The reports must be filed with the Office of Research and Education Accountability (OREA) and the Department of Education by August 1 of each year. The Department of Education is required to publish detailed expenditure reports on the state report card. Additionally, the state report card will display the total Tennessee Investment in Student Achievement (TISA) funds and the required local contribution for each district.
- Expansion of EFS Program, Hold Harmless provisions
  - (HB2532 / SB 2247) Effective May 7, the state's Education Freedom Scholarship (EFS) program will expand. The legislation increased the maximum number of available vouchers from 20,000 to 35,000 for the 2026-2027 school year.
  - LEAs will need to collect Social Security numbers from newly registered students to calculate funding; this is not current practice and requires a plan.
  - DOE must report annually to legislative K-12 committees on voucher applications by county, enrollment status at application, kindergarten applicants not yet enrolled, and household income priority levels where available.

The Executive Committee of the Board of Education shall be responsible for reviewing and developing the final agenda for each board meeting at least one (1) week prior to the Board meeting. Any Board member may place items on the agenda for discussion. The particular order may vary from meeting to meeting in keeping with the business at hand.

For a regular Board meeting, the agenda (which shall include the consent agenda), together with supporting materials, shall be distributed to board members at least four (4) days prior to the scheduled date of the meeting. The agenda shall be available for public inspection and/or distribution when it is distributed to the board members. **The final agenda, together with supporting materials, shall be published on the school district website no later than forty-eight (48) hours prior to the regular board meeting.**

At the beginning of each meeting the Board shall, by a majority vote, approve the agenda for the meeting, which may involve the addition to or deletion of items previously included on the agenda. The Board, however, shall not revise board policies or adopt new ones, unless such action has been scheduled.

Staff members or citizens of the district may suggest items for the agenda.

Items under consideration for inclusion on the agenda must be received in the Superintendent of Schools' office two (2) weeks prior to the scheduled date of the meeting. The person(s) requesting an item on the agenda shall forward any background information to the Superintendent of Schools' office so that the material will be included in the delivery to the board members prior to the meeting.

## CONSENT AGENDA

While developing the agenda, the Chair and Superintendent of Schools shall identify routine or non-controversial items to be placed on the consent agenda, which shall become a part of the regular agenda. If any member objects to including an item on the consent agenda, that item shall be moved to the regular agenda as an action item requiring discussion. The remaining consent items shall be adopted in a single vote without discussion.

## TIMED AGENDA

The Executive Committee may assign to each item a certain amount of time determined to be sufficient for disposing of each item on the agenda.

## ANNUAL AGENDA

- 1 At the beginning of each fiscal year, the Board shall adopt an annual planning calendar, stating month-
- 2 by-month actions required by law and those required to carry out the Board's annual goals and
- 3 objectives and the State Board of Education's performance standards.

The Board of Education shall practice sound fiscal management procedures which guarantee maximum use of all resources provided.<sup>1</sup>

In fiscal management, the Board seeks to achieve the following goals:

1. To engage in advance planning, with broad-based staff and community involvement;
2. To establish levels of funding which will provide quality education for the system's students;
3. To use the available techniques for budget development and management;
4. To provide timely and appropriate information to all staff with fiscal management responsibilities; and,

To establish efficient procedures for accounting, reporting, purchasing and delivery, payroll, payment of vendors and contractors, **internal controls** and all other areas of fiscal management.

## RESERVE FUNDS

The Board recognizes the need to maintain an operating reserve in the General Purpose School fund for the following purposes:

- Hold adequate working capital to meet cash flow needs during the fiscal year
- Reduce the need for short term borrowing
- Serve as a safeguard for unanticipated expenses
- Show fiscal responsibility to maintain a high credit rating which will help reduce future borrowing costs

The Board shall place emphasis on maintaining an unrestricted fund balance in the General Purpose School Fund to an amount equal to approximately 16 percent of the General Fund Operating budget expenditures. This represents approximately two (2) months of operating expenditures.

At the close of each budget year any excess of revenues over expenditures that will increase the cumulative unrestricted fund balance above the established target amount will be recorded as a restricted reserve account available for appropriation by the Board for one-time expenditures.

The Superintendent of Schools shall develop an administrative procedure to establish a system of grading and assessment for evaluating and recording student progress and to measure student performance in conjunction with board-adopted content standards for grades K-8. The grading/assessment system shall follow all applicable statutes and rules and regulations of the State Board of Education. The grading/assessment system shall be uniform system-wide at comparable grade levels, except that the Superintendent of Schools shall have the authority to establish and operate ungraded and/or unstructured classes in grades K-3 according to state rules and regulations.<sup>1</sup>

The Superintendent of Schools shall submit a copy of the grading, reporting and assessment systems to the Board before the system is implemented. These guidelines shall be communicated annually to students and parents/guardians.

## **GRADING SYSTEM: GRADES THREE - EIGHT (3-8)<sup>1</sup>**

Subject-area grades for grades 3-8, excluding classes for high school credit, shall be expressed by the following letters with their corresponding percentage range:

- A (90-100)
- B (80-89)
- C (70-79)
- D (60-69)
- F (50-59)

**Grading floors with a minimum above zero are not permitted.**<sup>3</sup> This grading system shall be uniform throughout the school system for each grade. ~~No grade lower than a 50 will be recorded for any 9-week term or semester.~~

## **GRADING SYSTEM: CLASSES FOR HIGH SCHOOL CREDIT<sup>2</sup>**

Classes for high school credit shall use the uniform grading system established by the State Board of Education. **This shall also apply to students enrolled in eighth grade for the grades achieved on high school courses.** Using the uniform grading system, students' grades shall be reported for the purposes of application for post-secondary financial assistance administered by the Tennessee Student Assistance Corporation.

Subject-area grades for grades 9–12 shall be expressed by the following letters with their corresponding percentage range:

- A (90-100)

- 1 • B (80-89)
- 2 • C (70-79)
- 3 • D (60-69)
- 4 • F (0-59)

5 Advanced coursework grades will be calculated with additional percentage points to calculate the  
6 semester average. Depending on the course taken, the following percentage points will be assigned:

- 7 • Honors Courses – three (3) percentage points;
- 8 • Local and Statewide Dual Credit, Capstone Industry Certification Aligned, and Dual
- 9 Enrollment Courses – four (4) percentage points; and
- 10 • Advanced Placement, Cambridge International, and College Level Exam Program (CLEP)–
- 11 five (5) percentage points.

## 12 **WEIGHTING FOR HONORS, NATIONAL INDUSTRY CERTIFICATION, ADVANCED**

## 13 **PLACEMENT, STATEWIDE DUAL CREDIT AND DUAL ENROLLMENT COURSES**

14 The uniform grading system will be used for student application for postsecondary assistance  
15 administered by the Tennessee Student Assistance Corporation. For other purposes a grading system  
16 based on quality points to calculate overall Grade Point Averages will be used.

- 17 • Add .5 point to the numerical quality point value corresponding to the final letter grade
- 18 received in an honors course;
- 19 • Add .75 point to the numerical quality point value corresponding to the final letter grade
- 20 received in a local or statewide dual credit, or capstone industry certification course ; and
- 21 • Add 1 point to the numerical quality point value corresponding to the final letter grade received
- 22 in an AP, Cambridge International, or dual enrollment.

23 Conduct grades are based on behavior and shall not be deducted from scholastic grades.

24 Attendance records will be used in determining the awarding of grades or the passing of a course or  
25 promotion or retention.

26 Plus and minus evaluations are not to be added to letter grades. A grade report may not be changed  
27 once grades have been finalized. If an erroneous grade has been recorded, correction must be made on  
28 a new report.

29 Grades given at the end of each nine (9) weeks period will be determined from daily work, homework,  
30 written assignments and tests. The teacher will weigh the value of grades given for various  
31 assignments and tests within the applicable period in computing the grade. This procedure will enable  
32 the teacher to allow for individual student differences in the grading process. Any assignments and  
33 tests required of a student must be considered in the computation of his grade.

## 34 **LOTTERY SCHOLARSHIPS<sup>34</sup>**

35 Each school counselor shall provide incoming freshmen with information on college core courses  
36 required for lottery scholarships as well as necessary criteria (grade point average, ACT and SAT  
37 score, etc.) that must be met in order to receive a scholarship.

Seniors may apply for the Tennessee HOPE Scholarship by completing the Free Application for Federal Student Aid (FAFSA). The FAFSA is available at the guidance office or on-line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). The priority date for FAFSA completion is May 1. Students shall be made aware of all applicable FAFSA deadlines and encouraged to submit applications in a timely manner.

Elementary and middle school counselors should explain the HOPE Scholarship and its requirements to their students and impress upon them the benefits of making good grades.

### TENNESSEE PROMISE

High school counselors will provide students with information on the Tennessee Promise scholarship and mentoring program, including eligibility standards and application information.

### LOTTERY SCHOLARSHIP DAY

Each school year, prior to scheduling courses for the following school year, schools teaching students in grades 8-11 shall conduct a lottery scholarship day for students and their parents.<sup>4</sup>

### HONORS RECOGNITION

The weighted GPA will be calculated on all course work using the school system's internal weighted GPA. GPA will also be calculated using the Tennessee Uniform Grading Scale for Lottery/Hope Scholarship purposes. Both the Johnson City School's weighted GPA and the Tennessee Uniform GPA will appear on the transcript. The Tennessee Uniform Grading Scale GPA (unweighted) will be utilized to determine recognition at the Board of Education's ceremony honoring graduates each spring.

For the purposes of local graduation honors recognition, the school system will use the following Latin System based on the weighted GPA:

Summa Cum Laude 4.25 and above

Magna Cum Laude 4.00-4.24

Cum Laude 3.75-3.99

All promotion and retention decisions shall be made on a case-by-case basis and comply with state and federal law. All decisions shall be made in consultation with a student's ILP, IEP and/or 504 team, if applicable.<sup>1</sup>

Students who have difficulty in achieving the requirements for promotion may be considered for retention. Schools shall identify these students by February 1<sup>st</sup>. Factors used to identify students for retention shall include:<sup>2</sup>

1. Ability to perform at the current grade level;
2. Results of local assessments, screening, or monitoring tools;
3. State assessments, as applicable;
4. Home Literacy Reports;<sup>3</sup>
5. Overall academic achievement of the student;
6. Likelihood of success with more difficult material if promoted to the next grade;
7. Attendance record; and
8. The student's maturity.

Students may be identified for retention after the February 1<sup>st</sup> deadline if the delay in identifying a student is due to:<sup>4</sup>

1. Date of enrollment;
2. Additional information acquired after results of local assessment, screening, or monitoring are released; or

## **VOLUNTARY RETENTION**

A parent/guardian of a student enrolled in kindergarten through second grade may choose to retain their student in the current grade level if:

1  
2 1. The student has a documented academic or behavioral delay; and

3  
4 2. The parent/guardian believes that retention may benefit the student.<sup>5</sup>

5 This information shall be submitted in writing within thirty (30) days of the end of the school year. The  
6 district shall send written notice to the parent/guardian confirming whether the student is eligible for  
7 retention under state law.

## 8 **PROMOTION PLANS** <sup>6</sup>

9 When a student is identified for retention, the student's parent(s)/guardian(s) shall be notified within  
10 fifteen (15) calendar days, and an individualized promotion plan shall be developed to help the student  
11 avoid retention. The plan shall be developed in coordination with the student's teachers, IEP or 504  
12 team, if applicable, and may also include input from the student's parent(s)/guardian(s), school  
13 counselor, or other appropriate school personnel.

14 Promotion plans shall incorporate evidence-based strategies, including expectations and measurements  
15 that will verify whether a student has made sufficient progress to be promoted to the next grade level,  
16 and be tailored to the student's learning needs. Promotion plans for students in third and fourth grade  
17 will include additional requirements for promoting students in these grades. A copy of the plan will be  
18 provided to the student's parent(s)/guardian(s), and the school shall offer the opportunity for a parent-  
19 teacher conference to discuss the plan. If a student is not making progress on the promotion plan, then  
20 the strategies shall be modified. Parent(s)/guardian(s) shall be provided with any changes to the  
21 promotion plan.

22 A student who demonstrates sufficient academic progress according to his/her promotion plan shall be  
23 promoted to the next grade level unless retention is required per additional requirements for students in  
24 third and fourth grade.<sup>7</sup>

25 If a student has not demonstrated sufficient academic progress according to their promotion plan by the  
26 end of the school year, the student shall be eligible to enroll in a summer reading or learning program,  
27 if available. Parent(s)/guardian(s) shall be notified of a decision for retention at least ten (10) calendar  
28 days prior to the start of the next school year if the student was enrolled in a summer program.  
29 However, if the student wasn't enrolled in a summer program, the parent(s)/guardian(s) shall be  
30 notified of a decision for retention at least thirty (30) calendar days prior to the start of the next school  
31 year.<sup>8</sup>

## 32 **RETENTION** <sup>7</sup>

33 A student may be retained when such retention is in the best interests of the student or when retention  
34 is required per additional requirements for students in third and fourth grade.

### 35 ***Decision of Retention – General*** <sup>9</sup>

36 If a student is retained, the Superintendent of Schools/designee shall develop an individualized  
37 academic remediation plan within thirty (30) calendar days after the beginning of the next school year.

A copy of the plan shall be provided to the student's parent(s)/guardian(s) within ten (10) calendar days of its development. The plan shall include at least one of the following strategies:

1. Adjustment to the current instructional strategies or materials;
2. Additional instructional time;
3. Individual tutoring;
4. Modification to the student's classroom assignment to ensure the student receives instruction from a teacher with a level of overall effectiveness of above expectations (level 4) or significantly above expectations (level 5); or
5. Attendance or truancy interventions.

A student shall not be retained more than once in any grade. The progress of students who are retained shall be closely monitored and reported to parent(s)/guardian(s) at least three (3) times during the school year in which the student is retained. The Superintendent of Schools shall develop procedures to ensure appropriate recordkeeping of students who are retained.

#### ***Decision of Retention – Third Grade***<sup>10</sup>

Third grade students shall not be promoted to the next grade unless they are determined to be proficient (i.e., receive a performance level rating of "on track" or "mastered") in English language arts (ELA) based on the student's most recent TCAP test.

Students who are not proficient in ELA may still be promoted if the following conditions are met:

1. A student in third grade receiving a performance level rating of "approaching" on the ELA portion of the student's most recent TCAP test may be promoted if:
  - a. The student is an English language learner and has received less than two (2) full years of ELA instruction;
  - b. The student was previously retained in grades K-3;
  - c. The student is retested before the next school year and scores proficient in ELA;
  - d. The student attends a learning loss bridge camp before the next school year, maintains a ninety percent (90%) attendance rate, and demonstrates adequate growth on the post-test at the end of the camp; or
  - e. The student receives tutoring for the entirety of the next school year in accordance with state law.
  - f. The student demonstrates proficiency in ELA standards by scoring at or above the fiftieth (50<sup>th</sup>) percentile on the most recently administered state-provided benchmark assessment and the district provides tutoring services to the student during the entire fourth grade school year and notifies the student's parent/guardian, in writing, of the benefits of enrolling the student in summer programming.
  - g. Parent/guardian or authorized school personnel appeals retention decision, documenting a score at or above the fortieth (40<sup>th</sup>) percentile on the TN-URS and an academic

remediation plan and unanimous recommendation for promotion from the ELA teacher and principal, and receives tutoring services during the entire fourth grade school year.

- h. **The student was administered a state-mandated assessment pursuant to TCA 49-1-616(d) as a third-grade student and the student demonstrates proficiency in ELA based on the student scoring within the fiftieth percentile on the most recently administered universal reading screener approved by the State Board of Education or the Tennessee universal reading screener.**<sup>11</sup>

2. A student in third grade receiving a performance level rating of “below” on the ELA portion of the student’s most recent TCAP test may be promoted if:

- a. The student is an English language learner and has received less than two (2) full years of ELA instruction;
- b. The student was previously retained in grades K-3;
- c. The student is retested before the next school year and scores proficient in ELA; or
- d. The student attends a learning loss bridge camp before the next school year, maintains a ninety percent (90%) attendance rate, and receives tutoring for the entirety of the next school year in accordance with state law.

Students who fall into the criteria for required attendance in summer programming in order to be promoted to the fourth grade must attend with a 90% rate. Of the 20 days required for summer school attendance, students must attend 18 days. These days will be documented and options for make-up days will be provided by the summer programming committee.

#### ***Decision of Retention – Fourth Grade***<sup>10</sup>

Students in the following categories shall show adequate growth in the following ways before being promoted to the fifth grade:

1. A student who is promoted to the fourth grade due to receiving tutoring for the entirety of the next school year in accordance with state law or because of attending a learning loss bridge camp must maintain a ninety percent (90%) attendance rate; and
2. A student receiving tutoring for the entirety of the next school year in accordance with state law shall be required to show adequate growth on the fourth grade ELA portion of TCAP before the student may be promoted to fifth grade.
3. If a student does not show adequate growth, as determined by the department, on the fourth grade ELA portion of the TCAP test, then the student’s LEA or public charter school shall convene a conference that must be attended by the following categories for participants: the student’s parent(s)/guardian(s), the student’s ELA teacher, and the student’s principal. The recommendation made by the majority of the categories of participants in the conference determines whether the student must be:
  - a. Promoted to the fifth grade and assigned a tutor to provide tutoring services to the student for the entirety of the student’s fifth grade year based on tutoring requirements established by the department; or

b. Retained in the fourth grade.

A student shall not be retained more than once in fourth grade.

### ***Decision of Retention – Students with Disabilities***<sup>11</sup>

Retention and promotion decisions shall be made on a case-by-case basis and in consultation with the student's IEP and/or 504 team to determine whether the student's performance on the ELA portion of TCAP was due to the student's disability. The school district shall not retain a student with a disability or a suspected disability that impacts their ability to read.

### **APPEALS**<sup>8,12</sup>

When a student is identified for retention, the parent(s)/guardian(s) shall be notified about the decision to retain the student and provided with information on the right to appeal the decision. Appeals shall be made to a committee appointed by the principal within ten (10) school days. The student and their parent(s)/guardian(s) shall be provided written or actual notice of the appeal hearing and shall be given the opportunity to address the committee. The committee shall conduct a hearing within ten (10) school days to determine if the student will be promoted and issue such decision within five (5) calendar days. Upon notification of the committee decision, the principal shall send written notification to the Superintendent of Schools/designee and the parent(s)/guardian(s). The notification shall advise parent(s)/guardian(s) of their right to appeal such action within ten (10) calendar days to the Superintendent of Schools/designee.

The appeal shall be heard no later than ten (10) business days after the request for appeal is received. A decision shall be issued within five (5) days.

Within five (5) business days of the Superintendent of Schools/designee rendering a decision, the student's parent(s)/guardian(s) may request a hearing by the Board, and the Board shall review the record. Following the review, the Board may affirm or overturn the decision of the Superintendent of Schools/designee. The action of the Board shall be final.

For students where retention is required per the additional requirements for students in third and fourth grade, parent(s)/guardian(s) may appeal this decision directly to the Department of Education in accordance with state law.<sup>13</sup>

If a student is suspected or accused of misconduct or infraction of the Student Code of Conduct, the principal may question the student, without the presence of parent(s)/guardian(s) or legal custodians and without giving the student constitutional warnings.

School personnel have a duty to report any reasonable suspicion that a student is carrying, or has carried, a weapon or is violation, or has violated, a provision of the Tennessee Drug Control Act to the principal/designee or the appropriate authorities.<sup>1</sup>

The principal/designee shall make reasonable effort to notify the parent(s)/guardian(s) or legal custodians of the interrogation, unless circumstances require otherwise. The interrogation may proceed without attendance of the parent(s)/guardian(s) or legal custodians. The principal/designee shall be present during the interrogation.

## SEARCHES BY SCHOOL PERSONNEL

- c. The search is in pursuit of legitimate interests of the school in maintaining order, discipline, safety, supervision, and education;
- d. The search is not conducted for the sole purpose of discovering evidence to be used in criminal prosecution; and
- e. The search shall be reasonably related to the objectives of the search and not excessively intrusive considering the age and sex of the student as well as the nature of the alleged infraction;<sup>4</sup>

2. A school administrator shall be on-site at any principal-initiated search;

3. A school administrator shall oversee the search and may end the search at any time; and

4. If a student is under the age of eighteen (18), the principal must notify the student's parent or guardian within a reasonable time of the search.<sup>7</sup>

If a school resource officer searches a student, based on having probable cause, the principal shall notify the Superintendent of Schools/designee.<sup>5</sup>

In order to ensure a safe and secure learning environment, the Superintendent of Schools shall develop procedures regarding the searching of students, lockers, vehicles, and containers which are consistent with state law. **WHEREAS**, during the November 1994 election, the citizens of the City of Johnson City, Tennessee passed a referendum designating the permissible uses of all funds receive by the City of Johnson City (the "City") from a one-fourth (1/4) cent increase in the retail sales and use tax and providing for said revenues to be kept in a separate fund; and

**WHEREAS**, the November 1994 referendum amended the Johnson City Charter by adding Section 70.1 which provides, in pertinent part:

"After the bond indebtedness mentioned [in the Peoples Education Plan] is retired, all revenues received by the City of Johnson City from the aforementioned one-fourth (1/4) cent sales tax increase shall be pledged, earmarked and dedicated for the construction, maintenance, and renovation of educational facilities by the Johnson City Public School System, or for *such other capital expenditures for related purposes as may be approved by the Johnson City Board of Education and the Johnson City Board of Commissioners* [emphasis added]"; and

**WHEREAS**, the swimming pool at Freedom Hall is an integral part of the aquatics program for Science Hill High School student-athletes and serves other youth swim teams in the City. Built in 1974, the Freedom Hall pool has now reached the end of its expected structural lifespan and needs extensive repairs for continued operability; and

**WHEREAS**, based on conversations and questions raised during joint work sessions between the Board of Commissioners and Board of Education, it appears both Boards agree that the repairs to the Freedom Hall pool would constitute a capital expenditure for related purposes as contemplated by the City of Johnson City Charter; and

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Commissioners as follows:

**Section 1.**

The financing of the repairs of the swimming pool at Freedom Hall is a qualifying purpose for the use of PEP funds.

**Section 2.**

The City posted a Request for Proposals on its website inviting bidders to submit proposals for the repairs to Freedom Hall pool. The City intends to authorize the use of PEP Funds to finance the repairs of the swimming pool at Freedom Hall.

**Section 3.**

The Board of Commissioners intend to authorize the use of PEP Funds to finance the repairs to the Freedom Hall pool at the July 16, 2026 City Commission Meeting. The amount of funds authorized is contingent on the proposed bids submitted to the City but in no event shall the amount of PEP Funds used exceed the total amount derived from the local sales tax collected within Johnson City
