Automated Features Make Administration Easy

Your training system should make life easier, not harder. That's why we've automated many of the features in SafeSchools Training so administration is fast and easy. Your system practically runs itself – so you don't have to!

Automatic Tracking of Course Completions

The system automatically tracks and documents course completions and our reports make it easy to see who has or has not completed their assigned training.

Automatic Tracking of District Specific Policies and Courses

SafeSchools Training's "Policy Course" and "Course Creator" features allow you to upload and deliver district-specific policies and courses for online review and acceptance.

Automatic Employee Training Plan

Training Plan creation is simple and your designated Account Manager will guide you through the process. Once your assignments are selected, they will be automatically deployed to the designated employees.

Automatic New Hire Training Plan

Access a separate Training Plan, customized for new employees, and schedule it to run automatically on an annual or multi-year basis.

Automatic Email Notification

The system automatically notifies staff of their training assignments and sends reminders for outstanding assignments too.

Automatic Progress Reports by Email

Based on your schedule, the system automatically sends regular progress reports to Managers and Department Heads by email.

Automatic Archiving of Historical Reports

The system automatically archives reports that can be accessed at a later date.

By automating your staff training and policy acceptance online, SafeSchools Training increases your training efficiency and makes compliance management a breeze. And, as an added bonus, your employees will love the flexibility that online training provides.

Monitoring: Review: Annually, in October	Descriptor Term: Use of Cell Phones	Descriptor Code: 3.3001	Issued Date: 01/12/12
		Rescinds: 3.3001	Issued: 07/09/09

1 Cellular phones shall be provided to a limited number of employees when essential to the operation of
2 the school system. Whenever possible, other methods of more economical, immediate communication
3 shall be considered (i.e., use of pagers or two-way radios). The assignment of cellular phones shall be

8 the customary minimum monthly bill, the excess portion shall become the responsibility of the
9 employee to whom the cellular phone has been issued. If the employee wishes to dispute the portion of
10 the monthly bill for which s/he is responsible, the employee may request and become financially
11 responsible for obtaining a listing for phone use during the disputed period of time.

12 The director of schools/designee shall develop procedures for assignment and use of phones, billing

14 requesting a cellular phone.

15 The system may choose to allow departments and/or schools to reimburse employees a portion of the
16 cost for the use of private cell phones for Board of Education official business at a rate to be
17 determined by the director and approved by the Board in lieu of Board of Education assigned cell
18 phones.

19 A school may choose to pay for cellular phones for school personnel from school funds if approved by
20 the Principal. If a school chooses to pay for cellular phones or reimburse for cellular phone usage a list
21 of all school personnel receiving this benefit will be given to the Board annually for approval.

Coaching and Academic Supplement Guidelines
2019-2020

- All coaching and academic supplements funded by the Board of Education must be approved by position each academic year and integrated into the General Purpose School Budget (Fund 141). A total supplemental cap must also be approved each academic year by the Board of Education.
- No person may sponsor more than two (2) supplemented positions unless recommended by the Principal and approved by the Director of Schools. The absolute maximum number of supplemented positions one individual may sponsor is three (3).
- The Director of Schools shall inform the Board of all individuals that are receiving three (3) supplements and how long those individuals have received the supplements.
- Before one individual is recommended for three (3) supplements a school wide search must be conducted by the Principal to determine there are no other interested, qualified school faculty members willing to sponsor the particular athletic/academic activity.
- All sponsors must meet with the school's Principal and/or Athletic Director each year to review requirements that are to be met based on the supplemented position.
- A sponsor may, with the permission of the school's Principal, choose to split the supplemental position with another individual.
- The school Principal may not force an individual to split their supplemental position with another individual.
- All sponsors of supplemental positions must abide by Putnam County School Board Policy 5.110 and must advise any groups or individuals of Policy 5.110 who might seek to issue payments to the sponsor based on their supplemental position.
- In the event the sponsor is unable to perform the requirements set forth by the Principal and/or Athletic Director, the sponsor will reimburse the Putnam County Board of Education the prorated supplemental amount. The prorated supplemental amount to be reimbursed shall be decided by the school Principal.
- The amount of total supplements allocated to one individual may not exceed \$8,500.

SCHOOL DISTRICT additionally acknowledges that Contractor's ability to perform the Administrative Services may be affected by the inability or failure of third party payors beyond the control of Contractor to accurately process data, complete provider enrollment or credentialing on a timely basis, or adopt systems to comply with requirements imposed by federal or state laws.

(d) If Contractor exercises its option to perform Post-Termination Services, then SCHOOL DISTRICT shall ensure that it provides to Contractor all data and back-up information pertaining to the Pre-Termination Charges promptly after receipt thereof. This Agreement shall be effective as of the later signatures below (the “**Effective Date**”).

STATEMENT OF PURPOSE: Putnam is collaborating with TNTP to continue a lighter-touch version of the support previously provided by the State Collaborative on Reforming Education (“**SCORE**”) through Putnam’s participation in the Leading Innovation for Tennessee Education (“**LIFT**”). Putnam is paying TNTP to support collection and analysis of district literacy data, identifying solutions to address problems of practice, and support implementation of strategies.

NOW, THEREFORE, the parties hereto agree as follows:

Section 1. Term and Services.

For the period commencing on the Effective Date until June 30, 2020 (the “**Term**”), TNTP will do for Putnam what is specified in Schedule A (“**TNTP’s Services**”), attached to and incorporated in this Agreement.

Section 2. Putnam Responsibilities. To facilitate TNTP’s Services, Putnam will:

- a. Designate an appropriate official as the contact person for TNTP with respect to all matters relating to the Problems of Practice Support.
- b. Provide to TNTP, at no cost to TNTP, and within thirty (30) days of the request, all requested student data, including student data, student work samples, (“**Student Data**”) and teacher data (“**Teacher Data**”), pertaining to TNTP’s Services during the Term and for three (3) years following the Term, for purposes of program assessment and efficacy monitoring, in compliance with FERPA (defined below in compliance with FERPA (defined below). Student Data and Teacher Data is collectively referred to herein as “**Data**.”
- c. Cooperate with, and ensure that Putnam personnel cooperate with, TNTP in order to facilitate the performance of TNTP’s Services.
- d. Provide TNTP with access to Putnam personnel, classrooms, and buildings, as needed to perform TNTP’s Services at all times during the Term.
- e. Secure any consents from teachers, staff, students, or parents that is required by all applicable federal, state, local laws, ordinances, codes, regulations, and policies, including but not limited to the Family Education Rights and Privacy Act (20 U.S.C. § 1232g; 34 CFR Part 99) (“**FERPA**”) for TNTP’s use of teacher and student data, TNTP’s use of student work samples, and TNTP’s use video of teachers, staff, or students, as applicable, in rendering TNTP’s Services, and ensure that such consents allow TNTP to rely on such consent when acting as an agent of TNDOE or Putnam.

Section 3. Acknowledgements. Putnam agrees that:

- a. TNTP may use video for any of TNTP’s Services that involve observation, coaching, or evaluation.
- b. TNTP may share aggregate data collected and/or compiled under this agreement with SCORE, as well as other districts and entities participating and/or associated with the LIFT program. The data will be shared anonymously and TNTP will request permission before identifying the district.
- c. Putnam may disclose to TNTP the personally identifiable information of students under FERPA, and confidential teacher performance and evaluation data in accordance with applicable privacy laws. TNTP may use the Student Data and Teacher Data to perform its obligations under this Agreement and on an anonymous, aggregated basis for its other legitimate business purposes, including, without limitation, for purposes of research, publication, and presentation (TNTP “**Uses**”); provided, however, that such Uses not contain any data sets or cell sizes of less than five (5), and provided further that TNTP comply with FERPA, as applicable, in its Uses.

Section 4. Representations and Warranties. Each party agrees that it:

Section 5. Payment and Invoicing.

The total cost of TNTP’s Services provided for the school year (July 1, 2019-June 30, 2020) hereunder shall be partially funded by SCORE (the “**Grant**”), according to and governed by a separate agreement between TNTP and SCORE. Accordingly, \$26,000 in compensation is due from Putnam to TNTP. Should funding from the Grant be terminated, reduced, or otherwise delinquent at any time and for any reason, TNTP may elect to immediately terminate this Agreement, or, if TNTP does not elect to terminate this Agreement, the parties may renegotiate TNTP’s Services and amend this Agreement accordingly.

-----------------	----------	----------	----------

Section 6. Termination.

If at any time either of the parties believes that the other party has materially breached its obligations hereunder, written notice shall be given setting forth the asserted breach and providing an opportunity to cure the same within thirty (30) days after such written notice. If the asserted breach shall not have been cured to the reasonable satisfaction of the party providing the written notice, but reasonable attempts to cure are claimed in writing by the party to whom the written notice of asserted breach was given, said party will have an additional opportunity to cure for a period of thirty (30) days following the expiration of the initial thirty (30) day cure period. If the asserted breach shall not have been cured to the satisfaction of the party providing written notice of asserted breach that party may elect to terminate this Agreement upon written notice to the breaching party. If this Agreement is terminated, the rights and obligations of each party hereunder will terminate, provided, however, that such termination will not terminate the rights and obligations of the parties that expressly survive the termination of this Agreement.

Section 7. Indemnification.

Putnam agrees that it will indemnify, save and hold harmless TNTP from and against any and all damages, losses, claims, liabilities, demands, charges, suits, penalties, costs and expenses (including court costs and reasonable attorneys' fees and expenses incurred in investigating and preparing for any litigation or proceeding) TNTP may sustain, arising out of (1) any and all employment practices and decisions made by Putnam regarding individuals recruited, staffed, trained, or certified by TNTP pursuant to this Agreement and any actions brought by third-parties in relation thereto, (2) any grossly negligent acts or omissions or willful misconduct of Putnam or any of its agents, employees or representatives, and (3) any Client breach of this Agreement. Putnam's Indemnification obligation survives termination of this Agreement.

Section 8. Relationship of the Parties.

Putnam and TNTP intend that an independent contractor relationship be created by this Agreement, and nothing herein will be construed as creating an employer/employee relationship, partnership, joint venture or other business group or concerted action. Putnam will have no responsibility with respect to TNTP personnel to comply with federal, state and city withholding requirements pertaining to taxes, workers' compensation, social security, unemployment compensation, disability and other insurance requirements and obligations imposed on an employer of personnel and will not withhold monies from the payments made to TNTP with respect to the same. Putnam will not cover TNTP personnel under any pension or other fringe benefit offered to Client employees. Putnam will have no responsibility for incidents of employment or other actions or inactions by TNTP.

Section 9. Intellectual Property Rights.

Title to and ownership of all work products and materials created by or on behalf of TNTP for Putnam or otherwise arising out of the performance of the services hereunder, whether partial or complete (collectively referred to as the "Work"), shall be and remain solely in TNTP or its licensors. Putnam agrees that it will not transfer or encumber the Work without the prior written consent of TNTP. TNTP or its licensors shall be considered the author of the Work for purposes of copyright and only TNTP shall have the right to copyright the same. Additionally, TNTP retains all rights, title and interest in and to all processes, methods, systems, layouts, information, accumulated knowledge, expertise, and general know-how, whether developed before or after the commencement of this Agreement used in creating the Work ("TNTP Tools"). If Putnam has access to TNTP Tools, Putnam agrees to keep the TNTP Tools confidential, and nothing in this Agreement shall be deemed to grant any ownership rights in the TNTP Tools to Putnam. TNTP hereby grants the client a nonexclusive license to use all or any part of the work delivered in response to Schedule A of this agreement solely for its internal business purposes.

As between Putnam and TNTP, Putnam owns any Data incorporated in the Work (the "Client Data"). Putnam agrees that TNTP may use Client Data to perform its obligations hereunder (including the incorporation thereof into the Work), and hereby grants TNTP a license to use and keep Putnam Data in perpetuity to perform its obligations under this Agreement and on an anonymous, aggregated basis for its other legitimate business purposes, including, without limitation, for purposes of research, benchmarking, publication, and presentation (TNTP "Uses"). TNTP's Uses may not contain any data sets or cell sizes of less than five (5), and must comply with FERPA, as applicable. In its uses, TNTP may identify Putnam as the source from which the data originated if it complies with the other terms in this Agreement. Putnam and TNTP agree that either party may use descriptions of TNTP's Services in future promotional materials and client lists, and that TNTP may explicitly identify Putnam as a client of TNTP. The terms of this Intellectual Property Rights Section shall survive the termination of this Agreement.

Section 10. Relationship of the Parties.

Nothing herein will be construed as creating an employer/employee relationship, partnership, joint venture or other business group or concerted action. Putnam will have no responsibility with respect to TNTP personnel to comply with federal, state and city withholding requirements pertaining to taxes, workers' compensation, social security, unemployment compensation, disability and other insurance requirements and obligations imposed on an employer of personnel and will not withhold monies from the payments made to TNTP with respect to the same. Putnam will not cover TNTP personnel under any pension or other fringe benefit offered to Putnam employees. Putnam will have no responsibility for incidents of employment or other actions or inactions by TNTP.

Section 11. Limitation of Liability.

Except for a party's indemnification obligations under this Agreement: (i) in no event shall either party be liable for any indirect, consequential, special, incidental or punitive damages arising from or relating to performance under this Agreement, and (ii) in no event shall either party's liability for any and all claims arising out of or relating to its performance under this Agreement exceed the amounts paid by or payable by SCORE.

Section 12. Miscellaneous.

All notices required by this Agreement will be in writing and either personally delivered or mailed by regular mail, postage prepaid, to such party at its address specified on the first page of this Agreement or to such other address as such party may designate by notice given in accordance herewith. If to TNTP, the notice will be to the attention of Florrie Chapin, General Counsel. If to Putnam, the notice will be to the attention of the then-current superintendent or superintendent-equivalent. This Agreement will be interpreted and construed under and governed and enforced by the laws of the State of New York without reference to choice of law rules. The Parties agree and consent to the jurisdiction of and venue in the state or federal courts in the city and state of New York in all disputes arising out of or relating to this Agreement. Neither this Agreement nor any provision hereof may be modified, amended, supplemented, waived, discharged, or terminated except in a writing signed by the parties. No failure or delay in exercising any right or remedy hereunder shall constitute a waiver of such, any other, right or remedy. This Agreement constitutes the entire agreement between the parties and supersedes all prior negotiations, understandings, representations and agreements, if any, with respect to the subject matter hereof. This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same instrument. For purposes hereof, a facsimile, portable document format (pdf) signature, or signature from an online e-signature platform, will be considered an original signature. Neither party may assign this Agreement or any of the rights or obligations hereunder, in whole or in part, without the prior written consent of the other party.

Statement of Work

Scope of Work

TNTP will continue to work directly with identified district strategy leads to support the vision for strong literacy and its implementation in classrooms K-5. Support will be provided virtually through phone and video conference calls and email correspondence. Advising will focus on continuing the trajectory of development while also considering the needs of the district to continue to refine and improve implementation of literacy to reach all elementary students at scale.

Together with each district, TNTP will set goals and a scope of support for the year, allowing flexibility to provide guidance on challenges and unexpected changes that emerge over the course of the year. Support may include:

- Continuing to build and refine systems and academic strategies that support strong literacy instruction for all elementary students (e.g., PLC structures, grading guidelines, schedules, professional learning structures, etc.)
- Knowledge building, virtually, for district leaders
- Support for content development for ongoing teacher and leader professional learning
- Support for curriculum adoption in ELA in the 2020 adoption cycle.

As part of this work, TNTP will update the LIFT Learning Network Guidebook once annually by continuing to refine the lessons learned and codify best practices for districts taking on this change.

In addition, TNTP will provide professional learning materials and facilitation for two LIFT Network convenings over the course of the year. These convenings will provide an opportunity for districts to collaborate, share best practices, problem solve and continue to learn and push their thinking and implementation.

Lastly, districts will receive two annual site visits. Site visits will include: classroom walks, a strategy session based on observations, and a chance to see data and discuss how normed district leads are on the IPG.

This scope of work commences July 1, 2019.

To Whom It May Concern:

TNTP Inc., is a non-profit corporation organized under the laws of the State of Delaware, with its principal office at 500 7th Ave., 8th Floor, New York, NY 10018. We are a national nonprofit that develops people, policies, and practices to advance effective teaching.

This letter is to confirm that TNTP has been selected as the sole provider of services for the SY2019-2020 TN LIFT program as supported by the State Collaborative on Reforming Education (SCORE). For the past three years, SCORE and TNTP have been engaged in driving improvement in elementary literacy classrooms through the use of high-quality instructional materials for TN LIFT districts. SCORE partnered with TNTP to provide expert technical assistance practices in literacy, professional learning, and change management to the TN LIFT community. TNTP and SCORE will continue providing TN LIFT services for the 2019-2020 school year for participating districts through a cost sharing model, and SCORE has committed to provide TNTP with matching funds to support the work for each participating TN LIFT district. As part of this work, TNTP will support districts on their individual goals, as well as providing services to the TN LIFT community.

TNTP and Putnam County Schools have partnered for the last three years on the TN LIFT project, and we are hoping to continue our partnership to further the work and enable Putnam County Schools to access to supporting funds from SCORE. Due to the long-standing partnership between TNTP, SCORE and Putnam County Schools, knowledge of the TN landscape, background, experience and depth of expertise, we believe we are uniquely positioned to provide the services.

Sincerely,

Florrie Chapin
