, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

15. Nondiscrimination. The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

16. Independent Contractor. Contractor is an independent contractor under this contract and is not a Cooperative, ESUCC, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

17. Employment Eligibility Verification. The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

18. Taxpayer Identification. Contractor's federal employer identification number is: _____

19. Sales Tax. The Cooperative, ESUCC, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUCC, ESUs, and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, ESUCC, or the Cooperative upon request.

22. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

23. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

24. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

25. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

26. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

27. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

28. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

29. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

30. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

31. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

32. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or

authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

33. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

34. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

2025-2028
SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and MagicSchool AI ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A,** which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. 3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a calendar quarter basis beginning from the Effective Date of this Agreement for all transactions completed and paid during said quarter.

4. **Term.** This Agreement is effective on April 14, 2025 ("Effective Date") and shall continue until 12:00 midnight (CST) on April 13, 2028, unless terminated earlier as provided by this Agreement or by law. Notwithstanding the effective date of termination of this Agreement, Contractor agrees to comply with Paragraph 5 of this Agreement.

5. **Duration of Services Purchased.** If this Agreement, for any reason, terminates before the service end date of any agreement or license between a Member and the Contractor, the Contractor shall continue, maintain, and make such Services available to such Member until the agreed upon date between the Contractor and Member or until the term for the service expires. For example, if the Contracted Services allow a member to purchase or license Services for a certain period of time, but this Agreement expires prior to the end of the service period, the Contractor agrees to maintain such Contracted Services until the expiration of said period of service and in accordance with the terms and provisions of the purchase or license.

Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

E. **Data De-Identification.** Contractor may use deidentified Data for product development, research, or other purposes. De-identified Data will have all direct

and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.

H. **Data Collection.** Contractor will only collect Data necessary to fulfill its duties as outlined in this Agreement.
I. **Data Use.** Contractor will use Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement.
J. **Data Mining.** Contractor is prohibited from mining Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.
K. **Data Sharing.** Data cannot be shared with any additional parties without prior written consent of the User except as required by law.
L. **Data Transfer or Destruction.** Contractor will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the Contractor may have transferred Data, are destroyed or transferred to the Cooperative under the direction of the Cooperative when the Data are no longer needed for their specified purpose, at the request of the Member.
M. **Rights and License in and to Data**. Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give Contractor any rights, implied or otherwise, to Data, content, or intellectual property, except as expressly stated in the Agreement. This includes the right to sell or trade Data.
N. **Access.** Any Data held by Contractor will be made available to a Member upon request by the Member.
O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Data from unauthorized access, disclosure, and use. Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Contractor will also have a

written incident response plan, to include prompt notification of the Member in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.

(4) Upon the Cooperative's or a Member's request, provide them with a copy of its response.

8. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent;
(2) Makes a general assignment for the benefit of creditors;
(3) Files a voluntary petition of bankruptcy;
(4) Suffers or permits the appointment of a receiver for its business or assets;

(5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
(6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

9. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative, ESUCC, and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

10. Tariffs. In the event of significant delay or price increase of materials or goods occurring during the performance of the contract due to a tariff (or other similar government-mandated price adjustment) that goes into effect after the execution of this contract, the contract price/sum, time of performance, or contract requirements may, by mutual agreement, be equitably adjusted by written amendment of the contract. A change in price of an item of material or good will be considered significant when the price of an item increases 5 percent between the date of execution of the contract and the date of catalog publishing February 1,

2025 as a direct result of a tariff or other government-mandate. The price amendment must be effective only as long as the tariff is in effect. The intent of the adjustment is to hold the vendor harmless from the impact of the tariff, but the price adjustment is in no way intended to provide or guarantee the same percentage of profit to the benefit of the vendor. The vendor must provide documentation that is satisfactory to ESUCC to support any claim under this section. In addition, ESUCC will have the right to request a cost analysis vs. price analysis for each change in tariff adjustment request. In the event that the parties are unable to reach an agreement regarding a contract amendment under this section, either party has the option to terminate the contract during the term of the contract, bid award and/or re-award the item to the next low bid.

11. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of $1,000,000 per person and $2,000,000 per occurrence; and
B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

12. Public Records. The Contractor acknowledges that the Cooperative, ESUCC, ESUs, and Members must comply with Neb. Rev. Stat. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

13. Publicity. The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.

14. Drug/Alcohol/Tobacco/Weapons Free Workplace. The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESUCC, ESU, or Member property or at Cooperative, ESUCC, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all

Cooperative, ESUCC, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESUCC, ESU, or Member premises or at Cooperative, ESUCC, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.

15. Nondiscrimination. The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

16. Independent Contractor. Contractor is an independent contractor under this contract and is not a Cooperative, ESUCC, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

17. Employment Eligibility Verification. The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

18. Taxpayer Identification. Contractor's federal employer identification number is: 93-1436467

19. Sales Tax. The Cooperative, ESUCC, ESUs, and Members are exempt from sales tax and shall not pay any sales tax under this Agreement. The Cooperative, ESUCC, ESUs, and/or Members will provide the Contractor with applicable sales tax exemption certificates upon written request.

21. Warranties and Specifications. Contractor shall be responsible for providing to Members all manufacturer warranties on all goods and services. Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, ESUCC, or the Cooperative upon request.

22. Entire Agreement. The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.

23. Amendments and Modifications. The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

24. Waivers. The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

25. Severability. If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.

26. Counterparts. The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same

counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

27. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

28. Assignment. This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.

29. Subcontractors. The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.

30. Captions. The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

31. Rights and Remedies Cumulative. Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

32. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

33. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

34. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

Cybersecurity Report
ESUCC Information Services Committee
April 14, 2025

The LB599 hearing that occurred last month went very well. While the legislation has not moved since the hearing, it appeared to have support from the committee. With the projected fiscal responsibility of the legislation, the bill is unlikely to pass during this session. However, Dr. Polk and myself have brainstormed alternate implementation models that would gradually increase the funds as parts of the program are developed.

The NCNE has begun penetration testing with interested schools and ESUs. As of last week, there were 14 ESUs and schools who have signed up. We have continued to provide Incident Response Planning Workshops to the technology directors to three of our ESUs and another one scheduled this week. These workshops expand upon the IRPs provided by CDW, during their workshops last fall. Playbooks, which are detailed guides on how to recover from an incident, have been templated and made available for schools to adapt to their individual needs.

FortiMail servers have arrived and are being configured with the goal of onboarding schools and ESUs shortly.

An ESU 1 school had an incident a couple of weeks ago. The attackers leveraged a vulnerability in the VPN settings of the school's Fortigate. This allowed them to be inside the network for over a month. When they sprang into action, it triggered FortiEDR, which was able to block much of their attempts. However, there does appear to be some data exfiltration, although the data exfiltrated does not appear to contain any personally identifiable information (PII).

NOC Update April 14, 2025

We recently held a successful two-day Ansible training boot camp with 12 participants in attendance, representing a couple of ESUs. The sessions were well-received and provided a solid foundation in automation using Ansible.

We've also been successfully utilizing the security channel in our NOC Slack instance to share and communicate critical cybersecurity information. It's been a great tool for keeping everyone informed and responsive to emerging issues.

Looking ahead, our next NOC meeting is scheduled for April 30th. This coincides with NETA, where a few of our NOC members will be presenting. We're excited for the opportunity to share our work and connect with others in the community.

Technology Division Report

April, 2025

Future Ready Digital Learning Collaborative (FRDLC)

142 school districts and ESUs are participating in the **Proofpoint Security Awareness Training** platform (PSAT), utilizing 22,118 staff licenses. For the 2024-2025 school year, licenses are available for $2.46 per staff user. 4 "light" users (could be students) are included with each staff license purchased. The PSAT renewal is September 1, 2025.

52 school districts and ESUs are participating in the **Duo Security** multi-factor authentication system, utilizing 9,276 licenses. 724 licenses remain available. The current contract year for Duo security licensing runs through March, 2026. Renewals for the third year of the agreement are due by the end of March. The cost for participating from April, 2025 - March, 2026 is $8 per user. We anticipate the cost after March, 2026 to be about $11 per user.

The **STEADfast** project is a browser plug-in designed to help school districts collect data about the performance of home broadband Internet services and indicate areas of the state where service improvements are needed. This project was started with the development work of ESU 10 using GEER funds earlier, and some additional development work was done this year.

ESSER Funding Extension Revoked

On March 31, 2025 we received word from the NDE that they had been notified by the US Department of Education that ESSER funding extensions had been revoked as of March 28, 2025. This affects up to $550,000 that is under contract between the ESUCC and NDE for work that was to be completed by June 30, 2025. Of this amount, ESUCC has paid out $205,854.36, and another $243,000.63 is owed for project work and expenses that have already been completed. While we're all waiting for clarification, the working understanding is that these funds will be reimbursed, and that no additional expenses will be allowed using this funding.

Cybersecurity

SLCG

Reimbursements for year 1 project expenses and approval of Nebraska's year 2 projects seem to be stalled at the federal level over the last few months. With changes in administration and staffing at FEMA and CISA, we in Nebraska are waiting to understand the impact to our SLCG

projects. The Nebraska Emergency Management Agency and the Office of the Chief Information Officer are waiting for updates and progress on these items and don't have additional information to share recently. For the same reason, the state SLCG committee has not met because there is no action we can take at this time.

Other Technology Projects

This month, the technology team is working this month on updates to the SRS software, NVIS, and enhancements to the Behavior Intervention Reporting Tool (BIRT).

A new NDE portal application was unveiled at the NDE data conference on April 8th. The new portal utilizes the Nebraska Cloud single sign-on for authentication, and we have been working with ESUs and schools to verify and adjust their connections to Nebraska Cloud where needed. The old and new portals will run in parallel for some time as NDE gradually moves applications and services from the old to the new. There will be announcements of these changes and training coming from NDE soon.

Virtual School Health Collaboration

To ensure better health and educational outcomes for students, a strong collaboration between Children's Nebraska and partner schools is essential. Throughout the planning process, Children's Nebraska will work to integrate the Virtual School Health program into the school building by collaborating with school administrators, school nurses and health aides, and assist with outreach to parents and local health care providers. To support the model, both Children's Nebraska and our partner schools will play key roles in improving access to care for students and their families.

Children's Nebraska Responsibilities:

- Managing clinical staff
- Coordinating outreach, education and visit planning with partnering schools
- Purchasing and maintaining medical equipment
- Identifying and training school personnel on the proper use of equipment
- Billing for services as appropriate and available
- Supporting continuity of care for students seen at the school sites by offering care coordination when an in-person visit is warranted

Partnering Schools/District's Responsibilities:

- Provide a private space in the school for telehealth visits and a trained adult to assist the APP
- House and secure the telehealth equipment
- Providing broadband internet connection and ensure the appropriate firewalls are open
- Assistance with Virtual School Health enrollment and support information sharing between the school and Children's Nebraska
- Provide opportunities to share program offerings during school events, in newsletters, staff meetings, and consent forms shared via the district's/school's website, etc.

Children's NEBRASKA

Virtual School Health

Children's Nebraska aims to bridge the gap in healthcare access for students in both rural and urban areas. By leveraging secure video conferencing technology, the program connects students with pediatric experts. The Virtual School Health program ensures students have access to medical advice, diagnoses, and treatment *without leaving the school building* by integrating virtual care into school health services.

Why Virtual Health in Schools:

- **Reduced Absenteeism:** According to the 2024 Nebraska School Attendance Report, 42% of students statewide had more than 10 days of total absences. 22% of students (over 68,000 students) are chronically absent. Other Children's hospitals implementing a virtual care program nationally saw more than 90% of students staying in school, minimizing missed class time and improving attendance.
- **Increase Accessibility:** Virtual health provides students, especially those in remote or underserved areas, with access to medical care and mental health screenings.
- **Timely Intervention:** Students can receive quick care, reducing the risk of delayed treatment.
- **Enhance learning and student development:** Physical and mental well-being directly impacts a student's ability to learn and participate. By prioritizing health, schools create an environment where students thrive academically, socially and emotionally.

Why Children's Nebraska:

- We are the area's largest employer of board-certified pediatricians, pediatric nurse practitioners and pediatric physician assistants.
- Children's Nebraska has more than 260 pediatric specialists who practice within a wide variety of specialties and provide complex care for children with multiple special health needs.
- Last year, we served patients from 91 of Nebraska's 93 counties, many accessing care in 11 outreach clinics located throughout Nebraska, Iowa and South Dakota.
- Our well-established School Health program collaborates with over 150 school districts, impacting more than 155,000 students annually.
- Children's Nebraska is the trusted School Health partner for school districts and ESUs across the state, and we are the only health system with a formalized partnership with the Nebraska Department of Education.

Scope of Services:[1]

The Virtual School Health program provides the following services to support student health:

- Acute care: injuries and illness
- Assist with chronic conditions
- Medication orders and prescriptions
- Anticipatory guidance
- Answer medical questions
- Connection to care coordination
- Behavioral Health screenings
- Before and after school hours
- Potential Services, dependent upon district interest:
  - Point of care lab tests such as flu, strep and COVID-19

Schedule & Hours of Operation:

- Virtual School Health visits will be available Monday-Friday during school hours when school is in session, and with an option to provide care in collaboration with schools that extend to 1-hour prior and 1-hour after traditional school hours.
- The availability of visits during summer school will need to be coordinated between school officials and Children's Nebraska.
- Children's Connect allows parents access to their child's medical information and provides them the opportunity to schedule planned visits anytime, 24/7, including visits from their home.

[1] Due to the nature of virtual care, not all medical services can be provided via the Virtual School Health program. Virtual School Health is not a medical home, and ***Children's Nebraska encourages families to maintain regular visits with their family's medical provider.*** This service is only intended to augment care and address access to care gaps that impede a student's ability to fully participate in their learning experience.

- **Textbook Loan Program**
  - All nonpublics participating in the Textbook Loan Program (TLP) submitted over 4,000 requests via our TLP Ordering System on 3/7
  - With over 50 different vendors identified and over a third of the schools submitting orders that exceeded their allotment, we have been busy trying to maximize the utilization of all funds while no going over each schools allotment.
  - At this time, we have finalized numbers for 95% of the orders and have placed 90% of the orders and are excited that most schools should be receiving their material before the end of the school year.
  - S/O to Bryce Wilson and Theresa Haarberg for being thought partners in support of all the TLP efforts!
  - S/O also to Scott Isaacson for his work in continuing to develop the TLP Ordering site, adding in the ability for all schools to update their unused inventory as needed.

SRS Staff Report

April, 2025

SRS

Our SRS development team is resolving software bugs and starting to plan for enhancements to be included in the summer/July release. The software development team is following a practice of 2 week sprints to help us prioritize and estimate work effort for software updates. The scope of the July update will be more contained and easier to test than the January 2nd update, which should result in fewer or no bugs upon its release.

Westside schools is evaluating the SRS software for possible adoption by the district.

Project Para

The new registration process for Project Para using the Canvas Catalog opened in October. The course content in Canvas remains the same, while the para course was split into three courses to simplify the para navigating the path to completion for Title I, Special Education and Early Childhood specialties. Registrations for Project Para through the old system were closed in February, while users who have already registered will have until June 30, 2025 to complete their work.

Central Community College updated some of the Project Para content. Our Canvas team will be working to incorporate the new content and our updated course designs for release in the summer of 2025, along with enhancements recommended by NDE staff.

1. Call to Order

This is a committee of the Educational Service Unit Coordinating Council. The chairperson or designee will call the committee meeting to order. Per Policy 1008, "Committees shall not have legislative or administrative functions, except as specifically authorized by the Board. All matters except those of routine or emergency nature may be referred to a committee before action by the Board...Summaries of all committee meetings shall be reported to the Board for its information, recording and possible action, as directed by the Board." No formal action will be taken in committee meetings, although recommendations for such action may be made by the committee to the Board.

The Educational Resources Committee Meeting was called to order at 9:31am.

1.1. Roll Call

2. Children's Nebraska Virtual School Health Program
Katie Thompson, School Health Manager, and Holly Dingman, Director of Community Health & Advocacy, will present information about the Virtual School Health Program to the board.
Holly Dingman, Director of Community Health & Advocacy for Children's Nebraska and Katie

Thompson, School Health Manager, reviewed the attached Virtual School Health (VSH) Presentation for schools.

3. SIMPLy SMART Manual Subcommittee Discussion

The SIMPLy SMART Manual Subcommittee met on March 12, 2025, and generated the following topics.

- 1. What is the leadership structure of SMART?
    - This conversation may answer questions as to the purpose of SMART Advisory (zooms) and the SMART Admin Workgroup.
- 2. After deciding #1, provide specific responsibilities and expectations. Is it possible SMART falls to an ESUCC Committee in the future?
- 3. Some practical needs include: Onboarding training/orientation, manual development and maintenance, feature roll outs. Do we add SMART to our help desk system for formalizing the improvements and suggestions?
- 4. Service planning in general. There are many questions about this, and I facilitated a session in January PDO about service planning in our ESUs as they are currently in practice. I plan on doing a session in the May PDO given when I have learned and putting together a "best practice" guide based on what we do. This is outside SMART. However, after there are some best practices, we can put some templates in SMART for optional use.

Dr. Wheelock, ESU 10 Administrator, provided the rationale to the questions included in the agenda item.

Monthly SMART Advisory Committee Meetings will continue with CEO Polk coordinating the agenda with participating ESUs facilitating the meetings. The advisory will be responsible for providing feedback to the SMART Leadership group for programming related and procedural questions. SMART Workgroup meetings will become SMART Leadership meetings with CEO coordinating the agenda. SMART Leadership are responsible for forwarding any programming decisions on to Nathan McClenahan as long as the programming is within the agreed to amount on the MSA. Any requests beyond the $1,500 must be taken to Ed Resources Committee and then approved by the ESUCC board. CEO Polk will act as Project Manager facilitating and coordinating the project. She will reach out to ESUs to support the curation of materials or trainings.

5. ESU Professional Development Organization (PDO) and Affiliate Reports

5.1. Staff Development Affiliate (SDA) Report

Response provided from Amy Schultz, SDA Chair, to ESUCC CEP Dr. Polk on March 17, 2025: The Summer Strategist Retreat brings together our leadership team for two and a half days of focused planning, collaboration with NDE, and relationship building. This time enables the strategists to establish a clear vision for the upcoming year.

Each year, the incoming chair determines the location of the Strategist Retreat. The VRBO for June 2025 was paid in full by Deb Herricks on September 11, 2024. Based on this, the current budget request applies to July 1, 2025 - June 30, 2026.

Ultimately, Brooke Kavan, as chair during that timeframe, will choose the retreat location. While it has not been determined yet, we are estimating costs based on the past two years since budget requests are due now.

***Approximate* Cost Breakdown (Estimated Per Person for 5 Attendees)**

- **Lodging (2 nights @ $150 per person per night in a shared rental) → $1,500**
  (A standard hotel would cost approximately $150 per night per person plus fees, totaling more than $1,500, making the group rental more cost-effective.)

- **Meals (2 lunches @ $20 per meal per person) → $200**
  (Most of us have a daily meal allowance of around $50+, meaning individual reimbursements could total more than the $450.)

- **Resources & Materials → $150**

- **Miscellaneous (supplies, printing, etc.) → $150**

Cost-benefit of a shared location:

- Reduced per-person lodging costs: A shared VRBO typically offers lower per-person costs compared to individual hotel rooms, especially for multi-night stays

- Minimized ESU budget impact: Sharing accommodation expenses creates cost efficiency across all participating ESUs
- Meal savings: Access to kitchen facilities allows for group meal preparation rather than individual restaurant expenses
- **Resource sharing**: Shared transportation and other resources further reduce overall costs

There are also strategic advantages such as extended collaboration opportunities, improved productivity as meetings can continue seamlessly without requiring travel between meals and accommodations, and flexible meeting space. Coordinating at a single location simplifies planning and communication and ensures all strategists remain fully engaged in the retreat without dispersing to separate locations.

2025-26 SDA Strategist Meetings Budget - $3,085

-
    - 2024-25 - $2,970

Recommended Motion: Recommend to the ESUCC board to approve the SDA Strategist Meeting budget for 2025-2026 as presented.

Amy Schultz, SDA Co-Chair, reviewed the linked SDA Report.

AEPA no changes since last month – is down $89,817.04. Vendors showing the most significant drop in sales would be Daktronics, Mackin, Pitsco, and School Specialty. Fortunately, we also saw significant increases in other vendor sales to include Brightly, Hillyard, Hubert, Lakeshore Learning Materials, Peoria Ford, School Health, Total Technology and WTI/Tremco. Many of these sales are going to be cyclical due to projects to update scoreboards, funds expiring, Furniture refreshes in school buildings, District purchasing of AEDs, Technology refresh, Vehicle purchases and Building or Roofing projects.

Special Buys no changes since last month – is down $365,589. Comparing sales not any one vendor jumped out but the ones that showed a fairly significant decrease in sales were

Imagine Learning, Insight, JourneyEd, JMC, Staples, Securly and Voss but there were also vendors that showed significant increases.

Prime Vendors (HD Supply & Sysco)– is up $838,783
Annual Buy (Punchouts) – is up $25,697.40
All Programs combined – is up $409,073

   a. **Definition of the Annual Buy:** This is a line item bid where vendors are awarded by line item. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed to schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.

4001. Purpose

ESU 17 provides staffing services to ESUCC pursuant to contract and will serve as ESUCC's Human Resources Division.

ESUCC personnel are employed in order to support the ESUCC and its mission to work toward statewide coordination to provide the most cost-effective services for the students, teachers, and school districts in each ESU. The Board delegates to the CEO the authority to interview and recommend the hiring by ESU #17 of all personnel in order to allow personnel to begin working as soon as the CEO determines that it would be in the best interests of ESUCC. The CEO will keep the ESUCC Executive Committee informed of any potential personnel changes and the possibility of any new hires. The CEO will report on all personnel hires to the ESUCC Board at the next regular board meeting. At that time, the ESUCC Board may affirm the CEO's hiring decisions or reject a hiring decision. If the Board rejects a hiring decision, then the ESUCC shall compensate ESU 17 for the time that the employee actually performed work for the benefit of ESUCC.

Any new job position that would be paid for, in whole or in part, by ESUCC funds must be approved by the ESUCC Board before the CEO may offer the job to any person.

The certificated employee must immediately report the loss or suspension of licensure or certification to their immediate supervisor and the appropriate staff member in Human Resources.
2. Professional employees who are exempt under the Fair Labor Standards Act but do not hold a certificate or license accepted by the Commissioner of Education.
3. Classified employees are employees with regular work assignments whose job classifications do not require a certificate issued by the Commissioner of Education. Classified employees are at-will employees, unless otherwise designated.

4004. Selection and Assignment of Employees

No employee or representative of the ESUCC, other than the ESUCC CEO, has the power or authority to offer a staff member an employment contract for a specified period of time, to modify the nature of the staff member's relationship with ESUCC or ESU 17, or to make any agreements that are contrary to the policies of ESUCC or ESU 17.

All overtime must be approved in advance by the Chief Executive Officer. Any compensatory time must be used in the same pay period in which it was received. To receive reimbursement for travel or business related expenditures, ESUCC staff members must submit all forms or information required by the Chief Executive Officer or as established by policy and procedure. Requests for reimbursement shall be made as soon as reasonably possible after they are incurred, but the board may refuse to reimburse a staff member, as permitted by law, for expenses which were accrued more than three (3) months after submission for reimbursement.

Travel reimbursement will usually be based on the IRS's mileage reimbursement allowance. An itemized receipt, meaning a receipt with totals for each reimbursable item and not just a receipt showing the total expenditure, must accompany all other reimbursement requests. 5001. Information Security Policy

ESUCC will have an Information Security Program (ISP) which ensures availability, confidentiality, and integrity of ESUCC Technology Resources. The ISP will comply and align with other ESUCC policies and shall be based on the ESUCC Information Security Standards. The ESUCC Technology Division shall develop, maintain, and apply the ESUCC Information Security Standards, which are accessible on a need-to-know and protected basis.

The CEO shall designate an individual responsible to oversee, manage and implement the ISP. The CEO's designee shall review the ESUCC ISP annually, and update it as necessary.

To protect all Technology Resources of the ESUCC, this Policy and the ESUCC ISP applies to all faculty, staff, students, visitors, vendors, and contractors, and to all systems that access, store, or transmit ESUCC data. The principles of least privilege, least functionality, and defense in depth, shall be applied.

5001. Password Security ¶

ESUCC Password Security Policy¶

All users of any ESUCC system or network with related systems, networks, related networks and data are responsible for taking the appropriate steps, as outlined below, to select and secure their passwords.¶

1. Purpose¶

The purpose of this procedure is to communicate the standards for strong passwords, the protection of those passwords and the frequency of change.¶

2. Scope¶

The scope of this procedure includes all personnel who have or are responsible for an account (or any form of access that requires a password) on any system that ESUCC supports, has access to the ESUCC network, or stores any non-public ESUCC information. All users, including full-time, part-time, interns and/or other staff, must follow all ESUCC password procedures. ¶

3. Procedure¶

Password Requirements¶

- All user-level and system-level passwords must conform to the Password Construction Guidelines (See below.)¶
- Users may not use the same password for ESUCC accounts as for other non-ESUCC access (for example: individual's Amazon password, personal Internet Service Provider (ISP) account, and so on.)¶
- Password Change¶

- All passwords for ESUCC user accounts must be changed at least every year. A user may reach out to ESUCC to have a password changed at any time if they need to.¶
- Password Protection¶
- Passwords may not be shared with anyone except when directed to do so by a supervisor for an ESUCC-related purpose. All passwords are to be treated as sensitive, confidential ESUCC information.¶
- Passwords may not be inserted into email messages or other forms of electronic communication.¶
- Do not reveal a password on questionnaires or security forms.¶
- Do not hint at the format of a password (for example: "my family name".)¶
- Do not share ESUCC passwords with anyone (supervisor, peer, direct report, or ESUCC staff) under any circumstance.¶
- Do not write passwords down and store them anywhere in your office. Do not store passwords in a file on a computer system or mobile device (phone, tablet) without encryption.¶
- Try not to use the "Remember Password" for sites containing confidential information.¶
- Any user suspecting that his/her password may have been compromised must report the incident to their immediate ESUCC supervisor and change all passwords immediately.¶
- Enable and use multi-factor authentication methods wherever possible.¶

Password Construction Guidelines¶

ESUCC requires a strong password that meets the following criteria:¶

- It must be a minimum of ten (10) characters¶
- It must contain two (2) or more of the following types of characters:¶
    - Uppercase letter¶
    - Lowercase letter¶
    - Numeral¶
    - Non-alphanumeric characters (% ! & # $ etc)¶
- It cannot contain a user's logon name¶
- It cannot contain any portion of the user's full name¶
- Longer passwords are preferred over shorter ones wherever possible.¶
- Multiple words or a phrase with other characters mixed in are very effective to generate long yet memorable passwords. For example, "calibration5142alarm" is easier to use in practice than a more random one such as "R7o9*g2o$Uye!Yb", and the first, longer one is more difficult to crack. (Do not use these example passwords on any system!)¶

4. Enforcement¶

These procedures are for the protection of the individual user and the ESUCC. Violation of these procedures can be reported to the appropriate supervisor at the ESUCC.¶

If a ESUCC password has been revealed to other individuals or otherwise posted in a publicly viewable setting, the password will be set to change at the next login.¶

Staff will receive communication from ESUCC regarding the incident with an explanation of the password security policy. The staff member will also be informed of best practices regarding passwords.¶

~~If the issue occurs again the staff member's ESUCC account will be locked pending a meeting with their supervisor and the ESUCC Technology Director to review the best practices regarding password security.¶~~

The alleged victim will be notified of his or her options to avoid contact with the alleged harasser, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of ESUCC's investigation. ESUCC will minimize any burden on the alleged victim when taking interim measures to protect the alleged victim.

ESUCC will promptly investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. ESUCC will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this grievance procedure.

ESUCC will aim to complete its investigation within a reasonably prompt time frame after receiving a complaint or report..

ESUCC's investigation will include, but is not limited to:

a. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
b. For allegations involving harassment, some of the factors ESU will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.
c. A review of the evidence using a "preponderance of the evidence" standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

The Compliance Coordinator (or designated investigator) will complete an investigative report, which will include:

a. A summary of the facts,
b. Findings regarding whether discrimination, harassment or other inappropriate conduct occurred, and
c. If a finding is made that discrimination, harassment or other inappropriate conduct occurred, the recommended remedy or remedies necessary to eliminate discrimination, harassment or other inappropriate conduct.

If someone other than the Compliance Coordinator conducted the investigation, the Compliance Coordinator will review, approve, and sign the investigative report. ESUCC will ensure that prompt, appropriate, and effective remedies are provided if a finding of discrimination, harassment, or retaliation is made. ESUCC will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings.

ESUCC will send concurrently to the parties written notification of the decision (findings and any remedy) regarding the complaint within one (1) week~~working day~~ after the ~~investigation is completed as permitted by state and federal law~~.

2. Level 2 (Appeal to the Board~~CEO Administrator~~)

~~If a party is not satisfied with the findings or remedies (or both) set forth in the decision, he or she may file an appeal in writing with the Chief Executive Officer (if the CEO did not make the final Administrator within five (5) working days after receiving the decision. The Administrator will review the appeal and the investigative documentation and decision, conduct additional investigation, if necessary, and issue a written determination about the appeal within ten (10) working days after receiving the appeal. The party who filed the appeal will be sent the Administrator's determination at the time it is issued, and a copy will be sent to the Compliance Coordinator. [If the Administrator is the subject of the complaint, the party will file the appeal directly with the Board.]¶~~

¶

~~*3. Level 3 (Appeal to the Board)*¶~~

If the party is not satisfied with the Coordinator~~Administrator~~'s determination, he or she may file an ~~Administrator'~~appeal in writing with the Board within five (5) working days after receiving the Coordinator's~~s~~ determination. The Board President will review the appeal, the Coordinator's ~~Administrator's~~ determination, the investigative documentation and decision.; The Board President will then decide whether to forward the grievance to the other ESUCC Board Members, a Committee of the ESUCC Board, or may affirm, reverse, or dismiss the grievance. ~~issue a written determination about the appeal within thirty (30) days. The party who filed the appeal will be sent the Board's determination at the time it is issued, and a copy will be sent to the Compliance Coordinator. The Board's determination, and any actions will be final on behalf of ESUCC.~~

E. Confidentiality

The identity of the complainant will be kept confidential to the extent required by state and federal law. ESUCC will notify the complainant of the anti-retaliation provisions of applicable laws and that ESUCC will take steps to prevent retaliation and will take prompt and strong responsive actions if retaliation occurs.

If a complainant requests confidentiality or asks that the complaint not be pursued, ESUCC will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or the request not to pursue an investigation, as long as doing so does not prevent ESUCC from responding effectively to the harassment and preventing harassment of other students. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, ESUCC will inform the complainant that its ability to respond may be limited. Even if ESUCC cannot take disciplinary action against the alleged harasser, ESUCC will pursue other steps to limit the effects of the alleged harassment and prevent its recurrence, if warranted.

E~~F~~. Title IX Grievance (or Complaint) Procedures for Sexual Harassment

The CEO shall develop procedures for Title IX complaints and shall ensure those procedures align with Title IX regulations and guidance from state and federal authorities. Those procedures shall be provided to employees when a suspected Title IX violation has occurred.

~~It is the policy of the ESUCC that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the ESUCC's programs or activities. The ESUCC is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.¶~~

~~¶~~

~~1. **Title IX Coordinator**¶~~

~~¶~~

~~1.1. **Designation.** The ESUCC designates and authorizes the Executive Director as its Title IX Coordinator. The ESUCC will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the ESUCC, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).¶~~

~~¶~~

~~2. **Definitions.** As used in this policy, the following terms are defined as follows:¶~~

~~¶~~

~~2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any ESUCC employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only ESUCC employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.¶~~

~~¶~~

~~2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.¶~~

~~¶~~

~~2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the ESUCC investigate the allegation of sexual harassment. The only ESUCC official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent~~

is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the ESUCC, a complainant must be participating in or attempting to participate in the ESUCC's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the ESUCC. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the ESUCC) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).¶

¶

2.4. **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.¶

¶

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. ESUCC officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.¶

¶

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:¶

¶

2.6.1. An employee of the ESUCC conditioning the provision of an aid, benefit, or service of the ESUCC on an individual's participation in unwelcome sexual conduct;¶

¶

2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the ESUCC's education program or activity;¶

¶

2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:¶

¶

2.6.3.1. **Sex Offenses, Forcible** – Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.¶

¶

2.6.3.1.1. **Rape** – (Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.¶

¶

2.6.3.1.2. **Sodomy** – Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the

victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity¶

¶

2.6.3.1.3. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity¶

¶

2.6.3.1.4. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity¶

¶

2.6.3.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.¶

¶

2.6.3.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law¶

¶

2.6.3.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent¶

¶

2.6.4. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—¶

¶

2.6.4.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and¶

¶

2.6.4.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:¶

¶

2.6.4.2.1. The length of the relationship.¶

¶

2.6.4.2.2. The type of relationship.¶

¶

2.6.4.2.3. The frequency of interaction between the persons involved in the relationship.¶

¶

2.6.5. **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is

protected from that person's acts under the domestic or family violence laws of the jurisdiction.¶

¶

2.6.6. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—¶

¶

2.6.6.1. fear for his or her safety or the safety of others; or¶

¶

2.6.6.2. suffer substantial emotional distress.¶

¶

2.7. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the ESUCC's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the ESUCC's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The ESUCC will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the ESUCC to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.¶

¶

3. Discrimination Not Involving Sexual Harassment.¶

¶

3.1. **General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the ESUCC.¶

¶

3.2. **Specific Prohibitions.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the ESUCC will not on the basis of sex:¶

¶

3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;¶

¶

3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;¶

¶

3.2.3. Deny any person any such aid, benefit, or service;¶

¶

3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;¶

¶

3.2.5. Apply any rule concerning the domicile or residence of a person or applicant;¶

¶

3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to employees;¶

¶

3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.¶

¶

3.3. **Complaint Procedure.** All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the ESUCC's general complaint procedure described above.¶

¶

4. Response to Sexual Harassment¶

¶

4.1. **Reporting Sexual Harassment.** Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the ESUCC's Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any ESUCC employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.¶

¶

4.2. **General Response to Sexual Harassment.** When the ESUCC has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the ESUCC will respond promptly in a manner that is not deliberately indifferent. The ESUCC will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy "education program or activity" includes locations, events, or circumstances over which the ESUCC exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The ESUCC's response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.¶

¶

4.3. **Emergency Removal.** Nothing in this policy precludes the ESUCC from removing a respondent from the ESUCC's education program or activity on an emergency basis, provided that the ESUCC undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any employee or other individual arising from the allegations of sexual harassment justifies removal. In the event that the ESUCC so removes a respondent on an emergency basis, then the ESUCC will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.¶

¶

4.4. **Administrative Leave.** Nothing in this policy precludes the ESUCC from placing a non-student employee respondent on administrative leave during the pendency of a grievance

process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.¶

¶

4.5. **General Response Not Conditioned on Formal Complaint.** With or without a formal complaint, the ESUCC will comply with the obligations and procedures described in this section 4.¶

¶

5. Grievance Process for Formal Complaints of Sexual Harassment.¶

¶

5.1. General Requirements.¶

¶

5.1.1. **Equitable Treatment.** The ESUCC will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the ESUCC's education program or activity. Remedies may include the same individualized services described in subsection 2.7 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.¶

¶

5.1.2. **Objective Evaluation.** This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.¶

¶

5.1.3. **Absence of Conflicts of Interest or Bias.** The ESUCC will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.¶

¶

5.1.4. **Training.** The ESUCC will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.¶

¶

5.1.4.1. **All ESUCC Employees and Board Members**. All ESUCC employees and board members will be trained on how to identify and report sexual harassment.¶

¶

5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The ESUCC will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the ESUCC to facilitate an informal resolution process receive training on:¶

¶

5.1.4.2.1. The definition of sexual harassment in subsection 2.6;¶

5.1.4.2.2. The scope of the ESUCC's education program or activity;

5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and

5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

5.1.4.3. **Decision-Makers.** The ESUCC will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.

5.1.4.4. **Investigators.** The ESUCC will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.

5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the ESUCC offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the ESUCC may impose disciplinary sanctions and remedies in conformance with this and the ESUCC's discipline policies, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion or termination.

5.1.8. **Range of Supportive Measures**. The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.

5.1.9. **Respect for Privileged Information.** The ESUCC will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. **Notice of Allegations.**

5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the ESUCC will provide the following written notice to the parties who are known:¶

¶

5.2.1.1. A copy of this policy.¶

¶

5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the ESUCC's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.¶

¶

5.2.2. **Supplemental Notice.** If, in the course of an investigation, the ESUCC decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the ESUCC will provide notice of the additional allegations to the parties whose identities are known.¶

¶

5.3. **Dismissal of Formal Complaint.**¶

¶

5.3.1. The ESUCC will investigate the allegations in a formal complaint.¶

¶

5.3.2. **Mandatory Dismissals.** The ESUCC **must** dismiss a formal complaint if the conduct alleged in the formal complaint:¶

¶

5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;¶

¶

5.3.2.2. Did not occur in the ESUCC's education program or activity; or¶

¶

5.3.2.3. Did not occur against a person in the United States.¶

¶

5.3.3. **Discretionary Dismissals**. The ESUCC **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:¶

¶

5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;¶

¶

5.3.3.2. The respondent is no longer enrolled in or employed by the ESUCC; or¶

¶

5.3.3.3. Specific circumstances prevent the ESUCC from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.¶

¶

5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the ESUCC will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.¶

¶

5.3.5. Dismissal of a formal complaint under this policy does not preclude the ESUCC from taking action under another provision of the ESUCC's code of conduct or pursuant to another ESUCC policy.¶

¶

5.4. **Consolidation of Formal Complaints.** The ESUCC may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.¶

¶

5.5. **Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the ESUCC will:¶

¶

5.5.1. Designate and authorize one or more persons (which need not be ESUCC employees) as investigator(s) to conduct the ESUCC's investigation of a formal complaint;¶

¶

5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the ESUCC and not on the parties provided that the ESUCC cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the ESUCC obtains that party's voluntary, written consent to do so for a grievance process under this section;¶

¶

5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;¶

¶

5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;¶

¶

5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the ESUCC may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;¶

¶

5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;¶

¶

5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the ESUCC does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the ESUCC will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and ¶

¶

5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.¶

¶

5.6. **Exchange of Written Questions.** After the ESUCC has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.¶

¶

5.7. **Determination Regarding Responsibility**¶

¶

5.7.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).¶

¶

5.7.2. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:¶

¶

5.7.2.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;¶

¶

5.7.2.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the

parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;¶

¶

5.7.2.3. Findings of fact supporting the determination;¶

¶

5.7.2.4. Conclusions regarding the application of the ESUCC's code of conduct to the facts;¶

¶

5.7.2.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the ESUCC imposes on the respondent, and whether remedies designed to restore or preserve equal access to the ESUCC's education program or activity will be provided by the ESUCC to the complainant; and¶

¶

5.7.2.6. The ESUCC's procedures and permissible bases for the complainant and respondent to appeal.¶

¶

5.7.3. The ESUCC will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the ESUCC provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.¶

¶

5.7.4. The Title IX Coordinator is responsible for effective implementation of any remedies.¶

¶

5.8. **Appeals**. The ESUCC will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the ESUCC's dismissal of a formal complaint or any allegations therein, on the grounds identified below.¶

¶

5.8.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Title IX Coordinator within five (5) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.¶

¶

5.8.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the ESUCC's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:¶

¶

5.8.2.1. Procedural irregularity that affected the outcome of the matter;¶

¶

5.8.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and¶

¶

5.8.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.¶

¶

5.8.3. As to all appeals, the ESUCC will:¶

¶

5.8.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;¶

¶

5.8.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;¶

¶

5.8.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.¶

¶

5.8.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;¶

¶

5.8.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and¶

¶

5.8.3.6. Provide the written decision simultaneously to both parties.¶

¶

5.9. **Informal Resolution.** The ESUCC will not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the ESUCC will not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the ESUCC may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the ESUCC:¶

¶

5.9.1. Provides to the parties a written notice disclosing:¶

¶

5.9.1.1. The allegations;¶

¶

5.9.1.2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;¶

¶

5.9.1.3. That at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and¶

¶

5.9.1.4. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;¶

¶

5.9.2. Obtains the parties' voluntary, written consent to the informal resolution process; and¶

¶

5.9.3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed someone.¶

¶

5.10. **Recordkeeping**.¶

¶

5.10.1. The ESUCC will maintain for a period of seven years records of:¶

¶

5.10.1.1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the ESUCC's education program or activity;¶

¶

5.10.1.2. Any appeal and the result therefrom;¶

¶

5.10.1.3. Any informal resolution and the result therefrom; and¶

¶

5.10.1.4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The ESUCC will make these training materials publicly available on its website, or if the ESUCC does not maintain a website then the ESUCC will make these materials available upon request for inspection by members of the public.¶

¶

5.10.2. For each response required under section 4, the ESUCC will create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the ESUCC will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the ESUCC's education program or activity. If the ESUCC does not provide a complainant with supportive measures, then the ESUCC will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the ESUCC in the future from providing additional explanations or detailing additional measures taken.¶

¶

6. **Executive Director Authorized to Contract.** The board authorizes the Executive Director to contract for, designate, and appoint individuals to serve in the roles of the ESUCC's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.¶

¶

7. **Certain Different Treatment on the Basis of Sex Permitted.** Nothing herein shall be construed to prohibit the ESUCC from treating persons differently on the basis of sex as permitted by Title IX or 34 C.F.R. part 106. For example, and without limiting the foregoing, the ESUCC may provide separate toilet on the basis of sex, but such facilities provided foran employee of one sex shall be comparable to such facilities provided for persons of the other sex.¶

¶

8. **Retaliation Prohibited.** Neither the ESUCC nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The ESUCC will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).¶

¶

8.1. **Specific Circumstances**.¶

¶

8.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.¶

¶

8.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.¶

¶

9. **Notification of Policy.** The ESUCC will notify applicants for admission and employment, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the ESUCC of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the ESUCC's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the ESUCC may be referred to the ESUCC's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.¶

¶

10. **Publication of Policy.** The ESUCC will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the ESUCC, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).¶

¶

11. **Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.¶

¶

12. **Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the ESUCC than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the ESUCC is in compliance with Title IX and 34 C.F.R. part 106, then all of the ESUCC's obligations under this policy shall be deemed to be fulfilled and discharged.¶

The ESU shall not assign any right or delegate any obligation arising hereunder without the prior written consent of ESUCC. This provision does not prevent the ESU from allowing its member school districts to participate in some or all of the Projects described herein.

The ESU agrees to pay the fee(s) to the ESUCC within ninety days of the invoice and may be mailed to 1292 East 4th Street, Ainsworth, NE 69210. The ESUCC reserves the right to refuse any service(s) to any ESU that fails to timely submit payment, and no ESU will be entitled to participate or access any service if said ESU failed to timely pay the required fee(s). An ESU who fails to timely pay the required fees may be excluded from all Projects and forfeits any right to participate in said projects.

The parties expect the ESU (and its staff) will be appropriately involved in each project to ensure the oversight and maintenance of the projects.

This Agreement does not obligate or commit the ESU to to engage the ESUCC on an exclusive arrangement for any of these projects.

8. Termination

The ESU may request to terminate this Agreement or any elected projects for any reason at any time by giving written notice to the ESUCC. There shall be no refund or reimbursement by the ESUCC if the ESU terminates this Agreement in the middle of the Agreement term without cause, unless a majority of the ESUCC Board votes to authorize a requested refund. A majority of the ESUCC Board and the ESU may also vote to amend or supplement this Agreement during the term of the Agreement for any reason the ESUCC Board deem appropriate.

If the ESU believes the ESUCC has materially breached this Agreement, then the ESU shall notify the ESUCC in writing of the ESU's concern(s). The ESUCC shall then have thirty days to cure any alleged breach. If the ESUCC disputes the alleged breach, then the parties shall agree to meet at the ESU to address the specific concerns and find a mutually agreeable solution. If, after that meeting, the ESUCC is unable or unwilling to cure the alleged breach, then the ESU may terminate the Agreement for cause. If the ESU terminates the Agreement for cause, the ESU shall only be entitled to a refund for any amount(s) paid if a majority of the ESUCC Board approves the ESU's request for a refund, and the ESUCC Board shall, in its sole discretion, determine the refund amount (if any).

The ESUCC may terminate this Agreement for any reason at any time by giving ninety days' written notice to the ESU. If the ESUCC terminates this Agreement, then the ESU shall be entitled to a refund for the amount paid by the ESU in an amount proportional to the number of days the service was available to the number of days the service was unavailable.

IX. Confidentiality

Each party agrees to keep confidential all non-public information received from the other party. All information and data shared or exchanged between the parties shall fully comply with Nebraska law and FERPA.

X. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Nebraska.

XI. Damages and Indemnification

To the extent permitted by law, each party shall indemnify, defend and hold harmless the other party, its officers, agents and employees from all claims, damages, losses and expenses arising out of or resulting from the services provided under this Agreement that results in any claim for damage whatsoever. This Section shall not require either party to indemnify, or hold harmless, the other party for any losses, claims, damages and expenses arising out of or resulting from the intentional or negligent act or omissions of the party.

XII. Entire Agreement

This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written.

XIII. Other Information

From time to time, the ESUCC and ESU may agree to develop and implement new or additional Projects. In the event ESUCC determines to offer a new project during the term of this Agreement and the ESU wishes to participate in said new project, the parties may describe the new project in writing and incorporate that writing as a formal addendum to this Agreement.

Given the upfront and ongoing expenses associated with each service, the fee(s) paid by the ESU are generally not refundable. By entering into this Agreement, the ESU agrees to accept the identified services for the entire term of the Agreement and may not cancel or revoke services with any expectation of reimbursement(s) or refund(s), except as provided in Section VIII.

Each ESU must contribute to the ESUCC the fees associated with each project. The ESU and ESUCC agree to follow the expectations outlined in those Exhibits, as well as those reasonable expectations and updates that may be announced or provided during the term of the Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

Dear [Superintendent Name],

Subject: Transition of Nebraska PowerSchool Consortium Support from Interlocal Agreement to Direct Service

Thank you for your continued partnership with the Nebraska PowerSchool Cooperative. We deeply value the collaboration with your district and look forward to supporting your team as we move forward together.

The Nebraska PowerSchool Cooperative has historically operated under an Interlocal Agreement. However, upon review, we recognized that this arrangement is no longer the most practical, efficient, or necessary structure for delivering services.

The Nebraska PowerSchool Cooperative will operate as a direct service of the Educational Service Unit Coordinating Council (ESUCC). For participating districts, this change will have minimal impact on your experience. Your support and access to the Nebraska PowerSchool Cooperative will remain unchanged, with the same quality oversight and management you've come to expect. The primary difference will be updated wording in the service agreement to reflect this transition.

In the coming months, you will receive a new service agreement and invoice for payment to continue your participation in the Nebraska PowerSchool Cooperative. This updated agreement eliminates the need for formal approval of an Interlocal Agreement by your Board of Education.

We are committed to maintaining open lines of communication and ensuring this transition is seamless for you and your team. Please do not hesitate to reach out to Becky Sosalla at 402-597-4868 or becky.sosalla@nebps.org with any questions, concerns, or feedback regarding this change.

Thank you again for your trust and collaboration. We look forward to continuing our partnership in support of Nebraska PowerSchool Cooperative.

Warm regards,

Dr. Larianne Polk

Nebraska Powerschool Cooperative

Nebraska Powerschool Cooperative (NebPS). Participating districts receive Tier 1 PowerSchool support. Membership includes workshops, helpful handouts, access to jitbit knowledge base, one-on-one trainings, ADVISER setup, end-of-year process completion, report writing, and one-on-one ADVISER data review and troubleshooting. NebPS is the liaison for managing your PowerSchool and communicating with PowerSchool support.

General Support:

- Team is available on school days from 7:30-4:30
- Districts can open tickets directly with the team via email or phone call
    - Our goal is to get a response to the district's ticket within an hour
    - Sometimes that response is "I need to investigate this further" but we want districts to know we see them within an hour
- Districts are organized into caseloads so each district has a go-to team member
    - The team member is the "expert" on that district for the year so they have the background knowledge needed to address specific questions
    - If the district elects to have regularly scheduled meetings (i.e. weekly, bi-weekly, or monthly), they meet with their case manager to tackle ongoing questions, issues, or training needs
    - Other team members are available to step in if the case manager is not available
- Individual appointments available on demand
    - Districts have their case manager's calendar link to schedule appointments when needed
    - Team calendar is available for when the case manager is unavailable
- Knowledgebase is available 24/7 with articles and recordings
- Weekly newsletter of timely announcements and webinar registrations

Training:

- ~85 webinar opportunities scheduled per year
- Webinars are organized by series according to the users' role within the district
    - This allows us to provide timely training for specific users.
    - Here is the list of trainings offered this year
- All trainings are recorded, so videos and slides are available to members through our Knowledgebase.

State Reporting:

The NebPS team uploads the initial Unique ID file for districts at the beginning of August.

- Districts then only need to work with ADVISER Person ID for new students and updates throughout the year.

The NebPS team turns on publishing for the year

- Set up new profile
- Map codes

- Implement changes for the year
    - Example: When EL and Title I moved to student programs, our team created initial programs for existing students. This allowed districts to only need to update or add new records throughout the year.
- Verify keys and secrets
- Download descriptors and publish resources
    - We do this initially for districts Labor Day week
    - We do this once a month for districts to ensure their data stays up to date with NDE
    - We recommend districts publish weekly to keep their data up to date throughout the year, with our monthly publishing as a backup plan

Support for follow up window and fall reporting deadline

- Individual appointments available for districts to select when needed
- ALL DISTRICTS have a one-on-one data review meeting
    - We share a pre-review checklist with districts to work through their data and clear up any errors or discrepancies
    - During the meeting we work through a final checklist that includes reviewing Enterprise Reports provided by our team and PSCB reports and comparing those results to NDE reports to be sure their reported data is accurate.
    - We work through any new reporting requirements to be sure those are accurate (example: EL and Title I Student Programs this year)

Work through the winter months:

- Fall attendance review to be sure all attendance is calculating and publishing correctly for fall semester
- Webinars available for assessment rosters and CRDC reporting (depending on the year)
- Winter attendance review (typically in February) to be sure attendance is calculating and publishing correctly once spring semester has started
- In January, we publish grades for all districts to be sure they are publishing correctly

Spring Data Reviews

- ALL DISTRICTS have a one-on-one data review meeting
    - o We share a pre-review checklist with districts to work through their data and clear up any errors or discrepancies ahead of the end of year reporting deadline
    - o During the meeting we work through a final checklist that includes reviewing Enterprise Reports provided by our team and PSCB reports and comparing those results to NDE reports to be sure their reported data is accurate.
    - o We work through any new reporting requirements to be sure those are accurate (example: reviewing incident data to be sure it is reporting correctly, or stepping districts through Instructional Time Planned which was a requirement added mid-year two years ago)

End of Year reporting

- Individual appointments available for districts to select when needed
- We typically offer 1-2 in-person workdays for end of year reporting, but we don't have a lot of people attend as their data is pretty well set via the Data Review process so they only have troubleshooting to do

Scheduling:

- Webinar series (Scheduling tab) focused on scheduling tasks throughout the year
- Set up the next year on the live side and initialize PowerScheduler
    - This includes copying the current master schedule into the next year so districts can focus on just making adjustments if they're doing a load.
- Hour long one-on-one scheduling appointments available for the district to select at their convenience throughout February and March.
    - Districts can schedule as many appointments as needed to work through their schedule
    - We used to offer in person scheduling workshops, but had a more positive response to the one-on-one appointments (example: I don't have to wait for help with my hand in the air, I can schedule an appointment when I need it.)

Tasks we complete for districts so they do not have to:

Every month:

- Publish all ADVISER data
- PSCB and selected other plugin updates
- Enterprise Report updates
    - Our team has developed 30+ Enterprise Reports that districts can use to review and analyze their PowerSchool data
    - Enterprise Reports pull data from the database in real time
    - Reports can be reviewed within PowerSchool or exported if needed
- Other tasks are added to this list as needed
    - Example: retiring the 211 exit code due to a mid-year change by NDE this year
    - Our general rule: if it's a one-time task, we'll complete it for districts. If it's something they will need to do in the future, we'll teach district personnel how to do so.

July:

- EOY rollovers for districts
    - We perform EOY rollover for all districts starting the last week of June and finishing by July 15.
- Beginning of Year tasks, including setup for new ADVISER requirements as needed

August:

- Initial Unique ID upload
- Create annual Student Program records

        - Early Childhood records for all students in grade_level<0
        - English Learner program records for existing students
            - Copy last year's records to create initial record for this year
        - Title I program records for existing students
            - Copy last year's records to create initial record for this year
- Honor Roll/GPA Calculation updates - update records for calculations that specifically reference the year
- Schedule clean up - after the year has started, we delete empty sections before publishing begins

September:

- Turn on publishing to ADVISER (see list above)
    - Turn on both current and previous year

October:

- Turn off previous year publishing
- Data Review appointments

November:

- Fall attendance reviews
- PowerScheduler set up for next year
    - Send initial ticket to districts to let them know what has been done and their next steps to prepare for student course registration

December:

- Review elementary dependent sections to be sure they are setup correctly to rollover for the next year

January:

- Resolve 756 errors and 757 warnings for districts
- PSCB License Key updates (this will move to July in the future)

February:

- Winter attendance reviews
- Scheduling cleanup (delete unused sections so they don't copy to the next year)
- Scheduling appointments begin

March:

- Update graduation dates for Seniors
- Scheduling appointments ongoing
- Spring Data Review appointments begin

April:

- Turn previous year publishing back on (to collect and publish Post Grad Survey data)
- Spring Data Review appointments ongoing

May:

- Update all 12th graders to exit code 210
- End of month: Update Graduation Info custom screen so districts can print transcripts for graduates after they leave the district
- EOY prep
    - Districts select the date their EOY will be run

        - We share lists of reports districts need to run and/or save to be sure their data is ready for EOY rollover
        - NebPS team resolves validation errors where possible, shares steps to do so with district as needed

    June:
    - Focus on end of year reporting support
    - EOY rollovers begin the last week of June

Other Projects:

- We provide Object Report support and updates
    - If it's a minor change, we step the districts through how to make updates
    - If it's a major change, we use Visual PST to make the changes and import the results into PowerSchool
- Customizations
    - We will help districts create and implement custom fields and pages to collect and maintain district data within PowerSchool
    - If it's a customization that would be helpful for all districts (example: NebPS Registration or NebPS Graduation Info), we turn that into a plugin and add it to all districts
        - We share information about what has been added via our weekly newsletter
    - We will add custom alerts to admin and teacher pages at district request
