Inside View Meetings:

I am looking forward to holding Inside View Meetings once again this year. We were unable to have them last year due to COVID restrictions, so I will be meeting with both Kindergarten and first grade parents this year. Inside View meetings are 90 minute meetings with parents of each class and myself. Together, we discuss instructional videos of SES teachers in action with students in kindergarten and 1st grade, and walk through curriculum, instruction, and how school is different and the same from when parents were in school. I see these meetings as a great opportunity to build relationships with parents and establish open communication with school from when children are at a young age.

After School Program:

Our wonderful PTO was able to sponsor the After School Program this fall. We have 23 different classes that are offered and nearly half of our students are enrolled in the program. Classes include SES Cheer, After School Snacks, Fun and Fitness, Lego Robotics, World of Disney, various arts and crafts clubs, and Tie Dye, just to name a few! The goal of the After School Program is to

engage students in a new opportunity that interests them, and as a way for staff to build stronger relationships with students. The After School Program is held from 3:20 - 4:00 PM on five Thursdays this fall. The program will end on November 18th.

Turkey Bingo:

Turkey Bingo will be held on November 16th from 6:00 - 7:00 PM at the elementary school. Turkey Bingo is a free PTO sponsored event where families can come play bingo for an hour and win turkeys (adults) and Thanksgiving toys (children). We always coordinate Turkey Bingo with our PTO fundraiser, Cherrydale, pick up. Families who participated in the fundraiser can also pick up items ordered during the fundraiser that afternoon before Turkey Bingo. We typically have a huge turnout for Turkey Bingo, and I'm sure this year is no exception!

2. Character Building Recognition. Each quarter our teachers nominate students who have displayed good character consistently, discuss it at their team meeting, provide a rationale then submit the names to me for final approval. The M.S. PTO supports this recognition by purchasing a gift card for each student from a local business, usually Dairy Queen. Parents will also receive a letter from school acknowledging their recognition. Students recognized 1st quarter:

5th Grade: Ayden Martin, Kasen Bjorklund, Grayson Steinmeyer, Kaitlin Wegman, R.J. Cook, Angela Wynegar, Gabby Neihardt, Georgia Kronk

6th Grade: Cat Mill, Brianna Hull, Joscelyn Holcombe, Hunter Hartmann, Greighton Olson, Alex Plefke, Hunter Garver, Christine Brecka

7th Grade: Kassy Ticken

8th Grade: Kayla Albright, Kayson Salyer, Aidan Summa, Evie Theobald, Kendra Sugden, Kain Roth, Jack Vyhnalek, Ella Kossow

3. SCIP - School Community Intervention Program. We currently have 17 students who have been referred to the SCIP team. Three are currently involved in the Youth Assistance Program (YAP), which involves a counselor from Blue Valley Behavioral Health coming in and conducting a screening/evaluation which includes 6 sessions at no charge to the family. The other kids are in the discussion and monitoring process which may take them to the counseling stage.

4. Teammates. This is our mentoring program where adults in the community are trained then matched with students who could benefit from a positive role model from outside the home. Students meet with their mentor for one hour a week at school. We have 17 kids who are matched with mentors at this time and several more who we are trying to get matches for. Mrs. Kimbrough is in her second year as our Teammates district Program Coordinator.

Seward High School Board Report

Submitted by Scott Axt, Rich Eber and John Moody

November 2021

SHS One Act Competition

Parent's Night will be November 19th, at 7:00pm. The Conference competition will be at Adams Central High School on November 23rd. Districts will be held at York High School on December 3rd. Performance times will be announced at a later date.

After School Study Group:

Students have access to extra assistance study group on Monday-Thursday each week from 3:45-4:45 p.m. in the Seward High School library. Students have access to Seward High School staff members. Students needing computer access are also welcome to attend. We have seen good attendance and we appreciate the support that we receive from Concordia University who is providing 3-5 students helpers per night.

Fall Sports

Football will play at Elkhorn High School on November 5th in the quarter finals. Game time is 4:00pm.

Cross Country had a runner-up medalist in the Boys State meet. Both girls and boys teams qualified for State.

Softball finished with an 18-10 record.

Girls Golf had a lone qualifier for the State Meet in Scottsbluff.

Volleyball reached the District Finals, finishing the season at 22-14.

Winter Sports Key Dates

First day of winter sports is November 15th.

Booster button, team, senior pictures will be November 18th, immediately after school.

The Winter Parent Meeting will be on November 18th too, it will begin at 7:00pm.

Boys and Girls Basketball will host Lincoln Northeast in a Jamboree game on November 23rd.

Wrestling will open the season at Norris on December 2nd.

Bowling will dual Waverly in their first match on December 7th.

Parent/Teacher Conferences:

The second round of parent/teacher conferences is scheduled for Tuesday, November 9th from 5:30-7:30 p.m.

Junior Parent/Guardian Session with Counselors (6:45-7:30)

A special program will be held for the parents/guardians of junior students the evening of the November 9th parent/teacher conferences. The presentation will start at 6:45 p.m. in the new theater and will last approximately 45 minutes. School staff will share

information regarding post-high school admissions tests, college planning, financial aid, and 2019-20 course registration.

College Week:

October 19th-October 22nd was "College Week" for SHS. All staff at SHS contributed to the week by wearing gear associated with the colleges they attended, by sharing their personal postsecondary stories with students, and through participation in the array of activities offered throughout the week. A big thank you to our counselors Noelle Baker and Kevin Fields for the work they did behind the scenes to make the week a success! Overall it was a great week for our students and school. We had a tremendous number of students apply to many different colleges and I feel that we accomplished our objectives of improving college and career awareness to all of our student body.

End of First Semester and Start of Second Semester:

The last day of classes before winter vacation is Tuesday, December 22nd. Classes will dismiss early at 1:30. School resumes with the start of second semester Tuesday, January 4th.

NSAA Moratorium:

There will be no sports practices or competitions December 22 through December 26 due to the mandatory five-day NSAA moratorium. Additional information regarding sports practices and competitions during the winter break will be communicated directly by the coach of each sport/team.

November 2021 Board Report for Curriculum and Staff Development

Board Members,

The Fall season is here and as we transition into colder weather, our education year is in full swing. Our teachers and students have finished quarter 1 and parents have had the opportunity to participate in parent teacher conferences. Our strategic plan calls for us to examine our grading and reporting processes and as we reflect on the previously mentioned parent teacher conferences, we need to consider the information that would best help parents understand what students are learning and how their child is achieving related to this learning. We continue to have great conversations about grading and reporting and I will report back to the board in the future regarding progress.

Curriculum

Our CTE teachers and Science teachers are already implementing the curriculum review process. We have spent time growing our understanding of the standards, content and instructional expectations. We will also spend time in this area during our November PD day. As we move into the winter, our staff will begin to look at instructional materials that complement our standards and help us meet our curriculum maps.

Instruction

I have mentioned before that the Covid Pandemic was a tipping point regarding technology use in our district. Our high school did well embracing google classroom as a learning management tool during the pandemic and over this past school year. Google Classroom does have some limitations and is not as robust as other products. The state entered into a contract with Canvas, which is a learning management system used in most universities in Nebraska. We were able to access Canvas for a considerable discount through this agreement. Our goal for our teachers has been to spend this school year transitioning to Canvas and then fully implementing Canvas in our courses starting with the next school year.

Staff Development

Our October Staff Development Day was a success. Teachers were able to learn about actionable strategies regarding the mental health of their students as well as themselves. Jen McNally, a national speaker, and director of mental health for ESU #5 was our featured speaker for the event. A number of our teachers also attended the Medal of Honor training that was

hosted by the National Guard Museum. Medal of Honor training focuses on developing character and leadership in our students.

Assessment

This month we will be completing our Annual Report that will be distributed to our stakeholders through the Seward Independent and the free paper associated with the Seward Independent. The annual report does have information about assessments- we may have to use older student achievement data. The annual report also highlights the accomplishments of our athletics, activities, and clubs. We also use the annual report as a time to highlight some of our projects and renovations.

Food Service/Wellness

Staffing continues to be the biggest challenge for food service. We strive to be innovative in hiring staff members who can contribute to our team as well as retain current staff members.

A number of our staff received \$150 Gift cards for completing the Elevate requirements of the EHA wellness program part of our insurance. Our schools were also granted \$1200 in funds to support wellness activities for staff in our schools.

Thank you for your support!

You are a Super Hero!

**BE A SUPER HERO:

Jon Gordon

When Superman took off his Superman outfit who was he?

When I ask audiences this question most people say Clark Kent but the answer is, he was still Superman. It didn't matter what clothes he was wearing. He was still Superman on the inside. His strength came not from the uniform he wore but from the power within.

The same goes for you and me.

Your power does not come from your job, uniform, career, status, circumstance, fame or label people give you. Your power comes from your heart, soul, spirit, passion and love that exists inside you and you are more powerful than you think.

You are not just human. You are super human.

If you don't feel powerful it's because you have come to believe the illusion and lie that outside circumstances have power over you. You have forgotten the truth that you create your world from the inside-out.

You don't realize the power you possess. It's as if you have been given the power of superman or wonder woman but are living the life of Clark Kent or Diana Prince instead.

But deep down you know the truth. It's why these words resonate with you. It's why so many love super hero movies. You know you were made for more and there is more within you.

You have been given super human power and you are meant to use it. Not just to create your life but also to help others.

Like all super heroes you have been given the greatest power in the universe. The power to make a difference in the life of another human being. You were made with a super power to empower others.

You don't need a special suit, a title or a super hero name. You just need to tap into the love, spirit, passion, soul and purpose inside you to create your life and a better world today.

No cape required!

November PD Day

Our November PD Day will be a similar format to years past. We will have a variety of choices from instruction, assessment and technology. The sessions will last around 45 minutes and we will also have implementation time choices. The last PD session will end at 1:00 PM

Grading and Reporting Research Article

Staff,

Below you will find an article from Thomas Guskey regarding failures in grading reform. As with all learning sometimes we can learn more from non-examples than we can from good examples of grading reform. This article also dives into the transparency issues that we have discussed regarding learning goals, priority learning goals, assessments aligned to learning goals, etc.

School District of Seward
Board Report
Shannon Hall-Schmeckpeper, Director of Special Services
November 8th, 2021

One of the strategic goals for the district is effective intervention and enrichment activities for our students. Developing a systematic MTSS process will help us achieve this goal. On October 7 and 8th, Nate Stepp, Dr. Dominy, Jessica Dominy and myself had the opportunity to virtually attend the Nebraska State MTSS conference. In addition, we have also been working with our consultants from Branching Mind which will be our new data warehouse. Dr. Dominy, Erin Collins, April Craig, Nathan Buss and I attended a training at ESU 6 on October 26th. This data system will give us the capability to dig deeper into assessment/grade/attendance data to help us solve for students that are not making sufficient progress. We will also be able to create and revise intervention plans in this system.

I have had the opportunity to visit our students that attend the 2 CRAVE sites. Two students attend CRAVE here at Concordia and 1 student attends at the Milford Site. There were a variety of jobs at the Concordia site that our students were a part of in the first quarter including: working for building and grounds, working in the cafeteria and working in the mailroom. Second quarter, students are working with the Esports program, in the cafeteria and in the deli. The student who attends in Milford also has a variety of work experiences including working in the cafeteria, working in the advising/ testing center, helping clean in Welsch fitness center and Eicher Hall.

On November 4th and 5th, Nate Stepp, Rich Eber and myself were able to virtually attend the Tri State Special Education Law Conference. Many of the topics this year center around impact from working through the COVID pandemic include legal happenings regarding FAPE and Compensatory Services. There are also sessions on basic special education law, managing behavior and discipline issues, and responding to mental health in the classroom.

The HAL committee will meet on November 11th to review the students that have been nominated by their teachers as potential HAL students. We sent out 74 letters and screening questionnaires to parents. 19 of these students already are identified as HAL but had scores on the NWEA above the 90th percentile in additional areas so we wanted to review them for an additional area of HAL. 55 students are new nominations.

Below are the monthly numbers for Special Programs. We currently have 14 open referrals for special education evaluations. This includes 5 open school age referrals, 7 open preschool referrals, and 2 open birth to 5 referrals. As our early childhood referrals continue to grow we are working to problem solve solutions that will help us best support all of the students that are in need of special education services.

Have a great month,

Shannon Hall-Schmeckpeper

Seward High Bluejay Leadership Team Report

November 2021

Alivia Hartmann

School Successes

At the end of October, many fundraisers have officially been planned or started. FCCLA has put boxes around the school looking for students or staff to donate shirts to give to the homeless. Their goal is 246 shirts to represent the number of lives lost to suicide in Nebraska of 2020.

The Bluejay Leadership Team fundraising plan includes a trivia night on December 10th. All funds from the night will go to Make a wish. Each team of 10 members will pay \$20. Similar to last year, everyone will wear team costumes where they will be judged and possibly win prizes. Prizes will be awarded to the best dressed team and overall winner of the trivia game. Teachers from every subject will be asked to write about 10 questions each for the trivia part. The software we will use is still to be determined but we are looking at CrowdSurf which is what was used last year. We will also be selling optional raffle tickets for \$1. The raffle prizes are still to be determined.

Extracurriculars

- **Cross Country**- In cross country Nathan Nottingham got state runner-up at the Kearney golf course running a 5k in 16 mins and 50 seconds. The girls team placed 11th and the guys team placed 9th overall.
- **Volleyball** - It was a very emotional night for the girls volleyball ending their season last Saturday in a hard match against Omaha Duchesne. They got second in districts. The volleyball team's ending record was 22-14.
- **Football** - The Bluejay football play-offs have started with the blue jays winning the first round at home against Omaha Roncalli. In the second round of playoffs last Friday, the bluejays lost/won against Elkhorn. The football team record is as of now is 8-2
- **Show Choir** - The show choir had opening night on Oct. 25th with the tickets being sold out the Friday before the show. 10 students performed solos during the dinner with the whole show following those performances.

- **Marching Band**- The marching band ended their season receiving all five superior ratings at all competitions they attended. They will still be supporting our other bluejay sports events through pep-band when needed.
- **FFA** - The FFA club ran the Feed a Farmer which had a great turnout and created an opportunity for the farmers to donate extra grain to the club. They also did a ducks unlimited banquet which the members helped out with by cleaning and serving. FFA also attended Nationals. They visited many attractions in Indianapolis such as the Indiana caverns and the Louisville Slugger museum. The members said it was amazing to see and interact with so many different people from all the different states coming together to talk about agriculture.
- **Student Section**- The leaders of the student section have been brainstorming new ideas on how to make the students more involved. There is a very positive atmosphere with the student section this year and there has been a much larger attendance of students in the section compared to previous years.
