Tina Jobe shared that in 2020, we entered into a five (5) year agreement with First Merchants Bank, which is set to expire on October 31, 2025. We have decided to amend for an additional year, keeping the terms the same.

B. Aquatics Update

Mr. Colin Mothersead

Colin Mothershead, Aquatics Director, gave an update on FCS

Aquatics. Currently, our pools have three primary user groups: FCHS/FCMS, Franklin College and Franklin Parks & Recreation. The HS and MS teams use the HS as their primary facility, being used year-round for about 4-6 hours, 6 times per week. Feeder program that also use the HS pool are FRST, Franklin Swim School and Indiana International School of Diving. Franklin College uses the MS as their primary facility during September - February for about 2-4 hours, 6 times per week. Franklin College pays an annual rental fee to FCS for the usage of the pool. We are currently negotiating a new contract with Franklin College (they have around 40-50 members). Parks and Recreation uses the MS pool September-April for about 1-2 hours, 3-4 times per week. We have a community partnership with them and do not charge a rental fee, and they get scheduled around existing programming (FCS & Franklin College). In the past, each of the user groups were in charge of hiring, training, and managing of the lifeguards. Colin will now manage the hiring and training of lifeguards in-house. Colin continues to look at potential revenue streams for the facility to help cover operating costs.

Dr. Clendening recommended that the Board approve the Collective Bargaining Agreement.

C. Resolution to Adopt the 2026 Budget

Motion to approve the resolution to adopt the 2026 budget. This motion, made by Brett Jones and seconded by David Yount, Passed.

Debbie Gill: Absent
Brett Jones: Yea
Jennifer Mann: Yea
Becky Nelson: Yea
David Yount: Yea

Yea: 4, Nay: 0, Absent: 1

Tina Jobe recommended that the Board approve the resolution to adopt the 2026 budget. There has not been a change in the budget numbers. Our assessed value was up 14% and 17% for the referendum, which changed our tax rates. In the Education Fund, the count day (October 1st) enrollment numbers were less than what we had anticipated in August. The Operating Fund is capped at 4% growth. The increase in AV didn't increase that, but it decreased our tax rate from \$0.38 to \$0.35. With the increase in AV, Debt Service will go below \$0.70. In the Referendum Fund, we will go up in revenue due to the increase in AV. We are looking at an increase of \$850,000 above what we already factored in. The tax rate that we predicted in August was \$1.32, and it looks like we will be down to \$1.24.

Where daily consumption data is not directly obtained from an interval meter or other direct metering options, Archer may approximate the daily imbalance(s) and subsequent purchase or sale of quantities using commercially reasonable efforts. Client hereby waives any obligation of Archer to provide any advance notice prior to any automatic renewal. **Billing**

& Payment: Archer will invoice Client monthly for all applicable charges for the natural gas received by Client, invoices shall be generated based on actual consumption once provided to Archer by the LDC and Client will have 20 days from receipt of invoice from Archer to make payment. Late payments will incur a fee of \$25 per meter and bear interest at the maximum allowable rate monthly. A fee of \$35 will be assessed to Client for any payment that is returned and Archer may at its discretion, attempt to process the charge again. Any payment via credit card shall be subject to a 3.5% surcharge. Failure to make timely payments under this Agreement may be deemed an Event of Default as described herein. For any billing related inquiries, please contact our billing department at (614) 450-1860 or via email to info@archerenergy.com

Event of Default: An "Event of Default" means (a) the failure of a party to perform any covenant set forth in this Agreement which is not excused by Force Majeure or cured within five (5) business days after written notice thereof; (b) Client is late in the payment of two (2) or more invoices in any six (6) month period; (c) the failure of Client to provide Performance Assurance as defined below; (d) a party makes an assignment or any general arrangement for the benefit of creditors or otherwise becomes bankrupt or insolvent; or (e) LDC disconnects service to one or more of Client's accounts (f) Client secedes the MEGA consortium. Termination: Client and Archer each shall have the right to terminate this Agreement at any time upon 30 days advance notice, however, in an Event of Default by Client, Archer may terminate this Agreement immediately upon notice to Client. In either scenario, this shall be deemed a "Termination". Upon Termination, Archer shall calculate an Early Termination Fee ("ETF"). The ETF shall include all amounts outstanding to Client whether billed or unbilled plus the greater of: (i) a \$100 per meter fee (ii) the unconsumed amount of natural gas for the remaining duration of this Agreement (excluding any upcoming or pending Renewal) based on Client's historical usage, multiplied by \$1.95 per Dth or (iii) the Liquidated Damages as defined below. The ETF shall be included as a line item on the final invoice to Client and shall be due immediately upon receipt. If the Non-Defaulting Party is the Client, the sole remedy shall be for the Non-Defaulting Party shall be to pay all amounts outstanding to Archer and upon Termination Client shall bear the responsibility of contracting and enrolling with a different alternative natural gas supplier or reverting back to LDC tariff service where available and Client acknowledges they may not be eligible for the same tariff rate service prior to enrolling with Archer. **Liquidated Damages:** Liquidated Damages shall be the positive difference between any un-delivered NYMEX hedges, physical basis purchases, calls, puts, collars, options, and/or any other product purchased or communicated by Archer in order to provide service to Client pursuant to this Agreement, less their aggregate current market value. To ascertain the current market value, Archer may consider, among other valuations, any or all

of the settlement prices of NYMEX Gas futures contracts, quotations from leading dealers in energy swap contracts or physical gas trading markets, similar sales or purchases and any other bona fide third-party offers, all adjusted for the length of the term and differences in transportation costs. Archer shall not be required to enter into a replacement transaction(s) in order to determine the Current Market Value. **Performance Assurance:** If Archer determines, in its reasonable discretion,

that Client's creditworthiness or ability to perform under this Agreement has become unsatisfactory for reasons including, but not limited to, Client's late payment of any amounts due under this Agreement, Archer may require Client provide collateral for its obligations in the form of cash, letter(s) of credit, corporate or personal guarantees, or other security in form and amount reasonably acceptable to Archer ("Performance Assurance"). Archer may require a deposit in the amount of two average highest months of Client's billings. Cash deposits will be returned after one year of service and if no more than one late payment has occurred. If Client fails to provide Performance Assurance within three (3) business days of receipt of such notice, an Event of Default shall be deemed to have occurred.

Re: Engagement for Property Tax Base and Revenue Analysis and School Finance Support
Services for Franklin Community School Corporation

Dear Ms. Nelson:

This letter of engagement, made and entered into effective as of November 1, 2025 for a one year period from November 1, 2025 through October 31, 2026 unless terminated as described herein, sets forth the terms pursuant to which the Franklin Community School Corporation (the "School Corporation") has agreed to engage Policy Analytics, LLC ("Policy Analytics"), for the provision of professional public finance services to accomplish an evaluation of the tax base of the School Corporation taxing districts, and to analyze the impact of circuit breaker changes, and resulting property tax revenues occurring through the subsequent 10 calendar years ["CY"], and to develop a multi-year cash flow model.

Under this engagement, Policy Analytics will accomplish the tasks as described below, in accordance with accepted professional standards. Policy Analytics' analytical and consulting tasks shall include but not be limited to the following:

Full Package of Financial Services

1. Policy Analytics will undertake an analysis of factors influencing the assessed valuation [AV] for the School Corporation taxing districts. This analysis will include a review of historical AV trends by property class.
2. Policy Analytics will develop a tax base forecast for the School Corporation taxing districts that will be informed by past tax base growth and current development trends. These projections will include district, unit, and fund level analysis reporting.
3. Using its proprietary parcel-based property tax model, Policy Analytics will estimate the circuit breaker implications and provide circuit breaker projections under reasonable levy and assessed value growth scenarios for the School Corporation and overlapping taxing districts through the subsequent 10 years.

4. Using its calculated circuit breaker estimates, Policy Analytics will provide “net property tax revenue” projections for the School Corporation for relevant years.
5. Policy Analytics will incorporate GIS mapping into its analysis of tax base, revenue, and district impacts. The analysis of tax base and assessed value will include the impact of the use of tax increment financing districts.
6. Development and implementation of a cash flow modeling framework for the School Corporation’s Education, Operations, and Referendum funds, if applicable. The cash flow model will be updated at monthly intervals.
7. Regular strategic planning analytics and strategic assistance on projects as assigned by the School Corporation.
8. Monthly user group calls during which Policy Analytics will discuss and share best practices with the School Corporation and other school finance leaders. *
9. Quarterly one day training and development workshop for the School Corporation finance office staff. *
10. Policy Analytics will provide representative taxpayer analysis and illustrations for requested scenarios.
11. Policy Analytics will summarize the outcomes of the analysis into a report format and present the findings, at requested intervals, to the school administrative leadership.

*This service is being provided to the client at no charge as a compliment to the other services being provided.

Policy Analytics will undertake the tasks within the scope defined above, in accordance with the conditions of this Engagement Letter, and for a total annual amount of Thirty-eight Thousand Hundred Dollars (\$38,000) for the current year of engagement. Should the scope or duration of this engagement change, or other circumstances require amendment to the above not-to-exceed amount, it may be amended in writing in accordance with the provisions of this agreement. Policy Analytics is not required to undertake any tasks beyond the scope or duration defined above without a written agreement and the School Corporation is not required to pay Policy Analytics more than the annual amount described in this paragraph without a written agreement or amendment of this Engagement Letter signed by both parties. To the extent that the engagement continues beyond the first calendar year, Policy Analytics will communicate in writing any changes to the fee arrangement described in this paragraph.

The parties agree that this engagement may be cancelled at any time by either party when the other party is notified of such cancellation in writing. Policy Analytics reserves the right to be compensated for work performed prior to a notice of cancellation. The engagement as described in this letter will continue from year to year unless altered or cancelled by either party in writing. The annual amount of this engagement will be billed on a quarterly basis. Alternatively, the client may choose to pay the entire amount upon receipt of the first analytical report, referenced above. Payment is due within thirty (30) days of billing.

Billing for professional services does not include reimbursement for other direct expenses. Other reasonable expenditures incurred by Policy Analytics accomplishing the tasks under this engagement will be reimbursed at actual cost, after approval of the School Corporation, upon presentation of valid documentation.

In connection with this engagement, Policy Analytics is acting as an independent contractor and not in any other capacity with duties owing solely to the School Corporation. Policy Analytics is not acting as or performing services of a municipal advisor as defined in Section 15B of the Securities Exchange Act. Specifically, it is not providing advice with respect to municipal financial products nor the issuance of municipal securities. Policy Analytics does not provide legal advice. AI Pilot Project

2025-2026

Franklin Community Schools

One District. Many Stories.

Why AI matters

WHY

“Teaching AI literacy is imperative to developing empowered learners and citizens. Knowing when and how to use AI transforms students into versatile problem-solvers and promotes critical thinking” (IDOE, 2025).

GOALS

This project will . . .

- provide “technical knowledge, durable skills, and future ready attitudes required to thrive in a world influenced by AI” (Code.org, *What is AI Literacy?*, 2025).
- critically evaluate the benefits, risks, and ethical implications of AI.
- help prepare FCS to submit an IDOE Digital Literacy Grant in 2026.

Overall vision: Three-year design

Year One (2025-2026)

- Teacher Engagement

- Purpose: Develop a leadership team with reps in every building; Refine policies and procedures regarding student data
- Tool: schoolai

Year Two (2026-2027)

- Student Engagement

- Purpose: Develop a student leadership team; Engage parents and caregivers in learning
- Tool: schoolai

Year Three (2027-2028)

- Districtwide Engagement & Implementation

Possible strategic advantages

- ❖ Allows staff and students to use AI in a safe, controlled, curated environment (schoolai)
- ❖ Increases educator efficiency by streamlining common classroom processes
- ❖ Increases opportunities for students to receive timely feedback on student work
- ❖ Should assist PLCs with formative and summative data analysis (e.g. DIBELS, ILEARN Checkpoints, ILEARN, CFAs) - training required
- ❖ Should assist our MLL and SPED students with more timely learning supports - training required
- ❖ *May* eliminate the need for an IXL replacement, which would be a significant savings
- ❖ *May* emerge as a solution for supporting math interventions, which might be another financial savings

Unpaid Meals

Lunch Charging Procedures

Meal accounts for students should be consistently funded throughout the school year to avoid students needing to charge for a meal. However, the Board recognizes that an occasional emergency may make it necessary to charge for a meal. Families needing assistance to apply for free or reduced lunch should contact the School Corporation's Director of Food Service.

The Board's policy and Superintendent's procedure related to meal charges shall be distributed in writing to all households at the start of each school year and to households transferring to the school or Corporation during the school year. Additionally, the Board's policy and Superintendent's procedure related to meal charges shall be distributed to all Corporation staff responsible for policy enforcement, including Corporation food service employees, accounting staff, and all other staff involved in enforcing any aspect of the meal charge policy. This information can also be found about this procedure can also be found on [schools website](#).

The Corporation's meal charging procedure is as follows:

- ~~Significant n~~Negative lunch account balances shall not be permitted. A ~~significant~~-negative lunch account balance is any balance owed in excess of \$25;
- If a student has a ~~significant~~-negative lunch account balance, the student shall not be permitted to ~~charge-purchase~~ any à la carte food or beverage items;
- All households have free access to monitor their students' lunch accounts through the food service department's online payment system, Family Portal;
- The Food Service Department's point of sale software sends low balance and negative balance reminders via email every four (4) days.

- The Food Service Department will attempt to contact households multiple times prior to the conclusion of each semester when negative balances persist. These means of contact include phone calls, letters sent home with students, and additional emails sent; and
- Unpaid meal balances may be turned over to collections at the end of each semester.

Families may deposit money into students' meal accounts using a credit or debit card. Students may also pay with check or cash at the register as they go through the meal line.

The superintendent may develop administrative guidelines to implement this policy.

Inactive Lunch Accounts

A lunch account becomes inactive after student withdrawal from school. An inactive lunch account that has a positive balance of \$5.00 or less may be receipted back into the school lunch donation fund where the School Lunch Program funds are maintained. An inactive lunch account that has a nominal negative account balance of \$5.00 or less may be offset against the positive balances in the Fund; provided, however, that if the parent requests and can document entitlement to the positive balance in the account within six months from the date the student becomes inactive, the parent is entitled to a refund of that amount.

8. Warranties.

- a. NES represents and warrants (1) that it will perform the Services using qualified personnel and in accordance with applicable industry standards; and (2) that it will comply with any and all applicable rules, laws and regulations, court or administrative orders or decrees of any federal, provincial, local, or other governmental unit which has jurisdiction in such circumstance. Client represents and warrants that it will comply with any and all applicable rules, laws and regulations, court or administrative orders or decrees of any federal, provincial, local, or other governmental unit which has jurisdiction in such a circumstance.
- b. EXCEPT AS OTHERWISE PROVIDED HEREIN, NES PROVIDES ALL PRODUCTS AND SERVICES INCLUDING, WITHOUT LIMITATION, ANY WEBINARS, AND/OR ANY RELATED MATERIALS IN AN "AS-IS" CONDITION. EXCEPT AS EXPRESSLY SET FORTH HEREIN, NES DOES NOT MAKE ANY OTHER REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, EXPRESS, OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY CONCERNING THE AVAILABILITY OF A WEBINAR OR THE USE OF ANY SERVICE OR PRODUCT FOR A PARTICULAR PURPOSE.

9. Indemnification. The parties agree to notify one another promptly of any claim made by or expected from a claimant against a party to this Agreement, which claim relates to the subject matter of this Agreement. The parties agree to cooperate to attempt to dispose of any such claim. Each party to this Agreement ("Indemnitor") agrees to indemnify and hold harmless the other party ("Indemnitee") (together with Indemnitee's successors, assigns, directors, officers, employees, and any other person for whom Indemnitee may be legally responsible) from and against any loss, cost, claim, or expense, including reasonable attorney fees, arising from any act of negligence or other breach of duty by Indemnitor, its successors, assigns, directors, officers, employees or agents; provided however, that Franklin Community School Corporation's obligation to hold Null Education Services, LLC harmless shall be limited in substance by statutes designed to protect and limit the exposure and liability of Franklin Community School Corporation as an instrumentality of the State of Indiana and/or an Indiana public school corporation (e.g., actions and conditions as to which the party is immunized by the Indiana Medical Malpractice Act, the Indiana Tort Claims Act, dollar limits stated in such Acts, exemption from punitive damages, and the continued ability to defeat a claim by reason of contributory negligence or fault of the claimant), so that Franklin Community School Corporation's liability to hold harmless shall not exceed what might have been its liability to claimant if sued directly by claimant in Indiana and all appropriate defenses had been raised by the party."

10. Limitation of Liability. Notwithstanding anything herein to the contrary, except for NES' indemnification obligations set forth in Paragraph 9, NES shall not be liable for any indirect, special, incidental, punitive or consequential damages EVEN IF NES HAVE BEEN ADVISED OF THE POSSIBILITY

OF SUCH DAMAGES. IN ADDITION, NES SHALL NOT BE LIABLE FOR ANY DAMAGES OR LIABILITY THAT RESULT OR ARISE FROM THE CLIENT'S USE OR INABILITY TO ACCESS OR OTHERWISE USE THE PRODUCTS, SERVICES AND/OR ANY OTHER PART OF THE SERVICES (INCLUDING ANY PROVIDED BY THIRD PARTY PROVIDERS). BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY. TO THE EXTENT THE FOREGOING LIMITATIONS OF LIABILITY ARE, IN WHOLE OR IN PART, HELD TO BE INAPPLICABLE OR UNENFORCEABLE FOR ANY REASON, THEN THE AGGREGATE LIABILITY OF NES FOR ANY REASON AND UPON ANY CAUSE OF ACTION (INCLUDING, WITHOUT LIMITATION, NEGLIGENCE, STRICT LIABILITY AND OTHER ACTIONS IN CONTRACT OR TORT) ARISING OUT OF OR IN ANY WAY RELATED TO THIS AGREEMENT SHALL BE LIMITED TO CLIENT'S DIRECT DAMAGES ACTUALLY INCURRED NOT TO EXCEED THE AMOUNTS RECEIVED BY NES FROM CLIENT UNDER THIS AGREEMENT WITHIN THE TWELVE MONTH PERIOD PRECEDING CLIENT'S ASSERTION OF LIABILITY. IN ADDITION, IF CLIENT IS A COMPANY DOING BUSINESS IN CALIFORNIA, CLIENT HEREBY WAIVES CALIFORNIA CIVIL CODE §1542, WHICH SAYS: "*A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor*" AND CLIENT HEREBY WAIVES ANY AND ALL SIMILAR STATE STATUTES OR OTHER RULES OR REGULATIONS THAT MAY APPLY. THE EXCLUSIONS SET OUT HEREIN ONLY APPLY TO THE EXTENT PERMITTED BY APPLICABLE LAW.

11. Force Majeure. Notwithstanding any other provision of this Agreement, in the event that the performance of any obligation under this Agreement by NES is prevented due to an event of war, terrorism, government regulation or order, travel advisories or bans, national emergencies, epidemics, pandemics, disasters, civil disorders, acts of God, or any other event beyond NES's reasonable control which would render the scheduled Live Event and/or the attendance of Peter Liljedahl of such scheduled Live Event impossible, illegal or impracticable, NES's nonperformance shall be excused and NES shall not be responsible to the Client for failure or delay in performance of its obligations under this Agreement.

12. Notices. All notices required or permitted hereunder will be in writing and will be sent by registered or certified mail, return receipt requested, or by a U.S. nationally recognized overnight delivery service, to the party to whom such notice is directed, at its address as set forth above, or to such other address as such party will have designated by notice hereunder. Notices will be deemed given on the date received.

13. Subcontracting. In the event Peter Liljedahl becomes unavailable to attend a Live Event, NES may, in consultation with the Client and subject to an addendum to this Agreement, substitute Peter Liljedahl with another available Facilitator and/or reschedule the Live Event. If the agreed-upon subcontractor should, for any reason, become unavailable to deliver the Services, NES has the right to substitute the subcontractor, with express approval of the Client.

14. Additional Services. Client agrees that any interest for additional Building Thinking Classrooms Services will be discussed with Peter Liljedahl and consequently directed to and contracted exclusively with NES.

15. Confidentiality. Both parties agree to maintain strict confidentiality regarding all terms, conditions, and financial details, and personally identifiable student information disclosed or discussed during the course of this contract. This obligation of confidentiality shall extend indefinitely beyond the termination or expiration of this contract. Neither party shall disclose such information to any third party without the prior written consent of the other party, except as required by law. Any breach of this confidentiality provision shall constitute a material breach of the contract and may result in legal action and remedies for damages.

16. Miscellaneous. This Agreement (including **Exhibit A**) constitutes the entire agreement between NES and Client , and supersedes all prior agreements, representations, and understandings of the parties whether written or oral. No amendment, supplement, or modification of this Agreement will be effective unless executed in writing by both NES and Client ; provided however, that Live Event dates and Asynchronous Webinar access periods may be modified or otherwise agreed to by the parties via email in accordance with the terms of **Exhibit A**. In the event of a conflict between a term of this Agreement and a term of **Exhibit A**, the term of this Agreement will control. Additionally, in the event of a conflict between a term of this Agreement and any ancillary Client document, form, or agreement (even if executed by the parties subsequent to the execution of this Agreement), the term of this Agreement will control. The invalidity or unenforceability of any particular provision of this Agreement will not affect the other provisions, and this Agreement will be construed in all respects as if any invalid or unenforceable provision were omitted. This Agreement shall be governed by the laws of the State of Indiana without regard to conflicts of laws. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, will be resolved through litigation which shall be brought in the State Courts of Johnson County, Indiana, or in the Federal District Courts for the Southern District of Indiana. This Agreement may be executed in counterparts, each of which will be deemed the original, all of which together will constitute one and the same instrument. A faxed copy or other electronic copy will be deemed as an original.

Education Advanced Pathways Program

How the idea came about

- Currently, we are “hand-tracking” all matters involving graduation requirements, diploma types, ICC requirements, etc.
 - Counselors each have individual ways of doing this making them the “keepers” of this information for their particular students
- We have heard through CounselorTalk that many counselors were finding the **Education Advanced Pathways** program very useful in helping to track students’ graduation progress.
- Several dozens of schools across the state (plus TX and FL) are now using this application to track graduation requirements. Conversations with many of those schools have given us the impression that it has been extremely beneficial and a worthwhile investment

Why there's a need for Pathways

- Tracking Indiana high school graduation requirements has become progressively more complex over time.
 - We are currently having to track two different sets of requirements
 - Pathways allows us to track both Core 40 and the new requirements, and has the ability to tell us if a Core 40 student is closer to achieving the new requirements
 - The consequence of not effectively tracking the various components of a student's graduation requirements have become more significant than they were in years past
 - Waiver caps, state funding implications, accountability implications
 - Pathways would be able to help quickly and easily identify students who are behind on certain requirements, or close to fulfilling a requirement that may end up helping them in the long run (ICC completion, seal completion, etc.)
-

A snapshot of what counselors have to track, then vs. now:

Tracking	2015	2025
Credits	Yes	Yes
Pathways	No	Yes
Waiver Caps	No	Yes
FAFSA Completion	No	Yes
Career Discovery Meetings	No	Yes
Personal Finance requirement	No	Yes
Quantitative Reasoning requirement	No	Yes
Seals & Plus Seals (New Diploma)	No	Yes
Indiana College Core (ICC)	No	Yes

One example of tracking: graduation pathways

Currently, counselors must track the following individual graduation pathways:

- ASVAB
- SAT
- AP/Dual Credit courses
- 24 separate C9 pathways
- The following CTE concentrator pathways:
 - Agriculture (which can branch into 4+ separate pathways by years 2 and 3)
 - Broadcasting
 - Business (both in-person and online)
 - Construction
 - Human Services
 - PLTW Biomed
 - 4 different local pathways:
 - Art
 - Band
 - Choir
 - JAG

Right now, we hand-track all of this. With Pathways, we would be able to more easily and efficiently track students' pathway progress.
