Whereas children are the future and, by investing in them today, we are ensuring our world for tomorrow; and

Whereas all students have a right to have their health needs safely met while in the school setting; and

Whereas children today face more complex and life-threatening health problems requiring care in school; and

Whereas school nurses have served a critical role in improving public health and in ensuring student's academic success for more than 100 years; and

Whereas school nurses act as a liaison to the school community, parents, and health care providers on behalf of children's health by promoting wellness and improving health outcomes for our nation's children; and

Whereas school nurses are members of school-based mental health teams; and

Whereas school nurses understand the link between health and learning and are in position to make a positive difference for children every day.

NOW, THEREFORE, BE IT RESOLVED that the Weeping Water Public School Board of Education proclaims May 11th, 2022, to be SCHOOL NURSE DAY.
