Dear Principal Reeser,

The Title I Schoolwide Plan for your building has been peer reviewed. The attached rubric, as completed by the team who reviewed your plan, provided comments and a rating for each of the required components of the schoolwide plan. The team did an excellent job putting together the narratives and the documentation. No additional information needs to be submitted. Your building may continue operating as a Title I Schoolwide project during the 2017-18 schoolyear.

Thank you for participating in this peer review process. It has been a learning experience for the schoolwide projects and for those who participated in reviewing the plans of other schools. If you have any questions, please contact me by email at cathy.mohnike@nebraska.gov or phone at 402-471-1419.

Sincerely,

A handwritten signature in cursive script that reads "Cathy Mohnike".

SCHOOLWIDE PLAN PEER REVIEW RATING RUBRIC (ANNUAL REVIEW OF SCHOOLWIDE EFFECTIVENESS)

10-0009-002 (10)

ELM CREEK PUBLIC SCHOOLS

District Name: ELM CREEK ELEMENTARY _____

Building Name: K-6 _____

Date: 4-12-17

Although the peer-review process is for determining whether required schoolwide components are in place, the rubric serves as a tool to use annually for reviewing the plan and provides a system to encourage and measure growth. The mandatory components in this rubric require submission of the supporting documentation within the school plan (i.e., copy of the Title I Parent and Family Engagement Policy or Procedure; requirement 5.2) in order to be considered complete. Documentation, not just reference to the documentation must be included in the corresponding folder.

PLAN PREPARATION	
A	<p><i>According to §1114(b)(1-7), A Schoolwide Program Plan: (1) is developed over a one year period, or is amended from a prior plan; (2) is developed with the involvement of parents and other members of the community to be served, and individuals who will carry out such plan; (3) remains in effect for the duration of the school's participation as a Schoolwide Program; (4) is available to the local educational agency, parents, and the public, in an understandable and uniform format; (5) if applicable, is developed in coordination with other Federal, State and local services; (6) is based on a comprehensive needs assessment, and; (7) includes a description of the strategies the school will be implementing to address the school needs.</i></p> <p>Plans shall include a Cover Page and a School Information page. The additional documentation is encouraged in order to support evidence of exemplary plans.</p>

SECTION A COMMENTS:	
COMPONENTS OF A SCHOOLWIDE PROGRAM	

1	§1114(b)(6) and §1114 (b)(2) Requirement: Comprehensive Needs Assessment

	Required (1 point)	Proficient (2 points)	Advanced (3 points)	Points	Missing
1.1	<i>Minimum Required Documentation: The narrative will describe how data was used from a comprehensive needs assessment of the entire school to identify the needs of all children, particularly those who are failing, or are at-risk of failing to meet State academic standards, and how this analysis was used to plan instruction. Additional Documentation: A list of professional development opportunities for administration and staff on disaggregating data, RtI/MTSS plan may be included.</i>				
	Disaggregated data from the comprehensive needs assessment is used in the analysis to plan instruction. A systemic approach to using the data to modify instruction is in place.	1	
1.2	<i>Minimum Required Documentation: The narrative will describe how the school gathered information from the parents and community to identify the needs of the school. Include documentation that supports the narrative.</i>
