Plainview Tech Fall of 2026- Students will graduate with an associate degree. We have split it up into 2 different phases. Our Partnership with SPC. We will have Community partners.

Work based Education is provided at no cost. Just like PCHS we do have a target population, first generation students. If you take just 1 class the stakes raise at 60% for students to finish college and get a degree.

We are competing against other cities and areas in the state that have expanded. This will help recruit businesses to Plainview. Developing that pipeline, and recruitment.

Dr. Sanchez- spoke on behalf
