Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes. (4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1) Each public body shall give reasonable advance publicized notice of the time and place of each meeting by a method designated by each public body and recorded in its minutes. Such notice shall be transmitted to all members of the public body and to the public. Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (a) twenty-four hours before the scheduled commencement of the meeting or (b) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the

agenda to include items of an emergency nature only at such public meeting.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

8. Level III Handbook Revisions - Cen7ter and Learning Academy

Level III Handbook Revisions to include mask verbiage.

Added verbiage: Masks - In the case of a health risk due to a pandemic or other health related concerns:

All students will be required to, at a minimum, follow the mask guidelines defined in ESU 7 Return to Services/School Plan unless one of the following persists:

- The student has a disability and a reasonable accommodation excuses the student from wearing a mask for some or all of the school day;
- The student's Individualized Education Program (IEP) team has determined that wearing a mask for some or all of the school day would interfere with the student's ability to receive a free, appropriate public education and that determination is documented in the student's IEP;
- Another legally valid reason exists to modify the face covering requirements and such reason has been approved in writing by the student's Principal and ESU 7 administration.
- OR Their parent or guardian has opted their student out of being required to wear a mask by executing a written document and such document is on file in the office of the Principal at the time at issue. This option is only available to students whose contracting district has such a process.

20. **Administrator's Report General**

ESU 7 Return to Services/School Plan

Goals - Attached for your Review

ESUCC Update

Upcoming Events - AESA Annual Conference. There is the possibility of a virtual option.

Meeting with President and Vice President the Friday before the Board Meeting via Zoom instead of the Monday before Board Meeting.

Tammy Roh Thank You card

Administrator Polk passed around a thank you card for previous Board Member Tammy Roh.

The Return to Services Plan is on the ESU 7 website, the most updated plan is always visible. Staff are able to post comment questions and then Administrator Polk answers the questions and puts it in the FAQ at the end of the plan. Administrator Polk went through the plan.

Most schools, not all of them, are using a tiered model, it is a local decision. Every Friday by noon the Directors and Administrator Polk will discuss the color tier and notify staff if there is a change. Administrator Polk and the Directors take into consideration the health department information and information from the schools that ESU 7 staff visit. The color change will be communicated via the emergency communication system regardless of color tier. On the ESU 7

campus, the color tier could look different at each building. If the ESU 7 plan is different than the school's plan, ESU 7 staff going out to the school, follows the more restrictive plan.

Administrator Polk has been researching a telework policy which will be reviewed at the September Board Meeting.

ESUCC Update - 93,000 masks distributed to the schools.

Gaiters - 2-ply that meet the CDC requirements, 1600 ordered.

AESA Annual Conference will more than likely move to virtual. Let Mindy know if you would still want to attend virtual if you said you wanted to go to Orlando. This is the first year ESU 7 Mental Health staff have applied to be presenters and were approved.

LB148 Budget Hearings & Meeting Notices: New Requirements
(as related to Public School Boards)

- ❖ Effective beginning with the 2021-22 School Fiscal Year
- ❖ Includes changes from LB148 (2019) made to Neb. Rev. Stat. §§ 13-503, 13-506 and 84-1411
- **The Budget Hearing must be held separate from any regularly scheduled meeting:**
 - Must have distinct and separate designated time from any other scheduled meeting. (There should be a clear opening and closing of a public meeting by the Board President.)*
 - Budget Hearing cannot have a time limit.*
- **At the Budget Hearing:**
 - The Board must make a presentation outlining the key provisions of the proposed budget statement, which must include, but is not limited to, a comparison to the prior year's budget.*
 - Must have at least three copies of the proposed budget statement available to the public.*
 - Any member of the public desiring to speak on the proposed budget statement shall be allowed to address the Board and given a reasonable amount of time to do so.*
 - The Board may allow the public to appear by means of video or telecommunications equipment.
- **Notice of the Budget Hearing and all regularly scheduled meetings:**
 - Public notice for all public meetings shall now be published in a newspaper of general circulation within the School District's boundaries and, if available, on such newspaper's website.*
 - Public notice shall be published four calendar days prior to meeting. For purposes of the four days, the date of publication shall be counted, but the date of the hearing/meeting shall not be counted.
 - Notification shall include the place and time of such hearing, as well as an agenda.
 - Notice of Budget Hearings must also include a summary of the proposed budget statement.
 - Besides the required newspaper notice, such notice may also be provided by any other appropriate method designated by the Board.
 - Board must record the methods and dates of notice in its minutes.
 - Secretary or other designee of the Board shall maintain a list of the news media requesting notification of Board meetings and shall make reasonable efforts to provide advance notification to them of the Budget Hearing, as well.
- ❖ Existing provisions regarding adoption, certification to the levying board, and filing with the Auditor's Office remain unchanged and still apply.
- ❖ All other provisions of the Nebraska Budget Act and the Open Meetings Act remain unchanged and still apply.

COMMENTS:

1. Holding a Budget Hearing on the same day as the School Board's monthly meeting is not prohibited, but with the passage of LB148 the Budget Hearing now must be a distinct and separate meeting and cannot be limited by time. Therefore consideration should be taken as to the start time of the regular monthly meeting.
2. Current law states that each meeting of a public body must have its own separate public notice. Due to the existing requirement that a summary of the proposed budget statement must be included in the notice of a Budget Hearing it seems rational for a Budget Hearing to have its very own public meeting notice.

* New requirements from LB148.

Nebraska Rural Community Schools Association

A

STATE LEGISLATIVE ADVOCACY

NRCSA is active in representing rural public schools in the Unicameral. The Executive Director is the main spokesperson for NRCSA, but is also represented by the lobbying firm of Nowka and Edwards. NRCSA's Legislative Committee includes 23 Superintendents from member schools and helps to direct the legislative efforts of the organization. NRCSA is also represented in the "Nebraskans United for Property Tax Reform and Education" and the "Education Association Coalition", both of which serve as coalitions that work to speak on behalf of public education interests.

RURAL ADVOCACY

NRCSA is the only organization that speaks solely on behalf of public rural schools in the State of Nebraska.

SUPERINTENDENT SEARCHES

NRCSA's Superintendent Search Service is conducted by veteran Superintendents whose professional lives were involved in rural education in Nebraska. The service is available to all Nebraska school districts, with member districts paying a lower rate than non-member districts. A professional cost effective proposal and fee structure is available upon request.

PLANNING WORKSHOPS

The NRCSA Planning Support Service is an elective service that assists districts in planning and goal-setting. The service is conducted by veteran Superintendents whose professional lives were involved in rural education in Nebraska.

NATIONAL ADVOCACY

NRCSA is a member of the National Rural Education Advocacy Consortium (NREAC), which represents the interests of rural public schools in national forums where education issues are decided.

LEGISLATIVE FORUM

During each legislative session NRCSA offers a forum for Board members and administrators. The forum provides the opportunity to hear from Senators as to what is happening in the Unicameral, as well as to provide input to Senators. The forum is held in Lincoln.

COMMUNICATIONS

NRCSA provides regular updates from the Executive Director to member schools. A more in-depth update is provided to all members just prior to monthly Board of Education meetings. The NRCSA webpage is www.nrcsa.net. NRCSA also has a social media presence on Twitter (@NRCSA1980) and on Facebook (www.facebook.com/nrcsahome).

SPRING CONFERENCE

NRCSA offers an annual conference in Kearney in March. The conference targets issues and interests of rural schools. An opportunity is created to network with other rural school districts and to interact directly with policymakers and NRCSA leaders.

GARY FISHER FINE ARTS SCHOLARSHIPS

NRCSA awards two \$1,000 scholarships to high school seniors from NRCSA-member schools who are entering college with the plan to major in a fine arts field.

DISTRICT MEETINGS

Each fall NRCSA conducts a meeting in each of the six membership districts. These meetings provide an opportunity for rural schools to connect with NRCSA leadership on a face-to-face basis.

US BANK ONE CARD PROGRAM

NRCSA has partnered with US Bank to provide this unique purchase card program for school districts. Individual school districts decide which staff members receive purchase cards. The district has control over where purchases can be made and for what amounts. This can be especially helpful when sending sponsors out with student groups.

NRCSA AWARDS

NRCSA annually recognizes individuals who are outstanding at serving member districts. At the Spring Conference each year NRCSA recognizes an Outstanding Elementary Teacher, Secondary Teacher, ESU Staff Member, Music Teacher, Principal, Board of Education Member, and Superintendent/ESU Administrator.

NRCSA EXECUTIVE BOARD

The 10-member Executive Board provides leadership and direction for the organization. Each of the six NRCSA districts is represented by at least one Superintendent from a district within the district.

NRCSA SCHOLARSHIPS

NRCSA annually awards 14 \$1,000 scholarships to high school seniors from NRCSA-member schools who are entering college with the goal of becoming school teachers.

GLOBAL TELETHERAPY

Global Teletherapy is a partner with NRCSA that provides elective services such as Speech, Behavioral, and Occupational Therapies. Global provides services that are sometimes difficult to fill.

NEBRASKANS UNITED

NRCSA is a strong member of this group which includes most education and ag-related organizations in the State. The purpose is to work to provide property tax relief, as well as to protect and promote funding to public education.

CORONAVIRUS ISSUES

Over 100 NRCSA member Superintendents and ESU Administrators worked together to produce NRCSA's Reopening Document to help districts develop their own plans for reopening school in the fall.

LEADERSHIP OPPORTUNITIES

Each year there are over 50 leadership positions on the Executive Committee or other NRCSA committees that provide opportunities for member Superintendents.

EDUCATION ASSOCIATIONS COALITION

NRCSA is an active member of this group that is comprised of all of the major education associations in the state. The purpose of the group is to work together on legislative issues facing public education.

NATIONAL RURAL EDUCATION ASSOCIATION

NRCSA is a strong member of the NREA. The NREA provides leadership on issues facing rural education on the national level. Dr. Jon Habben, former NRCSA Executive Director of NRCSA, will serve as the President of NREA in the coming year.

RURAL TEACHER SHORTAGE

NRCSA has started a Rural Teacher Committee that was established to find ways to address the shortage of teachers in rural schools. Twelve member Superintendents work with representatives from Chadron State College, Wayne State College and Peru State College in this work.

Remote Work Guidance and Expectations

September 17, 2020

As we navigate the unfolding developments related to the evolving COVID-19 pandemic, we need to make sure that all remote staff members understand ESU 7's expectations for those staff members while they are "on duty." The following guidance and expectations apply, effective immediately, to all staff members working remotely during the workday and during working hours.

Guidance

This guidance is for ESU 7 departments considering allowing employees to perform job responsibilities from home or from other remote work sites. The decision to have employees work remotely should be based on the employee's job description and the feasibility of completing described job duty expectations in a remote setting.

SUPERVISORS

Department Directors and Supervisors have the final decision if an employee may work remotely.

- Ensure your leadership is informed of plans and contingencies

Communication: Establish a plan regarding how the employee will communicate with the supervisor and other employees (possible tools: email, Zoom, phone, etc.)

- Will you change expectations for calendar visibility?
- How will you communicate with external stakeholders on how to reach the employee (voicemail outgoing message, forward phone, etc.)?

Performance: Establish expectations regarding work that will be completed and a method for monitoring work output.

Schedule: Establish a work schedule so all parties know when the employee working remotely is available. Work/life balance remains important so having a consistent daily schedule that reflects typical work day hours allow for maintained quality of services and support to our districts and departments.

Leave:

- If an employee is working a full day from home, no leave is required.
- If an employee is sick (not related to COVID-19 or beyond the FFCRA limitations), sick leave may be appropriate.

- If an employee is unable to work due to the following COVID-19 reasons, medical leave within the FFCRA (Families First Coronavirus Response Act) regulations is appropriate up to the limits set forth by the IRS and the ESU 7 Board:
 - self-quarantine
 - quarantine or care of an immediate family member
 - childcare resulting from school and/or daycare closures
 - other related scenarios to COVID-19.
- If an employee is unable to work due to other reasons, vacation, built-in non-contract days, or personal days may be appropriate.

Equipment: Supervisors should track ESU equipment that is moved to a remote work site.

EMPLOYEES

- **Remote work locations** are not guaranteed and may be utilized for a temporary time
- **Policies:** The employee will remain obligated to comply with, and subject to, all ESU 7 rules, policies, practices, and procedures, including the safeguarding of confidential information and all appropriate use policies.
- **Equipment:** The employee is responsible for the costs of establishing and maintaining the home work area, as well as providing home and internet connectivity for remote capabilities.
- **Paid Hourly:** Employees and supervisors are still required to comply with all timekeeping and overtime regulations. Hourly employees who work remotely are required to be cognizant of these procedures and structure their remote work just as they would in a typical workplace.

Expectations

ESU 7 staff members working remotely are, in general, held to the same expectations as when working in non-remote locations. The expectations listed below are those to help staff understand specific situations where questions may come up in the future. The leadership of ESU 7 trusts the professionalism and work all employees demonstrate as part of the ESU 7 family. Thank you for your commitment to ESU 7.

1. If a staff member will appear via videoconference (such as Zoom), the staff member must be dressed professionally and in the same manner expected as if the staff member reported to work in-person. A staff member appearing by videoconference is expected to minimize background noise (such as a dog barking) that may interfere with the communication, and be in a professional setting (such as at a table or in a home office).
2. Staff members should respond promptly to ESU 7 related communications. "Promptly" will depend on the context but, as a general matter, staff members who are not certificated staff/teachers will be expected to respond to phone calls within 15-30 minutes of receiving such calls. Certificated staff/teachers who receive a phone call or other ESU-related communication (such as an email) will be expected to respond after their current assignment, and as soon as practicable. We understand that staff members may be

engaged during the workday with webinars, teaching, providing student services, holding office hours, talking with colleagues or parents, and so forth. As such, each staff member's situation will depend on the circumstances. However, generally, all staff members (including certificated staff/teachers) are expected to be checking their phone and email during the workday and responding in a timely manner.

3. During working hours, all staff members are bound by the same computer and Internet expectations as if they were non-remote. Please use work time for work purposes.
4. All staff members continue to be bound by the applicable professional boundaries policy and/or rules. Staff members will not communicate directly with students via texting, social media or one-on-one Zoom sessions, unless the staff member has received approval in advance from an administrator.
5. Hourly staff members must keep track of their work time. Hourly staff members must receive prior approval from their immediate supervisor before working overtime. Hourly staff members must keep a current detailed log of the time they spent on work-related items and the time that they spent working on such items. All staff members must communicate in a professional manner. Although much communication may be accomplished via electronic means, all staff members need to remember that communications should be professional and avoid inappropriate or vulgar language.
6. Staff members should coordinate with their immediate supervisor on clock in/clock-out procedures so that your immediate supervisor ensures that you are working that workday. If you need to miss work during a workday, you must contact your immediate supervisor as soon as practicable.
7. Each staff member's duty hours will be determined by each staff member's immediate supervisor. As a result, staff members are expected to maintain regular communication with their immediate supervisor about the upcoming workweek.
8. Staff members will comply with the recommendations of the Technology Director with regards to secure technology arrangements.
9. Staff members are expected to follow all other directives from their supervisors in a positive and professional manner.
10. A staff member who repeatedly violates these expectations may be subject to discipline.
11. All other provisions of board policy and the staff handbook remain in effect. If a staff member has any questions or needs clarification, they should contact their supervisor in advance for clarification.

Please know that these expectations are subject to change and may be modified by the ESU 7 Chief Administrator or her designee.

Section 1 - Non - Discrimination

Article V, Section 1, A Policy of Non-Discrimination

A. Policy of Non-Discrimination

ESU 7 does not discriminate on the basis of sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, **gender identity or sexual orientation**, or other protected status in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. Reasonable accommodations will be provided to employees with disabilities and to those who are pregnant, have given birth, or have a related medical condition, as required by law. ~~The following persons have been designated to handle inquiries regarding the non-discrimination policies:~~ **Complaints or concerns involving discrimination should be addressed to:**

Students, **Employees, and Others:** Tami Clay, Special Education Director, 2563 44th Avenue, Columbus, NE 68601 (402) 564-0815 (tclay@esu7.org).

Complaints or concerns involving discrimination or needs for accommodation or access should be addressed to the appropriate Coordinator.

For further information about anti-discrimination laws and regulations, or to file a complaint of discrimination with the Office of Civil Rights in the U.S. Department of Education (OCR), please contact the OCR at One Petticoat Lane, 1010 Walnut Street, 3rd Floor, Suite 320, Kansas City, Missouri 64106, (816) 268-0550 (voice), Fax (816) 268-0599, (800) 877-8339 (telecommunications device for the deaf), or ocr.kansascity@ed.gov.

ESU 7 is committed to offering employment and educational opportunities to its employees and students in a climate free of discrimination. Accordingly, unlawful discrimination, harassment and retaliation of any kind by ESU 7 employees, including co-workers, non-employees (such as volunteers), third parties, and others is strictly prohibited and will not be tolerated.

B. Harassment

Harassment is a form of discrimination and includes verbal, non-verbal, written, graphic, or physical conduct relating to **any** ~~a person's sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status,~~ that is sufficiently serious to deny, interferes with, or limits a person's ability to participate in or benefit from an educational or work program or activity, including, but not limited to:

1. Conduct that is sufficiently severe or pervasive to create an intimidating, hostile, or abusive educational or work environment, or

[Return to Table of Contents](#)

2. Requiring an individual to endure the offensive conduct as a condition of continued employment or educational programs or activities, including the receipt of aids, benefits, and services.

Educational programs and activities include all academic, educational, extracurricular, athletic, and other programs of the ESU, whether those programs take place in the ESU facilities, in an ESU vehicle, at a class or training program sponsored by the ESU at another location, or elsewhere.

Discriminatory harassment because of **any** ~~a person's sex, disability, race, color, religion, veteran status, national or ethnic origin, age, marital status, pregnancy, childbirth or related medical condition, or other protected status,~~ may include, but is not limited to:

1. Name-calling,
2. Teasing or taunting,
3. Insults, slurs, or derogatory names or remarks,
4. Demeaning jokes,
5. Inappropriate gestures,
6. Graffiti or inappropriate written or electronic material,
7. Visual displays, such as cartoons, posters, or electronic images,
8. Threats or intimidating or hostile conduct,
9. Physical acts of aggression, assault, or violence, or
10. Criminal offenses

The following examples are additional or more specific examples of conduct that may constitute sexual harassment:

1. Unwelcome sexual advances or propositions,
2. Requests or pressure for sexual favors,
3. Comments about an individual's body, sexual activity, or sexual attractiveness,
4. Physical contact or touching of a sexual nature, including touching intimate body parts and inappropriate patting, pinching, rubbing, or brushing against another's body,
5. Physical sexual acts of aggression, assault, or violence, including criminal offenses (such as rape, sexual assault or battery, and sexually motivated stalking), against a person's will or where a person is incapable of giving consent due to the victim's age, intellectual disability, or use of drugs or alcohol,
6. Requiring sexual favors or contact in exchange for aids, benefits, or services, such as awards, privileges, promotions, etc., or
7. Gender-based harassment; acts of verbal, nonverbal, written, graphic, or physical conduct based on sex or sex-stereotyping, but not involving conduct of a sexual nature.

If the ESU 7 knows or reasonably should know about possible harassment, including violence, the ESU 7 will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred (see section entitled "Grievance Procedures,"

~~below~~), and take appropriate interim measures, if necessary. If ~~the~~ ESU 7 determines that unlawful harassment occurred, ~~the~~ ESU 7 will take prompt and effective action to eliminate the harassment, prevent its recurrence, and remedy its effects, if appropriate. If harassment or violence that occurs off ESU property creates a hostile environment at ~~the~~ ESU, ~~the~~ ESU 7 will follow this policy and grievance procedure, within the scope of its authority.

All ESU 7 employees are expected to take prompt and appropriate actions to report and prevent discrimination, harassment, and retaliation by others. Employees who witness or become aware of possible discrimination, including harassment and retaliation, must immediately report the conduct to his or her supervisor or the compliance coordinator designated to handle complaints of discrimination (designated compliance coordinator).

C. Anti-retaliation:

~~The~~ ESU 7 prohibits retaliation, intimidation, threats, coercion, or discrimination against any person for opposing discrimination, including harassment, or for participating in the ESU 7's discrimination complaint process or making a complaint, testifying, assisting, or participating in any manner, in an investigation, proceeding, or hearing. Retaliation is a form of discrimination.

~~The~~ ESU 7 will take immediate steps to stop retaliation and prevent its recurrence against the alleged victim and any person associated with the alleged victim. These steps will include, but are not limited to, notifying students, employees, and others, that they are protected from retaliation, ensuring that they know how to report future complaints, and initiating follow-up contact with the complainant to determine if any additional acts of discrimination, harassment, or retaliation have occurred. If retaliation occurs, ~~the~~ ESU 7 will take prompt and strong responsive action, including possible discipline, including expulsion or termination, if applicable.

D. Grievance (or Complaint) Procedures:

Employees or students should initially report all instances of discrimination, harassment or retaliation to their immediate supervisor or teacher or to the Compliance Coordinator designated to handle complaints of discrimination (~~designated coordinator~~). If the employee or student is uncomfortable in presenting the problem to the supervisor or teacher, or if the supervisor or teacher is the problem, the employee or student may report the alleged discrimination, harassment or retaliation ("discrimination") to the Compliance Coordinator. ~~designated coordinator, or in the case of students, to another staff person (such as a counselor or principal).~~

~~Other individuals may report alleged discrimination to the designated coordinator. If the designated~~ Compliance Coordinator is the person alleged to have committed the discriminatory act, then the complaint should be submitted to the Administrator for assignment. A discrimination complaint form is attached to this grievance procedure and is available in the office of each ESU 7 building, on the ESU 7 website, and from the Compliance Coordinator ~~designated coordinators~~.

~~ESU employees, supervisors and administrators must immediately report any complaints, reports, observations, or other information of alleged discrimination to the designated coordinator, even if that ESU employee is investigating the alleged discrimination as part of the ESU's student or employee disciplinary process, and provide the complainant with information for filing a complaint of discrimination, including a complaint form if requested, and contact information for the ESU's designated coordinator. If the ESU uses its disciplinary procedures to investigate and resolve an alleged discrimination complaint, those disciplinary procedures will comply with the ESU's standards for a prompt and equitable grievance procedure outlined in section B.2., below.~~

Under no circumstances will a person filing a complaint or grievance involving discrimination be retaliated against for filing the complaint or grievance.

1. *Level 1 (Investigation and Findings):*

The Compliance Coordinator will review and evaluate each grievance, complaint, or report to determine if such grievance, complaint or report is covered under Title IX. If such a grievance, complaint or report is covered under Title IX, then the Compliance Coordinator will follow the Title IX Grievance Procedures (outlined below). For all other grievances, complaints or reports, the Compliance Coordinator will follow these General Grievance Procedures. Once ~~the~~ ESU 7 receives a grievance, complaint or report alleging discrimination, harassment, or retaliation, or becomes aware of possible discriminatory conduct, ~~the~~ ESU 7 will conduct a prompt, adequate, reliable, thorough, and impartial investigation to determine whether unlawful harassment occurred. If necessary, ~~the~~ ESU 7 will take immediate, interim action or measures to protect the alleged victim and prevent further potential discrimination, harassment, or retaliation during the pending investigation. The alleged victim will be notified of his or her options to avoid contact with the alleged harasser, such as changing a class or prohibiting the alleged harasser from having any contact with the alleged victim pending the result of ~~the~~ ESU 7's investigation. ~~The~~ ESU 7 will minimize any burden on the alleged victim when taking interim measures to protect the alleged victim.

~~The~~ ESU 7 will **promptly** investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. ~~The~~ ESU 7 will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this grievance procedure. If the allegation(s) involve possible criminal conduct, ~~the~~ ESU 7 will notify the complainant of his or her right to file a criminal complaint, and ESU 7 employees will not dissuade the complainant from filing a criminal complaint either during or after ~~the~~ ESU 7's investigation.

~~The~~ ESU 7 will **aim to** complete its investigation within ten (10) working days after receiving a complaint or report, unless extenuating circumstances exist. Extenuating

circumstances may include the unavailability of witnesses due to illness or incapacitation, or additional time needed because of the complexity of the investigation, the need for outside experts to evaluate the evidence (such as forensic evidence), or multiple complainants or victims. ~~Extenuating circumstances do not include breaks when the ESU is closed, and if a designated compliance coordinator or investigator is unavailable, another coordinator or trained employee will be designated to conduct the investigation.~~ If extenuating circumstances exist, the extended timeframe to complete the investigation will not exceed ten (10) additional working days without the consent of the complainant, **unless the alleged victim agrees to a longer timeline**. Periodic status updates will be given to the parties, ~~if necessary~~ **when appropriate**.

The ESU 7's investigation will include, but is not limited to:

- a. Providing the parties with the opportunity to present witnesses and provide evidence.
- b. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- c. For allegations involving harassment, some of the factors the ESU 7 will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.
- d. A review of the evidence using a "preponderance of the evidence" standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

The ~~designated~~ Compliance Coordinator (or designated investigator) will complete an investigative report, which will include:

- a. A summary of the facts,
- b. ~~An analysis of the appropriate legal standards applied to the specific facts,~~
- c. Findings regarding whether discrimination, **harassment or other inappropriate conduct** occurred, and
- d. If a finding is made that discrimination, **harassment or other inappropriate conduct** occurred, the recommended remedy or remedies necessary to eliminate discrimination, **including harassment or other inappropriate conduct**, ~~and retaliation, prevent its recurrence, and remedy its effects, if applicable.~~

If someone other than the ~~designated~~ Compliance Coordinator conducted the investigation, the Compliance Coordinator will review, approve, and sign the investigative report. The ESU 7 will ensure that prompt, appropriate, and effective remedies are provided if a finding of discrimination, harassment, or retaliation is made (~~see the Remedies section, below, for~~

additional information about remedies). The ESU 7 will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings.

The ESU 7 will send concurrently to the parties written notification of the decision (findings and any remedy) regarding the complaint within ~~ten (10) working days~~ **one (1) working day** after the investigation is completed. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 11232g; 34 C.F.R. Part 99, permits the ESU 7 to disclose relevant information to a student who was discriminated against or harassed. ~~to a student who was discriminated against or harassed (victim), information about the sanction imposed upon a student who was found to have engaged in discrimination or harassment (student who discriminated) when the sanction directly relates to the victim. This includes an order that the student who discriminated stay away from the victim, or that the student who discriminated is prohibited from attending school for a period of time, or transferred to other classes.~~

2. Level 2 (Appeal to the Administrator):

If a party is not satisfied with the findings or remedies (or both) set forth in the decision, he or she may file an appeal in writing with the Administrator within ~~ten (10) working days~~ **five (5) working days** after receiving the decision. The Administrator will review the appeal and the investigative documentation and decision, conduct additional investigation, if necessary, and issue a written determination about the appeal within ten (10) working days after receiving the appeal. The party who filed the appeal will be sent the Administrator's determination at the time it is issued, and a copy will be sent to the ~~designated~~ Compliance Coordinator. [If the Administrator is the subject of the complaint, the party will file the appeal directly with the Board.]

3. Level 3 (Appeal to the Board):

If the party is not satisfied with the Administrator's determination, he or she may file an appeal in writing with the Board within ~~ten (10) working days~~ **five (5) working days** after receiving the Administrator's determination. The Board will review the appeal, the Administrator's determination, the investigative documentation and decision, and allow the party to address the Board at ~~a the next scheduled Board meeting~~ to present his or her appeal. **The party will be allowed to address the Board at the Board's next regularly scheduled Board meeting (unless the Board receives the appeal within one week of the next regularly scheduled Board meeting) or at a time and date agreed to by the Board, Compliance Coordinator and the party.** The Board will issue a written determination about the appeal within thirty (30) working days after receiving the appeal **the party addresses the Board**. The party who filed the appeal will be sent the Board's determination at the time it is issued, and a copy will be sent to the ~~designated~~ Compliance Coordinator. The Board's determination, and any actions taken, will be final on behalf of the ESU 7.

4. Remedies:

If the ESU knows or reasonably should know about possible discrimination, including harassment or violence, the ESU will take immediate, interim action or measures to protect the alleged victim, ensure the safety of the school community, and prevent further potential discrimination, harassment, or retaliation during the ESU's pending investigation. These interim measures will be prompt, age-appropriate, effective, and tailored to the specific situation, and may include a change in the student's seating assignment or class, a change in an employee's work area, prohibiting the alleged harasser from having any contact with the alleged victim pending the result of the ESU's investigation, and other remedies, such as those listed below.

The ESU will minimize any burden on the alleged victim when taking interim measures. For instance, the ESU generally will not remove the alleged victim from his or her class or work area and allow the alleged harasser to remain. In addition the ESU will ensure that the complainant is aware of his or her Title IX rights, including a strong prohibition against retaliation for reporting discrimination or harassment or cooperating with any investigation or proceeding, and any available resources, such as counseling, health, and mental health services, and the right to file a complaint with local law enforcement, if applicable.

If the ESU determines that unlawful discrimination or harassment occurred, the ESU will take prompt and effective action to eliminate the discrimination or harassment, prevent its recurrence, and remedy its effects on the complainant and others, if appropriate. The remedies will be tailored to the specific allegations and facts of each situation, including, but not limited to, the following remedies:

- a. Providing an escort to ensure the complainant can move safely between buildings and activities.
- b. Ensuring the complainant and alleged harasser do not attend the same meetings.
- c. Moving the alleged harasser to another program or work area within the ESU.
- d. Providing counseling services or reimbursement, if appropriate.
- e. Providing medical services or reimbursement, if appropriate.
- f. Providing academic support services, such as tutoring.
- g. Arranging for the complainant to re-take a course or withdraw from a class without penalty, including ensuring that any changes do not adversely affect the complainant's academic record.

The ESU may provide remedies for the broader student population as well, including but not limited to:

- a. Offering counseling, health, mental health, or other holistic and comprehensive victim services to all students or employees affected by sexual harassment or sexual violence, and notifying students and employees of ESU and community counseling, health, mental health, and other student services.
- b. Designating an individual from the ESU's counseling center to be "on call" to assist victims of sexual harassment or violence whenever needed.

- ~~e. Providing additional training to the ESU's designated compliance coordinators and other employees who are involved in addressing, investigating, or resolving complaints of discrimination, harassment, and retaliation, to better respond to specific types of harassment and violence.~~
- ~~d. Informing students and employees of their options to notify proper law enforcement authorities, including school and local police, and the option to be assisted by ESU employees in notifying those authorities.~~
- ~~e. Creating a committee of students or employees and ESU officials to identify strategies for ensuring that students and employees

 - ~~i. Know the ESU's prohibition against discrimination, harassment, and retaliation.~~
 - ~~ii. Recognize acts of discrimination, harassment (including acts of violence), and retaliation when they occur.~~
 - ~~iii. Understand how and to whom to report any incidents of discrimination.~~
 - ~~iv. Know the connection between alcohol and drug abuse and harassment or violence based on sex or other protected characteristics.~~
 - ~~v. Feel comfortable that ESU officials will respond promptly and equitably to reports of discrimination, harassment (including violence) and retaliation.~~~~
- ~~f. Conducting periodic assessments of student or employee activities to ensure that the practices and behavior of students or employees do not violate the ESU's policies against anti-discrimination, anti-harassment, and anti-retaliation.~~
- ~~g. Conducting in conjunction with students or employees, a "climate check" to assess the effectiveness of efforts to ensure that the ESU is free from discrimination, harassment (including violence), and retaliation, and using the resulting information to inform future proactive steps that will be taken by the ESU.~~

In addition to these remedies, the ESU may impose disciplinary sanctions against the student or employee who discriminated, harassed, or retaliated against the complainant, up to and including possible expulsion or termination or cancellation of employment.

E. Confidentiality:

The identity of the complainant will be kept confidential to the extent permitted by state and federal law. The ESU 7 will notify the complainant of the anti-retaliation provisions of applicable laws and that the ESU 7 will take steps to prevent retaliation and will take prompt and strong responsive actions if retaliation occurs.

If a complainant requests confidentiality or asks that the complaint not be pursued, the ESU 7 will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or request not to pursue an investigation, as long as doing so does not prevent the ESU 7 from responding effectively to the harassment and preventing harassment of others. If a complainant insists that his or her name or other identifiable information not be disclosed to the alleged perpetrator, the ESU 7 will inform the complainant that its ability to respond may be limited. Even if the ESU 7 cannot take disciplinary action against the alleged

harasser, the ESU 7 will pursue other steps to limit the effects of the alleged harassment and prevent its recurrence, if warranted.

~~At the same time, the ESU will evaluate a confidentiality request in the context of its responsibility to provide a safe and nondiscriminatory environment for all. Thus, the ESU may weigh the confidentiality request against factors such as: the seriousness of the alleged harassment, the complainant's age; whether there have been other harassment complaints about the same individual and the alleged harasser's rights to receive information about the allegations if the information is maintained by the ESU as an "education record" under FERPA. In some cases, the ESU may be required to report alleged misconduct or discrimination, such as sexual harassment involving sexual violence, to local law enforcement or other officials, and the ESU may not be able to maintain the complainant's confidentiality. The ESU will inform the complainant that it cannot ensure confidentiality, if applicable.~~

F. Title IX Grievance (or Complaint) Procedures

All employees are responsible for helping to prevent sexual harassment. Employees, or students, who believe they have been subjected to or witnessed sexual harassment should follow these procedures:

- 1. Directly inform the person engaging in the discrimination or harassment that such conduct is offensive and must stop.**
- 2. For employee reporters, contact your supervisor or the supervisor of the offending person, the Title IX Coordinator, if you do not wish to communicate directly with the person whose conduct is offensive or if direct communication with the offending person has been ineffective.**
- 3. Report the matter to the Title IX Coordinator if the offending conduct continues or has not been resolved to your satisfaction after you have reported the matter to a principal or supervisor.**
- 4. For student reporters, contact any teacher or administrator.**
- 5. Report to the Title IX Coordinator if you are the adult to whom the student has made a report so that the matter can be properly resolved. The Title IX Coordinator may file a formal complaint and begin the following complaint procedure.**

Allegations of sexual harassment or discrimination shall be investigated and, if substantiated, corrective or disciplinary action may be taken, up to and including dismissal from employment if the offender is an employee, or suspension and/or

expulsion, if the offender is a student. Retaliatory action will not be taken against an employee for reporting discrimination or harassment.

i. Response to a Formal Title IX Complaint:

1. Filing Formal Complaint: An employee or student can allege sexual harassment by filing a formal complaint in writing with the Title IX Coordinator in person or by mail, or by electronic mail using the following contact information:

TITLE IX COORDINATOR CONTACT INFORMATION

Dr. Larianne Polk, Chief Administrator
2657 44th Avenue, Columbus, NE 68601
402-564-5753
lpolk@esu7.org

The formal complaint must be signed by the complainant or by the Title IX Coordinator. The following procedures apply only in the event that a formal complaint is filed. All other allegations of sexual harassment shall be resolved using the general complaint procedure. Any timelines set forth in the following procedures may be extended by the Title IX Coordinator with notice to the parties.

2. Immediate Actions Upon Receipt of Formal Complaint: Upon receipt of a formal complaint, the Title IX Coordinator shall provide the following to all known parties: (a) the complaint procedure as outlined in this regulation; and (b) notice of the allegations of sexual harassment including (i) the identities of the parties involved, if known, (ii) the conduct allegedly constituting sexual harassment, and (iii) the date and location of the alleged incident.

The parties to the formal complaint may select an advisor of their choice, who may be, but is not required to be, an attorney.

3. Investigation of Formal Complaint: Upon receipt of a formal complaint, the Title IX Coordinator shall notify the Investigator. The Investigator will promptly investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The Investigator will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this complaint procedure. If the allegation(s) involve possible criminal conduct, the ESU will notify the complainant of his or her right to file a criminal complaint, and ESU employees will not dissuade the complainant from filing a criminal complaint either during or after the ESU's investigation.

The Investigator will aim to complete its investigation within a reasonable time frame as determined by the Title IX Coordinator. The factors to determine a reasonable time frame include, but are not limited to the allegations of the formal complaint, the number of witnesses that may need to be interviewed, and whether the police are also conducting an investigation into the allegations. The time frame originally set by the Title IX Coordinator may be extended by the Title IX Coordinator, upon notice to the parties, as he or she deems necessary to complete the investigation. Periodic status updates will be given to the parties, when appropriate.

(A) *Neutrality*: The Title IX Coordinator, investigator, decision-maker, or any person designated by the ESU to facilitate this complaint procedure, shall not have any conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. The ESU shall ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates this complaint procedure shall receive training on the definition of sexual harassment in accordance with this regulation, the scope of the ESU's education program or activity, how to conduct an investigation and complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the fact at issue, conflicts of interest, and bias. The ESU shall ensure that the individuals involved in the complaint procedure receive training on issues of relevance of questions and evidence and on issues of relevance to create an investigative report that fairly summarizes relevant evidence.

(B) *Burden of Production*: It shall be the Investigator's burden to gather evidence sufficient to reach a determination regarding responsibility. To reach a determination, the investigation will include, but is not limited to:

- a. Providing the parties with the opportunity to present witnesses and provide evidence.
- b. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- c. For allegations involving harassment, some of the factors the ESU will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.

- d. A review of the evidence using a “preponderance of the evidence” standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)

(C) *Rights of the Parties:* The respondent is entitled to a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the complaint process.

The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.

The Investigator shall not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

The Investigator shall provide the parties with the same opportunities to have others present during any complaint proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice if the Investigator deems appropriate. However, the Investigator may establish restrictions regarding the extent to which the advisor may participate in the proceedings, if the restrictions apply equally to both parties.

The Investigator shall provide to all witnesses expected to attend a meeting notice of the date, time, location, participants, and purpose of all hearings within 2 days of the meeting.

Up until the conclusion of the investigation, the parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint. This includes the evidence upon which the Investigator does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence obtained from any source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

The ESU retains the right to place a non-student employee respondent on administrative leave during the pendency of the investigation. The ESU also retains the right to remove a respondent from the ESU’s educational program prior to the conclusion of the investigation. In the event of a removal, the respondent shall have the opportunity to challenge the decision for removal.

(D) *Conclusion of Investigation:* Prior to the conclusion of the investigation, the investigator shall send each party and the party’s advisor, if any, the evidence that is subject to inspection and review in an electronic format or a hard copy. The parties shall

then have ten (10) days to submit a written response, which the investigator will consider.

Once the investigator has considered the written statements of the parties, if any, and any questions of the parties, if any, the investigator shall create an investigative report that fairly summarizes relevant evidence. The investigator shall then submit the written investigation report to the decision-maker. The parties shall each receive a copy of the final investigative report at the same time as the decision-maker.

4. **Decision of Responsibility:** The decision-maker, shall review the investigative report. Prior to coming to a determination regarding responsibility, the decision maker shall provide 10 days for each party to submit written, relevant questions that a party wants asked of any party or witness, provide each party with answers, and allow for additional, limited follow-up questions from each party.

Once the decision maker has considered the written questions of the parties, if any, the decision maker shall issue a written determination regarding responsibility by a preponderance of the evidence within a reasonable time frame as determined by the Title IX Coordinator. The decision-maker shall consider all relevant evidence, including inculpatory and exculpatory evidence, and will not consider the credibility of the evidence to be based on a person's status, such as complainant, respondent, or witness. The decision-maker shall provide the written determination to both parties simultaneously. The written determination must include:

- a. Identification of the allegations potentially constituting sexual harassment;
- b. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather evidence;
- c. Findings of fact supporting the determination;
- d. Conclusions regarding the application of each recipient's code of conduct to the facts;
- e. A statement of, and rationale for, the results as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the recipient's education program or activity will be provided by the recipient to the complainant; and
- f. The recipient's procedures and permissible bases for the complainant and respondent to appeal.

The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. Sec. 11232g; 34 C.F.R. Part 99, permits the ESU to disclose relevant information to a student who was discriminated against or harassed.

5. Supportive Measures and Disciplinary Actions:

Throughout the investigation, either party may be entitled to supportive measures. Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the ESU's educational environment, or to deter sexual harassment.

Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The ESU shall maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the ESU to provide the supportive measures.

At the conclusion of the investigation, the decision-maker may institute disciplinary measures to the respondent if the decision-maker determines that the respondent engaged in sexual abuse or harassment. Disciplinary measures may include, but are not limited to, in school suspension, out of school suspension, expulsion, and in the case of an employee disciplinary action up to and including dismissal from employment. This policy does not limit or prohibit the ESU from instituting disciplinary measures if in the course of the investigation it determines that the complainant or respondent violated the student code of conduct.

The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

ii. Title IX Appeals

If either party is not satisfied with the outcome of the investigation and the decision of the decision-maker, they may appeal on the following bases:

- a. Procedural irregularity that affected the outcome of the matter;

- b. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- c. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against the complainant or respondent generally or the individual complainant or respondent that affected the outcome of the matter.

The request for an appeal shall be in writing and submitted on the appropriate document. The appeal document shall be submitted to the ESU Administrator.

Upon notice of an appeal by either party, the ESU Administrator shall notify the other party in writing when the appeal is filed and of the appeal procedures, which apply equally to both parties.

The ESU Administrator shall give both parties a reasonable, and equal opportunity to submit a written statement in support of or challenging the outcome.

The ESU Administrator shall review the investigative report, decision-maker's determination, and written statements of the parties and then issue a written decision describing the result of the appeal and the rationale for the result. The ESU Administrator shall provide the written decision simultaneously to both parties.

iii. Informal Resolution

If a formal Title IX complaint is filed, the ESU may offer the complainant and respondent the opportunity to participate in an informal resolution process. The informal resolution process may take place at any time prior to reaching a determination regarding responsibility. The informal resolution process shall only take place upon:

- a. Written notice to both parties disclosing: the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the resolution process and resume the complaint process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
- b. The parties' voluntary, written consent to the informal resolution process; and
- c. That the allegations of the formal complaint do not involve any allegations that an employee sexually harassed a student.

G7. Training:

The ESU will ensure that ESU employees, including but not limited to officials, administrators, teachers, substitute teachers, **conselors**, nurses, professional staff, classified staff and paraprofessionals are adequately trained so they understand and know how to identify acts of discrimination, harassment, and retaliation, and how to report it to appropriate ESU officials or employees. This training will include, at a minimum, the following areas:

- a. ~~The current legal standards and compliance requirements of anti-discrimination, anti-harassment, and anti-retaliation federal, state, and any local laws and regulations, including several specific examples of discrimination, harassment (including acts of violence because of a person's sex or other protected characteristics), and retaliation.~~
- b. ~~The ESU's current anti-discrimination, anti-harassment, and anti-retaliation notice, policies, grievance procedure, and discrimination complaint form, including the specific steps and timeframes of the investigative procedures, and the ESU's disciplinary procedures.~~
- c. ~~Identification of the ESU's designated compliance coordinators and their job responsibilities.~~
- d. ~~Specific examples and information regarding how to report complaints or observations of discrimination, harassment, or retaliation to appropriate ESU officials or employees. In addition, the ESU will emphasize that employees, students, third parties, and others should not be deterred from filing a complaint or reporting discrimination. For instance, if a student is the victim of sexual violence, a form of sexual harassment, but the student is concerned that alcohol or drugs were involved, school staff should inform the student that the ESU's primary concern is student safety, that any other rules violations will be addressed separately from the sexual violence allegation, and that the use of alcohol or drugs never makes the victim at fault for sexual violence.~~
- e. ~~Potential consequences for violating the ESU's anti-discrimination, anti-harassment, and anti-retaliation policies, including discipline.~~
- f. ~~Potential remedies, including immediate, interim remedies, to eliminate the discrimination, harassment, and retaliation, prevent its recurrence, and remedy its effects.~~
- g. ~~A description of victim resources, including comprehensive victim services, to address acts of discrimination and harassment, including acts of violence because of a person's sex or other protected characteristics, and a list of those resources for distribution to trainees.~~

In addition, the ESU shall ensure that employees designated to address or investigate discrimination, harassment, and retaliation, including designated compliance coordinators, receive additional specific training to promptly and effectively investigate and respond to complaints and reports of discrimination, and to know the ESU's grievance procedures and the applicable confidentiality requirements.

7. Designated Compliance Coordinators:

Designated compliance coordinators will be responsible for:

- a. ~~Coordinating efforts to comply with anti-discrimination, anti-harassment, and anti-retaliation laws and regulations.~~
- b. ~~Coordinating and implementing training for employees pertaining to anti-discrimination, anti-harassment and anti-retaliation laws and regulations, including the training areas listed above.~~
- c. ~~Investigating complaints of discrimination (unless the coordinator designates other trained individuals to investigate).~~
- d. ~~Monitoring substantiated complaints or reports of discrimination, as needed (and with the assistance of other ESU employees, if necessary), to ensure discrimination or harassment does not recur, and that retaliation conduct does not occur or recur.~~
- e. ~~Overseeing discrimination complaints, including identifying and addressing any patterns or systemic problems, and reporting such patterns or systemic problems to the Administrator and the Board.~~
- f. ~~Communicating regularly with the ESU's law enforcement unit investigating cases and providing current information to them pertaining to anti-discrimination, anti-harassment, and anti-retaliation standards and compliance requirements.~~
- g. ~~Reviewing all evidence in harassment or violence cases brought before the ESU's disciplinary committee or administrator to determine whether the complainants are entitled to a remedy under anti-discrimination laws and regulations that was not available in the disciplinary process.~~
- h. ~~Ensuring that investigations address whether other employees may have been subjected to discrimination, including harassment and retaliation.~~
- i. ~~Determining whether ESU employees with knowledge of allegations of discrimination, including harassment and retaliation, failed to carry out their duties in reporting the allegations to the designated compliance coordinator and responding to the allegations.~~
- j. ~~Recommending changes to this policy and grievance procedure.~~
- k. ~~Performing other duties as assigned.~~

The designated compliance coordinators will not have other job responsibilities that may create a conflict of interest with their coordinator responsibilities.

8. Preventive Measures:

The ESU will publish and widely distribute on an ongoing basis a notice of nondiscrimination (notice) in electronic and printed formats, including prominently displaying the notice on the ESU's website and posting the notice at each building in the ESU. The ESU also will designate an employee to coordinate compliance with anti-discrimination laws (see Designated Compliance Coordinator section, above, for further information on compliance coordinator), and widely publish and disseminate this grievance procedure, including prominently posting it on the ESU's website, at each building in the ESU, reprinting it in ESU publications, such as handbooks, and providing it electronically to members of the school community. The ESU will

~~provide training to employees and students at the beginning of each academic year in the areas (B.6.a-g) identified in the Training section, above.~~

The ESU ~~also~~ may, from time to time, distribute specific harassment and violence materials (such as sexual violence), including a summary of the ESU's anti-discrimination, anti-harassment, and anti-retaliation policy and grievance procedure, and a list of victim resources, to its employees and sstudents that the ESU serves. ~~during events such as school assemblies and back to school nights, if recent incidents or allegations warrant additional education to the school community.~~

Important COVID-19 terms cheat sheet

Along with extended school closures, the COVID-19 pandemic has brought along many new terms that are not only used in the school context, but everyday life. Although you may have heard these terms before, it's important to understand exactly what these terms mean, especially with the reopening of schools in SY 2020-21.

1. COVID-19 is the abbreviation for the disease caused by the novel coronavirus (SARS-CoV-2) first identified in Wuhan, China in late 2019. Symptoms tend to appear up to 14 days after exposure to the virus and may include fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, and gastrointestinal issues. The highly contagious nature of the disease, combined with its rapid spread and potentially deadly impact on certain populations, prompted districts across the country to end school-based instruction and switch to distance learning in the spring of 2020.

2. Epidemic means a widespread occurrence of an infectious disease that affects many people at the same time. If an epidemic escalates, it may become a pandemic.

3. Pandemic means a global outbreak of serious illness in people. A pandemic may be caused by a virus or other pathogen that most people have no natural immunity to and can easily be spread from person to person.

4. Self-isolation means the separation of a person who believes she has been exposed to a communicable disease, but is not yet symptomatic, from others who have not been exposed to prevent the possible spread of the communicable disease. Self-isolation may be voluntary or compelled by a federal, state, or local public health order.

5. Social distancing means a practice which is intended to stop or slow the spread of communicable diseases and is recommended by health-care officials. Under this practice, individuals avoid group settings, avoid mass gatherings, and stay approximately 6 feet away from others when possible.

6. Cloth face covering means a washable and reusable piece of cloth worn over the nose and

mouth and secured with ties around the head or loops over the ears. Cloth face coverings are a public safety measure intended to reduce the spread of the virus that causes COVID-19. The term includes face coverings made with a sewing machine, no-sew face coverings made of folded fabric and elastic loops, and handkerchiefs or bandanas tied around the back of the head. It does not include surgical masks or N95 respirators. According to the Centers for Disease Control and Prevention, cloth face coverings should not be worn by children under the age of 2, individuals who have trouble breathing, or individuals who cannot remove a face covering without assistance.

7. N95 respirator means a tight-fitting disposable mask worn over the nose and mouth that reduces exposure to large droplets and small particle aerosols, including the virus that causes COVID-19. N95 respirators are commonly used by medical professionals.

8. Surgical mask means a loose-fitting disposable mask intended to give the wearer protection against large droplets, splashes, or sprays of bodily fluids. It does not protect the wearer against airborne particles, but it may protect others from exposure to the virus that causes COVID-19. Although they can be purchased by the general public, surgical masks are most commonly worn by medical personnel.

9. Distance learning means generally the transmission of educational or instructional programming to geographically dispersed individuals and groups via telecommunications or a computer network.

10. Teleservices is a general term to describe services, including speech therapy services, school health services, and occupational therapy services, provided via telecommunications technology, including the Internet, when the provider and student are in different locations. It may also refer to consultation services provided via such technology when the provider and consulting staff member are in different locations. The term does not include audio-only telephone calls, email messages, or fax transmissions. ■

RESOLUTION

WHEREAS, Educational Service Unit Number 7 (“ESU 7”) anticipates that it may need to temporarily close its operations at some point for health and safety reasons; and,

WHEREAS, it is in the best interests of ESU 7 to pay ESU 7’s hourly, exempt and/or non-exempt employees while ESU 7 is temporarily closed for a variety of reasons, namely: to ensure that said ESU 7 employees do not leave employment during the temporary closure, to avoid the spread of any illness to other employees, for staff morale, to comply with its own and school district obligations under the federal CARES Act, and for other legitimate reasons.

NOW, THEREFORE, BE IT RESOLVED that, in the event of the temporary closure of ESU 7 or any of its member schools to which it provides services, and/or during a health department recommended self-quarantine when another negotiated agreement provision or contract leave isn’t applicable, the ESU 7 Administrator is hereby authorized to provide paid leave due to COVID-19 closure to ESU 7 hourly, exempt, and/or non-exempt employees in an amount that the ESU 7 Administrator deems fair and reasonable, but not to exceed such employee’s customary and regular pay, for up to eight (8) weeks during the self-quarantine/temporary closure.

If the ESU 7 operations continue to be closed after four (4) weeks, then the Board shall reconvene and determine what authority, if any, the ESU 7 Administrator has to continue paying ESU 7 hourly, exempt and/or non-exempt employees during the temporary self-quarantine/closure.
