Wrens Club Child Care Handbook – Summer 2025

207 Pioneer DR Wrenshall MN 55797
wrensclub@isd100.org

Welcome to Wrens Club!

Wrenshall Public School in conjunction with Community Education, offers the Wrens Club program which is designed to meet the needs of children of working parents. Our primary purpose is to provide high quality care for children in pre-kindergarten through grade six. Wrens Club offers a fun, safe, caring environment that fosters recreational, social, educational and developmentally appropriate experiences that compliment your child’s school day. Wrens Club is a state certified child care program allowing us to accept CCAP payments for families using assistance.

Program Standards

Community Education is part of the Wrenshall School District and all district policies apply to and are followed by Community Education personnel. Wrens Club staffing and program standards are approved by the Wrenshall Public School Board. School policies are determined by the school board. The Board of Education is elected by the people of this district and reflects their will and their authority. The determination of school policies rests solely with the school board. The superintendent and administrators execute these policies. The district reserves the right to change policies and procedures at any time. The Wrens Club staff meet the required qualifications and training and they dedicate themselves to making a positive difference in the lives of children. Wrens Club staff are under the direct guidance of the Wrens Club Coordinator and Community Education Coordinator. The Wrens Club program maintains a 1 staff to 15 children ratio in K-5, and 1-10 ratio for Pre-K as recommended by the Minnesota School Age Child Care Alliance.

Staff

In accordance with MN State Statute section 123B.03, all staff are required to have a background study done. Certified centers require 6 hours of study in child development and behavior guidance every year. Coordinators must have 16 hours of training.

The Wrens Club staff consists of experienced and well-trained people who care about children. They provide successful experiences, safety, appropriate developmental tasks, and a caring environment. Staff members attend training throughout the year provided by the school district, community education, and other community resources.

Wrens Club staff always appreciates parental input. Please communicate with the staff about daily concerns, family illnesses, or anything that might affect how your child's day might go.

We also encourage parents to share any special skill, activity or occupation with children and staff. We want to model this program around the children and families. Any suggestions or ideas would be welcomed and appreciated.

According to MN State Statute 245H.14 our staff are required to be trained in...

- First aid and Cardiopulmonary resuscitation annually.
- Abusive head trauma.
- Child development.
- Blood borne pathogens.
- We are required to have in service hours each year.

Abuse Reporting (Mandatory Reporters):

According to MN Statute 626.556, a professional or his or her delegate, who is engaged in the practice of... education, who has knowledge or reasonable cause to believe a child is being neglected or physically or sexually abused, shall immediately report the information to the local welfare agency, liaison officer, or the County Sheriff..." An oral report shall be made immediately by telephone or otherwise...and shall be followed within 72 hours, exclusive of weekends or holidays, by a report in writing. For matters occurring within the family unit, concerned school personnel will contact the Children's Service Intake Worker - Carlton County Human Services at 218-879-4583.

Staff must promptly inform a building principal of all reports filed and documentation will be kept on file. Principals, counselors, and the school psychologist are available to assist in the process.

Data Privacy:

All staff must be familiar with the Data Privacy Act. No verbal or written information about a student's school performance should be shared except within the school district for educationally relevant reasons. As a rule of thumb, any data arising out of the education of a student which identifies a student, except for directory information, is private data. Directory information is defined as a student's name, date and place of birth, major fields of study, weight and height of athletic team members, etc. Care should be taken to ensure students cannot overhear private data shared in conferences or telephone calls with staff, students, or parents; care should also be taken so that students do not view other students' grades.

Emergency Preparedness

According to MN State Statute 245H.15 Wrens Club has a written safety plan including...

- Fire related emergencies.
- Weather related emergencies.
- Intruder based emergencies.
- We follow the district's guidelines for fire and lockdown drills.
- In the event of an actual emergency, parents would be notified through the District communication site.

Emergency Closing or Dismissal

If Wrens Club has to close due to severe weather, or other emergency, Wrens club will notify parents, and you will have 1 hour to pick up your child.

Medications

According to MN State Statute 245H.13 Health and Safety Requirements...

- Exclusion of sick children and infectious disease outbreak control. We must supervise and isolate a child from other children in the program when a child becomes sick and immediately notify the sick child's parent or legal guardian. We must post or give notice to the parent or legal guardian of an exposed child the same day the program is notified of a child's contagious reportable disease specified in Minnesota Rules, or scabies, impetigo, ringworm, or chicken pox.
- Immunizations. By a child's date of attendance we must maintain or have access to a record detailing the child's current immunizations or applicable exemption.
- Administration of Medicine. We may administer personal prescriptions under the following guidelines:
 - We will not administer the first dose of any medication due to possible reactions.
 - For long-term medications (prescribed for more than two weeks), a written statement from the family physician indicating the need for such medication to be administered during Wrens Club hours must be on file.
 - The medication will be stored in a safe, appropriate place with access restricted to the Wrens Club staff only.
 - Under NO circumstances shall Wrens Club personnel give aspirin, Tylenol, cough medicines, etc. without a physician's prescription and signed parent permission.
 - NO medication should be sent with the child – parents must deliver it personally. The medication must be in the original bottle, properly labeled. The medication cannot be improperly labeled in containers such as plastic bags or envelopes.
 - EPI-Pens must be dropped off by the parent the first week of school.

Illness or Emergency

In an instance of severe illness or injury, the staff will make an evaluation and contact parents. PLEASE DO NOT bring a sick child to Wrens Club. **A sick child must be fever/vomit-free without medication for 24 hours before returning to child care programs.** The site is not equipped to handle sick children. You must email Wrens Club. No call/No Show fee will be billed to you.

Children who receive minor injuries will be given first aid and the parent will be notified when picking up the child.

In the event of an emergency, parents will be notified immediately and, if necessary, the child will be transported to a parent-specified hospital by the local emergency responders for treatment at the parent's expense. Parents are responsible for the child's health insurance/accident coverage.

Food Allergies

If your child has any food allergies, it is VERY IMPORTANT that you indicate these allergies on the Wrens Club Enrollment Form. Please be specific about possible reactions. *No Preschool classes (hatchling or little wrens) on early release or late start days.

***Childcare would be available if you sign up for before/after or wrap around childcare**

***If school is closed due to inclement weather all programs will be closed**

Bussing

Bussing is available for Wrenshall residents that are **4 years of age** and others if space is available and you have signed up for child care.

Program Standards

Our preschool programming and staff are approved by the Wrenshall Public School Board. Our teachers are licensed with a Bachelor degree in Education, and have many years of experience working in a preschool setting. All staff are required to be CPR and first aid certified.

We maintain a two staff to twenty children ratio.

Arrival

Students can arrive at **8:30 AM** unless you have signed up for the wrap around bussing/breakfast option. Please do not arrive at the classroom before that as the teachers are getting ready for the day.

Departure

Some children get quite nervous if all of the children are picked up and their parents have not arrived for pick up. *Please make sure to arrive to pick your child up prior to class dismissal.* If no one picks up the child within 5 minutes of class dismissal we will begin calling the parents. If we cannot reach one of the parents we will begin calling their emergency contacts. If you arrive late, not only does this add stress to your child's day, but it takes away from time needed for staff prep. Thank you for making every effort to arrive on time when picking up at the end of class.

Correspondence

We have multiple ways we communicate with parents. It is very important that parents monitor all communication routes.

Our first, and most common route of connecting with parents, is through brightwheel. Please make us aware of any changes the night prior to class or morning drop off.

We also use daily folders.. Parents are required to provide a communication folder (a two pocket folder with prongs inside). This folder is used regularly for teachers to send messages home after class, and to send projects home for your child to share with you. It is very important that parents monitor this folder each day after class to keep up with school happenings.

Authorization to pick up child

No child will be released to a person not authorized by a parent to pick up the child. If you have a new person picking up your child, not on the emergency pick up list, we will need a note stating that you approve this pick up.

If someone attempts to pick your child up who is unauthorized or incapacitated we will immediately attempt to call you. Please ensure that we have updated phone numbers for you at all times. If we cannot reach you we will call 911.

Emergency Closing or Dismissal

When Wrenshall schools are closed due to severe weather, or emergency, School Readiness will also close. If Wrenshall school releases early, our program will also be dismissed at that time. (ex. If they send out an alert that school will be closing at 1pm, due to weather conditions, we will also close at 1pm)

General Health, Illness or Emergency

In an instance of severe illness or injury the staff will bring your child to the nurse, and will notify parents. At other times, staff will make an evaluation and contact the parents. **DO NOT** bring a sick child to school. This not only does not benefit your child, but it leaves room for spreading of germs and illness. Children who receive minor injuries will be given first aid and the parent will be notified when picking up the child.

In the event of an emergency, parents will be notified immediately. If necessary, the child will be transferred to a local hospital (we will send your child to a parent specified hospital only if you had specified on the emergency card), by the local emergency responders, for treatment at the parent's expense. Parents are responsible for the child's health insurance/accident coverage.

The staff is required, by Minnesota State Law, to report any suspected cases of child abuse or neglect to authorities.

Medications

- Under NO circumstances shall School Readiness staff give prescription medications or over the counter medicines without a physician's instruction and signed parent permission.
- All medications will be distributed by the staff during school days. Children may not take medication on their own.
- For long-term medications (prescribed for more than two weeks), a written statement from the family physician indicating the need for such medication to be administered during preschool hours is required to be on file.
- The medication will be stored in a safe and appropriate place, with access restricted to our preschool staff only.

- NO medication should be sent with the child - parents must deliver it personally. The medication must be in the original bottle and properly labeled. The medication cannot be labeled in containers such as plastic bags or envelopes.
- EPI-Pens must be dropped off by parents the first week of school.

Food Allergies

If your child has any food allergies, it is VERY IMPORTANT that you indicate these allergies on the Wrenshall Early Learning Student Health Summary page of the enrollment paperwork.

Please be specific about possible reactions.

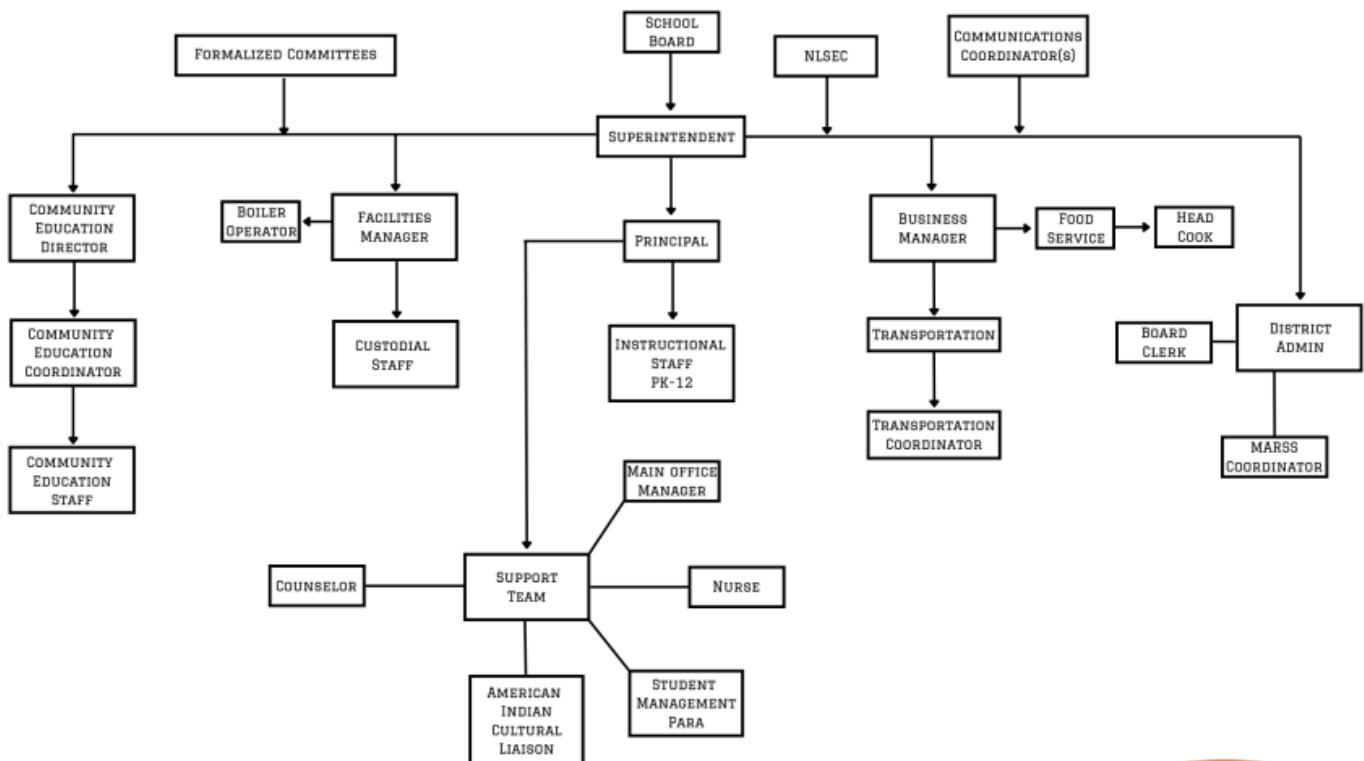

Snack

We ask that you send your child, each day, with a healthy snack (veggies, fruit cups/applesauce, crackers, etc) and a water bottle. Please try your best to avoid sugary snacks. We only allow the children to have one snack for snack time. Please make sure to only send one item along with them. When more are sent along they have to choose, and that makes for unhappy children - as they may want both items.

We do not allow any snacks which include any peanuts or tree nuts. Please read the ingredients on your child’s snack before sending them along with your child. **Our classrooms are Peanut and Tree Nut Free.** Please help us to keep this policy and provide a safe space for all of our children.

Birthday Policies/Pre-K Spotlight

- Each week we will have 1 student from each preschool class in our “Pre-K Spotlight”. The week before your student’s spotlight week, they will receive a yellow folder with a packet to fill out all about them. Please take some time to fill this out together. Please return this folder and packet, along with up to 5 pictures that will be displayed in class by the beginning of the spotlight week.
- This is also when we will celebrate birthdays.
 - Students will be in the Pre-K Spotlight on or around their birthday depending on how many birthdays there are that week.
 - If a birthday lands on a week day we will celebrate the day of.
 - If a birthday lands on a weekend or Summer birthday, we will celebrate the Monday/Tuesday of their spotlight week.
- You are more than welcome to bring in birthday treats for the class. We just ask that treats are store bought in their original boxes so we can check labels for allergies if needed.
- We only allow handing out birthday invitations in class if you plan to invite the entire class. If you are inviting only a few we ask that you make alternate arrangements to get invitations to those particular children. Thank you for your help with this!

Clothing/Belonging Policy

Children should be adequately dressed each day for indoor and outdoor activities. Please make every effort to dress students for each day's weather. Also, keep in mind that if there should be a case of an emergency (fire, evacuation, etc) where we need to leave the building immediately, we do not stop to put on coats/sweaters/sweatshirts. Whatever your child has on is what they will be walking outdoors with should an emergency arise.

Outerwear should be labeled with the child’s name on each individual item. The Wrenshall Preschool program is not responsible for any lost or stolen articles.

Please provide an extra set of clothing to keep at school in a gallon sized ziplock bag with their name clearly written on it. We will store these bags of clothing at school for the year. This clothing will need to be replaced if we end up using it as a change of clothes for your child during a particular school day. The intent of having this change of clothing is as a backup plan. (For example: a toilet accident, spilling something on themselves, or playing outdoors and accidentally slipping on mud or sliding into a puddle) If soiled clothing is ever sent home with your child you should send a new set along with your child for the next class date in a clean labeled bag.

Please do not allow your child to bring toys or games along - unless it is for their personal show & tell day. These extra items can be distracting to the classroom, and they also run the risk of breaking or being misplaced.

Remember to send extra shoes along during boot season. You may leave a pair of shoes at the school during the boot season so that you don’t have to keep sending them daily. Each class has a shoe bin to store extra shoes. These shoes must be labeled with children’s names on each shoe.

Teaching Responsibility

Our Little Wrens class (4-5 year olds) will be teaching the children personal responsibilities. They will need to be able to unload and load their own items into their backpacks, zip their bags up, and put on their own outerwear as needed. Please keep this in mind as you prepare your child for school throughout the year. Practice at home will make this learning process run far more smoothly. Also, please keep this in mind when picking out the size of their backpack, and when allowing students to bring items from home. We realize that many of our students also attend Wrens Club child care, and have some items they need for that time of day (lunch, blanket, etc). We want you to start thinking about how your child is going to handle all of the items independently, and help to set them up for success.

Our Hatchlings class (3-4 year olds) will get a bit more support with this learning experience, but as the year progresses they will also be expected to handle these tasks independently. Please begin practicing these skills at home. Although it seems easier to help children when learning how to put on coats and boots, in the long run, they need to be able to handle these tasks themselves. It is definitely a step-by-step developmental process. They will need your modeling and support.

Registration Process

To register your child for any preschool programs, you will need to read all of the materials in this handbook and complete the following before your child may attend:

- Signed the last page of the preschool parent handbook
- Enrollment Form.
- \$50 registration fee
- Any past due balances with Community Education are paid in full.
(*This may include past due balances for School Readiness or Wrens Club bills.*)
- ALL registration materials listed in brightwheel

Before and After school care and wrap around for preschool child care

Welcome to Wrens Club!

Wrenshall Public School in conjunction with Community Education, offers the Wrens Club program which is designed to meet the needs of children of working parents. Our primary purpose is to provide high quality care for children in pre-kindergarten through grade six. Wrens Club offers a fun, safe, caring environment that fosters recreational, social, educational and developmentally appropriate experiences that compliment your child's school day. Wrens Club is a state certified child care program allowing us to accept CCAP payments for families using assistance.

Program Standards

Community Education is part of the Wrenshall School District and all district policies apply to and are followed by Community Education personnel. Wrens Club staffing and program standards are approved by the Wrenshall Public School Board. School policies are determined by the school board. The Board of Education is elected by the people of this district and reflects their will and their authority. The determination of school policies rests solely with the school board. The superintendent and administrators execute these policies. The district reserves the right to change policies and procedures at any time. The Wrens Club staff meet the required qualifications and training and they dedicate themselves to making a positive difference in the lives of children. Wrens Club staff are under the direct guidance of the Wrens Club Coordinator and Community Education Coordinator. The Wrens Club program maintains a 1 staff to 15 children ratio in K-5, and 1-10 ratio for Pre-K as recommended by the Minnesota School Age Child Care Alliance.

Staff

In accordance with MN State Statute section 123B.03, all staff are required to have a background study done. Certified centers require 6 hours of study in child development and behavior guidance every year. Coordinators must have 16 hours of training.

The Wrens Club staff consists of experienced and well-trained people who care about children. They provide successful experiences, safety, appropriate developmental tasks, and a caring environment. Staff members attend training throughout the year provided by the school district, community education, and other community resources.

Wrens Club staff always appreciates parental input. Please communicate with the staff about daily concerns, family illnesses, or anything that might affect how your child's day might go.

We also encourage parents to share any special skill, activity or occupation with children and staff. We want to model this program around the children and families. Any suggestions or ideas would be welcomed and appreciated.

According to MN State Statute 245H.14 our staff are required to be trained in...

- First aid and Cardiopulmonary resuscitation annually.
- Abusive head trauma.
- Child development.
- Blood borne pathogens.
- We are required to have in service hours each year.

Abuse Reporting (Mandatory Reporters):

According to MN Statute 626.556, a professional or his or her delegate, who is engaged in the practice of... education, who has knowledge or reasonable cause to believe a child is being neglected or physically or sexually abused, shall immediately report the information to the local welfare agency, liaison officer, or the County Sheriff..." An oral report shall be made immediately by telephone or otherwise...and shall be followed within 72 hours, exclusive of weekends or holidays, by a report in writing. For matters occurring within the family unit, concerned school personnel will contact the Children's Service Intake Worker - Carlton County Human Services at 879-4583.

Staff must promptly inform a building principal of all reports filed and documentation will be kept on file. Principals, counselors, and the school psychologist are available to assist in the process.

Data Privacy:

All staff must be familiar with the Data Privacy Act. No verbal or written information about a student's school performance should be shared except within the school district for educationally relevant reasons. As a rule of thumb, any data arising out of the education of a student which identifies a student, except for directory information, is private data. Directory information is defined as a student's name, date and place of birth, major fields of study, weight and height of athletic team members, etc. Care should be taken to ensure students cannot overhear private data shared in conferences or telephone calls with staff, students, or parents; care should also be taken so that students do not view other students' grades.

Emergency Preparedness

According to MN State Statute 245H.15 Wrens Club has a written safety plan including...

- Fire related emergencies.
- Weather related emergencies.
- Intruder based emergencies.
- We follow the district's guidelines for fire and lockdown drills.
- In the event of an actual emergency, parents would be notified through the District communication site.

Emergency Closing or Dismissal

Within minutes of an emergency, school officials can use the system to deliver a single, clear message to the students' parents or guardians by telephone, cell phone, e-mail, pager or PDA in any combination. It can also be used to notify you of a school closing due to inclement weather. **Wrens Club will send out a message out on brightwheel as well.**

If you need assistance with setting up a profile, please contact Michelle Blanchard at 218-384-4274 Ext 2101 and she will assist you. If you do not have access to a computer please feel free to come to the school to use our facilities.

Children with Special Needs/IEPs

- Every effort will be made to accommodate children with special needs.

- If the family expresses a need for accommodations for their child to participate in Wrens Club or Wrens Club staff determines special accommodations are needed for participation, Wrens Club will work with the family to come up with a plan to help the child succeed in the program. Items to consider:
 - The student's ability to function in an environment of 30-50 kids.
 - The student's ability to function on the playground without individual supervision.
 - The student's ability to function with a staff to child ratio of 1:15.
- Accommodations that are agreed upon will be outlined in a document to be shared with the family and entered into the child's record at Wrens Club.
- It is important that our program is assessed to determine if we are able to provide the best care for every child.

Parent's To-Do List...

- Sign your child "In" & "Out" each day. This means walking your child to the Wrens Club room. Parents will need to sign out in our software program each day when they pick up.
- Let your child's classroom teacher know your child's Wrens Club schedule.

In the event your schedule changes....

Absent Notification: – The safety of your child(ren) is our primary concern. **Please email Wrens Club before 10:00 am if your child will not be coming after school. We are discontinuing the use of the B app.** You may email at any time. If we are not here, we will get the message first thing in the morning. ***The elementary office cannot call to inform us of absences. The classroom teachers are also unable to call us if your child is absent.** If your child is scheduled to be at Wrens Club and does not come to us, we must look for them. This takes time and takes staff away from the other children. Our staff usually has at least 30 kids to check in after school and we need to know where they all are. To avoid a **No Call/ No Show fee**, please email Wrens Club staff before **10:00 am** if your child will not be attending child care for any reason. **Email to Wrens Club is the best form of notification so please send us an email if your schedule changes for any reason.** Wrensclub@isd100.org

In the event that you will not be able to pick up your child on time, notify the Wrens Club staff immediately of the alternate arrangements. A late pick-up fee of \$10 for the first minute and \$1 each additional minute after 6:00 PM will be assessed. In addition, the following will happen:

Attempt to Contact Time Frame: If you are late in picking up your child, the following procedure will be followed:

After 10 minutes: Call parent/guardian

After 15 minutes: Call emergency contacts listed for child

After 30 minutes: Call the police. If you are more than thirty minutes late and we are unsuccessful in reaching you or an emergency contact person, the police **will** be called for further assistance.

If you have picked up your child late more than once, or if you cancel your child's schedule on a consistent basis you are subject to discontinuation of child care.

Release of Children

Wrens club will only release children to the parent or person authorized on your emergency pick up list. They must be at least 16 years old to sign out your child. Please email wrensclub@isd100.org to inform us if someone other than you will pick up your child/ren. If a parent or other person appears physically/emotionally impaired to the extent that the staff is concerned that the child is at risk of danger, the staff person will call other people listed on the emergency list. If no one can be reached, we may need to call 911.
