Mrs Beran talked about proposed changes to fees charged to HPC families. There will be a change to secondary education, remove "or a course taken..." FB, golf, track, wrestling....cover mouth guards but not specialty guards. One act, speech, choir - instructors need to make sure kids know what is required and what is not required. Technology devices - school deductible \$500-not our choice. 25% first incident, 50% second incident etc or self insure with home insurance. Or computers are checked out daily by students who don't want to insure.
