Section 2. There shall be and are hereby ordered issued the negotiable bonds of this District to be designated as “General Obligation School Building Bonds”, to be issued in one or more series, in the stated principal amount of up to TWENTY-FIVE MILLION DOLLARS (\$25,000,000) (the “Bonds”). The Bonds may be issued in one or more series with the first series referred to as “Series 2026”, the second series referred to as “Series 2026B” or “Series 2027” as applicable, and so on. The Bonds shall be dated as of the date of their delivery and shall mature on the dates, be issued in the principal amount, and shall bear interest at the rates per annum, all as determined in the Bond Purchase Agreement (the “Agreement”) for each series signed by the President or the Superintendent of Schools (each, an “Authorized Officer”, and together, the “Authorized Officers”) on behalf of the District and which may be agreed to by D.A. Davidson & Co. (the “Underwriter”), as underwriter for the Bonds, which Agreement may also determine or modify the principal amount for each maturity of the Bonds, mandatory redemption provisions (if any), and pricing terms, all within the following limitations:

- (a) The aggregate principal amount of the Bonds shall not exceed \$25,000,000;
- (b) The true interest cost (TIC) of the Bonds shall not exceed 5.75%;
- (c) The Underwriter’s discount or placement agent fee shall not exceed 1.25%; and
- (d) The longest maturity of the Bonds shall not be longer than 25 years from the date of issuance.

An Authorized Officer shall be authorized to enter into the Agreement for each series of the Bonds within the above parameters without further action of the Board, provided, that on and after **July 31, 2027**, the Authorized Officers shall have no authority without further action of the Board. Two or more principal maturities of the Bonds may be combined and issued as “term bonds” and the Authorized Officer may determine mandatory sinking fund payments and mandatory redemption amounts. Any Bonds issued as “term bonds” shall be redeemed at a redemption price equal to 100% of the principal amount thereof plus accrued interest thereon to the date of redemption and may be selected for redemption by any random method of selection determined appropriate by the Registrar (as hereinafter designated) or by the Depository (as hereinafter designated).

The Bonds shall be issued in the denomination of \$5,000 or any integral multiple thereof and shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchasers thereof. Interest on the Bonds shall be payable semiannually as set forth in the Agreement. The interest due on each interest payment date shall be payable to the registered owners of record as of the close of business on the fifteenth day (whether or not a business day)

immediately preceding the interest payment date (the “Record Date”), subject to the provisions of Section 3 hereof. Payment of interest due on the Bonds prior to maturity or redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check in the amount due for such interest on each interest payment date to the registered owner of each Bond, as of the applicable Record Date, to such owner’s registered address as shown on the books of registration, as required to be maintained in Section 3 hereof. Payment of principal due at maturity or at any date fixed for redemption, together with any accrued interest then due, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. In the event that Bonds of this issue are held in the nominee name of a national clearinghouse or depository, payment of principal or interest shall be made by wire transfer of funds in accordance with any applicable regulations governing “Depository Eligible Securities”. The District and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the District nor said Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond shall be valid and effectual and shall be a discharge of the District and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. Cattle Bank & Trust, of Seward, Nebraska, is hereby designated to serve as Paying Agent and Registrar for the Bonds, provided that the President may, in the President’s discretion, appoint some other bank with trust powers or trust company to serve as Paying Agent and Registrar under the terms of this Resolution as may be determined from time to time. The Authorized Officers, or either of them, are authorized to sign an agreement with the Paying Agent as may be necessary from time to time to provide for such services. The Paying Agent and Registrar shall keep and maintain for the District books for the registration and transfer of the Bonds at the office of the Paying Agent and Registrar. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar upon surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to such Paying Agent and Registrar, duly executed by the registered owner in person or by such owner’s duly authorized agent, and thereupon the Paying Agent and Registrar will register such transfer upon said registration books and deliver to the transferee registered owner or owners (or send by registered mail to the transferee owner or owners at such owner’s or owners’ risk and expense), registered in the name of such transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this resolution, one Bond may be transferred for several such Bonds of the same interest rate and maturity and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond or Bonds shall be cancelled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the District evidencing the same obligations as the Bonds surrendered and shall be entitled to all benefits and protection of this resolution to the same extent as the Bonds upon transfer of which they were delivered. The District and the Paying Agent and Registrar shall not be required to transfer Bonds during any period from

any Record Date until its immediately following interest payment. In the event that payments of interest due on the Bonds on an interest payment date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such interest payment date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 4. Bonds maturing more than five (5) years after their date of issue shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the date of delivery of such Bonds at a redemption price equal to 100% of the par amount thereof plus accrued interest on the principal amount redeemed to the date fixed for redemption. The District may select the Bonds to be redeemed from such optional redemption in its sole discretion, but Bonds shall be redeemed only in the amount of \$5,000 or integral multiples thereof. Any Bond redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given at the direction of the President and Board by the Paying Agent and Registrar by mail not less than thirty days prior to the date fixed for redemption, first class postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by number and maturity, the date of original issue, the date fixed for redemption and state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the President and Board designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the President and Board shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 5. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 6. The Bonds shall be executed on behalf of the District by being signed by the President and the Secretary, both of which signatures may be facsimile signatures. The Secretary shall make and certify a transcript of proceedings done precedent to the issuance of said Bonds which shall be delivered to the purchaser of the Bonds. After being executed by the President and Secretary, the Bonds shall be delivered to the District Treasurer who shall be responsible therefore under his/her official bond. The Treasurer shall maintain a record of information with respect to said Bonds in accordance with the requirements of Section 10-140, R.R.S. Nebraska, and shall cause the same to be filed with the office of the Nebraska State Auditor of Public Accounts. The Paying Agent and Registrar shall register each Bond in the name of its initial registered owner as designated by the initial purchaser. Each Bond shall be authenticated on behalf of the District by

the Paying Agent and Registrar. The Bonds shall be issued initially as “book-entry only” bonds using the services of The Depository Trust Company, New York, New York (the “Depository”), with one typewritten Bond per maturity being issued to the Depository. In such connection said officers of the District are authorized to execute and deliver a letter of representations and inducement (the “Letter of Representations”) in the form required by the Depository, for and on behalf of the District, which shall thereafter govern matters with respect to registration, transfer, payment, and redemption of the Bonds. Upon issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The District and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds bonds as securities depository (each, a “Bond Participant”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds;

(ii) the delivery to any Bond Participant, any Beneficial Owner, or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner, or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable to or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the District, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the District determines that it is desirable that certificates representing the Bonds be delivered to the ultimate Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the depository will notify the Bond Participants of the availability through the Depository of bond

certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee; or

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the terms of the Paying Agent and Registrar's Agreement (if any).

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Resolution, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the District of book-entry-only form, the District shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the District agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the District until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication.

Section 7. The Bonds shall be in substantially the following form:

Section 8. The Secretary of the District is directed to make and certify a transcript or transcripts of the proceedings of the District precedent to the issuance of said Bonds, one of which transcripts shall be delivered to the purchaser of said Bonds. The President and Secretary of the District shall certify the taxable valuation, the number of children of school age residing in the District, and the total bonded indebtedness of the District pursuant to Section 10-707, R.R.S. Nebraska, with respect to the indebtedness evidenced by the Bonds.

Section 9. The District shall cause to be levied and collected annually a special levy of taxes on all the taxable property in this District for the purpose of paying and sufficient to pay the interest on and principal of the Bonds as and when such interest and principal become due.

Section 10. The District hereby covenants with the purchasers and holders of the Bonds herein authorized that it will make no use of the proceeds of said issue, including monies held in any sinking fund for the payment of principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103 and 148 and other related sections of the Internal Revenue Code of 1986, as amended (the "Code"), and further covenants to comply with said Sections 103 and 148 and related sections and all applicable regulations thereunder throughout the term of said issue. The District hereby covenants and agrees to take all actions necessary under the Code to maintain the tax-exempt status (as to taxpayers generally) of interest payable on the Bonds herein authorized.

Section 11. The District anticipates that the first series of the Bonds will be issued in 2026, and will be issued in a principal amount of less than \$10,000,000. The District anticipates that a second series of the Bonds will not be issued until 2027 so that the total amount of Bonds issued in 2026 will be less than \$10,000,000. With regard to said first series of the Bonds issued in 2026, the District hereby represents and warrants that (a) it reasonably anticipates issuing not more than \$10,000,000 of tax-exempt obligations (not including private activity bonds as defined in the Code other than qualified 501(c)(3) bonds as defined in the Code) during the 2026 calendar year, (b) it has not designated more than \$10,000,000 of obligations including the Bonds herein authorized) during the 2026 calendar year to the date of this resolution as qualified tax-exempt obligations, (c) the Bonds herein authorized are not “private activity bonds” as such term is defined in Section 141(a) of the Code, and (d) it hereby designates the first series of the Bonds as “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B)(i) of the Code. The District anticipates that, during 2027, the District will issue Bonds in a principal amount in excess of \$10,000,000 so that Bonds issued in 2027 will not be designated as a qualified tax-exempt obligation pursuant to Section 265(b)(3)(B)(i) of the Code.

Section 12. The District reserves the right to issue refunding bonds and provide for the investment of the proceeds thereof for purposes of providing for the payment of principal and interest on the Bonds in such manner as may be prescribed by law from time to time but specifically including the provisions of Sections 10-142 and 10-717 to 10-719, R.R.S. Nebraska.

Section 13. The District’s obligations under this resolution shall be fully discharged and satisfied as to the Bonds authorized and issued hereunder, and said Bonds shall no longer be deemed outstanding hereunder when payment of the principal thereof plus interest thereon to the date of maturity or redemption thereof (a) shall have been made or caused to have been made in accordance with the terms thereof and hereof, or (b) shall have been provided for by depositing with the Paying Agent and Registrar, or in escrow with a national or state bank having trust powers in trust solely for such payment (i) sufficient moneys to make such payment and/or (ii) direct general obligations of, or obligations the principal and interest of which are unconditionally guaranteed by, the United States of America, or obligations of any agency of the United States of America (herein referred to as “Government Obligations”), in such amount and with such maturities as to principal and interest as will insure the availability of sufficient moneys to make such payment, and thereupon such Bonds shall cease to draw interest from the date of their redemption or maturity and, except for the purposes of such payment, shall no longer be entitled to the benefits of this resolution; provided that, with respect to any Bonds called or to be called for redemption prior to the stated maturity thereof notice of redemption shall have been duly given or provided for. If moneys shall have been deposited in accordance with the terms hereof with the Paying Agent and Registrar or escrow agent in trust for that purpose sufficient to pay the principal of such Bonds and all interest due thereon to the due date thereof or to the date fixed for the redemption thereof, all liability of the District for such payment, except for payment from such deposit, shall forthwith cease, determine and be completely discharged, and all such Bonds shall no longer be considered outstanding under this resolution.

Section 14. The Board hereby authorizes the Authorized Officers to approve (and declare final) on behalf of the District the preliminary Official Statement prepared with respect to a series of the Bonds and hereby authorizes the Authorized Officers (or any one or more of them) to

approve, execute and deliver on behalf of the District a final Official Statement relating to and describing the Bonds in such series. The officers of the District are further authorized to take any and all actions deemed necessary by them in connection with the carrying out and performance of the terms of this Resolution.

Section 15. If and to the extent and individual series of the Bonds is issued in the principal amount of \$1,000,000 or more, then in accordance with the requirements of Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission, the District being the only “obligated person” with respect to the Bonds, agrees that it will provide the following continuing disclosure information to the Municipal Securities Rulemaking Board (the “MSRB”) in an electronic format as prescribed by the MSRB:

and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the District);

- (13) the consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
  - (14) appointment of a successor or additional trustee or the change of name of a trustee, if material;
  - (15) incurrence of a financial obligation of the obligated person, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the obligated person, any of which affect security holders, if material; and

For purposes subparagraph (15) above, a “financial obligation” means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

The District has not undertaken to provide notice of the occurrence of any other event, except the events listed above. The District agrees that all documents provided to the MSRB under the terms of this continuing disclosure undertaking shall be in such electronic format and accompanied by such identifying information as shall be prescribed by the MSRB. The District reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information or the accounting methods in accordance with which such information is presented, to the extent necessary or appropriate in the judgment of the District, consistent with the Rule. The District agrees that such covenants are for the benefit of the registered owners of the Bonds (including Beneficial Owners) and that such covenants may be enforced by any registered owner or Beneficial Owner, provided that any such right to enforcement shall be limited to specific enforcement of such undertaking and any failure shall not constitute an event of default under the Resolution. The continuing disclosure obligations of the District, as described above, shall cease when none of the Bonds remain outstanding. The person from whom the foregoing information, data and notices can be obtained is the District Secretary.

Section 16. Each series of the Bonds is hereby sold to D.A. Davidson & Co. (the “Initial Purchaser”) upon the terms set forth in the Agreement for such series which is approved by the Authorized Officers and agreed to by the Initial Purchaser. The District Treasurer is authorized to deliver the Bonds to the Initial Purchaser upon receipt of the purchase price set forth in the Agreement for such series plus accrued interest to the date of payment. The Bonds are sold to the Initial Purchaser subject to the opinion of Rembolt Ludtke LLP, as bond counsel, that the Bonds are lawfully issued; that the Bonds constitute a valid obligation of the District; and that under existing laws and regulations the interest on the Bonds is exempt from both Nebraska state and federal income taxes. Such purchaser and its agents, representatives, and counsel (including Initial Purchaser’s bond counsel) are hereby authorized to take such actions on behalf of the District as are necessary to effectuate the closing of the issuance and sale of the Bonds, including, without limitation, authorizing the release of the Bonds by the Depository (as defined herein) at closing. The proceeds of the Bonds shall be applied upon receipt for the purposes described in Section 1 hereof.

Section 17. Accrued interest received from the sale of the Bonds, if any, shall be applied to pay interest first falling due on the Bonds. Expenses of issuance of the Bonds may be paid from the proceeds of the Bonds. The net proceeds of the Bonds shall be held separate and apart from other funds of the District by the Treasurer of the District and applied to pay costs of the Project upon order of the Board. The Board hereby authorizes the Bonds to be sold with a provision for bond insurance or such other credit enhancement product as determined by an Authorized Officer in the Agreement and an Authorized Officer is authorized to enter into a contract for the provision of such bond insurance upon such terms as are reasonably determined to be appropriate by an Authorized Officer. The premium for such bond insurance or credit enhancement product may be payable from the proceeds of the Bonds along with other expenses of issuing the Bonds.

Section 18. In order to promote compliance with certain federal tax and securities laws relating to the Bonds herein authorized (as well as other outstanding bonds) the policy and procedures attached hereto as Exhibit “A” (the “Post-Issuance Compliance Policy and Procedures”) are hereby adopted and approved in all respects. To the extent that there is any inconsistency between the attached Post-Issuance Compliance Policy and Procedures and any similar policy or procedures previously adopted and approved, the Post-Issuance Compliance Policy and Procedures shall control.

Section 19. The officers of the District, or any one or more of them, including President, Vice President, Secretary, Treasurer, and the Superintendent are hereby authorized to execute and deliver any and all certificates and documents and to take any and all actions determined appropriate in connection with the issuance and sale of the Bonds.

Section 20. This resolution shall take effect and be in force from and after its passage as provided by law.

ADOPTED this 13<sup>th</sup> day of April, 2026.

Federal Tax Law and Disclosure Requirements for  
Tax-exempt Bonds and/or Build America Bonds**

**ISSUER NAME: SEWARD COUNTY SCHOOL DISTRICT 009, NEBRASKA**

**COMPLIANCE OFFICER (BY TITLE): DISTRICT SECRETARY**

**POLICY**

It is the policy of the Issuer identified above (the “Issuer”) to comply with all Federal tax requirements and securities law continuing disclosure obligations for its obligations issued as tax-exempt bonds or as direct pay build America bonds to ensure, as applicable (a) that interest on its tax-exempt bonds remains exempt from Federal income tax, (b) that the direct payments associated with its bonds issued as “build America bonds” are received by the Issuer in a timely manner and (c) compliance with any continuing disclosure obligations of the Issuer with respect to its outstanding bonds.

**PROCEDURES**

Compliance Officer. Review of compliance with Federal tax requirements and securities law continuing disclosure obligations as generally outlined below shall be conducted by the Compliance Officer identified above (the “Compliance Officer”). To the extent more than one person has been delegated specific responsibilities, the Compliance Officer shall be responsible for ensuring coordination of all compliance review efforts.

Training. The Compliance Officer shall evaluate and review educational resources regarding post-issuance compliance with Federal tax and securities laws, including periodic review of resources published for issuers of tax-exempt obligations by the Internal Revenue Service (either on its website at <http://www.irs.gov/taxexemptbond>, or elsewhere) and the Municipal Securities Rulemaking Board (either on its Electronic Municipal Market Access website [“EMMA”] at <http://www.emma.msrb.org>, or elsewhere).

Compliance Review. A compliance review shall be conducted at least annually by or at the direction of the Compliance Officer. The review shall occur at the time the Issuer’s annual audit takes place unless the Compliance Officer otherwise specifically determines a different time period or frequency of review would be more appropriate.

Scope of Review.

*Document Review.* At the compliance review, the following documents (the “Bond Documents”) shall be reviewed for general compliance with covenants and agreements and applicable regulations with respect to each outstanding bond issue:

- (a) the resolution(s) and/or resolution(s), as applicable, adopted by the governing body of the Issuer authorizing the issuance of its outstanding bonds, together with any documents setting the final rates and terms of such bonds (the “Authorizing Proceedings”),
- (b) the tax documentation associated with each bond issue, which may include some or all of the following (the “Tax Documents”):
  - (i) covenants, certifications, and expectations regarding Federal tax requirements which are described in the Authorizing Proceedings;
  - (ii) Form 8038 series filed with the Internal Revenue Service;
  - (iii) tax certificates, tax compliance agreements, tax regulatory agreement, or similar documents;
  - (iv) covenants, agreements, instructions, or memoranda with respect to rebate or private use;
  - (v) any reports from rebate analysts received as a result of prior compliance review or evaluation efforts;and

- (vi) any and all other agreements, certificates and documents contained in the transcript associated with the Authorizing Proceedings relating to federal tax matters.
- (c) the Issuer's continuing disclosure obligations, if any, contained in the Authorizing Proceedings or in a separate agreement (the "Continuing Disclosure Obligations"), and
- (d) any communications or other materials received by the Issuer or its counsel, from bond counsel, the underwriter or placement agent or its counsel, the IRS, or any other material correspondence relating to the tax-exempt status of the Issuer's bonds or relating to the Issuer's Continuing Disclosure Obligations.

*Use and Timely Expenditure of Bond Proceeds.* Expenditure of bond proceeds shall be reviewed by the Compliance Officer to ensure (a) such proceeds are spent for the purpose stated in the Authorizing Proceedings and as described in the Tax Documents and (b) that the proceeds, together with investment earnings on such proceeds, are spent within the timeframes described in the Tax Documents, and (c) that any mandatory redemptions from excess bond proceeds are timely made if required under the Authorizing Proceedings and Tax Documents.

*Arbitrage Yield Restrictions and Rebate Matters.* The Tax Documents shall be reviewed by the Compliance Officer to ensure compliance with any applicable yield restriction requirements under Section 148(a) of the Internal Revenue Code (the "Code") and timely calculation and payment of any rebate and the filing of any associated returns pursuant to Section 148(f) of the Code. A qualified rebate analyst shall be engaged as appropriate or as may be required under the Tax Documents.

*Use of Bond Financed Property.* Expectations and covenants contained in the Bond Documents regarding private use shall be reviewed by the Compliance Officer to ensure compliance. Bond-financed properties shall be clearly identified (by mapping or other reasonable means). Prior to execution, the Compliance Officer (and bond counsel, if deemed appropriate by the Compliance Officer) shall review (a) all proposed leases, contracts related to operation or management of bond-financed property, sponsored research agreements, take-or-pay contracts or other agreements or arrangements or proposed uses which have the potential to give any entity any special legal entitlement to the bond-financed property, (b) all proposed agreements which would result in disposal of any bond-financed property, and (c) all proposed uses of bond-financed property which were not anticipated at the time the bonds were issued. Such actions could be prohibited by the Authorizing Proceedings, the Tax Documents or Federal tax law.

*Continuing Disclosure.* Compliance with the Continuing Disclosure Obligations with respect to each bond issue shall be evaluated (a) to ensure timely compliance with any annual disclosure requirement, and (b) to ensure that any material events have been properly disclosed as required by the Continuing Disclosure Obligation.

Record Keeping. If not otherwise specified in the Bond Documents, all records related to each bond issue shall be kept for the life of the indebtedness associated with such bond issue (including all tax-exempt refundings) plus six (6) years.

Incorporation of Tax Documents. The requirements, agreements and procedures set forth in the Tax Documents, now or hereafter in existence, are hereby incorporated into these procedures by this reference and are adopted as procedures of the Issuer with respect to the series of bonds to which such Tax Documents relate.

Consultation Regarding Questions or Concerns. Any questions or concerns which arise as a result of any review by the Compliance Officer shall be raised by the Compliance Officer with the Issuer's counsel or with bond counsel to determine whether non-compliance exists and what measures should be taken with respect to any non-compliance.

VCAP and Remedial Actions. The Issuer is aware of (a) the Voluntary Closing Agreement Program (known as "VCAP") operated by the Internal Revenue Service which allows issuers under certain circumstances to voluntarily enter into a closing agreement in the event of certain non-compliance with Federal tax requirements and (b) the remedial actions available to issuers of certain bonds under Section 1.141-12 of the Income Tax Regulations for private use of bond financed property which was not expected at the time the bonds were issued.

### SEPARATION INCENTIVE PROGRAMS

#### A. PURPOSE:

The Seward Public School District Board of Education (referred to as the District and Board respectively) will consider if needed at the August Board Meeting or sooner the implementation and funding of a Separation Incentive Program (referred to as the Program) for the certificated teachers of the District (referred to variously as teacher, eligible employee, employee, applicant, or participant) Sections B-E. The Program is a Board policy that is intended to benefit certificated teachers who are considering terminating their employment with the District. Its objectives include, but are not limited to providing a balance of employee experience and offering financial incentives to assist long-term employees who are considering separating from employment. The board will utilize section G of the policy.

#### B. QUALIFICATIONS:

1. Eligible Employees: To be eligible, an employee must be employed by the District as of the date of acceptance of his/her application in the position of a fully certificated teacher who is paid in his/her last school year of employment pursuant to the salary schedule negotiated by the Board and the Seward Education Association.
2. Full-Time Equivalency: Both full-time and part-time employees may apply to participate in the Program. A part-time applicant's benefits will be prorated based on his/her FTE (full-time equivalency) as determined by the applicant's actual scheduled salary as of November 1 of his/her last school year of employment. An applicant who is on a part-time leave of absence and who works part-time as of November 1 of his/her last year of employment will be eligible to participate in the Program based on his/her on-duty FTE. An employee who is on a leave of absence in total as of November 1 of a school year will not be eligible to participate in the Program during the year of the leave.
3. Criteria for Eligibility: An applicant must meet the following criteria:
  - a. Years of Service: An applicant must have at least twenty (20) consecutive years of creditable service to the District.
  - b. Minimum Age: An applicant must be fifty-seven (57) years of age on or before August 15 following the last school year of employment.
  - c. An employee must apply for participation in the Program within 5 years of becoming eligible or waive the opportunity to take Program benefits.
  - d. Those employees who are older than age 57 and had 20 years of creditable service at the time of this policy's adoption shall be given five years from the date of the policy's adoption to apply to participate in the Program.
4. Applications and Criteria for Selection: On or about October of each year, the Board, in its sole and absolute discretion, will determine the total number of applicants whom it

will approve for participation in the Program based on financial exigencies, availability of funds, budget, expenses, revenue, and other school financial issues. If there are more applicants than the number the Board has authorized, the selection of the approved applicants shall be based on the following criteria in descending order:

- a. Highest Salary: The applicant(s) with the highest salary on the teacher salary schedule will be given preference for participation.
- b. Years of Experience in the District: If two (2) or more applicants are tied after consideration of criterion “a” above, the applicant(s) with the most years of full-time teaching experience in the district will be given preference.
- c. Date of Application: If two (2) or more applicants are tied after consideration of criterion “b” above, the applicant(s) with the earlier date of application (based on the date stamp from the Superintendent’s Office) will be given preference.
- d. Tie Breaker: If two (2) or more applicants are tied after consideration of criteria “a”, “b”, and “c” above, the names of the applicants who are tied shall be placed in a container and drawn from the container for opening(s) in the Program.

### **C. ENROLLMENT REQUIREMENTS:**

1. Resignation: An approved applicant shall resign his/her employment with the District effective at the close of his/her last year of employment in consideration for the benefits outlined in paragraph “D” below. An applicant’s application to participate in the Program is not, in and of itself, a resignation of his/her contract with the School District. However, the Board’s approval of an application will be considered the approval of the applicant’s voluntary resignation and termination of his/her continuing contract. If the Board does not approve an application, the applicant’s contract will continue in effect, and he/she will remain employed by the District unless he/she otherwise resigns or his/her contract is terminated or cancelled for cause.
2. Notice of Program: On or before September 15<sup>th</sup> of each year, the Superintendent or Superintendent’s designee shall notify eligible employees of the Program and the Application and Agreement form.
3. Application and Agreement: An employee who wishes to participate must submit a completed Application and Agreement form on or before November 15<sup>th</sup> of the school year in which he/she intends to resign. The failure to submit an Application and Agreement form by the application deadline shall result in the rejection of the application. An applicant may withdraw his/her Application and Agreement within seven (7) days after the date it was received by the Superintendent’s office. The Superintendent or his/her designee shall review the employee’s record to determine eligibility.
4. Terminated Employee’s Ineligibility: An employee who has received written notice of possible termination for reasons other than reduction in force or who has received written notice of possible cancellation shall NOT be eligible and may NOT participate in the Program, UNLESS after a hearing before the Board, it is determined that said employee’s contract shall not be cancelled or terminated or the decision of the Board to terminate or cancel is subsequently set aside.

#### **D. BENEFITS:**

1. **Calculation and Payment of Benefits:** The total benefit for an approved applicant shall be as follows: The total amount cannot exceed \$35,000
  - a. Fifty percent (50%) of the index salary placement of his/her contract in effect in the final year of employment multiplied by the average FTE over his/her last 20 years of employment. This amount shall be paid in two (2) equal installments with the first payment on September 15 of the calendar year separation begins, and the second payment on January 15 of the calendar year after the separation option is taken.
  - b. Twenty-five dollars (\$25) per day for each day of his/her unused accumulated sick leave in the final year of employment, up to a maximum of forty-five (45) days. This amount shall be paid in two (2) equal installments with the first payment on September 15 of the calendar year separation begins, and the second payment on January 15 of the calendar year after the separation option is taken.
2. **Source of Funds:** The School District shall pay the entire cost of the Plan.
3. **Administration:** This plan shall be administered by the Board by and through the District administration.
4. **Beneficiary Designation:** The applicant must designate a beneficiary for the Application and Agreement form to be considered complete. If a participant dies before all benefits are paid, the beneficiary shall receive any remaining benefits.
5. **Income Tax Consequences:** Payments pursuant to the Program have been determined to be taxable income for state and federal income tax purposes and will be treated as such. Any required state or federal withholding will be deducted from each payment.
6. **Health Insurance Rights:** A participant will have the opportunity to continue health insurance benefits as may be permitted by the Comprehensive Omnibus Budget Reconciliation Act, other applicable law, or the Retirees Health Insurance Plan under the insurance carrier's guidelines.

#### **E. TIME FOR CONSIDERATION OF APPLICATION AND AGREEMENT, AND WAIVER AND RELEASE OF CLAIMS:**

1. **Time to Consider Application and Agreement:** Employees shall be given at least forty-five (45) days within which to consider the terms of the Program. The Application and Agreement form shall inform applicants that the Program is totally voluntary in nature.
2. **Waiver and Release of Claims:** An employee who participates in the Program will be required to release, waive, acquit, and forever discharge the District, all past, present, and future members of the Board in their official and individual capacities, the administrators, and all other officers, agents, and employees of the District, in their official and individual capacities, from any and all claims, however characterized, whether for damages, costs, expenses, compensation, penalties, wages, benefits, reinstatement, attorneys' fees, which the participant may now have or which may accrue in the future with respect to, arising out of, or in relation to the participant's employment with the District, including, but not limited to, claims or rights under the Age Discrimination in Employment Act (ADEA) and the Older Workers Benefit Protection

Act (OWBPA), 29 USC §621-634, the Employee Retirement Income Security Act of 1974 (ERISA), 29 USC §1001 et. seq., and the Act Prohibiting Unjust Discrimination in Employment on the Basis of Age, NEB. ## **Special Education**

Several reports are due by the end of the school year.

ESSA Title IA Non-Public School Consultation and Special Education Non-Public School Consultation Meeting is scheduled for Tuesday, April 15th at 1:30 in the conference room at the Middle School. The purpose of this consultation is to meet with the leaders at our non-public schools and determine what special education and equitable services will be provided for the 2026-2027 school year for the non-public students who attend non-public schools within Seward School boundaries. Both Dr. Dominy and I will participate in the meeting.

"Maintenance of effort" (MOE) is a requirement for many federally funded programs. It ensures that states and local agencies continue to provide a certain level of funding for the program even when federal funding is received. Maintenance of Effort (MOE) is due on April 29th, 2026.

Our Targeted Improvement Plan (TIP) is due to NDE on May 1st, 2026. The goal of the TIP is to help schools build capacity to scale up the MTSS framework by having a system to review student data and establish a Targeted Improvement Plan (TIP). Each TIP is required to have (a) a focus for improvement, (b) a measurable goal with annual targets, (c) a student-centered, evidence-based strategy to affect the outcomes for students with disabilities, (d) a level of implementation ratings, and (e) descriptions of data used for decision-making. The TIP must be aligned to the overall general education improvement activities being implemented at the district. Our TIP is aligned with our Strategic Plan, specifically the MTSS action plan.

Our PEaK (Promoting Engagement and Knowledge) Project is also due to NDE on May 1st, 2026. The PEaK project is a way to secure funding from NDE to support the implementation and evaluation of our Targeted Improvement Plans (TIPs). Funds must be used to assist with the deep

implementation of evidence-based practices designed to improve the outcomes of students with disabilities.

I have applied for and received a summer grant from Vocational Rehab (VR) that will allow us to provide a summer program for students ages 14-21 for work-based readiness and experiences who are PRE-ET students who work with VR.. We are starting to compile a list of students who are eligible and will be sending information to their families regarding this opportunity. I will share more information as it becomes available.

Finally, we have three students bowling the first weekend of April at the State Special Olympics Bowling Tournament at Sun Valley Lanes in Lincoln and six student competing at State Basketball at Northstart. Best of Luck to these athletes!

### **High Ability Learners (HAL)**

We finished up CogAT testing for the second and fourth grade students who were recommended based on the NWEA results and teacher recommendations. We will have the results by hopefully before the end of the school year.

### **Title**

The number of students who have received Tier II Title Reading services has remained consistent.

We will continue to monitor their progress in the classroom and their Tier II reading intervention.

### **Preschool**

We held our open house for potential preschool students for the 26-27 school year. Nineteen letters were sent out to potential families and we are currently waiting for them to be returned to see if we have any other open spots. Again, numbers in the afternoon (4 year old program) continue to be lower. If you know of any families that are looking for a quality preschool experience please have them reach out.

### **Sixpence**

We would like to thank Katie Langner for her service to the families in our community through the Sixpence Program. Katie will be leaving Sixpence to pursue another career option. We are hiring a new Sixpence Family Educator who will serve children and families in the Centennial and Mifflord communities

### **English Language Learners**

The ELPA21 (English Language Proficiency Assessment for the 21st Century) has been completed, and we are waiting for the results.

Thank you for all you do!

## April 2026 Board Report for Curriculum and Staff Development

Board Members,

I wrote an article to our staff members about assessment this past month. I know and I want our staff to recognize that one score does not define our students, teachers, and schools. Assessment is a tool and it measures growth over time. If we ignore data, we make decisions that are not informed and could be off-track. Data-informed decisions ensure that we stay focused on quality instruction, curriculum, etc. I also encouraged our teachers to help our students look at assessments like a championship game. This is the time to have pride in ourselves, our preparation, and our school and leave our best "on the test". Thank you for all that you do for our students and staff.

### **Curriculum**

At our board meeting I will be able to share more about our curriculum adoption for this school year. We are making some changes to the business curriculum and I will be sharing the instructional resources that we are recommending. These resources will also be shared with parents at the HS parent teacher conferences on April 8<sup>th</sup>. I will be able to share the feedback from parents at this meeting. In the area of Health and PE, we are recommending that we continue with the instructional materials that we have, and we will ensure that our curriculum documents reflect current practice. In both of these areas there were some equipment and supply requests that were made to update these programs. Finally, the library department updated their library handbook and we will be able to share a final draft in August.

### **Instruction**

We wrapped up our Early Literacy training with the University of Nebraska Omaha with the elementary school on our last professional development day. We found the professional development to be excellent and we have seen the new learning implemented in our classroom. A big thanks to Sarah Rising for her work in supporting this training and the UNO facilitators for the work they did with our teachers.

### **Staff Development**

Our March staff development day was devoted to a variety of professional learning opportunities. The business, library, PE/Health departments all met to go through the curriculum review process. Our elementary teachers completed their Early Literacy Workshop, and our middle school teachers attended a workshop regarding mental health. Districtwide our action teams met and we also provided an update on our website and two-way communication tool.

### **Assessment**

The state ACT test will be taken on April 8<sup>th</sup>. Parents and students will get the results about 3 weeks after the test, but we will not have data to share regarding the ACT test until the data is released in the Fall. We also started our NSCAS growth assessments this week for grades 3-8. These assessments are important, but they are one small piece in how we document student achievement in our school district.

Thank you for your support!

## **Message from Matt: Staying Focused During Testing Season**

As we enter testing season, it's important to pause and ground ourselves in what matters most. While assessments play a role in our work, they do not define our students. A single test score cannot capture the full picture of a child's growth, potential, or the relationships and experiences that shape their learning. Instead, these assessments serve as one tool—one moment in time—that helps us better understand how our students are progressing and how we can continue to refine our practice.

Learning remains our ultimate purpose. Everything we do—every lesson, every conversation, every moment of encouragement—is centered on helping students grow. Assessments simply provide us with information to guide that work. They help us reflect on our curriculum, strengthen our instruction, and ensure we are providing the right levels of support, whether through intervention or enrichment.

At the same time, we can help our students approach testing with a healthy and productive mindset. Just as we encourage them to give their best effort during a big game or championship moment, we can frame testing as an opportunity to "leave it all out there." It's not about pressure—it's about pride. Pride in their preparation, pride in their effort, and pride in showing what they know.

This season is also a reflection of the incredible work happening in our classrooms every day. You have taught with urgency and intention. You have built meaningful relationships that create safe and supportive learning environments. You have raised expectations and challenged students to reach higher. Most importantly, you have responded to their needs by providing the support necessary for each student to grow.

That work matters far beyond any assessment window.

As we move through the coming weeks, thank you for continuing to center students, maintain perspective, and support one another. I am proud of the work you have done, and even more proud of the impact you continue to have on our students each day.

## **Jon Gordon**

My mentor Ken Blanchard changed the way the world leads by introducing a simple habit that produces amazing results when it is put into practice.

In his iconic book *The One Minute Manager*, he encouraged us to catch people doing things right! This means when you see someone doing something right, recognize and praise them for it. What you reinforce will be repeated. The research shows that the more you catch people doing things right, the more they will do the things you're praising and recognizing.

This is not just a great habit for leaders and managers; it's also great for parents, coaches, teachers, and anyone who wants to help others grow and be their best. The habit of reinforcing the right actions and practices of others leads them to creating successful habits.

This positive habit helps others create positive habits.

Some might ask about the practice of holding people accountable and constructively criticizing others when they're doing things wrong. Yes, it's essential that we do these things as well, but unfortunately this is what far too many focus on too often.

We see what needs to be fixed and are always focused on the fixing. But the research shows that instead of always focusing on the fixing we must spend more time praising what's working.

To put this into practice you should still help people correct mistakes and point out how they can improve, but become intentional in catching people doing things right more often.

Make this a habit and you'll see your leadership, likability, influence, and impact grow.

Lead Positive,  
-Jon

## **AI Ad-Hoc Committee**

We convened an ad-hoc AI committee of your colleagues during our last two professional development days. While AI is not part of our strategic plan, we felt it was necessary to identify some parameters regarding AI use in our school district. To do this, we created belief statements, and a philosophy statement regarding AI and also identified acceptable and unacceptable uses. Finally, we identified the AI products that are being used most frequently and also provide the most security for our school district. We would like your feedback, please take a look at our work below and then click on the form to give us feedback on what you think. [Feedback](#)

# Class of 2026 Reflections

**Our time as students at Seward High is quickly dwindling. We wanted to share some memories, reflections, favorites, or anything from this year worth sharing!**

This year has been one for the books. My favorite memories have been the ones I've made through Bluejay Leadership Team! I will be forever grateful for the time I've devoted to helping lead and the people I've been with. -Avery Rodocker

This year was a roller coaster for me. I had a lot on my hands but I managed to get through all of it and pass my classes, getting through all of my activities, and balancing school with work. This year taught me to be patient and to do the work that is given to me and turn it in on time, and I learned a lot of leadership skills this year and how to stay calm while I'm under pressure. - Connor Erks

This year was very stressful for me because of mental health stuff and relationship issues with family, but I found a way to manage my grades and not slip up. I've learned that there's going to be people in your life that you thought were going to be with you to the end, leave or hurt you, but you can learn from that experience, and you'll find out just who your friends really are. - Izzy Riggs

Probably one of my favorite memories from this year was cheering at the first playoff game on Halloween because it was my 18th birthday. Plus we got to wear costumes for cheer and band. I missed cheering at basketball since I graduated midterm, but it was also fun to sit in the stands and cheer on the Bluejays from a different perspective. I've still been able to see and support my friends at choir and band concerts and musical. I wasn't physically at the school most of second semester but I still felt like a part of Seward High. - Juliet Moore

My favorite memories from high school are all the people I have met through sports. - Karsyn Fields

My most memorable moment in my high school career was going 11-1 in football my junior year. The season started slow but we hit our stride towards the end of it and I've made memories I will never forget. - Nolan Austin

This year has been a year full of firsts for me. It was my first time doing musical, and it was my first time singing a duet. I came out of my comfort zone for the duet, and it was one of the most rewarding and fun experiences in my whole life. I loved the musical for the same reason: I got out of my comfort zone. I tried something new and was able to have fun with like-minded people who love to sing, dance, and be dramatic just as much as I do. -Lydia Rasmussen

My favorite memory from high school was cheering on teammates at state, and meeting new people through sports. - Savanna Leiting

My favorite memory/memories from high school would be winning the spirit stick back-to-back-to-back. It was very rewarding and fun to work together as a class to win something. - Cardin Goracke

My favorite memory is my junior year when the football team made a deep playoff run against the odds -Calvin Shipley

My favorite memory from senior year has been going to football games and cheering on my friends! -Cooper Hill

I have had a great Senior Year. I have enjoyed every single minute of spending time with my friends in different events that I have participated in: football games, multiple band competitions, golf meets, and going to state golf. I will definitely miss my friends and will forever remember and cherish the memories that we have made this year together. Everything that we start, has to come to an end, and with my remaining time I will try to make these moments last as long as possible. - Blair Briggs

Some of my favorite memories are state tournaments and getting to experience those huge moments with my teammates and coaches! -Evie Theobald

There shall be and are hereby ordered issued the negotiable bonds of this District to be designated as “General Obligation School Building Bonds”, to be issued in one or more series, in the stated principal amount of up to TWENTY-FIVE MILLION DOLLARS (\$25,000,000) (the “Bonds”). The Bonds may be issued in one or more series with the first series referred to as “Series 2026”, the second series referred to as “Series 2026B” or “Series 2027” as applicable, and so on. The Bonds shall be dated as of the date of their delivery and shall mature on the dates, be issued in the principal amount, and shall bear interest at the rates per annum, all as determined in the Bond Purchase Agreement (the “Agreement”) for each series signed by the President or the Superintendent of Schools (each, an “Authorized Officer”, and together, the “Authorized Officers”) on behalf of the District and which may be agreed to by D.A. - (a) The aggregate principal amount of the Bonds shall not exceed \$25,000,000;
- (b) The true interest cost (TIC) of the Bonds shall not exceed 5.75%;

An Authorized Officer shall be authorized to enter into the Agreement for each series of the Bonds within the above parameters without further action of the Board, provided, that on and after **July 31, 2027**, the Authorized Officers shall have no authority without further action of the Board. Two or more principal maturities of the Bonds may be combined and issued as “term bonds” and the Authorized Officer may determine mandatory sinking fund payments and mandatory redemption amounts. Any Bonds issued as “term bonds” shall be redeemed at a redemption price equal to 100% of the principal amount thereof plus accrued interest thereon to the date of redemption and may be selected for redemption by any random method of selection determined appropriate by the Registrar (as hereinafter designated) or by the Depository (as hereinafter designated).

The Bonds shall be issued in the denomination of \$5,000 or any integral multiple thereof and shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchasers thereof. Interest on the Bonds shall be payable semiannually as set forth in the Agreement. The interest due on each interest payment date shall be payable to the registered owners of record as of the close of business on the fifteenth day (whether or not a business day)

immediately preceding the interest payment date (the "Record Date"), subject to the provisions of Section 3 hereof. Payment of interest due on the Bonds prior to maturity or redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check in the amount due for such interest on each interest payment date to the registered owner of each Bond, as of the applicable Record Date, to such owner's registered address as shown on the books of registration, as required to be maintained in Section 3 hereof. Payment of principal due at maturity or at any date fixed for redemption, together with any accrued interest then due, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. In the event that Bonds of this issue are held in the nominee name of a national clearinghouse or depository, payment of principal or interest shall be made by wire transfer of funds in accordance with any applicable regulations governing "Depository Eligible Securities". The District and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the District nor said Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond shall be valid and effectual and shall be a discharge of the District and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid.

Section 3. Cattle Bank & Trust, of Seward, Nebraska, is hereby designated to serve as Paying Agent and Registrar for the Bonds, provided that the President may, in the President's discretion, appoint some other bank with trust powers or trust company to serve as Paying Agent and Registrar under the terms of this Resolution as may be determined from time to time. The Authorized Officers, or either of them, are authorized to sign an agreement with the Paying Agent as may be necessary from time to time to provide for such services. The Paying Agent and Registrar shall keep and maintain for the District books for the registration and transfer of the Bonds at the office of the Paying Agent and Registrar. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar upon surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to such Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar will register such transfer upon said registration books and deliver to the transferee registered owner or owners (or send by registered mail to the transferee owner or owners at such owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this resolution, one Bond may be transferred for several such Bonds of the same interest rate and maturity and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond or Bonds shall be cancelled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the District evidencing the same obligations as the Bonds surrendered and shall be entitled to all benefits and protection of this resolution to the same extent as the Bonds upon transfer of which they were delivered. The District and the Paying Agent and Registrar shall not be required to transfer Bonds during any period from

any Record Date until its immediately following interest payment. In the event that payments of interest due on the Bonds on an interest payment date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such interest payment date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 4. Bonds maturing more than five (5) years after their date of issue shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the date of delivery of such Bonds at a redemption price equal to 100% of the par amount thereof plus accrued interest on the principal amount redeemed to the date fixed for redemption. The District may select the Bonds to be redeemed from such optional redemption in its sole discretion, but Bonds shall be redeemed only in the amount of \$5,000 or integral multiples thereof. Any Bond redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given at the direction of the President and Board by the Paying Agent and Registrar by mail not less than thirty days prior to the date fixed for redemption, first class postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by number and maturity, the date of original issue, the date fixed for redemption and state that such Bond or Bonds are to be presented for prepayment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the President and Board designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the President and Board shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 5. If the date for payment of the principal or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 6. The Bonds shall be executed on behalf of the District by being signed by the President and the Secretary, both of which signatures may be facsimile signatures. The Secretary shall make and certify a transcript of proceedings done precedent to the issuance of said Bonds which shall be delivered to the purchaser of the Bonds. After being executed by the President and Secretary, the Bonds shall be delivered to the District Treasurer who shall be responsible therefore under his/her official bond. The Treasurer shall maintain a record of information with respect to said Bonds in accordance with the requirements of Section 10-140, R.R.S. Nebraska, and shall cause the same to be filed with the office of the Nebraska State Auditor of Public Accounts. The Paying Agent and Registrar shall register each Bond in the name of its initial registered owner as designated by the initial purchaser. Each Bond shall be authenticated on behalf of the District by

the Paying Agent and Registrar. The Bonds shall be issued initially as “book-entry only” bonds using the services of The Depository Trust Company, New York, New York (the “Depository”), with one typewritten Bond per maturity being issued to the Depository. In such connection said officers of the District are authorized to execute and deliver a letter of representations and inducement (the “Letter of Representations”) in the form required by the Depository, for and on behalf of the District, which shall thereafter govern matters with respect to registration, transfer, payment, and redemption of the Bonds. Upon issuance of the Bonds as “book-entry-only” bonds, the following provisions shall apply:

(a) The District and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds bonds as securities depository (each, a “Bond Participant”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds;

(ii) the delivery to any Bond Participant, any Beneficial Owner, or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner, or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable to or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the District, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the District determines that it is desirable that certificates representing the Bonds be delivered to the ultimate Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the depository will notify the Bond Participants of the availability through the Depository of bond

certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee; or

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the terms of the Paying Agent and Registrar's Agreement (if any).

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Resolution, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the District of book-entry-only form, the District shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the District agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the District until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication.

Section 7. The Bonds shall be in substantially the following form:

Section 8. The Secretary of the District is directed to make and certify a transcript or transcripts of the proceedings of the District precedent to the issuance of said Bonds, one of which transcripts shall be delivered to the purchaser of said Bonds. The President and Secretary of the District shall certify the taxable valuation, the number of children of school age residing in the District, and the total bonded indebtedness of the District pursuant to Section 10-707, R.R.S. Nebraska, with respect to the indebtedness evidenced by the Bonds.

Section 9. The District shall cause to be levied and collected annually a special levy of taxes on all the taxable property in this District for the purpose of paying and sufficient to pay the interest on and principal of the Bonds as and when such interest and principal become due.

Section 10. The District hereby covenants with the purchasers and holders of the Bonds herein authorized that it will make no use of the proceeds of said issue, including monies held in any sinking fund for the payment of principal and interest on said Bonds, which would cause said Bonds to be arbitrage bonds within the meaning of Sections 103 and 148 and other related sections of the Internal Revenue Code of 1986, as amended (the "Code"), and further covenants to comply with said Sections 103 and 148 and related sections and all applicable regulations thereunder throughout the term of said issue. The District hereby covenants and agrees to take all actions necessary under the Code to maintain the tax-exempt status (as to taxpayers generally) of interest payable on the Bonds herein authorized.

Section 11. The District anticipates that the first series of the Bonds will be issued in 2026, and will be issued in a principal amount of less than \$10,000,000. The District anticipates that a second series of the Bonds will not be issued until 2027 so that the total amount of Bonds issued in 2026 will be less than \$10,000,000. With regard to said first series of the Bonds issued in 2026, the District hereby represents and warrants that (a) it reasonably anticipates issuing not more than \$10,000,000 of tax-exempt obligations (not including private activity bonds as defined in the Code other than qualified 501(c)(3) bonds as defined in the Code) during the 2026 calendar year, (b) it has not designated more than \$10,000,000 of obligations including the Bonds herein authorized) during the 2026 calendar year to the date of this resolution as qualified tax-exempt obligations, (c) the Bonds herein authorized are not “private activity bonds” as such term is defined in Section 141(a) of the Code, and (d) it hereby designates the first series of the Bonds as “qualified tax-exempt obligations” pursuant to Section 265(b)(3)(B)(i) of the Code. The District anticipates that, during 2027, the District will issue Bonds in a principal amount in excess of \$10,000,000 so that Bonds issued in 2027 will not be designated as a qualified tax-exempt obligation pursuant to Section 265(b)(3)(B)(i) of the Code.

Section 12. The District reserves the right to issue refunding bonds and provide for the investment of the proceeds thereof for purposes of providing for the payment of principal and interest on the Bonds in such manner as may be prescribed by law from time to time but specifically including the provisions of Sections 10-142 and 10-717 to 10-719, R.R.S. Nebraska.

Section 13. The District’s obligations under this resolution shall be fully discharged and satisfied as to the Bonds authorized and issued hereunder, and said Bonds shall no longer be deemed outstanding hereunder when payment of the principal thereof plus interest thereon to the date of maturity or redemption thereof (a) shall have been made or caused to have been made in accordance with the terms thereof and hereof, or (b) shall have been provided for by depositing with the Paying Agent and Registrar, or in escrow with a national or state bank having trust powers in trust solely for such payment (i) sufficient moneys to make such payment and/or (ii) direct general obligations of, or obligations the principal and interest of which are unconditionally guaranteed by, the United States of America, or obligations of any agency of the United States of America (herein referred to as “Government Obligations”), in such amount and with such maturities as to principal and interest as will insure the availability of sufficient moneys to make such payment, and thereupon such Bonds shall cease to draw interest from the date of their redemption or maturity and, except for the purposes of such payment, shall no longer be entitled to the benefits of this resolution; provided that, with respect to any Bonds called or to be called for redemption prior to the stated maturity thereof notice of redemption shall have been duly given or provided for. If moneys shall have been deposited in accordance with the terms hereof with the Paying Agent and Registrar or escrow agent in trust for that purpose sufficient to pay the principal of such Bonds and all interest due thereon to the due date thereof or to the date fixed for the redemption thereof, all liability of the District for such payment, except for payment from such deposit, shall forthwith cease, determine and be completely discharged, and all such Bonds shall no longer be considered outstanding under this resolution.

Section 14. The Board hereby authorizes the Authorized Officers to approve (and declare final) on behalf of the District the preliminary Official Statement prepared with respect to a series of the Bonds and hereby authorizes the Authorized Officers (or any one or more of them) to

approve, execute and deliver on behalf of the District a final Official Statement relating to and describing the Bonds in such series. The officers of the District are further authorized to take any and all actions deemed necessary by them in connection with the carrying out and performance of the terms of this Resolution.

Section 15. If and to the extent and individual series of the Bonds is issued in the principal amount of \$1,000,000 or more, then in accordance with the requirements of Rule 15c2-12 (the “Rule”) promulgated by the Securities and Exchange Commission, the District being the only “obligated person” with respect to the Bonds, agrees that it will provide the following continuing disclosure information to the Municipal Securities Rulemaking Board (the “MSRB”) in an electronic format as prescribed by the MSRB:

VCAP and Remedial Actions. The Issuer is aware of (a) the Voluntary Closing Agreement Program (known as "VCAP") operated by the Internal Revenue Service which allows issuers under certain circumstances to voluntarily enter into a closing agreement in the event of certain non-compliance with Federal tax requirements and (b) the remedial actions available to issuers of certain bonds under Section 1.141-12 of the Income Tax Regulations for private use of bond financed property which was not expected at the time the bonds were issued.

The DIBELS reading screener will be the officially approved statewide screener for the 2027-2028 school year. The Certified Count for the bond issue was 2032 for and 1022 against, with 70% approval rating and 46% voter turnout. Laura Trautman was presented with the District Bluejay Award for certified staff. Laura is a teacher at the Middle School. Dr. Fields also discussed Seward County Transit. The May 11 Board Meeting is also Honors Night, so the board agreed to move the meeting to 4:30 pm. Our Kindergarten numbers are down for the 26-27 school year and what staffing issues this causes. Dr. Fields discussed the concern with Highway 15 near the high school, gave the board a chiller update, and discussed gas prices.
