MARCH 2024 BOARD MEETING
ACTIVITY DIRECTOR REPORT

Wrestling:

The high school wrestling season wrapped up at the State Tournament in Omaha February 15th through the 17th. On the boys side, Minden High School state qualifiers included Logan Choquette, Cade Harsin, Braxton Hatch, Koltdyn Heath, Orrin Kuehn, Braxton Janda, and Evan Lutkemeier. Placewinners at state included Logan Choquette 4th, Cade Harsin 6th, Koltdyn Heath 3rd, and Braxton Janda 4th! Minden High School also had its first State Champion in wrestling since 2014 in Orrin Kuehn who claimed a championship at 150 pounds. As a team the boys finished in 5th place overall, the best finish at the individual state tournament in school history! On the girls side, the Whippets had two qualifiers including Xitlali Nunez and Alaina Osterbuhr. While neither wrestler was able to reach the medal stand, both wrestlers competed hard and will return next year!

Basketball:

The girls basketball team finished the year as a qualifier for the state tournament and with an overall record of 20-4! The team defeated Kearney Catholic and Holdrege in the sub district tournament to advance to the district final game at home against Milford. In the District final, the Whippets defeated Milford and advanced to the state tournament. The community support for the girls district final was amazing with the gym reaching near capacity level! The girls played Bridgeport in the first round of the state tournament who came in as the #4 seed but #1 ranked. While the girls came up short in the state tournament game, they fought hard and gave great effort until the end. The coaching staff and players should be commended for all of their hard work and dedication throughout the school year and for reaching the state tournament for the first time in 10 years! The girls basketball team returns a solid core of players for next year when they will undoubtedly look to make another state tournament run!

The boys basketball team had an up and down season with many close games. What was clear was the fact that the boys were playing some of their best basketball at the end of the season. The boys traveled to Kearney Catholic High School for sub-districts where they defeated Holdrege and Kearney Catholic to advance to a district final against Ashland Greenwood. In the district final, the Whippets played hard against one of the top teams in Class C1 but fell to Ashland Greenwood. Reaching a district final was a pre-season goal the boys basketball team identified and so to come up just one game short of qualifying for the state tournament is commendable! I also want to thank the Minden community for the support they gave our boys team all season, but especially to all of those who made the trip to Ashland for the District Final!

Speech:

The Minden Speech Team traveled to Gothenburg for the Southwest Conference Meet and had a fantastic day finishing as the conference team runner up. The SWC is one of the best conferences in the state for speech so finishing as one of the top two teams is a great accomplishment. On Saturday March 9th, the speech team will also travel to Gothenburg for the district competition. We wish all of the participants good luck at districts as they look to qualify for the state competition at Kearney High School!

Quiz Bowl:

Minden High School will host the annual Quiz Bowl Invitational on Monday March 18th. This year we will host 2 teams from Holdrege, 2 teams from Adams Central, Franklin, and Red Cloud. The meet will begin at 9am and will be held in both the Performing Arts Center and the High School Media Center. This will be the final home meet for Quiz Bowl sponsor Pam Johnson who has resigned her position as quiz bowl sponsor. Mrs. Johnson has coached our quiz bowl team for a number of years and we thank her for all of her work and years of service to growing our Quiz Bowl Program! Mrs. Sydney Dierks will take over as the sponsor of High School Quiz Bowl next year!

Spring Sports Preview:

The spring sports season is in the early stages as teams were allowed to begin practices on Monday February 26th. The Boys Golf Team is getting started with their 2023 season. This year there are 13 participants on the team. They begin their season on March 28th at Adams Central for a dual. The boys and girls track teams have also been practicing for the season. To start the season, there are currently 32 boys and 39 girls on the track and field team. The first meet of the season is scheduled for Friday March 15th at the UNK indoor meet followed by the Early Bird meet at home on Tuesday March 19th!

The FFA State Convention will take place on April 3rd, 4th, and 5th in Lincoln.

The FBLA State Leadership Conference will take place April 11th-13th in Kearney.

The FCCLA State Leadership Conference will take place April 7th-9th in Lincoln.

**MARCH 2024 BOARD MEETING
MIDDLE SCHOOL ASSISTANT PRINCIPAL/ATHLETIC DIRECTOR REPORT**

February has come and gone and it feels like we are moving towards Spring! We finished up our Winter sports seasons towards the end of the month. Fortunately the weather didn't really get in the way of middle school events and we were able to compete in every contest scheduled. Girls middle school wrestling was very successful this season. The last data I was given from Coach Reed showed our girls were dominating their opponents winning 75% of our matches and really dominating on our feet getting takedowns. I really appreciate our coaches, Lige Reed and Angela Soelberg!

Middle school boys basketball also had good seasons. The 7th grade only had 10 boys on the roster and with sickness there were times we played with only 7 players. The 8th grade boys finished with a big win over Adams Central and hadn't beaten them in 8th grade boys basketball in around 14 years. Good finish to our seasons! I really appreciate our boys coaches this season, Dan Wilson, Jake McCarthy, Dan Kristensen, and Dale Blum. Dale Blum has resigned his position as 8th grade boys head basketball coach, I really have enjoyed watching him coach and mentor our middle school boys during his tenure. Thanks Coach Blum!

Our middle school girls and boys track team will have a meeting to start the season on Tuesday, March 5th at 3:45 pm. Practice will start on Monday, March 11th. The girls coaches are Lisa Clapper and Tiffany Widdifield and the boys coaches are Riley Swedberg and Trak Lewis.

I asked Steph Emery to write a piece about the quiz bowl competition she hosted: CLJMS hosted both middle school and elementary quiz bowls at the Minden Opera House on Feb. 21. We had teams from Wilcox-Hildreth, Holdrege, Axtell, and Minden. Minden brought two per level teams which allowed thirteen 8th grade students to participate. The elementary had sixteen 6th grade students. Many volunteers helped this event run smoothly: Tracy Cederburg, Kate Craig, Collin Nichols, Joe Green, Sara Joyce, and Corey Vahl. Susan Tunnell was the emergency back-up. Destinee Steinke from the ESU was our scorekeeper. One Minden team at each level placed third. Next up: ESU11 Quiz Bowl March 20 at the Nebraska Prairie Museum in Holdrege.

I am currently working on scheduling for winter sports for next school year and will be sending contracts for the contests we host during this season.

Mr. Strong and I shared positions that have opened up and asked anyone interested in a position to fill out an application and submit it to Mr. Strong or myself. I have at least one applicant for each of the middle school positions at this time. I will look to fill the positions in another week after staff have an opportunity to apply. The open positions at this time are:

High School Openings:

Assistant Football: 3 positions

Assistant Volleyball Coach

Dance Sponsor

Junior Class Sponsor: (this one could be split in half if needed)

Middle School Openings:

7th Assistant Volleyball

8th Assistant Girls Basketball
8th Head Boys Basketball
MS Head Boys Track

March 2024

Board of Education Report

I trust this report finds you well as we navigate through the month of March at the high school. I find it hard to believe that we only have one quarter of school left this year, it has gone incredible fast. In addition to the numerous activities that I am sure Mr. Strong will share with you here are a few additional dates that I wanted to share with everyone.

Saturday, March 9th	District Speech-Gothenburg
Saturday, March 16th	SWC Band/Vocal/Art Festival-Holdrege
Wednesday, March 20th	State Speech-Kearney
Friday, March 22nd	Red Cross Blood Drive-CLJ Activities Gym
Tuesday, March 26th	Statewide ACT/Pre-ACT Tests-Minden H.S. Grades 10th &11th
Saturday, April 6th	Prom-Minden Opera House
Saturday, May 11th	Minden H.S. Graduation (2:00 p.m.)

Minden High School Speech Team-Mr. Jeffrey Horner

The speech team is 34 members strong this year. They have just completed the full invitational season earning over 220 medals across the months of January and February. Thirty-five of these events earned gold medals. The team hosted the Minden Invitational on February 10. This meet brought 23 other schools to Minden to compete. It was a great day with fantastic hospitality from our speech team parents and school personnel. Recently, the conference team performed at the Southwest Conference Meet pushing 14 events of 20 into finals, earning three event champions, and taking runner-up as a team. The team moves on to the B5 District meet on Saturday, March 9 in Gothenburg. It promises to be a very high quality meet. The top three finishers in each event will move on to the state tournament on March 20. Our 34 speech team members have put together 50 total events this year. It has been a fantastic year for speech and the future holds great promise as only three of our 34 team members will graduate in May.

High School Art Club-Ms. Emily Christman

The High School Art Club has had a good year. At the beginning of the year officers were elected by the students. Stephanie Trent was elected President, Sophia Cederburg and Kinsie Land are serving as Vice Presidents, Danica Schoone is Secretary, and Carley Fitzsimmons is Treasurer. During the fall the club painted pumpkins generously donated by the Cederburg family. In November the students made thank you cards and received their tie dye club t-shirts for photos. In December students painted ceramic gingerbread men to celebrate the holidays. Second semester club members made Valentine cards. At the last club meeting they played a collaborative portrait drawing game with some entertaining results. At the end of March, the club will take their annual trip. This year the students are going to travel to Omaha's Henry Doorly Zoo and Aquarium to learn about the design and architecture of the zoo. Additionally, students will take photos when touring the zoo to draw and paint when they return home. Overall the club has had a fun year building community and sharing their love for art.

Show Choir-Ms. Ivey Zimmerman

Having the opportunity to work with this group of students for this year's show choir has been one of my favorite things about this school year. With it being my first year of teaching, show choir looks a little different with it functioning more like a jazz choir. Instead of having a choreographed show, these students have been singing a genre of music they normally wouldn't sing or listen to and they are building fundamental skills that will help them as musicians. With a vocal jazz group, the singers get used to singing close and complex harmonies, syncopation, and improvisation. They learn to become more independent musicians from the more challenging music and it will help the group in the future when we return back to show choir. The students have continued to be flexible and reliable when they face more challenging music and 7 am rehearsals Friday morning.

We have been preparing for District Music Contest in Holdrege on April 19th and our Spring Concert on April 29th. We have been singing a variety of vocal jazz standards like Henry Mancini's "Moon River" and "I Got Rhythm" by George Gershwin. They have been challenged by singing a few a cappella arrangements, as well. They have done a great job getting used to hearing the unconventional chordal structure that comes with the territory of singing vocal jazz and the students have worked hard in preparation for these performances. I am looking forward to watching them succeed with these upcoming performances and I am eager to see how this will benefit the show choir in the future.

**Minden Public Schools
C.L. Jones Middle School
March 2024**

**Report to the Board of Education
Mrs. Chelsey Jensen, Administrator**

The following information is a list of highlights at C.L. Jones Middle School:

Whippet of the Month Awards-

The C.L. Jones Middle School staff nominates students who demonstrate outstanding character, behavior, and commitment to academic progress. Congratulations to the following:

Payden Havens, Jarvis Lenneman, Liam Collins, Eponine Kring, Miley Bernshausen, Brynlee Trew Duke Jorgensen, Tatum Delira, Tirzo Borrego, Katherine Marshall, Adrien Keys, Cole Schwenka

Staffing Changes-

I'm pleased to announce a few staffing changes for the 2024-2025 school year. Mrs. True will move from fourth grade to special education. Mrs. Jorgensen will move from third grade to middle school art. Mrs. Strong will move from third grade to fourth grade. We're looking forward to the 2024-2025 school year!

Journalism 8-

Please join us for the 8th-grade journalism class' final project- CLJMS premier of "The School".

Middle School Dance-

The C.L. Jones Middle School Student Council organized a 7th & 8th-grade dance on March 23, 2024, at C.L. Jones Middle School. The students and staff enjoyed a fun evening with good company, delicious snacks, and plenty of glow sticks. Thank you to the C.L. Jones Student Council and Mrs. Erican Jensen for coordinating an evening of fun!

Kearney County Spelling Bee-

We're excited to host the Kearney County Spelling Bee at C.L. Jones Middle School on March 20, 2024, beginning at 3:45 pm.

National FFA Week-

Ms. Wippel and her FFA students celebrated National FFA Week by organizing the 8th Grade Ag Olympics at C.L. Jones Middle School. The high school members organized agriculture-themed contests for the 8th-grade students to compete in. Thank you Ms. Wippel and the HS FFA members for hosting this fun event for our eighth grade students!

Read Across America-

We celebrated Read Across America/ Dr. Seuss' birthday with the following dress-up days. I enjoyed spending the day, March 5, reading to each grade level of students!

Minden Public School Board of Education Report March 2024

Sandy Pohl, East Elementary and Minden Public Preschool Principal

During National Future Farmers of America week, members of the high school FFA program joined East Elementary students for lunch. High school students shared what FFA is, the positives of being a part of FFA, and encouraged our young students to acknowledge all the ways agriculture is a part of our daily lives. Our state qualifying basketball team visited

East Elementary for a whippet walk, and we look forward to welcoming student members of the music program during the month of March to celebrate music month. Each week members of the high school child development class join Minden Public Preschool students during their school day.

Read Across America is a time to recognize the importance and the excitement of reading. Students enjoyed fun dress up days matching classic book titles. As a finale to the week, each student was able to invite one guest reader to join them in reading during the school day. Our school was lined with book-filled hands of grandparents, parents, friends, and other important people in our children's lives.

The last month has been a busy time planning for personnel movement and hirings. The following is my recommendations to the Board of Education for hirings. With the resignation of Jill Woodward, Kim Steen will be filling the position of art teacher at East Elementary beginning the 2024-2025 school year.

For the position of special education teacher, I recommend Mary Reimers. Mary is currently a special education teacher in Lexington who is also endorsed in the area of PE/Health. Her experience in classroom resource, adaptive physical education, and coaching make her a qualified candidate for our open position.

Stephanie Strong has expressed interest in returning to teaching higher grade levels making her interested in teaching at the middle school. Katie Jorgensen has shared her interest in a new adventure making her interested in teaching middle school art.

To fill the open classroom positions, I recommend Anisha Kuehn, Harper Wells, and Destiny McVay-Schultz. Anisha Kuehn, a Minden native, has experience teaching in third and fourth grade in Phillipsburg, Kansas and Hastings. Most recently, she has been teaching in the first grade at Hastings. Her references shared of her highly effective teaching, ability to build positive relationships with students and teaching partners, and her professionalism in the school setting. Harper Wells, an Axtell native, student taught with Jennifer Muller and

Whitney Mauslby. Since completing student teaching, she has served as a substitute teacher across our district. With her degree in elementary education and a minor in middle level English, she would be a great addition to our school team. Destiny McVay-Schultz, originally from Gothenburg, has served as a third and fourth grade teacher in Tennessee and Florida. She has also served as an interventionist in Lexington. Destiny's reference shared that she has strong classroom management, an engaging teaching style, and is all around a phenomenal teacher.

Early Childhood Education Update:

The Minden Little Whippets-Community For Kids group hosted a Childcare Provider Night On February 22nd at East Elementary with a presentation given by the Buffalo County Childcare Champions. Community members interested in opening or expanding their in-home childcare were invited to attend to gain connections to funding opportunities, receive hands-on guidance with state requirements, and gain support from experienced mentors.

Kindergarten registration will be held on April 11th. Any child who turns five years old on or before July 31st is welcome to attend kindergarten during the 2024-2025 school year. After collecting information from local preschools, initial estimated kindergarten enrollment for the 24-25 school year will be 50.

Superintendent Report

Meeting: March Board Meeting

Date: 3/11/24

Mr. Widdifield

=====

Topics:

New Staff: We are excited about the new staff we hired this month. Our objective is to get the best person for our students and district. We are very fortunate to have the reputation of a great school with excellent facilities, a proactive Board of Education, and outstanding staff and students. When we talk to other schools about how many staff we get to interview and apply for our positions, they envy us. We have a lot of great things happening and have the potential to enhance our district. Seeing the positive changes and directions we are going in this district is exciting.

Rental/Pre-School House basement: Demolition will begin once we finish the permit. We had a few issues completing it, but it will be done soon.

Facilities: We are working on new showers in the upper locker rooms of the middle school, a water treatment system in the high school, boiler updates in the south mechanical room of the middle school, and cameras and doors for East Elementary. We want to get as much accomplished before summer starts or be at the top of the list for companies to come in and work on our projects.

Thank You: I want to thank the staff and other volunteers for the help we received this winter. The winter season is long, and it takes a lot of people to make everything work. I appreciate the community support and what our staff does outside the classroom.

NETWORK for
EDUCATOR
EFFECTIVENESS

In affiliation with the  University of Missouri

www.NEEAdvantage.com

About NEE

The Network for Educator Effectiveness is a comprehensive educator evaluation system with a purpose: to grow teachers and improve schools. NEE brings together classroom observations with multiple measures of effectiveness in a secure online portal designed to record feedback, start meaningful conversations, and provide high-quality resources for educator growth and development. NEE was developed in 2011 at the University of Missouri's College of Education & Human Development.

Who We Serve

NEE works with schools in six states - Missouri, Nebraska, Kansas, Illinois, Iowa, and Florida - and continues to add more.

NEE Membership Includes:

◆ Training for school leaders

NEE training focuses on effective evaluation and feedback practices to support teacher growth.

◆ Access to the NEE Data Tool

The online platform securely manages evaluation data and provides reports to stay organized.

◆ Access to the EdHub Library

More than 500 modules for self-paced, individual learning are available in the online platform.

◆ Classroom observation rubrics

Access to 27 rubrics that schools select from to use in their classroom observations.

◆ Student survey and multiple measures

NEE provides multiple measures for schools to incorporate in teachers' evaluations, if desired.

◆ School specialist evaluations

Evaluation tools are available for principals, counselors, instructional coaches, and others.

All NEE services are packaged and provided to schools at one cost based on student count.

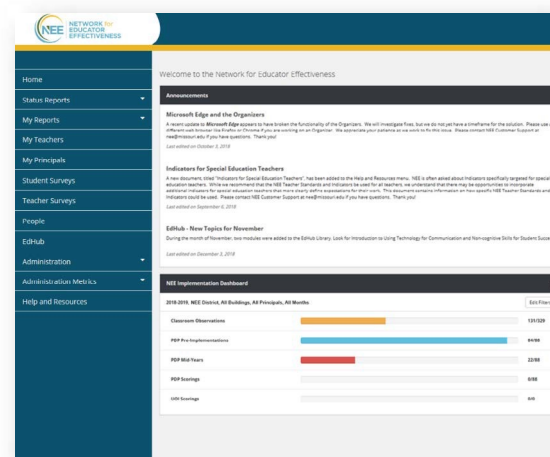

NEE Teacher Evaluation

A comprehensive framework to promote growth

MULTIPLE MEASURES OF EFFECTIVENESS

Four measures are available for schools to use in their teacher evaluation processes. Schools select which measures to incorporate.

ENTERED IN AN ONLINE PLATFORM

NEE evaluation data comes together in the **NEE Data Tool**, a secure online platform designed to help school leaders streamline evaluations.

LINKED TO PROFESSIONAL LEARNING

Through the Data Tool, NEE schools enjoy access to EdHub, a unique web-based resource library with more than 500 professional learning activities.

Teacher Standards

The teacher standards and indicators utilized by NEE are aligned to the InTASC National Standards developed by the Council of Chief State School Officers. Each standard is layered with multiple indicators. Nine standards and 39 indicators are part of the NEE system (27 NEE indicators are observable and have classroom observation rubrics).

1: USES CONTENT KNOWLEDGE AND PERSPECTIVES ALIGNED WITH APPROPRIATE INSTRUCTION

2: UNDERSTANDS AND ENCOURAGES STUDENT LEARNING, GROWTH AND DEVELOPMENT

3: IMPLEMENTS CURRICULUM

4: TEACHES FOR CRITICAL THINKING

5: CREATES A POSITIVE CLASSROOM ENVIRONMENT

6: USES EFFECTIVE COMMUNICATION

7: USES STUDENT ASSESSMENT DATA TO ANALYZE AND MODIFY INSTRUCTION

8: DEVELOPS PROFESSIONAL PRACTICES

9: PARTICIPATES IN PROFESSIONAL COLLABORATIONS

Classroom Observations

When a district first joins NEE, we recommend they focus solely on the classroom observation component for at least the first year before adding other components, if desired.

NEE'S APPROACH TO CLASSROOM OBSERVATIONS INCLUDES:

- ▶ **FOCUS.** Schools select 3 to 5 indicators to focus on during classroom observations, aligned with school initiatives and priorities.
- ▶ **GROWTH.** The NEE system is a growth model. NEE encourages short, frequent classroom walkthroughs to provide ongoing feedback to teachers. If a full-period observation is required, the system can be adapted to accommodate a longer observation. NEE encourages administrators to conduct face-to-face feedback conversations after classroom observations.
- ▶ **TRAINING.** In-depth training on classroom observations, effective feedback to teachers, and other evaluation best practices is provided to each administrator. Initial training involves two days of instruction, followed by a half-day "refresher" training each subsequent year.

Standard 4: Teaches for Critical Thinking

SCORING RUBRIC	EXAMPLES OF EVIDENCE AND "LOOK-FORS"
Indicator 4.1 – The teacher uses instructional strategies that lead students to problem-solving and critical thinking.	
0 - The teacher does not use instructional strategies to promote student problem-solving or critical thinking skills.	<ul style="list-style-type: none"> Students are not involved in problem-solving or critical thinking
1 - The teacher seldom uses instructional strategies that require students to problem-solve and think critically.	<ul style="list-style-type: none"> Seldom uses questions that demand more than basic recall or mere opinion Almost always responds to own questions without wait time for student response Uses routine applications of known procedures, or highly guided or constrained tasks
3 - The teacher occasionally uses instructional strategies that require students to problem-solve and think critically less than half of the time, or with fewer than half of the students.	<ul style="list-style-type: none"> Occasionally uses instructional strategies that require some students to reason, problem-solve, and think critically (e.g., to assess or develop an informed argument, weigh credibility of evidence, justify or evaluate thinking, use cause-and-effect charts) Uses some higher-order questions with skill (e.g., "how do you know?" or "why do others come to a different conclusion?"), but is not consistent May provide opportunities for higher-order thinking (e.g., compare, analyze, infer, evaluate, explain, justify) without appropriate follow-through Mostly uses routine applications of known procedures May provide too much or too little scaffolding for problem solving
5 - The teacher often uses instructional strategies that require students to problem-solve and think critically more than half of the time, or with more than half of the students.	<ul style="list-style-type: none"> Often uses instructional strategies that require most students to reason, problem-solve, and think critically Models critical thinking and steps necessary to problem-solve for students, but misses some opportunities May allow students to problem-solve independently instead of providing step-by-step instructions Implements meaningful learning experiences that require most students to apply disciplinary knowledge to real-world problems
7 - The teacher almost always uses instructional strategies that engage almost all students in learning activities to promote problem-solving and critical thinking continuously through almost all the lesson.	<ul style="list-style-type: none"> If time allows, progresses fluently through multiple instructional strategies that require almost all students to think critically and problem-solve Consistently requires students to explain or justify their thinking, problem-solve, formulate questions, predict, be creative, or make informed decisions Almost all students consistently engage in individual or collaborative critical thinking and problem-solving, analysis, synthesis, interpretation, and creation of original products Strongly models critical thinking
<p><i>NOTE: In ECE, critical thinking may involve allowing learners to use materials in unique ways, looking at problems in different ways, generating their own ideas, or actively discovering, investigating, exploring, constructing, and creating. Also may involve letting learners take risks, experiment, and make mistakes. Another example includes allowing learners to lead and then following their lead.</i></p>	

An example of the NEE Classroom Observation Rubric. This is the rubric for Indicator 4.1 - The teacher uses instructional strategies that lead students to problem-solving and critical thinking.

Optional Measures

As districts move forward with NEE, they may choose to incorporate additional measures into their teacher evaluation processes. In addition to classroom observations, districts can choose to utilize any combination of these NEE components:

UNIT OF INSTRUCTION

The NEE Unit of Instruction is structured as an opportunity for teachers to showcase how they turn curriculum into instruction that promotes student growth.

TEACHER PROFESSIONAL DEVELOPMENT PLAN

The NEE Teacher Professional Development Plan (TPDP) provides a structured process for teachers to work through a goal for the year and check in with the school leader periodically.

STUDENT SURVEYS

(Grades 4-12)

The NEE Student Survey allows for students' perspectives to be part of the evaluation. On the survey, students rate their teachers from 0 to 3 on a Likert scale for each indicator of teaching effectiveness.

Additional Support

In addition to teachers, NEE provides evaluation tools aligned to the unique professional standards for:

- ▶ Principals
- ▶ Speech-language pathologists
- ▶ School librarians
- ▶ School counselors
- ▶ Instructional coaches
- ▶ Paraprofessionals

DEDICATED SUPPORT FOR YOUR SCHOOL

NEE's Member Services team works side-by-side with your district on training and implementation. All NEE Member Services representatives are experienced K-12 educators with administrative experiences. When you call or email the NEE Help Desk, you get a real person who will answer your questions promptly and expertly.

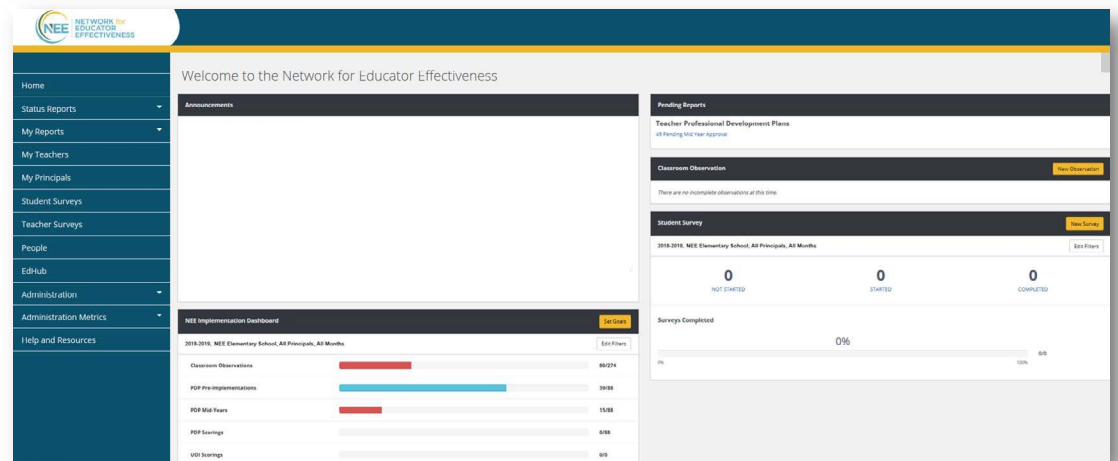

The NEE Data Tool

ONLINE EVALUATION SYSTEM

The NEE Data Tool is a custom-built, password-protected online platform that gives administrators a powerful tool for evaluation insights and data-driven decision-making. All district personnel who are evaluated using the NEE system have access to the NEE Data Tool.

With the NEE Data Tool, school leaders can:

- ▶ **COMPLETE CLASSROOM OBSERVATIONS**
Principals can score classroom observations and provide feedback for teachers to view.
- ▶ **EVALUATE OTHER NEE COMPONENTS**
Launch student surveys, upload and evaluate the TPDP and/or UOI.
- ▶ **VIEW REPORTS & TRENDS**
Numerous reports help administrators stay organized and view evaluation trends.
- ▶ **STREAMLINE SUMMATIVE REPORTS**
NEE evaluation data comes together in one summative report to save administrators time.
- ▶ **ACCESS EDHUB**
Both administrators and teachers can access EdHub.

The NEE Advantage

What makes NEE a superior evaluation system?

▶ **COMPREHENSIVE EVALUATION & GROWTH MODEL**

NEE brings together multiple measures to evaluate teachers, training for administrators, an online platform, and professional learning resources. The NEE process is a total system designed to help educators grow.

▶ **SUPERIOR TRAINING**

NEE trains administrators to conduct reliable, consistent classroom observations and to provide effective feedback to teachers. NEE training is a leadership development opportunity for principals.

▶ **FOCUS**

NEE districts focus on three to five high-impact indicators (selected through local decisions), eliminating the burden on administrators to evaluate dozens of behaviors during classroom observations.

▶ **AFFORDABLE**

NEE was developed to ensure all schools, regardless of size, have access to high-quality evaluation. NEE offers our full suite of services packaged into one price based on a district's student enrollment.

▶ **CUSTOMER SUPPORT**

NEE's Member Services team works side-by-side with your district on training and implementation. When you call or email the NEE Help Desk, you get a real person who will answer your questions promptly and expertly.
