SDA Budget Committee Meeting

August 11, 2026

Committee Members Present: Justin Stark (chair), Amy Wemhoff, Barry Janssen

Other attendees: David Kraus, Roxy Schutz

92% through the budget year

- 73.61% spent of budget through July 2026 (75.99% through same time last year)
- $10,700,818.65 spent of $14,536,998 budget through July 2026

Documents provided prior to the meeting:

- Draft form budget
- Draft LC-2

Documents provided for the meeting:

- Account Balances as of 8/6/26
- Major Fund Balances Trends (Audit Ending Balances for 2022 through 2025)
- Cash Balance Trend Data (July and December for 2020 through 2025/2026)
- Draft Notice of Budget Hearing and Budget Summary
- 2025-2026 Budget Status Summary – comparison to last year YTD through July

<u>General Discussion</u>

1. Cash flow review
    a. 2020 to 2026 for the months of July and December
    b. No concerns with cash flow – timing of revenue payments is watched closely
2. Draft Budget Review
    a. Overall tax rate decrease of 9%
        i. General decrease of 7%
        ii. Bond Fund decrease of 11%
        iii. Special Building Fund decrease of 22%
    b. Operating budget increase of 2%
    c. Property Valuation has increased an estimated 12%
    d. All budget authority used and just shy of property tax authority without going to joint public meeting
        i. This still provides $224,712 of unused budget authority

        ii. Could also vote for the additional 6% of budget authority which would add to the $224,712
            1. Superintendent recommendation is to approve the additional 6% even if we aren't going to use it in our budget to keep maximum budget authority in future years.
    e. No review of budget for the major categories of the budget we have been tracking occurred as we didn't have that information available
3. Key dates/timelines
    a. Certified Valuation Documents – will come out August 20th
    b. Budget needs to get to the paper by 9/4
    c. Board budget workshop being planned for 9/2
4. Key items to consider for our budget
    a. Should we decrease the amount of the Special Building Fund based on what we were trying to do with that fund related to the building needs and potential bond?
        i. We discussed getting an opinion from D.A. Davidson since they have been giving us guidance on potential tax rates with a future bond.
    b. Do we keep the property tax request the same as last year?
        i. Last year was $9,401,230 so would require us to decrease the draft budget by $173,821
    c. What might happen with the state level funding in the next couple of years which would most likely decrease the state level funding we are receiving and require an increase in the property tax rate if nothing else changed?

Next meeting: October 6, 2026 @ 7:00 a.m.

Bylaws of the Board - Meetings

Closed Sessions

The Board of Education may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) strategy sessions with respect to collective bargaining, real estate purchases, or litigation; (b) discussion regarding deployment of security personnel or devices; (c) investigative proceedings regarding allegations or misconduct; or (d) evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; provided, however a closed meeting shall never be held for the purpose of discussing the appointment or election of a new member to the Board of Education.

The vote to hold a closed session shall be taken in open session. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The Board shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken.

Any member of the Board shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reasons stated in the original motion to hold a closed session. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

The term "closed session" as used in the policies, regulations and Bylaws of the District shall include within its meaning any "executive session" or "executive meeting" authorized or prescribed by said policies, regulations and Bylaws, all of said terms being interchangeable.
