Bryce Dunford, Board First Vice President
Marilyn Richards, Board Second Vice President
Jen Atwood, Board Member
Niki George, Board Member
Darrell Robinson, Board Member
Matt Young, Board Member
Anthony A. Godfrey, Superintendent
Michael Anderson, Associate Superintendent
John Larsen, Business Administrator
Paul Van Komen, BVKTS Law

President Miller presided and conducted. The Board of Education met in a study session to discuss the following:

A. Proposal for Initial Use for the Flex Building

Superintendent Godfrey remarked that, per Board request, he discussed the use for the flex building with Cabinet. Their recommendation was to initially use the building as a fourth, fifth, and sixth grade elementary school, making Ridge View a kindergarten through third grade school. He noted the advantages, namely: it would be attractive to teachers who enjoy teaching older grades and the literacy efforts (Walk-to-Read program) focused on younger grades could continue at Ridge View. In addition, the flex building would not need smaller toilets and pick-up for students would be very convenient.

Board member Darrell Robinson said the Herriman police chief would like to be informed about the design phase. Bryce Dunford mentioned the schedule previously set for building design meetings, which was shared with Board members and the Herriman police chief.

Board members agreed to move forward on the design for housing fourth, fifth, and sixth grade students. They also expressed the importance of looking at the needs of Ridge View Elementary to accommodate the increasing enrollment of younger grades.

B. Review of Administrative Policy D200 *Philosophy of Instruction*

Tracy Miller, Board President explained an ad hoc committee was created to revise the Controversial Issues Policy that was written in 1969 and last reviewed in 2013, prior to the legislature passing HB374 *Sensitive Materials in Schools* and State Board Rule 277-328 *Educational Equity in Schools*. On behalf of the Board Executive Committee, Ms. Miller proposed the combination of the Controversial Issues policy with the D200 *Philosophy of Instruction* policy and asked for Board input.

Bryce Dunford, Board First Vice President, expressed the desire to protect parental rights while also preparing teachers to handle controversial discussions or topics.

Dr. Godfrey reviewed the changes proposed in the draft copy of Policy D200, noting it includes all legal requirements for the State.

After considerable discussion, the Board agreed to have the Ad Hoc Committee review the policy again and bring back changes to the Board meeting on July 26, 2022 with changes reflective of the Board's feedback.

C. Review of Administrative Policy AA440 *Library Media Selection and Review*

Dr. Godfrey said the intent of this review is to align Policy AA440 with other districts' similar policies in the State. He discussed, in detail, the changes included in the draft posted on BoardDocs and asked for Board input.

Board members discussed how books are selected, the process for parents if they wish to have a book reviewed, and manageable ways for review committees to handle the number of books in question. President Miller also asked if it is possible for parents to be notified when a child checks out a book.

Board members agreed to have administration bring back another draft of this policy to the July 26, 2022 study session as well as further information regarding the process for school library book parental notifications. In addition, the media challenge form will be updated to include online use.

D. Review of Administrative Policy AA424 *Literature Selection and Review*

Dr. Godfrey noted changes to Policy AA424 on the redline draft and Board attorney Paul VanKomen suggested including a definition of "literature" in regards to this policy.

Board members agreed to bring this back to a future study session for further discussion.

E. Discussion on Outdoor Venues and Tribal Regalia at Graduation

Due to time constraints, this discussion item was not addressed in this portion of the meeting.

At 5:58 p.m., the meeting adjourned. The Budget Hearing started at 6:12 p.m.

President Miller invited Superintendent Godfrey and John Larsen, business administrator, to conduct the budget hearing.

Introduction

Superintendent Godfrey stated that as the District's chief budget officer, the most important work he and staff members do is to wisely spend the money entrusted to the District by the taxpayers. He said this work is taken seriously and he stays in constant communication with Mr. Larsen about the budget and the allocation of resources. He also expressed appreciation for Mr. Larsen and his staff, and his relationship with Board members. He said the Board and District are careful to ensure every dollar is spent with purpose, responsibility and will have the "maximum positive impact."

Presentation of the 2022-23 Budget

Mr. Larsen thanked staff members Lisa LeStarge, Dan Ellis, Jason Mott, Natalie Grange, and Jaime Barrett. He gave special recognition to Mr. Mott for his outstanding work. Then, Mr. Larsen presented the following information about the District budget:

Operational Changes- Oak Leaf Elementary is currently under construction and will open this fall. Other operational changes include: Covid-19 federal grants, a reduction in District registration fees, student resource officer payment increases, State risk management premium increases, the continuation of the consistent substitute work bonus, Superintendent priorities, and the elimination of middle school ALPS bus routes.

State Revenues- The Utah State Legislature increased the WPU \$229 to 6.0% for the 2022-23 school year which will generate \$16.9 million in revenue, less the \$100,000 Local Replacement Fund for charter schools, for a total revenue increase of \$16.8 million.

Compensation- Mr. Larsen said the cost of a 1% wage increase is \$3.7 million. He said there were step and lane increases this year as well as a pay increase (COLA).

Enrollment Projections- The District's 2022-23 projected enrollment of 59,681 represents an increase of 1,841 (3.1%) from the October 1, 2022 enrollment. Mr. Larsen said if this projection holds true, Jordan District will become the third largest school district in the state.

Assessed Valuation- The 2022-23 assessed valuation per student, based on the State Board of Education legislative estimates, is projected to be \$528,973. This amount is the lowest in Salt Lake County, thus yielding a lower tax revenue.

Tax Rate Comparison- A state-wide comparison of 2021-22 tax rates places Jordan slightly below the state average. Jordan is the fifth from the lowest in the state on operational tax yield and ranks in the bottom third on facilities tax yield.

Financial Overview- Mr. Larsen presented a five-year financial overview of revenue, expenditures, and fund balance on a District-wide basis and for the major funds which include the General (aka Maintenance and Operation), Debt Service, Capital Projects, Nutrition Services, Self-Insurance, and Tax Increment Funds. Actual figures were provided for 2018-19, 2019-20, and 2020-21, final amended figures for 2021-22, and proposed figures for 2022-23.

District-wide- During 2022-23, it is estimated the District will receive 49.3 percent of its revenue from the state, 45.7 percent from local sources, and 4.9 percent from the federal government. Mr. Larsen said current year

revenues and expenditures are slightly inflated due to deferred revenues. Deferred revenues represent grant funds which are restricted and, therefore, are carried over until spent. These funds are budgeted to be spent in the current year. District-wide revenue, expenditures, and fund balance for 2022-23 is projected to be \$696.5 million, \$738.3 million, and \$169.4 million, respectively.

General Fund- The General Fund is the largest of the District's funds and is used to pay salaries, benefits, supplies, textbooks, and utilities. The projected general fund balance for the 2022-23 school year is \$67 million and includes employee benefits covered by the Board. The General Fund revenue, expenditures, and fund balance for 2022-23 is projected to be \$510.9 million, \$553.4 million (\$518 million without contingencies), and \$67 million (\$120.9 million without contingencies), respectively. Mr. Larsen noted 88.8% of the total expenditures are spent on personnel (65% wages and 23.8% benefits), and 11.2% on supplies, textbooks, and other purchases.

Debt Service Fund- The Debt Service Fund is used for mortgage payments for bonded indebtedness. Debt Service Fund revenue, expenditures, and fund balance for 2022-23 is projected to be \$23.1 million, \$22.6 million, and \$1.2 million, respectively. Currently, Jordan District's 2022 additional legal debt incurring capacity is \$1.9 billion. The District's general obligation debt is very low in comparison to other school districts. Mr. Larsen announced that tomorrow the final debt payment will be made on the bonds issued prior to the district split, thus concluding the district split.

Capital Projects Fund- This fund is used for building remodeling and renovation needs, new construction, and equipment purchases. Capital Projects Fund revenue, expenditures, and fund balance for 2022-23 is projected to be \$53.9 million, \$38.2 million, and \$67.9 million, respectively. Construction projects include Oak Leaf Elementary, but not the flex school being built to relieve Ridge View Elementary (since the contract has not been awarded yet).

Nutrition Services Fund- The Nutrition Services Fund is used for school lunch and breakfast programs. Nutrition Services Fund revenue, expenditures, and fund balance for 2022-23 is projected to be \$21.2 million, \$27.6 million, and \$6.8 million, respectively. Mr. Larsen noted that property taxes are not used in the operation of this program. Lunch/breakfast prices have not increased since 2010 and are not projected to increase for the 2022-23 school year. He also noted the federal government provided Covid-19 relief funds for free lunches last year which resulted in larger revenues; however this program will be discontinued next year.

Self-Insurance Fund- This fund is used for health and accident, Worker's Compensation, disability, and life insurance for employees. Self-Insurance Fund revenue, expenditures, and fund balance for 2022-23 is projected to be \$42.6 million, \$51.6 million, and \$19.3 million, respectively. No premium increase is planned for 2022-23.

Pass-Through Taxes Fund- This fund was created in the 2014-15 school year and is a state fund indicating the taxes received that are required to be sent to other municipalities. Since tax revenues collected are transferred to other governmental agencies, the fund balance will always be zero. Fund revenues and expenditures for the 2022-23 school year are projected to be \$27.7 and 27.7, respectively. Jordan District's 2022-23 local replacement contributions to charter schools is projected to be \$4,316,182.

Non-K through 12 Fund- This fund was used for programs such as preschool, adult education, and early intervention. In 2019, this fund was collapsed into the General Fund, so it is no longer used.

Jordan Education Foundation- The purpose of the Foundation is to support the mission and vision of Jordan School District and provide community outreach in spreading the word about positive things happening within the District. Foundation revenue, expenditures, and fund balance for 2022-23 is projected to be \$2.4 million, \$2.3 million, and \$1.5 million, respectively.

Student Activities Fund- This fund is used for tracking student fees, student activities, school donations, school fundraisers, and extracurricular activities. Student Activities fund revenue, expenditures, and fund balance for 2022-23 is projected to be \$14.8 million, \$15 million, and \$5.7 million, respectively.

Tax Rates- Mr. Larsen said the 2022-23 proposed tax rate will reflect a certified tax rate with Jordan District being revenue neutral, plus new growth as well as a proposed Board Local Levy increase sufficient to raise additional revenues the Board desired. He indicated that the actual tax rate for 2022-23 is undetermined because the assessed valuation and certified tax rates are still being calculated by Salt Lake County and the Utah State Tax Commission. The tax rate used for the purpose of preparing the 2022-23 budget is estimated to be 0.005193. The property tax per \$100,000 of residential market value for 2022-23 is estimated to be \$286 without a tax increase.

Truth-in-Taxation- A Truth-in-Taxation hearing is tentatively scheduled this year at Riverton High School, on August 2, 2022 at 6:00 p.m. The tax impact depends on the amount of additional tax revenue. At \$30 million, the estimated tax increase will be 15.21% or \$255 per average home (assumed average home value of \$585,900).

Board members had requested information about inflation, and Mr. Larsen showed that since 2009 the value of \$100 has fallen to \$76.60, but with the tax rate increase would be raised to \$88.25. In regards to State Guarantee Funding, he noted at current state funding levels, there will be a potential loss of over \$1.1 million in state funding which will increase each year. He also said the current Board tax rate places Jordan District at third from the lowest in the State, but with a proposed tax increase would move the District to thirteenth from the lowest if no other districts change their rate.

Conclusion. Mr. Larsen recommended the Board take the following action:

1. Adopt the 2021-22 final amended budget.
2. Adopt the 2022-23 proposed budget.
3. Authorize a Truth-in-Taxation hearing to set the property tax rates as follows:
 - a. Basic School Levy – the certified tax rate (as set by the Legislature)
 - b. Board/Voted Levies – a combined rate to yield an additional \$XX.X million above the certified tax rate yield
 - c. Debt Service Levy – sufficient to cover debt payments
 - d. Capital Local Levy – the certified tax rate
4. Authorize any budget adjustments necessary to reflect funds received from the certified tax rate and the Truth-in-Taxation Hearing

She said that although she has deep ties to this elementary, she believes it is a safety hazard and should be closed. Ms. Atwood dispelled rumors that nearby schools were too full to take students from West Jordan Elementary or that money that was intended to build the school was used instead for another school.

II. **Information Items**

A. **Superintendent's Report**

Superintendent Godfrey said he attended South Valley's graduation as well as four comprehensive high school graduation ceremonies. He enjoyed each of them and expressed gratitude to everyone involved.

III. **Discussion Items**

A. **Enrollment Considerations for Ridge View Elementary School for the 2022-23 School Year**

Matt Young said the flex building (Campus "B") has been approved and will be built by the 2023-24 school year, but the adjacent school, Ridge View Elementary, will have outgrown its building capacity the year prior, rendering the need for an interim solution for housing students.

Mike Anderson, Associate Superintendent, indicated for the 2023-24 school year, Ridge View will be 175 students over enrollment capacity. He proposed three possible solutions:

1. House sixth grade students at one of the following nearby schools:
 - a. South Hills Middle School
 - b. Oak Leaf Elementary
2. Pocket bus neighborhoods to a nearby school, using one of these options:
 - a. Pocket bus south of Mountainview Corridor to Oak Leaf Elementary
 - b. Pocket bus in the "Real" neighborhood to Oak Leaf Elementary
 - c. Pocket bus all students in the "Real" and Juniper Bend neighborhoods to Oak Leaf
3. Permanently change boundaries affecting Ridge View and the following schools:
 - a. Boundary change with Blackridge Elementary
 - b. Boundary change with Blackridge and Foothills Elementary

Mr. Anderson noted that all three options would require the 120 days' public notice. After discussion, President Miller called for a motion.

MOTION: It was moved by Matt Young and seconded by Darrell Robinson that staff will move forward with concept 1 of the Ridge View Options in notifying communities and to further study option 1A and 1B with the purpose of bringing a recommendation to the Board at a future date. The motion passed with a unanimous vote.

Mr. Young proposed that the principal of the new flex school begin in the fall of 2023 instead of the typical start date of January of the next school year. This would enable the principal to oversee the group of sixth graders that will be attending the flex school, but housed temporarily at the nearby school. It would also allow the administrator further time to prepare for the opening of the flex school and opportunity to provide support for other principals while the school is being completed. The Board agreed to moving forward with this option.

B. Committee Reports and Comments by Board Members

Bryce Dunford, Facilities Advisory Committee, said the committee advocates the Board approve the Olympia Development addendum to avoid negotiating with Salt Lake County on the flow rate request and to expand the Districts' retention cost. He asked that this be included on the agenda for the July 26, 2022 study session.

Darrel Robinson, Community Outreach Committee Chair, also requested time to discuss committee issues at the July 5, 2022 study session.

Niki George, Government Relations Chair, said her committee would like more opportunities to act with city leadership. She proposed bringing back "Mayor Roundtables," beginning with the August 9, 2022 Board study session from 5:30 p.m. to 6:30 p.m. The Board agreed with this suggestion.

Tracy Miller gave reminders of the Jordan Education Foundation annual golf tournament on June 23, 2022 and the Utah State Board Association webinar being held June 23, 2022.

MOTION: It was moved by Bryce Dunford and seconded by Darrell Robinson to table study session agenda item E- Discussion on Outdoor Venues and Tribal Regalia at Graduation. The motion passed with a unanimous vote.

FOR

Approved: _____

**FIRST ADMINISTRATIVE MODIFICATION
TO THE
MASTER DEVELOPMENT AGREEMENT FOR OLYMPIA**

THIS FIRST ADMINISTRATIVE MODIFICATION TO THE MASTER DEVELOPMENT AGREEMENT FOR OLYMPIA (the “First Modification”) is made and entered as of the _____ day of _____ 2022, by and between HERRIMAN CITY, a political subdivision of the State of Utah, by and through its City Council, THE LAST HOLDOUT, L.L.C., a Utah limited liability company, JORDAN SCHOOL DISTRICT, a Utah school district, and OLYMPIA LAND, LLC, a Utah limited liability company.

RECITALS

A. The parties entered into a Master Development Agreement for Olympia which was recorded on November 16, 2021 as Entry No. 13825061 in the official books and records of the Salt Lake County Recorder (the “MDA”).

B. Section 7.1.1 of the MDA allows administrative modifications to the MDA that do not require “approval of the Council.”.

C. Salt Lake County is proposing a change to storm water release rates. These proposed changes would affect the development of the Planned Community and, as such, warrant a modification to the MDA.

D. The Parties therefore desire to modify the MDA by formalizing the discharge rates as set forth in greater detail herein.

E. Salt Lake County, while not a party to the MDA, consents to this First Modification.

F. The parties have cooperated in the preparation of this First Modification.

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the City and Master Developer hereby agree to the following:

MODIFICATION

1. **Effect of this First Modification.** Other than a specifically amended herein by this First Modification, the MDA shall remain in full force and effect.

2. **Storm Water Release Rates for Design of Infrastructure.** The Parties acknowledge, and the County consents, that the storm water release rate for the Planned Community shall be 0.1cfs/acre and that all Development Applications for the Planned Community shall use that assumption in the design and construction of all applicable infrastructure, both public and private.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement by and through their respective, duly authorized representatives as of the day and year first herein above written.
