BOARD OF EDUCATION MEETING PUBLIC PARTICIPATION

The purpose of a Board meeting is for the Board to conduct the District's business and to deliberate and act upon matters before the Board unless the Board is specifically conducting a public forum. The public is encouraged to attend and to observe meetings of the Board and to participate whenever a public forum is being held for the purpose of receiving public input.

During portions of the Board's regular business meetings an opportunity shall be provided for members of the public to make comments regarding school related matters that appear as an action item on the posted agenda. To make such comments, members of the public are to complete the required form and submit it to the Clerk of the Board no less than 15 minutes before the meeting is called to order. Individuals or groups wishing to speak during the public comment period must provide the following information, in writing on the form provided, in order to speak before the board:

- Name of the individual;
- The agenda action item(s) the individual wishes to address;
- The organization the individual represents or is affiliated with, if applicable.

Persons addressing the Board during the "Public Comments" portion of a regular meeting Board meeting shall be allowed three (3) minutes to address the Board. If a group has requested to address the Board on a particular subject, the group will select one representative speaker for the group and will be allowed ten (10) minutes to speak collectively on behalf of the group's members. Groups consisting of three (3) or more persons shall designate a spokesperson who shall speak for and represent the group. Generally, a maximum of fifteen (15) minutes will be allowed for the public comment period. If an extremely large number of requests to speak are received, the Board President may extend the total time limit for comments.

The District provides various grievance and complaint procedures for addressing concerns and complaints. Therefore, to avoid circumvention of those procedures and ensure fairness to all parties, no person will be allowed to place an item on the agenda or speak on the following matters:

1. Any issue involved in pending litigation or any investigation filed with an outside agency wherein the District, any employee, or the Board is a party;
2. Any pending grievances or complaints involving employees or students;
3. An employee disciplinary action, including suspension, demotion, non-reemployment or termination;
4. Any student suspension or appeal of a student suspension.

Persons addressing the Board shall not be permitted to engage in defamatory conduct or criticize individuals and shall not engage in disruptive behavior.

Board members and the District's administrative staff shall not respond to questions or comments from the public since doing so could be in violation of the Oklahoma Open Meeting Act. The Board will not take any action on an item addressed by the public unless such item is properly on the agenda as an action item or is properly considered new business as defined by law.

DISPUTES:

It is your responsibility to review your statement or other documentation regarding transactions on your Account, such as without limitation reports or notices, promptly upon receipt.

If you think there is an error on your statement, write to us at:

Credit Cardholder Services Disputes
P.O. Box 2087
Omaha, NE 68103-2087

or call us at 1-855-340-8771, and tell us your name, Account number, dollar amount of the suspected error, and a description of the problem.

You agree to provide notice of, and at our request, reasonable documentation, regarding the problem within a reasonable time (not to exceed sixty (60) calendar days) from the date of discovery or your receipt of the first statement, report, or notice reflecting the problem, whichever occurs first, unless applicable law provides otherwise. If you fail to notify us of any discrepancy within sixty (60) calendar days of receipt of a monthly statement containing such information, you shall be precluded from asserting such discrepancy against us, and we shall not be liable for any losses resulting from your failure to give timely notice.

BALANCE COMPUTATION METHOD: Here is how we compute the balance subject to finance charge: We figure the balance subject to finance charge on your Account by the "average daily balance" (including current transactions) method. To get the "average daily balance," we take the beginning balance on your Account each day, add any new purchases/advances/fees, and subtract any unpaid interest or other finance charges and any payments or credits. This gives us the daily balance. Then, we add all the daily balances for the billing cycle and divide the total by the number of days in the billing cycle. This gives us the "average daily balance," which will be the balance subject to the finance charge.

PAYING INTEREST: You will not pay a finance charge on Credit Purchases if you fully pay your Account each month by the due date shown on your statement.

Terms & Conditions

1. **Scope.** These Customer Terms and Conditions are a legal agreement between Amplify Education, Inc. ("Amplify") and the local education agency or authority, school district, school network, independent school, or other regional education system ("Customer") for the license and use of one or more of Amplify products or services (the "Products"), as specified in the receipt, price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the "Quote"). These Customer Terms and Conditions, all addenda, attachments, and the Quote, as applicable (together, the "Agreement"), constitute the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement will supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and will supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof.

2. **Agreement Acceptance.** This Agreement becomes effective at the earliest of the following: (i) issuing a purchase order, shipment request, or payment against the Quote; (ii) accessing, downloading, or using the Products; or (iii) otherwise accepting this Agreement. This term of the Agreement will be as specified in the Quote and may be renewed or extended by mutual agreement of the parties. Customer represents and warrants that: (1) Customer is of legal age to accept this Agreement; (2) Customer is authorized to accept this Agreement and to access and use the Products; and (3) Customer's use of the Products will comply at all times with Amplify's [Acceptable Use Policy](https://amplify.com/acceptable-use) available at amplify.com/acceptable-use ("AUP"). The Customer may not access, download, or use the Products if the Customer does not agree to this Agreement.

3. **License.** Subject to the terms and conditions of the Agreement, Amplify grants to Customer a non-exclusive, non-transferable, non-sublicensable license to access and use, and permit Authorized School Users, as defined below, to access and use the Products in accordance with the AUP, for the duration specified in the Quote (the "Term"), and for the number of Authorized School Users specified in the Quote for whom Customer has paid the applicable fees to Amplify. "Authorized School User" means the K-12 students registered or authorized for instruction with Customer and the educators, agents and staff members who use the Products as authorized by Customer who Customer permits to access and use the Products subject to the terms and conditions of the Agreement, solely while such individual is so employed or so registered. Each Authorized School User's access and use of the Products will be subject to the AUP in addition to the terms and conditions of the Agreement. Violations of this Agreement or the AUP may result in suspension or termination of the applicable account.

4. Restrictions. Customer may access and use the Products solely for non-commercial instructional and administrative purposes. Guidelines for such purposes may be set forth at <https://amplify.com/amplify-program-usage-guidelines/> and additional guidelines may be detailed in materials associated with the Product the Customer is accessing. Customer also agrees that any works created in violation of this section are derivative works, and, as such, Customer agrees to assign, and hereby assigns, all right, title, and interest in such works to Amplify. The Products and derivatives thereof may be subject to export control laws, restrictions, regulations, and orders of the U.S. and other jurisdictions (together, "Export Laws"). Customer agrees to comply with all applicable Export Laws, and will not, and will not permit Authorized School Users to, export, or transfer for the purpose of re-export, any Product to any prohibited or embargoed country in violation of any U.S. export law or regulation. Amplify Products are protected by patents (see amplify.com/virtual-patent-marking). Amplify reserves the right to update or modify the Products at any time and to discontinue the Products upon reasonable notice.

6. Payments. In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer will be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

7. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported to Amplify by Customer within 60 days of receipt. In such case, Customer may not return Products without Amplify's written authorization.

8. Account Information. For subscription Products, the authentication of Authorized School Users is based in part upon information supplied by Customer or Authorized School Users, as applicable. Customer will and will cause its Authorized School Users to (a) provide accurate information to Amplify or a third-party service as applicable, and promptly report any changes to such information, (b) not share login credentials or otherwise allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized School Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized School Users.

9. Confidentiality. Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized School Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how, or trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer

prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

MEDICAL MARIJUANA

The district will not regulate or take any adverse action against an employee for holding a medical marijuana license, *unless the employee occupies a 'safety-sensitive position' as defined by Oklahoma law (including, but not limited to, operating district vehicles/machinery, carrying a firearm, or providing direct child care). In accordance with state law, all employees in safety-sensitive positions are strictly subject to a zero-tolerance drug and alcohol standard, and a confirmed positive drug test for marijuana will result in adverse employment action regardless of license holder status.* The school district may take action against an employee who possesses a medical marijuana license if the employee uses or possesses, *or is under the influence of/impaired by marijuana while at school or during the hours of employment, or if a positive drug test occurs in accordance with the district's standalone Workplace Drug and Alcohol Testing Policy* ~~marijuana while at school or during the hours of employment as per~~ 63 O.S. § 425.

Students whose medical condition requires the use of medical marijuana are allowed to access and utilize marijuana in accordance with state law. School personnel are not legally permitted to administer medical marijuana to students. The district will provide a private location for a caregiver to administer medical marijuana to students at school. Oklahoma law limits who may act as a caregiver and any caregiver will have a medical marijuana license designating them to act on behalf of a student. The caregiver is responsible for bringing the medical marijuana to the qualifying student and promptly removing the medical marijuana from the premises after consumption or use.

Upon arriving at school, the caregiver will follow district protocol with regard to check in and departure.

There will be no smoking on school premises of any substance 24/7 in accordance with the state's no smoking act. At no time will marijuana be grown or stored on school premises.

School employees will not under any circumstances

- a. Assist students in obtaining or using medical marijuana;
- b. Store medical marijuana for students;
- c. Take and/or use a student's medical marijuana;
- d. Serve as a student's designated caregiver, unless the student is the child or in the legal custody of the employee.

The district reserves the right to discipline employees or students who fail to adhere to Oklahoma law and/or the requirements of this policy. Such disciplinary action will be addressed in accordance with the student discipline code and/or the standards of conduct for employees. Employees may be subject to termination or nonreemployment.

The district may refuse to hire, or may take adverse employment action against, a medical marijuana license holder if failing to do so would cause the district to imminently lose a monetary or licensing-related benefit under federal law or regulations.

If a student has specific procedures regarding medical marijuana that are written into the student's Individualized Education Program (IEP) and such procedures are consistent with state and federal law, those provisions will take precedent over this policy.

SEIZURE-SAFE SCHOOLS

The district will ensure that any student who is diagnosed with a seizure disorder, will be provided with a seizure action plan that is a written, individualized health plan designed to acknowledge and prepare for the student's health care needs.

When the district has a student enrolled who has a seizure disorder and has a seizure rescue medication or other medication prescribed to treat seizure disorder symptoms which is approved by the Food and Drug Administration **and any successor agency**, the requirements of the Seizure-Safe Schools Act will become applicable to the district. At that time, the district will have at least one employee at each school the child attends who has met the training requirements necessary to:

1. Administer or assist with the self-administration of a seizure rescue medication or medication prescribed to treat seizure disorder symptoms as approved by the United States Food and Drug Administration; and
2. Recognize the signs and symptoms of seizures and the appropriate steps to be taken to respond to these symptoms.

Before a seizure rescue medication can be administered to a student to treat seizure disorder symptoms, the student's parent or legal guardian shall:

1. Provide the school with written authorization to administer the medication at school;
2. Provide a written statement from the student's health care provider that will contain the following information:
 - a. The student's name;
 - b. The name and purpose of the medication;
 - c. The prescribed dose;
 - d. The route of administration;
 - e. The frequency that the medication may be administered; and
 - f. The circumstances under which the medication may be administered.
3. Provide the prescribed medication to the school in its unopened, sealed package with the label affixed by the dispensing pharmacy intact; and
4. Collaborate with school personnel to create a seizure action plan.

Written authorization shall be maintained in the office of the school nurse or school administration and shall be distributed to any school personnel or volunteers responsible for the supervision or care of this student. The written authorization is effective for the school year in which it is granted and may be renewed each following school year.

A school employee may not be subject to any disciplinary proceeding resulting from an action taken in compliance with the Seizure-Safe Schools Act. Any employee acting in accordance with the provisions of this act shall be immune from civil liability unless the actions of the employee rise to a level of reckless or intentional misconduct.

A school nurse shall not be responsible for and shall not be subject to disciplinary action for actions performed by a volunteer, unless the actions of the employee rise to a level of reckless or intentional misconduct. A school nurse shall not be responsible for, and shall not be subject to disciplinary action for, actions performed by a volunteer **who has been trained to administer medication under this Act.**

District Technology Choice & Discretionary Opt-Out Form

At Oakdale School District, we believe technology is a powerful tool for learning, but we also value tactile, non-digital experiences.

We recognize that families have different comfort levels with screen time. This form allows parents/guardians to opt their child out of **discretionary (optional) digital tools**, while ensuring they continue to participate in essential digital instruction and required state/district assessments.

Core Educational Technology (Cannot Be Opted Out)

By alignment with state standards and district curriculum, all students will continue to use technology for:

- **Required Assessments:** State-mandated testing and district-level progress monitoring.
- **Essential Instruction:** Targeted digital lessons where no equitable paper-based alternative exists to measure or deliver the specific learning standard.
- **Digital Literacy:** Fundamental skills training (e.g., basic typing, digital safety).

Discretionary Technology Opt-Out Options

Please check the areas where you wish to limit your child's technology use. The school will provide alternative, non-digital activities (such as paper-based tasks, reading, or tactile learning) for these periods.

- ☐ **Discretionary / Free-Time Screen Use:** I opt my child out of using digital devices during reward time, indoor recess, or transition periods when digital media is offered as an option.
- ☐ **Supplemental Practice / Enrichment Apps:** I opt my child out of optional digital skill-practice programs (e.g., gamified math or reading apps) when used as independent station work, preferring paper-and-pencil alternatives.
- ☐ **Digital Media Consumption:** I opt my child out of watching non-instructional videos or digital stories during class downtime.

Acknowledgement & Signature

I understand that by opting my child out of discretionary technology, they will be given high-quality, pencil-and-paper or tactile alternatives during those times. I also understand that my child will still be required to utilize digital devices for essential instruction and assessments as outlined in Section 1.
