Independent Rating Network (IRN) & SEE-ONE 2026-2027

Service Agreement

District: San Benito CISD

The district intends to participate in the Independent Rating Network (IRN) through Region One who will coordinate third-party ratings and calibration for submitted SLOs and/or Portfolios. The district also intends to purchase the annual license for The System for Educator Effectiveness (SEE-One) for the 2026-2027 school year. SEE-One is a web application that manages student growth measures. SEE-One is fully developed, supported, and customized by Region One ESC’s Technology for Learning Division.

Through this service agreement, Region One ESC—serving as the Independent Rating Network will coordinate third-party ratings and calibration for submitted SLOs and/or Portfolios. Deliver training and calibration sessions for raters and district leaders. Region One will provide data reporting through IRN. Include first-time customer onboarding (virtual or on-site) at no additional cost. Oversee independent rating of district SLOs and/or Portfolios to ensure reliability and fairness.

1. Costs:

District Fee: The fee represents the cost of managing and coordinating certified raters who evaluate SLOs, and Portfolios submitted through the SEE-One (System for Educator Effectiveness) data management system as part of the Independent Rating Network (IRN).

For SEE-ONE Annual Subscription is based on student enrollment from the PEIMS October 2026 snapshot and will include an initial 80% Texas SLO & Portfolio discount fee, with a graduated increase yearly.

Fees are determined by the number of artifacts submitted and the rater capacity required to ensure accurate, reliable scoring within established timelines. This model accounts for training, calibration, monitoring, and quality assurance necessary to maintain inter-rater reliability across districts and rating cycles.

This structure ensures:

- Fair compensation for raters based on workload and scoring volume.
- Consistency and reliability in scoring across raters and districts.
- Operational efficiency as the IRN scales, allowing Region One ESC to manage increased participation while maintaining scoring quality and integrity.

All textual, dramatic, audio, and/or visual Resources are protected by U.S. and international copyright laws. All rights not expressly granted are reserved.

TRADEMARKS:

The trademarks, service marks, designs, and logos displayed on or in conjunction with the Products, Services, Resources or Websites (collectively, the “**Trademarks**”) are the registered and unregistered trademarks of CKH and its licensors. You agree that you will obtain advance written consent from CKH before referring to or attributing any information to CKH or its licensors in any public medium (e.g., signage, press releases, websites, etc.) for advertising or promotion purposes, or for the purpose of informing or influencing any third party, understanding that such consent may be denied for any or no reason. You also agree that you will not use or reproduce any Trademark of, or imply any endorsement by or relationship with, CKH or its licensors.

USE OF RESOURCES:

Capturing Kids’ Hearts grants individual participants of training a limited, non-exclusive, revocable, and non-transferable license for the Term of this Agreement to view, access, download, display, and otherwise use specific Capturing Kids’ Hearts Resources for their personal and classroom use only. Resources are made available to participants based upon their completed training and provided during training or through site content of Websites.

Access to Resources for participants is based upon both their completion of specific training(s) with Capturing Kids' Hearts and the contractual relationship between Capturing Kids' Hearts and the Client, the organization of which the participant is a current member. The relationship with a Client is documented in the products listed in the Products and Services Section and determines the varying levels of access to Resources based upon the training, products or subscriptions purchased. If the participant is no longer part of the Client's organization, the participant will no longer have access to the resources.

APPLICABLE RESTRICTIONS & REQUIREMENTS:

Any unauthorized use of Resources is prohibited and may violate copyright, trademark, patent, and other applicable laws or regulations and could result in criminal or civil penalties. All Resources are made available for use by you only to the extent that such use complies with all Applicable Restrictions & Requirements. For these purposes, "**Applicable Restrictions & Requirements**" means any and all of the following: (i) the provisions of this Agreement; (ii) the Terms of Use associated with the Websites; (iii) any other CKH agreements or Products and Services that may be applicable to you; (iv) any written instructions or restrictions provided to you by CKH; and (v) any instructions or restrictions printed on or otherwise accompanying any copies of the Resources that are provided to you, or that appear on Websites that are associated with such Resources. To be clear, except to the extent expressly permitted in writing as part of the Applicable Restrictions & Requirements, your rights do not include rights to do any of the following (collectively, "**Prohibited Actions**"), all of which you are prohibited from doing without CKH's express prior written consent: (i) reproduce, modify, translate, aggregate, distribute, sell, commercially exploit, transmit, post, make derivatives of, or publicly disclose any of the Resources, or any portion thereof, in any way not expressly permitted in writing by CKH; (ii) remove, redact, or omit any and all copyright and other proprietary notices displayed on the Resources or on any permitted copies thereof; (iii) use of any data mining, robots or similar data gathering or extraction methods in connection with the Resources or the Websites; (iv) download (other than page caching) of any portion of the Resources or the Websites except to the extent expressly authorized during provision of the Products and Services; (v) reverse engineer or access the Resources or the Websites in order to develop or use any competitive website, content, app, product or service; (vi) use any of the Websites, Products or Resources other than for their intended purposes; (vii) resell any Resources or other Products delivered or otherwise acquired by you during the course of the Services or otherwise through the Websites; (viii) store, transport or use any Products or Resources in an unsafe or reckless manner or in any manner prohibited by law or regulation; or (ix) use any of the Resources in any manner not permitted by law or regulation. CKH may also impose additional reasonable limits on the scope of your access to and use of the Resources, including limits on time or number of materials accessed or machines used to access such Resources, in part to prevent unauthorized third-party access to or use of such Resources.

AUTHORIZED INSTRUCTION AND REINFORCEMENT:

Only individuals who are officially certified by CKH and maintain active certification status are authorized to deliver "formal instruction", training, or facilitation of CKH content.

As a clarification, CKH's Process Champions Implementation Visits, Campus and District Traction Visits, subsequent trainings, etc., are structured to provide educators already trained in CKH-1 more tools to help coach educators from their school already trained in CKH-1 on the general principles and concepts of CKH, the CKH Process and associated CKH tools. For these educators who experience Process Champions or other consultative visits/trainings, they may reference, model, or reinforce the principles of CKH in the normal course of meetings, conversations, coaching sessions, or daily interactions, provided that such reinforcement does not constitute formal instruction or initial CKH training.

Clarification of "Formal Instruction"

"Formal instruction" refers to structured teaching sessions, workshops, or trainings (such as but not limited to Capturing Kids' Hearts 1 or 2, Process Champions, Leadership Blueprint, etc.) designed to educate others on the core methodologies, frameworks, or practices of CKH.

Brand Protection Note

Uncertified individuals or Client's designated CKH Process Champions may not represent themselves as certified facilitators, nor may they create or distribute instructional materials to support their role as a Process Champion or to reinforce the teaching of CKH.

CONFIDENTIALITY:

This Agreement and its various terms (including the pricing, combination of services and solutions, and other terms of all associated Products and Services section) as well as metrics, observations and personal information about Client's participants that may be contained or reflected in Deliverables (collectively, "**Confidential Information**") shall be treated as confidential by Client and shall not be disclosed to any third parties throughout the Term of this Agreement and for five (5) years thereafter. However, notwithstanding the foregoing, Client may disclose such Confidential Information in compliance with judicial or other governmental orders or open records requests, provided that (i) Client shall give CKH at least ten business days advance written notice before so disclosing in response to such orders or requests, and (ii) Client shall reasonably cooperate with CKH to accommodate any requests from CKH to secure protective orders or to limit the scope of responses to the extent legally permissible.

Section 6: Disclaimers

Client accepts and must accept all of the Resources, Access, Products and Services, including any work products, results or deliverables produced thereby (collectively, "**Deliverables**"), "AS IS" and with all faults and errors. CKH HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, THAT MIGHT RELATE TO THE RESOURCES, ACCESS, SERVICES OR ANY DELIVERABLES, EXCEPT FOR ANY SPECIFIC WARRANTIES THAT MAY BE EXPRESSLY PROVIDED IN THE TERMS OF THIS AGREEMENT, IF ANY. The entire risk as to the functionality, operation, and results is with the Client, and neither CKH nor any of its Consultants or other representatives assumes any risk or obligation in connection therewith. CKH hereby disclaims any and all liability, risk, obligation, or responsibility for decisions made or actions taken by Client after use of the Products, Resources, Access, Services, or any Deliverables. CKH shall in no way be responsible or liable for CLIENT'S use of (1) the Resources, Access, Products, Services, or Deliverables, (2) the information and data provided by third parties in order to use the Resources, Access, Products, Services or Deliverables; or (3) the information or results obtained through the Resources, Access, Products, Services or Deliverables. CKH does not guarantee or warrant any particular result or success as a result of the use of the Resources, Access, Products, Services, or Deliverables. Instead, the Resources, Access, Products, Services, and Deliverables should be considered tools to assist the Client, but they should not be treated as a singular solution.

In no event shall CKH or any of its Consultants or other representatives be liable for or responsible for any indirect, incidental, or consequential damages or injuries related to Client's or its representative's use of: (1) the Resources, Access, Products, Services or Deliverables; (2) the information and data provided by third parties in order to use the Resources, Access, Products, Services or Deliverables; or (3) the information or results obtained through the Resources, Access, Products, Services or Deliverables. The maximum possible liability of CKH shall not exceed the lesser of (a) the amount that the Client paid for the Resources, Access, Products, Services, or Deliverables that directly relate to the claim giving rise to such liability or (b) the full retail cost of those same Resources, Access, Products, Services or Deliverables.

No information shared by CKH verbally or in writing can be constituted to be professional advice, such as medical, legal, financial, psychological, business, or counseling advice. Diagnosing medical or psychological conditions cannot be done through a coaching process and should only be done by licensed professionals.

Section 7: Entirety & Interpretation

Once accepted, this Agreement together with the Terms of Use associated with our Websites represents the entire agreement, and supersedes any and all previous understandings, between you and CKH as pertains to our Products and Services and your Access to Resources. To be valid and enforceable, any amendment or modification to this Agreement, which may be in the form of a subsequent Products and Services Amendment that expressly invokes this Agreement, must be in a writing and signed by the respective authorized representatives to be bound thereby. This Agreement shall be construed, interpreted, and enforced exclusively under the laws and venue applicable in College Station, Brazos County, Texas. Section and paragraph headings have been included in this Agreement in hopes of facilitating ease of reference, but such headings shall not affect the interpretation of this Agreement. In the event of any inconsistency that cannot be

reasonably resolved between this Agreement and an applicable Products and Services, the Products and Services section shall control for purposes of resolving the inconsistency, and a more recent Products and Services section shall control over inconsistent terms in Products and Services section(s). To the extent of any inconsistency that cannot be reasonably resolved between this Agreement and the Terms of Use associated with our Websites, this Agreement shall control throughout the Term, while the Terms of Use will control after the Term. You also agree that this Agreement will not be construed against CKH by virtue of having drafted it.

Section 8: Acceptance & Term

To indicate your acceptance of this Agreement without changes, the Client should have its authorized representative sign where indicated below and return the signed Agreement to Capturing Kids' Hearts via email to kim.herman@capturingkidshearts.org. Once returned, the date of your authorized representative's signature shall be treated as the effective start date of this Agreement. The enforceable term of this Agreement ("**Term**") shall extend until all services on the Products and Services section are from the Effective Date, unless sooner terminated, except that the Term shall be automatically extended through the last day of your Subscription Access, including any and all Renewal Terms for such Access.

Either party to this Agreement may terminate this Agreement at any point during the Term by providing ninety days' written notice to the other in the event that such other party materially breaches any provision of this Agreement, unless that other party cures such breach during those ninety days. All unpaid payment obligations and all rights and obligations under Intellectual Property of this Agreement shall survive any termination of this Agreement.
