2018 HEARING OF PUBLIC

All regular, special and emergency meetings of the Duncan Board of Education shall be open to the public. The Board wishes to hear the viewpoints of citizens and considers responsible presentation of these viewpoints vital to the efficient operation of the school system. The Board also recognizes its responsibility for the proper governance of the schools and the need to conduct its business in an orderly and efficient manner. The Board, therefore, establishes the following procedures to receive input from citizens:

1. In order for the Board to fulfill its responsibility to conduct its business in an orderly and efficient manner, unless otherwise enlarged by a majority vote of the Board public comments under Hearing of the Public of thirty (30) minutes will generally be permitted. Any citizen wishing to address the board must communicate such desire to the Clerk of the Board prior to the commencement of the meeting. Without an agenda item, no discussion between the board and the citizen can occur under Hearing of the Public.
2. Any citizen desiring to include an item on an agenda shall communicate such to the office of the superintendent in writing. Such writing shall state the nature of the matter to be discussed, the name of the citizen and/or group making the request. For placement on an agenda under Hearing of the Public, such writing must be received by the office of the superintendent at least five (5) full working days prior to any meeting which, with respect to any regularly scheduled meeting, shall require receipt on or before 4:00 o'clock p.m. on the Friday one week preceding such meeting.
3. Public comments are generally limited to five (5) minutes and where several people wish to address the same subject a spokesperson must be selected. It will be the decision of the board president if additional citizens are allowed to address the same subject. No official board action can be taken under Hearing of the Public. Speakers will be recognized in order in which they have signed in with the Clerk. Those persons who have not signed in will be permitted to address an item if there is time remaining during the approximate thirty (30) minute period of Hearing of the Public.
4. During the Hearing of the Public period no citizen will be recognized twice. Each citizen who addresses the Board shall give his or her name, and identify his or her topic of discussion.
5. The President of the Board shall be responsible for recognizing speakers, maintaining proper order, and adhering to time limits.
6. The purpose of Hearing of the Public is to allow citizens to present to the Board suggestions concerning items on the agenda. Consistent with this purpose, public participation should not be used for personal attacks upon Board members, district employees, individual students or other persons in attendance or absent unless it is specifically related to an agenda item. The President of the Board will interrupt and terminate any presentation that is not in accordance with this restriction. The Board may, in its discretion, also place other restrictions upon Hearing of the Public when such restrictions are necessary or appropriate to protect the privacy rights of the affected individual(s).

2019 CODE OF ETHICS FOR SCHOOL BOARD MEMBERS

As a member of the School Board:

I will listen.

I will recognize the integrity of my predecessors and associates and the merit of their work.

I will be motivated only by a desire to serve the children of my community.

I will recognize the fact that it is my responsibility, together with that of my fellow Board members, to see that the schools are properly run not to run them myself.

Memorandum of Understanding Delta Community Action Foster Grandparent Program

This Memorandum of Understanding (**MOU**) contains basic provisions, which will guide the working relationship between both parties. It is entered into by and between the **Delta Foster Grandparent Program**, sponsored by **Delta Community Action, Inc.** and the following agency and/or entity (the "**Station**"): _____

Station Name: Duncan Public Schools EIN: 73-6021226
Station Site Address: 1702 1740 W. Spruce Ave City: Duncan State: Ok Zip: 73533
Station email: _____ Phone: 580-255-0686

Delta FGP and the *Station* may be referred to herein as the "**Parties.**"

This MOU is effective from July 1, 2026 through June 30, 2029. This MOU may be amended in writing at any time with the concurrence of both parties and must be renegotiated at least every three (3) years.

Basic Provisions

Delta FGP Responsibilities

1. Recruit, interview, select, and enroll volunteers in the program. The volunteers will meet the criteria in the Foster Grandparent Program (FGP) Federal Regulations for enrollment in the program.
2. Unless otherwise specified herein, conduct and document a criminal history check for all FGP volunteers in accordance with the requirements established for a National Service Criminal History Check by the AmeriCorps.
3. Refer FGP volunteers to the Station. Permit and encourage the Volunteer Station to screen FGP volunteers pursuant to established criteria of Volunteer Station.
4. (If Applicable) Arrange for pre-service physical examinations for new FGP volunteers assigned to the Volunteer Station.
5. Conduct pre-service orientation and ongoing in-service instruction for volunteers.
6. Instruct FGP volunteers in proper use of volunteer timesheets, reimbursement guidance, and the FGP procedures.
7. Provide an FGP volunteers orientation to the Station staff prior to placement of volunteers and at other times as needed.
8. Initiate publicity regarding FGP.

9. Furnish accident, liability, and excess automobile liability insurance for enrolled volunteers as required by FGP regulation. The insurance provided by the sponsor is secondary coverage and is not primary insurance.
10. Staff an Advisory Council to FGP. Along with the advisory council, arrange for appeals procedure to address problems arising between the volunteer, the Station, and/or FGP.
11. Arrange for appropriate FGP recognition.
12. Coordinate with other volunteer and aging programs in the area to foster effective communication and avoid duplication.
13. Reimburse FGP volunteers for transportation costs between their home and volunteer station in accordance with FGP policies and availability of funds.

The Station's Responsibilities

1. In partnership with the project staff, the station staff will develop an assignment plan for each Foster Grandparent and for each child served. The sponsor's representative, and the volunteer must sign the written assignment plan that: identifies the children to be served; the role and activities of the volunteer; the expected outcomes for each child; and addresses the period of time each child should receive such services. Volunteer station staff, FGP project staff, and the volunteer will review the Foster Grandparent's assignment as well as the impact of the assignment on the child's development.
2. Assign children with designated special or exceptional needs to each volunteer.
3. Exclude Foster Grandparents as supervising adults when calculating state-mandated adult-to-child ratios.
4. Supervise Foster Grandparents at all times while they are performing as volunteers and not leave the Foster Grandparent alone with children.
5. Provide site specific and special training (i.e. confidentiality training) to the volunteers as needed.
6. Furnish volunteers with materials required for assignment.
7. Assure adequate health and safety provisions for volunteers.
8. Investigate and report any accidents and injuries involving FGP volunteers immediately to Delta FGP. All reports shall be submitted in writing.
9. **Reports:** The Station Representative shall:
 - **Timesheets:** Sign volunteers' timesheet on or before the last day of the month verifying hours served (Insurance coverage is only effective with verified records of hours served.)
 - **Progress Reports:** Stations are requested to complete a short bi-annual survey provided by Delta FGP documenting the impacts of services provided by volunteers.
 - **Volunteer Performance Evaluations:** For each assigned volunteer, stations are required to complete an annual performance evaluation using the template provided by the sponsor.
 - **In-Kind Documentation:** Provide documentation of in-kind contribution(s) (meals, uniforms, mileage reimbursement, training expenses, physical exams) and verification to help FGP meet its local match of 10%.
11. Provide at least 1 meal for FGP volunteers each day and provide a regular accounting to Delta FGP of the value of meals provided. Since the value of these meals will be counted as part of the non-federal contribution to the CNCS grant, the Volunteer Station will ensure that the meals provided and reported to the FGP are not funded with other federal resources, unless those federal resources are authorized by federal law or regulation to be applied as part of the non-federal share of a federal grant.

Other Provisions

1. **Separation from Volunteer Service:** The Station may request the removal of an FGP volunteer at any time. An FGP volunteer may withdraw from service at the Station or from the FGP at any time. The FGP staff, the Station staff, and volunteers are encouraged to communicate to resolve concerns or conflicts, or take remedial action, including, but not limited to, placement with another station.
2. **Religious/Political Activities:** The Station will not request or assign FGP volunteers to conduct or engage in religious, sectarian, or political activities.
3. **Displacement of Employees:** Ensure that FGP volunteers serve in a volunteer capacity. FGP volunteers will not displace nor replace paid or contracted employees, relieve staff of their routine duties or infringe upon the site supervisor's supervisory role with the children.
4. **Compensation:** Neither the station nor FGP will request or receive compensation from the beneficiaries of FGP volunteers. FGP volunteers will not receive a fee for service from beneficiaries.
5. **Accessibility and Reasonable Accommodation:** The Station will maintain the programs and activities to which FGP volunteers are assigned accessible to persons with disabilities (including mobility, hearing, vision, mental, and cognitive impairments or addictions and diseases) and/or limited English language proficiency and provide reasonable accommodation to allow persons with disabilities to participate in programs and activities.
6. **Prohibition of Discrimination:** The Station will not discriminate against FGP volunteers, service beneficiaries, or in the operation of its program on the basis of race, color, national origin including individuals with limited English proficiency, gender, age, religion, sexual orientation, disability, gender identity or expression, political affiliation, marital or parental status, or military service.
7. **Termination of MOU:** This MOU may be terminated at any time by either party by sending written notice of termination of the MOU to the other party. This MOU shall be reviewed at least every three (3) years by the Parties.
8. **Signatures.** By signing this MOU, the Station, through its authorized representative, self-certifies that it meets the requirements necessary to become an FGP Station.

DISASTER GUIDELINES

IF YOU ARE UNDER A DECLARED DISASTER WARNING, FIND SAFE SHELTER RIGHT AWAY. IF TOLD TO EVACUATE, DO SO IMMEDIATELY.

There may be potential impacts to your phone service as result of wildfire and Public Safety Power Shut-down events. Log into your account at att.com or contact us on the telephone number listed on your bill to update your contact information.

DISASTER PREP TIPS: If you're in an area experiencing severe conditions but you have not been told to evacuate, plan to stay at indoors, or wherever you are, and let friends and family know where you are. Charge all wireless devices in the event that you lose power. For more helpful disaster tips, visit att.com/disaster relief.

WAIVER OF FEES: In counties where the Governor of California has declared a state of emergency, customers who have AT&T wireline service may be able to request that fees be waived for the following products and services:

- One-time activation fee and one-month charge for establishing Remote Call Forwarding, Remote Access to Call Forwarding, Call Forwarding features and messaging services
- Service charge for installation of service at the temporary or new permanent location of the customer and again when the customer moves back to the premises
- One jack and associated wiring at the temporary location regardless of whether the customer has an inside wiring plan (Plan) and upon their return to their permanent location
- Up to five free jacks and associated wiring for our Inside Wire Plan upon return to permanent location.

If you'd like more information on waiving fees in the event of a disaster, visit att.com/disaster relief or contact us on the telephone number listed on your bill.

Sales Proposal

Salesman: Scott McMurran
Proposal #: 05194710
Date: August 12, 20266

Customer Name: Duncan Public Schools
Attn: Ben.garland@duncanps.org
City: Duncan, OK 73533

RE: High School Gymnasium Unit Replacements

Option 1: Replace the existing 2 – gas/electric package units with new Carrier 35 ton gas/electric package units with enthalpy economizers, hot gas re-heat and hail guards. This is a standard efficiency unit and is a direct replacement to the existing equipment. The cost for theses systems is \$196,000.

- Standard efficiency units with hot gas re-heat humidimizer option,
- Horizontal supply and return,
- Ultra low leak economizers with low staic PE and Multi-stage BP control,
- Humidity and enthalpy sensors,
- Condenser hail guards,
- 2" filter racks,
- Programmable thermostats with humidity control and sensors,
- Transition existing ductwork to new units,
- Adapt existing electrical,
- Adapt existing gas,
- Removal of existing units,
- Crane Rental,
- Factory startup and complete first year labor,
- 5 year unit parts and labor warranty.

We will do our best to keep the units operating at current capacities until the new equipment arrives.

There really is not another brand equipment to replace the units with, as other brands will require modification to all of the exterior ducting, and will require modifications of the existing concrete pads. We can find a unit that is a little less, but we will spend the savings and then some trying to retrofit them into place in this application.

All material listed above is guaranteed as specified. All work will be completed in a professional manner. Any deviation from above specifications involving extra costs will be executed only upon written change orders.

Authorized

Signature Scott McMurran

Note: We may withdraw this proposal if not accepted within 30 days.

Payment to be made as follows: Payment due upon completion of work.

The above prices, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do work as specified. Payment will be made as outlined above.
