

DRAFT MINUTES

JUNE BOARD OF CONTROL MINUTES

June 9, 2026

**1975 Providence Parkway
Mt. Juliet, TN 37122**

Note: The following plan is used in recording the business transacted by the Board of Control. First name listed is the one who made the motion; second name listed is the one who seconded the motion. Motion carried unanimously unless otherwise noted.

Call to Order

Present: Mark Dunn, Dennis Goodwin, Mark Price, Mike Reed, Stephen Sheaffer, Patrick Spangler, Dr. Jon Stencel, Grant Swallows, Bryan True, Dexter Williams, Jody Wright. Ex officio members present were Dan Black, President of the Legislative Council; Dirk Ash, representing the Tennessee Association of School Principals; Greg Wyant, representing the Tennessee Interscholastic Athletic Administrators Association; Marlon King, representing the Tennessee Organization of School Superintendents; Dan Schlafer, representing the Tennessee School Boards Association; and Russ Plummer representing the Tennessee Athletic Coaches Association. Rick Colbert and Sarah Ingalls, representing Thompson Burton, attorneys for the association, were also present. Present from the state office staff were Mark Reeves, Matthew Gillespie, Richard McWhirter, Joe Blair, EJ Wood, David Uyl, Brenda Dwyer, Courtney Brunetz, Shonnie Speicher, Heather Carter, Kim Alley, Halie Tunks, Lamar Lee, Lexie Crawford, and Lauren Jones.

Roll Call

Approval of Minutes

True - Spangler: To approve the Minutes of the March 4, 2026, meeting without reading since members had been sent a copy for review.

The members of the Board of Control voted by roll call.

Mark Dunn: Yes
Dennis Goodwin: Yes
Mark Price: Yes
Mike Reed: Yes
Stephen Sheaffer: Yes

Patrick Spangler: Yes
Dr. Jon Stencel: Yes
Grant Swallows: Yes
Bryan True: Yes
Dexter Williams: Yes
Jody Wright: Yes
Yes: 11, No: 0

Motion Carried.

Financial Reports

2026 Basketball Tournament Series Financial Report

Mark Reeves brought this information to the members of the Board. No action was required.

2026 Basketball State Tournament Allotments

Mark Reeves brought this information to the members of the Board. No action was required.

2026 Wrestling Tournament Series Financial Report

Mark Reeves brought this information to the members of the Board. No action was required.

2026 Cheerleading Coaches Conference Financial Report

Mark Reeves brought this information to the members of the Board. No action was required.

Reports & Updates

TSSAA Office Construction Update

Mark Reeves updated the members of the Board on the progress of the construction project. Construction is still on schedule with completion dates projected for February 2027. The staff locked in an interest rate of 3.85% in January 2026. No action was required.

Sportsmanship - Review of the 2025-2026 School Year

EJ Wood provided an overview of the data and reviewed the incident report process. David Uyl reviewed how he uses the incident reports to educate officials and follow-up with the reporting official, if needed. New testing requirements will also be implemented for officials. A sportsmanship advisory committee will be formed by the state office to emphasize education-based athletics, expand education for players, parents, and fans, increase the capacity for coaches to lead, provide game administration support, and develop proactive instead of reactive strategies. The Board requested that this data be shared with all member schools. No action was required.

2026-27 Administrators' Meetings & Regional Meetings

No action was required.

Media Update

Matthew Gillespie updated the members of the Board. No action was required.

Boys Volleyball Proposal for 2026 Regional Meetings

This item was brought to the Board as an information item for discussion only. No action was required.

Participation on School Teams Outside of the Sport's Season

The Board would like to see other state association's policies on this issue, while still maintaining school sports seasons. One consideration could be a limit of allowed events.

Spring Fling Recap/Discussion

This item will be included on the agendas of the Regional and Administrators' meetings for discussion. The earliest any format change could be implemented would be the 2027-28 school year. Options that were discussed included the following: Moving some Division II events to Week One pending availability and feasibility. Bringing DII baseball, softball, and soccer finals only to a central site. Frost Stadium may be an option for softball, but parking could be an issue. Frost has 5 fields, so the tournament would need an extra day. Starting Spring Fling on Monday would give an extra day for the weather. The staff will come up with some alternatives to consider and start developing a survey for school administrators.

Review Classification Process/Timeline

Mark Reeves brought this information to the Board. No action was required. **Present:** Scott Vogel.

Transfer Eligibility Discussion

The Portal will open for 2026-27 transfer submissions after the Dead Period. Students can be submitted after they have practiced three or more days with a fall sport after the TSSAA first official practice date or attended classes at the new school for three or more days.

Business Items

Enrollments for Classification 2027-2029

Williams - True: to approve utilizing the ADM for the 2025-2026 school year to determine enrollments for DI and to use the first 20 day enrollments submitted by August 31 by member schools for DII.

The members of the Board of Control voted by roll call.

Yes: 12, No: 0

Motion Carried.

Basketball Shot Clock

Wright - Williams: To approve the following: 1. The first three years, the shot clock could be used for Hall of Champions games and Holiday classics and tournaments during the school year and competitions during the summer. 2. Full implementation (regular season and post season) would be in year 2029-30. 3. The state office staff will work with the Board of Control to establish guidelines for the gradual implementation such as staffing, operator fees, etc. that will be communicated to the membership as they are developed.

TSSAA Board of Control

TSSAA Executive Director Mark Reeves

3333 Lebanon Road

PO Box 319

Hermitage TN 37076

Dear Board of Control and Mr. Reeves,

Page High School would like to respectfully propose Boys Volleyball as an emerging sport in the spring of the 2026-2027 school year and a TSSAA sanctioned sport in the spring of the 2027-2028 school year. Boys Volleyball is currently a club sport with 28 TSSAA-participating school programs across 11 counties competing, however there are 75 schools that are represented with at least one individual playing boys' volleyball on an established school team or have shown interest in forming a program.

We would propose that Boys Volleyball first practice date be NFHS Week 32 (Baseball, Softball, Soccer, Track), and the first competition date would be NFHS Week 35 (Baseball, Softball, Soccer, Track).

There are currently 30 U.S. states where boys' volleyball is a sanctioned sport with three states bordering Tennessee. North Carolina recently voted to sanction boys' volleyball for the 2026-2027 school year on May 6, 2026. According to 2024-2025 NFHS data, there are 95,972 boys playing volleyball. The Tennessee Boys Volleyball Association has a website www.tennesseeboysvolleyballassociation.com with more in-depth information about the growing trends in the sport.

I have also personally witnessed the growth of boys' volleyball at Page High over the past two years. Here are the benefits I have seen as athletic director:

- Opportunities for males that typically do not tryout/play on other sports programs**
- Positive character and team building**
- Healthy competitions**
- Volleyball officials training at the boys' volleyball games**
- Collegiate scholarship opportunities**

-Boys taking an interest in the sport, then moving into officiating, coaching, team management, sports management, etc.

-ZERO to little overhead costs as schools already have volleyball equipment on campus

-Available gym space in the spring due to all spring athletics being outside

Page High School and I positively support the mission of the TSSAA "in benefiting the broader community by providing equitable opportunities for student-athletes and fostering personal growth through participation in organized sports. These programs not only complement classroom education but also instill lifelong skills that prepare students to become positive contributors to society" and we believe that adding Boys Volleyball as a sanctioned sport would continue to fulfill the organization's beliefs.

Thank you.

Dr. Katherine Hill

Spring Fling is the largest logistical undertaking on the TSSAA calendar, coordinating championships across multiple classifications and sports simultaneously. While Week 1 showcased a number of new facilities and featured perfect weather, Week 2 exposed vulnerabilities in our current tournament structure due to extended weather delays.

Week 1: Highlights & Logistics Overview

- **High School Tennis & Middle School Softball:** High School Tennis thrived at Chattanooga's Champions Club. Middle School Softball successfully utilized the all-turf layouts at Frost Stadium, eliminating weather risks for those brackets.
- **Middle School Baseball & Middle School Soccer:** Contests were efficiently managed at East Hamilton and Ooltewah High Schools, culminating in final rounds at Lee University. Middle School Soccer proceeded smoothly at the Siegel Soccer Complex in Murfreesboro.
- **Track & Multi-Events:** The Decathlon and Pentathlon events were held at high school venues (Hardin Valley Academy, FRA, Ensworth)
- **Boys and Girls Lacrosse & Girls Flag Football:** High School Boys and Girls Lacrosse generated impressive crowds in their second year at Ravenwood and Centennial High Schools. Girls Flag Football delivered a historic, showcase finish with Ravenwood overcoming a 25-0 halftime deficit to secure the AA title 27-25 over Mt. Juliet.

Week 2: Weather Challenges

Week 2 experienced unprecedented weather disruptions, marking what some might say was the most operationally challenging week for TSSAA in many years. Rain and lightning impacted events every day from Wednesday through Saturday.

- **Facility Strain:** Softball turf backups were unavailable on Saturday. Baseball games had to be played later than we would have liked, with some ending past midnight at local high schools. Soccer was able to proceed after several lightning delays due to the presence of turf fields at the Richard Siegel Soccer Complex, although the championship games had to be moved from the stadium to the secondary turf fields. TSSAA was forced to completely abandon MTSU for the Division I Baseball Championships on Friday due to a saturated infield and the unlikely prospect of playing four games in a single day on a field without turf and rain in the forecast. As a result, all championship games were played on Friday at local high schools (Siegel, Riverdale, Oakland, MTCS).
- **Emergency Relocations:** To avoid having teams play more than two games in a day (a practice heavily criticized when Division II was forced to do so last year), we decided to push the

championships one day with Division II Softball playing on Friday and Division I Softball championships playing on Saturday. Riverdale High School and Shelbyville High School graciously offered their facilities as a backup in the absence of a turf field. The Division II Class A Softball Championship was completed on Friday as scheduled at MTSU, but the Division II Class AA championship between Baylor and Chattanooga Christian was suspended with the score tied 3-3 in the 6th inning. The field was lost at MTSU, which initiated the contingency plan to finish this game at Riverdale, but the heavy rain made that impossible with the flooded outfield. The decision was made to send the two schools home, and arrangements were made for Baylor and Chattanooga Christian to finish the game on Saturday at Frost Stadium in Chattanooga, while we attempted to play two Division I Championship games at Riverdale and two at Shelbyville Central. Riverdale's outfield once again became unplayable after heavy rain, which forced the Class 3A game, which was suspended, as well as the 4A game, to be moved to Shelbyville Central as well. Shelbyville Central High School became the sole host for all four softball state championships.

- **The Near-Miss:** At 8:00 PM on Saturday, the Class 4A Softball Final (Stewarts Creek vs. Maryville) was halted by a lengthy lightning delay, with no clear window to play until 3:00 AM. Discussions began on what would happen if the games could not be finished, with no clear solutions on the table. Fortunately, a weather window appeared, allowing play to resume at 10:40 PM, with teams and staff finally exiting the complex at 12:30 AM Sunday morning.

Despite the extraordinary efforts of state office staff, site directors, officials, coaches, and local volunteers, TSSAA was pushed to the brink of the "nightmare scenario" that has been discussed before... the inability to finish state championship tournaments before losing student-athletes to post-Memorial Day weekend roster attrition. In an effort to reduce the likelihood of this occurring, address the concerns from participating school administrators regarding significant travel costs for hotels and food, and respect the operational limits of the event partners and our volunteer network, the state office staff is requesting authorization to develop alternative tournament formats for the Board of Control and TSSAA membership to review. In consultation with affected school administrators, options could center around shifting to single-elimination formats in baseball and softball or executing the quarterfinal rounds at high school sites prior to bringing the 'Final Four' teams to the centralized state venue.

2026 Classification Timeline

June/August 2024

- Board of Control decided on a classification plan for a four-year cycle (2025-2026, 2026-2027, 2027-2028, 2028-2029 school years) regarding the number of classes in each sport for both Division I and Division II

Prior to August Board of Control Meeting

- Receive from the State Department of Education the 2025-26 ADM enrollment figures used to determine TISA funding for public schools

Week of August 31, 2026

- Request enrollment numbers from independent schools as of August 31.
- Give Division II Football-playing schools the opportunity to declare that they will participate in Class AAA

Week of September 14, 2026

- Post enrollments on TSSAA.org

September 22, 2026

- Post classifications on TSSAA.org
- Send memo to all schools giving them the opportunity to move to higher class

September 29, 2026

- Deadline for schools to move up in classification
- Deadline for selecting protected open date for 2027 and 2028 region football scheduling
- State office begins preparing district/region alignments

November 12, 2026

- Finalized district/region alignments posted to TSSAA.org

November 19, 2026

- Board hears district/region alignment appeals

November 23, 2026

- Region football schedules released for 2027 and 2028

Proposal for Shot Clock Implementation in Tennessee High School Basketball

The following high schools across the state of Tennessee Lenoir City, White County, Upperman, Webb School of Knoxville, Lebanon, Bartlett, etc; endorsed by the Basketball Coaches Association of Tennessee (BCAT) propose for the Tennessee Secondary School Athletic Association (TSSAA) to implement a **phased approach** for introducing shot clocks to high school basketball across the state. This proposal outlines a comprehensive 3-year implementation plan that ensures proper preparation, training, and gradual adoption of this important game enhancement.

Phase 1: Pilot Implementation (2026-27 Season)

Limited Implementation Strategy

During the first year of implementation, shot clocks will be utilized in **specific game categories** to allow schools and officials to gain experience with the new system:

- Hall of Champions Games
- Holiday Classics and Tournaments

This selective approach provides valuable **real-game experience** while minimizing disruption to regular district competition during the transition period.

Phase 2: Continued Implementation (2027-28 Season)

Expanded Implementation

**Bartlett High School 5688 Woodlawn Bartlett, TN 38134
bhs.bartlettschools.org Phone: 901.373.2620 Fax: 901.388.3881**

During year two more schools will have shot clocks. Schools and officials will continue gaining experience utilizing the shot clock in the following contests:

- Hall of Champions Games
- Holiday Classics and Tournaments
- Non-District games in which both schools agree to play with the shot clock

Phase 3: Full Implementation (2028-2029 Season)

Statewide Adoption

The third year will feature **complete implementation** across all classifications:

- All regular season games
- District tournaments
- State tournament competition

This comprehensive rollout ensures consistent gameplay standards throughout Tennessee high school basketball.

Shot Clock Specifications

Timing Requirements

The shot clock will operate on a **35-second duration** with specific reset protocols:

- Reset to 35 seconds following offensive rebounds
- Reset to 35 seconds on change of possession
- Standard basketball timing rules apply for all other situations

This timing aligns with **collegiate standards** while providing adequate time for high school offensive systems.

Bartlett High School 5688 Woodlawn Bartlett, TN 38134
bhs.bartlettschools.org Phone: 901.373.2620 Fax: 901.388.3881

Bartlett City Schools offers educational and employment opportunities without regard to race, color, creed, national origin, religion, sex, age, or disability and adheres to the provisions of the Family Education Rights and Privacy Act (FERPA).

Personnel and Training Requirements

School Responsibilities

Each participating school must ensure proper **shot clock operation** through:

- Identification and training of qualified shot clock operators
- Maintenance of certified personnel for home games
- Coordination with visiting schools for away games

Alternative Staffing Solutions

Schools unable to provide trained operators may utilize **retired game officials** through the following system- Schools can also utilize junior varsity officials that officiate JV games to run the shot clock for varsity games.

- Officials supervisors will assign qualified retired officials as well as junior varsity officials
- Compensation rate of \$50 per game
- Priority placement for schools demonstrating genuine need

Certification and Training Program

Statewide Training Initiative

The Basketball Coaches Association of Tennessee (BCAT) will sponsor **comprehensive training sessions** featuring:

- Experienced shot clock operators from Tennessee college programs
- Standardized certification requirements
- Annual recertification to maintain consistency

Training Benefits

This program ensures **uniform standards** across all participating schools while leveraging existing expertise from collegiate basketball programs throughout the state.

Implementation Benefits

Bartlett High School 5688 Woodlawn Bartlett, TN 38134
bhs.bartlettschools.org Phone: 901.373.2620 Fax: 901.388.3881

Game Enhancement

Shot clock implementation will provide **significant advantages** including:

- Faster pace of play increasing fan engagement
- Improving game flow
- Alignment with national high school basketball trends

Educational Value

Students and coaches will gain exposure to **advanced basketball concepts** while developing skills that translate higher order thinking, problem solving, and decision making.

Conclusion

This phased implementation approach provides Tennessee high school basketball with a **structured pathway** toward shot clock adoption. The two-year timeline allows adequate preparation while the training and staffing solutions ensure successful execution across all participating schools.

The proposal balances innovation with practicality, creating an **enhanced basketball experience** for players, coaches, and fans throughout the state of Tennessee.

Shannon Alubaw

2026 TSSAA Basketball Shot Clock Survey

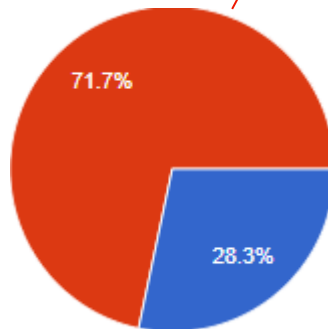

Board of Control Presentation
Membership Feedback Analysis

TSSAA Shot Clock Survey

Methodology

● Principal
● Athletic Director

- Survey distributed to all TSSAA member schools in the high school division with varsity Basketball Teams.
- One response requested per member school.
 - Principal or Athletic Director asked to submit one response per school
- Total responses analyzed: 280 (70.5% out of 397)
- Results presented as descriptive membership feedback for Board consideration.

TSSAA Shot Clock Survey

280 Member School Responses

52.5% Support

36.1% Oppose

11.4% Neutral

6.1% Have Equipment Installed

42.1% Favor Phased
Implementation

- Support + Strongly Support: 147
- Oppose + Strongly Oppose: 101
- Neutral/Unsure: 32
- Membership narrowly favors adoption.

Support increases as school size increases.

Division II schools demonstrate the strongest support.

Smaller classifications show greater concern.

Statewide support exceeds opposition, though opinions vary by classification.

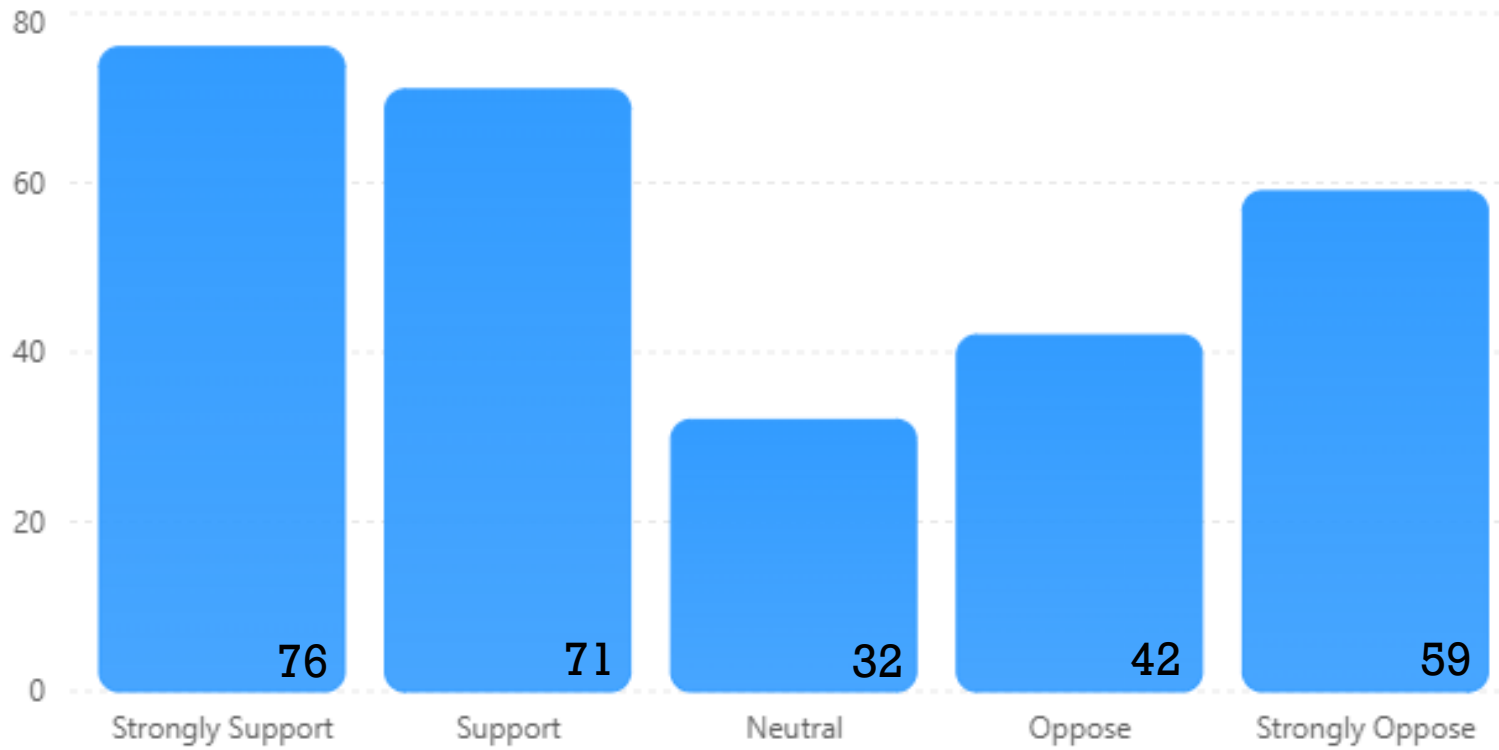

Cost and staffing are the primary implementation concerns.

Most schools favor a phased rollout rather than immediate implementation.

Results provide a clear basis for policy discussion and implementation planning.

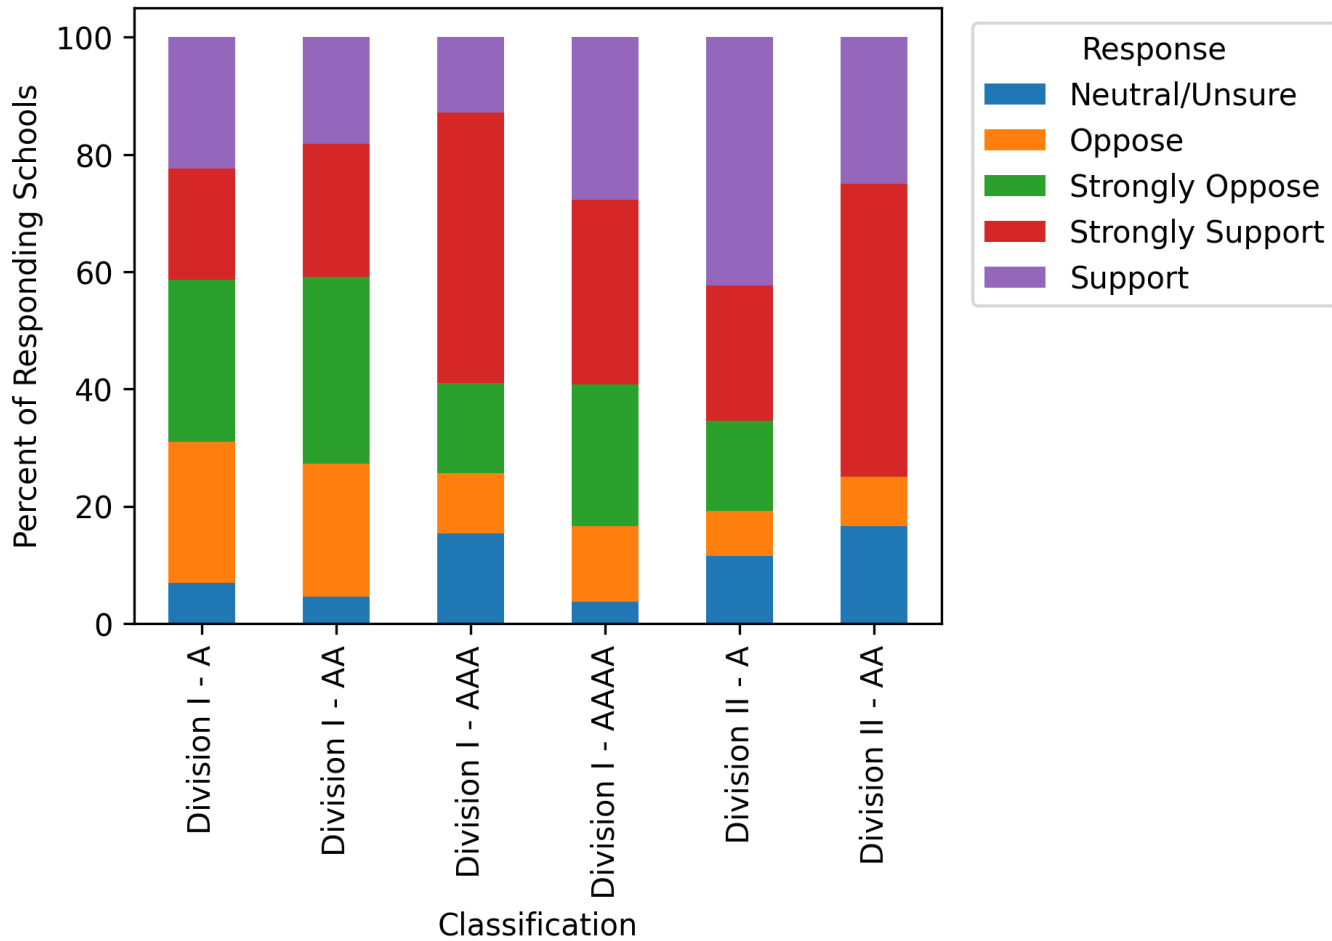

Overall support for a Tennessee basketball shot clock

280 total survey responses.

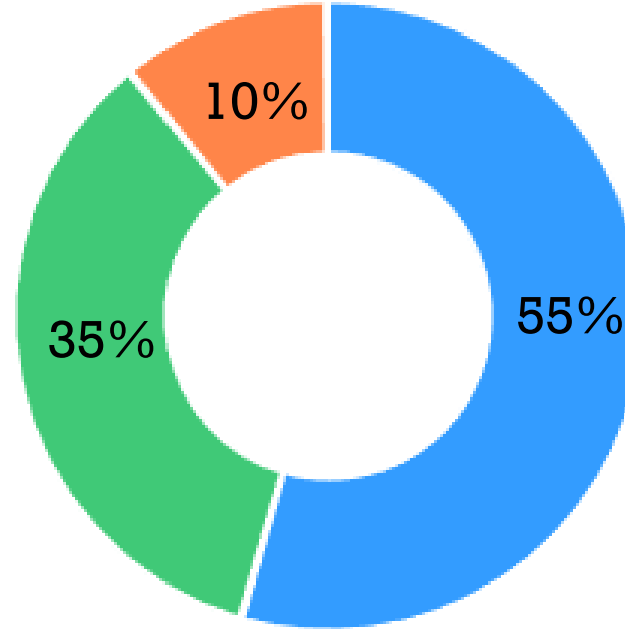

Overall Membership Position

Support for Basketball Shot Clock by Classification (%)

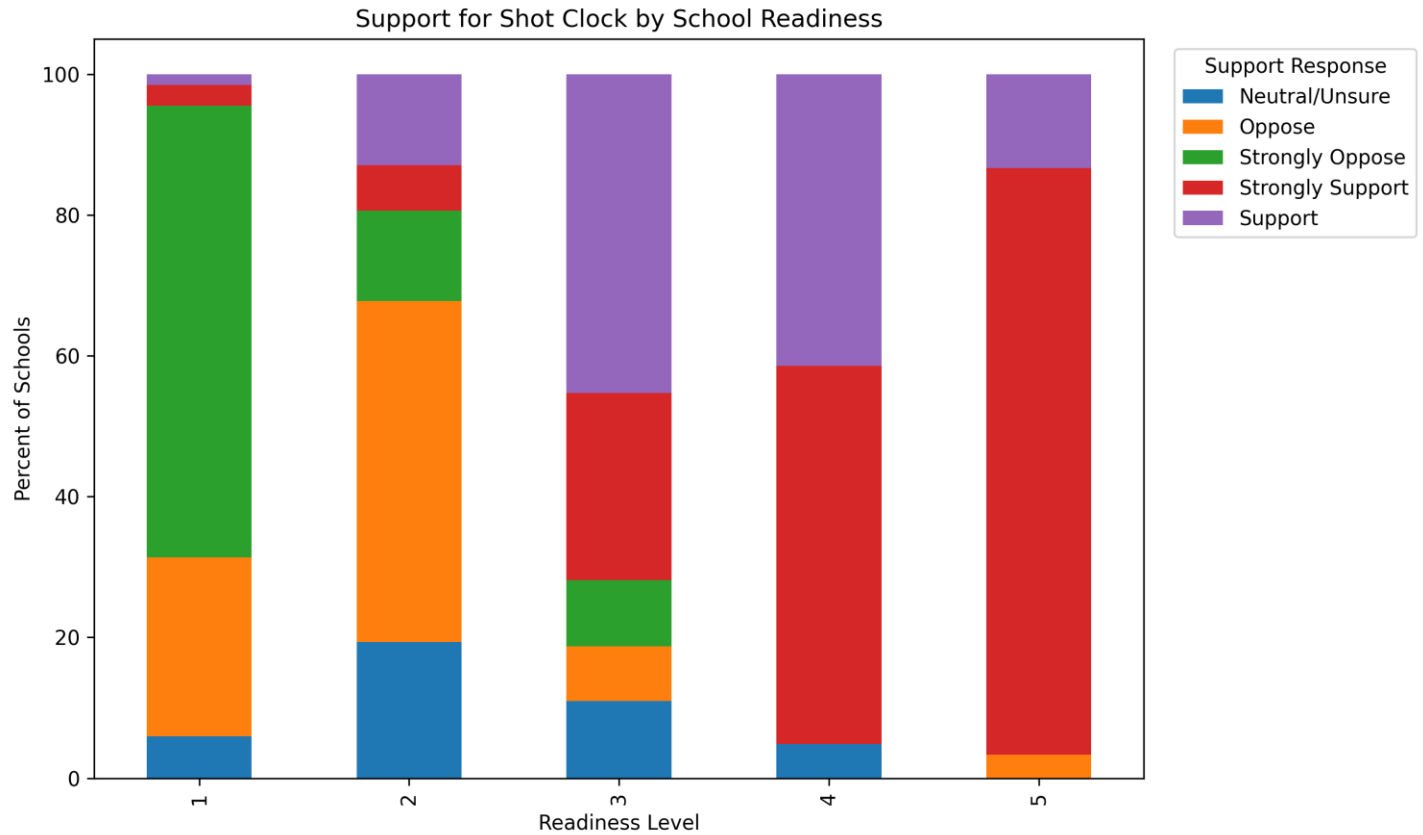

Support by Classification

“Would a shot clock improve the quality of play?”

● No ● Unsure ● Yes

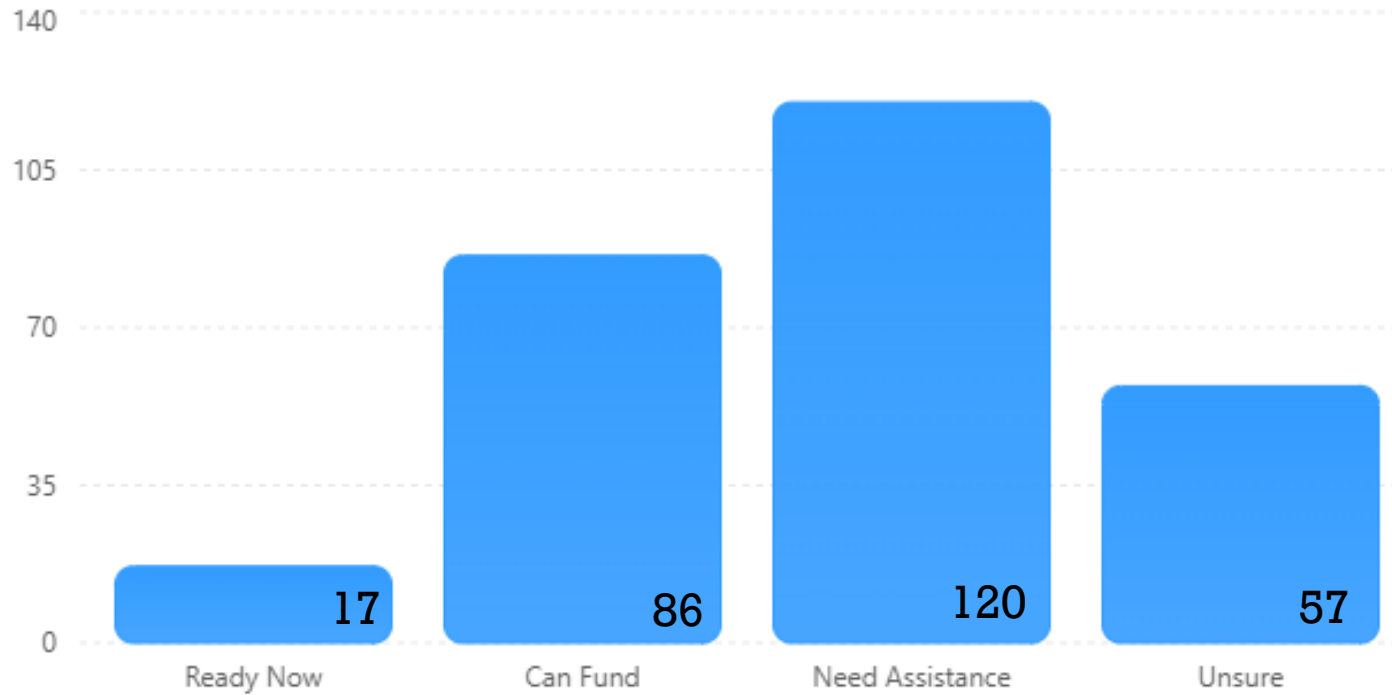

Quality of Play

Readiness vs Support

Overall financial readiness for shot clock implementation

280 total survey responses grouped by current equipment and available funding.

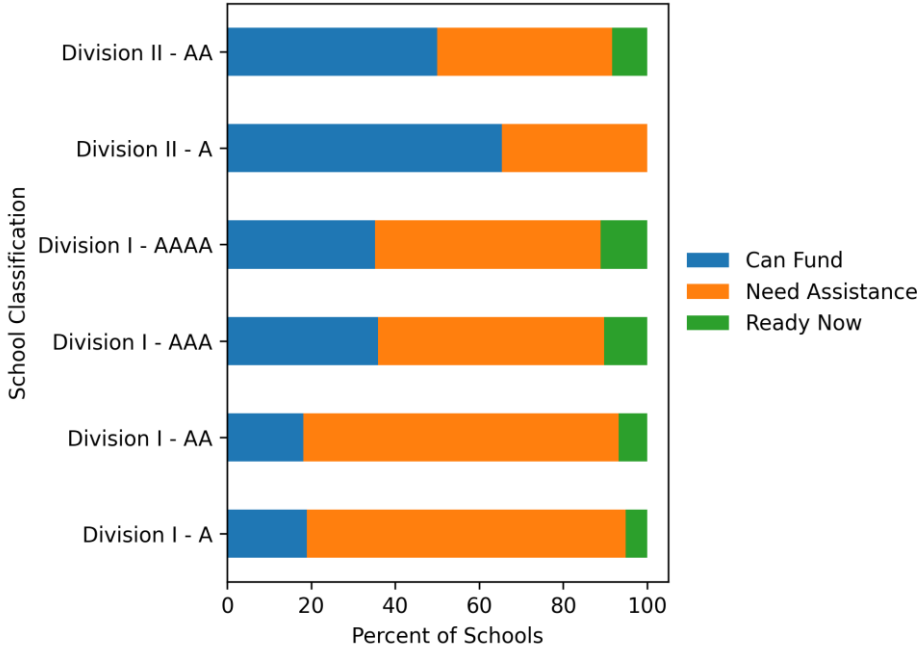

What is our question:

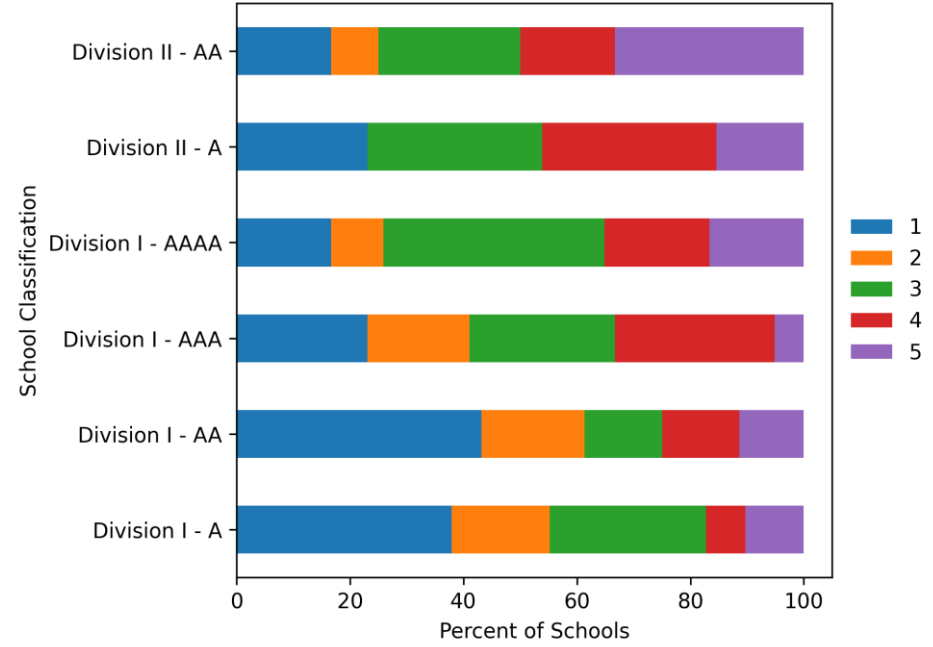

"Do schools support a shot clock?" to "How many schools could realistically comply if a shot clock were adopted?"

Financial Readiness

Financial Readiness by Classification

Program Readiness by Classification

Readiness by Classification

Key Themes

Benefits:

- Improved game flow
- Reduces excessive stalling
- Better athlete preparation
- Enhanced Spectator Experience

Concerns:

- Equipment cost
- Finding qualified operators
- Training
 - Table crew/Officials

Competitive balance and game flow cited most often as benefits.

Equipment acquisition remains the most frequently cited barrier.

Operator training and game management logistics are significant concerns.

Support generally increases among larger-school classifications.

Many respondents preferred advance notice and phased implementation.

Results

Membership Support:
Moderate to Strong

Operational Readiness:
Mixed

Equipment Availability:
Limited

Training Requirement:
Significant

Recommended
Implementation: 1-2 years

“Statewide simultaneous”

Non-Traditional Students - Non-traditional students include those **following** students attending:

- a **student enrolled in a** public virtual school recognized by the Tennessee Department of Education
- a legally-registered independent homeschool student
- a homeschool student enrolled in a church-related umbrella school
- a homeschool student enrolled in an online accredited school
- **a student enrolled in a non-member independent school with an enrollment of less than 200 students in grades 9-12 (high school) or 6-8 (middle school) and that does not offer the sport in which the student wishes to participate.**

Non-Traditional Students

(Varsity, JV) Section 15. This bylaw establishes the minimum eligibility requirements for a non-traditional student desiring to practice, tryout, and participate at any level in extracurricular athletics at a member school:

1. The student must reside in the TSSAA member school's territory.
2. The parent or guardian must notify the principal of the TSSAA member school of the non-traditional student's intent to try out and possibly participate before the first official practice date in the sport.
3. A non-traditional student participating for an independent school must pay full tuition and abide by all financial aid rules. For the purpose of this rule, "full tuition" is defined as the same amount paid by all other students enrolled and in regular attendance at the school.
4. Non-traditional students must meet all other eligibility requirements.

SENATE BILL 1822

By Lowe

AN ACT to amend Tennessee Code Annotated, Title 49,
relative to interscholastic athletics.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 50, Part 8, is amended by adding the following as a new section:

(a)

(1) If a public high school established under the jurisdiction of an LEA to serve students in any of the grades nine through twelve (9-12) is a member of an organization or an association that regulates interscholastic athletic competition, then the LEA shall permit participation in interscholastic athletics offered at the public high school by a high school student who:

(A) Is enrolled in a private school that:

(i) Serves fewer than two hundred (200) students; and

(ii) Is located within the geographic boundaries of the LEA;

(B) Satisfies the eligibility requirements established by the organization or association; and

(C) Resides within the geographic boundaries of the LEA.

(2) A high school student who meets the requirements of subdivision (a)(1) may only participate in interscholastic athletics at the public high school that the student is zoned to attend.

(b) If a public high school established under the jurisdiction of an LEA offers its students the opportunity to participate in interscholastic athletic competition at the public high school without the school being a member of an organization or an association that

regulates interscholastic athletic competition, then the LEA shall permit participation in interscholastic athletics at the public high school by a high school student who is enrolled in a private school described in subdivision (a)(1)(A) and who is zoned to attend the public high school. This subsection (b) does not prevent or interfere with the application and enforcement of any eligibility requirements of an organization or association that regulates interscholastic athletic competition as set forth in subsection (a) if the public high school at which the student seeks to participate in interscholastic athletics pursuant to this section is a member of such an organization or association.

(c) This section does not guarantee that a high school student who is enrolled in a private school described in subdivision (a)(1)(A) and who is trying out for an interscholastic athletics team at a public high school will make the team or supplant the authority of any coaches or other school officials in deciding who makes the team. This section is only intended to guarantee that the private school student is not prohibited from trying out for an interscholastic athletics team at the public high school if the student is otherwise eligible to participate under the rules of the organization or association, solely by reason of the student's status as a private school student.

(d) This section does not limit or supplant the authority of any organization or association to determine eligibility and to establish, modify, and enforce its rules and eligibility requirements, including those applicable to private school students.

SECTION 2. This act takes effect July 1, 2026, the public welfare requiring it, and applies to the 2026-2027 school year and each school year thereafter.

MAPLEWOOD HIGH SCHOOL FOOTBALL

Dear Parent/Guardian,

I hope this message finds you well. My name is Chris Simpson, and I'm proud to serve as the Head Football Coach at Maplewood High School. I wanted to take this opportunity to introduce myself and share a bit about our football program here at Maplewood.

We are very interested in your student-athlete becoming a part of the Maplewood Football family. We understand that your child may have several options when it comes to athletics and academics, but we truly hope Maplewood stands out as the best fit — both on and off the field.

Our program is built on hard work, accountability, and community. We believe in developing not only talented athletes, but strong, respectful, and confident young men who will succeed beyond high school. We're committed to creating a positive environment where student-athletes can grow, compete, and thrive.

I didn't want to miss the opportunity to connect with you and share how excited we are about the potential of your child joining our team. I genuinely look forward to building a relationship with your family and helping support your student-athlete's journey in any way I can.

If you have any questions about the football program, the school, or anything else, please don't hesitate to reach out to me directly. I'm more than happy to speak with you and share more about what makes Maplewood special.

Thank you for your time, and I hope to connect with you soon.

Sincerely,
Chris Simpson
Head Football Coach
Maplewood High School

GOD Trying Tell Me It's Time To Head Back To
Nashville 🤔

I'm proud to see my son

Ms. Cox,
 I hope this message finds you well. I am emailing to request any communication you may have had with the head football coach at Maplewood High School concerning his ability to contact students enrolled at your school.
 Please include copies of any emails, messages, or other correspondence related to these matters.
 I realize this is a busy season for you, but any help would be greatly appreciated.
 My phone number is 615-277-1912 if you have any questions for me directly.
 Thank you for your cooperation.

VIA ELECTRONIC MAIL

Ms. Sonya Brooks, Principal
Maplewood High School
401 Walton Ln.
Nashville, TN 37216

Dear Ms. Brooks:

This correspondence addresses the response to recruiting violations involving Maplewood High School. After a screenshot of a letter was sent to us by a member school, we initiated communications with the administration of Maplewood High School. Email and phone communications between the TSSAA State Office and the administration of Maplewood High School began October 3 and continued thereafter. The following instances of impermissible contact were corroborated:

1. Coach Simpson initiated contact with prospective student-athletes without the cluster school (Jeri Baxter Middle School) administration's permission or knowledge.
2. Coach Simpson initiated contact with prospective student-athletes when gathering addresses at a local park to send the informational letter. (phone call 4/1/26)
3. Coach Simpson disclosed that he sent one letter to a student attending a member school outside of the Maplewood cluster (Coopertown Middle School) because of his connection to the student's father (Maplewood alum).

The TSSAA Guidelines for Understanding the Recruiting Rule include the guidelines below which are relevant for this situation:

Athletes or prospective athletes should be treated no differently than students who are not athletes. Students should be seen as students and not singled out based on their potential athletic ability.

To avoid the appearance of impropriety, any meeting with coaches regarding athletes or prospective athletes should be a part of the admissions process at the school and should take place at the school.

Q. How is influence for athletic purposes interpreted in the recruiting rule?

A. Examples of influence for athletic purposes may include, but are not limited to:

3. Inducing or attempting to induce or encourage any prospective student -athlete to attend any member school for the purpose of participating in athletics, even when the special remuneration or inducement is not given.

4. Any initial contact or prearranged contact by a member of a coaching staff or representative of the school and a prospective student-athlete in the seventh grade and above.

8. Coaches or their representatives sending questionnaires, cards or letters, contacting, or visiting prospective student-athletes and/or their families at their homes. For purposes of the example, the term “coach” assumes that the individual initiating the contact is acting in his or her capacity as a coach. If that person serves another role at the school and is not acting in his or her capacity as coach, then there may be no violation, unless the contact is really a method for what is in fact the use of influence for athletic purposes

The investigation conducted by Maplewood High School and the TSSAA office confirmed that these guidelines were not followed. The head coach of the Maplewood High School football program initiated direct contact with the student-athletes.

Article II, Section 17 of the TSSAA Bylaws states the following:

Athletic recruiting is prohibited. Athletic recruiting is the use of influence on a student or the parents or guardians of a student, by any person(s) directly or indirectly associated with the school, to secure or retain a student for athletic purposes. In the event that there is a violation of this rule, there shall be a penalty against the school, and the student(s) who was the subject of the violation shall be ineligible for a minimum of one year.

The penalty and any additional period of ineligibility beyond the one -year minimum will be determined by the Executive Director based on a consideration of the number of violations involved, the number of student-athletes involved, the nature of the violation(s), the individual(s) responsible for the violation(s), and the extent to which the violation may have been knowing, deliberate, or in reckless disregard of the provisions of this rule and the commentary that accompanies this rule.

There are three primary objectives that the member schools of the TSSAA attempt to achieve through their Bylaws: (1) maintaining athletics in its proper perspective as subordinate to the primary academic mission of the schools; (2) preventing the exploitation of students for athletic purposes; and (3) fostering fair competition, or a “level playing field,” among the TSSAA member schools. While some particular Bylaws may serve additional purposes, all of the Bylaws should be read with these three overriding objectives in mind.

After a review of the facts, the opinion of this office is that the head coach of the Maplewood High School football program violated Article II, Section 17 (Recruiting Rule) by initiating contact with prospective student-athletes.

The following penalties are being issued in response to this incident.

- The football program shall have no more off-season practice opportunities during the 2025-2026 school year.
- The football program shall have no off-season practice opportunities during the 2026-2027 school year.
- The football program will be placed on restrictive probation through the end of the 2026-2027 school year. Programs that are on restrictive probation are not eligible for postseason competition.
- The football program will be placed on probation for the 2027-2028 school year. Programs that are on probation are eligible for postseason competition.
- During the 2027-2028 school year, the program will be limited to five days of offseason practice within a 15-consecutive-school-day period.
- \$1500 total fine (\$1000 year 1 restrictive probation, \$500 year 2 probation)

Any student who received a letter and does not attend Jere Baxter Middle School will be ineligible to participate in football at Maplewood High School for 12 months, should he decide to enroll at the school.

If you would like to appeal this decision to the TSSAA Board of Control at their June meeting, please contact Lauren Jones at ljones@tssaa.org, and she can make the necessary arrangements.

We appreciate your cooperation in this challenging matter. We hope that Maplewood High School will take the necessary measures to prevent this type of situation from occurring again.

If you have any questions concerning this, please feel free to contact our office.

Sincerely,

Mark Reeves
Executive Director

Dear Mr. Reeves,

I hope this message finds you well.

On behalf of Nashville Collegiate Prep, I am respectfully requesting a June board hearing to seek approval for a football cooperative agreement with Knowledge Academy.

At present, both programs face participation challenges that limit our ability to independently sustain a full and competitive football program. Without a cooperative structure, our student-athletes risk losing access to the opportunities, structure, and life-changing benefits that interscholastic athletics provide. This request is rooted in our commitment to ensuring those opportunities remain available.

Nashville Collegiate Prep currently participates in a cooperative agreement with Valor Collegiate Academy for football, baseball, and softball. As a new start-up school, we continue to face limited participation numbers, which presents challenges in sustaining a full varsity schedule independently. To ensure our student-athletes have consistent access to meaningful and competitive athletic opportunities, we are seeking to expand this existing cooperative agreement to include Knowledge Academy. As both Nashville Collegiate Prep and Knowledge Academy operate under the Noble Education Initiative and serve as sister schools, this partnership represents a natural and mission-aligned extension of our current structure. Expanding the co-op will allow us to build sustainable roster sizes, enhance program stability, and continue providing a safe, structured, and development-focused athletic experience for all participating student-athletes.

The proposed co-op between Nashville Collegiate Prep and Knowledge Academy is designed to:

- **Preserve access to football participation** for student-athletes who would otherwise not have a viable program
- **Ensure player safety** by maintaining appropriate roster sizes, depth, and practice structure
- **Enhance competitive balance** through a stable and sustainable team model
- **Support academic and personal development** by keeping students engaged in a structured, school-based activity

This partnership aligns directly with the mission and spirit of TSSAA by prioritizing student-athlete welfare, access, and educational-based athletics. Our goal is not simply to field a team, but to provide a well-organized, compliant, and development-focused program that reflects the standards of TSSAA.

We are fully committed to adhering to all TSSAA rules and guidelines regarding cooperative programs and will ensure proper oversight, communication, and accountability throughout the process.

We respectfully request the opportunity to present this proposal in detail at the June board meeting and provide any additional documentation needed to support your review.

Thank you for your time, leadership, and continued support of student-athletes across our state. We greatly appreciate your consideration of this request and the opportunity to provide a meaningful experience for our students.

Sincerely,

Devin Arnold
Athletic Director

To Whom It May Concern,

I am writing on behalf of Chattanooga Central to formally appeal for reinstatement into the football playoffs. We respectfully request reconsideration of our eligibility following last season's forfeiture.

The decision to forfeit was not made lightly. At the time, our program was facing significant financial hardship that limited our ability to safely and responsibly participate. Travel expenses, equipment costs, and operational funding constraints created an unsustainable situation for our organization. Despite pursuing fundraising efforts and community support, we were unable to secure sufficient resources in time to meet the necessary obligations.

Player safety remained our highest priority throughout this process. Injuries were sustained in week 9 and 10 to starting players that would have placed much younger and inexperienced players on the field, potentially leading to more injuries. We also had concerns about fatigue and injury risk related to limited roster depth and the inability to support safe recovery protocols. Rather than place our student-athletes in a potentially unsafe environment, we made the difficult but responsible decision to forfeit.

We fully recognize the impact this decision may have had on the league, other teams, and the integrity of competition, and we sincerely regret any disruption it caused. However, we stand by the principle that the health and safety of our players must come first.

Another challenge we are facing now for the 2026 season and another reason we are asking for reinstatement is the ability of student athletes to transfer to another school by using the new ONE TIME TRANSFER RULE passed by TSSAA. By not being eligible for the playoffs, we are hearing kids in our school talk about transferring to another school to have the opportunity to play in the playoffs. We (Chatt. Central) would have considered this in our decision-making process to forfeit if we had known that the ONE TIME TRANSFER RULE was coming. By the passage of the new rule, which was not implemented at the time, we are now facing the risk of losing students to another school in order to compete in a playoff game.

Our athletes, coaches, and community have remained committed and resilient, and we are eager for the opportunity to compete at the highest level once again. Participation in the playoffs is not only a goal for our team but also an important experience for the development and morale of our players.

We respectfully ask that you take these circumstances into consideration and grant us reinstatement into the playoffs. We are confident in our ability to uphold league standards and represent our organization with integrity and responsibility.

Thank you for your time, understanding, and consideration.

Hermitage, TN 37076

Dear TSSAA Board of Control,

On behalf of William Blount High School, I respectfully submit this request for our Boys and Girls Soccer programs to be reassigned from Class AAA Region 2, District 4 to Class AAA Region 1, District 2.

We believe this adjustment would provide a more balanced district alignment while benefiting student-athletes and supporting the overall competitive structure of East Tennessee soccer. First, this reassignment would help create greater balance between district memberships. Currently, District 4-AAA consists of seven member schools, while District 2-AAA consists of only four member schools. Moving William Blount to District 2-AAA would help distribute membership more evenly between the districts and create a more balanced competitive landscape within Regions 1 and 2.

Second, this move would align our soccer programs with our current basketball district and region assignments. During the current classification cycle, our basketball programs have completed full schedules against the schools in District 2-AAA. We have developed positive relationships with those schools and communities and have found the alignment to be beneficial for our student-athletes, coaches, and administration. Maintaining consistency across sports would improve scheduling, strengthen existing relationships, and provide greater continuity within our athletic programs.

Finally, we believe this reassignment would create a more competitive environment for our soccer programs and enhance the overall student-athlete experience. While we fully recognize and respect the strength and success of the programs within our current district, we are seeking an opportunity that would allow our student-athletes to compete more effectively and experience greater success on the field. Providing our soccer programs with a realistic opportunity to compete for postseason advancement would help generate enthusiasm for the sport within our school community. Increased competitiveness would positively impact student participation, program growth, and athlete retention, allowing us to continue building strong soccer programs for both boys and girls.

We respectfully ask the TSSAA Classification Committee to consider this request and the potential benefits it would provide to our student-athletes, our school, and the overall district alignment structure.

Thank you for your time and consideration. We appreciate your continued commitment to serving Tennessee's student-athletes and member schools.

Sincerely,

Jordan Conley

Additional Comments:

Article I, Section 1

Section 1. High school membership shall be open to any Category 1, 2, 3, or 4 school in Tennessee which includes grade 9 and/or higher. Any school **participating in a sanctioned sport(s) that is** desiring membership in TSSAA may make application to the Board of Control **by the November meeting prior to the school year in which they would like to join.** Any school desiring to only participate in a cooperative program that is desiring membership in TSSAA should make application to the Board of Control **by the June meeting prior to the school year in which they would like to join.** Prior member schools that continue to serve students within the state of Tennessee may also make application to the Board of Control **by the November meeting prior to the school year in which they would like to join.** Contracts for membership shall be approved or rejected annually by the Board of Control.

Middle school membership shall be open to any Category 1, 2, 3, or 4 school that includes the 6th, 7th, or 8th grade, for boys and girls interscholastic competition. Any Category 1, 2, 3, or 4 school that terminates with the 6th grade may be a member for the purposes of forming a cooperative program for the 6th grade students only. **Any school participating in a championship event sport that is desiring membership must submit their request to join by November 15th prior to the school year in which they would like to join.** Any school desiring to only participate in a cooperative program that is desiring membership should submit their request to join by June 1st prior to the school year in which they would like to join. Contracts for membership shall be approved or rejected annually by the Board of Control.

Member schools that withdraw from the TSSAA membership must be a limited member for one year upon application to renew membership. **Schools that make application after the aforementioned deadlines may be approved for membership, but will not be eligible for postseason competition, nor will member schools be required to schedule contests with them.**
