2018 HEARING OF PUBLIC

All regular, special and emergency meetings of the Duncan Board of Education shall be open to the public. The Board wishes to hear the viewpoints of citizens and considers responsible presentation of these viewpoints vital to the efficient operation of the school system. The Board also recognizes its responsibility for the proper governance of the schools and the need to conduct its business in an orderly and efficient manner. The Board, therefore, establishes the following procedures to receive input from citizens:

1. In order for the Board to fulfill its responsibility to conduct its business in an orderly and efficient manner, unless otherwise enlarged by a majority vote of the Board public comments under Hearing of the Public of thirty (30) minutes will generally be permitted. Any citizen wishing to address the board must communicate such desire to the Clerk of the Board prior to the commencement of the meeting. Without an agenda item, no discussion between the board and the citizen can occur under Hearing of the Public.
2. Any citizen desiring to include an item on an agenda shall communicate such to the office of the superintendent in writing. Such writing shall state the nature of the matter to be discussed, the name of the citizen and/or group making the request. For placement on an agenda under Hearing of the Public, such writing must be received by the office of the superintendent at least five (5) full working days prior to any meeting which, with respect to any regularly scheduled meeting, shall require receipt on or before 4:00 o'clock p.m. on the Friday one week preceding such meeting.
3. Public comments are generally limited to five (5) minutes and where several people wish to address the same subject a spokesperson must be selected. It will be the decision of the board president if additional citizens are allowed to address the same subject. No official board action can be taken under Hearing of the Public. Speakers will be recognized in order in which they have signed in with the Clerk. Those persons who have not signed in will be permitted to address an item if there is time remaining during the approximate thirty (30) minute period of Hearing of the Public.
4. During the Hearing of the Public period no citizen will be recognized twice. Each citizen who addresses the Board shall give his or her name, and identify his or her topic of discussion.
5. The President of the Board shall be responsible for recognizing speakers, maintaining proper order, and adhering to time limits.
6. The purpose of Hearing of the Public is to allow citizens to present to the Board suggestions concerning items on the agenda. Consistent with this purpose, public participation should not be used for personal attacks upon Board members, district employees, individual students or other persons in attendance or absent unless it is specifically related to an agenda item. The President of the Board will interrupt and terminate any presentation that is not in accordance with this restriction. The Board may, in its discretion, also place other restrictions upon Hearing of the Public when such restrictions are necessary or appropriate to protect the privacy rights of the affected individual(s).

DUNCAN PUBLIC SCHOOLS

SECTION I - PROCUREMENT PLAN GENERAL REQUIREMENTS

The plan for procuring items for use in the Child Nutrition Program is as follows:

The procurement plan provides free and open competition, transparency in transactions, comparability, and documentation of all procurement activities.

The following **Code of Conduct** will be expected of all persons who are engaged in the awarding and administration of contracts supported by Child Nutrition reimbursement funds. These written standards of conduct include:

No employee, officer, or agent shall purchase or establish a contract if a conflict of interest, real or apparent, would be involved. Conflicts of interest arise when one of the following has a financial or other interest in the firm selected for the award:

- The employee, officer, or agent;
- Any member of the immediate family;
- His or her partner;
- An organization which employs or is about to employ one of the above.

Employees, officers, or agents shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, potential contractors, or parties to sub-agreements. **The purchase during the school day of any food or service from a contractor for individual use is prohibited.**

No item, food, or beverage purchased with nonprofit school food service funds will be removed from the school premises by school personnel.
Penalties for violation of the standards of code of conduct of the Duncan Public School Child Nutrition Program (CNP) should be:

- **Reprimand by Board of Education**
- **Dismissal by Board of Education**
- **Any legal action necessary**

3. Regardless of procurement method, the following factors will be determined regarding the allowable costs:
    - Be necessary and reasonable for proper and efficient administration of the program(s)
    - Be allocable to federal awards applicable to the administration of the programs(s)
    - Be authorized and not prohibited under state and local laws

4. Purchasing will be conducted at the most restrictive procurement threshold:

	Federal Procurement Thresholds	SFA/Sponsor Procurement Thresholds (enter)
Micro-purchasing	Less than $10,000	Same
Equipment	Over $5,000	Same
Small/Informal	Less than $250,000	Same

Formal	Greater than $250,000 ;or any Food Service Management Contract	Same

5. All staff conducting purchasing will be trained on the procurement procedures.

6. All purchasing records will be maintained no less than the current year plus three (3) additional years.

7. **Buy American Provision**

Section 104(d) amended Section 12(n) of the National School Lunch Act (NSLA) (42 U.S.1760) to require SFAs participating in the National School Lunch Program (NSLP) and School Breakfast Program (SBP) in the United States ***to purchase for those programs, to the maximum extent practicable, domestic United States Department of Agriculture (USDA) Foods or products.*** For purposes of this provision, the term ***domestic food commodity or product*** means agricultural USDA Foods produced in the United States, including Guam, American Samoa, the Virgin Islands, Puerto Rico, and the Northern Mariana Islands, and food products processed in the United States **SUBSTANTIALLY** using agricultural USDA Foods that are produced in the United States. The Conference Report accompanying Public Law 105-336 makes it clear that the term **SUBSTANTIALLY** means that over 51 percent of the processed food comes from American-produced products. (SD-24-2016)

8. **Geographical Preference**

The use of statutorily or administratively imposed in-state or local geographic preferences for procurements under USDA entitlement programs is prohibited, except for unprocessed locally grown or locally raised agricultural products. The Food, Conservation, and Energy Act of 2008 (Public Law 110-246, Section 4302), amended Section 9(j) of the National School Lunch Act (NSLA) to allow institutions receiving funds through CNP to apply a geographic preference when procuring unprocessed locally grown or locally raised agricultural products.

When geographic preference is used, an SFA must still get quotes from several farmers when procuring unprocessed locally grown or locally raised agricultural products so that competitors have an opportunity to compete for the bid.

9. **Protest procedures** are required. SFAs will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the SFA before pursuing a protest with a federal agency. Reviews of protests by the federal agency will be limited to: (Reference USDA Policy Memo2006-SNP-06)

- Violations of federal law or regulations and the standard of 2 CFR §200 (violations of state or local law will be under the jurisdiction of state or local authorities).
  AND
- Violations of the SFA's protest procedures for failure to review a complaint or protest. Protests received by the federal agency other than those specified above will be referred to the SFA.

10. The district will maintain a ***CHART OF PROCEDURES*** indicating how all items are procured, and how often they are procured.

11. **Beverage and Snack Agreements** (Reference USDA policy memo 99-SP-09)

In some cases, the exclusive contracts do not involve nonprofit school food service account (SFSA) funds, in which case there are no federal procurement issues involved. However, if any nonprofit school food service products are purchased via the exclusive contract, then all federal procurement requirements must be met. If

small purchase procedures are used for a procurement of $250,000 or less, price or rate quotations must be obtained from an adequate number of qualified sources. Additionally, if nonprofit school food service products are included in the contract, any rebates, commissions, scholarship fund contributions, or any other payments back to the SFA or SFA-related organizations must be reimbursed to the nonprofit SFA on a prorated basis.

No federal prohibition on multiyear contracts other than for FSMCs. It is suggested, however, that school procurement officials consider the impact of multiyear contracts, as opposed to one-year contracts, on beverages and snacks. Long-term contracts would appear to be more appropriate for nonperishable products and services such as warehousing and equipment rental. As noted above, however, there is no federal prohibition on these longer-term contracts.

Public Law 108-265, Section 102, requires a school participating in the NSLP shall not directly or indirectly restrict the sale or marketing of fluid milk products by the school (or by a person approved by the school) at any time or any place on the school premises or at any school-sponsored event.

Schools participating in the NSLP must check all beverage contracts for language that may limit the sale of milk on school grounds. The sale of milk cannot be limited at any time during the school day or at any place on the school premises. Contracts may have language that is hard to understand. Look for the term ***Exclusive Pouring Rights*** .Every school district must have amended their beverage contracts that limit the sale of milk should such language exist. The primary effect of this provision is to prevent contract limitations on the sale of fluid milk in competition with other beverages.

12. The SFA will take all necessary affirmative steps to assure that **minority firms, women's business enterprises, and labor surplus area firms** are used when possible. Affirmative steps shall include:
    a. Placing qualified small and minority businesses and women's business enterprises on solicitation lists
    b. Assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources.
    c. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises.
    d. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses and women's business enterprises.
    e Using the services and assistance of the Small Business Administration (SBA) and the Minority Business Development Agency of the Department of Commerce.
    f. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed above.

Certifications

1. **Nonkickback Affidavit** - Please note that Oklahoma statute 62 O.S. §310.9 requires a signed and notarized non-kick back affidavit in every purchase order of $25,000 or more. The affidavit is to be signed by the person or persons authorized to accept payment on behalf of the architect, contractor, engineer, or supplier.

2. **Lobbying Certification** (Reference 200.326[1])
   Lobbying certification must be obtained for procurement contracts of more than $100,000. Any vendor whose contract award is for more than $100,000 must complete a Certification Regarding Lobbying form located in the Training Manual. The SFA must keep this signed certification statement on file with a copy of the vendor's contract.

Any SFA or its vendors who participate in lobbying activities must complete a Disclosure of Lobbying Activities form. SFAs must submit this completed form to the State Agency. A vendor would submit its completed form to the SFA.

3. **Debarment and Suspension.** An SFA is prohibited from contracting with an individual or company that has been debarred or suspended in accordance with 2 CFR ,180§ as adopted and modified by USDA regulations at 2 CFR .417§ this prohibition does not extend to contracts in existence at the time of the debarment or suspension or to most contracts under $25,000. rather, it applies to new contracts and extensions or renewals of existing contracts of $25,000 or more and to contracts for audit services, regardless of amount. (formal contracts)

4. **Contract Work Hours and Safety Standards Act** (40 U.S.C. 3701-3708). Where applicable, ***all contracts*** awarded by the nonfederal entity in excess of $2,500 that involve the employment of mechanics or laborers must include a provision for compliance with 70 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market or contracts for transportation or transmission of intelligence.

5. **Equal Opportunity and Discrimination**. The vendor certifies it is an Equal Opportunity Employer, a provider of services and/or assistance, and is in compliance with the 1964 Civil Rights Act, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, as amended, and Executive Orders 11246 and 11375. The vendor assures compliance with the Americans With Disabilities Act of 1990 (Public Law 101-336), all amendments to, and all requirements imposed by the regulations issued pursuant. **(FORMAL CONTRACTS OF $10,000 OR MORE)**

6. Contracts in excess of $150,000 shall contain provisions that require compliance with all applicable standards, orders, or requirements issued under Section 306 of the **Clean Air Act** (42 U.S.C. 1857[h]), Section 508 of the **Clean Water Act** (33 U.S.C. 1368), Executive Order 11738, and **Environmental Protection Agency (EPA) Regulation** (40 CFR §15), which prohibit the use of nonexempt federal contracts, grants, or loans of facilities included on the EPA list of violating facilities. The provision shall require reporting of violations to the grantor agency and to the EPA Assistant Administrator for Enforcement (EN-329). 23. The contract must recognize mandatory standards and policies relating to energy efficiency that are contained in the State Agency conservation plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

SECTION II – PURCHASING EQUIPMENT

The Duncan Public Schools District is committed to a tradition of excellence in developing students to their full potential in an environment that fosters responsible, productive citizens and lifelong learners.

DPS Core Beliefs

To ensure quality teaching and learning, Duncan Public Schools (DPS) value:

- Students who are academically prepared for college, career, and life
- A respectful and nurturing environment for parents, students, staff, and community members
- Well-maintained buildings and grounds

- Up-to-date curriculum materials and technology
- Quality student programs that meet the diverse needs of all students
- Highly qualified teachers who care about students by engaging them in rigorous, student-centered innovative teaching

- Ongoing professional development

By upholding these values, Duncan Public Schools will put into place policies and procedures that meet or exceed those of other school districts and state and national standards.

Statement of Philosophy

- The school should understand its role in the community and provide development opportunities for all students through its diversified curriculum and services.
- The school should prepare the student to the best of his/her ability to take his/her place in society as a responsible, involved citizen of the world.
- The community should support the school through financial efforts and cultural and educational endeavors, thereby creating a partnership in education.
- The school should recognize that students progress at different rates and learn through different modalities; thus, the school should enhance individual development.
- Schools should provide students with a physical environment conducive to learning, well-maintained buildings, a safe, orderly climate, necessary equipment and materials, and an efficient and qualified staff.
- The school should encourage trust, respect, positive relationships, and cooperation among students, teachers, administrators, and the community.
- The school should also provide students with the skills necessary to adapt to an ever-changing society and job market.
- The school should provide the student with the opportunities to acquire the skills and knowledge necessary to lead a productive life.
- The school should instill in the students the desire to learn, the acquisition of learning skills, and the understanding that education is never-ending.
- The school should promote a positive feeling of self-worth, acceptance, and self-assurance in the student.

Character Education

All Duncan Public Schools, Pre-Kindergarten through High School, have implemented a character education program. These programs are designed to create safe and effective schools. It is a systems approach to enhancing the capacity of schools to educate all children by developing research-based, school-wide, and classroom behavior support systems. The process focuses on improving a school's ability to teach and support positive behavior for all students. Rather than a prescribed program, our schools implement and evaluate effective school-wide, classroom, non-classroom, and student-specific plans. Our programs include school-wide procedures and processes for all students and all staff in all settings. We have a team-based process for systematic problem-solving, planning, and evaluation. It is an approach to creating a safe and productive learning environment where teachers can teach, and all students can learn

Non-discrimination Statement

Duncan Public Schools, in compliance with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, and other federal law and regulations does not discriminate on the basis of race, color, national origin, sex, age, religion, handicap, or status as a veteran in any of its policies, practices, or procedures. This includes but is not limited to admission, employment, financial aid, and educational services. If anyone has a question about possible civil rights violations or a civil rights grievance, s/he should contact the District Executive Director of Special Services at 580-255-0686.

ESEA Parent Right to Know – Parent Notification Letter

In accordance with the Elementary and Secondary Education Act (ESEA), Section 1111 (h)(6)(A) PARENTS' RIGHT TO KNOW, this is a notification from Duncan Public Schools to every parent of a student in a Title I school that you have the right to request and receive information in a timely manner regarding the professional qualifications of your student's classroom teachers. The information regarding the professional qualifications of your student's classroom teacher shall include the following:

- If the teacher has met state qualifications and licensing criteria for the grade level and subject areas taught;
- If the teacher is teaching under an emergency or temporary status in which the state qualifications and licensing criteria are waived;
- The teacher's baccalaureate degree major, graduation certification, and field of discipline; and
- Whether the student is provided services by paraprofessionals, and if so, their qualifications

In addition to the above information, you will be notified if your student has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

Parents and families of students in Title I schools also have the right to know about state and district policies regarding student participation in any assessments mandated by ESSA, including any policy, procedure, and

parental right to opt students out of such assessments. If you would like to receive information about this topic, please contact Merry Stone, Assistant Superintendent, either by phone at (580) 255-0686.

If you have questions or concerns, please feel free to contact your student's school principal.

Choice of School/Attendance Area Policy

- **Definitions**
  For the purpose of this policy, the following definitions shall apply: Attendance Area – predetermined area immediately surrounding or adjacent to each designated elementary school, as defined below. All students in grades kindergarten through five (K-5), hereinafter "elementary students", that reside in the district will attend, absent an in-district transfer (as defined below), the designated elementary school for their attendance area. Transportation for elementary students within each attendance area will be provided only within the attendance area.
- **School Placement Criteria:** Priority among elementary students for enrollment in a given facility in the district will be accorded in the following descending order:
  - Students under special services/IDEA/504
  - Students living within the attendance area
  - Change of residence to a different attendance area. If a change of residence occurs during the school year, parents have the option for the remainder of such school year of:
    - moving the student to their new attendance area school,
    - leaving the student at their previous attendance area school. Provided, after the school year in which the change of address occurs, such student will be treated as residing in the new attendance area.
  - The availability of another course of study needed by the student, as determined by the district.
  - Students transferring to such a facility in the manner hereinafter provided.
- **Consideration of Transfers**. Transfers will be considered only if space is available at the particular elementary facility. No transfer will be considered:
  - which causes the district to expend or lose funds according to class size mandates
  - for students under disciplinary action (i.e., suspension)
  - if the transfer brings the class size to the maximum or exceeds the size allowed under class size mandates
  - Chronic Absentism Rate

The District acknowledges that unique circumstances may at times result in a request from a parent or guardian that a child be considered for enrollment outside of their designated attendance area. The appropriateness of the program and review of educational and behavioral records may be considered in rendering a decision regarding a request for a change in attendance. All transfers will be subject to any applicable enrollment caps and availability of space and resources at the school. A district enrollment committee including the receiving school's principal will review all school choice requests and make recommendations, taking into consideration the following:

- previous year's enrollment at the requested school,
- if the student has a sibling at the requested school and/or
- if the student resides in the district or lives out of district.
- Requests of school choice from district employees will be taken into consideration, as well.

For more detailed information, see the Duncan Public Schools Policies and Procedures manual policy 6023, Student Transfers.

For admission to Duncan Elementary Schools, a student must be a resident of this district or have obtained a legal transfer. S/he must be living with his/her parent (s) or meet the requirements of the Duncan Public Schools residency policy and be willing to abide by the rules and guidelines of the school as maintained by the Duncan Board of Education.

Any student entering the Pre-Kindergarten program must be four (4) years of age on or before September 1. A student entering Kindergarten for the first time must be five (5) years of age on or before September 1. All students must show proof of completing the prescribed immunizations as outlined by the Oklahoma State Department of Health or meet the requirements for obtaining an exemption from those required immunizations. All students should show proof of a birth certificate.

A student entering Duncan Elementary Schools after being enrolled in another school must show proof of having been enrolled in another school program, having been legally withdrawn from the previous school, and satisfactory completion of all work in the preceding grades.

Immunizations
The law requires that parents or guardians of minor children in school present certification from a licensed physician or appropriate public health authority that shows their child has received, or is in the process of receiving immunizations required for school entry. *For information, that is more detailed see the Duncan Public Schools Policies and Procedures manual policy #6000.*

Student Records
The principal of each school will be the legal custodian of all student records for that school. *For information that is more detailed, see the Duncan Public Schools Policies and Procedures manual policy #3019.*

Student Transfers
On January 1st, 2022, the State of Oklahoma changed the law and review process around student transfers. Transfers may be reviewed and denied each school year based on the following criteria: site capacity at a grade level, student attendance, and student discipline. New student transfers are accepted on a first-come, first-serve basis. Existing student transfers are reviewed by site principals each year for the upcoming school year. Under the new transfer law, a student may only transfer outside of their home district twice during the school year.
For more detailed information, please see the Duncan Public Schools Policies and Procedures manual policy, district policy #6023.

The procedure for withdrawing from Duncan Elementary Schools is as follows:

1. Authorization for withdrawal must be made in person by a legal parent/guardian. This notification should be made at least two days in advance, if possible.
2. Obtain the appropriate forms from the principal's office.
3. Have the forms filled out by the appropriate teacher and other staff members, return all schoolbooks and property, and pay all charges.

Student Attendance/Truancy
It is the intent of the Duncan Board of Education to fully comply with state law in the matter of student attendance. It shall be unlawful for a parent, guardian, custodian or other person having control of a child who is over the age of five (5) years of age and under the age of eighteen (18) years, to neglect or refuse or compel such child to attend and comply with the rules of some public, private or other school unless other means of education are provided for the full term the schools of the district are in session or the child is excused as provided in the Oklahoma Statutes. To be excused from attendance, a child must meet guidelines established by state law. Students who miss 9 days per semester or 18 days a school year are considered to have chronic absenteeism.

When a student has accumulated four (4) absences, the district attorney may be notified as specified by law. **If a child is absent without valid excuse four (4) or more days or parts of days within a four-week period or is**

absent without valid excuse for ten (10) or more days or parts of days within a semester, the principal shall notify the parent, guardian or custodian of the child and may report such absences to the district attorney in the county wherein the school is located for juvenile proceedings pursuant to the Title 10 of the Oklahoma Statutes. (70-10-106). ***For more detailed information, see the Duncan Public Schools Policies and Procedures manual, policy #- 6056, 6056-2, 6056-3.***

Late Arrival
When it is necessary for a student to arrive late to school, the student should report to the office to receive an admit slip before entering the classroom. Since children who arrive late or are absent miss valuable instruction from their teacher, excessive tardiness and absenteeism may hinder the education of a child.

Absences from School
From time to time, it may be necessary for a student to miss school. In that case, a parent/guardian needs to call the office to report the reason for the absence. The call must be made the day of the absence for each/day of absence unless previous arrangements have been made. If it is not possible for a parent/guardian to call to report the absence, a note must be sent to school the day following the absence explaining the reason for the absence.

In Oklahoma, excused absences from school include:

- Illness or injury
- Doctor or dental appointments
- Bereavement
- Serious illness or emergency in the immediate family
- School bus is not running
- Recognized religious holidays and associated travel

*School activities do not count as an absence

Proper documentation will be needed before an excused absence is recorded. In the case of long-term absences due to an extended illness or injury, contact the school office. A doctor's statement may be necessary in some cases. Board policy 6056. All other absences will be considered unexcused.

Chronic Absenteeism
Chronic Absenteeism is defined as 10% or more of a school year. An absence for any reason is not considered exempt except in instances of a "significant medical condition". Examples would be a severe, chronic, or life-threatening physical or mental illness, infection, injury, disease, or emotional trauma. Letters will be sent to families at the end of each quarter if their student falls within the Chronic Absentee category.

Dismissal Routines After School
Elementary sites dismiss at 3:30. Care will be given to accommodate bus routes and traffic problems. Every effort should be made to pick up your child on time. The police may be called if students are left past 4:00 p.m. Students who ride a bus are to go directly to the bus loading area when they are dismissed from class. Loading will be permitted in designated areas only. Students who do not ride a bus are to meet their ride or proceed home immediately after school.

From time to time, changes in after-school routines do occur. Please plan ahead as much as possible and notify the school office in writing whenever a child's after-school routine has been altered.

Early Dismissal
Parents must send a note or phone the office when early dismissal is necessary. A reason must be given for early dismissal. Parents are required to check students out in the office when picking up students for early dismissal. Photo ID is required for signing out a student.

Requesting Make-Up Work

A student shall have two days for every day absent to hand in work for credit. The time limit will remain in effect unless an agreement is reached between the student and the teacher assigning the work.

Requesting make-up work for an absence or absences shall be the responsibility of the student. If a student does not request his/her work, a grade will be recorded as if the student knew about the work and did not complete it.

Parents or guardians requesting make-up work on the day of an absence should call the office before 10:30 A.M. to request the work. Parents are not to go directly to the student's classroom. Children can only be dismissed early for emergencies and extenuating circumstances.

Visitors to Our Schools
Parents/guardians are always welcome to visit our school. Visitors must check in at the office to receive a visitor's badge. Because the safety of our students is very important, any person who does not wear a visitor's badge will be asked to leave the campus. The school policy is to accept only visitors who have legitimate business at the school. Making appointments to conference with a teacher is appreciated.

School Volunteers
Volunteers will be required to complete a criminal record affidavit and may be required to undergo a criminal background record search at such volunteer's own expense. Volunteers will be afforded the same protections from liability as District employees unless they act on their own volition outside the scope of their approved assignment. A volunteer's services to the district may be terminated at any time.

Prior to being assigned any work in the District, each volunteer must sign a confidentiality agreement agreeing that should any information protected by the Family Education Privacy Act become known to such volunteer, such volunteer shall not divulge such information. The administration team reserves the right to deny the services of any volunteer. *For information that is more detailed, see the Duncan Public Schools Policies and Procedures manual policy #1003*.

In School Intervention
See Duncan Public Schools' Policy & Procedures Manual Policy #6027.

Student Conduct
The school's primary goal is to educate, not discipline. The faculty and administration firmly believe that life-long student success depends on learning and practicing self-discipline. However, when the behavior of an individual student comes in conflict with the rights of others, corrective actions are necessary. The teachers and administration shall have the same rights as a parent or guardian to control and discipline a child according to local policies during the time the child is in attendance or in transit to or from school, or any other school function authorized by the school district or in any classroom (O.S. 21-643, O.S. 21-8944, O.S. 21-1362, O.S.70-6-114). All students will be treated in a fair and equitable manner. Disciplinary action will be based on a careful assessment of the circumstances surrounding each infraction.

The classroom teacher is and should be the first line for the enforcement of discipline for misconduct in the classroom. The classroom teacher shall be expected to have tried several methods of disciplinary action, including, but not limited to after after-school or lunch detention, in-school intervention assigned by the teacher and kept by the teacher in his or her classroom, parent contact, etc.

If a student continues with misconduct, the teacher shall fill out a referral form and refer the student to the principal or assistant principal. There will be instances when the misconduct is severe enough to send the student to the principal. The principal shall be responsible for the enforcement of discipline for students referred by the classroom teachers, and when misconduct occurs outside the classroom.

For information that is more detailed see the Duncan Public Schools Policies and Procedures manual policy #6027.

School Bus Regulations
The following rules and regulations shall govern the conduct of school bus passengers. Parents are required to sign an acknowledgment that they have read the transportation guidelines. If a student is found in violation of the guidelines,

the student will be subject to appropriate discipline. Except in cases of handicapping conditions, bus riding is a privilege rather than a right. Therefore, students who abuse the privilege may be suspended from riding the bus.

- Responsibilities of Parents or Guardians
    - Have the student(s) ready for school each morning when the bus arrives at the designated bus stop.
    - Notify the Transportation Office in the event that a student will not be riding the bus on a given day. In addition, if your child is not riding the bus home from school, the parent must notify the school in writing or by phone no later than 1 hour prior to the end of the instructional day.
- Responsibilities of the Transportation Department
    - The driver will arrive at the designated bus stop every morning and come to a complete stop.
    - The driver is not required to wait on any child who is not prepared to board the bus at the time the bus arrives.
    - If a student is not at the bus stop for two consecutive days without making contact with the driver, the bus will not come again until the parent contacts the Transportation Office.

Students will be picked up at their proof of residence and returned to their proof of residence only.

Duncan Public Schools Transportation Department will send out more detailed rules and responsibilities with each bus rider at the beginning of the school year. This will include the discipline matrix for infractions while riding a bus.

The Duncan Public Schools bus drivers have the safety of our children as their primary goal. When problems occur, they will be dealt with in a prompt and professional manner. The following guidelines have been established to ensure that problems will be directed to the proper authorities.

- Adults are prohibited from boarding a bus during a route to discuss a problem directly with the driver.
- Complaints concerning bus drivers are to be directed to the Transportation Department at (580) 252-3496.

Distracting Items at School
Students are to bring to school only those articles/items that are needed to participate in classroom projects and assignments.

Cafeteria
The cafeteria provides a place to enjoy hot meals. Breakfast and lunch are served during school hours. When students have finished eating, they may sit quietly until dismissed. There are a few rules to help ensure a comfortable breakfast and lunch period. It is important that everyone has plenty of time to enjoy his or her meal.

- Talk quietly in the cafeteria
- Go to the back of the line (no cuts)
- Let others get their own seats
- No food or drink is to be taken from the cafeteria.

Breakfast and lunch prices are subject to change. Check duncanps.org for current cafeteria menus and pricing information.

Cafeteria Meal Policy
All students of Duncan Public School will receive free breakfast and lunch for the 2025-2026 school year.

All students are required to fill out a Household Survey form each year.

Wireless Telecommunications Devices
There shall be no use of any wireless communication device during regular school hours without prior approval of the building principal. *For information that is more detailed, see the Duncan Public Schools' Policy and Procedures Manual Policy # 4025-1.*

Reporting Suspected Child Abuse and/or Neglect
In accordance with Oklahoma law, all district staff are required to report suspected cases of physical abuse or neglect involving students to the county office of the Department of Human Services. The Duncan Board of Education fully supports that requirement and has established this policy to facilitate such reporting.

Every teacher, support person, or other employee of this school district shall report any suspected physical abuse or neglect of any school student to the Department of Human Services and law enforcement by telephone, followed by a written report. The employee shall also inform the building principal, who will advise the appropriate district officials that the report was made.
Persons who make such reports in good faith and who exercise due care and who allow access to a child by persons authorized to investigate such reports shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed.

Family Educational Rights and Privacy Act
The Board of Duncan Public Schools has adopted a student records and procedures policy for the school district. This policy is designed to meet the provisions of the Family Educational Rights and Privacy Act (FERPA). Copies of the policy may be obtained on the Duncan Public Schools website, duncanps.org, or at the office of the Superintendent.

The purpose of this policy is to establish guidelines on education records in relation to the Family Education Rights and Privacy Act of 213p as per final regulations published in the Federal Register, Volume 41, No. 18, June 17, l976.

Statement of Rights
Parents and eligible students have the following rights under the Family Education Rights and Privacy Act (FERPA) and Board policy:

- The right to inspect and review the student's educational record.
- The right to exercise a limited control over other people's access to the student's educational record.
- The right to seek to correct the student's record in a hearing if necessary.
- The right to report violations of the FERPA to the United States Department of Education.
- The right to be informed about FERPA rights and procedures. (Public Law 93-380, 93rd Congress, HR 69, and Board Policy)

If the parent/legal guardian of a student, a student or former student that is 18 years of age, or a citizen of the Duncan School District believes that the district is in violation of the provisions of FERPA, that person has the right to file a complaint with the U.S. Department of Education. The address is:

The Family Educational Rights and Privacy Act Office
U. S. Department of Education Room 4511, Switzer Building
Washington, D.C. 20202
Phone: (202) 732-2058

Care of Building and Equipment
We want to provide a comfortable building to come to each day. Your cooperation can help us to do that.

- Be sure to clean your shoes before entering the building each day.
- Deposit trash in the receptacles provided throughout the building.
- Help to keep the building clean at all times.

Closed Campus
The Duncan Elementary Schools maintain a closed campus policy. Students must stay on the school grounds from the time they arrive until they are picked up by the bus, released at the end of the day, or checked out by a parent/guardian.

Students will be allowed to bring bottled water to school. They may purchase juice or milk during break times. Students will be allowed to leave the campus at lunchtime with another parent if there is a note written by both parents. Students will be allowed to leave the campus at lunchtime to walk to their home for lunch, provided there is adult supervision at their home during this time. A student's parent must inform the teacher and the school office in writing of their desire for their child to walk home at lunchtime.

Parents - Custody Papers
Students must remain on campus at all times during the school day. A student will be released during the day only if the parent/legal guardian or approved caregiver checks the student out in the office.

The principal may request court documents (custody document) or written permission as to whom a child may be released.

Health and Hygiene
All children are encouraged to have health and dental examinations at regular intervals. Regular attendance at school is important; however, for their own protection and to prevent the spread of contagious diseases, students should be kept at home if they show any signs of illness. If a student develops an illness after reaching school, a parent or guardian will be notified to pick them up as soon as possible, or to give special instructions to school personnel for dealing with the illness.

Students should be fever-free and vomit/diarrhea-free for 24 hours without fever-reducing medications before returning to school, unless the student has a medical condition that causes vomiting and diarrhea.

Medication
No medicine shall be administered unless the parent or guardian of the student requiring the medication has given the school prior written authorization to administer the medication. The parent or guardian of any student requiring medication during school shall bring the medication to the principal of the school the student attends and complete and sign the "Medication Authorization Form." All medicine brought to school must be accompanied by a "Physician's Order Form" before school personnel will administer the medication. Each school shall keep on file the written authorization(s) of the parent or guardian of the student to administer medicine to the student. Parents must go to the school their child attends and sign the necessary forms. Each student participating in athletics and each student participating in any other activity that requires travel outside the school district must have a "Medical Release Form" on file before he or she will be allowed to participate.

Head Lice
Duncan Public Schools follows *the Centers for Disease Control's Head Lice Guidelines for Schools*. A child who has been infected with head lice should receive treatment before returning to school. If a child has been found to have lice or nits, the parent will be notified. The treatment is the responsibility of the parent/guardian. In accordance with the Centers for Disease Control guidelines, absences due to head lice are not excused.

Grading System
The students who attend Duncan Elementary Schools have different needs, interests, and abilities. Every effort is made to report the individual progress of each student fairly and accurately. Students in Pre-Kindergarten through Fifth (5th) grade will receive a progress report at the end of each of the first three 9 weeks periods and a final report card at the end of the year providing information to parents about the student's performance level, achievement, work-study habits, attitude and behavior, attendance, and any other information that may be important to ensure understanding of the student’s progress.

Promotion and Retention
The principal of each school will form a committee to review and make decisions regarding retention and promotion. The committee will consist of a classroom teacher, a counselor, and additional personnel who may be assigned by the principal of the school.

For information that is more detailed, see the Duncan Public Schools Policies and Procedures manual, policy # 5014.

Grade Placement
Students who were previously enrolled in a private school (including home school), foreign school, Charter School, or other school districts who seek enrollment in the Duncan Public Schools are subject to transcript evaluation to verify appropriate grade level will be made by the building principal. *For information that is more detailed, see the*

Duncan Public Schools Policies and Procedures manual policy #6054.

Parent/Teacher Conferences
Parent/Teacher conferences will be held from 3:30-7:00 on October 13th and 14th and March 9th and 10th. Parent/Teacher conferences play a vital role in the school-home partnership.

Student Dress
The Duncan Board of Education endorses and adopts as policy these regulations on student dress and appearance developed and presented by representatives of the Association of Duncan Educators and the Duncan Public School Administrative staff. All students -

- Attire that promotes alcohol, tobacco, or other controlled substances will not be permitted.
- Attire that displays language or illustrations offensive to the general population may not be worn. Students may wear slacks/skirts-dresses, jeans, or walking-style shorts and blouses/shirts, t-shirts, sweatshirts, or sweaters to school. **All clothing should be of a length within the parameters of good taste.** Bare midriffs and/or exposed shirts, biking shorts, short shorts, or tank tops are not appropriate school attire.
- Hats/caps will not be permitted in school buildings.
- Shoes are required.
- Any clothing style, symbol, or bandana recognized as having a gang association is not appropriate school attire. This will include, but is not limited to, any reference to any professional sports team currently viewed as gang-related. Any change in parameters will be communicated to the student body and the general population through announcements, the DPS website, and local media.
- Metal combs, heavy metal belts, or other paraphernalia, which could be used as weapons, shall not be carried or worn to school. **The individual building principal(s) or his/her authorized representative will have the authority and responsibility to make the final decision determining if wearing apparel and personal appearance are in violation of moderation, good taste regulations, or are disruptive to the educational process.**

Lost and Found
Students who find lost articles are asked to take them to the lost and found. Lost articles that are not claimed within a reasonable time will be appropriately disposed of.

Telephone Usage
No public telephone is located in the school. An office phone is available for student use in the case of an emergency. Your teacher will give you a note with written permission to use the telephone when an emergency exists.

Class Parties
Due to the loss of valuable instructional time, class parties will be kept to a minimum. No parties are permitted except for those predetermined and sponsored by the administration, teacher, and/or parent group.

Tobacco
Students are not permitted to smoke, vape, or have tobacco in their possession at any time in the school building, on the school grounds, or within the area surrounding the school grounds. This applies to all school-sponsored activities as well as the regular school day. Violation of this rule constitutes a serious offense and possible suspension from school.

Per DPS Policy, the amendments define vapor products broadly and include products that may or may not contain nicotine if those products are designed to be used with a vaporizer, e-cigarette, etc.

Use or Possession of Non-intoxicating Beverages, Alcohol, or Controlled Dangerous Substances
The policy of the Duncan Board of Education is that any teacher or other district employee who has reasonable suspicion that a student may be under the influence of or in the possession of:

- Non-intoxicating beverages (as defined by law)
- Alcoholic beverages
- Controlled dangerous substances
- Illegal, illicit drugs, or mood-altering substances, which include steroids, prescription, and over-the-counter medication being used for an abusive purpose, shall immediately notify the principal or his designee of such suspicion.

After investigating the suspicion and finding evidence of use or possession, the principal or principal's designee shall notify the Superintendent of Schools and the parent/legal guardian of the student. Any teacher or other district employee who, in adherence to this policy, reports such information to the appropriate school official shall be immune from all civil liability. Any student found to be in possession or using such substances shall be subject to the provisions of the Duncan Elementary Schools discipline plan.

Technology Devices, Workbooks, and Textbooks
All basic technology devices, textbooks, and workbooks are loaned for student use during the school year. Books are to be handled carefully. Please be sure the name and grade are written in the space provided in the front of the book. **There will be a fine for abuse, misuse, damage, and/or loss of books and devices.**

Behavior Expectations
Our school is committed to creating a safe, respectful, and responsible learning environment. We use a schoolwide behavior matrix to clearly outline expectations in all areas of the school. The matrix helps students understand what positive behavior looks like and supports consistent expectations across campus. Families are encouraged to review the behavior matrix with their child regularly. Behavior Matrix Behavior Matrix

Assaults
Any student assaulting or causing assault on a staff member or another student, including verbal threats, after an investigation by the principal/superintendent, may be suspended for the remainder of the semester and all of the next semester.

Additionally, the matter may be turned over to the police or sheriff for prosecution to the fullest extent of the law. Upon completion of the student's suspension, he/she will be placed on a behavioral contract that includes provisions that could result in long-term suspension of the student for the violation of rules that would normally result in short-term (10 days or less) suspension of a student.

Students with disabilities are subject to this policy and will be disciplined in accordance with the Individuals with Disabilities Act and Section 504 of the Rehabilitation Act if any such students are determined to violate this policy.

Bullying/Harassment
Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time.
For information that is more detailed, see the Duncan Public Schools Policies and Procedures manual, policy #6050.

Asbestos Hazard Emergency Response Act Notification
The Asbestos Hazard Emergency Response Act of l986 requires the inspection of all buildings in the school district for asbestos. The District has complied with this act. A management plan documenting these inspections is on file for public review. You may examine surveillance reports at the Maintenance/Transportation office and/or each campus upon request.

Signal to Evacuate the Building
In the event of a fire or certain other emergencies, it may be necessary for everyone to leave the building for their safety. The teacher in charge of the classroom will lead the class to a designated safe point outside. When everyone is outside the building and in the designated area, the teacher in charge of the class will check to ensure that everyone in attendance that day is with the group.

In accordance with Oklahoma statute, a fire evacuation drill will be conducted at least twice, once each semester. One drill may be conducted each semester. All participants must assume that a real emergency exists when the signal to

evacuate is sounded.

When it is safe to return to the building, the bell will be sounded. The teacher in charge of each group will lead their group back into the building.

Tornado and Other Storm Warnings
A minimum of two tornado drills will be conducted each school year. The signal to warn that a danger of a tornado exists will be several short rings of the bell system. If the bell system cannot be used, a whistle or other designated signal will be used to warn of the danger.

When the signal is sounded, the teacher in charge of the group will lead the group to their designated shelter area to wait until the danger passes.

Directions for the evacuation of the building are posted near the exit door of each classroom.

Emergency Drills and Warnings
In the event of an emergency such as a tornado, fire, or other emergency situation, it may be necessary for the building to be evacuated or for the building occupants to move to a place of safety. In addition, there will be a minimum of two lockdown drills and two intruder drills per school year.

Vandalism to School Property and to the Property of Employees and School Board Members
A student who commits an act of vandalism to any school property or to the property of any school employee or school board member faces severe penalties.

Any student who is guilty of defacing school property or any other act of vandalism connected with school or school personnel may be suspended from attending classes immediately. Such suspension may last for the maximum allowed by law. Subsequent violations of this policy may be punished by suspension from school for a period of time up to and including the remainder of the current semester and all of the next semester.

The student who is guilty of defacing school property or another act of vandalism on school property could be held responsible for the full costs of the restoration process.

Weapons-Free Schools
The Duncan Board of Education has adopted the following policy regarding weapons at school.

Policy Statement:

1. Any student in the Duncan School District who uses or possesses a firearm at school, at any school-sponsored event, or in or upon any school property, including school transportation or school-sponsored transportation, may be removed from school for not less than one full calendar year. Firearms are defined in Title 18 of the United States Code, Section 93l, as:
    a. any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
    b. the frame or receiver of any such weapon; any firearm muffler or firearm silencer, or any destructive device, including any explosive, incendiary, or poison gas, bomb, grenade, rocket having a propellant charge of more than one-quarter ounce, mine, or any device similar to the above. Such firearms or weapons will be confiscated and released only to proper legal authorities.
2. Oklahoma Statutes, Title 21, Section 1280.1 prohibits any person, except a peace officer or other person authorized by the board of education of the district, to have in such person's possession on any public or private school property or while in any school bus or vehicle used by any school for transportation of students or teacher any weapon as defined further in this policy statement: "…any pistol, revolver, dagger, bowie knife, dirk knife, switchblade knife, spring-type knife, sword cane, knife having a blade which opens automatically by hand pressure applied to a button, spring, or other device in the handle of the knife, blackjack, loaded cane, billy, hand chain, metal knuckles, or any other offensive weapon."

Any student who violates this policy will be subject to discipline, which may include suspension up to a full calendar year (for firearms). It is the policy of the Duncan Public Schools to fully comply with the Gun-Free Schools Act for any term less than one calendar year (for weapons other than firearms) as determined by the superintendent or the superintendent's designee.

Students with disabilities are subject to this policy and will be disciplined in accordance with the Individuals with Disabilities Act and Section 504 of the Rehabilitation Act if any such students are determined to be in violation of this policy.

The superintendent or designee may modify the provisions of this policy on a case-by-case basis. However, any substantial modification must be reported to the board of education at its next meeting.

Disciplinary Action for Policy Violations
It is the policy of the Duncan School District that any student who is determined to have brought a weapon to a school under the jurisdiction of the Duncan School District shall be suspended from school for a period of not less than one year. The chief administrative officer of the Duncan School District may modify any out-of-school suspension imposed under this policy for any student on a case-by-case basis.

For the purposes of this policy, the following definitions shall control:

- The term "weapon" means a firearm as such term is defined in Section 921 of Title l8 of the United States Code.
- The term "chief administrative officer" means the superintendent of schools or the board of education of the District.
- The term "determined to have brought a weapon to a school under the jurisdiction of the School District" means any student being in possession or control of a weapon on property owned, leased, or rented by the School District, including but not limited to, school buildings, parking lots, and motor vehicles and any student who is in possession or control of a weapon at any School District sponsored function regardless of whether such function is conducted on School District property

Before the district, through its designated representative, recommends out-of-school suspension, alternative in-school placements, including, but not limited to: placement in in-school detention, or other available disciplinary or correctional options, shall be considered. These shall not be considered as an out-of-school suspension, but shall be treated as a disciplinary or correctional action that may be used, if warranted, as an alternative to out-of-school suspension as a part of the chief administrative officer's case-by-case review of violations of this policy.

This policy applies only to students who are determined to have brought a weapon to school under the jurisdiction of the School District, as defined above; current School District policy on student suspensions for non-weapon violations is unaffected by this policy. It is the policy of this School District to refer to the appropriate criminal justice or juvenile delinquency system for any student who violates this policy. Any firearm seized from a student by any school employee shall immediately be delivered to a law enforcement authority for disposition pursuant to applicable law.

Policies and Procedures are updated and/or changed throughout the school year. Reference the Duncan Public Schools' website for the most current Board of Education policies.

Academic Policy: Pre-AP and Advanced Placement (AP) Courses via Horizon

Purpose and Overview

- This policy outlines the guidelines, expectations, and requirements for students enrolled in Pre-AP and Advanced Placement (AP) courses. Our campus is committed to providing rigorous academic opportunities. To balance flexibility with high standards, all Pre-AP and AP courses will be delivered virtually through the Horizon online platform, while students remain on campus under local supervision.

Course Delivery Model

- On-Campus Online Learning: Students will be assigned a designated period and location on campus to complete their Horizon coursework.
- Self-Paced with Deadlines: While the Horizon platform allows for individual pacing, students

must meet all weekly benchmarks, assignment deadlines, and module completions established by the course syllabus.

- Campus Supervision: A certified staff member will monitor the learning environment, track attendance, and assist with troubleshooting, but primary instruction is delivered through Horizon.

Mandatory AP Examination Requirement

- The ultimate goal of enrollment in an AP course is to demonstrate college-level proficiency. Therefore, the examination policy is a strict condition of enrollment:

Mandatory Testing Rule: Any student enrolled in an AP course on the Horizon platform is required to take the corresponding College Board AP Examination in the spring.

Key Exam Details

- Pre-AP Exception: Please note that official College Board AP exams only exist for standard AP courses. Students in Pre-AP courses are not required to take a spring AP exam but are required to complete all Horizon cumulative final assessments.
- Fees and Registration: The campus will handle exam registration in the fall. [Optional: Insert school policy regarding exam fees, e.g., "The school will cover exam fees," or "Students are responsible for the exam fee by X date."]
- Consequences of Non-Participation: Failure to sit for the required AP exam in the spring may result in the loss of weighted GPA points for the course, a change in the transcript designation from "AP" to "Honors" or "Regular," or financial responsibility for the unused exam fee.

Student Expectations and Academic Integrity

Because these courses are delivered online, students must exhibit a high degree of maturity and self-discipline.

- Attendance: Daily attendance in the designated Horizon lab/classroom is mandatory. Standard campus attendance policies apply.
- Academic Integrity: All work submitted through Horizon must be the student's own. Plagiarism, the unauthorized use of AI tools, sharing login credentials, or using external cheating websites will result in immediate disciplinary action and potential removal from the course.

Drop/Withdrawal Policy

- Schedule Changes: Students may drop a Pre-AP or AP Horizon course within the first 10 days of the semester without penalty.
- Commitment: After the designated drop window, students are committed to completing the course and, for AP students, taking the spring exam. Withdrawals after this deadline require administrative approval and a parent-teacher conference.

Advisory/ReThink Time Policy

Overview

Duncan High School is committed to fostering a supportive and enriching environment for all students. To achieve this, we have implemented a dedicated 30-minute block of time between the 2nd and 3rd hour, known as Advisory/ReThink time. This period is designed to provide students with a structured opportunity for personal growth, academic support, and reflection.

Schedule

Monday/Friday: Advisory Time
Tuesday, Wednesday, Thursday: ReThink Time

Advisory Time (M/F)

Purpose

Advisory Time is intended to offer students guidance and support through mentorship, career exploration, and skill development. It is a space where students can build relationships with their advisors and peers, discuss academic goals, and engage in activities that promote personal and social growth.

Activities

- Mentorship Meetings: Students meet with their advisors to discuss academic progress, set goals, and receive guidance on personal and academic challenges.
- Career Exploration: Activities include guest speakers, career planning sessions, and exploration of career tech opportunities.
- Skill Development: Workshops focused on developing essential life skills, such as communication, time management, and leadership.

ReThink Time (T/W/Th)

Purpose

ReThink Time serves a dual purpose. For students who need remediation, it provides closed sessions for targeted support to address specific academic challenges. For those who don't require remediation, it offers open sessions where students can choose to pursue personal interests, explore new topics, or engage in self-directed study.

Activities

- Remediation: Focused sessions for students needing extra help to improve understanding and performance in specific subjects
- Self-Directed Study: Students have the opportunity to work independently or in groups on assignments, projects, or areas needing improvement.
- Exploration of Interests: Time to pursue personal interests, such as reading, research, or participating in clubs and extracurricular activities

Expectations

- Punctuality: Students are expected to arrive on time and be prepared to engage in the designated activities.
- Active Participation: Students should actively participate in discussions, workshops, and activities.
- Respectful Environment: All participants must foster a respectful atmosphere where everyone feels valued and heard.

Evaluation

The effectiveness of Advisory/ReThink Time will be evaluated through student/teacher feedback, academic performance, and participation rates. Adjustments to the program will be made based on this

evaluation to continually improve its impact on student development.

By adhering to this policy, Duncan High School aims to create a dynamic and supportive environment that empowers students to reach their full potential.

Announcements

Announcements will be made daily to students via public-address, smartphone applications, student email, and the DHS website. Weekly bulletins will also be available on the Duncan High School website, and students and parents may receive an emailed copy of the Weekly Bulletin by sending a request to rose.lard@duncanps.org.

Attendance Policy

Absences

Parents must ensure their child attends school regularly and on time to promote daily learning and readiness for the next school year. Regular attendance is vital for developing responsible adults ready for work. Students should attend at least 90% of the school year, which equates to 149 out of 166 school days, allowing for up to 16 absences annually or 8 per semester. Refer to the absence and credit policy for more details.

Steps to Manage Absences

A. Parents/guardians must inform the attendance office of their child's absence. If not contacted, the school will reach out.
B. Notify the office within 5 days of the absence, or it remains unexcused.
C. After three unexcused absences, the school will contact the home.
D. In line with Oklahoma School Law (Section 232), if a student is truant for 4 or more days in four weeks, or absent without excuse for 10 or more days in a semester, the school reports this to the City of Duncan, possibly leading to fines and involvement of the Stephens County district attorney.

Documented Absences

Documentation is encouraged for the following absences:

- Doctor visits
- Counseling appointments

Documentation is required for the following absences:

- College visits (juniors and seniors only)
- Military visits

Submit documentation to the attendance clerk within 5 days of the absence for review. The attendance committee's decision on whether the absence is excused is final.

Absences and the Ability to Receive Credit

To maintain academic integrity and fairness, students must adhere to the attendance policy to receive semester credit. A student will not earn credit for a course if they are absent more than eight (8) days per semester, with certain exceptions. These exceptions include absences due to school activities, two college

visit days for juniors, four college visit days for seniors, and other waived absences. **Please be aware that missing more than 10 minutes of any class will be recorded as an absence for that class.**

The building principal has the discretion to approve make-up time or grant additional waivers for absences exceeding the 8-day limit. It should be noted that the school administration does not encourage or endorse students missing school for trips or family vacations. Parents, guardians, or legal custodians should consider the student's current absence record before planning such trips. It is advised to consult the school calendar prior to making vacation arrangements. Requests for excused absences due to trips or family vacations should be submitted to the campus administration at least two (2) weeks in advance. Students with a high number of absences or poor grades due to absences will not be excused for trips or family vacations.

Students at risk of losing credit due to excessive absences may appeal to the DHS Attendance Committee. They must present valid reasons for all absences, supported by documentation such as doctor's notes or court documents. The committee's decision regarding the award or denial of credit is final.

~~Exemption from Semester Tests~~

~~Students who meet the following criteria will be exempt from taking semester tests:~~

- ~~3 excused absences or fewer and an A grade~~
- ~~2 excused absences or fewer and a B grade~~
- ~~1 excused absence or fewer and a C grade~~

~~Important: Any student with 25 or more tardies in a semester will not be exempt from semester tests, regardless of their grades or number of excused absences.~~

Absence and Removal from Attendance Roll

In compliance with Oklahoma School Law (Section 387/Part 2), a student who has been absent without a valid excuse for ten (10) consecutive days shall be removed from the district's attendance roll beginning with the eleventh day.

Truancy

Truancy is not being in class when assigned. Disciplinary action will be taken.

Examples of Truancy:

1. Being absent for any reason not listed as an excused absence
2. Leaving school without first securing campus permission and checking out at the attendance office
3. Being ill and staying in the restroom instead of checking in with the nurse
4. Coming to school, but failing to attend class
5. Obtaining a hall pass to a particular destination, then not reporting there and back
6. Late arrival or non-attendance due to car trouble, missing the bus, oversleeping, etc
7. Being in an unassigned class without permission or in an unauthorized area

Procedure for Leaving Campus During the School Day

A student must receive a permit from the attendance office to leave the school grounds at any time during

the school day. Failure to follow proper checkout procedure will result in truancy and its related discipline.

Make-up Work

The last day that assignments can be turned in for credit for the semester is December 8, 2026 for the fall semester and May 11, 2027 for the spring semester. It is crucial for students to manage their time effectively to ensure all assignments are submitted by these deadlines.

Students who have absences that meet the attendance requirements are eligible to complete make-up work for full credit. The time allotted for completing missed assignments will correspond to the number of days the student was absent. This policy ensures that students have a fair opportunity to recover any missed academic work without penalty.

Upon returning to school after an absence, it is the student's responsibility to request and complete any work missed. This proactive approach helps students stay on track with their coursework and maintain their academic standing. Students are encouraged to communicate with their teachers to clarify any questions regarding missed assignments or deadlines.

Attendance Policy (State)

It shall be unlawful for a parent, guardian, or other person having custody of a child who is over the age of five (5) and under the age of eighteen (18) years, to neglect or refuse to cause or compel such child to attend and comply with the rules of some public, private or other school, unless other means of education are provided for the full term the schools of the district are in session or the child is excused as provided in this section.

It shall be unlawful for any child who is over the age of twelve (12) years and under the age of eighteen (18) years, and who has not finished four (4) years of high school work, to neglect or refuse to attend and comply with the rules of some public, private or other school, or receive an education by other means for the full term the schools of the district are in session.

This rule shall not apply:

1. If any child is prevented from attending school by reason of mental or physical disability, to be determined by the board of education of the district upon a certificate of the school physician or public health physician, or if no such physician is available, a duly licensed and practicing physician;

2. If any such child is excused from attendance at school, due to an emergency, by the principal teacher of the school in which such child is enrolled, at the request of the parent, guardian, custodian or other person having control of such child;

3. Any such child who has attained his or her sixteenth (16) birthday is excused from attending school by written, joint agreement between:

   a. the school administrator of the school district where the child attends school, and

   b. the parent, guardian or custodian of the child. Provided, further, that no child shall be

excused from attending school by such joint agreement between a school administrator and the parent or custodian of the child unless and until it has been determined that such action is for the best interest of the child and/or the community, and that said child shall thereafter be under the supervision of the parent, guardian or custodian until the child has reached the age of eighteen (18) years; or

4. If any such child is excused pursuant to subsection C of this section.

c. A school district shall excuse a student from attending school for the purpose of observing religious holy days if before the absence, the parent guardian, or person having custody or control of the student submits a written request for the excused absence. The school district shall excuse a student pursuant to this subsection for the days on which the religious holy days are observed and for the days on which the student must travel to and from the site where the student will observe the holy days.

d. Any parent, guardian, custodian, child or other person violating any of the provisions of this section, upon conviction, shall be guilty of a misdemeanor, and shall be punished by a fine not less than Five Dollars ($5.00) and no more than Twenty-five dollars ($25.00) for the first offense, and not less than Twenty-five Dollars ($25.00) and no more than One Hundred Dollars ($100.00) for each subsequent offense. Each day the child remains out of school after the oral and documented or written warning has been given to the parent, guardian, custodian, child or other person or the child has been ordered to school by the juvenile court may constitute a separate offense. At the trial of any person charged with violating the provisions of this section, any authorized employee of the school district may present the attendance records of the child or ward in court. (70-10-105)

State Attendance / Truancy Policy

Definition – Truancy is defined as any absence from school or school activities lasting one or more days or part or parts of any school day without a valid excuse and without the permission of a parent, guardian or school official. Any student who stays out of or leaves school or any school activity without a valid excuse and permission shall be deemed truant. H.B. 1975, effective July 1, 1995, provides that if a child is absent without a valid excuse for four (4) days or parts of days within a four (4) week period, the parent will be notified, or if a student is absent without excuse for ten (10) days or parts of days within a semester, the building principal must notify the parent and immediately report such absences to the District Attorney's Office. Enforcement – It is the responsibility of the building principal to determine whether an absence constitutes truancy. The building principal can and should take all appropriate disciplinary action to enforce attendance. In the event of any truancy, the parent or guardian of the truant student should be notified by telephone or otherwise. In addition, each truant student may receive a "0" as a daily participation grade for each class or part of class missed.

Chronic Absenteeism

A student is considered chronically absent after missing 10 percent or more of school days. This includes both excused and unexcused absences. Missing 10 percent of school days would be approximately 18 days in a normal 180-day school calendar - just two days per month.

Attendance Eligibility

The maximum number of absences for activities which remove a student from the classroom, shall not exceed ten

(10) absences for any one class period per year as set down by the Oklahoma State Department of

Education.

The absence of a student to participate in an event sponsored by an outside agency/organization shall count against the ten (10) absences per class per year only when the school has direct authority to determine if the student will be allowed to participate. Otherwise, the absence shall be treated as any other absence.

The ten (10) absences could be a combination of all co-curricular and extra-curricular activities. Excluded from this number are state or national school sponsored contests for which the student has previously earned the right to compete or attend. School sponsored regional contests shall also be excluded from this number due to the fact that regional contests are a prerequisite for state contests. Boys and girls golf will be excluded from this number

due to the extreme circumstances that create undue hardships based on the fact that golf is played on a public course and cannot be moved to after school or on weekends.

The Internal Activities Review Committee shall be responsible for reviewing and recommending any deviation of the activities attendance policy in regard to the "ten day rule" for Duncan High School students. Any deviation from the ten (10) day/class period absence rule shall not exceed five (5) days/class periods. Any absence exceeding the ten (10) day/class period rule, and not approved as a deviation (not to exceed five (5) days/class periods) by the Internal Activities Review Committee and/or the local board of education, will result in the student being counted as not in attendance for that day.

HARASSMENT/INTIMIDATION/BULLYING:

Students attending Duncan Public Schools are expressly prohibited from committing any act or acts of threatening behavior, harassment, intimidation, or bullying while at school and further, by electronic communication, whether or not such communication originated at school or with school equipment, if the communication is specifically directed at students or school personnel and concerns harassment, intimidation or bullying at school. The Duncan Board of Education hereby endorses and adopts the

following policies concerning the investigation of alleged acts of threatening behavior, harassment, intimidation or bullying and the discipline of students who commit or attempt to commit any act or acts of threatening behavior, harassment, intimidation or bullying.
As used in these regulations, the following terms shall be defined as follows:

- "Harassment, intimidation or bullying" mean any gesture, written or verbal expression, electronic communication,or physical act that a reasonable person should know will harm another student, damage another student's property, place another student in reasonable fear of harm to the student's person or damage to the student's property, or insult or demean any student or group of students in such a way as to disrupt or interfere with the school's educational mission or the education of any student;

- "Harassment" shall also mean the intimidation by threats of or actual physical violence; the creation by whatever means of a climate of hostility or intimidation; or the use of language, conduct, or symbols in such manner as to be commonly understood to convey hatred, contempt, or prejudice or to have the effect of insulting or stigmatizing an individual;

- "At school" shall mean school grounds, in school vehicles, at designated school bus stops, at school-sponsored activities, or at school-sanctioned events;

- "Electronic Communication" means the communication of any written, verbal, or pictorial information by means of an electronic device, including, but not limited to, a telephone, a cellular telephone or other wireless telecommunication device or a computer; and

- "Threatening Behavior" means any pattern of behavior or isolated action, whether or not it is directed at another person, that a reasonable person would believe indicates potential for future harm to students, school personnel, or school property.

Each building principal is responsible for putting in place a policy of prevention of and education about harassment,intimidation and bullying. All alleged acts of harassment, intimidation, bullying or threatening behavior, should be immediately reported to the building principal. Upon receipt of such report, the building principal or the principal's designee, should conduct an immediate investigation into the alleged acts to determine the validity of such allegations and the facts surrounding such allegations. If, at the conclusion of the investigation conducted by the building principal, it is determined that a student has committed or attempted to commit any act or acts of harassment, intimidation, bullying or threatening behavior toward another student or school personnel, the offending student shall be subject to the following:

- For a first offense the appropriate building principal shall impose such disciplinary penalty as he/she deems appropriate under the circumstances, including, but not limited to, ISI and out-of-school suspension not to exceed ten (10) days;
- In the event of any disciplinary action, a mandatory conference will be held as soon as possible involving, subject to availability, the student, his/her parent(s) or legal guardian, school officials, and others as deemed necessary by school officials to discuss prevention of future incidents of such behavior and the consequences of such behavior. At such mandatory conference, the building principal may recommend that available community mental health care options be provided to the student, if appropriate. An updated list of such available community mental health

care options shall be provided to each building principal prior to the beginning of each school year;

- In the sole discretion of the building principal, the student may, at the expense of the student's parents or legal guardian, be required to attend mandatory counseling with an appropriate counseling agency as determined by school officials. Such counseling agency shall make recommendations to the school officials concerning the entry of the student into the student population;
- Any student who has been previously disciplined for any act or acts of harassment, intimidation, bullying or threatening behavior pursuant to these regulations, may, upon committing a second or subsequent offense, be subject to suspension for the remainder of the current semester and the succeeding semester; and
- Each building principal who disciplines any student under these regulations shall prepare a report concerning the incident involved and the disciplinary action taken and shall send a copy of such report to the superintendent for his/her records.

If a student who has committed or attempted to commit any act or acts of harassment, intimidation, bullying or threatening behavior, receives mental health care from a mental health care provider, the school may request the disclosure of any information concerning such student that indicates an explicit threat to the safety of students or school personnel, provided the disclosure of the information does not violate the requirements and provisions of theFamily Educational Rights and Privacy Act of 1974, the Health Insurance Portability and Accountability Act of 1996,Section 2503 of Title 12 of the Oklahoma Statutes, Section 1376 of Title 59 of the Oklahoma Statutes, or any other state or federal laws regarding the disclosure of confidential information. Any such request should be made by theSuperintendent or Assistant Superintendent of the Duncan Public Schools and should be directed to the mental health care provider.

The Board of Education shall publish the hereinbefore set forth prohibited activities for which a student may be disciplined. A copy of such activities and these policies shall be furnished to each pupil and shall be posted on a bulletin board located in each school.

Bus Information

For information about bus schedules or routes, call the Transportation Office. The telephone number is (580) 252-3496. Riding a bus is a privilege. Disciplinary problems can lead to a student's temporary or permanent removal from the bus.

Cafeteria

The school cafeteria is maintained as a vital part of the health program of the school. To encourage good nutrition, a well-balanced lunch is offered at a reasonable price.

**ALL students will receive FREE breakfast and lunch for the 26-27 school year.

All students are urged to participate in the school lunch program. Two lines are provided in the cafeteria. The lunch room management and your fellow students will appreciate your cooperation in:

1. Depositing lunch litter in wastebaskets.
2. Returning all trays and utensils to the dishwasher area.
3. Leaving the table and floor around you in a clean condition for others.

Milk may be purchased in the cafeteria.

The Duncan Public School Child Nutrition Department requests a prepayment plan on all meal accounts. The cafeteria cashier will send out low balance letters when meal accounts have a $5.20 credit balance. This will allow time for parents to increase the meal account to avoid a negative account balance.

If an account becomes a negative balance; the cafeteria cashier will contact the parent/guardian by phone and send a letter by mail stating that all cafeteria meals served will need to be paid in full each day. If no payments or parent request for payment arrangements are received, then the student will begin receiving an alternate meal. Charging on meal accounts is not permissible without the receipt of a written request from the parent requesting payment arrangements or expressing an interest in applying for free and reduced meals. At the time of the written request, a five (5) day extension of meal charges will be granted. If the parent/guardian has not remitted payment within the five day extension, the cafeteria cashier will notify the parent/guardian by phone and mail stating that on the sixth day the student will receive an alternate meal until the meal account is in good standing.

The alternate meal consists of the following food items:

Breakfast: Toast and Milk

Lunch: Peanut Butter Sandwich and Milk

If the student has an allergy to peanut butter, a cheese sandwich or an appropriate substitution and milk will be provided by Child Nutrition.

Eligibility During a Semester

- Scholastic eligibility for students will be checked after three weeks (during the fourth week) of a semester and each succeeding week thereafter. Schools may choose to run eligibility checks on any day of the week. The period of probation and ineligibility will always begin on Monday, the day eligibility is checked.
- A student must be passing in all subjects he/she is enrolled in during a semester. The ineligibility periods will begin on Monday and end on Sunday.

If a student misses more than the maximum number of 8 days in any single class during the semester, the student shall be ineligible for the remainder of the semester regardless of their grades. School activity absences will not count towards the 8 day limit. This applies to ALL dances, prom, and other events that grade eligibility applies to.

~~Absences that will require documentation include (but are not limited to) the following:~~
~~Doctor visits~~
~~Counseling appointments~~
~~College Visits (seniors only)~~
~~Military visits~~

Documentation for absences may be turned into the attendance clerk, as a reference, should the student need to meet with the attendance appeals committee at the end of each semester. Documentation will be reviewed by the attendance committee and a determination will be made as to whether or not the absence will be excused. The decision of the committee shall be final.

- A student who has lost eligibility under this provision must be passing all subjects in order to regain eligibility. A student regains eligibility under Rule 3 with the first class of the new one

week period (Monday through Sunday).

Enrollment Guidelines

All students who enroll in courses at Duncan High School must adhere to the following guidelines:

Seniors will not receive a diploma from Duncan High School unless all graduation requirements have been met.

Extra-curricular Activities

Every student is encouraged to attend and/or participate in all extra-curricular contests and activities.

Grade Point Average

A student's cumulative Grade Point Average is determined by dividing the total number of quality points earned by the total number of courses taken. A student's current Grade Point Average is determined by dividing the number of quality points earned during the current grading period by the number of courses taken during the same grading period. Duncan High School's grading system is based on a 4.0 grading scale as follows:

A = 4 quality points

B = 3 quality points

C = 2 quality points

D = 1 quality point

F = 0 quality points

Students who take an accelerated class and earn a grade of "C" or higher shall receive an adjustment in their weighted grade point average. Duncan High School's weighted grading system will be based on a 5.0 grading scale as follows:

A = 5 quality points

B = 4 quality points

C = 3 quality points

The weighted formula above will be used for weighted class ranking. The weighted quality points will be earned by taking courses weighted by Duncan High School.

Grading System

~~Final grades are awarded at the end of each semester. Each semester grade will be determined by the grades a student earns during the semester with the semester test counting as no more than 10% of the~~

~~overall grade. Progress reports and/or report cards will be available on the Parent Portal and may be requested from a counselor or registrar at any time by a parent/guardian.~~

~~Duncan High School grading scale:~~

~~90 -100 A Excellent~~
~~80 - 89 B Above Average~~
~~70 - 79 C Average~~
~~60 - 69 D Below Average~~
~~Below 60~~
~~F Failing~~
~~NC No Credit~~
~~Pass P Excluded from GPA~~

~~Students who do not complete a course because of illness or other excused absence will receive the grade their average represents at the time grades are due to be turned in to the office. When the student completes the make-up work within the time allowed, the teacher will change the student's grade. No grade of "I" or "Incomplete" will be used.~~

Duncan High School
Course Grading Policy
Academic Year: 2026–2027

Philosophy and Purpose

The grading policy at Duncan High School is designed to measure student academic progress, mastery of the Oklahoma Academic Standards (OAS), and consistent engagement with course material. Our goal is to provide a balanced evaluation that rewards daily consistency, regular formative assessment, and cumulative comprehension.

Grading Structure

In alignment with district guidelines, final semester grades are calculated using a weighted system divided into two primary categories: **Semester Coursework** and the **Semester Cumulative Examination**.

Category	Weight	Description
Semester Coursework	**80%**	Includes all daily work, homework, in-class assignments, laboratory exercises, projects, and unit quizzes/tests administered throughout the semester.

Semester Exam	**20%**	A comprehensive, cumulative examination administered at the conclusion of the semester to assess overall retention and mastery of the Oklahoma Academic Standards.

Grade Scale

Semester percentages are converted to a standard letter grade based on the Oklahoma state grading scale:

- **A:** 90% – 100% (Excellent Mastery)
- **B:** 80% – 89% (Above Average Mastery)
- **C:** 70% – 79% (Average Mastery)
- **D:** 60% – 69% (Below Average/Passing)
- **F:** Below 60% (Failing / No Credit)

Policy Details & Expectations

1. Semester Coursework (80% of Final Grade)

Because this category comprises the vast majority of a student's grade, daily participation and timely completion of tasks are critical to academic success.

- **Daily Work & Homework:** Designed to provide practice and formative feedback.
- **Quizzes & Tests:** Administered regularly to assess progress before the final exam.

2. Semester Exam (20% of Final Grade)

The semester exam is a mandatory component of the course. It serves as a benchmark for student readiness for subsequent coursework and state-mandated testing (such as Oklahoma College and Career Readiness Assessments).

- **Absences:** Students with an excused absence on the day of the semester exam must schedule a makeup exam with the instructor or attendance office within the designated finals week window. Unexcused absences will result in a zero for the exam.

Progress Tracking

Parents and students are strongly encouraged to monitor academic standing weekly via the online grading portal *in Infinite Campus.*

A Note on Academic Integrity: Cheating, plagiarism, or the unauthorized use of artificial intelligence

tools on any assignment, quiz, or exam will result in a grade of zero for that task and a referral to administration in accordance with the Student Handbook.

Class rank and GPA will be based on a 4.0 Grading Scale. Weighted rank and GPA will be provided upon request.

~~**Students who meet the following criteria will be exempt from taking semester tests:~~

~~3 EXCUSED absences or less and an A~~

~~2 EXCUSED absences or less and a B~~

~~1 EXCUSED absence or less and a C~~

~~**ANY STUDENT WHO HAS 25+ TARDIES IN A SEMESTER WILL NOT BE EXEMPT FROM SEMESTER TESTS.~~

****Duncan High School Requires 25 credits to graduate.**

*Beginning with the Class of 2023, students will be required to complete an ICAP (Individualized

Career Academic Plan) and a Capstone experience (determined by each student's ICAP) to meet graduation requirements. ICAPs will be completed during advisory or with the student's counselor.

The determination to waive credits will be made on a case-by-case basis. Factors that must be considered include, but are not limited to, whether the student's circumstances are atypical for a high school student or whether the circumstances are beyond the student's control. A student, or a parent/guardian or counselor on behalf of a student, may submit a written request using the district's form for Elective Credit Waiver to the superintendent or superintendent's designee, who may waive up to two (2.0) non-statutory elective credit requirements when it is in the best interest of the student.

Proficiency Based Promotion Policy & Testing Schedule

As a result of HB 1017, students shall have the opportunity to demonstrate proficiency in the core areas as identified in 70 O.S. 11-103.6:1

A. Social Studies

B.. Languages

C. Language Arts

D. Mathematics

E. The Arts

F. Science

Proficiency for advancing to the next level of study will be demonstrated by a score of 90% or comparable performance on an assessment or demonstration. Students entering Duncan High School from a non-accredited high school or homeschool shall, upon providing written evidence of study in a particular core subject, have the opportunity to demonstrate proficiency in that specific subject. Proficiency will be demonstrated by a score of 60% or better on an assessment or demonstration. Students demonstrating proficiency in a core curriculum area will be given credit and a letter grade based on the percentile score earned on the assessment or demonstration. These students will be given the opportunity to advance to the next level of study in the appropriate curriculum area. Proficiency assessment will measure mastery of Oklahoma Academic Standards.

The opportunity for proficiency assessment will be offered during August and April. Students should register with their counselor at least two weeks in advance for the spring test. Summer testing requests will be received in the superintendent's office. A parent or guardian will need to sign the registration form.

Scheduling and Schedule Changes

Students complete Course Request Forms during the Pre-Enrollment period. Requests for courses must be approved by the school counselors. When final approval has been given, the students' requests are fed into

a computer for scheduling and assignment. Students do not select their teachers.

Students who wish to change their schedule must fill out a Schedule Request Change Form and turn it in to the Counselor's Office prior to the 8th day of the semester. Beginning with the Class of 2023, schedule changes will be made ONLY if it satisfies the student's ICAP. Schedule changes will be completed in the following order of priority:

1. An incomplete schedule
2. Course already completed
3. Prerequisite not met
4. Missing a graduation requirement

Once these academic changes are made, elective changes will be considered on a space-available basis if they:

1. Meet college and career goals
2. Do not impact other class sizes
3. Do not compel teacher changes

Students will be called to the Counselor's Office when it is their turn to discuss their schedule change.

Schedule changes after the 8th day of the semester:

1. A formal request must be completed and submitted directly to the student's assigned guidance counselor. This request must be completed by the student (which includes an extensive written explanation of why the schedule change is desired). *Please note: schedule change requests made because of a desire to have the same class as friends, closer parking, personal dislike of a teacher, or so forth will not add to the effectiveness of a student's education, and therefore, will not be considered or approved by DHS Administration.
2. The counselor will review the request and determine if the reason(s) for the request are adequate to necessitate bringing the request before DHS administration.
3. If the request is determined to be necessary for the student's education or best for the operation of Duncan High School, the request will be approved and the change will be made by the counseling department.
4. If the request is not deemed as necessary for the student's education or would result in a negative effect on the education provided by Duncan High School to its students, the request will be denied and the decision will be final.

School Day

The school day is defined as any part of the day during which the students and/or faculty are expected to be at school, a school-sponsored practice or a school-sponsored activity. The day includes the lunch period if the student remains on the school campus.

School Records (FERPA)

School records will be made available to parents of students or eligible students according to the guidelines set forth in the Family Educational Rights & Privacy Act (FERPA). FERPA (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. FERPA

guidelines are explained in detail in the Duncan Board of Education Policies and Procedures Manual and are available online at: http://www.ed.gov/offices/OM/fpco/.

All teachers have been requested to be on the alert for any student behavior which is in violation of school regulations. Students should behave in a manner that will be a credit to the school. Students will not be called out of classes to the telephone except for emergency calls only. Students who need to use the phone during class time may do so ONLY with a note from the teacher.

Textbooks

All students will be issued appropriate textbooks in the basic subjects. Students and their parents are accountable for all issued textbooks and will be required to pay for lost or damaged books. Financial obligations: The principal may hold transcripts, withdrawal forms, or other records of the school relating to any student who fails to return a textbook, library book, or until all financial obligations are cleared.

Transcript Requests

All current and former students needing a transcript must create an account at parchment.edu. Once the account is created, a transcript can be requested. It will be sent directly to the email provided or to the university indicated in the request. This is free of charge for current students and there is a small fee for former students.

Vehicle Regulations

Students who drive automobiles onto school property subject the automobiles to a search upon "reasonable suspicion." An alert by a drug interdiction canine is an example of many circumstances that may substantiate reasonable suspicion.

All students who commute to school by car or motorcycle are required to park in the designated student parking lots, as mandated by the school board regulations. To ensure compliance, students must obtain a parking permit from the school office. This process involves completing an information card, paying a $8.00 annual parking fee, and displaying a parking decal.

1. Obtain an Information Card: Students must fill out the necessary details on the information card provided by the office.
2. Pay the Parking Fee: A fee of $8.00 is required for the annual parking permit.
3. Display the Parking Decal: Once obtained, the parking decal should be placed on the rearview mirror of the vehicle the student will drive to school.

Students are expected to leave their vehicles parked in the designated areas throughout the school day. Vehicles may only be used during lunch or after school hours. However, students may receive special permission from the office to use their vehicle during the school day for emergencies, internships, concurrent classes, or RRTC classes.

By adhering to these guidelines, students contribute to a safe and orderly environment on campus.

Withdrawal from School

For students under the age of 18, it is necessary for a parent or legal guardian to provide their signature on a withdrawal form before the student can officially leave school. Mrs. Milburn, the registrar, is responsible for overseeing this process to ensure compliance with school policies and legal requirements.

Returning School Property

Students are expected to return any school-owned items such as textbooks, equipment, supplies, or library books to the teacher who originally issued them. This helps maintain the school's inventory and ensures that resources are available for other students.

Concurrent Enrollment Handbook and Contract

The concurrent enrollment program at DHS is designed to allow students to attain college credit while simultaneously earning high school credit through accredited Oklahoma universities and colleges.

Current Handbook Policy:

Duncan High School Juniors and Seniors who meet the requirements set forth by the Rules of the Oklahoma State Board of Education and Oklahoma State Regents for Higher Education are eligible for concurrent enrollment in a college or university in the Oklahoma State System of Higher Education. Tuition waivers are available for all seniors for up to 18 college credits and to Juniors for up to 9 college credits. Students are responsible for all other costs which may include fees, books, and any other associated costs. However, any student who chooses to take concurrent courses on the DHS campus, through Cameron University, all costs will be covered by Duncan Public Schools. Any student interested in Concurrent Enrollment should contact our concurrent coordinator, Mrs. Jennifer Kinnaird at 255-0700 or jennifer.kinnaird@duncanps.org. In order to enroll concurrently in college coursework, students must meet the following requirements:

ACT composite score of 19 or higher (S.A.T. 1020/940) **OR** 3.0 GPA AND rank in the top 50% of their

graduating class.

High school students may enroll in a combined number of high school and college courses per semester not to exceed a full-time college workload of 19 semester-credit-hours. According to the Oklahoma State Regents for Higher Education, **for the purposes of calculating workload**, one-half high school credit shall be equivalent to three semester-credit-hours of college work. Students wishing to exceed the allowed number of hours must receive permission from the principal at Duncan High School and from the university in which the student plans to concurrently enroll.

Students must be able to complete all high school graduation requirements by the end of the Spring semester of their Senior year, including all courses required for college entrance.

Students may only enroll in curricular areas (English, math, and science) as long as they achieve a minimum ACT score of 19 on the corresponding subtest. In addition, an ACT score of 19 must be achieved on the reading subtest to enroll in any other subject (history, psychology, humanities, speech, etc.)

*****Concurrently enrolled students will receive 1 high school credit for each 3 semester hour college course passed.***

NOTE: Some Oklahoma colleges and universities have amended their requirements for concurrent enrollment. These can change at any time. For more information please contact your counselor, concurrent coordinator, or the college/university you plan to attend. DHS will recognize the most current requirements from any accredited Oklahoma institution of higher learning.

Duncan High School Specific Requirements:

In addition to the Oklahoma State Regents for Higher Education requirements, Duncan High School students must meet and maintain the following campus requirements in order to obtain and continue enrollment in concurrent courses:

- Students must attend the concurrent meeting with a parent/guardian and meet with their counselor and/or concurrent coordinator **before** enrolling in concurrent courses.
- Senior students **MUST** have a completed FAFSA. Enrollment in a selected course must be forwarded to the school counselor immediately following enrollment.
- Courses that do not fall within the student's graduation plan will not be approved by Duncan High School unless the student has already completed all graduation requirements.
- Students must meet with the concurrent coordinator, **once per week** and allow her to view the student's current grade in the course. The meeting schedule will be set by the coordinator. Students who are failing or are in danger of not receiving credit for a concurrent course **WILL be advised** to drop the course at the recommendation of the counselor/concurrent coordinator. Students who drop will be placed in an on campus course consistent with their graduation requirements and plan. ***Dropping a course will result in the student reimbursing any fees paid***

by the school. Failure to notify the concurrent coordinator of a dropped class may result in disciplinary action including but not limited to consequences for truancy under the Oklahoma school attendance law and the loss of credit which could affect graduation requirements.

- Students must provide their college transcript to their counselor/and or the concurrent coordinator immediately upon completion of the concurrent course in order to receive credit for the course.
- Students will continue to check their Duncan High School email account daily and respond to any request from their counselor and principals.
- Students must understand that high school graduation requirements will receive priority over concurrent enrollment requests. It is our job to ensure that students will graduate from high school. Students may be pulled from their concurrent courses and placed at the high school to finish any missing graduation requirements.
- Students who fail a college course will reimburse Duncan High School for any fees and tuition paid on the student's behalf.
- Grades from the concurrent enrollment issuing college/university WILL post to the high school transcript. The high school has no authority to override or to not post the grade earned by the student.
- **Duncan High School cannot intervene on the student's behalf with any college or university issue. That responsibility lies with the student and parent. Upon enrolling in concurrent courses the student becomes a college/university student. As such, the student bears responsibility for being their own advocate with the college/university.**

8 Week / Modified Schedule Courses:

Students taking an 8 week or modified schedule course are subject to the expectations outlined above. Additionally students taking these courses will comply with the following expectations:

- Students enrolling in 8 week courses will be required to enroll in two 8 week courses during the same semester.
- Courses required for graduation must be completed by the first 8 week period offering. Students failing these courses during the first 3 weeks will drop and will be placed in the corresponding course at Duncan High School.
- The decision to drop a course will be made by the counselor and/or student no later than 3 weeks into the modified schedule course depending on select university policy.

Failure to comply with the policies above will result in the student not being allowed to participate in the concurrent program for the remainder of their Duncan High School enrollment.

Duncan Public Schools Alternative Education Academy Handbook

The ~~E.D.G.E.~~ Alternative Education Academy is designed to help students achieve their graduation goals in an alternative setting to that of the traditional classroom. This setting allows students to work toward course completion at a pacing that is tailored to their educational needs. Additionally, students receive life-skills training and participate in activities designed to help them form healthy relationships with peers, family, and professionals in the community.

Enrollment ~~at the E.D.G.E.~~ is limited to students who have been recommended by administrators or counselors who believe a student will be successful in this environment. Students and Guardians may request consideration for alternative education by making an appointment with their grade-level counselors to discuss admission to the program.

Enrollment ~~in the E.D.G.E.~~ is only possible for students enrolled in Duncan Public Schools.

Schedule

The first half of the school day will focus on the core curriculum. The second half of the school day, alternative education students are required to participate in one of the following curriculum paths: work release, RRTC, concurrent enrollment, or remain on campus to work in Edgenuity. Pending administrative approval, students may enroll in courses/programs on campus to meet their educational needs.

Absence Reporting and Make-Up Work

Parents are to call 580-470-8106 to report an absence and request make-up work on the day of the student's absence by 10:30 a.m. A student shall have the number of days that he/she was absent to hand in work for credit. The make-up period shall begin the day the student returns to school. (E.g.3 days of absence is allowed 3 days turn in make-up work). The time limit will remain in effect unless an agreement is reached between the student and the teacher assigning the work.

Requesting make-up work for an absence or absences shall be the responsibility of the student/parent. If a student/parent does not request his/her work, a grade will be recorded as if the student received the work and did not complete it.

Make up work for students missing only one day will be provided by the teachers the day the student returns to school.

After School Detention

After school detention is assigned by the Duncan Middle school administration. It is held Monday through Thursday from 3:00 to 3:50. After school detention is a study hall atmosphere therefore no talking or socializing is allowed. School work must be brought to after school detention in order to make the best use of the student's time. Students are responsible for their own transportation home.

Asbestos Hazard Emergency Response Act

Notification to Parents, Teachers, Employees: The Asbestos Hazard Emergency Response Act of 1986 requires the inspection of all buildings in the school district for asbestos. The district has complied with this act. A management plan documenting these inspections is on file for public review. You may examine surveillance reports at the Maintenance/Transportation office at 211 E. Beech and/or each campus, upon request.

Attendance Policy

Absences

Parents are responsible for ensuring that their student attends school on a regular and punctual basis. The purpose is to help students learn daily and be educationally prepared for the next school year. The District believes that teaching students the importance of regular and punctual attendance also helps them mature into responsible adults who will one day be prepared for the world of work. Students are expected to be in school a minimum of **ninety percent (90%)** of the time.

This year students should be in school and receive instruction for 166 days. 90 percent of this is 150 days. This allows the student to miss up to 16 days during the year/8 days per semester. (See policy below on absences and receiving credit.) The following steps assist in accomplishing this goal.

1. It is the responsibility of the student's parent/guardian/legal custodian to call the attendance office regarding the reason for the absence.
2. Contact must be made to the office within **5** days of the absence or the absence will remain unexcused.
3. If a student has three unexcused absences, a school official will contact the child's home.
4. In accordance with Oklahoma School Law (Section 232), when a child is truant four (4) or more days or parts of days within a four-week period or is absent without valid excuse for ten (10) or more days or parts of days within a semester, the school shall report such absences to the City of Duncan (Ordinance 1701-which could result in a fine) and then could be handed over to the Stephens County district attorney. *The district attorney has responsibility for initiating legal proceedings pursuant to Title 10 of the Oklahoma Statues.*

(70-10-106).

Examples of Excused Absences

1. Medical/Dental appointments with verification from a medical professional indicating the day of the absence.
2. Legal matters with documentation.
3. Death of immediate family- Immediate family shall be defined as, spouse, children, step-children, parents, brothers, sisters, grandparents, spouse's parents and grandparents, brothers-in-law and sisters-in-law, nieces and nephews, aunts and uncles, and spouses of members of said immediate family.
4. Observance of holidays required by a student's religious affiliation.
5. Extenuating circumstances determined by the principal to be an excused absence. These absences must be approved through the principal.

Absence and Removal from Attendance Roll

In compliance with Oklahoma School Law (Section 387/Part 2), a student who has been absent without a valid excuse for ten (10) consecutive days shall be removed from the district's attendance roll beginning with the eleventh day.

Truancy

Truancy is defined as any absence from school or school activities lasting one or more days or parts of any school day without a valid excuse or without permission of the parent, guardian, or school official. Any student who stays out or leaves school, or any school activity without a valid excuse or permission shall be deemed truant.

Attendance Policy (State)

It shall be unlawful for a parent, guardian, or other person having custody of a child who is over the age of five (5) and under the age of eighteen (18) years, to neglect or refuse to cause or compel such child to attend and comply with the rules of some public, private or other school, unless other means of education are provided for the full term the schools of the district are in session or the child is excused as provided in this section.

It shall be unlawful for any child who is over the age of twelve (12) years and under the age of eighteen (18) years, and who has not finished four (4) years of high school work, to neglect or refuse to attend and comply with the rules of some public, private or other school, or receive an education by other means for the full term the schools of the district are in session.

This rule shall not apply:

1. If any child is prevented from attending school by reason of mental or physical disability, to be determined by the board of education of the district upon a certificate of the school physician or public health physician, or if no such physician is available, a duly licensed and practicing physician;

2. If any such child is excused from attendance at school, due to an emergency, by the principal teacher of the school in which such child is enrolled, at the request of the parent, guardian, custodian or other person having control of such child;

3. Any such child who has attained his or her sixteenth (16) birthday is excused from attending school by written, joint agreement between:

   a. the school administrator of the school district where the child attends school, and
   b. the parent, guardian or custodian of the child. Provided, further, that no child shall be excused from attending school by such joint agreement between a school administrator and the parent or custodian of the child unless and until it has been determined that such action is for the best interest of the child and/or the community, and that said child shall thereafter be under the supervision of the parent, guardian or custodian until the child has reached the age of eighteen (18) years; or

4. If any such child is excused pursuant to subsection C of this section.
   c. A school district shall excuse a student from attending school for the purpose of observing religious holy days if before the absence, the parent guardian, or person having custody or control of the student submits a written request for the excused absence. The school district shall excuse a student pursuant to this subsection for the days on which the religious holy days are observed and for the days on which the student must travel to and from the site where the student will observe the holy days.
   d. Any parent, guardian, custodian, child or other person violating any of the provisions of this section, upon conviction, shall be guilty of a misdemeanor, and shall be punished by a fine not less than Five Dollars ($5.00) and no more than Twenty-five dollars ($25.00) for the first offense, and not less than Twenty-five Dollars ($25.00) and no more than One Hundred Dollars ($100.00) for each subsequent offense. Each day the child remains out of school after the oral and documented or written warning has been given to the parent, guardian, custodian, child or other person or the child has been ordered to school by the juvenile court may constitute a separate offense. At the trial of any person charged with violating the provisions of this section, any authorized employee of the school district may present the attendance records of the child or ward in court. (70-10-105)

State Attendance / Truancy Policy

Definition – Truancy is defined as any absence from school or school activities lasting one or more days or part or parts of any school day without a valid excuse and without the permission of a parent, guardian or school official. Any student who stays out of or leaves school or any school activity without a valid excuse and permission shall be deemed truant. H.B. 1975, effective July 1, 1995, provides that if a child is absent without a valid excuse for four (4) days or parts of days within a four (4) week period, the parent will be notified, or if a student is absent without excuse for ten (10) days or parts of days within a semester, the building principal must notify the parent and immediately report such absences to the District Attorney's Office. Enforcement – It is the responsibility of the building principal to determine whether an absence constitutes truancy. The building principal can and should take all appropriate disciplinary action to enforce attendance. In the event of any truancy, the parent or guardian of the truant student should be notified by telephone or otherwise. In addition, each truant student may receive a "0" as a daily participation grade for each class or part of class missed.

Chronic Absenteeism

A student is considered chronically absent after missing 10 percent or more of school days. *This includes both excused and unexcused absences.* Missing 10 percent of school days would be approximately 18 days in a normal 180-day school calendar - just two days per month.

Absence and Removal from Attendance Roll

In compliance with Oklahoma School Law (Section 387/Part 2), a student who has been absent without a valid excuse for ten (10) consecutive days shall be removed from the district's attendance roll beginning with the eleventh day. Senate Bill 1715 effective July 1, 2010, designates the school principal as the approving authority and clarifies the responsibility for an absence which is incurred by a student participating in a military funeral honors ceremony.

Using the Chromebook at School:

- If a student does not bring his/her Chromebook to school they will be allowed to contact a parent or guardian to bring the Chromebook to him/her. If no one is available the student will be without a device for the day. Classroom policy will determine consequences for not bringing required tools.
- Chromebooks should be charged each night. The battery will allow a student to work the school day without needing to plug in. There are limited charging stations available in each room, you cannot be sure one will be available.
- Inappropriate media may not be used as backgrounds, themes or screensavers. The presence of such media will result in disciplinary action.
- Sound must be muted at all times unless permission is obtained from a teacher.
- Students may use headphones with teacher permission. Students should bring their own headphones for sanitary reasons.
- Do not share log-ins, passwords or other protected material with other students. The name on the account will be the person responsible for all activity that is connected to that account.
- Chromebooks should never be left unattended. It is recommended that students lock their Chromebooks in a locker when not in use.

Using the Chromebook at Home:

- Students must have the written permission of their parent or guardian and Duncan Public Schools Protection Fund Premium turned in prior to being able to take their Chromebook home.
- When at home, the Chromebook should always be used in a common family location (i.e., kitchen, living room, dining room). When the Chromebook is at home, supervision is the responsibility of the parent, but chromebook usage will continue to be monitored by the DPS technology monitoring system.

Duncan Public Schools makes every attempt to block access to inappropriate material while the student is at school and will make every effort to block inappropriate material while at home. The student may be able to access inappropriate material while on their home network. It is the parent or guardian's responsibility to supervise the information that a student is accessing from the Internet while at home. The chromebook usage will continue to be monitored by the district's technology monitoring system.

Students must be passing all of their classes with a grade no lower than a "D" in order to participate in any extracurricular activity. Eligibility will be calculated weekly. If any student fails three or more classes for the semester, that student will be ruled ineligible for the first six weeks of the following semester. This is in accordance with OSSAA guidelines.

OSSAA Eligibility applies to virtual classes the same way in which it applies to traditional classes. Students must be making adequate progress in their courses to remain eligible for OSSAA sanctioned activities. If a student has not made adequate progress, he/she will have one week of probation to regain eligibility status. During this week, students who are on probation will be required to meet their designated progress goal to regain eligibility status. If they do not meet their progress goals, these students will be ineligible to participate in OSSAA activities.

All virtual students must make appropriate academic progress throughout the school year. Students will be assigned a required amount of work for completion each week. Student progress will be verified each Monday. Any student who is behind will be contacted and placed on probation for one week. Immunizations

Duncan Public Schools requires all students to have their immunizations as required by the State Department of Education. Exemptions will be made for medical and religious reasons only. Failure to obtain the proper immunization could result in the student(s) not being allowed to enroll at DMS. For information, that is more detailed see the Duncan Public Schools Policies and Procedures manual policy #6000.

ISI – In School Intervention

Students may be placed in ISI for more serious offenses or when detention does not change unwanted behavior. Students in ISI will have the option of eating a school lunch or bringing a lunch from home. Students will not be allowed to have take-out food delivered to them by a parent or by other means while they are serving ISI. If the student cannot charge at the cafeteria, the cafeteria will provide an alternate meal. *Students serving ISI will be ineligible to compete in extracurricular activities during ISI placement. Participation may begin the following day after completion.*

The In-School-Intervention shall be an alternative to the regular school environment during the regular school day and shall be used as disciplinary action for those students in grades six (6) through eight (8) who have demonstrated that they cannot, or will not, abide by the rules of the district. The In-School Intervention shall be separate and apart from the regular classroom program of the school. The Principal (Assistant Principal) shall have the authority to assign a student to In-School Intervention. The length of the assignment shall be determined by the DHS Discipline Matrix and the Principal (Assistant Principal). The Principal (Assistant Principal) shall notify the parent(s) or guardian of a student assigned to the In-School Intervention program prior to the actual assignment. During such notification, the parent(s) or guardian shall be notified of the reason for the assignment and the number of days assigned. The decision of the Principal (Assistant Principal) to make an assignment to In-School Intervention shall be final.

Study and work assignments shall be made by the student's regular teacher(s), and the student shall work on the assignments daily and full credit shall be granted for all acceptable work completed. Counselors from the school and other appropriate sources such as police officers and judges may come in periodically to counsel with students.

The student shall report promptly at 7:50 a.m. daily, and surrender any electronic devices (including cell phones) for secure storage during the day. The student will not be permitted to leave the In-School Intervention classroom during the regular day except for bathroom use or under some type of authentic emergency. The student may either bring his/her own lunch from home or purchase a lunch from the school cafeteria. Lunch will be eaten in the ISI classroom. If an ISI student is picked up from school by his/her parent/legal guardian before the completion of the student's assigned ISI time, the remaining ISI time will be noted and must be served by the student upon his/her return to school before the student is readmitted to the general classroom.

Any student serving In-School Intervention cannot participate in any school sponsored activity during the date(s) of the ISI. *(Board Policy # 6027)*

The school provides lockers only as a convenience to students. All textbooks, library books, and supplies checked out to students are the student's responsibility.

Periodic inspection of lockers will be made by the teachers and/or principals.

The school will not be responsible for lost or stolen items. Be sure that shoes, book bags, and other personal belongings are marked with a permanent marker or other identifiable mark. Do not share the combination of your lock with anyone. Do not share your locker. Keep your locker locked at all times.

Other criteria include citizenship, leadership, service, and character. To be eligible, a student must have attended at least one semester at Duncan Middle School.

The sixth, seventh and eighth grade students are selected after the end of the third nine week period. The grade selection considered for induction includes grades from the first semester and the third nine week period of the current year.

Being a member of this organization is one of the greatest honors a Duncan Middle School student may have bestowed upon him or her.

Oklahoma Junior Honor Society

Membership in the Oklahoma Junior Honor Society is a special honor given to the top ten percent of the student body each spring. The grades used for the eighth grade students are the second semester grades of their seventh grade year and the first semester grades of their eighth grade year. The grades used for the seventh grade students are the second semester grades of the sixth grade and first semester of the seventh grade. Sixth graders will use their first semester grades.

Out of School Suspension

Any student who is suspended out of school is prohibited from being on any Duncan Public Schools property at any time during their suspension (this includes any Duncan Public Schools property: elementary schools, DMS, high school, playgrounds, athletic fields, etc.) Students under suspension are not allowed to attend any school-sponsored activity. (Athletic events, dances etc.)

Perfect Attendance Award

In order for a student to receive a perfect attendance award, he/she must not miss more than 2 hours of class in a school year. School activities do not count against perfect attendance.

Remediation

All students at DMS will have remediation provided during the regular class period. Teachers will use common formative assessments to identify specific areas of student need throughout the year. Should your student show through assessment that they are struggling with a specific standard, remediation will be provided to deepen their knowledge and bring them on target to meet that standard.

Parents will be notified if students are not progressing toward mastery by phone, email, Parent Portal, or Rooms app. Parents are encouraged to assist the student in ensuring all homework is completed and turned in for a grade. Parents are also able to request a conference with the teacher should the need arise.

The staff of DMS are dedicated to making sure each child has the necessary skills to pass on to the next grade. When students work hard in class, take advantage of remediation, and complete assignments the chance of failing is slim to none.

School Dances

Students must maintain their eligibility in order to attend any school sponsored dance. Students who have been suspended or placed in in-school intervention at any time during the week of the dance are also not permitted to attend the event. Students must be present at school the day of the dance in order to attend. Any person not enrolled at Duncan Middle School will not be allowed to attend a school sponsored dance.

Student Supports

Duncan Middle school is committed to the success of every student. Students needing extra help will be assigned an intervention/enrichment time. These sessions will focus on specific skills and objectives that will immediately impact student understanding. Several criteria will be used to evaluate the need for intervention including but not limited to OSTP test scores, benchmark tests, teacher assessments, student grades, etc.

Tardy Policy

There is a four minute period between classes. Students are tardy if they are not in their seats when class is scheduled to begin. If a student is detained by a teacher, counselor, administrator, or the nurse, the student must have a note from that faculty member to be considered excused (not tardy). Any student who has excessive tardies will be referred to the Assistant Principal for discipline. Students will be assigned after school detention. More than 10 minutes late to a class is considered an absence. Additional information regarding our tardy policy can be found by referencing the DMS School Discipline Matrix which is part of the Student Handbook.

Teacher's Detention

The teacher's detention will be arranged by the teacher and at the teacher's discretion. This may be before or after school pending parental notification.

Visitors

Parents are always welcome and encouraged to come and talk with a student's teacher during the teacher's planning time. Please contact the office or teacher to set up an appointment.

The number for parent/guardian to call for your child's withdrawal from DMS is 580-470-8106. A withdrawal sheet may be secured from the administration office. All fines, uniforms, books, etc. must be returned to the teacher or must be paid for.

Virtual Learning Lab

VLL allows students who have been unsuccessful in mastering grade level ELA and/or Math skills an alternative opportunity to repeat the entire course. VLL is defined as a course-specific, skill-based learning opportunity for students who have previously been unsuccessful in mastering content/skills required to receive course credit or earn promotion. In order to be eligible for VLL, a student must have:

1. Completed the entire course and received a failing grade for the ELA/Math course.
2. Teachers, counselors, and administrators shall identify students appropriate for participation in the recovery program offered at the school, with the recommendation based on aptitude, motivation and need. The district shall establish an application process that requires parental consent.

Virtual Learning Lab - Academic Responsibilities/Expectations

Students who fail a core course in the fall semester may be placed in VLL in place of one or two of their spring electives. Every effort will be made to solidify enrollment in a VLL course within 10 days from the student's start date to avoid academic disruption and delay. Students will be required to complete lessons, tests, and quizzes on Edgenuity, the school's online curriculum program. The number, subjects, and topics of these lessons will be selected based on Oklahoma Academic Standards. Students who are on an IEP or a 504 will need their advisor present in the progress meeting to determine the modifications and accommodations required for the student.

Virtual Learning Lab Expectations

- **Email** - students will be expected to check email daily, as that is the primary mode of communication administration and staff have to reach students.
- **Progress** - Students will also be expected to make consistent progress in each course. Refusal to work is a form of insubordination and can be addressed with disciplinary action, especially if the refusal to work is a persistent problem.
- **Academic Courtesy/Etiquette -** Students will not be allowed to skip essays/short answer questions in Edgenuity. Additionally, they are not to answer questions in a rude or disrespectful tone. When contacting teachers for help with assignments, students are expected to communicate their needs in a respectful manner and provide complete information necessary for the teacher to provide assistance.
- **Plagiarism/Academic Dishonesty** - Plagiarism is taking someone else's work and passing it off as one's own; copying and pasting answers from the internet into Edgenuity is plagiarism. Academic dishonesty is cheating, allowing someone else to complete lessons, or any other act that is contrary to the academic process. Students who are caught plagiarizing or being academically dishonest will be expected to redo the work; if this is a continued and persistent

problem, the student will be brought into administration for disciplinary action and/or removal from the virtual program.

May I Request to Have My Student Retained if He/She Meets Promotion Requirements?

There are several reasons for students to repeat a grade without failing. We welcome you to discuss the needs of your students with us and work with our staff in making the appropriate decision for your student.

May I Socially Promote My Child Should He/She Not Pass?

You may choose to socially promote your child, but it is not recommended. The skills students acquire from each course they take build upon each other from year to year. Students who do not pass the course risk not having the necessary skills to successfully complete the next sequential course.

Should you choose to socially promote your child, you, as the parent/guardian, take on the responsibility for your child's skill or lack thereof. We, as the educational experts, will give your student the maximum amount of support possible. We do ask, however, that you realize your student will start from a deficiency in his/her learning that will require the utmost effort on you and your student's part in order for them to be successful. The next grade level teacher most likely ***will not*** have adequate time to fill in all gaps in your child's learning. By socially promoting, you are making the choice to send your student on without adequate skills. This should be considered with **extreme caution.**

Parents Rights to Know

Dear Parents and Guardians:

In accordance with the ***Elementary and Secondary Education Act (ESEA)*, Section 1111 (h)(6)(A)** PARENTS' RIGHT TO KNOW, this is a notification from Duncan Public Schools to every parent of a student in a Title I school that you have the right to request and receive information in a timely manner regarding the professional qualifications of your student's classroom teachers. The information regarding the professional qualifications of your student's classroom teacher shall include the following:

- If the teacher has met state qualifications and licensing criteria for the grade level and subject areas taught;
- If the teacher is teaching under emergency or temporary status in which the state qualifications and licensing criteria are waived;
- The teacher's baccalaureate degree major, graduation certification, and field of discipline; and
- Whether the student is provided services by paraprofessionals, and if so, their qualifications

In addition to the above information you will be notified if your student has been taught for four or more consecutive weeks by a teacher that is not highly qualified.

Parents and families of students in Title I schools also have the right to know about state and district policies regarding student participation in any assessments mandated by ESSA, including any policy, procedure, and parental right to opt students out of such assessments. If you would like to receive information about this topic, please contact Merry Stone, Assistant Superintendent, either by phone (580) 255-0686.

If you have questions or concerns, please feel free to contact your student's school principal.

the student will be subject to appropriate discipline. Except in cases of handicapping conditions, bus riding is a privilege rather than a right. Therefore, students who abuse the privilege may be suspended from riding the bus.

- Responsibilities of Parents or Guardians
  - Have the student(s) ready for school each morning when the bus arrives at the designated bus stop.
  - Notify the Transportation Office in the event that a student will not be riding the bus on a given day. In addition, if your child is not riding the bus home from school, the parent must notify the school in writing or by phone no later than 1 hour prior to the end of the instructional day.
- Responsibilities of the Transportation Department
  - The driver will arrive at the designated bus stop every morning and come to a complete stop.
  - The driver is not required to wait on any child who is not prepared to board the bus at the time the bus arrives.
  - If a student is not at the bus stop for two consecutive days without making contact with the driver, the bus will not come again until the parent contacts the Transportation Office.

Students will be picked up at their proof of residence and returned to their proof of residence only.

Duncan Public Schools Transportation Department will send out more detailed rules and responsibilities with each bus rider at the beginning of the school year. This will include the discipline matrix for infractions while riding a bus.

The Duncan Public Schools bus drivers have the safety of our children as their primary goal. When problems occur, they will be dealt with in a prompt and professional manner. The following guidelines have been established to ensure that problems will be directed to the proper authorities.

- Adults are prohibited from boarding a bus during a route to discuss a problem directly with the driver.
- Complaints concerning bus drivers are to be directed to the Transportation Department at (580) 252-3496.

- Talk quietly in the cafeteria
- Go to the back of the line (no cuts)
- Let others get their own seats
- No food or drink is to be taken from the cafeteria.

Breakfast and lunch prices are subject to change. Check duncanps.org for current cafeteria menus and pricing information.

The EDGE Academy agrees to provide alternative education services for students referred to and accepted by The EDGE Academy from the above named DISTRICT for the school year 2026-2027. It is agreed that the criteria for these students should meet the state definitions of "at-risk" students and that The EDGE Academy placement will be in the student's and the DISTRICT's best interest. It is understood that The EDGE Academy has the right to refuse any student if The EDGE Academy, in its sole discretion, believes that the placement is inappropriate for any reason.

The EDGE Academy assists "at-risk" students in Southern Oklahoma and further attests that its program of offerings and services meets all the criteria outlined and listed by the Oklahoma State Department of Education.

The EDGE Academy shall provide educational services in conjunction with the DISTRICT.

The EDGE Academy will furnish the DISTRICT with attendance records and grades earned for each student enrolled from the DISTRICT. The DISTRICT shall receive all state aid on the student and will then pay the LEA an amount equal to the DISTRICT's allocation. The DISTRICT give(s) the successful students their earned diplomas and transcripts. Each student must meet the requirements of the DISTRICT for graduation.
parents/guardians must agree to the intake interview-assessment process as the first step in the process
The parties to this contract agree that, as an integral part of this contract, the student and his/her

No student shall be enrolled in The EDGE Academy program of services unless it is first agreed to by the DISTRICT (the Superintendent or designee) in writing.

Certain services provided to the students by The EDGE Academy may be eligible for reimbursement by Medicaid. The parties agree that any such reimbursement shall remain with The EDGE Academy's LEA and be used to provide additional services to the students.

The maximum number of students in The EDGE Academy program from the DISTRICT at any given time shall be no more than three (3) that the DISTRICT is limited to or required to meet. The placement of students shall be based entirely on the needs of the student and the agreement by The EDGE Academy and the DISTRICT that such placement is appropriate and will benefit the student.

As outlined and interpreted by the Alternative Education Section of the State Department of Education, each DISTRICT using the services of The EDGE Academy to meet the needs of their "at-risk" students must pay to The EDGE Academy their state allocated grant for alternative education.

In case of a budget cut in the state allocated grant, each participating DISTRICT will be required to pay to The EDGE Academy Coop Fund their original allocation for the respective school year.

This contract shall be for the entire school year of 2026-2027 and is not revocable by either party. However, it does not bind either party to ensuing school years.

The EDGE Academy will be responsible for sending the DISTRICT all attendance records in a timely manner for each student served. The DISTRICT should make all payment pursuant to this agreement by July 30, 2027.

MEMORANDUM OF UNDERSTANDING

Between

Oklahoma School for the Deaf (OSD)

And

Duncan Public School District (LEA)

1. **PURPOSE**:

The purpose of this MOU is to establish a collaborative agreement between the Oklahoma School for the Deaf (OSD) and Duncan Public School District (LEA) to support students who are Deaf, Hard of Hearing (HI), DeafBlind (DB), or have Multiple Disabilities (MD with hearing loss) through the services of OSD Educational Consultants (ECs) in partnership with OSDE Special Education Services. This agreement ensures access, equity, best practices, and compliance with IDEA (20 U.S.C. §1400 et seq.), FERPA, and incorporates guidance from the OSDE Policies and Procedures Handbook and the OSD Educational Consultant Handbook.

OSD shall provide to the Public School District the services of an Educational Consultant (EC). This Agreement sets forth the responsibilities of each entity, outlines areas of cooperation, and provides guidance for local collaboration in the implementation of IDEA between the aforementioned parties.

2. **OSD/OSDE EDUCATIONAL CONSULTANT (EC) PROGRAM DESCRIPTION**

The Educational Consultant (EC):

- Supports Local Education Agencies (LEAs) and other school partners in ensuring access and equity for Deaf and Hard of Hearing (DHH) students.
- Serves Oklahoma school districts that do not have a certified Teacher of the Deaf on staff and have ten or fewer students who are Deaf or Hard of Hearing (DHH) identified under the categories of Hearing Impairment (HI), DeafBlind (DB), or Multiple Disabilities (MD).
- Provides in-depth consultation, recommendations, a plan of action, and ongoing support for educational teams.
- Ensures consultation information informs student needs, strategies, and IEP team decision-making.
- Holds state certification in Deaf Education and leverages OSD's expertise to apply extensive knowledge in the field, ensuring alignment with evidence-based strategies and current trends.

District eligibility criteria:

- No **teacher certified in Deaf Education** on staff.
- 10 or less students categorized as DHH (students attending OSD are excluded).
- Submission of an annual Educational Consultant (EC) Services Request Form for each student.
- Audiogram or audiological report within the calendar year uploaded to EdPlan.
- EdPlan access granted to the Educational Consultant (EC) prior to observations or IEP participation.

EC Role and Limitations:

- ECs operate independently of the child's IEP. They do not provide direct services, manage day-to-day IEP implementation, or serve as the Teacher of Record (TOR).
- Consultation Requirements:
    - ECs provide a minimum of three consultations per student per year.
    - Consultation must be documented in the IEP as: *Consultation - 3 times/year, 15 minutes each in Special Education Setting by EC.*
    - The objective statement must include: *"Consulting services will be provided by the Oklahoma School for the Deaf on any academic, social emotional, transition and/or behavioral goals as written in the IEP. Consultation services can be provided on site, virtually, by email, or by phone."*
- Documentation and Signatures (in accordance with OSDE guidance):
    - ECs are required to sign IEP documents as Special Education Teachers.
    - ECs are required to sign RED/MEEGS documents as both Special Education Teacher and Qualified Examiner.
- Meeting Attendance:
    - ECs are required to attend all RED/MEEGS/IEP meetings in person, by phone, or virtually.
    - Meeting participation will be documented through an automated email system that captures EC signatures following attendance. This record should be attached to the signature page for verification and documentation.
    - ECs must be given 30 days' notice to attend scheduled meetings.
    - ECs must have access to draft RED/MEEGS/IEP documents at least 48 hours prior to the scheduled meeting.
    - ECs will not attend any subsequent IEP meeting scheduled prior to October 1. Any IEP due in August or September must be held before May 15 of the preceding school year.
- Special Considerations:
    - For students with Multiple Disabilities (MD) or DeafBlind (DB), ECs provide consultation but do not act as Special Education Teacher unless otherwise certified.
    - ECs may conduct virtual classroom observations as deemed appropriate.
    - Fully virtual or homebound students cannot be observed in a classroom setting; therefore, ECs cannot provide services in these cases.

3. PROCESS FOR EC SERVICES

1. **Initiation:** District personnel are required to complete and submit the Educational Consultant Services Request Form available on the Oklahoma School for the Deaf (OSD) website. The form is located under Outreach → Educational Consultants. A separate request form shall be submitted for each student requiring educational consultant services. service request form online for each student needing EC support.
2. **Memorandum of Understanding:** EC Program Coordinator shall submit a Memorandum of Understanding (MOU) to the Superintendent of the LEA requesting services for execution. Upon receipt of the LEA Superintendent's signature, counterpart signatures shall be obtained from the OSD Superintendent. A fully executed copy of the MOU shall be returned to the LEA Superintendent and OSDE Special Education Services for their records.
3. **Review:** Once MOU is returned fully executed, the EC program coordinator reviews the student request(s) and assigns an EC based on availability, location, and expertise.

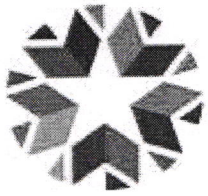
OKLAHOMA
Rehabilitation Services



OKLAHOMA
Education

The Workforce Innovation Opportunity Act (WIOA) requires the Department of Rehabilitation Services (DRS) to collect and report Measurable Skills Gains for youth.

To document these Measurable Skills Gains, Vocational Rehabilitation Counselors will need to obtain a consent form signed by a parent or the student (if they are age 18+) to then submit to your school to obtain copies of students' secondary transcripts. You can expect to receive such transcript requests at the end of each semester and should note that the signed consent forms are only good for one year.

The State Department of Education Special Education Services (OSDE-SES) and DRS request that LEAs collaborate with their local VR Counselors to establish procedures to assist VR Counselors with obtaining students' secondary transcripts and/or report cards to meet WIOA compliance.

Here are some examples of effective procedures VR counselors have shared:

1. The VR Counselor obtains a DRS release form signed by the student's parent/guardian or by the student if they are age 18+ (see example) and then provides a copy of the signed release forms to your school district. The LEA then provides the transcripts to the OKDRS/VR counselor.

(NOTE: LEAs are encouraged to establish a set contact person(s) for the VR Counselor to send consent forms, such as the counselor's office, registrar, special education administration support staff, etc.)

1. For those students participating in School Work Study (SWS), the VR Counselor will send copies of the signed release forms, and the school can provide the students' transcripts along with the SWS time sheets.

2. The VR Counselor sends out the following letter to students and encloses a self-addressed postage-paid envelope for the student to return the transcript in the mail to DRS:

Dear [Client],

The first (second) semester of the school year is almost over, and I hope it has been a good semester for you! I am required to document in your vocational rehabilitation your educational process each semester. Please provide DRS with a copy of your semester's grades. Please return either a high school transcript for (insert the fall or spring semester and the year) or a report card in the enclosed postage-paid envelope or email it to me at (insert counselor's email address). Please contact me if you have any questions at all. Thank you!

Thank you for your support as we work to improve outcomes for students with disabilities.

State of Oklahoma
Department Of Rehabilitation Services
Transition School-to-work: Work Study

This agreement, consisting of sixteen (16) pages (the "Contract"), is hereby made between the Oklahoma Department of Rehabilitation Services ("DRS") and

Duncan Public Schools
P.O. Box 1548
Duncan OK 73534-1548

("Contractor" or "School") and constitutes the entire agreement between the DRS and the Contractor, and no other representations are given or should be implied from written or oral agreements or negotiations that preceded the Contract.

RECITALS

WHEREAS, the Oklahoma Department of Rehabilitation Services is authorized to make and enter into all contracts necessary or incidental to the performance of its duties, and may purchase or lease equipment, furniture, materials and supplies, and incur such other expenses as may be necessary to maintain and operate the Department, 74 O.S. § 166.1.C; and

WHEREAS, the Individuals with Disabilities Education Act (IDEA) and the Rehabilitation Act both provide for transition services for children with disabilities to facilitate the child's movement from school to post-school activities including employment, 20 U.S.C. § 1401(34) and 29 U.S.C. § 721(a)(11)(D); and

WHEREAS, the Oklahoma Department of Rehabilitation Services is authorized by rules promulgated by the Oklahoma Commission for Rehabilitation Services at Subchapter 7 of Chapter 10 of Title 612 of the Oklahoma Administrative Code to implement the Transition from School-to- Work Program; and

WHEREAS, in the School-to-Work program, there are many services needed. Some of these services are provided by the school under the individualized education plan (IEP) and some are provided by the Oklahoma Department of Rehabilitation Services under the individualized plan for employment (IPE). Other services may be provided by the parents, Career Tech, and others. A major component of the Transition School-to-Work program is work-readiness training and work experience. The work experience can be provided through Work Adjustment Training or the three types of Work Study Programs.

NOW THEREFORE, the parties agree as follows:

I. Contract Period

The Contract is effective from the latest date of signature of both parties or October 1, 2026, whichever is the latter, through September 30, 2027.

I. Contract Services

Students eligible to participate in Work Study (School Work Study, Worksite Learning, Employer Work Study) include those:

- with documented disabilities (includes IEP, 504 Plan, or other documents), who have been determined eligible for DRS services or are on a trial work plan as determined by the DRS counselor;
- with an approved DRS case;
- with an individualized plan for employment (IPE) in place;
- with School Work Study (SWS) as a line of service on the IPE;
- who are at least sixteen (16) years of age; and
- who are attending high school.

All students participating in Work Study shall be DRS clients.

Students participating in Work Study may do so for **no more than 24 cumulative months**, as authorized in the form of Authorization(s) for Purchase(s) provided by the DRS counselors prior to the students starting work. In order for the School to be reimbursed for wages paid to a student participating in School Work Study and/or Worksite Learning, the School must have received authorization in the form of an Authorization for Purchase from the DRS counselor prior to the student starting work.

The months do not need to be consecutive. Based on individual needs and barriers due to disability, there may be exceptions where the student requires more time to make additional progress. In that instance, the DRS counselor may authorize additional time. Summer months spent in Work Study count in the 24 cumulative months. Transportation, scheduling, administrative or family convenience, or family/individual income needs are not acceptable reasons to extend Work Study beyond 24 cumulative months.

Participating students may work **no more than 15 cumulative hours per week during the school year** (i.e., during the day, evenings, weekends, or holidays). In each of the cases described above, the students **must** be given school credit for their participation during the school day, and the School staff and the DRS counselor will provide important guidance and instructional help around the work experience. If the student works after school hours, in the evening or on weekends, the School may also choose to give the student school credit and is encouraged to do so to support earning elective credits. The School will provide staff to work with the DRS counselor in the area of transition. The School will have at least one (1) person designated to serve as the "teacher/transition coordinator". Paraprofessionals could serve as transition coordinator or could also be assigned to help with the process and documentation. The School agrees to provide designated staff time for performing the needed duties related to transition. The School agrees to fully inform the staff responsible for carrying out the duties set forth in the Contract. This includes providing all necessary staff with a copy of the Contract.

Students wishing to continue working through the summer as part of Transition School-To-Work: Work Study may do so if the School has a current contract in place.

During the school year - The maximum number of hours worked per student that is reimbursable by the DRS **cannot** exceed 15 cumulative hours per week during the school year. The DRS will reimburse 100% of the wages paid by the School for a maximum 15 cumulative hours per week

During the summer months - The maximum number of hours worked may exceed 15 cumulative hours and no more than 20 per week for summer work only when pre-approved by the DRS counselor. The DRS will reimburse 100% of the wages paid by the School for a maximum 20 cumulative hours per week. Students may work a maximum 20 cumulative hours per week beginning with the first day of summer break. However, upon the first day back to school, the students must go back to working no more than a maximum 15 cumulative hours per week. All Child Labor Laws apply and must be adhered to.

https://www.dol.gov/general/topic/youthlabor

The School is required to continue supervising, monitoring, and reporting on students working in the School or in the community during the summer.

Paid work positions must reflect **real work/jobs** and include tasks that would normally be a function of that position. The students must be learning skills that will transfer to competitive, integrated employment in the community. Classroom instructional time does not count as work. The School must ensure that students have access to a wide variety of work/job types and must also ensure the School has enough work to cover the number of students intended to participate in the program. Examples of work/jobs within the School include, but are not limited to, the following:

- office assistant/mail clerk - deliver mail/messages, stamping, sealing, organizing, cleaning, stocking, inventory, ordering, shredding, answering phones, making ID badges, laminating, taking messages, greeting visitors;
- transportation assistant - cleaning buses inside and out, light vehicle maintenance, checking fluids, tire pressure, assisting with trip tickets, cleaning bus barn;
- teacher's aide - reading to groups/individuals, cleaning, organizing, light grading, bulletin boards, listening to students read, engage students in activities, shredding, making copies;
- custodial -operating electric floor cleaning machines, simple maintenance, taking out trash, cleaning classrooms, sanitizing, dusting lockers and trophy cases, cleaning windows, restocking bathrooms, vacuuming rugs;
- manager of sports team - scorekeeping, ordering, inventory, hauling/moving equipment, washing towels, preparing water jugs and equipment for practices and games;
- information technology assistant - using compressed air to clean computers and keyboards; replacing batteries, mice and keyboards; cleaning monitors; deliveries to students and/or teachers; organizing order tickets;
- clerk in school store or coffee/snack cart - greeting, stocking, inventory, organizing, ordering, taking orders, filling orders, taking money and making change, cleaning, making displays;

- cafeteria assistant - wiping down tables, taking out trash, loading dishes, preparing food and utensils, stocking, serving, organizing;
- library aide - greeting, accepting books, checking books out, shelving books, research, cleaning, organizing, doing displays, answering phones; and
- landscaping/maintenance - mowing, weed eating, edging, pulling weeds, cleaning up flower beds, planting flower beds, selecting flowers/plants, planting in flower beds, trimming trees/shrubs, raking and bagging leaves, picking up trash from parking lot or around school grounds, light repairs on school properties, such as replacing light bulbs, painting, exterminating pests, etc.

The same guidelines should be adhered to when selecting community placements for paid work experiences.

In the final nine (9) months of the student's Work Study (School Work Study, Worksite Learning, Employer Work Study), the student must work for an employer outside of the school or school district, unless otherwise approved by the DRS counselor.
Students may not work in their family-owned business unless approved by the DRS counselor. This includes farms and other businesses.

Participation in School Work Study and/or Worksite Learning is limited to students who are **actively enrolled in high school and eligible for transition services**. Upon graduation with **either a standard diploma or an alternate diploma (OAAP)** and official exit from the school district, students receiving services under this Contract must cease work on the last day of the school year. Participation in these programs may not continue beyond the student's high school exit.

A. Work Study Program

There are two types of Work Study through DRS:

1. School Work Study (SWS) allows students with disabilities to **work on the School campus**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage, with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working on campus.

2. Worksite Learning allows students with disabilities to **work in the community**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage, with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working off campus.

B. Other Work Opportunities

This is not a Work Study through DRS:

1. Employer Work Study allows students with disabilities employment experience in **part-time jobs in the community,** with the employers paying the wages/salary(ies). In this

instance, the students are employees of the community employers, **employers maintain liability**, and **the DRS does not reimburse the employers for the wages/salary(ies)**.

A. Contractor's/School's Obligations

The Contractor's/School's designated teacher/transition coordinator shall:

1. be knowledgeable about the contents and requirements of the Contract;
2. have received written authorizations from the DRS counselors prior to initiating work study services for eligible students or paying for work study services rendered by eligible students (i.e., not starting a student to work before the DRS has approved in writing);
3. serve as a member of the IEP team and make decisions for job placement as a team;
4. provide information regarding the program to School personnel, students, and parents;
5. provide job readiness instruction and assistance to the students in the program prior to starting their jobs (e.g., helping them prepare for interviewing for the potential position) through transition services or five core pre-employment transition services:
    a. job exploration counseling;
    b. work-based learning experiences;
    c. counseling on opportunities for enrollment in postsecondary education (college, CareerTech, trade education, professional certification, etc.);
    d. workplace readiness, including social and independent living skills; and
    e. self-advocacy, including peer mentoring.
6. support students' job placement efforts, including tracking and regular follow up with students on their progress;
7. collaborate with the DRS counselor to keep track of all students who are taking part in the program, their place of employment, job title, and the skills they are learning or practicing, at least once per semester or whenever new students join or job duties change;
8. assist with the coordination of the individualized education program (IEP) and the individualized plan for employment (IPE) to reflect the SWS services provided by DRS, including, but not limited to, present levels of performance, services, and annual education/training or employment goals on the IEP;
9. document such transition services or pre-employment transition services provided and completed by participating students;
10. provide such documentation to the DRS counselor at the end of each semester;
11. submit (at the same time and by the 15th of the following month or whenever payroll is run by the School for their payment cycle) monthly invoices/pay stubs, time sheets, progress reports, and proof of payment to students for reimbursement of the wages paid to students participating in School Work Study and/or Worksite Learning; and
12. ensure the electronic copy of the contract is routed to the appropriate person for signature and returned electronically to the DRS.

If claiming mileage reimbursement for the School's teacher/transition coordinator's travel to and from the job sites of participating Work Study students, the School shall submit monthly itineraries and travel claims that have been signed and verified by the School's designated signer.

B. DRS's Obligations

The DRS counselor shall:

1. provide authorization in the form of an Authorization for Purchase to the School's teacher/transition coordinator prior to the School initiating services for each eligible student participating in School Work Study and/or Worksite Learning;
2. provide a written/emailed approval to the School's teacher/transition coordinator prior to the initiation of a student's participation in Employer Work Study;
3. accept referrals, process applications, and help to organize the IEP and the IPE;
4. provide input on the IEP's employment goals, serve as a member of the IEP team, and make decisions for job placement as a team;
5. arrange work schedules to allow for meetings with School staff, the student in the program, parents, employers, and other people involved in the process;
6. organize and provide necessary services, such as, but not limited to vocational assessment & counseling and guidance;
7. provide the School's teacher/transition coordinator with updated information as it becomes available, upon request;
8. support students' job placement efforts, including tracking and regular follow up with students on their progress;
9. collaborate with the School's teacher/transition coordinator to keep track of all students who are taking part in the program, their place of employment, job title, and the skills they are learning or practicing, at least once per semester or whenever new students join, or job duties change;
10. monitor students' progress at job sites;
11. ensure that the School is submitting monthly timesheets, progress reports, proof of payments to students, and documentation of transition services or pre-employment transition services (as completed) on a regular basis;
12. provide reimbursement to the School for wages paid to students participating in School Work Study and/or Work Site Learning;
13. provide mileage reimbursement at the state rate for the School's teacher/transition coordinator's travel to and from job sites of students participating in School Work Study and/or Worksite Learning; and
14. provide support in assisting students graduating into Employer Work Study.

C. Student Wage

1. The DRS and the School agree that students who are employed by the School as part of a training program are not independent contractors, but employees of the School. **The** School **agrees to deduct state and federal income tax from wages paid to the student**. The School is responsible for costs incurred for workers' compensation or other expenses not included in the minimum wage reimbursed by the DRS, as part of its contribution toward providing coordinated transition services outlined in the Individuals with Disabilities Education Act (IDEA) and the Workforce Innovation and Opportunity Act (WIOA).

2. The DRS and the School further agree that **IRS regulations provide that services performed by a student who is employed by the school in which the student is enrolled are not considered "employment" for purposes of FICA (Federal Insurance Contribution Act—Social Security and Medicare) and FUTA (Federal Unemployment Tax Act—employment tax)** payroll deductions. 26 C.F.R. § 31.3121(b)(10)-2(a)(1) and § 31.3306(c)(10)-2(a). The rules provide that the services

performed by the student must be incident to and for the purposes of pursuing a course of study at the School. 26 C.F.R. § 31.3121(b)(10)-2. **The DRS and the** School **agree that students who are employed by the School as part of a training program are not subject to FICA or FUTA, except as otherwise provided below**. The employee/student must be enrolled and regularly attending classes at the school where they are employed to have the status of a student within the meaning of the regulations. This exemption does not apply if the student is working for a private employer through Employer Work Study, rather than for the School as part of an internship program. *The student must be employed by the School in order for the exception to apply.* The Oklahoma Employment Security Act provides that employment as part of a work-training program is exempt from the definition of "employment" and, therefore, not subject to the Act and, therefore, should not be documented as wages paid in quarterly submissions to the Oklahoma Employment Security Commission (OESC). 40 O.S. §1-210 (15)(I). **At the end of the calendar year, students are to be provided a W-2 (Wage and Tax Statement), and not a 1099-Misc form for independent contractors.**

1. In order for the School to be reimbursed for wages paid to a student participating in School Work Study and/or Worksite Learning, the School must have received authorization in the form of an Authorization for Purchase from the DRS counselor prior to the student starting work.

I. Compensation

A. Contract Amount

The DRS shall reimburse the Contractor as follows:

- school months –the current federal minimum wage. EXEMPT from FICA and FUTA, thus should not be taken out of the student's check.
- summer months –the current federal minimum wage, plus FICA and FUTA, as summer months are NOT exempt due to the student not being enrolled at least half-time in school.

Payment shall be made upon receipt of properly completed and approved invoices/pay stubs, time sheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services. By law the **DRS cannot pay** in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided to and accepted by the DRS pursuant to the Contract.

The **DRS will cancel the Contract if procedures are not followed** (e.g., putting students to work before authorized, inappropriate job placements, delayed billing, not submitting proper documentation as outlined in the Contract). If a settlement/ratification agreement. must be reached between the Contractor and the DRS, the Contractor will receive only 50% of the funds for which it is seeking reimbursement.

The Oklahoma State Constitution, Article 10, Section 23 states, "Balanced Budget - Procedures. The state shall never create or authorize the creation of any debt or obligation, or fund or pay

any deficit, against the state, or any department, institution, or agency thereof, regardless of its form or the source of money from which it is to be paid, except as may be provided in this section and in Sections 24 and 25 of Article X of the Constitution of the State of Oklahoma."

An express or written contract is a document evidencing, among other things, the mutual consent of the contracting parties. The written document becomes effective when the parties have signified their mutual consent by the act of signing it. The act of signing occurs when it occurs and applies only to events in the future.

To ensure you stay within the law and that you receive full compensation for services provided, please wait for official written documentation from your DRS counselors as to when a service may actually begin for an approved DRS client. The DRS CANNOT backdate in order to pay for services for any youth with disabilities.

According to 70 O.S. § 5-142, school districts must conduct national criminal record background searches and fingerprinting on prospective employees. Therefore, the DRS will reimburse the School up to fifty dollars ($58.25) per DRS client who:

* is going to participate in School Work Study and/or Worksite Learning;
* is at least eighteen (18) years of age; and
* has not previously had a criminal background check completed by the school district or any other school district in Oklahoma.

This reimbursement will occur upon request and submission of properly completed documentation to the DRS counselor. If the Contractor chooses to request the expedited background check from the Oklahoma State Department of Education, the Contractor will be responsible for any additional fees beyond the fifty dollars ($58.25).

A. Payment

The State of Oklahoma has forty-five (45) days from receipt of properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services to make payment to the Contractor. Invoices/pay stubs, timesheets, progress reports, and claims shall be sent to the DRS counselor who authorized services for each DRS client. **DRS cannot reimburse wages for School Work Study and/or Worksite Learning hours that were not authorized in the form of an Authorization for Purchase provided by the DRS counselor prior to the student starting work.** The DRS counselor's name, address, and telephone number are shown on each DRS client's Authorization for Purchase. If the State of Oklahoma fails to make payment within the forty-five (45) days, the Contractor is eligible to receive interest on the unpaid balance due per State of Oklahoma Statutes. The Contractor is responsible for claiming the interest. Pursuant to 2 C.F.R. § 200.407(n), 2 C.F.R. § 200.441, the DRS shall not use federal funds or non-federal funds used for vocational rehabilitation (VR) match to pay interest assessed for late payments to the Contractor.

B. Lapse Of Invoices/Claims

Properly completed and approved invoices/pay stubs, timesheets, and progress reports documenting the provision of services and/or proper claims for reimbursement of travel expenses pursuant to the contract for services shall be submitted within ninety (90) calendar days of the provision of those services and/or incurrence of those travel expenses. Supporting encumbrances may be cancelled upon a lapse of six (6) months from the actual provision of services and/or incurrence of travel expenses pursuant to the contract for services, unless specified otherwise in the Contract.

I. Standard Terms

A. Non-Discrimination

The Contractor shall at all times comply with all applicable federal laws relating to nondiscrimination, including but not limited to the Civil Rights Act of 1964 (42 U.S.C. §2000 *et seq.*), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 *et seq.*), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Age Discrimination in Employment Act (42 U.S.C. §6101 *et seq.*), and all amendments to these acts, and all requirements imposed by the regulations issued pursuant to these acts. Contractor acknowledges and agrees that it will take no action, make no decision, and grant no preference or disadvantage, directly or indirectly, based on a person's race, color, national origin, ethnicity, religion, sex, or marital status.

B. Lobbying Activities

The Contractor certifies the following:

1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, renewal, amendment or modification of any federal grant, or cooperative agreement;

2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

C. Debarment And Suspension

In accordance with Presidential Executive Orders 12549 and 12689, the Contractor certifies that neither it nor its principals are presently debarred, suspended or otherwise disqualified for participation in federal assistance programs. Such certification is a material representation of fact upon which reliance is being placed when entering into the Contract. A determination that the Contractor knowingly rendered an erroneous certification, in addition to other available remedies, may result in whole or partial termination of the Contractor's default.

Additionally, the Contractor shall promptly provide written notice to the Oklahoma state purchasing director if the certification becomes erroneous due to changed circumstances.

A. Drug-Free Workplace

The Contractor certifies compliance in providing or continuing to provide a drug-free workplace in accordance with the Drug-Free Workplace Act of 1988.

B. Modification

The Contract may only be modified by mutual consent of the parties in writing.

C. Cancellation

1. With Cause: In the event the Contractor fails to meet the terms and conditions of the Contract or fails to provide services in accordance with the provisions of the Contract, the DRS may upon written notice of default transmitted via Certified Mail to Contractor, cancel the Contract effective upon receipt of notice or at 5:00 PM on the fifth calendar day from the date DRS mailed the notice, whichever occurs first. Such cancellation shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided for by law. In the event a Notice of Cancellation is issued, the Contractor shall have the right to request a review of such decision as provided by the rules and regulations promulgated by the State of Oklahoma, Office of Management and Enterprise Services.

2. Without Cause: It is further agreed that the Contract may be canceled by either party by providing thirty (30) days prior written notice.

D. Access To And Retention Of Records

The Contractor shall maintain adequate and separate accounting and fiscal records and account for all funds provided by any source to pay the cost of the Contract. Authorized personnel of the U.S. Department of Education or other pertinent federal agencies, and authorized personnel of the Oklahoma Department of Rehabilitation Services, State Auditor and Inspector, and other appropriate state entities shall have the right of access to any books, documents, papers, or other records of contract which are pertinent to the performance or payment of the Contract in order to audit, examine, make excerpts and/or transcripts.

The Contractor is required to retain records relative to the Contract for the duration of the Contract and for a period of seven (7) years following completion or termination of the Contract, unless otherwise indicated in the Contract terms. If a claim, audit, litigation or other action involving such records is started before the end of the seven-year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved or until the end of the seven-year retention period, whichever is later.

E. Subcontracting

The services to be performed under the Contract shall not be subcontracted, in whole or in part, to any other person or entity without written approval by the DRS. The terms of the Contract, and such additional terms as the DRS may require, shall be included in any subcontract. Approval of the subcontract shall not relieve the Contractor of any responsibility for performing the Contract.

A. Compliance With State And Federal Laws

The Contractor shall comply with all applicable state and federal laws, rules and regulations relevant to the performance of the Contract. Compliance shall be the responsibility of the Contractor, without reliance on or direction by the DRS.

B. Travel

The travel expenses to be incurred by the Contractor pursuant to the Contract shall be included in the total amount of the contract award. The DRS will only pay travel expenses (including per diem) specified in and charged against the total amount of the contract award. In addition, the DRS will not reimburse travel expenses in excess of the rate established by the Oklahoma State Travel Reimbursement Act, 74 O.S. § 500.1-37. The Contractor shall be responsible for all travel arrangements and provide supporting documentation for reimbursement.

C. Client Confidentiality

The Contractor assures compliance with DRS requirements pertaining to the protection, use, and release of personal information. The Contractor will hold confidential all personal information regarding individuals, including lists of names, addresses, photographs, records of evaluation, and all other records of the DRS client. This information may not be disclosed, directly or indirectly, unless consent is obtained in writing or as otherwise required by law.

D. Unallowable Costs

In the event any audit, audit resolution, review, monitoring, or other oversight results in the determination that the Contractor has expended DRS funds on unallowable costs on this or any previous contract, the Contractor shall reimburse the DRS in full for all such costs on demand. The DRS may, at its sole discretion, deduct and withhold such amounts from subsequent payments to be made to the Contractor under this or other contracts.

E. Audit

1. Federal Funds

Organizations that expend $1,000,000 or more in a year in federal funds from all sources shall have a certified independent audit conducted in accordance with 2 C.F.R. Part 200.

2. State Funds

Corporations both for-profit and non-profit, and governmental entities that receive $50,000 or more in a year in State funds from DRS shall have a certified independent audit of its operations conducted in accordance with Government Auditing Standards. The financial statements shall be prepared in accordance with Generally Accepted Accounting Principles, and the report shall include a supplementary schedule of awards listing all state and federal funds by funding source.

1. **Auditor Approval and Audit Distribution**
The audit shall be performed by a certified public accountant or public accountant who has a valid and current permit to practice public accountancy in the State of Oklahoma, and who is approved by the Oklahoma Accountancy Board to perform audits according to Government Auditing Standards. The Contractor's fiscal managers and appropriate oversight bodies shall review the auditor's latest external quality control review report prior to the audit being conducted. DRS retains the right to examine the work papers of said auditor.

The Contractor shall submit two copies of the annual audit report, management letter (if applicable), corrective action plan to all audit findings, and the auditor's latest external quality control review report to the DRS Contracts Unit at 3535 N.W. 58th Street, Suite 300, Oklahoma City, OK 73112 or Contracts@okdrs.gov within 120 days of the Contractor's fiscal year end. In the event the Contractor is unable to provide the audit report within the time specified, the Contractor shall submit a written request for an extension to the physical address or email address listed above, citing the reason for delay. The DRS reserves the right to suspend payment to the Contractor for costs owed pursuant to this Contract if the DRS has not received the prior year audit.

F. Clean Air Act

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq*. The Contractor agrees to report each violation to DRS and understands and agrees that DRS will, in turn, report each violation as required to assure notification to the appropriate Environmental Protection Agency Regional Office.

G. Employment Relationship

The Contract does not create an employment relationship. Individuals performing services required by the Contract are not considered employees of the State of Oklahoma or the DRS for any purpose, and as such shall not be eligible for benefits accruing to state employees. The Contractor shall comply with all applicable laws regarding workers' compensation insurance.

H. Insurance

If the Contractor is not a self-insured governmental entity, the Contractor is hereby required to carry liability insurance adequate to compensate persons for injury to their person or property occasioned by an act of negligence by the Contractor, its agents or employees. Said

policy must provide that the carrier may not cancel or transfer the policy without giving the DRS thirty (30) days written notice prior to the cancellation or transfer. The Contractor shall timely renew the policies to be carried pursuant to this section throughout the term of the Contract and provide the DRS with evidence of such insurance and renewals upon request.

A. Punitive Actions

The Contractor understands that payment for services to DRS clients pursuant to the Contract shall be made by the DRS. Accordingly, the Contractor shall not restrict or refuse services under the Contract to DRS clients based on nonpayment by the DRS. No actions shall be taken against the DRS client, including collection actions for any service covered under the Contract, or for any late payment for which the DRS has responsibility. In addition, the Contractor agrees that no punitive actions will be taken against any client of the DRS for late payment of any tuition, fees, books, supplies, etc. for which the DRS has responsibility. This includes, but is not limited to, withholding grades, Pell or other financial aids, or delaying enrollment.

B. Prior DRS/State Employment

The Contractor hereby certifies that at the start of the contract period neither he/she nor, if applicable, any member of its board or officers are former DRS employees who were employed by the DRS during the prior twelve (12) months. Pursuant to 74 O.S. § 85.42(B), the Contractor also certifies that no person who has been involved in any manner in the development of this contract while employed by the State of Oklahoma shall be employed by the Contractor to fulfill any of the services provided for under said contract. This term shall not apply when the Contractor is a State of Oklahoma governmental entity.

C. Legal Employment Status Verification System

The Contractor certifies that it and all proposed subcontractors, whether known or unknown at the time the Contract is executed or awarded, are in compliance with the Oklahoma Taxpayer and Citizen Protection Act of 2007 (25 O.S. §§ 1312 and 1313) and all applicable federal immigration laws and are registered and participate in the Status Verification System. The Status Verification System is defined at 25 O.S. §1312 and includes but is not limited to the free Employment Verification Program (E-Verify) through the Department of Homeland Security and is available at www.dhs.gov/E-Verify.

D. Contract Jurisdiction

The Contract will be governed in all respects by the laws of the State of Oklahoma. The State of Oklahoma, District Court of Oklahoma County will be the venue in the event any legal action is filed by the DRS or the Contractor to enforce or to interpret provisions of the Contract.

E. Severability

The Contractor further certifies that it will not boycott energy companies in violation of the Act during the term of the Contract.

D. Force Majeure

A party is not liable for failure to perform the party's obligations if such failure is a result of Acts of God (including fire, flood, earthquake, storm, or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), strikes or labor disputes, embargoes, government orders, epidemics, pandemics or other similar events beyond the reasonable control of the party. If an event of Force Majeure occurs, the party injured by the other's inability to perform may elect one of the following remedies:

- to terminate the Contract in whole or in part; or
- to suspend the Contract, in whole or part, for the duration of the Force Majeure circumstances.

The party experiencing the Force Majeure circumstances shall cooperate with and assist

the injured party in all reasonable ways to minimize the impact of Force Majeure on the injured party.

A. Termination For Funding Insufficiency

Notwithstanding anything to the contrary in any Contract document, the DRS may terminate the Contract in whole or in part if funds sufficient to pay obligations under the Contract are not appropriated by the legislature or are not received from an intended third-party funding source. In the event of such insufficiency, the Contractor shall be provided at least fifteen (15) calendar days' written notice of termination. Any partial termination of the Contract under this section shall not be construed as a waiver of, and shall not affect, the rights and obligations of any party regarding portions of the Contract that are not terminated. "Education Records" has the meaning ascribed to that term under the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 C.F.R. Part 99) or under applicable provincial or territorial education privacy laws in Canada.

"Order Form" means the ordering document executed by Client that specifies the Services purchased, the Subscription Term, fees, and other commercial terms, and that references and incorporates this Agreement.

"Sensitive Data" means personally identifiable information relating to: health, genetic, or biometric information; religious beliefs or affiliations; political opinions or party membership; labor or trade union membership; sexual preferences or marital status; national, racial, or ethnic origin; philosophical or moral beliefs; criminal records or proceedings; financial, banking, or credit data; Social Security numbers or other government-issued identification numbers (other than student ID numbers); or any other category of information classified as "sensitive data" under applicable privacy laws.

"Student Data" means Client Data that constitutes Education Records or that contains personally identifiable information about students.

"Subscription Term" means the period during which Client may access and use the Services, as specified in the Order Form, including any renewal periods.

2. SERVICES

2.1 Services and License. Apptegy will provide Client access to the products and services identified in the Order Form (the "Services") during the Subscription Term. Apptegy grants Client a limited, non-exclusive, non-transferable right to access and use the Services during the Subscription Term for Client's internal business or educational purposes. Client may authorize individuals to access and use the Services by or on their behalf ("Users"). Client's purchase of Services is not contingent upon, and Client has not relied upon, the delivery of any future functionality or features, regardless of any written or verbal communication regarding Apptegy's possible future plans.

2.2 Support. Apptegy will provide reasonable technical support for the Services during the Subscription Term.

2.3 Changes to Services. Apptegy may update or modify the Services to improve functionality, address security issues, or comply with applicable law. Apptegy

will not materially reduce the core functionality of Services during the Subscription Term without providing Client reasonable advance notice.

2.4 Trial, Beta, and Evaluation Services. If the Order Form designates Services as trial, beta, pilot, proof of concept, or evaluation ("Trial Services"), such Services are provided for evaluation purposes only during the trial period specified in the Order Form. Apptegy may, in its sole discretion, extend the term of the Trial Services beyond the end date specified in the applicable Order Form. Either party may terminate Trial Services at any time without cause or liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, TRIAL SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE" WITHOUT ANY WARRANTIES, SUPPORT OBLIGATIONS, OR SERVICE LEVEL COMMITMENTS. CLIENT ASSUMES ALL RISKS ASSOCIATED WITH USE OF TRIAL SERVICES. APPTEGY HAS NO LIABILITY FOR CLIENT'S USE OF TRIAL SERVICES UNDER ANY THEORY OF LIABILITY. CLIENT UNCONDITIONALLY RELEASES APPTEGY FROM ALL RISKS, CLAIMS, AND DAMAGES ARISING FROM USE OF TRIAL SERVICES.

3. CLIENT RESPONSIBILITIES

3.1 General. Client is responsible for all activity under its account and all content submitted by Client and its Users ("Client Data"). Client will identify and authenticate all Users, approve User access, and promptly deactivate access for terminated or unauthorized personnel. Client will: (a) maintain the confidentiality of all usernames, passwords, and account credentials and notify Apptegy promptly upon discovering any unauthorized access; (b) obtain and maintain all equipment and internet connectivity necessary to access and use the Services; and (c) ensure the completeness and accuracy of all Client Data. Apptegy is not liable for any issues resulting from incorrect or incomplete Client Data.

3.2 Restrictions on Use. Client will not, and will not permit any User to: (a) use the Services for any purpose other than as expressly permitted under this Agreement; (b) reverse engineer, decompile, disassemble, or attempt to discover the source code or underlying structure of the Services; (c) modify, copy, or create derivative works based on the Services; (d) license, sublicense, sell, resell, rent, lease, transfer, or distribute the Services to any third party; (e) access the Services to build a competitive product or copy any features, functions, or graphics; (f) interfere with, disrupt, or attempt unauthorized access to the Services or related systems; (g) circumvent or disable any security features of the Services; (h) use any automated means (bots, scrapers, spiders) to access the Services without Apptegy's prior written consent; (i) remove or obscure any proprietary notices on the Services; (j) transmit viruses, malware, or other harmful code; (k) send spam or unsolicited commercial messages via the Services; (l) upload or transmit any content that infringes any intellectual property right or violates any privacy right; (m) upload or transmit any content that is unlawful, defamatory, libelous, threatening, harassing, or obscene; (n) upload or transmit any content that promotes violence, discrimination, or illegal activities; (o) upload or transmit any content that is false or misleading in a way that could cause harm; or (p) upload or transmit Sensitive Data as defined in Section 1. Apptegy has no liability for any Sensitive Data or other prohibited content uploaded by Client or Users. Apptegy may immediately suspend access to the Services if Client or any User violates this Section 3.2, or if continued use poses a security risk. Suspension does not relieve Client of its payment obligations. Apptegy will restore access promptly after the issue is cured.

3.3 Communications Laws. Client is solely responsible for complying with all laws governing communications sent via the Services, including the Telephone Consumer Protection Act (TCPA), the CAN-SPAM Act, Canada's Anti-Spam Legislation (CASL), and similar federal, state, and provincial laws. Client is responsible for obtaining all required consents before sending messages and for honoring opt-out requests. Apptegy provides tools to support compliance but does not determine what messages Client sends or to whom.

3.4 Children's Privacy. Client is solely responsible for complying with children's privacy laws applicable to Client's use of the Services, including the Children's

Online Privacy Protection Act (COPPA) and the Family Educational Rights and Privacy Act (FERPA). When Client invites or adds children under 13 (or such other age as required by applicable law) as Users, Client represents and warrants that Client has obtained all required parental or guardian consents for Apptegy's collection, use, and disclosure of personal information in accordance with this Agreement. Apptegy is authorized to presume that Client has obtained and will maintain all required consents for any children invited or added to the Services under Client's account.

3.5 Accessibility. Client is solely responsible for complying with accessibility laws applicable to Client's use of the Services, including the Americans with Disabilities Act (ADA) and applicable Canadian accessibility legislation. The Services include accessibility tools and features to assist Client. Apptegy designs the Services with the goal of supporting the Web Content Accessibility Guidelines (WCAG) at the AA conformance level, as updated from time to time, but does not warrant or guarantee that the Services achieve full conformance with WCAG or any other accessibility standard. Client remains responsible for the accessibility of all content, customizations, code, and third-party items that Client or its Users create, upload, configure, or integrate in connection with the Services, even if Apptegy assists with installation or configuration.

3.6 Third-Party Claims. To the extent permitted by applicable law and without waiving any governmental or sovereign immunity, Client is responsible for any third-party claims, damages, liabilities, costs, and expenses arising from: (a) Client Data, including any claim that Client Data infringes third-party rights; (b) Client's or any User's breach of this Agreement; (c) Client's or any User's violation of applicable law; or (d) content sent or published via the Services by Client or Users. Client will cooperate with Apptegy in the investigation, defense, and resolution of any such claims.

4. APPTEGY RESPONSIBILITIES

4.1 Student Data. When Client provides student Education Records, Apptegy will act as a "school official" under FERPA with a legitimate educational interest and will use Education Records only to provide the Services. Apptegy will not disclose Education Records except as permitted by FERPA or as directed by Client. Apptegy will not knowingly collect personal information from children under 13 except through Client's account and in reliance on Client's consent on behalf of parents and guardians as set forth in Section 3.4. Apptegy will not sell Student Data, use Student Data for advertising or marketing purposes unrelated to the Services, or use Student Data to create advertising profiles. These commitments are further detailed in the Data Processing Addendum (Exhibit A).

4.2 Security. Apptegy maintains administrative, technical, and physical safeguards designed to protect Client Data from unauthorized access, use, or disclosure. Information regarding Apptegy's security practices, compliance certifications, third-party assessments, and subprocessors is available at https://trust.apptegy.com

4.3 Subprocessors. Apptegy uses third-party service providers ("Subprocessors") to assist in delivering the Services. Apptegy maintains written agreements with Subprocessors that impose data protection requirements consistent with this Agreement. Apptegy remains responsible for the acts and omissions of its Subprocessors to the same extent Apptegy would be liable if performing the services directly. A current list of Subprocessors is available at https://trust.apptegy.com/subprocessors.

5. DATA AND PRIVACY

5.1 Client Data Ownership. Client retains all rights in Client Data. Client Data remains Client's property at all times. Client grants Apptegy a limited, non-exclusive, royalty-free, non-sublicensable, non-transferable (subject to Section 14.9) license to use Client Data to: (a) provide the Services; (b) create de-identified data that cannot reasonably be used, alone or in combination with other information reasonably available, to identify a particular individual ("De-Identified Data"); and (c) use De-Identified Data to operate, maintain, and improve the Services, develop new products and services, and compile statistics and

analytics regarding the use and performance of the Services, provided that any disclosure of De-Identified Data does not identify Client or any individual. This license terminates upon termination or expiration of this Agreement, except that Apptegy may retain De-Identified Data.

5.2 Data Processing Addendum. If Client is an educational institution, the data processing addendum entered into between the parties governs Apptegy's handling of Student Data. In the event of a conflict between this Agreement and such data processing addendum, the data processing addendum will control to the extent of the conflict.

5.3 Data Breach. If Apptegy becomes aware of an unauthorized access to or disclosure of Client Data that compromises its security or confidentiality ("Data Breach"), Apptegy will notify Client within seventy-two (72) hours of confirmation of the incident and will cooperate with Client to investigate and respond to the incident unless notification within this time limit would disrupt investigation of the incident by law enforcement. In such an event, notification shall be made within a reasonable time after the incident.

5.4 AI and Personal Data. Apptegy does not use Client Data, including personal information about Users, to train, tune, or improve general-purpose AI models. AI Features process Client Data only to generate outputs for Client's use within the Services. For the avoidance of doubt, the foregoing does not restrict Apptegy's use of Client Data within the Services to provide personalization, adaptive features, or task-specific outputs requested by Client. Apptegy will use commercially reasonable efforts to ensure that third-party model providers used in connection with AI Features do not use Client Data to train their general-purpose AI models.

5.5 Data Deletion. Upon termination or expiration of this Agreement, and subject to Client's written request received within thirty (30) days thereof, Apptegy will provide Client with an export of Client Data in a standard, machine-readable format. After the expiration of the thirty (30) day request period (or earlier upon Client's request), Apptegy will delete or de-identify all Client Data in its possession or control, except as required for legal or compliance purposes or as otherwise set forth in the Data Processing Addendum.

6. INTELLECTUAL PROPERTY

6.1 Apptegy IP. Nothing in this Agreement conveys, licenses, or transfers any intellectual property rights held by either party, except as expressly set out herein. Apptegy retains all right, title, and interest in the Services, including all patent, trademark, trade secret, and copyright rights (whether registered or unregistered) in the Services, underlying software and technologies, documentation, and all derivative works, improvements, and modifications thereto. Client acquires no ownership interest in the Services other than the limited right of access and use expressly granted under this Agreement.

6.2 Feedback. If Client provides suggestions, comments, or other feedback regarding the Services ("Feedback"), Apptegy may use such Feedback without restriction or obligation. Feedback is not Confidential Information or Client Data.

7. CONFIDENTIALITY

7.1 Confidential Information. "Confidential Information" means any non-public information disclosed by one party ("Discloser") to the other party ("Recipient") that is designated as confidential or that a reasonable person would understand to be confidential given the nature of the information and circumstances of disclosure. Confidential Information includes business plans, technology, customer information, and pricing, but excludes information that: (a) is or becomes publicly available without breach of this Agreement; (b) was known to Recipient prior to disclosure; (c) is received from a third party without confidentiality restrictions; or (d) is independently developed by Recipient without use of Discloser's Confidential Information.

7.2 Obligations. Recipient will: (a) use Confidential Information only to perform its obligations or exercise its rights under this Agreement; (b) not disclose Confidential Information to third parties except to employees, contractors, and advisors who need to know and are bound by confidentiality obligations at least as protective as this Section; and (c) protect

Confidential Information using at least reasonable care.

7.3 Required Disclosure. Recipient may disclose Confidential Information if required by law, provided that Recipient gives Discloser reasonable advance notice (to the extent permitted by law) and cooperates with Discloser's efforts to obtain protective treatment.

7.4 Return or Destruction. Upon request, Recipient will return or destroy Discloser's Confidential Information, except that Recipient may retain copies as required by law or standard backup procedures, subject to ongoing confidentiality obligations.

7.5 Public Records. If Client is subject to freedom of information, open records, or similar government transparency laws ("Public Records Laws"), the confidentiality provisions of this Section 7 are subject to such laws. Apptegy will comply with any direct obligations under Public Records Laws and will use reasonable efforts to assist Client with public records requests. Apptegy reserves all rights to assert exemptions under applicable Public Records Laws for proprietary or confidential information.

8. FEES AND PAYMENT

8.1 Fees. Client will pay all Fees specified in the Order Form ("Fees"). Fees are payable annually in advance, within the time periods and in the currency specified in the Order Form, without setoff or deduction. Fees cannot be decreased during the then-current Subscription Term and are non-refundable, except as expressly stated in this Agreement or required by applicable law. Fees are subject to adjustment upon renewal as stated in the Order Form or as communicated by Apptegy in writing at least sixty (60) days before the renewal date. Any discounts in the Order Form do not apply to subsequent renewal periods. Any discounts for purchases of bundled Services will automatically expire if Client cancels any of the bundled Services, and Client will thereafter be invoiced for the full price of the continuing Services. To the extent permitted by applicable law, Apptegy may charge interest on overdue amounts at the rate of 1.5% per month (or the maximum rate permitted by applicable law, if lower).

8.2 Invoicing. Apptegy will invoice upon execution of the Order Form for the first year's Fees, and on or about each anniversary of the Client Start Date for subsequent years.

8.3 Taxes. Fees do not include taxes. Client is responsible for all applicable taxes unless Client provides a valid exemption certificate.

8.4 Disputes. Disputes regarding any invoice must be submitted in writing within thirty (30) days of the invoice date; failure to timely dispute an invoice constitutes acceptance of the charges.

8.5 Suspension. Apptegy may suspend access to the Services upon fifteen (15) days' written notice if any undisputed fees are more than thirty (30) days past due. Apptegy will not suspend for non-payment while Client is disputing charges in good faith. Suspension does not relieve Client of its payment obligations. Apptegy will restore access promptly after the issue is cured.

9. TERM AND TERMINATION

9.1 Term. The Subscription Term begins on the start date specified in the Order Form and continues for the period specified therein. Unless otherwise stated in the Order Form, the Services will automatically renew for successive one-year periods unless either party provides written notice of non-renewal at least thirty (30) days prior to the end of the then-current Subscription Term.

9.2 Termination for Material Breach. Either party may terminate this Agreement upon written notice if the other party materially breaches this Agreement and fails to cure such breach within thirty (30) days after receiving written notice specifying the breach in reasonable detail.

9.3 Termination for Insolvency. Either party may terminate this Agreement immediately upon written notice if the other party becomes the subject of a petition in bankruptcy, becomes insolvent, or makes an assignment for the benefit of creditors.

9.4 Effect of Termination. Upon termination or expiration of this Agreement: (a) Client's right to access and use the Services will immediately terminate; (b) Client will pay all amounts due and owing; and (c) upon Client's written request, Apptegy will delete or return

Client Data in accordance with Section 5.5 and any applicable data privacy addendum entered into between the parties. Sections that by their nature are intended to survive will survive termination or expiration of this Agreement, including provisions relating to Client Data ownership, intellectual property, confidentiality, fees and payment, representations, disclaimers, indemnification, limitation of liability, and general provisions.

10. REPRESENTATIONS AND WARRANTIES

10.1 Mutual Representations. Each party represents and warrants that: (a) it has the authority to enter into and perform this Agreement; (b) doing so does not violate any other agreement to which it is bound; and (c) this Agreement is a legal, valid, and binding obligation.

10.2 Client Representations. Client represents, warrants, and covenants that: (a) Client has all rights necessary to provide Client Data to Apptegy; (b) Client Data does not violate applicable law or infringe any third-party rights; (c) Client will comply with all applicable laws in its use of the Services; and (d) Client will obtain all consents required to permit Apptegy's use of Client Data as contemplated by this Agreement.

11. DISCLAIMERS

THE SERVICES ARE PROVIDED "AS IS." APPTEGY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT. APPTEGY DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED, ERROR-FREE, OR SECURE, OR THAT ALL DEFECTS WILL BE CORRECTED. THE SERVICES MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF THE INTERNET AND ELECTRONIC COMMUNICATIONS.

APPTEGY HAS NO LIABILITY FOR DELAYS, FAILURES, ERRORS, OR UNAVAILABILITY OF THE SERVICES, INCLUDING ANY FAILURE TO DELIVER COMMUNICATIONS OR NOTIFICATIONS, OR FOR ANY DECISIONS OR ACTIONS TAKEN IN RELIANCE ON INFORMATION PROVIDED THROUGH THE SERVICES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, APPTEGY SHALL NOT BE LIABLE FOR ANY PERSONAL INJURY, DEATH, OR PROPERTY DAMAGE ARISING FROM OR RELATED TO USE OF THE SERVICES.

THIS SECTION DOES NOT EXCLUDE LIABILITY THAT CANNOT BE EXCLUDED UNDER APPLICABLE LAW, INCLUDING LIABILITY FOR DEATH OR BODILY INJURY CAUSED BY APPTEGY'S NEGLIGENCE, GROSS NEGLIGENCE, WILLFUL MISCONDUCT, OR FRAUD.

12. APPTEGY INDEMNIFICATION

12.1 IP Indemnification. Apptegy will defend, indemnify, and hold Client harmless from and against any third-party claims, damages, liabilities, costs, and expenses arising from or relating to any claim that the Services infringe or misappropriate any third-party intellectual property right, including any patent, copyright, trademark, or trade secret. Apptegy has no obligation under this Section for any claim arising from: (a) Client's use of the Services in breach of this Agreement or not in accordance with the Documentation; (b) modification of the Services by anyone other than Apptegy or its authorized agents; (c) combination of the Services with software, hardware, data, or other materials not provided or authorized by Apptegy; (d) Client Data; or (e) outputs generated by AI Features under Section 14.2. This Section 12 states Apptegy's sole liability and Client's exclusive remedy for any infringement or misappropriation claim.

12.2 Remedies. If an infringement or misappropriation claim is brought or threatened, or is likely to be brought in Apptegy's reasonable opinion, Apptegy may, at its sole option and expense: (a) procure for Client the right to continue using the Services; (b) modify the Services to be non-infringing without materially reducing functionality; or (c) terminate the affected Services and refund to Client the unearned portion of fees paid for the affected Services, calculated on a pro-rata basis for the remainder of the Subscription Term.

12.3 Indemnification Procedures. Client will: (a) promptly notify Apptegy in writing of any claim for which Client seeks indemnification; (b) grant Apptegy sole control of the defense and settlement of the claim; and (c) provide reasonable cooperation and assistance in the defense at Apptegy's expense. Apptegy may not settle any claim in a manner that imposes obligations

on Client or admits fault on Client's behalf without Client's prior written consent.

13. LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, NEITHER PARTY WILL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, OR FOR LOST PROFITS, REVENUE, OR DATA, OR FOR THE COST OF PROCURING SUBSTITUTE GOODS OR SERVICES, REGARDLESS OF THE THEORY OF LIABILITY. APPTEGY'S TOTAL LIABILITY UNDER THIS AGREEMENT WILL NOT EXCEED THE AGGREGATE FEES PAID BY CLIENT IN THE TWELVE (12) MONTHS PRECEDING THE FIRST EVENT GIVING RISE TO LIABILITY. THIS LIMITATION IS CUMULATIVE AND NOT PER-INCIDENT. THE LIMITATIONS IN THIS SECTION DO NOT APPLY TO: (A) CLIENT'S PAYMENT OBLIGATIONS; (B) APPTEGY'S INDEMNIFICATION OBLIGATIONS UNDER SECTION 12; OR (C) EITHER PARTY'S GROSS NEGLIGENCE, WILLFUL MISCONDUCT, OR FRAUD.

14. GENERAL PROVISIONS

14.1 Third Party Services. The Services may rely on or integrate with services, platforms, or solutions provided by third parties ("Third Party Services"). Apptegy does not control, and is not responsible or liable for, any Third Party Service, including: (a) the availability, accuracy, performance, or functionality of such Third Party Services; (b) any delay, interruption, or failure in the Services resulting from a Third Party Service; or (c) any loss or damage, whether direct or indirect, arising from or relating to any Third Party Service or Client's reliance on the same. If Client independently integrates or uses Third Party Services in connection with the Services, Client is solely responsible for compliance with applicable law and for any terms, consents, or obligations associated with such use.

14.2 AI Technology. The Services may include artificial intelligence features ("AI Features"). AI Features incorporate proprietary and third-party technologies and may rely on Third Party Services. Client acknowledges that AI technology has inherent limitations and that outputs generated by AI Features may contain errors, inaccuracies, or inappropriate content. AI outputs are provided for informational purposes only and are not a substitute for professional judgment. Client is solely responsible for reviewing, approving, and relying on any AI outputs. Apptegy makes no representations or warranties regarding the accuracy, reliability, or appropriateness of AI outputs and disclaims all liability for any claims, losses, or damages arising from Client's use of AI Features or reliance on AI outputs. AI Features are provided on an opt-in basis and are disabled by default. Client is responsible for ensuring that Users are aware when interacting with AI Features and for obtaining any notices or consents required by applicable law.

14.3 Carrier Restrictions. Apptegy provides text, voice, and email messaging subject to restrictions imposed by mobile and wireless carriers, network operators, and aggregators. Carrier restrictions are not within Apptegy's control and may change without notice. When restrictions change, certain features and functions of the Services may change as a result. Apptegy is not responsible or liable for any changes arising from carrier restrictions.

14.4 Mass Communications Disclaimer. If Client uses the mass communication features of the Services, Client acknowledges that such features are provided as non-emergency tools and are not a substitute for emergency communication methods (such as contacting law enforcement or emergency responders). Client is solely responsible for the content, timeliness, accuracy, and decision-making related to all notifications and alerts sent via the Services.

14.5 Compliance with Laws. Any materials, guidance, or information provided by Apptegy regarding legal or regulatory topics is for general educational and informational purposes only and does not constitute legal advice or create any obligation or liability on the part of Apptegy with respect to Client's compliance with applicable law.

14.6 Publicity. Apptegy may identify Client as a customer in customer lists and general marketing materials. Use of Client's name or logo in case studies, press releases, or testimonials requires Client's prior

written approval, which shall not be unreasonably withheld.

14.7 Governing Law. This Agreement is governed by the laws of the state or province where Client is located, without regard to conflict of laws principles. Each party submits to the exclusive jurisdiction of the courts where Client is located for any dispute arising under this Agreement.

14.8 Dispute Resolution. The parties will attempt to resolve any dispute arising from this Agreement through good-faith negotiation. If a dispute is not resolved within thirty (30) days after one party notifies the other of the dispute, either party may pursue legal remedies.

14.9 Assignment. Neither party may assign this Agreement without the other party's prior written consent, except in connection with a merger, acquisition, or sale of all or substantially all of a party's assets or voting securities. Any attempted assignment in violation of this Section is void. This Agreement will inure to the benefit of the parties' successors and permitted assigns.

14.10 Force Majeure. Neither party will be liable for any failure or delay in performance due to circumstances beyond its reasonable control, including natural disasters, acts of war or terrorism, labor disputes, pandemics, internet or telecommunications failures, or governmental actions. The affected party will provide prompt notice and use reasonable efforts to mitigate the impact.

14.11 Insurance. Apptegy will maintain commercially reasonable insurance coverage sufficient to cover the performance of the Services. Certificates of insurance will be provided upon request.

14.12 Notices. All notices under this Agreement must be in writing and sent to the address specified in the Order Form. Notices are effective upon: (a) personal delivery; (b) three (3) business days after mailing by certified mail, return receipt requested; (c) confirmed email delivery; or (d) one (1) business day after deposit with a nationally recognized overnight courier.

14.13 Entire Agreement. This Agreement, including the Order Form and all exhibits, constitutes the entire agreement between the parties regarding its subject matter and supersedes all prior agreements and understandings, whether written or oral. Pre-printed terms on purchase orders or other Client documents will have no force or effect. The Order Form may modify specific terms of this Agreement; in the event of conflict, the Order Form will control to the extent it expressly addresses the conflicting matter. Except as set forth in the preamble regarding revisions to this Agreement, this Agreement may not be amended except in writing signed by both parties.

14.14 Severability; Waiver. If any provision of this Agreement is held invalid or unenforceable, such provision will be modified to the minimum extent necessary to make it enforceable, and the remaining provisions will remain in full force and effect. No failure or delay by either party in exercising any right under this Agreement will constitute a waiver of that right. Any waiver must be in writing.

14.15 Relationship. The parties are independent contractors. This Agreement does not create any agency, partnership, joint venture, or employment relationship.

14.16 Counterparts. This Agreement may be executed in counterparts, including by electronic signature, each of which will be deemed an original and all of which together will constitute one agreement.

4.2. Client is responsible for the accuracy, quality, and lawfulness of Client Personal Data and how Client acquired it.

4.3. Client will not instruct Apptegy to process any categories of data that are subject to heightened protections under Applicable Data Protection Laws (such as certain "special categories of data," sensitive financial, health, or biometric data), except to the extent specifically agreed in writing.

5. APPTEGY OBLIGATIONS

5.1. Compliance and Confidentiality

(a) Compliance with Law. Apptegy will comply with Applicable Data Protection Laws in its role as a Processor of Client Personal Data.

(b) Confidentiality. Apptegy will ensure that persons authorized to process Client Personal Data are subject to appropriate confidentiality obligations and receive appropriate training regarding their data protection and security responsibilities.

5.2. Security Measures

Apptegy will implement and maintain appropriate technical and organizational security measures as described in Annex 2, as updated from time to time provided the overall level of security is not materially diminished.

5.3. Security Incidents

(a) Apptegy will notify Client without undue delay, and in any event within 72 hours of confirming a Security Incident involving Client Personal Data, unless a different period is required by Applicable Data Protection Laws or law enforcement requests a delay.

(b) Such notice will include information reasonably available to Apptegy at the time regarding the nature of the Security Incident, the categories and approximate number of affected Data Subjects and data records, the likely consequences, and the measures taken or proposed to address and mitigate the Security Incident, to the extent such information can be provided without prejudice to ongoing investigations.

(c) Apptegy will promptly take appropriate steps to contain, investigate, and remediate the Security Incident. Client will be responsible for any legally required notifications to Data Subjects or regulators, except to the extent such responsibility is allocated differently under Applicable Data Protection Laws.

5.4. Assistance with Data Subject Requests and Compliance

Taking into account the nature of the Processing and the information available to Apptegy, Apptegy will provide commercially reasonable assistance to Client, at Client's request and expense, to:

- respond to Data Subject Requests;
- conduct data protection impact assessments;
- consult with supervisory authorities where required; and
- meet other obligations under Applicable Data Protection Laws relating to the security and Processing of Client Personal Data.

5.5. Law Enforcement and Government Requests

If a governmental, regulatory, or law enforcement authority requests access to Client Personal Data held by Apptegy, Apptegy will, to the extent legally permitted, (a) promptly notify Client before disclosing any Client Personal Data, and (b) limit disclosure to what is legally required.

6. SUBPROCESSORS

6.1. General Authorization. Client hereby grants Apptegy a general authorization to engage Subprocessors to process Client Personal Data, subject to the terms of this Section 6.

6.2. Subprocessor Obligations. Apptegy will:

(a) enter into a written contract with each Subprocessor imposing data protection obligations that provide a level of protection for Client Personal Data that is at least materially equivalent to those in this DPA; and

(b) remain responsible for the acts and omissions of its Subprocessors to the same extent Apptegy would be responsible if performing the services of each Subprocessor directly.

6.3. List of Subprocessors and Notification. A current list of Apptegy's subprocessors is available at https://trust.apptegy.com/subprocessors. Apptegy may update this list from time to time.

6.4. Client Objections. If Client has reasonable grounds to object to a new Subprocessor that directly relates to Client's compliance with Applicable Data Protection Laws, Client must notify Apptegy in writing within fifteen (15) days of Apptegy's notice. The parties will work together in good faith to address the objection, which may include modifying the Services or offering alternative arrangements.

7. DE-IDENTIFIED DATA AND ANALYTICS

7.1. Apptegy may create and use De-Identified Data from Client Personal Data:

(a) to operate, maintain, and improve the Services;

(b) to develop new products and services; and
(c) to compile statistics and analytics regarding the use and performance of the Services, provided that any disclosure of such De-Identified Data to third parties does not identify Client or any individual and complies with Applicable Data Protection Laws.

7.2. Apptegy will not attempt to re-identify De-Identified Data. Apptegy will use commercially reasonable efforts to ensure that any third party to whom it provides De-Identified Data does not attempt to re-identify such data.

7.3. Apptegy's use of Client Personal Data in connection with artificial intelligence features is subject to the restrictions set forth in the Agreement. Without limiting those restrictions, Apptegy will not use Client Personal Data in identifiable form to train, tune, or improve any general-purpose artificial intelligence or machine learning model. For the avoidance of doubt, the foregoing does not restrict Apptegy's use of Client Personal Data within the Services to provide personalization, adaptive features, or task-specific outputs requested by Client. Apptegy will use commercially reasonable efforts to ensure that third-party model providers used in connection with AI Features do not use Client Personal Data to train their general-purpose AI models.

8. RESTRICTIONS ON USE AND DISCLOSURE

8.1. Apptegy will not:
(a) Sell Client Personal Data or otherwise make it available for monetary or other valuable consideration in a manner that constitutes a "sale" under Applicable Data Protection Laws;
(b) use Client Personal Data for cross-context behavioral advertising or similar profiling of individuals for advertising purposes, except to the limited extent expressly permitted by Applicable Data Protection Laws;
(c) use or disclose Client Personal Data other than as necessary to provide the Services, comply with law, or as otherwise permitted under this DPA; or
(d) combine Client Personal Data with Personal Data obtained from other sources, except to provide and improve the Services or as permitted in Section 7 (De-Identified Data).

8.2. Apptegy's use of Client Personal Data for safety, security, fraud prevention, service functionality, or internal operations consistent with the Agreement will not be considered "selling" or "sharing" data or engaging in targeted advertising where permitted under Applicable Data Protection Laws.

9. RETURN AND DELETION OF DATA

9.1. Upon termination or expiration of the Agreement, Apptegy will, at Client's choice and subject to Client's written request received within thirty (30) days of termination or expiration, either: (a) return a copy of Client Personal Data in a commonly used format; or (b) delete Client Personal Data in its possession or control, within a commercially reasonable period following such request, unless Apptegy is required by law to retain certain data. If Client does not submit a written request within the thirty (30) day period, Apptegy will delete Client Personal Data within a commercially reasonable period following expiration of that window.

9.2. Apptegy may retain Client Personal Data in its backup systems for a limited period consistent with its backup and retention policies, during which time Apptegy will isolate and protect such data from any further Processing other than for backup and security purposes, and will delete it in accordance with those policies.

9.3. The obligations in this Section 9 do not apply to De-Identified Data, which Apptegy may retain and use in accordance with Section 7.

10. AUDITS AND INFORMATION RIGHTS

10.1. Documentation and Reports. Upon Client's written request, and subject to reasonable confidentiality obligations, Apptegy will make available to Client information reasonably necessary to demonstrate compliance with this DPA, which may include summaries of third-party audit reports, certifications, or responses to industry-standard security questionnaires.

10.2. Audits. If Client requests an audit beyond the documentation and reports described in Section 10.1, the following conditions apply: (a) Client must provide at least thirty (30) days' prior written notice; (b) the scope, timing, and duration of the audit must be agreed in a separate written agreement between the parties prior to commencement; (c) audits will be conducted during normal business hours and in a manner that minimizes disruption to Apptegy's operations; (d) Client may conduct no more than one audit per twelve (12) month period, except where required by Applicable Data Protection Laws or following a confirmed Security Incident; (e) any auditor engaged by Client must execute a confidentiality agreement reasonably acceptable to Apptegy before accessing any Apptegy information or systems; and (f) audits will not include penetration testing, vulnerability scanning, or other security testing of Apptegy's systems or infrastructure.

10.3. Audit Costs. Client will bear its own costs and the reasonable costs incurred by Apptegy in connection with supporting any audit requested by Client, except where the audit materially identifies Apptegy's non-compliance with this DPA, in which case Apptegy will bear its own remediation costs.

11. EDUCATION-SPECIFIC TERMS

11.1. Applicability. This Section 11 applies only to the extent Client is an educational agency or institution (such as a school district) or otherwise Processes Student Data through the Services. If Client does not Process Student Data, this Section 11 does not apply. For the avoidance of doubt, Student Data is a subset of Client Personal Data, and all obligations in this DPA applicable to Client Personal Data apply equally to Student Data. This Section 11 establishes additional obligations specific to Student Data.

11.2. Student Data; School Official Role

(a) Student Data Ownership. All Student Data is and remains the property of, and under the control of, Client. Apptegy acquires no ownership interest in or independent right to Student Data and will process it only as permitted by this DPA.

(b) School Official. For purposes of FERPA and analogous state student privacy laws, Apptegy will be considered a "school official" with a "legitimate educational interest" and will be under the direct control of Client with respect to its use and maintenance of Student Data, to the extent required by such laws.

(c) Use of Student Data. Apptegy will Process Student Data only for the educational purposes authorized in the Agreement and this DPA, and as otherwise permitted or required by applicable student privacy laws.

11.3. Restrictions on Use of Student Data

11.3.1. Apptegy will not:

(a) use, disclose, or sell Student Data to inform, influence, or enable Targeted Advertising directed to students, parents/guardians, or staff; or

(b) develop a profile of a student or family for any commercial purpose other than providing the Services to Client (e.g., adaptive or personalized learning features explicitly requested by Client).

11.3.2. Apptegy may use Student Data to provide and improve the Services (including adaptive learning and personalization) and to make product or feature recommendations to Client, to the extent permitted by applicable student privacy laws.

11.4. De-Identified Student Data

11.4.1. Apptegy may use De-Identified Data derived from Student Data for purposes permitted by FERPA and applicable state law, including:

- assisting Client or other education agencies with research and studies;
- improving and demonstrating the effectiveness of Apptegy's educational products and services; and
- developing new educational tools and features.

11.4.2. The prohibitions on re-identification in Section 7.2 apply to De-Identified Data derived from Student Data.

11.5. Parent and Student Access

(a) To the extent required by law, Client will establish reasonable procedures by which a parent, legal

guardian, or eligible student may review and request correction of Student Data contained in Education Records.

(b) Apptegy will, upon Client's request, provide Student Data in Client's records that Apptegy holds to enable Client to respond to such requests within the timelines required by law.

(c) If a parent, guardian, or student contacts Apptegy directly to exercise these rights, Apptegy will refer the request to Client (unless prohibited by law) and will not respond directly except to acknowledge receipt and refer the individual to Client.

11.6. Law Enforcement and Government Requests for Student Data

In addition to Section 5.5, if law enforcement or another governmental entity requests access to Student Data held by Apptegy, Apptegy will, to the extent legally permitted, notify Client prior to any disclosure so that Client may seek protective measures, unless Apptegy is legally prohibited from providing such notice.

11.7. Disposition of Student Data

Upon Client's written request or upon termination of the Agreement, Apptegy will dispose of or return Student Data in accordance with Section 9 of this DPA and any additional instructions agreed in writing with Client, subject to any legal retention requirements and consistent with applicable student privacy laws. The duty to dispose of Student Data does not extend to De-Identified Data retained and used in accordance with Section 11.4.

12. LIMITATION OF LIABILITY

Each party's aggregate liability arising out of or in connection with this DPA (including any standard contractual clauses or similar instruments implemented under it) will be subject to the limitations and exclusions of liability set out in the Agreement. Any reference in such provisions to a party's liability under the Agreement shall be deemed to include that party's liability under this DPA.

13. GOVERNING LAW AND JURISDICTION

Subject to any mandatory provisions of Applicable Data Protection Laws or of any standard contractual clauses or similar instruments referenced in this DPA, this DPA will be governed by and construed in accordance with the governing law specified in the Agreement, and any disputes arising out of or in connection with this DPA will be subject to the exclusive jurisdiction specified in the Agreement.

14. MISCELLANEOUS

14.1. Severability. If any provision of this DPA is held invalid or unenforceable, the remaining provisions will remain in full force and effect. The parties will replace any invalid or unenforceable provision with a valid provision that most closely reflects the parties' original intent and economic effect.

14.2. Amendments. Amendments. This DPA may only be amended by a written agreement signed by both parties, except that: (a) Apptegy may update its Subprocessor list and Annex 2 (Security Measures), in accordance with this DPA and Applicable Data Protection Laws; and (b) Apptegy may update the Schedule of Data Elements in Annex 1, provided that material changes, including the addition or removal of data element categories, will be communicated through Apptegy's Trust Center or by written notice to Client, and Client will have thirty (30) days from receipt of notice to object in writing.

14.3. Execution. This DPA may be executed in counterparts and delivered electronically, each of which will be deemed an original and all of which together will constitute one instrument.

	The data elements selected in this Schedule of Data Elements reflect those typically shared with Apptegy by its clients. However, different clients may use different parts or features of Apptegy's Services, and a client's specific use may evolve over time. Given the nature of the Services, certain data elements	

	not marked in this Schedule of Data Elements may also be incidentally non-systematically shared with Apptegy (e.g., through content posted on a client's website or mobile application, if applicable). As a result, the data that Apptegy receives and accesses may change or be supplemented over time. Because clients retain full control over what data is shared, guardians, students, or other individuals seeking to confirm the specific data accessed by Apptegy should contact the applicable client. In addition, certain Services (such as interactive or chatbot features) may allow parents, guardians, or other end users to submit information directly to Apptegy on behalf of or in connection with Client. The content of such submissions is controlled by the submitting individual, not by Apptegy, and may include data elements not marked in this Schedule.

You are responsible to keep such information and instructions current and accurate. You agree that such information and instructions constitute your authorization and instruction to ArbiterPay to authorize such transfers, as your agent. The Bank is entitled to rely solely on the directions of ArbiterPay without reviewing any other information. Once you have provided your authorization for a Payment, you may not be able cancel the Payment.

9. Account Statements. You may view your transaction history and Account information by logging in to your Account and looking at your Account history. You agree to review your transactions through the Website instead of receiving periodic account statements by mail or email.

10. Unauthorized Transactions. You are responsible to maintain the confidentiality of your username and password. You should IMMEDIATELY notify ArbiterPay, by contacting the Customer Support Department at 801-576-9436, if you believe (i) there has been an unauthorized transaction or unauthorized access to your Account; (ii) your password has been compromised; (iii) you made an error in information provided on the Website; (iv) you believe there is an error with respect to your Account information or history; or (v) you need more information about a transaction linked to your Account. You should regularly log in to your Account and review your Account history to ensure that there have not been any unauthorized transactions or errors. YOU ARE RESPONSIBLE FOR ALL TRANSACTIONS CONDUCTED ON YOUR ACCOUNT USING YOUR USERNAME AND PASSWORD, REGARDLESS OF WHETHER OR NOT THEY WERE AUTHORIZED BY YOU. ARBITERPAY WILL NOT REIMBURSE YOU FOR ANY UNAUTHORIZED TRANSACTIONS WHICH OCCUR PRIOR TO THE TIME WE RECEIVE NOTIFICATION FROM YOU OF THE UNAUTHORIZED ACTIVITY.

11. Errors by ArbiterPay. If ArbiterPay makes a processing error, we will rectify the error. If the error results in a loss to you, ArbiterPay will credit your Account for the amount of the loss. You agree that in such case ArbiterPay assumes your rights against the recipient and third parties related to such error, and may pursue those rights directly or on your behalf, in ArbiterPay's discretion. In the event that ArbiterPay erroneously credits your Account or a credit to you is invalidated for any reason, you hereby authorize ArbiterPay or the Bank to debit your Account and, if such erroneous or invalid credit has been processed, to debit the account of your financial institution shown on your Account for an amount not to exceed the original amount of the erroneous or invalid credit. You further authorize your financial institution shown on your Account to accept the debit of such amount from your account. This authorization will remain in effect until ArbiterPay and the Bank have received written notice from you of termination of such authorization in such time and such manner as to afford ArbiterPay and the Bank reasonable opportunity to act upon it.

12. Fees for Funding Accounts. Currently, there is no enrollment cost or monthly cost to maintain your Account. However, you acknowledge that ArbiterPay reserves the right to change its fee structure at any time. You may be charged a fee to cover transaction charges associated with funding your Account. Unless you elect to fund your Account by an ACH debit through the Website, you may be charged a fee to manually enter the funding information. You understand that any ACH debit request that is returned as a non-sufficient fund transaction will be assessed a transaction fee. You can request a schedule of fees charged by ArbiterPay to Payors by contacting ArbiterPay at www.arbiterpay.com. You are solely responsible for any fees charged directly by your financial institution associated with ACH debits and credits initiated through the Website.

13. Fees for Payments. ArbiterPay may charge a fee to make Payments from your Account. ArbiterPay may also charge a monthly inactivity fee if there has been no activity on your Account for one year. You acknowledge that ArbiterPay reserves the right to change its fee structure at any time. You can request a schedule of fees charged by ArbiterPay to Payors by contacting ArbiterPay at www.arbiterpay.com.

14. Investment of Funds. All Funds in the Trust Account shall be invested as directed by ArbiterPay, provided that all Funds shall be invested in FDIC-insured deposit accounts or in obligations of, or obligations fully guaranteed as to principal and interest by, the United States or any agency or instrumentality thereof. You hereby acknowledge that ArbiterPay will direct the investment of the Trust Account Funds, in accordance with this section, and that such investments may not be deposits in or obligations of the Bank. For purposes of determining the portion of the Trust Account Funds owned by you in each financial institution in which Trust Account Funds are invested, your Funds will be deemed to be distributed among such financial institutions in the same proportions as the Trust Account Funds are distributed among such financial institutions. For example, if 25% of the Trust Account Funds are deposited at a particular financial institution, then 25% of your Funds in the Trust Account are deemed to be held at such financial institution. The list of financial institutions in which Trust Account Funds are invested can be viewed at www.arbiterpay.com. You agree and accept that it is your responsibility to ensure that the proportionate share of the Funds in your Account held by any financial institution, when combined with other accounts, funds or investments you may have with such financial institutions in any capacity, do not exceed the limits permitted by the FDIC for its insurance coverage.

15. Fees to ArbiterPay. You agree that you will not receive interest or other earnings on the Funds in the Trust Account. In addition to any other fees paid by you in connection with the ArbiterPay Services, you agree that in consideration for your use of the ArbiterPay Services, you irrevocably transfer and assign to ArbiterPay any ownership right that you may have in any interest or earnings that may accrue on Funds held in the Trust Account. This assignment applies only to interest and earnings on your Funds, and nothing in this Agreement grants ArbiterPay any ownership right to the principal of the Funds in the Trust Account. The Bank will treat such interest and earnings as property of ArbiterPay and is authorized to pay such earnings as directed by ArbiterPay without further authorization from you.

16. Notices to You. You agree that ArbiterPay may provide notice to you by posting it on the Website, emailing it to the email address listed on your Account, or mailing it to the street address listed on your Account. Such notice will be considered to be received by you within 24 hours of

the time it is posted to the Website or emailed to you unless we receive notice that the email was not delivered. If the notice is sent by regular U.S. mail, ArbiterPay will consider it to have been received by you three Business Days after it is sent.

17. Notices to ArbiterPay. Other than as set forth in section 38 below, all notices to ArbiterPay must be provided by mail sent to: ArbiterSports, LLC, 235 West Sego Lily Drive, Suite 200, Sandy, Utah 84070. Such notices will be effective when actually received by ArbiterPay. No oral communications will be effective to provide notice to ArbiterPay under this Agreement.

18. Identity Authentication. You authorize ArbiterPay and the Bank, directly or through third parties, to make any inquiries they consider necessary to validate your identity. This may include asking you for further information, including requiring you to provide a taxpayer identification number and other information that will allow them to reasonably identify you, requiring you to take steps to confirm ownership of your email address or financial accounts, ordering a credit report, and verifying your information against third-party databases or through other sources. ArbiterPay reserves the right to close, suspend or limit access to your Account, the ArbiterPay Services and the Website in the event we or the Bank are unable to obtain or verify this information.

19. Closing Your Account. You may close your Account at any time by sending a signed written request to: ArbiterSports, LLC, 235 West Sego Lily Drive, Suite 200, Sandy, Utah 84070. You must use or withdraw your Account balance prior to closing your Account. Upon Account closure, we will cancel any pending transactions. ArbiterPay may close your Account if there has been no activity on your Account for one year, whereupon ArbiterPay, acting as your designated agent, may direct the Bank to return to you any uncommitted Funds remaining in your Account to the last address shown on ArbiterPay's records, or as otherwise permitted by applicable law. ArbiterPay may charge a reasonable fee for processing remaining Funds upon closure of your Account due to inactivity. You can request a schedule of fees charged by ArbiterPay to Payors by contacting ArbiterPay at www.arbiterpay.com.

20. Suspension; Termination. ArbiterPay may suspend or limit your access to the Website, your Account or the ArbiterPay Services for so long as reasonably needed to protect against the risk of liability in the event ArbiterPay suspects you may have engaged in any of the restricted activities set forth in section 23 below or you are in breach of this Agreement or any other agreement or policy you enter into with ArbiterPay or the Bank. ArbiterPay, in its sole discretion, reserves the right to terminate this Agreement for any reason and at any time upon notice to you and payment to you of all of your unrestricted Funds held in the Trust Account. In addition, this Agreement will terminate at such time as you have closed your Account.

21. Accounting and Taxes. The Bank shall keep all appropriate books and records relating to the receipt and disbursement by it of all monies under this Agreement. The Bank will prepare all tax returns required to be filed with respect to the Trust Account. It is your responsibility to determine what, if any, taxes apply to the Payments you make or receive, and it is your responsibility to collect, report and remit the correct tax to the appropriate tax authority with respect to such Payments. You acknowledge that ArbiterPay is not responsible for determining whether taxes apply to your transactions. You further acknowledge that ArbiterPay is not

responsible for collecting, reporting or remitting any taxes, garnishments, levies, or any other third party collections or payments with respect to any Payments. ArbiterPay will keep records of all Payments made to ArbiterPay Users. You may elect on the Website to have ArbiterPay issue 1099 tax forms to ArbiterPay Users on your behalf. You agree and acknowledge that any 1099 tax forms issued to ArbiterPay Users on your behalf will be issued electronically. You acknowledge that the information provided by ArbiterPay Users from their online application will be used as a substitute for IRS form W-9. You specifically certify that (i) ArbiterPay has notified you that the information you submitted in connection with opening your Account will be used as a substitute for IRS form W-9; (ii) the number shown on your online Account application form is your correct taxpayer identification number; (iii) you are a U.S. person (including a U.S. resident alien); and (iv) you are not subject to backup withholding because (a) you are exempt from backup withholding, (b) you have not been notified by the IRS that you are subject to backup withholding as a result of a failure to report all interest or dividend income, or (c) the IRS has notified you that you are no longer subject to backup withholding.

22. Intellectual Property. You may not copy, imitate, or use them without our prior written consent. All right, title and interest in and to the Website, any content thereon, the ArbiterPay Services, any content or technology related to the ArbiterPay Services, and any and all content and technology created or derived from any of the foregoing is the exclusive property of ArbiterPay and its licensors.

23. Restricted Activities. In connection with your use of the Website, your Account and the ArbiterPay Services, or in the course of your interactions with ArbiterPay, the Bank, ArbiterPay Payors, ArbiterPay Users or third parties, you agree that you will not:

a. breach this Agreement or any other agreement or policy that you have entered into with ArbiterPay or the Bank;

b. violate any law, statute, ordinance, or regulation;

c. infringe on ArbiterPay's or any third party's copyright, patent, trademark, trade secret or other intellectual property rights, or rights of publicity or privacy;

d. act in a manner that is defamatory, trade libelous, threatening or harassing;

e. provide false, inaccurate or misleading information;

f. send or receive fraudulent funds;

g. disclose or distribute another ArbiterPay Payor's or ArbiterPay User's information to a third party or use such information for marketing purposes or to contact such ArbiterPay Payor or ArbiterPay User without their prior consent;

h. facilitate any viruses, Trojan horses, worms or other computer programming routines that may damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or information with respect to the Website, your Account or the ArbiterPay Services;

i. copy, reproduce, communicate to any third party, alter, modify, create derivative works of, publicly display or frame any content obtained from the Website or the ArbiterPay Services without our or any applicable third party's prior written consent;

j. allow your use of the Website, your Account or the ArbiterPay Services to create a risk of non-compliance by ArbiterPay with any applicable anti-money-laundering, counter-terrorism or similar laws and regulatory obligations;

k. refuse to cooperate in an investigation or provide confirmation of your identity or any information you provide to us; or

l. undertake any action which could amount to unjust enrichment during the course of a dispute by receiving or attempting to receive funds for the same transaction from each of ArbiterPay, the Bank and applicable ArbiterPay Users.

In the event ArbiterPay, in its sole discretion, believes you may have engaged in any of the above restricted activities, we may take various actions to protect ArbiterPay, the Bank, other ArbiterPay Payors, ArbiterPay Users and third parties, including without limitation, in addition to any other remedies provided in this Agreement or at law or in equity, notifying the Bank, other ArbiterPay Payors, ArbiterPay Users, third parties and law enforcement of your actions, instructing the Bank to withhold the distribution of Funds from your Account to protect against the risk of liability, updating inaccurate information about you and/or refusing to provide ArbiterPay Services to you in the future.

24. Limitation on Duties of ArbiterPay. ArbiterPay's duties under this Agreement are limited to (i) providing software, data management and website services; (ii) acting as your agent as described in this Agreement; and (iii) acting as the agent for the Bank as described in this Agreement. ArbiterPay will not receive, hold, own or transmit any funds whatsoever and will not provide any financial or banking services. No provision of this Agreement should be read or interpreted to authorize or require ArbiterPay to perform any action that would cause ArbiterPay to be subject to, or in violation of, any federal, state or local law or regulation applicable to money transmitters, banks or other financial institutions or financial service providers. Any such provision shall be interpreted to authorize and require such actions to be performed by the Bank.

25. Amendment. ArbiterPay, after receiving the consent of the Bank, may amend this Agreement at any time by posting a revised version on the Website. The revised version will be effective at the time it is posted. In addition, if the revised version includes a Substantial Change, we will provide you with 30 Days' prior notice of the Substantial Change by posting notice on the "ArbiterPay Home" page of the Website. You specifically authorize ArbiterPay and the Bank to

act in accordance with the terms of such amendment and, without limiting the foregoing, any use by you of the Website after the effective date of such amendment will confirm your consent to such amendment.

26. Removal of Bank. ArbiterPay, acting as your agent, may remove the Bank as trustee of the Trust Account at any time by a written notice to the Bank. Such removal will take effect immediately upon the appointment of a successor pursuant to section 28 below, whereupon all powers, rights and obligations of the removed Bank under this Agreement shall cease and terminate. You may not remove or change the Bank.

27. Resignation of Bank. The Bank may resign at any time upon giving 90 Days' prior written notice of such resignation to ArbiterPay. Such resignation will take effect upon the appointment of a successor pursuant to section 28 below, whereupon all powers, rights and obligations of the resigning Bank under this Agreement shall cease and terminate.

28. Successor Bank. Promptly upon removal of, or receipt of a notice of resignation from, the Bank, a successor shall be appointed by ArbiterPay and the successor will execute and deliver to its predecessor an instrument accepting such appointment. Such successor shall assume all powers, rights and obligations of such predecessor.

29. Compensation for Bank. The Bank agrees that its compensation shall be paid by ArbiterPay and that the ArbiterPay Payors shall not have any liability to the Bank for compensation for its services.

30. Limit on Liability. Neither ArbiterPay nor the Bank shall incur any liability to anyone in acting or refraining from acting upon any data, instructions, notice, report, or other document reasonably believed by it to be genuine and believed by it to be authorized by the proper party or parties. ArbiterPay and the Bank may for all purposes hereof rely on information provided on the Website by any person using your duly authorized user name and password. In the administration of this Agreement, ArbiterPay and the Bank may rely on advice of counsel, accountants and other skilled persons to be selected and employed by them, and ArbiterPay and the Bank shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the actions, advice or opinion of any such counsel, accountants or other skilled persons. IN NO EVENT SHALL ARBITERPAY OR THE BANK, OR THEIR PARENT COMPANIES, OFFICERS, EMPLOYEES, OR AGENTS, BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF DATA OR LOSS OF BUSINESS) ARISING OUT OF OR IN CONNECTION WITH THE ARBITERPAY SERVICES, THE WEBSITE OR THIS AGREEMENT (HOWEVER ARISING, INCLUDING NEGLIGENCE), AND ANY LIABILITY OF SUCH PERSONS TO YOU OR ANY THIRD PARTIES IN ANY CIRCUMSTANCE IS LIMITED TO THE ACTUAL AMOUNT OF DIRECT DAMAGES.

31. No Expenses for the Bank. The Bank shall not have any obligation by virtue of this Agreement to expend or risk any of its own funds, or to take any action which could, in the reasonable opinion of the Bank, result in any cost or expense being incurred by the Bank. The Bank shall not be required to take any action or refrain from taking any action under this

Agreement unless it shall have been indemnified in a manner and form satisfactory to the Bank against any liability, cost or expense (including reasonable attorneys' fees) which may be incurred in connection therewith. No provisions of this Agreement shall be deemed to impose any duty on the Bank to take any action if the Bank shall have been advised by counsel that such action would expose it to personal liability, is contrary to the terms hereof or is contrary to law. In the event that any claim is brought against the Bank by any ArbiterPay Payor, the Bank shall be reimbursed from the Funds of such ArbiterPay Payor for all reasonable costs and expenses incurred by the Bank in connection with such claims except for claims resulting from (i) the willful misconduct or gross negligence on the part of the Bank in the performance or nonperformance of its duties hereunder or otherwise, or (ii) the failure to use ordinary care on the part of the Bank in the disbursement of Funds in accordance with the terms of this Agreement. If an event of default under this Agreement shall occur, the Bank shall be entitled to receive reasonable compensation for its additional responsibilities, and payment or reimbursement for its expenses. The Bank shall have a lien on the Funds of the applicable ArbiterPay Payor to secure payment of such compensation and expenses resulting from the default of such ArbiterPay Payor.

32. Certain Duties and Responsibilities of the Bank. The Bank undertakes to perform such duties and only such duties as are specifically set forth in this Agreement, and no implied duties, covenants or obligations shall be read into this Agreement against the Bank.

33. Indemnification. You hereby agree to assume liability for, and to indemnify, protect, save and keep harmless the Bank, and its successors, assigns, representatives, and agents, from and against any and all liabilities, obligations, losses, damages, penalties, taxes (excluding any taxes payable by the Bank on or measured by any compensation received by the Bank for its services hereunder), claims, actions, suits, costs, expenses or disbursements (including, without limitation, reasonable attorneys' fees and expenses) of any kind and nature whatsoever, which may be imposed on, incurred by or asserted against the Bank in any way relating to or arising out of your actions in connection with this Agreement or the enforcement of any of the terms hereof against you, except (i) in the case of willful misconduct or gross negligence on the part of the Bank in the performance or nonperformance of its duties hereunder or otherwise, or (ii) in the case of the failure to use ordinary care on the part of the Bank in the disbursement of Funds in accordance with the terms of this Agreement. You agree to defend, indemnify and hold ArbiterSports, LLC dba ArbiterPay, its parent, officers, directors and employees harmless from any claim or demand (including attorneys' fees) made or incurred by any third party due to or arising out of your breach of this Agreement and/or your use of the Website, your Account and the ArbiterPay Services, and/or your violation of any law or the rights of any third party.

34. Trust Agreement for Benefit of Certain Parties Only. The Bank is an intended beneficiary of this Agreement. Nothing herein, whether expressed or implied, shall be construed to give any person other than you, ArbiterPay and the Bank any legal or equitable right, remedy or claim under or in respect of this Agreement.

35. Situs of Trust Account. The Trust Account has been accepted by the Bank and will be administered in the State of Utah.

36. Successors and Assigns; Assignment. Any problems you may have regarding the Website, your Account or the ArbiterPay Services may be reported to the Customer Service Department by calling 801-576-9436 or by email to disputes@arbitersports.com. In the event ArbiterPay is unable to resolve your concerns, you agree that for any claim (excluding claims for injunctive or other equitable relief) where the total amount of the award sought is less than U.S. $10,000.00, the party requesting relief may elect to resolve the dispute through binding, non-appearance-based arbitration using the Better Business Bureau arbitration services. In the event of non-appearance-based arbitration, the alternative dispute resolution provider and the parties must comply with the following rules: (i) the arbitration shall be conducted by telephone or online; (ii) it shall be solely based on written submissions as chosen by the party initiating the arbitration; and (iii) the arbitration shall not involve any personal appearance by the parties or witnesses unless otherwise mutually agreed by the parties. With respect to all arbitration proceedings between you and ArbiterPay, the award of the arbitrator shall be final and binding, and any judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction. You agree to submit to the personal jurisdiction of the courts located within Salt Lake City, Utah for the purpose of litigating all such claims or disputes. This Agreement shall be governed in all respects by the laws of the State of Utah, without regard to conflict of law provisions.

40. No Waiver. ArbiterPay's or the Bank's failure to act with respect to a breach by you or others does not waive any right to act with respect to subsequent or similar breaches.

41. No Warranty. THE WEBSITE AND THE ARBITERPAY SERVICES ARE PROVIDED "AS IS" AND WITHOUT ANY REPRESENTATION OF WARRANTY, WHETHER EXPRESS, IMPLIED OR STATUTORY. ARBITERPAY SPECIFICALLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. If any provision of this Agreement shall be invalid or unenforceable, the remaining provisions hereof shall continue to be fully effective, provided that such remaining provisions do not increase the obligations or liabilities of ArbiterPay or the Bank. This Data Protection Addendum ("Addendum") is attached to and forms a part of the parties' agreement for services (the "Contract") dated July 1, 2016, by and between Duncan ("District") and CharacterStrong LLC ("Contractor") (the Addendum and the Contract are collectively referred to hereinafter as "Agreement"). This Addendum supersedes the Contract by adding to, deleting from and modifying the Contract as set forth herein. 1.6. "*End User*" means individuals authorized by the District to access and use the Services as defined herein.

1.7. "*Incident*" means a suspected, attempted, or imminent threat of unauthorized access, use, disclosure, breach, modification, disruption or destruction to or of District Data.

1.8. "*Personally Identifiable Information*" or "*PII*" means information and metadata that, alone or in combination, is linked or linkable to a specific student so as to allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty. Personally Identifiable Information includes, but is not limited to: (a) the student's name; (b) the name of the student's parent or other family members; (c) the address or phone number of the student or student's family; (d) personal identifiers such as the student's state-assigned student identifier, social security number, student number or Biometric Record; (e) indirect identifiers such as the student's date of birth, place of birth or mother's maiden name; and (f) demographic attributes, such as race, socioeconomic information, and gender.

To the extent it is not already included in the definition hereinabove, PII also includes: (a) Personally Identifiable Information contained in student "education records" as that term is defined in the Family Educational Rights and Privacy Act, 20 U.S.C. 1232g; (b) "protected health information" as that term is defined in the Health Insurance Portability and Accountability Act, 45 C.F.R. 1.11. "*Security Breach*" means an event in which District Data is exposed to unauthorized disclosure, access, alteration or use or a system configuration that results in a documented unsecured disclosure, access, alteration or use, in a manner not permitted in this Addendum, which poses a significant risk of financial, reputational or other harm to the affected End User or the District.

1.12. "*Services*" means any goods or services acquired by the District from the Contractor, or under the contract, including but not limited to computer software, mobile applications (apps), and web-based tools accessed by End Users through the Internet, installed, or run on a computer or electronic device.

1.13. Student Data shall constitute education records for the purposes of this Addendum, and for the purposes of federal, state, and local laws and regulations. Student Data as specified in Schedule 5 is confirmed to be collected or processed by the Contractor pursuant to the Services. Student Data shall not constitute that information that has been anonymized or De-identified Data, or anonymous usage data regarding a student's use of Contractor's Services.

1.14. "*Subprocessor*" means, for the purposes of this Addendum, any third party Contractor uses for data collection, analytics, storage, or other service to operate and/or improve its Services, and who has access to Student Data.

2.2. License. Contractor shall be under the direct control and supervision of the District, with respect to its use of District Data. District owns all rights, title, and interest in and to District Data and any and all now known or hereafter existing intellectual property rights associated therewith, and any derivative works thereof or modifications thereto, including without limitation, De-identified Data. The District hereby grants to Contractor a limited, nonexclusive license to use District Data solely for the purpose of performing its obligations specified in the Contract. This Agreement does not give Contractor any rights, title, or interest implied or otherwise, to District Data or De-identified Data, except as expressly stated in the Contract.

2.3. Parent Access. To the extent required by law District shall establish reasonable procedures by which a parent, legal guardian, or eligible student may review education records and/or District Data correct erroneous information, and procedures for the transfer of student-generated content to a personal account, consistent with the functionality of services. Contractor shall respond in a reasonably timely manner (and no later than forty five (45) days from the date of the request or pursuant to the time frame required under state law for the District to respond to a parent or student, whichever is sooner) to the District's request for Student Data in a student's records held by the Contractor to view or correct as necessary. In the event that a parent of a student or other individual contacts the Contractor to review any of the Student Data accessed pursuant to the Services, the Contractor shall refer the parent or individual to the District, who will follow the necessary and proper procedures regarding the requested information.

2.4. Separate Account. If student-generated content is stored or maintained by the Contractor, then Contractor shall, at the request of District, transfer, or provide a mechanism for District to transfer, said content to a separate account created by the student.

2.5. Law Enforcement Requests. Should law enforcement or other government entities ("Requesting Party(ies)") contact Contractor with a request for Student Data held by the Contractor pursuant to the Services, the Contractor shall notify District in advance of a compelled

disclosure to the Requesting Party, unless lawfully directed by the Requesting Party not to inform the District of the request.

2.6. Subprocessors. Contractor shall enter into written agreements with all Subprocessors performing functions for Contractor in order for Contractor to provide the Services hereunder, whereby the Subprocessors agree to protect District Data in a manner no less stringent than the terms of this Addendum.

3. Data Privacy

3.1 Use of District Data. Contractor shall use District Data only for the purpose of performing the Services and fulfilling its duties under the Contract.

3.2 Prohibited Uses of District Data. With the exception of De-identified Data that the District has agreed in writing to allow Contractor to use as specified in Section 3.5, Contractor shall not:

3.2.1 Use, sell, rent, transfer, distribute, alter, mine, or disclose District Data (including metadata) to any third party without the prior written consent of the District, except as required by law;

3.2.2 Use District Data for its own commercial benefit, including but not limited to, advertising or marketing of any kind directed toward children, parents, guardians, or District employees, unless such use is specifically authorized by this Agreement or otherwise authorized in writing by the District;

3.2.3 Use District Data in a manner that is inconsistent with Contractor's privacy policy;

3.2.4 Use District Data to create a Student Profile other than as authorized or required by the Contract to perform the Services; and

3.2.5 Store District Data outside the continental United States unless Contractor has given the District Designated Representative advance written notice of where and how the servers are housed, managed, and secured, and that the security standards required herein can be achieved.

3.3 Qualified FERPA Exception. If Contractor will have access to Education Records, Contractor acknowledges that, for the purposes of this Agreement, pursuant to the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g and its implementing regulations, 34

C.F.R. Part 99 ("FERPA"), it will be designated as a "school official" with "legitimate educational interests" in the District Education Records and PII disclosed pursuant to the Contract, and Contractor agrees to abide by the FERPA limitations and requirements imposed on school officials. Contractor will use the Education Records only for the purpose of fulfilling its duties under the Contract for District's and its End Users' benefit, and shall not share District Data with or disclose it to any third party except as provided for in the Agreement, as required by law, or if authorized in writing by the District.

3.4 Subprocessor Use of District Data. To the extent necessary to perform its obligations specified in the Contract, Contractor may disclose District Data to Subprocessors pursuant to a written agreement, specifying the purpose of the disclosure and providing that: (a) Subprocessor shall not disclose District Data, in whole or in part, to any other party; (b) Subprocessor shall not use any District Data to advertise or market to students or their parents/guardians; (c) Subprocessor shall access, view, collect, generate and use District Data only to the extent necessary to assist Contractor in performing its obligations specified in the Contract; (d) at the conclusion of its/their work under its/their subcontract(s) Subprocessor shall, as directed by the District through Contractor, Securely Destroy all District Data in its/their possession, custody or control, or return such District Data to the District, at the election of the District; and (e) Subprocessor shall utilize appropriate administrative, physical and technical safeguards in accordance with industry standards and best practices to secure District Data from unauthorized disclosure, access and use. Contractor shall ensure that its employees and Subprocessors who have potential access to District Data have undergone appropriate background screening, to the District's satisfaction, and possess all needed qualifications to comply with the terms of this Addendum.

3.5 Use of De-identified Data. Contractor may use De-identified Data for purposes of research, the improvement of Contractor's products and services, and/or the development of new products and services. Additionally, De-Identified Data may be used by Contractor for those purposes allowed under FERPA and the following purposes: (1) assisting District or other governmental agencies in conducting research and other studies; and (2) research and development of Contractor's educational sites, services, or applications, and to demonstrate the effectiveness of the Services; and (3) for adaptive learning purpose and for customized student learning. Contractor's use of De-Identified Data shall survive termination of this Addendum or any request by District to return or destroy District Data. In no event shall Contractor or Subprocessors re-identify or attempt to re- identify any De-identified Data or use De-identified Data in combination with other data elements or De-identified Data in the possession of a third-party affiliate, thereby posing risks of re- identification.

3.6 Privacy Policy Changes. Prior to making a material change to Contractor's privacy policies, Contractor shall send District's Designated Representative written notice, which includes a clear explanation of the proposed changes.

3.7 Advertising Limitations. Contractor is prohibited from using, disclosing, or selling District Data to (a) inform, influence, or enable targeted advertising; or (b) develop a profile of a student, family member/guardian or group, for any purpose other than providing the Services to District. This section does not prohibit Contractor from using District Data (i) for adaptive learning or customized student learning (including generating personalized learning recommendations); or (ii) to make product recommendations to teachers or District employees; or (iii) to notify account holders about new education product updates, features, or services or from otherwise using District Data as permitted in this Addendum and its accompanying exhibits.

4. Data Security

4.1 Security Safeguards. Contractor shall store and process District Data in accordance with commercial best practices, including implementing appropriate administrative, physical, and technical safeguards that are no less rigorous than those outlined in SANS Top 20 Security Controls, as amended, to secure such data from unauthorized access, disclosure, alteration, and use. Contractor shall ensure that all such safeguards, including the manner in which District Data is collected, accessed, used, stored, processed, disposed of and disclosed, comply with all applicable federal and state data protection and privacy laws, regulations and directives, as well as the terms and conditions of this Addendum. Without limiting the foregoing, and unless expressly agreed to the contrary in writing, Contractor warrants that all electronic District Data will be encrypted in transmission and at rest in accordance with NIST Special Publication 800-57, as amended.

4.2 Risk Assessments. Contractor shall conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner.

4.3 Audit Trails. Contractor shall take reasonable measures, including audit trails, to protect District Data against deterioration or degradation of data quality and authenticity, and to ensure data is deidentified in accordance with this Addendum.

4.4 Verification of Safeguards. Upon District's written request, Contractor shall provide or make available to the District for review, one or more of the following, verifying Contractor's administrative, physical and technical safeguards are in compliance with industry standards and best practices: (1) a third-party network security audit report; (2) certification from Contractor indicating that an independent vulnerability or risk assessment of the Contractor's data security program has occurred; (3) district data has been deidentified by Contractor as set forth in the definition of Deidentified Data in section 1.4 of this Addendum.

4.5 Background Checks. The Contractor and every person, including any subcontractor or agent of the Contractor, who has unsupervised access to students, or access to student data, shall be required to have a criminal background check. The results of the background check shall comply

with applicable state law and other district requirements, and upon request, be available to the District. The costs associated with the background check are solely the Contractor's responsibility. Before Services begin, each person required to provide a criminal background check shall disclose in writing and sign a notarized affidavit whether or not he or she has been convicted of any charge(s) such as a felony, misdemeanor, or municipal ordinance violation. Thereafter, during the term of the Contract all new personnel, subcontractor(s), third party support personnel and agents, whether paid or not, that are engaged, hired or added to perform the Services, shall be subject to these same requirements before performing Services on Contractor's behalf.

Notwithstanding the criminal background check requirement as set forth above, Contractor hereby warrants that no employee, subcontractor or agent of the Contractor rendering the Services has been convicted of a criminal offense in this or in any other state involving: (i) the abuse, abduction, sexual molestation, physical or sexual assault on, or rape of a minor; or (ii) any crime involving exploitation of minors, including but not limited to, child pornography offenses or any crime of violence; and (iii) Contractor shall notify the District immediately upon the discovery or receipt of any information that any person working for the Contractor has been detained or arrested by a law enforcement agency. Contractor understands that allowing any employee, subcontractor, volunteer or agent who is providing Services on Contractor's behalf, access to students, District's records, including PII, or to enter onto the District's property, that has been arrested or convicted of the aforementioned crimes, constitutes a material breach of this Agreement and may result in the immediate termination of this Agreement.

4.6 Duties of District. District shall provide Student Data for the purposes of obtaining the Services in compliance with all applicable federal, state, and local privacy laws, rules, and regulations, all as may be amended from time to time. District shall take reasonable precautions to secure usernames, passwords, and any other means of gaining access to the Services and hosted District Data. District shall notify Contractor promptly of any known unauthorized access. District will assist Contractor in any efforts by Contractor to investigate and respond to any unauthorized access.

5. Security Incident and Security Breach

5.1 Security Incident Evaluation. In the event of an Incident, Contractor shall follow industry best practices to fully investigate and resolve the Incident, and take steps to prevent developments that may result in the Incident becoming a Security Breach at Contractor's expense in accordance with applicable privacy laws.

5.2 Response. Within seventy-two (72) hours of becoming aware of a Security Breach, or a complaint of a Security Breach, Contractor shall notify the District Designated Representative in writing as set forth herein, fully investigate the Security Breach, cooperate fully with the District's investigation of and response to the Security Breach, and use best efforts to prevent any

further Security Breach at Contractor's expense in accordance with applicable privacy laws.

5.3 Security Breach Report. If the District reasonably determines that Contractor has committed a Security Breach, then the District may request Contractor to submit, within seven (7) calendar days from discovery of such breach, a written report, and any supporting documentation, identifying (i) the nature of the Security Breach, (ii) the steps Contractor has executed to investigate the Security Breach, (iii) what District Data or PII was used or disclosed, (iv) who or what was the cause of the Security Breach, (v) what Contractor has done or shall do to remediate any deleterious effect of the Security Breach, and (vi) what corrective action Contractor has taken or shall take to prevent a future Incident or Security Breach.

6. Response to Legal Orders, Demands or Requests for Data

6.1 Received by Contractor. Except as otherwise expressly prohibited by law, Contractor shall immediately notify the District of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking District Data; consult with the District regarding its response; cooperate with the District's reasonable requests in connection with efforts by the District to intervene and quash or modify the legal order, demand or request; and, upon the District's request, provide the District with a copy of its response.

6.2 Received by District. If the District receives a subpoena, warrant, or other legal order, demand or request seeking District Data maintained by Contractor, the District will promptly notify Contractor, and within two (2) business days, excluding national holidays, Contractor shall supply the District with copies of the District Data for the District to respond.

6.3 Parent Request. If a parent, legal guardian or student contacts the District with a request to review or correct District Data or PII, pursuant to FERPA, the District will promptly notify Contractor's Designated Representative and Contractor shall use reasonable and good faith efforts to assist the District in fulfilling such requests, as directed by the District, within ten calendar (10) days after receipt of District's notice. Conversely, if a parent, legal guardian or student contacts the Contractor with a request to review or correct District Data or PII, within ten calendar (10) days after receipt of such notice, Contractor shall promptly notify the District and shall use reasonable and good faith efforts to assist the District in fulfilling such requests, as directed by the District.

6.4 Access to District Data. District shall have the right to access and retrieve any or all District Data stored by or in possession of Contractor upon written notice to Contractor's Designated Representative. Contractor shall make the District Data available to the District within seven (7) calendar days from the date of request.

7. Compliance with Applicable Law

7.1. Children's Online Privacy and Protection Act. If Contractor collects personal information (as defined in the Children's Online Privacy and Protection Act of 1998, 5 U.S.C. 6501 to 6505, and its implementing regulations ("COPPA")) from children under thirteen (13) years of age in performing the Services, Contractor warrants, represents, and covenants that such collection is and shall be for the use and benefit of the District and for no other commercial purpose. Contractor has provided District with written notice of its collection, use, and disclosure practices.

7.2 Compliance with Laws. Contractor warrants that it will abide by all applicable laws, ordinances, rules, regulations, and orders of all governmental agencies or authorities having jurisdiction over the Services including but not limited to: (a) COPPA; (b) FERPA; (c) the Health Insurance Portability and Accountability Act, 45 C.F.R. Part 160.103; (d) the Health Information Technology for Economic and Clinical Health Act, (e) Gramm-Leach-Bliley Financial Modernization Act of 1999, 15 U.S.C. 6809; (f) Payment Card Industry Data Security Standards; (g) Protection of Pupil Rights Amendment, 20 U.S.C. 1232h, 34 C.F.R. Part 98; and (h) Americans with Disabilities Act, and Federal Export Administration Regulations.

7.3 Americans with Disabilities Act. To the extent the District is required to provide accommodations in compliance with the Americans with Disability Act ("ADA"), Contractor will make best efforts to assist the District in providing its Services to End Users pursuant to this Agreement, and will assistance the District in a manner that its system and Services will, at a minimum, conform with all laws, regulations and guidance that apply to accessibility in accordance with the ADA, Section 504 of the Rehabilitation Act of 1973, and the Web Content Accessibility Guidelines (WCAG) 2.0 Level AA guidelines; provided, however, Contractor will have no obligations with respect to such compliance as it relates to any portion of the system and Services provided or developed by the District including District content.

8. Term and Termination

8.1 Term. This Addendum takes effect immediately as of the Effective Date and remains in full force and effect until the successful completion of the Services, unless earlier terminated under Sections 8.2 or 8.3.

8.2 Mutual Termination. The parties may terminate this Addendum by mutual written consent so long as the Contract has lapsed or has been terminated. Alternatively, upon re-execution of the Contract by the authorized persons of District and Contractor, this Addendum shall also be revived and be of full force and effect.

8.3 Termination for Breach. Either party may immediately terminate this Addendum if such party determines, in its sole discretion, that the other party has breached any of the requirements of this Addendum and after such breaching party has received written notice from the non-breaching party regarding the breach and a ten (10) day opportunity to cure.

9. Data Transfer Upon Termination or Expiration

With the exception of De-identified Data that District has specifically agreed in writing to allow Contractor to use after termination or expiration of this Agreement, or District Data for which Contractor has specifically obtained consent from the parent, legal guardian or student to keep, no later than (30) calendar days after termination or expiration of this Agreement, and after having received written notice from the District requesting, and specifying its preference for, the return or destruction of the District Data, Contractor shall certify in writing that all District Data and PII that Contractor collected, generated or inferred pursuant to the Contract ("Contract Data"), is securely returned or Securely Destroyed, pursuant to Schedule 4 attached hereto.

Contractor shall work closely with such third party transferee to ensure that such transfer/migration uses facilities and methods compatible with the relevant systems of the District or its transferee, and to the extent technologically feasible, that the District will have reasonable access to District Data during the transition. District will pay all costs associated with such transfer. Upon successful transfer of District Data, as confirmed in writing by the District's Designated Representative, Contractor shall Securely Destroy all District Data in accordance with Section 9.1.

Sports and Extracurricular Activity
Memorandum of Agreement

This Memorandum is made and agreed upon on this 1st day of July, 2026 by and between the Duncan Public School District - Independent School District I-1 Stephens County and the City of Duncan through the Duncan Police Department.

This document serves as a Memorandum of Agreement between the Duncan Public School District - Independent School District I-1 Stephens County (hereafter described as "The District") and the Duncan Police Department (hereafter described as "The Department) and the City of Duncan (hereafter referred to as "The City) regarding sporting and extracurricular activity security.

1. Purpose

The purpose of this memorandum is in the sole interest of making Duncan Public Schools sporting and extracurricular events safe and enjoyable for all who attend. The District and the Department have established an effective working relationship to include sworn police officers employed by the Department and contracted by the District for placement within the District as School Resource Officers. In furtherance of this goal, the City and the Department agree to provide sworn, full time police officers to the District in accordance with the attached schedule of events.

2. Administration

The agreement described in this document shall be administered by the City Manager, Chief of Police of the Department, and the Superintendent of the District. These representatives shall be responsible for administering this agreement and shall have the authority to determine the duties to be performed. Thes representatives will have the sole authority to resolve disputes between the District, the City and the Department. The Department will receive periodic recommendations and suggestions as to the needs of the District. These recommendations will be made to the Department by the Superintendent or their designee.

3. Consideration

In consideration for the services provided through this Agreement, the District agrees to pay the City an amount equal to the agreed upon amount on the attached schedule of events.

4. Terms of Agreement

This Agreement may be canceled by either party upon thirty (30) days written notice to the Chairman of the governing body of the other party. If termination of this contract should occur subsequent to notice being provided, pursuant to this paragraph, the District shall reimburse City on a pro rata basis for those services provided by the City but not yet paid for by the District. In the alternative, if termination should occur subsequent to notice given, pursuant to the terms of this paragraph, City shall refund to District on a pro rata basis all amounts received by City from District for which services have not yet been provided according to the terms of this contract.

5. Agency Representatives

The City, the Department, and the District will appoint representatives to develop, implement, and review practices and procedures relevant to this program. These representatives will develop a procedure for ongoing evaluation, and will schedule meetings annually, at a minimum, to discuss these evaluations and recommend changes.

6. Qualifications of Officers

The Officers assigned under this program shall be duly certified officers of the Department and shall perform the tasks and duties described in this document. The Department agrees that any and all officers assigned will be certified Peace Officers for the State of Oklahoma, and meet all requirements set forth by the Council on Law Enforcement and Training and the City of Duncan. The Department agrees that these officers are fully trained in the proper and appropriate law enforcement use of equipment issued to them by the Department.

7. Assignment of Officers

The City agrees and guarantees that the officers will be assigned to the events in the numbers prescribed in the attached schedule of events. The method and manner in which these officers are assigned is at the sole discretion of the Department.

8. Preference of the School Resource Officer

Due to the familiarity of students, staff, and property held by the School Resource Officers assigned to the District, it is obviously preferred that the SROs are present at events. The District realizes that this is not always feasible. In cases where officers who are not the assigned District SROs are assigned to events, they are not considered SROs under law or for purposes of this agreement.

9. Duties of Officers Contracted

Officers assigned to events will have the primary role of ensuring the safety of participants, staff, and spectators. Officers are also expected to keep order and enforce school policy in the event that the policy serves a role in the overall safety and security of the event.

Additional duties may include, but are not limited to;

1. Searching of bags, purses, and personal items as a prerequisite to entry
2. Enforce established rules concerning exit and re-entry
3. Escort subjects off the property as directed by Administration or Officials
4. Escort staff carrying money from ticket booths and concession stands
5. Direct traffic before and after events
6. Assist with crowd control during events
7. Patrol parking lots during events
8. Any other duties requested or required by District Administration that are not in conflict with District or Agency policy or any local, state, or federal law.

10. Enforcement of School Policy

Officers who are not designated SROs are not expected to enforce school policy regarding student behavior unless that behavior impacts the safety and security of the event. If a situation arises where an officer is made aware of an issue that needs to be addressed, but does not directly impact safety or security, the matter should be referred to the administrator on duty.

11. Hours of Work

Unless a modification is requested by the District, the Department agrees to assign the officers to arrive at least 30 minutes prior to the event start time, and remain until released by administration.

12. Uniforms and Vehicles

Assigned officers are expected to be in department approved uniforms while working events. Assigned officers may have, when assigned, a marked police vehicle at events to provide a visible police presence.

13. Employment of Officers

Officers shall be employees of the City and Department and shall be subject to the administration, supervision, and control of the Department. Officers shall be subject to all

policies and practices of the Department except those practices modified by this memorandum, or by agreement of the District, the City, and the Department.

The Superintendent or their designee will be the first level of contact for the officers in matters concerning the District. The Superintendent or their designee will be responsible for ensuring the proper and effective execution of this agreement, and will have authority, with administrators, to direct the activities within the bounds of this memorandum.

If an administrator or the District is unhappy or dissatisfied with an assigned officer, this concern shall be submitted to the Superintendent or their designee. The Superintendent or their designee will meet with all parties, and determine the best course of action. This may include a request to the Department to no longer assign a particular officer to events.

14. Liability

The City and the Department agrees that it shall be responsible for any liability arising from the actions of the officer in the same manner and to the same extent as it has liability for the actions of any of its police officers. Each party shall assume and be responsible for any liability or the costs of litigation arising from its employees actions.

15. Duration

This memorandum of understanding and the agreement within shall be in effect from the date signed until June 30, 2027. This agreement shall be subject to termination by either party with 30 days written notice.

Execution of the Agreement

The City appoints the Chief of Police or his designee, and the District appoints _____ _____ as their designee for carrying out the terms of this Agreement, including the assignment of duties to the assigned police officer(s).

IN WITNESS WHEREOF, the parties have executed the Agreement on this _____day of JUL, 2026.

Credit card processing fees. If this is the Client's selected payment method, any credit card processing fees will be added to the next invoice.

Out of pocket expenses. In addition to the E-Rate fees defined in this fee schedule, Client shall reimburse K&S for any all reasonable and necessary out-of-pocket costs and expenses (including without limitation legal consultations, postage and other delivery costs and similar expenses) incurred by K&S. Client must be formally informed in advance and must agree in writing with the expenses or costs before it is incurred.

Documentation. K&S will provide E-Rate Documentation on the applicant's Kellogg & Sovereign E-Rate SharePoint folder for online access. E-Rate applicants also have access to their E-Rate documentation on the USAC E-Rate Productivity Center (EPC).

Remittances. Payments should be remitted to Sigma Technology Fund, LLC dba Kellogg & Sovereign Consulting P.O. Box 222113 Dallas, Texas 75222-2113

If fees or expenses are not paid withing 90 days, K&S may elect to terminate the contractual agreement in whole or in part as detailed in the MSA.

Should we encounter any unforeseen problems which will warrant additional time or expense, you will be notified of the situation and of any added cost, and you will have the opportunity to agree to any additional expenses in advance. Our charges for other services will be agreed to separately.

Kellogg & Sovereign® Consulting is not a law firm, and we are not authorized to practice law. Any matters which require an attorney shall be contracted separately with appropriate legal counsel.

Termination

Either party may, upon 30 days written notice to the other party, terminate this contract in whole or in part for convenience. All fees incurred prior to receipt of the termination notice will be due and payable immediately upon termination. K&S will be released from responsibility for the completion of any remaining services listed in this agreement immediately upon receipt of the termination notice.

Liability

K&S will make every reasonable effort to avoid any errors or omissions in the services or advice that we provide to our clients. However, the rules, regulations, and guidelines for the universal service discount mechanism (E-Rate) are voluminous, ambiguous and constantly changing. Our liability for any errors or omissions will be limited to a full refund of the fees paid and will not include liability for any consequential damages. Any claim for damages will expire within two years of when the final billing is mailed/emailed to you. Our liability is also limited to you and any recommendations provided to you may not be used or relied upon by any other parties. Disputes with the Universal Service Administrative Company (USAC) regarding the interpretation of the rules will not constitute an error or omission if you have been advised of the difference in opinion.

Disclaimer

Due to uncertainties inherent in SLD/USAC's funding process, Kellogg & Sovereign® Consulting does not warrant or guarantee E-Rate funding will be received as a result of this contractual agreement.

We believe the foregoing correctly sets forth our understanding, but if you have any questions, please let us know. If you find the arrangements acceptable, please acknowledge your agreement to the understanding by signing and returning to us the copy enclosed.

IN WITNESS WHEREOF, the parties have executed this Agreement on the dates shown below.

What is the Teacher Empowerment Program?

SB 1256 was passed during the Legislative Session in May 2024. Written by Senator Pugh, this bill allows the Oklahoma State Department of Education to establish *advanced, lead, and master* teacher certificates and to establish minimum salary increases for the corresponding certificate levels.

Teachers will receive a $3,000, $5,000 or $10,000 pay increase depending on the designation level. Teachers employed at a school with economically disadvantaged students (40% or more), or at a district with enrollment below 1,000 students, will receive an additional one-time award of $1,500 to $5,000 depending on their designation.

Districts may identify and designate up to 10% of teachers as advanced, lead, or master teachers. In Duncan, 22 teachers could receive designations each year. Teachers must reapply each year. (Teachers are eligible to apply in sequential years).

Depending on the designation level, teacher contracts will include additional days (5, 10, or 15 days). These are days when the teachers will work on special projects, provide professional development, curriculum alignment, or mentoring in the district.

Guidelines for Additional Contract Days

Additional Contract Days are required by Teacher Empowerment Law. At Duncan, designated teachers could count the following for extra contract days (example):

- Days spent developing or leading professional development
- Content training for newly hired teachers
- Mentoring new, emergency certified, or adjunct teachers.

- Curriculum development in collaboration with district teams.
- High-intensity tutoring for targeted students.
- Preparation of emergency-certified teachers
- Assisting with student enrollments, scheduling, testing, etc.
- Attending Approved PD in the summer
- OSDE will provide up to 6 hours of asynchronous leadership PD to the designated teachers

Duncan Public Schools

Board of Education

1702 W Spruce Duncan OK 73533

July 14, 2026

Ladies and Gentlemen of the Board:

It is with great sadness that I submit my resignation at this time effective with the acceptance of the appropriate agenda item.

It has been an honor to have served this district for nearly 20 years now. I have been blessed to have worked with many good Board members, administrators, teachers, and support employees. I only hope I was able to give back a small part of what I learned from everyone in Duncan Public Schools.

Respectfully,

Eric Davis
