April Board Report

1. Financial Report

It is hard to believe we are on the down hill side of the 2025-26 budget. Before long, it will be time to get busy building the 2026-27 budget. We are sitting well and I look forward to jumping into a new budget cycle!

2. Transportation, Buildings, and Grounds

Currently working on an HVAC issues in the kitchen/lobby area. I will update you on this more during the meeting. We are also in the process of finalizing the bids for the summer project with the drain line running under the elementary. These quotes will be provided during the meeting.

We also have had a great year with the rest of the building and will continue to plan items for the summer to improve our building.

3. Vacancy Update

We have two contracts on the agenda for your approval which include the Art position and the Math Position. I currently have two applicants for the title position that we will be interviewing for next week. We will need to have a discussion on possible addition and or absorbing positions.

4. Superintendent goals and development

I have completed my superintendent evaluation for the second time this year! Please let me know what else I can help you all with!

5. Professional Development

I will be bringing a list of PD opportunities for you all to see what we would like to complete!

Overall it has been a busy month for hiring and improving! I have spent a lot of time focusing on Rule 10 as we have that compliance visit this month as well as preparing for our 5 year visit in the fall. I have had the opportunity to go to a couple FKC meetings and also prepare my professional development on Lets Training for Administrators along with Mr. Franzen!

Thanks!
