LCCC Board Report September 28, 2026 Dave Krause

Last Monday I attended SBA Deputy Administrator William Briggs visit to our campus for the formal check presentation of the $1.43 million grant award. It's part of the SBA's broader $50 million Empower to Grow initiative which is a fantastic milestone for workforce development across Lehigh, Carbon, and Schuylkill counties. The grant will serve to bring hands-on instruction in advanced manufacturing, mechatronics, and smart manufacturing directly to local job sites via a mobile lab. This will make a tremendous difference for small and mid-sized manufacturers in our region.

LCCC is one of 11 technical schools across the country to receive the award.

LCCC Mobile Workforce Lab

Then on Thursday we were informed that we were awarded our Strengthening Institutions Grant program entitled "PATHWAYS" (Philanthropy and Academic Transformation for High-demand Workforce Advancement that Yields Success) Project." **This is a 5-year, $2,171,960 award.**

Through this grant, LCCC will expand this model of creating noncredit-to-credit skilled trades pathways with emphasis on Electrician and Biotechnology, as these are two high-priority occupations and align with workforce trends for the next five years. Grant funding will be utilized to award a stipend to two noncredit and two credit instructors in skilled trades areas such as electrical, industrial automation, and biotechnology during Year 1 of the project. The instructors will work collaboratively to align the noncredit and credit programs and create sensible on- and off-ramps where noncredit students can enter and earn and industry-recognized credential, gain employment in the skilled trades workforce, and return to the college to complete additional coursework or enroll as a full- or part-time student. As the programs are developed, the instructors will revise curriculum to ensure it aligns with industry and workforce needs and ensure all courses have embedded industry credentials. Finally, the instructors will also explore alternative times and schedules for courses to meet noncredit students' unique needs, such as evenings and weekends.

With grant funding, LCCC will also hire a Project Coordinator to oversee the noncredit-to-credit course alignment and curriculum development. The Project Coordinator will work closely with instructors to embed industry-recognized credentials into the courses as a valued-added component.

Lastly, I would like to congratulation our Lehighton August LCCC graduates Avery Bauder, Autumn Clewell (Magnum Cum Laude), Phillip Ebbert, Cameron Fisher, Carter Hontz (Cum Laude), Eryn Mertz, Katherin Power (Magnum Cum Laude) and Peter Reese I believe most if not all were enrolled in Early College Program.

Board Summary

HIGHLIGHTS FROM SEPTEMBER

Graduation Spotlight

The CLIU extends its enthusiastic congratulations to Gene Bensing on his September graduation from our MDS B program at Catasauqua High School. Gene's teacher, Shannon Fisher, describes him as smart, kind, and funny, with a great sense of humor. After graduation, Gene will begin working through OVR, stocking supermarket shelves. Along with his family, we are proud of his accomplishments and wish him continued happiness and success in this exciting new chapter.

Deaf and Hard of Hearing Program

Special Programs and Services Deaf and Hard of Hearing Supervisor Katie Tully states, “At CLIU 21, we ensure every deaf and hard of hearing child has the language, access, and self-advocacy tools to unlock their fullest potential. We are filling the gaps, one direct lesson at a time.”

The Deaf and Hard of Hearing (DHOH) Program consists of four classrooms, all located within the Parkland School District. At the elementary level, the program includes one self-contained classroom and one intervention/enrichment classroom. The program also offers dedicated middle school and high school classrooms.

In addition to classroom instruction, the program provides educational interpreting, audiology, and itinerant services. Through partnerships with our 14 member school districts, the Deaf and Hard of Hearing Program proudly serves 153 students, including 136 students through itinerant and audiology services and 17 students in classroom-based learning environments. Through ongoing collaboration and resources, the CLIU remains committed to supporting DHOH students and their families.

Danner reported that SAT testing was held at the high school on June 6 and August 22. A. 1.9.B. Superintendent Report
J. Moser welcomed staff back for the 2026–2027 school year, thanking the administration, faculty, and staff for their preparation during recent in-service days, which included dedicated classroom setup time and interactive workshops. Moser formally welcomed returning students, emphasizing the district's commitment to supporting their educational pathways.

J. Moser outlined four primary academic initiatives for the upcoming school year:

- Autistic Support Classrooms: Two classrooms are operational at the Elementary Center, with pending agenda items to complete support staffing.
- Reading Curriculum Resources Pilot: Led by district administrators and piloted by two teachers per grade level at the Elementary Center over the course of the full school year.
- Integrated Multi-Tiered System of Supports (IMTSS): Implementation across the Elementary Center and Middle School in partnership with the CSIU team, focusing initially on Tier 1 general classroom instruction to establish a systematic, evidence-based approach by the end of the year.
- AP Capstone Program: Successful launch of the first course, AP Seminar, at the High School, with administrative site visits planned during the year to prepare for the rollout of the second course, AP Research, in the following school year.

Regarding standardized testing, J. Moser explained that the public presentation of preliminary PSSA and Keystone exam results was temporarily paused following a state-level directive advising superintendents to withhold public dissemination while scores undergo further state review. J. Moser noted that the report will be presented to the Board and the public in September once final data is released. In response to an inquiry from D. Bradley regarding data availability, J. Stacey Hoffman - Paraprofessional at the Elementary Center at an annual salary of $21,923.00 prorated for the 2026-2027 school year and an effective date on or about August 25, 2026.

Noah Hottenstein - Part-Time Cleaner effective August 25, 2026 at a rate of $13.50 per hour.

After-School Lobby Supervisor at a contracted rate of $37.00 per hour:
Nicholas Costantino
June Potts
Timothy O'Connor
Angela Harris

Saturday AM Detention Monitors at a contracted rate of $37.00 per hour:
Melissa Solt
Carrie Kenny
Timothy Sharrow

D. Bradley questioned the need for three Saturday detention monitors based on zero or low detention numbers listed in the state Safe Schools (PIMS) report. J. Moser and L. Frey clarified that PIMS only tracks reportable severe offenses resulting in detention rather than standard disciplinary detentions, which accounts for the low figures on that specific state report. J. Moser agreed to provide the board with a district report detailing actual Saturday detention numbers and explained that hiring three monitors allows for a rotating schedule based on staff availability. Additionally, J. Moser highlighted that the proposed behavior technician and paraprofessional positions would fully staff the district's two elementary autistic support classrooms, noting that all positions are accounted for within the passed budget through allocated funding or position reallocations following retirements.

4.10 B - MOTION by J. Glaush, SECONDED by W. Howland, to approve the Use of School Property for the following requests:
2. **LAMS PTO (Anika Frey)** - October 24, 2026 - 1:30-10:00 PM - Middle School Parking Lot - Fundraising Opportunity for Shuttle Service to Downtown Event.

An extended debate occurred among board members regarding district facilities usage, safety, and content neutrality. H. Neff and J. Beers voiced reservations about the nature of the event, with H. Neff arguing that the district should prioritize student safety over questionable fundraising activities and noting that alternative parking was available downtown. Conversely, D. Hartley warned that rejecting the request while having just approved a political event set a dangerous and discriminatory precedent, maintaining that the board must remain inclusive rather than arbitrarily deciding which legal groups are permitted on campus. D. Bradley asserted that as elected representatives, directors have a moral obligation to scrutinize each request individually and establish appropriate oversight, emphasizing that different events present distinct safety risks that warrant board discretion.

As the discussion progressed, J. Moser clarified for the board that the PTO was not asking to host the market on school grounds, but rather to use the parking lot solely for visitor parking and shuttle transportation. J. Moser and District Secretary J. Partenio confirmed that under District Policy 707, the board could mandate security for the event at the applicant's expense without needing to amend the motion. J. Glaush added that during a past instance when the shuttle service was allowed, local law enforcement and a stationing resource officer reported no safety issues or disruptions. Following the exchange, J. Beers called the question, and A. Matika directed J. Partenio to take a roll-call vote.

8.1. Director's Concerns

In accordance with Policy 006 - Board Members may submit items for the agenda in writing, together with supporting materials, before noon - five (5) days prior to regularly scheduled Board meetings. All items so submitted shall appear under the category Directors' Concerns.

D. Bradley raised a concern regarding the board's contractual and statutory obligation under Pennsylvania School Code Section 1073.1 to complete the superintendent's annual performance evaluation. D. Bradley distributed a prepared statement to the board and argued against using an evaluation form provided by a third-party entity like the Pennsylvania School Boards Association (PSBA), asserting instead that the board must collect district data and deliberate publicly before conducting evaluations in executive session. A heated exchange ensued involving A. Matika, T. Tkach, and D. Bradley over time constraints, parliamentary procedure, and First Amendment rights. D. Bradley formally introduced a motion to postpone the superintendent's performance evaluation. In framing the motion, D. Bradley argued that the board was failing to uphold its statutory and fiduciary responsibilities, accusing the majority of blocking necessary district data and relying on a third-party lobbyist's evaluation template rather than criteria established under the Pennsylvania Department of Education school code. D. Bradley asserted that proper protocol required the board to first collect comprehensive performance data and deliberate on those data points in a public forum. Under D. Bradley's proposed procedure, the board would only convene in a private executive session to execute the staff and superintendent evaluations after completing that public review. D. Bradley characterized the motion to postpone as a necessary departure from what was described as past tactics of plausible deniability and lack of transparency within the board.

8.2. Public Comment

Amidst the tension, A. Matika called for public comment, but there was none.

8.3. Adjournment

MOTION by L. Frey, SECONDED by W. Howland, to adjourn the Meeting.

YES - 8 NO - 0 ABSENT - 0 ABSTENTIONS - 0

D. Bradley did not vote since he was talking.

The August 24, 2026 Board Meeting was officially adjourned at 8:32 PM.

***Following the official adjournment, D. Bradley continued to maintain the floor, asserting that A. Matika lacked the authority to silence him while he had an active motion on the floor, claiming his First Amendment rights were being violated regarding an ongoing board responsibility. As T. Tkach attempted to interject to allow Board Solicitor J. Sultanik to speak, a sharp dispute arose between T. Tkach and D. Bradley over floor control and parliamentary order. D. Bradley then cited student performance metrics, stating that over 50 percent of district students were failing to meet PSSA standards across ten performance areas.*

When Atty. J. Sultanik began to address the procedural mechanics of how a board handles a motion to delay an evaluation, D. Bradley interrupted to clarify that he was not currently introducing a formal motion, sparking a debate over whether a motion was actually on the floor. Atty. J. Sultanik noted that a member cannot unilaterally initiate a motion without proper board approval or an agenda amendment under recent Pennsylvania Supreme Court precedent. D. Bradley repeatedly maintained that he was not introducing a motion at that moment, but was rather utilizing board floor time to emphasize the board's statutory mandate under School Code Section 1073.1 and duty of fidelity under Section 321. Atty. J. Sultanik acknowledged the distinction, confirming that while an individual member cannot unilaterally bring a motion on the floor without procedure, the board maintains an unquestioned legal and contractual obligation to evaluate the superintendent annually.

D. Bradley then resumed reading his prepared statement, referencing historical district hazing incidents, court litigations, and financial settlements as rationale for thorough board oversight. He read aloud an email from Board Treasurer L. Frey dated August 14, in which L. Frey expressed difficulty evaluating daily administrative functions without direct staff input and suggested anonymous feedback from the administrative team. D. Bradley criticized this stance, characterizing it as an attempt to "rubber stamp" evaluations rather than fulfill elected duties. During this address, D. Hartley and J. Glaush noted that the meeting's public live stream had ended and members of the audience were leaving. D. Bradley acknowledged the stream's conclusion and stated the statement would be shared publicly regardless. J. Glaush concluded the exchange by noting that board members can effectively evaluate the superintendent using gathered community feedback, meeting observations, and standard forms without needing internal administrative surveys.

Notice was made by D. Hartley and J. Glaush that the live stream of the meeting had disconnected during the statement. J. Glaush noted that board members gather sufficient information through community interactions, meeting observations, and administrative feedback to complete the evaluation using the current form. D. Bradley then concluded his presentation since the live stream ended and the room cleared.

2. Academic Affairs Committee

2.1. Early Graduation Requests
Recommendation to approve the Early Graduation Requests for the following students:

56890
56041
56955
61212

J. Moser clarified that the involved students had met both local graduation requirements and the necessary pathway through Act 158.

2.2. National Student Clearinghouse
J. Moser explained that the service uses cohort-level data to track post-secondary outcomes—such as completion rates across four-year, two-year, trade, and military programs—to evaluate how effectively the district prepares students for long-term success. In response to an inquiry from J. Glaush regarding cost structure, J. Moser confirmed the fee was annual. Reassuring a query from A. Matika on data freshness, J. Moser indicated that while updates occur at least annually, higher education enrollment trends likely make the updates semester-based.

During the discussion, D. Bradley raised concerns regarding student privacy, data collection, and opt-out options, comparing post-secondary tracking and enrollment medical record requests to unwarranted surveillance. J. Moser clarified that students can opt out, noting the data retrieved focuses on aggregate cohorts rather than personally identifiable details. J. Moser further clarified that the district does not collect Social Security numbers—utilizing PA Secure ID numbers instead—and limits reporting strictly to mandatory state systems like PIMS.

4. Finance Committee

4.1. 403b Correction
J. Moser reported a compliance issue regarding early retirement incentive and sick-time benefit deposits, which were contractually required to reach employee 403(b) accounts no later than August 1st. Although the district mailed the payments in late July, overlapping staff transitions and summer vacations in the business office caused a delay, preventing the funds from arriving and depositing on time. To remedy this, the district is calculated and obligated to pay approximately $800 in total lost earnings/interest through the U.S. Employee Benefits Security Administration guidelines. J. Moser expressed frustration with the district's legacy procedure of issuing paper checks by mail, taking full responsibility for the oversight while confirming that moving forward, payments will be processed electronically via ACH/wire transfers to prevent future occurrences.

During board discussion, J. Glaush appreciated J. Moser's accountability and proactive fix, viewing the transition away from archaic practices as a positive step toward modernizing district operations. D. Bradley emphasized the need for board-level continuity so the improved processes persist long-term. A. Matika suggested utilizing this event as an opportunity to audit other administrative operations for modernization. In response to an inquiry from D. Hartley regarding staffing roles, J. Moser clarified that C. Lionetti handles day-to-day business operations while M. Lentz remains involved at a broader, strategic level. D. Hartley and J. Glaush both supported streamlining district financial procedures to save administrative time and costs, while D. Bradley confirmed with J. Moser that the new electronic payment method would utilize low-cost ACH transfers rather than bank wire fees.

4.2. High School Cafeteria Dishwasher
Recommendation to replace the High School Cafeteria Dishwasher.

The dishwasher is 30+ years old and is at the term of life. The District reached out to 3 vendors for quotes for the dishwasher at the High School. Responses are due by September 18, 2026.

J. Moser highlighted that the funding for the replacement would be drawn entirely from the Food Service Fund as an allowable expense, rather than impacting the district's general fund. In response to J. Glaush's comment regarding the anticipated cost of an industrial dishwasher, J. Moser and D. Hartley noted that commercial-grade units are significantly more expensive than expected, with J. Moser estimating the cost could exceed $20,000.

4.3. Public Comment

5. Athletics Committee

5.1. Candidates for Athletic Coaching/Manager Positions
Recommendation to approve the following candidates for Athletic Coaching/Manager positions:

Winter Game Managers for the 2026/2027 year at $21.00 per hour:

Tim Sharrow
Ron Rabenold
Renee Marciante
Diane Brownmiller
Chris Knappenberger

Responding to a question from D. Bradley regarding why J. Cook was listed individually, J. Moser clarified that J. Cook was an addition to the existing fall game manager roster. J. Moser further noted that approving multiple winter game managers ensures a pool of available personnel to cover events during the winter season.

Addressing placeholder positions listed on the workshop agenda—including candidates for LPN, lunch aide, homebound teacher, and gifted mentor—J. Moser explained that the administration was actively reviewing applications and scheduling interviews, with final names expected prior to the legislative meeting. In response to an inquiry from D. Hartley regarding the LPN position, J. Moser clarified that a secondary position was open due to an upcoming retirement in mid-October, following a retirement at the end of the prior school year.

Addressing questions from D. Bradley regarding timesheet authorization and supervisor duties, J. Moser explained that after-school lobby supervisors provide adult oversight for students waiting between dismissal and late extracurricular or athletic events. J. Moser noted that building principals approve lobby supervisor timesheets, while the Athletic Director signs off on game manager hours. Following a suggestion from D. Bradley to post lobby supervisor roles externally to allow local retirees or community members to earn income, J. Moser confirmed that while internal staff had initially been selected to fill the positions quickly, the district could post future openings externally provided candidates possess all required background clearances.

7.2. Tenure

J. Glaush thanked all three educators for their long-standing dedication, sharing personal praise for J. Yescavage and wishing them well in retirement. J. Matika expressed appreciation for their contributions and welcomed the possibility of their return as substitute teachers in the future.

Employee #1085 - June 28-July 21, 2026 - ADHD: An Educator's Guide (Level II - up to $602.00 per credit).

Addressing a question from D. Hartley regarding the summer 2026 dates, J. Partenio clarified that the employee submitted the request prior to taking the classes, but an internal administrative error delayed placement on the agenda. J. Partenio confirmed the submission was to complete required pre-approval paperwork before the employee submits for tuition reimbursement.

Background

Our Mission

The ability to see clearly is key to optimal living and quality of life for all people and extends beyond health to every person's ability to participate in and contribute to society. VBA's mission is to improve the human experience by utilizing innovative models of service, delivery and advocacy to reduce barriers to high-quality eye care.

Improving the Human Experience

VBA vision products offer members access to fundamental vision care. Through vision care exams, doctors are able to help members see clearly.

A Personal Approach

Everyone gets a uniquely personal approach to vision benefits with VBA's customized plans, personalized service and the latest products. Whether you're a member, administrator, broker, provider or lab, working with VBA is a simple process. At VBA, you're our focus.

Since 1965, we've provided comprehensive vision coverage to corporations, municipalities, schools, health and welfare funds, hospitals and health maintenance organizations in Pennsylvania.

Our focus on personalized service has helped us build and maintain long-term relationships — like the one we still have with our first customer that joined us more than 60 years ago.

Coverage for Those Who Need It Most

The Pennsylvania Vision Foundation, an affiliate of VBA, was founded in 2007 to provide eye care, including vision care exams, prescription lenses and frames, to those in need. To date, the foundation has proudly assisted more than 14,000 uninsured Pennsylvanians.

Choose VBA Vision

VBA offers:

- Tailored plan designs featuring custom underwriting for companies with as few as 10 employees;
- Plans that allow for contacts and frames within the same contract period;
- A growing network of ophthalmologists, optometrists and retail providers for your employees to access.

Simplicity & Support

We pride ourselves on keeping things simple for you and your employees. Your employees can call, email or chat instantly with us.

Scope & Scale

VBA offers customized plan designs and custom underwriting for companies of 10 or more employees. Our plans include a vast network of access points—more than 80,000 for vision including optometrists, ophthalmologists and retailers.

Support from expert representatives

At VBA, our representatives are available to offer sound advice and helpful information. Our consultative approach can guide both you and your clients through any aspect of selecting vision benefits.

Coverage that Counts

VBA covers vision care exams for your employees so that they can stay healthy and see clearly. By taking advantage of these regular exams, providers can detect any potential issues early and begin treatment, ensuring your employees' eyes are as healthy as possible.

Vision Care Exams

Vision care examinations are vital to maintaining good visual health. Including a vision care exam in benefits packages may reduce medical costs.

Frames

Knowing that frames often double as a statement of fashion, VBA works with you to determine a frame allowance. Our frame allowance gives your team members the flexibility to select frames that meet their budget and sense of style.

Lenses

Lens technology can give your employees clear vision—from daily tasks to special life moments. VBA works with you to determine the lens treatments and designs to meet those needs. From blue-light blocking coatings to fully-covered progressive lenses, our plans can give access to the lenses that help your team live their best lives.

Elective Contact Lenses

Contact lenses are often selected as an alternative to frames. VBA will work with you in selecting an elective contact lens allowance to give your employees the flexibility to meet their price point and preferences.

Optional Covered Materials

Looking to offer more? VBA gives you the flexibility to include additional options such as progressive lenses, photochromic lenses and anti-reflective coatings.

Values in Vision...and Beyond

HOW TO READ YOUR INVOICE

1. Your Total Due is the total amount of current charges and any previous unpaid Balances combined. This also states the date payment is due to WM, anything beyond that date may incur additional charges.
2. Previous balance is the total due from your previous invoice. We subtract any Payments Received/Adjustments and add your Current Charges from this billing cycle to get a Total Due on this invoice. If you have not paid all or a portion of your previous balance, please pay the entire Total Due to avoid a late charge or service interruption.
3. Service location details the total current charges of this invoice.

Balance Subject to Late Fees

If Company's fails to make payment in full by the applicable Due Date, or a payment is returned (each a "Payment Default"), then a fee (the "Late Fee") will apply to the Total Outstanding Balance (as defined below). The late fee will be calculated by multiplying the applicable late fee rate by the Total Outstanding Balance on the Calculation Date, not to exceed the amount allowable by applicable law. For Billing Cycles other than monthly, the percentage rate used in the Late Fee calculation will be prorated based on the length of the billing cycle in relation to a monthly billing cycle. Company will be considered to have made a payment to Issuer on an Account only when the payment is posted to the Account as provided in this Agreement. 7.2 The "Calculation Date" is the earlier of (a) the posting date for Company's payment in full of the invoiced amount to its Account, or (b) the last day of the Billing Cycle during which the Payment Default occurred. The "Total Outstanding Balance" is the invoiced amount, plus the amount of any unbilled Transactions delivered by a merchant to Issuer, and minus any credits that have posted to the Account, through the Calculation Date.

How to Dispute Your Invoice

Charges must be disputed in writing no later than sixty (60) days from the bill closing date or they will be considered final and binding.

IF YOU SUSPECT A NATURAL GAS LEAK, SMELL GAS OR HAVE ANY OTHER GAS RELATED EMERGENCIES, PLEASE DIAL 911 OR CONTACT YOUR LOCAL DISTRIBUTION UTILITY COMPANY.

GENERAL INFORMATION

If you end your service with NRG prior to the end of your agreement term, you may be charged an early termination fee. Please refer to your agreement for additional information.

In the event that the Term of your Agreement has expired, your account will be invoiced at a Market Based Rate or dropped.

DEFINITIONS

Board of Public Utilities – State agency responsible for regulating local utility companies. (May also be called Public Service Commission).

Burner Tip – Point where natural gas is ultimately used by the customer (the meter).

CCF – 100 cubic feet. This is a measure of gas usage.

City Gate – Physical connection of an interstate pipeline and the pipeline of the local natural gas utility.

Commodity Charge – The cost of natural gas provided to you during the billing period.

GSA (Gas Settlement Adjustment) – charge or credit for the value of natural gas usage that differs from contracted volume.

Late Payment Charges – Charges for payment of a billed amount after the due date specified on the customer's invoice. Late payment charges may apply as specified in your contract with NRG.

DEFINITIONS CONTINUED

Line Loss – The difference between the amount of natural gas brought to the city gate, versus the amount of natural gas usage report at the meter (burner tip). Line loss was previously included in your local pricing. Line loss is a regulated charge based on percentages determined by each utility to compensate for the utility's pipeline system loss.

Local Distribution Company (LDC) Charges – The fee assessed by the local utility for delivery of natural gas to the customer's home or business through the utility's distribution lines. In most cases this charge is billed separately by the utility.

Meter – A device for measuring levels and volumes of a customer's natural gas usage. The local utility retains responsibility for reading and maintaining these meters.

MMBTU – Million British thermal units, which is a heating equivalent measure for natural gas and is an alternative measure of natural gas reserves.

Service Period – The time period associated with when the Utility reads or estimates the customer's natural gas usage for billing purposes. The customer's service period is established by the Utility.

DESCRIPTION OF WORK

Lehighton Area School District
Elementary School
Ice Machine PM - Euhomy

51-3100-432

CJ 9/15/26

The technician arrived at Lehighton Elementary School to perform preventive maintenance on the ice machine. The technician undertook the following actions:

- Conducted a thorough chemical cleaning of the ice machine, which included the bin, parts, and coil.
- Replaced the pre-filter to enhance the machine's efficiency.
- Ran the unit through both cleaning and rinse cycles to ensure it was properly sanitized.
- Operated the unit through an ice-making cycle to verify that ice was being produced appropriately.

Additionally, while at the Lehighton Elementary School, the technician addressed a water leakage issue from the walk-in cooler at the High School. The technician observed a slight drip at the penetrations and took preventive measures by applying silicone to seal the affected areas completely. This repair helps prevent future leaks and maintain the integrity of the cooler.

Arrived and Checked the dish washer out. The customer complained of water pooling on the floor on the left side of the unit. The customer had complained of pooling on the right side floor, but had the maintenance personnel fix the problem. Ran the unit, floor is dry. Water is getting by the curtains and past the tables between the machine and table. Cleaned the areas and siliconed the gaps. There are no leaks anywhere else after running it 5 times. The new vacuum breaker is not leaking and no hoses are leaking. The drains are clear and drain pipes and seals are ok as of now. The curtains are wore and twisted allowing water to splash out causing water to be replenish more often and heating up more often. Adding new curtains will help trap in the heat and water better. Will quote on new curtains . Job completed 9/16/26

Per Nicole- Unknown oven not heating

Service Performed:

9/8/26. Bryan - Arrived and checked the left convection oven. Customer stated that they have to slam the doors to get it to work. This is not doing anything but putting stress on the door chain and rods and the door switch. Told the staff not to slam the doors. Only open and close them properly and or shut off the unit and back on to reset the control module . Removed the burner cover and checked the door switch. It is in place ands tight. All wires are tight. Allow to heat and it was short cycling a little. Checked the wiring at the molex plugs and at the temp control and module and all are tight. The unit is now operation correctly and the temp calibration is ok. Believe that there's an intermittent problem with the temp control and module. Will order those parts along with a door switch and temperature probe and return. The left oven id in service at this time. The other ovens are ok. Will return.

9/11/26. Bryan - Arrived and made my way to the kitchen. The oven was in use but customer said that it failed this morning. They cycles the power switch and the unit restarted and has been ok. Waited until the customer was finished using the oven and i shut off and removed power. Removed the module and temp control. Installed the new temp control and module. Removed the temp probe and door switch. Installed the new temp probe and door switch. Plug in and have 122 vac to the unit. Power on and the oven heats up. The hot surface ignitor is glowing and the burner gas is ignited. Open and closed the doors many times and the unit always restarts. Tested the timer and it times down and sounds. Checked the temp calibration and the temperature is calibrated. Allow to cycle at 350 for 20 mins without fail. The oven is now back in service. Job completed.

LEHIGHTON AREA SCHOOL DISTRICT
BOARD OF SCHOOL DIRECTORS

RESOLUTION REGARDING ANNUAL PERFORMANCE EVALUATION OF SUPERINTENDENT JASON MOSER
2025–2026 School Year

WHEREAS, the Board of School Directors ("Board") of the Lehighton Area School District ("District") is required, pursuant to Section 1073.1 of the Public School Code of 1949, as amended (24 P.S. § 10-1073.1), to include objective performance standards in the employment contract of the District Superintendent, which standards shall be mutually agreed to in writing by the Board and the Superintendent; and

WHEREAS, the Board and Superintendent Jason Moser mutually agreed upon five (5) objective performance standards for the 2025–2026 school year, consistent with the categories set forth in Section 1073.1 and the guidance of the Pennsylvania Association of School Administrators (PASA), which recommends no more than five standards annually; and

WHEREAS, the mutually agreed-upon objective performance standards for the 2025–2026 school year are as follows:

1. The Superintendent will communicate with the school community at-large in order to build relationships based on transparency and respect.

2. The Superintendent will create the conditions for increased student academic achievement.

3. The Superintendent will support a data-informed decision-making mindset through the District.

4. The Superintendent, through collaboration with the Board of Directors, administrators, teachers, support staff, students, and the community, will lead the continuous process of visioning for school improvement.

5. The Superintendent will promote professional development, ongoing success, and accountability by delivering Board-approved goals on an annual basis that strategically plan for ongoing improvement and address concerns and deficiencies identified.

WHEREAS, the Board conducted the annual performance evaluation of Superintendent Moser on September 14, 2026, in executive session, consistent with the exceptions to the Pennsylvania Sunshine Act, 65 Pa.C.S. § 708(a)(1), which permits discussion of personnel matters, including the evaluation of an employee's performance; and

WHEREAS, the Board evaluated Superintendent Moser against the five (5) mutually agreed-upon objective performance standards enumerated above, and concluded that Superintendent Moser met all five (5) of the identified objective performance standards for the 2025–2026 school year; and

WHEREAS, Section 1073.1 requires that, upon completion of the annual performance assessment, the Board shall post on the District's publicly accessible website the date of the assessment and whether or not the Superintendent met the agreed-to objective performance standards; and

WHEREAS, Section 1073.1 establishes two separate and distinct obligations: (1) the posting of the mutually agreed-upon objective performance standards on the District's website, and (2) upon completion of the annual assessment, the posting of the assessment date and whether the standards were met; and

WHEREAS, the statute does not require that objective performance standards for the succeeding school year be adopted simultaneously with the disclosure of the prior year's evaluation results, and the Board intends to work collaboratively with Superintendent Moser to develop and mutually agree upon objective performance standards for the 2026–2027 school year in a thoughtful and timely manner.

NOW, THEREFORE, BE IT RESOLVED by the Board of School Directors of the Lehighton Area School District, in public session duly assembled, as follows:

1. The Board hereby confirms that it conducted the annual performance evaluation of Superintendent Jason Moser on September 14, 2026, in executive session, and that the Board has determined that Superintendent Moser met all five (5) of the mutually agreed-upon objective performance standards for the 2025–2026 school year.

2. The Administration is hereby directed to post on the District's publicly accessible website a disclosure that includes: (a) the mutually agreed-upon objective performance standards for the 2025–2026 school year; (b) the date of the annual performance assessment (September 14, 2026); and (c) the determination that Superintendent Moser met the agreed-to objective performance standards, all in accordance with Section 1073.1 of the Public School Code of 1949, as amended.

3. The website disclosure shall note that Section 1073.1 requires the posting of the objective performance standards, the date of the assessment, and whether the standards were met, but does not require the posting of the evaluation itself.

4. The Board shall work collaboratively with Superintendent Moser to develop and mutually agree upon objective performance standards for the 2026–2027 school year. Upon mutual agreement, such standards shall be posted on the District's website as required by Section 1073.1. The Board notes that the adoption of new performance standards for the 2026–2027 school year is a separate obligation from the disclosure of the 2025–2026 evaluation results, and the Board may take reasonable time to thoughtfully develop the new standards in collaboration with the Superintendent.

5. This Resolution shall take effect immediately upon adoption.

WILMINGTON UNIVERSITY

AFFILIATION AGREEMENT

This **AGREEMENT** is made on _____ (**"Effective Date"**) between **WILMINGTON UNIVERSITY** (hereinafter referred to as "WilmU") and Lehighton Area School District **(**hereinafter referred to as "Host Agency"). WilmU and Host Agency may be referenced in this Agreement as a "Party" and collectively as the "Parties."

WilmU and the Host Agency wish to reach an agreement regarding the separate and joint responsibilities that occur when students receive clinical instruction in the Host Agency. Both parties desire to cooperate in providing WilmU nursing students preparing for professional nursing roles the opportunity to participate in health assessment and promotion, client teaching, and care of clients with health deficits, through a planned program of instruction. WilmU and the Host Agency wish to establish a mutually satisfactory relationship with clearly defined policies.

1. Responsibilities of WilmU

1.1. WilmU will plan and determine the adequacy of the educational experience of the students in theoretical background, basic skill, professional ethics, attitude and behavior and shall assign to the Host Agency only those students who have satisfactorily completed the prerequisite didactic portions of WilmU's curriculum.

1.2. WilmU will retain ultimate responsibility for the education and assessment of its students. WilmU's representative for this Agreement shall be a faculty member appointed and assigned by WilmU, who will be responsible for student teaching and assessment provided pursuant to this Agreement.

1.3. WilmU will advise all students assigned to the Host Agency facilities regarding the confidentiality of patient/client records and patient/client information imparted during the training experience. WilmU will also advise all students that the confidentiality requirements survive the termination or expiration of this AGREEMENT.

1.4. WilmU will require all participating students to maintain health insurance and provide proof of health insurance to WilmU**.** The Host Agency may request the student provide proof of health insurance prior to beginning of the training experience.

1.5. WilmU will require all participating students to have completed an appropriate criminal background check and drug screening as well as to submit to WilmU documentation of the following: current health status, annual tuberculosis screening, immunization for measles, mumps, and rubella, and immunization to hepatitis B unless waived; with additional information required by the Host Agency to be supplied to the Host Agency directly by the student. If applicable, the Host Agency shall notify the student of any requests for evidence of criminal background test or immunization. WilmU will inform the student of his/her responsibility to provide evidence to the Host Agency of any required criminal background checks or immunizations, when requested. The Host Agency shall notify WilmU of its requirements of an acceptable criminal background

check and required immunizations. WilmU will also inform students that they may be required to undergo a drug test or other similar screening tests pursuant to the Host Agency's policies and practices, and that the cost of any such test will be paid by the student, if not the Host Agency.

1.6. WilmU will require students to be certified in cardiopulmonary resuscitation.

1.7. WilmU will advise students that they are required to comply with Host Agency rules, regulations, and procedures**.**

1.8. If requested by the Host Agency, WilmU will provide instruction to the Host Agency's staff with respect to WilmU's expectations regarding assessment of WilmU's students at the Host Agency.

1.9. WilmU will provide services in the implementation of student learning experiences at no cost to the Host Agency.

1.10. WilmU warrants and represents that it provides occurrence-based liability insurance or self-insurance for its students with limits of at least $1,000,000 per occurrence and $3,000,000 annual aggregate. If requested by the Host Agency, WilmU shall provide a certificate of insurance demonstrating coverage for students completing clinical training at the Host Agency.

2. Responsibilities of the Host Agency

2.1. The Host Agency has a responsibility to maintain a positive, respectful, and adequately resourced learning environment so that sound educational experiences can occur. Therefore, the Host Agency will provide students and faculty with access to appropriate resources for student education including: a) access to patients at Host Agency facilities in an appropriately supervised environment, in which the students can complete WilmU's curriculum; b) student security badges or other means of secure access to patient care areas; c) access and required training for students in the proper use of electronic medical records; e) appropriate spaces for classes and conferences; f) secure storage space for students' personal items when at the Host Agency; and g) parking.

2.2. The Host Agency will retain full authority and responsibility for patient care and quality standards, and will maintain a level of care that meets generally accepted standards conducive to satisfactory instruction. While in Host Agency's facilities, students will have the status of trainees; are not to replace Host Agency staff; and, are not to render unsupervised patient care and/or services. All services rendered by students must have educational value and meet the goals of the education program. Host Agency and its staff will provide such supervision of the educational and clinical activities as is reasonable and appropriate to the circumstances and to the student's level of training.

2.3. The Host Agency staff will, upon request, assist WilmU in the assessment of the learning and performance of participating students by completing assessment forms provided by

WilmU and returned to WilmU in a timely fashion.

2.4. The Host Agency will provide for the orientation of WilmU's participating students and faculty as to the Host Agency's rules, regulations, policies, and procedures.

2.5. The Host Agency agrees to comply with applicable state and federal workplace safety laws and regulations. In the event a student is exposed to an infectious or environmental hazard or other occupational injury (i.e., needle stick) while at the Host Agency, the Host Agency, upon notice of such incident from the student, will provide such emergency care as is provided its employees, including, where applicable: examination and evaluation by Host Agency's emergency department or other appropriate facility as soon as possible after the injury; emergency medical care immediately following the injury as necessary; initiation of the HBV, Hepatitis C (HCV), and/or HIV protocol as necessary; and HIV counseling and appropriate testing as necessary. In the event that Host Agency does not have the resources to provide such emergency care, Host Agency will refer such student to the nearest emergency facility. WilmU will define, for its students, who bears financial responsibility for any charges generated.

2.6. To the extent the Host Agency, generates or maintains educational records related to the participating student, the Host Agency agrees to comply with the Family Educational Rights and Privacy Act (FERPA), to the same extent as such laws and regulations apply to WilmU and shall limit access to only those employees or agents with a need to know. For the purposes of this Agreement, pursuant to FERPA, WilmU hereby designates Host Agency as a school official with a legitimate educational interest in the educational records of the participating student(s) to the extent that access to WilmU's records is required by Host Agency to carry out the Program.

2.7. Upon request, the Host Agency will provide proof that it maintains liability insurance in an amount that is commercially reasonable.

2.8. The Host Agency will provide written notification to WilmU promptly if a claim arises involving a student. The Host Agency and WilmU agree to share such information in a manner that protects such disclosures from discovery to the extent possible under applicable federal and state peer review and joint defense laws.

2.9. The Host Agency will resolve any situation in favor of its patients' welfare and restrict a student to the role of observer when a problem may exist until the incident can be resolved by the staff in charge of the student or the student is removed. The Host Agency will notify WilmU's course director if such an action is required.

2.10. The Host Agency shall identify a site coordinator from among its medical staff who will communicate and cooperate with WilmU's coordinator to ensure faculty and student access to appropriate resources for the clinical training experience.

3. Mutual Responsibilities

3.1. Representatives for each party will be established on or before the execution of this AGREEMENT.

3.2. The parties will establish the maximum number of students assigned during any instructional period.

3.3. The parties will work together to maintain an environment of high quality patient care. At the request of either party, a meeting or conference will promptly be held between WilmU and Host Agency representatives to resolve any problems or develop any improvements in the operation of the clinical training program.

3.4. WilmU will provide qualified and competent individuals in adequate number for the instruction, assessment, and supervision of students using WilmU facilities. The Host Agency will provide qualified and competent staff members in adequate number for the instruction and supervision of students using the Host Agency facilities.

3.5. WilmU and the Host Agency will not discriminate against any employee, applicant or student enrolled in their respective programs because of age, creed, gender identity, national origin, race, sex, sexual orientation or any other basis protected by law.

3.6. WilmU, including its faculty, staff, and students and Host Agency share responsibility for creating an appropriate learning environment that includes both formal learning activities and the attitudes, values, and informal "lessons" conveyed by individuals who interact with the student. The parties will cooperate to evaluate the learning environment (which may include on-site visits) to identify positive and negative influences on the maintenance of professional standards, and to conduct and develop appropriate strategies to enhance the positive and mitigate the negative influences.

3.7. Host Agency may immediately remove from the premises and retains the right to suspend or terminate any student's participation at the Host Agency. The Host Agency will immediately notify the appropriate office of WilmU if such an action is required and the reasons for such action. WilmU may terminate a student's participation when, in its sole discretion, it determines that further participation by the student would no longer be appropriate. WilmU will notify the Host Agency if such action is required.

4. Term and Termination

4.1 This AGREEMENT is effective upon execution of the Implementation Letter by both parties to the covered clinical training experience(s) and will continue indefinitely or until terminated. This AGREEMENT may be terminated at any time and for any reason by either party upon not less than ninety (90) days prior written notice to the other party. Should notice of termination be given under this Section, students already scheduled to train at Host Agency will be permitted to complete any previously scheduled clinical assignment at Host Agency.

5. Employment Disclaimer

5.1 The students participating in the program will not be considered employees or agents of the Host Agency or WilmU for any purpose. 6. Health Insurance Portability and Accountability Act.

6.1 Health Insurance Portability and Accountability Act. The Organization and the School agree that the School is a covered entity for purposes of the Health Insurance Portability and Accountability Act ("HIPAA") and subject to 45 CFR Parts 160 and 164 ("the HIPAA Privacy Regulation"). To the extent that the students and/or faculty are participating in the Program at the Organization, such students and/or faculty shall:

If the School's accrediting agency requires access to the Organization's facilities and Protected Health Information, then the Organization will require a Business Associate Agreement with the accrediting agency.

7. No Agency Relationship Between the Parties.

7.1 Nothing in this Agreement is intended to or shall be construed to constitute or establish an agency, employer/employee, partnership, franchise, or fiduciary relationship between the parties; and neither party shall have the right or authority or shall hold itself out to have the right or authority to bind the other party, nor shall either party be responsible for the acts or omissions of the other except as provided specifically to the contrary herein.

8. Assignment

8.1 This AGREEMENT will not be assigned by either party without the prior written consent of the other.

9. No Special Damages

9.1 In no event shall either party be liable hereunder (whether in an action in negligence, contract or tort or based on a warranty or otherwise) for any indirect, incidental, special or consequential damages incurred by the other party or any third party, even if the party has been advised of the possibility of such damages.

vi. Prior to the Event, make emergency equipment as well as other common sideline items, like injury ice, available to the athletic trainers covering the Event.

vii. In the event of an emergency, advise Event Manager (defined below) of the location-specific emergency action plan.

2. **Event Host Obligations**.

(a) Event Host shall communicate to LVHN's Primary Contact the name and contact information of the applicable Event Manager at least 48 hours in advance of each Event. "Event Manager" shall mean the Event Host representative who will be on-site during the Event and who is responsible for managing the Event. The Event Manager shall also be responsible for set-up and opening the rooms and facilities at the Event Location. For clarity, LVHN Personnel cannot be the Event Manager.

(b) Event Host shall assist, and shall require Event Manager to assist, LVHN Personnel with obtaining treatment consents from all athletes (or their parent or legal guardian, as appropriate) prior to and/or when such athletes need treatment. Event Host acknowledges and agrees that if LVHN Personnel reasonably believes that LVHN Personnel does not have treatment consent when such consent is needed, neither LVHN nor LVHN Personnel is required to provide any health care services directly

to such athlete.

(c) Event Host acknowledges and agrees that, as between LVHN and Event Host, Event Host is solely responsible for the conduct of all Event participants (including but not limited to athletes, parents, coaches, and Event personnel attending any Event). In the event that any such individual treats any LVHN Personnel in a belligerent, aggressive, or offensive manner at any Event ("Attendee Misconduct"), Event Host agrees that the Event Manager shall be responsible for the interdiction of such Attendee Misconduct and/or the removal of such individual from the Event, as may be necessary. In the event that the Event Manager is unable to fulfill its obligations under this Section 2(c), LVHN Personnel will be permitted to cease providing Services at the applicable Event without regard to any potential interruption to such Event that such LVHN Personnel's departure may cause. Additionally, in the event of any Attendee Misconduct, LVHN may terminate the Agreement immediately upon written notice to Event Host.

(d) Event Host shall ensure that LVHN Personnel has access to all locations and facilities necessary to perform Services for each Event. Event Host acknowledges that it is solely responsible for all locations and facilities (and their adequacy) in which any Event will take place.

(e) Event Host acknowledges and agrees that LVHN Personnel provided by LVHN shall not be asked by Event Host or any of its personnel to engage in activities or perform services other than the Services described under this Agreement.

(f) Event Host represents and warrants that it has the full power, right, and authority to perform its obligations under and grant the rights contemplated by this Agreement.

3. **Provision of Supplies**. LVHN agrees to provide supplies necessary in connection with the provision of athletic trainer Services by LVHN ("Supplies"), which such Supplies shall be used exclusively by LVHN Personnel for the performance of athletic trainer Services.

4. **Payment for Services**. Event Host will pay LVHN for Services at the applicable rate indicated in the Events Terms. Payment will be due no later than thirty (30) days following Event Host's receipt of each invoice from LVHN.

5. **Term and Termination**.

(a) This Agreement shall be in effect commencing on the Effective Date and shall terminate on the first (1st) anniversary thereof unless terminated earlier pursuant to the terms in the Agreement. Notwithstanding the foregoing, the terms of Section 4 (Payment for Services), Section 8 (Compliance), Section 9 (Confidentiality), Section 13 (Indemnification), Section 14 (No Assignment), Section 16 (Notices), Section 18 (Governing Law), Section 19 (Partial Invalidity), Section 20 (Waiver), and Section 21 (Complete Agreement; Modifications) shall continue in full force and effect following the termination of this Agreement. Additionally, any term or provision of this Agreement, the survival of which is necessary in order that such terms and provisions are given full force and effect shall survive the expiration or termination of this Agreement, regardless of the date, cause or manner of such expiration or termination.

(b) In the event that either party breaches a material term of this Agreement that is not cured with ten (10) days of receipt of a written notice specifying the breach, the non-breaching party may terminate the Agreement immediately upon expiration of such ten (10) day notice. In the event that the breach cannot be cured within ten (10) days, the Agreement will not be terminated for breach in the event the breaching party demonstrates within such ten (10) day period it is diligently making efforts to cure the breach to the satisfaction of the other party.

(c) This Agreement may be terminated by LVHN at any time upon thirty (30) days' written notice to Event Host.

6. **Cancellation**. If Event Host must cancel an Event, Event Host shall communicate such cancellation to LVHN as soon as possible. If Event Host postpones an Event (for inclement weather or otherwise), LVHN shall not be obligated to provide Services for such Event unless LVHN agrees to provide such services on the postponed date.

7. **Insurance**.

(a) LVHN shall maintain or cause to be maintained during the term of this Agreement on behalf of each athletic trainer and any other health care professional engaged by LVHN and providing Services hereunder, professional liability insurance coverage in a form and in amounts not less than One Million Dollars ($1,000,000) per occurrence and Three Million Dollars ($3,000,000) in the aggregate.

(b) LVHN and Event Host shall both maintain on their own behalf Commercial General Liability Insurance (including bodily injury, personal injury, contractual liability, completed operations, and property damage) of not less than One Million Dollars ($1,000,000) per occurrence and Two Million Dollars ($2,000,000) in the aggregate.

(c) Each party shall provide the other with a certificate(s) of insurance evidencing the insurance coverage required by such party under this Agreement and applicable law within fifteen (15) days of any written request by the other party. No such insurance coverage may be cancelled, non-renewed or reduced below the stated limits during the term of this Agreement. If any of the above coverages maintained by either party are written on a claims-made basis then upon termination of such coverage, the party for whom coverage has terminated ("Notifying Party") shall provide the other party with evidence of "tail" coverage and/or an "extended reporting period" of sufficient duration for the Notifying Party's foreseeable exposures to loss and/or liabilities arising from this Agreement.

8. **Compliance**.

(a) Each party agrees to comply with applicable federal and state laws and regulations governing its activities and obligations hereunder, including those governing patient information.

(b) The parties agree to comply with the then-current Sports Medicine Guidelines published by the Pennsylvania Interscholastic Athletic Association ("PIAA"). Further, Guest AT Services shall be provided in accordance with the then-current LVHN Policy & Procedure Manual for its Athletic Training Department ("LVHN AT Manual"). When providing Guest AT Services, LVHN Personnel has final responsibility to determine whether an athlete is removed or withheld from participation due to an injury and clearance for that individual to return to activity is solely the responsibility of the LVHN Personnel. For Guest AT Services, in the event of conflict between the PIAA Sports Medicine Guidelines and LVHN AT Manual, the parties agree to allow the LVHN Personnel to resolve such conflict as medically appropriate. In the event any person overrides or otherwise interferes with the LVHN Personnel's decision when providing Guest AT Services in a manner that violates, or enables a violation of, a provision of the PIAA Sports Medicine Guidelines and/or the LVHN AT Manual, LVHN and LVHN Personnel may immediately stop providing Guest AT Services to the applicable athlete; from that point in time forward, Event Host shall be responsible for obtaining medical services for such athlete. Event Host shall defend, hold harmless and indemnify LVHN against any and all claims, liabilities, damages, or judgments asserted against, imposed upon or incurred by LVHN, including reasonable attorneys' fees, that result from Event

Host's act or omission under this section (with such indemnification surviving the termination of the Agreement). The terms of this subsection (b) shall prevail over any other terms of the Agreement that may be in conflict.

9. **Confidentiality.** The parties agree that the terms of this Agreement are confidential; as such, except for disclosure to their legal counsel, accountants or other professional advisors, neither LVHN nor Event Host shall disclose the terms of this Agreement to any person who is not a party or signatory to this Agreement, unless disclosure thereof is required by law or otherwise authorized by the provisions of this Agreement or expressly by the other party.

10. **Fraud and Abuse Compliance**. The parties expressly acknowledge that the remuneration contemplated hereunder is fair market value for the Services rendered, and that nothing contained herein shall require referrals for orders or services. Neither party will knowingly or intentionally conduct itself in such a manner as to violate any federal or state law, rule or regulation applicable to the items purchased or the services rendered hereunder, including but not limited to any fraud and abuse provisions relating to the Medicare and Medicaid Programs. The parties agree that the benefits to either party hereunder do not require, are not payment for, and are not in any way contingent upon the admission, referral, or other arrangement for the provision of any item or service reimbursed under any federal or state health care program, including, without limitation, Medicare or Medicaid. The parties understand and agree that nothing contained in this Agreement shall in any way require or suggest that Event Host shall be required to refer patients to LVHN, any physician or other health care provider, or any affiliate of LVHN at any time whatsoever. Event Host shall be free to refer patients to any hospital, health care facility, provider, or physician, and nothing contained herein is intended to require, and nothing herein shall be construed to require, Event Host to make or influence referrals to, or otherwise generate business for, LVHN, any physician or other health care provider, or any affiliate of LVHN.

11. **Anti-Discrimination**. In compliance with federal law, including the provisions of Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Age Discrimination in Employment Act of 1967, and the Americans with Disabilities Act of 1990, each party hereto will not discriminate on the basis of race, sex, religion, color, national or ethnic origin, age, disability, or military service in its administration of its policies, employment, programs or activities.

12. **Limitation on Control**.

    (a) **Additional Health Care Services**. If in the opinion of any LVHN physician or athletic trainer an athlete requires healthcare and/or consultation services beyond those normally expected from such medical personnel, it shall be the responsibility of the athlete (or the athlete's parent or legal guardian, as appropriate) to make individual arrangements, including financial arrangements, for those healthcare and/or consultation services. Further, in the event an athlete is injured and, in the judgment of the LHVN medical personnel (which includes LVHN's physicians and athletic trainers), requires urgent treatment, such medical personnel shall refer the athlete to the type of medical facility determined by the medical personnel to be appropriate for that particular treatment. The parties acknowledge and agree that the medical personnel's recommendations are solely for the convenience of the athlete, and the parties shall inform athletes of their right to choose their own health care provider. Further, nothing in this Agreement shall be construed to limit and/or prevent any athlete (or the athlete's parent or legal guardian, as appropriate) from choosing their own health care provider.

    (b) **Independent Clinical Decision-Making**. Nothing in this Agreement shall be deemed to modify the physician/patient relationship or the confidential relationship between a physician and his/her patient. This Agreement is not intended to influence the medical judgment of any health care

provider.

13. **Indemnification**. Event Host shall indemnify, defend and hold harmless LVHN from and against any and all claims, losses, penalties, fines, costs, forfeitures, legal fees and related costs, judgments and any other expenses whatsoever and whensoever incurred by or assessed against LVHN arising from: (a) the negligence or willful misconduct of Event Host and/or any of its employed or contracted staff or other representatives; (b) Event Host's breach of any representation or warranty, or failure to observe or perform any obligation or covenant, set forth in this Agreement; or (c) any failure by Event Host to comply with any applicable federal, state, or local laws, regulations, or codes in its conduct hosting, facilitating, or operating any Event.

14. **No Assignment**. Event Host is prohibited from assigning this Agreement or its rights or duties hereunder without the express written permission of LVHN.

15. **Compliance with Laws**. At all times, each party expressly agrees to abide by any and all applicable federal, state and local laws, rules and regulations now in effect or later adopted relating to the subject matter of this Agreement. A party shall promptly notify the other party if it receives notice of any actual or alleged infraction, violation, default or breach relating to the subject matter of this Agreement. No party hereto shall be deemed to assume responsibility for the other party's failure to comply with any federal, state, or local laws, rules and regulations.

16. **Notices**. All notices, requests, demands, or other communications hereunder, other than day-to-day communications within the duties of the representatives, shall be in writing and shall be deemed given if personally delivered or mailed via certified mail or overnight delivery to the address set forth in the Events Terms (on page 1); provided, that a copy of any notice to the address set forth for LVHN in the Events Terms shall also be delivered to the following address via the same method of delivery:

17. **Independent Contractor**. None of the provisions of this Agreement are intended to create, nor shall be deemed or construed to create any relationship between or among the parties other than that of independent contractors. Except as otherwise provided, neither of the parties shall be construed to be the agent, partner, co-ventures, employee, or representative of the other.

18. **Governing Law**. This Agreement shall be governed by the laws of the Commonwealth of Pennsylvania and is subject to all applicable Federal and State laws, rules, and policies. The parties agree to submit to the exclusive jurisdiction of the Lehigh County Court of Common Pleas for any action in law or equity to interpret, enforce, or defend a breach hereof or action seeking a declaratory judgment or injunction.

19. **Partial Invalidity**. The invalidity or unenforceability of any particular provision(s) of this Agreement shall not affect the other provisions hereof, and the Agreement shall be construed in all respects as if such invalid or unenforceable provision(s) were omitted.

20. **Waiver**. The failure of either party to insist in any instance upon performance of any terms or conditions of this Agreement shall not be construed as a waiver of future performance of any such term or condition.

21. **Complete Agreement; Modifications**. All negotiations, considerations, representations, and understandings between the parties are incorporated herein, and this Agreement represents the complete understanding of the parties, and supersedes all prior or contemporaneous agreements, negotiations, discussions, and/or understandings, whether written or oral, related to the subject matter of this Agreement. Any modification to this Agreement shall be in writing and signed by both parties. This Agreement may be executed in multiple counterparts, each of which shall be an original, but all of which shall constitute one and the same document.

22. **Force Majeure**. Neither party shall be held liable or responsible to the other party nor be deemed to have defaulted under or breached the Agreement for failure or delay in fulfilling or performing any obligation under the Agreement when such failure or delay is caused by or results from causes beyond the reasonable control of the affected party, including but not limited to pandemic, fire, floods, embargoes, war, acts of war, insurrections, riots, strikes, lockouts or other labor disturbances, or acts of God.

23. **Binding Agreement**. Each party hereto binds itself, its partners, successors, assigns and legal representatives to the other party hereto, its partners, successors, assigns and legal representatives in respect of all covenants, agreements and obligations contained in the Agreement.
