2018 HEARING OF PUBLIC

All regular, special and emergency meetings of the Duncan Board of Education shall be open to the public. The Board wishes to hear the viewpoints of citizens and considers responsible presentation of these viewpoints vital to the efficient operation of the school system. The Board also recognizes its responsibility for the proper governance of the schools and the need to conduct its business in an orderly and efficient manner. The Board, therefore, establishes the following procedures to receive input from citizens:

1. In order for the Board to fulfill its responsibility to conduct its business in an orderly and efficient manner, unless otherwise enlarged by a majority vote of the Board public comments under Hearing of the Public of thirty (30) minutes will generally be permitted. Any citizen wishing to address the board must communicate such desire to the Clerk of the Board prior to the commencement of the meeting. Without an agenda item, no discussion between the board and the citizen can occur under Hearing of the Public.
2. Any citizen desiring to include an item on an agenda shall communicate such to the office of the superintendent in writing. Such writing shall state the nature of the matter to be discussed, the name of the citizen and/or group making the request. For placement on an agenda under Hearing of the Public, such writing must be received by the office of the superintendent at least five (5) full working days prior to any meeting which, with respect to any regularly scheduled meeting, shall require receipt on or before 4:00 o'clock p.m. on the Friday one week preceding such meeting.
3. Public comments are generally limited to five (5) minutes and where several people wish to address the same subject a spokesperson must be selected. It will be the decision of the board president if additional citizens are allowed to address the same subject. No official board action can be taken under Hearing of the Public. Speakers will be recognized in order in which they have signed in with the Clerk. Those persons who have not signed in will be permitted to address an item if there is time remaining during the approximate thirty (30) minute period of Hearing of the Public.
4. During the Hearing of the Public period no citizen will be recognized twice. Each citizen who addresses the Board shall give his or her name, and identify his or her topic of discussion.
5. The President of the Board shall be responsible for recognizing speakers, maintaining proper order, and adhering to time limits.
6. The purpose of Hearing of the Public is to allow citizens to present to the Board suggestions concerning items on the agenda. Consistent with this purpose, public participation should not be used for personal attacks upon Board members, district employees, individual students or other persons in attendance or absent unless it is specifically related to an agenda item. The President of the Board will interrupt and terminate any presentation that is not in accordance with this restriction. The Board may, in its discretion, also place other restrictions upon Hearing of the Public when such restrictions are necessary or appropriate to protect the privacy rights of the affected individual(s).

2019 CODE OF ETHICS FOR SCHOOL BOARD MEMBERS

As a member of the School Board:
I will listen.
I will recognize the integrity of my predecessors and associates and the merit of their work.

Proposal for "Snack" Vending

District: Duncan Public Schools

Vendor: A-1 Vending, L.L.C.

This proposal, when signed, will become the agreement effective June 30, 2026.

This agreement between A-1 Vending, L.L.C. (vendor) and Duncan Public Schools (district) is for snack vending machines to be located in the High School, STEM building, Edge building, and 9th grade building. This agreement can be terminated by either party with 60 days advance notice.

Vendor

Vendor will place three snack machines in the High School. (2 located in the café and 1 in the hallway)

Machines will be full featured size (72" height) late models equipped to accept bills, coins, as well as cashless options on several units. Machines will feature guaranteed delivery systems which helps eliminate lost money issues. The machines will try three times to dispense the item and then will return the money if delivery of item fails.

Monies will be collected and merchandise delivered weekly or as needed as determined by the demand. Vendor will pay careful attention to the appearance and maintenance of the machine. Any service problems reported will be addressed immediately.

Snack selections will meet the nutritional guidelines adopted by the district.

District

The district grants exclusive snack vending rights in the high school, STEM Building, Edge Building, and the 9th Grade building to the vendor. The district will provide a suitable location and sufficient electrical service for the machines. Snacks mean packaged items that include chips, cookies, meat sticks, pastries, crackers, and candy. Snacks shall not include loose items (not individually packaged) as sold by the cafeteria. No items which would compete with the snack vending sales will be sold on campus during regular school hours. This restriction does not apply to extra-curricular activities held on campus after regular school hours.

For these considerations, the vendor will pay commissions to the district by the 20th day of the month following the month the sales were made. Gross cash sales will be reported and a check will be made to Duncan Public Schools. The commission will be 18% of the gross cash sales.

The undersigned have caused this agreement to be duly executed as of June 30, 2026.

(g) Physician shall provide Sideline Services, which shall consist of being present on the sidelines providing medical services for the events set forth on Exhibit A

1.02 Independent Contractor Status. It is mutually understood and agreed that School and DRH are at all times acting and performing as independent contractors. DRH shall be solely responsible for the payment of unemployment compensation, worker's compensation, and any income, occupational, F.I.C.A., or other taxes, assessments, interest, or penalty of any kind whatsoever assessed by any governmental agency or entity which may pertain to any monies earned, collected, paid, or charged by or to DRH (or any of its employees or agents) pursuant to this Agreement, and DRH shall defend, indemnify, and hold School harmless with respect thereto. In addition, ATC shall have no claim under this Agreement or otherwise against School for any employee benefits of any kind.

6.01 Insurance. DRH agrees to maintain professional and general liability insurance during the term of the Agreement in the amounts of $1,000,000 per occurrence and $3,000,000 in the aggregate, which coverage shall be effective to cover all Services rendered by ATC and Sideline Services rendered by the Physician.

6.02 Indemnification. DRH hereby agrees to indemnify and hold School harmless from and against any claim, loss, damage, cost, expense (including attorney's fees and court costs) or other liability arising out of or related to the Services provided by ATC and Physician pursuant to

7.03 Automatic Termination. In the event of (a) the death of Provider; (b) the failure of Provider to maintain professional liability insurance coverage; or (c) Provider's exclusion from any federal or state healthcare program, this Agreement shall automatically terminate.

This Agreement constitutes the entire agreement and understanding of the parties with respect to the matters contained herein and supersedes all prior agreements and understandings. This Agreement shall not be waived or altered, in whole or in part, except in writing signed by the parties.

8.02 Governing Law and Venue. If any agreement on a method for resolving such concern is not reached within ten (10) days of such written notice, the activities described in the notice will cease or be appropriately altered until the concern is resolved.

STATEMENT OF AGREEMENT

BETWEEN

RED RIVER TECHNOLOGY CENTER,
PRACTICAL NURSING

AND

DUNCAN PUBLIC SCHOOLS

This Agreement is entered into to establish and maintain mutually agreed upon provisions for practical nursing education between Red River Technology Center Practical Nursing (hereinafter called "School"), and Duncan Public Schools (hereinafter called "Agency").

It is understood that at all times:

(1) the School is completely responsible for and in control of the education of the student for nursing practice;

(2) that the Agency is completely responsible for the care given to patients; and

(3) each contributes to meeting the goal of the other through joint participation in the quality of health care given.

Each party maintains its respective rights, prerogatives, objectives, policies and procedures. Both collaborate on meeting the objective of the student experience during the practicum and contribute to carrying forward this phase of the curriculum, each mindful of the primary goal of the other.

During the practicum, student education and experience are on the vocational level, without monetary compensation. Each party will pay all of its costs associated with its participation in the program.

Explicit in this arrangement are the parties mutual and continuous efforts to:

(1) create a climate in which teaching-learning can occur;

(2) strengthen and improve the relationship and the practicum;

(3) coordinate appropriate activities;

(4) provide for on-going interpretation of the philosophy and objectives of each to the other; and

(5) carry out a system of communication which fosters the exchange of information of (a) recommendations, (b) policy interpretation, (c) new or altered programs, (d) evaluation of the student experience, and (e) other activities pertinent to the education of the student, the health care of people, research and teaching.

This Agreement is intended to also provide for joint explorations of potential efforts in the areas of continuing education, research in nursing and health services to people.

This Agreement becomes effective on July 1, 2026 and continues for a term of one (1) year. Thereafter, this Agreement shall continue for successive one (1) year periods until one party notifies the other of termination in accordance with the following paragraph.

Either party may terminate this Agreement upon written notice, given at least three months in advance. Subject to review at any time, proposed changes and modifications to this Agreement become effective only at the beginning of the next contract year.

The School will assign a faculty member, who collaborates in making overall plans with the appointed counterpart in the Agency, normally the Director of Nursing. These two persons are responsible for the implementation of this Agreement. Within this framework the instructor is directly responsible for the student's learning experiences and functions in a colleague relationship with the nurse in charge regarding the planning, teaching, supervision and evaluation of student learning and performance in the selected clinical areas.

In order to accomplish the practicum objectives, the School and the Agency accept the responsibilities herein set forth so that respective expectations will be realized while each fulfills its particular responsibilities to the nursing students.

RESPONSIBILITIES

The School will provide all cost of salaries, equipment, supplies, etc., for the practical nursing program in cooperation with the Oklahoma Department of Career and Technology Education.

The Agency shall provide supervision by registered and licensed practical nurses for all nursing services to patients where students are assigned. The student nurse will be under the supervision of the coordinator and/or instructor of Practical Nursing. Any lack of coverage will be due to an emergency and will be temporary in nature.

The Agency's regulations are to be made available to the practical nursing program. Students will be expected to conform to these policies in all relationships with patients and personnel. Each faculty member will be given a physical tour of the Agency and a sufficient

orientation to the organizational chart and policies and procedures of the nursing department prior to the assignment of the faculty member or students to the Agency.

The Agency shall provide classroom and/or conference space, and space for personal belongings shall be made available, for use by the students and faculty, if possible.

Students are urged to carry suitable hospitalization insurance. They will not be covered by sick benefits provided employees of the Agency. The Agency will provide first aid care in case of accident while on duty as a student in the line of care for patients. The student will be responsible for the cost of such care.

Students are required to have a complete physical examination before entering the Practical Nursing Program. For each instructor and student the School shall provide proof of the following: (1) a complete Hepatitis B vaccination series or two (2) of the three (3) of the series completed with completion as soon as possible or waiver; (2) negative PPD or chest X-ray or exception; (3) MMR vaccination or positive titer; (4) a written verification of varicella history or a varicella titer and (5) a background check.

The Practical Nursing faculty will be in the Agency or may be reached by telephone when students are assigned to the facility. Experiences will be obtained in caring for patients and observation in assigned areas and the various departments of the Agency.

The clinical schedule will be mutually agreed upon by both School and Agency at least two weeks prior to the beginning of clinical rotations. Changes after that date will require the concurrence of both parties.

Students will be out of the clinical area at times for classes, field trips, holidays, etc. A program calendar will be provided to the Agency. The faculty will be responsible for daily assignments of students and notifying the appropriate Agency personnel of the number of students to expect, and when they will be in the clinical area. This may be accomplished through selection, by the faculty, of a specific nursing problem for an individual student after consulting with the charge nurse or supervisor of the specific situation. Evaluation of the student's performance will be the responsibility of the supervising faculty. Assignments will be reasonable for the time allotted for completion, the extent of nursing care required, and the past experience of the student.

The faculty may remove a student from any situation found to be unsuitable at the particular time. For example, if a patient becomes acutely ill or has a complication not foreseen, an inexperienced student should not be expected to give adequate care to the patient.

The Agency retains responsibility for the quality of nursing care. If either the conduct or nursing practice of the student while in the clinical area is found to be markedly unsatisfactory, the faculty is to be notified immediately. The Instructor will be responsible for taking action bringing this to the attention of the coordinator and/or school superintendent if the coordinator

feels more action is necessary. Agency reserves the right to refuse use of clinical facilities to faculty or students who prove to be incompetent.

The School shall require that each Student and Instructor before beginning the Clinical Rotations have current CPR certification that meets standards acceptable to the facility.

The School has provided the Instructors and Students with training on policies and procedures with respect to protected health information that is necessary and appropriate for them to carry out the activities contemplated by this agreement as required by applicable provision of the Health Information Portability Accountability Act of 1996.

The School shall require the Instructors and Students to, appropriately safeguard the protected health information of patients, in accordance with applicable provision of the Health Insurance Portability and Accountability Act of 1996, as it may be amended from time to time ("HIPAA") and applicable law. Instructors and Students may use and disclose protected health information solely for the education and treatment purposes contemplated by this Agreement.

With respect to information obtain or received from the Facility, the School shall: (i) not use or further disclose the information other than as permitted or required by this Agreement or as required by law; (ii) use appropriate safeguards to prevent use or disclosure of the information other than as provided for by this Agreement; (iii) report to the Facility any use or disclosure of the information not provided for by this Agreement of which the School becomes aware: and (iv) require that any agents, including a subcontractor, to whom the School provides protected health information received from, or created or received by the School on behalf of, the Facility agrees to the same restrictions and conditions that apply to the Facility with respect to such information.

The School shall require Instructors and Students to, keep confidential and not divulge to anyone else any of the proprietary, confidential information of the Facility, including patient information, unless such information (a) is or becomes generally available to the public other than as a result of disclosure by the School or any of the Students, or (b) is required to be disclosed by law or by a judicial, administrative or regulatory authority. The School, Clinical Instructors, Instructors and Students shall not use such information except as required to provide patient care services in the Clinical Rotations.

The School will provide a full and complete release properly executed by all students participating in the training program, releasing the Agency from any and all liability arising from or connected with students being on Agency premises for any purpose.

Assignments of students will be posted at the individual nursing stations at least one hour before the beginning of the clinical practice day.

If the conduct or nursing practice of a faculty member of the School falls below the standards set forth by the Agency for its employees, the documentation pertaining to this deficiency shall be communicated to the School and procedures will be resolved to rotate the faculty member from the Agency after the School and Agency have had the opportunity to

review the documentation and agree that such would be in the best interest of the program and the Agency. The Agency will evaluate all faculty members on the same standards that it evaluates its own employees, and make this evaluation available to the School.

The School will provide the Agency annually, proof of the credentials of the faculty members and documentation of current licensure by the state of Oklahoma and acceptable standards of practice on the part of the faculty members, and a signed document will be retained by the Agency for its files certifying that the annual proof referred to in this paragraph has been submitted, reviewed, and found acceptable.

The School will annually provide the Agency with assurance of liability insurance covering student and faculty actions.

Prior to any faculty or student reporting to any clinical area, the School will submit, in writing, evidence of a current (current is defined as being done within the last 12 months) negative PPD or if needed a current chest X-ray as well as show proof of immunization for Rubella/Rubeola or positive Rubella screen or Rubeola titer. The School also agrees to inform students of the risk of exposure to Hepatitis B in the hospital setting and strongly recommend immunization for Hepatitis B. Students who do not wish to be immunized must sign a refusal form which will note that Hepatitis B information has been given and questions answered. Prior to any student reporting to any clinical area, the School will provide to the Agency, in writing, evidence of Hepatitis B immunization, a positive titer for Hepatitis B, or the above mentioned refusal form concerning Hepatitis B.

A preceptor program will be a part of this Agreement. The purpose of the experience is to increase the student's self-confidence, prepare the student for the transition to the practical nursing role and increase job satisfaction of the new graduate. Agency shall designate certain members of its nursing staff to act as a preceptor(s) to a student under the guidance of the faculty of School. Agency shall permit the designated staff members to attend an orientation to the role of the preceptor. The number of students present and hours of assignment will vary in accordance with the schedule of each student's preceptor. A School faculty member will be available for consultation at any time while the student is in the Agency's facility. The faculty will visit the student as needed throughout the preceptorship. The faculty will assist the student and preceptor in establishing and modifying learning objectives and selecting learning experiences.

School is in compliance with Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, Drug Free Workplace Act of 1988, Title IX of the Education Amendments of 1972, The Americans with Disabilities Act (ADA) of 1990 and other federal laws and regulations, and does not discriminate on the basis of race, color, creed, national origin, gender, age, religion, disability, marital status or status as a veteran in any of its policies, practices, or procedures. This includes, but is not limited to admissions, employment, financial aid, and educational services.

The Agency will accept, assign, and otherwise treat student trainees without regard to race, color, creed, national origin, gender, age, religion, disability, marital status or status as a veteran in any of its policies, practices, or procedures.

Request for Financial Information and Print Contract

7 messages

Nichole Lorenzen <nichole.lorenzen@duncanps.org> Mon, May 18, 2026 at 1:21 PM
To: "Hull, Leslie" <leslie.hull@jostens.com>

I am reaching out because I need help understanding and explaining the finances for this year's yearbook to our school financial department.

As you know, I stepped into this role in the middle of the year after our yearbook advisor became very ill with cancer. I want to be transparent that I did not have prior experience with this process and have been doing my best to keep everything moving forward while learning as I go.

At this point, I need assistance gathering the following information:

- Total amount made from online sales
- Number of yearbooks sold online
- Total business ads sold
- Total senior ads sold

Currently, our account is approximately $4,000 in the negative. I was also wondering if it would be possible to return or cancel the PO that was submitted in April so that we can balance our school budget before July 1, which is the close of our fiscal year.

I understand that you mentioned you had previously emailed advising me not to pay the April bill; however, I have gone back through my emails several times and cannot locate that message. If possible, could you please resend that email for my records?

Also, could you please send me another copy of our print contract? I need it for our financial department as we work through reconciling this year's budget.

Again, I appreciate your patience. I truly stepped in simply to help during a difficult situation for our school, and I am trying to make sense of everything as responsibly as possible.

Thank you for your help, and I look forward to hearing from you soon.

Nichole,

You are doing a great job--- yearbook adviser position is a difficult one at best – and with you trying to come in mid-semester I know it makes it twice as hard! So don't beat yourself up – it will get easier—I am sorry if I didn't explain something clearly or missed helping you in some way. I am always here to help!

Sorry to be a bother but how do I read the contract. Does it show what pages cost, or print price. I really would like to dig deep into understanding this better.

Nichole,

The renewal contract just rolls the pages, # books etc. from the previous year – since we have options to adjust during the current school year – like we have done in your case. Now that we have cover, # of books set and pages – I can give you a good estimate on your adjusted contract pricing.

215 books - 136 pages = $15,033.00

I didn't get a response on refunding the deposit check – do you want me to go ahead and request that from the Billing dept?

Let me know what else I can help you with – looks like you just have a few pages left to finalize the pages and they are looking really good!

SCHEDULE D

Supplies and Services beginning July 1st that are under the $25,000.00 threshold.

Superintendent Certification of Participation

I certify that on the 9th day of June 2026, the Board of Education of Duncan Public Schools voted to allow our school district to participate in the CCOSA District Level Services Program. The Duncan Board of Education has encumbered $ 2,000.00 for the purpose of participating in the CCOSA District Level Services Program. The Board of Education acknowledges that participation in the Program will result in the provision of **advisory services** to designated administrators with Duncan Public Schools.

The District understands that CCOSA's District Level Services Program emphasizes assistance in areas that help to create high-quality schools based on the research: Leadership and Governance: Culture and Climate; Mentoring and Coaching; Teaching and Learning; Assessing and Using Data for Learning; and Financial Resources.

If consultation and/or professional learning is in the school district, the school district would agree to pay travel expenses that would not be a part of this agreement.

The District understands that CCOSA and/or its partners will be unable to provide assistance in some areas and with some issues. The District understands that, in those situations, CCOSA and/or its partners may recommend that the District seek advice, assistance, and services beyond those offered by this Program, which may cause the District to incur expenses that are not covered by this Program. **This Program is ADVISORY ONLY and CCOSA and/or its partners do not warrant or guarantee any specific outcome related to the advisory services provided. CCOSA reserves the right to refuse participation to school districts and to remove school districts from participation in the Program.**

The term of this Agreement begins on the date it is approved by the District's Board of Education and ends on June 30, 2027. Either the District or CCOSA may terminate this Agreement upon notice in writing to the other party. However, a delay in contract approval could result in your district missing valued services and workshops!

CCOSA's District Level Services (DLS) Program

Designated Administrator Contact Form 2026-2027

While all of your district leaders have full access by phone, email, or in person, we need you to designate district administrators who serve as your main contacts to share information from CCOSA and its partners. **These designated administrators will need to commit to forwarding Professional Learning opportunities to your other district and/or school team members to ensure that all of your leaders get maximum benefit from the program.** Districts with an ADM of 10,000 and above may designate three district administrators. The District may include additional school personnel at no additional cost in conference calls, on-site visits, and training sessions.

Re: 2026-2027 Oklahoma State School Boards Association Membership

Dear Superintendent:

Thank you for opportunity to serve your school district this school year. It's an honor to serve board members and administrators who are working on a daily basis to care for Oklahoma's children.

Enclosed is your district's membership invoice for 2026-2027. We are excited about the services and benefits available to members. We strongly believe that the board-superintendent partnership is critical to district and student success and hope your district's governance team will take advantage of the many learning opportunities OSSBA offers. Our whole-board development sessions are particularly great for superintendent-board governance teams because we visit your district to deliver customized learning specific to your district's needs. Our team is also available to guide and facilitate governance team retreats focused on mission, goals and long-term planning. You can contact Dr. Melonie Hau, at 888.528.3571 or melonieh@ossba.org for additional information.

We continue to offer a wide range of services that save your district time and money, including:

- Oklahoma Public Schools Foundation – a new partnership with the Oklahoma Foundation for Excellence to help donors to your school district leverage tax credits.
- Online Superintendent Evaluation – this interactive platform embraces the idea of continuous improvement and helps create meaningful conversations about progress toward district goals.
- Policy Services – regular policy updates to reflect new legislation and best practices, a complete review and update of your board policy manual, and an online policy hosting service that makes it easy to keep your policies up-to-date and readily available
- Facility Planning – our team will help you develop and successfully communicate a comprehensive capital investment plan that will garner support from local voters and transform education for your students.

One more question. We may have already talked about this, but what will happen with our current annual maintenance agreement that we have paid for? Will there be a refund for the remainder of the year once, this new lease goes into effect?

Executive Summary

Duncan Public Schools currently owns a Quadient IN-600 AutoFeed Mail Machine with a 5 lb. weighing platform, serviced by Summit Mailing & Shipping. This system operates with an IBI (Information-Based Indicia) meter, which the USPS has announced will no longer be compliant by 2027. All mailing systems will be required to operate with the new IMI (Intelligent Mail Indicia) meter technology by that time.

Given this upcoming USPS compliance mandate, now is an ideal time for Duncan Public Schools to upgrade to the latest Quadient iX-Series mailing system.

By moving forward at this time, the district can:

1.) Lock in the lowest possible state contract pricing before the annual price increase in November.

2.) Avoid future compliance issues and ensure uninterrupted mailing operations.

3.) Benefit from improved speed, efficiency, and reporting capabilities available with the new IMI-compliant systems.

4.) Simplify budgeting by upgrading now rather than facing higher costs later.

Upgrading at this time is a strategic decision that positions Duncan Public Schools for long-term success and compliance while maximizing available cost savings.

This document is strictly private, confidential and personal to its recipients and should not be copied, distributed or reproduced in whole or in part, nor passed to any third party without the express written consent of Quadient.

MASTER SERVICES AGREEMENT
FOR RECORDS MANAGEMENT SERVICES

This Master Services Agreement for Services ("MSA") is entered into by Duncan Public Schools("Customer"), and Yellow Folder, LLC, a Texas limited liability company ("YellowFolder"), effective Dec. 14, 2015.

YellowFolder provides records management services to its customers, including packing, transporting, indexing, storing and destruction of paper and other physical records ("Physical Records"); digitizing Physical Records through proprietary scanning and coding processes ("Digitized Records" and together with the Physical Records, the "Records")); storing and destruction of Digitized Records on the YellowFolder electronic record management (ERM) system and configuring the YellowFolder ERM for such use by its customers; and other activities related to such services. Customer wishes to obtain the specified services from YellowFolder as listed on the proposal(s) attached to this MSA in Appendix A (each a "Proposal"). The Parties agree to amend Appendix A from time to time with additional Proposals, as such Proposals are signed by the Parties hereto. The Parties hereby agree as follows:

1. YellowFolder Services. YellowFolder shall provide the specific service(s) indicated on each Proposal (the "Services"). YellowFolder's Service Guidelines and Procedures (the "Service Procedures") contain (1) a definition of each of the Services, (2) YellowFolder's responsibilities with respect to the provision of each Service; and (3) Customer's responsibilities for each Service. YellowFolder maintains a copy of the Service Procedures on its website (www.yellowfolder.com) and reserves the right to modify and amend the Service Procedures from time to time at its sole discretion. Customer acknowledges that it has received and read a copy of the Service Procedures, has complied with all pre-conditions to such Services, and hereby agrees to be bound by all such terms and conditions included therein. Each Proposal includes specific quantities and levels for each Service. If, at Customer's request, YellowFolder performs Services in excess of the specifications contained in the Proposal(s), Customer shall be responsible for the costs of such additional services at YellowFolder's standard rates. YellowFolder shall not be liable for any damage to the Records caused by caused by removal of staples, paperclips, binders, or any other type of fastening device, or the unfolding of documents as required to enable such items to be fed through an automatic document feeder. Customer expressly acknowledges and agrees that YellowFolder will permanently destroy all Physical Records immediately upon successful conversion to Digitized Record format. YellowFolder shall not be liable for interruption of Services due to fires, water damage (natural or otherwise), floods, storms, earthquakes, natural disasters (all of the foregoing, "Acts of God"), strikes, riots, power failures, insurrection, interruption or unavailability of telephone or internet service, or for any other cause beyond the control of YellowFolder. YellowFolder shall not be required to supply Services for Customer while interruption of Services due to any such cause continues.

2. Customer Requirements. Customer shall be responsible for providing the YellowFolder staff commercially reasonable access to its facilities on the dates agreed upon for packing and pick-up of Physical Records (if applicable) and shall have the Physical Records described in the Proposal(s) ready for packing/pick-up on such dates. If YellowFolder is required to return to Customer's location for such services due to a failure by Customer to adhere to the terms of this MSA, additional charges will apply. Customer acknowledges and agrees that access to the YellowFolder ERM requires internet signal transmission and that Customer shall be responsible for ordering, maintaining and paying for such signal transmission installation and services, and that the costs of such services are not included in YellowFolder's service charges. Customer acknowledges and agrees that signals are transmitted over third party telephone and utility lines, which are wholly beyond the control and jurisdiction of YellowFolder. YellowFolder does not provide an audit of Customer's Physical Records as a part of its regular Services. Customer is solely responsible for the contents, completeness and accuracy of its Records.

3. File Architecture, Access & Retention Plan. For each solution of Records (Student Records, Special Education Records, Human Resource Records, Administrative Records, etc., each a "Solution"), YellowFolder and Customer shall agree upon a written File Architecture, Access, and Retention Plan ("FAARP") prior to YellowFolder indexing or digitizing any Physical Records with respect to such Solution for Customer pursuant to this MSA. The FAARP shall describe the layout (or architecture) of all file "trees" for the Solution, security groups to govern Customer staff access to the Records, the retention and destruction plan for Customer's Records, and the person(s) at Customer responsible for all retention and destruction decisions. YellowFolder shall not take any action with respect to the Solution Records that is not authorized in the FAARP for such Solution.

4. Ownership. Customer shall retain ownership of its Records and shall have the right to the immediate return of its Records at any time; provided, however that Customer shall be liable to YellowFolder for all payments due to YellowFolder for the Term (defined below). YellowFolder shall maintain a purchase money security interest in the Records until such time as Customer pays all unpaid Fees (defined below) to YellowFolder. YellowFolder shall retain the meta-data associated with all Records produced pursuant to the Services provided herein, including, without limitation, all meta-data regarding the Physical Records developed through any index services and all meta-data regarding the Digitized Records developed through any conversion services or uploading Records to the YellowFolder ERM. YellowFolder shall maintain full and unlimited ownership to any documentation produced with respect to the Services, including without limitation, any FAARP(s) produced for the Customer; provided, however, that YellowFolder shall grant Customer a non-exclusive, limited use, read-only license to use such documentation in its internal operations throughout the Term. Customer agrees that it shall only have non-exclusive, limited use license rights with respect to the YellowFolder ERM software (the "Software") throughout the Term and that Customer shall not modify, reverse engineer, distribute, transfer, or allow access to all or any portion of the Software by any third party. Customer hereby acknowledges that it has received and hereby agrees to adhere to any required terms and conditions of any licenses required by YellowFolder or any of its software subcontractors related to the use of the Software.

5. Record Protection. YellowFolder acknowledges that the Records are of significant value to Customer and contain sensitive and private information that may be regulated by laws or regulations governing the retention and disposal of information, including, without limitation, those commonly known as "FERPA", "FACTA", "GLBA", "HIPAA" and "HITECH" or similar state and federal laws ("Privacy Laws"). YellowFolder agrees to use commercially reasonable efforts to protect the Records against damage (other than through Acts of God) and to comply with all applicable Privacy Laws.

6. Term & Termination. With respect to each Proposal, the term of this MSA shall start on the date that the Proposal is signed by Customer, and shall continue for a period of One year(the "Initial Term") from such date. Upon the expiration of the Initial Term with respect to each Proposal, this MSA shall automatically renew annually with respect to the storage and access Services described in such Proposal (each a "Renewal Term") unless terminated by either party by written notice at least ninety (90) days prior to the last day of the then current Term. The "Term" for each Proposal shall be the Initial Term and each Renewal Term.

YellowFolder may terminate the Services with respect to a Proposal at any time if Customer fails to perform its material obligations described herein (including payment) related to such Proposal; provided that such termination will not relieve Customer's responsibilities to pay the Fees related to such Proposal. Customer may terminate this MSA with respect to a Proposal at any time upon thirty (30) days prior written notice to YellowFolder if YellowFolder fails to reasonably perform its material obligations described herein with respect to such Proposal and such failure has not been cured by YellowFolder within thirty (30) days after its receipt of such notice. Customer may terminate this MSA at the end of any annual fiscal period if it (i) certifies that its governing board (as a result of a reduction in anticipated tax revenues) has not allocated sufficient funds to allow Customer to continue to perform the obligations under this Agreement; (ii) provides YellowFolder at least ninety (90) days advance written notice of such situation; and (iii) has paid all amounts due YellowFolder under this Agreement as of the date of such proposed termination. Any such termination shall be in addition to (not in lieu of) any other remedies available to the terminating party with respect to this MSA in a court of law.

7. Service Fees. Depending on the Services provided, each Proposal may specify up to four separate fees owed for the Services. These fees include "Processing Fees," "Record Center Monthly Fees," "Cloud Service Monthly Fees," and "Removal Fees," (together the "Service Fees").

Processing Fees
For all fees listed as "Processing Fees" on a Proposal, Customer agrees to pay fifty percent (50%) of the Processing Fees upon signing the Proposal and the remaining fifty percent (50%) of the Processing Fees upon receiving confirmation from YellowFolder of the substantial completion of all work related to such Processing Fees.

Record Center Monthly Fees not applicable to DPS
The Record Center Monthly Fees listed on each Proposal are regular, recurring charges for the on-going storage of Physical Records in the YellowFolder Record Center. YellowFolder bases Record Center Monthly Fees on the number of boxes stored with YellowFolder. Customer agrees to pay these fees on an annual basis, in advance, due and payable on the first day of the calendar month beginning in the month of execution of this MSA and payable on an annual basis thereafter (each, a "Service Year"). If the Proposal is signed on a month other than the month of execution of this MSA, Customer agrees to pay for a stub portion of the Service Year during the first and last calendar years of the Term. The initial stub payment is listed on the Proposal. YellowFolder shall have the right to increase the per box Record Center Monthly Fees rate, provided that such increase may not exceed 3.0% annually.

Cloud Service Monthly Fees
The Cloud Service Monthly Fees are regular, recurring charges for the storage of (and access to) Digitized Records on the YellowFolder ERM. YellowFolder bases Cloud Service Monthly Fees on the number of active students/staff enrolled/employed by Customer. Customer agrees to pay these fees on an annual basis, in advance, due and payable on the first day of the Service Year. If the Proposal is signed on a month other than the month of execution of this MSA, Customer agrees to pay for a stub portion of the Service Year during the first and last calendar years of the Term. The initial stub rate is listed on the Proposal. YellowFolder shall have the right to increase the per student/employee Cloud Service Monthly Fees rate, provided that such increase may not exceed 3.0% annually. YellowFolder shall audit the number of Customer's active students/employees prior to the annual anniversary date of the Term (using Customer's PEIMS filings) and increase or decrease the total Cloud Service Monthly Fees for such annual period accordingly.

Removal Fees not applicable to DPS
All fees listed as "Removal Fees" on a Proposal are due in full upon signature by Customer of such Proposal and must be paid in full prior to the delivery of the applicable Service by YellowFolder.

8. Ad Hoc Services & Fees. From time-to-time Customer may request YellowFolder to perform ad hoc services with respect to the Records or the YellowFolder ERM that are not specified in a Proposal. These ad hoc services may include, without limitation, Record research and retrieval, and ERM system administration (password setup, mass file moves, etc.) or training. YellowFolder will provide these services upon the request of Customer in a manner consistent with YellowFolder's service level guidelines (as provided in the Services Procedures). Customer agrees to pay YellowFolder for such services upon their completion at YellowFolder's then current listed rates for such ad hoc services. These fees shall be due within thirty (30) days of receipt by Customer of a YellowFolder invoice detailing such ad hoc services. YellowFolder shall provide Customer with its listed prices for such ad hoc services from time-to-time, as requested by Customer.

9. Payment Provisions. YellowFolder invoices shall be payable in accordance with Texas Statute Chapter §2251.021 - Time for Payment by Governmental Entity of the Texas Prompt Payment Act, Subtitle F – State and Local Contracts and Fund Management. YellowFolder shall be entitled to charge a late fee equal to the greater of $25 per month or 1.00% per month for each payment that is not received by YellowFolder on or prior to the date first due. Late payments shall accrue interest in accordance with Texas Statute §2251.025 – Interest on Overdue Payment of the Texas Prompt Payment Act, Subtitle F – State and Local Contracts and Fund Management. YellowFolder shall be entitled to pursue all remedies available, including without limitation, disconnecting or disabling YellowFolder ERM services, in order to collect past due Service Fees. If YellowFolder continues to provide Services related to Record storage after termination of this MSA (as a result of Customer failing to reclaim its Records), YellowFolder shall be entitled to continue to receive storage and/or access fees at its then current rates for the periods of such extended storage. Customer shall be responsible for all licensing, permit fees and sales, use and excise taxes relating to the Services. Customer hereby certifies that it is a governmental entity, is not subject to nor liable for sales and use taxes and YellowFolder has no obligation or duty to collect any sales or use taxes with respect to the Services provided to Customer.

Superintendent Certification of Participation

I certify that on the 9th day of June 2026, the Board of Education of Duncan Public Schools voted to allow our school district to participate in the CCOSA District Level Services Program. The Duncan Board of Education has encumbered $ 2,000.00 for the purpose of participating in the CCOSA District Level Services Program. The Board of Education acknowledges that participation in the Program will result in the provision of **advisory services** to designated administrators with Duncan Public Schools.

Dr Chanda Byerly

The District understands that CCOSA's District Level Services Program emphasizes assistance in areas that help to create high-quality schools based on the research: Leadership and Governance: Culture and Climate; Mentoring and Coaching; Teaching and Learning; Assessing and Using Data for Learning; and Financial Resources.

If consultation and/or professional learning is in the school district, the school district would agree to pay travel expenses that would not be a part of this agreement.

The District understands that CCOSA and/or its partners will be unable to provide assistance in some areas and with some issues. The District understands that, in those situations, CCOSA and/or its partners may recommend that the District seek advice, assistance, and services beyond those offered by this Program, which may cause the District to incur expenses that are not covered by this Program. **This Program is ADVISORY ONLY and CCOSA and/or its partners do not warrant or guarantee any specific outcome related to the advisory services provided. CCOSA reserves the right to refuse participation to school districts and to remove school districts from participation in the Program.**

The term of this Agreement begins on the date it is approved by the District's Board of Education and ends on June 30, 2027. Either the District or CCOSA may terminate this Agreement upon notice in writing to the other party. However, a delay in contract approval could result in your district missing valued services and workshops!

The District may include additional school personnel at no additional cost in conference calls, on-site visits, and training sessions.

Re: 2026-2027 Oklahoma State School Boards Association Membership

Dear Superintendent:

Thank you for opportunity to serve your school district this school year. It's an honor to serve board members and administrators who are working on a daily basis to care for Oklahoma's children.

Enclosed is your district's membership invoice for 2026-2027. We are excited about the services and benefits available to members. We strongly believe that the board-superintendent partnership is critical to district and student success and hope your district's governance team will take advantage of the many learning opportunities OSSBA offers. Our whole-board development sessions are particularly great for superintendent-board governance teams because we visit your district to deliver customized learning specific to your district's needs. Our team is also available to guide and facilitate governance team retreats focused on mission, goals and long-term planning. You can contact Dr. Melonie Hau, at 888.528.3571 or melonieh@ossba.org for additional information.

We continue to offer a wide range of services that save your district time and money, including:

- Oklahoma Public Schools Foundation – a new partnership with the Oklahoma Foundation for Excellence to help donors to your school district leverage tax credits.
- Online Superintendent Evaluation – this interactive platform embraces the idea of continuous improvement and helps create meaningful conversations about progress toward district goals.
- Policy Services – regular policy updates to reflect new legislation and best practices, a complete review and update of your board policy manual, and an online policy hosting service that makes it easy to keep your policies up-to-date and readily available
- Facility Planning – our team will help you develop and successfully communicate a comprehensive capital investment plan that will garner support from local voters and transform education for your students.

One more question. We may have already talked about this, but what will happen with our current annual maintenance agreement that we have paid for? Will there be a refund for the remainder of the year once, this new lease goes into effect?

Executive Summary

Duncan Public Schools currently owns a Quadient IN-600 AutoFeed Mail Machine with a 5 lb. weighing platform, serviced by Summit Mailing & Shipping. This system operates with an IBI (Information-Based Indicia) meter, which the USPS has announced will no longer be compliant by 2027. All mailing systems will be required to operate with the new IMI (Intelligent Mail Indicia) meter technology by that time.

Given this upcoming USPS compliance mandate, now is an ideal time for Duncan Public Schools to upgrade to the latest Quadient iX-Series mailing system.

By moving forward at this time, the district can:

1.) Lock in the lowest possible state contract pricing before the annual price increase in November.

2.) Avoid future compliance issues and ensure uninterrupted mailing operations.

3.) Benefit from improved speed, efficiency, and reporting capabilities available with the new IMI-compliant systems.

4.) Simplify budgeting by upgrading now rather than facing higher costs later.

Upgrading at this time is a strategic decision that positions Duncan Public Schools for long-term success and compliance while maximizing available cost savings.

This document is strictly private, confidential and personal to its recipients and should not be copied, distributed or reproduced in whole or in part, nor passed to any third party without the express written consent of Quadient.

MASTER SERVICES AGREEMENT
FOR RECORDS MANAGEMENT SERVICES

This Master Services Agreement for Services ("MSA") is entered into by Duncan Public Schools("Customer"), and Yellow Folder, LLC, a Texas limited liability company ("YellowFolder"), effective Dec. 14, 2015.

YellowFolder provides records management services to its customers, including packing, transporting, indexing, storing and destruction of paper and other physical records ("Physical Records"); digitizing Physical Records through proprietary scanning and coding processes ("Digitized Records" and together with the Physical Records, the "Records")); storing and destruction of Digitized Records on the YellowFolder electronic record management (ERM) system and configuring the YellowFolder ERM for such use by its customers; and other activities related to such services. Customer wishes to obtain the specified services from YellowFolder as listed on the proposal(s) attached to this MSA in Appendix A (each a "Proposal"). The Parties agree to amend Appendix A from time to time with additional Proposals, as such Proposals are signed by the Parties hereto. The Parties hereby agree as follows:

1. YellowFolder Services. YellowFolder shall provide the specific service(s) indicated on each Proposal (the "Services"). YellowFolder's Service Guidelines and Procedures (the "Service Procedures") contain (1) a definition of each of the Services, (2) YellowFolder's responsibilities with respect to the provision of each Service; and (3) Customer's responsibilities for each Service. YellowFolder maintains a copy of the Service Procedures on its website (www.yellowfolder.com) and reserves the right to modify and amend the Service Procedures from time to time at its sole discretion. Customer acknowledges that it has received and read a copy of the Service Procedures, has complied with all pre-conditions to such Services, and hereby agrees to be bound by all such terms and conditions included therein. Each Proposal includes specific quantities and levels for each Service. If, at Customer's request, YellowFolder performs Services in excess of the specifications contained in the Proposal(s), Customer shall be responsible for the costs of such additional services at YellowFolder's standard rates. YellowFolder shall not be liable for any damage to the Records caused by caused by removal of staples, paperclips, binders, or any other type of fastening device, or the unfolding of documents as required to enable such items to be fed through an automatic document feeder. Customer expressly acknowledges and agrees that YellowFolder will permanently destroy all Physical Records immediately upon successful conversion to Digitized Record format. YellowFolder shall not be liable for interruption of Services due to fires, water damage (natural or otherwise), floods, storms, earthquakes, natural disasters (all of the foregoing, "Acts of God"), strikes, riots, power failures, insurrection, interruption or unavailability of telephone or internet service, or for any other cause beyond the control of YellowFolder. YellowFolder shall not be required to supply Services for Customer while interruption of Services due to any such cause continues.

2. Customer Requirements. Customer shall be responsible for providing the YellowFolder staff commercially reasonable access to its facilities on the dates agreed upon for packing and pick-up of Physical Records (if applicable) and shall have the Physical Records described in the Proposal(s) ready for packing/pick-up on such dates. If YellowFolder is required to return to Customer's location for such services due to a failure by Customer to adhere to the terms of this MSA, additional charges will apply. Customer acknowledges and agrees that access to the YellowFolder ERM requires internet signal transmission and that Customer shall be responsible for ordering, maintaining and paying for such signal transmission installation and services, and that the costs of such services are not included in YellowFolder's service charges. Customer acknowledges and agrees that signals are transmitted over third party telephone and utility lines, which are wholly beyond the control and jurisdiction of YellowFolder. YellowFolder does not provide an audit of Customer's Physical Records as a part of its regular Services. Customer is solely responsible for the contents, completeness and accuracy of its Records.

3. File Architecture, Access & Retention Plan. For each solution of Records (Student Records, Special Education Records, Human Resource Records, Administrative Records, etc., each a "Solution"), YellowFolder and Customer shall agree upon a written File Architecture, Access, and Retention Plan ("FAARP") prior to YellowFolder indexing or digitizing any Physical Records with respect to such Solution for Customer pursuant to this MSA. The FAARP shall describe the layout (or architecture) of all file "trees" for the Solution, security groups to govern Customer staff access to the Records, the retention and destruction plan for Customer's Records, and the person(s) at Customer responsible for all retention and destruction decisions. YellowFolder shall not take any action with respect to the Solution Records that is not authorized in the FAARP for such Solution.

4. Ownership. Customer shall retain ownership of its Records and shall have the right to the immediate return of its Records at any time; provided, however that Customer shall be liable to YellowFolder for all payments due to YellowFolder for the Term (defined below). YellowFolder shall maintain a purchase money security interest in the Records until such time as Customer pays all unpaid Fees (defined below) to YellowFolder. YellowFolder shall retain the meta-data associated with all Records produced pursuant to the Services provided herein, including, without limitation, all meta-data regarding the Physical Records developed through any index services and all meta-data regarding the Digitized Records developed through any conversion services or uploading Records to the YellowFolder ERM. YellowFolder shall maintain full and unlimited ownership to any documentation produced with respect to the Services, including without limitation, any FAARP(s) produced for the Customer; provided, however, that YellowFolder shall grant Customer a non-exclusive, limited use, read-only license to use such documentation in its internal operations throughout the Term. Customer agrees that it shall only have non-exclusive, limited use license rights with respect to the YellowFolder ERM software (the "Software") throughout the Term and that Customer shall not modify, reverse engineer, distribute, transfer, or allow access to all or any portion of the Software by any third party. Customer hereby acknowledges that it has received and hereby agrees to adhere to any required terms and conditions of any licenses required by YellowFolder or any of its software subcontractors related to the use of the Software.

5. Record Protection. YellowFolder acknowledges that the Records are of significant value to Customer and contain sensitive and private information that may be regulated by laws or regulations governing the retention and disposal of information, including, without limitation, those commonly known as "FERPA", "FACTA", "GLBA", "HIPAA" and "HITECH" or similar state and federal laws ("Privacy Laws"). YellowFolder agrees to use commercially reasonable efforts to protect the Records against damage (other than through Acts of God) and to comply with all applicable Privacy Laws.

* FOR REFERENCE *

6. Term & Termination. With respect to each Proposal, the term of this MSA shall start on the date that the Proposal is signed by Customer, and shall continue for a period of One year(the "Initial Term") from such date. Upon the expiration of the Initial Term with respect to each Proposal, this MSA shall automatically renew annually with respect to the storage and access Services described in such Proposal (each a "Renewal Term") unless terminated by either party by written notice at least ninety (90) days prior to the last day of the then current Term. The "Term" for each Proposal shall be the Initial Term and each Renewal Term.

YellowFolder may terminate the Services with respect to a Proposal at any time if Customer fails to perform its material obligations described herein (including payment) related to such Proposal; provided that such termination will not relieve Customer's responsibilities to pay the Fees related to such Proposal. Customer may terminate this MSA with respect to a Proposal at any time upon thirty (30) days prior written notice to YellowFolder if YellowFolder fails to reasonably perform its material obligations described herein with respect to such Proposal and such failure has not been cured by YellowFolder within thirty (30) days after its receipt of such notice. Customer may terminate this MSA at the end of any annual fiscal period if it (i) certifies that its governing board (as a result of a reduction in anticipated tax revenues) has not allocated sufficient funds to allow Customer to continue to perform the obligations under this Agreement; (ii) provides YellowFolder at least ninety (90) days advance written notice of such situation; and (iii) has paid all amounts due YellowFolder under this Agreement as of the date of such proposed termination. Any such termination shall be in addition to (not in lieu of) any other remedies available to the terminating party with respect to this MSA in a court of law.

7. Service Fees. Depending on the Services provided, each Proposal may specify up to four separate fees owed for the Services. These fees include "Processing Fees," "Record Center Monthly Fees," "Cloud Service Monthly Fees," and "Removal Fees," (together the "Service Fees").

Processing Fees
For all fees listed as "Processing Fees" on a Proposal, Customer agrees to pay fifty percent (50%) of the Processing Fees upon signing the Proposal and the remaining fifty percent (50%) of the Processing Fees upon receiving confirmation from YellowFolder of the substantial completion of all work related to such Processing Fees.

Record Center Monthly Fees not applicable to DPS
The Record Center Monthly Fees listed on each Proposal are regular, recurring charges for the on-going storage of Physical Records in the YellowFolder Record Center. YellowFolder bases Record Center Monthly Fees on the number of boxes stored with YellowFolder. Customer agrees to pay these fees on an annual basis, in advance, due and payable on the first day of the calendar month beginning in the month of execution of this MSA and payable on an annual basis thereafter (each, a "Service Year"). If the Proposal is signed on a month other than the month of execution of this MSA, Customer agrees to pay for a stub portion of the Service Year during the first and last calendar years of the Term. The initial stub payment is listed on the Proposal. YellowFolder shall have the right to increase the per box Record Center Monthly Fees rate, provided that such increase may not exceed 3.0% annually.

Cloud Service Monthly Fees
The Cloud Service Monthly Fees are regular, recurring charges for the storage of (and access to) Digitized Records on the YellowFolder ERM. YellowFolder bases Cloud Service Monthly Fees on the number of active students/staff enrolled/employed by Customer. Customer agrees to pay these fees on an annual basis, in advance, due and payable on the first day of the Service Year. If the Proposal is signed on a month other than the month of execution of this MSA, Customer agrees to pay for a stub portion of the Service Year during the first and last calendar years of the Term. The initial stub rate is listed on the Proposal. YellowFolder shall have the right to increase the per student/employee Cloud Service Monthly Fees rate, provided that such increase may not exceed 3.0% annually. YellowFolder shall audit the number of Customer's active students/employees prior to the annual anniversary date of the Term (using Customer's PEIMS filings) and increase or decrease the total Cloud Service Monthly Fees for such annual period accordingly.

Removal Fees not applicable to DPS
All fees listed as "Removal Fees" on a Proposal are due in full upon signature by Customer of such Proposal and must be paid in full prior to the delivery of the applicable Service by YellowFolder.

8. Ad Hoc Services & Fees. From time-to-time Customer may request YellowFolder to perform ad hoc services with respect to the Records or the YellowFolder ERM that are not specified in a Proposal. These ad hoc services may include, without limitation, Record research and retrieval, and ERM system administration (password setup, mass file moves, etc.) or training. YellowFolder will provide these services upon the request of Customer in a manner consistent with YellowFolder's service level guidelines (as provided in the Services Procedures). Customer agrees to pay YellowFolder for such services upon their completion at YellowFolder's then current listed rates for such ad hoc services. These fees shall be due within thirty (30) days of receipt by Customer of a YellowFolder invoice detailing such ad hoc services. YellowFolder shall provide Customer with its listed prices for such ad hoc services from time-to-time, as requested by Customer.

9. Payment Provisions. YellowFolder invoices shall be payable in accordance with Texas Statute Chapter §2251.021 - Time for Payment by Governmental Entity of the Texas Prompt Payment Act, Subtitle F – State and Local Contracts and Fund Management. YellowFolder shall be entitled to charge a late fee equal to the greater of $25 per month or 1.00% per month for each payment that is not received by YellowFolder on or prior to the date first due. Late payments shall accrue interest in accordance with Texas Statute §2251.025 – Interest on Overdue Payment of the Texas Prompt Payment Act, Subtitle F – State and Local Contracts and Fund Management. YellowFolder shall be entitled to pursue all remedies available, including without limitation, disconnecting or disabling YellowFolder ERM services, in order to collect past due Service Fees. If YellowFolder continues to provide Services related to Record storage after termination of this MSA (as a result of Customer failing to reclaim its Records), YellowFolder shall be entitled to continue to receive storage and/or access fees at its then current rates for the periods of such extended storage. Customer shall be responsible for all licensing, permit fees and sales, use and excise taxes relating to the Services. Customer hereby certifies that it is a governmental entity, is not subject to nor liable for sales and use taxes and YellowFolder has no obligation or duty to collect any sales or use taxes with respect to the Services provided to Customer.

* FOR REFERENCE *

IN THE EVENT ANY PERSON, NOT A PARTY TO THIS AGREEMENT, SHALL MAKE ANY CLAIM OR FILE ANY LAWSUIT AGAINST YELLOWFOLDER IN ANY WAY RELATING TO THE SERVICES DESCRIBED HEREIN, INCLUDING FOR FAILURE OF THE SERVICES IN ANY RESPECT, CUSTOMER AGREES TO INDEMNIFY AND HOLD YELLOWFOLDER HARMLESS FROM ANY AND ALL SUCH CLAIMS AND LAWSUITS INCLUDING THE PAYMENT OF ALL DAMAGES, EXPENSES, COSTS AND ATTORNEYS' FEES WHETHER THESE CLAIMS ARE BASED UPON ALLEGED INTENTIONAL CONDUCT, ACTIVE OR PASSIVE NEGLIGENCE OR STRICT OR PRODUCT LIABILITY, ON THE PART OF YELLOWFOLDER, ITS AGENTS, OR EMPLOYEES.

11. YELLOWFOLDER IS NOT AN INSURER. In the event of a price adjustment, we will notify you prior to shipment. Any price adjustment would only occur if the hardware manufacturer increases its pricing to CDW.

1. Rights and Obligations

1.1 License Grant. 4.1 Indemnifications.

a) If Licensee notifies Infinite Campus in writing and gives Infinite Campus sole control over the defense and all related settlement negotiations, Infinite Campus will defend, hold harmless and indemnify Licensee against any damages finally awarded or amounts paid in settlement as a result of any claim or threat of claim brought by a third party against Licensee, to the extent based on an allegation that: (i) Products for which Licensee has licensed from Infinite Campus infringes any U.S. patent, copyright, trademark, trade secret or other proprietary right of a third party, or (ii) a defective Product directly caused death or personal injury; provided that Licensee is using the latest release version with all available updates and did not alter, modify, combine with another product or other software, or otherwise change the Product or software that gave rise to such claim.

b) To the extent permitted by law, Licensee will defend, hold harmless and indemnify Infinite Campus against any claim or threat of claim brought by a third party against Infinite Campus arising out of the acts or omissions of Licensee or its employees, excluding acts or omissions expressly required or prescribed by this Agreement.

c) If either party seeks indemnification provided for in Section 4.1, each party seeking indemnification will cooperate with and provide reasonable assistance in the defense or settlement of any claim or legal proceeding. Licensee and Infinite Campus will not make public any terms, or the mere existence, of any settlements.

d) THE FOREGOING STATES THE ENTIRE LIABILITY AND OBLIGATION OF INFINITE CAMPUS WITH RESPECT TO ANY INFRINGEMENT, OR CLAIMS OF INFRINGEMENT, REGARDING INFINITE CAMPUS' PRODUCTS OR ANY PORTION THEREOF, AND WITH REGARD TO ANY PATENT, COPYRIGHT, TRADE SECRET, OR OTHER PROPRIETARY RIGHT.

4.2 Warranties.

a) Infinite Campus warrants that, during the 90 days period (the "Warranty Period") commencing on the Service Start Date, the Infinite Campus Products will operate in substantial conformity with the documentation when used in strict compliance therewith. This warranty is contingent upon Licensee's installation of all corrections, enhancements, updates, and new releases provided by Infinite Campus to Licensee and the absence of damage or abuse to Infinite Campus Products.

b) Notwithstanding the foregoing, Licensee is solely responsible for having the appropriate compatible network(s) and operating system environment(s), and as Licensee's sole and exclusive remedy for any breach of this warranty, Infinite Campus shall, at its sole option, within a reasonable period of time, provide all reasonable programming Services to correct programming errors in Infinite Campus Products, replace Infinite Campus Products or terminate this Agreement and refund to the Licensee the license fees paid to Infinite Campus under this Agreement for the defective Infinite Campus Products, as set forth in Section 6.2(c) of this agreement, refunding the unamortized portion (assuming straight line amortization) of the annual license fees paid. Any professional services provided under this Agreement are provided "as is" without representation or warranty of any kind or nature.

e) EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 4.2, INFINITE CAMPUS MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND ANY WARRANTIES OF QUALITY OR PERFORMANCE, OR AS A RESULT OF A COURSE OF DEALING OR USAGE OF TRADE, WITH RESPECT TO INFINITE CAMPUS PRODUCTS, MAINTENANCE, SUPPORT, OR OTHER SERVICES.

4.3 Obligations.

a) Licensee must cause all employees of Licensee authorized to access the Services ("Users") to register to have access to the Services ("Registered Users"). Licensee must not authorize third parties to use the Services without written approval from Infinite Campus. Each Registered User is entirely responsible for the security and confidentiality of such User's password and account. Licensee and each Registered User are entirely responsible for all activities that occur under that Registered User's account. Licensee must immediately notify Infinite Campus of any unauthorized use of a Registered User's account or any other breach of security of which Licensee becomes aware.

b) If Licensee, or a third-party on Licensee's behalf, desires to conduct a risk analysis to identify potential threats and/or vulnerabilities related to any Infinite Campus Product, Licensee must: (a) notify Infinite Campus in advance; (b) cooperate with all reasonable requests required by Infinite Campus for such evaluation; and (c) supply Infinite Campus with a copy of any results or findings in a timely manner. All results or findings are owned by Infinite Campus and considered Infinite Campus confidential information and protected in accordance with Section 2.3.

5. Limitations of Liability

IN NO EVENT WILL INFINITE CAMPUS BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, PUNITIVE OR SPECIAL DAMAGES OF ANY NATURE, SUCH AS LOST PROFITS. INFINITE CAMPUS' TOTAL LIABILITY WILL BE LIMITED TO THE LICENSE FEES ACTUALLY PAID BY LICENSEE TO INFINITE CAMPUS FOR THE APPLICABLE INFINITE CAMPUS PRODUCTS, SUBJECT HOWEVER TO A TWELVE (12) MONTH STRAIGHT LINE MONTHLY DEPRECIATION COMMENCING ON THE DATE OF DELIVERY OF SUCH INFINITE CAMPUS PRODUCTS. THIS LIMITATION OF LIABILITY IS CUMULATIVE AND NOT PER INCIDENT.

6. Agreement Term and Termination

6.1 Agreement Term. The term of this Agreement (the "Agreement Term") will begin on May 14, 2026 ("Effective Date") and it will remain in effect until terminated pursuant to Section 6.2.

6.2 Agreement Termination. This Agreement may be terminated as follows:

a) either party may terminate this Agreement, with or without cause, with no less than 30 days written notice.
b) either party may terminate this Agreement if one party's actions expose the other party to any violation of law and fails to cure such actions within 15 days of notice thereof;
c) either party may terminate this Agreement and any other active agreement with the other party if the other party fails to fully perform any material obligation under this Agreement with 30 days to cure;
d) notwithstanding the foregoing, if the Licensee violates the provisions of Article 2 of this Agreement Infinite Campus may terminate this Agreement immediately without notice.

In the event of termination of this Agreement by Infinite Campus pursuant to Section 6.2(a) prior to an anniversary date, Infinite Campus shall refund the unamortized portion (assuming straight line amortization) of the annual license fees paid. In the event of termination of this Agreement by Infinite Campus pursuant to Sections 6.2(b), 6.2(c) or 6.2(d) prior to an anniversary date, Infinite Campus is entitled to license fees for the balance of the year of termination.

In the event of termination of this Agreement by the Licensee pursuant to Section 6.2(a) prior to an anniversary date Infinite Campus is entitled to license fees for the remainder of the current term. In the event of termination of this Agreement by the Licensee pursuant to Section 6.2(b) or 6.2(c) Infinite Campus shall refund the unamortized portion (assuming straight line amortization) of the annual license fees paid.

If the Licensee desires to rescind its notice of termination, or rescind the cancellation of any Infinite Campus Products, within ninety (90) days after the effective date of such notice, and if the Licensee's records have not been destroyed pursuant to this Agreement, Infinite Campus may, in its sole discretion, allow the termination notice to be rescinded provided Licensee pays Infinite Campus a $500 reactivation fee and the fees for the unlicensed period as if such termination notice was never provided.

6.3 Responsibilities in the Event of Termination.

a) Upon any termination of this Agreement and/or the license to use any Infinite Campus Products, Licensee must cease to use Infinite Campus Products and Services and must return to Infinite Campus all Infinite Campus Products and all copies thereof and all proprietary and confidential property of Infinite Campus. Licensee must expunge all copies of Infinite Campus Products from its computer(s) and server(s). Failure to comply with this Section will constitute continued use of Infinite Campus Products. Licensee must provide a certificate from an officer of Licensee stating compliance with this Section. Infinite Campus will also have such other legal and equitable rights and remedies to which it may be entitled with respect to Licensee's failure to comply with the provisions of this Agreement.

b) With ninety (90) business days following the termination of this Agreement, or sooner at the request of the Licensee, Infinite Campus warrants that the original and all copies of Licensee information, educational records and pupil records as such terms are defined by the Family Educational Rights and Privacy Act (20 U.S.C. § 1232g; 34 CFR Part 99, "FERPA"), and any other State or Federal law relating to the protection of confidential student information, will be returned to the Licensee or destroyed in such a manner that such information cannot be read, executed, viewed or in any way accessed when destroyed. Nothing herein, however, prohibits Infinite Campus from continuing to possess and use any reports or other data generated by Infinite Campus Products or Services regarding traffic flow, feature use, system loads, product installation, and/or similar information.

6.4 No Liability for Termination. Except as provided for in this Agreement, neither party will be liable to the other for damages of any kind, including incidental or consequential damages, damages for loss of prospective business or loss of continuing business, or otherwise which arise due to the expiration or termination of this Agreement. This does not relieve either party from responsibility for damages caused by its actions or breaches of the Agreement, but only for damages related to or resulting from the expiration or termination of the business relationship.

6.5 Survivorship. Those sections that by their nature survive expiration or termination of this Agreement will survive such expiration or termination.

Any such transfer or attempted transfer is null and void. Infinite Campus has the right to assign or otherwise transfer its rights and obligations under any of this Agreement, whether voluntarily, involuntarily, or by operation of law.

8.2 Governing Law. Unless otherwise prohibited by Licensee's state law: (i) this Agreement will be governed and interpreted under the laws of the state of OK, U.S.A, without regard to its conflict of law's provisions; and (ii) any litigation between the parties will take place in the state or federal courts in OK, and both parties waive any objection to the jurisdiction of and venue in such courts. Any action arising out of or related to this Agreement must be brought within one (1) year from the first date such action could have been brought, despite any longer period provided by statute. If a longer period is provided by statute, the parties hereby expressly waive it.

8.3 Amendments; Waiver. This Agreement may not be amended or modified except in writing by duly authorized representatives of the parties that refer specifically to this Agreement. The failure of either party to enforce the provisions hereof is not a waiver of such provisions or of the right to enforce such provisions later. The admin users of an account are, severally and jointly, deemed as the authorized representatives of the Licensee, and any decision or action made by any admin, is deemed as a decision or action of Licensee.

8.4 Severability. If a court of competent jurisdiction holds that any provision of this Agreement is invalid or unenforceable, the remaining portions of this Agreement will remain in full force and effect, and the parties will replace the invalid or unenforceable provision with a valid and enforceable provision that achieves the original intent of the parties and economic effect of the Agreement.

8.5 Headings, Exhibits, and Construction. Article and section headings are for reference only and will not be considered as parts of this Agreement. The attached exhibits, and the Applicable Order and Pricing Schedules, and hyperlinked terms and conditions are an integral part of this Agreement and are incorporated by reference. Wherever the singular is used, it includes the plural, and, wherever the plural is used, the singular is included.

8.6 Force Majeure. Except for the obligation to make payments, neither party will be liable for any failure or delay in its performance under this Agreement due to any cause beyond its reasonable control, including acts of war, acts of God, acts of terrorism, epidemics, pandemics, earthquakes, floods, embargos, riots, sabotage, labor shortages or disputes, governmental acts or failure of the Internet (not resulting from the actions or inactions of Infinite Campus), provided that the delayed party: (i) gives the other party prompt notice of such cause, and (ii) uses its reasonable commercial efforts to promptly correct such failure or delay in performance.

8.7 Entire Agreement. This Agreement, together with any applicable State Contract in effect for Licensee's state, constitutes the entire agreement between the parties regarding the subject matter hereof and supersedes all prior or contemporaneous agreements, representations, or understandings, whether written or oral. To the extent a valid State Contract applies, and only to the extent of any direct conflict, the terms of the State Contract shall control; otherwise, the terms of this Agreement shall govern. Except as expressly stated in Section 8.4, or as required by an applicable State Contract, no document, instrument, or agreement issued or executed contemporaneously with or after this Agreement shall modify or supersede its terms, regardless of any order of precedence provisions. This Agreement (and any applicable State Contract) sets forth all agreements, warranties, understandings, conditions, covenants, and representations of the parties regarding the subject matter hereof, and neither party shall be bound by any such terms not expressly set forth herein or therein. Infinite Campus reserves the right to reject any additional or different terms contained in purchase orders or similar documents, and any such rejected terms shall be null and unenforceable.

8.8 Notices. Any notice under this Agreement must be in writing and will be deemed given upon the earlier of actual receipt or ten (10) days after being sent by first class mail, return receipt requested, to the addresses set forth below, or as may be provided by the parties.

8.9 Applicable Law. Infinite Campus complies and shall comply with applicable laws governing online privacy and student data privacy, including the Child Privacy Protection and Parental Empowerment Act, FERPA, the Children's Online Privacy Protection Act, and state laws.

a) While providing Services during the term of this Agreement, Infinite Campus may process and store Licensee data and may have access to student education records that are subject to FERPA. Such information is considered confidential and is protected. To the extent that Infinite Campus has access to "education records" under this Agreement, it is deemed a "school official," as each of these terms are defined under FERPA. Infinite Campus shall use education records only for the purposes of fulfilling its duties under this Agreement. To improve the products and services it provides, Infinite Campus may use anonymized or de-identified, non-personally identifiable data, as well as seek input from the Licensee and its employees regarding use of Infinite Campus Products and Services. Except as required by law or court order, Infinite Campus shall not disclose or share education records with any third party unless: (i) permitted by the terms of this Agreement, (ii) directed to do so, in writing, by Licensee, or (iii) to subcontractors who have agreed to maintain the confidentiality of the education records to the same extent required of Infinite Campus under this Agreement. A current list of Infinite Campus Channel Partners and Business Partners is available at https://www.infinitecampus.com/about/partners/ and Licensee consents to the use of such partners, including third-party cloud resources. This may include hosting, off-site backups, computing, the storage of Campus Digital Repository content, the use of content delivery networks to speed downloads of public files, or the failover of the Infinite Campus Products in certain disaster recovery scenarios. Infinite Campus shall ensure that each partner, subcontractor, or third-party cloud resource with whom it shares Licensee data is contractually bound by a written agreement that (a) that includes obligations of confidentiality equivalent to, consistent with, and no less protective than those found in this Agreement, or (b) are legally bound to an agreement under which they agree that they have no right of access to Vendor's data stored in or passing through the subcontractors' cloud-based services.

b) In the event any third party seeks to access education records that are subject to FERPA beyond the access that is provided to Infinite Campus affiliated individuals for purpose of providing the Services under the Agreement, whether said third party request is in accordance with FERPA or other Federal or relevant State law or regulations, Infinite Campus shall immediately inform Licensee of such request in writing, if it is allowed to do so. Infinite Campus shall not provide direct access to such data or information or respond to said third party requests, unless compelled to do so by court order or lawfully issued subpoena from any court of competent jurisdiction. Should Infinite Campus receive a court order or lawfully issued subpoena seeking the release of such data or information, Infinite Campus shall provide immediate notification, along with a copy thereof, to Licensee prior to releasing the requested data or information, if allowed by law or judicial and/or administrative order/subpoena.

c) Upon becoming aware of a security breach of any education record covered by this Agreement, Infinite Campus will: (i) notify Licensee promptly, and where feasible, within 48 hours of becoming aware of any security breach; (ii) provide timely information relating to the security breach as it becomes known or as is reasonably requested by Licensee; and (iii) promptly take reasonable steps to contain and investigate any security breach. Infinite Campus' notification of or response to a security breach shall not be construed as an acknowledgment by Infinite Campus of any fault or liability with respect to the security breach. The Parties further agree to indemnify and hold each other harmless for any loss, cost, damage, or expense suffered by the non-breaching Party, including but not limited to the cost of notification of affected persons, as a direct result of the breaching Party's unauthorized disclosure of education records that are subject to FERPA, or any other confidentiality/privacy provision, whether federal, state, or administrative in nature. Infinite Campus shall not have any liability under this section if Licensee has not followed all the Infinite Campus security recommendations related to the Infinite Campus Products.

d) Upon termination of this Agreement, Infinite Campus shall return and/or destroy all education records that it received from Licensee hereunder as, and in accordance with, Section 6.3(b) of this Agreement. Infinite Campus shall not knowingly retain copies of any education records received from Licensee once Licensee has directed Infinite Campus as to how such information shall be returned and/or destroyed. Furthermore, Infinite Campus shall ensure that it disposes of all education records received from Licensee in a commercially reasonable manner that maintains the confidentiality of the contents of such records (e.g.,

shredding paper records, erasing and reformatting hard drives, erasing and/or physically destroying any portable electronic devices).

8.10 Export Rules. Licensee must not ship, transfer, or export any Infinite Campus Products into any country or use them in any manner prohibited by the United States Export Administration Act or any other export laws, restrictions, or regulations (collectively the "Export Laws"). In addition, if Infinite Campus Products are identified as export controlled items under the Export Laws, Licensee represents and warrants that Licensee is not a citizen, or otherwise located within, an embargoed nation (including without limitation Iran, Iraq, Syria, Sudan, Libya, Cuba, North Korea, and Serbia) and that Licensee is not otherwise prohibited under the Export Laws from receiving Infinite Campus Products. All rights to use Infinite Campus Products under this Agreement are granted on the condition that such rights are forfeited if Licensee fails to comply with the terms of this Section.

8.11 U.S. Government End-Users. Each component licensed under this Agreement that constitute Infinite Campus Products and Services is a "commercial item" as that term is defined at 48 C.F.R. 2.101, consisting of "commercial computer software" and/or "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212. Consistent with 48 C.F.R. 12.212 and 48 C.F.R. 227.7202-1 through 227.7202-4, all end users acquire Infinite Campus Products and Services with only those rights set forth herein.

8.12 Electronic Signatures; Counterparts. This Agreement may be executed in any number of counterparts, each of which, when so executed, will be deemed to be an original and all of which when taken together will constitute one Agreement. The parties agree that the electronic signature of a party to this Agreement is valid as an original signature of such party and is effective to bind such party to this Agreement. The parties agree that any electronically signed document related hereto is deemed (a) to be "written" or "in writing," (b) to have been signed and (c) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Such paper copies will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party will contest the admissibility of true and accurate copies of electronically signed documents based on the best evidence rule or as not satisfying the business records exception to the hearsay rule. For purposes hereof, "electronic signature" means a manually signed original signature that is then transmitted by electronic means; "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a "pdf" (portable document format) or other replicating image attached to an email message; and, "electronically signed document" means a document transmitted by electronic means and containing, or to which there is affixed, an electronic signature.

IN WITNESS WHEREOF, this Infinite Campus End User License Agreement has been executed by the duly authorized representatives of Infinite Campus and Licensee.

h) I acknowledge that FCC rules provide that persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the Schools and Libraries support mechanism are subject to suspension and debarment from the program. I will institute reasonable measures to be informed and will notify USAC should I be informed or become aware that I or any of the entities, or any person associated in any way with my entity and/or the entities, is convicted of a criminal violation or held civilly liable for acts arising from their participation in the Schools and Libraries support mechanism.

i) I certify that, to the best of my knowledge, the non-discount portion of the costs for eligible services will not be paid by the service provider. I acknowledge that the provision, by the provider of a supported service, of free services or products unrelated to the supported service or product constitutes a rebate of some or all the cost of the supported services.

If any of the statements made above are incorrect, fraudulent or misleading, the undersigned and their institution agrees to indemnify, as allowed by state law, K&S, its members, employees and agents of any and all liability, legal fees or actions that may arise from the incorrect, fraudulent or misleading statement(s).

IMPORT PRODUCTS/BUY AMERICAN ACT

The 1998 reauthorization of the National School Lunch Act requires school districts participating in the National School Meals Programs in the contiguous 48 states of the United States to buy food products produced in the United States (domestic) when using Federal Funds. Therefore, if there is a domestic and non-domestic product available, you must propose and supply domestic products. You may supply non-domestic products only when domestic products are unavailable. As defined in this legislation, a domestic food commodity is an agricultural commodity that is produced in the United States. A domestic food product is processed in the United States using substantially domestic agricultural commodities. Substantially means that over 51 percent of the finished product come from American produced products. Implementing Federal Regulations are 7 CFR 210.21 and 220.16 published on September 20, 1999. You may be required to provide certification of domestic origin and content. You must certify that the majority of products you propose to supply meet the Federal Requirement in the "Buy American Acts" and stipulate which specific products are unavailable domestically. Exceptions to this rule are pineapple, mandarin oranges, olives, tuna fish, tea, spices and coffee. Products not in compliance with this section shall be in violation of the Federal "Buy American" policy. This purchasing requirement does not apply in instances when:

a) The District/Cooperative has unusual or ethnic food preferences which can only be met through purchases of products not produced in the United States
b) The product is not produced in the U.S. in sufficient and reasonable quantities of a satisfactory quality
c) The cost of the US product is significantly higher than foreign products.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

PLEASE NOTE:

Dairy Farmers of America, Inc. is listed on Line 1 as the "Regarded Entity" with its tax identification number in the tax box of the W-9.

This W-9 complies with the W-9 Form instructions for how to report single member LLCs on a W-9.

The FEIN of the Regarded Entity reflected in the tax box of the W-9 should be used for federal tax reporting purposes.

The FEIN of the Disregarded Entity may be used to validate state and local registrations.

Please use the "Remit To" information as specified by written agreement.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9*.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity,
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust, and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,

2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* on page 1.

What is FATCA reporting? The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name/disregarded entity name" line.

Partnership, C Corporation, or S Corporation. Enter the entity's name on the "Name" line and any business, trade, or "doing business as (DBA) name" on the "Business name/disregarded entity name" line.

Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulation section 301.7701-2(c)(2)(iii). Enter the owner's name on the "Name" line. The name of the entity entered on the "Name" line should never be a disregarded entity. The name on the "Name" line must be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on the "Name" line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Note. Check the appropriate box for the U.S. federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the U.S. federal tax classification in the space provided. If you are an LLC that is treated as a partnership for U.S. federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation, as appropriate. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for U.S. federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required U.S. federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the *Exemptions* box, any code(s) that may apply to you. See *Exempt payee code* and *Exemption from FATCA reporting code* on page 3.

Exempt payee code. Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends. Corporations are not exempt from backup withholding for payments made in settlement of payment card or third party network transactions.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following codes identify payees that are exempt from backup withholding:

1—An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2)

12—A middleman known in the investment community as a nominee or custodian

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 7
Broker transactions	Exempt payees 1 through 4 and 6 through 11 and all C corporations. S corporations must not enter an exempt payee code because they are exempt only for sales of noncovered securities acquired prior to 2012.
Barter exchange transactions and patronage dividends	Exempt payees 1 through 4
Payments over $600 required to be reported and direct sales over $5,000[1]	Generally, exempt payees 1 through 5[2]

[1] See Form 1099-MISC, Miscellaneous Income, and its instructions.

[2] However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney, and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements.

F—A dealer in securities, commodities, or derivative financial instruments (including notional principal contracts, futures, forwards, and options) that is registered as such under the laws of the United States or any state

G—A real estate investment trust

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at *www.ssa.gov*. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at *www.irs.gov/businesses* and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: *A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.*

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on the "Name" line must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to *phishing@irs.gov*. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: *spam@uce.gov* or contact them at *www.ftc.gov/idtheft* or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer. Certain penalties may also apply for providing false or fraudulent information.

ESCALATION/DE-ESCALATION CLAUSE

Prices shall remain firm for the term of the contract, unless economic adjustments are agreed upon by both parties and based on the most recent published Consumer Price Index at the time of the request. For the purposes of this section, the Consumer Price Index Changes in Food Price Indexes as published by the United States Department of Agriculture Economic Research Service [http://www.ers.usda.gov/data-products/food-price-outlook.aspx] will be the benchmark. DOE will use the most recent year-over-year data available at the time of request. DOE reserves the right to accept or reject the request for a price increase and if appropriate, to utilize other resources in evaluating escalation requests, including requesting confirmation from the manufacturer. This clause also enables DOE to seek de-escalation on the basis of the same cited index, terms, and other resources. Request can only be submitted in December and May during the contract period(s).

IMPORT PRODUCTS/BUY AMERICAN ACT

The 1998 reauthorization of the National School Lunch Act requires school districts participating in the National School Meals Programs in the contiguous 48 states of the United States to buy food products produced in the United States (domestic) when using Federal Funds. Therefore, if there is a domestic and non-domestic product available, you must propose and supply domestic products. You may supply non-domestic products only when domestic products are unavailable. As defined in this legislation, a domestic food commodity is an agricultural commodity that is produced in the United States. A domestic food product is processed in the United States using substantially domestic agricultural commodities. Substantially means that over 51 percent of the finished product come from American produced products. Implementing Federal Regulations are 7 CFR 210.21 and 220.16 published on September 20, 1999. You may be required to provide certification of domestic origin and content. You must certify that the majority of products you propose to supply meet the Federal Requirement in the "Buy American Acts" and stipulate which specific products are unavailable domestically. Exceptions to this rule are pineapple, mandarin oranges, olives, tuna fish, tea, spices and coffee. Products not in compliance with this section shall be in violation of the Federal "Buy American" policy. This purchasing requirement does not apply in instances when:

a) The District/Cooperative has unusual or ethnic food preferences which can only be met through purchases of products not produced in the United States
b) The product is not produced in the U.S. in sufficient and reasonable quantities of a satisfactory quality
c) The cost of the US product is significantly higher than foreign products.

RE: Duncan ISD #1

Dear Oklahoma Schools Insurance Group (OSIG) Agent:

Attached is the Oklahoma Schools Insurance Group (OSIG) proposal for your school client. Please review the quotation carefully and let us know if you have any questions or changes.

Important Items:

- Coverages available in OSIG: Property, Boiler, Crime, Automobile, General Liability, School Board Legal Liability, Employee Benefit Liability, Cyber Liability, Pollution Liability, and Deadly Weapon Protection
- Optional increased deductible quotes can be provided upon request.
- Members can mitigate risk and increase savings by changing obsolete buildings to Actual Cash Value (ACV) or Debris Removal Only (DRO). DRO is a great option for buildings that would not be replaced if damaged.
- The non-profit structure of our program aids in stabilizing rates. OSIG retains the underwriting profit and investment income, and is designed to be a long term insurance solution for Oklahoma schools.

We urge you to be prepared and understand the importance of OSIG's excellent financial condition.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG in order to bind coverage effective 7/1/2026. **Coverage will not be bound if resolution letter is not received by June 30, 2026**

Please feel free to contact us to discuss this proposal and conditions in the marketplace in detail. We are here to assist you in protecting your school's districts.

Sincerely,
OSIG Program Administration

RE: Membership Proposal Effective 7/1/2026

Dear Channa Byerly:

We are very pleased to provide you with the attached proposal for insurance coverages with Oklahoma Schools Insurance Group (OSIG).

OSIG is not a conventional insurance program. We are a public entity in the state of Oklahoma formed by an Interlocal Agreement and made up of member public school districts. Our organization is non-profit, **member owned** and controlled by a board of your peers. Our sole mission is to serve our member schools. Our promise is to provide quality insurance coverage and superior service at stable pricing. We are pleased that 541 school districts are members of OSIG. Our membership is strong and committed.

OSIG's financial position is excellent. No other Oklahoma school insurance program can provide you with this security. Our organization is continuously growing, improving and looking for new ways to serve Oklahoma schools. The group purchasing power of OSIG and a non-profit structure provides competitive insurance rates even in tough financial times.

Included in this proposal is information on OSIG's financial condition and summaries of enhanced coverages that only OSIG provides.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG before close of business 6/30/2026 in order to bind coverage effective 7/1/2026. **Coverage will not be bound if resolution letter is not received by June 30, 2026**

Loss control, risk management services and specialized insurance coverages included in OSIG program are:

- Enhanced Property and Liability Coverage
- Cyber Liability, Crime, Pollution, Deadly Weapons Protection
- Loss Control Site Surveys/Safety Inspections
- Vector Solutions online training platform
- On Site Appraisal Service
- StopIt Anonymous Incident Reporting mobile and web app
- Helix Intel

Sincerely,
OSIG Program Administration

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with broad insurance coverage through "A" rated insurance carriers and professional risk management services. Over the past 24 years, OSIG's membership has grown to 541 and the program insures more than $32 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools."

The group purchases insurance and reinsurance from "A"-rated carriers. OSIG's insurance providers are long-term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Risk Program Administrators in Tulsa to administer the program. RPA is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your school's property, your students and patrons.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced **insurance and risk management** services you need to protect your school's assets, your board, your staff and, most importantly, your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than $9 million to our members over the years as distributions. Surplus at year ended 6/30/2025 was more than $21 million and our assets were more than $105 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share our operating results with our members each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

Statement of Net Assets

As of 06/30/2025

Cash	$67,503,673
Other Assets	$37,632,794
Total Assets	$105,136,467
Total Liabilities	$83,166,312
Total Net Assets/Surplus	**$21,970,155**

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at ok.gov/oid. Click on Interlocals under the Quick Links section of the homepage. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power **with an intense focus on controlling member losses**. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to $2,000,000,000 for property losses and $2,000,000 for liability claims in **each and every occurrence subject to a $10M annual aggregate limit**. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member school districts to make projections of OSIG's expected losses. OSIG adequately funds to, or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.

Procedure to Renew Coverage

Notify your agent of your acceptance of this insurance renewal proposal. Your agent will advise the OSIG administrative staff in writing that you wish to renew the insurance coverage.

The signed Resolution by the member's Board of Education should be returned to OSIG before June 30, 2026 in order to bind coverage effective 7/1/2026.

RE: Duncan ISD #1

Dear Oklahoma Schools Insurance Group (OSIG) Agent:

Attached is the Oklahoma Schools Insurance Group (OSIG) proposal for your school client. Please review the quotation carefully and let us know if you have any questions or changes.

Important Items:

- Coverages available in OSIG: Property, Boiler, Crime, Automobile, General Liability, School Board Legal Liability, Employee Benefit Liability, Cyber Liability, Pollution Liability, and Deadly Weapon Protection
- Optional increased deductible quotes can be provided upon request.
- Members can mitigate risk and increase savings by changing obsolete buildings to Actual Cash Value (ACV) or Debris Removal Only (DRO). DRO is a great option for buildings that would not be replaced if damaged.
- The non-profit structure of our program aids in stabilizing rates. OSIG retains the underwriting profit and investment income, and is designed to be a long term insurance solution for Oklahoma schools.

We urge you to be prepared and understand the importance of OSIG's excellent financial condition.

For the 2026-2027 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG in order to bind coverage effective 7/1/2026. **Coverage will not be bound if resolution letter is not received by June 30, 2026**

Please feel free to contact us to discuss this proposal and conditions in the marketplace in detail. We are here to assist you in protecting your school's districts.

Sincerely,
OSIG Program Administration

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with broad insurance coverage through "A" rated insurance carriers and professional risk management services. Over the past 24 years, OSIG's membership has grown to 541 and the program insures more than $32 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools."

The group purchases insurance and reinsurance from "A"-rated carriers. OSIG's insurance providers are long-term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Risk Program Administrators in Tulsa to administer the program. RPA is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your school's property, your students and patrons.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced **insurance and risk management** services you need to protect your school's assets, your board, your staff and, most importantly, your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than $9 million to our members over the years as distributions. Surplus at year ended 6/30/2025 was more than $21 million and our assets were more than $105 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share our operating results with our members each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

Statement of Net Assets

As of 06/30/2025

Cash	$67,503,673
Other Assets	$37,632,794
Total Assets	$105,136,467
Total Liabilities	$83,166,312
Total Net Assets/Surplus	**$21,970,155**

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at ok.gov/oid. Click on Interlocals under the Quick Links section of the homepage. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power **with an intense focus on controlling member losses**. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to $2,000,000,000 for property losses and $2,000,000 for liability claims in **each and every occurrence subject to a $10M annual aggregate limit**. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member school districts to make projections of OSIG's expected losses. OSIG adequately funds to, or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.

Procedure to Renew Coverage

Notify your agent of your acceptance of this insurance renewal proposal. Your agent will advise the OSIG administrative staff in writing that you wish to renew the insurance coverage.

The signed Resolution by the member's Board of Education should be returned to OSIG before June 30, 2026 in order to bind coverage effective 7/1/2026.

COMPREHENSIVE
EMPLOYMENT SERVICE AGREEMENT

This Comprehensive Employment Service Agreement is made this 1st day of July, 2026, by and between Duncan Public Schools (hereafter, "School") and Oklahoma State School Boards Association Employment Services Program (hereafter, "OSSBA").

The Board of Education of the School has voted to join the OSSBA Employment Services Program for the 2026-20267school year and agrees to pay OSSBA an administrative fee in the amount equal to $7.00 per employee.

Payment: During the term of this Service Agreement, the School's annual administrative fee will be deducted in quarterly installments from the School's OSSBA Employment Services Program Account. OSSBA records indicate 538 school employees, for a total annual administrative fee of $3,766.00. The Administrative fee will be deducted in quarterly installments until the annual administrative fee is paid in full.

Billing and Deduction Process: The administrative fee will be deducted from invoices issued by OSSBA for other services. School business offices should expect to see a line-item deduction labeled "OSSBA Employment Services Program Administrative Fee" on their quarterly billing statements. If you have questions regarding these deductions, please contact the OSSBA Chief Financial Officer.

Additional Deposits: In the event that a payment or deduction from the School's OSSBA Employment Services Program Account would deplete the Account to an amount less than zero (0), the School will be required to make an additional deposit to replenish the Account prior to OSSBA making any payment to the OESC.

Withdrawal of Funds from OSSBA Employment Services Program Account: Upon signing an initial Service Agreement, the School will make an initial deposit to establish an OSSBA Employment Services Program Account through which the OSSBA will pay any necessary unemployment claim payments and any other necessary payments to the OESC on the School's behalf. The funds in the Account shall at all times remain School funds. Because the funds in the School's OSSBA Employment Services Program Account remain School funds, the School may withdraw any or all funds from the Account upon providing written notice to the OSSBA.

Services Provided: The administrative fee will be paid in exchange for employment related services provided by OSSBA, including but not limited to:

1) Providing complete legal representation by an Oklahoma licensed attorney in all aspects of the unemployment claims process before the Oklahoma Employment

Security Commission (hereafter "OESC"). This representation is limited to claims and administrative hearings directly with the OESC and DOES NOT include representation in judicial reviews or court proceedings. See 'Scope of Legal Representation' section below;

2) Auditing the payment of all unemployment claims to ensure the minimum is paid and any overpayments are recovered;
3) Providing quarterly reports of unemployment claims and amounts paid by the OESC to Claimants on the School's behalf;
4) Providing prudent management of School funds deposited in the School's OSSBA Employment Services Program Account;
5) Providing up-to-date Legislative and Administrative Law Updates to keep the School informed of changes that affect unemployment claims and costs; and
6) Providing opportunities for employment training and information.

Scope of Legal Representation: The legal representation provided by OSSBA under this Agreement is limited to claims of adjudication and administrative hearings conducted by the Oklahoma Employment Security Commission (OESC). This includes representation in protests of claims, appeals before OESC hearing officers, and related administrative proceedings.

The current membership fee DOES NOT include representation in any judicial review proceedings, appeals to the Oklahoma Court of Appeals, or any other court proceedings. The School is responsible for determining whether additional legal representation is needed for such matters.

The School may discuss with OSSBA the availability and cost of representation beyond the scope of this Agreement on a case-by-case basis, but any such representation would require a separate agreement and additional fee. All requests for representation outside the scope of this Agreement must be submitted in writing to the OSSBA Employment Services Program team for consideration and approval.

Information Access: The School will grant to OSSBA Third Party Administrator (TPA) access rights to the School's EZ Tax Express Account administered by the Oklahoma Employment Security Commission (OESC) in order for OSSBA to appropriately administer School's unemployment claims and assist with financial accounting and quarterly contribution reporting. Further, the School agrees to provide OSSBA with access to other information systems administered by the OESC if access is deemed necessary to process unemployment claims on School's behalf.

Contact Information: The School shall designate contact personnel for OSSBA Employment Services Program administration. The persons named below will be responsible for providing information to OSSBA regarding unemployment claims and will receive copies of OSSBA correspondence.

Name: Kasey Brenneis
Title: Personnel

This may include superintendents, human resources staff, business office personnel, or other school officials who have a need to know about unemployment claims and related matters. Please email es@ossba.org your additional contacts.

The School agrees to notify OSSBA in writing of any changes to contact personnel, email addresses, or phone numbers within 30 days of such change. OSSBA will maintain these contact records and use them to distribute all official communications related to the School's unemployment claims and membership in the Employment Services Program. If you would like to make changes to these contacts between agreement renewal periods, please email: es@ossba.org.

Term of Agreement: This Service Agreement will be effective for the 2026-2027 fiscal year which ends on June 30, 2027. This Service Agreement may be renewed for a subsequent fiscal year by the Board of Education of the School taking such necessary action.

Revision or termination of Agreement: Either party may revise this Service Agreement with 60 days' written notice to the other party.

Termination of this Agreement may occur under the following circumstances:

1. If either party does not fulfill what it has agreed upon in the above terms, termination may be made within 30 days' written notice to the other party.

2. Return of Signed Agreement Deadline: The School must return the signed Service Agreement to OSSBA by June 30th of each fiscal year. Failure to return the signed agreement by this deadline will result in automatic termination of services effective

immediately, unless the School contacts OSSBA in writing to request an extension prior to the deadline. OSSBA may grant a reasonable extension at its discretion.

3. Non-Payment of Administrative Fees: If administrative fees remain unpaid for more than 90 days past the due date, OSSBA may terminate this Agreement effective immediately upon written notice to the School. The School shall remain liable for all unpaid fees and any associated costs.

Upon termination of this Agreement for any reason, the School shall continue to be responsible for all outstanding unemployment claims liability.

I, **JAKE ERRON HALL**, state under penalty of perjury, as follows:

1. I, **JAKE ERRON HALL**, in my individual capacity or operating as **HALL PEST CONTROL SERVICES LLC**, have read, signed and attached the Exempt Status Fact Sheet and understand the definition of "employee" and specific exceptions to that definition found in 85A O.S. §2(18). I also understand that an Independent Contractor is one who engages to perform certain services for another, according to his own manner, method, free from control and direction of his contractor in all matters connected with the performance of the service, except as to the result or product of the work. A Contractor may be either (i) the owner of a project or job or (ii) an Independent Contractor in any tier who has subcontracted with a subcontractor.
2. I understand that based upon the representations in this Affidavit of Exempt Status ("Affidavit"), I am requesting that the recipient of this Affidavit consider my business to either (i) be exempt from the definition of "employee" or (ii) be that of an independent contractor, and that no workers' compensation insurance premium be charged for the services performed by my business. I do not want workers' compensation insurance and understand that I am not eligible for workers' compensation on benefits.
3. In the event changed circumstances make securing compensation pursuant to the requirements of the Administrative Workers' Compensation Act necessary, I will execute and file a Cancellation of Affidavit of Exempt Status with the Workers' Compensation Commission. I will obtain workers' compensation and employers' liability insurance for my employees if I have employees, unless they are otherwise exempt from the requirements of the Administrative Workers' Compensation Act.
4. The information I have provided is not the result of force, threats, coercion, compulsion or duress.
5. I understand that the execution of this Affidavit, if I am an independent contractor, shall establish a conclusive presumption that I am not an employee for purposes of the Administrative Workers' Compensation Act.
6. I understand that the execution of this Affidavit shall not affect the rights or coverage of any employee of the individual or business executing this Affidavit.
7. I understand if any contractor or its insurer shall become liable under the Administrative Workers' Compensation Act for the payment of compensation due to a compensable work related injury of my employee(s), the contractor or its insurer may recover from me the amount of such compensation paid or for which liability is incurred.
8. I understand that knowingly providing false information on an executed Affidavit of Exempt Status shall constitute a misdemeanor punishable by a fine not to exceed One Thousand Dollars ($1,000.00).

Affiant Signature

I declare under PENALTY OF PERJURY that I have examined all statements contained herein, and to the best of my knowledge and belief, they are true, correct and complete.

EXEMPT STATUS FACT SHEET

Pursuant to 85A O.S., §36, any individual or business entity that is not required to secure compensation under the requirements of the Administrative Workers' Compensation Act (AWCA) may execute an Affidavit of Exempt Status. **Those who are unsure as to whether they may lawfully submit an Affidavit of Exempt Status should seek competent legal advice.**

Employee: 85A O.S., §2(18): The definition of "employee" includes any person, including minors, in the service of an employer under any contract of hire or apprenticeship, written or oral, expressed or implied. It excludes those whose employment is casual and not in the course of the trade, business, profession, or occupation of his or her employer. Additional, specific exceptions may be found in 85A O.S. §2(18)(b).

Independent Contractor: The AWCA does not define "independent contractor." Oklahoma law considers an independent contractor to be one who engages to perform certain services for another, according to his or her own manner and method, free from control and direction of his or her contractor in all matters connected with the performance of the service, except as to the result or product of the work. Independent Contractors are not "employees" for purposes of the AWCA.

Below are statements to help you decide if you are an independent contractor. **No one statement is controlling, and your status is based on all the facts in your situation.**

1. The nature of the contract between you and the contractor. For example: Is there a written contract where you agree that you are an independent contractor? Are you a corporation or limited liability company? Do you maintain commercial general liability insurance or other business insurance?
2. The contractor exercises very little control over your work. For example: By the agreement, can the contractor exercise control on the details of the work or your independence? Do you exercise control over most of the details of the work? Do you create plans or specifications for the job? Do you set your own work hours?
3. You are engaged in a distinct occupation or business for others. For example: Do you work for companies or individuals other than the Contractor? Do you work for competitors of the Contractor? Does your business have a logo or uniform?
4. Your job is the kind of occupation where the work is usually performed by a specialist without supervision, and not under the direction of the contractor. For example: Does the Contractor supervise your work?
5. Your occupation requires special skills, license, education or training.
6. The contractor does not supply the things needed to perform your job such as the tools and the place of work. For example: Do you supply any of the materials or tools for the work? Do you operate a vehicle owned by the contractor? Do you perform the work at your business or the contractor's business location or jobsite? Do you wear a uniform supplied by the contractor?
7. The length and duration of the job does not show that you are really an employee. For example: Is this a one-time job, or will you be doing this for the contractor regularly?
8. You are paid as a separate contractor, not as an employee. For example: Do you invoice the Contractor for your services? Are you paid by the job? Do you file a federal income tax return for your business? Do you expect to receive an IRS Form 1099 from the Contractor? Does the Contractor pay your expenses?
9. Your work is not the regular business of the employer. For example: Is your work customarily done in the Contractor's line of business or as part of the Contractor's daily work? Have you ever been an employee of the Contractor? Do you work with other people hired by the Contractor on the work you perform?
10. You do not consider yourself an employee of the contractor. For example: Will the Contractor withhold taxes or monies from your payment? Have you ever been an employee of the Contractor? Have you or your employees ever filed an insurance claim against the Contractor?
11. You do not have the right to terminate the relationship without liability. For example: If you quit before the job is finished, is there a penalty?

Enclosed is your Service Technician card. The Service Technician should be in possession of this card at all times during the application of pesticides. This card is the property of the employer. If the Service Technician's employment ends, this card (unlike the Certified Applicator's card) is to be returned to the Oklahoma Department of Agriculture, Food, & Forestry.

THIS CARD IS NOT A LICENSE but does show that the cardholder has met the requirements to work as a Service Technician for the licensed firm shown on the card, and under the direct supervision of the Certified Applicator(s) of said license holder. The Combined Oklahoma Pesticide Law & Rules says "Direct supervision means that the Certified Applicator is responsible for assuring that those working subject to his direct supervision are qualified to handle pesticides and are instructed in the application of the specific pesticides used…Certified Applicator shall be accessible…at all times during the application by telephone, radio, or any device approved by the Board." **In practical terms, this means that the Certified Applicator has trained the Service Technician on how to apply pesticides in general AND the specific pesticide(s) that will be applied, AND is available for contact by telephone, radio, or any device approved by the Board at all times, during the application of pesticides.**

What's New

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

CAUTION

Potential Negative Impact on OSAG Member Districts

The Oklahoma School Assurance Group serves as the largest provider of workers' compensation services to Oklahoma schools, with a current membership of 502 districts. For thirty-two years, OSAG has provided such services to the districts, while seeking to protect schools from unethical business practices.

Due to years of recorded fraudulent behavior by agents/agencies attempting to access member proprietary records, the OSAG board and administration established a strict OSAG Release of Records Policy as an added layer of protection for membership. This policy has protected confidential district employee medical/proprietary information from landing in the hands of unethical organizations who may not have the best interests of the district.

During a regularly scheduled annual premium development meeting with our previous carrier, OSAG was informed that our members would be hit with a 42% premium increase, an amount we did not feel was warranted by current market conditions. That 42% premium increase equated to a $6,658,571 budget demand on Oklahoma schools. To protect our members, OSAG sought partnership with a different carrier, saving members from this substantial increase.

It has come to our attention that our previous carrier may not be adhering to the OSAG Release of Records Policy, releasing proprietary district records to agents/agencies without permission to do so, or utilizing those records internally to sway OSAG membership. Agents/agencies that are partnered with this carrier, or any carrier outside of the OSAG program, we believe, have a financial incentive to remove schools from OSAG.

We have seen that schools that leave for what appears to be a cheaper alternative, find out that it is a one-year experience. The following year they see a substantial increase which effectively negates what was saved in the initial year. OSAG's goal is to be as competitive as it can be, while also providing long-term stability and reliability.

This opinion reflects the opinions of OSAG administration. OSAG encourages all members to be observant when reviewing the workers' compensation services for the district. By maintaining OSAG membership, districts are protected by an Interlocal Cooperation Act Agency of Schools, benefits of a group policy that offers years of stability & protection, membership ownership of the program, secure premiums, and a board authorized cap on any agent/agency commission being paid on behalf of the district.

Please contact our office at 800.699.5905 for further information or questions. You may also contact Dr. Keith Weldon, OSAG CEO at 405.623.0319, or Tina Wamsley, OSAG COO at 405.615.0709.

OSAG stands by our motto *"to provide the most efficient & economical workers' compensation services to Oklahoma public schools"* saving our members over $116,364,539 since 1994.

TK Elevator Corporation ("TK Elevator Corporation," "TK Elevator," "we," "us," and "our"), agrees with Purchaser ("Purchaser," "you," and "your"), to maintain the equipment described below in accordance with the terms and conditions of this agreement ("the Agreement") with the goal of maximizing its performance, safety, and life span. TK Elevator and Purchaser may hereinafter be referred to individually as a "Party" or collectively as the "Parties."

Covered Equipment

This Agreement covers the units described in the table below (individually a "Unit" or collectively the "Units") which groups the Units according to their applicable coverage type (i.e. Essential Coverage, Elevated Coverage, Enhanced Coverage, etc.). A description of those terms and conditions specifically applicable to each coverage type appears in attached and incorporated exhibits corresponding to the names of those coverage types. The remaining terms and conditions apply to all coverage types. In the event of a conflict between the terms and conditions on the pages that follow and the terms and conditions found in the attached exhibits, the terms and conditions found in the attached exhibits shall control.

Coverage Type	Equipment Type	Nickname	Legal ID	OEM Serial #	Stops	Controller Manufacturer
Essential	Residential / Chairlift	WOODROW WILSON		500393	2	Garaventa
Enhanced	Hydraulic	FEC Elev		EK6825	2	Dover
Enhanced	Hydraulic	MAIN BUILDING HIGH SCHOOL	E32107	EG8759	2	Dover

Please refer to the exhibit entitled "Equipment to be Maintained" for the address of each Unit listed in the table above.

Scope of Work

Service Activities Include TK Elevator's Maintenance Control Program
TK Elevator performs all work covered by this Agreement in accordance with the version of ASME A17.1 that is, according to the relevant authority having jurisdiction, applicable to the Unit(s) at the time the Agreement is first fully executed by both Parties. Section 8.6 of that code currently requires Unit owners to have a Maintenance Control Program ("MCP"). TK Elevator's MCP meets or exceeds section 8.6 of that code. Our MCP takes into consideration the age and usage of the Unit(s). Our MCP also includes TK Elevator's Maintenance Tasks & Records documentation to record the performance of those tasks. This Agreement does not include any work mandated as a consequence of changes to that code after this Agreement is executed.

Testing

Equipment Testing

This agreement includes only the following tests:

Equipment Type	Nickname	Covered Tests
Hydraulic	FEC Elev	annual safety tests

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

Residential / Chairlift	WOODROW WILSON	no testing included for this unit
Hydraulic	MAIN BUILDING HIGH SCHOOL	annual safety tests

Should your Unit(s) require any additional type of equipment testing as required by any applicable law and/or code, we will provide you with a separate written estimate that includes the cost of any associated labor and/or material(s).

Should your Unit(s) require any safety tests as mandated by any applicable law and/or code on the commencement date of this Agreement, TK Elevator assumes no responsibility for the day-to-day operation of the governor or safeties on applicable traction elevators, or the hydraulic system on applicable hydraulic elevators under the terms of this Agreement until the test has been completed and the Unit has passed. Should the respective Unit fail any of those tests, it shall be solely your responsibility to make necessary repairs and place the Unit(s) in a condition that we deem acceptable for further coverage under the terms of this Agreement. Because the performance of any safety test places the Unit under extreme conditions that are outside of the Unit's normal operating parameters, you agree that TK Elevator shall not be liable for any damage to the building structure or the Unit(s) resulting from the performance of any safety tests we perform at any time under this Agreement.

Should your jurisdiction require the presence of either the applicable authority having jurisdiction or a third party witness at the time of testing, you agree to pay for any costs of that individual along with any inspection/coordination fees or any costs incurred by TK Elevator.

Firefighters' Service Testing

Should your Unit(s) be equipped with a phase I and phase II firefighters' service feature, all testing, record-keeping and record storage obligations associated with that feature that are required by any applicable law or code are expressly excluded from this Agreement and shall remain solely your responsibility to satisfy. The first time that your testing of that feature following the full execution of this Agreement reveals that it is not operating properly, you shall immediately remove the Unit from operation, immediately notify TK Elevator of the condition, and agree to remain responsible for all costs associated with any repairs necessary to return that feature to full and proper operation in accordance with any applicable law or code which will be billed at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when the repairs are performed) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job.

Should Purchaser elect to modernize any Unit described in this Agreement during the original or any renewal term of this Agreement, Purchaser agrees to provide TK Elevator with the modernization proposals prepared by any other vendor and at least fourteen (14) calendar days thereafter to both evaluate such proposals and, at TK Elevator's sole option, make its own proposal to Purchaser. Should Purchaser thereafter elect to accept the proposal of another vendor, the Parties agree that the current term of this Agreement applicable to the Units that are the subject of such modernization shall be frozen until the modernization work is complete and TK Elevator has inspected such work and deemed the modernized Unit acceptable for service under the terms of this Agreement. In the event such Unit is not, in TK Elevator's sole opinion, acceptable for service under the terms of this Agreement, TKE will submit a written proposal to Purchaser to address the items in question at an additional cost. Should Purchaser decline that proposal, TKE retains the right to remove the Unit from the Agreement and adjust the price accordingly or cancel the Agreement if the proposal affects all Units that are the subject of the Agreement.

Digital Customer Experience

MAX - Digital Maintenance

MAX is a cloud-based Internet of Things ("IOT") platform that we, at our election, may connect to your Unit(s) by installing a remote-monitoring device (a "Device"). Purchaser consents and authorizes TK Elevator to (1) access Purchaser's premises to install a Device to the Unit(s) and thereafter maintain and/or repair the Device(s) and (2) to collect, store, maintain, own, use, delete, and/or destroy any or all of the data generated by the Device(s) as well as all data collected by the Device(s) and all data sent by the Device(s) to TK Elevator (all such data generated, collected, and/or sent shall be collectively referred to herein as the "MAX Data"). Purchaser agrees that all MAX Data is, and shall be, owned by TK Elevator and agrees to assign and hereby does assign any right, title or interest it may have in such MAX Data to TK Elevator. Any Device, once installed, is not intended, nor should it be considered, as a fixture. Instead, TK Elevator shall retain the right to remove the Device from any Unit(s) and/or cease any data collection

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

and/or analysis at any time at its sole discretion. Moreover, TK Elevator shall retain the exclusive right and ability to, at its sole discretion, remove, delete and/or destroy all associated data generated from the Device(s). Because the Device and the MAX Data contain trade secrets belonging to TK Elevator, Purchaser agrees not to permit Purchaser's own personnel or any third parties to use, access, tamper with, relocate, copy, alter, destroy, disassemble or reverse engineer the Device or the MAX Data and shall treat the MAX Data as confidential information of TK Elevator, including by using no less than reasonable care to protect the confidentiality of such MAX Data. The installation of any Device on a Unit shall not confer any rights or operate as an assignment or license to you of any patents, copyrights or trade secrets with respect to the Device and/or any software contained or embedded therein or that it utilizes/utilized in connection with the collection, monitoring and/or analysis of data.

With a MAX device connected to your equipment, information obtained via machine learning may be sent to our technicians to promote early diagnosis, faster fixes and reduced downtime.

Customer Web Portal and Mobile App

TK Elevator provides a web-based customer portal (the "CP") and mobile application (the "App") which, following the effective date of this Agreement, may contain certain maintenance and service call data associated with the Unit(s). To the extent applicable, TK Elevator will provide Purchaser with a user name and password to access the CP and App platforms. Purchaser shall, at its sole cost, provide and ensure the functioning integrity of its own hardware, software and internet connection necessary to access the CP and App. To the extent applicable, TK Elevator reserves the right to restrict Purchaser's access to the CP and App if any of Purchaser's accounts with TK Elevator has an outstanding unpaid balance greater than 30 days or in the event of anticipated or pending litigation of any kind. TK Elevator reserves the right to discontinue the CP and App altogether at its sole discretion and without notice to Purchaser and Purchaser expressly agrees to release TK Elevator from any and all claims of any type or kind arising out of or related to that discontinuation.

TK Elevator Communications

You may supplement this Agreement with an additional suite of services through our TK Elevator Communications call center at an additional fee contingent upon your agreement to all of the terms and conditions as set forth in the attached exhibit entitled "TK Elevator Communications Services." These additional available services involve the provision of 24/7/365 monitoring of your Units' code-compliant and compatible emergency telephone and in-cab video and text communication equipment (the "Communication Equipment"), the dispatch of a TK Elevator technician or emergency personnel under certain circumstances, the provision of a cellular connection for that Communication Equipment, and limited repair/replacement coverage for that Communication Equipment which is otherwise excluded from this Agreement.

Contract Term, Price & Payment

Term

This Agreement is effective for 12 months starting July 01, 2026 and is non-cancellable. To ensure continuous service, this Agreement will be automatically renewed for successive 1-month periods unless either Party timely serves written notice on the other Party of its intention to cancel at least 30-Days but not more than 60 days before the end of the initial 12-month period or at least 30-Days before the end of any subsequent 1-month renewal period. Notice shall be sent by certified mail, return receipt requested to the TK Elevator office address found in this Agreement. Time is of the essence.

If this Agreement is terminated before the end of either the initial or any subsequent 1-month period by either (A) TK Elevator for any breach by you or (B) by you for any reason other than our own default after you've provided any contractually-required notice and opportunity to cure, you agree as follows:

(i) That TK Elevator may declare all sums for the unexpired term of this Agreement due immediately as liquidated damages which the parties agree are a good faith estimate of TK Elevator's damages and not a penalty;
(ii) That you also agree to immediately pay to TK Elevator any promotional and/or volume-based discounts granted to you under this Agreement; and
(iii) That TK Elevator may also terminate our obligations under this Agreement.

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

You further agree that the rights and obligations in (i), (ii) and (iii) above are material conditions of this Agreement, are reasonable and necessary, are not subject to offset, dispute or reduction and that under such circumstances, TK Elevator also reserves all of its other rights under this Agreement and applicable law.

Price

The price for the Agreement shall be $585.54 per month, inclusive of all applicable sales and use taxes, payable annually in advance.

The price of this Agreement contemplates that each Unit covered under this Agreement will make no more than 37,000 trips, defined as passenger-initiated travel of the Unit between two (2) to ten (10) landings as determined by TK Elevator, within any six (6) month period. In the event that any Unit covered by this Agreement makes more than 37,000 trips within any six (6) month period during the term of this Agreement then Purchaser agrees to pay TK Elevator an additional fee equal to 2% to the monthly billing amount during the following six (6) month period for each such Unit which will appear as a separate line item on any applicable invoice or on a separate invoice altogether.

The price of this Agreement does not include any value added taxes, tariffs, duties or similar assessments imposed on TK Elevator for any parts and/or components replaced under this Agreement or for the related increase in the cost of such parts and/or components charged by their suppliers (collectively, the "Additional Costs"). In the event any such Additional Costs are incurred by TK Elevator, TK Elevator shall provide Purchaser reasonable written notice that such Additional Costs will be invoiced to the Purchaser on the next invoice sent by TK Elevator and Purchaser agrees to pay, such Additional Costs, together with TK Elevator's profit and overhead associated with those amounts, all in addition to the price of this Agreement.

We reserve the right to semi-annually increase all charges under this Agreement five percent plus an additional amount resulting from any increase of any of TK Elevator's expenses relating to one or more of the following categories during the preceding calendar year: labor, employment benefits, materials, tools, vehicles, fuel, rent, internet and/or communication access, data storage, utilities, logistics/shipping, waste disposal, taxes, tariffs, and any governmentally-imposed charges.

Payment

Payments are due upon receipt of each of your TK Elevator invoices. Any payments by credit card shall be subject to a 3% credit card fee. If you do not timely pay any sum due to TK Elevator related to your Unit(s) described in this Agreement, regardless of whether it is billed pursuant to this Agreement or any other agreement with us, within the stipulated payment term calculated from the billing date, we may also choose to do one or more of the following:

- suspend all services until all amounts due have been paid in full, and/or
- declare all sums for the unexpired term of this Agreement due immediately as liquidated damages which the Parties agree are a good faith estimate of TK Elevator's damages and not a penalty and terminate our obligations under this Agreement

A service charge of the highest rate allowed by law shall apply to all overdue accounts you have with TK Elevator that are in any way related to any of the Unit(s) described in this Agreement. If TK Elevator elects to suspend service, we shall not be responsible for personal injury, death, damage to property (including damage to the Unit(s)) or losses of any other type or kind that is in any way related to TK Elevator's suspension of service. Upon resumption of service, you will be responsible for payment to TK Elevator for all costs we incur that result from our suspension of service and to remedy any damage caused to your equipment during that time. Time is of the essence.

All invoices generated in connection with services performed under this Agreement shall be delivered to Purchaser electronically. It shall solely be Purchaser's responsibility to ensure that TK Elevator, at all times, has been provided with accurate Purchaser contact information in order to successfully deliver such invoices. TK Elevator reserves the right to apply any overpayments it receives from Purchaser to any open invoices issued in connection with the subject matter of this Agreement regardless of whether or not the invoices were generated in connection with this Agreement or with any other contract, agreement, or work order between the parties.

TK Elevator reserves the right to assign payments owed to TK Elevator under this Agreement. If for any reason this Agreement is terminated prior to the end of the current term, a condition of such termination shall be that you

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

agree to pay us the full amount of the any discount you received during the initial and any subsequent term. This is in addition to and not in lieu of any other rights or remedies we may have under this Agreement and the law.

Purchaser's Responsibilities

You agree to instruct or warn passengers in the proper use of the Unit(s) and to keep them under continued surveillance by competent personnel to detect irregularities between our examinations. You agree to immediately report any condition that may indicate the need for correction before the next regular examination. You agree to immediately shut down the Unit(s) upon manifestation of any irregularities in either the operation or the appearance of the Unit(s), to immediately notify us, and to keep the Unit(s) shut down until the completion of any repairs. Under those circumstances you agree not to re-set the mainline disconnect. In the event of a Service Request where our technician finds that the mainline disconnect has been reset, you agree that you will be responsible for all labor costs associated with that Service Request invoiced at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when we respond to that Service Request) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job. In the event of a passenger entrapment, you agree to call TK Elevator immediately and, absent a medical emergency, wait for a TK Elevator technician to release the passenger(s). You agree to separately pay TK Elevator to repair or replace any parts of the Unit(s) damages in connection with your failure to do so. You agree that your employees, agents and/or contractors shall not attempt to release or extricate any entrapped passenger(s) from the Unit(s) in light of the life safety risks such attempts create. You agree to give us immediate verbal notice and written notice within ten (10) days after any occurrence or accident in or about the Unit(s) involving personal injury or property damage and that you will be solely responsible for preserving any parts that are replaced after such occurrence or accident. You agree to provide our personnel with a safe place to work. You agree to provide a suitable machine room, including secured doors, waterproofing, lighting, ventilation, and appropriate air temperature control to maintain that room at a temperature between 50°F and 90°F, with relative humidity less than 95% non-condensing at all times. You agree to provide properly maintained and functioning mainline disconnect(s). You agree to maintain the elevator pit in a dry condition at all times. Should water or other liquids become present, you are responsible for the cost associated with the removal and the proper handling of such liquids. You agree that if TK Elevator's inspection of a Unit serviced under this Agreement reveals an operational problem which, in TK Elevator's sole judgment, jeopardizes the safety of the riding public, TK Elevator may shut down the Unit until such time as the operational problem is resolved. In that event, TK Elevator will immediately advise you in writing of such action, the reason for such action, and whether any proposed solution is covered by the terms of this Agreement.

TK Elevator assumes no responsibility for any part of the Unit(s) except that upon which work has been performed under this Agreement. No work, service, examination or liability on the part of TK Elevator other than that specifically mentioned herein is included or intended. It is agreed that TK Elevator does not assume possession or control of any part of the Unit(s) and that such remains Purchaser's exclusively as owner, lessor, lessee, possessor, or manager thereof.

We reserve the right to discontinue work in the building whenever, in our sole opinion, our personnel do not have a safe place to work. For safety reasons, you agree not to permit others to make alterations, additions, adjustments, or repairs or replace any component or part of the Unit(s) during the term of this Agreement. You agree to accept our judgment as to the means and methods employed by us for any corrective work under this Agreement.

Upon the commencement of this Agreement and as a condition of TK Elevator's performance of its obligations, Purchaser shall provide any wiring diagrams, manuals, special tools, monitoring devices, software, hardware or any other items designed to work with, diagnose, service, or repair the Unit(s) (1) as originally supplied by the OEM with the installation or (2) solely available to Purchaser from the OEM.

Some equipment covered by this Agreement may be encoded with serialized onboard diagnostics or other closely held diagnostic intelligence. In the event that the cause of a shutdown or other equipment issue cannot be diagnosed and/or resolved without enlisting the OEM's assistance, Purchaser agrees to obtain the assistance of the OEM and any resulting costs or fees shall be exclusively the Purchaser's responsibility.

Since TK Elevator's top priority is the satisfaction of its customers, if you should have any concern(s) with our performance or the means and methods used to meet our obligations under this Agreement, you agree to provide us with written notice of that concern and give us thirty (30) days to respond either in writing or commence action to appropriately resolve it.

In the event of the sale, lease or other transfer of the ownership of the premises in which the Unit(s) described herein are located, you agree to see that such transferee is made aware of this Agreement and agrees to assume and/or be

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

bound by the conditions hereof for the balance of the unexpired term of this Agreement. Should the transferee fail to assume this Agreement, you shall remain liable for all unpaid amounts, including those owed for the balance of the current unexpired term of this Agreement.

This Agreement expressly excludes any materials, labor and/or services involving or related to either the monitoring of or provision of a response to any communications initiated from any Communication Equipment installed within the Unit(s) and Purchaser remains solely responsible for contracting with a separate vendor to monitor and respond to such communications in accordance with all applicable codes, statutes and/or laws absent its inclusion elsewhere in this Agreement of any later amendment.

You expressly agree to release and discharge us and our employees for any and all claims and/or losses of any type or kind (including but not limited to personal injury, death and property damage, specifically including damage to the property which is the subject matter of this Agreement) (1) associated with any components excluded in this Agreement or (2) associated with any Billable Work or (3) caused in whole or in part by reason(s) outside of our control. TK Elevator shall also automatically receive an extension of time commensurate with any delay in performance caused by or related to the aforementioned.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, TK ELEVATOR EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE WITH RESPECT TO ANY OR ALL OF THE PARTS, PLATFORMS (INCLUDING BUT NOT LIMITED TO CP, APP AND MAX) AND/OR SERVICES CONTEMPLATED BY THIS AGREEMENT INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OR TRADE PRACTICE. WITHOUT LIMITATION TO THE FOREGOING, TK ELEVATOR PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATION OF ANY KIND THAT THE PARTS, PLATFORMS AND/OR SERVICES CONTEMPLATED BY THIS AGREEMENT WILL BE ACCESSIBLE TO CUSTOMER, ACHIEVES ANY INTENDED RESULTS, MEETS CUSTOMER'S REQUIREMENTS, OPERATES WITHOUT INTERRUPTION, MEETS ANY PERFORMANCE OR RELIABILITY STANDARDS OR BE ERROR FREE OR THAT ANY ERRORS OR DEFECTS CAN OR WILL BE CORRECTED. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL TK ELEVATOR OR ITS AFFILIATES, BE LIABLE TO THE CUSTOMER OR ANY THIRD PARTY FOR ANY USE, INTERRUPTION, DELAY OR INABILITY TO USE THE UNIT(S), PARTS, PLATFORMS AND/OR SERVICES OR FOR THE ACT OF ANY THIRD PARTY RELATED THERETO, INCLUDING BUT NOT LIMITED TO THE INCORPORTATION OF A VIRUS, SPYWARE OR ANY OTHER MALICIOUS PROGRAM INTO THE PURCHASER'S SOFTWARE OR HARDWARE OR PLATFORM.

In consideration of TK Elevator performing the services herein specified, you expressly agree, to the fullest extent permitted by law, to indemnify, defend, save harmless, discharge, release and forever acquit TK Elevator, our employees, officers, agents, affiliates, and subsidiaries from and against any and all claims, demands, suits, and proceedings brought against TK Elevator, our employees, officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the Unit(s) which are the subject matter of this Agreement), personal injury or death that are alleged to have been caused by the Purchaser or any others in connection with the presence, use, misuse, maintenance, installation, removal, manufacture, design, operation or condition of the Unit(s) covered by this Agreement, or the associated areas surrounding such equipment. Your duty to indemnify does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this Agreement), personal injury or death is determined to be caused by or resulting from the negligence of TK Elevator and/or our employees. You recognize that your duty to defend TK Elevator under this clause is broader than your duty to indemnify and includes payment of all attorney's fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims or lawsuits.

You expressly agree to name TK Elevator along with its officers, agents, affiliates and subsidiaries as additional insureds in your liability and any excess (umbrella) liability insurance policy(ies). Such insurance must insure TK Elevator, along with its officers, agents, affiliates and subsidiaries for those claims and/or losses referenced in the above paragraph, and for claims and/or or losses arising from the sole negligence or responsibility of TK Elevator and/or its officers, agents, affiliates and subsidiaries. Such insurance must specify that its coverage is primary and non-contributory. You hereby waive the right of subrogation.

In no event shall TK Elevator's liability for damages arising out of this Agreement exceed the remaining unpaid installments of the current, unexpired term of this Agreement.

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

You expressly agree to release and discharge TK Elevator from any and all claims for consequential, special or indirect damages arising out of the performance of this Agreement.

In the event an attorney is retained to enforce, construe or defend any of the terms and conditions of this Agreement or to collect any monies due hereunder the prevailing Party shall be entitled to recover all costs and reasonable attorney's fees.

You hereby waive trial by jury. You agree that this Agreement shall be construed and enforced in accordance with the laws of the state where the Unit(s) is/are located. You consent to jurisdiction of the courts, both state and Federal, of the state in which the Unit(s) is/are located as to all matters and disputes arising out of this Agreement.

In the event any portion of this Agreement is deemed invalid or unenforceable by a court of law, public policy or statute, such finding shall not affect the validity or enforceability of any other portion of this Agreement.

Our rights under this Agreement shall be cumulative and our failure to exercise any rights is not intended to be, nor shall it operate to forfeit or waive any of those rights. Moreover, any extension, indulgence or change by us in the method, mode or manner of payment or any of our other rights under this Agreement shall not be construed as a waiver of any of our rights under this Agreement

Purchaser and TK Elevator are parties to an existing elevator maintenance agreement which will remain in full force and effect until such time as this proposed agreement is accepted and fully executed in writing by both Parties. Upon full acceptance by both Parties, this proposed Agreement shall supersede all prior agreements.

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

Acceptance

Until executed by both Parties this Agreement is a proposal that shall only remain available for acceptance for a period of sixty (60) calendar days from the date appearing on the first page of this document unless revoked by TK Elevator earlier in writing to Purchaser. Your acceptance of this Agreement and its approval by an authorized manager of TK Elevator will constitute exclusively and entirely the agreement for the services herein described. All other prior representations or agreements, whether written or verbal, will be deemed to be merged herein and no other changes in or additions to this Agreement will be recognized unless made in writing and properly executed by both Parties. Should your acceptance be in the form of a purchase order or other similar document, the provisions of this Agreement will exclusively govern the Parties' responsibilities. No agent or employee of TK Elevator shall have the authority to waive or modify any of the terms of this Agreement without the express prior written approval of an authorized TK Elevator manager.

Parts Repair/Replacement

Service Activities also include the repair or replacement of only the parts listed in the section directly above in the bullet points (using replacement parts of TK Elevator's choosing) and only so long as such parts' repair or replacement are both necessitated solely by normal wear and tear and are not otherwise excluded elsewhere in this Agreement.

Service Requests

This Agreement also includes "Service Requests" that are fully completed during Regular Time. Service Requests are defined as the dispatch of our technician to release any entrapped passengers from a Unit and/or to address only adjustments to any of the parts listed under the section of this Agreement titled "Service Activities" so long as such adjustments are not otherwise excluded in this Agreement. Service Requests may be made from one or more of the following: you or your representative, the building or building's representative, emergency personnel, and/or passengers through the Unit's communication device and/or from any applicable remote monitoring device attached to the Unit if monitored by TK Elevator.

Exclusions

Service Activities, Service Requests, and Overtime Service Requests do not include: the removal or retrieval of items unrelated to the operation of the Unit(s) from the pit, machine room, or hoistway; the dispatching of any technician that results in the discovery by that technician that the Unit is either functioning on independent service or firefighters' service or that the Unit is operating properly but the stop button or stop function has been engaged by others; any request or obligation to address any condition associated with a part or component specifically excluded or not covered elsewhere in this Agreement; and/or any request or obligation to service, repair, replace any part or component or address any condition caused in whole or in part by any one or more of the following: anyone's abuse, misuse and/or vandalism of the equipment; anyone's negligence in connection with the use or operation of the equipment; dust or debris; any loss of power, power fluctuations, power failure, or power surges that in any way affect the operation of the equipment; oxidization, rust, or other conditions caused in whole or in part by the environment in which the affected component is located; fire, smoke, explosions, water, storms, wind, and/or lightning; any acts of God; acts of civil or military authorities, strikes, lockouts, other labor disputes, riot, civil commotion, war, malicious mischief, or theft; or any other reason or cause beyond our control that affects the use or operation of the Unit ("Billable Work"). Any Service Request and Overtime Service Requests that are necessitated by, in whole or in part, the condition, operation and/or non-operation of parts that are "obsolete" (as that term is defined below) are also (a)

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

excluded from this Agreement and (b) constitute Billable Work. On all Billable Work you will be solely responsible for the cost of all parts or materials along with all labor invoiced at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when the Billable Work is performed) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job.

With the passage of time, equipment technology and designs will change. If, at any time under this Agreement, (1) any part that is specifically listed as eligible for repair or replacement under the section of this Agreement entitled "Service Activities" cannot, in TK Elevator's sole opinion, be safely repaired and (2) a brand new direct replacement is no longer in stock and readily available from the Original Equipment Manufacturer ("OEM"), that part shall be considered "obsolete", regardless of whether it can be custom-made, fabricated or acquired at any price or whether or not a refurbished or reconditioned version is available from anyone. Moreover, if, at any time after the expiration of the initial term of this Agreement, (A) any part that is specifically listed as eligible for repair or replacement under the section of this Agreement entitled "Service Activities" cannot, in TK Elevator's sole opinion, be safely repaired and (B) that part was either (i) installed or (ii) manufactured ten (10) or more years earlier, that part will also be considered "obsolete". You will be responsible for all charges associated with replacing that obsolete part or component as well as all charges required to ensure that the remainder of the equipment associated with that Unit is functionally compatible with that replacement part.

In addition, we will not be required to make any changes or recommendations in the existing design or function of the Unit(s) nor will we be obligated to install new attachments or parts upon the equipment as recommended or directed by insurance companies, governmental agencies or authorities, or any other third party.

Price
In light your selections in the chart above, you agree to an additional price of $0.00 per month which will be billed to you as a separate line item from all other scopes of work specifically provided for by TK Elevator under your Agreement (the "TK Elevator Communications Services Charge"). The TK Elevator Communications Services Charge is not subject to any discounts

A description of each available TK Elevator Communications service and the additional applicable terms and conditions follow.

Phone Monitoring Service
If "Phone Monitoring" is selected for specific Units in the chart above, so long as those specific Units have operational telephone equipment capable of placing an outgoing call to TK Elevator Communications' call center, we will provide monitoring of such calls through that call center on a 7 days per week, 24 hours per day, 365 days per year basis. Depending on the nature of each call and circumstances, TK Elevator Communications' operators can call one or more of the following: Purchaser's Designated Contacts set forth below; Local Emergency Services at phone numbers provided by Purchaser below; and/or a local TK Elevator service technician to be dispatched to the location of the equipment. Calls cannot be placed to "9-1-1" as the centralized TK Elevator Communications call center does not have dialing access to local "9-1-1" numbers.

This Phone Monitoring service specifically excludes any maintenance, repair or replacement of any type or kind of the Purchaser's telephone or other communication equipment. The Purchaser retains exclusive possession and control of its telephone and other communication equipment and is solely responsible for ensuring uninterrupted operation of that equipment so that it is continuously capable of placing a call to TK Elevator Communications' call center.

Terms and Conditions
Any of the services mentioned in this Exhibit shall be governed by both the terms and conditions of the Agreement covering the Unit(s) described in that Agreement and the terms and conditions of this Exhibit and in the event that those terms conflict, the terms and conditions of this Exhibit will exclusively govern the subject matter of those terms and conditions. Should the Agreement covering the Unit(s) be terminated for any reason by either Party then this Exhibit shall also be automatically terminated. In the event that this Exhibit is terminated for whatever reason, Purchaser agrees to immediately both transfer the connection of the communication equipment to an appropriate telephone service provider and also make arrangements with its replacement elevator service vendor to reprogram the communication equipment to initiate contact with a replacement call center.

TK Elevator Corporation ("TK Elevator Corporation," "TK Elevator," "we," "us," and "our"), agrees with Purchaser ("Purchaser," "you," and "your"), to maintain the equipment described below in accordance with the terms and conditions of this agreement ("the Agreement") with the goal of maximizing its performance, safety, and life span. TK Elevator and Purchaser may hereinafter be referred to individually as a "Party" or collectively as the "Parties."

Covered Equipment

This Agreement covers the units described in the table below (individually a "Unit" or collectively the "Units") which groups the Units according to their applicable coverage type (i.e. Essential Coverage, Elevated Coverage, Enhanced Coverage, etc.). A description of those terms and conditions specifically applicable to each coverage type appears in attached and incorporated exhibits corresponding to the names of those coverage types. The remaining terms and conditions apply to all coverage types. In the event of a conflict between the terms and conditions on the pages that follow and the terms and conditions found in the attached exhibits, the terms and conditions found in the attached exhibits shall control.

Coverage Type	Equipment Type	Nickname	Legal ID	OEM Serial #	Stops	Controller Manufacturer
Essential	Residential / Chairlift	WOODROW WILSON		500393	2	Garaventa
Enhanced	Hydraulic	FEC Elev		EK6825	2	Dover
Enhanced	Hydraulic	MAIN BUILDING HIGH SCHOOL	E32107	EG8759	2	Dover

Please refer to the exhibit entitled "Equipment to be Maintained" for the address of each Unit listed in the table above.

Scope of Work

Service Activities Include TK Elevator's Maintenance Control Program
TK Elevator performs all work covered by this Agreement in accordance with the version of ASME A17.1 that is, according to the relevant authority having jurisdiction, applicable to the Unit(s) at the time the Agreement is first fully executed by both Parties. Section 8.6 of that code currently requires Unit owners to have a Maintenance Control Program ("MCP"). TK Elevator's MCP meets or exceeds section 8.6 of that code. Our MCP takes into consideration the age and usage of the Unit(s). Our MCP also includes TK Elevator's Maintenance Tasks & Records documentation to record the performance of those tasks. This Agreement does not include any work mandated as a consequence of changes to that code after this Agreement is executed.

Testing

Equipment Testing

This agreement includes only the following tests:

Equipment Type	Nickname	Covered Tests
Hydraulic	FEC Elev	annual safety tests

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

Residential / Chairlift	WOODROW WILSON	no testing included for this unit
Hydraulic	MAIN BUILDING HIGH SCHOOL	annual safety tests

Should your Unit(s) require any additional type of equipment testing as required by any applicable law and/or code, we will provide you with a separate written estimate that includes the cost of any associated labor and/or material(s).

Should your Unit(s) require any safety tests as mandated by any applicable law and/or code on the commencement date of this Agreement, TK Elevator assumes no responsibility for the day-to-day operation of the governor or safeties on applicable traction elevators, or the hydraulic system on applicable hydraulic elevators under the terms of this Agreement until the test has been completed and the Unit has passed. Should the respective Unit fail any of those tests, it shall be solely your responsibility to make necessary repairs and place the Unit(s) in a condition that we deem acceptable for further coverage under the terms of this Agreement. Because the performance of any safety test places the Unit under extreme conditions that are outside of the Unit's normal operating parameters, you agree that TK Elevator shall not be liable for any damage to the building structure or the Unit(s) resulting from the performance of any safety tests we perform at any time under this Agreement.

Should your jurisdiction require the presence of either the applicable authority having jurisdiction or a third party witness at the time of testing, you agree to pay for any costs of that individual along with any inspection/coordination fees or any costs incurred by TK Elevator.

Firefighters' Service Testing

Should your Unit(s) be equipped with a phase I and phase II firefighters' service feature, all testing, record-keeping and record storage obligations associated with that feature that are required by any applicable law or code are expressly excluded from this Agreement and shall remain solely your responsibility to satisfy. The first time that your testing of that feature following the full execution of this Agreement reveals that it is not operating properly, you shall immediately remove the Unit from operation, immediately notify TK Elevator of the condition, and agree to remain responsible for all costs associated with any repairs necessary to return that feature to full and proper operation in accordance with any applicable law or code which will be billed at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when the repairs are performed) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job.

Should Purchaser elect to modernize any Unit described in this Agreement during the original or any renewal term of this Agreement, Purchaser agrees to provide TK Elevator with the modernization proposals prepared by any other vendor and at least fourteen (14) calendar days thereafter to both evaluate such proposals and, at TK Elevator's sole option, make its own proposal to Purchaser. Should Purchaser thereafter elect to accept the proposal of another vendor, the Parties agree that the current term of this Agreement applicable to the Units that are the subject of such modernization shall be frozen until the modernization work is complete and TK Elevator has inspected such work and deemed the modernized Unit acceptable for service under the terms of this Agreement. In the event such Unit is not, in TK Elevator's sole opinion, acceptable for service under the terms of this Agreement, TKE will submit a written proposal to Purchaser to address the items in question at an additional cost. Should Purchaser decline that proposal, TKE retains the right to remove the Unit from the Agreement and adjust the price accordingly or cancel the Agreement if the proposal affects all Units that are the subject of the Agreement.

Digital Customer Experience

MAX - Digital Maintenance

MAX is a cloud-based Internet of Things ("IOT") platform that we, at our election, may connect to your Unit(s) by installing a remote-monitoring device (a "Device"). Purchaser consents and authorizes TK Elevator to (1) access Purchaser's premises to install a Device to the Unit(s) and thereafter maintain and/or repair the Device(s) and (2) to collect, store, maintain, own, use, delete, and/or destroy any or all of the data generated by the Device(s) as well as all data collected by the Device(s) and all data sent by the Device(s) to TK Elevator (all such data generated, collected, and/or sent shall be collectively referred to herein as the "MAX Data"). Purchaser agrees that all MAX Data is, and shall be, owned by TK Elevator and agrees to assign and hereby does assign any right, title or interest it may have in such MAX Data to TK Elevator. Any Device, once installed, is not intended, nor should it be considered, as a fixture. Instead, TK Elevator shall retain the right to remove the Device from any Unit(s) and/or cease any data collection

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

and/or analysis at any time at its sole discretion. Moreover, TK Elevator shall retain the exclusive right and ability to, at its sole discretion, remove, delete and/or destroy all associated data generated from the Device(s). Because the Device and the MAX Data contain trade secrets belonging to TK Elevator, Purchaser agrees not to permit Purchaser's own personnel or any third parties to use, access, tamper with, relocate, copy, alter, destroy, disassemble or reverse engineer the Device or the MAX Data and shall treat the MAX Data as confidential information of TK Elevator, including by using no less than reasonable care to protect the confidentiality of such MAX Data. The installation of any Device on a Unit shall not confer any rights or operate as an assignment or license to you of any patents, copyrights or trade secrets with respect to the Device and/or any software contained or embedded therein or that it utilizes/utilized in connection with the collection, monitoring and/or analysis of data.

With a MAX device connected to your equipment, information obtained via machine learning may be sent to our technicians to promote early diagnosis, faster fixes and reduced downtime.

Customer Web Portal and Mobile App

TK Elevator provides a web-based customer portal (the "CP") and mobile application (the "App") which, following the effective date of this Agreement, may contain certain maintenance and service call data associated with the Unit(s). To the extent applicable, TK Elevator will provide Purchaser with a user name and password to access the CP and App platforms. Purchaser shall, at its sole cost, provide and ensure the functioning integrity of its own hardware, software and internet connection necessary to access the CP and App. To the extent applicable, TK Elevator reserves the right to restrict Purchaser's access to the CP and App if any of Purchaser's accounts with TK Elevator has an outstanding unpaid balance greater than 30 days or in the event of anticipated or pending litigation of any kind. TK Elevator reserves the right to discontinue the CP and App altogether at its sole discretion and without notice to Purchaser and Purchaser expressly agrees to release TK Elevator from any and all claims of any type or kind arising out of or related to that discontinuation.

TK Elevator Communications

You may supplement this Agreement with an additional suite of services through our TK Elevator Communications call center at an additional fee contingent upon your agreement to all of the terms and conditions as set forth in the attached exhibit entitled "TK Elevator Communications Services." These additional available services involve the provision of 24/7/365 monitoring of your Units' code-compliant and compatible emergency telephone and in-cab video and text communication equipment (the "Communication Equipment"), the dispatch of a TK Elevator technician or emergency personnel under certain circumstances, the provision of a cellular connection for that Communication Equipment, and limited repair/replacement coverage for that Communication Equipment which is otherwise excluded from this Agreement.

Contract Term, Price & Payment

Term

This Agreement is effective for 12 months starting July 01, 2026 and is non-cancellable. To ensure continuous service, this Agreement will be automatically renewed for successive 1-month periods unless either Party timely serves written notice on the other Party of its intention to cancel at least 30-Days but not more than 60 days before the end of the initial 12-month period or at least 30-Days before the end of any subsequent 1-month renewal period. Notice shall be sent by certified mail, return receipt requested to the TK Elevator office address found in this Agreement. Time is of the essence.

If this Agreement is terminated before the end of either the initial or any subsequent 1-month period by either (A) TK Elevator for any breach by you or (B) by you for any reason other than our own default after you've provided any contractually-required notice and opportunity to cure, you agree as follows:

(i) That TK Elevator may declare all sums for the unexpired term of this Agreement due immediately as liquidated damages which the parties agree are a good faith estimate of TK Elevator's damages and not a penalty;
(ii) That you also agree to immediately pay to TK Elevator any promotional and/or volume-based discounts granted to you under this Agreement; and
(iii) That TK Elevator may also terminate our obligations under this Agreement.

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

You further agree that the rights and obligations in (i), (ii) and (iii) above are material conditions of this Agreement, are reasonable and necessary, are not subject to offset, dispute or reduction and that under such circumstances, TK Elevator also reserves all of its other rights under this Agreement and applicable law.

Price

The price for the Agreement shall be $585.54 per month, inclusive of all applicable sales and use taxes, payable annually in advance.

The price of this Agreement contemplates that each Unit covered under this Agreement will make no more than 37,000 trips, defined as passenger-initiated travel of the Unit between two (2) to ten (10) landings as determined by TK Elevator, within any six (6) month period. In the event that any Unit covered by this Agreement makes more than 37,000 trips within any six (6) month period during the term of this Agreement then Purchaser agrees to pay TK Elevator an additional fee equal to 2% to the monthly billing amount during the following six (6) month period for each such Unit which will appear as a separate line item on any applicable invoice or on a separate invoice altogether.

The price of this Agreement does not include any value added taxes, tariffs, duties or similar assessments imposed on TK Elevator for any parts and/or components replaced under this Agreement or for the related increase in the cost of such parts and/or components charged by their suppliers (collectively, the "Additional Costs"). In the event any such Additional Costs are incurred by TK Elevator, TK Elevator shall provide Purchaser reasonable written notice that such Additional Costs will be invoiced to the Purchaser on the next invoice sent by TK Elevator and Purchaser agrees to pay, such Additional Costs, together with TK Elevator's profit and overhead associated with those amounts, all in addition to the price of this Agreement.

We reserve the right to semi-annually increase all charges under this Agreement five percent plus an additional amount resulting from any increase of any of TK Elevator's expenses relating to one or more of the following categories during the preceding calendar year: labor, employment benefits, materials, tools, vehicles, fuel, rent, internet and/or communication access, data storage, utilities, logistics/shipping, waste disposal, taxes, tariffs, and any governmentally-imposed charges.

Payment

Payments are due upon receipt of each of your TK Elevator invoices. Any payments by credit card shall be subject to a 3% credit card fee. If you do not timely pay any sum due to TK Elevator related to your Unit(s) described in this Agreement, regardless of whether it is billed pursuant to this Agreement or any other agreement with us, within the stipulated payment term calculated from the billing date, we may also choose to do one or more of the following:

- suspend all services until all amounts due have been paid in full, and/or
- declare all sums for the unexpired term of this Agreement due immediately as liquidated damages which the Parties agree are a good faith estimate of TK Elevator's damages and not a penalty and terminate our obligations under this Agreement

A service charge of the highest rate allowed by law shall apply to all overdue accounts you have with TK Elevator that are in any way related to any of the Unit(s) described in this Agreement. If TK Elevator elects to suspend service, we shall not be responsible for personal injury, death, damage to property (including damage to the Unit(s)) or losses of any other type or kind that is in any way related to TK Elevator's suspension of service. Upon resumption of service, you will be responsible for payment to TK Elevator for all costs we incur that result from our suspension of service and to remedy any damage caused to your equipment during that time. Time is of the essence.

All invoices generated in connection with services performed under this Agreement shall be delivered to Purchaser electronically. It shall solely be Purchaser's responsibility to ensure that TK Elevator, at all times, has been provided with accurate Purchaser contact information in order to successfully deliver such invoices. TK Elevator reserves the right to apply any overpayments it receives from Purchaser to any open invoices issued in connection with the subject matter of this Agreement regardless of whether or not the invoices were generated in connection with this Agreement or with any other contract, agreement, or work order between the parties.

TK Elevator reserves the right to assign payments owed to TK Elevator under this Agreement. If for any reason this Agreement is terminated prior to the end of the current term, a condition of such termination shall be that you

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

agree to pay us the full amount of the any discount you received during the initial and any subsequent term. This is in addition to and not in lieu of any other rights or remedies we may have under this Agreement and the law.

Purchaser's Responsibilities

You agree to instruct or warn passengers in the proper use of the Unit(s) and to keep them under continued surveillance by competent personnel to detect irregularities between our examinations. You agree to immediately report any condition that may indicate the need for correction before the next regular examination. You agree to immediately shut down the Unit(s) upon manifestation of any irregularities in either the operation or the appearance of the Unit(s), to immediately notify us, and to keep the Unit(s) shut down until the completion of any repairs. Under those circumstances you agree not to re-set the mainline disconnect. In the event of a Service Request where our technician finds that the mainline disconnect has been reset, you agree that you will be responsible for all labor costs associated with that Service Request invoiced at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when we respond to that Service Request) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job. In the event of a passenger entrapment, you agree to call TK Elevator immediately and, absent a medical emergency, wait for a TK Elevator technician to release the passenger(s). You agree to separately pay TK Elevator to repair or replace any parts of the Unit(s) damages in connection with your failure to do so. You agree that your employees, agents and/or contractors shall not attempt to release or extricate any entrapped passenger(s) from the Unit(s) in light of the life safety risks such attempts create. You agree to give us immediate verbal notice and written notice within ten (10) days after any occurrence or accident in or about the Unit(s) involving personal injury or property damage and that you will be solely responsible for preserving any parts that are replaced after such occurrence or accident. You agree to provide our personnel with a safe place to work. You agree to provide a suitable machine room, including secured doors, waterproofing, lighting, ventilation, and appropriate air temperature control to maintain that room at a temperature between 50°F and 90°F, with relative humidity less than 95% non-condensing at all times. You agree to provide properly maintained and functioning mainline disconnect(s). You agree to maintain the elevator pit in a dry condition at all times. Should water or other liquids become present, you are responsible for the cost associated with the removal and the proper handling of such liquids. You agree that if TK Elevator's inspection of a Unit serviced under this Agreement reveals an operational problem which, in TK Elevator's sole judgment, jeopardizes the safety of the riding public, TK Elevator may shut down the Unit until such time as the operational problem is resolved. In that event, TK Elevator will immediately advise you in writing of such action, the reason for such action, and whether any proposed solution is covered by the terms of this Agreement.

TK Elevator assumes no responsibility for any part of the Unit(s) except that upon which work has been performed under this Agreement. No work, service, examination or liability on the part of TK Elevator other than that specifically mentioned herein is included or intended. It is agreed that TK Elevator does not assume possession or control of any part of the Unit(s) and that such remains Purchaser's exclusively as owner, lessor, lessee, possessor, or manager thereof.

We reserve the right to discontinue work in the building whenever, in our sole opinion, our personnel do not have a safe place to work. For safety reasons, you agree not to permit others to make alterations, additions, adjustments, or repairs or replace any component or part of the Unit(s) during the term of this Agreement. You agree to accept our judgment as to the means and methods employed by us for any corrective work under this Agreement.

Upon the commencement of this Agreement and as a condition of TK Elevator's performance of its obligations, Purchaser shall provide any wiring diagrams, manuals, special tools, monitoring devices, software, hardware or any other items designed to work with, diagnose, service, or repair the Unit(s) (1) as originally supplied by the OEM with the installation or (2) solely available to Purchaser from the OEM.

Some equipment covered by this Agreement may be encoded with serialized onboard diagnostics or other closely held diagnostic intelligence. In the event that the cause of a shutdown or other equipment issue cannot be diagnosed and/or resolved without enlisting the OEM's assistance, Purchaser agrees to obtain the assistance of the OEM and any resulting costs or fees shall be exclusively the Purchaser's responsibility.

Since TK Elevator's top priority is the satisfaction of its customers, if you should have any concern(s) with our performance or the means and methods used to meet our obligations under this Agreement, you agree to provide us with written notice of that concern and give us thirty (30) days to respond either in writing or commence action to appropriately resolve it.

In the event of the sale, lease or other transfer of the ownership of the premises in which the Unit(s) described herein are located, you agree to see that such transferee is made aware of this Agreement and agrees to assume and/or be

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

bound by the conditions hereof for the balance of the unexpired term of this Agreement. Should the transferee fail to assume this Agreement, you shall remain liable for all unpaid amounts, including those owed for the balance of the current unexpired term of this Agreement.

This Agreement expressly excludes any materials, labor and/or services involving or related to either the monitoring of or provision of a response to any communications initiated from any Communication Equipment installed within the Unit(s) and Purchaser remains solely responsible for contracting with a separate vendor to monitor and respond to such communications in accordance with all applicable codes, statutes and/or laws absent its inclusion elsewhere in this Agreement of any later amendment.

You expressly agree to release and discharge us and our employees for any and all claims and/or losses of any type or kind (including but not limited to personal injury, death and property damage, specifically including damage to the property which is the subject matter of this Agreement) (1) associated with any components excluded in this Agreement or (2) associated with any Billable Work or (3) caused in whole or in part by reason(s) outside of our control. TK Elevator shall also automatically receive an extension of time commensurate with any delay in performance caused by or related to the aforementioned.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, TK ELEVATOR EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE WITH RESPECT TO ANY OR ALL OF THE PARTS, PLATFORMS (INCLUDING BUT NOT LIMITED TO CP, APP AND MAX) AND/OR SERVICES CONTEMPLATED BY THIS AGREEMENT INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OR TRADE PRACTICE. WITHOUT LIMITATION TO THE FOREGOING, TK ELEVATOR PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATION OF ANY KIND THAT THE PARTS, PLATFORMS AND/OR SERVICES CONTEMPLATED BY THIS AGREEMENT WILL BE ACCESSIBLE TO CUSTOMER, ACHIEVES ANY INTENDED RESULTS, MEETS CUSTOMER'S REQUIREMENTS, OPERATES WITHOUT INTERRUPTION, MEETS ANY PERFORMANCE OR RELIABILITY STANDARDS OR BE ERROR FREE OR THAT ANY ERRORS OR DEFECTS CAN OR WILL BE CORRECTED. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL TK ELEVATOR OR ITS AFFILIATES, BE LIABLE TO THE CUSTOMER OR ANY THIRD PARTY FOR ANY USE, INTERRUPTION, DELAY OR INABILITY TO USE THE UNIT(S), PARTS, PLATFORMS AND/OR SERVICES OR FOR THE ACT OF ANY THIRD PARTY RELATED THERETO, INCLUDING BUT NOT LIMITED TO THE INCORPORTATION OF A VIRUS, SPYWARE OR ANY OTHER MALICIOUS PROGRAM INTO THE PURCHASER'S SOFTWARE OR HARDWARE OR PLATFORM.

In consideration of TK Elevator performing the services herein specified, you expressly agree, to the fullest extent permitted by law, to indemnify, defend, save harmless, discharge, release and forever acquit TK Elevator, our employees, officers, agents, affiliates, and subsidiaries from and against any and all claims, demands, suits, and proceedings brought against TK Elevator, our employees, officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the Unit(s) which are the subject matter of this Agreement), personal injury or death that are alleged to have been caused by the Purchaser or any others in connection with the presence, use, misuse, maintenance, installation, removal, manufacture, design, operation or condition of the Unit(s) covered by this Agreement, or the associated areas surrounding such equipment. Your duty to indemnify does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this Agreement), personal injury or death is determined to be caused by or resulting from the negligence of TK Elevator and/or our employees. You recognize that your duty to defend TK Elevator under this clause is broader than your duty to indemnify and includes payment of all attorney's fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims or lawsuits.

You expressly agree to name TK Elevator along with its officers, agents, affiliates and subsidiaries as additional insureds in your liability and any excess (umbrella) liability insurance policy(ies). Such insurance must insure TK Elevator, along with its officers, agents, affiliates and subsidiaries for those claims and/or losses referenced in the above paragraph, and for claims and/or or losses arising from the sole negligence or responsibility of TK Elevator and/or its officers, agents, affiliates and subsidiaries. Such insurance must specify that its coverage is primary and non-contributory. You hereby waive the right of subrogation.

In no event shall TK Elevator's liability for damages arising out of this Agreement exceed the remaining unpaid installments of the current, unexpired term of this Agreement.

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

You expressly agree to release and discharge TK Elevator from any and all claims for consequential, special or indirect damages arising out of the performance of this Agreement.

In the event an attorney is retained to enforce, construe or defend any of the terms and conditions of this Agreement or to collect any monies due hereunder the prevailing Party shall be entitled to recover all costs and reasonable attorney's fees.

You hereby waive trial by jury. You agree that this Agreement shall be construed and enforced in accordance with the laws of the state where the Unit(s) is/are located. You consent to jurisdiction of the courts, both state and Federal, of the state in which the Unit(s) is/are located as to all matters and disputes arising out of this Agreement.

In the event any portion of this Agreement is deemed invalid or unenforceable by a court of law, public policy or statute, such finding shall not affect the validity or enforceability of any other portion of this Agreement.

Our rights under this Agreement shall be cumulative and our failure to exercise any rights is not intended to be, nor shall it operate to forfeit or waive any of those rights. Moreover, any extension, indulgence or change by us in the method, mode or manner of payment or any of our other rights under this Agreement shall not be construed as a waiver of any of our rights under this Agreement

Purchaser and TK Elevator are parties to an existing elevator maintenance agreement which will remain in full force and effect until such time as this proposed agreement is accepted and fully executed in writing by both Parties. Upon full acceptance by both Parties, this proposed Agreement shall supersede all prior agreements.

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

Acceptance

Until executed by both Parties this Agreement is a proposal that shall only remain available for acceptance for a period of sixty (60) calendar days from the date appearing on the first page of this document unless revoked by TK Elevator earlier in writing to Purchaser. Your acceptance of this Agreement and its approval by an authorized manager of TK Elevator will constitute exclusively and entirely the agreement for the services herein described. All other prior representations or agreements, whether written or verbal, will be deemed to be merged herein and no other changes in or additions to this Agreement will be recognized unless made in writing and properly executed by both Parties. Should your acceptance be in the form of a purchase order or other similar document, the provisions of this Agreement will exclusively govern the Parties' responsibilities. No agent or employee of TK Elevator shall have the authority to waive or modify any of the terms of this Agreement without the express prior written approval of an authorized TK Elevator manager.

Service Activities also include the repair or replacement of only the parts listed in the section directly above in the bullet points (using replacement parts of TK Elevator's choosing) and only so long as such parts' repair or replacement are both necessitated solely by normal wear and tear and are not otherwise excluded elsewhere in this Agreement.

Service Requests

This Agreement also includes "Service Requests" that are fully completed during Regular Time. Service Requests are defined as the dispatch of our technician to release any entrapped passengers from a Unit and/or to address only adjustments to any of the parts listed under the section of this Agreement titled "Service Activities" so long as such adjustments are not otherwise excluded in this Agreement. Service Requests may be made from one or more of the following: you or your representative, the building or building's representative, emergency personnel, and/or passengers through the Unit's communication device and/or from any applicable remote monitoring device attached to the Unit if monitored by TK Elevator.

Exclusions

Service Activities, Service Requests, and Overtime Service Requests do not include: the removal or retrieval of items unrelated to the operation of the Unit(s) from the pit, machine room, or hoistway; the dispatching of any technician that results in the discovery by that technician that the Unit is either functioning on independent service or firefighters' service or that the Unit is operating properly but the stop button or stop function has been engaged by others; any request or obligation to address any condition associated with a part or component specifically excluded or not covered elsewhere in this Agreement; and/or any request or obligation to service, repair, replace any part or component or address any condition caused in whole or in part by any one or more of the following: anyone's abuse, misuse and/or vandalism of the equipment; anyone's negligence in connection with the use or operation of the equipment; dust or debris; any loss of power, power fluctuations, power failure, or power surges that in any way affect the operation of the equipment; oxidization, rust, or other conditions caused in whole or in part by the environment in which the affected component is located; fire, smoke, explosions, water, storms, wind, and/or lightning; any acts of God; acts of civil or military authorities, strikes, lockouts, other labor disputes, riot, civil commotion, war, malicious mischief, or theft; or any other reason or cause beyond our control that affects the use or operation of the Unit ("Billable Work"). Any Service Request and Overtime Service Requests that are necessitated by, in whole or in part, the condition, operation and/or non-operation of parts that are "obsolete" (as that term is defined below) are also (a)

Docusign Envelope ID: 3EFBDEA8-C172-4734-A9EE-1F9D8545BFCD

excluded from this Agreement and (b) constitute Billable Work. On all Billable Work you will be solely responsible for the cost of all parts or materials along with all labor invoiced at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when the Billable Work is performed) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job.

With the passage of time, equipment technology and designs will change. If, at any time under this Agreement, (1) any part that is specifically listed as eligible for repair or replacement under the section of this Agreement entitled "Service Activities" cannot, in TK Elevator's sole opinion, be safely repaired and (2) a brand new direct replacement is no longer in stock and readily available from the Original Equipment Manufacturer ("OEM"), that part shall be considered "obsolete", regardless of whether it can be custom-made, fabricated or acquired at any price or whether or not a refurbished or reconditioned version is available from anyone. Moreover, if, at any time after the expiration of the initial term of this Agreement, (A) any part that is specifically listed as eligible for repair or replacement under the section of this Agreement entitled "Service Activities" cannot, in TK Elevator's sole opinion, be safely repaired and (B) that part was either (i) installed or (ii) manufactured ten (10) or more years earlier, that part will also be considered "obsolete". You will be responsible for all charges associated with replacing that obsolete part or component as well as all charges required to ensure that the remainder of the equipment associated with that Unit is functionally compatible with that replacement part.

In addition, we will not be required to make any changes or recommendations in the existing design or function of the Unit(s) nor will we be obligated to install new attachments or parts upon the equipment as recommended or directed by insurance companies, governmental agencies or authorities, or any other third party.

A description of each available TK Elevator Communications service and the additional applicable terms and conditions follow.

Phone Monitoring Service
If "Phone Monitoring" is selected for specific Units in the chart above, so long as those specific Units have operational telephone equipment capable of placing an outgoing call to TK Elevator Communications' call center, we will provide monitoring of such calls through that call center on a 7 days per week, 24 hours per day, 365 days per year basis. Depending on the nature of each call and circumstances, TK Elevator Communications' operators can call one or more of the following: Purchaser's Designated Contacts set forth below; Local Emergency Services at phone numbers provided by Purchaser below; and/or a local TK Elevator service technician to be dispatched to the location of the equipment. Calls cannot be placed to "9-1-1" as the centralized TK Elevator Communications call center does not have dialing access to local "9-1-1" numbers.

This Phone Monitoring service specifically excludes any maintenance, repair or replacement of any type or kind of the Purchaser's telephone or other communication equipment. The Purchaser retains exclusive possession and control of its telephone and other communication equipment and is solely responsible for ensuring uninterrupted operation of that equipment so that it is continuously capable of placing a call to TK Elevator Communications' call center.

Terms and Conditions
Any of the services mentioned in this Exhibit shall be governed by both the terms and conditions of the Agreement covering the Unit(s) described in that Agreement and the terms and conditions of this Exhibit and in the event that those terms conflict, the terms and conditions of this Exhibit will exclusively govern the subject matter of those terms and conditions. Should the Agreement covering the Unit(s) be terminated for any reason by either Party then this Exhibit shall also be automatically terminated. In the event that this Exhibit is terminated for whatever reason, Purchaser agrees to immediately both transfer the connection of the communication equipment to an appropriate telephone service provider and also make arrangements with its replacement elevator service vendor to reprogram the communication equipment to initiate contact with a replacement call center.
