POLICY 6031: Alternative School Programs

The Board shall operate an alternative school program for students in grades ~~kindergarten~~^{six} through twelve (~~K~~⁶-12) who have been suspended or expelled from regular school programs.¹ ~~Assignment to~~^{attendance in} alternative school programs shall be contingent upon space availability, and if a student is assigned, his/her attendance in the alternative school program shall be mandatory. ~~s~~ Students found to be eligible for special education and related services shall be assigned and served in accordance with the law and rules governing special education.

SStudents attending the alternative school program shall provide their own transportation.

Alternative school programs shall be operated in accordance with state laws and the rules of the State Board of Education,² and instruction shall proceed as nearly as practicable in accordance with the instructional programs at the student's home school. All course work completed and credits earned in the alternative school shall be granted as if the work were performed in the home school.

The Superintendent is authorized to develop appropriate procedures to implement this policy and to ensure compliance with relevant state laws and regulations.
