Memorandum of Understanding  
between  
OKLAHOMA STATE UNIVERSITY  
OFFICE OF EDUCATOR SUPPORT  
and  
Bixby Public Schools  
for  
FIELD CLINICAL EXPERIENCES

This UNDERSTANDING made and entered into this day of August 1, 2026, by and between the Oklahoma State University Office of Educator Support, party of the first part, hereinafter referred to as "OSU OES," and Bixby Public Schools, party of the second part, hereinafter referred to as "BIXBY PUBLIC SCHOOLS." Oklahoma State University students participating in an approved OSU OES field or clinical experience course will be referred to as OSU OES candidates.

SECTION 1 BIXBY PUBLIC SCHOOLS agrees to provide the authorization, supervision, and instruction of OSU OES candidates completing the field and clinical experiences component of the teacher preparation program. This would include activities such as a) observation, b) teacher job-shadowing, c) student teaching, d) advanced certification internships/practicum, and e) other activities as approved by both the OSU OES and BIXBY PUBLIC SCHOOLS. OSU OES requires all candidates to have a cleared Oklahoma State Bureau of Investigation (OSBI) name check prior to being placed in any field experience or clinical practice. OSU OES will not place a candidate without a clear OSBI check, but the completion of a cleared OSBI name check will not necessarily require BIXBY PUBLIC SCHOOLS to accept that OSU OES candidate in a field or clinical experience. All placements should be mutually acceptable to both parties and either party may withdraw a candidate from the program if they believe it is not in the best interest of the candidate, faculty member, or the program to continue. Procedures for problem solving are detailed in the Handbook for Cooperating Teachers, Supervisors, and Principals. The OSU OES will provide the appropriate forms, collect the fees, and provide the information to BIXBY PUBLIC SCHOOLS. The completed OSBI report will be valid for up to four (4) years while the candidate is enrolled at OSU.

SECTION 2 BIXBY PUBLIC SCHOOLS agrees to accept OSU OES candidates for assignment in the public schools with cooperating teachers, administrators, and other related teaching personnel. BIXBY PUBLIC SCHOOLS further agrees the cooperating certified staff will give direct supervision to the OSU OES candidates assigned and will work with a faculty member assigned by the OSU OES in directing and evaluating the field or clinical experience.

SECTION 3 The OSU OES agrees to award *Certificates of Professional Development (CPD)* for BIXBY PUBLIC SCHOOLS certified staff who supervise OSU OES candidates. Each cooperating certified staff member who singly supervises a student teacher for 12 weeks will receive a three hour CPD. For each 360 hours of clinical observations, a one hour CPD will be awarded to BIXBY PUBLIC SCHOOLS. This certificate provides a tuition waiver for the continuing professional development of certified staff member. Cooperating teachers must complete an online evaluation of candidate performance prior to the last day of the semester serving as a cooperating teacher; failure to do so will result in no CPD being issued for that cooperating teacher. The cooperating certified staff member of record can transfer the certificate to another BIXBY PUBLIC SCHOOLS certified, contracted staff member with the approval of the superintendent.

Certificates cannot be sold. If a certified staff member chooses not to redeem the certificate, it must be redeemed by another member of the BIXBY PUBLIC SCHOOLS certified staff following all OSU OES and district procedures. The donating certified staff member (or superintendent approved district administrator with documentation of donation), the certificate recipient and the superintendent must sign the certificate in order to complete the transfer. Certificates must be used during the semester in which course work is completed and will expire after 18 months. Lost CPDs cannot be replaced. No more than 6 hours of certificates may be redeemed by any one person during a semester or summer session. Certificates pay only the graduate resident rate (not the online program rate).

SECTION 4 The OSU OES agrees to provide or arrange for non-credit staff development training related to supervision for those teachers desiring to serve as supervisors of teacher candidates and other clinical experiences. All instructors (tenure-track faculty, adjunct faculty, visiting faculty, and graduate teaching assistants or associates) are required to complete FERPA training. As part of our national accreditation, we are required to teach and assess the professional dispositions of our candidates throughout their coursework. Remediation is provided for any candidate receiving a low score on any element in each course. The elements in this assessment include ethics, professionalism, commitment to education, respect for diversity, work ethic, communication, learner attributes, cooperative/collaborative nature, and flexibility.

All OSU candidates are protected under FERPA. Mentor teachers with concerns about a candidate should communicate with their own administrator/principal and/or Dr. Kathy Thomas in the OSU OES.

SECTION 5 All field experience forms will be initially processed for each course and each semester through the OSU OES Field and Clinical Experiences office. Forms processed by the OSU OES will be given to the designated BIXBY PUBLIC SCHOOLS personnel for further processing and site placement.

SECTION 6 The OSU OES agrees to provide BIXBY PUBLIC SCHOOLS a report of the year's activities with field and clinical experiences including the schools involved, the various experiences and activities that occurred and the number of CPDs and hours awarded to BIXBY PUBLIC SCHOOLS teachers and the district.

SECTION 7 All OSU employees are covered by professional insurance for their actions performed within the scope of their employment but the university is prohibited from indemnifying a third party (candidates). Therefore, OSU advises all candidates to purchase professional liability insurance through a professional organization. Candidates placed in BIXBY PUBLIC SCHOOLS for clinical practice will be advised that they must show proof of liability insurance when requested. OSU will not be responsible for maintaining coverage for any liability arising from the acts and/or omissions of the employees, representatives or agents of Bixby Public Schools.

BIXBY PUBLIC SCHOOLS will maintain adequate insurance to provide coverage for the liabilities arising from the acts and/or omissions of employees, representatives or agents of BIXBY PUBLIC SCHOOLS who are participating in the internship program with OSU. BIXBY PUBLIC SCHOOLS will not be responsible for maintaining coverage for any liability arising from the acts and/or omissions of the candidates, employees, representatives or agents of Oklahoma State University. Worker's compensation coverage is not provided to the OSU candidate by Bixby Public Schools.

SECTION 8 UNDERSTANDING begins August 1, 2026, and may be renewed by memorandum of understanding between the two parties.

To: School Work Study (SWS) Schools (The contact person for your school)

It is time for all the school districts that have a Transition School-to-Work: School Work Study contract to sign a new contract for fiscal year 2027 (October 1, 2026 (or date of last signature) – September 30, 2027).

You are receiving this email with a new contract and the Vendor Information Form attached. **You will need to complete the “eSign”, which will automatically send them back to us for our signatures.** The forms will be tracked electronically from that point.

Please complete the entire eSign. Then please review the **entire contract** and find the indicated signature block for your eSignature. Follow the instructions.

**We must receive the completed contract and Vendor Information Form before we can process your contract.**

Please submit as soon as possible so there are no delays in the processing of your contract.

Remember, the “EIN number” is your Federal ID Number.

**Services beginning July 1, 2026 or after may not be provided until the Award of Contract has been issued.**

If you have questions about signing the contract, please communicate with Chris Compton and cc: Renee Sansom Briscoe at the Oklahoma Department of Rehabilitation Services. Their email addresses are [ccompton@okdrs.gov](mailto:ccompton@okdrs.gov) at (405) 605-9651 and [rsansom@okdrs.gov](mailto:rsansom@okdrs.gov) at (405) 212-7789. For SWS contract content and service questions, contact Renee Sansom Briscoe at [rsansom@okdrs.gov](mailto:rsansom@okdrs.gov) or (405) 212-7789.

If there are planned personnel changes that affect this contract, please also provide the new information to Chris and Renee at the above email addresses.

Thank you for your help in this matter.

The Workforce Innovation Opportunity Act (WIOA) requires the Department of Rehabilitation Services (DRS) to collect and report Measurable Skills Gains for youth.

To document these Measurable Skills Gains, Vocational Rehabilitation Counselors will need to obtain a consent form signed by a parent or the student (if they are age 18+) to then submit to your school to obtain copies of students' secondary transcripts. You can expect to receive such transcript requests at the end of each semester and should note that the signed consent forms are only good for one year.

The State Department of Education Special Education Services (OSDE-SES) and DRS request that LEAs collaborate with their local VR Counselors to establish procedures to assist VR Counselors with obtaining students' secondary transcripts and/or report cards to meet WIOA compliance.

Here are some examples of effective procedures VR counselors have shared:

1. The VR Counselor obtains a DRS release form signed by the student's parent/guardian or by the student if they are age 18+ (see example) and then provides a copy of the signed release forms to your school district. The LEA then provides the transcripts to the OKDRS/VR counselor.

(NOTE: LEAs are encouraged to establish a set contact person(s) for the VR Counselor to send consent forms, such as the counselor's office, registrar, special education administration support staff, etc.)

1. For those students participating in School Work Study (SWS), the VR Counselor will send copies of the signed release forms, and the school can provide the students' transcripts along with the SWS time sheets.
2. The VR Counselor sends out the following letter to students and encloses a self-addressed postage-paid envelope for the student to return the transcript in the mail to DRS:

Dear [Client],

The first (second) semester of the school year is almost over, and I hope it has been a good semester for you! I am required to document in your vocational rehabilitation your educational process each semester. Please provide DRS with a copy of your semester's grades. Please return either a high school transcript for (insert the fall or spring semester and the year) or a report card in the enclosed postage-paid envelope or email it to me at (insert counselor's email address). Please contact me if you have any questions at all. Thank you!

Thank you for your support as we work to improve outcomes for students with disabilities.

**State of Oklahoma  
Department Of Rehabilitation Services  
Transition School-to-work: Work Study**

This agreement, consisting of sixteen (16) pages (the "Contract"), is hereby made between the Oklahoma Department of Rehabilitation Services ("DRS") and

**Bixby Public Schools  
P.O. Box 160  
Bixby OK 74008-4449**

("Contractor" or "School") and constitutes the entire agreement between the DRS and the Contractor, and no other representations are given or should be implied from written or oral agreements or negotiations that preceded the Contract.

**RECITALS**

**WHEREAS**, the Oklahoma Department of Rehabilitation Services is authorized to make and enter into all contracts necessary or incidental to the performance of its duties, and may purchase or lease equipment, furniture, materials and supplies, and incur such other expenses as may be necessary to maintain and operate the Department, 74 O.S. § 166.1.C; and

**WHEREAS**, the Individuals with Disabilities Education Act (IDEA) and the Rehabilitation Act both provide for transition services for children with disabilities to facilitate the child's movement from school to post-school activities including employment, 20 U.S.C. § 1401(34) and 29 U.S.C. § 721(a)(11)(D); and

**WHEREAS**, the Oklahoma Department of Rehabilitation Services is authorized by rules promulgated by the Oklahoma Commission for Rehabilitation Services at Subchapter 7 of Chapter 10 of Title 612 of the Oklahoma Administrative Code to implement the Transition from School-to- Work Program; and

**WHEREAS**, in the School-to-Work program, there are many services needed. Some of these services are provided by the school under the individualized education plan (IEP) and some are provided by the Oklahoma Department of Rehabilitation Services under the individualized plan for employment (IPE). Other services may be provided by the parents, Career Tech, and others. A major component of the Transition School-to-Work program is work-readiness training and work experience. The work experience can be provided through Work Adjustment Training or the three types of Work Study Programs.

**NOW THEREFORE**, the parties agree as follows:

**I. Contract Period**

The Contract is effective from the latest date of signature of both parties or October 1, 2026, whichever is the latter, through September 30, 2027.

## I. Contract Services

**Students eligible to participate in Work Study (School Work Study, Worksite Learning, Employer Work Study) include those:**

- with documented disabilities (includes IEP, 504 Plan, or other documents), who have been determined eligible for DRS services or are on a trial work plan as determined by the DRS counselor;
- with an approved DRS case;
- with an individualized plan for employment (IPE) in place;
- with School Work Study (SWS) as a line of service on the IPE;
- who are at least sixteen (16) years of age; and
- who are attending high school.

All students participating in Work Study shall be DRS clients.

Students participating in Work Study may do so for **no more than 24 cumulative months**, as authorized in the form of Authorization(s) for Purchase(s) provided by the DRS counselors prior to the students starting work. In order for the School to be reimbursed for wages paid to a student participating in School Work Study and/or Worksite Learning, the School must have received authorization in the form of an Authorization for Purchase from the DRS counselor prior to the student starting work.

The months do not need to be consecutive. Based on individual needs and barriers due to disability, there may be exceptions where the student requires more time to make additional progress. In that instance, the DRS counselor may authorize additional time. Summer months spent in Work Study count in the 24 cumulative months. Transportation, scheduling, administrative or family convenience, or family/individual income needs are not acceptable reasons to extend Work Study beyond 24 cumulative months.

Participating students may work **no more than 15 cumulative hours per week during the school year** (i.e., during the day, evenings, weekends, or holidays). In each of the cases described above, the students **must** be given school credit for their participation during the school day, and the School staff and the DRS counselor will provide important guidance and instructional help around the work experience. If the student works after school hours, in the evening or on weekends, the School may also choose to give the student school credit and is encouraged to do so to support earning elective credits. The School will provide staff to work with the DRS counselor in the area of transition. The School will have at least one (1) person designated to serve as the “teacher/transition coordinator”. Paraprofessionals could serve as transition coordinator or could also be assigned to help with the process and documentation. The School agrees to provide designated staff time for performing the needed duties related to transition. The School agrees to fully inform the staff responsible for carrying out the duties set forth in the Contract. This includes providing all necessary staff with a copy of the Contract.

Students wishing to continue working through the summer as part of Transition School-To-Work: Work Study may do so if the School has a current contract in place.

During the school year - The maximum number of hours worked per student that is reimbursable by the DRS **cannot** exceed 15 cumulative hours per week during the school year. The DRS will reimburse 100% of the wages paid by the School for a maximum 15 cumulative hours per week

During the summer months - The maximum number of hours worked may exceed 15 cumulative hours and no more than 20 per week for summer work only when pre-approved by the DRS counselor. The DRS will reimburse 100% of the wages paid by the School for a maximum 20 cumulative hours per week. Students may work a maximum 20 cumulative hours per week beginning with the first day of summer break. However, upon the first day back to school, the students must go back to working no more than a maximum 15 cumulative hours per week. All Child Labor Laws apply and must be adhered to.

<https://www.dol.gov/general/topic/youthlabor>

**The School is required to continue supervising, monitoring, and reporting on students working in the School or in the community during the summer.**

Paid work positions must reflect **real work/jobs** and include tasks that would normally be a function of that position. The students must be learning skills that will transfer to competitive, integrated employment in the community. Classroom instructional time does not count as work. The School must ensure that students have access to a wide variety of work/job types and must also ensure the School has enough work to cover the number of students intended to participate in the program. Examples of work/jobs within the School include, but are not limited to, the following:

- office assistant/mail clerk - deliver mail/messages, stamping, sealing, organizing, cleaning, stocking, inventory, ordering, shredding, answering phones, making ID badges, laminating, taking messages, greeting visitors;
- transportation assistant - cleaning buses inside and out, light vehicle maintenance, checking fluids, tire pressure, assisting with trip tickets, cleaning bus barn;
- teacher's aide - reading to groups/individuals, cleaning, organizing, light grading, bulletin boards, listening to students read, engage students in activities, shredding, making copies;
- custodial -operating electric floor cleaning machines, simple maintenance, taking out trash, cleaning classrooms, sanitizing, dusting lockers and trophy cases, cleaning windows, restocking bathrooms, vacuuming rugs;
- manager of sports team - scorekeeping, ordering, inventory, hauling/moving equipment, washing towels, preparing water jugs and equipment for practices and games;
- information technology assistant - using compressed air to clean computers and keyboards; replacing batteries, mice and keyboards; cleaning monitors; deliveries to students and/or teachers; organizing order tickets;
- clerk in school store or coffee/snack cart - greeting, stocking, inventory, organizing, ordering, taking orders, filling orders, taking money and making change, cleaning, making displays;

- cafeteria assistant - wiping down tables, taking out trash, loading dishes, preparing food and utensils, stocking, serving, organizing;
- library aide - greeting, accepting books, checking books out, shelving books, research, cleaning, organizing, doing displays, answering phones; and
- landscaping/maintenance - mowing, weed eating, edging, pulling weeds, cleaning up flower beds, planting flower beds, selecting flowers/plants, planting in flower beds, trimming trees/shrubs, raking and bagging leaves, picking up trash from parking lot or around school grounds, light repairs on school properties, such as replacing light bulbs, painting, exterminating pests, etc.

The same guidelines should be adhered to when selecting community placements for paid work experiences.

In the final nine (9) months of the student's Work Study (School Work Study, Worksite Learning, Employer Work Study), the student must work for an employer outside of the school or school district, unless otherwise approved by the DRS counselor.

Students may not work in their family-owned business unless approved by the DRS counselor. This includes farms and other businesses.

Participation in School Work Study and/or Worksite Learning is limited to students who are **actively enrolled in high school and eligible for transition services**. Upon graduation with **either a standard diploma or an alternate diploma (OAAP)** and official exit from the school district, students receiving services under this Contract must cease work on the last day of the school year. Participation in these programs may not continue beyond the student's high school exit.

## A. Work Study Program

**There are two types of Work Study through DRS:**

1. School Work Study (SWS) allows students with disabilities to **work on the School campus**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage, with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working on campus.
2. Worksite Learning allows students with disabilities to **work in the community**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage, with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working off campus.

## B. Other Work Opportunities

This is not a Work Study through DRS:

1. Employer Work Study allows students with disabilities employment experience in **part-time jobs in the community**, with the employers paying the wages/salary(ies). In this

instance, the students are employees of the community employers, **employers maintain liability**, and **the DRS does not reimburse the employers for the wages/salary(ies)**.

## **A. Contractor's/School's Obligations**

The Contractor's/School's designated teacher/transition coordinator shall:

1. be knowledgeable about the contents and requirements of the Contract;
2. have received written authorizations from the DRS counselors prior to initiating work study services for eligible students or paying for work study services rendered by eligible students (i.e., not starting a student to work before the DRS has approved in writing);
3. serve as a member of the IEP team and make decisions for job placement as a team;
4. provide information regarding the program to School personnel, students, and parents;
5. provide job readiness instruction and assistance to the students in the program prior to starting their jobs (e.g., helping them prepare for interviewing for the potential position) through transition services or five core pre-employment transition services:
  - a. job exploration counseling;
  - b. work-based learning experiences;
  - c. counseling on opportunities for enrollment in postsecondary education (college, CareerTech, trade education, professional certification, etc.);
  - d. workplace readiness, including social and independent living skills; and
  - e. self-advocacy, including peer mentoring.
6. support students' job placement efforts, including tracking and regular follow up with students on their progress;
7. collaborate with the DRS counselor to keep track of all students who are taking part in the program, their place of employment, job title, and the skills they are learning or practicing, at least once per semester or whenever new students join or job duties change;
8. assist with the coordination of the individualized education program (IEP) and the individualized plan for employment (IPE) to reflect the SWS services provided by DRS, including, but not limited to, present levels of performance, services, and annual education/training or employment goals on the IEP;
9. document such transition services or pre-employment transition services provided and completed by participating students;
10. provide such documentation to the DRS counselor at the end of each semester;
11. submit (at the same time and by the 15<sup>th</sup> of the following month or whenever payroll is run by the School for their payment cycle) monthly invoices/pay stubs, time sheets, progress reports, and proof of payment to students for reimbursement of the wages paid to students participating in School Work Study and/or Worksite Learning; and
12. ensure the electronic copy of the contract is routed to the appropriate person for signature and returned electronically to the DRS.

If claiming mileage reimbursement for the School's teacher/transition coordinator's travel to and from the job sites of participating Work Study students, the School shall submit monthly itineraries and travel claims that have been signed and verified by the School's designated signer.

## **B. DRS's Obligations**

The DRS counselor shall:

1. provide authorization in the form of an Authorization for Purchase to the School's teacher/transition coordinator prior to the School initiating services for each eligible student participating in School Work Study and/or Worksite Learning;
2. provide a written/emailed approval to the School's teacher/transition coordinator prior to the initiation of a student's participation in Employer Work Study;
3. accept referrals, process applications, and help to organize the IEP and the IPE;
4. provide input on the IEP's employment goals, serve as a member of the IEP team, and make decisions for job placement as a team;
5. arrange work schedules to allow for meetings with School staff, the student in the program, parents, employers, and other people involved in the process;
6. organize and provide necessary services, such as, but not limited to vocational assessment & counseling and guidance;
7. provide the School's teacher/transition coordinator with updated information as it becomes available, upon request;
8. support students' job placement efforts, including tracking and regular follow up with students on their progress;
9. collaborate with the School's teacher/transition coordinator to keep track of all students who are taking part in the program, their place of employment, job title, and the skills they are learning or practicing, at least once per semester or whenever new students join, or job duties change;
10. monitor students' progress at job sites;
11. ensure that the School is submitting monthly timesheets, progress reports, proof of payments to students, and documentation of transition services or pre-employment transition services (as completed) on a regular basis;

13. provide mileage reimbursement at the state rate for the School's teacher/transition coordinator's travel to and from job sites of students participating in School Work Study and/or Worksite Learning; and
14. provide support in assisting students graduating into Employer Work Study.

### C. Student Wage

1. The DRS and the School agree that students who are employed by the School as part of a training program are not independent contractors, but employees of the School. **The School agrees to deduct state and federal income tax from wages paid to the student.** The School is responsible for costs incurred for workers' compensation or other expenses not included in the minimum wage reimbursed by the DRS, as part of its contribution toward providing coordinated transition services outlined in the Individuals with Disabilities Education Act (IDEA) and the Workforce Innovation and Opportunity Act (WIOA).
2. The DRS and the School further agree that **IRS regulations provide that services performed by a student who is employed by the school in which the student is enrolled are not considered "employment" for purposes of FICA (Federal Insurance Contribution Act—Social Security and Medicare) and FUTA (Federal Unemployment Tax Act—employment tax) payroll deductions.** 26 C.F.R. § 31.3121(b)(10)-2(a)(1) and § 31.3306(c)(10)-2(a). The rules provide that the services

performed by the student must be incident to and for the purposes of pursuing a course of study at the School. 26 C.F.R. § 31.3121(b)(10)-2. **The DRS and the School agree that students who are employed by the School as part of a training program are not subject to FICA or FUTA, except as otherwise provided below.** The employee/student must be enrolled and regularly attending classes at the school where they are employed to have the status of a student within the meaning of the regulations. This exemption does not apply if the student is working for a private employer through Employer Work Study, rather than for the School as part of an internship program. *The student must be employed by the School in order for the exception to apply.* The Oklahoma Employment Security Act provides that employment as part of a work-training program is exempt from the definition of “employment” and, therefore, not subject to the Act and, therefore, should not be documented as wages paid in quarterly submissions to the Oklahoma Employment Security Commission (OESC). 40 O.S. §1-210 (15)(I). **At the end of the calendar year, students are to be provided a W-2 (Wage and Tax Statement), and not a 1099-Misc form for independent contractors.**

1. In order for the School to be reimbursed for wages paid to a student participating in School Work Study and/or Worksite Learning, the School must have received authorization in the form of an Authorization for Purchase from the DRS counselor prior to the student starting work.

## I. Compensation

### A. Contract Amount

The DRS shall reimburse the Contractor as follows:

- school months –the current federal minimum wage. EXEMPT from FICA and FUTA, thus should not be taken out of the student’s check.
- summer months –the current federal minimum wage, plus FICA and FUTA, as summer months are NOT exempt due to the student not being enrolled at least half-time in school.

Payment shall be made upon receipt of properly completed and approved invoices/pay stubs, time sheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services. By law the **DRS cannot pay** in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided to and accepted by the DRS pursuant to the Contract.

The **DRS will cancel the Contract if procedures are not followed** (e.g., putting students to work before authorized, inappropriate job placements, delayed billing, not submitting proper documentation as outlined in the Contract). If a settlement/ratification agreement must be reached between the Contractor and the DRS, the Contractor will receive only 50% of the funds for which it is seeking reimbursement.

The Oklahoma State Constitution, Article 10, Section 23 states, “Balanced Budget - Procedures. The state shall never create or authorize the creation of any debt or obligation, or fund or pay

any deficit, against the state, or any department, institution, or agency thereof, regardless of its form or the source of money from which it is to be paid, except as may be provided in this section and in Sections 24 and 25 of Article X of the Constitution of the State of Oklahoma.”

An express or written contract is a document evidencing, among other things, the mutual consent of the contracting parties. The written document becomes effective when the parties have signified their mutual consent by the act of signing it. The act of signing occurs when it occurs and applies only to events in the future.

To ensure you stay within the law and that you receive full compensation for services provided, please wait for official written documentation from your DRS counselors as to when a service may actually begin for an approved DRS client. The DRS CANNOT backdate in order to pay for services for any youth with disabilities.

According to 70 O.S. § 5-142, school districts must conduct national criminal record background searches and fingerprinting on prospective employees. Therefore, the DRS will reimburse the School up to fifty dollars (\$58.25) per DRS client who:

- \* is going to participate in School Work Study and/or Worksite Learning;
- \* is at least eighteen (18) years of age; and
- \* has not previously had a criminal background check completed by the school district or any other school district in Oklahoma.

This reimbursement will occur upon request and submission of properly completed documentation to the DRS counselor. If the Contractor chooses to request the expedited background check from the Oklahoma State Department of Education, the Contractor will be responsible for any additional fees beyond the fifty dollars (\$58.25).

## A. Payment

The State of Oklahoma has forty-five (45) days from receipt of properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services to make payment to the Contractor. Invoices/pay stubs, timesheets, progress reports, and claims shall be sent to the DRS counselor who authorized services for each DRS client. **DRS cannot reimburse wages for School Work Study and/or Worksite Learning hours that were not authorized in the form of an Authorization for Purchase provided by the DRS counselor prior to the student starting work.** The DRS counselor’s name, address, and telephone number are shown on each DRS client’s Authorization for Purchase. If the State of Oklahoma fails to make payment within the forty-five (45) days, the Contractor is eligible to receive interest on the unpaid balance due per State of Oklahoma Statutes. The Contractor is responsible for claiming the interest. Pursuant to 2 C.F.R. § 200.407(n), 2 C.F.R. § 200.441, the DRS shall not use federal funds or non-federal funds used for vocational rehabilitation (VR) match to pay interest assessed for late payments to the Contractor.

## B. Lapse Of Invoices/Claims

Properly completed and approved invoices/pay stubs, timesheets, and progress reports documenting the provision of services and/or proper claims for reimbursement of travel expenses pursuant to the contract for services shall be submitted within ninety (90) calendar days of the provision of those services and/or incurrence of those travel expenses. Supporting encumbrances may be cancelled upon a lapse of six (6) months from the actual provision of services and/or incurrence of travel expenses pursuant to the contract for services, unless specified otherwise in the Contract.

## **I. Standard Terms**

### **A. Non-Discrimination**

The Contractor shall at all times comply with all applicable federal laws relating to nondiscrimination, including but not limited to the Civil Rights Act of 1964 (42 U.S.C. §2000 *et seq.*), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 *et seq.*), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), the Age Discrimination in Employment Act (42 U.S.C. §6101 *et seq.*), and all amendments to these acts, and all requirements imposed by the regulations issued pursuant to these acts. ### **B. Lobbying Activities**

The Contractor certifies the following:

1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, renewal, amendment or modification of any federal grant, or cooperative agreement;
2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

### **C. Debarment And Suspension**

In accordance with Presidential Executive Orders 12549 and 12689, the Contractor certifies that neither it nor its principals are presently debarred, suspended or otherwise disqualified for participation in federal assistance programs. Such certification is a material representation of fact upon which reliance is being placed when entering into the Contract. A determination that the Contractor knowingly rendered an erroneous certification, in addition to other available remedies, may result in whole or partial termination of the Contractor's default.

Additionally, the Contractor shall promptly provide written notice to the Oklahoma state purchasing director if the certification becomes erroneous due to changed circumstances.

#### **A. Drug-Free Workplace**

The Contractor certifies compliance in providing or continuing to provide a drug-free workplace in accordance with the Drug-Free Workplace Act of 1988.

#### **B. Modification**

The Contract may only be modified by mutual consent of the parties in writing.

#### **C. Cancellation**

1. **With Cause:** In the event the Contractor fails to meet the terms and conditions of the Contract or fails to provide services in accordance with the provisions of the Contract, the DRS may upon written notice of default transmitted via Certified Mail to Contractor, cancel the Contract effective upon receipt of notice or at 5:00 PM on the fifth calendar day from the date DRS mailed the notice, whichever occurs first. Such cancellation shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided for by law. In the event a Notice of Cancellation is issued, the Contractor shall have the right to request a review of such decision as provided by the rules and regulations promulgated by the State of Oklahoma, Office of Management and Enterprise Services.
2. **Without Cause:** It is further agreed that the Contract may be canceled by either party by providing thirty (30) days prior written notice.

#### **D. Access To And Retention Of Records**

The Contractor shall maintain adequate and separate accounting and fiscal records and account for all funds provided by any source to pay the cost of the Contract. Authorized personnel of the U.S. Department of Education or other pertinent federal agencies, and authorized personnel of the Oklahoma Department of Rehabilitation Services, State Auditor and Inspector, and other appropriate state entities shall have the right of access to any books, documents, papers, or other records of contract which are pertinent to the performance or payment of the Contract in order to audit, examine, make excerpts and/or transcripts.

The Contractor is required to retain records relative to the Contract for the duration of the Contract and for a period of seven (7) years following completion or termination of the Contract, unless otherwise indicated in the Contract terms. If a claim, audit, litigation or other action involving such records is started before the end of the seven-year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved or until the end of the seven-year retention period, whichever is later.

#### **E. Subcontracting**

The services to be performed under the Contract shall not be subcontracted, in whole or in part, to any other person or entity without written approval by the DRS. The terms of the Contract, and such additional terms as the DRS may require, shall be included in any subcontract. Approval of the subcontract shall not relieve the Contractor of any responsibility for performing the Contract.

#### **A. Compliance With State And Federal Laws**

The Contractor shall comply with all applicable state and federal laws, rules and regulations relevant to the performance of the Contract. Compliance shall be the responsibility of the Contractor, without reliance on or direction by the DRS.

#### **B. Travel**

The travel expenses to be incurred by the Contractor pursuant to the Contract shall be included in the total amount of the contract award. The DRS will only pay travel expenses (including per diem) specified in and charged against the total amount of the contract award. In addition, the DRS will not reimburse travel expenses in excess of the rate established by the Oklahoma State Travel Reimbursement Act, 74 O.S. § 500.1-37. The Contractor shall be responsible for all travel arrangements and provide supporting documentation for reimbursement.

#### **C. Client Confidentiality**

The Contractor assures compliance with DRS requirements pertaining to the protection, use, and release of personal information. The Contractor will hold confidential all personal information regarding individuals, including lists of names, addresses, photographs, records of evaluation, and all other records of the DRS client. This information may not be disclosed, directly or indirectly, unless consent is obtained in writing or as otherwise required by law.

#### **D. Unallowable Costs**

In the event any audit, audit resolution, review, monitoring, or other oversight results in the determination that the Contractor has expended DRS funds on unallowable costs on this or any previous contract, the Contractor shall reimburse the DRS in full for all such costs on demand. The DRS may, at its sole discretion, deduct and withhold such amounts from subsequent payments to be made to the Contractor under this or other contracts.

#### **E. Audit**

##### **1. Federal Funds**

Organizations that expend \$1,000,000 or more in a year in federal funds from all sources shall have a certified independent audit conducted in accordance with 2 C.F.R. Part 200.

DRS retains the right to examine the work papers of said auditor.

The Contractor shall submit two copies of the annual audit report, management letter (if applicable), corrective action plan to all audit findings, and the auditor's latest external quality control review report to the DRS Contracts Unit at 3535 N.W. 58<sup>th</sup> Street, Suite 300, Oklahoma City, OK 73112 or [Contracts@okdrs.gov](mailto:Contracts@okdrs.gov) within 120 days of the Contractor's fiscal year end. In the event the Contractor is unable to provide the audit report within the time specified, the Contractor shall submit a written request for an extension to the physical address or email address listed above, citing the reason for delay. The DRS reserves the right to suspend payment to the Contractor for costs owed pursuant to this Contract if the DRS has not received the prior year audit.

**F. Clean Air Act**

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The Contractor agrees to report each violation to DRS and understands and agrees that DRS will, in turn, report each violation as required to assure notification to the appropriate Environmental Protection Agency Regional Office.

The Contractor shall timely renew the policies to be carried pursuant to this section throughout the term of the Contract and provide the DRS with evidence of such insurance and renewals upon request.

#### **A. Punitive Actions**

No actions shall be taken against the DRS client, including collection actions for any service covered under the Contract, or for any late payment for which the DRS has responsibility. In addition, the Contractor agrees that no punitive actions will be taken against any client of the DRS for late payment of any tuition, fees, books, supplies, etc. for which the DRS has responsibility. This includes, but is not limited to, withholding grades, Pell or other financial aids, or delaying enrollment.

#### **B. Prior DRS/State Employment**

The Contractor hereby certifies that at the start of the contract period neither he/she nor, if applicable, any member of its board or officers are former DRS employees who were employed by the DRS during the prior twelve (12) months. Pursuant to 74 O.S. § 85.42(B), the Contractor also certifies that no person who has been involved in any manner in the development of this contract while employed by the State of Oklahoma shall be employed by the Contractor to fulfill any of the services provided for under said contract. In the event of such insufficiency, the Contractor shall be provided at least fifteen (15) calendar days' written notice of termination. ## **BOE POLICY 5101: OPEN RECORDS**

The board of education adopts this policy in connection with the Oklahoma Open Records Act (the "Act").

### **District's Philosophy**

The school district, as a tax-supported institution, recognizes that the public has a right to be fully informed concerning its operations. The school district strongly believes that informed citizens are vital to the successful functioning of the democratic government process, which this school district desires to exemplify to its students.

In order to achieve these goals, the board of education hereby states that all records of the school district, except those records designated as confidential in this policy, or otherwise as required by federal or state law, shall be open to any person for inspection, copying, and/or mechanical reproduction during regular business hours. All persons requesting the right to inspect non-confidential records of the school district shall be accorded prompt access to those records.

### **Confidential Records Not Available for Inspection**

As permitted by the Act, the school district hereby designates the following records as confidential and not open for public inspection:

1. Records that can be kept confidential under federal or state law, including FERPA.
2. Personnel records which relate to internal personnel investigations, including examination and selection material for employment, hiring, appointment, promotion, demotion, discipline, or resignation.
3. Personnel records where disclosure would constitute a clearly unwarranted invasion of personal privacy, such as employee evaluations, payroll deductions, and employment applications submitted by persons not hired, and transcripts from institutions of higher education.
4. Bid specifications for competitive bidding prior to publication; contents of sealed bids prior to bid opening; computer programs or software (but not the data thereon); and appraisals relating to the sale or acquisition of real estate prior to the award of a contract – if disclosure would give an unfair advantage to competitors or bidders.
5. Personal communications received from a person exercising rights secured by the Oklahoma or United States Constitution, except for the fact that a communication has been received and that it is or is not a complaint. Any response to such personal communications shall be confidential only to the extent necessary to protect the identity of the person exercising the right.
6. Individual student records, except for: (a) statistical information not identified with a particular student if such information is maintained in a composite form and (b) directory information as defined in the Act, if, pursuant to the Family Educational Rights and Privacy Act that information (i) has been designated by the school district as directory information and (ii) parents have been notified of and have not exercised their non-release rights.
7. Instructor lesson plans, tests, and other teaching materials.
8. Personal communications concerning individual students.
9. Personal notes and personally created materials when made prior to taking action, making a

recommendation, or issuing a report. Confidentiality does not extend to departmental budget requests prepared as an aid to memory or research leading to the adoption of a public policy or the implementation of a public project.

10. The home address of any person employed or formerly employed by the school district.
11. The home telephone number of any person employed or formerly employed by the school district, where disclosure would constitute a clearly unwarranted invasion of personal privacy.

### **Records Custodian**

The board of education hereby designates the Board Deputy Clerk as the person authorized to release non-confidential public records for inspection, copying, or mechanical reproduction.

Under Oklahoma law, the board clerk (and deputy clerk) is the custodian of the district's copy of required school board election and financial-related filings.

Copies of these documents, filings, and open records requests in general can be obtained by making a request through the Board's Deputy Clerk at 918-366-2200 or 23 S Riverview Drive, Bixby, OK 74008.

### **Fees for Records and for Search for Records**

The following fees shall be charged for records reproduction and any compensable search for records:

#### **Paper Production:**

- 8 ½" x 11"      \$.25 per copy
- 8 ½" x 14"      \$.25 per copy
- 11" x 17"        \$.50 per copy

#### **Electronic Production:**

- Document conversion, if available (TIFF or PDF) at \$.25 per page
- Data Collection Document Conversion at \$100 per hour
- Video and/or audio files at \$10 per copy

The district does not consider publication in a newspaper or broadcast by news media as resale or use of data for trade or commercial purposes. However, the district shall charge the news media and others the direct cost of copying electronic data.

A search fee shall not be charged when the release of documents is in the public interest, including, but not limited to, release to the news media, scholars, authors, and taxpayers seeking to determine whether those entrusted with the affairs of the government are honestly, faithfully, and competently performing their duties as public servants.

Costs associated with the reproduction of public records shall be paid by, or on behalf of the requester, at the time documents requested are to be picked up. In the event of a large records request or a request that involves an outside cost to the district, the district may request a deposit, to be set by the records custodian, to be made at the time of the request.

In addition to the costs noted above, when a request for public records would clearly cause excessive disruption of the district's essential functions or is solely for a commercial purpose, the district will charge a reasonable search fee equal to the actual hourly cost to the district. The requester will be charged this hourly rate for all search time, review time, and, if necessary, time spent redacting records prior to production.

Search fees will be charged as follows:

- Time of non-administrative personnel at \$20 per hour.
- Time of administrative personnel at \$40 per hour.

Time will be calculated on quarter-hour increments. If a computer query or programming is required, it will be at the rate of \$100 per hour.

### **Request for Records**

Requests for public records shall be made to the attention of the superintendent or the Board's Deputy Clerk, the District's records custodian. The request shall identify with specificity the record or records sought. Where the request for records is unclear or confusing, the records custodian may request that the requester provide a more precise explanation or description of the records requested. To meet the standard of reasonable specificity, requests should identify a general time frame of the records, describe identifiable records (not just general topics), and include meaningful keywords or search terms. Requests that remain overly vague after good-faith efforts to clarify may be denied. The district shall provide prompt and reasonable access to records, taking into consideration the accessibility of the record, the number and type of records requested, and the need to avoid disruption to core operations or school district business. If a public body has engaged with the requestor to seek the information needed to fulfill the request and to identify the records sought by the requestor, including providing the requestor with general topics or a specific list of records related to the request, the request may be denied if it is still not reasonably specific.

An individual requesting public records, pursuant to the Oklahoma Open Records Act, is requested to use the district's request form to expedite the processing of the open records request.

### **Appeal of Denial of Records**

If inspection of documents designated as confidential is denied, the person requesting access to such documents shall have the right to appeal the denial to the superintendent of schools.

## MEMORANDUM OF UNDERSTANDING

### Sheltering and Mass Care Facilities

This Memorandum of Understanding ("MOU") is entered into by and between **Bixby Public Schools**, an Oklahoma public school district ("BPS"), and the **YMCA of Greater Tulsa**, an Oklahoma nonprofit corporation ("YMCA"), collectively referred to as the "Parties."

#### 1. PURPOSE

The purpose of this MOU is to establish the terms and conditions under which the YMCA may serve as an **emergency shelter site** for the temporary relocation of BPS students and staff in the event of an emergency evacuation.

This agreement is intended to support community safety and emergency preparedness and does not create a fee-for-service relationship between the Parties.

#### 2. NOTICE & ACTIVATION

BPS will make every reasonable effort to notify the YMCA of potential evacuation needs as early as possible.

Activation of this MOU requires **mutual confirmation** by authorized representatives of both Parties.

Nothing in this agreement obligates the YMCA to open or operate a facility if, in the YMCA's sole discretion, doing so would be unsafe, impractical, or inconsistent with YMCA operations, staffing availability, or facility conditions.

Contact information for emergency coordination shall be maintained in a **separate confidential appendix** and is not subject to public disclosure.

#### 3. FACILITY USE

The YMCA agrees, upon activation and approval, to open the following facility for emergency sheltering purposes:

- **Facility Name:** The Daily Family YMCA
- **Physical Address:** 7910 E 134<sup>th</sup> St, Bixby, OK 74008
- **Estimated Capacity:** 350 persons (subject to YMCA determination at time of use)

The YMCA will provide access to the building, restrooms, and a designated area for BPS administrative personnel with phone and internet access **if available**.

#### 4. SUPERVISION & PROGRAMMING

BPS shall retain **exclusive responsibility** for the supervision, care, and conduct of all students, staff, volunteers, and agents while using YMCA facilities.

The YMCA:

- Does **not** provide student supervision
- Does **not** provide medical care, behavioral intervention, security services, food service, or programming
- Does **not** assume responsibility for emergency response beyond facility access and maintenance

Any additional services must be agreed to in writing through a separate agreement.

## **5. CARE OF FACILITIES & REIMBURSEMENT**

BPS agrees to exercise reasonable care in its use of YMCA facilities and shall be responsible for:

- Replacing, restoring, or repairing any damage to YMCA buildings, equipment, or property
- Reimbursing the YMCA for any YMCA supplies or materials used by BPS
- Reimbursing bona fide personnel costs incurred by the YMCA (including overtime), upon submission of reasonable documentation

BPS shall not be responsible for standard YMCA operational or administrative costs unrelated to shelter use.

## **6. INDEMNIFICATION & HOLD HARMLESS**

To the fullest extent permitted by law, **BPS agrees to defend, indemnify, and hold harmless** the YMCA of Greater Tulsa, its officers, directors, employees, volunteers, and agents from and against any and all claims, demands, damages, losses, liabilities, costs, and expenses (including reasonable attorneys' fees) arising out of or related to:

- The acts or omissions of BPS, its employees, agents, students, volunteers, or invitees
- The supervision, transportation, care, or conduct of students or staff
- Use or occupancy of YMCA facilities under this MOU

This obligation shall survive termination of this agreement.

## **7. INJURY & CLAIMS**

BPS assumes full responsibility for:

- Injuries to students, staff, volunteers, or agents
- Medical emergencies involving its population
- Claims arising from BPS activities within YMCA facilities

The YMCA shall not be responsible for personal injury, illness, or death except to the extent caused by the gross negligence or willful misconduct of the YMCA.

## **8. INSURANCE REQUIREMENTS**

During the term of this MOU, BPS shall maintain, at its own expense:

- Commercial General Liability Insurance
- Automobile Liability Insurance
- Workers' Compensation Insurance as required by law

Upon request, BPS shall provide a **Certificate of Insurance** evidencing coverage and naming the **YMCA of Greater Tulsa as an Additional Insured** on general liability policies for activities arising under this MOU.

## **9. MEDIA & PUBLIC INFORMATION**

BPS shall serve as the sole point of contact for media communications related to emergency sheltering activities.

Any media inquiries received by the YMCA shall be directed to the BPS Public Information Officer or Superintendent.

BPS agrees to make reasonable efforts to acknowledge the YMCA's partnership in public communications.

## **10. COMPLIANCE WITH LAW**

Nothing in this MOU is intended to conflict with applicable federal, state, or local laws or regulations. If any provision is found invalid, the remaining provisions shall remain in full force and effect.

## **11. TERM & TERMINATION**

This MOU shall become effective on Feb 16-2026 and shall remain in effect for **five (5) years**, unless terminated earlier.

Either Party may terminate this agreement:

- With **sixty (60) days written notice**, or
- Immediately if continued participation would jeopardize safety, operations, or legal compliance

This agreement may be modified only by mutual written consent of both Parties.

## **12. NO AGENCY OR PARTNERSHIP**

Nothing in this MOU shall be construed to create an agency, partnership, joint venture, or employment relationship between the Parties.

## **13. ENTIRE AGREEMENT**

This MOU represents the entire understanding between the Parties regarding emergency shelter use and supersedes all prior discussions or agreements on this subject.
