V. Hearing of Visitors

A. Ellen Kuhl

Mrs. Kuhl introduced herself and shared a little about her early years in education and how the trends from that era seem to be returning. She has challenged her middle school students to read forty (40) books this school year. Her goal is to get students to want to read not make them read. So far this year, the sixth through eighth-grade students have read a total of 168 books, averaging 188 pages per book.

Mrs. Kuhl departed at 6:39 PM

VI. Old Business

A. Transportation

43

Mr. Gebhard shared a list of the vehicles that are currently in operation for the district. Bus #13 (tree damaged) was sold on Purple Wave. Bus #20 will reach its maximum length of service this May. With the loss of those two, he and Mr. Tharman will be watching for a suitable replacement.

B. Building Accessibility

44

Mr. Tharman shared HB 2567, which went through this past summer. This bill (more commonly called the Education Mega Bill) makes appropriations to KSDE, adjusts KSEEA, and amends various provisions of law related to K-12 education. Section fourteen (14) Part-time Enrollment requires school districts to allow students enrolled in a private school or homeschool to participate in part-time enrollment. Each board of education of a school district must adopt a policy to allow such students to enroll and attend any courses, programs, or services offered by the school district.

Mr. Tharman stated that he will be gathering information to aid in the board's creation of this requirement over the next several months.

C. BOE / Administration / Policy Evaluation

62

The board reviewed the evaluations that had been turned in. After a limited discussion, they suggested moving to an executive session. I recommend the board go into executive session to discuss non-elected personnel matters to protect the privacy interest of the individual to be discussed; retaining Mr. Gebhard and Mr. Tharman and returning to open session in this room at 7:27 PM. This motion, made by Laquita Smith and seconded by Christopher Rogers, Carried.

VIII. New Business

A. Window Screens 108

Mr. Gebhard shared the history of interest in purchasing printed screens for the main entrances and lower-level hallways. Mr. Tharman shared some of the safety and aesthetic values that could be attained with the installation. The company agreed to honor the bid price as much as possible if it was decided to stretch the project over a couple of years. The board requested Mr. Gebhard to find out the durability, expected life, and possibly get some samples for them to look at.

B. Cheer Constitution 109

Mr. Tharman shared with the board the proposed cheer constitution for next year.

C. Committee Meetings 118

Mr. Tharman updated the board on the recent Wellness Committee and Site Council meetings. The Wellness Committee has several new members, and they each shared ideas they plan to put in place next semester to help promote nutrition and exercise across the district. Several members of the group are collaborating and using cross-curricular activities. The next meeting is scheduled for February 11th at 3:00 PM in the HS conference room.

The Site Council is looking for new members (parents and business owners in both Almena and Long Island). Several names were brought up as possibilities, and members will be reaching out to those. The Wall of Fame was brought up as a topic of interest. There was a suggestion proposed to one of the committee members on a change in the requirements. This will continue to be looked at. The district will also be sending out surveys to the community to gather insight into the Title program. The next meeting was scheduled for January 12th @ 5:30 PM in the HS math room.

IX. Administrative Reports

A. Superintendent / 9-12 Principal Report 120

Mr. Tharman shared the following: NCKSEC open house Friday (12th) Lots of basketball now that we are in full swing/ tournament the rest of this week / Monday (15th) - Scholars Bowl in Norton / Tuesday (16th) - Pep Rally at 3:30 PM & Home HS BB / Friday (19th) full day of school & Away HS BB / Saturday (20th) away HS BB / Christmas Break / Jesse Zimmerman floor crew to do GS Boys & Girls bathroom as well as MS Girls locker room / Results of vote for board positions / Kansas Communities That Care (KCTC) November 18th / The last item was to share a request for use of school for graduation party. V. Hearing of Visitors

A. Suzi Brooks

Mrs. Brooks reported that the school year is going well.

B. Angie Knuth

Mrs. Knuth and Mrs. Brooks shared a story about recent wildlife encounters.

Mrs. Knuth shared a story about Gavin Thalheim and Owen Hammond putting on a puppet show for her class helping to teach about student voice volumes.

VI. Old Business

A. Transportation

Mrs. Brooks and Mrs. Knuth left at this time. Mr. Tharman reported that suburban #6 had a windshield replaced. Bus #13 (one with tree limb damage) is currently on Purple Wave. Bus #1 still waiting to have the AC looked at. No other concerns at this time.

B. Building Accessibility

Mr. Tharman shared that this is a continuing conversation. As we get closer to the end of the school year, we would like to have a plan in place that takes into account the probable arrival of new students with mobility issues. In order to accommodate them, we need to arrange our classrooms in the most beneficial way. Keeping those conversations going will help to eliminate any unnecessary exaggerations when the time for a decision arrives. Mr. Tharman encouraged the board to continue sharing about this topic as well as brainstorming possible scenarios.

C. Jason Flatt Act Compliance Update

Mr. Tharman shared a document that he would like to post on the school website to show compliance with the Jason Flatt Act. I recommend the board approve the Letter and posting of information on the website to show compliance with the Jason Flatt Act. This motion, made by Shanna Hammond and seconded by Brandi Keith, Carried.

VIII. New Business

A. School Credit Card

Mr. Tharman shared information concerning the credit card being compromised and the process to get a new one reissued. Amber reached out to other districts across the state to gather information on credit card use.

B. May School Board Meeting

Due to many events and activities at the end of the year, finding a suitable date for the HS Awards Banquet is a challenge. Mr. Tharman shared with the board a possible fix, which would be using the Board meeting night for the banquet and an alternate date for the meeting. I recommend the board move the May board meeting to Wednesday, May 13th @ 6:30 PM. This motion, made by Laquita Smith and seconded by Brandi Keith, Carried.

Senate Sub. for House Bill 2567

Makes appropriations for the Kansas Department of Education (KSDE) for FY2022, FY2023 and FY2024, makes adjustments to KSEEA and amends various provisions of law related to K-12 Education.

New Sections 1-4 and Sections 28-33 of the bill will be in effect upon publication in the Kansas Register; sections 6, 8, 9, 13, 15-18, and 35-38 will be in effect beginning July 1, 2023; and sections 5, 7, 10-12, 14, 19-27, and 34 will be in effect beginning July 1, 2022.

The bill:

- Makes appropriations for the KSDE for FY 2022, FY 2023, and FY 2024 (Sections 1-4);
- Establishes the Every Child Can Read Act (New Sections 5 and 6);
- Authorizes boards of education of school districts to allow students enrolled in grades 6 through 12 to earn course credits through alternative educational opportunities (New Section 7);
- Establishes a transfer system for nonresident students between unified school districts based upon the student capacity of each unified school district (Sections 8, 9, 13, and 15-18);
- Amends the Johnson County Research Triangle Authority Act (Section 10);
- Amends reporting requirements for the Kansas State High School Activities Association (KSHSAA) (Section 11);
- Requires local school boards to annually review state academic assessments and utilize such assessments and the school district's building needs assessment when reviewing and approving the school district's budget (Section 12);
- Amends the compulsory school attendance statute to consider students enrolled in a combination of public and private school during the required periods of time as compliant with compulsory attendance requirements (Section 14);
- Amends the Virtual School Act to prohibit any virtual school from offering or providing any financial incentive for a student to enroll in a virtual school (Section 19);
- Amends the Virtual School Act to require that a virtual school's graduation rate shall include only those students who enrolled in a virtual school with sufficient credits to be expected to graduate in the same school year as such student's cohort group (Section 19);
- Amends the virtual school finance system to provide funding on a per-course basis for a student who is 19 years of age and younger and has dropped out (Section 20);
- Amends the Tax Credit for Low Income Students Scholarship Program (Section 21);
- Amends the calculation of local foundation aid within the KSEEA by removing federal impact aid from the formula and amends the calculation of capital improvement state aid (Section 22 and 23);

Sub. for HB 2567 (continued)*Education Mega Bill*

- Amends the school and school district accountability reports law and requires KSDE to prepare and submit to the Governor and the Legislature a summary report regarding student achievement (Section 24);
- Establishes the Capital Improvement State Aid Fund and identifies transfers as revenue transfers from the State General Fund (SGF) (Sections 25 and 26);
- Amends the Kansas Promise Scholarship Act (Sections 28-33);
- Amends parental notification and consent requirements regarding nonacademic tests, questionnaires, surveys, or examinations regarding a student's personal and private attitudes, values, beliefs, or practices (Section 27); and
- Establishes educational benefits for dependents or spouses of certain first responders and military personnel (Section 34).

Appropriations for FY 2022, FY 2023, and FY 2024 (New Sections 1-3)*FY 2022 (New Section 1)*

The bill appropriates the following from the SGF in FY 2022 for KSDE:

- \$178,986 for the Education Superhighway; and
- \$10.3 million for Supplemental State Aid.

The bill modifies the SGF appropriation, in FY 2022, for KSDE. The bill lapses the following moneys appropriated from the SGF in FY 2022:

- \$25,749 for operating expenditures;
- \$7.8 million for the Kansas Public Employees Retirement System (KPERS) non-Unified School Districts (USDs);
- \$24.0 million for the KPERS-USDs; and
- \$58.6 million for State Foundation Aid in FY 2022.

FY 2023 (New Sections 2 and 3)

The bill appropriates \$6.4 billion, including \$4.2 billion SGF, for FY 2023 for KSDE. This includes \$5.3 billion, including \$4.2 billion SGF, for the major categories of school finance, KPERS-USDs, and KPERS-non-USDs. Appropriations from the SGF include the following:

- \$14.2 million for operating expenditures;
- \$157.3 million for State Foundation Aid;
- \$54.0 million for Supplemental State Aid;
- \$80,000 for Center for READing;
- \$37.7 million for KPERS-non-USDs;
- \$520.8 million for KPERS-USDs;
- \$2.8 million for the ACT and WorkKeys Assessments Program;
- \$10.5 million for the Mental Health Intervention Team Pilot Program;
- \$300,000 for the Juvenile Transitional Crisis Center Pilot;
- \$67,700 for Education Commission of the States dues;

Sub. for HB 2567 (continued)

Education Mega Bill

FY 2023 (New Sections 2 and 3) continued:

- \$10,000 for the School Safety Hotline;
- \$5.1 million for School District Juvenile Detention Facilities and Flint Hills Job Corps Center Grants;
- \$2.5 million for School Food Assistance;
- \$1.3 million for the Mentor Teacher Program;
- \$110,000 for Educable Deaf-blind and Severely Handicapped Children's Programs Aid;
- \$520.4 million for Special Education Services Aid;
- \$360,693 for Governor's Teaching Excellence Scholarships and Awards;
- \$1.8 million for Professional Development State Aid;
- \$4.0 million for a virtual math program (SGF moneys would lapse if American Rescue Plan Act [ARPA] funds are available);
- \$1.0 million for Computer Science Education Advancement Grants;
- \$40,000 for the Computer Technical Education Pilot;
- \$1.5 million for Career and Technical Education Transportation; and
- \$4.0 million for School Safety and Security Grants.

The bill also appropriates \$1.0 million from federal ARPA funds through the Office of the Governor for School Safety and Security Grants for FY 2023. The bill allows school districts to expend school safety and security grants for salaries and wages related to newly created school resource officer positions in addition to existing allowable purposes.

The bill also appropriates funding from several no-limit special revenue funds, including federal funds, and fee funds. The bill appropriates the following from the **Children's Initiatives Fund (CIF)**:

- \$375,000 for the Children's Cabinet Accountability Fund;
- \$20.7 million for CIF grants;
- \$8.4 million for the Parent Education Program, also known as Parents as Teachers;
- \$4.2 million for the Pre-K Pilot Program;
- \$1.4 million for Early Childhood Infrastructure; and
- \$500,000 for the Dolly Parton Imagination Library.

The bill provides for the following transfers:

- \$50,000 on July 1, 2022, or as soon as moneys are available, from the Family and Children Trust Account of the Family and Children Investment Fund of the KSDE to the Communities in Schools Program Fund of the KSDE;
- \$550,000 on March 30, 2023, and \$550,000 on June 30, 2023, from the State Safety Fund to the SGF to reimburse costs associated with services provided by other state agencies on behalf of KSDE;
- \$73,750, quarterly, from the State Highway Fund of the Department of Transportation to the School Bus Safety Fund of KSDE;
- An amount certified by the Commissioner of Education from the Motorcycle Safety Fund of the KSDE to the Motorcycle Safety Fund of the State Board of Regents, to cover costs of driver's license programs conducted by community colleges; and

Sub. for HB 2567 (continued)

Education Mega Bill

The bill provides for the following transfers: (continued)

- \$70,000 from the Universal Service Administrative Company E-rate program federal fund of the State Board of Regents to the Education Technology Coordinator Fund of KSDE.

The bill appropriates \$260,535 from the Kansas Endowment for Youth Fund for the Children's Cabinet administration.

The bill also authorizes the Commissioner of Education to transfer any part of an SGF appropriation for KSDE to another SGF appropriation in KSDE for FY 2023.

The bill appropriates \$41.4 million from the Expanded Lottery Act Revenues Fund for KPERS-non-USDs.

The bill appropriates \$4.0 million from federal ARPA funds in FY 2023 through the Office of the Governor for KSDE to **implement a virtual math program** to be made available to all school districts. The bill specifies that KSDE is required to recommend use of the virtual math program to all school districts. The bill also states that if ARPA funds are not available, the virtual math program will be funded with SGF moneys.

The bill requires the virtual math program to be customized to Kansas curriculum standards, be evidence-based, not impose any fee upon students, provide tutoring in multiple languages, provide professional development for the implementation of the program, and have been implemented in other states over the previous eight fiscal years.

All districts implementing a virtual math program are required to track and report to KSDE twice during school year 2022-2023, as determined by KSDE, the number of attendance centers and students using a virtual math program, the number of students not using a virtual math program, the number of teachers participating in professional development provided by a virtual math program, and the effect of the program on student academic proficiency. KSDE is required to submit a summary report to the House Committee on K-12 Education Budget and the Senate Committee on Education including a list of school districts and attendance centers that are using a virtual math program, a list of school districts and attendance centers not using a virtual math program, and a comparison between low-usage and high-usage school districts and attendance centers.

The bill also **increases virtual state aid** from \$5,000 per full-time pupil to **\$5,600** per full-time pupil and increases virtual state aid from \$1,700 per part-time pupil to **\$2,800** per part-time pupil, beginning in FY 2023.

FY 2024 (New Section 4)

For FY 2024, the bill appropriates from the SGF \$2.6 billion for State Foundation Aid and \$568.2 million for Supplemental State Aid. The bill also authorizes expenditures from the State School District Finance Fund and the Mineral Production Education Fund. The bill appropriates \$2.0 million SGF for FY 2024 for the **virtual math program**.

Every Child Can Read Act (New Sections 5 and 6)

Purpose (New Section 5)

The bill provides a legislative statement of intent regarding the promotion of academic achievement in schools.

Sub. for HB 2567 (continued)*Education Mega Bill**Every Child Can Read Act (New Section 6)*

The bill enacts the Every Child Can Read Act to promote third-grade literacy initiatives. This section requires the board of education of each school district to provide opportunities for students to participate in targeted educational interventions. The bill requires literacy to be attained through the Science of Reading, evidence-based reading instruction, and necessary competencies to attain proficiency. Schools are required to follow and use the framework of KSDE's Dyslexia Handbook.

Each school district must ensure that the competencies are achieved through literacy instruction in:

- Phonics;
- Vocabulary development;
- Reading fluency; and
- Reading comprehension.

The bill requires each school district to measure student achievement through state assessments and through other universal screening and assessment tools that are approved by the local board of education, or by KSDE. School districts must provide targeted and tiered interventions designed to match a student's individual needs through additional contact hours with the student, which may include additional one-on-one instruction, small group instruction, tutoring, or summer school.

Additionally, school districts must ensure that each third-grade teacher communicates with the parents of each third-grade student at least once each semester regarding the student's individual deficiencies and any recommended interventions for such student. Such teacher- to-parent communication must provide the parent with:

- A summary of the Every Child Can Read Act and the goals of the Act;
- The student's assessment data that pertains to literacy;
- Recommended interventions for the student; and
- How the school district tracks outcomes of those interventions.

The bill also requires each school district to annually report on or before June 30 information regarding the school district's implementation of the Every Child Can Read Act to KSDE including:

- The school district's interventions and outcomes of such interventions;
- The number of third-grade students in the district;
- The screening and assessment data that the district is using to evaluate student progress in literacy; and
- The percentage of all students and student subgroups who are proficient, moving towards proficiency, or deficient.

The bill requires KSDE to annually submit a summary of such reports to the Governor and Legislature.

Alternative Educational Opportunities (New Section 7)

The bill authorizes school district boards of education to adopt policies to allow students enrolled in grades 6 through 12 to earn course credits through alternative educational opportunities with sponsoring entities. The bill defines the following terms:

- "Alternative educational opportunity" means the instruction that primarily occurs outside the classroom with a sponsoring entity; and

Sub. for HB 2567 (continued)

Education Mega Bill

Alternative Educational Opportunities (New Section 7) (continued)

- "Sponsoring entity" means a business, not-for-profit organization, nonprofit organization, trade association, parent of a student, teacher, or administrator that partners with a school district to provide an alternative educational opportunity to students.

Alternative Education Policy

The bill requires a school district's policy to establish the following:

- Eligibility requirements for sponsoring entities;
- Requirements for the provision of alternative educational opportunities by sponsoring entities;
- Procedures for a sponsoring entity to submit a proposal to the school district to provide an additional educational opportunity to students;
- Criteria the school district will use to evaluate proposals; and
- Course credit that may be earned through the alternative educational opportunity.

Alternative Education Proposals

- The bill authorizes a school district to accept a proposal from a sponsoring entity if the alternative education opportunity:
- Provides an additional learning opportunity through a work-based, pre-apprenticeship, apprenticeship, internship, industry certification, or community program; and
- Is approved by the State Board of Education (State Board) as an alternative educational opportunity; or
- Complies with the school district policies adopted pursuant to the program; and
- Is managed and directed by a licensed teacher employed by the school district.

State Board of Education

The bill allows a sponsoring entity to petition the State Board to approve an alternative education opportunity that is provided through such sponsoring entity if such alternative education opportunity provided through such sponsoring entity is generally applicable on a statewide or regional basis across multiple school districts. The State Board is required to approve or deny each petition proposing an alternative educational opportunity within 90 days of receipt of such proposal.

If the State Board denies the proposal, it must provide the sponsoring entity with the reasons for such denial. If the State Board approves such proposal, any school district is permitted to implement the alternative education opportunity. The State Board may revoke any such approved proposal if it determines that the sponsoring entity fails to comply with the requirements of the program.

Reporting Requirement

The bill requires school districts to report information to KSDE on the alternative educational opportunities that are authorized in the school district, the names of the sponsoring entities, the number of students participating, and the number of credits earned.

Sub. for HB 2567 (continued)

Education Mega Bill

*Open Enrollment (New Sections 8-9, Section 13, and Sections 15-18)**Definitions*

The bill defines various terms including, but not limited to, "homeless child," "nonresident student," "receiving school district," and "sending school district."

Transfer Policy

The bill requires each board of education (board) of a school district (district) to adopt a policy to determine the capacity of the district to accept nonresident students in each grade level on or before January 1, 2024.

The bill requires the policies to be consistent with the provisions of the bill and clearly specify reasons for the denial of continued enrollment by a nonresident student. Such reasons for denial could include, but are not limited to, elements such as a nonresident student's history of school absenteeism, suspensions, or expulsions.

Prior to adopting such policy, the board must hold a hearing. The board must provide notice of the hearing, to include the time, date, and place of the public hearing to be held on the proposed policy. The bill requires the notice to be published at least once each week for two consecutive weeks in a newspaper of general circulation in the school district and posted on the school district's website. A representative of the board must present the board's proposal for the policy at the hearing, and the board must hear testimony regarding the proposed policy. After consideration of the testimony and evidence presented or submitted at such public hearing, the board will determine whether to adopt the policy or revise the proposed policy at a subsequent public meeting of the board.

The bill requires policies adopted by the board pursuant to this bill to be published on the district's website.

Public School Eligibility

The bill amends law regarding where students may attend public school by no longer requiring a student's resident school district to have an agreement with the nonresident school district where the student wishes to attend.

Open Enrollment Procedure

The bill authorizes, beginning in the 2024-2025 school year, any student eligible to attend a public school within the state to attend a school within a district regardless of whether the student is a resident of the district, if the nonresident district has open capacity.

Capacity

The bill requires capacity to be determined as the classroom student-teacher ratio in each grade for grades kindergarten through 8 and the student-teacher ratio for each school building or program in each school building for grades 9 through 12.

On or before May 1 of each year, each local board must determine the following for each grade level in each school building within the district:

- Capacity of the district;
- Number of students expected to attend school in the district; and
- Number of open seats available for nonresident students.

Sub. for HB 2567 (continued)*Education Mega Bill**Open Enrollment (continued)*

The bill requires the number of **open seats available for nonresident students** to be published on the district's website by June 1 of each year for each grade level at each school building.

Transfer Application Process

The bill allows students to submit applications to nonresident school districts **between June 1 and June 30** each year for the fall semester.

If the number of applications to a district is equal to or less than the available capacity for a grade level in a district, all applicants must be accepted for enrollment within the district. If the number of applications exceeds the capacity for a grade level within the district, the district will randomly select nonresident students via a lottery process on or before July 15 of each year.

Student Denial

The bill requires any district denying the continued enrollment of a nonresident student or denying the acceptance of a new nonresident student to notify the student's parent or guardian of the reason for denial. **Reasons for such denial** can include, but are not limited to, elements such as a nonresident student's history of school absenteeism, suspensions, or expulsions.

[Note: Students can be denied acceptance to a nonresident district only if there is no capacity or they were not selected during the lottery process.] K.S.A. 72-6120 allows school districts to honor current student suspensions and expulsions.

Nonresident Enrollment Priority and Exceptions

The bill provides priority enrollment to the siblings of an accepted, nonresident student during the initial acceptance or at any other time the district considers applications. Siblings are not subject to the open seat lottery.

The bill allows any student in the custody of the Department for Children and Families (DCF) living in the home of a nonresident student to attend school in the receiving district.

Prohibitions

The bill prohibits districts from charging tuition or fees to nonresident students except for fees otherwise charged to every student enrolled and attending in the district. Districts are also prohibited from admitting or denying students based upon the following criteria:

- Ethnicity;
- National origin;
- Gender;
- Income level;
- Disabling condition;
- Proficiency in the English language;
- Measure of achievement;
- Aptitude; or
- Athletic ability.

Sub. for HB 2567 (continued)*Education Mega Bill**Open Enrollment (continued)**Continued Enrollment*

The bill states that any nonresident student who has been accepted for enrollment and attendance at a receiving district could continue at the district until the student graduates from high school or is no longer in good standing based upon the nonresident transfer policy of the district.

The bill reaffirms that students may enroll at any time in the district in which the student resides.

Transportation

The bill does not require a district to provide transportation to nonresident students; however, if space is available on district transportation vehicles, a district can provide nonresident students with a bus stop within the district where transportation can be provided to and from school for nonresident students. Any district may choose to transport any nonresident student, **beginning July 1, 2023**.

Kansas State High School Activities Association

The bill states that nonresident students who transfer would be subject to policies and requirements of the KSHSAA.

Reporting

The bill requires boards to submit the number of nonresident student transfers approved and denied, and the reason for the denials, to KSDE. Such numbers will be compiled by KSDE and will be reported on the KSDE website and provided to the Legislative Division of Post Audit (LPA).

The bill requires KSDE to audit a district's nonresident student capacity and enrollment during a district's annual enrollment audit.

In calendar year 2027, the bill requires the Legislative Post Audit Committee to direct LPA to conduct an audit of nonresident student transfers. The bill requires the audit to be presented to the Legislative Post Audit Committee on or before January 15, 2028, and then presented to the House Committee on K-12 Education Budget and the Senate Committee on Education.

The bill also clarifies **open enrollment will not apply to school districts on military bases.**

[Note: This provision currently applies only to USD 207, Fort Leavenworth.]

The bill also makes corresponding changes to other sections of law.

Johnson County Research Triangle (Section 10)

The bill authorizes use of funds remitted to the Johnson County Research Triangle to be used for other undergraduate and graduate programs at the Johnson County location of Kansas State University that have been both approved by the Johnson County Research Triangle Authority Board of Directors and do not include either pre-baccalaureate programs or lower-division courses for high school students.

Kansas State High School Activities Association Reporting (Section 11)

The bill makes KSHSAA board members, officers, and employees mandatory reporters of child abuse or neglect.

Sub. for HB 2567 (continued)

*Education Mega Bill****Using Needs Assessment in Budget Process (Section 12)***

The bill requires local school boards to annually **review state academic assessments** and utilize such assessments and the school district's building needs assessment when reviewing and approving the school district's budget.

The bill requires a local school board to **utilize the district's building needs assessment** during approval of the school district budget. The bill requires school boards to include in their minutes during approval of the budget that the board received the district's needs assessment, how the board evaluated said assessment, and how said assessment was utilized in the district's budget.

The bill requires a school board to **conduct an annual review** of state assessment results for its district and that the review document the following findings:

- **Barriers** that must be **overcome** for all students to **achieve above level 2** proficiency on state assessments;
- **Budget actions** that should be taken to address and **remove barriers**; and
- The **amount of time** the board estimates it will take for **all students to achieve above level 2** on state assessments if budget actions are implemented.

Each school district must ensure all building needs assessment and state assessment documentation is **available on the district's website and in the administrative office of the school district**.

Part-time Enrollment (Section 14)

The bill amends the compulsory school attendance statute to consider students enrolled in a combination of public and private school during the required periods of time as compliant with compulsory attendance requirements. The bill also makes changes regarding when a student 16 to 17 years of age may be exempt from compulsory attendance:

- Clarifying that, following a final counseling session with the school, the student's parent or person acting as parent can provide written consent to allow exemption; and
- Including an exemption for a child subject to a court order that allows or requires the child be exempt from compulsory attendance.

The bill also requires school districts to allow for the part-time enrollment of students who are also enrolled in a private school or home school. Each **board of education** of a school district **must adopt a policy** to allow such students to enroll and attend any courses, programs, or services offered by the school district.

If school districts receive specific scheduling requests from part-time enrolled students, the bill requires the school district to make a good faith attempt to accommodate such requests, but the bill would not require such school district to accommodate all requests.

Sub. for HB 2567 (continued)

Education Mega Bill

Virtual School Graduation Rates and Virtual School Financial Incentives (Section 19)*Virtual School Graduation Rates*

The bill amends the Virtual School Act to require a virtual school's graduation rate to include only those students who enrolled in a virtual school with sufficient credits to be expected to graduate in the same school year as such student's cohort group. The bill requires that this graduation rate calculation be done only at the state level for accreditation purposes.

Virtual School Financial Incentives

The bill amends the Virtual School Act to **prohibit any virtual school from offering or providing any financial incentive** for a student to enroll in a virtual school. A financial incentive is defined as any monetary payment or award that is intended to encourage, entice, or motivate a student to enroll in a virtual school.

Virtual Diploma Completion (Section 20)*Virtual Diploma Completion*

- The bill amends the virtual school finance system to provide funding on a per-course basis for a student who is 19 years of age or younger and:
- Has a ratio of earned credits to expected credits for their cohort year of less than 75.0 percent when enrolling in a virtual school;
- Has done one of the following:
 - Dropped out of high school such that the student has not attended any school of a school district for 60 consecutive days or more during the current school year and the student is not reasonably anticipated to recommence enrollment or attendance at any school or school district during the current school year;
 - Dropped out of high school such that the student has not attended any school of a school district for 60 consecutive days or more during the preceding school year, and the student did not finish such preceding school year, and the student is not reasonably anticipated to recommence enrollment or attendance at any school of a school district during the current school year; or
 - Been exempted from compulsory student attendance by written consent of the parent pursuant to K.S.A. 72-3120; and
- Has not been counted in the enrollment of a virtual school as a full-time or part-time virtual student during the school year in which such student enrolls as a dropout diploma completion virtual student.

The bill authorizes virtual schools to receive \$709 per passed course with a maximum for six courses per year, per eligible student.

Tax Credit for Low Income Students Scholarship Program (Section 21)

The bill amends the Tax Credit for Low Income Students Scholarship Program Act to include children seven years of age or under in the definition of "eligible student."

Sub. for HB 2567 (continued)

*Education Mega Bill****Federal Impact Aid and Capital Improvement State Aid (Sections 22 and 23)***

The bill amends the calculation of a unified school district's local foundation aid by removing the requirement that 70.0 percent of a school district's federal impact aid be included in the calculation.

[Note: Federal impact aid is provided to school districts that have lost property tax revenue due to the presence of tax-exempt federal property or serve large numbers of federally connected students.]

The bill extends the statutory cap on the aggregate amount of school district general obligation bonds the State Board may approve to June 30, 2027.

School districts that are not eligible to receive capital improvement state aid or that have opted out of receiving such aid are exempt from the general obligation bond cap.

For all general obligation bonds approved at elections held on or after July 1, 2022, the bill **removes Unified School District 207, Fort Leavenworth**, from the determination of the school district with the lowest assessed value per pupil (AVPP), and the **capital state aid computation** would begin at 51.0 percent.

The bill also **excludes all students enrolled in a virtual school** within a school district from the determination of that district's assessed valuation per pupil (AVPP).

Student Achievement Summary Report (Section 24)

The bill amends school and school district accountability reports law to require KSDE to prepare and submit to the Governor and the Legislature a summary report regarding student achievement. Such report must provide:

- A statewide summary of the performance accountability reports and longitudinal achievement reports that are prepared by KSDE, which include:
 - Achievement results from English language arts (ELA) and math assessments over the preceding five years for all students and student subgroups to show whether there are statewide trends in academic achievement or learning loss;
 - A comparison to any other evaluation metric used by the State Board, such as college and career readiness or graduation rates;
 - A comparison to other educational assessments such as the National Assessment of Educational Progress (NAEP);
 - An analysis of trends in student achievement outcomes and a review of conditions that are impacting educational outcomes;
 - A review of the academic interventions that school districts are using to improve student performance, whether the State Board has any recommendations regarding interventions, and the estimated achievement gains of such interventions; and
 - A summary of performance levels and the scale and cut scores for the statewide assessments; and

Education Mega Bill

Student Achievement Summary Report (continued)

- A student-focused longitudinal achievement report that provides information on achievement gains or losses for certain student cohort groups. Such report must begin with all students entering the third grade and the students entering eighth grade in school year 2022-2023 and summarize the longitudinal achievement of such students over a three-year period. KSDE must repeat such report every three years for such grade levels. Each longitudinal report must include:
 - A summary of the improvement or learning loss occurring within such cohorts;
 - An analysis of evaluations and metrics used to measure the year-over-year achievement of such student cohorts;
 - A review of the academic interventions that school districts use to improve student performance, whether the State Board has any recommendations regarding interventions, and the estimated achievement gains of such interventions; and
 - The achievement results from the ELA and math assessments and any other assessment data, such as the NAEP, ACT, and pre-ACT for such student cohort groups.

Administration of Nonacademic Surveys (Section 27)

The bill adds requirements for the **administration of nonacademic surveys**, including tests, questionnaires, and examinations in schools. The bill applies such requirements to any survey administered during the school day that contains questions about the personal and private attitudes, values, beliefs, or practices of the student or any of the student's family, friends, or peers. The bill requires the school to provide written notification prior to the administration of any such survey to the parent or guardian no more than four months in advance of the administration of the survey. The bill requires the **written parental notification** to include the following information:

- A copy of the survey;
- Information on how the parent can provide written consent for the student to participate;
- The name of the company or entity that produces or provides the survey; and
- Whether the school will receive or maintain the resulting data and how the school will use such data.

The bill provides that a parent's written consent can only be accepted by a school after the parent receives the required notification and has had an opportunity to review the information in such notification. A **separate notification is required for each survey**, and the parent's written consent is required upon each notification for a student to participate. If a parent provides written consent, the bill requires a student to be informed the **student has the right to refuse** to take such survey and not suffer any adverse consequences for the decision.

The bill requires each school to **post and maintain copies of each survey** that is administered in the school district. The bill requires copies to be posted on the school district website and updated as necessary. The bill also provides that no such survey shall be incorporated or embedded in any academic program, course, or curriculum offered or provided by a school district.

The bill **prohibits** the collection of any personally identifiable student data on any such survey.

Sub. for HB 2567 (continued)

Education Mega Bill

Suicide Risk Assessments and Screening Tools

The bill allows designated school personnel (school personnel), if they become aware of a credible report of a student suicide risk, to **administer a suicide risk assessment** or screening tool to determine whether the student could be at risk for suicide. Such school personnel include, but are not limited to, any administrator, teacher, counselor, social worker, psychologist, or nurse.

Prior to the administration of the risk assessment or screening tool, the school personnel must verbally notify the parent or guardian. If the school personnel are not able to reach the parent or guardian and obtain consent after reasonable attempts to do so, the risk assessment or screening tool can be administered. If the risk assessment or screening tool was administered without the parent or guardian's consent, school personnel must notify the parent as soon as contact can be made that the risk assessment or screening tool was administered and provide the parent or guardian with all information obtained from the risk assessment or screening tool.

The last sections of HB 2567 pertain to **postsecondary education**:

- *Promise Scholarships* (Sections 28-33)
- *Kansas Hero's Scholarship Act* (Section 34)

Hmmmm?!?! I don't know if that was ever discussed, but as it stands now the district doesn't have to provide any dollars to the homeschool if they are a part-time student for the district.

Okay follow up question....

There was talk at one time for that the school would receive the funding ... but had to pay the family their portion for the home schooling. Is that a thing or was it never approved?

Thanks again.

Hey Ken, good to hear from you. Answers in **red** below.

There has been some talk among a couple of families to do homeschooling ... but at the same time they want to have their kiddos participate in some school activities / classes.

For Example our 8 - 4 school day have a HS and a GS student they want them to participate in PE, Band/Vocal, and Math classes Add in Carpentry for the HS student. **Add in KSHSAA activities too!**

Meaning they would be a part-time student correct? **Yes.... and we have to allow it ... correct? this part time enrollment opportunity is required by statute. HB2567 from a couple years ago.**

If so do we received any funding for those kiddos? **Yes, you can receive funding for them.**
How does that all work? **The students are required to meet the Sep 20th count criteria like any other student. Then a percentage FTE is calculated. More info can be found in the [Enrollment Handbook](#) and visiting with your KSDE auditor when they audit your district numbers**

Info from our [2022 Legislative Summary](#) guidelines

Part-time Enrollment (Section 14)

The bill amends the compulsory school attendance statute to consider students enrolled in a combination of public and private school during the required periods of time as compliant with compulsory attendance requirements. The bill also makes changes regarding when a student 16 to 17 years of age may be exempt from compulsory attendance:

- Clarifying that, following a final counseling session with the school, the student's parent or person acting as parent can provide written consent to allow exemption; and
- Including an exemption for a child subject to a court order that allows or requires the child be exempt from compulsory attendance.

The bill also requires school districts to allow for the **part-time** enrollment of students who are also enrolled in a private school or home school. Each **board of education** of a school district **must adopt a policy** to allow such students to enroll and attend any courses, programs, or services offered by the school district.

If school districts receive specific scheduling requests from **part-time** enrolled students, the bill requires the school district to make a good faith attempt to accommodate such requests, but the bill would not require such school district to accommodate all requests.

Info from our [2023 Legislative Summary](#) guidelines

Nonpublic School Students Participation in KSHSAA Activities

The bill allows any nonpublic school student to participate in any activities offered by a school district that are regulated, supervised, promoted, and developed by KSHSAA, as long as the student:

- Is a resident of the school district;
- Is enrolled and attending a nonpublic elementary or secondary school;
- Complies with the requirements of KSA 72-6262 and amendments thereto (health-related requirements); and
- Pays any fees required by the school district for participation in such activity.

The school district board of education could require a nonpublic school student who participates in an activity to enroll or complete a particular course as a condition of participation, if such requirement is imposed upon all other students who participate in such activity. Under the bill, KSHSAA could not prohibit any such student from participating in any activity available to such student as part of the student's primary enrollment and attendance at a nonpublic school. [Note: The provisions pertaining to nonpublic school student participation take effect on July 1, 2023.]

Hope this is helpful.

Have a good day and BE GREAT!

USD 212 Bullying Plan

Bullying means: Any intentional gesture or any intentional written, verbal, electronic, or physical act or threat either by any student, staff member, or parent towards a student or by any student, staff member or parent towards a staff member that is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment that a reasonable person, under the circumstances, knows or should know will have the effect of:

- Harming a student or staff member, whether physically or mentally;
- Damaging a student's or staff member's property;
- Placing a student or staff member in reasonable fear of harm; or
- Placing a student or staff member in reasonable fear of damage to the student's or staff member's property.

Bullying also includes cyberbullying. "Cyberbullying" means bullying by use of any electronic communication device through means including, but not limited to, e-mail, instant messaging, text messages, blogs, mobile phones, pagers, on-line games, and websites.

Additionally, bullying means any form of intimidation or harassment prohibited by the board of education of the school district in policies concerning bullying adopted pursuant to K.S.A. 72-6147 or subsection (e) of K.S.A. 72-1138, and amendments thereto. USD 212 will not tolerate these actions by students, staff, or parents.

For the purposes of this plan and its authorizing policies, "parent" includes a biological, adoptive, or step-parent; guardian; custodian; or other person with authority to act on behalf of a student.

Similarly, a "staff member" means any person employed by the district.

Any act of bullying by either an individual student or group of students towards a student or staff member of the district is prohibited on or while utilizing school property, in a school vehicle, or at school-sponsored activities, programs, and events. This policy applies to students who directly engage in an act of bullying, to students who, by their behavior, support another student's act of bullying, and to all staff members and parents who engage in similar behaviors.

Training concerning identifying, reporting, investigating, and preventing bullying behaviors as outlined in district policies and this plan shall be provided to students and staff members using resources available for such purpose and shall be provided through school assemblies, staff development, or other appropriate forums at least annually.

USD 212 focuses on bullying prevention by:

1. Developing a bullying prevention program based on the KSDE Bullying Prevention Resource Toolkit including addressing bullying, building adult capacity to change climate and culture, curriculum and instructional resources, and measuring social -emotional learning;
2. Using the Kansas State Department of Education's Social - Emotional and Character Development Standards to address school bullying and student mental health;
3. Implementing a social- emotional learning curriculum that includes an anti-bullying family engagement component;
4. Providing students and families with information and resources annually on bullying, cyberbullying, digital citizenship and how to make smart choices on-line;
5. Providing students and families with the district's student behavior expectations relating to bullying and explanations for incidences that do not meet the legal definition of bullying;
6. Tracking incidences of bullying including physical, cyber, verbal, and relational bullying and reporting this information to the Kansas State Board of Education;
7. Collecting data on bullying incidences from social emotional data sources and annually reviewing this information with the board of education;
8. Developing cultural awareness and understanding that certain demographic groups are disproportionately bullied at a higher rate than peers based upon sex, disability, socio-economic status, religious beliefs, gender identity and expression, sexual-orientation, and race/ethnicity (including migrant populations);
9. Requiring all school employees to complete a yearly bullying prevention, identification, reporting and training module (Infanitec on-line).

The board or the district administration on behalf of the board may seek student, staff, parent, and/or community input on the adoption, revision, and/or implementation of the board's bullying policies or plan as directed or approved by the board.

No teacher, administrator, or school district employee shall engage in, permit, or tolerate bullying.

Retaliation against a victim, good faith reporter, or a witness to bullying is prohibited. A student or staff member who engages in an act of bullying, reprisal, retaliation, or false reporting of bullying, shall be

subject to discipline in accordance with school district policy and procedures. The school administration and/or board may consider the following factors when determining an appropriate disciplinary action for such prohibited conduct: the ages of the parties involved; the developmental and maturity levels, special education needs of the parties involved, and the nature, frequency, and severity of the behavior.

Discipline guidelines for student bullying may be found in student and employee handbooks. Offenses over time or single offenses which are severe in nature may result in discipline up to and including suspension and/or expulsion or termination from employment. Parents participating in prohibited bullying conduct aimed at district students and/or staff members may jeopardize their access to district facilities; district property; school sponsored activities, programs, and events; and/or district students and/or staff members through the district's communication systems. As appropriate, reports to local law enforcement will be filed to report criminal bullying behaviors. (See Policies EBC, GAAC, GAACA, JGEC, JGECA and KN)

I need to submit to the board a request to leave early on December 19th as there is a game in Weskan. I will need to leave at about 2:45. I should not need a sub as my students will be in library, recess, then getting ready to leave for the day, and my para can usually cover that when I need to leave.

Leave requesting off: 1.5 hours (2:45-4:15)

Hello, I have a doctor's appointment on December 19th and need to leave school around 1. I understand this is the day before break so it will need to be approved by the board. Thank you!

Shelby Preston

Kindergarten Teacher

Northern Valley Grade School

To whom it may concern,

I, Kacie Yocum, need to take December 26th, 29th, 30th and January 2nd off. I am needing these days off in conjunction with Christmas and New Years because the day care will be closed from the 24th of December till we come back from break on January 5th.

Thank you!

Kacie Yocum

On another note, I probably need to get board approval to be gone those last days before break in case I need them. Dean or I will keep you posted on what's happening. Dad is in comfort care...kind of a step before full hospice, so they've discontinued any aggressive medical care and just keeping him comfortable. Will be reevaluated tomorrow to see if qualifies for in patient hospice insurance hoops are really crazy 😡

Get [Outlook for Android](#)

~~If subs, students, or anyone have any questions they are more than welcome to reach out to me.... it's a nice distraction. Thank you again!~~

I told Amber earlier to go ahead and get me a sub for next week. This morning his doctor felt it would just be a few more days, and I'm assuming the funeral will be next week, but I just don't know. I am so grateful to you and everyone for allowing me this time with Dad and family....it means a lot♥. I should have had you get board approval for next week for Dean in case he needs days for anything.

NVHS

NORTHERN VALLEY HIGH SCHOOL CHEERLEADING CONSTITUTION

I. Tryouts-Eligibility

Any student entering into grades 9-12.

Students on squad must meet NVHS and KSHAA eligibility requirements.

Students must abide by all KSHAA rules and regulations.

A physical exam is required by KSHAA.

II. Tryout Procedure

Each prospective cheerleader will perform the following:

A group cheer

Must execute at least 2 jumps.

III. Tryout Judging

Student Body	30%
Teacher Evaluations	30%
Outside Judges/Coaches Evaluation	40%

IV. Squad

One squad of six(6) cheerleaders will be elected.

If only six(6) try out, six will be elected, although they must still do their group cheer with jumps.

Cheerleaders will not be required to attend volleyball events.

V. Head Cheerleader

The head cheerleader will be selected by a type written short essay, scores from tryouts and teacher/coach evaluations.

Only upperclassmen will be eligible for captain. In case of a tie, the advisor(s) will choose who will become captain.

VI. Head Cheerleader Responsibilities

The head cheerleader will be responsible for working closely with the advisor in activity planning and informing the squad of decisions and important information.

The head cheerleader, along with the advisor, will make the final decisions about the cheering program for each game.

Other responsibilities include, reporting any conflicts or complaints to the advisor, acting as hostess for home games and welcoming other cheer squads, and promote positive behavior for following all rules and regulations, as well as good sportsmanship. The head cheerleader needs to be a teacher and work well with the others.

VII. **Student Council Representative/ Secretary**

The student council representative will also serve as secretary for the cheer squad.

The representative will be determined by either volunteering or advisor appointment.

The representative will attend ALL student council meetings and assume head cheerleading responsibilities if the head cheerleader is absent.

VIII. **Conduct and Responsibility**

A cheerleader will cooperate with the advisor, the game officials and other squad members.

During the game, a cheerleader should be spirited, well-groomed, professional and in command of any situation that may arise.

A cheerleader may not eat or chew gum while on the field or court.

It is the responsibility of the cheerleader to meet NVHS and KSHAA eligibility requirements.

NO cell phones will be allowed during ballgames or at practices.

A cheerleader should promote good sportsmanship and school spirit through cooperation with other students, teachers, and administration.

Cheerleaders shall conduct themselves properly at all times for they are the official representatives of the school.

The advisor shall have the power to suspend, bench or drop any member of the squad for the following:

- Undesirable language or gestures

- Failure to perform duties as outlined in the constitution

- Violation of substance abuse policy

- Any act that harms the reputation of the school

- Any violation of the school rules and regulations and cheerleader constitution

All cheerleaders are responsible for planning pep rallies, assemblies, contributing spirit ideas and helping control the attitude of the crowd as much as possible.

Squad members are expected to ride to and from games on the bus, or whatever means of transportation is provided.

Cheerleaders will be able to sign out after events according to NVHS policy.

IX. Attendance

All members are expected to attend all required games or practices unless they possess a valid reason for absence from their parents. If the rules are not followed, the cheerleader will be suspended from the squad.

Required events will be established at the beginning of the season by the cheerleaders, advisor and administration.

Each cheerleader should be present at least 15 minutes before an event begins.

Each cheerleader must be present at school at least one half the day of the event in order to cheer.

Cheerleaders on varsity ball teams will have ample time to dress for cheering. Those cheerleaders will be on the floor, ready to cheer no later than the end of the first (1st) quarter to do the quarter cheer.

X. Time Involved/Required Events

Tryout practices

Summer practices

Money-making projects

Practices during the school year

Extra practices as necessary

Summer Camp

XI. Dress/Uniform

Uniforms provided are: skirts, tops and pompons.

Each cheerleader will be responsible for the care of the uniforms.

At the end of the year, a time will be set up for handing in all uniforms. After spring tryout elections, a meeting will be held to try on uniforms to see if alterations need to be made.

If alterations are needed, the advisor will be responsible for getting uniforms altered.

When ordering, the style of the uniforms will be decided upon by the squad members and the advisor with approval by administration.

Only natural hair color will be allowed.

Undergarments must be worn under uniforms at all times, as well as bloomers or briefs.

Jewelry cannot be worn during practice or games because of the potential hazards while cheering. (KSHSAA rules)

Make-up must be minimal, hair will be pulled back away from the face and will be subject to the approval of the advisor.

XII. Financial Responsibilities

Fund raising projects will be held in the summer and throughout the school year to help meet expenses. All cheerleaders will be expected to take part in these activities. Personal financial responsibilities will include, but not be limited to the purchase of shoes, socks, tights, bloomers/briefs, emblems and $\frac{1}{2}$ of camp.

If a cheerleader quits the squad after being elected, she must pay \$250 unless under special circumstances which will be at the discretions of the advisor, school principal, athletic director, and school board president.

XIII. Lettering

In order to letter, a cheerleader must meet the following requirements: must accumulate 1900 points during the year.

Points + 30 – each attended game.

30 – each locker, lockerroom, stadium or gym
Decorated

250 – attending summer camp

50 – each poster made and put up

75 – each town, car, lawn decoration

100 – each fund raiser

100 – organizing pep rally

150 – outstanding spirit award

(One cheerleader will receive this award after each game by advisor.)

Points will be taken off for:

20 – unexcused lateness to a game, practice or pep rally

50 – misconduct of ANY kind

150 – violation of rules and regulations of NVHS, KSHSAA, or the NVHS cheerleaders constitution.

Students that are involved with any other activities that may make them late for cheerleading activities are excusable when reported by the parent or the other activity advisor.

The sponsor/advisor, Principal and Activities Director reserve the right to make final decisions on topics not covered in this constitution.

Cheerleader agreement form

I have read the cheerleading constitution and understand the responsibilities of being a member of the Northern Valley Cheerleading squad. I will abide by these rules and regulations.

I agree to cooperate fully with the advisor and all persons and organizations who are concerned with promoting school spirit.

I will, when a question arises go to the advisor and discuss the question with her.

At all times, whether at school or away from school, I will conduct myself in a manner that best represents the students and faculty and pride of NVHS.

I understand that if I fail to comply with these rules, it may result in my dismissal from the squad and if dismissed, I may have to pay monetary damages.
