Personnel

Administrators', Support and Professional Staff Salaries - The personnel committee met and will be bringing forward salary recommendations.

Art Position – Mary Lieske will be bringing forward a recommendation for a contract for the half-time elementary Art position.

East Elementary/SPED Director – I am recommending Sandy Pohl for the East Elementary Principal/SPED Director position. Sandy comes highly recommended from Kearney Public Schools where she currently serves as a kindergarten teacher at Central Elementary. Sandy has degrees in Elementary Education K-6, K-6 Mild/Moderate SPED, and PK-8 Educational Administration.

Sandy has taught the curriculum we use for reading and math, and she actively serves on the school's annual yearly compact team focusing on No Child Left Behind requirements. Sandy also leads her school's monthly staff development meetings guiding preschool-fifth grade teachers through formative assessment techniques.

As stated by references: "Sandy is relentless in her efforts to knock down roadblocks to set each child she serves on a course to succeed in elementary and beyond. She is one of the strongest teachers in our building and possesses unlimited potential as a principal."

"Plain and simple, Sandy Pohl is not only an exemplary educator, she is the kind of educator that steps into leadership roles in a building for the sole purpose of helping create the best learning environment for every student. At Central, she is a team-oriented individual that uses her many talents for the good of all."

Buildings/Grounds/Transportation Summer Recommended Projects

The list of summer projects was compiled by Dave after input from the principals and will be handed out at the meeting.

- b. Do not add shipping on Coop or School Specialty orders. Coop orders are due in next **Friday, March 20th**.
- c. Have the S.S., Coop and Lakeshore requisitions done before leaving for Easter Break.
- d. All orders are due in April 10th.
- e. Reminder on the School Specialty orders ... Go to the School Specialty website and put your items in the cart. If you don't finish, be sure and save your cart. For the **Payment Type: Invoice and Purchase Order: the teacher's last name**. When you are finished, submit your cart. Then on the Harris req, put your total as a line item and add the cart number of the School Specialty order that you had submitted. Then submit the Harris req. III. NeSA Testing

Go over the testing schedule handout for NeSA Reading and the NeSA Math. Jana and Hailey will be testing the six special education students (2 per morning). The final schedules will be put on the Drive and shared.

There will be two sessions each day ... 8:20 am and 10:00 am.
Upstairs, downstairs and the Title Labs will be used for all sessions.

NeSA – R dates are: March 31, April 1 & April 2 (If there are any
makeup tests, they can be done the next week on a flexible schedule.

NeSA – M dates are: April 14, 15, 16.

Hailey and Jana will be testing in their rooms.

IV. Treasures Trainer

Everyone felt that it would be the most beneficial to have a trainer
come for two days and work with grade levels for ½ day each. We will
try and work out days in which we could get 3 subs per day and rotate
them. Mary will work with Laurie and Jenner (our rep) and see if we
can come up with a date.

We have \$\$ left that we have to spend for in-services. Suggestions?

V. Summer Projects

If you have any thing that you would like to see done in your classroom
over the summer, email Mary and Cc: Nick your list. This is what is on
the list so far...

- Bricks on the school
- New windows on the north and/or south
- Rock in the parking lot across the street
- Repair the water damage on the ceiling upstairs
- Hallway floor repair
- Painting

VI. MAPS & MAPS Primary

Kindergarten and First grade has decided to go with the MAPS
Primary. That way we will have consistent data from K-11th grades.
I've been working with Susan, as we're able to give the MAPS Primary
a test run yet this spring for K-1.

MAPS K-12 is now considered a Universal Screener by the National
Center on Response to Intervention, which will eliminate the need for
AIMSweb next year.

Today Jami Schaffnitt from ESU 10 is coming to work with the 2nd
grade teachers and anyone else that is interested. She'll come around
12:40 and will be in the 2nd grade area. Jami has taught 2nd grade in

Kearney and used MAPS. She is a Teaching and Learning Coordinator at ESU 10 and a certified NWEA trainer.

Jami worked with the 3rd grade teachers last Monday.

VII. Calendar Representatives for East Elementary

Shannon Lovin
Ed Rowse

If you have any feedback for the calendar, talk to these gentlemen. Dr. Wheelock will be sending out a calendar survey to staff next week. The calendar committee will meet March 23rd at 3:45 pm.

EAST ELEMENTARY
Board Report
April 13, 2015

I. **Jump Rope for Heart**

Julie Anderson and Ed Rowse teamed up once again to promote healthy heart activities. After they did their jump rope for heart during their P.E. classes, they had a healthy snack of apples, pretzels and a bottle of water. As part of the heart healthy unit, if students chose to, they could participate in the “Duck Wars.” For every \$10 raised the student could put their name on a duck & put it up on the duck wall by the office. They would also receive various ducks to put on their necklace. The students did an outstanding job this year! We were recognized for raising \$5,416.62! These dollars will go towards heart research. The students will be having a sno-cone party towards the end of the year. All students participated in the jump rope for heart during their PE classes, but the fundraising for the heart association was totally optional. The PE program will benefit by receiving new PE equipment that Mr. Rowse chooses.

II. **NeSA-R and NeSA-M (State Reading and Math assessments)**

The third grade students have completed the statewide reading test. The week of April 13th, they will be taking their statewide math assessments.

During the last part of April and the first part of May the 2nd and 3rd grade students will be taking the MAPS assessment and K-2 will also be doing AIMSweb testing.

2nd and 3rd grade teachers worked with Jami Schaffnitt from ESU 10 on how to further read and utilize the data from MAPS. Jami is a Teaching and Learning Coordinator at ESU 10 and is a certified NWEA (MAPS) trainer.

In 2015-2016, Kindergarten and 1st grades will be taking the MAPS Primary tests three times per year and since that is considered a Universal Screener, we are able to eliminate the AIMSweb assessment. By using MAPS Primary, we'll have consistent data from K-11th grades.

III. **Kindergarten Registration**

We completed Kindergarten Registration on Thursday, April 9th. We had a session at 9:00 am and another one at 1:00 pm. At this time

there are 65 children scheduled to begin school in August.

The children did activities in the kindergarten room with Mrs. Woodward and Mrs. Norgaard. They then went to PE and Music with Mr. Rowse and Ms. Schluntz. While the students were busy, Tammy, Julie, Shannon Kuehn (Kearney County Health Services) and I visited with the parents before they went in to visit with the kindergarten room. The day was another success and hopefully these students as well as their parents, will have a positive start to their upcoming educational experiences.

IV. **Invention Convention**

Invention Convention was earlier than it has been in previous years (March 23rd) due to statewide testing in April. Lori Schluntz again headed it up and ended up taking 20 students from 3rd grade and had 34 students attend from the middle school for a total of 54. In your attachments is a list of the inventors from each class as well as the results. Minden students did an outstanding job with their inventions and did a nice job representing our school!

V. **Preschool**

- a. April 13-17 is the “**Week of the Young Child.**” The MPS preschool artwork will be displayed at the Minden Opera House throughout the week. Headstart, Discovery, Creative Care & First Christian Church Preschools will also be displaying their student’s artwork. There was an open house tonight from 6:00-7:30 at the Opera House where the children served milk and cookies to those that came and viewed their art.
- b. At the end of April, the MPS preschool will be facilitating a transition visit to East Elementary. This is done every year in order to help the preschool children that will be entering school to make a smooth transition into kindergarten. The children will have their pictures taken with the teachers, secretary, principal, cooks, etc. Peg & Melissa will then make that into a transition book for each child. It has certainly made for an easy transition from preschool to kindergarten.
- c. Please see the 2014-2015 Preschool summary in your attachments.

- VI. **Title I After School and Summer Tutoring**
- a. After School Tutoring will take place on Monday, Tuesday, and Thursdays, starting on April 13th. Hailey Rhynalds, Lisa Mauslby and Kerri Harsin. They will each take one night a week to tutor students in reading / math.
 - b. Summer school teachers will be Tammie and Elin Petersen for the Title I students and Jennifer Muller will teach summer school for regular education students. More information will come at a later time.
- VII. **Staff Meeting Notes** from March 11th are included in your attachments.
- VIII. **Recommending Elizabeth Bloomfield for the Art Position**
The Board has received the email stating Liz's qualifications. Liz had outstanding credentials and references and I believe that she will do a top-notch job as the East Elementary art teacher!
- IX. **Reading Trainer**
On May 5th & 6th, I have a Treasurer's (our reading program) trainer from McGraw-Hill coming in to work with our teachers fine-tuning our reading program.
- X. **Student Convocation on May 8th**
This year our school-wide theme has been the "Wild, Wild West." I have been in contact with Joan Wells who is a Women's World Champion Trick Roper. By working through the Speakers Bureau, we only have to pay a processing fee of \$50 to have her come out to do a program for the students. It looks like it'll be a fun and entertaining program and will tie in nicely with our theme this year.
If you are interested, please feel free to come and join us. It'll begin at 12:45 pm.

MINDEN PUBLIC PRESCHOOL OVERVIEW OF 2014-15 SCHOOL YEAR

The Minden Public Preschool is an inclusive preschool open to all families within the school district. We have a sliding scale fee, which gives families of lower economic status the opportunity for their children to attend preschool. Our curriculum is play-based, with much hands-on style learning activity.

We currently have 27 children who attend the preschool:
Morning Group = 14 students (11 private pay & 3 verified)
Afternoon Group = 13 students (8 private pay & 5 verified)

We serve 5 children outside of the preschool setting:
3-5 yr. = 5 (4 are seen at their home, 1 is seen at another preschool)

We use the Primary Coach Model and serve children in their natural setting, where young children typically spend their time. It is determined, by their team considering each child's individual needs, where the child is best served.

We had 4 referrals during the 2014-2015 school year:

- 1 child qualified for services
- 2 did not qualify for services
- 1 is still in the process of being evaluated

Number of children who moved into the district:

- Birth-2 = 1 (student moved in from another state with an IFSP, did not qualify for services under Nebraska's Rule 51)
- 3-5 years = 2 (both moved into the district and had an IEP)

Number of children who moved out of the district:

- Birth-2 = 0
- 3-5 years = 1

Other Preschools in the community include:

- Discovery
- First Christian
- Head Start
- Creative Care Daycare/Preschool

Monthly School Board Meeting (April 2015)

Mr. Hosick-Principal's Report

1. Dating Violence/Healthy Relationship Training:

Mr. Horner has been presenting curriculum on the subject of dating violence and abuse to all of the high school students this spring. At the high school we chose a curriculum titled "Love is Not Abuse." The curriculum includes a series of short YouTube video interviews of teens who have been victims of dating violence. The curriculum was presented to seniors in American Government classes. Mr. Horner will be finishing up his presentations to juniors in American History very soon. Mr. Christensen has presented curriculum on healthy relationships to the sophomores in the PE/Health classes; therefore, Mr. Horner presented additional material to the sophomores in PE. Finally, the freshman will receive the same presentation in their World Geography classes to wrap up the student body. Students have been very receptive and engaged in the information presented in the curriculum.

We will be required to cover Dating Violence material with our high school students each year from this point forward.

2. State Award for High School Teacher:

Jane Blum will be honored as Nebraska FBLA's Outstanding Chapter Adviser this year.

The award will be given at the Awards Program for the annual FBLA State Leadership Conference on Saturday, April 11, at 9:45 am. The program will be held in the Omaha Ballroom at the Ramada Plaza Convention Center.

(Please help me keep this a surprise from Jane if you read this prior to April 11th.)

3. Prom:

The 2015 Minden High School Prom will be held on Saturday, April 18th at the Minden Opera House. The format will run similar to recent years.

Open House will be held at 10 a.m.

Drive up will start at 5:30 p.m.

Dinner will start at 6:30 p.m.

Dance will run from 8 p.m. to 11 p.m.

4. NeSA Math & Science Testing:

The Spring is a very busy time with activities at the high school, however I am very please that all Math and Science testing has been completed at the high school. I appreciate Mrs. Emery, Ms. Gokie, Mr. Sitorius, and Mrs. Petersen for all their additional hard work and planning to assure all the juniors are tested in a timely manner.

The guidelines are as follows: (1) school breakfast and lunch programs will be offered which meet or exceed the requirements of federal and state law and regulatory authorities and (2) no foods in competition with the school lunch or breakfast program shall be sold or otherwise made available to students anywhere on school premises during the period of one-half hour prior to the serving period for breakfast and lunch and lasting until one-half hour after the serving of breakfast and lunch. The Superintendent or designee shall establish such further nutrition guidelines as are determined appropriate to meet the stated mission.

a. Conditions for School Meals

*Selection of School Meals – School meals shall at a minimum meet nutrition requirements established by state and federal law.

*Vending Machines – The District shall meet or exceed minimum requirements established by state and federal law.

*Foods Available During the Day – Students will be allowed access to water during the school day. Water fountains are available and water is available free of charge at all schools. Educators may allow students to bring water bottles to class.

*Fund-raising – School clubs are discouraged from selling foods of minimal nutritional value as part of fund-raising efforts.

*School activities/events – Concession stands at school activities and events will be mindful of healthful food choices.

*Definition of Foods of Minimal Nutritional Value – For purposes of this regulation, “foods of minimal nutritional value” has the same meaning as in the federal regulations for the National School Lunch program, including pop/soda, candy, and energy drinks.

*Definition of Healthy Foods – For purposes of this regulation, “healthy foods” means foods that are not foods of minimal nutritional value, and that are low in fats, sodium and sugars, and high per serving in the nutrients which are needed to meet Recommended Daily Intakes.

2. Goals to Promote Student Wellness

Educators are to incorporate the promotion of healthy nutrition lifestyles into all subject areas as appropriate.

*Display Nutrition Education Materials – The cafeteria and other school areas shall display posters or other communications suitable to the ages of students served that promote healthy nutrition choices. Educators are encouraged to incorporate such communications in their classrooms as well.

*Nutrition Health Events – Educators are encouraged to search for and take advantage of events that promote nutrition education. Activities may include:

- Health Fairs
- Field Trips to farm or food production facilities
- Health speakers (school assembly or class speaker on nutrition)

*Community – We recognize our community as an integral component of the successful implementation of the Minden Public Schools Wellness Policy. As a result, parents are welcomed to join their children at school lunch as appropriate. School communication to parents will be disseminated to parents through homework folders and additional school communication venues.

*Staff – Our employees are encouraged to be healthy role models for students. It is important for our students to receive consistent messages. Staff is discouraged from eating foods or drinking beverages of minimal nutritional value during the school day in the presence of students. Minden Public Schools is a tobacco-free campus.

- b. Physical Activity to Promote Student Wellness. To implement a curriculum that meets or exceeds the health and physical education objectives established by the Nebraska Department of Education.

*Curriculum – Health and physical education will be integrated into other subjects to complement, but not replace, the health and physical education curriculum provided in accordance with NDE Rule 10. Educators are to incorporate physical activity promotion and non-sedentary lifestyles in all subject areas as appropriate.

*Physical Activity during the School Day - Elementary and middle school students will have the opportunity for daily recess. Weather and other conditions permitting, recess will be outdoors. High school students will have the opportunity for physical activity during their lunch period. Areas for promoting physical activity breaks will be designated by the high school principal.

*Punishment – Physical activity will not be used as punishment, and physical education classes will not be withheld as punishment. This guideline shall not apply to extra-curricular activities. In no event will physical activity be used as a form of corporal punishment.

*Physical Activity Health Events – Educators are encouraged to search for and take advantage of events that promote physical activity education. Activities may include: health fairs, traveling health exhibits, field trips to physical activity centers, and physical activity speakers (school assemblies or class speakers representing sports figures, medical careers, etc.)

*Extracurricular programs – The District will offer athletic and other activity programs subject to and in compliance with the bylaws of the Nebraska School Activities Association.

*Advertising – The administration will monitor advertising that occurs in the school and endeavor to limit messages that promote foods of minimal nutritional value.

*Professional Growth – Professional staff members will be provided with professional development and guidance on appropriate practices and procedures to implement the school wellness goals and recommendations. Professional development activities will include activities related to the integration of physical activities and nutrition

education into the academic curriculum, information on how wellness impacts learning, and other wellness goals and activities.

The District will provide ongoing training and development for nutrition services staff related to nutrition and wellness goals and activities.

*Community Resources – The administration will endeavor to coordinate the school wellness programs efforts with those available from medical and other community organizations.

3. Assurance for Reimbursable School Meals

The District gives the assurance that the District's guidelines for reimbursable school meals shall not be less restrictive than regulations and guidance issued by the Secretary of Agriculture pursuant to subsections (a) and (b) of section 10 of the Child Nutrition Act (42 U.S.C. 1779) and sections 9(f)(1) and 17(a) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(f)(1), 1766(a)), as those regulations and guidance apply to the District.

4. Plan for Measuring Implementation and Designation of Responsible Persons

The Superintendent or the Superintendent's designee is charged with operational responsibility for ensuring that the school meets the Wellness Policy. The Superintendent or designee shall measure implementation of the Wellness Policy by conducting periodic reviews or receiving periodic reports.

5. Development of Policy

The District assures that development of the Wellness Policy involved parents, students, representatives of the District's nutrition services department, the school board, school administrators, and the public.

Dear Dr. Wheelock:

Please accept this letter as a notice of my resignation as an employee of Minden Public Schools. I will not be returning to teach this fall.

I want to thank you for the opportunity to teach at C.L. Jones Middle School. This has been a wonderful experience for me and my family. The community has been welcoming, and the students have been nothing short of amazing. The administration, faculty, and staff have not only encouraged me, but have challenged me to grow as an educator. I have thoroughly enjoyed my experience here as a Minden Whippet. My husband and I have decided it is time for us to move to another part of the state and be closer to my family. Once again, thank you for everything.

Sincerely,
