1. **Call to Order**
Called the meeting to order at 5:33pm
2. **Roll Call and Determination of Quorum**
3. **Public Expressions**
No public expression
4. **Moment of Silence, Pledge of Allegiance – Mission**

Mr. Collins, welcomed the board members, colleagues, and guests. Please stand for a moment of silence, followed by the Pledge of Allegiance. Good evening. My name is Aaron Collins, and I have had the privilege of serving as Superintendent and CEO of Metro Technology Centers for the past six years. I accepted this role because I believe deeply in the mission of CareerTech education and the meaningful difference it makes in people's lives. I believe in helping students discover their pathways, supporting adults in improving their futures, and strengthening our community through education and workforce development. Over the past six years, I have seen this mission lived out every single day. I have watched employees go above and beyond in service to students, witnessed lives transformed through education and training, and seen strong partnerships create new opportunities. Each month, we hear powerful stories from our students and employees—stories that reflect the impact of our work across all campuses. Metro Tech

is, at its core, about people. It is about the student who gains confidence, the adult learner who earns a credential and begins a new career, the employee who is deeply committed to serving others, and the families whose lives are changed because someone at Metro Tech cared enough to make a difference. To our board members, thank you for your trust, support, and leadership. To our employees, thank you for making Metro Tech such a special place. To our partners and community members, thank you for your continued belief in and support of our work. And thank you all for allowing me to be part of this journey. Our mission is clear: Metro Technology Centers prepares people for successful employment and a life in a global society.

Ms. Campos, I would like to take a moment to thank you. For those joining us, I want to emphasize how much we appreciate your leadership, especially in addressing questions related to technology. You have led at a level that many of us have long hoped to see, and your efforts have positioned us well for continued success. We are grateful for the direction you've provided and the impact you've made. While you may be continuing your journey beyond Oklahoma City, please know you will always have a place here. Thank you again for your leadership and contributions.

5. Superintendent's Report

5.A. District Update by Mr. Aaron Collins, Superintendent/CEO

Mr. Collins wanted to share. Before we begin, I want to recognize several students who recently represented us at the SkillsUSA National Leadership and Skills Conference, held June 1-5. We are grateful to the board for supporting these opportunities. I'm proud to share that our students earned national recognition. Our Community Service team—Corey Bobo, Messiah Cobbs, Jashawn Whitten, and Barbarito Gomez, under the leadership of Ms. Adams—placed third. In addition, our Entrepreneurship team, also led by Ms. Adams, earned first place. Congratulations to Barbarito Gomez, Joseph Langston Fingers, Favion Rubio, and Andy Sack on this outstanding achievement. We are incredibly proud of all the students who competed and represented us on the national stage.

Mr. Collins introduced our guests. Today, we are pleased to welcome representatives from Trucordia, our insurance broker—Mike and Steve Nassau. Thank you both for being here and for visiting our campuses this week. Over the past several weeks, they have worked closely with Mr. Paul and Dr. Miller to support a smooth transition, and we appreciate their partnership and patience throughout the process. They have also provided all required documentation, which was shared with you on Saturday. Notably, the proposed insurance increase is \$1.64, significantly below the industry average of approximately 10 percent. We appreciate their efforts in securing this outcome. They are here today to answer any questions you may have ahead of your vote for approval.

5.B. Presentations/Recognitions

5.B.1. Dr. Kayleen Wichert Strategic Planning Presentation.

Dr. Wichert presented the strategic plan, which has been reviewed by the board on multiple occasions. This plan serves as a roadmap for 2022-2031, guiding

our efforts to prepare individuals for successful employment and life while strengthening our role in workforce development. The plan was developed through a collaborative, data-informed process involving both internal and external stakeholders, including feedback from more than 2,000 participants. This input helped identify key themes and priorities, resulting in five strategic pillars: student success, talent and culture, partnerships, financial stewardship, and governance. We are currently in the final stages of development and are seeking board approval. Implementation will begin later this month, with clear performance measures, regular progress monitoring, and a focus on continuous improvement to ensure long-term success and accountability.

5.C. Financial

5.C.1. Treasurer's Report for the month of May 2026 — Dr. Ronald Grant, District Treasurer

In Mr. Campbell's absence, Dr. Grant will present the Treasurer's Report reflects that revenues and expenditures are tracking well against the 2023 budget. The general fund balance, originally planned for use, is now projected to increase by approximately \$155,000, bringing the total to about \$18.2 million—well within established guidelines. We remain committed to maintaining a healthy, but not excessive, fund balance in alignment with our responsibility as stewards of public funds. Additionally, our investments are performing strongly, with higher-than-usual returns at the depository level. We continue to actively manage our investment strategy to maximize returns while maintaining appropriate liquidity.

5.D. Dates of Upcoming Events [Administration]

5.D.1. Independence Day Holiday — Offices Closed Friday, July 3, 2026

5.D.2. July Regular Board Meeting — Tuesday, July 14, 2026; 5:30 p.m.; Room K, District Center, 1900 Springlake Drive, OKC

5.D.3. Annual Oklahoma Summit - Career Tech Summer Conference Sunday–Tuesday, August 2–4; Arvest Convention Center, Tulsa, OK

5.D.4. OSSBA/CCOSA Conference; Thursday, August 13–16 2026– 2026 Education Leadership Conference and Dr. Bob Mooneyham Memorial Scholarship Golf Tournament; Oklahoma City Convention Center, OKC

5.E. Board Member Reports

Mr. Jones reported on the Personnel Committee meeting held May 21 at 9:00 a.m. Although he was unable to attend, he shared that several key items were discussed, including organizational structure changes, staffing responsibilities, and employee benefits.

Ms. Jones presented a summary of the Finance Committee meeting held June 17, which focused on the proposed budget and insurance review. The committee reviewed the district budget, fund adjustments, procurement activity, and insurance recommendations. Dr. Grant provided a detailed overview of budget considerations and employee benefits, and committee members asked clarifying questions to ensure a thorough understanding. Overall, the committee expressed confidence in the budget and appreciation for the clarity of Dr. Grant's presentation.

Ms. Rivera presented a summary of the Communications Committee meeting held May 28, which included collaboration with the Board of Advisors. The discussion focused on marketing efforts, media strategy, and the use of digital platforms. The committee reviewed current outreach initiatives, including social media performance, noting that engagement continues to grow across key channels. There was also an emphasis on expanding digital partnerships to further increase visibility and community engagement. Overall, the team highlighted ongoing efforts to strengthen communication strategies and enhance the organization's presence across platforms.

Mr. Ortiz presented a summary of the Facilities Committee meeting held June 4. The committee reviewed several key projects and updates. A contract of approximately \$198,000 was approved. Updates were also provided on a bridge project scheduled for closure in October due to deterioration identified during inspection, with the bid process recently completed. The Dino project, previously approved by the board in January, is progressing as planned, with an anticipated completion in July. Construction updates confirmed that facilities were operational as of May 29, with ongoing work including a gas line reroute. The committee also discussed summer grounds planning, which remains in progress, and ongoing roof replacement projects requiring further assessment and cost estimation. Additionally, a retrofit project transitioning equipment to a more efficient model is expected to reduce costs, generating approximately \$48,000 in savings. Finally, a one-year equipment replacement project was reviewed, with an estimated cost of \$34,000. Overall, the committee continues to monitor facility improvements, maintenance needs, and cost-saving opportunities across the district.

Ms. Campos shared her appreciation for the extensive work happening behind the scenes across all committees. Having recently participated in each, she noted a deeper understanding of the effort, collaboration, and leadership required to support the organization's success. She thanked the leadership team for their thorough communication, responsiveness, and continued support. She also highlighted the importance of strong partnerships, particularly within the community, as a key driver of success and a central focus of the strategic plan. Ms. Campos acknowledged the many recent events and encouraged everyone to take time to enjoy community activities and opportunities for connection. She noted that moments of celebration and engagement help strengthen both culture and leadership. Finally, she expressed her gratitude to Mr. Collins for his leadership and ongoing contributions to the organization.

6. Board Reports for Review (no action required):

David Martin, Deputy Superintendent

Jeremy Cowley, Associate Superintendent, Innovation & Knowledge Management

Dr. Kayleen Wichert, Interim Associate Superintendent of Quality & Strategy Management

Dr. Robyn Miller, Senior Director of Operations

Dr. Ronald Grant, Senior Director of Business & Finance

Jessica Martinez-Brooks, Senior Director, Strategic Communication and Engagement

Mr. Jones commented on the Board Reports, noting that while they are detailed, they provide valuable insight into the work of each department, including current activities and initiatives. He shared that the reports help him stay informed and connected to the organization and expressed appreciation for the effort involved in preparing them. Mr. Collins added that the reports also equip board members to serve as effective advocates. By staying informed, members are better prepared to share updates about Metro Tech and speak confidently about its programs and impact within the community. He emphasized that this knowledge strengthens partnerships and enhances the board's ability to represent the organization. The board acknowledged the value of the reports and the role they play in supporting engagement and advocacy.

7. Motion, discussion and possible vote to approve or disapprove the Minutes of the June 9, 2026, Special Board Meeting and the May 12, 2026, Regular Board Meeting. [Administration]

Meeting Date: June 23, 2026

Item Title: Approval of Fundraiser Categories for Fiscal Year 2026–2027

Agenda Item No:

Submitted By: Business and Finance

Proposed designated student activity fund fundraiser categories for Metro Technology Centers for ***Fiscal Year 2026–2027***, for activities beginning on or after July 1, 2026, and ending on or before June 30, 2027.

PROPOSED FUNDRAISER CATEGORIES

1. **Food & Beverage Sales**
(e.g., popcorn, chocolate, bake sales, meals, desserts, beverage items)
2. **Merchandise & Apparel Sales**
(e.g., t-shirts, branded gear, spirit wear, program merchandise)
3. **Event-Based Fundraisers**
(e.g., dinners, luncheons, car washes, themed events, activity days)
4. **Retail & Online Store Fundraisers**
(e.g., online shops, spirit stores, partner sales platforms)
5. **Raffles & Donations**
(e.g., raffles, annual giving campaigns, donation drives via SuccessFund)
6. **School Experience & Participation Activities**
(e.g., jean days, wellness challenges, school-based participation events)
7. **Community Partnerships & Vendor Events**
(e.g., food trucks, Kona Ice, community-hosted fundraising events)

Authorize the board-designated Activity Fund Custodian to review and give final approval of all fundraising campaigns within these categories. Campaigns must be requested through the SuccessFund platform and approved prior to commencement.

This process ensures transparency, compliance with state statutes, and proper tracking of all school-related financial activities.

 METROTECH

FULL-TIME CATALOG

2026-2027

HIGH SCHOOL STUDENTS

Metro Tech's Quality Career programs are **FREE** to high school students who attend Crooked Oak, Millwood, and Oklahoma City Public Schools. Additionally, these programs are also offered to virtual, charter, private, and homeschool students who live within our district. For out-of-district students, there's good news too! Thanks to the reciprocity agreement among Oklahoma County career technology districts, eligible students can attend any career technology center in the county when space is available in a program not offered or not available in their home career technology school district. Interested students should reach out to their home school counselor or a career adviser for more details regarding the reciprocity process.

HIGH SCHOOL APPLICATION PROCESS

1. Complete an **application**
 - Candidates receive priority consideration for completing their application by **February 1**.
2. Participate in an interview session.
 - An Interview Session is not required for admission but does increase the chances of getting selected high demand programs.

What Happens Next?

As seats are limited, submitting your application by February 1st is crucial. Selections happen in April, and if you're chosen, be ready to accept your seat promptly to secure your spot in Metro Tech's high-demand Quality Career Programs.

Students' eligibility to participate in a Metro Tech program will be determined by partner school stakeholders.

High School Student Criteria for Admission

1. Interest & Ability
2. Attendance at an accredited school within the district, organization or an accredited private school while living in the district
3. Junior or senior status (sophomores with special permission)
4. Reciprocity agreement (if necessary)
5. Completed IEP (if special population)
6. Program prerequisites, if any

If you have any questions,

Please contact our Metro Tech Career Advisors
career.advisors@metrotech.edu • 405-424-TECH or
visit our website at www.metrotech.edu

CLASS SCHEDULE (Classes are Monday-Friday)

AM Session	7:25 AM to 10:30 AM
PM Session	11:25 AM to 2:30 PM

WHO CAN ATTEND TUITION FREE?

High school (secondary) students enrolled in any of our in-district schools or who have been granted reciprocity are eligible to attend Metro Technology Centers Full-Time Secondary Programs tuition free.

TRANSPORTATION

Metro Tech provides free bus service for students who live in the Oklahoma City, Millwood and Crooked Oak School Districts. For all students to benefit from this service, everyone who rides the bus should abide by the following guidelines:

- Arrive five minutes before the scheduled arrival time of the bus in case of a time difference.
- Observe all rules published on the bus by the Metro Tech Transportation Department.
- All Metro Tech buses are equipped with video and audio recording devices.
- The Metro Tech Transportation Department has a three-day drop policy. Students who do not ride the bus for 3 consecutive days will be dropped from the route unless they notify they are not riding for a period of time. In the event that you are dropped from your route, you will need to contact the Metro Tech Transportation Department at 405-595-4844 or 405-595-4856, in order to start riding the bus again.
- Student transportation cannot be provided outside of the Metro Tech School District.
- Metro Tech reserves the right to suspend or revoke the privilege of anyone receiving bus transportation in the event that the student should choose to disregard the bus rider rules.

For transportation questions or concerns, call the Transportation Supervisor at 405-595-4844 or 405-595-4856.

ADULT STUDENTS

Metro Tech's Quality Career Programs for adult learners are designed for individuals seeking successful employment and life in a global society. At Metro Tech, we understand the importance of accessibility, offering affordable programs tailored to fit your schedule, whether you choose full-time, part-time or evening courses. Dive into a world of possibilities as you explore our diverse range of programs, spanning from the dynamic realms of Aerospace to the critical front-lines of the healthcare industry. With our accelerated 600-hour career majors, you can achieve your goals in just five months, propelled by expert guidance and hands-on training. Plus, financial aid is readily available for programs exceeding 600 hours, ensuring that nothing stands in the way of your success. Take the first step towards a brighter future with Metro Tech's unparalleled career pathways.

ADULT APPLICATION PROCESS

1. Complete an Application
 - Candidates receive priority consideration for completing their application by
November 1st (Spring Term)
May 1st (Summer Term)
May 1st (Fall Term)
2. Submit Appropriate Documentation by the Priority Deadline
3. Meet with a Career Advisor

What Happens Next?

As seats are limited, submitting your application and all required documentation by the priority deadline is crucial. Selections usually happen within a week of the priority deadline, and if you're chosen, be ready to accept your seat promptly to secure your spot in Metro Tech's high-demand Quality Career Programs.

Adult Student Criteria for Admission

1. Interest & ability
2. Prior performance in school & work
3. Program prerequisites, if any
 - Some programs may have additional requirements to complete clinical hours

If you have any questions,

Please contact our Metro Tech Career Advisors
career.advisors@metrotech.edu • 405-424-TECH or
visit our website at www.metrotech.edu

FINANCIAL AID

Financial aid including scholarships, grants, federal student loans, and veteran benefits are available to eligible students enrolled in full-time career majors. To apply for the Federal Pell Grant or Direct Loan Programs, students must complete the Free Application for Federal Student Aid (FAFSA) at <https://studentaid.gov>.

The Financial Aid Office at Metro Technology Centers is here to support you throughout the process. If you have any questions or would like to discuss your financial aid options, please contact us at 405-595-4446 or 405-595-4447, or email financialaid@metrotech.edu.

COLLEGE CREDIT

Some certifications and/or licenses obtained at Metro Technology Centers may be applicable towards an associate's degree from a community college in Oklahoma. For more information visit www.metrotech.edu.

STUDENTS WITH DISABILITIES

Metro Tech provides reasonable accommodations and support for students with disabilities covered by the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act of 1973 and Individuals with Disabilities Education Act (IDEA). If you have concerns or need an accommodation, please call Tim Lankford, 405-595-2213 or email tim.lankford@metrotech.edu

ACCREDITATION

Metro Technology Centers is accredited by:
Oklahoma Board of Career and Technology Education (OBCTE)
Oklahoma State Board of Education (OSBE)

FULL-TIME STUDENTS' TUITION & REFUND POLICY

FULL-TIME STUDENTS' PAYMENT FOR TUITION, BOOKS AND SUPPLIES

- Tuition costs for career majors are listed on the description pages of each career major. See the programs page for the specific costs of tuition, books and supplies for the major you are interested in.
- National, State or Industry Certification and/or Licensure fees are additional costs unless noted.
- Tuition, books and supply costs are subject to change to facilitate the instructional process.
- Contact the Bursar to establish this payment schedule. The first payment should be made and a payment plan set up within 30 days of school. It is expected that programs will be paid in full by the completion date. <https://www.metrotech.edu/admission-cost/student-services/bursar>

Full-Time Student Payment Schedule	
For career majors:	Fees for tuition, books and supplies will be collected:
Up to 1,500 hours	In two installments equal to one-half of the total cost of the tuition, books and supplies - First installment due within first 30 days of career major - Second installment due at beginning of the second half of the career major
1,501 hours and up (AMT, Radiologic Technologist)	In four installments equal to one-fourth of the total cost of the tuition, books and supplies - First installment due within first 30 days of career major - Second through fourth installments due at beginning of each of those quarters of the career major

FULL-TIME STUDENTS' TUITION REFUND POLICY

Students who withdraw or complete a program and have a tuition credit, will have that tuition credit mailed to them at the address on file in the bursar's office. If a student is on Financial Aid the bursar will contact Financial Aid to determine if the tuition credit should go to the student and/or Department of Education.

If a student drops a career major before completion, tuition refunds will apply as follows:

- No refunds will be given for books, supplies, fees, or any other non-tuition costs.
- If a full-time student's tuition is paid through financial aid or agency assistance, refunds will be handled according to the rules and policies of the tuition source.
- A full tuition refund will be given to students who withdraw within the first five (5) days of class.
- After the first five (5) days of class, a tuition refund will be given based on the percentage of the scheduled career major hours the student has completed. Absences, infractions, and hours in attendance will be calculated into the completion percentage.
- Non-attendance does not constitute a withdrawal from a career major.
- Full-time students will be entitled to the following refunds:

If student has...	Refund will be
Withdrawn from career major within the first 5 consecutive scheduled class days	100%
Completed from 6 days up to 25% of scheduled hours for career major	75%
Completed between 25% and 50% of scheduled hours for career major	50%
Completed between 50% and 75% of scheduled hours for career major	25%
Completed 75% or more of scheduled hours for career major	0%

Secondary students who live outside the Metro Technology Centers district and who are not covered by our reciprocity agreement may be subject to out-of-district tuition.

PAYMENT

Payment is due at the time of enrollment.

NEXT STEP TUITION SCHOLARSHIP

GRADUATING SENIORS

Seniors still have the opportunity to pursue Quality Career Training at Metro Tech. Whether you decide to start a program during your senior year or embark on your career journey post-graduation, you might be eligible to attend Metro Tech tuition-free with the Next Step Tuition Scholarship.

NEXT STEP TUITION SCHOLARSHIP

The Next Step Tuition Scholarship covers the tuition fees for one full-time career major, totaling up to 1050 hours within a year, as a one-time benefit. This scholarship is available for qualifying students and does not cover additional costs such as special classroom fees or required textbooks and equipment.

To Qualify for the Next Step Tuition Scholarship, you must:

- Have graduated from a high school within Metro Tech's district.
- Be no older than 21 years of age on July 1 of the fiscal year.
- Have completed the application by the deadline & submitted a high school transcript.

The application link is sent to those who qualify after they've been admitted and enrolled in our student information system or to current adult students continuing their program.

If you have any questions, please contact our Metro Tech Career Advisors
career.advisors@metrotech.edu • 405-424-TECH or visit our website at <https://www.metrotech.edu>

SCHOLARSHIPS

Attending Metro Tech with financial aid assistance is easier than you might think. Many kinds of aid and scholarship opportunities exist to help pay for your education.

Biomedical Sciences Academy

Career Major Description

Students in this major will study biomedical science through the exciting Project-Lead-the-Way (PLTW) curriculum that will provide students hand on projects, labs, and experiences. Topics will include bio-informatics, human medicine, and an in depth study of the human body. In addition, students will complete advanced math and science courses. Students who complete this major will have been exposed to a diverse curriculum that will better equip them to choose and be successful in a major at the college/university level. Students will also have the strong math and science foundation needed to be prepared for a college/university program in STEM (Science, Technology, Engineering, & Mathematics) related fields. NOTE: Students will take the four required PLTW courses. They will then take a combination of math and sciences as determined by course availability to complete the remaining 480 hours for 2-year students, or 960 hours for 3-year students.
