B. Prohibited Harassment, Discrimination, and Retaliation of Employees, Students and Others.**1. Purpose:**

The Tekamah Herman Public Schools is committed to offering employment and educational opportunities to its employees and students in a climate free of discrimination. Accordingly, unlawful discrimination, harassment or retaliation of any kind by District employees, including, co-workers, non-employees (such as volunteers), third parties, and others is strictly prohibited and will not be tolerated.

Harassment is a form of discrimination and includes verbal, non-verbal, written, graphic, or physical conduct relating to a person's sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status, that is sufficiently serious to deny, interfere

with, or limit a person's ability to participate in or benefit from an educational or work program or activity, including, but not limited to:

- a. Conduct that is sufficiently severe or pervasive to create an intimidating, hostile, or abusive educational or work environment, or
- b. Requiring an individual to endure the offensive conduct as a condition of continued employment or educational programs or activities, including the receipt of aids, benefits, and services.

Educational programs and activities include all academic, educational, extracurricular, athletic, and other programs of the school, whether those programs take place in a school's facilities, on a school bus, at a class or training program sponsored by the school at another location, or elsewhere.

Discriminatory harassment because of a person's sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status, may include, but is not limited to:

- a. Name-calling,
- b. Teasing or taunting,
- c. Insults, slurs, or derogatory names or remarks,
- d. Demeaning jokes,
- e. Inappropriate gestures,
- f. Graffiti or inappropriate written or electronic material,
- g. Visual displays, such as cartoons, posters, or electronic images,
- h. Threats or intimidating or hostile conduct,
- i. Physical acts of aggression, assault, or violence, or
- j. Criminal offenses

The following examples are additional or more specific examples of conduct that may constitute sexual harassment:

- a. Unwelcome sexual advances or propositions,
- b. Requests or pressure for sexual favors,
- c. Comments about an individual's body, sexual activity, or sexual attractiveness,
- d. Physical contact or touching of a sexual nature, including touching intimate body parts and inappropriate patting, pinching, rubbing, or brushing against another's body,
- e. Physical sexual acts of aggression, assault, or violence, including criminal offenses (such as rape, sexual assault or battery, and sexually motivated stalking), against a person's will or where a person is incapable of giving consent due to the victim's age, intellectual disability, or use of drugs or alcohol,
- f. Requiring sexual favors or contact in exchange for aids, benefits, or services, such as grades, awards, privileges, promotions, etc., or
- g. Gender-based harassment; acts of verbal, nonverbal, written, graphic, or physical conduct based on sex or sex-stereotyping, but not involving conduct of a sexual nature.

If the District knows or reasonably should know about possible harassment, including violence, the District will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred (see section entitled “Grievance Procedures,” below), and take appropriate interim measures, if necessary. If the District determines that unlawful harassment occurred, the District will take prompt and effective action to eliminate the harassment, prevent its recurrence, and remedy its effects, if appropriate. If harassment or violence that occurs off school property creates a hostile environment at school, the District will follow this policy and grievance procedure, within the scope of its authority.

All District employees are expected to take prompt and appropriate actions to report and prevent discrimination, harassment, and retaliation by others. Employees who witness or become aware of possible discrimination, including harassment and retaliation, must immediately report the conduct to his or her supervisor or the compliance coordinator designated to handle complaints of discrimination (designated compliance coordinator).

2. Anti-retaliation:

The District prohibits retaliation, intimidation, threats, coercion, or discrimination against any person for opposing discrimination, including harassment, or for participating in the District's discrimination complaint process or making a complaint, testifying, assisting, or participating in any manner, in an investigation, proceeding, or hearing. Retaliation is a form of discrimination.

The District will take immediate steps to stop retaliation and prevent its recurrence against the alleged victim and any person associated with the alleged victim. These steps will include, but are not limited to, notifying students, employees, and others, that they are protected from retaliation, ensuring that they know how to report future complaints, and initiating follow-up contact with the complainant to determine if any additional acts of discrimination, harassment, or retaliation have occurred. If retaliation occurs, the District will take prompt and strong responsive action, including possible discipline, including expulsion or termination, if applicable.

3. Grievance (or Complaint) Procedures:

Employees or students should initially report all instances of discrimination, harassment or retaliation to their immediate supervisor or teacher or to the compliance coordinator designated to handle complaints of discrimination. If the employee or student is uncomfortable in presenting the problem to the supervisor or teacher, or if the supervisor or teacher is the problem, the employee or student may report the alleged discrimination, harassment or retaliation to the designated coordinator, or in the case of students, to another staff person (such as a counselor or principal).

Other individuals may report alleged discrimination to the designated coordinator. If the designated coordinator is the person alleged to have committed the discriminatory act, then the complaint should be submitted to the Superintendent for assignment. A discrimination complaint form is attached to this grievance procedure and is available in

the office of each District building, on the District's website, and from the designated coordinators.

Under no circumstances will a person filing a complaint or grievance involving discrimination be retaliated against for filing the complaint or grievance.

i. Level 1 (Investigation and Findings):

Once the District receives a grievance, complaint or report alleging discrimination, harassment, or retaliation, or becomes aware of possible discriminatory conduct, the District will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred. If necessary, the District will take immediate, interim action or measures to protect the alleged victim and prevent further potential discrimination, harassment, or retaliation during the pending investigation. The alleged victim will be notified of his or her options to avoid contact with the alleged harasser, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the District's investigation. The District will minimize any burden on the alleged victim when taking interim measures to protect the alleged victim.

The District will promptly investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The District will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this grievance procedure. If the allegation(s) involve possible criminal conduct, the District will notify the complainant of his or her right to file a criminal complaint, and District employees will not dissuade the complainant from filing a criminal complaint either during or after the District's investigation.

The District will aim to complete its investigation within **ten (10) working days** after receiving a complaint or report, unless extenuating circumstances exist. Extenuating circumstances may include the unavailability of witnesses due to illness or incapacitation, or additional time needed because of the complexity of the investigation, the need for outside experts to evaluate the evidence (such as forensic evidence), or multiple complainants or victims. If extenuating circumstances exist, the extended timeframe to complete the investigation will **not exceed ten (10) additional working days without the consent of the complainant, unless the alleged victim agrees to a longer timeline.** Periodic status updates will be given to the parties, when appropriate.

The District's investigation will include, but is not limited to:

- a. Providing the parties with the opportunity to present witnesses and provide evidence.
- b. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- c. For allegations involving harassment, some of the factors the District will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and

relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.

- d. A review of the evidence using a “preponderance of the evidence” standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

The designated compliance coordinator (or designated investigator) will complete an investigative report, which will include:

- a. A summary of the facts,
- b. Findings regarding whether discrimination, harassment or other inappropriate conduct occurred, and
- c. If a finding is made that discrimination, harassment or other inappropriate conduct occurred, the recommended remedy or remedies necessary to eliminate such discrimination, harassment or other inappropriate conduct.

If someone other than the designated compliance coordinator conducted the investigation, the compliance coordinator will review, approve, and sign the investigative report. The District will ensure that prompt, appropriate, and effective remedies are provided if a finding of discrimination, harassment, or retaliation is made. The District will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings.

The District will send concurrently to the parties written notification of the decision (findings and any remedy) regarding the complaint within **one (1) working day** after the investigation is completed. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 11232g; 34 C.F.R. Part 99, permits the District to disclose relevant information to a student who was discriminated against or harassed.

ii. Level 2 (Appeal to the Superintendent):

If a party is not satisfied with the findings or remedies (or both) set forth in the decision, he or she may file an appeal in writing with the Superintendent within **five (5) working days** after receiving the decision. The Superintendent will review the appeal and the investigative documentation and decision, conduct additional investigation, if necessary, and issue a written determination about the appeal **within ten (10) working days** after receiving the appeal. The party who filed the appeal will be sent the Superintendent's determination at the time it is issued, and a copy will be sent to the designated compliance coordinator. [If the Superintendent is the subject of the complaint, the party will file the appeal directly with the Board.]

iii. Level 3 (Appeal to the Board):

If the party is not satisfied with the Superintendent's determination, he or she may file an appeal in writing with the Board of Education **within five (5) working days** after receiving the Superintendent's determination. The Board of Education will review the appeal, the Superintendent's determination, the investigative documentation and decision, and allow the party to address the Board at a Board meeting to present his or her appeal. The party will be allowed to address the Board at the Board's next regularly scheduled Board meeting (unless the Board receives the appeal within one week of the next regularly scheduled Board meeting) or at a time and date agreed to by the Board, designated compliance officer and the party. The Board will issue a written determination about the appeal **within thirty (30) days** after the party addresses the Board. The party who filed the appeal will be sent the Board's determination at the time it is issued, and a copy will be sent to the designated compliance coordinator. The Board's determination, and any actions taken, will be final on behalf of the District.

4. Confidentiality:

The identity of the complainant will be kept confidential to the extent permitted by state and federal law. The District will notify the complainant of the anti-retaliation provisions of applicable laws and that the District will take steps to prevent retaliation and will take prompt and strong responsive actions if retaliation occurs.

If a complainant requests confidentiality or asks that the complaint not be pursued, the District will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or the request not to pursue an investigation, as long as doing so does not prevent the District from responding effectively to the harassment and preventing harassment of other students. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the District will inform the complainant that its ability to respond may be limited. Even if the District cannot take disciplinary action against the alleged harasser, the District will pursue other steps to limit the effects of the alleged harassment and prevent its recurrence, if warranted.

5. Training:

The District will ensure that relevant District employees are adequately trained so they understand and know how to identify acts of discrimination, harassment, and retaliation, and how to report it to appropriate District officials or employees.

In addition, the District shall ensure that employees designated to address or investigate discrimination, harassment, and retaliation, including designated compliance coordinators, receive training to promptly and effectively investigate and respond to complaints and reports of discrimination, and to know the District's grievance procedures and the applicable confidentiality requirements.

6. Designated Compliance Coordinators:

Designated compliance coordinators will be responsible for:

- a. Coordinating efforts to comply with anti-discrimination, anti-harassment, and anti-retaliation laws and regulations.
- b. Coordinating and implementing training for students and employees pertaining to anti-discrimination, anti-harassment and anti-retaliation laws and regulations, including the training areas listed above.
- c. Investigating complaints of discrimination (unless the coordinator designates other trained individuals to investigate).
- d. Monitoring substantiated complaints or reports of discrimination, as needed (and with the assistance of other District employees, if necessary), to ensure discrimination or harassment does not recur, and that retaliation conduct does not occur or recur.
- e. Overseeing discrimination complaints, including identifying and addressing any patterns or systemic problems, and reporting such patterns or systemic problems to the Superintendent and the Board of Education.
- f. Communicating regularly with the District's law enforcement unit investigating cases and providing current information to them pertaining to anti-discrimination, anti-harassment, and anti-retaliation standards and compliance requirements.
- g. Reviewing all evidence in harassment or violence cases brought before the District's disciplinary committee or administrator to determine whether the complainants are entitled to a remedy under anti-discrimination laws and regulations that was not available in the disciplinary process.
- h. Ensuring that investigations address whether other students or employees may have been subjected to discrimination, including harassment and retaliation.
- i. Determining whether District employees with knowledge of allegations of discrimination, including harassment and retaliation, failed to carry out their duties in reporting the allegations to the designated compliance coordinator and responding to the allegations.
- j. Recommending changes to this policy and grievance procedure.
- k. Performing other duties as assigned.

7. Preventive Measures:

The District will publish and widely distribute on an ongoing basis a notice of nondiscrimination (notice) in electronic and printed formats, including prominently displaying the notice on the District's website and posting the notice at each building in the District. The District also will designate an employee to coordinate compliance with anti-discrimination laws (see Designated Compliance Coordinator section, above, for further information on compliance coordinator), and widely publish and disseminate this grievance procedure, including prominently posting it on the District's website, at each building in the District, reprinting it in District publications, such as handbooks, and sending it electronically to members of the school community.

The District also may distribute specific harassment and violence materials (such as sexual violence), including a summary of the District's anti-discrimination, anti-harassment, and anti-retaliation policy and grievance procedure, and a list of victim

resources, during events such as school assemblies and back to school nights, if recent incidents or allegations warrant additional education to the school community.

StudentsStudent Discipline

A. Development of Uniform Discipline System. It shall be the responsibility of the Superintendent to develop and maintain a system of uniform discipline. The discipline which may be imposed includes actions which are determined to be reasonably necessary to aid the student, to further school purposes, or to prevent interference with the educational process, such as (without limitation) counseling and warning students, parent contacts and parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling upon written consent of the parent or guardian, or in-school suspension. The discipline may also include out-of-school suspension (short-term or long-term) and expulsion.

1. Short-Term Suspension: Students may be excluded by the Principal or the Principal's designee from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

- a. Conduct that constitutes grounds for expulsion, whether the conduct occurs on or off school grounds; or
- b. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, which occur on or off school grounds, if such conduct interferes with school purposes or there is a nexus between such conduct and school.

The following process will apply to short-term suspensions:

- a. The Principal or the Principal's designee will make a reasonable investigation of the facts and circumstances. A short-term suspension will be made upon a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
- b. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what the student is accused of having done, an explanation of the evidence the authorities have, and be afforded an opportunity to explain the student's version of the facts.
- c. Within 24 hours or such additional time as is reasonably necessary following the suspension, the Principal or administrator will send a written statement to the student and the student's parent or guardian describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken.
- d. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal or administrator ordering

the short-term suspension before or at the time the student returns to school. The Principal or administrator shall determine who in addition to the parent or guardian is to attend the conference.

- e. A student who on a short-term suspension shall not be permitted to be on school grounds without the express permission of the Principal.
2. Long-Term Suspension: A long-term suspension means an exclusion from school and any school functions for a period of more than five school days but less than twenty school days. A student who on a long-term suspension shall not be permitted to be on school grounds without the express permission of the Principal. A notice will be given to the student and the parents/guardian when the Principal recommends a long-term suspension. The notice will include a description of the procedures for long-term suspension; the procedures will be those set forth in the Student Discipline Act.
 3. Expulsion:
 - a. Meaning of Expulsion. Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period. A student who has been expelled shall not be permitted to be on school grounds without the express permission of the Principal. A notice will be given to the student and the parents/guardian when the Principal recommends an expulsion. The notice will include a description of the procedures for expulsion; the procedures will be those set forth in the Student Discipline Act.
 - b. Suspensions Pending Hearing. When a notice of intent to discipline a student by long-term suspension, expulsion, or mandatory reassignment is filed with the superintendent, the student may be suspended by the principal until the date the long-term suspension, expulsion, or mandatory reassignment takes effect if no hearing is requested or, if a hearing is requested, the date the hearing examiner makes the report of his or her findings and a recommendation of the action to be taken to the superintendent, if the principal determines that the student must be suspended immediately to prevent or substantially reduce the risk of (a) interference with an educational function or school purpose or (b) a

personal injury to the student himself or herself, other students, school employees, or school volunteers.

- c. Summer Review. Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year in accordance with law.
 - d. Alternative Education: Students who are expelled may be provided an alternative education program that will enable the student to continue academic work for credit toward graduation. In the event an alternative education program is not provided, a conference will be held with the parent, student, the Principal or another school representative assigned by the Principal, and a representative of a community organization that assists young people or that is involved with juvenile justice to develop a plan for the student in accordance with law.
 - e. Suspension of Enforcement of an Expulsion: Enforcement of an expulsion action may be suspended (i.e., “stayed”) for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect. As a condition of such suspended action, the student and parents will be required to sign a discipline agreement.
 - f. Students Subject to Juvenile or Court Probation. Prior to the readmission to school of any student who is less than nineteen years of age and who is subject to the supervision of a juvenile probation officer or an adult probation officer pursuant to the order of the District Court, County Court, or Juvenile Court, who chooses to meet conditions of probation by attending school, and who has previously been expelled from school, the Principal or the Principal’s designee shall meet with the student’s probation officer and assist in developing conditions of probation that will provide specific guidelines for behavior and consequences for misbehavior at school (including conduct on school grounds and conduct during an educational function or event off school grounds) as well as educational objectives that must be achieved. If the guidelines, consequences, and objectives provided by the Principal or the Principal’s designee are agreed to by the probation officer and the student, and the court permits the student to return to school under the agreed to conditions, the student may be permitted to return to school. The student may with proper consent, upon such return, be evaluated by the school for possible disabilities and may be referred for evaluation for possible placement in a special education program. The student may be expelled or otherwise disciplined for subsequent conduct as provided in Board policy and state statute.
4. **Emergency Exclusion**: A student may be excluded from school in the following circumstances:

- a. If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
- b. If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers described above.

If the emergency exclusion will be for five school days or less, the procedures for a short-term suspension shall be followed. If the Superintendent or his or her designee determines that an emergency exclusion shall extend beyond five days, a hearing is to be held and a final determination made within ten school days after the initial date of exclusion. Such procedures shall substantially comply with the procedures set forth in this policy for a long-term suspension or expulsion, and be modified only to the extent necessary to accomplish the hearing and determination within this shorter time period.

5. Other Forms of Student Discipline: Administrative and teaching personnel may also take actions regarding student behavior, other than removal of students from school, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but are not limited to, counseling of students, parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. The actions may also include in-school suspensions. When in-school suspensions, after-school assignments, or other disciplinary measures are assigned, the student is responsible for complying with such disciplinary measures. A failure to serve such assigned discipline as directed will serve as grounds for further discipline, up to expulsion from school.
- B. Student Conduct Expectations. Students are not to engage in conduct which causes or which creates a reasonable likelihood that it will cause a substantial disruption in or material interference with any school function, activity or purpose or interfere with the health, safety, well being or rights of other students, staff or visitors.
 - C. Grounds for Short-Term Suspension, Long-Term Suspension, Expulsion or Mandatory Reassignment. The following conduct has been determined by the Board of Education to have the potential to seriously affect the health, safety or welfare of students, staff and other persons or to otherwise seriously interfere with the educational process. Such conduct constitutes grounds for long-term suspension, expulsion, or mandatory reassignment, and any other lesser forms of discipline. The conduct is subject to the

consequence of long-term suspension, expulsion, or mandatory reassignment where it occurs on school grounds, in a vehicle owned, leased, or contracted by the school and being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or an employee's designee, or at a school-sponsored activity or athletic event.

1. Willfully disobeying any reasonable written or oral request of a school staff member, or the voicing of disrespect to those in authority.
2. Use of violence, force, coercion, threat, intimidation, harassment, or similar conduct in a manner that constitutes a substantial interference with school purposes or making any communication that a reasonable recipient would interpret as a serious expression of an intent to harm or cause injury to another.
3. Willfully causing or attempting to cause substantial damage to property, stealing or attempting to steal property of substantial value, repeated damage or theft involving property, or setting or attempting to set a fire of any magnitude.
4. Causing or attempting to cause personal injury to any person, including any school employee, school volunteer, or student. Personal injury caused by accident, self-defense, or other action undertaken on the reasonable belief that it was necessary to protect some other person shall not constitute a violation of this subdivision.
5. Threatening or intimidating any student for the purpose of or with the intent of obtaining money or anything of value from such student or making a threat which causes or may be expected to cause a disruption to school operations.
6. Knowingly possessing, handling, or transmitting any object or material that is ordinarily or generally considered a weapon or that has the appearance of a weapon or bringing or possessing any explosive device, including fireworks.
7. Engaging in selling, using, possessing or dispensing of alcohol, tobacco, narcotics, drugs, controlled substance, or an inhalant; being under the influence of any of the above; possession of drug paraphernalia, or the selling, using, possessing, or dispensing of an imitation controlled substance as defined in section 28-401 of the Nebraska statutes, or material represented to be alcohol, narcotics, drugs, a controlled substance or inhalant. Tobacco means any tobacco product (including but not limited to cigarettes, cigars, and chewing tobacco), vapor products (such as e-cigarettes), alternative nicotine products, tobacco product look-alikes, and products intended to replicate tobacco products either by appearance or effect. Use of a controlled substance in the manner prescribed for the student by the student's physician is not a violation. The term "under the influence" has a less strict meaning than it does under criminal law; for school purposes, the term means any level of impairment and includes even the odor of alcohol or illegal substances on the breath or person of a student; also, it includes being impaired by reason of the abuse of any material used as a stimulant.
8. Public indecency or sexual conduct.
9. Engaging in bullying, which includes any ongoing pattern of physical, verbal, or electronic abuse on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or a school

- employee's designee, or at school-sponsored activities or school-sponsored athletic events.
10. Sexually assaulting or attempting to sexually assault any person. This conduct may result in an expulsion regardless of the time or location of the offense if a complaint alleging such conduct is filed in a court of competent jurisdiction.
 11. Engaging in any activity forbidden by law which constitutes a danger to other students or interferes with school purposes. This conduct may result in an expulsion regardless of the time or location of the offense if the conduct creates or had the potential to create a substantial interference with school purposes, such as the use of the telephone or internet off-school grounds to threaten.
 12. A repeated violation of any rules established by the school district or school officials if such violations constitute a substantial interference with school purposes.
 13. Truancy or failure to attend assigned classes or assigned activities; or tardiness to school, assigned classes or assigned activities.
 14. The use of language, written or oral, or conduct, including gestures, which is profane or abusive to students or staff members. Profane or abusive language or conduct includes, but is not limited to, that which is commonly understood and intended to be derogatory toward a group or individual based upon race, gender, disability, national origin, or religion.
 15. Dressing or grooming in a manner which is dangerous to the student's health and safety or a danger to the health and safety of others or repeated violations of the student dress and grooming standards; dressing, grooming, or engaging in speech that is lewd or indecent, vulgar or plainly offensive; dressing, grooming, or engaging in speech that school officials reasonably conclude will materially and substantially disrupt the work and discipline of the school; dressing, grooming, or engaging in speech that a reasonable observer would interpret as advocating illegal drug use.
 16. Willfully violating the behavioral expectations for riding school buses or vehicles.
 17. A student who engages in the following conduct shall be expelled for the remainder of the school year in which it took effect if the misconduct occurs during the first semester, and if the expulsion for such conduct takes place during the second semester, the expulsion shall remain in effect for the first semester of the following school year, with the condition that such action may be modified or terminated by the school district during the expulsion period on such terms as the administration may establish:
 - a. The knowing and intentional use of force in causing or attempting to cause personal injury to a school employee, school volunteer, or student, except if caused by accident, self-defense, or on the reasonable belief that the force used was necessary to protect some other person and the extent of force used was reasonably believed to be necessary, or
 - b. The knowing and intentional possession, use, or transmission of a dangerous weapon other than a firearm.

18. Knowingly and intentionally possessing, using, or transmitting a firearm on school grounds, in a school-owned or utilized vehicle, or during an educational function or event off school grounds, or at a school-sponsored activity or athletic event. This conduct shall result in an expulsion for one calendar year. "Firearm" means a firearm as defined in 18 U.S.C. 921, as that statute existed on January 1, 1995. That statute includes the following statement: "The term 'firearm' means (a) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (b) the frame or receiver of any such weapon; (c) any firearm muffler or firearm silencer; or (d) any destructive device." The Superintendent may modify such one year expulsion requirement on a case-by-case basis, provided that such modification is in writing.

Bringing a firearm or other dangerous weapon to school for any reason is discouraged; however, a student will not be subject to disciplinary action if the item is brought or possessed under the following conditions:

- a. Prior written permission to bring the firearm or other dangerous weapon to school is obtained from the student's teacher, building administrator and parent.
- b. The purpose of having the firearm or other dangerous weapon in school is for a legitimate educational function.
- c. A plan for its transportation into and from the school, its storage while in the school building and how it will be displayed must be developed with the prior written approval by the teacher and building administrator. Such plan shall require that such item will be in the possession of an adult staff member at all times except for such limited time as is necessary to fulfill the educational function.
- d. The firearm or other dangerous weapon shall be in an inoperable condition while it is on school grounds.

- D. Additional Student Conduct Expectations and Grounds for Discipline. The following additional student conduct expectations are established. Failure to comply with such rules is grounds for disciplinary action. When such conduct occurs on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or by his or her designee, or at a school-sponsored activity or athletic event, the conduct is grounds for long-term suspension, expulsion or mandatory reassignment.

1. Student Appearance: Students are expected to dress in a way that is appropriate for the school setting. Students should not dress in a manner that is dangerous to the health and safety of anyone or interferes with the learning environment or teaching process in our school. Following is a list of examples of attire that will not be considered appropriate, such list is not exclusive and other forms of attire deemed inappropriate by the administration may be deemed inappropriate for the school setting:

- a. Clothing that shows an inappropriate amount of bare skin or underwear (midriffs, spaghetti straps, sagging pants) or clothing that is too tight, revealing or baggy, or tops and bottoms that do not overlap or any material that is sheer or lightweight enough to be seen through, or otherwise of an appropriate size and fit so as to be revealing or drag on the ground.
- b. Shorts, skirts, or skorts that do not reach mid-thigh or longer.
- c. Clothing or jewelry that advertises or promotes beer, alcohol, tobacco, or illegal drugs.
- d. Clothing or jewelry that could be used as a weapon (chains, spiked apparel) or that would encourage “horse-play” or that would damage property (e.g. cleats).
- e. Head wear including hats, caps, bandannas, and scarves.
- f. Clothing or jewelry which exhibits nudity, makes sexual references or carries lewd, indecent, or vulgar double meaning.
- g. Clothing or jewelry that is gang related.
- h. Visible body piercing (other than ears).

Consideration will be made for students who wear special clothing as required by religious beliefs, disability, or to convey a particularized message protected by law. The final decision regarding attire and grooming will be made by the Principal or Superintendent. In the event a student is uncertain as to whether a particular item or method of grooming is consistent with the school’s guidelines, the student should contact the Principal for approval, and may also review such additional posting of prohibited items or grooming which may be available in the Principal’s office.

Coaches, sponsors or teachers may have additional requirements for students who are in special lab classes, students who are participants in performing groups or students who are representing the school as part of an extracurricular activity program.

On a first offense of the dress code, the student may call home for proper apparel. If clothes cannot be brought to school, the student will be assigned to in-school suspension for the remainder of the day. Students will not be allowed to leave campus to change clothes. Continual violations of the dress code will result in more stringent disciplinary actions, up to expulsion. Further, in the event the dress code violation is determined to also violate other student conduct rules (e.g., public indecency, insubordination, expression of profanity, and the like), a first offense of the dress code may result in more stringent discipline, up to expulsion.

2. Academic Integrity.

- a. Policy Statement: Students are expected to abide by the standards of academic integrity established by their teachers and school administration. Standards of academic integrity are established in order for students to

learn as much as possible from instruction, for students to be given grades which accurately reflect the student's level of learning and progress, to provide a level playing field for all students, and to develop appropriate values.

Cheating and plagiarism violate the standards of academic integrity. Sanctions will be imposed against students who engage in such conduct.

- b. Definitions: The following definitions provide a guide to the standards of academic integrity:
- (1) "Cheating" means intentionally misrepresenting the source, nature, or other conditions of academic work so as to accrue undeserved credit, or to cooperate with someone else in such misrepresentation. Such misrepresentations may, but need not necessarily, involve the work of others. Cheating includes, but is not limited to:
 - (a) Tests (includes tests, quizzes and other examinations or academic performances):
 - (i) Advance Information: Obtaining, reviewing or sharing copies of tests or information about a test before these are distributed for student use by the instructor. For example, a student engages in cheating if, after having taken a test, the student informs other students in a later section of the questions that appear on the test.
 - (ii) Use of Unauthorized Materials: Using notes, textbooks, pre-programmed formulae in calculators, or other unauthorized material, devices or information while taking a test except as expressly permitted. For example, except for "open book" tests, a student engages in cheating if the student looks at personal notes or the textbook during the test.
 - (iii) Use of Other Student Answers: Copying or looking at another student's answers or work, or sharing answers or work with another student, when taking a test, except as expressly permitted. For example, a student engages in cheating if the student looks at another student's paper during a test. A student also engages in cheating if the student tells another student answers during a test or while exiting the testing room, or knowingly allows another student to look at the student's answers on the test paper.
 - (iv) Use of Other Student to Take Test. Having another person take one's place for a test, or taking a test for

- another student, without the specific knowledge and permission of the instructor.
- (v) Misrepresenting Need to Delay Test. Presenting false or incomplete information in order to postpone or avoid the taking of a test. For example, a student engages in cheating if the student misses class on the day of a test, claiming to be sick, when the student's real reason for missing class was because the student was not prepared for the test.
- (b) Papers (includes papers, essays, lab projects, and other similar academic work):
- i) Use of Another's Paper: Copying another student's paper, using a paper from an essay writing service, or allowing another student to copy a paper, without the specific knowledge and permission of the instructor.
- (ii) Re-use of One's Own Papers: Using a substantial portion of a piece of work previously submitted for another course or program to meet the requirements of the present course or program without notifying the instructor to whom the work is presented.
- (iii) Assistance from Others: Having another person assist with the paper to such an extent that the work does not truly reflect the student's work. For example, a student engages in cheating if the student has a draft essay reviewed by the student's parent or sibling, and the essay is substantially re-written by the student's parent or sibling. Assistance from home is encouraged, but the work must remain the student's.
- (iv) Failure to Contribute to Group Projects. Accepting credit for a group project in which the student failed to contribute a fair share of the work.
- (v) Misrepresenting Need to Delay Paper. Presenting false or incomplete information in order to postpone or avoid turning in a paper when due. For example, a student engages in cheating if the student misses class on the day a paper is due, claiming to be sick, when the student's real reason for missing class was because the student had not finished the paper.
- (c) Alteration of Assigned Grades. Any unauthorized alteration of assigned grades by a student in the teacher's grade book or the school records is a serious form of cheating.

- (2) “Plagiarism” means to take and present as one's own a material portion of the ideas or words of another or to present as one's own an idea or work derived from an existing source without full and proper credit to the source of the ideas, words, or works. Plagiarism includes, but is not limited to:
 - (a) Failure to Credit Sources: Copying work (words, sentences, and paragraphs or illustrations or models) directly from the work of another without proper credit. Academic work frequently involves use of outside sources. To avoid plagiarism, the student must either place the work in quotations or give a citation to the outside source.
 - (b) Falsely Presenting Work as One's Own: Presenting work prepared by another in final or draft form as one's own without citing the source, such as the use of purchased research papers or use of another student's paper.
 - (3) “Contributing” to academic integrity violations means to participate in or assist another in cheating or plagiarism. It includes but is not limited to allowing another student to look at your test answers, to copy your papers or lab projects, and to fail to report a known act of cheating or plagiarism to the instructor or administration.
- c. Sanctions: The following sanctions will occur when a student engages in cheating, plagiarism, or contributing to an academic integrity offense:
- (1) Academic Sanction. The instructor will refuse to accept the student's work in which the academic integrity offense took place, assign a grade of "F" or zero for the work, and require the student to complete a test or project in place of the work within such time and under such conditions as the instructor may determine appropriate. In the event the student completes the replacement test or project at a level meeting minimum performance standards, the instructor will assign a grade which the instructor determines to be appropriate for the work.
 - (2) Report to Parents and Administration. The instructor will notify the Principal of the offense and the instructor or Principal will notify the student's parents or guardian.
 - (3) Student Discipline Sanctions. Academic integrity offenses are a violation of school rules. The Principal may recommend sanctions in addition to those assigned by the instructor, up to and including suspension or expulsion. Such additional sanctions will be given strong consideration where a student has engaged in serious or repeated academic integrity offense or other rule violations, and where the academic sanction is otherwise not a sufficient remedy,

such as for offenses involving altering assigned grades or contributing to academic integrity violations.

3. Electronic Devices

- a. Philosophy and Purpose. The District strongly discourages students from bringing and/or using electronic devices at school. The use of electronic devices can be disruptive to the educational process and are items that are frequently lost or stolen. In order to maintain a secure and orderly learning environment, and to promote respect and courtesy regarding the use of electronic devices, the District hereby establishes the following rules and regulations governing student use of electronic devices, and procedures to address student misuse of electronic devices.
- b. Definitions.
- (1) “Electronic devices” include, but are not limited to, cell phones, Mp3 players, iPods, personal digital assistants (PDAs), compact disc players, portable game consoles, cameras, digital scanners, lap top computers, and other electronic or battery powered instruments which transmit voice, text, or data from one person to another.
 - (2) “Sexting” means generating, sending or receiving, encouraging others to send or receive, or showing others, through an electronic device, a text message, photograph, video or other medium that:
 - (i) Displays sexual content, including erotic nudity, any display of genitalia, unclothed female breasts, or unclothed buttocks, or any sexually explicit conduct as defined at Neb. Rev. Stat. § 28-1463.02; or
 - (ii) Sexually exploits a person, whether or not such person has given consent to creation or distribution of the message, photograph or video by permitting, allowing, encouraging, disseminating, distributing, or forcing such student or other person to engage in sexually explicit, obscene or pornographic photography, films, or depictions; or,
 - (iii) Displays a sexually explicit message for sexual gratification, flirtation or provocation, or to request or arrange a sexual encounter.
- c. Possession and Use of Electronic Devices.
- (1) Students are not permitted to possess or use any electronic devices during class time or during passing time except as otherwise provided by this policy. Cell phone usage is strictly prohibited during any class period; including voice usage, digital imaging, or text messaging.
 - (2) Students are permitted to possess and use electronic devices before school hours, at lunch time, and after school hours, provided that

the student not commit any abusive use of the device (see paragraph (d)(1). Administrators have the discretion to prohibit student possession or use of electronic devices on school grounds during these times in the event the administration determines such further restrictions are appropriate; an announcement will be given in the event of such a change in permitted use.

- (3) Electronic devices may be used during class time when specifically approved by the teacher or a school administrator in conjunction with appropriate and authorized class or school activities or events (i.e., student use of a camera during a photography class; student use of a lap top computer for a class presentation).
- (4) Students may use electronic devices during class time when authorized pursuant to an Individual Education Plan (IEP), a Section 504 Accommodation Plan, or a Health Care Plan, or pursuant to a plan developed with the student's parent when the student has a compelling need to have the device (e.g., a student whose parent is in the hospital could be allowed limited use of the cell phone for family contacts, so the family can give the student updates on the parent's condition).

d. Violations

- (1) Prohibited Use of Electronic Devices: Students shall not use electronic devices for: (a) activities which disrupt the educational environment; (b) illegal activities in violation of state or federal laws or regulations; (c) unethical activities, such as cheating on assignments or tests; (d) immoral or pornographic activities; (e) activities in violation of Board or school policies and procedures relating to student conduct and harassment; (f) recording others (photographs, videotaping, sound recording, etc.) or otherwise transmitting images and/or sounds of another person or persons without direct administrative approval and consent of the person(s) being recorded, other than recording of persons participating in school activities that are open to the public; (g) "sexting;" or (h) activities which invade the privacy of others. Such student misuses will be dealt with as serious school violations, and immediate and appropriate disciplinary action will be imposed, including, but not limited to, suspension and expulsion from school.
- (2) Disposition of Confiscated Electronic Devices: Electronic devices possessed or used in violation of this policy may be confiscated by school personnel and returned to the student or parent/guardian at an appropriate time. If an electronic device is confiscated, the electronic device shall be taken to the school's main office to be identified, placed in a secure area, and returned to the student and/or the student's parent/guardian in a consistent and orderly way.

- (i) First Violation: Depending upon the nature of the violation and the imposition of other appropriate disciplinary action, consequences at a minimum may include a relinquishment of the electronic device to the school administration and a conference between the student and school principal or assistant principal. The electronic device shall remain in the possession of the school administration until such time as the student personally comes to the school's main office and retrieves the electronic device.
 - (ii) Second Violation: Depending upon the nature of the violation and the imposition of other appropriate disciplinary action, consequences at a minimum may include a relinquishment of the electronic device to the school administration and a conference between the student and his/her parent/guardian and the school principal or assistant principal. The electronic device shall remain in the possession of the school administration until such time as the student's parent/guardian personally comes to the school's main office and retrieves the electronic device.
 - (iii) Third Violation: Depending upon the nature of the violation and the imposition of other appropriate disciplinary action, consequences at a minimum may include a relinquishment of the electronic device to the school administration, a conference between the student and his/her parent/guardian and the school principal or assistant principal, and suspension of the student from school. The electronic device shall remain in the possession of the school administration until such time as the student's parent/guardian personally comes to the school's main office and retrieves the electronic device.
- (3) Penalties for Prohibited Use of Electronic Devices: Students who receive a "sexting" message are to report the matter to a school administrator and then delete such message from their electronic device. Students shall not participate in sexting or have any "sexting" message on their electronic devices regardless of when the message was received while on school grounds or at a school activity. Students who violate the prohibitions of this policy shall be subject to the imposition of appropriate disciplinary action, up to and including expulsion, provided that at a minimum the following penalties shall be imposed:
- (i) Students found in possession of a "sexting" message shall be subject to a one (1) day suspension from school.
 - (ii) Students who send or encourage another to send a "sexting" message shall be subject to a five (5) day suspension from school.

- (4) Reporting to Law Enforcement: Violations of this policy regarding the prohibited use of electronic devices that may constitute a violation of federal or state laws and regulations, including, but not limited to, the Nebraska Child Protection Act or the Nebraska Child Pornography Prevention Act shall be reported to appropriate legal authorities and law enforcement.
- e. Responsibility for Electronic Devices. Students or their parents/guardians are expected to claim a confiscated electronic device within ten (10) days of the date it was relinquished. The school shall not be responsible, financially or otherwise, for any unclaimed electronic devices. By bringing such devices to school, students and parents authorize the school to dispose of unclaimed devices at the end of each semester. The District is not responsible for the security and safekeeping of students' electronic devices and is not financially responsible for any damage, destruction, or loss of electronic devices.
- E. Inappropriate Public Displays of Affection (IPDA): Students are not to engage in inappropriate public displays of affection on school property or at school activities. Such conduct includes kissing, touching, fondling or other displays of affection that would be reasonably considered to be embarrassing or a distraction to others. Students will face the following consequences for IPDA:
1. 1st Offense: Student will be confronted and directed to cease.
 2. 2nd Offense: Student will be confronted, directed to cease, and parents will be notified.
 3. 3rd Offense: Student will be suspended from school for a minimum of 1 day, and parents and student will need to meet with Administrator(s) and/or counselor.
- If this type of behavior continues, or if the IPDA is lewd or constitutes sexual conduct, the student could face long-term suspension or expulsion.
- F. Specific Rule Items: The following conduct may result in disciplinary action which, in the repeated violations, may result in discipline up to expulsion:
1. Students are not given locker passes, restroom passes or telephone passes to leave a classroom or study hall unless special circumstances arise.
 2. Students in the hallway during class time must have a pass with them.
 3. Gum, candy, seeds, etc. are not allowed in the school building or classrooms. The pop machine is closed until after school and pop is to be drunk outside.
 4. Students are expected to bring all books and necessary materials to class. This includes study halls.
 5. Assignments for all classes are due as assigned by the teacher.
 6. Students are not to operate the mini-blinds or the windows.
 7. Classes are ended by the teacher. Students are not to begin to pack up or leave the class until the dismissal bell has rung or the teacher has dismissed the class.
 8. Students are to be in their seats and ready for class on the tardy bell.

9. Special classes such as Industrial Technology, Art, P.E., and computer courses will have other safety or clean-up rules that will be explained to students by that teacher which must be followed.
10. Students are not to bring “nuisance items” to school. A nuisance item is something that is not required for educational purposes and which would cause a distraction to the student or others.
11. Students are to stand back from the entry steps and doors in the mornings before school and at noon before the bell so that others may pass in and out of the entry doors.
12. Snow handling is prohibited.

G. Law Violations

1. Any act of a student which is a basis for expulsion and which the principal or designee knows or suspects is a violation of the Nebraska Criminal Code will be reported to law enforcement as soon as possible. Conduct to be reported for law enforcement referral includes conduct that may constitute a felony, conduct which may constitute a threat to the safety or well-being of students or others in school programs and activities, and conduct that the legal system is better equipped to address than school officials. Conduct that does not need to be reported for law enforcement referral includes typical adolescent behavior that can be addressed by school administrators without the involvement of law enforcement. In making the decision of whether to report, consideration should be given to the student’s maturity, mental capacity, and behavioral disorders, where applicable. When appropriate, it shall be the responsibility of the referring administrator to contact the student’s parent of the fact that the referral to legal authorities has been or will be made.

The foregoing reporting standards shall be reviewed annually by the school board on or before August 1 of each year, be annually reviewed in collaboration with the County Attorney each year, be distributed to each student and his or her parent or guardian at the beginning of each school year, or at the time of enrollment if during the school year, and shall be posted in conspicuous places in each school during the school year.

2. When a principal or other school official releases a minor student to a peace officer (e.g., police officer, sheriff, and all other persons with similar authority to make arrests) for the purpose of removing the minor from the school premises, the principal or other school official shall take immediate steps to notify the parent, guardian, or responsible relative of the minor regarding the release of the minor to the officer and regarding the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse, in which case the principal or other school official shall provide the peace officer with the address and telephone number of the minor's parents or guardian.

B. Prohibited Harassment, Discrimination, and Retaliation of Employees, Students and Others.**1. Purpose:**

The Tekamah Herman Public School District is committed to offering employment and educational opportunity to its employees and students in a climate free of discrimination. Accordingly, unlawful discrimination, harassment and retaliation of any kind by District employees, including, co-workers, non-employees (such as volunteers), third parties, and others is strictly prohibited and will not be tolerated.

Harassment is a form of discrimination and includes verbal, non-verbal, written, graphic, or physical conduct relating to a person's sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status, that is sufficiently serious to deny, interfere with, or limit a person's ability to participate in or benefit from an educational or work program or activity, including, but not limited to:

- a. Conduct that is sufficiently severe or pervasive to create an intimidating, hostile, or abusive educational or work environment, or

- b. Requiring an individual to endure the offensive conduct as a condition of continued employment or educational programs or activities, including the receipt of aids, benefits, and services.

Educational programs and activities include all academic, educational, extracurricular, athletic, and other programs of the school, whether those programs take place in a school's facilities, on a school bus, at a class or training program sponsored by the school at another location, or elsewhere.

Discriminatory harassment because of a person's sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status, may include, but is not limited to:

- a. Name-calling,
- b. Teasing or taunting,
- c. Insults, slurs, or derogatory names or remarks,
- d. Demeaning jokes,
- e. Inappropriate gestures,
- f. Graffiti or inappropriate written or electronic material,
- g. Visual displays, such as cartoons, posters, or electronic images,
- h. Threats or intimidating or hostile conduct,
- i. Physical acts of aggression, assault, or violence, or
- j. Criminal offenses

The following examples are additional or more specific examples of conduct that may constitute sexual harassment:

- a. Unwelcome sexual advances or propositions,
- b. Requests or pressure for sexual favors,
- c. Comments about an individual's body, sexual activity, or sexual attractiveness,
- d. Physical contact or touching of a sexual nature, including touching intimate body parts and inappropriate patting, pinching, rubbing, or brushing against another's body,
- e. Physical sexual acts of aggression, assault, or violence, including criminal offenses (such as rape, sexual assault or battery, and sexually motivated stalking), against a person's will or where a person is incapable of giving consent due to the victim's age, intellectual disability, or use of drugs or alcohol,
- f. Requiring sexual favors or contact in exchange for aids, benefits, or services, such as grades, awards, privileges, promotions, etc., or
- g. Gender-based harassment; acts of verbal, nonverbal, written, graphic, or physical conduct based on sex or sex-stereotyping, but not involving conduct of a sexual nature.

If the District knows or reasonably should know about possible harassment, including violence, the District will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred (see section entitled "Grievance Procedures," below), and take appropriate interim measures, if necessary. If the District determines that unlawful harassment occurred, the District will take prompt

and effective action to eliminate the harassment, prevent its recurrence, and remedy its effects, if appropriate. If harassment or violence that occurs off school property creates a hostile environment at school, the District will follow this policy and grievance procedure, within the scope of its authority.

All District employees are expected to take prompt and appropriate actions to report and prevent discrimination, harassment, and retaliation by others. Employees who witness or become aware of possible discrimination, including harassment and retaliation, must immediately report the conduct to his or her supervisor or the compliance coordinator designated to handle complaints of discrimination (designated compliance coordinator).

2. Anti-retaliation:

The District prohibits retaliation, intimidation, threats, coercion, or discrimination against any person for opposing discrimination, including harassment, or for participating in the District's discrimination complaint process or making a complaint, testifying, assisting, or participating in any manner, in an investigation, proceeding, or hearing. Retaliation is a form of discrimination.

The District will take immediate steps to stop retaliation and prevent its recurrence against the alleged victim and any person associated with the alleged victim. These steps will include, but are not limited to, notifying students, employees, and others, that they are protected from retaliation, ensuring that they know how to report future complaints, and initiating follow-up contact with the complainant to determine if any additional acts of discrimination, harassment, or retaliation have occurred. If retaliation occurs, the District will take prompt and strong responsive action, including possible discipline, including expulsion or termination, if applicable.

3. Grievance (or Complaint) Procedures:

Employees or students should initially report all instances of discrimination, harassment or retaliation to their immediate supervisor or teacher or to the compliance coordinator designated to handle complaints of discrimination (designated coordinator). If the employee or student is uncomfortable in presenting the problem to the supervisor or teacher, or if the supervisor or teacher is the problem, the employee or student may report the alleged discrimination, harassment or retaliation ("discrimination") to the designated coordinator, or in the case of students, to another staff person (such as a counselor or principal).

Other individuals may report alleged discrimination to the designated coordinator. If the designated coordinator is the person alleged to have committed the discriminatory act, then the complaint should be submitted to the Superintendent for assignment. A discrimination complaint form is attached to this grievance procedure and is available in the office of each District building, on the District's website, and from the designated coordinators.

Under no circumstances will a person filing a complaint or grievance involving discrimination be retaliated against for filing the complaint or grievance.

i. Level 1 (Investigation and Findings):

Once the District receives a grievance, complaint or report alleging discrimination, harassment, or retaliation, or becomes aware of possible discriminatory conduct, the District will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred. If necessary, the District will take immediate, interim action or measures to protect the alleged victim and prevent further potential discrimination, harassment, or retaliation during the pending investigation. The alleged victim will be notified of his or her options to avoid contact with the alleged harasser, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the District's investigation. The District will minimize any burden on the alleged victim when taking interim measures to protect the alleged victim.

The District will promptly investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The District will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this grievance procedure. If the allegation(s) involve possible criminal conduct, the District will notify the complainant of his or her right to file a criminal complaint, and District employees will not dissuade the complainant from filing a criminal complaint either during or after the District's investigation.

The District will aim to complete its investigation within **ten (10) working days** after receiving a complaint or report, unless extenuating circumstances exist. Extenuating circumstances may include the unavailability of witnesses due to illness or incapacitation, or additional time needed because of the complexity of the investigation, the need for outside experts to evaluate the evidence (such as forensic evidence), or multiple complainants or victims. If extenuating circumstances exist, the extended timeframe to complete the investigation will **not exceed ten (10) additional working days without the consent of the complainant, unless the alleged victim agrees to a longer timeline.** Periodic status updates will be given to the parties, when appropriate.

The District's investigation will include, but is not limited to:

- a. Providing the parties with the opportunity to present witnesses and provide evidence.
- b. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- c. For allegations involving harassment, some of the factors the District will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.

- d. A review of the evidence using a “preponderance of the evidence” standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

The designated compliance coordinator (or designated investigator) will complete an investigative report, which will include:

- a. A summary of the facts,
- b. Findings regarding whether discrimination, harassment or other inappropriate conduct occurred, and
- c. If a finding is made that discrimination, harassment or other inappropriate conduct occurred, the recommended remedy or remedies necessary to eliminate discrimination, harassment or other inappropriate conduct.

If someone other than the designated compliance coordinator conducted the investigation, the compliance coordinator will review, approve, and sign the investigative report. The District will ensure that prompt, appropriate, and effective remedies are provided if a finding of discrimination, harassment, or retaliation is made. The District will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings.

The District will send concurrently to the parties written notification of the decision (findings and any remedy) regarding the complaint within **one (1) working day** after the investigation is completed. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 11232g; 34 C.F.R. Part 99, permits the District to disclose relevant information to a student who was discriminated against or harassed.

ii. Level 2 (Appeal to the Superintendent):

If a party is not satisfied with the findings or remedies (or both) set forth in the decision, he or she may file an appeal in writing with the Superintendent within **five (5) working days** after receiving the decision. The Superintendent will review the appeal and the investigative documentation and decision, conduct additional investigation, if necessary, and issue a written determination about the appeal **within ten (10) working days** after receiving the appeal. The party who filed the appeal will be sent the Superintendent’s determination at the time it is issued, and a copy will be sent to the designated compliance coordinator. [If the Superintendent is the subject of the complaint, the party will file the appeal directly with the Board.]

iii. Level 3 (Appeal to the Board):

If the party is not satisfied with the Superintendent’s determination, he or she may file an appeal in writing with the Board of Education **within five (5) working days** after receiving the Superintendent’s determination. The Board of Education will review the appeal, the Superintendent’s determination, the investigative documentation and decision, and allow the party to address the Board at a Board meeting to present his or her appeal. The party will be allowed to address the Board at the Board’s next regularly scheduled Board meeting (unless the Board receives the appeal within one week of the next regularly scheduled Board meeting) or at a time and date agreed to by the Board,

designated compliance officer and the party. The Board will issue a written determination about the appeal **within thirty (30) days** after the party addresses the Board. The party who filed the appeal will be sent the Board's determination at the time it is issued, and a copy will be sent to the designated compliance coordinator. The Board's determination, and any actions taken, will be final on behalf of the District.

4. Confidentiality:

The identity of the complainant will be kept confidential to the extent permitted by state and federal law. The District will notify the complainant of the anti-retaliation provisions of applicable laws and that the District will take steps to prevent retaliation and will take prompt and strong responsive actions if retaliation occurs.

If a complainant requests confidentiality or asks that the complaint not be pursued, the District will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or the request not to pursue an investigation, as long as doing so does not prevent the District from responding effectively to the harassment and preventing harassment of other students. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the District will inform the complainant that its ability to respond may be limited. Even if the District cannot take disciplinary action against the alleged harasser, the District will pursue other steps to limit the effects of the alleged harassment and prevent its recurrence, if warranted,

5. Training:

The District will ensure that relevant District employees, including but not limited to officials, administrators, teachers, substitute teachers, counselors, nurses and other health personnel, coaches, assistant coaches, paraprofessionals, aides, bus drivers, and school law enforcement officers, are adequately trained so they understand and know how to identify acts of discrimination, harassment, and retaliation, and how to report it to appropriate District officials or employees.

6. Designated Compliance Coordinators:

Designated compliance coordinators will be responsible for:

- a. Coordinating efforts to comply with anti-discrimination, anti-harassment, and anti-retaliation laws and regulations.
- b. Coordinating and implementing training for students and employees pertaining to anti-discrimination, anti-harassment and anti-retaliation laws and regulations, including the training areas listed above.
- c. Investigating complaints of discrimination (unless the coordinator designates other trained individuals to investigate).
- d. Monitoring substantiated complaints or reports of discrimination, as needed (and with the assistance of other District employees, if necessary), to ensure discrimination or harassment does not recur, and that retaliation conduct does not occur or recur.
- e. Overseeing discrimination complaints, including identifying and addressing any patterns or systemic problems, and reporting such patterns or systemic problems to the Superintendent and the Board of Education.

- f. Communicating regularly with the District's law enforcement unit investigating cases and providing current information to them pertaining to anti-discrimination, anti-harassment, and anti-retaliation standards and compliance requirements.
- g. Reviewing all evidence in harassment or violence cases brought before the District's disciplinary committee or administrator to determine whether the complainants are entitled to a remedy under anti-discrimination laws and regulations that was not available in the disciplinary process.
- h. Ensuring that investigations address whether other students or employees may have been subjected to discrimination, including harassment and retaliation.
- i. Determining whether District employees with knowledge of allegations of discrimination, including harassment and retaliation, failed to carry out their duties in reporting the allegations to the designated compliance coordinator and responding to the allegations.
- j. Recommending changes to this policy and grievance procedure.
- k. Performing other duties as assigned.

The designated compliance coordinators will not have other job responsibilities that may create a conflict of interest with their coordinator responsibilities.

7. Preventive Measures:

The District will publish and widely distribute on an ongoing basis a notice of nondiscrimination (notice) in electronic and printed formats, including prominently displaying the notice on the District's website and posting the notice at each building in the District. The District also will designate an employee to coordinate compliance with anti-discrimination laws (see Designated Compliance Coordinator section, above, for further information on compliance coordinator), and widely publish and disseminate this grievance procedure, including prominently posting it on the District's website, at each building in the District, reprinting it in District publications, such as handbooks, and sending it electronically to members of the school community. The District will provide training to employees and students at the beginning of each academic year in the areas (B.6.a-g) identified in the Training section, above.

The District also may distribute specific harassment and violence materials (such as sexual violence), including a summary of the District's anti-discrimination, anti-harassment, and anti-retaliation policy and grievance procedure, and a list of victim resources, during events such as school assemblies and back to school nights, if recent incidents or allegations warrant additional education to the school community.
