Seward Public Schools (SPS) Building Projects Input Survey Analysis Report 244 Responses

I. Executive Summary

This report summarizes responses from the SPS Building Projects Input Survey, focusing on demographic data, perceived facility needs, support levels for various bond focuses, and qualitative feedback regarding priorities and concerns. The survey indicates a strong consensus that the district must maintain modern, safe, and effective facilities. A majority of respondents expressed high likelihood of supporting a school bond measure, especially if it involves no tax rate increase. The **top priority** identified by respondents overwhelmingly revolves around **Safety and Security improvements**. There is also significant support for addressing aging academic facilities, particularly at the High School (HS), and improving Career and Technical Education (CTE) spaces. A notable point of divergence exists regarding **Athletic Facilities**; while many respondents rate bond support highly for athletic additions, an equal number emphasize that academic needs, safety, and critical facility enhancements must take precedence over athletic projects.

II. Respondent Profile and Facility Importance

A. Connection to District

The majority of respondents describe their connection to the school district primarily as a **Parent/guardian of a current student**. Many respondents also identify as a **Staff/faculty member** or a **Community member living in the District (no students in the district)**.

A significant number of respondents reported living in the school district for **More than 10 years**.

B. Importance of Facilities

The majority of respondents rated the importance of the district maintaining modern, safe, and effective facilities as **Very Important**.

III. Proposed Facility Improvements and Bond Support (Ratings 1-5)

Respondents rated potential facility projects (5 being most necessary/supportive) and the likelihood of supporting a bond measure focusing on specific areas (5 being most likely to vote yes).

Proposed Facility Project Ratings (Perceived Need/Necessity)

Facility Project Area (Score 5 = Highest Need)	General Trends/Observations
Safety and security improvements (Ex. Secure entrance, storm shelter)	Consistently receives the highest scores (5).
Repair/renovation of aging facilities (Ex. AC for gyms, renovation of original locker rooms)	Frequently rated high (5).
High School Athletic Facilities (Ex. Turf Field, Track, Stands, Crow's Nest)	Highly rated by many, but also receives several low scores (1 or 2).
New or expanded classroom space (Ex. New Science classrooms, two elementary classrooms)	Highly rated.
CTE facilities (Ex. Renovated Architecture/Drafting room, CNA areas)	High scores, indicating strong support.
High School Science, Technology, Engineering, and Math (STEM) educational spaces	High support.
ADA Accessibility improvements (Ex. Restrooms)	Consistently rated highly.

B. Likelihood of Bond Support by Focus Area (No Tax Rate Increase Scenario)

Respondents rated their likelihood of voting yes (5 being most likely) for a bond focused on six areas:

Bond Focus Area (Score 5 = Highest Likelihood of Support)	General Trends/Observations
Essential safety and security improvements	Highest overall likelihood of support.
Critical facility enhancements	Second highest likelihood of support.
Classroom and program improvements	High support.
Career and Technical Education (CTE) additions and enhancements	Strong support.
Athletic Facility additions and improvements	Mixed response: Many high scores (5), but also many low scores (1 or 2).
Arts and Performing Art additions and improvements	Moderate support.

IV. Qualitative Feedback: Priorities and Influencing Factors

A. Top Facility Priorities (In Respondent's Own Words)

1. **Safety and Security:** This is the most frequently cited priority. Specific concerns include:

- **Secure Entrances:** The need for secure entrance points at the Elementary School (ES) and High School (HS), often described as "Secure entry points to High School and Elementary (Mouse Trap)".
- **Storm Shelters:** Examining storm shelter possibilities at the Elementary School and High School is listed as a potential improvement.

2. **Academic/Educational Enhancements:** Priorities include enhancing educational opportunities, addressing career preparation, and modernizing learning spaces:

- **High School Updates:** Specific attention is needed for high school updates, particularly the **Science rooms/wing** which many feel are outdated or do not meet student needs.
- **Classroom Space:** The need for new or expanded classrooms to address program needs or growing enrollment is mentioned.
- **Trades/CTE:** Focusing on Career and Technical Education (CTE) to set kids up for trade skill jobs is a priority for some.

3. **Athletic Facilities/Return to Campus:** Many respondents prioritized athletic facilities due to the belief that current facilities are substandard compared to Class B peers.

- The primary goal is to upgrade facilities (track, football field, stands, weight room, crow's nest, ADA restrooms) to **bring high school athletics back to the high school campus** instead of using external facilities like Concordia University (CUNE) or city fields.
- The condition of the current football field is described as "terrible" and having "holes that cause injuries on a daily basis".

4. **Aging Facility Maintenance:** Repair/renovation of aging facilities is critical, emphasizing the Elementary School (ES) and High School (HS). Specific repairs noted include **AC for the auxiliary gym and elementary gym** and renovating the original locker rooms.

B. Factors Influencing Bond Vote Decisions (Concerns/Suggestions)

1. **Financial Constraints and Tax Impact:** The financial ramifications significantly influence voting decisions.

- The desire for a **no tax increase** is a crucial factor for many supporters. Several respondents stated they would vote "no" if taxes were increased.
- Some respondents are concerned about **transparency regarding cost** and potential costs incurred by the city/county simultaneously.
- There is a concern about bonding for projects, like turf, that have a shorter life expectancy (10-12 years) than the bond term (20 years).

2. **Planning, Transparency, and Longevity:** Respondents want assurance that the district is planning for the long term:

- Need for a **solid plan for future growth**.
- A preference for projects that are long-term investments rather than temporary fixes. The advice is to **"Do it right the first time. No cutting corners"**.

- A need for "a drawn out 5 year plan and advancement strategies".

3. **Prioritization of Needs over Wants:** Several respondents stressed the need to differentiate between *needs* (safety, basic maintenance) and *wants* (deluxe facilities, turf fields). Some specifically request that athletics/sports-related improvements be given the least concern.

4. **Communication and Outreach:** Concerns were raised about how information is communicated, especially to district residents who do not have current students in SPS.

C. Preferred Methods of Receiving Information

Respondents selected their top three preferred methods for receiving information about district facility needs and bond measures:

1. **Email/Newsletter** (Selected by majority)
2. **Social Media**
3. **District Website**
4. **Mailers/Postcard**
5. **Community Meetings/forums**
6. **Local Newspaper/radio**

UNO Early Literacy:

Teachers who provide literacy instruction to grades K-3 will take on their second day of the UNO Early Literacy training during the October PD day. I have been very impressed with the level of engagement of our staff. A big shout out goes to Sarah Rising for facilitating the training - she is doing an amazing job and will be sharing more tonight at the meeting!

Parent Teacher Conferences:

We are looking forward to meeting with parents on October 13th and 14th for Parent Teacher Conferences. At these conferences, we will roll out our new report cards. Conferences are always a great opportunity to share how things are going at school and team with parents!

Junior Jays Program:

Once again, SES and SHS are partnering to continue the Junior Jays mentoring program. We have approximately 25 seniors that come to the elementary school and work with 3rd and 4th graders daily. The mentors work with elementary students on building relationships, social skills, school work, and more! SES really appreciates the Junior Jays program and the skills that it provides to both elementary students and their high school mentors! Thank you to the elementary and high school counselors for their hard work in bringing this valuable program to our students!

Site Plan Update:

We will have our first School Improvement Team meeting on October 20th. We will welcome a couple new parents to our team, along with several who have been on our team in the past. Our action teams met for the first time during the September professional development day and talked about timelines for working on various action steps. We have four action teams at SES: English Language Arts/Instructional Model; MTSS (Multi-Tiered Systems of Support) - Intervention/Enrichment; Culture/Communication; and Mental Health/Behavior. We look forward to doing this important work!

Board of Education Report
Seward Middle School - Mr. Kirk J. Gottschalk
13 October, 2025

1. Middle School Activities:

- 13 Oct. - 7/8 VB at Bishop Neumann, 1600 (4:00 p.m.) start
- 14 Oct. - 8 FB vs Wahoo, Home, 1600 (4:00 p.m.) start
- 14 Oct. - 7 FB at Aurora, 1600 (4:00 p.m.) start
- 14 Oct. - 7/8 VB vs Beatrice, Home, 1600 (4:00 p.m.) start
- 16 Oct. - Last Day of first Quarter
- 20 Oct. - Professional Development Day
- 21 Oct. - Parent Teacher Conferences, **5th Grade Only**, 16-2000 hrs. (4-8 pm).
- 23 Oct. - Parent Teacher Conferences, all grades, 16-2000 hrs. (4-8 pm).
- 30 Oct. - Grade 6-8 Band Concert at H.S., 1900 (7 p.m.) start
- 11 Nov. - Middle School Veterans Day Program, 0830 start

2. Bully Response Team. Mr. Marroquin organizes this group of sixth, seventh and eighth grade students which currently has 12 members. We are considering adding 5th grade representatives this year starting second semester but will need to discuss what that would look like. Students go through an application process if they want to be on the team and once a group is selected, they usually meet once a week to discuss bullying issues. The goals of the team are to provide information to the student body about bullying and help students deal with bullying whether they are a victim or a bystander. If any of the members observe bullying taking place they are to step in and stop the bullying and report the incident to an adult. Our intent is that other students will follow their lead.

3. Parent Teacher Conferences. They will take place Tuesday, 21 October for 5th grade parents and on Thursday, 23 October for parents of all grades, 5-8. Each night the conferences will occur from 1600 to 2000 hrs. (4:00-8:00 pm). Our 5th grade teachers will continue to have both of their conferences in the fall semester while parents of students in grades 6-8 will have conferences again in February.

4. Wellness Day. Our annual event took place as scheduled this year on Friday, 3 October. The primary focus for this day is on the importance of establishing healthy lifestyles. Though it seemed warm to kids because of the recent cool temperatures, it was good weather for this type of event. We get good help from community and Concordia student athletes with this program. Periodically we get Concordia athletes helping who are SPS grads who also attended Wellness Day as students. I particularly enjoy seeing this.

5. Student Council Representatives. The following students were voted in by their peers to represent their respective grades as Student Council members. Ms. Gannon supervises this group as they will meet most Wednesday mornings before school.

Grade 5: Willow Leiting, Gabrielle Miles, Colton Whisler, Arthur Newman

Grade 6: Berkley Anderson, Skylar Gilbertson, Paxton Hartman, Rex Butcher

Grade 7: Brenna Dorthy, Ruby Phlughaupt, Addison Curry, Lily Miller

Grade 8: Olivia Clark, Chloe Wintz, Abigail Howe, Ryon Howe, Ryder Geschke

Officers: Evelyn Campbell, Aiden Cook, Mya Boggs, Henry Sommerfeld, Macey Wynegar, Nick Eber

College Week:

We are excited to have College Week the week of October 20th! During the week, we hope to promote a post-secondary atmosphere with fun and prizes, as well as information from colleges to universities to military, to trade schools. Keeping in mind the need for some training/education after high school, we want to encourage our students to explore the variety of options available to them.

P.R.I.D.E. Recognition Rally Scheduled for October 13th

The 1st of four quarterly P.R.I.D.E. Recognition Rallies will be held on October 13th from 9-10:30 a.m. to recognize and reinforce positive behaviors during the first term. Please join us if you are available!

Homecoming:

Bluejay Leadership Team and their sponsor, Ms. Goracke, did a nice job with Homecoming. We had fantastic student involvement, and over 400 students attended the homecoming dance, which was awesome.

ACT Test:

On October 22nd, the entire junior class will take the ACT at SHS. This year, we will be taking the test online and no paper/pencil. Each junior will meet individually with a school counselor, principal, or district administrator to review their test results, set a goal score, and discuss strategies for achieving their personal goal on the Spring Test, with our overall school goal to improve all students' composite scores by at least one point.

Special Education

Reports:

The Special Education Financial Reporting System (SPEDFRS) for the school year 2023-2024 is due October 31. This submission generates payments for School Age Special Education and Transportation costs.

Indicator 13, which involves reviewing our IEP for students eligible for transition services (age 14 and older), is due on October 20th. We also had to submit our transition procedures to NDE earlier this month.

Other state reports due this month include the Pre-kindergarten report, which reviews our early childhood preschool programs, and the Pre-K Instructional Program Hours. We must comply with Rule 11 requirements, which include being in session a minimum of 450 clock hours; serving a meal and a snack, keeping a ratio of at least 1:10 (1 staff to every 10 kids), maintaining at least a 50/50 ratio of students who receive special education services and those that do not, and using and reporting student progress using the GOLD assessment.

Here is a comparison of eligibility for special education services. Students can be found to be eligible for special education under 13 verification categories. This data is based on the October 1st count data.

of Students

Here is a comparison of the percentage of eligible students under each category over the last four years. The majority of our students continue to be eligible under the verification categories of a Specific Learning Disability (27.4%) and the category of Developmental Delay (28.2%).

Title

At the elementary school, we currently provide Title reading support to 69 students in grades Kindergarten through 4th grade. 12 students receive Title reading support at the non-public schools. Through our MTSS system, students who meet the criteria for additional support in reading work daily with one of our Title teachers or paras. The goal of providing additional intervention through Title is to give students the support that they need so that they can successfully access grade-level curriculum.

Preschool

We continue to have openings in both our morning and afternoon preschool classrooms. It appears that this is a common concern in our community.

Sixpence

We are continually improving our Sixpence program in Seward County. Sixpence provides funding and guidance to high-quality early childhood programs that meet the specific needs of children from the prenatal stage to age 3. It particularly emphasizes services for pre-born children, infants, and toddlers who are most likely to face challenges in their physical, cognitive, and social development, which could put them at risk of difficulties in school and beyond. We are currently providing support to 13 children in Seward.

English Language Learners

We currently have 5 students district-wide who are eligible for and receive ELL support services. In addition, there are 2 students who have moved to monitor status.

High Ability Learners (HAL)

One of our goals in our strategic plan is HAL.

We have been waiting on Rule 3 from NDE. This review has been ongoing. Changes to Rule 3 will take effect during the 26-27 school year.

Moving forward, we have created a District HAL Committee. We will hold our first meeting on the plan day. The focus for that day will be to review our current High Ability Learning plan and offer suggestions for improvement in alignment with the changes to Rule 3.

These committee members are also leads on their building HAL Action Team. They will then take the information back to teams in their buildings so that we can move forward on the items outlined in our strategic plan.

Multitiered Systems of Support (MTSS)

MTSS is part of our strategic plan. We have been working on supporting Building Leadership Team members for the last 3 years so that we could hand over the leadership at their building to this team. The Nebraska MTSS conference is October 9th and 10th, and we offered two spots to each building to send members of their building leadership team to this conference. A primary focus of the conference this year is on literacy. We are using money from our PEaK Grant to pay for this training.

Thank you for all you do!

October 2025 Board Report for Curriculum and Staff Development

Board Members,

The Fall season is here, bringing with it many opportunities for our students in academics, athletics, activities, and all those special moments that make the school year memorable. Thank you for your continued work to ensure these opportunities are available to all our students.

Curriculum

We will begin our curriculum review cycle on the October Staff Development Day in the areas of Business, Health/PE, and Library/Technology. I will work with the teams to identify our core belief statements and purpose for these curricular areas. We will also dive into the Nebraska Standards and begin identifying potential vendors to review their instructional materials.

Instruction

Math instruction has progressed very well with the new materials. Our math teachers have noted similarities with the old curriculum but also appreciate the enhanced opportunities to meet the needs of both high-achieving students and those requiring additional support.

Our PLCs have been focused on Marzano's Instructional Model. This past week, we analyzed the instructional data collected last year and provided professional development on feedback. We know that targeted feedback has a huge impact on learning, and teachers are now focusing on making that feedback more meaningful and aligned with specific learning goals.

Staff Development

The September Staff Development Day was a success! I am very pleased with our initial elementary training on the Science of Reading through the University of Nebraska Omaha

(UNO). Mrs. Rising and Mrs. Dominy were trained by UNO over the summer to facilitate this work, and the model has been outstanding. Mrs. Rising collaborated directly with UNO professors to provide our staff with high-quality professional development.

I am currently working to identify models to continue this level of literacy learning for our middle school and high school teachers. We are fortunate to be part of a Comprehensive Literacy State Development grant through the ESU, which will fund this high-quality training for our staff.

Assessment

The NSCAS and ACT group data are still embargoed. Parents have received individual score reports for the ACT and will receive NSCAS score reports in the coming weeks. I am hopeful we will be able to present our Part #1 data review during the November meeting.

Thank you for your support.

SPS Mission

Seward Public Schools - a district rooted in excellence - in cooperation with family and community members is committed to the development of the whole student and affirms that all students will have the skills to become productive, resilient, and contributing members of their community.

A Message From Matt

Fall always reminds me of carving pumpkins with my own children. Some years we had the time and patience to be really detailed—carefully cutting out shapes and faces. Other years, we pulled out a drill and made a pumpkin full of little holes that glowed brightly when lit from within. Those pumpkins weren't perfect, but they shone just as brightly, and more importantly, they gave us special memories together.

That story reminds me of the important balance we all face as educators. We have a lot going on in our lives—lesson planning, grading, meetings, and the personal responsibilities that come with family and community. In the middle of it all, it can be easy to let meaningful moments slip away. But just like with the pumpkins, sometimes the simple things, the things that fit into the moment we have, can create lasting memories for our students.

Our work is not just about academic achievement—though we certainly aim for high expectations and strong results. It is also about the small interactions, the creativity, the laughter, and the encouragement that stay with students long after they leave our classrooms. Whether it's a word of affirmation, a creative activity, or even just listening when a student needs to be heard, those little "pumpkin carving" moments are the ones that light up their lives.

We don't have to do everything alone, either. Just as I used tools and a drill to help with carving, we can lean on our colleagues, our support staff, and the systems we have in place. Teaching is

demanding, and none of us can carry it all by ourselves. It's okay to simplify when we need to—it's still meaningful, it's still important, and it's still creating memories.

I want to thank you for the way you continue to balance these demands: holding our students to high expectations while also creating the special, human moments that make learning meaningful. Your work matters deeply, and it leaves a mark that students will carry with them for a lifetime.

3 Things You Need to Thrive in Life and Leadership- Jon Gordon

Some try to survive. Others thrive.

The difference isn't talent, luck, or even opportunity.

It comes down to three essentials we all need in life and leadership... without them, burnout, discouragement, and mediocrity creep in.

Recently, I had a powerful conversation with my good friend John Maxwell on the Maxwell Leadership Podcast [[listen here](#)] where we unpacked these truths. And I believe they can change the way you live and lead.

1. Mission

We don't get burned out because of what we do.

We get burned out because we forget why we do it.

Your mission is your why. It's what wakes you up in the morning and keeps you going when obstacles show up.

If you don't feel clear on your mission yet, don't panic. Start by asking:

- How can I add value today?
- Who can I serve?
- Whose dream can I support until I find my own?

When you live on purpose, your purpose often finds you.

Action: What's one sentence that describes your mission right now? Write it down.

2. Team

No one creates success alone. Leaders, difference makers entrepreneurs... everyone needs a team.

I realized this more than ever during the pandemic. Without connection, we grow weak and discouraged. With a team, we grow stronger.

Your team may be your coworkers, your family, your community, or close friends. They challenge you, encourage you, and make you better.

Action: Who are three people that make you better? Reach out and thank them today.

3. Scoreboard

Humans are wired to keep score. It's who we are and what we do. It's why every game has a scoreboard and so does life. We need to measure progress but we need to measure the right things. There are two scoreboards that matter:

1. **Success** – your goals, wins, and achievements.
2. **Significance** – the lives you impact, the difference you make, the legacy you leave.

Success is temporary. Significance lasts forever.

Action: What are you measuring right now? Is it only success... or also significance? Write down one way you can track the impact you're making on people, not just the results you're achieving. [Listen to the full conversation with John Maxwell and me here.](#)

Parent-Teacher Conferences

Here are a few tips for parent teacher conference- especially if you have a behavior concern you want to talk to parents about.

What to think about before parents arrive

All behaviors can fall under one of four goals:

They want their child to be Smart, be Liked, Feel Good, Taken Care Of

It is up to us to partner with parents so that they will allow us to develop plans that will help their child be more successful in school.

Be aware of

Their readiness level to receive information

Your need to control and have power in the situation

The parents may not process all the information given to them

Keep the emphasis on the 4 Goals that parents want:

Talking points

Be Smart

- **My goal for your child is to be successful and learn....When s/he:**
 - Talks out
 - Makes Noises
 - Loses or does not complete assignments
 - Falls or is out of their seat
 - Plays with things on the floor/desk
 - Bothers others
 - Interrupts the teacher
- **This interferes with their ability to be the smartest person they can be.**

Be Liked

- **My goal for your child is to be liked by others and have friends at school....When s/he:**
 - Bosses others around
 - Tattles
 - Rolls her eyes
 - Has an attitude

- Calls people names
- Destroys property
- Talks behind others back
- Doesn't share
- Lies
- Steals
- Fights
- This stops others from liking your son/daughter

Feel good

- My goal for your child is to feel good about him/herself....When s/he:
 - Argues
 - Rolls eyes
 - Doesn't follow instructions
 - Calls people names
 - Doesn't complete assignments
 - Curses
 - Hits people
 - Yells
- It may affect how s/he feels about him/herself

Taken care of

- My goal for your child is to take good care of him/herself and avoid getting into trouble....When s/he:
 - Yells
 - Rolls on the floor
 - Curses
 - Runs out of the room
 - Talks back
 - Calls names
 - Talks out
 - Becomes angry, frustrated, annoyed, bothered, worried,
- It interferes with his/her learning and ability to make good decisions

Marzano on Direct Instruction

Marzano on Conducting Direct Instruction Lessons

Marzano recognizes **direct instruction** as a powerful and research-based way to introduce new content. While some may think of it as a teacher-centered "lecture," he reframes it as a **highly**

structured and interactive process that helps students move from **exposure to mastery**. He outlines several essential components:

1. Setting Clear Learning Goals

- Every direct instruction lesson begins with a specific **learning target**.
- Goals must be **explicit, measurable, and student-friendly** so learners know *what* they are working toward.
- Marzano emphasizes that sharing the “why” (purpose and relevance) is as important as sharing the “what.”

2. Chunking Content into Manageable Segments

- New information should be broken down into **bite-sized pieces** to avoid overwhelming students.
- Teachers should pause frequently to allow processing, reflection, and questions.
- This aligns with research on **cognitive load theory**—students retain more when learning is scaffolded in smaller steps.

3. Modeling and Demonstration

- Teachers **think aloud**, show worked examples, or demonstrate processes so students see the steps behind a skill or idea.
- This transparency builds confidence and provides a mental model for students to follow.
- Marzano notes that modeling is especially important in complex problem-solving or abstract concepts.

4. Guided Practice with Support

- After modeling, students need **hands-on attempts** while the teacher is actively monitoring.
- Teachers circulate, ask questions, and provide immediate feedback to correct misunderstandings.
- This stage bridges the gap between explanation and independence.

5. Checking for Understanding

- Ongoing **formative assessment** is a cornerstone of direct instruction.
- Strategies include: cold calling, exit tickets, quick writes, response cards, polls, or digital checks.
- The goal is to identify misconceptions early and adjust instruction in the moment.

6. Independent Practice and Application

- Once students show readiness, they transition to **independent work**, where they apply learning without teacher scaffolding.
- This helps solidify mastery and transfer knowledge to new contexts.
- Independent practice should still include feedback loops to ensure accuracy.

7. Review and Closure

- Strong lessons end with **synthesis and reflection**.
- Teachers revisit the learning goal, highlight key takeaways, and connect the lesson to future learning.
- Closure helps students consolidate information into long-term memory.

Key Distinction: Not Just “Lecture”

Marzano stresses that effective direct instruction is **not about teacher talk time**—it’s about **designing structured, interactive experiences** that deliberately move students through the stages of learning. When done well, it keeps students active, engaged, and clear on their progress.

Patriotic Holidays

Patriotic Holidays

Nebraska Revised Statute 79-724 requires the following:

Appropriate patriotic exercises suitable to the occasion shall be held under the direction of the superintendent in every public, private, denominational, and parochial school on George Washington's birthday, Abraham Lincoln's birthday, Dr. Martin Luther King Jr.'s birthday, Native American Heritage Day, Constitution Day, Memorial Day, Veterans Day, and Thanksgiving Day, or on the day or week preceding or following such holiday, if the school is in session.

There are no patriotic holidays in October.

October School Board Report

2025 - 2026

BLT (Cardin Goracke & Avery Rodocker): To start, our Seward Jays Customs committee hosted a pop-up event at the Scottsbluff football game! It was a good start for getting out in the community. September 29 through October 4 was a HUGE week for the Bluejay Leadership Team! It was HOMECOMING! Preparation started far in advance, but on Sunday, Sept. 28, BLT members were in charge of organizing their classes for Hallway Decorating. Our theme this year was Bluejays Through Time (time travel). The seniors picked Ancient Greece, juniors picked medieval times, sophomores picked the future, and finally, freshmen picked the Jurassic era. The seniors went 4/4 in all their years in winning the hallway decorating. Then, throughout the week, students enjoyed dressing up in the themes. Grade representatives were also in charge of organizing an activity to go along with their theme day. For example, the freshman put on our annual RoChamBeau or rock, paper, scissors tournament. Friday night, we hosted all Seward Alumni now on the field to tunnel the football players onto the field.

Girl's Golf (Reagen Meyer): As we finish up the Girls Golf season, our team has had several standout performances. Highlighted by an impressive 380 at the Crete invite, which tied for 2nd all-time on the Seward girls golf 18-hole record board and earned us a 2nd place finish at the meet. We also scored 187 at the Seward, York, and Lincoln Lutheran Triangular, tying for 2nd all-time on the 9-hole record board. On October 6th, at class B districts in Grand Island, the Seward Girls Golf team placed 5th. Blair Briggs placed 10th with a 89, and she will be attending state golf at Scotts Bluff on Oct. 13th and 14th.

Football (Tresten Hass):

Volleyball (Karsyn Fields): The Seward High School volleyball team begins October with a 13–10 overall record, showing steady improvement throughout the season. The team has not yet played conference or district tournaments but is preparing for postseason competition with high energy and focus.

Cheer (Juliet Moore): We performed during a football game halftime for the first time on Friday. I am also going to help plan our cheer kids camp on October 24th. We're continuing to go over cheers and stunts during our morning practices and probably at the end of this month we'll start teaching the new cheerleaders the basketball cheers.

Girl's Cross Country (Audrey Broadwell): The Girls Cross Country has been competing at various meets. We recently competed at Aquinas where we had numerous medalists, and the girls team won the meet. During this meet we also wore pink shirts in support of Breast Cancer Awareness for October. We have Conference, Districts, and possibly State in the upcoming weeks. Our girls have worked hard this season, and now it is their time to shine.

Boy's Cross Country (Austin Koch): The boys cross country team started off October by winning the Aquinas meet, our second team win of the season in which we also won Mount Michael. The boys JV team has only lost to the one team the entire season so it is great to see how much depth we have in our team and if we need to use them towards districts and state. We compete in conference on Wednesday the 8th and it will be a good and challenging meet to see how we can compete against certain teams going into districts.

Quiz Bowl (Maddy Larson): Seward's quizbowl team has gone to two competitions so far. Both have been in Seward. At the first one on September 18th, one of our teams got fourth place. At this past quizbowl, October first, our A team achieved second place and our B team got third. We have an upcoming quizbowl in Central City in November.

FFA (Kylie Hackbart): The Seward FFA Chapter started its year strong with the annual kick-off party to recruit new members and welcome back returning members. Since then, the FFA chapter has had its monthly meetings, discussing new and upcoming events. The Seward FFA helped put on and lead the elementary ag safety day, teaching 1st graders about safety around agriculture. The Ag literacy festival was also a big hit with 4th graders from St. Vincent's, Seward, Centennial, and St. John's. Some upcoming LDEs consist of livestock judging and land evaluation. Our FFA members have been working hard, practicing, to compete; they must complete at least 3 practices. Members also had fun decorating the homecoming parade float and riding through the parade through town. An upcoming event that happens annually is Feed a Farmer, where FFA members will pack sack lunches to hand out to farmers passing through co-ops.

FBLA (Lucian Gunn):

Skills USA (Haylen Holiday):

Show Choir (Ayda Metscke): During the month of October, the Seward Show Choir has been hard at work preparing for the upcoming season. Gold group has continued practicing every Tuesday morning, while Blue group rehearses every Thursday and Friday. We have begun learning and rehearsing our show pieces to ensure we know them well in time for performances. In addition, both groups have been practicing their isongs for Opening Night. Everyone has been putting in great effort, and our shows are starting to come together nicely.

FCCLA (Tomi-Ann Hedges): We have an organized system to track who comes to our meetings and who has paid their dues. We have planned pumpkin painting at the end of the month if enough people

are interested and at this month's meeting we will be figuring out Star events. We had concessions in September and have one more planned for the 13th this month. Officers will be meeting sometime soon for more upcoming events.

Key Club (Grace Matulka): Key Club has been hard at work organizing different events and activities for the community. We had an officer meeting on October 3rd and a chapter meeting on October 7th to discuss what is next on our agenda. At the chapter meeting we created signs for the UNICEF Trick or Treat, wrote notes of gratitude to first responders, made a sticky notes of kindness board and sent out assignments for our service day on October 12th. We can't wait to see what else we can do to positively influence and serve our community!

Marching Band (Emma Matulka): The Marching Band has been to 2 competitions so far, and has scored one Excellent and one Superior. We practice every morning, adding more choreography and refining our work so far. We perform our show at every home football game, and we look forward to our 3 remaining competitions.

Softball (Ava Stutzman): The Seward High Varsity Softball team has had a strong last third of our season so far. We beat the number 1 team in class C and placed 3rd at conference this past week. This Thursday we will travel to Beatrice to compete in districts and have a chance to make it to the state tournament.

3014 Use of School Property

Community Use of School Facilities

School facilities are primarily intended for the District's educational and extracurricular activity programs. School facilities are, however, made available for use by outside groups to further the interests of the District and the community. Use by non-school groups is allowed pursuant to an application process and is subject to the terms and conditions set forth in this policy.

1. Application for Use.

Outside groups that wish to use school facilities must submit a completed Application for Use form signed by a representative of the outside group who has authority to commit the outside group to the terms and conditions of the Application. The outside group, as Applicant, shall specify the nature of the intended use, the dates and times of the requested use, and the facilities for which use is requested.

The form shall be developed by the administration. The form shall include the statement that:

This application is subject to the terms of the Board's "Community Use of School Facilities" policy. The terms and conditions of that policy are incorporated into this application by this reference. Applicant accepts all such terms and conditions.

2. Acceptance of Application for Use.

Acceptance or rejection of applications shall be the responsibility of the Superintendent or the Superintendent's designee.

Applications shall not be rejected for any unlawful reason, including unlawful discrimination on the basis of race, national origin, gender, religion, disability, age, marital status, or veteran status, and including the applicant's legally protected exercise of constitutional or statutory rights.

The District's facilities are designated as nonpublic forums. Accordingly, applications shall not be accepted for:

- a. Uses that may conflict with or that disrupt the District's educational or extracurricular activity programs.
- b. Uses inconsistent with the mission of the District.
- c. Uses that present an unacceptable risk that the conditions of use set forth in this policy will not be adhered to; either due to the nature of the requested use or the character of the group or individuals within the group.
- d. Uses that present an unacceptable risk of damage or unacceptable wear and tear to facilities or equipment.
- e. Uses for outside commercial activities except with approval of the Board; and except for camps and other activities for high school students subject to and consistent with Bylaws of the Nebraska School Activities Association.
- f. Uses that involves gambling or games of chance.
- g. Uses that involves a group or activity which advocates or condones the violent

- overthrow of the Constitution or of the government.
- h. Uses that involve the meetings of secret clubs not open to members of the public.
- i. Non-community type uses such as wedding receptions, slumber parties, personal use and similar activities.

Applications for use of facilities may be denied based on unsuitability of the date or time of the requested use. Facilities will generally not be available for community use at times when school staff are not available to monitor the Applicant's use, such as on legal holidays; before 7:00 a.m.; after 10:00 p.m. and Sunday mornings prior to Noon.

Leases of school facilities require approval of the Board. As such, Applications that request long-term use of facilities in the nature of a lease will be denied.

Applications may be denied based on the determination of the Superintendent or the Superintendent's designee that the Applicant does not have the financial ability or financial responsibility to pay fees or expenses or to reimburse the District for any damages that may be sustained to facilities or equipment or any liability that may be created by the use.

When an Application conflicts with another Application, the Applications will be accepted according to the following priority order:

- a. Events or activities that are designed to service students of the District or which are related to any function of the District, including approved school-community associations and school-affiliated non-profit groups.
- b. Tax-supported agencies such as educational entities or units of city, county or state government.
- c. Nonprofit community agencies such as private educational agencies.
- d. Groups where the majority of the members reside within the District.

For use conflicts within each group, priority will be given to the first to submit their Application; provided that the Superintendent or the Superintendent's designee may approve an Application that is not first-filed if the other Applicant's use could be feasibly changed to a non-conflicting time or area.

Applications that are accepted may not be assigned or transferred to another outside group.

Applications that are accepted are subject to cancellation by the Superintendent or the Superintendent's designee. Cancellation will occur in the event the administration reasonably determines:

- a. Any of the reasons for non-acceptance of an application exist.
- b. The Applicant fails to meet any term or condition required prior to the use. This includes but is not limited to failure of the Applicant to pay required fees or deposits or failure to show evidence that any required insurance is in place.
- c. Circumstances make the use unsuitable. This includes but is not limited to:
 - i. The condition of the facilities being unsafe. For example, the presence of snow, ice, fallen limbs or other potential hazards that the school would not otherwise clear prior to the activity or event. The Applicant may request that the District clear the hazards such that it may proceed with its activity or event. If the District agrees to do so, the Applicant shall be responsible

- for all costs incurred by the District in clearing the hazard.
- ii. School staff being unavailable to monitor the use or to provide set-up or clean-up services where the District has accepted responsibility for such.
- iii. The need to use the facilities for a school activity or purpose.

Generally, if school is closed on the date of the Applicant's intended use due to inclement weather or hazardous conditions, the Applicant's use will be cancelled.

The Applicant shall remain responsible for fees or expenses, and any deposit that has been received by the District shall be forfeited and be kept by the District, if cancellation occurs because of the fault of the Applicant. Otherwise, the District will return any deposit that has been received by the District. The District will in no event be responsible for any damages, expenses, or losses incurred by the Applicant or any person arising from the cancellation.

An Applicant may withdraw its Application at any time prior to acceptance. An accepted application may be withdrawn by the Applicant, subject to approval of the Superintendent or the Superintendent's designee. Approval is subject to the conditions that the Applicant has given reasonable advance notice (ordinarily, at least 48 hours) and that the Applicant reimburse the District for any expense the District has incurred.

3. Conditions of Use.

The conditions for use are as follows:

- a. Compliance. Applicant agrees to:
 - i. Comply with all local, state and federal laws, including health and fire codes.
 - ii. Comply with Board policies concerning non-discrimination and the use of school facilities.
 - iii. Comply with reasonable administrative rules related to use of facilities and the requests of school officials related to the Applicant's use of the facility.
- b. Disclaim School Sponsorship. The District does not sponsor or endorse the Applicant or the activity or event conducted by the Applicant. To ensure that the public understands this fact, the Applicant agrees to not make any statements suggesting such sponsorship and to publish statements of non-school sponsorship in such form and manner as the administration may request.
- c. Supervision. Applicant agrees to provide appropriate supervision of the activity or event in all respects, including supervision reasonably necessary to ensure that no person participating in or attending the activity or event:
 - i. Is presented with conditions that pose an unreasonable risk of personal injury or damage to personal property.
 - ii. Enters any area of the school facilities that the Applicant has not been given permission to use, or accesses any school records.
 - iii. Engages in the use of tobacco, alcohol, or illegal drugs, or is under the influence of alcohol or illegal drugs.
 - iv. Possesses a firearm or a weapon.
 - v. Engages in disorderly, lewd, or lascivious conduct.

- vi. Engages in any criminal behavior.

Applicant shall remove any person from the activity or event who engages in any of the above listed conduct. Applicant agrees to report to the school administration by the close of the next business day the identity of any person who engaged in any of the above listed conduct and the details of the conduct. If the offending person is a student, the report shall be made immediately.

In the event the school administration determines that the nature of the activity or event warrants the presence of security services, Applicant agrees to provide such security services.

Applicant agrees to ensure that all persons attending its activity or event are off school grounds at the end of its time of permitted use, except for students or school staff who are authorized to remain for a school-related purpose.

d. Condition of Premises. Applicant agrees to:

- i. Conduct a reasonable inspection of the premises prior to the activity or event to ensure that the premises are safe for the intended use. In the event of any unsafe condition, Applicant shall notify an administrator. In the event the unsafe condition is not corrected prior to the activity or event, the Applicant shall postpone or cancel the activity or event.
- ii. Not use or allow any school equipment to be used without express approval of school administration.
- iii. Not bring or allow others to bring food or beverages on to school grounds without express approval of school administration.
- iv. Not bring or allow others to bring or use any flammable items (including candles or incense) or any volatile chemical or any explosive.
- v. Not use any electrical equipment that has been brought onto the premises without express approval of school administration.
- vi. Not allow the wearing of street shoes or shoes with black soles on gym floors or other protected surfaces.
- vii. Not park or allow others to park in fire lanes or reserved spaces or in any manner inconsistent with the school's parking rules.
- viii. Not cause or allow others to cause damage to school facilities or equipment.
 - 1. In the event damages are sustained, Applicant accepts responsibility for reimbursing the District for the cost of repair or replacement.
 - 2. Applicant agrees that the school administration's determination that damage was sustained in connection with the Applicant's use, and of the cost of repair or replacement, is controlling.
 - 3. Applicant shall immediately report to the school administration any damage to school facilities or equipment that occurs during the Applicant's use of school facilities that may present a risk of injury to students or any subsequent users. Any other damage shall be reported by the close of the next business day.
- ix. Return the facilities in as good a condition as it was prior to use. This includes, without limitation, cleaning, removal of trash, and returning tables and chairs and other school property to their proper location. The clean-up shall be promptly completed. In the event the District provides the clean-up service, Applicant agrees to reimburse the District for the

cost of such clean-up.

- x. Remove any property brought in by the Applicant and by any person attending the activity or event. The District is not responsible for any personal property that is left on the premises.

e. Financial Responsibility. Applicant agrees to:

- i. Procure, at its own expense, a Comprehensive General Liability insurance policy naming the District as an additional insured. This policy shall be written with a minimum of \$1,000,000 Combined Single Limit per occurrence. A Certificate of Insurance evidencing coverage must be submitted prior to the Applicant's use.
- ii. The insurance requirement is subject to waiver by the Superintendent or the Superintendent's designee only in circumstances where the intended use presents very little potential for injury or damage and the activity or event is designed to serve the District's students or staff.
- iii. Indemnify and hold the District, the Board, school employees and agents of the District harmless from any and all claims, demands, causes of action, or lawsuits for any death or personal injury or damage to property sustained during, caused by or arising out of the Applicant's use of school facilities.

4. Fees for Use.

The Superintendent or Superintendent's designee shall establish a daily use fee schedule that establishes rates for specific parts of the school facilities (that is, kitchen, auditorium, gymnasium, athletic field, classrooms, meeting rooms). The rates shall be reviewed on a periodic basis; with the review to occur no less than every two years.

The fee rates shall be in an amount sufficient to cover estimated staff time and direct costs associated with:

- a. Processing. Cost of processing the Application, postage, invoicing and coordination of the use.
- b. Access. Cost of providing access; such as unlocking doors before use and locking after use, turning lights on and off, and disarming/re-arming security systems.
- c. Custodial. Cost of providing custodial or maintenance services to prepare the facility for the use and for clean-up after the use.
- d. Kitchen. Cost of providing access to the kitchen facilities; as ordinarily any permitted use of the kitchen will require the presence of a member of the school's food service staff.
- e. Monitoring. Cost of administrative or other professional staff to monitor the Applicant's use to ensure compliance with the terms and conditions of the permitted use.
- f. Security. Cost of providing security services when determined to be needed for the activity or event.
- g. Sound & Lighting/School Equipment. The only people allowed to use the sound & lighting equipment in the theater are to be school personnel specifically trained to use such equipment. No other people outside the school are to use it. Any group using the theater will be required to pay a Maintenance Surcharge of \$10, which

will go into a fund used to replace lights, sound equipment, etc.

- h. School Equipment such as projectors, VCR's, musical instruments, etc., may not be loaned or rented for use outside of the school without special permission of the activities director or his/her designee. Use of school space does not include use of school equipment unless specifically permitted. Use of school equipment when required must be by school personnel, the cost of which will be added to the regular fee.

The fee schedule shall be applied evenly to all Applicants, with two exceptions:

- a. A different fee may be assessed where the Superintendent or Superintendent's designee reasonably determines that the Applicant's use will require staff time or cause direct costs different than those used in establishing the fee schedule.
- b. A fee waiver or reduced fee rate shall be given for use where the activity or event is designed to serve students of the District or children; such as approved school-community associations and school-affiliated non-profit groups and summertime sports leagues, sports camps, etc., that are subject to NSAA regulations.

5. Use Consistent with NSAA Bylaws.

Use of school facilities for activities that are subject to the Bylaws of the Nebraska School Activities Association (NSAA) shall be permitted subject to and in accordance with the NSAA Bylaws. Such use shall be consistent with this policy for non-school groups. Examples of acceptable use of school facilities for activities are:

- a. Summer Leagues. There must be evidence that the organization or individual conducting the league has rented or leased the facility (for example, via an Application for Use) to prove the school is not involved in its sponsorship or funding.
- b. Commercial Sport Camps/Clinics. School facilities for use by individuals, including the District's own coaches or other organizations for commercial camps/clinics or schools. Camps conducted by high school coaches shall be publicized as open to all area individuals wishing to attend and not limited to students from the coach's high school.
- c. All-Star competition that involves graduated seniors.
- d. Competitive meets and contests sponsored by non-school groups.
- e. Facilities approved under the above stipulations include: gymnasiums, tracks, swimming pools, tennis courts, athletic playing fields, and baseball and softball diamonds.

Policy Compliance and Acceptance of Liability

The application is subject to the terms of the Board's "Community Use of School Facilities" policy. The terms and conditions of that policy are incorporated into the application by this reference. Applicant accepts all such terms and conditions.

We have read, understand and agree to abide by the policies, rules and conditions on the use of these facilities on this form and in Board Policy. We understand that we are accepting the use of the facility from the Seward Public Schools with no assurances or guarantees relative to their condition. It shall be our responsibility to check the facility to see that it is safe for our intended use. We take full responsibility for the facilities while they are being used by our group and will make full restitution for any and all damages which may occur while our group is using the facility. We agree to indemnify and hold the school district harmless for any and all accidents and injuries to ourselves or others while we are using the facility regardless of the negligence of the school district or its personnel. We assume full responsibility and liability for any injuries.

The outside group, as Applicant, shall specify the nature of the intended use, the dates and times of the requested use, and the facilities for which use is requested.

The form shall be developed by the administration. The form shall include the statement that:

This application is subject to the terms of the Board's "Community Use of School Facilities" policy. The terms and conditions of that policy are incorporated into this application by this reference. Applicant accepts all such terms and conditions.

2. Acceptance of Application for Use.

Acceptance or rejection of applications shall be the responsibility of the Superintendent or the Superintendent's designee.

Applications shall not be rejected for any unlawful reason, including unlawful discrimination on the basis of race, national origin, gender, religion, disability, age, marital status, or veteran status, and including the applicant's legally protected exercise of constitutional or statutory rights.

The District's facilities are designated as nonpublic forums. Accordingly, applications shall not be accepted for:

- a. Uses that may conflict with or that disrupt the District's educational or extracurricular activity programs.
- b. Uses inconsistent with the mission of the District.
- c. Uses that present an unacceptable risk that the conditions of use set forth in this policy will not be adhered to; either due to the nature of the requested use or the character of the group or individuals within the group.
- d. Uses that present an unacceptable risk of damage or unacceptable wear and tear to facilities or equipment.
- e. Uses for outside commercial activities except with approval of the Board; and except for camps and other activities for high school students subject to and consistent with Bylaws of the Nebraska School Activities Association.
- f. Uses that involves gambling or games of chance.
- g. Uses that involves a group or activity which advocates or condones the violent

- overthrow of the Constitution or of the government.
- h. Uses that involve the meetings of secret clubs not open to members of the public.
- i. Non-community type uses such as wedding receptions, slumber parties, personal use and similar activities.

Applications for use of facilities may be denied based on unsuitability of the date or time of the requested use. Facilities will generally not be available for community use at times when school staff are not available to monitor the Applicant's use, such as on legal holidays; before 7:00 a.m.; after 10:00 p.m. and Sunday mornings prior to Noon.

Leases of school facilities require approval of the Board. As such, Applications that request long-term use of facilities in the nature of a lease will be denied.

Applications may be denied based on the determination of the Superintendent or the Superintendent's designee that the Applicant does not have the financial ability or financial responsibility to pay fees or expenses or to reimburse the District for any damages that may be sustained to facilities or equipment or any liability that may be created by the use.

When an Application conflicts with another Application, the Applications will be accepted according to the following priority order:

- a. Events or activities that are designed to service students of the District or which are related to any function of the District, including approved school-community associations and school-affiliated non-profit groups.
- b. Tax-supported agencies such as educational entities or units of city, county or state government.
- c. Nonprofit community agencies such as private educational agencies.
- d. Groups where the majority of the members reside within the District.

For use conflicts within each group, priority will be given to the first to submit their Application; provided that the Superintendent or the Superintendent's designee may approve an Application that is not first-filed if the other Applicant's use could be feasibly changed to a non-conflicting time or area.

Applications that are accepted may not be assigned or transferred to another outside group.

Applications that are accepted are subject to cancellation by the Superintendent or the Superintendent's designee. Cancellation will occur in the event the administration reasonably determines:

- a. Any of the reasons for non-acceptance of an application exist.
- b. The Applicant fails to meet any term or condition required prior to the use. This includes but is not limited to failure of the Applicant to pay required fees or deposits or failure to show evidence that any required insurance is in place.
- c. Circumstances make the use unsuitable. This includes but is not limited to:

For example, the presence of snow, ice, fallen limbs or other potential hazards that the school would not otherwise clear prior to the activity or event. The Applicant may request that the District clear the hazards such that it may proceed with its activity or event. If the District agrees to do so, the Applicant shall be responsible

- for all costs incurred by the District in clearing the hazard.
- ii. School staff being unavailable to monitor the use or to provide set-up or clean-up services where the District has accepted responsibility for such.
- iii. The need to use the facilities for a school activity or purpose.

Generally, if school is closed on the date of the Applicant's intended use due to inclement weather or hazardous conditions, the Applicant's use will be cancelled.

The Applicant shall remain responsible for fees or expenses, and any deposit that has been received by the District shall be forfeited and be kept by the District, if cancellation occurs because of the fault of the Applicant. Otherwise, the District will return any deposit that has been received by the District. The District will in no event be responsible for any damages, expenses, or losses incurred by the Applicant or any person arising from the cancellation.

An Applicant may withdraw its Application at any time prior to acceptance. An accepted application may be withdrawn by the Applicant, subject to approval of the Superintendent or the Superintendent's designee. Approval is subject to the conditions that the Applicant has given reasonable advance notice (ordinarily, at least 48 hours) and that the Applicant reimburse the District for any expense the District has incurred.

3. Conditions of Use.

The conditions for use are as follows:

- a. Compliance. Applicant agrees to:
 - i. Comply with all local, state and federal laws, including health and fire codes.
 - ii. Comply with Board policies concerning non-discrimination and the use of school facilities.
 - iii. Comply with reasonable administrative rules related to use of facilities and the requests of school officials related to the Applicant's use of the facility.
- b. Disclaim School Sponsorship. The District does not sponsor or endorse the Applicant or the activity or event conducted by the Applicant. To ensure that the public understands this fact, the Applicant agrees to not make any statements suggesting such sponsorship and to publish statements of non-school sponsorship in such form and manner as the administration may request.
- c. Supervision. Applicant agrees to provide appropriate supervision of the activity or event in all respects, including supervision reasonably necessary to ensure that no person participating in or attending the activity or event:
 - i. Is presented with conditions that pose an unreasonable risk of personal injury or damage to personal property.
 - ii. Enters any area of the school facilities that the Applicant has not been given permission to use, or accesses any school records.
 - iii. Engages in the use of tobacco, alcohol, or illegal drugs, or is under the influence of alcohol or illegal drugs.
 - iv. Possesses a firearm or a weapon.
 - v. Engages in disorderly, lewd, or lascivious conduct.

- vi. Engages in any criminal behavior.

Applicant shall remove any person from the activity or event who engages in any of the above listed conduct. Applicant agrees to report to the school administration by the close of the next business day the identity of any person who engaged in any of the above listed conduct and the details of the conduct. If the offending person is a student, the report shall be made immediately.

In the event the school administration determines that the nature of the activity or event warrants the presence of security services, Applicant agrees to provide such security services.

Applicant agrees to ensure that all persons attending its activity or event are off school grounds at the end of its time of permitted use, except for students or school staff who are authorized to remain for a school-related purpose.

d. Condition of Premises. Applicant agrees to:

- i. Conduct a reasonable inspection of the premises prior to the activity or event to ensure that the premises are safe for the intended use. In the event of any unsafe condition, Applicant shall notify an administrator. In the event the unsafe condition is not corrected prior to the activity or event, the Applicant shall postpone or cancel the activity or event.
- ii. Not use or allow any school equipment to be used without express approval of school administration.
- iii. Not bring or allow others to bring food or beverages on to school grounds without express approval of school administration.
- iv. Not bring or allow others to bring or use any flammable items (including candles or incense) or any volatile chemical or any explosive.
- v. Not use any electrical equipment that has been brought onto the premises without express approval of school administration.
- vi. Not allow the wearing of street shoes or shoes with black soles on gym floors or other protected surfaces.
- vii. Not park or allow others to park in fire lanes or reserved spaces or in any manner inconsistent with the school's parking rules.
- viii. Not cause or allow others to cause damage to school facilities or equipment.
 - 1. In the event damages are sustained, Applicant accepts responsibility for reimbursing the District for the cost of repair or replacement.
 - 2. Applicant agrees that the school administration's determination that damage was sustained in connection with the Applicant's use, and of the cost of repair or replacement, is controlling.
 - 3. Applicant shall immediately report to the school administration any damage to school facilities or equipment that occurs during the Applicant's use of school facilities that may present a risk of injury to students or any subsequent users. Any other damage shall be reported by the close of the next business day.
- ix. Return the facilities in as good a condition as it was prior to use. This includes, without limitation, cleaning, removal of trash, and returning tables and chairs and other school property to their proper location. The clean-up shall be promptly completed. In the event the District provides the clean-up service, Applicant agrees to reimburse the District for the

cost of such clean-up.

- x. Remove any property brought in by the Applicant and by any person attending the activity or event. The District is not responsible for any personal property that is left on the premises.

e. Financial Responsibility. Applicant agrees to:

- i. Procure, at its own expense, a Comprehensive General Liability insurance policy naming the District as an additional insured. This policy shall be written with a minimum of \$1,000,000 Combined Single Limit per occurrence. A Certificate of Insurance evidencing coverage must be submitted prior to the Applicant's use.
- ii. The insurance requirement is subject to waiver by the Superintendent or the Superintendent's designee only in circumstances where the intended use presents very little potential for injury or damage and the activity or event is designed to serve the District's students or staff.
- iii. Indemnify and hold the District, the Board, school employees and agents of the District harmless from any and all claims, demands, causes of action, or lawsuits for any death or personal injury or damage to property sustained during, caused by or arising out of the Applicant's use of school facilities.

4. Fees for Use.

The Superintendent or Superintendent's designee shall establish a daily use fee schedule that establishes rates for specific parts of the school facilities (that is, kitchen, auditorium, gymnasium, athletic field, classrooms, meeting rooms). The rates shall be reviewed on a periodic basis; with the review to occur no less than every two years.

The fee rates shall be in an amount sufficient to cover estimated staff time and direct costs associated with:

- a. Processing. Cost of processing the Application, postage, invoicing and coordination of the use.
- b. Access. Cost of providing access; such as unlocking doors before use and locking after use, turning lights on and off, and disarming/re-arming security systems.
- c. Custodial. Cost of providing custodial or maintenance services to prepare the facility for the use and for clean-up after the use.
- d. Kitchen. Cost of providing access to the kitchen facilities; as ordinarily any permitted use of the kitchen will require the presence of a member of the school's food service staff.
- e. Monitoring. Cost of administrative or other professional staff to monitor the Applicant's use to ensure compliance with the terms and conditions of the permitted use.
- f. Security. Cost of providing security services when determined to be needed for the activity or event.
- g. Sound & Lighting/School Equipment. The only people allowed to use the sound & lighting equipment in the theater are to be school personnel specifically trained to use such equipment. No other people outside the school are to use it. Any group using the theater will be required to pay a Maintenance Surcharge of \$10, which

will go into a fund used to replace lights, sound equipment, etc.

- h. School Equipment such as projectors, VCR's, musical instruments, etc., may not be loaned or rented for use outside of the school without special permission of the activities director or his/her designee. Use of school space does not include use of school equipment unless specifically permitted. Use of school equipment when required must be by school personnel, the cost of which will be added to the regular fee.

The fee schedule shall be applied evenly to all Applicants, with two exceptions:

- a. A different fee may be assessed where the Superintendent or Superintendent's designee reasonably determines that the Applicant's use will require staff time or cause direct costs different than those used in establishing the fee schedule.
- b. A fee waiver or reduced fee rate shall be given for use where the activity or event is designed to serve students of the District or children; such as approved school-community associations and school-affiliated non-profit groups and summertime sports leagues, sports camps, etc., that are subject to NSAA regulations.

5. Use Consistent with NSAA Bylaws.

Use of school facilities for activities that are subject to the Bylaws of the Nebraska School Activities Association (NSAA) shall be permitted subject to and in accordance with the NSAA Bylaws. Such use shall be consistent with this policy for non-school groups. Examples of acceptable use of school facilities for activities are:

- a. Summer Leagues. There must be evidence that the organization or individual conducting the league has rented or leased the facility (for example, via an Application for Use) to prove the school is not involved in its sponsorship or funding.
- b. Commercial Sport Camps/Clinics. School facilities for use by individuals, including the District's own coaches or other organizations for commercial camps/clinics or schools. Camps conducted by high school coaches shall be publicized as open to all area individuals wishing to attend and not limited to students from the coach's high school.
- c. All-Star competition that involves graduated seniors.
- d. Competitive meets and contests sponsored by non-school groups.
- e. Facilities approved under the above stipulations include: gymnasiums, tracks, swimming pools, tennis courts, athletic playing fields, and baseball and softball diamonds.

Policy Compliance and Acceptance of Liability

The application is subject to the terms of the Board's "Community Use of School Facilities" policy. The terms and conditions of that policy are incorporated into the application by this reference. Applicant accepts all such terms and conditions.

We have read, understand and agree to abide by the policies, rules and conditions on the use of these facilities on this form and in Board Policy. We understand that we are accepting the use of the facility from the Seward Public Schools with no assurances or guarantees relative to their condition. It shall be our responsibility to check the facility to see that it is safe for our intended use. We take full responsibility for the facilities while they are being used by our group and will make full restitution for any and all damages which may occur while our group is using the facility. We agree to indemnify and hold the school district harmless for any and all accidents and injuries to ourselves or others while we are using the facility regardless of the negligence of the school district or its personnel. We assume full responsibility and liability for any injuries.
