RE: Recommendation to hire Jordan Reinertson for Business Education position for the 2015-2016 school year.

Dear Dr. Wheelock and the Board of Education:

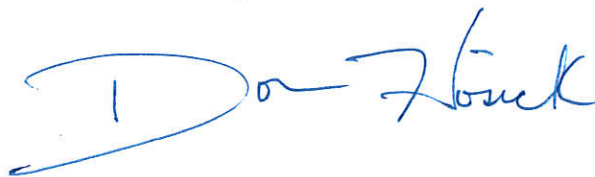

I would like to take this opportunity to recommend Jordan Reinertson for the Business Education position for the 2015-2016 school year. Jordan was selected from a number of candidates and interviewed by Dr. Wheelock, Mr. Hoyt, and myself.

Jordan is a fine young man. Both his parents are teachers and coaches in the Gibbon district. Jordan is a 2008 graduate of Gibbon High School. From there he attended UNL and graduated with a Finance degree May of 2013. The following semester Jordan decided to pursue his teaching degree which entailed Jordan completing his student teaching under the direction of Mrs. Blum here in Minden. Jordan received his Business Marketing Information Technology degree in December of 2013.

Since receiving his teaching degree Jordan has been substituting at area schools as well as holding down a long-term substituting position at Aurora High School. In speaking with Doug Kittle, the Aurora Principal he was very impressed with Jordan's classroom skills, discipline, and organization.

Please take a minute to review Jordan's attached resume to view his long list of positive accomplishments.

Thanks for your time and consideration of this candidate.
