Teacher candidates must demonstrate instructional competencies, administrators are expected to develop, within their context, the capacity to recognize effective literacy instruction, provide coaching and feedback, and foster a culture of literacy.

(4) Standard 2: Curriculum, Instruction, Assessment, and Evaluation: The Educator Preparation Provider (EPP) will ensure that candidates understand and demonstrate the capacity to lead the development, implementation, and evaluation of evidence-based, culturally and linguistically responsive literacy instruction aligned with state and federal policy, including the ability to:

(a) Demonstrate the knowledge and understanding of core, supplemental, and intervention literacy materials and the process for selecting materials that align with state standards and reflect the diversity of Oregon learners.

(b) Recognize reading difficulties across a continuum of severity and understand how to align instruction, resources, and interventions accordingly.

(c) Coach and effectively evaluate educators in their literacy instruction including the appropriate use of disaggregated data to monitor instructional impact and promote continuous improvement.

(d) Facilitate equitable assessment practices, including the use of valid, reliable, and bias-free literacy assessments.
