The General Assembly extended (TCA 49-13-108) the time frame in which a charter school sponsor has to correct deficiencies which led to the denial of the charter school application. The charter school sponsor now has thirty (30) days (instead of 15) to submit an amended application to the local board for consideration.

B. Rescind - Policy 5.111-Utilization of Career Level Educators

The General Assembly recently repealed all state laws pertaining to the career ladder program. TSBA recommends rescinding model policy 5.111.

Please note that state law still requires each Board to pay supplements to eligible educators.

C. Revision - Policy 5.112 - Extended Contracts

TSBA recommends modifying this policy by removing any and all references to the career ladder program.
