BOARD OF EDUCATION MEETING PUBLIC PARTICIPATION

The purpose of a Board meeting is for the Board to conduct the District's business and to deliberate and act upon matters before the Board unless the Board is specifically conducting a public forum. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public forum is being held for the purpose of receiving public input.

During portions of the Board's regular business meetings an opportunity shall be provided for members of the public to make comments regarding school related matters that appear as an action item on the posted agenda. To make such comments, members of the public are to complete the required form and submit it to the Clerk of the Board no less than 15 minutes before the meeting is called to order. Individuals or groups wishing to speak during the public comment period must provide the following information, in writing on the form provided, in order to speak before the board:

- Name of the individual;
- The agenda action item(s) the individual wishes to address;
- The organization the individual represents or is affiliated with, if applicable.

Persons addressing the Board during the "Public Comments" portion of a regular meeting Board meeting shall be allowed three (3) minutes to address the Board. If a group has requested to address the Board on a particular subject, the group will select one representative speaker for the group and will be allowed ten (10) minutes to speak collectively on behalf of the group's members. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. Generally, a maximum of fifteen (15) minutes will be allowed for the public comment period. If an extremely large number of requests to speak are received, the Board President may extend the total time limit for comments.

The District provides various grievance and complaint procedures for addressing concerns and complaints. Therefore, to avoid circumvention of those procedures and ensure fairness to all parties, no person will be allowed to place an item on the agenda or speak on the following matters:

1. Any issue involved in pending litigation or any investigation filed with an outside agency wherein the District, any employee, or the Board is a party;
2. Any pending grievances or complaints involving employees or students;
3. An employee disciplinary action, including suspension, demotion, non-reemployment or termination;
4. Any student suspension or appeal of a student suspension.

Persons addressing the Board shall not be permitted to engage in defamatory conduct or criticize individuals and shall not engage in disruptive behavior.

Board members and the District's administrative staff shall not respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly on the agenda as an action item or is properly considered new business as defined by law.

Dear Mr. Johnson:

Thank you for participating in our Basic Legal Services Program during the 2023-2024 school year. We appreciate the opportunity to serve Oakdale School this year and sincerely hope that you have found the Program to be a benefit. Public schools continue to face challenges on many fronts, and we are grateful for the opportunity to help you in responding to these challenges.

Our goal has always been to provide the very best legal advice and representation at a fair and reasonable cost. If you have worked with us for any length of time, you will know that the main benefit of our BLSP program is the hourly-rate discount. Historically, our hourly rates have increased infrequently, especially as public schools have faced budget shortfalls. Unfortunately, this is one of those years where we must adjust our hourly rates to keep up with the cost of doing business, and to ensure that we can provide the best legal services possible.

We are continuing the BLSP for the same annual cost of \$1,000.00. However, we are increasing our hourly rates by \$30 per hour. As before, the annual fee gives participants a discount of \$75.00 per month plus a reduced hourly billing rate for attorneys. For example, our non-BLSP clients will pay \$300.00 per hour for shareholder/of counsel time compared to \$245.00 per hour for BLSP clients - a savings of \$55.00 per hour. Our hourly rates remain well below the market rate for attorneys with comparable experience.

Enclosed is a contract for 2024-2025 school year and an invoice for the program fee. If the contract meets with your approval, please submit it to the Board for approval. If the Board approves, please return a signed contract to us along with the BLSP fee of \$1,000.00. If you have any questions about the firm or the contract, please do not hesitate to contact me.

Respectfully,

Laura L. Holmes

Dear Superintendent,

OSSBA appreciates the opportunity over the last year to assist your district in unemployment matters through membership in OSSBA Employment Services. It is time for your Board of Education to renew its membership in the Service.

Please find attached your Service Agreement for the 2024-2025 school year. You will notice in this Services Agreement a provision has been added that your district grant OSSBA Employment Services Third Party Administrator (TPA) access to the school's EZ Tax Express account so that we can appropriately administer the school's unemployment claims and assist with financial accounting and quarterly contribution reporting. OSSBA Employment Services has always asked our member school to grant TPA access. The only change is to formalize that requirement into the Services Agreement.

Please complete the Service Agreement and return it to our office at your earliest convenience. Please let us know if you have questions. You can reach Kim Bishop at kimb@ossba.org, Brandon Carey at brandonc@ossba.org or Tony Childers at tonyc@ossba.org. Or you may reach any of us by phone at 405.528.3571.

COMPREHENSIVE EMPLOYMENT SERVICE AGREEMENT

This Service Agreement is made this ___ day of _____, 2024, by and between Oakdale Public Schools (hereafter, "School") and Oklahoma State School Boards Association Employment Services Program (hereafter, "OSSBA").

The Board of Education of the School has voted to join the OSSBA Employment Services Program for the 2024-2025 school year and agrees to pay OSSBA an administrative fee in the amount equal to \$7.00 per employee.

Payment: During the term of this Service Agreement, not more than once each month, *an amount will be deducted from the School's OSSBA Employment Services Program Account* until the total annual administrative fee is paid in full. OSSBA records indicate 87 school employees, for a total annual administrative fee of \$ 609.00.

The administrative fee will be paid in exchange for employment related services provided by OSSBA, including but not limited to:

- 1) Providing complete legal representation by an Oklahoma licensed attorney in all aspects of the unemployment claims process before the Oklahoma Employment Security Commission (hereafter "OESC");
- 2) Auditing the payment of all unemployment claims to ensure the minimum is paid and any overpayments are recovered;
- 3) Providing quarterly reports of unemployment claims and amounts paid by the OESC to Claimants on the School's behalf;
- 4) Providing prudent management of School funds deposited in the School's OSSBA Employment Services Program Account;
- 5) Providing up-to-date Legislative and Administrative Law Updates to keep the School informed of changes that affect unemployment claims and costs; and
- 6) Providing opportunities for employment training and information.

Information Access: The School will grant to OSSBA Third Party Administrator (TPA) access rights to the School's EZ Tax Express Account administered by the Oklahoma Employment Security Commission (OESC) in order for OSSBA to appropriately administer School's unemployment claims and assist with financial accounting and quarterly contribution reporting. Further, the School agrees to provide OSSBA with access to other information systems administered by the OESC if access is deemed necessary to process unemployment claims on School's behalf.

Additional Deposits: In the event that a payment or deduction from the School's OSSBA Employment Services Program Account would deplete the Account to an amount less than zero (0), the School will be required to make an additional deposit to replenish the Account prior to OSSBA making any payment to the OESC.

RE: Membership Proposal Effective 07/01/2024

Dear Carl Johnson:

We are very pleased to provide you with the attached proposal for insurance coverages with Oklahoma Schools Insurance Group (OSIG).

OSIG is not a conventional insurance program. We are a public entity in the state of Oklahoma formed by an Interlocal Agreement and made up of member public school districts. Our organization is non-profit, **member owned** and controlled by a board of your peers. Our sole mission is to serve our member schools. Our promise is to provide quality insurance coverage and superior service at stable pricing. We are pleased that 538 school districts are members of OSIG. Our membership is strong and committed.

OSIG's financial position is excellent. No other Oklahoma school insurance program can provide you with this security. Our organization is continuously growing, improving and looking for new ways to serve Oklahoma schools. The group purchasing power of OSIG and a non-profit structure provides competitive insurance rates even in tough financial times.

Included in this proposal is information on OSIG's financial condition and summaries of enhanced coverages that only OSIG provides.

For the 07/01/2024 to 7/1/2025 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG before close of business June 28, 2024 in order to bind coverage effective July 1, 2024.

Loss control, risk management services and specialized insurance coverages included in OSIG program are:

- Enhanced Property and Liability Coverage
- Cyber Liability, Crime, Pollution, School Violent Acts Protection
- Online training in many different areas for your school employees
- Loss Control Site Surveys/Safety Inspections
- Member Only Risk Management Library at osig.org
- StopIt Anonymous Incident Reporting mobile and web app

Sincerely,

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with **broad insurance coverage through "A" rated insurance carriers and professional risk management services**. Over the past 22 years, OSIG's membership has grown to 538 and the program insures more than \$28.5 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools".

The group purchases insurance and reinsurance from "A" rated carriers. OSIG's insurance providers are long term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Arthur J. Gallagher Risk Management Services, Inc in Tulsa to administer the program. Gallagher is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your schools' property, your students, and patrons.

The strength of the liability portion of OSIG's offering is also important during these tough times. The program is backed by the foremost specialist in school liability insurance in the country. United Educators Insurance Company is second to none.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced insurance and risk management services you need to protect your schools' assets, your board, your staff and most importantly your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than \$9 million to our members over the years as distributions. Surplus at year ended 6/30/23 was more than \$6.4 million and our assets were more than \$46.7 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share the operating results at our annual members meeting held each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

<i>Statement of Net Assets</i>	
<i>As of 6/30/23</i>	
Cash	\$ 37,364,915
Other Assets	\$ 9,417,966
Total Assets	\$ 46,782,881
<hr/>	
Total Liabilities	\$ 40,333,906
Total Net Assets/Surplus	\$ 6,448,975

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at www.ok.gov/oid. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power with an intense focus on controlling member losses. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to \$1,000,000,000 for property losses and \$1,000,000 for liability claims in each and every occurrence subject to a \$10M annual aggregate limit. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations, and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member **school districts to make projections of OSIG's expected losses. OSIG adequately funds to,** or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses, and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.

Procedure to Renew Coverage

Notify your agent of your acceptance of this insurance renewal proposal. Your agent will advise the OSIG administrative staff in writing that you wish to renew the insurance coverage.

The signed Resolution by the member's Board of Education and return to OSIG in order to bind coverage effective 07/01/2024.

Payment Terms

Payment of the insurance cost is due the effective date of your coverage. A copy of your purchase order encumbering funds for payment of your insurance should be provided to OSIG as soon as available. A three (3) payment plan option is available.

Installment #1	1/3 of total	due 7/1/24

OSIG STRUCTURE

Our Member Schools Own OSIG

The members of OSIG own the risk pool.

Retained Profits

Unlike traditional insurance structure OSIG is able to ensure any underwriting profits and investment income are retained within OSIG.

Governed by Your Peers

Governed by a board of active school representatives. This ensures that decisions are made with firsthand knowledge of the challenges faces by schools.

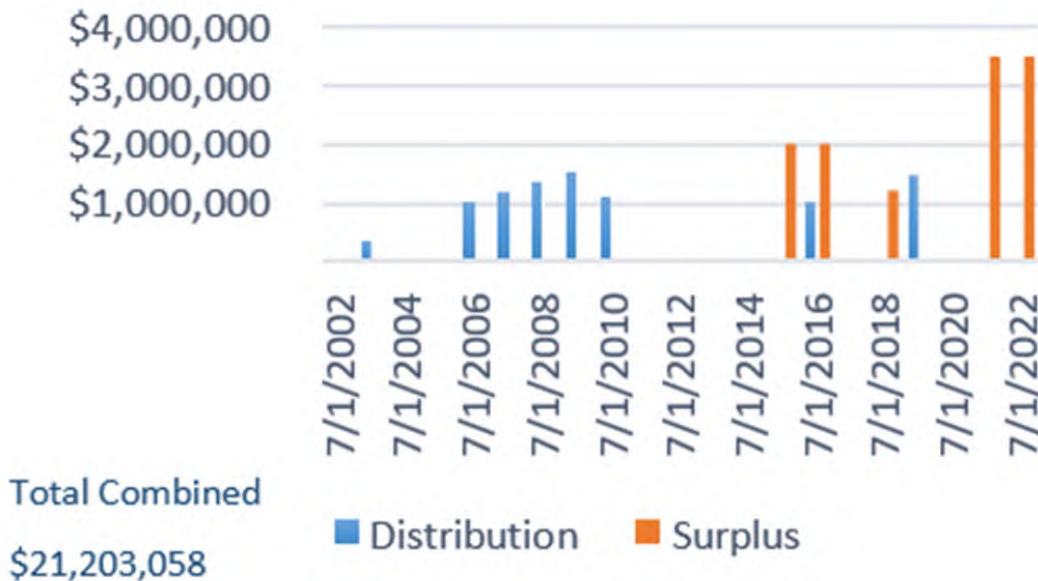

Premium Tax Exemption

As an interlocal OSIG is exempt from premium tax. This classification allows us to focus on cost effective solutions with limited tax liabilities.

Distribution & Surplus

Distribution and Surplus for OSIG Members

This graphic truly represents the most distinguished difference from OSIG compared to a standard insurance carrier. Since our members own OSIG any underwriting profits are retained within the risk pool, this allows OSIG to distribute **dividends** back to its members. Or use the **surplus** to reduce rate increases.

Rate Determination, Loss Ratios & Tiered Rates

Our rates are influenced by various factors, including our tiered rate categories, which are determined by your school's loss ratio. We have three categories:

Category A: Loss ratio less than 7%. Schools in this category receive a 5% credit added to their premium.

Category B: Loss ratio between 8% and 91%. No credit or debit is applied to premiums in this category.

Category C: Loss ratio greater than 92%. Schools in this category receive a 5% debit added to their premium.

**We evaluate the loss ratio each year and the loss ratio ranges are subject to change each year.*

The graphic illustrates the average number of severe weather watches per year over the past 20 years (2004 - 2023).

As depicted, most areas of Oklahoma are highlighted in yellow, indicating an average of 20 or more severe weather watches annually.

This underscores the significance of OSIG in safeguarding our state's schools. Many conventional insurance providers are unwilling to handle such risks. We've observed numerous insurers nationwide adjusting their risk tolerance due to heightened exposure.

We are entering the fifth year of our appraisal project, initiated to appraise all school buildings and structures within OSIG valued over \$250,000.

We will continue to appraise buildings every 5 years.

Understanding construction costs and the insured building value is crucial. With the OSIG Plan Document's 125% margin clause, it's essential to ensure proper insurance-to-value coverage.

For instance, if a building insured for \$1,000,000 is totally destroyed, OSIG would pay up to \$1,250,000 due to the margin clause.

While construction costs have yet to return to pre-COVID levels, we are noticing a stabilization and deceleration in year-over-year increases, indicating a leveling off in the market.

Steps to File a Claim

When Filing a Claim

In the event of experiencing a claim, it is crucial to promptly notify your insurance agent for immediate assistance. It is equally vital to provide your agent with detailed information regarding the loss. Your agent will then initiate the claim reporting process to OSIG on your behalf. If your agent is unavailable, you can directly report your claim to the OSIG administrative claim team. We understand the significance of quick action and comprehensive information when dealing with claims, and our dedicated team is here to support you throughout the process.

Prompt claim reporting is key in mitigating damages and also in reducing your exposure to litigation. OSIG depends on you to include all available information in an expeditious manner, as this valuable documentation will be used in defending OSIG cases.

New Deductible Changes 2024-2025

1. Improved Risk Management: By increasing the deductibles, we are encouraging our Members to take on a greater portion of the risk. This incentivizes them to implement better risk management practices, such as investing in preventive measures and maintaining higher safety standards. As a result, the overall number of claims is expected to decrease significantly, leading to a more stable and predictable insurance group.

2. Financial Stability: Reducing the number of claims from 2,070 to 704 not only reduces the workload for our claims department but also ensures greater financial stability for OSIG. With fewer claims to process, we can allocate our resources more efficiently, allowing us to focus on providing better customer service and improving other areas of OSIG.

3. Cost Reduction: While the 2% savings may seem modest, it still amounts to \$13.2 million over a 10-year period. This reduction in claims expenses can be reinvested in various aspects of OSIG such as enhancing our technology infrastructure, expanding our product offerings, or even passing on some savings to our members in the form of lower premiums. Additionally, the funds saved can be invested to generate investment income, further bolstering our financial position.

4. Reinsurance Benefits: The new deductible structure also has the potential to positively impact our reinsurance costs. With a lower number of claims and reduced claim amounts, our reinsurance partners will view us as a lower-risk client. This could lead to more favorable reinsurance terms, including lower premiums and improved coverage options.

5. Member Satisfaction: While the proposed deductible minimums may initially be met with some resistance from members, it is important to emphasize the long-term benefits. By implementing these changes, we are promoting a culture of risk awareness and responsibility among our members. This not only aligns with industry best practices but also demonstrates our commitment to their longterm success. Ultimately, members who actively manage their risks and experience fewer claims will benefit from lower premiums and a stronger insurance partnership.
