Public Schools
2023/24 Budget Hearing**

September 6, 2023

Learning Target

- To understand the revenue, expenditures, and goals of the 2023/2024 budget and tax request.

Goals for the 2023/24 Budget

- Strengthen the financial position of the school district
- Fiscally responsible/accountable to local tax payers

Financial Position

We have spent the past 4 years improving the school district:

- CTE / Ag Program
- Athletics / Activities
- Childcare
- Curriculum
- Facilities
- Mental Health / Telehealth
- Professional Development
- Staffing
- Technology
- Transportation
- Special Education / At-risk students
- Strategic Planning

Concerns that impact our financial standing

1. HVAC system
2. Inflation
3. Regular maintenance of the facility
4. Is the current state funding model sustainable?
5. Teacher / staffing shortage

Budget goals

- Pay for what we have in place
 - Asked staff to limit requests to essential items
 - I want to get thru December / January and then assess where we are at.
- Reduce spending
 - General Fund Budget projected -7%
 - Bond Fund Budget projected -2%

Projected Outcomes

- Put funds in the bank to address issues as they come up (#1 thru #4)
- Have funds in place for negotiations and classified staff for 24/25 school year. (#5)

Tax Request Hearing**

Funding Sources

State and Federal

- State ~\$1,377,131
 - » State aid = \$467,066 (increase of \$274,034)
 - » State SPED = ~\$432,065 (increase of \$296,814)
 - » Other state funds = ~\$478,000 (\$355,000 is Sixpence)
- Federal ~\$220,000
 - » Title = ~\$54,000
 - » IDEA = ~\$128,000*** - (due to recapturing last year's expenses of ~\$50,000)
 - » REAP/Other = ~\$38,000

Taxable Value (2022 to 2023 comparison)

- Taxable value for the 2022 will be \$412,443,441.
- Taxable value for the 2023 will be \$425,452,996.
- This is an increase of \$13,009,555.
- Real growth of \$1,043,074
 - For comparison last year it was \$762,390.

Tax Request goals

- Stay under the authorized budget cap
- Stay under the allowable growth rate
- Reduce our property tax request authority request a minimum
- Reduced the overall levy (\$1.05 cap)
 - Keep in mind these are all non-bond caps / checkpoints.

Budget Cap

- This is the easiest as we cannot generate enough revenue to come close to our budget authority.
- This is banked ever year.
 - 23/24 unused authority is \$335,290
 - Our total “banked” unused authority is \$4,433,761.

Allowable Growth

- Postcard Meeting rule
 - This checkpoint requires schools to attend a joint hearing if your tax request exceeds the allowable growth rate.
 - Our allowable growth rate was 2.27%
 - My initial budget was ~\$10,000 over this amount. As a result, I reduced the budget to stay within allowable growth.

Property Tax Authority

- This is the new checkpoint so boards can review property tax requests
- In year 1 (this year) it created a base property tax amount for all schools. Our was a reduction of -\$117,343.
- It then gave districts the authority to exceed the cap up to a certain percentage. Small schools was 7%.

Property Tax Authority

- In order to WWPS to “make-up” the reduction of \$117,343, the BOE use 2.36% of its authority.
- In order to meet our obligations and balance our budget I am asking the BOE to use 4.18% of its authority for an additional \$90,347.
- This puts the GF levy at \$1.047532.

Property Tax Authority

- Think back to budget authority. Superintendents have been trained to always take the full authority given to a school district. It was simply a smart decision to protect the district.
- The Governor has asked that we only take what we absolutely need. This is why I am recommending the 4.18% and not 7%.

Levy

- We are within the \$1.05 cap (\$1.047532)
- Overall the reduced the levy by a little over 2.5¢ because the:
 - Bond fund is healthy and we refinancing at the right time
 - No longer paying on early retirement
 - Reduction of GF operating budget
